Presbyterians Church To Have Study Course

Sunday will be a full day at the First Presbyterian church. The day begins with Sunday School at 9:45. Sam Richardson is superintendent and Mrs. Webb Randle is pianist. Morning worship will be at 11:00 o'clock with the Rev. B. A. Hodges, D. D. of Waxahachie preaching the sermon. Rev. Hodges is here this coming week, through Friday, to teach a training class in teacher training. He is the Executive of the Presbyterian Board of Christian Education in the Synod of Texas.

At three P. M., from three to five, there will be held the first of the two-hour sessions of the Study Course. This course is a standard course, approved by all leading denominations of the church, and credit can be got by members of any church who take the course. Everyone is cordially invited to attend the classes. Dr. Hodges is an excellent teacher. The textbook to be used is "Teaching Religion" by Myers.

The Young Peoples' Society will meet in their regular meeting at six o'clock at the church.

At seven o'clock, there will be presented, in place of the regular worship hour, a one-act play, directed by Mrs. Stephens of the High School faculty. This play has been given once or twice in Lamesa. Its title is, "The Unlighted Cross," with the text from Holy Writ "If therefore the light that is in thee be darkness, how great is that darkness," a hearty welcome is extended to all to worship with us at all times.

John Bussell Passed Away at Wichita Falls

John Bussell, 27 years of age, passed away Friday November 9, in a Wichita Falls hospital.

Funeral services were held at the Five Mile church on Sunday with Rev. J. W. Webb officiating. He is survived by his parents, one brother and several sisters, all residing near Sparenberg.

Misses Jesse Norris, Erma Lynn Coleman, and Nina Scott students at Tech spent the week end here with home folk.

Most Gigantic Relief Task Ever Undertaken Handled by Red Cross

In the largest relief operation of its kind ever undertaken, the American Red Cross in the last year distributed among distressed families 104,000,000 garments and 10,400,000 barrels of flour, processed from government surpluses. According to Mr. Ed Haynes, chairman of the local chapter, the benefits from this program have been felt in nearly every county in the United States. Altogether, the chapter leader added, the food and clothing needs of 25,000,000 individuals, representing a fifth of the country's entire population, were partially met by the Herculean distribution task.

Of the total amounts distributed, 200 barrels of flour and 2472 ready-made garments were sent into Dawson county by the National organization. In addition to this clothing this county was allotted 9294 yards of piece goods which either were made into clothing by volunteer sewing groups or by beneficiaries able to sew for themselves.

With a spirit comparable to wartime enthusiasm 600,000 volunteer workers helped in the nation-wide program, performed at a cost of \$685,000 to the Red Cross. Without the service of volunteers in this and the thousands of other communities benefited by the operation, such a task would have been impossible, chairman Haynes said.

"In this county alone," the chapter official declared, "cloth and clothing with an estimated value of \$2300 have been received through the National Red Cross and distributed by the local chapter. When it is considered that all but a bare half-dozen of the 3,072 counties in the United States requested and received flour or cotton goods, some idea of the immensity of the program may be gained. In my opinion, it would have been impossible for the distribution to have been made had it not been for the ever-ready American Red Cross, which was assigned to the job by the government.

"The flour was handled by a local committee of volunteers who made an effort to reach every needy family in this county.

"The success of the entire operation," Mr. Haynes said, "is due to the fact that the Red Cross with its 3700 chapters, covering every section of the United States, stands ready to go into action when needed. The annual Roll Call, conducted as it is every year between Armistice Day and Thanksgiving, provides the income necessary to keep that organization ready to function quickly when emergencies arise. The regular programs of safety and health education are continued through the response to the invitation for annual membership enrollment. Between November 11 and 10 every local citizen will be extended an opportunity to join."

R. W. Chapman Is Taken By Death

R. W. Chapman, aged 49, passed away at his home on Friday, November 10 and was buried at Five Mile cemetery November 11. The funeral services being held at that place by Rev. J. W. Webb. He is survived by his wife and several children.

LAMESA, A CITY OF FRIENDS

Only a few people in Lamesa are selfish. Most of them are real friends and neighbors.

If there is someone ill, in need, or distressed, they are every ready to help—even with their personal efforts and money. They are big-hearted, and back up their declarations with actions.

This is the secret of why people like Lamesa and why people when they abide here awhile, regret to leave. Here people live to serve one another—and count it their biggest investment. This is the definition of what we have always called the "Lamesa Spirit."

No finer people on earth. Real friends—with a handclasp that counts—with hearts that beat loyally for one another—and with deeds echoing with service.

It is a pleasure and privilege to live with and serve this people.

Signed,
William A. Wilson.

Misses Myrtis Wright and Oma Lena Medlin spent the past week end in Snyder.

Mrs. J. H. Pierce returned last Friday from a few days stay in Dallas.

LAMESA MERCHANTS MAKING BIG PLANS FOR NEXT TRADES DAY

Merchants are making elaborate plans for next First Monday, Trades Day, December 4. Special features are being arranged for entertainment of the large crowd that will be in Lamesa to take advantage of the bargain-the merchants will offer on this date. At four o'clock the regular merchants program of entertainment and fun will take place. This program will be held at the bandstand, and one of the largest crowds that has yet attended one of these meetings and programs is expected.

People are coming from as far away as 100 miles to take advantage of the fine merchandise and reasonable prices that Lamesa merchants are offering. One man drove from 12 miles northeast of Tahoka and spent \$77.00 with a Lamesa merchant. Scores are coming from north of Odell. They are coming from Andrews, Hobbs, N. M., Seminole, Seagraves, Sparenberg and south of Ackery and further. They are coming because Lamesa merchants have what they want and at the price that suits them.

Trades day... Next First Monday... Your Day in Lamesa. If you miss it, it is your hard luck. LAMESA WELCOMES YOU DECEMBER 4.

J. W. Young Of Gaines County Dies In Local Hospital

J. W. Young, 65 years of age, passed away at a local hospital, Tuesday November 14. Funeral services were held on Wednesday afternoon at the Fairview Church with Rev. J. R. Asin, pastor of the local Missionary Baptist church officiating.

He is survived by his wife and one daughter and four sons, all being present at the funeral except one son.

Mr. Young was a resident of the Ashmore community in Gaines county.

MISSIONARY DAY TO BE OBSERVED AT THE CHURCH OF THE NAZARENE

The Church of the Nazarene is to observe "Missionary Day" throughout the denomination, Sunday, November 19. A general outline of the work to-date will be given by the pastor of the local church at the eleven o'clock hour. The local society will give a report of its work for the past year, and briefly what it means to do the coming year.

The general public is invited to attend this anniversary at the church of the Nazarene, Sunday, November 19. Always welcome.

A. L. Dennis, pastor.

BALDWIN'S STORE HAS RED CROSS WINDOWS

In accord with the National Red Cross drive Baldwin's Store has this week decorated their main show window with the Red Cross emblems and other Red Cross articles.

This show window is very impressive and if you have not seen it do so at once.

Board of Trustees To Collect Delinquent Taxes Due District

The Board of Trustees of the Lamesa Independent School district at Monday night's meeting approved and accepted the contract offered by Judge E. B. Warren to represent the district as attorney in the matter of collecting delinquent taxes due the district. The contract was dated to begin on November 14, 1933.

The penalty for delinquency was left as a part of the taxes to be collected. The recording and listing fee of one dollar per tract was remitted for the time being and interest rates were left at the statutory rate of 6 per cent per annum.

The delinquent rolls have been prepared, proper abstracts are being made and the tax collecting machinery is ready for work.

The local board wishes to clear the warrant account covering the 1931-32 1932-33 and the present terms of school expenditures and build up the interest and sinking funds to the proper amounts at an early date. The average rate of interest paid by the local board on its warrant account is seven per cent per annum, with some warrants nearly three years old.

American Legion Has Armistice Day Program

The members of the local American Legion assisted by other local citizens sponsored a good parade and program here last Friday morning, November 10.

Following the main address given by Rev. Eugene Surface on the court house lawn, all American Legion members and their families gathered at the legion hall where a delicious dinner was prepared and served by the Ladies Auxiliary.

The program at the dinner hour consisted of the High School girls quartet, accompanied at the piano by Miss Thelma Merick, rendering several numbers. Rev. A. L. Dennis acted as toastmaster with Rev. Eugene Surface giving the invocation. Pledge to the flag was led by Rev. Surface, and a reading "Our Flag" was given by J. D. Dyer Jr.

Introduction of guests was then held. The gold star mothers and fathers present were Mrs. McQueen, Mr. and Mrs. Houston and Mr. Allen, Silver Star mothers and fathers present were Mr. and Mrs. C. Baldwin, Mr. J. E. Garland was introduced as a Spanish-American war veteran.

Reserve officers present were Philip Yonge, Judge L. B. Reed, Dyrrel Irk and Dr. Sam Frazier.

A discussion of a suggested program for 1934 was led by Post Commander Caryl Baldwin. The program ended by one verse of the Star Spangled Banner.

ON HUNTING TRIP

Jim Waltrip, Dr. R. F. Nix, Dr. Sam Frazier, Ray Williams, Emmet Bushy, George Canon, and Dan Davis left early Wednesday morning on a deer hunt in Mason county.

New Play-off System In Effect In District Three In Football

District 3, Class B, has established a new play-off system which is being used this season for the first time in any League district. The plan calls for both quadrant winners and quadrant runners-up to enter semi-finals and finals. The plan was adopted at the fall meeting of the District Three Executive Committee, according to Superintendent V. Z. Rogers, who is chairman of the committee.

Mr. Rogers states that according to information mailed to him by member schools, Levelland and Matador are winners in Quadrants One and Two, and will meet on November 24 for their semi-final contest. Spur and Lamesa are the winners in Quadrants Three and Four, and have arranged their semi-final game for Friday, November 17, on the Lamesa gridiron.

Winners of the Levelland-Matador and Spur-Lamesa games will meet in the finals for this District on Thanksgiving. The losers in the two contests will meet to play for third place honors on Thanksgiving.

Winners of second place in Quadrants One and Two are reported to be Olton and Paducah respectively, and these teams will play the semi-final game for the Consolation on Friday of this week. Brownfield and Crosbyton are the runners-up in Quadrants three and four, and will play their semi-finals this week or next. The winners of the semi-final consolation games will meet in the finals and the losers will play for third place in the consolation series.

The committee plan provides that suitable trophies will be awarded each winner of the first three places in the finals and also to each of the highest ranking teams in the Consolation series.

Home-Coming Day A Big Success: To Be Annual Affair

The home-coming day for Lamesa ex-students was held last Friday, with big success, with more than 300 attending the banquet at the Methodist church basement Friday evening.

Rev. W. H. Wallace gave the invocation at the banquet and Eugene J. Yates acted as toastmaster.

Miss Margaret Flanniken, senior of this year's graduating class welcomed the ex-students. Mrs. Ervin Bailey gave the response. A chorus consisting of fifteen ex-students, lead by Prudence Grant sang several favorite numbers that were popular during the past ten years.

Mr. F. L. McCollum amused the group with numerous instances which happened in the past ten years.

Murry McWhorter, ex-member of the Tornado team, gave a history of the Golden Tornadoes. Other ex-athletes were called on for short talks, among these were Mike Key, James Sumpter, Serip Crawley, E. C. Nix Jr., Bill Creighton, Angus Waes, Raymond Hatch and Jack Gray.

R. E. Simpson Jr., sang several clever songs accompanied at the piano by Mrs. A. G. Barnard.

Mr. Rogers introduced Prof. W. A. Stephenson, of Simmons University, who made the main address.

Plans were made for the banquet to be made an annual affair with the following officers elected: Mrs. W. A. Stephens, president; W. E. Cox, Jr., vice-president; and Prudence Grant, secretary and treasurer.

Students responsible for the success of the affair were: banquet committee, Sybil Mitchell, Prudence Grant, and W. E. Cox Jr.; Program committee, Mrs. W. A. Stephens, Nell Goodloe, Asalie Key; ticket committee, Audene Ragan, Evelyn Burnside, James Nix, Billy Warren and Freda Smart.

A. L. Kidd Passed Away Last Saturday

A. L. Kidd, age 76, passed away at his home on Friday, November 10. Funeral services were held on Saturday at the First Baptist church with Rev. Berry Baker and Rev. E. F. Cole officiating. Burial was made in the local cemetery.

Mr. and Mrs. B. M. Pratt have moved to the Guy Travis home on North 4th Street.

Mr. and Mrs. Eldrid Travis were Lubbock visitors Sunday.

GAME TO DECIDE CHAMPIONSHIP OF QUADRANTS 3 AND 4

Friday afternoon at 2:30 at the Lamesa ball park will start what is expected to be the best game of the season to be witnessed by the Lamesa football fans. The occasion is the meeting of the Lamesa Golden Tornadoes, champions of Quadrant four of this District and the Spur Bulldogs champions of Quadrant three, to determine which team shall enter the district finals.

From all we have been able to learn the Spur Bulldogs offer a serious threat to the title aspirations of the Tornadoes. They boast one of the best backfields in this section of the state in Class B football and intend to turn loose the works during the game Friday. Their backfield is headed by a young giant named Scoggins who weighs only 220 pounds and who is said to be hard to stop. Aiding Scoggins are two fast and shifty half backs who assisted by an able quarterback are real threats themselves.

The Tornadoes at the beginning of the season were not picked to go far in the district title chase as their entire line had to be rebuilt. However after the opening game of the season in which they held Big Spring to a scoreless tie, and a 7 to 0 defeat handed them by Snyder they found themselves and in the conference games played as yet they have held the opposition scoreless and allowed them only six first down, two of these resulting from penalties.

The Lamesa team is primed and ready this week to stop the thrusts of Scoggins and his cohorts and are ready to take the field confident of victory.

This is bound to be a good game folks so let's all be out rooting for the Tornadoes and see that they go on to district championship.

Lamesa Defeats Slaton 12 to 0 In Game Last Friday

Repelled by a stout hearted Slaton defense for almost three quarters the Tornadoes finally broke loose with a fine exhibition of football and scored two touchdowns to defeat the Slaton Tigers in their annual football game by a score of 12 to 0.

We were unable to secure the exact number of first downs, but if our memory is correct on no less than five occasions during the first half the Tornadoes carried the ball most to the Tiger goal line only to lose the ball when the Tiger team would rise and thrust them back. Each time a long kick would get the Tigers a brief respite only to have the Tornadoes come steaming back.

The defensive playing of Captain Gable of the Tornadoes together with his great line plunging was one of the features of the game. James Smith, Berry, Wilkes, Gresham, in fact the whole Tornado team played excellent football. Anderson and Ames were the outstanding players for Slaton.

Banquet Is Had By Members of Lions Club

On Tuesday night of this week members of the Lions club with their wives and a number of other guests met at the Westland Hotel for a banquet honoring the Key Members of the club.

Lions, Dr. J. M. Harrington, Dee Hull, J. R. Flanniken, Bernie Holt and Coy Echols were presented with their Keys for having secured a certain number of new members.

After a bountiful feast, Dr. Harrington acting as toastmaster, introduced Lions Morrey and Moore of the Lubbock club who were present and who made short talks. They also informed the club that the Lamesa club was to have the honor the entertaining the Lions of this division at their next meeting in March.

The program consisted of two duets by Coy Echols and Walton Crawley accompanied at the piano by Mrs. A. G. Barnard; readings by Miss Margaret Flanniken; duets by Mr. and Mrs. Sam Smith. Prof. V. Z. Rogers made the main talk of the afternoon.

At the conclusion of the program a short business session was held at which time the keys were presented to the above named Lions by Mayor J. R. Lowrie. A membership campaign was also begun to last until December 20. Other business matters were also disposed of.

While dinosaurs lived and died in OKLAHOMA

Mellowed 80 million years! Such is the history of the Cambro-Ordovician crude oil of Oklahoma which Sinclair refines and blends into Sinclair Opaline Motor Oil—a crude which was already ages old when dinosaurs fought above its hidden reservoirs. Opaline's superior lubricating quality owes much to Nature's age-long treatment, for Nature has filtered it free of impurities, reduced its carbon-forming content, and enhanced its lubricating quality. In process of refining Sinclair adds the crowning touch by de-waxing Opaline and freeing it from non-lubricating petroleum jelly at as low as 60° F. below zero. Try a crankcaseful of Sinclair Opaline—observe how little you have to add on long trips—note how it stands up in hard driving!
