HAPPY CHURCH OPENING
The Rev. Ellis Todd, left, pastor of First Methodist Church, took up tickets at the chicken barbecue which opened the congregation's new educational building Wednesday night, August 23. Dr. Luther Kirk of Pampa, district superintendent, looks on.

Norwood School Opens With Enrollment of 176

Samnorwood School opened Monday, Aug. 28, with an enrollment of 176, Supt. Robert Dwight has announced. Sixteen of these were first graders.

Students were enrolled and a full day of school followed.

During the assembly program Laura Whitson gave a patriotic reading, and musical entertainment was presented by The Instincts, a trio that includes Ron Warmack, Gary Oldham and Johnny Breeding.

Mr. Dwight spoke briefly of the improvements made in the physical plant during the summer, then introduced the faculty. He closed by pointing out the opportunities offered the students in their education.

Two new teachers joined the Samnorwood faculty this year. Mrs. Don Van Pelt of Wellington is fifth grade teacher, succeeding Mrs. Charley Hill who retired at the end of the 1966-67 school year. She formerly taught music at Samnorwood and was a teacher three years in schools in the Denton area.

Mrs. Hoyt Ellis of Shamrock is teaching high school English. She taught several years in the Dodson schools and last year was a member of the Arnett faculty. She and Rev. Ellis moved to Shamrock when he became pastor of a church there.

Rev. Rohre to Preach at Norwood

The Rev. Dick Rohre of Clarendon will be the guest preacher at Samnorwood Baptist Church on Sunday, Sept. 3, Tom Cunningham, a member of the congregation, has reported.

Services will include Sunday School at 10 a.m. and preaching at 11. Training Union will meet at 6:30 p.m. and the evening service will be at 7:30.

FIRST BAPTIST PASTOR
The Rev. Leroy Gaston will become pastor of First Baptist Church in Wellington Sunday, Sept. 3. He is seated at left, and next to him are Mrs. Gaston and their son, Larry. Standing are their daughters, Linda at left, and Sharon. They come here from Memphis.

Rev. Leroy Gaston Assumes Pastorate

The Rev. Leroy Gaston will assume the pastorate of First Baptist Church in Wellington Sunday, Sept. 3. He comes here from Memphis, where he was pastor of Travis Baptist Church for a little more than three years.

He and his family moved Thursday.

Rev. Gaston and his wife, Peggy, have three children: a son, Larry, who will be a freshman in Hardin Simmons University, Abilene, and two daughters, Linda, who will enter West Texas State University as a freshman, and Sharon, who will be a junior in Wellington High School.

Thirteen years in the ministry, Rev. Gaston has served all of this time in churches in Texas.

Both he and Mrs. Gaston, the former Peggy Higgins, grew up at Keller, a suburb of Fort Worth, and attended high school together.

He holds a bachelor of science degree from Howard Payne College and has attended Southwestern Seminary in Fort Worth.

The first pastorate he heid was at Bailey, near Bonham, and he was also pastor at Shady Grove Baptist Church at Smithville and First Baptist

C. A. Crawford, Elementary School Principal, has been selected to appear in the 1967 edition of "Outstanding Personalities of the South."

Other recipients of this honor include governors, senators and congressmen of the various southern states. The publication includes many citizens such as educators, leading businessmen, civic and political leaders, elected leaders of variou political subdivisions, ministers, farmers, officers and officials of various trade organizations, leading sports figures, and many other individuals who, because of past achievements and service to their community, state, and/or nation, are recognized as outstanding personalities of the South.

Football Stirs Air as Rocket Opener Nears

Football has been on the practice field since mid-August, but for the hundreds of Skyrocket boosters, it's in the air now, with the opening game eight days away.

The schedules for both the A team and B teams have been released, and the junior high schedules will be announced within a short time.

The date at which time football tickets will go on sale will be announced next week, Supt. J. L. Harper said Wednesday, Aug. 30. Construction of the east stands at Powell Field must get a little farther along before the tickets can be numbered.

Work on the new stands began this week. The old east stands were torn out completely, and the new ones will be longer but ten rows of seats instead of 11. More reserved seats will be available, the superintendent said.

The Skyrockets' first two games will be played away from home, the opener at Hollis on Friday, Sept. 8 and the second game at Childress Friday, Sept. 15.

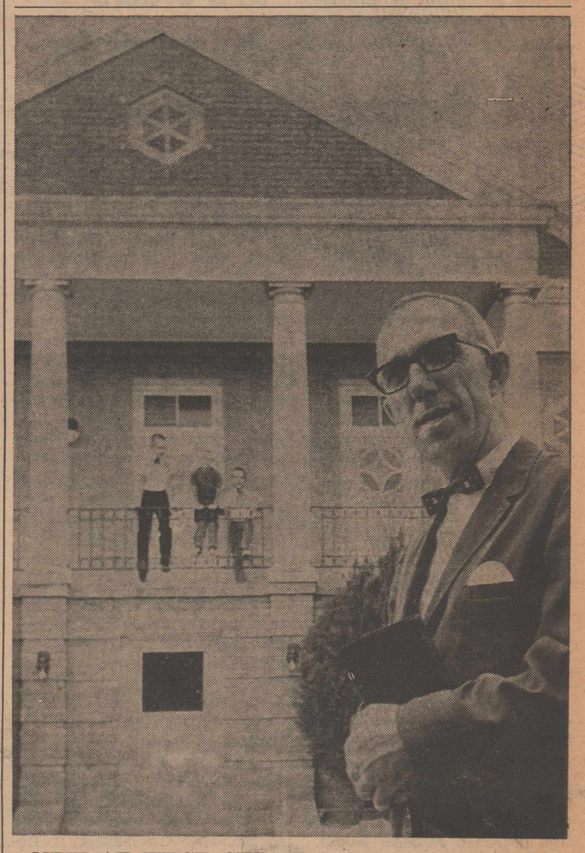

With the first home game three weeks away, contractors will have time to complete all work that is scheduled at Powell Field.

Here is the schedule the teams will play:

Skyrockets

Sept. 8, Hollis there, 8 p.m.
Sept. 15, Childress there 8 p.m.
Sept. 22, Gruver here 8 p.m.
Sept. 29, Wheeler here 8 p.m.
Oct. 6, Clarendon there 8 p.m.
(Conference games)
Oct. 13, Electra here 7:30 p.m.
Oct. 20, Iowa Park there 7:30.
Oct. 27, Quanah here 7:30 p.m.
Nov. 3, Seymour there 7:30.
Nov. 10, Olney there 7:30 p.m.

Debra Deger Named 4-H Bake Show Queen

Debra Deger, Samnorwood 4-H Club member, was chosen 1967 Bake Show Queen and will represent Collingsworth County in the District I Bake Show in Amarillo Sept. 16.

This is a repeat honor for Debra, who was the 1966 Bake Show Queen. The 12-year-old daughter of Mr. and Mrs. Denzil Deger, she is in her third year of 4-H Club work.

Her entry in the Bake Show this years were yeast rolls and pound cake.

She is president of the Samnorwood 4-H Club, she has been a blue ribbon winner in county food shows and dress revues, and she exhibits at the Collingsworth County Fair and Tri-State Fair in Amarillo.

In Amarillo this year, she will compete with 21 other girls.

Mrs. Deger is an active 4-H leader in the Samnorwood Club.

From Entire County

More Entries Sought for '67 Fair Parade

Opening the 1967 edition of the Collingsworth County Free Fair will be the traditional Fair Parade, which will roll onto the courthouse square at 10 a.m. Friday, Sept. 8.

More floats from over the entire county, from business firms and organizations were urged this week by Mrs. Earl Hunter, who is in charge of parade promotion.

"There is no parade theme, and floats may have any theme or idea their creators wish," she pointed out.

"This year we especially want representation from the outlying areas, Dodson, Samnorwood, Dozier, Quail and the other communities," she continued.

In naming those eligible to participate, Mrs. Hunter said this includes any community organization or club, churches, schools, business houses, or even individuals. Both adults and youth groups are to be included.

Mrs. Hunter stressed that should she fail to see the heads

Wellington High's six cheerleaders will be in charge, and "That Skyrocket Band" will furnish music.

All Wellington students and adults are urged to support the team with their attendance on Thursday night.

National, State Presidents Honored

FU Banquet Called Outstanding Among Farmers Entertainment

Collingsworth County Farmers Union entertained its national and state presidents and staged a banquet for District I members that was called outstanding among FU entertainments anywhere.

In charge of the banquet Saturday night, Aug. 26, and the coffee held in the afternoon to honor National President Tony Dechant of Denver and State President Jay Naman of Waco, were county president Dudley Phipps and District I director W. R. Breeding.

Overall chairman of the women's activities was Mrs. W. R. Breeding of Samnorwood, and she was assisted in preparing the decorations by a large group of women of the organization. Mrs. Olan Farris of Dodson headed the banquet entertainment committee. Mrs. Dudley Phipps assisted.

A story covering the address of National President Tony Dechant will be found on page 2 of this issue.

An out of town entertainment speaker was Ronald Mayfield of Friona, a member of the Future Farmers of America in his school, who was the speech contest winner at the meeting of the Texas Electric Cooperatives, Inc.

Collingsworth youth carried the remainder of the lively program, all music.

Sidney Duncan played his original compositions on the accordion. These have been recognized by the National Federation of Music Clubs.

Barry Farris of Dodson, a young vocalist, made his first appearance before a county-wide group by singing "How Great Thou Art", with Duncan accompanying on the accordion.

The final numbers were by the Horns A'Plenty, a combo made up of Barry Johnson, pianist; Jamie Johnson, drums; Chris Hubbard, trombone; David Groves and Billy McAlister, trumpets; and George Kopp, guitar.

Dinner music was presented by Miss Regina Ferguson and Miss Peggie Crawford.

Master of ceremonies for the serious portion of the program was Dean Harmon of Tulia, state vice president of Farmers Union and immediate past District I director.

Mr. Dechant was introduced by State President Naman.

Mr. Breeding introduced the visiting groups and FU officers from various Panhandle counties.

Truitt Holland of Dodson gave the invocation and Charles Detten of Amarillo led the group singing.

At the end of the meeting, Joe Berg of Amarillo, who served as Farmers Union president from 1944 to 1956, presented Mr. Dechant with a desk set in behalf of the Farmers Union.

Sheriff Announces

Amarillo Arrest Clears Dodson Bank Burglary

The arrest of an Amarillo man about 3 a.m. Friday, Aug. 25, has cleared the burglary of the First State Bank in Dodson on Thursday, Aug. 9, Sheriff John Rainey has announced.

He identified the man as Monroe Charles Patterson, 29, who formerly lived here.

Sheriff Rainey said Patterson was arrested by an Amarillo Police officer a few minutes after he committed an armed robbery at a service station at 2817 Amarillo Blvd. East. A short time later he admitted to officers three burglaries and two armed robberies in Amarillo, as well as the Dodson burglary, the sheriff continued. Mr. Rainey was notified of the man's admission by members of the FBI in Amarillo, to whom he had made a statement.

Sheriff Rainey said the man told him during questioning concerning the bank burglary that he broke his drill bit and quit.

According to the sheriff, Patterson admitted burglarizing or holding up Tradewinds Motel, Farrell Manor, Toot and Totem and Gilmore Sporting Goods, where he took a 20 gauge and 12 gauge shotgun. He later sawed off the stocks and barrels of these and they were in his car at the time of Patterson's arrest, along with a .22 pistol stolen in Wellington, Mr. Rainey said.

One Candidate To Appear on City Ballot

Only one candidate filed to have his name placed on the ballot for the city election which will be held Tuesday, Sept. 26 to elect a council member to replace Mack Bush, who resigned.

The candidate is E. H. Harwell, a partner in H&H Construction Company, who is seeking a public office for the first time.

The deadline for filing was Saturday, Aug. 26, Russell Yates, city secretary, said.

A Graduate of 1903

East Texas State University Ceremony Honors J. E. Puryear

Sixty-four years after he was graduated from East Texas Normal College, John E. Puryear of Wellington returned to receive a Golden Anniversary Diploma and to participate in the commencement ceremonies of East Texas State University in Commerce. These took place Friday evening, Aug. 25.

The class of 1903 was the earliest class to be honored, and Mr. Puryear was the only member of the class present. He sat alone in the pew marked with a plaque to honor a distinguished graduate of the same class, the late Sam Ray- ne speaker of the entatives. Oth- ere those class of dents re- ximately 300 degrees were conferred on this year's class.

The guest speaker was Dr. James A. Turman, associate commissioner for field service, United States Office of Education, Washington, D.C. His father, also named James Turman, was a classmate of Mr. Puryear.

East Texas Normal College was founded by William Leonidas Mayo and operated as a private school until 1917. With his health failing, Mr. Mayo offered his school to the college and university system of the State of Texas. On Aug. 25 of that year, he received word that East Texas Normal had been accepted as a state-supported institution of higher learning.

Two hours later, Mr. Mayo died.

It was in recognition of the 50th anniversary of these two events, and of the significance of Mr. Mayo's contribution to higher education in Texas that this year's ceremony was held. Included were all classes up to that of 1917.

This is an honor no other American college has been given, Dr. Halladay noted.

Mr. Puryear was born Oct. 28, 1885, but both parents had died before he was four years old. He was reared by his maternal grandparents, and when time came for him to attend college, they moved to Commerce, buying a house just across the street from the college. A large tree still stands on the lot.

Not quite 18 years old when he graduated from East Texas

Rocket Booster Club to Meet

The Skyrocket Booster Club will hold its first meeting of the season Tuesday, Sept. 5 at 8:30 p.m. in Cherokee Inn Restaurant.

Thayne Amonett, Wellington High School head football ocach will familiarize members with the offense and defense he expects to use against Hollis, according to Stephen Qualls, club president. A film of the Memphis scrimmage will also be shown.

Qualls urged all those interested to "greet the new coach with a big crowd."

HOLTON PROMOTED
Thomas Holton, of Chicago, who was reared at Wellington, has been promoted to partner in charge of the accounting research department of Pete, Marwick, Mitchell & Co., in its New York headquarters. He and his family will move to New York in the spring of 1968 and he will take over his duties next July 1. This is one of the leading firms of Certified public accountants in the nation.

Fitz Art Class Planned

Dord Fitz, eminent artist and art teacher, will again conduct classes in Wellington for the fall semester if there is sufficient enrollment, he announced this week.

Mr. Fitz, whose home is on his family's ranch near Woodward, Okla., will hold his classes here each Friday at 7 p.m. in the recreation room of the John Sherman home.

They are due to open Sept. 8.

Fifteen students are needed if the class is to be held, Mr. Fitz has said.

Anyone interested in enrolling should contact Mr. or Mrs. Sherman by phoning 447-2259.

Mr. Fitz has taught here for several years, with the exception of the 1967 spring semester. Childress students are enrolled here regularly, and there have been others from surrounding towns from time to time.

National Farmers Union President

Dechant Says City People Beginning To Understand Stake in Farm Problem

Tony T. Dechant, national president of Farmers Union, said at the District meeting in Wellington that city people are beginning to see that they have a stake in long-neglected plans to revitalize and recapitalize agriculture and rural America.

"They are beginning to understand the connection between riots and the mass migration that has sent 15 million rural people into the cities since 1950," he said.

"They also are beginning to understand that a corporate takeover of a weak agriculture leads to a monopoly situation that will drive food prices up."

Dechant told the convention that the nation faces endless trouble if it continues policies that undermine the independent farmer and push hundreds of thousands of people off the land every year.

"Low farm prices and rural areas neglect have overburdened the cities and so weakened the rural economy that corporations are trying to take over," eh said.

"This steady decline of the economic and social fabric of rural America has become the most serious domestic problem of our time."

In citing some of the competitive problems faced by the individual farmers, Mr. Dechant quoted from the Wall Street Journal which related the story of a garment firm shading out its garment and associate businesses to enter corporate farming. The firm intends to buy 80,000 acres and divide it into 10,000-acre farms Each farm will have a resident manager and, according to Mr. Dechant, the firm estimates that four or five families can supervise the operation of each farm.

Mr. Dechant also said that the Gates Rubber Company had entered the livestock business and the poultry business and that the tire firm now produces 300,000 eggs a day. Among the corporate farmers he listed the Heinz Co., which recently put in 9,000 acres in potatoes.

The farm leader said rural communities need orderly development, agriculture-related industry that will provide jobs, better schools, and an ample supply of low-cost credit.

"But most important in rural revitalization is a farm price structure that will put some dollars into the rural economy and enable farmers to compete with big corporate interests trying to take over farming," he said.

"We need strong supply-management programs, increased bargaining power for farmers, and parity prices for commodities produced for both domestic and export requirements."

He concluded his remarks by saying that the Farmers Union would continue to attack the farm problems on a total front and not on just one crop at a time or one problem at a time, such as credit; but all of them. In this effort he asked the combined effort of farmers, businessmen and all people living in agricultural communities.

DPS Orders Radar Sets for All Districts

AUSTIN.—Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, reported this week that the DPS had ordered a number of radar sets to be placed in every patrol district over the state to aid in enforcing the highway speed laws.

Use of the sets will enable the Department to secure a higher degree of compliance with the speed law. With the purchase of the new equipment, authorized by the Public Safety Commission, the Department will continue its long-standing policy of filing charges in every case where there is a clear-cut, substantial violation of the speed law.

The new radar units will be mounted in highway patrol cars and are designed so that only one patrolman is needed for operation. Accurate readings can be obtained on vehicles at distances of up to 1,500 feet.

All highway patrolmen are trained in radar operation.

"Accident statistics indicate," Garrison said, "that speed too fast for conditions is the most prevalent violation contributing to accidents in Texas. It figured in 41% of the fatal accidents reported during 1966, and 29% of non-fatal accidents.

Information obtained from studies conducted by the U.S. Bureau of Public Roads indicate that a drive is 20% more likely to be involved in an accident at 70 miles per hour than when driving 65 miles per hour. He is 50% more likely to be involved in an accident at 75 miles per hour, and 90% more likely to be involved at speeds of 80 miles per hour.

"The use of the radar sets should enable us to patrol the highways more effectively," Garrison stated. "It is our hope that all drivers will willingly comply with the maximum speed limits of the state, but there will be those who refuse to do so. Our efforts will be directed toward apprehending those offenders in order to provide protection for the motorist who does comply with the law."

PCA Names New Director

Dean A. Decker, of Route 2, Childress, has been appointed to the vacancy created by the death of John E. Glover on the board of directors of Rolling Plains Production Credit Association. Mr. Decker will serve in this capacity until the next annual stockholders meeting of the association, at which time an election will be held to fill the balance of the unexpired term.

Mr. Decker, with his wife Jerry, daughter Cheryl and son Jim, carries on an agricultural operation of some 2,600 acres in Childress and Hall counties and runs about 800 yearling cattle on a seasonal grass basis. He is 37 years of age, was born in Munday, but has lived most of his life in the Childress area. He has been associated with the production credit system for a good many years, first as a member-stockholder of the Memphis association and since the merger of Memphis into the Stamford association, a member-stockholder of the Rolling Plains association.

Rolling Plains PCA is the result of merging Stamford and Memphis associations in 1965. The central office is maintained in Stamford, with field offices in Haskell, Spur, Munday, Anson, Memphis, Matador, Paducah and Wellington. C. G. Burson, Sr., of Haskell is president and J. L. Hill, Jr., of Stamford is general manager.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT
NUMBER FOUR ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be amended by adding a new Section in Article III to be known as Section 52e, reading as follows:

"Section 52e. Each county in the State of Texas is hereby authorized to pay all medical expenses, all doctor bills and all hospital bills for Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that while said Sheriff, Deputy Sheriff, Constable, Deputy Constable or other county or precinct law enforcement official is hospitalized or incapacitated that the county shall continue to pay his maximum salary; providing, however, that said payment of salary shall cease on the expiration of the term of office to which such official was elected or appointed. Provided, however, that no provision contained herein shall be construed to amend, modify, repeal or nullify Article 16, Section 31, of the Constitution of the State of Texas."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of this state at an election to be held on November 11, 1967, at which time the ballot shall have printed thereon the following:

"FOR the Amendment to the Constitution authorizing each county in this state to pay the medical bills, doctor bills and hospital bills for all Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that the county shall continue to pay the maximum salary of these officials while they are incapacitated, but such salary payment shall not continue beyond the terms of office to which they were elected or appointed."

"AGAINST the Amendment to the Constitution authorizing each county in this state to pay the medical bills, doctor bills and hospital bills for all Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that the county shall continue to pay the maximum salary of these officials while they are incapacitated, but such salary payment shall not continue beyond the terms of office to which they were elected or appointed."

R. O. Thomas Dies at Wichita

Funeral services were held Monday, Aug. 21 in Lamar Baptist Church, Wichita Falls, for R. O. (Bob) Thomas, a former Wellington resident. The Rev. Robert Norsworthy conducted the service. Burial was in Crestview Memorial Park at Wichita Falls.

Mr. Thomas was born Dec. 26, 1890, in Batesville, Ark. He moved with his family to Wellington in 1902. He was married to Miss Cora Cason about 52 years ago and had farming and ranching operations in the Wellington area until 1948, when he moved to Vernon. The family moved to Wichita Falls in 1952.

Mr. Thomas had been a member of the Baptist Church since early in life.

Survivors include his wife, Mrs. Ora Thomas; a son, Lester E. Thomas; and two grandchildren; two sisters, Mrs. Don Boyett of Fort Worth and Mrs. Maude Atkinson of Avery.

Attending the funeral from Wellington were Mr. and Mrs. Charles Cason, Sr., Mr. and Mrs. J. C. Cason, Mr. and Mrs. Roscoe Land and Guy Clement.

Northern Pike Still Growing in Greenbelt

CLARENDON. — Northern pike, experimentally released as fry in Greenbelt Reservoir last April, were checked last week by inland fishery personnel and a 15½ inch specimen weighing ¾ pound was found, according to Leo Lewis, inland fisheries supervisor of Texas Parks and Wildlife Department.

Check nets picked up 56 of the rapidly growing northern pike transplants. Their stomachs contained bullhead catfish, frogs, small gizzard shad, and earthworms.

Largemouth bass stocked in the lake at the same time have grown to 7 inches.

Mark Fires, Sandra Carter Wed in Church Ceremony Sat. Afternoon

Wedding vows were spoken by Miss Sandra Jo Carter and Chester Mark Fires in First Baptist Church Saturday, August 26 at five-thirty in the afternoon. The Reverend Allen B. Earnest, pastor of First Baptist Church at Santa Rosa, performed the ceremony.

Parents of the couple are Mr. and Mrs. Elmer Wiley Carter, junior, and Mr. and Mrs. A. J. Fires.

Decorations in the church were an arch covered with foliage with arrangements of yellow chrysanthemums and candelabras at the sides. White wedding bells marked the aisle pews.

Mrs. Truman Estes presented wedding selections at the organ and accompanied the vocalists, Miss Karen Richardson and Raymond Horton, junior.

Mr. Carter gave his daughter in marriage.

The bride wore a formal length a-line sheath of white peau de soie. The fitted bodice was designed with a scooped neckline and long petal point sleeves, and the chapel length train, which swept from the waistline, was appliqued with motifs of re-embroidered Alencon lace. A queen's crown of pearlized flowers and petals held her fingertip length veil of illusion. She carried a cascade of white cymbidium orchids and stephanotis.

Mrs. Truett Gipson of Borger was the matron of honor and the bridesmaids were Miss Linda Richardson and Miss Leslie Covey. Karen Maxwell was junior bridesmaid. They wore street-length dresses of yellow crepe with lace bodices. Flowers formed their headpieces, and each carried a long-stemmed yellow rose.

The bridegroom's brother, Alan Fires, was the best man, and groomsmen were Mickey Carter, the bride's brother, Joe Shields of Stinnett, cousin of the bridegroom, and Denny Carter, another brother of the bride, was junior groomsman. Guests were ushered by Billy Tyler, Ronnie Hurst, Dean Maxwell and Walter Campbell.

Candles were lighted by Billy Carter and Dan Fires, brothers of the couple, while Kim Maxwell of Houston was the flower girl.

After the ceremony, Mr. and Mrs. Carter were hosts at the reception in the church parlour.

Yellow cloths overlaid with white net covered both the bride's and bridegroom's tables. White candles in crystal holders and a crystal punch service appointed the bride's table and her bouquet was the centerpiece. Guests were served by Mrs. Bruce Ward and Helen Langford.

Back to School

September brings a rash of duties, as every mother knows. And it is time to begin thinking in terms of school clotihng for the children again.

Here are some suggestions that may lighten the work load.

Back-to-school shoppers find more and more items of clothing for both boys and girls made of fabrics which have the permanent or durable press finish. Garments of this finish lighten the work load of the busy homemaker. They are satisfactory if laundered and dried properly, with an automatic washer and dryer.

Recommended washing procedure follows:

Use a warm wash for clothes with average soil. Extremely dirty clothes may need a hot wash. To reduce wrinkling, use a cool-down rinse with a gentle spin. Follow with a cold rinse and gentle spin.

Remove clothes from dryer as soon as it stops to prevent wrinkling. Read hang tags and labels before buying to learn the recommended care method.

Take the youngster along on the shopping trip to be sure the garments fit. Do not buy an item with the idea of letting down the hem or easing out seams. All stitching lines and creases are set permanently and cannot be removed by pressing. Seams and hems can be taken up.

Look for well-known name brands or buy from a merchant who stands behind the product. Permanent or durable press finish gaments bear many different names and each company has its own.

Home Economics Briefs

• Plastic food bags are hearty kitchen helpers, and many can be re-used after a thorough washing with soap and detergent suds. To dry them quickly after rinsing, stuff with crumpled paper toweling and then "stand" them to drain on a dish rack.

• Beware of instant flour. There is more in the cup than meets the eye. When baking with instant flour, take 2 level tablespoons out of each cup of flour called for by the recipe. Instant flour is processed with steam or hot water to make tiny granules stick together as large particles. This takes up less room in the measuring cup. Therefore, instant flour mixes more readily with water without forming lumps and is handy for making gravy.

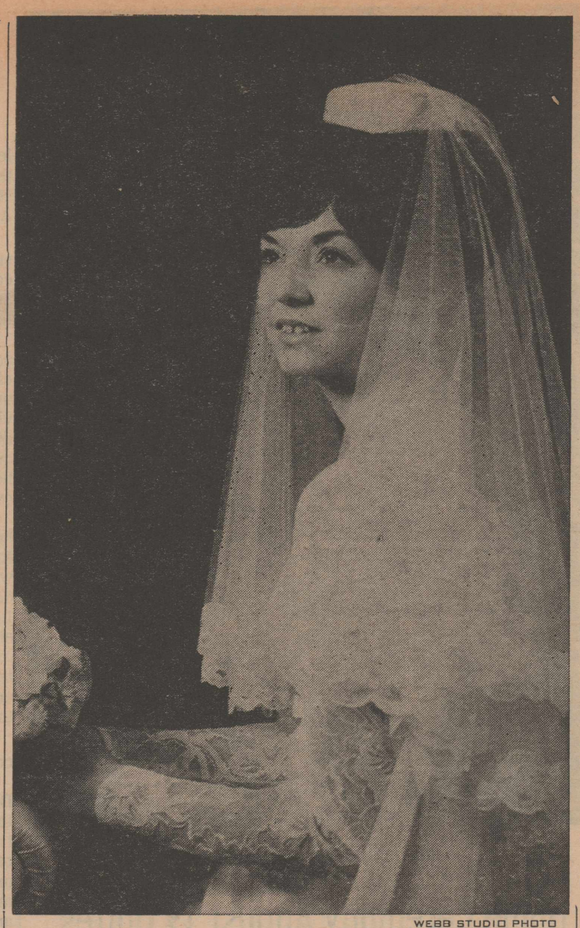

• Do not blame the potato. Potatoes are not fattening. No food is fattening until your body's need for calories has been met. And a five ounce potato carries only 90 calories, about the same as a medium-size apple, pear, grapefruit, or orange. Added gravy, sour cream or butter or margarine added to the potato do add up in the calorie category. So do not blame the potato. Blame the extras.

• Different cleaners do different jobs. The upright is best for large areas or rugs or wall to wall carpets. Choose the canister for general housecleaning, corners, stairs, bare floors and "above the floor" cleaning chores. Lightweight vacuum cleaners, such as the stick and hand vac, come in handy for cleaning hard-to-reach places, such as car interiors and draperies.

• Belts are back! Fall will see belts back in the fashion picture, worn for any and all occasions. Women can again show their waistlines, circled by one to three-inch creations. Grained, waxy or split cowhide styles accessorize a casual costume; jeweled interpretations are for dress-up. Or for a different idea, some belts will feature a watch that actually runs, or a mini-purse clipped on.

• A new glass has been designed for safety. Shattering glass in the home has caused serious injuries in past years, creating the demand for safety tempered glass, designed to minimize injury. The new product, which disintegrates into granular particles when broken, is now required in some new homes and is receiving increasing interest from families, manufacturers and agencies with protection in mind.

• Keep cool with outdoor cooking. Summer evenings find more and more families taking to the out-of-doors for meal preparation. Thanks to the convenience of aluminum foil, it is now possible to cook the entire meal on the grill. Vegetables wrapped in aluminum foil is placed directly on the coals including roasting ears, sweet or Irish potatoes, tomatoes and onion or hobo packs, consisting of any frozen or canned vegetables.

Mike Hughs, Marsha Elbert Marry in Church Ceremony Sunday Afternoon

First Baptist Church was the setting for the wedding of Miss Marsha Ellen Elbert and Michael Parker Hughs Sunday, August 27. The Reverend LeRoy Gaston, the incoming pastor of the church, performed the ceremony at four o'clock in the afternoon.

The bride is the daughter of Mrs. C. W. Rousser of Kress and Thomas Harold Elbert of Wellington. Mr. and Mrs. Buster Hughs are the parents of the bridegroom.

Mrs. Truman Estes presented organ music and accompanied Miss Jackie Barton.

Church decorations were a foliage covered arch with baskets of white gladioli and candelabras at the sides. Candles at the pews lighted both aisles leading to the altar.

The bride's father gave her in marriage.

Her wedding gown was made in empire style, with a lace bodice and petal-point sleeves. Lace motifs were scattered over the silk organza skirt that swept to a chapel train. The elbow-length double veil was edged in lace and held by a pillbox of white tulle. She carried a bouquet of glamelias.

Mrs. J. D. Clay of Dallas, sister of the bride, was her matron of honor and Miss Barton was the bridesmaid. Their floor-length empire dresses were blue silk, with sleeveless bodices, and their headpieces were matching pillbox hats with short veils. They carried nosegays of blue carnations.

The best man was Harold Parker, Jr., of Mangum, cousin of the bridegroom, while Jackie Duncan was the groomsman. Ushering were Stanley Bratten and Dennis Leeper of Arlington.

Candles were lighted by Miss Nanette Gibson of Lubbock, the brides cousin, and Miss Connie Hughs, the bridegroom's sister. Tanya Holliman of Dallas and Randy Elbert of Wichita Falls, niece and cousin of the couple, were flower girl and ring bearer.

A reception after the ceremony honored the couple.

The bride's table was covered with a blue satin cloth, overlaid with white net. The bride's bouquet was the centerpiece, with candles in crystal holders at the sides. Silver and crystal appointments were used.

Guests were served by Miss Nancy Sanford and Mrs. Elmer Keller, while Miss Leslie Covey was at the register.

Both the bride and bridegroom were graduated from Wellington High School. She attended West Texas State University at Canyon. She was employed this summer as secretary in the office of the county judge and attended Clarendon Junior College. She will continue her studies at Wayland College, Plainview.

The bridegroom attended Clarendon Junior College and has been associated this summer with his father in White's Auto Store.

The couple will make their home at Kress.

One-tenth of the world's population indulges in chewing the betel nut, which is native to Malaya but is also cultivated in India, Ceylon and Thailand.

Browns Attend Family Reunion

Two county couples were among the 125 relatives who attended the annual Robinson reunion in Plainview Saturday and Sunday, August 26 and 27.

They were Mr. and Mrs. Clyde Brown of Wellington and Mr. and Mrs. Ed Brown of Abra. The mother of the two men was a member of the Robinson family. One sister, also was present, Mrs. Unice Brown Phillips of Plainview.

During the business session, Ed Brown was elected president from the coming year and Mrs. Ed Brown was chosen secretary.

Approximately 50 relatives were present for the picnic on Saturday night, which included visiting and showing motion pictures of past reunions.

The Sunday morning breakfast was attended by approximately 40, and the others joined them for the devotional and memorial services, regular events, for the dinenr and visiting in the afternoon.

Twelve first cousins were among those attending.

JFF Club Has Barbecue

The JFF Club gathered on Thursday, August 24 in Ellison Park for their first meeting of the summer. The group enjoyed barbecued chicken and ice cream.

Attending were Mr. and Mrs. R. L. Mayberry, Mr. and Mrs. Alton Wilkins, Mr. and Mrs. R. T. Savage, Mr. and Mrs. Wayne Cudd, Mr. and Mrs. Fred Williams, Mr. and Mrs. Hubert Leach,

Mr. and Mrs. Drury Lacy, Mr. and Mrs. Howard Holton and Truitt, Mr. and Mrs. James Chappell and family, Mrs. Dick Sweat, Mrs. Herman Belew and Michael, Mrs. Joe Coleman, Mrs. Woodrow Wood, and guests, Mr. and Mrs. Don Lacy and family, Mrs. Ola Mae Smith and Mrs. Jimmy Langford.

Style Key In Rugs

COLLEGE STATION. — Style is the key word in floor coverings this year, says Bonny Lay, .Extension housing and home furnishings specialist at Texas A&M University.

For the woman who wants a faddish touch, the man who wants a comfortable den, and the college kid who wants the stylish dorm room, there are furs for the floors. There are jungles of skins in all kinds and prices—the small to the giant-size calfskins with all kinds of markings, the real zebra, and the ferocious (but fake) tiger. These colorful, flamboyant fur floor coverings are predicted to be as big next fall as they were last season.

Shags of the rough plush texture are very popular. They are used mainly in solid colors of deep red, pale blue, and rust. Solid colored plush wall-to-wall carpet emphasizes the bronze or burnished shades of gold and olive or celery green.

Generally speaking, pattern is on the subdued side. The no-design prevails, but some orientals and Bokhara type rugs and floral needlepoint are appearing.

Color, when it is used, is brilliant, but there is presently a trend toward the no-color look. Oyster white, parchment, Spanish straw, and putty are some of the more popular neutrals appearing on the market. Bright colors include cerise, bright marigold, earth tones of burnished shades, and green.

PUBLIC NOTICE

Proposed **CONSTITUTIONAL AMENDMENT**

NUMBER ONE ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 9, Article VIII, Constitution of the State of Texas, be amended to read as follows:

"Section 9. The State tax on property, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty-five Cents (35¢) on the One Hundred Dollars ($100) valuation; and no county, city or town shall levy a tax rate in excess of Eighty Cents (80¢) on the One Hundred Dollars ($100) valuation in any one (1) year for general fund, permanent improvement fund, road and bridge fund and jury fund purposes; provided further that at the time the Commissioners Court meets to levy the annual tax rate for each county it shall levy whatever tax rate may be needed for the four (4) constitutional purposes; namely, general fund, permanent improvement fund, road and bridge fund and jury fund so long as the Court does not impair any outstanding bonds or other obligations and so long as the total of the foregoing tax levies does not exceed Eighty Cents (80¢) on the One Hundred Dollars ($100) valuation in any one (1) year. Once the Court has levied the annual tax rate, the same shall remain in force and effect during that taxable year; and the Legislature may also authorize an additional annual ad valorem tax to be levied and collected for the further maintenance of the public roads; provided, that a majority of the qualified property taxpaying voters of the county voting at an election to be held for that purpose shall vote such tax, not to exceed Fifteen Cents (15¢) on the One Hundred Dollars ($100) valuation of the property subject to taxation in such county. Any county may put all tax money collected by the county into one general fund, without regard to the purpose or source of each tax. And the Legislature may pass local laws for the maintenance of the public roads and highways, without the local notice required for special or local laws. This Section shall not be construed as a limitation of powers delegated to counties, cities or towns by any other Section or Sections of this Constitution."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed on them the following:

"FOR the constitutional amendment allowing counties to put all county taxes into one general fund."

"AGAINST the constitutional amendment allowing counties to put all county taxes into one general fund."

Mary Ann Lindsey Marries Carl Houston in Ceremony at Memphis

Miss Mary Ann Lindsey became the bride of Carl Rex Houston in a four o'clock ceremony performed Saturday, August 26, in Travis Baptist Church, Memphis. The Reverend Gene Jorgenson, pastor of First Baptist Church, Memphis, officiated.

Parents of the couple are Mr. and Mrs. Frank Lindsey of Quail and Mr. and Mrs. Lowell Houston of Route One, Memphis.

Church decorations were an arch covered with foliage with seven-branched candelabras and baskets of white gladioli at each side.

Wedding music was presented by Roger Hargrove, vocal soloist, and Miss Betty Stewart, organist. Both are from Memphis.

Mr. Lindsey gave his daughter in marriage.

She wore a formal length wedding gown of white mother of pearl which she designed. Made in empire style, the waist was accented by a band of velvet ribbon and a front bow, a scooped neckline, and the long petal point sleeves. The chapel length train of illusion was attached at the waist and matched her illusion veil. Her headpiece was a tiara of seed pearls and crystal beads. The bride's flowers were a pendant cascade of Glamelias and salal leaves on a white Bible.

Miss Janice Pitts of Amarillo was the maid of honor and the bridesmaids were Miss Bonnie Winegeart and Miss Connie Winegeart of Pampa, cousins of the bride. They wore street length dresses of yellow satin, accented at the empire waist with yellow velvet ribbon. Their headpieces were of rosettes and matching net, and they carried crescent bouquets of pale green carnations.

Sammy Houston of Memphis, brother of the bridegroom, was the best man. Groomsmen were Jimmy Stewart of Memphis and Johnny Ellis of Lamesa, while the ushers were Robert Maddox and Jerry Burleson of Memphis.

Candles were lighted by Linda Lindsey of Hedley and Monica Bowersox of Lawton, Oklahoma. Jeanie Lindsey of Hedley and Mark Bowersox of Lawton were the flower girl and ring bearer. These are nieces and nephew of the couple.

After the ceremony, Mr. and Mrs. Lindsey were hosts at a reception in the church parlour to honor the couple. The bride's table was laid with a white cloth and appointed in crystal and silver. Members of the house party were Miss Nancy Simpson and Miss Connie Bradshaw of Memphis, and Miss Joyce Sellers of Midland, a cousin of the bride.

After their wedding trip to Six Flags Over Texas, the couple will be at home at 2507 Eighth Avenue, Canyon.

A graduate of Quail High School, the bride attended Clarendon College and was graduated from Pampa College of Hairdressing and Beauty Culture.

The bridegroom was graduated from Memphis Hig School and is now a student at West Texas State University, Canyon.

Mrs. Oscar Molton and Archie Lee of Golden, Colo., Mrs. Fred Andrews and Danny Ray of Inglewood, Colo., and Tammerley Holtz of Golden visited last week end with Mrs. Molton's mother, Mrs. Bill Gibbons and other relatives. They also visited in Cactus, Borger, Amarillo and Pampa.

Visiting with J. E. Puryear and his daughter, Mrs. Margaret Peters Tuesday were his cousins, Mr. and Mrs. Frank Sanders and their son, Dean Sanders, and Mr. and Mrs. Hubert Maples of Hart. Mrs. Peters has been here with her father much of the summer.

Mr. and Mrs. Jon Johnson of Waco visited last week with his parents, Mr. and Mrs. O. V. Johnson, Jamie, Barry and Dicky.

Home Ceremony August 19 Unites Billy Wischkaemper, Miss Breeding

Miss Jo Nell Breeding and Billy Ed Wischkaemper, United States Army, were married in the home of her parents, Mr. and Mrs. John C. Breeding, in the Lone Mound community at eight o'clock Saturday evening, August 19. Minister E. J. Fletcher of the Church of Christ in Wellington officiated.

Mr. and Mrs. Edgar Wischkaemper of Route Three, Shamrock, are the parents of the bridegroom.

Decorating the den, where the wedding was performed, were a candelabra above the fireplace and at each side floor candelabras entwined with jade leaves. These were linked by a rose chain and at the sides were baskets of yellow chrysanthemums and pompoms.

Wedding music was presented by Mrs. Charles Floyd, pianist, who accompanied Mr. Floyd in the vocal solos.

Mr. Breeding gave his daughter in marriage.

She wore a street-length wedding gown of Alencon lace over peau de soie, made along princess lines. The low round neck and three-quarter sleeves edged in scallops accented the bodice and back fullness was accented with a bow. Her shoulder veil was held by lace petals encrusted with pearls. Her only jewelry was a necklace with a diamond drop. The bride's bouquet was of white frenched carnations, lilies of the valley and forget-me-nots.

The couple's attendants were Lieutenant and Mrs. Lloyd Stice of Lawton, Oklahoma.

Mrs. Stice wore a white lace sheath with three quarters sleeves. Her headpiece was of silk petals to which her nose veil was attached. She carried a nosegay of yellow chrysanthemums.

Ushers were Johnny Breeding and Kenneth Wischkaemper, brothers of the couple.

Mrs. Rudy Tate, the bride's cousin, greeted the guests as they arrived, and they were registered by Mrs. Johnny Carson of Weatherford, Oklahoma.

A reception followed the ceremony. In the receiving line were Mr. and Mrs. Breeding, Mr. and Mrs. Wischkaemper, the bride and groom, and Mrs. Stice.

A white linen cutwork cloth over yellow covered the reception table, and the centerpiece was an arrangement of yellow roses. Silver and crystal appointments were used. Miss Billie Purkey poured and Mrs. Paul Macina of Pakan served the wedding cake. Others in the house party were Mrs. W. R. Breeding, Mrs. Cortez Barnett, Mrs. John H. Christner, Mrs. Donald Coleman and Mrs. Jim Ray.

Later the couple left for their home at 2604 Avenue C, Lawton, Okla.

Both the bride and bridegroom were graduated from Samnorwood High School. She attended Texas Technological College and was graduated from Jessie Lee School of Hairdressing. During last year she was a student in West Texas State University at Canyon.

The bridegroom also attended Texas Tech in Lubbock, and is now serving in the United States Army, stationed at Fort Sill, Lawton, Oklahoma.

Mr. and Mrs. W. F. Minatrea, Alvin and LaNell vacationed in Memphis, Tenn., recently, visiting their son, Mr. and Mrs. Floyd Minatrea, Tracey and Floyd III, Aug. 16 to 21. Before returning home they also visited their daughters, Mr. and Mrs. LeRoy Armstrong of Irving and Mr. and Mrs. D. L. Kimbrell of Dallas.

Mr. and Mrs. Jesse Motsenbocker, Jr., Jessica and Dana of Amarillo spent the week end with his parents, Mr. and Mrs. C. J. Motsenbocker.

Mrs. E. J. Owen of Paris, Texas has returned home after visiting with her sister, Mrs. Alvin Horton, the past week.

Mrs. L. H. Wolf Observes 80th Birthday With Reunion in Lubbock

Mrs. L. H. Wolf celebrated her 80th birthday at the home of her daughter and son-in-law, Mr. and Mrs. W. T. Barnes of Lubbock, and this was the occasion for a reunion of her children, held during the week end.

Mrs. Wolf and her husband, the late L. H. Wolf, came to the Loco community in 1925, making their home there until his death in 1958. At this time Mrs. Wolf moved to 1201 Arlington, Wellington to make her home. She and her family were active in the Loco community and the Methodist Church.

Coming Friday to accompany Mrs. Wolf to Lubbock for the occasion were her three sisters, Mrs. Charles Trickey, Mrs. C. D. Hodge and Mrs. Archie Nix, and a niece, Mrs. Herman Allen, all of Texarkana.

Sunday was devoted to attending church, visiting and taking pictures, with a buffet luncheon served at noon.

Attending were Mrs. Wolf, Mrs. Trickey, Mrs. Hodge, Mrs. Nix, Mrs. Allen and Mr. and Mrs. John Wolf and children, James, Robert, Sue and Thomas, Mr. and Mrs. Bill Wolf and Linda, and Mr. and Mrs. Henry Wolf, all of Wellington;

Mr. and Mrs. Frank Hall, Mr. and Mrs. Kenneth Mumford, Carl, Tracy and Carolyn, and Mrs. T. J. Allison, Barry, Angela Ginny and Bart, all of Pampa; Mr. and Mrs. G. B. Morris, Larry, Lance and Phil of Crosbyton;

Mr. and Mrs. W. T. Barnes, Mike, Donna and Pam, Mr. and Mrs. Roger Stanley, Sharline and Sonja, and Mr. and Mrs. Lynn Wolf of Lubbock.

One son, Gene Wolf of Borger, was unable to attend.

Plans are for the 1968 reunion to be in Wellington.

Mrs. Wolf returned to Texarkana with her sisters for the reunion of the Storey family at their childhood home near English, Texas. She will spend several weeks visiting friends and relatives there.

Patterson Reunion Draws Relatives From Wide Area of Texas, Oklahoma

Descendents of the late Mr. and Mrs. Jim Patterson met Saturday and Sunday for a reunion in the National Guard Armory, with relatives coming from throughout Texas and Oklahoma.

During the business session, A. C. Patterson was elected president for the coming year, Bill Little of Stewart, Oklahoma, vice president; Mrs. J. B. Guill of McLean, secretary-treasurer; and Mrs. Jack Brown of Amarillo, assistant secretary-treasurer.

Saturday night and Sunday were spent visiting, playing dominoes and taking pictures.

The reunion will be held here again next year, and is set for the last week end in July.

Four of the group, Mr. and Mrs. Willard Little, Mrs. Lucy Patterson and Mrs. Laura Little, all of Kiowa, Oklahoma, came Wednesday, August 23 to visit with Mrs. G. K. Patterson.

Mr. and Mrs. Jim Little and Jerry of McAlester, Oklahoma, formerly lived here and this was their first time to visit since moving more than twenty years ago.

Others attending were Mr. and Mrs. James W. Chanslor of Amarillo; Mr. and Mrs. George Burrow and Twana of Wayside; Mr. and Mrs. Johnny Patterson and famliy of Hereford; Mr. and Mrs. George Little of Allen, Oklahoma;

Mr. and Mrs. Tommy Patterson, Guy Don and Mykie of Kellerville; Mr. and Mrs. John Guill of McLean; Mr. and Mrs. Leon Patterson of Shamrock; Mr. and Mrs. Jack Brown, Jackie and Johnnie Lee of Amarillo; Mr. and Mrs. Homer Bell of Liberal, Kansas; Mrs. Viola Childers of Childress; Mrs. Lola Patterson of Texline; and Mr. and Mrs. Bill Little of Stewart, Oklahoma.

Attending from Wellington were Mr. and Mrs. Virgil Patterson, Mr. and Mrs. P. J. White and children, Jan, Rod and Pat, Mrs. G. K. Patterson, Mr. and Mrs. Earl Patterson, and children, Teresa, Kathy and Kirk, Mr. and Mrs. Leroy Belew and children, Joe Paul, Phillip and Tracy, Mr. and Mrs. A. C. Patterson and Mr. and Mrs. George Patterson.

Sugg Family Gathers Here

A former Wellington man, J. D. Sugg of Jackson, Miss., returned last week to visit his mother, Mrs. W. W. Sugg, and this was the occasion for a gathering of other members of the family in Wellington.

Accompanying Mr. Sugg were his two sons, Lee, who will be a student in Mississippi State University at State College, Miss., and Calvin Sugg, who will attend Belhaven College in Jackson. It has been three years since they were here.

Mrs. Sugg's other children who were present were Mrs. Frank Crawford of Sulphur, Okla., Mrs. Mary Clay of Hart, Mrs. Teddie Dukeminier of Oklahoma City, Mr. and Mrs. Cal Sugg and Miss Jewell Sugg.

Mr. Sugg was on the staff of The Wellington Leader in the mid-1920's and continued his newspaper work at Pampa.

The gathering here was not the end of the family celebration, for most of the visitors stopped at Sulphur, to be joined by Mrs. Sugg and Miss Sugg at mid-week. A fish fry is planned for the week end.

DISGUSTED

"I'd have more privacy in the El Paso railroad station," says Robert Mitchum to John Wayne and Charlene Holt in this scene from Howard Hawks' "El Dorado," a lusty Western for Paramount Pictures at the Ritz Theatre Friday, Saturday, Sunday and Monday. "El Dorado" is set in Texas in the perfect era for tumultuous western adventure, the period following the Civil War when the cattle market was beginning to emerge. Story of a gunfighter and a sheriff in a range war, the Technicolor film also features James Caan and Michele Carey, and Arthur Honnicutt.

New Residents in City Honored

Mrs. Sammy Helmers was hostess Saturday afternoon, August 26, at a get-acquainted game time to honor two new residents of Wellington.

They were Mrs. Thayne Amonett, whose husband is head coach of Wellington High School, and Mrs. Jimmy Boling, whose husband is a dental technician.

Games of bridge and Yahtzee were played.

Those attending were Mrs. J. B. Oney, Mrs. Emory Hunter, Mrs. Dick Hamilton, Mrs. Dick Pendleton, Mrs. Jimmy Cochran, Mrs. Robert Lewis, Mrs. Fred Saied, Mrs. Mack Saied, Jr.,

Mrs. Bill Hatch, Mrs. Earl Clark, Mrs. Millard Brown, Jr., Mrs. Jack Moreman, Mrs. Glen Taylor, Mrs. Ted Brock, Mrs. Paul Guthrie and Mrs. Jimmy Bowen, Jr.

Mr. and Mrs. Haskell Baggett and Aubrey Baggett spent Sunday in Idalou visiting their daughters, Mr. and Mrs. Jerry Tidrow and Mr. and Mrs. Jackie Tidrow, and Mr. and Mrs. Jackie Nation and Farris.

Shower Honors Mrs. Mack Bush

A stork shower and coffee honored Mrs. Mack Bush Friday morning, August 25 in the home of Mrs. E. W. Clement. Joining her as hostesses were Mrs. Bob McAlister, Mrs. B. M. Sims, Mrs. Jack Moreman, Mrs. Leon Hartman, Mrs. Sam Adams and Mrs. Donald Settle.

Indicating Mrs. Bush's musical ability, the centerpiece on the coffee table was a miniature piano, surrounded by yellow carnations. Mrs. Adams presided at the silver coffee service.

Recipe Shower Honors Bride

A recipe shower honored a late August bride, Miss Sandra Carter, on Saturday morning, August 19, in the home of Mrs. Bob McAlister.

Co-hostesses with her were Mrs. Bill Long, Mrs. Leon Hartman, Mrs. Sam Adams and Mrs. E. W. Clement.

Each guest brought her favorite recipe to be added to the bride's collection, and these were presented on the Recipe Tree which formed the centerpiece of the refreshment table. Yellow carnations surrounded the tree.

Miss Carter was married on Saturday, August 26, to Mark Fires.

Those attending the shower were Mrs. Elmer Carter, Mrs. A. J. Fires, Mrs. Emma Jones, Mrs. Elmer Feemster, Mrs. Harold Keller, Mrs. Gus Barton, Mrs. Danny White of Houston, Mrs. James Richardson, Mrs. Cal Hurst, Mrs. Emory Hunter, Mrs. Lynn Wright, Mrs. Fred Covey, Mrs. L. B. Bratten, Mrs. Jack Sanford, Miss Marsha Elbert, Miss Nancy Sanford, Miss Linda Richardson and Miss Karen Richardson.

Mrs. W. E. Thomas returned recently from Los Alamos, N. M., where she visited her son and daughter-in-law, Mr. and Mrs. Olan Thomas and their children. The group spent part of the time at the Thomas' cabin in the mountains of southern Colorado.

Visitors in the home of Mr. and Mrs. J. W. Tatum over the week end were Mr. and Mrs. Clyde Campbell of Beaver City, Okla.

Mr. and Mrs. Davis McMahan and Bill of Albuquerque, N. M., are visiting with his mother, Mrs. Odessa McMahan this week.

Miss Helen Hardy has returned to Houston after spending the summer with Mr. and Mrs. Jake Leach, and with Mrs. R. S. Montague and Mrs. P. K. Hardy.

Miss Gail Nichols of Dallas and John Ford of North Texas State University in Denton visited two days this week with his parents, Mr. and Mrs. Jack Ford.

Mr. and Mrs. Jim Henard, Mr. and Mrs. Larry Oswalt, and Mr. and Mrs. Jerry Thompson of Memphis spent last week end in Ruidoso, N.M., where they attended horse races and visited Lincoln National Park and "Billy-the-Kid" museum.

Mr. and Mrs. Loyd Vines, Barbara and Pam visited Six Flags amusement park recently, and then went on to Camden, Ark., to visit with a group of his relatives.

Mr. and Mrs. Jake Crouch and two daughters of Oklahoma City were here during the week end to visit his sister and brother-in-law, Mr. and Mrs. Cal Sugg, and with members of the Mrs. W. W. Sugg family.

Mr. and Mrs. L. M. Bartlett, Mr. and Mrs. Alvin Horton, and Mrs. Virgil Patterson were in Muleshoe recently to attend the funeral of Mrs. W. E. Goforth, a former resident of Collingsworth County.

Progress in Field Crops Will Be Reviewed on Tour

Coming on Wednesday, September 27, will be the annual field crops tour of the Northwest Texas Research Demonstration Program, a local institution that has done much important work in improved agricultural practices and crop varieties in the Southeast Panhandle.

Beyond its importance to us is the inclusion of the results of this work in the programs of the Texas Agricultural Extension Service and Texas Experiment Station, of which it is a part. Many of the findings in Collingsworth county are now included in their official recommendations.

The tour is not for farmers only. It is for business and professional men, for we all depend on agriculture. There is a fund of practical farming information on one of these tours. Successes will be explained. Failures—what not to do in Collingsworth will be discussed.

New yellow Demonstration signs are out at the various research plots. County Agent Sammy Helmers Farm Demonstration Assistant Scott, and the Collingsworth farmers co-operating in the Program, welcome the public to stop and see these plots ahead of time, then to return on the tour for acomplete briefing.

OTHER EDITORS SAY . . .

Sometimes Two's a Crowd

School board members were hardly surprised, but might have been justifiably disappointed, when nobody except a newspaper reporter showed up for a well-advertised public hearing on the 1967-68 school budget Tuesday night at the high school building.

As many as two people have constituted a "crowd" at budget hearings in recent years, so Tuesday night's turn-out was not unexpected.

But one board member observed, as the biggest budget in school history was being considered, that "you'd think people would be more interested in how we're spending $300,000 of their money."

We suspect, however, that the lack of public interest . . . or concern . . . with the budget hearings should be interpreted as a tribute to the present members of the board of trustees, and as evidence of public confidence in them. The public, unfortunately, seldom becomes greatly concerned about public affairs unless . . . or until . . . they have got in a pretty sorry state.

We think the confidence in the school board, in this case, is amply justified. The five men who make up this board . . . President Rush Snyder, Logan Owens, Keith Rudy, Rhea Wilson and Lee Young . . . are all able, conscientious, and dedicated citizens who can be depended upon to put the community interest, and the interest of the students themselves, first always in their decisions on school affairs.

But we also think the general public should show more interest in the school budget and how it is handled . . . and be more aware of the magnitude of the job undertaken by board members who serve without pay and usually without recognition. Anyway, a report on the budget can be found in this issue.

STATE Capital NEWS

By VERN SANFORD

AUSTIN.—Texas Department of Public Safety has issued a grim warning that 45 people will die in state traffic accidents during the Labor Day week end.

DPS will make an all-out effort to curb wrecks and to stop reckless and illegal driving on the highways, says Col. Homer Garrison, Jr., veteran director of the law enforcement agency.

Approximately 150 uniformed officers from other services will supplement the regular highway patrol force for the long holiday period — Friday, Sept. 1 through Monday, Sept. 4.

In addition, a coordinated effort involving several state agencies and private organizations will be directed toward holding down the fatality and injury list.

Texas Safety Association will conduct a public information program stressing the need for courtesy and caution on the road and urging drivers to remain alert. TSA Vive President W. F. Leonard will coordinate efforts of 12,000 Junior Chamber of Commerce members operating 200 rest stops which will serve food and coffee to tired drivers.

DPS plans to carry on its educational program via newspapers, radio and television and will distribute maps showing highway construction sites.

A fleet of 35 to 40 cars to assist stranded motorists over the state will be operated by Texas Council of Safety Supervisors and Texas Motor Transportation Association. Purpose of the "holiday road patrol" is to relieve highway patrolmen for enforcement work.

"There is always the possibility that the estimate of 45 deaths for this period can be proved to be too high, but only if all drivers put forth every effort toward avoiding traffic accidents," Col. Garrison said.

Meanwhile, DPS has announced radar sets will be placed in every patrol district over the state to aid in enforcing highway speed laws. Sets capable of accurate readings on vehicles at distances up to 1,500 feet will be carried in patrol cars.

Speeding figured in 41% of last year's fatal accidents and 29% of non-fatal accidents.

SMITH IS RUNNING

Lt. Gov. Preston Smith broke open the 1968 political season by telling reporters he will run for governor next year regardless of whether Gov. John Connally plans to try for a fourth term.

"I want to make it clear once and for all that I am running," Smith said. "I have absolutely no idea what Governor Connally will do, and it doesn't make one iota of difference."

However, the lieutenant governor insisted that he would not make a formal announcement of his candidacy, complete with definition of issues, until Connally returns around Labor Day from his African safari.

ELECTION LAW CHANGES

Secretary of State John Hill has provided Texas election officials details of all changes in state election laws enacted by the 60th Legislature. The major changes include:

—Voters may mark ballots with "x" or check marks rather than scratching names of candidates they oppose.

—Counties may use elecronic voting machines on approval of the secretary of state.

—Those who have not yet met state voting residence requirements may vote for president and vice president.

—Those who have moved from county to county within six months before an election can vote for statewide officials.

—Some city election dates will be changed from the first Tuesday in April to the first Saturday in April.

—Election officials will get a pay raise from $1 to $1.25 an hour.

—Voters in bond elections will be required to sign affidavits they own property and to identify the property.

—Write-in votes will be outlawed in primaries except for party offices, like county chairman.

—Only opposed candidates will have to file campaign expense statements.

—Voters again must register between Oct. 1 and Jan. 31. All voters must sign up (including citizens over 60 in cities of less than 10,000 population).

COOPER DAM

Texas Water Development Board is moving to end a squabble delaying the $24,000,000 Cooper Dam development on the Sulphur River near Texarkana.

Argument has been over a federal requirement that 63,000 acre feet of water annually be discharged from Lake Texarkana below the proposed dam. This to curb pollution in Red River.

TWDB has proposed that the Cooper Reservoir provide about half the pollution control water, with reductions permitted if water quality improves.

FREE TUITION

Under a new law in effect this fall, free tuition and fees in state junior and senior colleges and universities will be available to 5,000 to 10,000 young Texans from families with incomes of $4,800 a year or less.

Students must have finished in the upper 25 percent of their high school classes or score in the top 20 percent on a standardized admission exam; must be under 25 years of age; and must have lived in the state at least 12 months before registration date. Only freshmen students are eligible this year.

ATTORNEY GENERAL SPEAKS

A school district may spend local maintenance tax money to pay lunch room overhead cost, Atty. Gen. Crawford Martin has held. He also ruled that:

—A municipal gas corporation created as a non-profit corporation to serve a municipality would not be exempt from city, state, county and school district property taxes under the constitution.

—A new law setting fee schedules for county clerks is constitutional.

CROSSROADS REPORT

Dear Editor:

My marginally self-financing neighbor reacted normally to the big city rioting and looting. After all, the color TV sets being swiped didn't belong to him.

In fact, he has just now got his family used to eating beans so he can maybe start making payments on one of those lurid brain pacifiers.

But the tax increase news has got him mad. He figures that higher taxes and higher prices because other folks will be paying higher taxes will keep him from buying one, so he is fixing to lose a color TV to the Washington-based looters.

D. E. SCOTT.

Warden Not Lost, Just Disoriented

COLLEGE STATION. —Law Enforcement Supervisor Bob Evins, who heads up the training school for the Texas Parks and Wildlife Department, likes to make his young game warden trainees think on their feet.

To get field experience, each trainee has to walk a deer census line in the post oak region around Bryan-College Station, near Texas A&M University, where the five-month school is held.

All the trees and brush in the area thoroughly confused a trainee from the flatlands of the Texas Panhandle. It's nothing unusual for a trainee to get lost but this particular one did not return until about midnight.

Later, at graduation when assignments came out — sure enough, the novice from the Panhandle drew an assignment in the deep piney woods of Texas.

Remembering back, a fellow warden asked, "What are you going to do if you get lost in the tall pines?"

"I'll just keep walking until I find an illegal hunter and I'll say 'you're under arrest—take me to town'," he answered, without a stammer.

Part-Time Jobs Popular

COLLEGE STATION. — The "part-time" job is becoming increasingly popular among America's women, says Mrs. Wanda Meyer, Extension home management specialist at Texas A&M University.

There are more than 26 million working women in the country, but only two out of five of these work full time the year 'round.

There are probably a number of attractions to "part-time" work, Mrs. Meyer explained. Part-time hours can be tailored to fit homemaking duties.

Women with school-age children often find they have free time, but they also want to be at home when the children return from school. Part-time hours can meet both requirements.

Education is taking longer and costing more. About one in five part-time women workers are students, perhaps earning money to assist with their student expenses.

One of the most important influences, according to Mrs. Meyer is the growing need for part-timers. Expanding service industries, with their varying labor demands and flexible hours, have proved to be a powerful magnet in attracting women back to work.

One thing is clear, the specialist stated. Most women work part-time, or part of the year, because they want to. A Labor Department survey has found that only about one in six women part-timers said she would actually prefer to work full-time.

1903 GRADUATES HONORED

These 12 were members of the graduating class of 1903 from East Texas Normal College, then a private institution. Sixty-four years later, one of the group, John Puryear, standing at right, received the Golden Anniversary Diploma awarded by the school, now East Texas State University. The observance marked the 50th anniversary of the state's acceptance of East Texas Normal into its system of colleges and universities. These 1903 graduates are in front row from left: Rebecca Swearingen, Lenora May Jones, Mildred Junger and Nova Smith. In the back row, from left are Clyde Parr, Charley Ross Hamilton, Charles Swearingen, Charley Hamilton, Edgar Finley, E. M. Clark, who was a faculty member, N. A. Carson, the late Sam Raburn who became Speaker of the House of Representatives and Mr. Puryear.

SALT FORK SOIL CONSERVATION DISTRICT NEWS

CROP RESIDUE IS VITAL PRACTICE IN CONSERVATION

By Jon La Baume

Crop residue use is utilizing plant residues (maize stalks, forage sorghum stalks, wheat stubble, etc.) left on the field by leaving them on the soil surface through the critical erosion periods with the main erosion period being from November through March, because of the wind conditions.

In a few weeks grain harvest will be in full swing. Crop residue management should start at that time.

There are many advantages to leaving stalks and stubble on the soil surface. The advantages are to conserve moisture, increase infiltrations, reduce soil losses and improve soil tilth. The pounds of residue needed to be left on the soil surface depends upon the type of soil on your farm. The soil that has more sand in it requires more pounds of residue per acre.

The soil in most parts of the Salt Fork SCD needs to have about 1250 pounds of residue per acre left for drilled crops and 1750 pounds residue per acre left for row crops.

The tillage operations are very important to insure the amount of residue left on the soil surface. Residue may be left undisturbed, shredded, mowed, or knocked down with a stalk cutter. Normally loose residue needs to be "tucked in" by tillage to prevent blowing away.

One-ways and tandem disk harrows will cover 25% to 50% of the residue each operation. These types of equipment will not do the job. The types of equipment that will do the job are large sweeps, chisels, cultivator and close-spaced sweeps. They will cover only 10% to 15% of the residue each operation.

If one does not think residue management is important, look at bare cotton fields and fields with good residue this February and March and see which one is blowing.

Contact your local Salt Fork SCD supervisor or the Soil Conservation Service about starting a crop residue program right after this year's harvest.

"Awareness" Is Theme

Delegates to Youth Council Give Report

By Patricia Thomas

On Aug. 17 to 20, ten Wellington students and one from Samnorwood attended the Texas Youth Conference held at Austin.

These were Chris Hubbard, David Groves, Cherry Lewis, Tanya Horton, Nancy Thomas, Patricia Thomas, Debbie Lewis, Joye Hudspeth, George Kopp, Susan Coffee and Stanley Oldham.

Attending the conference as adult counselors were Mrs. John Coleman and Mrs. H. L. Jenkins. Judge and Mrs. Zook Thomas attended as adult visitors.

The schedule of activities included a briefing, talent festival, general assembles, seminar sessions, mixers and award programs.

Each delegate from this county attended a different seminar. Topics included awareness, projects and local councils.

The general assembles followed the theme "Awareness." A panel of health officials discussed drugs, drinking and veneral diseases after films were shown on these subjects.

Another film, "Detached Americans" made the students aware of the uninvolvement of Americans today.

A second panel discussed job opportunities and ways to get involved.

The awards program held in the state capitol was the highlight of the meeting. Eight members of this county's delegation sang in the Youth Conference Choir at the program.

The Honorable Ben Barnes, Speaker of the Texas House of Representatives, spoke to the delegates.

An award for Outstanding Youth Leader was presented to seven Texas adults. For her volunteer work, Mrs. John Coleman was one to receive this award.

Hunting Law Digest Available

AUSTIN. — First distribution is being made on the 1967-68 Texas Hunting Guide or game law digest. Copies will be available from local and regional offices of the Texas Parks and Wildlife Department and from all license deputies, according to Robert G. Mauermann, deputy director of the Department.

The digest contains hunting seasons and bag limits on deer, turkey, javelina, quail and squirrel plus other valuable information for hunters. Seasons and bag limits for other species include antelope, aoudad sheep, bear, buffalo, elk, chachalacas, pheasant and, for the first time in 30 years, the prairie chicken.

Hunting regulations and bag limits of 25 counties, placed under regulatory authority of the Department by the 60th legislature, will appear in a special supplement to be issued prior to hunting season.

Seasons and bag limits for Sutton, Kerr, Bandera, Hays and Lampasas counties will also appear in a special supplement to this year's digest.

In addition, this year's digest gives valuable information on hunting licenses, means and methods of taking game, game storage, shipment and sale, a list of wildlife management areas and special provisions on deer, quail, turkey, squirrel and javelina.

To be issued by the department soon, will be digests on the special archery season and the migratory game birds, including ducks and geese. The mourning and white-winged dove leaflet was issued previously.

Anyone wishing to have a copy of this year's digest can contact the nearest office of the Texas Parks and Wildlife Department or a local license deputy. Copies may also be obtained by writing to the Texas Parks and Wildlife Department, John H. Reagan Bldg., Austin, Texas 78701.

In Charge of Research

Thomas Holton Promoted to a Top Place With Accounting Firm

A man who was reared in Wellington has been named partner in charge of the accounting research department of one of the largest firms of Certified Public Accountants in the nation.

He is Thomas Holton of Chicago, who on July 1, 1968 will succeed Harold M. Solstad in that capacity with Peat, Marwick, Mitchell & Co., in its New York office. Announcement of the action was made Aug. 14.

Mr. Solstad announced his intention to retire at the meeting of the advisory committee in January, 1967. At its May 1967 meeting, the advisory committee selected as his successor Mr. Holton, Midwest area partner and partner in charge of the Chicago office.

At the same time, Charles H. Davison, partner in charge of the Providence, R.I., office and New England area partner, was named to succeed Mr. Holton in Chicago.

Mr. Holton transfers to the executive office in New York in the spring of 1968. Until that time he will continue as Midwest area partner and as partner in charge of professional practice in the Chicago office. In addition, he will again become an SEC reviewing partner.

Mr. Solstad began his career with Peat, Marwick, Mitchell & Co., after graduating from Harvard Business School in 1936. Later he was with the Newark and Minneapolis offices, then returned to the executive office in New York in 1964, in his present position.

Mr. Holton is the son of Mr. and Mrs. Homer Holton and grew up in Wellingotn. As a youth he worked with his father and brother, Howard Holton, in the Gulf Service Station. He was graduated from Wellington High School.

A graduate of Baylor University with BBA and MA degrees, he was a partner in charge of the San Antonio office before moving to Chicago in 1959.

He also served as a Securities Exchange Commission reviewing partner. Additional responsibilities as Midwest area partner and head of the Chicago office were assigned to him in 1961 and 1962. Mr. Holton served four years on AICPA's committee of auditing procedures from 1956 to 1960 and also as a member and chairman of various technical committees of the Illinois and Texas Societies of Certified Public Accountants.

Mr. Solstad plans to devote most of the year preceding his retirement to accounting and auditing problems of selected foreign offices. As official spokesman for the firm of technical accounting and auditing manners, Mr. Holton and Joseph P. Cummings, partner in charge of the accounting practice department, will coordinate the activities of the firm's SEC partners, the committee on accounting practice and the professional practice review committees.

Vumore Changes Personnel in Office Here

Changes in the personnel of the Wellington office of Vumore were announced this week.

Don Lattimer, manager here for two years, has resigned to join Telesis Construction, Inc., in its Bloomington, Ind., office.

Hurshel Pruitt in the Wellington office a year and eight months, was transferred to the Memphis office of Vumore.

Coming here as manager is Carson (Corky) Walker, who has been with the Altus office.

Mr. Lattimer will be in the engineering division of Telesis Construction, Inc., a company which operates community antenna television systems and manufactures community antenna television equipment.

With Vumore ten years, he formerly was in the Mangum system. Here he was a member of the Kiwanis Club.

Mr. Pruitt, a service man here, will hold a similar position in Memphis. He has been with Vumore, beginning in the Mangum system. He came here from Childress.

Mr. and Mrs. Pruitt and their two-year-old daughter, Nancy, moved to Memphis during the week end. He was active in the Rolling Plains CB Radio Club here.

Mr. Walker, who will serve as both manager and service man here, Joined Vumore in January 1966. A native of Altus, he has lived there all his life except three years. During that time he was an inspector for Brantley Helicopter Company in Frederick, Okla., and with Boeing Aircraft in Wichita, Kan.

His wife, Sharon, is from Frederick, and they have a four-year-old son, Alan Scott.

They are living at 1408 Floydada St.

Btry A Drills Twice in Sept.

Men of National Guard Battery A will have two drill periods in September, Capt. James Chappell, commanding officer, has announced.

The first of these is scheduled for Saturday and Sunday, Sept. 16 and 17, and the other the next week end, Sept. 23 and 24.

This comes from recent orders of President Johnson for more intensive training of the Guard units, Capt. Chappell explained.

Dodson Nazarene Revival Set for September 3-10

Revival services will open at the Church of the Nazarene in Dodson Sunday, Sept. 3, and continue through the following Sunday, Sept. 10, the Rev. Homer Smith, pastor, has announced.

The evangelist will be the Rev. Loy Lee Watson of Springfield, Mo., an elder in the Church of the Nazarene. Conducting the singing will be John F. Whisler of Carthage, Mo., a musician and singer devoting his time to evangelistic work. This team recently conducted a revival at the Church of the Nazarene in Wellington.

Services will be at 10 a.m. and 8 p.m., Rev. Smith said.

Rev. Watson is a graduate of Bethany Nazarene College at Bethany, Okla., and has done graduate work at the University of Norman. Prior to his entering into full-time evangelism this year, Mr. Watson was pastor of churches in Hooker, and Norman, Okla., Kilgore, Texas, and Springfield, Mo.

Mr. Whisler is a graduate of the Missouri School for the Blind, St. Louis, and is accompanied wherever he goes by his Pilot Dog, Hero. The two make personal appearances at schools, lecturing on safety and related subjects.

Migratory Bird Season Set

AUSTIN.—The Texas Parks and Wildlife Commission recently set the season and bag limits on migratory birds which includes ducks, coots, geese, brant and sandhill cranes.

Hunters are cautioned that a fully-feathered wing must be retained on all waterfowl taken in Texas or imported.

Legal shooting begins one-half hour before sunrise and ends at sunset.

The season for shooting ducks and coots will be Nov. 18 through Jan. 6, with a bag limit of four which may include not more than one wood duck, one canvasback and two mallards. Possession limit will be eight and may not include more than two wood ducks, one canvasback and four mallards.

There will be no open season on black-bellied tree ducks and fulvous tree ducks.

Daily bag liimt of American, red-breasted and hooded merganser ducks is five per day and may not include more than one hooded merganser. The possession limit is 10, which may include not more than two hooded mergansers.

Daily bag limit on coots will be 10 per day with a possession limit of 20.

The geese and brant season will be Oct. 24 through Jan. 6, with a bag and possession limit of five. East of U.S. Highway 81, which connects Fort Worth, Waco, Austin, San Antonio and Laredo, hunters may take not more than one white-fronted goose or Canada goose.

West of U.S. Highway 81, hunters may take not more than one Ross's goose, or in the alternative one white-fronted goose and one Canada goose or two Canada geese.

Sandhill or little brown cranes may be hunted Nov. 4 through Jan. 2 with a daily bag limit of two and a possession limit of four.

Sandhill cranes may be hunted only west of a line beginning at the International Toll Bridge at Del Rio and continuing northward along U.S. Highway 277 to its junction with U. S. Highway 87 at San Angelo. The line then follows U. S. Highway 87 to its junction with U.S. Highway 287 at Dumas, then northwesterly along U.S. Highway 287 to the Texas-Oklahoma state line.

Soil is disintegrated rock plus organic matter.

Safety Is the Goal

Teen-Age Drivers Affected by Many Changes in Traffic Laws

Mark August 28 on your calendar.

Chances are that a huge batch of widely varied legislation which goes into effect on that date is going to affect you.

A large number of traffic safety, driver licensing and motor vehicle safety inspection laws enacted at the last session of the legislature went into effect last Monday.

The remainder of the new legislation goes into effect Jan. 1.

Certainly if the average citizen isn't aware of the impact the new laws are goin to have, area teenagers are.

Hoping to squeeze under the wire before the effective date of the law raising age limits for drivers licenses, teenagers throughout this region of the Department of Public Safety swamped the examining stations to take tests before the deadline.

"We experienced the greatest rush we've ever had with these kids trying to beat the Aug. 28 deadline," said Lt. J. E. Gray of the Driver License Division.

The legislation has been called the biggest batch affecting traffic safety ever passed in Texas.

Lt. Gray and Capt. Sanford B. Lee acknowledged that the driver's license revisions are the first basic changes made in the state's driver licensing law since it was enacted in 1941.

The new Texas law (House Bill 354) raises from 14 to 16 the minimum licensing age of youths who have passed an approved course of driver education and raises the age of licensing youths who have not had such a course from 16 to 18.

A 16-year-old can be licensed before June 1 without having taken driver education if he presents a certificate from his local school superintendent stating that the course is not offered at his school, however.

It is hoped that by that time most Texas schools will be offering the training.

Licenses can be obtained at age 15 in hardship cases, when approved by the Department of Public Safety, or where a driver education course has been completed and an adult licensed driver always will be present.

Under no circumstances will a youngster under 15 be issued a license.

Licenses issued for drivers under 21 years old will be provisional and may be a different color after Jan. 1, and all new licenses will bear a thumb print and a color photograph of the driver after that date.

At the discretion of the DPS, a driver may be required to take a new examination before getting his license renewed.

If the holder of one of the "provisional" licenses is convicted of two or more moving traffic violations within a 12-month period, the DPS may call a hearing to suspend his driving privilege. Action to suspend a regular driver is based on four convictions within a year.

Motorcycle drivers are placed in a special category by the new legislation. Jan. 1, they will have to carry a special license and take a special test —on a motorcycle—to get it.

Holders of regular driver licenses will need a special license for 'cycle riding after their licenses expire the first time after the new law goes into effect.

Another new piece of legislation brings into reality a long needed improvement — requirement of special protective headgear, approved by DPS, for motorcycle riders. This law goes into effect Jan. 1.

Another important section of the law is one which raises from 14 to 15 the minimum age at which a license to operate a motorscooter or motorcycle with five or less brake horsepower can be obtained.

Another change is to raise to 18 the age a person can get a commercial or chauffeur license without driver education. If a person has passed an approved course, a license can be issued at age 17.

The minimum for chauffeurs to operate ambulances drops from 21 to 19.

(The second article covering changes in the Texas Traffic Laws will be published next week.)

FHA Brings Water To Rural Areas

Over 13,000 miles of pipe has been installed through financing of the Farmers Home Administration to provide rural areas of Texas with an adequate ond sanitary water supply.

There are 369 such facilities in operation in Texas serving more than 36,900 rural families.

$63,334,000 has been loaned for such water supply corporations since 1960. In fiscal year 1967, the Farmers Home Administration in Texas financed 139 of these facilities for $17,-086,250.

The Collingsworth County office of the Farmers Home Administration has financed one water supply corporation in providing sanitary water for 121 rural families in this county.

Three County Men Receive Tech Degrees

Three Collingsworth County men were among the more than 800 students who received degrees at Texas Tech's summer commencement exercise Saturday, Aug. 26.

Two of these were granted bachelor's degree. Henry Neal Lowry of Lutie, son of Mrs. Jack Lowry, received the bachelor of science degree. He is a pre-medical student.

His brother-in-law, Paul Thomas Schaub, received the bachelor of science in education degree. The son of Mrs. Ernest Schaub, he will teach in the Wellington schools this year.

Oscar Dile Holton, Jr., received the Doctor of Philosophy degree in English. Twenty-three doctorates, the largest number ever to be awarded in a single ceremony, were conferred. The previous high for a single commencement was 14 in August 1964.

Dr. Jack K. Williams, commissioner, Coordinating Board, Texas College and University System, gave the principal address. The commencement was held in Lubbock Municipal Auditorium at 7:15 p.m.

OUTDOORS IN TEXAS

BY VERN SANFORD

Here are some facts of interest to outdoorsmen.

- There are some 2,500 dealers selling hunting and fishing licenses in Texas.
- All hunting and fishing licenses in Texas expire on August 31 each year.
- A total of 775,000 fishing licenses may be issued this year in Texas.
- Texas hunting license sales may hit 736,000 this year.
- Some 175,000 hunting licenses carried by Texans are "exempt licenses." They are given to persons over 65 years of age or under 17.
- Income from hunting and fishing licenses represents more than half the revenue needed to finance the Texas Parks and Wildlife Department and its experimental projects.
- Even though you are outside the licensing age for hunters (under 17 or over 65), you must obtain deer tags (25¢) to attach to the antlers of any deer you kill in Texas.
- Accidental deaths last year reached the highest level in 18 years. But firearms fatalities decreased 11 per cent.
- Firearms ranked last in the eight major causes of accidential deaths in the USA last year.
- Improper use of firearms accounted for 2,400 of the nation's 105,000 accidental deaths last year. Other causes were motor vehicle accidents (47,-700), falls (19,000), fires (7,700,, drownings (6,700), poisonings (3,600), railroad accidents (2,600) and all other types (16,800).
- Only one death per 100,-000 people in the nation is due to improper use of firearms. Automobiles account for 24.5; falls, 10; fires, 4; drownings, 3.5; railroad accidents, 1.4; poisonings, 1.8, and all other types, 8.8.
- Most firearms accidents (55%) occur in the home, not on the range or in the field.
- Despite a 50% increase in the number of hunters and shooters since 1950, hunting and shooting accidents have decreased 13%.
- More than half of the home accidents with firearms were the result of young children playing with guns.
- You should store firearms and ammunition in widely separated areas of the home and out of the reach of children.

NUMBER TWO ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be amended by adding a new Section 13 thereto to read as follows:

"Section 13. Notwithstanding any other section of this article, the Legislature in providing for the creation, establishment, maintenance, and operation of a hospital district, shall not be required to provide that such district shall assume full responsibility for the establishment, maintenance, support, or operation of mental health services or mental retardation services including the operation of any community mental health centers, community mental retardation centers or community mental health and mental retardation centers which may exist or be thereafter established within the boundaries of such district, nor shall the Legislature be required to provide that such district shall assume full responsibility of public health department units and clinics and related public health activities or services, and the Legislature shall not be required to restrict the power of any municipality or political subdivision to levy taxes or issue bonds or other obligations or to expend public moneys for the establishment, maintenance, support, or operation of mental health services, mental retardation services, public health units or clinics or related public health activities or services or the operation of such community mental health or mental retardation centers within the boundaries of the hospital districts; and unless a statute creating a hospital district shall expressly prohibit participation by any entity other than the hospital district in the establishment, maintenance, or support of mental health services, mental retardation services, public health units or clinics or related public health activities within or partly within the boundaries of any hospital district, any municipality or any other political subdivision or state-supported entity within the hospital district may participate in the establishment, maintenance, and support of mental health services, mental retardation services, public health units and clinics and related public health activities and may levy taxes, issue bonds or other obligations, and expend public moneys for such purposes as provided by law."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services.

"AGAINST the constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services."

NUMBER SIX ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 33, Article XVI, Constitution of the State of Texas, be amended to read as follows:

"Section 33. The Accounting Officers of this State shall neither draw nor pay a warrant upon the Treasury in favor of any person for salary or compensation as agent, officer or appointee, who holds at the same time any other office or position of honor, trust, or profit, under this State, except as prescribed in this Constitution. Provided, that this restriction as to the drawing and paying of warrants upon the Treasury shall not apply to officers of the National Guard or Air National Guard of Texas, the National Guard Reserve, the Air National Guard Reserve, the Air Force Reserve, the Officers Reserve Corps of the United States, nor to enlisted men of the National Guard, the Air National Guard, the National Guard Reserve, the Air National Guard Reserve, the Air Force Reserve, and the Organized Reserve of the United States, nor to retired officers of the United States Army, Air Force, Navy, and Marine Corps, and retired warrant officers and retired enlisted men of the United States Army, Air Force, Navy, and Marine Corps. It is further provided, until September 1, 1969, and thereafter only if authorized by the Legislature by general law under such restrictions and limitations as the Legislature may prescribe, that a non-elective State officer or employee may hold other non-elective offices or positions of honor, trust, or profit under this State or the United States, if the other offices or positions are of benefit to the State of Texas or are required by State or federal law, and there is no conflict with the original office or position for which he receives salary or compensation. No member of the Legislature of this State may hold any other office or position of profit under this state, or the United States."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment allowing non-elective state officers and employees to serve in other non-elective offices or positions under this state or the United States until September 1, 1969, and thereafter only if authorized by the Legislature, if the offices or positions are of benefit to Texas or are required by state or federal law, and there is no conflict of interest with the original office or position; prohibiting elected officers under this state or the United States from holding any other office or position under this state; and adding members of the Air National Guard, Air National Guard Reserve, Air Force Reserve, and retired members of the Air Force to the list of persons exempted."

"AGAINST the constitutional amendment allowing non-elective state officers and employees to serve in other non-elective offices or positions under this state or the United States until September 1, 1969, and thereafter only if authorized by the Legislature, if the offices or positions are of benefit to Texas or are required by state or federal law, and there is no conflict of interest with the original office or position; prohibiting elected officers under this state or the United States from holding any other office or position under this state; and adding members of the Air National Guard, Air National Guard Reserve, Air Force Reserve, and retired members of the Air Force to the list of persons exempted."

NUMBER THREE ON THE BALLOT

HOUSE JOINT RESOLUTION No. 17 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars ($400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars ($400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars ($200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces abovenamed and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional $200,000,-000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional $200,000,-000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

NUMBER FIVE ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of Texas be amended by adding a new section thereto to be known as Section 49-e, as follows:

"Section 49-e. The Parks and Wildlife Department, or its successor vested with the powers, duties, and authority which deals with the operation, maintenance, and improvement of State Parks, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Seventy-Five Million Dollars ($75,000,000). The bonds authorized herein shall be called "Texas Park Development Bonds," shall be executed in such form, denominations, and upon such terms as may be prescribed by law, provided, however, that the bonds shall bear a rate or rates of interest as may be fixed by the Parks and Wildlife Department or its successor, but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds, shall not exceed four and one-half percent (4½%) interest per annum; they may be issued in such installments as said Parks and Wildlife Department, or its said successor, finds feasible and practical in accomplishing the purpose set forth herein.

"All moneys received from the sale of said bonds shall be deposited in a fund hereby created with the State Treasurer to be known as the Texas Park Development Fund to be administered (without further appropriation) by the said Parks and Wildlife Department, or its said successor, under such provisions as the Legislature may prescribe by general law, for the purposes of acquiring lands from the United States, or any governmental agency thereof, from any governmental agency of the State of Texas, or from any person, firm, or corporation, for State Park Sites and for developing said sites as State Parks.

"While any of the bonds authorized by this provision, or any interest on any such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the interest and sinking fund at the close of the prior fiscal year, which includes any receipts derived during the prior fiscal year by said Parks and Wildlife Department, or its said successor, from admission charges to State Parks, as the Legislature may prescribe by general law.

"The Legislature may provide for the investment of moneys available in the Texas Park Development Fund and the interest and sinking fund established for the payment of bonds issued by said Parks and Wildlife Department, or its said successor. Income from such investment shall be used for the purposes prescribed by the Legislature.

"From the moneys received by said Parks and Wildlife Department, or its said successor, from the sale of the bonds issued hereunder, there shall be deposited in the interest and sinking fund for the bonds authorized by this section sufficient moneys to pay the interest to become due during [illegible] State fiscal year in which [illegible]nds were issued. After all bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys received from admission charges to State Parks shall be deposited to the State Parks Fund, or any successor fund which may be established by the Legislature as a depository for Park revenue earned by said Parks and Wildlife Department, or its said successor.

"All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory nature."

Sec. 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on November 11, 1967, at which election each ballot shall have printed thereon, the folowing words:

"FOR the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars ($75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."

"AGAINST the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars ($75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."

One of the speculative topics of conversation during the past few weeks has been the question of whether or not Wellington High School would be open on September 11 as scheduled. About the only man who has consistently repeated that school would open on that date has been Supt. J. L. Harper. Some of the members of the school board did not seem too definite in their opinion and most of the patrons were extremely doubtful.

★ ★ ★

Some of the football fans, who consider this scientific subject the most important in the curriculum, were sceptical since no sign of work on the new football stands was visible as late as this past Monday morning. The stands arrived Monday night and will be erected by the time you read this column.

★ ★ ★

A visit to the school building proper showed that all of the classrooms in the high school building are practically complete and those in the junior high building are nearing completion. The auditorium is far from finished; but classes could be conducted while the remaining work on the auditorium was being concluded. So it is that until he phones the newspaper office to announce a new date, I will go along with Supt. Harper on the opening of school on September 11.

Representatives of cattle feed lots farther west were swarming over this section of the Panhandle recently in search of good alfalfa hay. The talk is that there will be much more acreage in alfalfa next season than there is this year.

★ ★ ★

The number of people who are feeding cattle in this immediate area has increased steadily in the last few years; but it is liable to increase even more. There is a vast area including all of the Panhandle and on south of Lubbock and including part of Western Oklahoma and extending into Western Kansas in which the production of feeder cattle is at an optimum. According to The Cattleman the cost of producing 450-500 pound feeder steers excluding land costs is $35 and it is $60 in Eastern Oklahoma, $85 in the corn belt, and $110 in California. With this natural advantage and plenty of grain sorghum and perhaps alfalfa in the future there is no reason why feed lots should not increase in this area. The wonder is why there have not been more of them sooner.

Tony Dechant, National President of the Farmers Union who spoke here Saturday, is a polished speaker who has the ability to weave in local people and events without pausing in knitting his main theme. In his talk at the Community Building on August 27, he mentioned the fact that the Farmers Union was founded in Texas by Newt Gresham, the grandfather of R. L. Templeton. He also mentioned the fact that he had an interesting visit with Judge Templeton at an anniversary meeting of the Farmers Union a few years ago.

★ ★ ★

Monday I told Judge Templeton that he should have been at the meeting. "I know I should," he said, "but I forgot about the meeting and I bought a ticket to the banquet and had an invitation to the reception. At the time of the banquet I was out at the farm feeding hogs." Well, perhaps that is one way of dealing with farm problems.

Last Friday we went to see "Texas", the musical romance of Panhandle history which will end this summer's series of performances on Labor Day. We ran into a number of former and present day Wellington people. It was Jan Glenn night. She had been escorted to the famed amphitheatre in the Palo Duro Canyon State Park by 200 citizens of Lubbock headed by the mayor. We had a nice visit with Jan before the show and there was also Guy Bell and his son and grandson and Mrs. Dennis Cudd (Judy Crawford) who was accompanied by her cousins and some of their little friends.

The cast of "Texas" is composed almost entirely of students or former students of West Texas State University, and they are a splendid group of actors, musicians and dancers. Wellington is represented by remote control. Mike and Miles Raillard are in the cast of the play and Mark Raillard is one of the hospitality men. They are the sons of Mr. and Mrs. Raymond Raillard. Mr. Raillard is the manager of the production. She is the former Virginia Lee Fortenberry. This is the fourth consecutive summer for Mike Raillard to appear at Palo Duro.

Cotton Growers Attend Meeting

Four Collingsworth cotton growers, representing the Farmers Union, attended a meeting sponsored by the Agricultural Stabilization and Conservation Service in Lubbock Monday, Aug. 28, to discuss changes in cotton regulations for 1968.

They were Dudley Phipps, president of the Collingsworth organization, and Lloyd Wooldridge of Wellington, Olan Farris of Dodson, and J. L. Alexander of Lutie.

Frank Moore, who represents this district on the state ASCS board, was in charge of the meeting.

Four plans were presented to the group, Mr. Phipps said, and all of those present favored the one which would retain the 1967 cotton program, but with the addition of skip row planting provisions as they were in 1965.

The Collingsworth County Farmers Union board of directors went on record in an Aug. 21 meeting of opposing any increase in cotton acreage and the lowering of diverted acreage percentage without a raise in production payment to the maximum level allowed by law.

of any of the organizations; they should consider that they, too, are invited to enter a float.

Those planning to have entries are asked to notify Mrs. Hunter or the Chamber of Commerce, where Fair Headquarters is located.

In charge of producing the parade on the opening day of the fair will be Henry Sullivan, G. B. Hopper and County Judge Zook Thomas.

The usual route will be taken again this year. The parade will form on the old East Ward school grounds and travel west along 9th street until it reaches the southeast corner of the courthouse square.

It will then turn along the east, north and west sides of the square. At the southwest corner, the parade will again turn west for one block, south to the community building, east along 10th to West Avenue and north to reach the southwest corner. Here the parade will travel along the south side of the square and return by the same route to the school ground where it will disband.

An effort will be made to slow the parade this year from the time it comes onto the square until it leaves en route to disband. Because of the beauty of many of the floats, every effort will be made for them to be viewed and admired, Sullivan said.

There are other interesting aspects to the Fair, he pointed out. There will be riding clubs and single riders, and anyone with a horse who wants to be a part of the big parade is invited.

Then there will be the bicycles, boys and girls with pets, in fact a part for anyone who would like to participate.
