Number 39

Tax Notices Coming Out Up by Two Cents!

The Donley County Tax Appraisal district will be mailing tax notices during the last week in September. Figures for the district reveal some surprising facts when analyzed.

Despite the current economic hard times, the delinquency rate is actually down. In 1984, 93.1% of the tax levy was paid. That figure has improved consistently in subsequent years, and the 1987 taxes are 94.0% paid.

While taxes are never popular, this years' taxes may not justify the amount of moaning and complaining that is traditional in the U.S. (and probably everywhere else, for that matter!)

The average Clarendon resident will be paying a whopping \$.0211506 per day more in taxes than last year. That two-cents-per-day increase figures out to a 2% increase in taxes, or about \$7.72 per year. With a national inflation rate estimated at 7%, the taxing entities will actually have about 5% less revenue than they had last year.

The City of Clarendon will collect less than a dollar in increased taxes from the hypothetical "average" tax payer--considerably less than the cost of fixing one pothole. The average 1988 tax bill paid to the city will be about \$108.12 or less than 5% of the cost of paving in front of one residence. Increases for Donley County, and Clarendon Schools are roughly similar. The Hospital District tax rate is up 6%, which is still less than inflation. And the College District taxes are actually 5.49% less than last year.

Incidentally, the Appraisal District only collects taxes; it does

1938 Reunion to be Held October 15th and 16th

Plans have now been finalized for the 50th Anniversary Reunion of the 1938 Class of Clarendon High School. The dates are October 15th and 16th. Registration will begin at 9 a.m. in the cafeteria of Clarendon High School.

Classmates of 1937 and 1939 are especially invited, as well as those of other years. We really are looking forward to seeing you. Please come.

Advance reservations for the luncheon and banquet are required and the deadline is October 1, 1988. The amount of \$5.00 for the luncheon and \$8.00 for the banquet should be mailed to Phebe Ann Buntin, Box 7, Clarendon, Texas 79226.

Band Boosters to Meet

There will be a Band boosters meeting Monday, October 3rd at 7:30 p.m. at the band hall. Please try to attend.

not set the tax rates. Taxes are set by the various boards, (aldermen, commissioners, trustees, etc.) all of whom are elected representatives.

Chamberlain to Hold Open House

Chamberlain Motor Company will host an open house on Saturday, October 1. Gloria Gilber, a former Miss Texas, will entertain the young people while their parents visit.

Clarendon Motor Company was established in Clarendon in 1957, a surprisingly recent date for one of the larger enterprises in the city. The company has grown steadily and has contributed significantly to the local economy.

Fred Chamberlain, father of the present owners, started the business. From the start, the firm worked aggressively to attract out-of-town customers. Some customers come from as far away as Tennessee to purchase cars in Clarendon. The dollars thus brought into the community have been exceedingly beneficial to the county as a whole. In fact, Chamberlain is one of the largest employers in Clarendon with some 27 employees.

The company expanded in 1978 by remodeling and adding on. It is one of the largest GM dealers in the Panhandle. Fred Chamberlain died in 1980, and much of the oversight of the company now rests on Trey Chamberlain, son of the founder.

Although the company has emphasized out-of-town sales, it has developed a loyal local following. Wanda Nichols, a neighbor of the Chamberlains (both at home and at work) says, "We've just had excellent service from them." She and her husband Duane estimate that they have purchased eight to ten cars from the dealership over the years.

The gold-and-red Chamberlain logo will probably remain a familiar sight on GM products in the Panhandle for many years to come. And Clarendon residents will undoubtedly enjoy open house at Chamberlain Motor Company.

Help Save the Hospital

There will be a Save The Memphis Hospital auction held on Saturday, Oct 7th at the former Rattan TV building, next door to The Clarendon Press. All items donated will be in the auction, and anyone having anything they would like to donate may do so, by calling Eldon Thomas at 874-3814. He will arrange to have the items pick-up or you may bring them to The Clarendon Press and they will have a key so the items may be put into the building.

Mrs. Anna Moores Swift Simmons

Funeral Services Held for Anna Moores Swift Simmons

Funeral services for Mrs. Anna Moores Swift Simmons were held at 11:00 a.m. on Monday, September 26, 1988 in the First Baptist Church with Rev. Truman Ledbetter, Pastor and Rev. Terry Tamplen, Pastor of the First United Methodist Church, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mrs. Simmons died at 7:10 a.m. on Saturday, September 24, 1988 in High Plains Baptist Hospital in Amarillo following a short illness. She was born in Amarillo and had been a lifetime resident of Clarendon. She married Emmett Owen Simmons on November 11, 1946 in Clarendon. He died in 1982. She was Chairman of the Board of the First Bank and Trust of Clarendon.

She had been involved in the ranching and banking business in Clarendon for most of her life. She was also a member of the First Baptist Church in Clarendon.

Survivors include one daughter, Anna Beth McNabb of Clarendon; one son JEM Simmons of Clarendon; and four grandchildren.

Casket bearers were Lowell T. Stafford, Sr., Bronnie F. McNabb, Sr., Tommie Saye, Harold Phelps, Joe Lovell, W.K. Hardin, John Sarich and Johnny Leathers.

Alderson Announces 1989 Models

Alderson Chevrolet announce the unveiling of the 1989 model-year Chevrolets on Thursday, September 29th. Many of the models are refinements of earlier editions.

This marks the 35th introduction by the auto dealer. The Clarendon Chevrolet dealership was purchased by the Earl Alderson in 1954. It has remained in the Alderson family ever since. Earl Alderson died in 1965, but his son Gene now runs the dealership.

Alderson Chevrolet occupies an historic building. When the structure was built, it was hailed by Texas newspapers as "the nicest dealership between Ft. Worth and Denver." Originally the building housed a Ford dealership, but, in 1928, when Henry Ford shut down production for a number of months for a model change, the dealership seized the opportunity to drop the Ford line and pick up Chevrolet. The facility has sold Chevrolets ever since.

Alderson has retained the attractive ambience of the architecture while maintaining an up-to-date service facility. In 1970, ser-

vice facilities were expanded significantly, and during that decade, the dealership also expanded the retail sales space.

In the 34 years that the Alderson family has operated the dealership, they have seen many changes in automobile retailing. In 1954, Chevrolet offered one basic engine, a six-cylinder design that was used in both cars and trucks. Today, Chevrolet offers a cross-section of vehicles to meet almost any need.

Alderson, like other dealers nationwide, has observed a distinct change in sales patterns. While the basic passenger car once dominated sales, today's best seller is a truck. Indeed, light trucks far out sell any other model.

Alderson said, "We have received a better selection of the new models this year and we invite everyone to come in and look them over."

Halloween Carnival October 31st

The Donley County Young Homemakers are sponsoring a Halloween Carnival again this year. It will be held on Monday October

31st from 6:00 - 9:00 p.m. at the Community Center.

A spook house is being planned by the club this year.

The goal of the carnival and spook house is to provide a safe and wholesome environment for children, teens and even college students to come and have a good time on Halloween.

If your church group, club or other organizations would be interested in a booth at the carnival the fee will be \$10.00

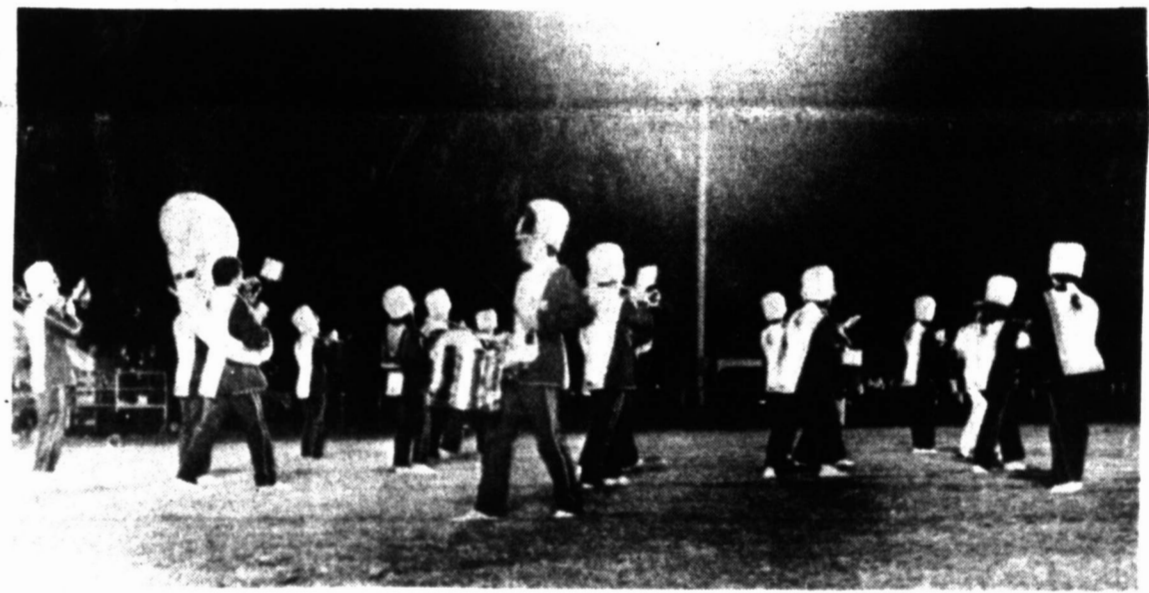

You may contact Missy Kidd at 874-2467 for more information or to reserve your booth.

Bonfire set for October 4th

There will be a bonfire on Tuesday, October 4th at 8:30 p.m. on the Ronnie McAnear Farm. The Broncos will begin district play with Canadian Friday, October 7th.

COTTON FESTIVAL & COW PATTIE BINGO

--see stories in Hedley News, page 8

THE CLARENDON HIGH SCHOOL BAND has shown a dramatic improvement this year, and is getting still better.

"Fit For Life" Fitness Program October 4th

"Fit For Life" is a comprehensive twelve week series of lessons aimed at improving fitness and reaching and maintaining a healthy body weight.

Terry Floyd, Donley County Extension Agent, will be conducting the twelve week "Fit For Life" course beginning Tuesday, October 4, 1988 at the Clarendon Community Center. The class will

begin promptly at 6:30 p.m. each Tuesday night through December 20th with the following exception: THE THIRD WEEK OF EACH MONTH, THE CALL WILL MEET ON MONDAY NIGHT AT 6:30 P.M. There will be a \$25.00 fee to cover the cost of supplies.

The Fit For Life concept is proven way to keep your weight under control.

Floyd was trained by registered dietitians, fitness experts from the Institute for Aerobic Research in Dallas, and the Texas

A&M University Agricultural Extension Service Nutrition and Health specialists. She was taught how to modify eating habits and set up individual exercise programs.

If you are interested in participating in this program call the Extension Office at 806-874-2141 to register. Deadline is October 3, 1988.

PTA Program on Parenting

"Parenting in a Changing World" will address current issues relating to the work parents do in preparing children for adulthood.

Dianne Bosch will share insights gathered during her experience as a nurse, physical education teacher and 8 years as a police officer. She is currently Program Manager for the Adolescent CareUnit which has been in operation for three years at St. Anthony's Hospital in Amarillo.

This first PTA meeting, open to the community, will begin at 7:00 October 4 in the Clarendon School Cafeteria.

PTA membership is \$3.00 per year. Jan Campbell, membership chairman, will have registration information at the Tuesday night meeting or may be contacted at 3268.

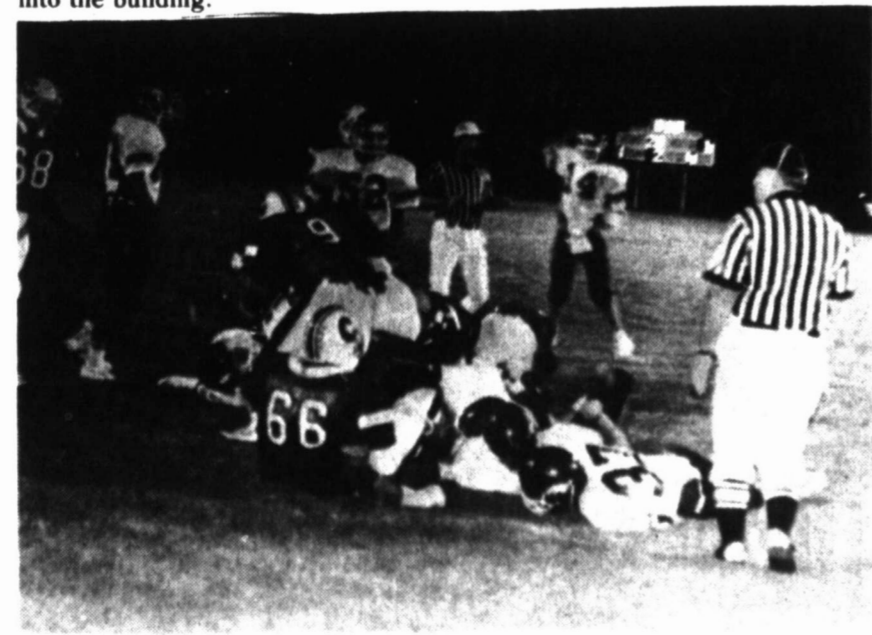

church of Christ to Hold Meeting

The Clarendon church of Christ will hold a meeting, October 2nd through 5th. The speaker will be Alan Pickering, Minister of Youth for the Southwest church of Christ in Amarillo. He will speak on abortion and other social evils that threaten American youth. The church cordially invites all Clarendon parents and other concerned individuals to attend.

Hedley Ex-Students Reunion

During the Cotton Festival Hedley School will be having its Ex-Student reunion Saturday, October 8 starting at 3:00 p.m. in the school cafeteria. All past residents of Hedley are encouraged to attend as this will also be a homecoming.

BRONCO football players in the game against Gruver: #63--Chad Hommel, #74--Nuggett Bond, #37--Randy Gaines and #33--Brook Grisham.

Please Observe Deadlines

The Clarendon Press is asking the community of Clarendon to remember the newspaper's deadlines. We have always tried to get any article or ad into the current issue, regardless of how late it ar-

rived. This has meant tearing up a couple of pages each week to make room for something that someone simply forget to get in on time. And it has caused our employees to be late getting home--sometimes very late.

As of October 1, 1988, The Clarendon Press will strictly observe the deadline policy. Only obituaries will be exempt. Stories and ads must be in the newspaper office by 5:00 p.m. each Monday evening. In rare instances other material may be accepted, but only

by prior arrangement.

As always, The Clarendon Press will be happy to take pictures of events and items of interest in the vicinity. However, pictures taken on Monday or Tuesday will not appear in the paper until the following week.

We appreciate your cooperation in this matter, and hope that among other things, the new policy will result in a better newspaper for Clarendon and Donley County.

Champion Checks out Campus Arena

The students in Rodeo PE at Clarendon College were treated to a demonstration of expert roping and personalized suggestions to improve their own expertise last week. Champion Billy Gallino of Valentine, Nebraska took a short break in his roping schedule to visit his old team roping partner, Kelvin Sharp.

Gallino has been named Nebraska State Rodeo Association Calf Roping Champion 3 times and All Around Cowboy 3 times as well as receiving those honors two years in the MidStates Rodeo Association. His pride in the buckle he

wears as the 1983 NARC Finals All Around is evident. Gallino rodeos full time and was on his way to compete in the world's richest calf roping in Bushy Head, Oklahoma.

Clarendon College has three rodeo classes in its Physical Education Department. They are Rodeo Timed Events for Men, Rodeo Timed Events for Women, and Rodeo Riding Events (Rough Stock). These classes have an enrollment of 127 students this semester. While some students are enrolled for the novelty and new experience of a PE class that meets in a rodeo arena rather than in a gym, many are in the classes to improve skills that they use on family ranches in Texas, New Mexico, and Colorado. Interest and participation in these classes have increased rapidly over the last five years under the leadership of Instructors Jerry Gage and Kelvin Sharp.

1926 Book Club

The annual Salad Supper of the 1926 Book Club was held at the Patching Club House on Tuesday the 13th of September at 6 p.m.

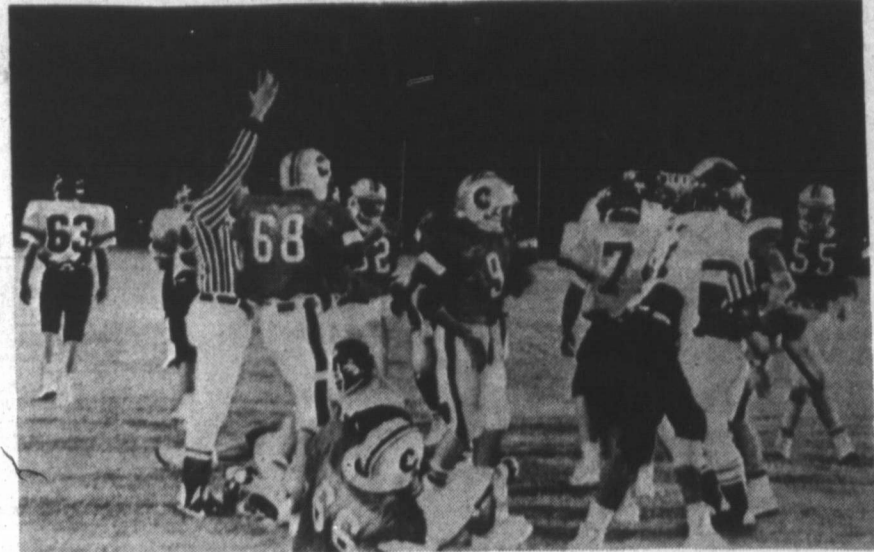

After the delicious supper, a program followed in which our Citizenship Award Winner, Scott Hankins, was introduced.

President Bones appointed a committee to compile Book Club History, for the soon-to-be published Donley County History.

A new member, Dorothy Morris, was voted into membership.

Members attending were: Jesse Adams, Rachel Butler, Hazel Brandon, Glenda Hawkins, Pauline Heath, Carolyn Hamilton, Hazel Monrod, Frieda Tucker, Evelyn Mann, Lockie Pitts, Elvy Shields, Pauline Morris, Dorothy White, Dorothy Whittaker, and Mary Hazel VanZandt.

ELECT Warren Chisum

Packaging Your Home To Sell

Homeowners looking for a "competitive edge" in selling their homes can get some help at the upcoming "Package Your Home to Sell" program, Thursday, October 27, 1988. The program will be held at the Texas A&M Research Center, 6500 Amarillo Boulevard West, Amarillo, according to Terry Floyd, Donley county Extension Agent.

Selling a home may not be far different from selling hamburgers, cars, clothes or anything else: the product has to have appeal to the buyer. Especially in a competitive housing market like we currently have, adopting a "marketing strategy" may help homeowners sell.

Homeowners will learn ways to maximize the return on their investment through marketing techniques, and fix-up, spruce-up techniques.

Real Estate Agents will receive computer software and training materials for more effective customer service. Pre-register by calling the Potter County Extension office at 806-373-0713. The cost for the training will be \$15.00.

A Reminder To Howardwick Property Owners

The City Landfill (Dump Ground) will begin closing at 6:00 p.m. each evening beginning October 1st due to State health Department Regulations. It will be OPEN from 8:00 a.m. to 6:00 p.m. everyday, including Saturday and Sunday for your convenience.

Dr. Bentley's Office
Will Be Open
Monday, Tuesday
and Friday
9 a.m. - 5 p.m.

Embroidery and Appliques: Counted Cross Stitch-1st Teresa Justiss; Best of Class-Teresa Justiss.

4 Hers receiving participation ribbons: Kristi Hankins, Jessica Rogers, Lindsay Eads, Elizabeth McAnear, Mandy Floyd, Lori Howard, and Amber Dunham.

Donley County 4-Hers exhibited several placing animals at the Fair in Amarillo last week, according to County Extension Agent Ronald Gooch.

In the Steer Show, Chad Campbell placed 2nd and 5th with his Hereford steers.

In the Barrow Show, Elizabeth McAnear placed 6th with her light weight barrow, 10th with a light heavy and 6th with a heavy weight.

In the medium wool division of the Lamb Show, Monty Adams placed 4th and 10th and Codilee Adams placed 5th, 7th and 11th.

In the Shorthorn heifer show, Donald Gooch placed 1st in the junior show and second in the open show.

4-H Food and Nutrition Program Outlined

Selecting the right foods for proper nutrition is the basis for the 4-H Food and Nutrition Program.

This 4-H program is one that can benefit boys and girls ages 9-19 and can help them enjoy healthier lives. Learning activities will reflect work done in three of the six areas of the food and nutrition project. These areas include: Nutrition, Food Buying, meal Planning, Food

Preparation, Food Safety and Social and Cultural Roles.

Objectives of the program are: Learn the importance of including foods from each of the basic food groups in the daily diet; understand the principles of nutrition as they relate of health, physical fitness and appearance; learn about the scientific principles of nutrition; and acquire and demonstrate skills in planning, purchasing, and preparing and serving tasty, attractive and nutritious meals and snacks.

If you are 9 years old or in the third grade, you are old enough to participate. Our projects are in need of older 4-H'ers, especially 14-19 year olds.

The first Donley County Food and Nutrition Project meeting will be Monday, October 10th at 7:30 p.m. in The Grocery Store. This will be a five week project with project groups meeting once a week.

The Donley County 4-H Food Show will be Saturday, November 12, 1988, at the Clarendon School Cafeteria. The District I Food Show will be at Borger Middle School in Borger.

For more information, call Terry Floyd at 874-2141 or Virginia Patten at 874-3169 after 7 p.m.

Bradford Funeral

Funeral services were held for Rex Bradford, 56, of Wills Point, Texas, Sept. 21, 1988 at LyBrand Chapel, under the direction of LyBrand Funeral Home. Interment was in White Rose Cemetery.

Mr. Bradford was born in Borger, Texas, moved to Clarendon at the age of 10, and graduated from Clarendon High School. He was State Golden Glove Champion in 1949.

He had been a member of the Marine Corp, and served in the Korean War. He was a member of the Masonic Lodge 709 AM&FM, the

VFW Post 7837 and had lived in Wills Point for the past 20 years and was a self-employed welder.

Mr. Bradford passed away Sept. 19 at the Medical Center Hospital, Tyler.

He was survived by his wife, Betty Bradford. His mother, Alice Thomason, San Antonio; a daughter Bonny Hazel, Fruitvale; two sons, Rex, Wills Point; and Mark of Wylie; two brothers R. B., Giddings; and Harley of Plainview. One sister Clara Waldrop of San Antonio and five grandchildren.

Insure Future with Farm Safety

The future belongs to those who seek to be the best they can be at what they do—and safety must be part of that plan.

Without attention to safety, a preventable accident could impair your ability to do your best and cloud that future, said Gooch, county agent with the Texas Agricultural Extension Service.

According to National Safety

Council estimates for 1987, mishaps resulted in about 1,600 deaths and 160,000 disabling injuries, many of which were permanently handicapping. Agriculture continued to have one of the highest death and injury rates (per 100,000) of the major U.S. industries.

Help ensure your future by striving for good health. Deal with harmful life stresses, seeking help if needed. Consult a doctor about symptoms like unexplained fatigue, pain, shortness of breath or one of cancer's seven danger signals. Use appropriate personal protective equipment for job or workplace hazards. Avoid activities that, to be safe, require abilities you don't have due to temporary incapacity, illness, lack of skill or advanced age.

Farmers must be concerned about protecting themselves and those for whom they are responsible at work, in the home, during recreation and while driving, said Gooch.

Fun After Fifty

Fun After Fifty will meet Saturday from 10:30 a.m. until 7 p.m. Bring a covered dish. There will be a program.

DONLEY COUNTY SENIOR CITIZENS
Caring People...A Lamp to the Community

Thanks to Jack and Elfreda Edwards for a sack of nice green peppers. To Oneta Sanders for a sack of onions and Allsup's for a load of bread.

A SPECIAL THANKS to Woodie Argo and Bud Hermesmyer for the beautiful work table they made for my office. Their interest and a hard days work saved the Center a lot of dollars - let them know we appreciate their efforts for a good job.

Carmen had a good Blood Pressure Clinic on Tuesday, September 20th. She checked forty-three people. She will be back on Tuesday, October 4th.

Had a good crowd at Monday Night Dance Practice and a super good crowd at the 3rd Tuesday Dance on September 20th at the Community Building. Several members enjoyed the Pampa Senior Citizens Dance on Friday, September 23rd. Thanks to Bud and Pearl Hermesmyer for coordinating the trip.

Had one table playing Thursday night. They were having a good time. Thanks to Thelma Behrens for opening for Game Night.

Talk about music—we really had a good session on Friday, September 23rd. Twenty seven were here to enjoy the music. We were pleased to have several visitors. Bill and Bulah Cox of Pampa, Wayland and Donna Akers from Pampa with their guest, Joaquim Pedro Corria from Portugal. L.D. and Lee Bell Gamblin of Amarillo visiting with the Croffords. Musicians were-Bill Cox, Hugh Neuhaus, Nova Neuhaus, Fred Fortenberry, Creed Smith, Floyd Crofford, Forrest

Denton, Maxine Denton, Dee Williams, Bailey Estes, Lucille Swain, F.G. Crofford and Me.

Fun After Fifty will meet at the Center on Saturday October 1st at 10:30 a.m.-Bring a dish and enjoy the day.

We Love You!

...OR THE BANKER?

Stock market investments can be very inviting. Everybody, it seems, knows "this guy" who knows "this other guy" who made a real killing in a big bull market. Of course, behind every Cinderella story there's another tale—of uncertainty and vulnerability.

Unfortunately, the stock market often takes a downward turn. The rampaging bull can become a lumbering bear, changing dreams of an easy "killing" into harsh reality.

Not so at our bank. In addition to an impressive range of investments—such as our new money market accounts—we offer things that stocks and mutual funds can't. Like risk-free protection of principal. Assured rates of interest. And the soothing security of Federal Deposit Insurance by the F.D.I.C.

So, while we won't promise to make you rich overnight—we will place a risk-free guarantee on your tomorrow.

That's the bare facts. With no bull.

Health Care Issues

By LARRY WHITE
Administrator Medical Center
Nursing Home

No one wants to be involved in an emergency situation. However, plans must be made to respond to those situations when, and if, they occur. The Texas Department of Health enforces the Life Safety Code in long term care facilities. This Code directs us in regard to fire safety and emergency procedures. In this article we'll look at some of the requirements of the Life Safety Code and how they apply to the Medical Center.

1) Our facility is required to have a fire alarm system which contains duct detectors, smoke detectors, automatic door closers, and proper fire separation in the attic areas. The dietary area has a dry chemical system over the hood range as well as having sprinklers. There are also portable fire extinguishers located throughout the building for any type of small fire.

Fire drills are conducted to each shift on a regular basis to insure that personnel are aware of fire and evacuation procedures. In case of a power outage we also have an emergency generator and emergency lighting system.

2) Our facility has policies and procedures for handling other emergencies such as tornadoes, explosions, and even earthquakes.

3) In the event of an emergency, we have agreements with Clarendon College, the City of Clarendon, and the Clarendon School District to assist us with food, food supplies, water and other supplies that we may need.

With proper training and continuing education we feel that we are as prepared as we can possibly be for an emergency. We also want to express our thanks to the City of Clarendon, the Clarendon School District and Clarendon College for their assistance and cooperation as we prepared our disaster and fire evacuation plan. We want to do the

best we can to take care of the residents who call the Medical Center their home, as well as maintaining a nursing home our community can be proud of. Next week, we'll take a look at "Nursing Services" at the Medical Center.

Local Youths Place at Poultry Show

Russell (Slick) Estlack participated with some young friends in the Tri-State Fair Poultry Show. Showing with Russ in the Open Show were Jared Hartman, Lydia Hartman, and Dale Askew.

In the New Hampshire breed, Lydia had the first place pullet, which was also named Best of Variety and Best of Breed. Russell showed at the first place cockerel, which was also judged Reserve of Variety and Reserve of Breed.

The Plymouth Rock breed saw Russell showing the first place Buff pullet, which was also Best of

RUSSELL ESTLACK with bantam and trophies.

Variety. Jared's white Plymouth Rock pullet was placed first and named Best of Variety. Russell had the first place Columbian pullet, which was also judged Best of Variety and Best of Breed.

Dale Askew showed the first place Black Australorp pullet and first place cockerel. The pullet was

also Best of Variety and Best of Breed while the cockerel was Reserve of Variety and Reserve of Breed.

Russell had the first place Naked Neck cockerel, which was also judged Best of Variety and Best of Breed. He also had the first place Light Brahma pullet and the first place Dark Brahma pullet; this pullet also placed Best of Variety.

Russell's large Cocksins placed first White Cockerel and the first White Cocker pullet; the pullet was also Reserve of Variety. He also had the first Black Cochon cockerel and the first Black Cochon pullet; this pullet was also Reserve of Variety. His first place Blue Splash Cochon cockerel was Best of Variety. He also showed a White Leghorn cockerel, a Rhode Island Red pullet, and a Rhode Island Red cockerel that didn't place.

In the Junior Bantam Show Russell showed Black Cochons, Silver Sebrights, and Black Breasted Red Old English Game. The Black Cochons placed second cock, second old trio, and third hen. The Silver Sebrights placed first pullet, first cockerel, first hen (which was also Reserve of Variety and Reserve of Breed, and first cock. This bird also judged Best of Variety and Champion Sebright of the Junior Show.

The Black Breasted Red Old English Gamed placed first cock, first hen (which was also Best of Variety and Reserve of Breed, and first old trio which was judged Champion Trio of the Show. Hen #96 of this trio was also Reserve of Variety.

Russell also showed two birds in the 4-H Show. They were a Black Cochon hen, which placed first and Best Cockin of the Show; and a Black Breasted Red Old English that won first place and Grand Champion of the 4-H Show.

of 30 entries these young people had 24 first place ribbons, 2 second place ribbons, 1 third place ribbon, 10 Best of Variety, 6 Reserve of Variety, 5 Best of Breed, 3 Reserve of Breed, 2 plaques, and 5 trophies.

Nine million tons of salt are applied to American highways each year for road de-icing.

Letter to the Editor

Dear Editor,
I have been asked to readdress the talk I gave at the second pep rally this year.

Many people have voiced their ideas and excitement of becoming involved in the support they feel our school needs and deserves. As one person put it - the school and students are the future of this town and is what will keep this community alive.

So many times we try to place blame rather than to help. That is not my intention. I believe a redirection of our energies would be the best action. Positive ideas most always spark positive action. So with this said I will start.

How To Have a Winning School

The first step is to define winner. It simply means doing your best. To do your best you must believe and be willing to fight and work long and hard. Once you have directed your efforts in this manner you will end up proud of what you have done and who you are.

There are five elements you must have in a winning school. The first is PARENTS who are dedicated to instilling positive self esteem in their children. Parents who lovingly teach their children respect, discipline, the honor in working hard and the love of God and Country.

The second element is the STUDENTS. The students take the teachings of their parents and apply it in their studies, and in all they do. Students who appreciate the opportunities given them through our school system.

The third element is the TEACHERS, COACHES, AG LEADERS, COUNSELORS AND STAFF. These people must know the important party they play in the lives of their students. They must excite positive influences in the student through their teaching, counseling and coaching.

The fourth is the ADMINISTRATION. The administration is the backbone of the teachers and students. They must be the positive support of both. Ready to help back the needs and ideas of both. Ready to build a better future whether it be a new thing a teacher or student know they have done a good job.

The fifth and last element of the SCHOOL BOARD. The school board is the support of the administration, teachers, students, parents and community. They are the ones who must be kept aware of the needs of all and make the decisions for the best of all. A hard job that pays only in knowing that they have made a better place for their children as well as ours.

When you look over our school system you will find no missing elements. We have Parents, Students, Teachers, Administrators and a School Board. So where has the excitement and support of our school gone.

I believe it is there. In fact I know it is there. All we have lacked is action. The parents and the community have started acting. We have gotten excited with the support of our football team, band and cheerleaders. We are showing our students that we believe in them and support them. The teachers have been doing their part and going the extra mile in teaching and coaching. They have taken precious time from their families to spend with our children after hours. The administration is listening and ready to help to the support they need to be. The school board is ready to do their part. The wheels of the system are turning. It takes all five elements to make it work. That means all of us supporting each other for the betterment of all.

That means all of us supporting each other for the betterment of all.

Kathy Hommel

Dear Editor,

Would you help me find a few good men by publishing this letter in your paper? The few good men mentioned are WWII Veterans and were assigned to the 351st Heavy Bombardment Group at Polebrook, England between 1943 and 1945. There are about 5,000 lost souls and some of them may be in your area. We have formed a 351st Association of flying and ground crews and have annual reunions. If you fit the above description please contact: Ken Vaughn, 1 Shady Lane, Belleville, Ill 62221

Thank You,
B.F. Cook

Dear Editor,

I am the proud mother of and eighth grade football player from Clarendon and I was pleased at first to see a "Pep Squad" in attendance at the games. Pleased became perplexed after last evening's game against Gruver at Skellytown. The junior high squad of very intelligent, attractive, outgoing people I've known as individuals pleasant to be around turned into a group most resembling a gaggle of geese. I know sitting is too much to ask of them, much less sitting TOGETHER as a group, but why must they move constantly around the stadium instead of supporting the team as ONE squad? Watching the game is NOT what they did, so why do they dress in red and white and shout cheers at all? Is your child one of these? Do you think THIS is school spirit?

Name Withheld by Request

School Menu

- Monday Oven baked fish, cole slaw, hush puppies, cheese wedge, chocolate pudding, milk.
- Tuesday Chalupes supreme with taco meat, cheese, beans, tossed salad, strawberry cake, peaches and milk.
- Wednesday Pigs in a blanket, french fries, cheese wedge, tossed salad, cookies and milk.
- Thursday Macroni with meat sauce, hot rolls, buttered vegetables, peanut butter and honey, apple sauce, milk.
- Friday Chili cheese dog, french fries, tossed salad, cherry cobbler, milk.

Charges: K-5th grade 80 cents Jr High and High School 85 cents

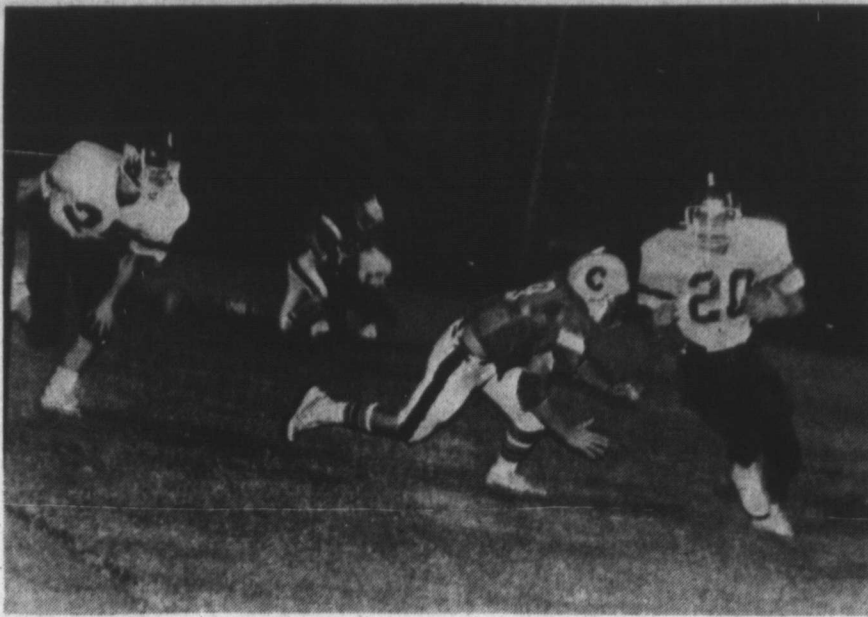

City Minutes

The Board of Aldermen of the City of Clarendon met on September 13, 1988 in the Board Room, City Hall at 7 p.m.

Members present: Mayor David Davidson, Aldermen Paul Bivens, Benny Osburn, Bobbie Kidd and Lynn Floyd.

Members absent: Alderman James Thomas

Others present: City Secretary Donna Edwards, Jim Roberts, City Attorney Jim Shelton, Roger Finch, Cora Giddings, Mack Smith,

MICHAEL ADAMS evading Gruver tackle.

Peggy Smith, J.C. Giddings, Mrs. B.W. Smith, Mary Combs, Fred Clifford, Scott Hand, Jaime Johnson, O.V. Johnson, and Bright Newhouse.

Motion was made by Alderman Bobbie Kidd, seconded by Alderman Benny Osburn to approve the minutes of the August 23, 1988, meeting. Motion carried.

The Board discussed with the city Attorney the liability of the City regarding the Peabody Hotel building. The City Attorney advised that the primary liability would be with the owner, but if he couldn't pay it could fall back on the City. The Board wishes to obtain estimates on the demolition of the building and determine if it has any salvage value.

Ober J Engineering of Wellington met with the Board to discuss their engineering services. They also discuss the road work and curb and gutter work on Bugbee Street would work. Motion was made by Alderman Bobbie Kidd, seconded by Alderman Paul Bivens, to hire Ober J Engineering to shoot Bugbee Street and tell the Board what we need to do. Motion carried.

The Board will also seek advice from Ober J Engineering on the City's dirt street.

Fred Clifford met with the Board asking public support for the multi-purpose facility project. Motion carried.

Scott Hand discussed with the

Board the various types of computers and software and what the City could expect to pay. He explained that the City will need to select the software first that will meet the requirements for the

City's water billing before deciding on a computer.

Roger Finch explained the work that need to be done on the motor grader. The City will get some prices on hydraulic motor graders.

Bills for the month of August, 1988 were presented, and upon a motion by Alderman Bobbie Kidd, seconded by Alderman Benny Osburn, said bills were ordered paid. Motion carried.

There being no further City business at this time, motion was made by Alderman Bobbie Kidd, seconded by Alderman Lynn Floyd, to adjourn. Motion carried.

PUBLIC HEARING

The Board of Aldermen of the City of Clarendon met on September 20, 1988 at the United Pentecostal Church, Montgomery and Faker, for the purpose of conducting a public hearing to solicit views and comments from the community concerning possible uses of grant funds for the City's Texas Community Development Grant application.

Members present: Mayor David Davidson, Aldermen Paul

Bivens, James Thomas, Benny Osburn, and Bobbie Kidd.

Members Absent: Alderman Lynn Floyd.

Others present: Jim Roberts, Billie Shaffer, Marie McCracken, Richard Hight, David L. Sharp, Jerome Campbell, Roger Finch, Jamie Johnson and Calvin Burrow.

Mayor Davidson opened the Public Hearing for the discussion of the possible uses of grant funds for the Texas Community Development Grant application. All those present signed the attendance list. After hearing all questions and comments regarding the possible use of funds, the public hearing was closed.

The City then discusses other City business. Jamie Johnson of Ober J Engineering advised the Board on the work that will be required on bugbee Street.

Estimates for the demolition of the Peabody Hotel building were discussed. The City will check into the cost of just gutting the building and leaving the brick walls standing as the estimates for demolition were exorbitant.

Motion was made by Alderman James Thomas, seconded by Alderman Benny Osburn, to check and see if lease purchase payments of a new motor grader could be arranged that would not exceed \$1000 per month. Motion carried.

Bronco's End Pre-District Play

By, Richard Grisham

This Friday the Broncos will play their last pre-district game of the season against Vega. The game, which starts at 8:00 p.m. is the second of three road games in a row for the Broncos, so come out and support our team.

The Bronco J.V. travels to play Motley County Thursday night. Game time is 8:00 p.m. Get 'em Broncs

Last Friday the Broncos traveled to Gruver to play the Greyhounds and play they did. The Bronco offense was on-track combining for total yardage, rushing

and passing yardage of 255 yards and fourteen first downs. Quarterback, Che Shadle, was 6 for 11 for 1234 yards in the air as he found receivers Cody Fletcher, Randy Gaines, and Donny Chambliss. Bronco running backs, Mike Adams and Brook Grisham rushed for a total yards of 132 yards on 46 carries behind some good frontline blocking.

The Bronco defense was in top form against Gruver shutting down a ground game that has averaged 250 yards a game and keeping one of the top rushers in the Panhandle in check for most of the night. Bronco defensive back, Johnathan Stewart, showed some great moves as he had two interceptions and knocked-down another pass to lead the defensive effort. The defensive line bowed their necks and fought hard all night in the effort. Head Coach Kirkland stated, "This is one of the best all around games this team has played since I have been here. This week we fought hard and won the battle, now we have to win the war."

Gruver out scored CHS by a score of 28-12. Brook Grisham scored both Bronco T.D.s on runs of 1 yard and 3 yards. Field position seemed to be the deciding factor in the final tally as Gruver got the ball inside the Bronco 20 yard line twice and scored both times which ended up the difference in the score.

Broncos let's get 'em this week in Vega. We are behind you 100%, and are proud of the job you are doing.

Circus Coming to Memphis

A three-ring circus is coming to Memphis. The circus will perform at the city park, Friday, September 30th at 5:00 p.m. and 7:00 p.m. Advance tickets are \$3.00 for children and \$5.00 for adults. Tickets at the gate will cost \$5.00 per child and \$7.00 for adults. The circus is sponsored by the Memphis Chamber of Commerce. Tickets may be purchased at the Clarendon Press.

Linkletter to be in Amarillo Sept. 30th

Art Linkletter is coming to Amarillo, and tickets are free! Mr. Linkletter, TV personality and health care volunteer for numerous organizations, has written *Old Age Is Not For Sissies*, a best-selling book full of essential information for the elderly, and will be the keynote speaker for the opening of **HEALTHTREAT, AN UPBEAT HEALTH FAIR** at 10:00 a.m., Friday, September 30.

Prior to Mr. Linkletter's talk, there will be a non-competitive Senior Citizens one-half mile walk through Centennial Plaza. Registration will begin at 8:00, with the walk beginning at 8:30. The first 75 participants will receive free **HEALTHTREAT** T-shirts, and the rest will receive **HEALTHTREAT** buttons. Tickets will be available to participants. The Amarillo Chapter of the Sweet Adelines will provide pre-speaker entertainment beginning at 9:30. Admission is free and tickets can be obtained through Senior Citizens' groups and the Potter-Randall County Medical Society Office.

At 11:30 a.m. V. Daniel Castracane, PhD, Director of Laboratories and Research at the Texas Tech University Health Science Center and Associate Professor in the Department of Gynecology, will give a talk on Menopause. Dr. Castracane's talk is open to the public and is free.

The Potter-Randall County Medical Society and the Potter-Randall County Medical Auxiliary are sponsoring **HEALTHTREAT**, an upbeat health fair, on September 30 and October 1, 1988, in the Exhibit Hall and North Mall areas of the Civic Center.

HEALTHTREAT hours will be from 10:00 a.m. to 5:00 p.m. September 30-October 1. This community service project will be different from previous health fairs in Amarillo because physicians will staff specialty booths, answer questions and perform free screening examinations. Many kinds of screenings and tests will be available at the fair,

such as cholesterol testing, blood sugar testing, cancer risk screening, and oral cancer screening. Admission and all tests are free. In fact, there are absolutely no charges at the fair.

Health-related service organizations, dentists and hospitals will also participate in this non-promotional, educational forum which promises to attract thousands of community members. An exciting extra bonus of the fair is that each participant can receive hundreds of dollars worth of free screening and tests by participating in **HEALTHTREAT**.

Mayor Glen Parkey will be declaring **Healthtreat Week** on Wednesday, September 20 for the week of September 25-October 1, which is also Health Awareness Week in Texas. The Grand Opening Ceremonies will be held at 10:00 a.m. on Friday, September 30, 1988, in the auditorium of the Civic Center with Art Linkletter's appearance. In the afternoon, a drug abuse play, "Master Crack" will be presented to all sixth grade students in the city in the Civic Center Auditorium, with the Medical Society and Medical Auxiliary paying for the bussing of the students to and from the fair, as well as for the play production costs.

Statistics from other health fairs around the country show that almost 35 percent of the people who are screened at a health fair will have an abnormality worthy of follow-up. And 20 percent will be finding out about their problem for the first time. Use this opportunity to get that test done that you have been postponing, or to talk to a physician with a nagging question for which you have put off getting an answer. **IT'S ALL FREE!!!**

Becky Deyhle McKinley, daughter of Dr. and Mrs. Charles Deyhle is a member of the Medical Auxiliary and is working on publicity for **Healthtreat**. Her husband, Dr. John McKinley, is a surgeon in Amarillo.

Stacey James at miniature village in England.

Local Girl Vacationed in England

Stacey James, 14 year-old daughter of Mr. and Mrs. Buddy James of Clarendon, spent more than a week in England this past summer with the grandmother. Her grandmother, Joan Hutto of Tulia, was born and raised in England.

Stacy earned money for her transportation costs by babysitting. The \$600 dollar airline ticket consumed much of the \$1,000 that she saved up. She left the U.S. on June 15.

On arriving in England, Stacey and Mrs. Hutto went to High Wycombe, Bucks, Mrs. Hutto's childhood hometown. They stayed with Les and Eileen Horseman, Mrs. Hutto's brother and sister-in-law and with Frank and Dorothy Horseman, Mrs. Hutto's brothers and sisters-in-law. They also spent time with Mrs. Dorris Clifford, another sister, and visited with Clarice and Edd Why, Mrs. Hutto's sister and her husband, and with a number of her childhood friends.

Stacey went sightseeing, also. With her grandmother, she took a bus tour of London and also went shopping there. She also saw the *Globe Theatre*, where Shakespeare's plays were performed. Grandmother and Granddaughter also visited Stratford-on-Avon, Shakespeare's birthplace. She visited Plymouth Rock from which the *Mayflower* sailed.

Stacey reported that England was a mixture of familiar and not-so-familiar. "It took a day to learn

to understand English. And to learn their money." Some English food was different, but much of what they ate was familiar—Stacey reported that the Pizza was good. She also liked scampi, a seafood much like shrimp.

Stacey also visited Exeter Cathedral, a world-famous architectural masterpiece. She also visited the parrish church where her grandparents married in 1945. Mrs. Hutto was a war bride.

In three or four years some of her English cousins will be coming to visit the exotic, picturesque Texas Panhandle. Stacey is looking forward returning the hospitality that she enjoyed in High Wycombe.

Community Development Meeting To Be Held

Community leaders from **Lowey County** are invited to attend a special training session on local economic development to be conducted by the Texas Agricultural Extension Service, Wednesday, October 5, 1988, at 9:00 a.m. at the Research and Extension Center in Amarillo.

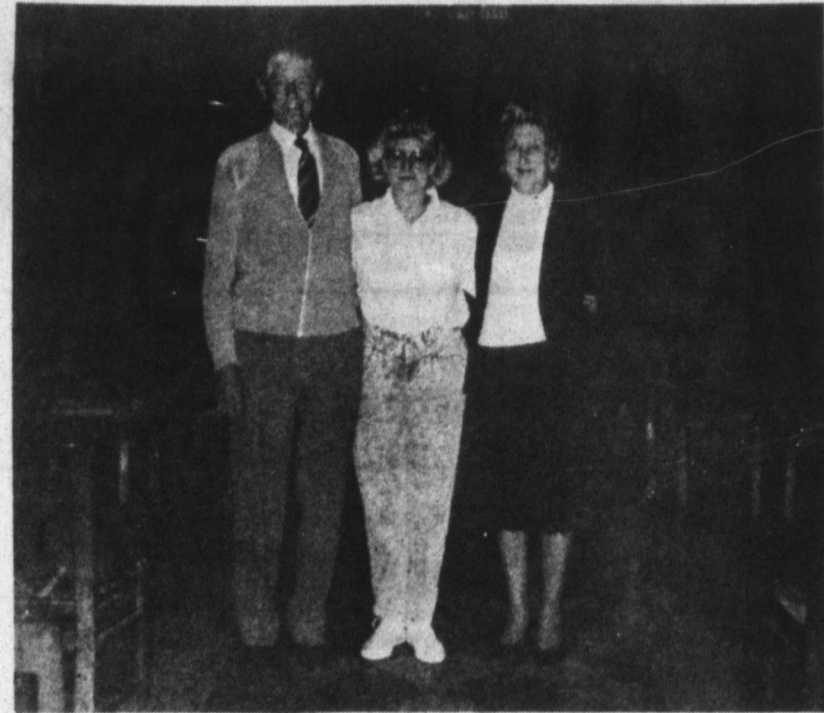

David Davidson and Robert Williams of Clarendon will attend the training program, said Ronald Gooch, County Extension Agent, who will also take part.

Called "Strategic Planning for Local Economic Development", the training will focus on ways to effectively identify, prioritize and plan economic development

programs. Dr. Don Stebbins, the Extension specialist who will conduct the training, says, "My experience has been that local people can have an important, positive effect on their economy if the correct planning environment is created. The purpose of this training is to enable the participants to provide that kind of planning."

Hot vinegar can be used to remove decals and freshly dried paint from windows and cupboards.

STACEY JAMES with her Uncle Les and Aunt Eileen in the aisle of church where her grandparents were married in 1945.

Clarendon Needs Foster Homes

In Clarendon, children who are abused or neglected must leave town if they are placed in a foster home. A child whose parents are abusive, injured, or otherwise incapacitated, must be uprooted from all familiar surroundings because no homes are available here. Clarendon needs at least one foster home.

There is a nationwide shortage of foster homes. Child abuse has increased. Families and home have changed. The problem is a lack of knowledge about the need, not a lack of concern for the children.

The typical foster child in the east part of the Texas Panhandle during August 1988, was a five year old girl. She was White and in good health. The representative foster child is bright and well adjusted, except for the trauma of being mistreated and taken from home. On average, she will need to be in a foster home for six months.

The child described is a typical representative. Foster homes are needed for children of all ages. There is a special need for foster homes which can care for teenagers and emotionally disturbed children. There are few teenagers or emotionally disturbed children in foster care, but it is difficult to find homes for them.

Foster children are taken from their homes by court order when their health or safety are threatened. Foster homes provide temporary care for children until they can safely be returned to their own home, or until a permanent home can be found. Permanent homes are provided by relatives or adoptive families.

Those interested in learning more about being foster parents should call the Texas Department of Human Services at 874-3595 in Clarendon or 358-6211, extension

228 in Amarillo. Training is provided to families who are licensed as foster homes.

Moss Birthday

Mr. and Mrs. Clarence Moss, Shirley Osburn and Etta Busher were in Borger helping Mr. Moss' brother, Johnny Moss, celebrate his 90th birthday. Friends and neighbors served lunch. There were 37 present. A beautiful cake with Happy 90th Birthday Johnny Moss. It was a wonderful lunch, including trout that had caught at Eagle Nest, New Mexico this summer.

Cow Patty Bingo is Coming to Hedley

By Nina Riddlespurger

I have been given the job of explaining to the people of this great community, just what COW PATTIE BINGO is. So here is the way that I understand it.

There will be a 28 foot by 22 foot block bladed off on the baseball field behind the school. This block will be divided into 600 squares. The two outside rows of squares which will consist of 184 squares will be sold for \$2.00 each. The remaining 416 squares on the inside of the block will be sold for \$3.00 each.

At 6:00 pm on Saturday evening, Oct. 8th a cow will be turned loose on this block of squares.

You got it folks, the person owning the square where the first cow pattie falls will win the \$500.00 pot. Now, if the Pattie should over lap or splatter onto another square, then our esteemed judges will divide the pot between the owners of the squares according to how much pattie is on each square. Wouldn't you love to have the job as judge on this?

If all the squares are sold before the Bingo begins, then there will a bonus prize awarded to the owner of another square. Now folks, I am not about to try to explain to you what this bonus prize is going to be for. If you want to know, contact me or one of the Lions Club members and we will tell you.

Glyndol Holland will be at the Lions Den on Friday evening and all day Saturday, selling tickets for the Bingo. Or if you just can't wait you can contact Glyndol most anytime, and he will be glad to sell you all the tickets you want. Better hurry though cause they are going fast.

And that, Folks is what's called **COW PATTIE BINGO**.

On Saturday, the 24th of Sept., Otis Holland celebrated a birthday. Hope Otis had a Happy Birthday!

Thursday the 29th of Sept. was Shorty Crawford's birthday. Happy Birthday Shorty!

Farm Safety Week is September 18-24

In conjunction with National Farm Safety Week, Gov. William P. Clements Jr., has proclaimed the week of September 18-24 as Texas Farm and Ranch Safety Week.

This year's theme, "Ensure Your Future with Farm Safety", stresses the hazards involved

with agricultural production and the effort into preventing injury and illness on the farm, especially during times of economic stress.

Each year this event is observed to initiate and promote safety on Texas farms and ranches, said Ronald Gooch, county agent with the Texas Agricultural Extension Service. About 100 Texas fatalities result from farm and ranch related accidents each year, and an estimated 10,000 disabling injuries and 100,000 injuries requiring medical attention occur annually.

According to National Safety Council figures, most fatalities are caused in (in descending order) tractors, firearms, drowning, burns, falls, electrical shock and machinery. During the past 10 years, rural fatalities have been reduced by 50 percent due to increased awareness and improved safety design. Some 1,600 farm deaths were estimated for 1987.

Most agricultural accidents and work illnesses can be prevented at little or no expense, Ronald Gooch said. For instance, safety features on farm equipment and machinery should be maintained and repaired when needed. These precautions and the use of safe work procedures can reduce the needless suffering of rural accident victims and prevent the financial burden of agricultural accidents on productivity and family income.

Lions Tale

By Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. thirty-five members and guests were present.

Following the regular opening ceremony, Lion Secretary Sharrar introduced our guests including, Glyndol Holland and Murrell Whittaker who were visiting Lions from the Hedley Club. Boss Lion Hicks called on Program chairman Smith to introduce our program which was brought by Clarendon College Coach Mondragon and Coach Joel Zehr. They gave us some information on the college Basketball program. Following their presentation Boss Lion Hicks presented them with a donation of \$250 from our club to the college athletic fund.

The visiting Lions from Hedley invited everyone to attend the Hedley Cotton Festival on October 7th and 8th.

Meeting adjourned.

ACT Assessment Dates

The ACT Assessment, which consist of four academic test that measure educational development and a detailed questionnaire that collects information relevant to educational and career planning, is recommended or required by more than 3,000 postsecondary institutions and scholarship programs.

Most students take the ACT Assessment during junior year or early in senior year, so their results will be available in time for use in planning for postsecondary education and careers.

Test Dates	Registration Deadlines	Late Registration Deadlines
October 22, 1988	September 23, 1988	*October 11, 1988

City and Schools Get Grant for Tennis Courts.

Clarendon Consolidated Independent School District and the City of Clarendon cooperated in submitting a grant for renovation of the city's tennis courts. The new courts would provide space for basketball, shuffle board, volleyball and other activities.

The City has now received word that the grant has been approved. As soon as some final paperwork is cleared away, the agencies will be able to begin actual construction.

The new courts will be larger than the present ones, but will be located in the same vicinity.

Cooperation between different local agencies greatly increases the cities potential for acquiring grant monies. Such cooperation offers significant opportunities for further improvements in the city.

Martin Quilting Club

The Martin Quilting Club met in the home of Eunice Leeper on September 15th for an all day meeting. Present were Dixie Ward, Frankie McAnear, Melba Risley, Billie Vaughn, Mary Lee Noble, Ann Bunyan, Marie McCracken, Verdie Tipton, Hazel Edens, Mary Bannister, Lorene McAnear, and Flossie Reynolds. Hostess was Eunice Leeper. Visitors were Sue Leeper and Joshua Ward.

The first airplane purchased by the U.S. government was called the *Miss Columbia* and bought from the Wright brothers in 1909

Hedley News

• by Nina Riddlespurger

Gladys Howell had a visit from her son J.R. Howell from Amarillo this last week. Gladys always enjoys these visits from her children so much.

On Wednesday the 14th of Sept. Pauline and Fain Cross were in Amarillo staying with their granddaughter. This was the night that the Amarillo area had the tornados and heavy rains. Their daughters, Sharon Cross and Brenda Smith live between Georgia and Western Streets. Pauline said the water around the house was knee deep. She actually saw a canoe going down the street in front of their house. The entire floor of the house was covered in water. The daughters had just had new carpet laid throughout their home in May. But at least they were not in the area of Amarillo that was hit by the tornado

Last Thursday Jack and Lois Catlett from Waveland, Ark. along with all of Pauline and Fain's children came to Hedley to help Pauline celebrate her birthday. Jack is Pauline's brother. The Cross children who attended the birthday celebration were; Sharon Cross and Brenda Cross from Amarillo, Richard Cross from Dumas, Jerry Cross from Lubbock, and Terry Cross from Amarillo.

On Saturday the Cross's had a visit from Fain's sister and niece from Clarendon. They are Margie Bennett and Starlene Pike.

Pauline Kaufman and Doratha Crawford spent the past weekend in Amarillo. Pauline spent Friday night with her sister Naomi Kemp and Saturday with her daughter Jeanine Celey and family, and Saturday night and Sunday with her daughter Martha Crawford and family. Dorotha spent the weekend with her daughter Carolyn Blackwell and family.

Harold and Mary Ruth White had a visit this week from their son, Bob White from Midland, Texas. Bob came to Hedley on Thursday and stayed until Saturday. Also visiting with the White's this weekend were: Roger, Tanya, Tara, and Tamra Gibson from Perryton and Gary, Renee, Carrie, Heather, and Landon Shields from Lilia Lake.

Dorothy Hopper and her son, Mike Johnson from Los Angeles, California took a trip to the east coast where they visited 13 states. The highlights of the trip were: The Indianapolis Speedway, Air Museum at Wright Patterson Airbase in Ohio, Gettysburg Battlefield, Independence Hall and The Liberty Bell in Pennsylvania. They also visited The Arietam Battlefield, Harper's Ferry in Virginia. They also saw the Jefferson, Lincoln, Washington and Vietnam Memorials, and the Capitol Building and White House in Washington, D.C.

On Saturday September, 24th, Murrell and Dorothy Whitaker went to Lefors, Texas in their motor home to attend a family reunion of the Dorsey Family. Murrell's Mother was a Dorsey and his Aunt Leona Dorsey lives in Lefors. The reunion was held at the Community Center and there were 84 people in attendance. Among those who attended were people from Kansas, Colorado, Oklahoma and several different parts of Texas. The Reunion was held Saturday evening and all day Sunday. Music was furnished by Don and Oren Dorsey from Alanreed on Saturday evening. Entertainment on Sunday was singing, dramatic reading, and a ventriloquist with a dummy named Eric. Such fun and much good food and fellowship. On their way home to Hedley Murrell and Dorothy visited at Alanreed with Oren and Rusty Dorsey and son, Oren Jay.

Gall Johnson, Dorothy Brinson, and Peggy Watt attended the Friendship Night at the Childress Eastern Star Chapter Monday, September 19, 1988. They enjoyed a Hawaiian Luau.

Gall and Peggy attended the Mexican Fiesta hosted by the Amarillo Eastern Star Chapter Saturday, September 24.

Everyone around Hedley is getting ready for the 37th Annual Cotton Festival, which will be held the 7th and 8th of October. There will be some changes made this year in the Cotton Festival. This will be the first year that the Hedley Cotton Festival will not have a Cotton Queen. There will

however still be a bale of cotton given away.

Su-San Couch of Amarillo spent a few days with her parents, Fred and Peggy Watt, Keith and Guy.

This last weekend Homer and Bill Hill flew to Nashville, TN. to attend the 29th Reunion of the 45th AAA AW Battalion of WWII. This reunion was held at the Silver Wings Restaurant at the Airport Quality Inn. They stayed at the Airport Drury Inn in Nashville. This was the first time that Homer had rode an airplane, and he really did enjoy the plane ride as well as the reunion.

Mr. and Mrs. Hubert Green of Hartley visited Fred and Peggy Watt recently. They were enroute to Georgia to visit Hubert's family including his 105 year old sister. Mrs. Green will be remembered in Hedley as the former Pauleen McCants.

Lillie Messer was honored with a dinner on Saturday Sept. 17th in the home of her son, Doyle Messer, in celebration of her 85th birthday. Eighty three of those years have been spent in Donley Co. near or in Hedley. Those present to help celebrate were her daughter, Nelda and Jim Hudson, Son, Doyle and Evelyn, grandchildren, Lyndon Messer, Max Hudson, and Krista Bidwell. They all live in Amarillo. Nelda, Jim, and Krista brought a delicious assortment of food. When this food was added to the ham, potatoes and black-eyed peas that were already prepared, this was a bountiful meal. Mrs. Helen Phillips of Amarillo sent a beautifully decorated cake with the candles "85" and the words "Happy Birthday, Lillie" on it. Krista made a video tape of the table and the guest of honor, which the family hope to show on Lillie's 90th birthday. Angela Hines, the other granddaughter, called her grandmother during the meal to give greetings. Angela's family lives in Round Rock, Texas.

Mr. and Mrs. Mike Hines, Ashton, Aaron, and Meagan of Round Rock, Texas, visited with the Doyle Messer's during the weekend. Mike and the boys went to Amarillo to pick up the last loose ends of their business there on Sat. They then went on to Canyon to have dinner with Mike's parents, Mr. and Mrs. K. E. Hines.

Mr. and Mrs. Mike Hines, Ashton, Aaron, and Meagan of Round Rock, Texas, visited with the Doyle Messer's during the weekend. Mike and the boys went to Amarillo to pick up the last loose ends of their business there on Sat. They then went on to Canyon to have dinner with Mike's parents, Mr. and Mrs. K. E. Hines.

BAKE SALE TO BENEFIT ROWE CEMETERY

Baked goods will be sold from Moffitt Hardware on Saturday, Sept. 8th at the Cotton Festival, to benefit Rowe Cemetery. The current project is to build brick columns as foundations for the signs that have recently been placed over each gate. Geraldine Holland has consented to be chairman of the Bake Sale. For the past several years the demand has been greater than the supply. Ladies who can bake would be helping a very worthwhile cause by bringing their favorite cake, pie, loaf of homemade bread, or whatever specialty to be sold to benefit this cause.

DOORPOSTS

Deuteronomy 6:7-9

CALL TO WORSHIP by Mack Garrison

Worship: reverence toward a divine being or supernatural power; also, the expression of such reverence, as defined by Webster's dictionary.

Sunday morning the bells sound, the chimes ring, "Holy, Holy, Holy" and "All Hail the Power" fill our surroundings. A day set apart from all others, a day of worship.

One of the vital ingredients in building a strong Christian walk is fellowship and worship with other Christians. The strengthening of one another, the camaraderie

and the solidarity. The uniting together under one roof with one major cause in mind: to glorify God. The exercising of one's will.

How often, though, do we give God one or two hours a week and take the rest of the time for ourselves, laboring, making, building, spending, and worrying over the temporal things of life? But as the rivers rush to meet the sea, just as the flames reach inexhaustibly to the sun, just as the salmon fights to swim upstream, so, too, does the need for man to commune with God burn deep within him--an unquenchable desire to know our Creator.

In Luke 10, verses 38 through 42, we are taught a beautiful lesson of worship. We see Martha desperately trying to please. We also see Mary her sister as she sits at the feet of Jesus and listens to His every word. Martha comes to Jesus and complains about having to serve the whole company along. Jesus probably smiles very compassionately as he looks up into Martha's tired face. Martha wipes the perspiration from her cheeks as she stoops down to hear His response. Notice what Jesus says; "Martha, Martha, thou art careful and troubled about many things. But one thing is needful, and Mary hath chosen that good part, which shall not be taken away from her."

How long has it been since you left those things that seem to choke you, and have gone for a long walk--just you and Jesus? How long has it been since you sat silently at His feet and listened to every word that He whispers to you?

We need those times together, those times of outward praise and worship, but we also need those times of solitude, those times of prayer, those times of emptying out our hearts to God. We all need to commune with God every day through His Son Jesus Christ. Meet Him, walk with Him, talk with Him. He will be your friend and your companion. He will never leave you.

There has never been a more beautiful call to worship than the sound of a meadow lark in the morning.

CLOTHES CLOSET

The Clothes Closet at the First Baptist Church in Hedley will be open Saturday, Oct. 1st from 9:00am to 5:00pm. We have lots of good clothes, so stop by and look around. Again, this is for the entire community. You may exchange clothes or just pick up what you need. Everyone is welcome. If you know someone who needs clothes, please contact Betty Hoggart or one of the ladies at the church.

Hedley Lioness Chili Supper

The air has a touch of fall in it. Everyone knows cool weather is near and everyone knows it is time for the Hedley Cotton Festival again and that means another Hedley Lioness Chili Supper.

Louise Stewart and Helen Lamberson have been busy stirring the chili pot and getting things ready for the big feed.

The Hedley Lioness Club appreciates all the out-of-town support as well as our home town ones. The meal will consist of chili, crackers, beans, dessert and drink. Adults \$3.50 and children \$2.00

HISD Board

The Hedley CISD Board of Trustees met in regular session in the school library. Six members were present: Ben Carson, Cary

Don Neeley, Carole Ward, Nancy Stephens, G.L. Wilkinson, and Randy Shaw.

Mr. Carson called the meeting to order.

The minutes of the past meeting were read and approved. Anthony Knowles was appointed to fill the unexpired term of James Edward Potts. Sue Brown was hired as a nurses aide. It was determined the Compensatory Education Funds would be spent for special education and tutorials. Shawn Brogdon was approved as an emergency transfer.

The petty cash fund was reviewed. Mr. Hill and Mr. Hall presented administrative reports. Current bills were paid.

The meeting was adjourned.

Hedley Senior Citizens

NINA RIDDELSPURGER

We had a good musical on Monday night. There were 30 who attended. Those who provided our music were: Weldon Petty, Creed Smith, Dee Williams, Forrest Denton, Jake Smith and Dick Stephens. Thanks to these folks for all the good music.

On Tuesday afternoon a group of senior citizens went to Amarillo on the van to attend the Tri State Fair. Those who went were: Pauline Kaufman, Shorty Crawford, Jap Mc Murry, Helen Fain, J.W. Fain, Grace Gardenhire, Garland Gardenhire, V.T. Mc Pherson, Opal Mc Pherson and Nina Riddlespurger drove the van.

There were 8 who played 84 with us on Tuesday evening.

On Wednesday we had 10 who went on our grocery shopping trip.

Thursday afternoon there were 29 who were checked in our blood pressure clinic. Thanks to Dean Hill for the fine job she does on this.

There were 14 who played 84 on Thursday evening. We all had lots of fun.

On Saturday night we had a Gospel Singing at the Center. There were 45 who attended. There was lots of good singing

and music as well and homemade ice cream and cake. Those who provided our music and singing were; Dale and Sharon Miller and David and Angie Miller from Clarendon, Wanda Melton from Memphis, LaNell Weddel from Memphis and Nina Riddlespurger.

On Friday Pat Kaiser and Mike McQueen were at the Center looking over some of the antiques that have been donated. We will be working very hard the next two weeks on this. Please look around your home and in the garage and out in the barn for any item that you don't need or want any more. We had one item that had been donated to us that, Pat and Steve felt should be taken to Amarillo and put in the safe. Just because you think these items are not of any value, you might be surprised at what some of these items will bring at an auction of this type. If you have some old furniture that is out in your storage shed that has 10 coats of paint on it and you would like to get rid of it, this is just the type of thing we are looking for. If you have items you would like to donate, please call Jean at the center and we will make arrangements to have them picked up.

There will be a Social room set up in the Social Hall of the Sr. Citizens Center on Saturday, Oct. 8th.

Anyone who would like to come in and sit down to rest and have a cold drink or coffee, please feel free to do so. The ladies will be selling tickets on the Quilt, Afghan, and the porcelain doll to be given away. There will be no charge for the refreshments, but a small donation will be appreciated.

PUBLIC NOTICE

NOTICE OF PUBLIC MEETING
 Howardwick, Texas will hold a public hearing at 8:30 a.m. on October 1, 1988, in the City Hall in regard to the submission of an application to the Texas Department of Commerce for a Texas Community Development Program (TCDP) grant.

The purpose of this meeting is to allow citizens an opportunity to discuss the City of Howardwick's housing and community development needs, the amount of TCDP funding available, all eligible activities under the TCDP, and the use of past TCDP funds, if applicable.

This meeting will provide citizens an opportunity to participate in the development of the application. Citizens unable to attend this public hearing may submit their views and proposals to Max Hennigh at City Hall. Citizens needing handicapped accommodations for this meeting should also contact City Hall at 874-2222.

The final application will be submitted to the Texas Department of Commerce by October 27, 1988.

Naomi's News

By Naomi Green

Billy Goodman a former Ashtola resident passed away this week. We all depended upon him for many years as he served what he sold in appliances and had many satisfied customers as long as he ran Goodman's Furniture Store. We all enjoyed his cheerful and optimistic attitude of living. Our sympathy is extended to his family.

Hoss Watts of Amarillo spent some time last week with his grandparents while we got the pink eye under control so he would be eligible for play school

sunday Hazel and J.R. Brandon went to Hedley to visit Frank and Myrl Reger. Jimmy Lee and Don Matherson from Claude were also there.

Naomi Green went Friday evening to Shamrock to pick up Stephanie Patterson for a visit. She enjoyed a visit and supper with Ellen and Tiffany at the Dairy Queen.

Claude Spivey was released from the hospital and is at home recuperating.

Mac and Duane Naylor spent Friday and Saturday night with H.A. and Naomi Green.

Mac Naylor attended a planning session for the upcoming class reunion next summer at the home of Mary Nell and Maurice Risley.

Kay and Harold Green from Stinett came Monday to the Skeet Brown home to help Eillen with bean canning.

Kriss Ann and Cary Sue Davis spent the weekend with the Skeet Browns, Marcia and Gary Davis came Sunday to pick them up and had lunch with the Browns.

Burk DeBord has been in St. Anthony Hospital. He was released Sunday but has to return periodically for treatment.

Mr. and Mrs. Benny Clay went to Bartlesville, Oklahoma to visit with Mr. and Mrs. G.T. Porter and

get in a little fishing. Benny had pretty good luck catching the fish biting.

Warren and Ruby Jewel Hardin have attended Brooke and Kurdy birthdays the past weeks at Silverton. Kurby was five and Brooke was six.

A former Ashtola resident and friend, Ben Lovell, recently underwent surgery at Northwest Texas Hospital. His room number is 407.

Save the Hospital

On September 1, 1988 Hall County residents were informed, at a special community meeting, that the Hall County Hospital would have to close by November 1, 1988 because of lack of funds.

A Task Force to Save the Hospital was formed to investigate the options available to the community. A Fund Raising committee was formed head up by Memphis businessman, Jay Campbell.

It was agreed that if the committee could raise \$125,000 in the next week that a concerted effort would be made to raise \$500,000 needed to put Hall County Hospital into a competitive situation.

\$80,000 was raised by the committee from private donations and then another community meeting was held attended by 400 people at which time pledge cards were handed out and \$40,000 was pledged at that meeting bringing the total to \$120,000.

The local radio station, KLSR, volunteered to stage a 24 hour "Radiothon" direct from the hospital grounds on highway 287. Jay Campbell and Joe Davis of KLSR volunteered to man the microphones for the 24 hour period which began Saturday morning at 7 a.m. and concluded at 7 a.m. Sunday morning.

Hundreds of Hall County people participated in the promo-

tion and after 24 hours another \$72,000 was added to the fund.

As a result of the various efforts the fund now stands at nearly half the \$500,000 needed to buy new equipment and recruit two more doctors.

"We are determined to do something that no other small community has been able to do in Texas and that is see that our hospital stays open," Campbell said. "This community had really responded and we won't quit until we have solved the problem," Campbell continued.

Positive Discipline

12 Tips That Work

Editors Note: Article taken from Redbook Sept. '88

If begun at an early age and followed consistently, the guidelines below can be of ongoing value in helping parents instill both discipline and feelings of self-worth in

their children.

*Set a good example. Children learn more from how parents behave than from what they say.

*Put limits on your children's behavior, but be careful not to make too many rules, and eliminate unnecessary rules as children grow older; this will encourage independence.

Be consistent. A few rules that are always enforced are more effective than many rules that are enforced sporadically.

*Praise children's good behavior and accomplishments. Try to ignore bad behavior unless it is destructive, dangerous or harmful to others.

*Take time to listen to your children, specially if they have a problem to discuss or if they want to talk about a rule that they are having a difficult time following.

*Encourage independence in your children. Let them select their own clothes and dress themselves, for example. Help them learn that they can cope without you.

*Let children contribute to the

making of family rules and decisions. They are less likely to break rules they have helped to make.

*Make sure children understand the household rules and penalties for breaking them.

*Act quickly when a child misbehaves. Don't let a behavioral problem drag on endlessly without attention or resolution.

*Avoid continual criticism and nagging. Instead, offer praise and positive suggestions that don't challenge your children's self-esteem. Also avoid power struggles with your children. Discipline is not a game in which there are winners and losers.

*Keep your sense of humor. It can work wonders with your children and help you keep your perspective about what is really important.

Treat your children as you would your best friends—build your relationship on a foundation of respect, courtesy and love

October: Fall Attendance Month

October 3rd through October 28, 1988 will be the fall attendance period for Clarendon CISD. The student daily attendance for this period will determine the amount of money that CISD will receive from various funding agencies.

According to Superintendent Jeff Walker, each day a student is in attendance during October will bring approximately \$120 into our public school.

Attendance is always important in education, but October even more important because it determines our state funding.

Andrew Johnson was the only ex-President to be elected to the United States Senate

About 500,000 crater on the Moon can be seen from the Earth through the largest and most powerful telescopes.

The sun was 35 to 40 percent dimmer 4.5 billion years ago.
