

Red Press Says Laos Parley Desirable

Ceasefire Is Left Hanging

By PRESTON GROVER
MOSCOW (AP)—The Soviet Union will welcome a solution for Laos at the conference table instead of the field of battle, the Communist party paper Pravda said today. But while willing to negotiate, Moscow warned against SEATO intervention in Laos.

The Pravda article was a broad appeal for American and British moves to bring the situation into negotiation. But it left in doubt just how a ceasefire, as proposed by the British, would be worked out.

The paper noted the British proposal for an immediate ceasefire to be followed by an international conference.

"It is not hard to see that concrete possibilities exist for the adjustment of the Laotian problem if all the countries concerned are ready to negotiate on a mutually acceptable basis and do nothing that might complicate the situation in Laos," Pravda said.

Pravda commented favorably on President Kennedy's call at a news conference for a truly neutral Laos. This probably foreshadowed the message Foreign Minister Andrei A. Gromyko carried to Washington for his conference today with the President.

It was understood from diplomatic sources that the British proposals on Laos—expressed in a note to the Kremlin March 23—are being studied and a reply can be expected shortly.

Pravda, blaming the Laotian crisis on the Western powers, accused SEATO of bringing Chinese Nationalist soldiers into the conflict. It warned against intervention by any SEATO nation and demanded U.S. military advisers get out of the Asian kingdom.

Pravda declared that force would be met with force if necessary, but its main emphasis was on negotiations for a peaceful solution.

The article was signed "Observer," meaning it came from the highest government authority.

In Washington there was no immediate official comment from the State Department. But officials said if the Pravda account turns out to be Soviet acceptance of the British proposals the United States will, of course, be very grateful.

The British government stands for an immediate cessation of the fire in Laos, after which it considered possible the convening of the international control commission in Laos," the Pravda article said.

"Britain agrees with the (Soviet) proposal for speeding the international conference to consider the Laos problem and to urge them to enlist the support of their senators in his cause and to use his personal powers of persuasion with his former colleagues.

Vice President Lyndon B. Johnson appears to have launched another phase of this with a call on Democrats to rally party support for the President.

In a frankly partisan speech at a Louisville, Ky., Jefferson-Jackson Day dinner, Johnson said Kennedy must have "the knowledgeable support of a knowledgeable party campaigning in season and out for the success of his program.

His advice to Democrats was to "knock on every door, awaken every household. Let the people know there is somebody in charge in Washington.

in Laos and took issue with much that President Kennedy said at his news conference Thursday. The Observer article welcomed "the statement of the President that the United States wants peace in Laos and not war."

"They want to solve the problem in a conference and not on the battlefield. That is what the Soviet Union wants."

The Soviet agreement to a Laotian truce and conference was coupled with a stern warning against intervention by the South-east Asia Treaty Organization, whose foreign ministers are now meeting in Bangkok to make plans for possible action in Laos.

"Peace-loving states will not remain indifferent to plans for intervention in Laos," said Observer. "The use of force against the people of Laos will meet counter force."

Program For Music Revue Announced

The Snyder High School Music Department will present its annual Music Revue at 8 o'clock tonight in the high school auditorium.

Featured will be three major music organizations, the Black and Gold Band, the Black and Gold Concert Band, and the Stage Band.

Tickets, priced at \$1 each, will be on sale at the door.

The Black and Gold Band, under direction of Melvin Montgomery assisted by Dan Prewitt, will open the program. The concert band will play "Emblem of Unit March" by J. J. Richards.

"Song Suite" by Vaughn Williams "The Blue Tail Fly" by C. Grand

"Five Mellow Winds" by D. Schanke, "The Sparrow Bush" by John Klein and "Father of Victory" by Louis Gagne.

For the second portion of the program, the choir, will sing "Thy Word We Sing" by Tkach, "Unto Thee O God" by Hovhannes, "Peace and Joy I Now Depart" by Feltner, "All Through the Night" by Lubbock, "Oklahoma Medley" by Rodgers and Hammerstein, "I Dream is a Wish Your Heart Makes" by Ades, "Little Brown Shovel" by Emders.

Closing the concert will be the stage band, directed by Monte Meyer, assisted by Prewitt and Tim Dennis. Dennis is arranger for the group. The stage band will play "I Hear Music," "Young Man With a Horn," "Dill Pickles," "My Funny Valentine," "Saddi Shoe Boogie," "Imagination," and "When I'm Not Near the Girl I Love."

Central, East Texas Areas Hit By Storms

By IRWIN FRANK
Associated Press Staff Writer
Tornadoes and fierce thunderstorms ripped portions of Texas Sunday night, and one funnel slammed with twisting fury into the little town of Italy, leaving it a rubble-strewn mess.

Twisters and heavy rains and hail hit such widely separated areas as Crockett in Southeast Texas, Mount Pleasant, and Texarkana in Northeast Texas, in Johnson County south of Fort Worth and at Crowley north of Cleburne, near Royce City and outside Dallas.

Thirteen persons suffered injuries as the tornadoes smashed homes, business places and sent tons of rubble crashing down on cars. Property loss ran into hundreds of thousands of dollars.

Italy's Mayor Robert Windham estimated damage at \$200,000. Not a business place on the main

street in the town of 1,200 escaped damage.

"The path of the tornado was 300 feet wide and it went down the main section of town from one end to the other," said Ennis patrolman A. E. Chapman, who aided in the cleanup and rescue work.

"It hit first at the southwest part of town and moved northeast, hopping over buildings."

W. Lee Coulston, 22, of Waxahachie was in an Italy cafe with about 12 persons when it was hit by the tornado at 7:20 p.m. All escaped injury.

"Everybody got down on their knees and prayed as the winds from the tornado ripped the roof off the building and sent dishes

and things sailing through the air," he said.

"Some persons screamed and others cried, but most of the time they just prayed."

Rescue workers and emergency vehicles from as far away as Dallas rushed to Italy. It is midway between Waco and Dallas on U.S. 77.

The roof of one building was tossed in the middle of the main street. Old red bricks torn from the one and two-story stores covered the street.

Broken plate glass windows sparked with reflection from huge portable spotlights used to provide illumination for rescue workers hampered by a power failure.

Think U. S. Plane Downed By Reds

WASHINGTON (AP)—The State Department said today it has information indicating that a U.S. plane missing in the Laos area was shot down by the Reds.

Press officer Joseph H. Roop, asked about the U.S. Embassy C-47 that disappeared Thursday with eight American military men aboard replied:

"Our information is the plane is missing and I guess it's a fair assumption that it's been shot down."

Roop declined to detail the available information making it a "fair assumption" that the two-engine transport craft went down because of Communist fire.

He said he had no information about the plane's crew.

The craft left Vientiane, capital of Laos, Thursday morning. Its ultimate destination was Saigon in neighboring South Viet Nam.

An announcement that the plane was missing was made Saturday. There was no word whether the craft might have flown over territory controlled by the rebels who are getting Soviet and North Viet names supplies, and are fighting the royal Lao government.

The direct Vientiane-Saigon route would have carried the plane over friendly Thailand and not over the battle area in north-eastern Laos.

JFK Must Look To Senate For Action On His Program

WASHINGTON (AP)—President Kennedy apparently is going to have to depend on his former Senate colleagues to salvage his House-buffed New Frontiers program.

For Kennedy this seems to mean that, unless there is an unforeseen change in the political weather, he is going to get something less than he asks on almost every major proposal laid before Congress.

Kennedy already has shown some other instances a readiness to send Cabinet members into the telephone to call governors on the spot to urge them to enlist the support of their senators in his cause and to use his personal powers of persuasion with his former colleagues.

Soviets May Be Ready To Back Down

By JOHN M. HIGHTOWER
WASHINGTON (AP)—Soviet Foreign Minister Andrei A. Gromyko headed into a White House conference with President Kennedy today amid evidence that the U.S.S.R. is backing away from a military showdown with the Western powers in Laos.

An article in the Moscow Communist party paper Pravda, which had the ring of a Soviet policy declaration, indicated possible acceptance of a U.S.-backed British proposal for a settlement in Laos. But it left open the question of how a cease-fire would be arranged.

Gromyko, carrying a message from Soviet Premier Khrushchev to Kennedy, was scheduled to see the President at noon, just 24 hours after Kennedy and British Prime Minister Harold Macmillan met at Key West, Fla., where they declared their determination to prevent Laos from being overrun by Soviet-backed Communist rebels.

The United States and Britain intend to work through the South-east Asia Treaty Organization, which opened a foreign ministers conference at Bangkok, Thailand, today.

The United States was ready to ask SEATO intervention to whatever extent necessary to save Laos from Communist conquest. Reinforcing this purpose, American aircraft, ships and men were being concentrated in the South-east Asian area.

It was at this critical juncture in the Laotian crisis that administration officials learned with evident satisfaction this morning that the Soviet government, through an article in Pravda, had put its major stress on desire for a peaceful settlement.

The primary objectives will be to detect high energy gamma rays from cosmic sources—our own galaxy and neighboring galaxies—and to map their distribution in the sky.

"This exploration will be the first attempt of this kind of space astronomy from a satellite," NASA said.

Science currently is limited in its study of extraterrestrial radiation because radiation existing in the earth's atmosphere interferes with more distant measurements.

Because gamma rays are not deflected by magnetic fields, as are electrically charged particles such as protons, their source in space may be determined by the direction from which they come.

The telescope satellite is equipped with sun and earth sensors, peering out through small holes at the nose of the vehicle

sun during the early part of its lifetime.

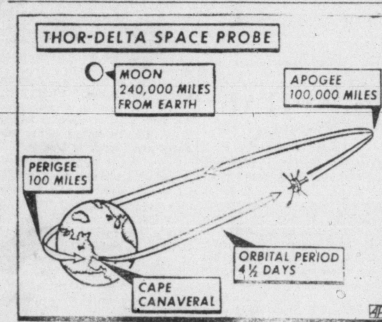

In order to provide the extra length and weight needed to attain a tumbling motion, its 44-inch fourth-stage rocket casing will remain attached to the telescope satellite.

Plans call for the satellite to orbit between the altitudes of 300 and 700 miles. It is expected to circle the earth about every 98 minutes to have a useful lifetime of six months to a year, and to remain in orbit for more than three years.

The unique device, which resembles a telescope 7½ feet long, may be fired aloft this week from Cape Canaveral, Fla., the National Aeronautics and Space Administration announced today.

NASA said the tumbling motion "will enable the gamma ray telescope, aimed out through the end to scan a portion of the surrounding space every six seconds."

Telescope In Sky Satellite Is Due Soon

By VERN HAUGLAND
WASHINGTON (AP)—The first U. S. telescope-in-the-sky satellite designed to tumble end over end 11 times a minute as it whirls through space, may be launched this week.

Space scientists hope it will give them an opportunity to explore beyond the curtain of the earth's atmosphere.

The satellite's mission will be to hunt gamma rays in every corner of space. These rays are similar to X rays, but of shorter wave length. They are emitted by radioactive substances.

THE SNYDER HIGH SCHOOL A CAPPELLA CHOIR

School Choir On Program Of Revue

The Snyder High School A Cappella Choir is one of the major groups which will be featured tonight at the annual "Music Revue" in the Snyder High School auditorium.

For many years the choir has been recognized as one of the outstanding groups in this area. Last year it was named the best Class AAA choir at the Baccarat Music Festival in Corpus Christi. Recently, the choir was awarded a first division rating in the regional vocal contest in Abilene.

The repertoire of the choir consists of music from the old masters to the music of modern composers, and includes a range from the light "Little Brown Jug" to the religious "To Thee We Sing" by Teichner.

The public is invited to attend

the revue, which begins at 8 p. m. in the auditorium.

Admission fee is \$1 per person and tickets may be purchased from any band or choir member or at the door. Proceeds from the revue will help defray the cost of the Baccarat Music Festival again this year.

Collegians Riot When Beach Closed

FORT LAUDERDALE, Fla. (AP)—Police from six surrounding communities reinforced local authorities in putting down a riot by 3,500 vacationing college students, unhappy at being denied access to their favorite spot for romancing, an unlighted beach north of here.

The riot broke out Sunday night on busy U. S. 41A, flanked on one side by a warm, sandy beach and the Atlantic Ocean and on the other by a row of beer taverns where the students cool off between sun bathing sessions.

As resentment grew over closing of the unlighted beach, students began halting traffic by lying in front of cars. Police arrived and ordered the students to disperse, but were met with a volley of stones, beer cans and bottles.

Police Chief J. Lester Holt called on all available police, firemen, sheriff's officers and Florida highway patrolmen. Traffic was routed away from the beach area and fire trucks and squad cars converged on the scene.

For nearly two hours the situation was out of control. Florida students, urged through police lines, heckled the officers and continued pelting them with empty beer bottles.

Control was restored as police brought in a truck with loud speakers and warned students that gas would be used.

Officials credited two college students with helping restore order. Jim Dickie, identified as a quarterback on the Indiana State College football team, climbed atop a police car with a hand microphone and urged the students to end the riot.

Mickey Lamonica, a pre-law student at the University of Miami, performed a similar service through the police loudspeaker.

The outbreak was the most serious in the 16 years college students have been making pilgrimages here for their Easter vacations. Each year as the number of students participating has grown, there have been increasing cases of vandalism, disorderly conduct, public intoxication or other offenses, but they have been mostly minor.

Last year about 35,000 students arrived. The visit cost Fort Lauderdale about \$35,000 for maintenance and policemen's overtime salaries alone.

But the Chamber of Commerce estimates the students spend about a million dollars during the brief stay. Much of the financial exchange is concentrated on beer, hamburgers and sun tan lotions.

4 Children Are Rescued

HOUSTON (AP)—A Baylor University medical instructor was in fair condition today with deep burns suffered as he pulled four children from his flaming home in suburban Bellaire.

The children escaped injury. Dr. Vaughn Critchlow, 54, was burned on the face, shoulder, back and body Sunday when he rescued the children before dawn.

Mrs. Critchlow said the family was awakened by smoke and heat. "The flames were blocking the hall," she said. "My husband went into the children's rooms."

"I went through the window and tried to open the windows from the outside. When I couldn't get them open I went back to get a shoe to break them out."

Critchlow meanwhile had led the children from the burning house. "We were all black from the smoke," Mrs. Critchlow said.

The children are Chris, 10, Ricky, 8, Jan, 7, and Carey, 5. Arson investigator E. E. Holland said the cause of the fire had not been determined.

23 Lives Claimed By Texas Traffic

BY THE ASSOCIATED PRESS
Auto traffic took 23 lives as Texas counted 24 violent week-end deaths.

Two cars colliding head-on near Odessa accounted for seven fatalities.

Six persons died in the crash 11 miles south of Odessa on a straight stretch of U. S. 385 Saturday night, and a seventh died of injuries Sunday.

Three women from Crane, Texas, were killed Sunday in the crash of one car, and two companions, Mrs. Marcelline Self, 20, and Mrs. Elizabeth Carol Ross, 17—were among the victims.

Those killed in the second car were Enice Fay Derrick, 34, Odessa Negro, and her daughter, Cessia, 7, and son James, 1. A second daughter of Mrs. Derrick, Eunice, 3, died Sunday.

Others killed during the week-end included:

Mr. and Mrs. J. D. Potts of Colbert, Okla., were killed Sunday when two cars collided 8 miles north of Greenville on U. S. 69. The couple's three children and the driver of the other car, Roger Compton, 17, of Celeste, were injured.

Robert Lester, 14, of Paris drowned Sunday in Lake Crook, 4 miles north of Paris. He was in a small boat without oars which drifted into the lake. He tried to swim ashore and failed.

Elmer Smith, 34, a Del Rio businessman, was killed Sunday when his car struck a bridge west of Del Rio.

A car struck and killed J. E. Peck, 74, Austin real estate man, as he was crossing an Austin street Sunday night. Police arrested the driver.

Marcos Perez, 31, of San Antonio, was found fatally injured Sunday in a San Antonio street and died several hours later. He was the victim of a hit-and-run driver.

Sammy Willis Jr., 37, Odessa Negro, was shot and killed at an Odessa tavern Sunday night.

Desmond Weatherford, 26, was found dead Sunday in his San Antonio home, a suicide.

Barbara Roberts, 13, of Navasota was killed by a car Sunday when she ran across a street in front of her home and slipped on wet pavement.

Charles Stewart, 27, Waco Negro, was shot to death Sunday.

Jason Killings Jr., 7, Elgin Negro, drowned Sunday while swimming in a farm pond near Elgin.

Three-week-old William York suffocated after getting tangled amid the covers in his crib Sunday at the Odessa home of his parents, Mr. and Mrs. H. T. York Jr.

Lou Morgan Named To Head Desk & Derrick

The Snyder Desk and Derrick Club's 1961 officers were installed in ceremonies Friday evening at the Martha Ann Woman's Club. Kathleen Isabell of Abilene, Region V Director of the Association of Desk and Derrick Clubs of North America installed the following: Lou Morgan, president; Juanita Farquhar, vice president; Jewel Pinkerton, secretary-treasurer; Anita Sanders and Jan ... two year directors. Hold over directors are Trudie Wood and Marsha Robinson.

Mrs. Isabell briefly explained the duties of the officers and in her charge to them likened club officers to links in a chain. She stressed that only when all links are joined together and no weak links are present does the chain become strong and effective. She praised the accomplishments of the Snyder Club and paid personal tribute to the 1960 president, Lois Leech.

Miss Pat Varhough and a group of her students from Travis Junior High School presented the musical portion of the program. A girls ensemble and two mixed ensembles were featured in selections winning their Division I ratings in recent area contests.

Following installation services, Marjorie Mathis presented gifts to out-going president, Lois Leech, and explained to her the appreciation of the club members for her fine leadership and untiring efforts during the past year.

Accompanying Mrs. Isabell to Snyder were Pat Cleveland, president of the Abilene Desk and Derrick Club, and the following members of that club: Jane Dill, Frances Weathers, Leola Tidwell, Ann Reeder, Betty Joslyn, and Winona Eoff.

Curried Mongole Soup

1 can (10 1/2 ounces) condensed tomato soup
1 can (10 1/2 ounces) condensed green pea soup
1 chicken bouillon cube
2 cups water
1/2 teaspoon curry powder
1/4 teaspoon dried crushed thyme
Garlic powder.

Turn soups, just as they come from the can, into a saucepan with the bouillon cube, water, curry powder, thyme and a pinch or two of garlic powder. Heat slowly, whisking or stirring with a fork occasionally, to make smooth and blend flavors. Makes 6 servings. Less curry powder may be added for milk flavor.

Mrs. Kruse Hostess To Ira H-D

The Ira Home Demonstration Club met Friday at 2 o'clock in the Ira community center, with Mrs. Mack Kruse, hostess.

Those attending were: Mrs. Pete Sterling, Mrs. Floyd House, Mrs. Billy Calley, Mrs. Welden Wiggins, Mrs. Mack Kruse, Mrs. Robert Erwin, and a visitor from Plainview, Mrs. J. A. Mirick.

Recreation was conducted by Mrs. Kruse. It was a word scramble of flowers.

Thought for the day was "As Scarce as Truth is, the supply has always been in excess of the demand." Beginning with this meeting get well and sympathy cards will be sent to club members and their families.

The program was presented by Mrs. Robert Erwin and Mrs. Welden Wiggins on "Getting the most out of your clothing dollars." 1. Avoid clothes that go out of style quickly. 2. A basic dress with different accessories could be worn for several occasions. 3. Select clothes suited to your figure, personality, coloring and the kind of life you like. 4. Sales do not mean bargains so study them carefully. 5. Read the labels on fabrics and follow them. 6. The most expensive items you have are items that do not fit, need repairing, or that are seldom worn.

Refreshments of homemade cookies and punch were served.

Brownie Troop Meets In Redwine Home

Brownie Scout Troop No. 325 met Wednesday at 4 p.m. at the home of Mrs. H. P. Redwine, with all 14 members present.

After refreshments, the meeting was called to order by Beth Vestal, president, and a letter was read which invited all fourth grade Brownies to an "Open House" at Camp Boothe Oaks on Saturday, April 8th. Plans were made for all to attend.

A report was made on the cookie sale. The troop sold 162 boxes of cookies. Paula K. Redwine sold 21 boxes; they were presented with Girl Scout sweater clips as awards for selling the most cookies.

Ann Patterson, a Senior Girl Scout, met with the girls and helping them with their flag ceremony and also taught them some songs that Girl Scouts sing at gatherings.

The meeting was closed with an appropriate song, according to Jeannine Thompson, reporter.

Tigers To Abilene Tomorrow, 4 p. m.

The Snyder Tiger baseball nine, having licked its bugaboo jinx against Lubbock schools with a 1-0 blanking of the Tom S. Westerners in the second game of a Saturday twin bill, next look to Abilene, to which they'll travel tomorrow for a return joust with the rugged Eagles of that city.

Prior to the Saturday victory, which was hurled by righthander Freddy Miller, Tom S. Lubbock and Monterey had handed the Tigers a whopping five defeats, with the only other losses as absorbed

by the Bengals being single clip-pings by San Angelo and Abilene. Snyder's win evened up the locals record once again at 7-7.

Southpaw Bennie Greenfield is the likely Tiger mound choice for tomorrow's game, which has a starting time of 4 p. m. His record is 0-1, the loss charged him being a 3-2 affair at the hands of Tom S. two runs as marked up against him at that time being of the un-earned variety.

Following tomorrow's return bout against the Eagles (Abilene was a 3-6 winddown victim in the first match), the Bengals will close out a busy five-game slate of games for the week with a doubleheader at Midland Friday and a twin bill against Odessa High at home on Saturday.

Cardinals Win Divide Meet, In Fine Fashion

Hermiligh's Cardinals, spurred on the performance as turned in by senior whiz Wallace Wall, swept to victory in a five-way meet at Divide Friday, amassing 172 7-10 points to the host team's 144 to take top honors.

Other point totals included those of Highland (70 7-10), Ira (59 5-10), and Loraine (45 9-10).

Wall personally accounted for 36 of his team's points with "first" in the 100-yard and 220-yard dashes and the high jump, plus a first place in the broad jump and a helping hand in the Cards' second place finishing sprint relay four-

some.

His winning time in the 100, which was run against the wind, was 10.3, while his 220 clocking was 23.8. His five foot even effort in the high jump was sufficient to win, so that he didn't attempt to top that mark.

In Saturday action the Cards competed at Hardin-Simmons University in a meet as sponsored by Hamlin. Wall was victor in the 100 in that one with a 10.1 second running—his fourth such time of the season in the event—and he came in second in the 220 dash, also. Joe Paty picked up the other Cardinal points with a fifth place finish in the 100.

The Redbirds, currently prepping for the district meet to be held in Snyder April 13, will be competing in Trent this coming Saturday.

Tito Dunnit!

TUCSON, Ariz. (AP) — When Cleveland outfielder Tito Francona walked a practice game home Sunday out of palm-fringed Hi Corbett Field, he helped police close out a murder case.

But that's what happened when Tito, in spring training with the Indians at Tucson, poled the ball over the right-field fence into the bordering palms.

John C. Cota, a city parks employee, scooped after it. But he pulled up short at the edge of a shallow water trench. Beside it, partly covered with a coat, was the body of a man, a 22-caliber revolver clutched in his hand.

Police identified the body as that of Fred Victor Burden, 50, a house painter from Toronto, Canada, who had lived periodically in Tucson.

Burden had been sought by police since the slaying last Tuesday of James C. Cocio, 45, a former prizefighter who held the Arizona featherweight championship three times.

Cocio, father of four children, was shot five times with a 22-caliber revolver at the home of Burden's estranged wife, Irene.

Police chief Bernard Garmire said Burden, dead about 48 hours, had taken his own life.

Smashing Of Records Seen At San Angelo

SAN ANGELO, Tex. (AP)—At least four and possibly eight records are expected in the university division of the San Angelo Relays here Saturday with John Fry, Baylor weightman, due to set two.

The big fellow last week whipped the shot 56 feet 10 1/2 inches and the discus 163 feet 8 inches. Those performances bettered the records here by the proverbial mile. The shot record is 53 feet 8 inches and the discus mark 153-3.

Dexter Elkins of Southern Methodist, who has exceeded 15 feet in the pole vault, should set a new standard in this event. The record is 14 feet 1 1/4 inches.

John Cooper of North Texas State and John Lawler of Abilene Christian should hang up a new mile record. The mark is 4:14.4 and Cooper and Lawler have made 4:07.9 and 4:09.2, respectively.

New records in the high and low hurdles, 100-yard dash and mile relay also are likely as eight universities batter at them. Baylor, Texas, Abilene Christian, Texas A&M, Southern Methodist, Texas Christian, Texas Tech and North Texas State are entered.

The title appears to rest between Baylor and Texas, with Abilene Christian and Southern Methodist making strong bids.

There are 12 high schools in the Class AAAA-AAA division and champion of the high school class the past two years, is not returning. There was only one division until this year.

The meet opens with high school preliminaries Friday afternoon. It would be a virtual Southwest Conference meet if Rice and Arkansas were entered. Rice, however, will be at Baton Rouge in a triangular meet with Louisiana State and Tulane. Arkansas will be in its own relays at Fayetteville.

Player Lands \$3500 Jackpot

By WHITNEY MARTIN Associated Press Sports Writer MIAMI BEACH, Fla. (AP) — Gary Player today had a nice \$3,500 present for his son, Mark, whom he saw for the first time Saturday although the boy was born Feb. 17.

Player, from the \$25,000 Sunshine Open Golf Tournament, South Africa, has been over here since the first of the year playing the golf tournament tour. His wife, young daughter and new son arrived here to join him Saturday.

The stocky invader won the event Sunday by one stroke with a 2-hole total of 273 and the \$3,500 top money boosted his 1961 earnings to \$23,961.

With Arnold Palmer charging down the stretch in his typical fashion, Player bogeyed the 16th and 17th holes, and faced the necessity of birdying the final hole, which Player already had birdied for a 274 total.

Player's second shot was in a gaping trap 120 feet from the pin on the 488-yard par 5 hole of the Bayshore course. His blast carried the ball five feet from the cup and he sank the putt. It gave him a 69 for his final round as Palmer carded a 66.

Gary had started the final round tied for the lead at 204 with Gay Brewer, Jr., and stolid Julius Boros. Brewer and Boros shot themselves out of contention with 72s.

Dave Ragen had a 65, but he had started seven strokes back at 211.

Bill Casper Jr. had a 67, but he was 210 at the three-quarter mark. Gordon Jones had a 66, but he was back at 213.

Mike Souchak, with a final round 67, finished third with 275; Boros, Brewer and Casper tied for fourth at 276, and Ragen was alone at 277. Sam Snead was tied with Jay Hebert and Bobby Nichols in the 278 bracket.

The batters grabbed the spotlight for San Francisco and Minnesota. The Giants rapped the Chicago Cubs 15-10 with a 19-hit outburst that included five homers, while the Twins belted Kansas City 14-4 on a two-homer, 16-hit attack.

In other games, Chicago's White Sox edged Pittsburgh 2-1, Philadelphia nipped St. Louis, 5-3, New York defeated Cincinnati 6-2, Milwaukee whipped Detroit 7-4, Cleveland beat Boston 9-3, Washington bopped the Braves 8 team 5-1, and the Los Angeles Angels topped San Diego of the Pacific Coast League.

Podres, joining Cub rookie Jack Curtis as the only pitchers to go the distance so far this season, allowed only one extra base hit—a double by Gus Triandos. The Dodgers were checked on six hits by Steve Barber and rookie John Papa.

Rookie catcher Tom Haller powered the Giants attack with two homers, one a grand slam job in the first inning, Orlando Cepeda, Willie Mays and pitcher Jack Sanford also connected for San Francisco, while Al Heist and Jerry Kindall countered for the Cubs.

Four unearned runs in the first and a six-run rally in the sixth gave the Twins their victory over the A's. Bob Allison drove in three runs for Minnesota with a homer and two singles, and Jose Valdivieso also hit for the distance.

Pinch hitter Earl Torgeson stroked a two-run single in the eighth to wrap it up for the White Sox, and became the club's leading RBI man with nine.

FOR SURPRISING BEARCATS

Patience, Fortitude Successful Formula

By SKIPPER PATRICK Associated Press Sports Writer KANSAS CITY (AP)—Great defense. Near-perfect ball control. Add a dash of enormous courage and you have the explanation for the Cincinnati Bearcats' 70-65 overtime victory over favored Ohio State in the NCAA basketball championship game Saturday night.

Ranked No. 1 nationally, riding a 32-game victory streak and seeking its second straight championship, Ohio State went into the fray a 7-point favorite, but the Bearcats must have failed to reckon with the salty Cincinnati defense.

"We concede them nothing, absolutely nothing," Cincinnati Coach Ed Jucker had said of the Buckeyes 24 hours earlier. "Our kids play good defense. We have just as good a chance as they have."

Despite an aggressive, tantalizing man-for-man defense with shifting assignments, the Bearcats were guilty of only 10 fouls. Paul Hogue, 6-foot-9, 235-pound junior from Knoxville, Tenn., aided at times by Tom Thacker, did a neat job tying up All-America Jerry Lucas, who was held to only 9 points in the last half and the overtime period.

Lucas scored 18 points the first half, however, for a game high of 27.

Cincinnati was in front much of the time, although Ohio State led 39-38 at the half. Carl Bouldin, Cincinnati senior, hit five of six shots from the field in the opening minutes of the second half and the warning sign was up for the Buckeyes.

Thacker and Tony Yates, a pair of classy sophomores, and veteran Bob Wiesenbahn led a late second-half spree that had Cincinnati ahead 61-59 until the Bucks Bob Knight sent it into overtime with a driving basket with 1:41 left.

Cincinnati failed to end it in regulation time when Thacker missed from the side with two seconds left after the Bearcats had controlled the ball a minute and 39 seconds.

Hogue, normally a poor man at the free throw line, made two gratis tosses opening the overtime and the Bearcats weren't caught again.

The 10,000 fans who jammed Municipal Auditorium for the second straight night were treated to an equivalent of three and a quarter games as the St. Joseph's (Pa.) College Hawks beat Utah 127-120 in four overtimes for third place.

A field goal by William Hoy, St. Joseph's sophomore, in the Utah basket opening the first overtime session only added spice to the program. Hoy, who described it as a "grade school trick," had a big hand in St. Joseph's eventual victory. Jack Egan threw in 42 points for St. Joseph's. Bill McGill popped in 34 for Utah.

Pete Rannels of the Boston Red Sox, the American League batting champion in 1960, hit an even 500 in Yankee Stadium.

There were several versions of what actually happened, but neither Houk nor Duren was talking. A Yank official said the reason on-record for the fine was "breaking training and coming in after curfew."

"Duren definitely is not on the trading block because of the incident," said Houk. "But by the same token, there is no denying that we are trying to make trades."

"With the exception of a few players, we might trade anyone on the club if we think it will help the Yanks."

HOUSTON (AP)—Rice's Ronnie Fisher, paying little attention to the seedings, won the Rice intercollegiate tennis tournament singles championship Sunday.

Ranked fourth, Fisher pushed into the finals against Frank Froehling of Trinity, the third seeded player, and took the title in a 2 1/2-hour match, 3-6, 6-4, 7-5, 3-6, 7-5.

The University of Corpus Christi team of Chris Crawford and Antonio Palacios beat Froehling and Bob Joyner, 6-2, 7-5, in the doubles.

Corpus Christi and Rice tied for the team championship with eight points apiece. Defending champion Trinity had six points, Houston four and Texas three.

Ingemar And Cooper? GOTEBURG, Sweden (AP) — Ingemar Johansson's adviser said today that heavyweight champion Floyd Patterson's next defense of his title would be against Henry Cooper of England.

"Patterson's manager, Gus D'Amato, is flying to London next week to negotiate for the bout," said Edwin Ahlquist.

Ahlquist arrived here Sunday night from New York. One of his main hopes, he said, would be to arrange a Johansson-Sonny Liston heavyweight bout here on Sept. 1.

Bob Brannum, former Boston Celtics basketball ace, is now a candy salesman.

By THE ASSOCIATED PRESS TEXAS A&M, TEXAS and TEXAS Christian lead the Southwest Conference baseball race going into its second month. They will play second division teams in the three conference games scheduled this week.

Texas A&M is out front with a 2-0 record while Texas and Texas Christian are 1-0.

The Aggies edged Baylor 7-6 and downed Southern Methodist 11-8 last week. Texas, which tied A&M 6-4 in its conference opener the week before, beat Baylor 26-7. Texas Christian shut out Rice 5-0.

In the other conference game during the week Rice whipped Southern Methodist 10-9 in 10 innings.

Conference schools had a good week along the inter-sectional front. Texas beat Minnesota 19-7 and 14-9 while Texas A&M split with Minnesota, winning 8-4 and losing 10-5.

All this week's conference games will be played Tuesday, with Texas host to Southern Methodist, Texas A&M meeting Rice at College Station and Baylor battling Texas Christian at Waco.

There are five inter-sectional games on the schedule. Rice will meet Nebraska twice at an Oklahoma State twice while Texas A&M plays Illinois in a single game and Baylor goes to Monroe, La., to participate in the Easter Tournament.

Whisler Holding Lead

CHICAGO (AP)—Carl Ballistreri of Oak Creek, Wis., rolled a 1,645 series Sunday night and moved into sixth place in the \$27,808 Petersen Bowling Classic.

Arnold Marshall of North Vernon, Ind., rolled into seventh with a 1,664 series. Still in first place with a high series of 1,689 is Dale Whisler of Dayton, Ohio.

The tournament began Dec. 10 and will end June 25.

Outfielder Marty Keough of the new Washington Senators was in a hitting rut during the 1960 season. He batted 245 in 38 games with Boston and 248 in 65 games with Cleveland.

ST. PETERSBURG, Fla. (AP) — Manager Ralph Houk of the New York Yankees denied today that he was placing pitcher Ryne Duren on the trading block for breaking training rules.

'WE SHOULD WIN' — AL

'Nice Guy' Lopez Has High Hopes

By JOE REICHLER SARASOTA, Fla. (AP) — Al Lopez is a refreshing personality. He thinks his Chicago White Sox are the flag last year and gave Al his first below-second place finish in 11 years as a big league pitcher. Lopez thinks he has rectified that flaw by acquiring pitchers Cal McLish and Juan Pizarro in winter-trades.

"We should win," said the popular White Sox skipper, "because we have the strongest team in the league. I think we have a better club than the one which won the 1959 pennant. We have more depth and better pitching and hitting."

Improvise pitching, according to Lopez, cost the White Sox the flag last year and gave Al his first below-second place finish in 11 years as a big league pitcher. Lopez thinks he has rectified that flaw by acquiring pitchers Cal McLish and Juan Pizarro in winter-trades.

"We led the league in batting, fielding, double plays and stolen bases, so it must have been the pitching," he reasoned. "Therefore we went out and got two starting pitchers. We also have a young left-hander, Gary Peters, who should help us in relief."

"I am not worried at all over

the age on the club," Lopez said. "I think we have a mixture of youth and age. Take our pitching. To blend with such older fellows as Early Wynn, Billy Pierce, McLish and Gerry Staley, we have Herb Score, Frank Baumann, Bob Shaw and Pizarro, all in their 20s."

"Our infield is comparatively young. Joe Martin, our rookie third baseman is in his early 20s and Luis Aparicio, our shortstop, is about 25 or 26. Nellie Fox, at second, and Roy Sievers, at first, is not much past 30. So is Al Smith, our right fielder. Jim Landis, in center, is about 28. Don't let Minnie Minos's age (38) fool you. He's the youngest old man around — he hustles more than any player on the team."

Sherm Lollar, the first string catcher, showed his age (36) last year when his batting average dropped to .352 and his home run output fell from 22 in 1960 to seven.

"Sherm is still the best receiver in the league," said Al.

The White Sox are a pretty good club. The only rookies likely to be kept, besides Martin, Peters and Camilo Carreon, are a couple of young outfielders from the Pacific Coast League, Stan Johnson and Floyd Robinson.

Pete Rannels of the Boston Red Sox, the American League batting champion in 1960, hit an even 500 in Yankee Stadium.

There were several versions of what actually happened, but neither Houk nor Duren was talking. A Yank official said the reason on-record for the fine was "breaking training and coming in after curfew."

"Duren definitely is not on the trading block because of the incident," said Houk. "But by the same token, there is no denying that we are trying to make trades."

"With the exception of a few players, we might trade anyone on the club if we think it will help the Yanks."

BOSOX GARDENERS—Here's how the Boston Red Sox outfield patrol shapes up for the 1961 campaign. Left to right at the Scottsdale, Ariz., training camp are rookie Carl Yastrzemski, left field; Gary Geiger, center field, and Jackie Jensen, right field.

HIGH PASS—Clark White appears to be racing Don Hawley on a higher level during motorcycle steeplechase at Los Angeles. Photo was made as White cleared small hill.

VIEW OF THE FUTURE—The Los Angeles International Airport's Theme building takes shape with the addition of giant steel parabolic arches. The structure, dominating the new terminal complex, will support a restaurant and observation deck above it.

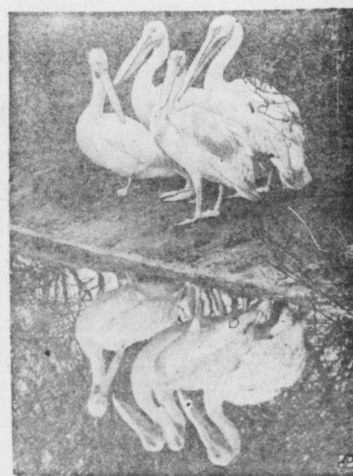

LATIN LOOK—Models display "Cynthia," the new Italian short hair-do for warm weather. Hair is cut into bangs that sweep forward from crown into pouf on forehead.

TIDBIT FROM A TOT—Little Mandy Royle finds that a tea biscuit is a tempting morsel for the deer that roam through Bushey Park at Hampton Court, Eng. Since grass is a monotonous diet, the deer welcome a little extra during the late winter months.

SILK STYLE—Among latest creations is this black silk turban covered with black net. Both hat and the white-silk organza off-shoulder gown are by Mr. John.

JUST WAITING—With assistance from the placid pool, the photographer was able to picture another four pelicans waiting for some fish at a zoo near Dunstable, Eng.

ONLY CHECKIN'—Colin Jamison, 2, indulges his curiosity by trying to find sound source as music student Bruce Kovacs practices with his oboe in Baltimore park.

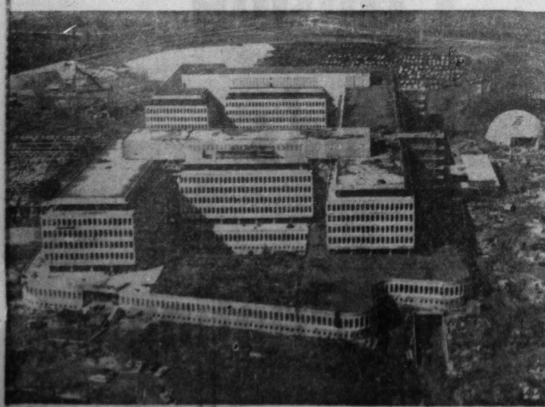

SPEEDSTER—Here's a closeup of U.S. Air Force Major Bob White after he piloted the X-15 rocket plane at 2,905 miles an hour over Edwards AFB in California.

COLD HOUSEWORK—Loose snow is scraped from walls of the main tunnel at New Byrd Station in Antarctica. This is one of many housekeeping chores performed by members of the U.S. Navy's Antarctic task force in support of the scientific research program.

RULER'S DEBUT—Morocco's young King Hassan II delivers his first official speech on matters of public interest from his throne in the royal palace at Rabat.

NEW AGENCY HOME—This is the Central Intelligence Agency building, scheduled for completion in late 1963, at Langley Va., about eight miles from downtown Washington. Dome shaped structure at right is auditorium which will connect with main building.

SAD MOMENT—This is the reaction of Joanne Miller as she endures her first haircut. She is the two-year-old daughter of Mr. and Mrs. James Miller of Toledo, Ohio.

WORK AND PLEASURE—Three British engineers, after their day's work is done on the railroad, discuss the merits of a miniature tank locomotive. They operate a five-inch gauge model railway system behind the railroad sheds at New Romney, Kent, Eng.
