YMCA

YMCA & CHAMBER OLD FASHIONED FOURTH OF JULY CELEBRATION

Saturday, July 4, the YMCA and Spearman Chamber of Commerce will have the Second Annual Old Fashioned Fourth of July Celebration. Beginning at 8:00 a.m. the Fun Run marathon and mini-marathons will be held starting at the Plains Shopping Center. Contests will be held in the Swimming Pool Park beginning at:

10:30...Sack Races

11:00...Skillet Toss

11:30...Three-Legged Races

12:00...Water Balloon Tosses

12:30...Box Relay Races

1:00...Pool Games & Relays

1:30...Recreational Swimming

The contests will be divided into age groupings: 8 & Under, 9-12, 13-17, 18 and older. The pool games will include a coin toss in the baby pool for those who are toddlers, a coin toss for those who are non-swimmers in the two foot area of the pool and non-swimmers in the three foot area of the pool. For those who can swim the length of the pool there will be a watermelon relay race. The prize for the coin toss will be the coins gathered and for the watermelon relay the winning teams will eat the watermelon. Ribbons will be

SPEARMAN LYNX 1939 with their coach Tad Platt and their trophies. L to r, Roy Reed, L.M. Womble, Leon Yates, Coach Platt, Ledru Jacobs, C.P. Archer and Melvin Schell.

DPS Estimates 44 Persons To Die

America in general and the High Plains of the Texas Panhandle in particular are coming into the nation's most dangerous holiday season: July Fourth...the country's birthday.

Because July 4 falls on Saturday this year, many employers are giving workers Friday off also, projecting a three-day week and for the holiday statistically proved the most dangerous observed annually based on accidental deaths, injuries and property damage or loss.

Because many think a Monday holiday goes with July Fourth as it does with many of our nation's hallowed days, The Texas Department of Public Safety (DPS) will join other states across the country in counting holiday statistics from 6 p.m., Thursday, July 2 to midnight, Monday, July 5.

Because July Fourth leads all other holidays in traffic deaths, injuries and damages, the DPS is calling their patrol of the period "Operation Motorcade." Major C.W. Bell, DPS regional commander for this area, has promised that every available trooper will be on duty for the 78-hour period of the holiday.

"Troopers will be especially aware of drinking drivers and violators of the speed laws," Bell said. "All drivers should be aware of their condition and the condition of their vehicles."

Major Bell urged those that would be travelling into unfamiliar territory for the holiday to plan in advance, learning routes and exits they should take.

"Many accidents, especially in the crowded traffic of a holiday, have been caused by sudden movement or lane change because travelers discovered they should have turned 'back there,'" Bell pointed out.

Highway disasters are not the only danger threatening the pleasure of the holiday. Each year, fireworks take their tragic toll in loss of fingers, hands, arms, eyes and property. Drownings in many sections of the country compete with highways in totting up a tragic death score.

"One of the greatest tragedies," noted another DPS official, "is the driver who is being very careful with the life of his family only to be involved in a serious accident because of the thoughtlessness and carelessness of another driver."

Whether driving, boating or camping, you are "on stage" from 6 p.m., Thursday until 5

p.m., Monday. If you just have to show off, make it a "one man act," don't take anyone with you when you go!

NOTICE

The Hansford County Library will be closed July 3rd and 4th for Independence Day.

SPEARMAN HIGH SCHOOL'S PRIZEWINNING BAND year 1942. W.I. Byron was the director and Joy Close and Floyd Crawford were band maiorettes.

This picture was taken in front of the Cracker Box. In the Back Row from l to r are Doris Jean Russell, not identified, Leota Hull, Carol Powers, Dorcilla Clark, Buena Vernon, Lola Mae Ging, Verna Gail Allen, Estelle Bailey, and

Colleen Kelly. In the Front Row from l to r are; Jack Gillespie, Vance Prutsman, Frank Baker, Joe Harmond, Eugene Buckner, and Earnest Sheets.

Hospital news

Patients at Hansford Hospital are Reba Bennett, Susan Thompson and son, Velma Beck, Lera Langston, Charles Asbill, Grace Bennett, Willie Harris, Jose Anaya, Bill Etling, Eunice Miller and Melton Brown.

Dismissed from Hansford Hospital Dorothy, McElroy, Betty Uptergrove, and Richard Goehring.

Jeff Gressett and Greg Meek will leave this week for Tyler, Texas where they will attend Tennis Camp at Tyler Junior College for a week. Greg will be a sophomore and Jeff will be a freshman in Spearman High School this fall.

Spearman High School's 1937-38 Freshman Class. The teachers were Miss Barbra Hawkins and Mr. Snodgrass. The students were (Bottom Row) Left to Right: Litch Sparks, Tommy Harve, Delbert Mizar, not identified, not identified, Newell Allen, P.D. Brockus, Albert Graves, R.C. Parker, Billy Miller, Chalmers Porter, J.E. Gerber. In the 2nd Row from l to r; Anna Mae Files, Garland Caldwell, Viola James, Jo Jackson, Ada Rose Jackson, Anita Clea Reed, Ola Jean Rossen, Evelyn Longley, Joan Dixon, Kathleen Greener, Mary Nell Ha-bour, Bonita Harmond, Georgia Thompson, Della Beth Uptergrove, Joyce Dulaney, Jerry Stephens,

Isie Cybert, and Marie Deek. In the 3rd Row from l to r. June Reed, Dorothy Nelle Scott, Frances Sheets, Marilyn Snider, Collen Kelly, Joyce Lamb, Della Tayler, Viola Dillow, Nellie Derring, Virginia Cates, Sophia Birdwell, Vonita Fields, George Ruth Hightower, Elnara Close, Adelaide Shedeck, Mary Horn, Eva Hilton, Miss Hawkins. And in the Back Row from l to r; Emmett Sanders, Vance Prutsman, Delmar Fields, Joe Harmond, Mr. Snodgrass, Bennie Bowling, J.D. Harrelson, not identified, Arnold DeArmond, Dian Church, Everett Dave Clements, Harold Crooks, Lee Roy Easley, and D.W. Hazelwood.

Faye's Daze

I don't usually write a column for Thursday's paper but with the excitement of the all-school reunion this weekend I decided that I would.

Lucille Buchanan Allen brought in the first annual for Spearman Schools for the year 1920-21 with a 1921-22 Supplement. As I thumbed through the annual I came across a picture of Uncle Jimmy Kelly, janitor. He was still the janitor when I began my schooling in 1932. As all ex-students know we all loved Uncle Jimmy, but we knew better than to put one foot on the grass or throw away candy wrappers, etc. because he had an eagle eye out for all offenders.

The annual was dedicated to W.A. Clark, Jr., superintendent. School board members were H.E. James, A. Richardson, H.L. Wilbanks, A.F. Barkley and D.W. Hazelwood.

The faculty consisted of Ethel Deakin, Mathematics, Nannie Holland, Foreign Languages, Nellie Hart, English-History, Joyce Holland, Primary, Aline Beck, Grades, Almira McComas, Grades, and W.A. Clark, Jr. Superintendent.

There were two seniors that first year, Beatrice Gibner, and Stonewall McMurry. I understand that Beatrice Gibner Hiler will be present for the reunion.

Juniors were Hazel Lowe and Lena Dacus. Sophomores were Burgher Pirtle, Clyde Hazelwood, Winnie Dacus, Grace Pirtle, Della Dacus, Zela Cross and Lucille Maize. Lucille Maize later became a teacher in Spearman schools.

Freshmen were Burnice Burran, Viola Hill, Myrtle Valentine, Sarah Cusenbary, Mae Raney, Opal Cross, Anna Cusenbary, May Faus, Susie Pierce, Irene Kerr, Paul Maulsby, Warner Davis, Barney Sparks, Hazel Hartshorn and Mattie Hartshorn.

Special students were Rufus Raney, Earl Andrews, Ralls Richardson, and Lura Bell Raney.

There is a picture of the girls basketball team consisting of Mae Raney, Coach Nannie Holland, Lena Dacus, Susie Pierce, Hazel Lowe and Grace Pirtle, all wearing bloomers and sailor tops.

The boys basketball team consisted of Warner Davis, Burgher Pirtle, Clyde Hazelwood, Paul Maulsby and Stonewall McMurry, captain.

Grammar School class officers were Juanita Haney, Pres., Pope Gibner, Vice-Pres., J.B. Cooke, Treas. and Olivette Hancock, Sec'y.

Grade school classes are pictured but are not named. Some of the advertisers were J.E. Close, Blacksmithing; The Spearman Motor Co.; The Cozart Grain Company; The Liske Grain Company; Hagen Oil Co.; Sid Clark Tailoring and first class barber work; P.M. Maize & Co.; The Guaranty State Bank; The First National Bank; A.E. Townsend, Real Estates, Loans and Insurance; Hill House Drug Co.; Spearman Equity Exchange; J.R. Collier; R.W. Morton, Authorized Ford Dealer. Palo Duro Hotel; M.C. Head; Panhandle Lumber Co.; Taylor Rooms; Hansford Abstract; R.B. Archer; Spearman Lumber Co.; White House Lumber Co.; Floyd Hays Barber Shop; Jones Implement Co. and Reynolds Bakery.

The most amusing ad was for Hillhouse Drug Co.; they advertised that you could call them for information, and they will go out and find "Pa", get you a farm hand and tell you about the show and baseball game.

Hopefully this annual or another annual of the same year will be on display at the reunion so that you may see it for yourself.

I am sure there are many exes from SHS who are nostalgic this week and looking forward to seeing old friends and classmates and renewing acquaintances.

SEE YOU AT THE REUNION.....

Local Girls Elected To Office At Girls State

Shelley Mitchell, daughter of Mr. and Mrs. Dwayne Mitchell and Denae Baker, daughter of Mr. and Mrs. Albert Baker have been attending Girls State which began June 16 and ended June 26 in Austin.

Shelley Mitchell was elected Precinct 1 Chairperson, Giant County, Nationalist Party, and Denae Baker was elected Tax Assessor-Collector, City A.

Both girls are sponsored by Spearman, Spearman High, ALA Unit 254, Perryton and Spearman H.S. Student Council.

The 1981 session of the American Legion Auxiliary Texas Bluebonnet Girls State has grown from an experimental conference of ninety-four girls, held at Baylor University in 1941, to become the largest single extracurricular educational program for high school girls in Texas. This year 560 girls are in attendance, making a total of more than 15,000 girls in Texas who have participated in the top-level citizenship program.

Girls State was organized as a national Americanism activity in 1937 by the American Legion Auxiliary. Non-partisan and non-political, the purpose of the Girls State program is to provide citizenship training for girls of high school age; to afford them an opportunity to live together as a self-governing group; and to inform them of

the duties, privileges, rights, and responsibilities which they will assume when they become adults. They learn the problems of government by assuming the duties of city, county, and state officials as stipulated by the Texas Legislature. Each Year citizens are selected at local levels from students who have just completed their junior year in high school. The selection is based principally on leadership, character, and scholarship.

Chief Justice Joe Greenhill of the Texas Supreme Court administered the oath of office to the elected state officials of Bluebonnet Girls State, Monday, June 22, in the Rotunda of the State Capitol. The Honorable George Strake, Secretary of State, was guest speaker at the inauguration.

One of the highlights of the session, which began June 16 and ends June 26, will be the selection of two outstanding citizens of 1981 who will be sent to Girls Nation in Washington, D.C. This program, which is also sponsored by the American Legion Auxiliary, will give the two young representatives the opportunity to continue their study in responsibilities of national government.

Buchanan Reunion

The annual Buchanan family reunion was held Sunday June 28, at the County Show Barn. After the meal the afternoon was spent visiting, with each other and the many friends that came by to renew friendships.

Everyone had a wonderful time with all the games set up in the back. The winners in volleyball, horse shoes, basketball, scribble and 42 was never made clear, because each declared they were the winner.

Present were Mr. and Mrs. J.W. Buchanan of Dumas, Abbie Ward, Houston; Louise Vaught, Amarillo; Mr. and Mrs. Tom Jarvis, Joanna and Bob, Stinnett; Mr. and Mrs. David Wilson and Nancy from Waka; Mr. and Mrs. Lindel Schiffer and Bridget, Liberal; Mr. and Mrs. Dick Fincham, Mead, Kan.; Misty Michi, and Mandy Moss and friends, Mead, Kan.; Mr. and Mrs. Willis Fresin and girls, Perryton; Mr. and Mrs. Zack Fisher, Kelly and Kevin, Memphis; Mr. and Mrs. J.D. Bassel, Brenham; Mr. and Mrs. Paul Buchanan, Jefferson; Mr. and Mrs. Tom Buchanan, Matt, Blake and Zack, Lubbock; Mr. and Mrs. Alan Buchanan, Clay and Kim, Pampa; Mr. and Mrs. James Atkinson, Chris and Jim, Canadian; and from Spearman Helen Fisher, Mr. and Mrs. J.B. Buchanan, Mr. and Mrs. Burl Buchanan, Roger and Jana, Mr. and Mrs. John Allen, and Mr. and Mrs. Pat Cates.

Arts & Crafts Guild Met

Mrs. Bruce Sheets was hostess Friday, June 26th to the Arts & Crafts Guild members and a guest.

She served delicious refreshments to one guest—Mrs. R.E. Lee, and the members that were present were Mrs. Guy Fuller, Mrs. F.J. Daily, Mrs. Ned Turner, Mrs. Joe Traylor, Mrs. Pope Gibner, Mrs. Deta Blodgett, Mrs. Kiff White, Mrs. W.L. Russell, and Mrs. Garrett Allen.

There will be no meeting this week.

The next meeting will be Friday, July 10 with Mrs. Pope Gibner being the Hostess.

Billie Jo Moore Attends Pageant

Billie Joanne Moore, 7 year old daughter of Terry and Sherry Moore of Spearman has just returned from Denton, Texas where she competed in the week long Cinderella Girl Pageant held on the Campus of Texas Woman's University. She competed with close to 200 other girls from Texas in 4 age groups. The top 5 finalists from each age group were chosen.

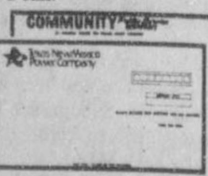

Billie Jo was one of the top 5 finalists in her age group! She was 4th runner up in the all State pageant. Billie Jo won a beautiful trophy and the right to compete in the International Finals to be held in Baton Rouge, La., in August. She will be in the 2nd Grade next year.

A better name
for a growing company...
Texas-New Mexico Power Company.

Your electric utility company has a new name, but you'll still get the same dependable service you're used to. The new name, Texas-New Mexico Power Company, more accurately portrays the area we serve. The name also reflects the stability of a company large enough to serve two states, which means you can count on us to meet your electric energy needs. Your bills will be no

different, except for the name change. You can still mail electric payments to the same address, or bring payments to the same office. If you have any questions, just give us a call.

Texas-New Mexico Power Company

This is the Spearman Lynettes of 1940. The Coaches were Odell Washington and Eula Goodall. In the Back Row are Anta Cleo Reed, Virginia White, Oneta Horn, Marjorie Ellen

Russell, and Patricia Hutton. In the Front Row are Buena Vernon, Colleen Kelly, Estelle Baley, Janelle Womble, Julia Kern and Frances Sheets.

Golf Club Plans July 4 Tourney

The Hansford Golf Club is planning a July 4th handicap tournament. The entry fee is \$10.00 per person, \$3 of the \$10 goes to the club and the remaining \$7 goes to prizes.

There will be 4 man teams, each member on the team gets 1/2 his handicap.

There will be a shotgun start at 2 p.m. Pick your own team and come out and have a good time.

The tournament is open to members and other golfers in the area who wish to play.

Post Office

Closed July 4

The Spearman Post Office will be closed Saturday, July 4, in observance of Independence Day.

As Independence Day is a widely observed Holiday, there will be no in-coming or outgoing mail service.

T. Ray Robertson, Postmaster

Who's New

Mr. and Mrs. Troy Thompson are the parents of a baby boy, born June 28 in Hansford Hospital. He weighed 8 lbs. 21 inches long and has been named Aaron Wade.

Maternal grandmother is Mrs. Eunice Fisher of Amarillo. Paternal grandparents are Mr. and Mrs. Adrian Thompson of Spearman.

People in Scotland and in Japan once believed that tortoiseshell cats could foretell storms.

Know THE Weather

Do mountains have any-
thing to do with rainfall?
What role do they play in
controlling precipitation in
the United States.

Mountains have a de-
finite effect on cloud
movement and rainfall. In
the United States the really
high mountains near the
West Coast are a major in-
fluence on the weather. In
this case they block moisture,
maritime air, or drain the
moisture out of it as it moves
east causing the dry regions
in the western areas.

The United States is
favored with four sources of
moisture air which brings
rain and produces necessary
vegetation: From the Pacific,
air masses move in from the
northwest and southwest. In
the Atlantic, air masses enter
from the northeast and
southeast.

Only from the polar re-
gions, via Canada, and from
Mexico (in summer) do we
get dry air masses over the
United States.

ONE MINUTE SPORTS QUIZ

1. Who won the U.S. Open Golf Tournament?
2. Name the winner of the Pocomo 500 stock car race.
3. Who won the LPGA Lady Keystone Open?
4. Who has won the men's singles at Wimbledon from 1976-1980?

med, inflation slows.

Gettysburg

The momentous battle of Gettysburg erupted before
the eyes of a war-torn nation on the first three days of
July in 1863. The result was that, more than any other
single battle, it doomed the South's bid for
independence.

That was true because this was one of two periods
during the Civil War that the South's greatest military
leader, General Robert E. Lee, felt strong enough to
risk invasion of the North. And of the two efforts (the
other was in 1862 and ended in the dawn battle of
Antietam) this was the greatest.

Lee and the South had no design on the North. But it
was clear that, unless the war became distasteful
enough, the North would never agree to independence
for the South.

Thus 1863 was really the last, long shot chance for
independence achieved by arms for the South. Lee at
first meant to attack Philadelphia after crossing the
Susquehanna at Harrisburg but when he learned the
Army of the Potomac was nearby, he changed his plan
and decided to fight an earlier battle-though he didn't
plan to fight at Gettysburg.

The desperate struggle began by accident on July 1.
Its climax came when Union troops decisively repulsed
a Confederate attack led by General Pickett's brigade.
on July 3, an attack which probably never should have
been made.

STATEMENT OF INTENT TO CHANGE RATES

General Telephone Com-
pany of the Southwest, in
accordance with the Rules
of the Public Utility Com-
mission of Texas, hereby
gives notice of the Com-
pany's intent to implement
a new schedule of rates in
Texas effective October 1,
1981.

On April 28, 1981, the Public
Utility Commission of Texas
issued its order in Docket
3690, creating a separate
Docket 3861 to consider the
impact and effect of the ac-
counting changes ordered
by the Federal Communi-
cations Commission (CC
Docket 79-105). The Federal Com-
munications Commission has
changed the method of ac-
counting for inside wiring
costs associated with the
one-time station connec-
tion, move, or change activi-
ty. The new rate schedule
will increase the Company's
gross annual revenue derived
from local service by no
more than three percent.
The schedule of rates and
charges is available for in-
spection at each Company
business office in the State
of Texas.

4th of July Fun Run Planned

A 4th of July YMCA Fun Run is being planned. Starting time is 8 a.m. with registration beginning at 7:15 a.m. Contestants will start at Thriftway Grocery. Entry Fee is \$5.00. Proceeds will go to the YMCA. There will be a 6.0 mile run and a 3.2 mile run. The divisions for men and

women may vary, according to the number of entrants in each division. Divisions for men in the 6 mile run and the 3.2 mile run are 0-20, 21-30, 31-40, 41-50, and 50 up. The divisions for women in the 3.2 mile run are 0-20, 21-30, 31-40, 41-50, and 50 up. The women 6.0 mile run will be open.

Tee Ball - Softball Action

There are going to be lots of action filled in the Softball and Tee Ball Leagues of the YMCA. No games were played last night, Monday-June 29, mainly because of the good moisture we had here in Spearman. At presstime, I didn't find out if these games that were scheduled for Monday, have been canceled or just postponed until a later date.

But the teams that didn't play were: in Girls Tee Ball, the Berry Cleaner Bears, coached by Linda Butt, going up against the Bunkhouse Babes. The game was scheduled for 6:30 p.m.

In Girls Softball, the Anthony Electric Stars, coached by Kathy Beck and Sharon Swan, were going to battle the Consumer Sales team coached by Ray Thomas.

In the Women's Softball, the games were also called off because of the moisture and the muddiness of the field. The games scheduled were the Jr. Lusby Cats to fight against A&L Printing. The Cats still are undefeated. The game was to be played at 7:00 p.m. The 8:30 game was going to be between the Busters Dusters and the Red Hots.

The Men are in action tonight-Tuesday, June 30. There will be two games played at the Babe Ruth Field and two games played at the field, east of the Y. The game between the Union Church and Hi Plains will be played at 7:00 p.m. at the Babe Ruth field. The other 7:00 game will be between the Spearman Auto and the Crawford Implement--this game will be played east of the Y. As far as the late games are concerned--this being the 8:30 games--will have Tico going up against Super Service at the Babe Ruth field. The game that will be played at the field east of the Y, will consist of the Super John

Deere team battling against the North Plains team.

Everyone will have Wednesday off, but then back on the field again on Thursday night. The men play on Thursday nights and have lots of action. Since there will be a Babe Ruth Game, there will be 3 games played at the east of the Y field and 1 game played at the Babe Ruth Field. The first game will begin at 7:00 and have John Deere going up against Agco. Immediately following or at 8:30 p.m., North Plains will battle against Super Service at the East of the Y field. At 10:00 the

Union Church will take on Spearman Auto at the East of the Y field, and the other 10:00 game will be between Tico and Crawford Implement at the Babe Ruth field.

The Women do not play anymore this week.

On Friday, July 3, the Berry Cleaner Bears will have the night off, but the other 4 teams will play. The Gruver Orioles will come to Spearman to meet up with the Cinderella Cuties coached by Judy Tindell at 6:30. The Babes, coached by Cindy Schneider, will travel to Gruver to meet up with the Gruver Angels. Both of these games will start at 6:30 p.m.

In Girls Softball the same day, Friday-July 3, four games will be played. Ray Thomas' team will go up against the Pink Panthers, coached by Donna Yarbrough. The game will be played at the Little League Park, beginning at 7:45 p.m. or immediately after the Tee Ball game. The Anthony Electric Stars--their colors are Blue and Gray, the color of the Dallas Cowboys--will travel to Gruver to meet up with their "Heavenly Foes"--the Gruver Angels. These games are all very classic games so go out and catch a few!!

Spearman Swim Team

The Spearman Swim Team hosted teams from Guymon, Ulysses, Perryton, Pampa for a meet on Saturday, June 27th. Results for the Spearman team are:

In the Free Relay the girls did a WONDERFUL job!! In the Girls 8 & Under Free Relay, the girls won 3rd Place; in the Girls 11-12 Free Relay, the girls received another 3rd Place; and in the Girls 15-18 Free Relay, the girls just went all out and won 1st Place!!

In the Girls 8 & Under 25 Free, Haley Shieldknight won 2nd Place. Chris Strawn competed in the Boys 8 & Under 25 Free and won 5th Place.

Andi Speck won 2nd Place in the Girls 9-10 50 Free event. Kevin Nelson came right back and won 5th Place in the 11-12 50 Free event. Kim Elbert did an outstanding job and placed 2nd in the Girls 13-14 50 Free, while Nick Wirsdorfer competed in the Boys 13-14 50 Free and placed 4th.

Three girls placed in the 15-18 100 Free Event. Stacey Thomas placed 3rd, while in 5th Place was Robbie Heinrich and Teresa Miesner was in 6th Place--all three of these girls placed in the 100 Free Event. Gary Thomas won 2nd Place in the 15-18 (Boys) 100 Free Event. Three girls placed high in the 10 & Under 100 Free Event--these being Carly Shieldknight winning 2nd Place; Andi Speck winning 3rd and Haley Shieldknight winning 4th Place. As far as the 11-12 Boys and Girls 100 Free Event--two boys won and two girls won places also. Jane Wirsdorfer won 4th in that event, and J.J. Schaffer won 6th in the same event--100 Free (11-12). In the Boys, it was Greg Roach winning 4th Place and Kevin Nelson winning 5th.

Kim Elbert just had a great day as far as scoring high for the Spearman Swim Team. Kim did another tremendous job and

again won 2nd Place. Nick Wirsdorfer won 6th Place in the Boys 13-14 200 Free Event. The same three girls that competed in the 15-18 Breaststroke and won, came right back and placed high again in the Girls 15-18 200 Free--Stacey Thomas won 2nd Place; Teresa Miesner won 4th Place and in 5th Place was Robbie Heinrich. Gary Thomas won 2nd Place in the Boys 15-18 200 Free.

The 15-18 Girls Medley Relay team competed in Medley Relay and made all the Spearman people PROUD of them, the girls won 1st Place!!

As can be seen the team has a good record at its home meet this year. Spearman can be proud of these young people and what they accomplish. They represent this community very well.

We would like to thank all who helped at the meet and the support received from the community. Especially to those who helped purchase medals for the meet--The Moose Lodge, Spearman Rotary Club, Baker and Taylor Drilling and Red Byrd. The next meet will be in Guymon on July 11th.

Exciting Games Played

Last Friday night there was action at the Spearman Little League Park and the Gruver Little League Park also. The Tee Ball game played in Spearman had the Cinderella Cuties, coached by Judy Tindell, going up against the Bunkhouse Babes, coached by Cindy Schneider. The Babes won the game, but other than that, both the Cuties and the Babes played a very GOOD game. The other Tee Ball game was between the Berry Cleaner Bears, coached by Linda Butt, and the Gruver Orioles, coached by Linda Venneman. The Orioles won, but the Bears would NEVER give up, they kept on fighting with all they had.

The Girl's Softball games were more exciting than Reggie Jackson hitting another Home Run. One of the Softball games played was at the Spearman Little League Park between the Anthony Electric Stars, coached by Kathy Beck and Sharon Swan, and the Consumer Sales team, coached by Ray Thomas. The game was played to the most perfect point, that all that were there witnessing the game just had to put it down as the World Series game of the Century--it was as exciting as the Philadelphia Phillies winning the World Series finally after 99 or so years!! The Stars had lots of Super Stars Friday night like, Leticia Vela, Rocio Rosales, Clara Gonzales, Stacy Swan, Denise Rojas, Melissa Beck, Crista Urban, Melly Floyd, Shari Sexton and Jan Crawford. They did such a great job, that they won the game by 6 points--12-6. The Stars are not the only Fantastically exciting team, there are others like, the Pink Panthers, Ray Thomas' team, the Gruver Angels. The other Softball game was between the Wy-Tex Pink Panthers, coached by Donna Yarbrough, and the Gruver Angels.

Rainbows can be seen at night. Lunar rainbows were observed and recorded in ancient times and are not uncommon. They are a phenomenon of the same principle as the solar rainbow.

Spearman Track Club

The Spearman Track Club was in action last Saturday in Borger at the AAU Junior Olympic Track and Field meet. The 36 participating members competed well against other track clubs in the area. These are the members that participated: Brandi Schneider, Suzanne Sanders, Kathy Vanlandingham, Shanna DeArmond, Laci Lasater, Shea Crawford, Mac Sheppard, Mendi Lasater, Cindy Melton, Brandon Sutton, Dallas Trosper, Curtis McGill, Jason King, Temp Sheppard, Clint DeArmond, Michael Holt, Chad Riggins, Brandon Rex, Brian Beck, Ginger Pearson, Stacie Swan, Jan Crawford, Kerri Holt, Dusty Hill, Karl Bynum, Jeff Vanlandingham, Jean and Jan Davis, Tina Woolley, Kelli Crawford, Cindy Ivey, Byron Sutterfield, Kyle Brack, Mark Eakin, April Graham, and Michelle Graham.

The Spearman Track Club members placing in the meet were in the Bantam Boys Division: the 400 Meter Relay team of Jason King, Clint DeArmond, Brandon Rex, and Michael Holt won 3rd Place; while the other 400 Meter Relay team made up of Curtis McGill, Brian Beck, Chad Riggins, and Dallas Trosper won 6th Place.

The Girls got into the action when two of their 400 Meter Relay teams placed in the Bantam Girls Division. The first team that placed 4th consisted of Laci Lasater, Cindy Melton, Kathy Vanlandingham, and April Graham. The other Relay team--Shea Crawford, Jan Crawford, Ginger Pearson and Michelle Graham--placed 6th in the 400 Meter.

Kerri Holt won the Long Jump Event in the Midget Girls Division.

In the Junior Boys Division, Jeff Vanlandingham placed 3rd in the 400 Meter Dash. Karl Bynum has shown that he is very good in the field events--mainly Shot Put and the Discus. Karl Bynum won 3rd Place in the Shot Put in the Borger AAU Junior Olympic Meet. Jeff Vanlandingham placed 6th in the same Event. Karl Bynum won 2nd place in the Discus.

In the Intermediate Girls Division, Jean and Jan Davis had a GREAT DAY!! Jan Davis competed in the 100 Meter Dash and took the 1st Place Medal. Jean Davis came right back and participated in the 200

Meter Dash, and Jean just ran thru the whole bunch of competitors and won the event with flying colors. After awhile, Jean and Jan teamed with Kelli Crawford and Cindy Ivey and participated in the 400 Meter Relay and won the event with a sigh of relief.

In the Intermediate Boys Division, Kyle Brack won the 110 Meter High Hurdles and Byron Sutterfield wasn't far behind as he placed 2nd.

The qualifiers will be able to attend the Region IX meet held July 11, 1981 in Lubbock, Texas.

Congratulations to all members of the Spearman Track Club for a fine summer track season and for representing the community so WELL!!

VENDING TALK

History

Did you know that vending machines date back more than 2,000 years? In 215 B.C. holy water was dispensed at the drop of a drachma coin in Egyptian temples.

In the U.S., vending machines multiplied fast during the 1950's, especially after the invention of the coffee machine. Today the average American buys \$65.59 worth of products from machines every year.

Every minute consumers drop 190,000 coins into merchandise vending machines. That's 11,400,000 coins per hour. Soft drinks are the most popular vended item. Thirsty Americans bought more than 16 billion 200 million drinks from machines last year.

Microwave ovens, placed next to vending machines, have expanded the menu. Hot pancakes, popcorn, beef stew and frozen foods can now be vended and ready to eat in seconds. And the prices usually are lower than in other fast food outlets.

Our Heritage of Faith... notes from Faith Lutheran Church

Greetings, in God's name, from Faith Lutheran Church. We remember the compassion for the oppressed that caused our forefathers and mothers to rise up daringly against a mighty foe. We are reminded of this on this Fourth of July weekend. The Scriptures assigned for this Sunday reveal God's great compassion for His people. So the sermon theme is: The Ministry of Compassion (Matt. 9:35-10:8). All are welcome to worship with us. A hearty welcome awaits each visitor.

Bruno Gaskamp, Pastor

STAR-SPANGLED CELEBRATION

Relax and enjoy a very special main dish salad for this year's July 4th celebration. Whether you plan to picnic indoors or out, luscious "Fifty Star-Spangled Salad" is ideal. Prepared with julienne-cut ham and Monterey jack cheese, hard-cooked eggs and vegetables, the special dressing is the secret--a delicious blend of Wish-Bone® Creamy Cucumber Dressing and mashed avocado. The lively flavor of cucumber and spices in the bottled dressing adds zest to the mild flavor of the avocado; no other seasoning is necessary. For a festive Independence Day touch, top the salad with pimientos, cut into star shapes. What a great no fuss meal!

FIFTY STAR-SPANGLED SALAD

CUCUMBER AVOCADO DRESSING:
1 cup (8 oz.) Wish-Bone Creamy Cucumber Dressing
1 cup mashed avocado (about 1 medium)

LAYERED SALAD:
1 pound spinach leaves, torn into pieces
1 package (9 oz.) frozen artichokes, cooked and drained
1/4 pound Monterey jack cheese, julienne-cut
2 tomatoes, cut into wedges
1/4 pound mushrooms, sliced
1/4 pound cooked ham, julienne-cut
3 hard-cooked eggs, sliced

In medium bowl, blend creamy cucumber dressing with avocado.

In 3-quart salad bowl, layer 1/2 spinach, artichokes, cheese, tomatoes, mushrooms, ham, eggs and remaining spinach. Spoon dressing over salad. Cover and chill several hours or overnight. Garnish, if desired, with whole pimientos, cut into star shapes. Makes about 4 servings.

NOTICE!!!

I would like to apologize for raising the hopes of potential students concerning my studio. My husband received a better job offer elsewhere and we have moved so I will not be opening a music studio in the Spearman area. Lisa Thompson

DOWNTOWN SPEARMAN

Velas Have Visitors

ABOVE FROM L TO R are Jesus, Josie and Jesus, Jr., De La Rosa—have been visiting along with Ramon Vela, Sr., in the homes of the Vela Families.

Ramon Vela, Sr., came with his son-in-law, daughter and grandson—Jesus, Josie, and Jesus, Jr., De La Rosa—to Spearman from La Casita, that is a little farming town close to Rio Grande Valley. Ramon came to visit his sons—all 4 of them live in or around the Spearman area—who are Guillermo Vela, Sr., Eusebio Vela, Sr., Ramon Vela, Jr., and Calisto Vela.

It's really nice to see Grandpa Uncle Chuey, Aunt Josie, and Chuito for a few days. I'm sure

that Grandpa, Uncle Chuey, Aunt Josie and Chuito are happy to see all of us—30 grandchildren and 4 Great-Grandchildren.

Jesus, Josie, Jesus, Jr., De La Rosa and Ramon Vela, Sr., will be vacationing here in Spearman and surrounding area until July 7.

So if you pass by any of the Vela Homes and see at least half-a-dozen cars and pick-ups, don't be surprised it's just a little "reunion" of the Velas.

BY: Criselda Vela

Old Friends

Old friends are perhaps the best friends and, for Americans, who are the most mobile, moving families in the world, special sentiment attaches to the old days, the home town, the school days friends—because they are often far away.

That also applies to city dwellers, who often live for years in one part of a busy city, following a hectic business schedule, and who for years fail to visit former dear friends in the same city!

Charles Hanson Towne wrote a poem about city friends who stay out of touch too long. He called it *Around The Corner*.

A city away lives an old friend.

In this great country that has no end:
Yet days go by and weeks rush on,
And before I know it a year has gone
And I never see my old friend's face:
For life is a swift and terrible race.

He knows I like him just as well,
As in school days when I rang his bell.
And he rang mine. We were younger then:
But now we are busy, often tired men...
Tired of playing the money game;
Tired of trying to make a name

"Soon," I say, "I'll call on him."

It's still just like it has always been.
But tomorrow comes and tomorrow goes,
And the time between visits grows and grows.
Then one day, from a city away,
A telegram comes. He died today.
I didn't know it was near the end.
Being out of touch with my late, good friend.

TIPS TO LENGTHEN LIFESPAN OF FLOWERS

In these inflationary times, it's wise to try to make things last as long as possible, and that even includes flowers with their admittedly short lifespan.

With proper care and handling, flowers and the pleasure they give will last longer than you think, according to the F.T.D. Consumer Information Service, which has these tips for flower lovers.

Unwrap your flowers immediately. If they're brought to you as a gift, at a party you're hosting for example, you might enlist a guest to lend a hand. It's not an emergency room situation where minutes count, but hours certainly do. You will want to do the following as soon as possible:

- If the flowers are in an arrangement, add tepid water to the container.

- If you have loose flowers, cut each stem on a slant with a sharp knife—never with a scissors, which bruises the delicate cell structure of the stem and might prevent the flower from "drinking" water.

- For woody stemmed flowers, such as chrysanthemums, lilac, dogwood or forsythia, you will need to pound the end of the stems so that they can take up water more easily.

- Choose an appropriate container that won't con-

strict the flowers, but not so big that they will simply flop over.

- Fill the container with tepid water—never too hot or too cold because you can shock the flowers' systems. One F.T.D. florist has said, "They have feelings, too!"

The tepid water ensures that the flowers will drink more quickly, a sort of nourishment for getting them out of the shock of being cut.

- If you have a packet of commercial preservative, use it—it's better than any of the faddish ideas you've heard of—and costs very little.

- Re-cut the stems every two or three days, again on a slant, and add fresh, tepid water daily to the vase or arrangement.

- Never put flowers in direct, strong sunlight or on top of the TV set or a heating unit.

ABOVE IS "Grandpa" Ramon Vela, Sr., sitting in the Living Room drinking the nice-cold glass of Lemonade, since that day was very HOT.

High pressure tactics may be good on one-sale propositions

Even a conscientious worker sometimes gets fed up on the job.

PUBLIC NOTICE

Pursuant to Section 43a, Public Utility Regulatory Act, High Plains Natural Gas Company hereby expresses its intention to change rates in the unincorporated areas of Hansford, Ochiltree and Lipscomb Counties.

Information concerning the proposed change can be obtained from the High Plains Natural Gas Company office at 109 South Main Street, Canadian, Texas phone (806) 323-6464, or by contacting the Director of Gas Utilities Division, Railroad Commission of Texas, P. O. Drawer 12967, Austin, Texas 78711, phone (512) 445-1146.

HIGH PLAINS NATURAL GAS COMPANY

When You're Ready To Invest \$100,000. Call Us First. We'll Pay 17.934%**

When you're ready to invest \$100,000, call us. Tell us what you think your money is worth. We're confident we can offer the high rate your \$100,000 deserves with a Large Certificate of Deposit.

Look at the chart of dates and rates. By compounding your interest daily, we can give you a very attractive annual yield. Maybe the highest in the region.

We realize you don't ordinarily expect to see offers like this from a bank. But it's this kind of willingness to respond that makes us one of the strongest and fastest growing banks in the Texas-Oklahoma area.

If this offer sounds good, see John Cluck, our President, or Larry Orman, Senior Vice President. Or call (806) 435-3676 and ask for our Money Market Advisor. We'll talk by phone, or we can come to visit you. We think we're the only bankers around who will give you what your money is worth.

For The 15 Million Suffering From Asthma: A New Medicine

Medical researchers remain unable to identify completely the underlying cause of asthma, a common condition which affects approximately 15 million Americans at some point during their lives. Despite this lack of a breakthrough discovery, scientists continue to develop new medications which effectively control the wheezing and coughing attacks that are frequent occurrences for asthma sufferers.

Proventil (albuterol) inhaler, a new prescription medication from Schering

Corporation, has recently been approved by the United States Food and Drug Administration. The drug works rapidly and is effective in keeping asthma under con-

trol for up to four to six hours in some patients.

Proventil for asthma was widely used and studied for 12 years in many countries before it was approved here.

Its safety and reliability have been confirmed by its worldwide use by millions of asthma sufferers and in numerous controlled, comprehensive tests both here and abroad.

Asthma is characterized by constriction in the bronchi, along with wheezing, coughing, excessive mucus production and difficulty in exhaling air. This new medication is inhaled by the patient and in minutes it relaxes the bronchial muscles. That action opens the airway passages, making it much easier for the individual to breathe for about three to four hours. In some cases, relief lasts up to six full hours after inhalation.

Clinical tests have shown

THE FIFTH GRADE class of Spearman in 1936. Most of these students went on to graduate from Spearman High School in 1943.

that Proventil has a low incidence of side effects, particularly those involving the heart, which is one of the problems with anti-asthmatic drugs now in use. And tests have documented the safe usage of the drug over periods of several years. The medication has also been found to be particularly effective in preventing asthma brought on by exercise, when inhaled right before taking part in vigorous physical activity.

Asthma is a chronic disease that affects virtually every facet of an individual sufferer's life. In addition, the economic impact of asthma is staggering. The total cost of allergic diseases is more than \$1 billion. And a National Institute of Allergies and Infectious Diseases Task Force recently reported that there are about 27 million patient visits to physicians each year for the treatment of asthma—making it one of the leading reasons for physician visits. To an individual family, bearing the cost of this severe disease can be financially devastating.

The new medication should be used with caution by patients having cardiovascular disorders and by

pregnant women and nursing mothers. It is not prescribed for children under twelve years of age.

While research into the cause of asthma goes on,

Proventil signals better days ahead for those millions of Americans who are subject to asthma.

Your time is of no value to anyone but yourself; why not use it wisely?

CALL FOR BIDS

The Board of Directors, Hansford County Appraisal District, will receive bids to furnish furniture and equipment for the District.

Bid sheet and specifications are available in the Gruver Independent School Tax Office; 600 Garrett; Gruver, Texas.

Deadline for submitting bids is Thursday, July 9, 1981, at 4:30 p.m. Bids will be opened and read aloud at the regular meeting July 10, 1981, at 3:00 p.m.

The Board reserves the right to accept or reject any or all bids, and to waive all technicalities.

Farmers Union Says Lower Interest Rates More Helpful Than Tax Cut

WASHINGTON, D.C.--The Board of Directors of the National Farmers Union (NFU) said in June that a week farm bill, combined with high inter-

est rates and a tax cut oriented to the wealthy, could wipe out the newer generation of farmers and deal a drastic blow to agriculture and rural communi-

ties. The Statement was issued by the board, which includes national officers and state Farmers Union presidents, including

Texas Farmers Union President Mike Moeller, following a day of conferences with key leaders and staff specialists of the agricultural, budget and tax-

writing committees of the Congress.

"We are concerned that a 1981 farm bill, as weak as those reported by the House and Senate agriculture committees, will hurt the prospects for national economic recovery along with severely punishing American farmers," said the statement.

The NFU officials charged that the Reagan economic package being debated on Capitol Hill is largely misdirected since "It fails to cope with the most hard-hit sectors, agriculture, housing, autos, and heavy industry."

"It is hard to imagine that Reaganomics can work since it has such contradictory strategies as the White House trying to spur economic growth, while the Federal Reserve is trying to suppress the economy," they said.

The Board statement said that an individual income tax cut could be indirectly helpful to farmers by increasing the purchasing power of consumers for food.

"However, since farm income continues to be so depressed and may show little improvement over 1980's dreadful level, an income tax cut will not have dramatic direct benefits for family farm operators," said the NFU Board members.

"On the other hand, if interest rates were rolled back to the six percent level which prevailed at this time four years ago, that would save U.S. farmers \$12 to \$14 billions a year in interest outlays. For this reason, we regard action on interest rates to be at least ten times more important to farmers than any of the tax relief proposals being mentioned on Capitol Hill."

Texas Farmers Union President Mike Moeller noted the board was also concerned over the interference in the decisions traditionally made by the Secretary of Agriculture which are being made by Budget Director David Stockman. The budget estimates prepared on the farm program "wildly exaggerate" the real and eventual costs.

Pioneer Announces Natural Gas Discovery Well In Hemphill

AMARILLO, Texas--Pioneer Production Corporation announced today the completion of a natural gas discovery well in Hemphill County, Texas, one mile north of the city of Canadian.

The well, the Pickens Unit No. 1-76, flowed at a rate of 4.2 million cubic feet of gas per day through a 10/64-inch choke, with a flowing tubing pressure of 4,278 pounds per square inch (psi). During testing, a shut-in tubing pressure of 6,073 psi was reported.

Drilled to a depth of 11,250

feet, the well is completed in the Upper Morrow formation with perforations from 11,177 feet to 11,187 feet. It is approximately three miles north of a 12-well Upper Morrow field, in which two wells each produce over one billion cubic feet per year.

Pioneer Production Corporation, a subsidiary of Pioneer Corporation (NYSE), is the operator and owns a 37.5 percent working interest in the Pickens Unit No. 1-76. CNR Resources, Inc., owns a 37.5 percent working interest, and

private investors own the remaining 25 percent.

Pioneer Production holds leases on approximately 1,600 acres in the prospect area. Drilling of a confirmation well is scheduled to begin early in July. Pioneer Production will be the operator and will own approximately 40 percent of that well.

Pioneer Corporation is a diversified energy resources corporation, with headquarters in Amarillo and operations or interests in 18 states, the Gulf of Mexico and the Atlantic Ocean.

BASEBALL * * *

By Pete Fritchie

Comment On Sports

WASHINGTON, D.C. -- Jim Campbell, president of the Detroit Tigers, told this writer in March the Tigers would be in the pennant race this year if Sparky Anderson got good pitching. Few believed the Tigers' pitching was good.

In the weeks before the strike, Detroit was getting exceptionally good pitching, so much so that even though the Yankees won something like nine straight, the Tigers

gained on them--and when the strike came, the Bengals were only 3 1/2 back!

Sparky and Roger Craig, new Tiger pitching coach, who is calling the pitches, have done a job, and proved Jim Campbell right. The Tigers scored more runs than any team in the Majors in 1980. If this pitching holds up, Sparky's gang might have to be counted a dark horse in the American League East all year.

Fourth Of July

On the Fourth of July the people of this country take note of the 205th anniversary of the signing of the Declaration of Independence, which ranks as one of the most important documents of history.

In it, Thomas Jefferson, the author, set forth the inalienable rights of man and the theory that governments are instituted by men, not by God, and, therefore, derive their powers from the consent of the governed.

This was something of a revolutionary doctrine in 1776. Moreover, the Declaration makes plain the right of the people to alter or abolish their government and to institute a new government in such a form as they may deem most likely to provide for their safety and happiness.

The historic Fourth has become identified as a day of leisure, marked by deaths, accidents, games and amusement. This year we should look back to the significance of the 1776 Declaration, and principles that it expresses.

No matter how much money men make, they always want more.

A little authority affects some men more than strong drink.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective July 21, 1981, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 15.8 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 21 de Julio de 1981, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 15.8 por ciento en los ingresos intraestatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell.

Wanted Man Being Held In Kentucky

Jessie Earl Bowen, wanted in the May 2 theft of a car belonging to Willis Randall, has been taken in custody by Hopkinsville, Ky. authorities.

According to Hansford County Sheriff R.L. McFarlin, Bowen failed to make the required \$10,000 bond and has signed a waiver of extradition. A representative of the Hansford County Sheriff's Department will make the trip to Kentucky to return Bowen for trial.

Leslie J. White, 24, Perryton, is free on \$750 bond following his arrest and arraignment for theft by check.

"This is not White's first such offense," Sheriff McFarlin said. "It seems he delights in preying on our business people here when he is free to do so."

"I think most of our merchants are familiar with him by now but, if not, they should take note of that name and shun any checks tendered by this subject."

Other than this activity, the Sheriff's Department is involved in only the routine matters of patrolling the county and continuing some ongoing investigations.

New FMHA Director For Texas

WASHINGTON, D.C., June 23--Secretary of Agriculture John R. Block today announced the appointment of J. Lynn Futch, Washington, D.C., as State Director of the Farmers Home Administration for Texas, effective July 6, 1981.

Futch, 55, had previously served as FmHA State Director in Temple, Texas from 1969 to 1977. Since then he has served as Program Assistant to the FmHA Administrator at the agency's national office in Washington, D.C.

Before joining FmHA, Futch served as Assistant Manager (1954-1960) and Vice President (1960-60) of the Canadian Production Credit Association, Canadian, Texas.

A native of King County,

Texas, Futch was reared on a cotton and livestock farm. He maintained an interest in a cattle feeding operation in the Texas Panhandle area until 1976.

Futch received a Bachelor of Science Degree in Agricultural Education from Texas Technological College, Lubbock in 1949. He served as a pilot in the U.S. Air Force from 1943-45.

The Farmers Home Administration is a credit agency of the U.S. Department of Agriculture. As State Director, Futch will be responsible for the loan and grant activities of 486 employees in 147 county and 20 district offices in Texas. The FmHA State Office is located in Temple.

Weather

Spearman received an unofficial .65 of an inch of moisture during a thunderstorm Monday afternoon.

JULY 4th

A Time to Repledge Ourselves . . .

Born of a revolution, this country began with a pledge: liberty and justice for all. Now... 205 years later... we, the American people, are still striving for these goals. It's easy to find fault... but it takes dedication and unity to bring about change, as our forefathers did. We have the freedom now to do it peacefully. Let's celebrate that freedom... and honor our nation for what's been achieved... let's join together... with a renewed sense of purpose... to reach our goals.
