PAUL EGGERS COMING - GOP Candidate For Governor To Speak In Ozona

Paul Eggers, Republican candidate for governor, will visit Ozona, Tuesday, September 10 as part of a campaign tour through West Texas.

Eggers is expected to be in Ozona 11:45-1 p. m. He will speak at the Rotary Club luncheon after which he will meet people around the downtown business district.

"I'm looking forward to meeting people in all walks of life and discussing with them the major problems that confront our state," Eggers said.

The GOP candidate is a 49-year-old tax attorney who has practiced law in Wichita Falls since graduation from the University of Texas School of Law in 1948. He is chairman of the Taxation Section of the State Bar of Texas and a member of the American Bar Association.

In 1966 he received a Sports Illustrated Silver Anniversary Award for former athletes who have achieved successful careers in their chosen field.

Eggers served during WW II in the Air Corps and was honorably discharged with the rank of major.

The Episcopal Diocese of Dallas selected Eggers 1968 Layman of the Year. He is the son of a minister and is a past director of the Wichita Falls YMCA.

"I believe," Eggers said, "Texans want to elect a governor this year who will provide vigorous, responsible leadership. This is what we need to develop the potential of this state."

He and his wife, Frances, have a son, Steven, 10.

Ray Boyd Named To School Board Replaces Carson

Ray Boyd has been named to the School Board to fill the vacancy left by the resignation of Bill Carson, president of the board. His appointment will become official at the next meeting of the board.

Taylor Deaton has assumed the duties of president and Charles E. Davidson III filled the vice-presidency.

Boyd was the logical selection, since he polled more votes than the other candidates in the last school board election, which returned the incumbents to office.

For the past six years Boyd has been part-owner and manager of Village Drug, Inc. He is president of the corporation. An Ozona native, his wife, Wyna, works with him in the drug store and their son, Kirk, is senior student in Ozona High School.

Saturday Shower Brings .19 Inch Of Moisture Here

A Saturday afternoon shower, which amounted to .19 of an inch of moisture, brought the total rainfall record for August to 2.5 inches. The rainfall total for the year to date for Ozona now stands at 17.94 inches.

Scattered showers in this area have been forecast for the next five days. Temperatures have been considerably lower the past week due to the weak cool front which passed through the vicinity Tuesday afternoon and the weekend shower.

Trailer Overtakes Truck Jumps Fence For \$10,000 Wreck

Highway patrolman Orvil Perry reported two automobile accidents during the week, one in town and the other in the detour east of town on Hwy. 290.

Brenda Brown was driving a pickup south on Piedra St. when she swerved to miss a dog, applied her brakes and skidded into a parked 1966 Chevrolet belonging to Manuel Villareal. Damage to the pickup was \$50 and to the car \$250.

Saturday five miles east of Ozona a 1966 White truck tractor and semi-trailer lost a wheel as the driver, James Webb of Arlington, rounded a curve in the detour around noon. He lost control of the rig and the trailer overturned. Managing to keep the tractor on its wheels, he ran through a fence. Damage was estimated at \$10,000.

Wildcat Re-Entry Confirmer Slated In County Fields

Chambers & Kennedy, Midland, will re-enter and deepen to 9,900 feet for tests of the Simpson and Ellenburger at the No. 1 Paul Perner, Crockett County wildcat failure, 21 miles west-southwest of Ozona and 1 1/2 miles southwest of the one - well Perner Ranch (Simpson gas) field.

Originally drilled by Moore Brothers, it was abandoned Feb. 9, 1938 at 9,105 feet.

Location is 1,320 feet from the north and west lines of 37-2-1&GN. On some maps it shows to be 2,300 feet from the north and west lines of the section.

The Simpson discovery, the firm's No. 1 Perner Ranch, was finished Jan. 30, for 13,500,000 cubic feet of gas per day, through perforations at 9,398-414 feet.

Delta-Suburban, Odessa, will drill the No. 3-A Friend on a 1/2-mile northeast outcrop to the five-well Ozona, East (Ellenburger gas) field and the same distance northeast and southeast of the Ozona (Canyon gas) field.

Location is 1,500 feet from the south and 1,380 feet from the west lines of 93-GH-GC&SF. Scheduled depth is 8,500 feet.

The Ozona (Canyon sand) field was extended 2 1/4 miles southeast and the Hunt-Baggett (Strawn) field, 1/2 mile southwest, with dual completion of Wallen Production Co., Midland, No. 3 Wallen-Miller, eight miles south of Ozona.

It was finalized from the Strawn for a calculated, absolute open flow of 860,000 cubic feet of gas per day, with gas-liquid ratio of 60-608-1, through perforations at 8,659-788 feet, which had (Continued on Last Page)

Youth Night Service Sunday At First Baptist

A team of young people will be in charge of the services Sunday night at the First Baptist Church.

Glenn Connell of Barksdale, Texas, will preach the sermon. Glenn began preaching in 1967 and was licensed in June of that year and has been preaching since as a pulpit supply and as an evangelist. He plans to attend Howard Payne College in Brownwood this fall majoring in Religion and minoring in Biblical Interpretation.

Song leader for the Youth night will be Clay Pope of Barksdale. He is a graduate of Nueces Canyon High School where he played in the band and was Drum Major. At the present time he is music director of the First Baptist Church in Barksdale. He plans to attend Howard Payne College in Brownwood this fall. Both young men led a Community Youth Led Revival at the Northside Baptist Church in Uvalde.

"It will be an excellent time to hear Youth Speak for Christ," Rev. Jim Hancock, pastor, said. "The service begins at 7:30 p. m. and the entire community is invited."

Mrs. Montgomery Urges GOP Vote In Speech To Rotary

First in a series of the club plans to hear in the current political campaign, Mrs. Tom Montgomery, Ozona Stockman editor, spoke on behalf of the Republican ticket of Richard Nixon and Spiro Agnew at the Ozona Rotary Club luncheon Tuesday noon.

Mrs. Montgomery reviewed the record of the present Democratic administration and those before it and pointed to the aggregate result of staggering national debt, world-wide hostility toward this nation, lawlessness in the streets of U. S. cities, the sacrifice of American lives in a no-win war in Vietnam, the ever-increasing tax burden on the American people and the constantly present shadow of run-away inflation and paralysis of American industry.

Mrs. Montgomery urged her hearers to put aside loyalty to a party name as such and vote for principle and a reverse in the nation's rush to ruin in the hands of the liberal Democrats. Of the three leading Democratic candidates for the nomination, she listed Hubert Humphrey as having the most liberal record as tabulated by the Americans For Constitutional Action watchdog committee. She urged a straight Republican vote in November. — wow

Fifteen Attend Selling Course

Fifteen persons from local retail stores attended the salesmanship course last week, sponsored by the Chamber of Commerce. The course was held nightly, Monday through Thursday, in the Chamber of Commerce building.

Mrs. Mary Francis Bowder, Supervisory and Management Training Specialist of the Division of Extension of the University of Texas, conducted the course.

Those who attended the nightly sessions found them to be interesting and informative.

First Fall Meeting Of Scout Troop 153

Boy Scout Troop 153 met Tuesday night at the Scout house for their first regular fall meeting. Troop officers were elected and patrols assigned for the new year.

Gerald Olson was elected senior patrol leader with Dan Davidson troop scribe and Rodney Walker troop quartermaster. Patrol leaders elected were Rick Huncutt, Gary Mitchell and Dan Davidson. Other boys attending were: Forest Henderson, Jerry Reed, Weldon Nickles, Dennis Hester, Cris Reeves, Jimmy West, Charles Bishop, David Bean, Archie Elmore, and Eric Fitzhugh. Scoutmaster Garland Young invites any boy at least eleven years old to join the Boy Scouts any Tuesday night at 7:30 at the Boy Scout house.

Mixed Couples Golf Tourney Set Here Sat. & Sun.

The Ozona Country Club will host its second annual mixed couples golf tournament Saturday and Sunday, September 7 and 8. The two-day affair will consist of 13 holes of point system play each day, along with entertainment and dinner Saturday evening.

Participants may tee off any time before 2 p. m. Saturday to qualify for flight designation and qualifying score will be added to Sunday's score to determine winners.

A minimum age limit of 21 years has been set. The entrance fee will be \$20 per team and includes all entertainment. A maximum number of 72 teams will be accepted. Those wishing to enter are urged to mail their entry fee at an early date because of the limit. Entries will be taken on a first come, first served basis.

Prizes will be awarded the first three places in each flight, to each winning team member. Entries may be mailed to Dick Webster, tournament chairman, P. O. Box 985 or phone 392-2656.

Slight Drop In School Enrollment At Opening

Classes began in all schools Tuesday morning after a faculty meeting Monday, which officially opened the 1968-69 school term.

Enrollment was down somewhat from last year but is expected to pick-up with

\$438,000 FM Road Work for County In 1969 Program

The Texas Highway Commission has approved the expenditure of \$438,000 for improvement of the farm to market road system and for highway safety and betterment in Crockett County during 1969.

District Engineer J. A. Snell of San Angelo said that a total of 42.5 highway miles in Crockett County will be involved in the annual program. Thirty-eight and a half miles of the work will be under supervision of R. N. Jennings, District Maintenance Engineer with the remaining 4.0 miles being supervised by R. A. McCullough, Supervising Resident Engineer.

The work is a part of the Highway Commission's combined Farm to Market Improvement and State Highway Safety and Betterment Program for 1969.

Hiway Department Special Message Stresses Safety

The long Labor Day weekend brings thousands of additional holiday travelers on the highways. Everywhere, Texans will be enjoying the final summer cutting before school starts.

The Texas Highway Department strives to make the 68.5 thousand miles of highways in the State safe and convenient.

Construction areas, however, pose special problems to travelers, even though every effort is made to move traffic through and around them as smoothly and safely as possible.

The enclosed map pinpoints areas of major construction throughout the State.

The Highway Department urges you to call construction zones in your area to the attention of your readers. Repeat them as often (Continued on Last Page)

40 to 60 Families Expected to Move Here On Pipeline

The O. R. Burden Construction Co. is in the process of moving several families into Ozona. The company is engaged in laying a pipeline across the south part of the county.

Employing 150 men at peak operation, the crew will be in Ozona from three to five months. An equipment lot has been leased from the county at the corner of Ave. J and 14th St.

It is estimated that from 40 to 60 families with children will reside in Ozona when the company completes its move.

A crew of fifteen families moved into town this week with Mobil Oil Co. Most have children of school age.

various companies moving crews into Ozona. Total enrollment was 1,015, exactly 21 students shy of last year's enrollment of 1,036.

High school enrollment was 240, compared with 246 last year. The freshman class leads in enrollment with 81 students registered, followed by the senior class with 56, the sophomore class with 55 and the junior class 48. This year's graduating class will be one of the largest ever, providing all students finish requirements.

Junior high students numbered 175 at the end of the first school day an increase over last year's 153 enrollment. Eighth graders numbered 91 and seventh graders 84.

South Elementary enrolled 327 students, 5 less than last year. Enrollment at North Elementary was down to 273 from 304 last year. Enrollment for both elementary schools has declined the past three years. The drop in enrollment is more pronounced at North Elementary than at South.

By grades South Elementary has 84 in kindergarten, in first grade, 49 in second grade, 46 in third grade, 37 in fourth grade, 41 in fifth grade and 45 in sixth grade. North Elementary had 33 kindergartners, 33 first graders, 48 second graders, 39 third graders, 45 fourth graders, 42 fifth graders and 33 sixth graders.

Unless interscholastic league rules are changed, it seems likely the Ozona school district will remain in class AA next year. The high school maintained above 225 enrollment last year and it seems likely that the average will be above that class A figure again this year.

Ozona Lions To Scrimmage Fort Stockton Today

Coach Mosley's Lions will scrimmage Fort Stockton's Panthers this afternoon in Lion Stadium. Coach Fowler's B team will scrimmage the Fort Stockton B at 6 o'clock and the varsity scrimmage will follow.

The team is in good shape and ready to go, except for a few bruises sustained in practice last week. Coaches Mosley and Sewell are impressed with the team spirit, but are hesitant to predict the outcome in the new district.

After a week of two practices a day, the Lions began afternoon workouts Monday. They will scrimmage Robert Lee next week and the first game of the season will be September 13 with Junction here.

Bryan Montgomery Gets BA From TCU

Mr. and Mrs. Beecher Montgomery were in Fort Worth Friday night to attend commencement exercises at Texas Christian University, where their son, Bryan, was one of the 360 candidates for degrees.

Bryan received a bachelor of arts degree in English. He is now in the process of enrolling in law school at Southern Methodist University.

THE MESSAGE IS CLEAR

On August, 20, 1968, the dream bridge between Washington and Moscow fell down.

The issue of the Soviet newspaper Pravda for that date, published prior to the invasion of Czechoslovakia said: "Marxists - Leninists are not and can never be indifferent to the fate of socialist construction in other countries, and the general cause of socialism and Communism on earth... no one will ever be allowed to drive a wedge between the socialist states or undermine the foundation of the socialist structure. The fraternal parties consider it their obligation to insure that imperialist intrigues are nipped in the bud and to strengthen the unity of socialist commonwealth, and all revolutionary forces."

Only hours after that appeared in print, Radio Prague was announcing that "troops of the Soviet Union, Polish People's Republic, the G. D. R. (East Germany) the Hungarian People's Republic and the Bulgarian People's Republic (have) crossed the frontiers of the Czechoslovak Socialist Republic."

The Soviet watchers in Washington were taken completely by surprise. Said The New York Times in its issue of August 21: on the streets only hours after the invasion began "Only last week, the State Department

disbanded a special unit that had been set up to keep an eye on the developments in Czechoslovakia. Sources in the department said the disbanding was ordered after tensions between Czechoslovakia and the Soviet Union seemed to ease."

The message from the Moscow end of the bridge is clear. It is precisely as Pravda stated it: the enslaved will be kept in chains, imperialist intrigues will be "nipped in the bud," and the "unity of... all revolutionary forces" is paramount.

That means Moscow, and Peking, as well as Poland, East Germany, Hungary, Bulgaria — and blood-stained Czechoslovakia. It also means Hanoi.

Does anyone really believe that Moscow will permit Hanoi to negotiate an honorable peace in Paris?

These news to the Stockman:

LABOR DAY THOUGHT

LAND HO!

Land Ho. The promised land is in sight. The Great Society has arrived.

Some months ago, a certain Miss Juanita Smith, 24, an unwed mother of five children, moved to Philadelphia from Delaware. She applied for relief, and was told that Pennsylvania required a year of residence. This displeased her. She brought suit and a three-judge court then ordered the Pennsylvania Department of Public Welfare to pay her. Thereupon the State called upon Justice William J. Brennan, Jr., who has jurisdiction over Federal courts in Pennsylvania, to delay the effect of the ruling pending an appeal to the Supreme Court. The jurist denied the plea. Without comment.

More recently, the US Supreme Court has sanctioned "free love". The Court ruled that a woman and her lover of the moment may engage in a continuing affair without fear of losing the Aid to Dependent Children payments.

Now, it appears, no fevered female needs worry about getting carried away

some day and marrying the man of the moment. Another judge has opened a third gate. In Brooklyn, New York, a Supreme Court Justice has ruled that the city must pay all expenses involved in procuring a divorce.

In New York State, a necessary step in procuring a divorce is the publication of legal notices. That's expensive business. A woman who could not afford to pay for such legal notices applied to the City Finance Department. The department refused to pick up the tab.

An enterprising attorney took her case to establish a precedent for others.

As a consequence of his effort, the Great Society is now complete. If the precedent stands, the partner to marriage who can't afford the price of a divorce can send the bill to the local government — city, or county — and save the trip to Mexico or Las Vegas.

The understanding judge suggested that poor people who want a divorce, and who can prove that they don't have the wherewithal to pay the tab, can trot down

to City Hall and deliver the bill.

And that completes the possibilities: The taxpayer supports those who don't marry, he supports those who live as if they were married, but aren't; and he finances those who did marry and want a divorce.

Take your choice. You can't lose.

MRS. STEPHEN SPRINGER
... nee Miss Alice Dyer

Miss Alice Dyer, Stephen Springer Are Married Here

Miss Alice Dyer and Stephen Miles Springer were united in marriage in an evening ceremony August 18, at the Faith Lutheran Church. Rev. Kenneth Vaughn of Eldorado performed the ceremony, assisted by Rev. Stuart Fimhaber, pastor.

Parents of the couple are Dr. and Mrs. Edward L. Dyer of Ozona and Mr. and Mrs. B. P. Springer of Odessa.

The bride, given in marriage by her father, wore a traditional gown of white silk organza. The sheer cage back with an organza bow extended into a chapel length train. Her shoulder-length veil of silk illusion was held by a headpiece of white silk roses. She carried a cascade bouquet of white gardenias and stephanotis on a white ribbon.

Mrs. Dennis Blackburn of Dimitt served her sister as matron-of-honor. Bridesmaids were Miss Lynn Simpson of South Carolina and Mrs. Charles Alcorn of Lubbock. The attendants wore apple green linen formal gowns trimmed in ecru lace and green velvet. They carried bouquets of yellow mums.

Best man was Benjamin Springer of Wichita Falls, brother of the groom. Groomsmen were Charles Alcorn of Lubbock and Joe Abbott of Odessa. Ushers included Dr. John Dyer of

Stillwater, Okla., Dr. Dennis Blackburn of Dimitt and John Griffin of Lubbock.

Vocalist was Mrs. Stuart Fimhaber and organist was Mrs. Bud Cox, III.

A reception was held in the church parlor immediately following the wedding. Mrs. John Dyer and Mrs. Earlene Alexander served the tiered wedding cake and Mrs. John Griffin served punch. Mrs. James Britten of Kendallville, Ind., cousin of the bride, registered the guests. Other members of the house party were Miss Linda Williamson and Mrs. Joe Abbott, both of Odessa.

After a honeymoon trip to Colorado, the couple will be at home in Canyon where the bridegroom is a senior at West Texas State University. The bride is an August graduate of Texas Tech.

The bridesmaids' luncheon was held in the home of Mrs. Lloyd Sherrill the day before the wedding and Mr. and Mrs. Springer held the rehearsal dinner that night at the El Sombrero Cafe.

N'west Crockett Strike Assured In Ellenburger

An Ellenburger discovery apparently was assured in Crockett County with the swabbing of new oil plus 1 per cent water, at the hourly rate of 8 to 19 barrels per hour at H. L. Brown, Jr., Midland, No. 1 Ruth Schlinke in 6-BB2-J. A. Stowell, 15 miles south of Rankin, eight miles northwest of the one-well Meek (Canyon) field and 5 1/2 miles northwest of the one well Que Suerte (Pennsylvanian) field.

Operator acidized through perforations at 11,368-386 feet and the project flowed 5 1/2 barrels of load oil in 30 minutes, then swabbed 145 barrels of fluid in 9 1/2 hours and then swabbed the above gauge. Testing continued.

Gulf Oil Corp. will drill the No. 8-E J. H. Tippett as a 1/2-mile east outpost to lower Wolfcamp production and 1/2-mile southwest outpost to 5,050-foot Wolfcamp production in the Tippett, West field and as a 1/2-mile southeast outpost to lower Leonard production in the Tippett multipay field of Crockett County.

Location, on a 1,614.05-acre lease, is 660 feet from the northwest and 660 feet from the southwest (Pecos River) lines of 39-31-H&TC. Contract depth is 6,200 feet.

New higher interest rates on Savings Bonds and Freedom Shares

Now U.S. Savings Bonds pay 4 1/4 %, new Freedom Shares pay 5%.

Today, Savings Bonds are a better investment than ever. Now they pay 4 1/4 % when held to maturity. And new Freedom Shares pay a full 5% when held to maturity.

Freedom Shares are still sold on a one-for-one basis with Series E Bonds, but now you can buy the combination any time at your bank—and not just on a regular monthly plan as before.

The higher interest rate on Savings Bonds applies not only to the new ones you buy, but to your older ones too for their remaining period to maturity—generally effective with the first full six-months interest period beginning on or after June 1. (Outstanding Freedom Shares are not affected).

Buy Bonds and new Freedom Shares—help yourself even more as you're helping your country.

Can you always believe what your eyes tell you?

An American tourist in a foreign country boasted of the wonders of his own land. "Why, we have telescopes that let us see millions of stars!"

He was jolted by the native's reply, "Maybe you see millions of stars and nothing beyond. We see only a few stars and God."

Are you looking for the stars and missing God . . . or harnessing the atom and losing your security . . . or chasing rainbows and missing the gold?

All of us need to look for what the heart can feel, not just what the eyes can see. We need to find God.

Why not look for Him in church Sunday? He is waiting for you.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

HIGHLIGHTS AND SIDELIGHTS

Austin, Texas — Tradition-ally Austin has been the headquarters site for Texas campaigns of presidential candidates. But George Wallace's official campaign headquarters (American Independent Party) now is located 49 miles to the south, in New Braunfels.

It was moved from the capital city to within 30 minutes' drive of the office of the party's state chairman, Bard Logan of San Antonio. This move is significant — especially to those 600,000 Texans who are expected to vote for Wallace in November.

When the state executive committee of the American Party decided to replace Miss Jane Sumner of Austin with Jack Zengler of New Braunfels, named Sam Rains of Austin as treasurer, replacing Mrs. Margaret Bacon of Austin; and removed Mrs. Jewell Lemons of San Antonio from the committee, charges of "Birch-ism" were hurled. Miss Sumner ran for Congress on the Republican ticket in 1966 and Mrs. Bacon had served as secretary to Liberal Democrat Franklin Spears' 1966 bid for State Attorney General.

"It's not the Birch people that are causing the trouble," Chairman Logan says. "It's the anti-Birch people. They were all looking for Birchers when they were getting signatures to get Wallace on the ballot. Now that the job has been done, they seem to want to fight."

Gubernatorial Campaigns Heat Up — Lt. Gov. Preston Smith's announcement that he would not go to the National Democratic Convention in Chicago because he would rather use that time to get better acquainted with delegates to the State Democratic Convention, to be

held in Austin Sept. 17, came as something of a surprise.

But it's not the first time Smith instinctively has steered clear of battles within the party — as the Chicago scene was sure to be. He has gained some widespread and rather unexpected support from liberal Texas Democrats because he refused to go with Gov. John Connally, then Atty. Gen. Waggoner Carr and Speaker Ben Barnes to head off a migrant worker's march to Austin two years ago.

Smith, however, says he is serious about wanting to meet and talk to state convention delegates because he wants to command the convention. The September state convention is known as the "governor's convention." It will be interesting to see who wins control — the man who is governor now or the man who is the Democratic nominee.

There's no doubt among Republicans that the star of their state convention in Ft. Worth on Sept. 17 will be GOP gubernatorial candidate Paul Eggers. Eggers is running a hard race against Smith.

City Water Prices Vary — "Water Service in Texas Cities," new publication by the Texas Municipal League, indicates a wide spread in water prices throughout Texas.

Lowest city rate is Uvalde's \$2.50 per 10,000 gallons; highest is Terrell's \$10.25. League said average water prices charged by 61 cities of populations between 10,000 and 25,000 is \$6.00 per 10,000 gallons.

Tidelands Arguments Again — U. S. Supreme Court has granted Atty. General Crawford C. Martin an Oct. 14 requested hearing on location of Texas shoreline or the point from which Texas measures its submerged land boundaries.

Last December a decision granting Texas ownership of tidelands to 10.3 miles into Gulf of Mexico held that

where shoreline has receded, Texas cannot claim the 1845 historic boundary (which would give Texas more acreage). Federal government also would deny Texas its 10.3-mile area where the shore has built out into the Gulf.

At stake is about 36,000 acres. Since 1950 the undisputed acreage has yielded more than \$100 million in oil-gas leasing for permanent school fund.

Washington News Letter

Congressman O. C. Fisher

An awareness of the need for a change in the method of choosing members of the supreme Court has become apparent during consideration by the Senate of the Fortas - Thornberry confirmation.

Out of it has come several proposed changes in the Constitution, designed to remove such appointments from the realm of political favoritism. In recent years such choices have become patronage plums, with little thought being given to judicial qualifications of those appointed.

One U. S. Senate proposes that vacancies be filled from

a list of five — chosen by a conference of all the chief judges of all the states' highest courts and the chief judges of all 11 U. S. Courts of Appeals. The President would then have to pick one of the five, and the Senate would have to confirm.

This is an excellent approach. I introduced a resolution to accomplish about the same plan several years ago. Such a method would go far toward removing such appointments from politics and favoritism.

Another sound proposal require each member of the Supreme Court to be reappointed and confirmed every 10 years. That would prevent members from becoming autocrats, and would allow their official conduct to be

scrutinized and reassessed periodically.

In any event, it is now generally admitted that the Supreme Court has in recent years played havoc with constitutional government. That fact was recognized by the chief judges of all the states' courts at a meeting not long ago. They accused the high court of "making new laws", rather than interpreting them.

But changes in the Constitution are extremely difficult to come by. The knee-jerk liberals always oppose such changes. They are committed to the concentration of power in Washington — and the Supreme Court has in recent years advanced that concept.

What is needed is a sen-

sible, acceptable method which the American people can support — a method which can be immediately crystallized. The power of public opinion could be exerted. Unity of action and unity of action is to be corrected if it is too late.

M. A. Barber, principal of South Elementary school, has accepted nomination as elementary school in Big Spring. Barber will teach kindergarten at Airport Elementary.

Accurate and Complete RANCH RECORDS Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

Easy To Keep - Complete Record - In 1 Volume

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Movement To Anarchy

Since the Franklin
Era, with the ex-
cesses of the Eisenhower
era, American
life has been do-

tion chiefs, minor-
voters and radical
drawn from the U.
Time and again
a winning com-

Far, however, a new

in widespread an-
all have produced a
action among res-
citizens who know
nation must have
order to achieve fur-
ress.

Counter-movement to
a true grassroots
of Americans have
out up with many
ing reverses at home
pad. The Johnson
ation's "no win"

Vietnam has an-
at numbers of citi-

At home, the Ame-
ple have seen their
invaded by an army

mpment on the
the Potomac. Other
ens are outraged at
es on the campus
ne entrenchment of
n college and uni-
sculties. Still others
ned at the decline of
dollar as result of
ationary spending
of the "liberal" re-
charge in Washing-

ty owners across
on are shocked and
that in many com-
police have not
owed to shoot loot-
arsonists and that
ney General of the

United States, Ramsey Clark,
seems more interested in
giving privileges to disorder-
ly elements than he is in
helping create a climate of
law and order in the nation.

In short, great numbers of
Americans have had enough.
They don't want the Great
Society's ruinous policies
continued under a successor
administration. They are
properly concerned that a
new defeatist administration
dominated by "liberals" will
abandon the cold war strug-
gle against communist ty-
ranny and thereby lead the
United States to disaster.

Out of this widening pub-
lic concern has come the
counter-movement of res-
ponsible Americans mani-
festing determination that
realistic, forceful policies
prevail in the next four
years. At the heart of the
new, emerging political co-
alition are the two principal
streams of American con-
servatism — the conservatism
of the South and the West.
What is most significant,
however, is that the counter-
movement is strongly at-
tracting the industrial work-
ing people of the North and
the small businessmen of
that region. For the first
time in decades, the north-
ern industrial worker is re-
jecting stereotyped "liberal"
ideas. They see their neigh-
borhood and their local

schools threatened with
ruin by anarchists in the
street and by social recon-
structionists in the White
House and the universities
who want to shatter estab-
lished patterns of living.

The industrial worker, who
has scored great economic
gains through the growth of
U. S. free enterprise, sudden-
ly realizes that these gains
will be taken away if mili-
tant leftists have their way
in refashioning American
society along radical lines.
They know that American
cities can't be improved by
subjecting the suburbs to a
new form of compulsory as-
sociation or by agreeing to
pervasiveness in handling
of protesters. "Law and or-
der" is a theme that tou-
ches the deepest concern of
the average American in all
parts of the country, South
and North, East and West.
That's why the new political
coalition is forming. Once
established, it should result
in a new orientation of A-
merican life and politics and
in the process, save the Re-
public.

To be sure, the "liberals"
want to kill the new coali-
tion in its cradle. It already
is apparent that they will
resort to smear tactics a-
gainst the leader who stand
for domestic tranquility and
victory in Vietnam. What is
imperative, therefore, is that

the "stay at home" conser-
vative vote turn out for once
and give the American gov-
ernment back to the Ameri-
can people in November.

MRS. BEALL MONROE BARBEE
nee Miss Gayla Speck

Miss Gayla Speck Is Bride Of Moe Barbee In Menard Ceremony

Miss Gayla Speck, daughter of Mrs. Fritz Ray Speck of Menard, and Beall Monroe (Moe) Barbee, son of Mr. and Mrs. Willis Beall Barbee of Ozona, were united in marriage Friday afternoon in the Calvary Episcopal Church in Menard. Rev. Kevin Davies, rector of St. James Episcopal Church in Alpine, performed the ceremony.

The bride wore a formal gown of peau de soie with Alencon lace, a deep yoke and long tapered sleeves. The train, Mrs. Danny Gary of Alcon lace set into wide peau de soie panels.

Mrs. Joy S. Glover, sister of the bride, was matron of honor. Bridesmaids were Mrs. Dayma Smith of Austin, Mrs. Danny Gary of Ripine and Mrs. Jessie Williams of Weatherford, sister of the groom.

Beall Barbee served as his son's best man. Groomsmen and ushers were Danny Gary of Alpine, Jesse Williams of Weatherford, Bob Carruthers of San Angelo, Bud Courtney of Midland, Douglas Moore of Ozona and Bob Speck, brother of the bride.

A reception followed the wedding. Members of the houseparty included Miss Leese Speck, Miss Susie Speck, Mrs. Denny Ray Speck, Mrs. A. L. Speck, Mrs. Buddy Speck, Mrs. Joe Speck, Mrs. Bill Upton, Mrs. Katherine Hunter, Mrs. Jeffery Sutton, Miss Jackie Spenser, Miss Rebecca Sorrell, Miss Debra Helmers, Miss Rayna Haney, Miss Sue Stewart, Mrs. Bud Courtney, Miss Fritz Glover and Miss Toni Speck.

After a brief wedding trip the couple will be at home in Fort Davis, where Mrs. Barbee is a first grade teacher.

Mrs. Barbee was graduated from Menard High School and Sul Ross State College. The bridegroom, a graduate of Ozona High School, is a senior at Sul Ross and plans to attend dental school after graduation.

The bridegroom's parents were hosts at the rehearsal dinner Thursday night at the Menard Country Club.
