Free voter registration took an upward surge during the first three days of the week with a 289 total being reported at 3:30 p.m. Wednesday.

Tax Assessor Collector Monte Hardegree reported to THE COLORADO CITY RECORD that activity had been on the increase all week.

As late as 1:30 p.m. Friday, a meager 73 citizens had signed for the free vote in all coming elections.

The tempo of registration was expected to remain high through the deadline at midnight today (Thursday).

Hardegree said his office would "remain open until midnight if necessary."

Attorney General Waggoner Carr last week asked county tax collectors to keep late hours and to stay open until the final minute on the last day of registration.

Finishing Touch

WORKMAN WASHES bricks on the extension to Wolf Gym on the Colorado High Campus. Roofing and interior work begins in the near future on the structure. Progress on the building program is coming along "on schedule" according to school officials.

OIL ACTIVITY INCREASES

Wildcat Returns Oil From Wolfcamp Test

A Mitchell County wildcat 15 miles southwest of Colorado City had oil and gas shows on a drillstem test taken in the Wolfcamp.

The test was made at 5,800 to 5,970 feet with the tool open for two hours. There was a strong blow throughout the test according to reports.

Recovery was 3,658 feet of gas, 765 feet of oil and gas cut mud and 2,170 feet of oil and gas-cut filtrate water that was not salty. Flowing pressure was 975 to 1,252 pounds.

Final shut-in pressure in one and a half hours was 1,997 pounds after an initial 2,187 pounds in one hour.

The wildcat is Coastal States Producing Co. of Abilene No. 1 Ellwood, Section 18, Block 17, SP Survey.

A core recovering 41 feet of shale and lime was cut at 5,922-63 feet.

A drillstem test was taken at 4,415-60 feet in the Abo. It recovered 900 feet of free oil and 308 feet of salt water in a two-hour and 15-minute long opening.

Operator set four and a half inch casing at the total depth of 5,970 feet.

Venture Staked

In other oil activity over the county E. G. Rice of Eastland has staked drilling of the No. 5 D. P. McPhaul in the Sharon Ridge (L. 700-Foot) Field located 15 miles northwest of Colorado City on a 50-acre lease. Location spots 330 feet from

the south and west lines of Section 82, Block 97, H&TC Survey.

Projected depth for the well is 1,900 feet with cable tools.

Duster

A wildcat four miles north of Westbrook is a duster after

total drilling depth of 3,800 feet.

Venture is the WESTEX Drilling Co. No. 1 H. H. Callan located 2,610 feet from the south and 1,320 from the west lines of Section 24, Block 28, T-1-N, T&P Survey.

Latimer, Trulock Vote For Delay

By JAMES ANDERSON
Record News Editor

A dispute developed between school trustees Monday over extending or delaying action on contracts of certain administrative personnel in the system.

In a split vote the board gave one-year extensions to principals Joe Birchard, L. B. Gibson and Brooks Teague, school counselor T. D. Wiman and athletic director Truman Nix.

Hutchinson principal Walter Black won a two-year contract approval.

Achon was delayed on the contract of Wallace School principal T. P. Fowler.

Contract of Superintendent of Schools Frank W. Wilson was not discussed by the board.

Three members of the board, A. W. Holman, Dr. H. Jene Steakley and Warren Anderson, voted to extend contracts with the exception of Fowler.

Curtis Latimer and O. B. Trulock Jr. joined in a dissenting vote against the motion. Both wanted to delay all action on contract renewals.

Board president Bill F. Carter voiced approval of the motion's passage. Other member of the board, Ben Sparks, was not present for the session.

The disagreement developed over whether or not to okay a partial slate of administrators.

Fowler's contract was delayed because of the uncertain status of Wallace School for the coming year and in order for the board to become better informed on what procedures would be used in Texas regarding racial integration of faculties.

Meetings have been scheduled over the state to discuss requirements for faculty integration by the Texas Education Agency and State Board of Education.

Referring to any delay in extending contracts Steakley told the board, "It would be deviating from the norm."

Latimer said, "It is also not customary for principals to have longer contracts than the superintendent." Wilson has one year remaining following this school term while the new extension gave other administrators except Fowler two-year contracts after this term.

At this point the superintendent was observed to lean toward Latimer saying, "It wouldn't take you guys long to correct that."

Latimer made no answer to Wilson's statement.

Trulock was opposed to extensions saying, "It is tying the board up for a good while and also the new board members coming on. I am strictly against it."

Steakley made the motion to extend the contracts one year with the exception of Fowler. Anderson seconded the motion.

The 3-2 decision followed. Immediately following the vote, Latimer accused board proxy Carter of leading the thinking of the board.

"How?" Carter asked Latimer.

"By saying, I think this and I think that," Latimer replied.

"It wasn't my intention," Carter said. He added that the administrators "needed the confidence."

Game Warden Royce Tucker entered a complaint against three men for hunting wild deer upon a public road in a county where the season was closed.

James Rich, W. E. Gipefield and William Stinson were named in the alleged offense of Dec. 18, 1965.

Charges of selling wine in a dry area were set Monday against Andrew Garcia following a complaint filed by City Patrolman Selma Dickson.

George Sanchez entered a plea of guilty to misdemeanor driving while intoxicated charges Monday.

Punishment was set at a \$100 fine plus \$27.50 court costs and a three-day-probation sentence plus a year probation.

On Tuesday Tom W. Roden of Odessa appealed a speeding charge from JP to Mitchell County court.

Roden was given a ticket for allegedly going 85 miles per hour in a 70 MPH zone by Highway Patrolman Buddy Hertenberger.

Roden filed an appeal bond with the court.

In connection with UIL competition trips Steakley suggested the board look into the possibility of paying expenses out of school funds.

Campaign Meeting Set For Tonight

A campaign meeting for congressional candidate Eldon Mahon is set for tonight at 7:30 in Martinez Hall.

District campaign co-chairman Charles C. Thompson will head the program with the public invited to attend.

Charges Set In County Court Cases

Bill J. Lindsey and Elmer Lowe were charged with the last Thursday in connection with a \$5 check given to Ray H. Blair Feb. 47.

Game Warden Royce Tucker entered a complaint against three men for hunting wild deer upon a public road in a county where the season was closed.

James Rich, W. E. Gipefield and William Stinson were named in the alleged offense of Dec. 18, 1965.

Sermon of the Week

"A Message to the Saints"
By FRED BREWTON, Pastor
First Presbyterian Church
Colorado City, Texas.

The text: "to those sanctified in Christ Jesus, called to be saints together with all those who in every place call on the name of our Lord Jesus Christ 1 Corinthians 1:2"

Some have called the time we live in the "post-Christian" age. This phrase is a misnomer and has no basis in history or fact. I cannot think of any time and especially any recent time that can qualify for the title of the "Christian age." No one can afford to call the time of slavery and civil war "Christian, nor the time of the robber barons, sweat shops and industrial warfare, nor the time of world wars, depressions, nor the time of

the "roaring twenties", rum-runners and racketeers. The in-ventors of the phrase "post-Christian" have only set up a strawman to knock down with their sarcasm and criticism of Christianity trying to maintain that Christianity has failed. Someone has anticipated them by saying, "Christianity has not failed, because Christianity has never been tried."

Those of us involved closely in the life of the Church would like very much to see Christianity tried. Like the apostle Paul we would address all of those who are called to be saints. A saint is not an angel, nor a person who is perfect. A saint is someone who shares his bone with the starved who he is just as hungry as they. We call for all lost souls and sinners to join the kingdom of saints.

Is not one of a small group of elevated heroes of the faith. A saint is a sinner calling on the name of Jesus Christ for salvation. We are well aware that there are some people who act as if they are Super Saints running some kind of Ecclesiopolis, but you won't find them in the Scriptures nor among the common folk who are earnestly seeking a way out of the darkness and sin of their lives and the world. A saint is a struggling swimmer trying to reach the safety of the shore and take some drowning soul with him. A saint is someone who shares his bone with the starved who he is just as hungry as they. We call for all lost souls and sinners to join the kingdom of saints.

NEW TRUDAN 2 IS HERE!

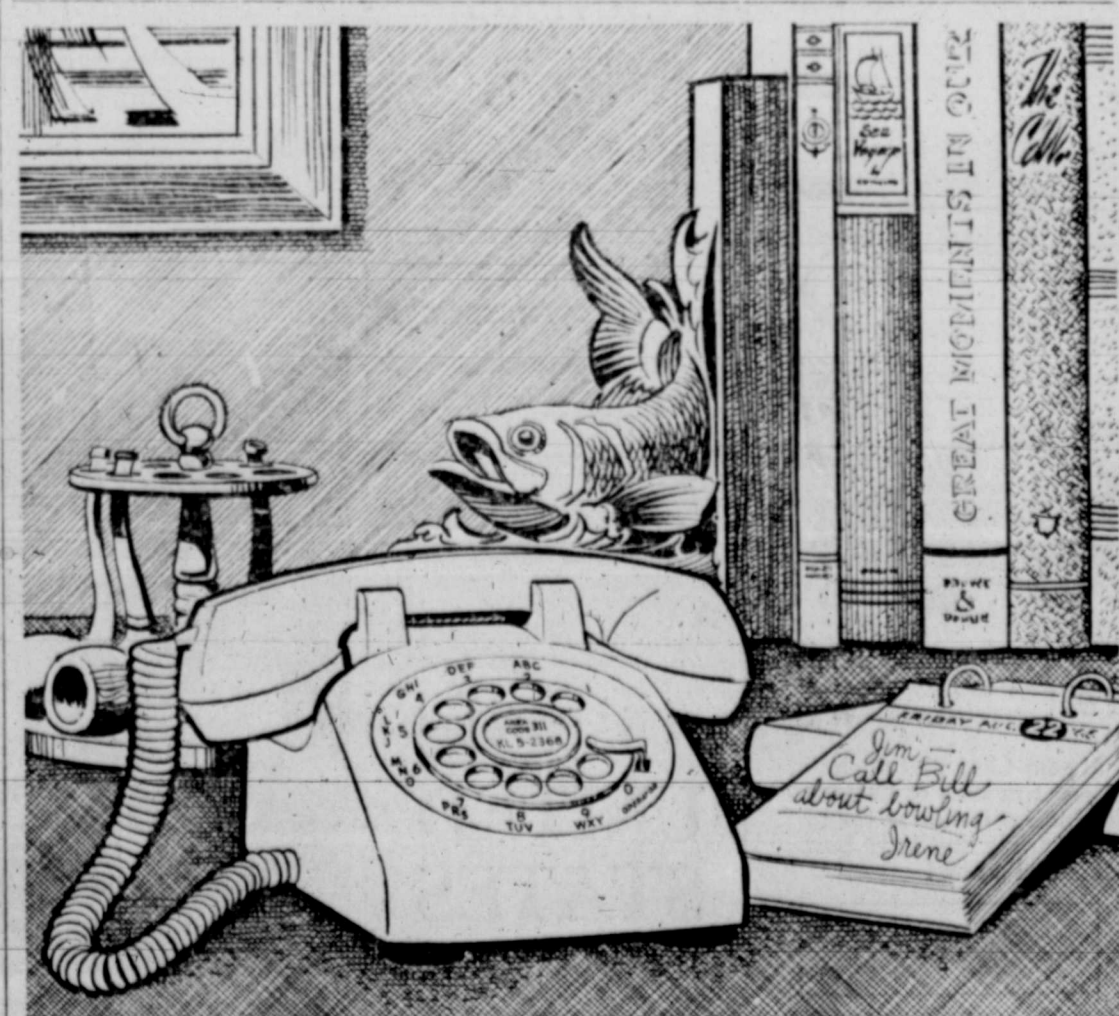

Trudan 2, Northrup King's new true hybrid sudangrass, is an exciting forage. Unlike sorghum-sudangrass hybrids, Trudan 2 produces fast growth without coarseness... the fine-stemmed, highly palatable plant yields high TDN. Trudan 2 grows back fast with lower prussic acid content. Great for grazing, hay or haylage. Trudan 2 can mean more beef or milk per acre. In tonnage trials, Trudan 2 has out-yielded sorghum-sudangrass hybrids.

Inspection Deadline April 15

"April 15th is the deadline for securing the new vehicle inspection sticker," said Captain R. M. Hammett, Commander for the Motor Vehicle Inspection Service of the 49 county West Texas Region of the Texas Department of Public Safety, including Mitchell County.

"Many motorists have not had their vehicles inspected as yet, and long lines will begin forming in the near future if motorists do not start coming in to the certified inspection stations."

"There is no need for anyone to have to pay a fine for not having a valid inspection sticker, if our motorists will only go in before the deadline of April 15. The fine for operating without a valid inspection sticker is a misdemeanor, punishable, upon conviction by a fine from \$1 to \$200."

There are 610 certified State Inspection Stations within the 49 county Midland Region, which is adequate to take care of all the vehicles to be inspected," Hammett said.

State Offers New Class For Wardens

Qualified Mitchell Countians may now apply for the next training school for state game wardens, according to the Texas Parks and Wildlife Department.

Currently, a class of trainees is studying at Texas A&M University at College Station under supervision of its wildlife department. They will be commissioned in June.

Interest in the warden posts the Department noted, has substantially increased since the Legislature hiked beginning pay to \$384 monthly, plus retirement and other benefits.

Applicants must be in good physical condition; a high school graduate; citizen of the United States and a resident of Texas for at least one year prior to the date of appointment.

Applicants must be between 21 and 40 years of age inclusive, at least 5 feet 8 inches tall, without shoes, and must weigh at least two pounds and not more than three pounds for each inch of height.

Applications should be sent to the Texas Parks and Wildlife Department, John H. Reagan Building, Austin, Texas 78701.

Braswell Heads Ag Committee

Eddie Braswell is chairman of the agriculture committee for the Colorado City Chamber of Commerce.

The chairman has resided here since Feb. 1, 1963 when he took over duties as manager of the Agricultural Stabilization and Conservation Service office. Previously, he had served in the same capacity in Sterling City for Coke County.

A past president of the local Jaycee organization, Braswell was named winner of the Distinguished Service Award for 1965 for outstanding service to the community.

Other members of the Braswell family include his wife, Carolyn, and "Ginger," seven, Van, five, and Sterling, two. All are members of First Methodist Church where Braswell is Youth Division Superintendent.

A native of Bronte, Braswell graduated from high school there and was a four-year letterman in track and football.

He continued his education at San Angelo College on a scholastic scholarship, and worked his way through the school.

Tayman Rites Wednesday In Stamford

Funeral for Warren B. Tayman, father of Mrs. Raymond Fuller, was held at 10 a.m. Wednesday in St. John's Methodist Church at Stamford.

The Rev. Eugene Matthews, pastor, was assisted by the Rev. Jack Southerland, pastor of the First Baptist Church in Stamford.

Mr. Tayman, 72, died at 6:35 a.m. Monday in Stamford Memorial Hospital. He was

owner of Tayman Insurance Agency in Stamford. Born August 16, 1893, in Wichita Falls, he was married to Miss Charles Halzlin at Sherman, December 11, 1916. The couple moved to Stamford shortly after their marriage.

Past president of the Chamber of Commerce, a former mayor, past governor of District 168 of Rotary International, Mr. Tayman has served on

the board of directors for the Texas Cowboy Reunion. He was a Shriner, member of the Wichita Falls Lodge, and member of St. John's Methodist Church.

Survivors are his wife, a son Charles Tayman of Cambridge, Mass.; his daughter Mrs. Fuller, 1225 Cedar St.; a sister, Mrs. L. L. McMackin of Waxahachie; four grandchildren. Grandchildren include

Miss Terry Myers, student in Colorado City Record, Thurs., March, 17, 1966, Page 6.

Southern Methodist University, and Judy Myers, Hutchinson School pupil.

Burial was in the Highland Memorial cemetery at Stamford.

Talks To Students

College representative Wayne Bonner was on the Colorado High School scene Wednesday to talk with local students interested in attending Howard County Junior College.

Smith Shows First Place

Steve Smith showed the first place gilt at the Mitchell County 4-H Sears Gilt Show held Saturday at the Agricultural Center.

Smith's gilt and the Sears bear, owned by Jim Goss will represent Mitchell County

at the Sweetwater District Show March 19 at the Nolan County Fair Grounds, according to Bobby Lemons, Mitchell County Agent.

Other 4-H members showing gilts and their placing were: Charlie Smith, 2nd; Bill and Jim Bob Holman, 3rd; Eldon Harris, 4th and Mike Beights, 5th. These gilts were placed by Pete Hines, vocational agriculture teacher from Westbrook.

CONVERSATION CORNER

Ruth Coffey's

"THE WORLD moves along with its sorrow and song" and next Monday is the first day of Spring, tra la. Signs of Spring on the wing are everywhere. People are watering their lawns back to life . . . working around shrubs and rose gardens. Birds in the trees are ecstatic about it. And Sheba's annual batch of Spring kittens have come.

What would you check as your favorite sign of Spring approaching if you had a list of signs, markings, hints and inklings to choose from?

Blossoming of the redbud trees maybe? One in the Bill and Nellie Doss yard stands in sheer delight.

MAYBE you'd pick the blooming of the bulbs after winter's hibernation. . . Out at the Garden Club Tasting Tea, Friday afternoon, the arrangements of daffodils, jonquils, and tulips were glorious . . . particularly the giant centerpiece in the serving room.

They were pure poetry, making me want to stand and recite the poem all high school English students used to take for scanning — "All at once I saw a crowd, a host of golden daffodils . . ."

OTHER SIGNS of Spring are more subtle . . . the stretching out of days and the shortening of darkness . . . sunlight on the golden hair of a little girl named Betsy, wearing shiny and canvas oxfords that seem to dance along the driveway after school.

There is that sudden yen to take a nap after lunch . . . to order a salad and feed tea instead of roast beef . . . to roll the stockings . . . hunt the ice cream freezer.

More than all else . . . there is that all-at-once feeling possessing every female on earth between the ages of six and 96, "I haven't a thing to wear!"

MOST MEN, over college and the young blade age, simply do not understand it.

Every woman does. She may not be able to close the closet door because of dresses, suits and ensembles crowded there. "Those old things," she'll say, "why, they're fall and winter. And last year's! I haven't got a thing to wear."

"In the Spring a young man's fancy" may lightly turn to thoughts of love . . . sail boats, new golf clubs and such. But in the Spring a feminine human's thought brightly turns to thoughts of pink linen . . . cotton . . . the drip-dry shifts, sheer blouses and sandals.

You can love Spring
Cause the breeze caresses . . .
Make mine dresses . . .
Love her for pussywillows,
Birds, budding roses . . .
I'll take clothes-es.

TASTING TEA brought out a crowd of smiling faces. Saw Emily Bridgford, wife of Dr. David, in jonquil yellow worn with pretty green sandals.

Saw Alta and Clarence Cook . . . Philip and Minna Berman . . . Gladys Miller in attractive beige . . . Ida Watson (Mrs. Jim) and Mrs. C. S. Martin together. With them was Mrs. Watson's granddaughter of Abilene.

Also there were Naomi Rhode, wife of Dr. Bill, in a soft, light beige jacket suit . . . and Frances (Mackey) Witten, wife of George, in Spring's return love, navy blue.

Margaret Oyler was wearing polished cotton . . . Sitting with her were Mrs. Charter Moore, Elinor Jeffries . . . Mrs. L. J. Taylor, at the ticket table, was pretty in green . . . Eula McClure Heath (Mrs. Jesse) of Stephenville was there greeting old C-City friends.

SAW, too, Blanche Wilson, wife of Frank W. . . Mrs. Bruce Johnson, Garden Club member from Lorraine, wore stylish black and white polka dots.

Junior High Ready With One-Act Play

Another in the Junior High School Speech department one-act play series is ready for presentation.

"Jimmy, the Genius," will be staged at 1:30 p.m. in Junior High auditorium Thursday (today).

The play, written by Bruce Emerson and directed by Mrs. Arnel B. Smith, Speech teacher, is about a boy who gets mixed up in wrecking a fruit store with his so-called car. Things are further complicated because the boy, Jimmy, has just been appointed Safety committee chairman at school. He is worried about what his father will say and his best friends run out on him.

Characters are played by Pat Sadler as John the father; Caron Russell as Margaret, the mother; Douglas Van Zandt as Jimmy the Genius; Tom Carlock as Jack, his best friend; Susan Harris as Millicent Jack's sister.

Jeanne Jones will play the role of Louise, Jack's girl friend. Jane Johnson is cast as Inez, Jimmy's little sister. Rhonda Dockrey plays Mary, owner of the fruit store; Tonya Rodgers, Miss Mohr the teacher; Darvin Cox, Mr. McDaniels, the officer. Patsy Phillips is announcer for the drama.

The public is invited to attend, announcement from L. B. Gibson, Junior High School principal, said.

STYLES IN CIVIC HOUSE

'66 Fashions On Parade To Be Staged Friday Eve

By RUTH COFFEY

Fashions on Parade, a style show for Spring 1966, will be staged here in Civic House at 8 p.m. Friday evening with the 1949 Study Club as sponsors.

The fast-paced style show will feature all local talent — clothes, accessories and shoes from local stores, all worn by local models.

Mrs. H. Jane Steadley, member of the 1949 Study Club, will be narrator of Fashions on Parade with Mrs. Dwight Tomb 1949 member, as piano accompanist.

Merchants taking part in the style show are Max Berman Department Store, Landau's Penney's and Anthony's.

The latest Easter ensembles, newest in sports clothes, and stylish, attractive attire for younger members of the family — toddlers through teenage — will highlight the evening.

Models will parade in clothes suitable for the party-going matron, the younger wife, the high school girl, the little miss and master.

Adult models for fashions from Penney's will be Mrs. Joe Weaver, Mrs. Robert Shamburger, and Mrs. Bill Holbert.

For styles from Anthony's models will be Miss Don Powell, Mrs. Trevelyn Kelley, and Mrs. Arlene Mofris.

Clothes and accessories from Max Berman Department Store, women's department, will be worn and shown by Mrs. Ben R. Wilkinson and Mrs. Ben Sparks.

Modeling for Landau's will be Mrs. Bob Barman, Mrs. Arnel B. Smith and Mrs. George Lay Powell.

Younger models, from high school fashions to head-street ready-to-wear for little boys, are Misses Jamie Hodge, Jennifer Holbert, Freda McCabe, Judy Woods, Carol Ginzle, Mary Margaret Sparks and

Sharon McCloud; Masters Mickey Neff and John Kinard.

Misses Holbert, Woods, and McCloud will model for Max Berman. Misses Hodge and Sparks will parade in clothes from Landau's. Miss Ginzle and Mickey Neff will show Anthony's Spring styles. Miss

McCabe and John Kinard will appear in Penney's Spring models.

Ticket committee is made up of Mrs. Gwyn Shamburger and Mrs. Mary Konecny. Tickets are also available from any 1949 Study Club member.

Chamber of Commerce office and can be bought at the door, Friday evening.

Admission is \$1 for adults and 50¢ for children through 14 years of age. Light refreshments will be served by the host club as Fashions on Parade style show audience arrives. In charge of the refreshments will be Mrs. Bob Chalder, Mrs. Arlene Morris, Mrs. M. A. Smith, Jr. and Mrs. W. A. Lindley, Jr.

Decorations for the evening will be chosen and arranged by Mrs. George Lay Powell, Mrs. Donnie Benham, Mrs. Bill Holbert, Mrs. Truman Nix, Mrs. Robert Shamburger, Mrs. Peeps Gular and Mrs. Jerry Konecny.

Spontaneous committee workers are Miss Don Powell, Mrs. Arlene Griffin and Mrs. Trevelyn Kelley. Model committee chairman was Mrs. Joe Weaver. Publicity workers appointed were Mrs. Morris and Mrs. Sharon Henderson.

Faye Welch Wins Honor At McMurry

Faye Coker Welch, senior in McMurry College at Abilene, has won recognition from the college for her average, last semester, of a grade-point 3.47 made while completing 19 semester hours.

Mrs. Welch, wife of Adron Welch who is also a McMurry student, is daughter of Mr. and Mrs. Tom Coker, Colorado City.

She expects to receive her bachelor of science degree with the August class after only three years at McMurry. She is now doing her student teaching at the Dyess Air Force Base under supervision of Mr. Stovall, fifth grade instructor.

A Report on 1965—And a Look Ahead:

El Paso Natural Gas Company is on the move—with record sales and earnings in 1965

Profits and revenues of El Paso Natural Gas Company were at all-time highs in 1965. Gas sales reached a record volume of 1.44 trillion cubic feet during the year, and earnings from diversified activities outside the interstate pipeline business showed a marked increase.

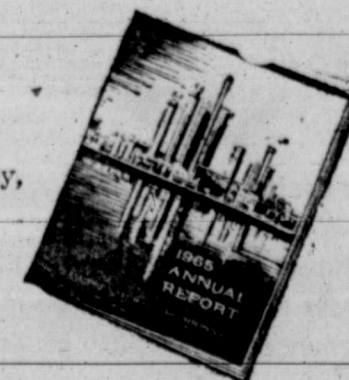

More important: We expect continued improvement in 1966.

Today, El Paso Natural has a proposal before the Federal Power Commission to increase substantially our deliveries to southern California. These additional low-cost supplies will be made available, if the project is approved by the FPC, for smog-control or any other purposes regulatory authorities find to be in the public interest.

Our diversification program is also moving ahead—in fertilizers, synthetic fibres, plastics and other petrochemicals.

El Paso Natural's Annual Report describes the company's accomplishments during 1965 and some of our plans for the future, including service to markets that are growing 2½ times as fast as the rest of the nation. We'd like to send you a copy.

For a copy of the 1965 Annual Report, write: El Paso Natural Gas Company, El Paso, Texas 79999.

Good News

Reports of oil shows in a wildcat southwest of town sound real good.

It's been quite a few years since a lot of activity in the oil patch was going on in Mitchell County and the surrounding area.

That wildcat south of town could be the start of something big in that section of the county. A good increase in the oil industry would be a big boost to our community with more jobs available and more economic activity in general. Let's hope it pans out.

CONGRESSIONAL CAMPAIGN

Mahon Says District Receptive To New Face

Congressional candidate Eldon Mahon told a group of area campaign workers in Abilene he has found "people in all 24 counties receptive to a new face and the need for a change."

"This is a joint endeavor," Mahon told the group. "I am not running for myself, I am running for all of us, so that a new face will be seen in Congress. The problems of the new 17th District are different from those of any other District, and we must have someone in Washington who is familiar with those problems and will stand up and be counted in the best interest of everyone in the District."

"Everywhere I've been and I've personally visited all 24 counties of the district since the campaign began — I find the people receptive to a new face, receptive to the need for a change."

"Ours is truly the 'Big Country.' No better name could have been put on this great enormous piece of Texas. Our population is expected to double in the next few years, which means tremendous new needs and opportunities for us all. A District of such magnitude and potential cannot continue to be represented half-heartedly and passively."

"My opponent's chief claim to reelection is his 'seniority.' But I would say to all of you that seniority that is not used is of no value. If this seniority is not employed to gain worthwhile advantages and achieve tangible goals for our District, what good is it? There is more to being an effective Congressman than simply being present when the

roll is called. There is more to representing the diversified interests of this huge district than just saying 'no' each time a constructive measure comes up. I not only intend to be present, I intend to let Washington know that the 17th District exists."

"I will not be a standpat, stayput, do-nothing, status-quo Congressman. I will take action — effective action — anytime and everytime there is an opportunity to do so in the best interest of our District."

"I think you and the voters of the new 17th District want this kind of representation, and I think we'll achieve on election day."

After Mahon's address the group discussed tactics for implementing the campaign which was mapped out to them.

Attending the session were C. C. Thompson of Colorado City, George Day of Brownwood and Jack Calloway of Abilene — the area chairmen for the campaign; Harvey Baker and Bill Leach, Taylor

County co-chairmen; Mrs. Lynn Lee and Mrs. Brad Long, Women's Division Chairmen; W. L. (Bill) Blakney and Don Duncan, Young Voters Division Chairmen.

Improved Sudan Grass Is Available

Trudan 2 — an improved successor to the first hybrid sudangrass is now available to farmers in this area, reports Continental Oil-Cotton Company of Colorado City.

Continental Oil-Cotton Company says that Trudan 2 is now available for spring planting. Trudan 2 follows the introduction of Trudan 1, the first hybrid sudangrass commercially produced.

Developed by Northrup King & Co., the new forage crop is available in quantity for the first time in this area.

"Trudan 2 is the answer to a farmer-rancher's needs for a high quality, top producing summer forage crop," said Continental Oil-Cotton Company.

The high quality forages of the Trudan family are the first available hybrid sudangrasses. Unlike the sorghum-sudangrass crosses, these unique forages have sudangrass percentage on both sides. The sorghum-sudangrass crosses are actually half sorghum and half sudangrass — a cross between sudangrass on one side, and either a grain or forage sorghum on the other side.

VFW Post & Auxiliary Hold Meets

Veterans of Foreign Wars, Post 9178, had as guests for their recent meeting Howard Kincaid, District Commander of the VFW.

Kincaid, of Sweetwater, congratulated local VFW members for having been the first post in the District to reach their membership quota.

He also congratulated them on having completed their youth activity, Americanism, and community service requirements.

Also here from Sweetwater were Alfred Poole, commander of the post at Sweetwater, and Juma Brooks, a past District Commander.

A report was also given of 188 flags having been sold during a recent flag sale.

Plans were made to light the area bicycles during National Bicycle Safety Week, April 18-23.

District president of the VFW Auxiliary will visit the local auxiliary March 24.

Members planned at a recent meeting to attend the District meeting to be held in Sweetwater April 30 and May 1.

Daughters of King Hosted By Mrs. King

Daughters of the King were entertained at their March 11 meeting in the home of Mrs. Walter King, 529 Oak St.

Taking part in the meeting were Mrs. Rube Hart who taught the Sunday School lesson, Mrs. King, who said the opening prayer, and Mrs. H. L. Jamison who presented the program.

Members of the class sent a box to the Texas Mission Home in San Antonio.

Attending were Mrs. H. T. Coles, Mrs. L. A. Costin, Mrs. Pearl Durham, Mrs. W. H. Garrett, Mrs. George Phillips, Mrs. Vada Wells, Mrs. E. H. Winn, Mmes. King, Hart and Jamison.

Next meeting will be in the home of Mrs. W. W. Rhode, 645 Hickory St., April 7.

The conflict in Vietnam is a very personal war.

We sit here safe and sound—reading newspaper reports of battles and hearing rather anonymous casualty lists.

We hear of faraway places that we know little about and read words—"light casualties were reported" or "moderate toll of casualties were taken among our troops."

The lists of "killed in action" for the past week finds its way into our knowledge. Fifty, a hundred or even five hundred are reported for the seven previous days.

Figuratively speaking, for the num-

ber of United States troops involved, the total can at times look small. Some people think back to bulging lists of World War II or Korea and other conflicts. The percentage killed for the number involved is seemingly minute.

But let's look at it in another light—through the eyes of a 19-year old soldier's family who has been notified of their son's death. For them the war is a total loss—they had one soldier, one defender—and he is gone. Their Army of one is gone.

The conflict in Vietnam is, indeed, a very personal war.

School Districts Urged To Speed Integration

By VERN SANFORD
Texas Press Association

AUSTIN, Tex. — Texas school districts are receiving speedup orders on desegregation.

Integration of faculties, as well as student bodies, is the aim of federal authorities in laying down new guidelines for compliance with the civil rights act of 1964.

Both the Texas Education Agency and the State Board of Education received the policy statements and promptly scheduled meetings over the state to post local school administrators as to the requirements.

Primarily concerned are 600 districts that submitted voluntary desegregation plans to the U. S. Office of Education for the 1965-66 school year to assure that they remained eligible for federal aid.

Districts already fully integrated, those whose assurances of compliance have been accepted and those operating under court desegregation orders are not immediately affected by the revised policies.

U. S. Commissioner of Education Harold Howe II estimates that revisions will result in doubling integration in 11 Southern states.

Guidelines provide that "race, color or national origin may not be a factor in hiring or assignment of teachers and other professional staff." State Education Agency officials said evidence of compliance with this requirement is expected to be shown by next September.

Districts which have submitted desegregation plans, including those with geographical school attendance zones, must file by April 15 a form agreeing to observe the new guidelines. Office of Education will review spring reports and schools judged to have shown no reasonable progress will be ordered to take further steps before fall.

School systems also must eliminate segregation in such programs as transportation, athletics and extra-curricular activities.

Where faculty members are displaced as a result of desegregation, staff vacancies later occurring must be filled by these ousted teachers if they qualify.

In other action the State Board of Education directed local school districts to raise their contributions to the foundation school program by \$6,100,000 next year. Local fund assignment for 1966-67 is \$138,000,000 compared with \$132,500,000 for 1965-66. Total cost of minimum foundation education program for the state this year is estimated officially at \$649,326,800. Legislature set local school districts' contribution for 1966-67 and thereafter at 20 per cent of the total cost of the preceding year's program. State puts up the other 80 percent.

Board also approved investment of about \$7,000,000 from the State Permanent School Fund. Some \$3,000,000 will be placed in common stocks, another \$3,000,000 in corporate bonds and an estimated \$1,000,000 in short-term Treasury bills.

Investment money will come from maturing Treasury bills, bonds and the regular monthly deposit from school land, oil and gas lease.

ses, says Paul Mathews, chairman of the investment committee.

APPOINTMENTS — Gov. John Connally named John L. Hill as Secretary of State. He replaces Crawford C. Martin of Hillsboro who resigned last week to devote full time to his campaign for attorney general.

Hill is an outstandingly successful Houston civil trial attorney. He has tried cases in district courts in most areas of Texas during the past 19 years. His term will run until next January.

Connally named L. D. (Red) Webster and reappointed Al Badger, both of Dallas, to the Texas Commission on Alcoholism.

Also reappointed were Robert B. Gilmore of Dallas and W. E. (Buck) Tinsley of Austin to the Water Development Board.

House Speaker Ben Barnes appointed Reps. Gene Fonden of Taylor; George Cowden of Waco; Ralph W. Scoggins of El Paso; Rayford Price of Frankston and Lee Dugan Jr. of Houston to serve on a key election law study committee.

Lt. Gov. Preston Smith earlier had named Sens. Tom Creighton of Mineral Wells, Don Kehmard of Port Worth, Ralph M. Hall of Rockwall, Jack Hightower of Vernon and Abraham Kazen of Laredo to that panel.

AG. RULINGS — Atty. Gen. Waggoner Carr has ruled that a domestic corporation can't pay dividends out of its earned surplus to anyone not a stockholder; and that a life insurance corporation may pay dividends to policyholders from surplus funds — from profits made by the company.

In other action, the attorney general ruled that:

• Under present state law, a Commissioners Court or qualified voters of a county may not create a precinct or multi-precinct Airport District and transfer a county-owned airport to such a district.

• Ward County school trustees should be elected April 2 from commissioners precincts as they now exist rather than as they will be formed under the boundary change effective next January 1.

• Texas courts may enforce child support order of out of state courts but extra-

A Cutback

The San Antonio Express reports that senatorial candidate Waggoner Carr has put a campaign spending cutback in effect due his almost certain victory in the Dem. primary in May.

Carr will save his money for an all-out effort against incumbent John Tower in the November general election.

Speaking before the U. S. Senate, Tower issued praise of Texas' senior senator, Ralph Yarborough, for his work on passing the GI Cold War Bill.

House Races

Competition for the Texas House of Representatives is shaping up like this at the present time.

Four twin-incumbents races have materialized. One of these is the 80th District involving Temple Dickson of Sweetwater and Roger

Brown of Big Spring

Forty-nine incumbents have no primary opposition and only five have GOP opponents.

There are 48 House seats without incumbents running.

New Technique

Lt. Gov. Preston Smith is trying a new innovation in his campaign for re-election.

In Houston on a three-day visit Smith will meet individually with business, professional and trade associations to hear their political problems. He has continually maintained close contact with associations of this type and credits them with some of his success in past elections, success in past elections.

Aid Liberals

Texas labor leaders said early this week the 15-day free registration period for voters will help two candidates who have already won

the favor of their organization.

One is Bill Kilgallon, Houston lawyer now serving as Dem. chairman of Harris County (Houston), who is seeking the congressional seat of conservative Bob Casey.

The other is State Senator Franklin Spears, who is termed a liberal despite his statement that he will "wear the collar" of no group if elected.

GOP Maybe?

Albert Fay, Houston Republican seeking election as general land commissioner, may become the first GOP candidate ever endorsed by the Texas AFL-CIO.

Fay is a Republican national committeeman who had strong support from some labor members who felt he had a "sincere interest in the working people of Texas."

An endorsement of Fay would be a great boost to a two-party system in Texas and a serious slap at the reelection of incumbent commissioner Jerry Sadler.

Any definite action on the matter was delayed by the group for a period of time.

Haring Endorsed

State Rep. Paul Haring, who is seeking Byron Tynell's seat on the Railroad Commission, won an endorsement of Texas AFL-CIO at a state meeting this past week-end in Houston.

THE FAMILY LAWYER

Handle With Care

To clean her rugs, a housewife made use of a powerful cleaning fluid. But, working in a closed room, she inhaled so much of the lethal fumes that she died. Was the manufacturer of the cleaning fluid legally liable for her death?

After a court test, the company was indeed held liable—mainly because of a misleading label on the can. The brand, in large letters, strongly implied that the product was safe to use. As for danger, the only warning was small and inconspicuous.

Damage suits are rising with growing frequency in the field of "product liability." One key issue is the responsibility of a manufacturer to warn the consumer of possible danger.

Sometimes the matter is covered by specific statutory requirements, such as marking poison with a skull and crossbones. But even without any specific requirements, a manufacturer generally has a duty to give warning, when needed, of dangers inherent in his wares.

For, in this age of synthetic and complex products, the consumer is often unable to detect those dangers for himself.

Center will place patients in community rest homes, nursing homes and convalescent centers in which they would receive proper care.

SADLER SPEAKS — Texas Land Commissioner Jerry Sadler, in testimony before a congressional committee in Washington, urged the creation of Guadalupe Mountain National Park in Culberson and Hudspeth Counties.

However, he stated that while he is interested in the creation of the 71,650-acre park, he also is interested in the 45,171 acres of oil and gas rights which the state school fund owns in the proposed park.

According to Sadler, the mineral rights should be retained by the state for the benefit of the 3,000,000 school children aided by the Public Free School Fund, which is financed from mineral rights.

Sadler said the state and federal government should work together as partners in the project. This would mean that Texas and the federal government each would get half the benefits of the mineral deposits in the area.

SHORT SNORTS — South Texas crops will be tested for pesticide residue during the next three to six months as the Texas Department of Agriculture moves its new mobile laboratory to Pharr.

Governor Connally announced approval of Community Action Programs in Beaumont (\$21,364), Big Spring (\$33,161), Houston (\$33,955), Laredo (\$50,560), San An-

Sounds From Out There

Another Nail In The Coffin

As though to underscore last month's ruling in Texas, a three-judge federal court in Montgomery, Ala., has ruled against the poll tax in that state. In doing so, it has driven one more nail in the poll tax coffin.

The Alabama court, which split 2 to 1 against the tax, was not the same panel, of course, which ruled unanimously against the Texas poll tax. Atty. Gen. Waggoner Carr dutifully appealed that ruling to the U. S. Supreme Court, but the chances of a favorable decision are becoming increasingly remote. In any event, Texas citizens can register through March 17 without paying a poll tax under provisions of the conditional law passed by a special session of the Texas Legislature.

In the Texas ruling, the three judges acknowledged that the poll tax has not been used at least for 20 years to discriminate against Negroes. But it held that the Tax violates the due process clause of the U.S. Constitution. In Alabama, the majority called the tax "one of the last great pillars of racial discrimination." Thus, while the two courts followed different routes, they arrived at the same destination—the outlawing of this obstacle to voting. The passing of the much-disputed poll tax will not be mourned by persons who believe that there should be broad participation by citizens in the decisions of their government.

HOUSTON CHRONICLE

The Governor's Wife

LURLEEN WALLACE, wife of Alabama's Gov. George Wallace, is seeking the Democratic nomination for governor to succeed her husband, who is barred by the state constitution from another term. Thus, Alabama may become the first state to be governed by a first lady and a prince consort.

George has made it clear that he would still run the state, but how can anyone be sure? Even the happiest of couples have their spats. What happens if she takes it into her mind to run the state? As a hedge against this happening, perhaps Alabamians ought to consider adding another member to the gov-

ernor's staff—a marriage counselor.

In the event of divorce, who would get custody of the state? Could Lurleen remarry during her term of office? Or would her suitors have to enter a special election? And what would happen if George also remarried? Would there have to be a run-off election between the new mates? The concept is not without precedent. Andrew Jackson had a group of informal advisers that came to be called a "kitchen cabinet." George wants to take the same idea and move it into the boudoir.

LONG ISLAND NEWSDAY

Senator Urges Vote

By RALPH YARBOROUGH
U. S. Senator

Dear Fellow Texan:

Until Thursday, March 17, every Texan over 21 has the opportunity to register, free, in order to qualify to vote in this year's elections. If you have already paid your poll tax by January 31st of this year, or if you are over 60 years of age and you live in a place of less than 10,000 population then you are already registered for this year, and you do not have to register again. But if you are between 21 and 60 years of age and have not paid your poll tax this year, you have been given another chance to vote, and if you are over 60 years of age and live in a city of 10,000 or more and are not registered this year, you can now register up to March 17th. Since the poll tax was declared unconstitutional in Texas, it will not cost you anything to

register now, regardless of your age.

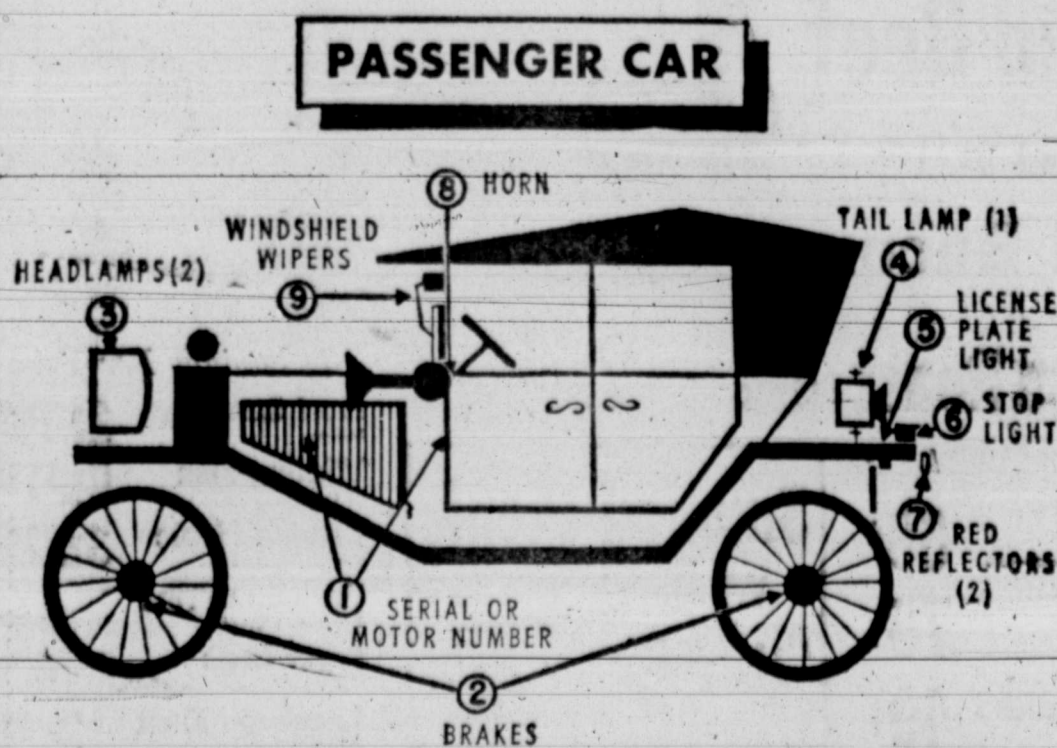

You can register to vote by cutting out a registration form in the newspapers, or you can get a form from the county tax assessor, or you can go to one of the places that have been set up for Texans to register, or get a proper form from anyone else. Above all, register your name to vote by March 16, before it is too late and above all, see that the registration form is in the office of your county tax assessor collector before midnight, March 17th.

In 1964, less than 1/2 of all adult Texans who could have qualified to vote actually voted in the Presidential election year. This means that less than 1/2 of the people in this State are determining who is going to be elected, and what kind of government you will have. Now that the poll tax has been stricken down, all Texans—whether

rich or poor—have a chance to vote. Now all Texans should qualify to vote, free.

It is estimated that we now have 2.4 million Texans qualified to vote, but there is another 3.4 million who did not qualify in January who can now register their names and vote in this year's elections. This means that the vote will more than double if every one registers. If you register now and qualify to vote it means that you can go to your precinct conventions, and vote in the city, county, state, school district and the National elections.

I urge every Texan to register, to be qualified to vote, because that is your right and duty as an American and as a Texan. When all Texans are eligible to vote, then Texas will move into the 20th Century governmentally and politically. Remember March 17 is your last day to register free this year. REGISTER NOW.

AUSTIN—The Texas Department of Public Safety reminds motorists that vehicle inspection time is at hand again. Regardless of the age of your car, it must bear the 1966 inspection sticker by the April 15 deadline...so why not avoid long lines and needless delay, have your car inspected today.

The Church For All All For The Church

A DIFFERENT DRUMMER

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

The world is filled with the sound of many drums. Drums of militarism stir man to war and conquest. Drums of conformity invite him to keep step with low standards and false values. Drums of greed lure him into the killing pace of selfish getting and gaining.

But a different drum sounds, too. It beats in the rhythm of law and love, and rings with the sound of eternal truths. It beckons man to integrity and true fulfillment; it calls him to the path of duty and to the way of service. The different drum is God's.

A man must choose which drum he will listen for and follow. Many years ago, Henry David Thoreau wrote: "If a man does not keep pace with his companions, perhaps it is because he hears a different drummer."

God's house is one place where you will hear the "Different Drummer." Worship there this Sunday with your family.
