Rotan Primary Christmas Program Tues.

Postmasters Urge Early Mailing

Every year families are disappointed because packages mailed through U.S. Post Offices fail to arrive in time for Christmas. Many of those same families vow to mail early next year--well, next year is here.

According to Rotan Postmaster Charles Thornton, "it would be best to get all out of town packages and mail to us the week of December 12th to the 16th, that way it will give the postal service a full week (December 19th-23rd) to get those packages to their destinations". Thornton added that Christmas day is on Sunday this year making the week of

December 19-23 the final week for local Christmas deliveries.

Packages being mailed through the Fisher County Post Office at either Rotan Roby, Sylvester or McCaulley, must comply with specific postal regulations with respect to total weight and size. "Any package mailed must not exceed 70 pounds and must be less than 108 inches (length of package plus the girth) in total size", according to Violet Upshaw, Roby Postmaster.

Violet Upshaw also pointed out that packages should be packed properly in proper containers. "Liquids and perishable items

should be protected with some absorbent cushioning", Mrs. Upshaw pointed out.

All packages being mailed should have a piece of paper on the inside of the package denoting who the package is being mailed to and who the package is being sent by. "This is a good safety factor", said Thornton in case the package identification on the outer side is mutilated.

Sturdy brown wrapping paper, strapping tape but no string were recommended by Thornton for packages. Mrs. Upshaw indicated that customers could eliminate the wrapping paper if there

was a clean legible place on the box to write addresses in ink.

Both Postmasters cautioned patrons to only address packages on one side.

They also indicated that every effort would be made to forward Santa letters but asked that letters to Santa be written well in advance to allow sufficient time for proper delivery.

Any specific questions concerning Christmas mail or packages may be addressed to either Charles Thornton, Rotan Postmaster at 735-3132 or Violet Upshaw, Roby Postmaster at 776-2667.

Tax Planning by Richard Rodgers, CPA

YEAR-END TAX PLANNING
(A Few Ideas)

Now is the time to do something to cut your 1983 tax bill because once December 31st rolls around, it will generally be too late. Consider some of these ideas.

The purchase of a personal computer may have some tax benefits. To the extent the computer is used for business or to produce investment income, you're entitled to investment credit and depreciation deductions. You may even choose to expense up to \$5,000 of the cost of the business portion.

Installing a safe in your home to safe-guard stocks, bonds, and other investment assets allows you to deduct the cost of the safe over a five-year period.

Before the end of the year, collect clothing, books, toys, household goods, and other items around the house that are no longer used and donate them to a charitable organization. Get a receipt showing the valuation of the items donated, and you'll be able to take a charitable deduction on your 1983 tax return.

If you received a lump sum distribution from a qualified retirement plan, you defer taxation on the distribution by rolling some or all of the funds into an IRA or another qualified plan within 60 days.

Keep track of the fees paid to banks or brokerage firms to set up or manage your IRA account because they are deductible.

Do energy-saving installations before December 31st to qualify for the energy credit in 1983. Qualifying expenditures include storm doors and windows, insulation, and weatherstripping.

With elections coming up, consider political contributions before the end of the year. The credit is equal to 50% of your contribution with a maximum credit of \$50 single and \$100 filing joint.

Review your tax situation and the best ways to minimize your 1983 taxes with your accountant.

THE DAY THE COMPUTER FAILED

If you're tired of being treated like a number you'll appreciate this story... They asked the computer a simple question it couldn't answer!

"NOT PROGRAMMED FOR THIS FACTOR." Everyone was astounded. Then they discovered that a typist copying the word sole had spelled it S-O-U-L.

Thank the Lord that all of life cannot be programmed like a computer. There are values and realities—precious ones—which defy mathematical expression.

We will be looking for you in Church next week. We are the millions of your neighbors who are seeking and finding spiritual answers to life's problems.

4-H Helps Young People

Young people can complement their school curriculum with 4-H as an extra curricular activity.

4-H Club activities with more than 50 project areas offer opportunities for applying what is learned in school.

Writing a theme or making a speech, for example, are easier when they are related to a young person's pet, camera or clothing project. Other 4-H activities, such as tours and workshops, also offer interesting learning experiences.

4-H is based on "learning by doing," and 4-H'ers also learn by teaching others.

Making exhibits, demonstrations and visual presentations about 4-H projects are proven learning methods that 4-H uses. Tests in 4-H come in the form of contests, but there are no grades.

Instead, 4-H'ers are rewarded for their effort with a variety of awards, including ribbons, trophies, trips and cash prizes.

vided by numerous donors.

Through 4-H, youth between the ages of 9 and 19 are exposed to valuable learning experiences that can complement their school tasks and have lifelong impact as well. To get involved in this "action-oriented" program, contact the county Extension office or drop by the meeting.

Five Rotan Players On All-District First And Second Teams

Rotan landed one first team All District spot on the 4AA all District Football Team for 1983 and the first words out of Coach John Smith's mouth were, "I'm very disappointed that Rotan players didn't fair better in the baloting". Smith was pleased with what recognition did come to Rotan players. Charles Williams was named to the first team at running back and 2nd team spot as defensive secondary.

Charles Adkins and Larry Messick were named as 2nd team defensive down linemen and Joe Paul Soliz as 2nd team guard on offense.

Five players took 6 spots for Rotan.

Smith said "I was very disappointed that Chris Duhadaway, Ben Bryan, Greg Gruben or Rudy Garza did not receive enough votes to be placed on the all district team". Hustling Around Hobbs

By Joy Walker

Mr. and Mrs. David Etheredge and Todd Etheredge all from San Angelo were here for Thanksgiving. Todd went back on Friday while Debra and David stayed until Sunday.

They went to Anson to Mr. and Mrs. Kenneth Wilburn and family for Thanksgiving dinner. Those attending the dinner were Mr. and Mrs. Jim Wilburn and family, Mr. and Mrs. James Sherrill and LaTisha from Sweetwater, Mr. and Mrs. Lealon Wilburn, Mr. and Mrs. Randy Etheredge, Mr. and Mrs. David Etheredge, Todd Etheredge and Mr. and Mrs. J.W. Etheredge.

Thanksgiving night they all went to the home of Mr. and Mrs. Sam Etheredge for supper. Also there were Mr. and Mrs. Wendell Barrett and family from Camp Springs and Jackie Barrett from Granbury.

Mr. and Mrs. Tracy Knipe from Snyder, Mr. and Mrs. Ray Hughes and Kami from Rotan, Mr. and Mrs. Jim Brooks and Mr. and Mrs. Wilber Brooks and family from Marble Falls all ate Thanksgiving supper with the James Ratliffs. Mr. and Mrs. Jim Ratliff and some friends from Abilene visited with the Ratliffs Friday and Saturday.

Mrs. Opal Phillips went to the home of Mr. and Mrs. C.J. Thornton for Thanksgiving dinner. All of the Phillips, Hyers and Porters were there, so there was a big crowd. Mr. and Mrs. Walter Cave from Midland, Mr. and Mrs. Wayne Jones from Big Spring, Donnie Thornton from Abilene and Charles Thornton from Rotan all visited for a while on Thanksgiving Day. That afternoon Mrs. Albert Phillips and her son's wife, Amy, from Arlington visited with the crowd that had assembled at Maries. Mr. and Mrs. Wayne Jones visited for a short while with Opal on Sunday before they returned to Big Spring. Jim and I went to the basketball games Tuesday night; Rotan girls played Highland, while the boys played Hawley. Highland boys are still playing football and after last week-end, they are the only team from around here who are still in the play-offs. Hamlin, Haskell and Roscoe all got beat Friday and Saturday, so its up to Highland now and we hope that they will win

Another month has come and gone. We hope everyone had a nice and safe Thanksgiving. The residents enjoyed the pies brought by some of the members from First Baptist Church. I heard alot of comments on them. Thanks to you who brought pies.

Well it is time to start thinking about Christmas decorations and Santa Claus. We will be decorating next week. The employees would like to thank Mrs. Finch for the nice supper she prepared for us.

Out of town visitors this week were Lura and Jamie Nelson from El Paso visited Elsie Carter. Sue and Carl Hitt from Aspermont visited Mrs. Wright. Paul Ogden of Irving and Lowena Kite of Ft. Worth visited Maebeil Ogden. And Nona Warton and son of Houston visited John Cox.

We would like to thank Nazerene Church for the two services last week and the First Baptist for Sunday School. Beverly McKinney

State. Wednesday we went to Snyder and visited with Mrs. Ola Mae Myers, Mr. and Mrs. W.D. Myers and family. We also visited with Mr. and Mrs. Blake Walker for a short while.

Thanksgiving Day we went to the home of Mr. and Mrs. Donnie Gruben for supper that night. Sure had a big crowd with lots of good food. Those attending were Mr. and Mrs. Wilber Gruben and family, Mr. and Mrs. Wayne Helms, John Wayne and Mark, Mr. and Mrs. John Carl Gruben and J.T. Smith from Royston. Friday we all went to Abilene for the day and I think that everyone else must have had the same idea, as it was so crowded.

Saturday was sure cold and the wind blew a gale, and our fireplace has been working overtime these very cold days. Heard from Mark and Melody who were spending the long week-end with Mark's parents in Lockhart.

Mr. and Mrs. J.D. Kincaid went to Mr. and Mrs. Wendell Kincaids home for Thanksgiving Day. Also there were Mr. and Mrs. Jim Bob Solsberry and baby from Sweetwater, and Mr. and Mrs. Ronnie Kincaid and family also from Sweetwater visited with them all that afternoon. Sunday Mr. and Mrs. John Anderson from Rotan spent the evening visiting with the Kincaids, and Bro. and Mrs. Dutch Parks and family, also Sherry Dace, all ate Sunday dinner with the Kincaids.

Well, sorry if I missed you this week, but will catch you next time. See you next Thursday.

Rotan Defeats Aspermont

Sammy Turner pumped in 25 points last week as Rotan defeated Aspermont to run their pre-season record to 3-0. Season play began last Tuesday night when the Rotan Varsity and Junior Varsity played in Colorado City. The results of that game will be carried in next weeks paper.

Endgate Adkins scored 12 points; Ben Bryan had 10; Charles Williams 6; Greg Bruen 4; Randy Martinez 2; and Tony Gruben 2.

Coach Dickie Lepard said 'I've been pleased with the effort in workouts and practice games. We feel we are fielding a strong team with an excellent

bench, which will make the difference in many games this season'.

We are getting the usual good performance out of Sammy Turner, Greg Gruben and Ben Bryan this year with much welcome performance from Endgate Adkins, Tony Gruben and Charles Williams. Per formers like Randy Martinez, Louis Santibanez, and Joseph Cagrera first year out will make a difference for us," said Lepard.

Rodney Pearson is out with a sprained ankle, but should return this week to help the team.

Roby Cubs Win Contest

The Roby Cubs hosted the Lorraine Jr. High Monday night and chalked their first wins for the 1983-84 year. The boys and girls teams did very well with good hustle and determination. The girls high point was Cherie Feagan with 12 pts., followed by Missy Turpin, 7, Donna Gordon, 4, Lorena Cave, 4

points.

High point boy was Jason Terry with 12 points, Jerry Carreon 10, Shalon Thompson 4, Grey Meek 2, Reggie Spencer 2, Carter Edmondson 2, and Robert Garcia 4.

Girls game: Roby 31-Lorraine 14; Boys game: Roby 36-Lorraine 22.

Rotan Girls Defeated By Highland Squad

The Rotan girls varsity basketball team lost their first game of the season to Highland by the score of 38 to 56. Varsity coach Bruce Woods said "the first game jitters against a very good Highland team really hurt us. We fell behind by 16 points at the end of the first quarter but then played them a relatively even game the rest of the way".

Highland jumped out to a 24-8 first quarter lead. In the second quarter the Rotan girls scored 12 to 9 for Highland. Rotan had 6 points to 10 for Highland in the 3rd period and outscored Highland 12 to 10 in the final period.

Desirre Gray and Cathy Conner each had 10 points for the Rotan girls. Dilana Long scored 4; Tina Mendoza 4; Georgette Ramirez 4; Shelly Hayes 1; Sonia Carrillo 3 and Terri Whitefield 2.

Hustling Around Hobbs

By Joy Walker

Well, another week of strange weather, one day its warm and the next its bitter cold. We also had a high wind and little storm on Tuesday night accompanied by some rain; we measured about six tenths of an inch out this way, and coming home from the ballgames Tuesday night the roads were sure bad. We were lucky though as some places got real bad storms and in Italy where Melody and Mark live, their Elementary school was destroyed and the winds blew to 100 miles per hour. They got some rain but they were more worried about the winds as so many houses lost their roofs and the town itself must have had a tornado. Melody and Mark had to stay in town as the winds were so high and they were on their way home when it hit. Luckily their house and all their horses were safe when they arrived home the next morning.

We have had lots of visitors in the community for the long Thanksgiving holiday and I hope that I didn't miss anyone. If I did and you want your news reported, please don't hesitate to call me.

We are sorry to hear that J.C. Cave has been back in the hospital again. He went in the day before Thanksgiving and came home on Friday morning. He was at Fisher County Hospital and he now seems to be feeling pretty good again. We hope he will continue to improve. Mr. and Mrs. James Cave from Roby visited on Sunday with J.C. and Alice. Mr. and Mrs. Steve Warren and girls from Snyder, Mr. and Mrs. Gil Warren and family from Big Lake, Gloria Martinez from El Paso, Mr. and Mrs. Darrell Gay from Fort Worth all spent Thanksgiving Day and long week-end visiting with Mr. and Mrs. Rudolph Martinez. Mr. and Mrs. Rudy Martinez and family from Rotan visited with them all Thanksgiving evening, so they really had a big crowd and sure enjoyed visiting.

I missed Bea's news last week, and she had lots of company. Mr. and Mrs. Doc Hardin from Victoria came Friday night and spent the week-end with Mrs. Bea Hardin. Wendy Hardin and Mark Carville from Abilene spent Saturday night with Bea also. Saturday they all went to Brownwood to watch Mark play football for A.C.U. Mr. and Mrs. Doc Hardin,

Bea, Mr. and Mrs. Doyle from Roby and Wendy all went to the game. Mr. and Mrs. Larry McBeth and family from Abilene came Friday night and they stayed until Sunday. This week Bea went to Abilene Wednesday night with Mr. and Mrs. Larry McBeth and they all ate Thanksgiving dinner with Joe Hardin and his family there. Came home Friday morning and Mr. and Mrs. Bruce Slale and two girls from Dallas and Julie and Jay Hardin from Abilene came on Saturday and stayed until late Sunday. Mr. and Mrs. Kenneth Hardin from Rotan also visited with Bea and her company on Sunday. So Bea sure had lots of company for Thanksgiving and after for the long week-end and she really had a good time visiting.

Stella Cleveland, 89, a longtime Rotan resident died at 2:15 a.m. Wednesday at Fisher County Hospital after a brief illness. Services were held at 3 p.m. Friday at First Baptist Church in Rotan.

The Rev. David Bugg, pastor of First Baptist Church in Grandfalls, off-

iciated, assisted by Rev. Derrell Monday, pastor of First Baptist Church of Rotan. Burial was at Rotan Cemetery under the direction of Weathersbee Funeral Home.

Born March 12, 1894, near Rotan, she was the

daughter of the late Mr. and Mrs. Hiram Moize, early pioneers. She married Sam D. Cleveland Nov. 23, 1913, in the Pleasant Valley community. He died July 29, 1966. She was a member of the Alathen Sund-

ay School Class and First Baptist Church. She also was a member of the Veterans of Foreign Wars Auxiliary.

She was preceded in death by a grandson, and granddaughter, two brothers and two sisters.

Survivors include six sons, Eugene, William and Lewis, all of Rotan, Dalton of Brownwood, Norman of Corpus Christi and John of Roby; four daughters, Bessie Cleveland of rotan, Annis Joplin of McCaulley, Stella Mae Mash of Roby and Ruthie Riddells of Dallas; a brother, W.H. "Willard" Moize of Terrell; a sister, Maude Moize of Rotan; 30 grandchildren; and 36 great-

grandchildren. Pallbearers will be Jerry Mash, Harold Joplin, Philip Cleveland, Lex Dun-

ham, William Cleveland Jr., Mike Herron, Wade Riddells and Robert Joplin.
