## Ozona Talent To Be On Odessa Television Station MOD Telethon

Ozona talent will occupy two spots on the entertainment program of the Odessa TV station's Telethon on behalf of the 1961 March of Dimes campaign Saturday and Sunday.

The Vocalettes, composed of nine Ozona eighth grade girls, will be seen and heard at 10:14 Saturday night on Odessa KOSA Channel 7 station in a choral number.

At 1:10 a. m. Sunday, Charles (Chuck) Taylor, Ozona teacher and talented pantomimist, will do some of his popular readings and comic song numbers by "liping" recordings, an art that has "laid 'em in the aisles" in a number of local presentations.

The girls, Linda Leath, Janis Walker, Jen Paulk, Ann Long, Vicki Applewhite, Carmen Childress, Mary Jane Dunlap, Diana Couch, and Susan Long, with Kathy Stiles as accompanist, are pupils of Miss Cleona Quietl, local voice and piano teacher. They and Mr. Taylor auditioned last weekend and were accepted by the station as a part of the night's entertainment.

Oscar Kost, manager of the Ozona Television System, said yesterday that he hopes that trouble the Odessa station has been having early this week can be cleared up by Saturday. The station, received on the Ozona TV cable system by microwave, had a power failure early in the week, necessitating a reduction of the station's broadcast power, which, in turn, made it impossible for transmission of the signal by the microwave service to previous quality.

While the KOSA signal, transmitted on the cable system as Channel 4, is in trouble, the TV system has switched its service to regular antennas, bringing in the San Antonio WOAI Channel 4 programs.

## Bank Contributes To Special Fund Of Soil Conservation District

The Crockett Soil Conservation District Supervisors expressed appreciation to the Ozona National Bank for their generous contribution to the District's special fund. This special fund is used for the promotion of conservation projects in the Crockett Soil Conservation District by supporting such projects as the annual District 4-H and F. A. grass judging contest and the conservation essay contest in the Ozona High School.

The new chairman of the Crockett Soil Conservation District is Alin Harrell, the new secretary is Bill Clegg, and the members are Charles Davidson, Jr., past chairman, Bascomb Cox, and Troy Williams.

## College Students In Between-Terms Visit

Between term lapses following mid-term exams brought a number of Ozona college students home last weekend with some scheduled to be at home the balance of this week before resuming studies at their respective schools.

Joe Warren Friend, Johnny Jones, Tommy Porter, Janice Spencer, Jess Marley were all home from Texas Tech with others still to come. Bobby Sutton was home from Baylor Tuesday and possibly others will be in by mid-week. Roy Neil Killingsworth from West Texas State has already returned to Canyon.

Johnny Cooper and David Sikes arrived from East Texas State, Tommy Stokes from Texas Tech and from Baylor, Stan Williams and Jim Williams.

Bad weather may delay some of the students in returning home while others will arrive according to when exams are scheduled to be completed during the week.

Joe Pierce, Jr.

## Joe S. Pierce Laid To Rest In Services Friday

### Prominent Rancher, Resident of County 62 Years Died Thurs.

Funeral services were held at 2:30 Friday afternoon from the Ozona Methodist Church for Joe Sellers Pierce, Jr., 70, Crockett county ranchman and resident of the county for 61 years, who died at 11:30 Wednesday night in a San Angelo hospital where he had been under treatment for several weeks for a heart condition.

Services were conducted by the Rev. Morris Bratton, pastor with burial following in Cedar Hill Cemetery under direction of Cody Funeral Home. Pallbearers were W. E. Friend, Jr., C. O. Walker, James Baggett, H. M. Phillips, Jr., Joe Tom Davidson, Vic Montgomery, Wayne E. West, Bill Childress, Jack Williams and Bobby Halydier.

Mr. Pierce was born at Junction in Kimble county June 23, 1890. His father, who came to Texas from Pennsylvania, was an early day ranch employe of the late Capt. Charles Schreiner, and with Capt. Schreiner's financial help had gone into business for himself in the Junction area. Caught in a financial squeeze late in the century, Mr. Pierce, Sr., brought his sheep and family farther west, settling his family in Ozona and his sheep in Terrell county, on Independence creek. He later moved to Crockett county where he became one of the area's leading ranchmen.

Educated in Ozona schools, Mr. Pierce attended business college in San Antonio after which he helped his father in the ranching business until going into the business for himself in 1912. He had gradually expanded his holdings and remained active in their management until a few years ago when he turned over most of the operations to his children.

Always a community booster and champion of the livestock industry, Mr. Pierce was one of the founders of the Crockett County Fair Association and served as its first president in the early years of the organized development of one of the outstanding stock show, rodeo and horse racing attractions in West Texas, attracting upwards of 10,000 people to Ozona at its July celebrations. Mr. Pierce served six years as head of the Fair Association here.

On August 15, 1913, Mr. Pierce married Miss Gladys Moore of Bay City. Survivors are the widow; one son, Joe S. Pierce, III; one daughter, Mrs. Dempster Jones; a brother, Victor I. Pierce; one sister, Mrs. Tom Smith; five grandchildren and one great-grandchild, all of Ozona.

### GEORGES HAVE DAUGHTER

Mr. and Mrs. Jeff George of Monahan are the parents of a daughter born in Monahan January 19. Mrs. George is the former Miss Lou Nelle Beall of Ozona. The baby weighed 8 pounds, 11 ounces and has been named Katherine Lou George. She is the granddaughter of Mr. and Mrs. Pink Beall of Ozona and of Mr. and Mrs. Rex George of Houston.

## Winter's Worst Brings Sleet, Ice Record Low of 17

### Moisture-Laden Spell Adds .4 Inch To January Total

Winter aimed its big guns at West Texas this week and in the ensuing shivering blizzard, rain, sleet snow and cold, cold temperatures, combined to create the worst assault of the season, a record that most of us fervently hope will stand up for at least the balance of the winter.

On the heels of a balmy spring-like day Tuesday, the arctic blast swept in in late afternoon to tumble temperatures as much as 20 degrees in less than an hour's time. Warm rain, amounting to .3 of an inch, had fallen here in the early morning hours, to be followed by clearing skies and warm sunshine and mild breeze.

Sleet and ice covered the ground and streets Wednesday morning, making driving hazardous in town and on the highways. Low hanging clouds and occasional drizzles continued through the day, temperatures moderating somewhat in the afternoon to make driving a little less hazardous. Early morning readings of 17 degrees was reported here.

A temporary gas shortage made many homes on the west side of Ozona cold Wednesday morning but service was restored over most of the city by 9 a. m. The gas failure caused furnaces in the schools to be out for about an hour but the units were back in service before the buildings had cooled down appreciably.

The moisture brought the month's total to over two and a half inches, which exceeds the January fall of last year.

## Teachers Favor General Sales Tax Over Payroll Tax For State Finances

Miss Lola Mae Daniel, member of the Ozona Public School faculty, visited in Austin last week as the guest of several West Texas Legislators while representing the Texas Elementary Classroom Teachers Association and as a member of the Crockett County T. S. T. A.

Miss Daniels conveyed to the legislators the general feeling of the Crockett County group that favored a broad-based sales tax over the Governor's proposed payroll tax.

Crockett County teachers feel that the man on pay roll now pays the heaviest tax of any citizen and that too many would be excluded from such a tax. The sales tax, on the other hand, would tax people only on what they spend and would also pick up thousands of dollars from out of state trade that goes untouched. Texans spend great sums of money in neighboring states nearly all of whom have sales taxes while Texas is missing out on this income, the teacher spokesmen said.

Crockett teachers, however, feel that any tax will be unpopular but that one must be passed and makeshift efforts to patch up the state's finances can do nothing but fail.

## SCS Dist. Supervisors Meet Here Wednesday

Crockett County Soil Conservation District Supervisors will meet in regular session next Wednesday Feb. 1, at the Hotel Ozona. The Supervisors will meet at 2 p. m.

R. A. Harrell is chairman of the board of supervisors and Bill Clegg is secretary. Other members are Bascomb Cox, Troy Williams and Chas. E. Davidson, Jr.

In the meeting next week, the District's supervisors will examine the district report for the year 1960 and will discuss plans for 1961 operations. Also up for discussion will be the Great Plains Conservation Plan in which Crockett county landowners are now eligible to participate.

## Eight Crockett 4-H Members Exhibit At San Antonio Show

Eight members of the Crockett County 4-H Club will have entries in the San Antonio Livestock Exposition, Feb. 10-19. Under the supervision of County Agent Pete W. Jacoby, twelve boys lambs, two Hereford steers, one Hereford junior heifer and twenty-two junior Rambouillet sheep have been entered by Bill Williams, Larry Williams, Jay Miller, Pam Jones, Duwain Vinson, Jr., Bill Jacoby, Penn Baggett and Mark Baggett.

Their entries are among more than 5,000 head of livestock and horses which will be at the Feb. 10-19 Exposition. An all time high of \$156,679 in premiums and purses is offered, according to president E. W. Bickett, who also announced Saturday, Feb. 11 will be "Rural Youth Day" with some 35,000 rural youngsters expected to attend if good weather prevails.

## Jazz Is Topic For Music Club Meeting

Ozona Music Club met Thursday night in the home of Mrs. Morris Bratton with Mrs. J. W. Howell, Mrs. Roy Killingsworth, Mrs. J. S. Pierce, IV, and Mrs. George Russell, Jr., as assisting hostesses.

Allen Morgan, Ozona High School band director, was guest speaker, discussing jazz music.

Others present were Meses. Byron Cleere, Armond Hoover, Jr., J. G. Hufstetler, Frank James, Herb Kunkel, L. R. Lenington, Will O. Mills, Opal Oehler, D. B. Pettit, Otto Pridemore, H. B. Tandy, R. K. Wimberley, W. C. Owens and Roger Gotcher, and Misses Mary Cox, Lucille Farmer, Geneva Knox, and Roberta Lawrence and Mrs. Harry Ward of Canyon, a guest.

## Payments Lag As Deadline Nears For Poll Taxes

### Only 445 Have Paid Of 1400 Potential; Deadline Jan. 31

With the January 31 deadline looming, less than half the potential number of voters had qualified by paying their poll taxes at mid-week, reports from the tax collector's office indicate.

Only 445 poll tax receipts had been issued at the sheriff's office this week. With an election year potential of around 1400 voters the figures represent about a third of the voting strength has so far qualified for the privilege of voting in 1961 elections.

A busy week-end and first two days of next week is in store for deputies and clerks in the collector's office as the last-minute payers will be flocking into the office. Those who fail to pay the \$1.75 poll tax, unless they are otherwise exempt, will be unable to vote in the coming election for U. S. Senator to fill the post vacated by Lyndon B. Johnson. Other elections, such as for school board members, possible bond votes and other off-year elections, may also occur in the year for which a poll tax receipt will be necessary for the voting privilege.

Next Tuesday is another deadline — for those who have not yet paid their county, state and school taxes for the past year. Most of these taxes were paid in the first three months of the collection period, October, November and December, when discounts were offered, but there are always large numbers who wait until the last minute. Taxes not paid by January 31 become delinquent and penalties and interest will apply to raise the amount due.

Mr. and Mrs. Jess Marley had as guests during the past week Mrs. Marley's mother, Mrs. Margaret Box, and Mrs. Box's uncle, Charles Broderick. Their son, Jess C. Marley, a student at Texas Tech in Lubbock, was also home during the mid-semester vacation.

## Lamb Barbecue Featured At 4-H Club Show Supper

### Club Members Exhibit Stock At 14th Annual Show Fri.

The fourteenth annual Crockett County 4-H Livestock Show will be climaxed by a lamb barbecue supper at 6:30 p. m., Friday. The Ozona Butane Company gives the barbecue each year at the 4-H show in support of 4-H club work in the county. The barbecue is free and everyone interested in 4-H club work is invited to come over and see the livestock and eat supper with the 4-H'ers.

Thirty-seven 4-H members will be exhibiting one hundred and seventy-five head of livestock in the show. Judging gets underway at 1:00 p. m., with J. E. "Spud" Tatum, vocational agricultural teacher of Rocksprings, placing all classes. Judging of champions and a fat lamb auction will close out the show around 8:00 p. m.

A host of committees are assisting county agent Pete Jacoby with the 4-H show. Carl Conklin, George Bunker, Jr., and Brock Joes, Jr., are serving as show superintendents.

Other committees are as follows: Weighing Committee: Bill Baggett, Boyd Baker, Duwain Vinson, Joe Couch and Dick Ketchum; Auction Sale Committee: P. L. Childress, Jr., John Childress and R. L. Bland; Lamb Show Committee: Bill Childress, Roy Coates, Glen Sutton, and Perry Hubbard; Cattle Show Committee: Troy Williams and Boyd Baker; Breeding Sheep Committee: Dempster Jones, Jake Miller and Kieth Mitchell; Grounds Committee: M. A. Barber, Beecher Montgomery and Bob Pitts; Barbecue Committee: James Baggett, Charlie Applewhite, John Coates and Charlie E. Davidson, III; Show Announcer: Ted White; Auctioneer: Mustard Williams; Auction Sale Clerks: Jim Dudley, Dick Kirby, and Floyd Hokit; P. A. System: Oscar Kost Concession Stand: Mrs. James Childress, Mrs. Joe Tom Davidson, James Childress, Joe Tom Davidson and all 4-H club mothers.

## Lions Beat Sonora For Last Second Goal For District 8A Cage Win

By Ernie Boyd

Phillip Carnes' field goal with just eight seconds remaining gave the Ozona Lions a tense 46 to 44 win over the Sonora Broncos at Davidson Gym Tuesday night in a district 8-A game.

Carnes had sat out the bigger part of the second and all of the third periods with four fouls before returning to the line-up in the fourth quarter to score seven points, including the vital last second field goal.

Hal Long, led both teams in point production with 15, followed by Sonora's Gene West with 14 and Primo Gonzales with 13 and Ozona's Carnes with 12.

Carl Montgomery led both teams in rebounding and was a key factor in Ozona's win as he also contributed 9 points to the Ozona attack including the goal that wiped out Sonora's last lead.

Ozona jumped in front on Phillip Carnes' first goal 2 to 0 and then Carnes hit a free throw and Van Miller a field goal before Gonzales broke the ice for Sonora. The Lions wound up the first quarter with a 13 to 9 lead but then West and Gonzales began to hit, and the Lions rebounding slacked off noticeably and the Broncos led at the half 23 to 22.

The shooting of Hal Long moved the Lions back into the lead in the third quarter but Sonora began to hit with regularity from the corner and led at the end of the period 35 to 33.

Sonora narrowly missed scoring the winning bucket with just 23 seconds to go when West got loose on a quick break, but Freeman harried the shot and the ball rolled off the front of the hoop.

THURSDAY, JAN. 26, 1961

**FREE SPEECH IN THE SENATE**

While calling loudly for Civil Rights legislation to protect the rights of a minority, the liberal majority in Congress is getting ready for a quick strike at the rights of all minorities. To succeed, they must act before the voters realize what is happening. The gambit will be a rule change to scuttle what's left of the right of unlimited debate in the Senate. Unlimited debate is the rule that permits a filibuster. The filibuster may have a bad name but it has a useful purpose. It is the traditional and almost only defense of a Senate minority against having its rights trampled by the will of the majority.

A filibuster can be stopped by a two-thirds vote of senators present, but a two-thirds vote is hard to get. Each senator knows that some day he may be in a minority and may need the protection of the filibuster. It is an issue of overwhelming importance to the people of his state.

The liberals probably will try to put through a rule to allow cutting off debate by a simple majority vote of the senators present. Under such a rule the Senate would become nothing more than a rubber stamp for whatever legislation is favored by the political party that has a majority in the Senate.

It will be a sad day when the Senate of the United States becomes a rubber stamp for anybody.

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Jan. 28, 1932

Tragedy stalked in the wake of death last Saturday night when a car driven by Adie F. Fincher of Houston, who was on his way to Ozona with his family to attend the funeral of Mrs. Fincher's mother, Mrs. Alice Crim Smith, overturned six miles this side of Kerrville, killing him instantly. Five other occupants of the car were unhurt except for minor bruises. They were Mrs. Fincher and her son, Claude, Mrs. Harold Baker of Ozona and two boys who are attending a boys camp at Kerrville and who were picked up by Mr. Fincher shortly before the accident. Double funeral services for Mrs. Smith and her son-in-law were held Sunday afternoon from the First Baptist Church.

A Crockett county taxpayer has hit upon a plan to pay his county and state taxes without having to dig up the filthy lucre. He has asked permission to sign a note for the amount due, but, however much the request might have wrung the heart of the tax collector, he says he "no can do".

Tom Casbeer, veteran Crockett county treasurer, this week announced his candidacy for a fourteenth term in that office.

The race for tax assessor gets warmer each week. With two candidates already in the race for his office, incumbent O. W. Smith this week announced he will seek reelection to his seventh consecutive term in the office.

Ozona and Sonora high school basketball teams evened accounts in a two-game series the past week, Ozona winning 18 to 14 on their own court and losing 24 to 8 in Sonora in a later game.

Dr. and Mrs. G. Miller left Monday for their new home in Waco where Dr. Miller is to be associated with the Waco Medical & Surgical Clinic.

A plea for prompt payment of dues to the Ozona Cemetery Assn. in order that the work of caring for the burial plot might be carried on was issued today by the chairman, Mrs. B. B. Ingham.

In order to increase the available supply of books in the school library, Supt. John L. Bishop has issued an appeal for donation of books to the library.

Little Mary Perner, daughter of Mr. and Mrs. Paul Perner, is recovering from a week's illness.

For sale — Coal bin, 4-ton capacity. Priced to sell immediately at \$10. Dr. G. Miller, Waco, Texas.

the Lions with a post mark. The Ozona team drew an open date and first half play in Big Lake next

team turned in its best performance of the season as they downed the 50 to 43. The Sonora team composed of the Ozona team began playing the best has played for Ozona at the Ozona at points of the last two games held off Sonora.

led all scorers with 32 points of which came in a commanding 32-2 half as Cox, Bill Gary Stewart led in attack.

an game played with in the lineup the Ozona team played a tightly played compare and Cookie Zabe Ozona attack with last minute goal icing test.

the scoring for the points.

Martin ACHS; George Kidd, Brady and Charles Reynolds, most outstanding, Brady.

The 1961 tourney played under ideal weather conditions drew good crowds, exceeding the 1960 tourney gate, which was one of the smallest in several years, by a considerable margin.

Superintendent of Schools L. B. T. Sikes expressed appreciation to all of the people of Ozona who did so much to make the tourney the success it was.

Don Henry, writing in the Standard-Times Tuesday, called the Ozona tourney one of the best run and conducted of all West Texas Tournaments. Not a single hitch developed in the 1961 program which certainly is a mark of commendation to tourney director Brooks Dozier and other school officials and Ozona people who did so much to carry out the plans already outlined.

#### NO EXPERIENCE NECESSARY

Must be willing to work and to learn. Pleasant, profitable work selling Avon Cosmetics. Complete training given.

### Opera Reviews Feature Woman's Forum Topic

"Let's Go To the Opera" was the program theme when the Ozona Woman's Forum met last Tuesday in the P. T. Robinson home. Mrs. Fred Hagelstein and Mrs. Boyd Baker were hostesses.

The four operas playing in San Antonio during the 1961 Opera Festival were studied. Mrs. Martin Harvick told of the development of the opera season in San Antonio, and of its growth under the sponsorship of the Symphony Society. Mrs. James Childress reviewed the opera Manon Lescaut, and Mrs. Joe Clayton told the story of Elektra, which are scheduled for February 25th and 26th. Mrs. Brock Jones discussed Rigoletto, while Mrs. Pete Jacoby told about the opera Aida, which are playing March 4th and 5th respectively.

During the business session, Mrs. P. C. Perner, president, announced committees for the annual style show, which will be held this year on February 25th. Fashions will be from Maurices and Marthas of

#### San Antonio.

One guest, Mrs. Jess Hall, and the following members attended the meeting: Mrs. Carl Appel, Mrs. Boyd Baker, Mrs. Chas. Black, Mrs. Nip Blackstone, Mrs. Hugh Childress, Jr., Mrs. James Childress, Mrs. Joe Clayton, Mrs. Bill Clegg, Mrs. Fred Hagelstein, Mrs. Tommy Harris, Mrs. B. B. Inghma, Jr., Mrs. Pete Jacoby, Mrs. Brock Jones, Mrs. Marshall Montgomery, Mrs. P. C. Perner, Mrs. W. T. Stokes, Mrs. C. O. Walker, Mrs. Jack Williams and Mrs. Martin Harvick.

## DECISION DRAW NEAR FOR GRADUATING SENIORS

With the beginning of this second semester, the seniors should begin to seriously think what lies ahead for them. Even now it is late to be making plans for college because of the over-crowded schools, but as the saying goes, better late than not at all.

This last leg of the journey can mean the difference between graduating or not for some people. It can make the difference between a good foundation for college or just enough on which to get by.

Even though these last few months will be crowded with the excitement of graduating activities, we must not push our studies aside at the time when they are most important.

Soon the seniors will be on their own and must make their own decisions whether they be in College or on a job; however, now is the time that the biggest decisions must be made — the decision of what you shall do with your life in the future. Give this much thought because a snap decision might get you started off on the wrong path. The decision of where you want to prepare yourself for your future career is important, but the biggest decision of all is to decide that you are going to college for the knowledge you can gain. Remember, however, that knowledge is not gained from books alone but from everyday experiences also.

College is a job much like any other job and it should not be considered a place to use for entertainment for four years. You should apply yourself the same as if you were getting paid for a job because you are being paid in knowledge.

Even if an education is not the most important thing in the world to you now, it may not be many years before it is. So do not slight yourself later by letting small, unimportant things take your time now. Sports and other things may be important now, but they never seem to help much in later years when you are trying to hold a

job or raise a family. Now is the time to decide what is important to you. No matter what your decision is, you should always resolve to do your very best.

## TOURNAMENT OFFERS EXPERIENCE AND POUNDS

Last week was a busy week for the H. E. girls. Every year during the tournament the H. E. classes along with the helping hand of Mrs. Hull prepare all kinds of goodies for the coaches and referees.

This enables the girls to gain valuable experience and enables the coaches to gain unwanted pounds.

The work proceeds in an assembly line style; one class prepares the pastry; the next class prepares the filling; then the next class bakes them and Mrs. Hull's job is to see that they don't burn. This assembly line, like all others, doesn't always turn out perfect products; but all-in-all the pastries turned out very well.

Usually the H. E. classes prepare the food and eat it themselves. During the tournament, the girls only got an occasional "lick" of the bowl or spoon.

Like all other times, the dirty pots and pans must be washed, so the girls that aren't eager to try their luck at cooking become expert dishwashers and the other girls are ever so grateful.

The other girls always claim the better products and the younger ones just have to be willing to accept the fact that they got second choice even if theirs were the best.

Often the coaches were so nervous that they didn't even recognize what they were eating. This may be the clue to the missing pie plates. This also might have been the reason for the comments of "what a crisp shell that pie had."

Several of the coaches reported indigestion which was to be expected when a banana pie plate is fed to a nervous stomach.

The coaches did, however, report that they thoroughly enjoyed the good, crispness and all. The H. E. girls are looking forward to more fun and experiences during next year's tournament, and are hoping that Mrs. Hull will still be willing to offer advice.

## BACKWARD LOOK AT TOURNAMENT REVEALS SIDELIGHTS

By Mark Baggett

There were many oddities that happened at the basketball tournament this past week end.

For example Mr. Leah went to the trouble to get up at 6:00 to go to the gym and start the coffee perking at the senior concession stand and when he returned a little later to see if the coffee was hot he found that one of the janitors had unplugged the coffee because he thought it had been on all night.

Another example of the unusual was when Mr. Hickman went into the ACHS dressing room after they had been victorious in a game during the tournament and found that the whole team including coach was crying because they had won.

The Ozona girls had a field day during the tournament and most of them were sorry to see the tournament end for reasons that do not include basketball.

For the third straight time Ozona played for third place and for the first time they were successful.

ACHS ruined their chances of winning consolation for the 4th straight time when they won their first game.

There were several accidents during the tourney. For example, Mike Stiles sprained an ankle during the Mason game. Another accident from Ozona was the Wayne Albers - Pete Montgomery collision which accounted half of 3 of Pete's teeth and put a nice little gash in Wayne's head. Big Lake lost Fin Watkins because of his ankle injury and Jim Prater, of Wink, had a severely twisted leg.

Don Henry of the San Angelo Standard-Times had a hard time reporting on the games due to the fact that it was rare that he ever got out of the Coaches' Lounge (Seriously, Henry did a good job of reporting on the tournament). The tall, young coach of ACHS had the habit of every time his team made a good move of clapping his hands and jumping up. From observance I would say he had several bumps on his head from hitting the concrete directly above the benches.

From my observation of the games in the tournament I would say that Tarlow and Owens were the two best referees in the tournament. (Continued on Page Five)

# JANUARY 31

## DEADLINE

### Pay Your Poll Taxes Now

You are reminded that next Tuesday, January 31, is the last day for paying your poll tax. If you wish to qualify for the right to vote in 1961, you must pay your poll tax on or before Jan. 31.

### STATE, COUNTY AND SCHOOL TAXES, TOO

Your 1960 county, state and school taxes must also be paid by January 31 to avoid penalty and interest charges. Penalty charges of up to 8 percent and interest at 6 percent per annum must be applied on delinquent tax payments.

## Billy Mills

Sheriff, Tax Assessor & Collector - Crockett County

# YOU PAY THE LEAST! YOU SAVE THE MOST!

In just five minutes, we Ford Dealers will show you how to save over one hundred dollars a year in operating costs with America's lowest-priced, full-size 6-passenger car (including the equipment most people want) and we'll give you a free copy of this folder to prove it!

You can ride in this rich-looking '61 Ford Fairlane... with radio, heater and automatic transmission... for less than the price of any other full-size, 6-passenger car in the U.S.A.

In fact, this car is priced nearly \$100 below some of the compact cars.\*

And this low price brings you a car that's Beautifully Built to Take Care of Itself. That means you'll save plenty in operating costs.

Figure it out for yourself with our FREE fact-filled folder, "Here's Proof..." At the same time, get our unbeatable SAVE-MOST DEAL on a '61 Ford Fairlane—for a limited time only. Don't waste another day or another dollar.

Here's how the '61 Ford takes care of itself

**Lubricates Itself**—Ford's normally 30,000-mile between-oil-change lubrication system costs only about \$4.00 and lasts about 20 months because Ford has invented a revolutionary grease pump with a built-in lubrication system.

**Checks Its Own Oil**—You'll go 4,000 miles between oil changes because Ford's Full-Flow oil filter gives you lubrication through three... trapping more dirt than any other type of filter made.

**Adjusts Its Own Brakes**—New Track Size brake adjuster... automatically.

**Checks Its Own Motor**—Ford mufflers are double-wrapped and insulated—to last three times as long as ordinary mufflers.

**Protects Its Own Body**—All vital underbody parts are specially primed to resist rust and corrosion, even to penetrating the body panels beneath the doors.

**Takes Care of Its Own Tires**—New Diamond Treads... built-in tread wear.

\*Based on comparison of manufacturers' suggested retail delivered prices, including radio, heater, automatic transmission and white sidewall tires.

'61 Ford Fairlane, America's moving sensation... featuring the Thrifty Mileage Maker Six engine.

Get our January SAVE-MOST DEAL on a '61 FORD FAIRLANE!

ows.

### BIG QUESTION — WHAT WILL I BE — SUCCESS OR FAILURE?

As the last terms of high school begins for the seniors class of '61 most of the students have started thinking about the future and what they are going to be when they leave school.

Some of their plans are as follows:

Sandra Whitaker would like to become a teacher. Roberta Johnigan was a little more specific saying she hopes to be an elementary school teacher.

Tony Parker has hopes of being a high school coach.

Buddy Anderson would like to become a civil engineer and his buddy Tommy Fields would like to be a playboy.

Jamie Everest says she would like to be a secretary.

Bob and Pleas both say they would like to be ranchers and they already have a pretty good start in it.

Martin Castellano says he would like to be an electronics engineer.

Leon Drago would like to become a band director.

Delia Borjes and Mickey Cervantes both want to be secretaries.

Pam Jones says she would like to ranch.

Deeney Holden say he would like to become a high school coach along with Tony.

Mike Stiles will follow in his father's footsteps and be a preacher.

Mark Baggett says he would like to be a dentist.

Anne Davidson says she is undecided, but she will probably end up being a housewife.

Richard Sikes would like to become an insurance salesman.

Wayne Albers has high hopes of becoming a commercial airline pilot.

Herbie Noelke and Red Holmesley would like to be ranchers, and chances are they will be.

Nancy Friend would like to be a high school English teacher.

John Aiguier hopes to become a career man in the Marines.

Cathy Hester would like to be a secretary and Barbara Barbree says she would like to be a teacher.

Jim Doran says he is undecided and his buddy Jim Freeman says he would like to be an engineer.

Art Kyle would like to become a mathematician.

Mary Lou Zunker would like to become a stewardess or a nurse.

Let's hope that most of the students get the jobs they want and succeed in their professions.

### THE LIONS PROWL

The big news this week was the 30th Annual Ozona Basketball Tournament. There were sixteen teams in the tournament this year.

Congratulations are in order to the Ozona Lions basketball team for winning 3rd place in their tournament. Congratulations also to Phillip Carnes for making the All-Tournament team.

So many people helped in making the tournament a success it is impossible to name all of them, but to mention a few: Miss North, the cheerleaders, and the twirlers who placed the boys in homes; the towns-people who kept boys; Mrs. Hull and the homemaking girls who prepared pies and cakes for the coaches; and all the women who donated food to the senior concession stand all deserve our thanks.

Pete Montgomery and Wayne Albers will remember the tournament for a special reason. It seems in the Ozona - ACHS game they ran into each other. Pete has a broken tooth and Wayne has a cut head.

The cheerleaders gave a dance in the cafeteria after the games Saturday night.

The town will be quiet for a while. The boys will have a rest from basketball and the girls will rest from chasing boys, (well, out-of-town boys, anyway!)

### VOLLEYBALL TEAM PLAYS IN BIG SPRING

The Ozona volley team under the tutelage of Miss Geneva Knox will make a quick trip to Big Spring Thursday. They will leave right after school and will return that night. They are returning a game Big Springs played here last spring.

WANTED — Pastorage for 500 to 1,000 head goats. Write Box 1121, Sonora Texas. 43-2tc.

### TEACHER BEGINS SIXTH YEAR IN O. H. S.

Selected for Teacher of the Week is Mrs. Warren Taliaferro. Mrs. Taliaferro was born in Eden, Texas and she attended school in San Angelo and graduated from Eden. Majoring in business education, she graduated from the University of Texas in 1942 with a BBA degree.

Mrs. Taliaferro and her husband, Warren, were married October 10, 1946, in Austin, Texas. They have two sons, Steve 12, and Craig, 4.

Mrs. Taliaferro was employed by the Texas Company before her career as a teacher in Ozona High School. She taught in South Elementary for one year, and has taught business education in O. H. S. for six years.

### SENIORS EXPRESS THANKS

The seniors wish to thank all the mother's for all the food and time that was donated in the tournament. A special thanks goes to all the ladies that have no connection with the Seniors who gave food.

The tournament is a big source of income for the seniors every year. There was about \$700 taken in, which is very good. This is not all the money needed to make the senior trip possible, but it is a very big portion. If it were not for the mothers and class friends, the concession stand at the tournament would have been a flop.

Not only the class but the sponsors appreciate all the help and food given during the tournament.

## MILLER LANES

# 1910 - THE OZONA WOMAN'S CLUB - 1960 FIFTY YEARS OF COMMUNITY SERVICE

Past President

Mrs. Mauldin (Mrs. Minnie Olsen) was a charter member of The Ozona Woman's Club, having come to Ozona as an elementary teacher. Other officers under her administration were vice-president — Mrs. Paschal Odom; recording secretary — Mrs. N. W. Graham; corresponding secretary Mrs. Frank Friend; treasurer, Mrs. Joe Pierce, parliamentarian, Mrs. Lee Childress.

The chairman of the Department of literature was Mrs. Collins Coates, and the course of study was Modern Fiction and Americanization. Some of the books discussed were Knut Hamann, the Growth of the Soil, the Red Lily, The Age of Innocence, and others.

A new committee was added this year — the cemetery committee with Mrs. Joe Oberkampf as chairman. They took over the care and improvement of the cemetery, hiring a caretaker, cleaning and marking etc. Also a complete constitution was added to the yearbook.

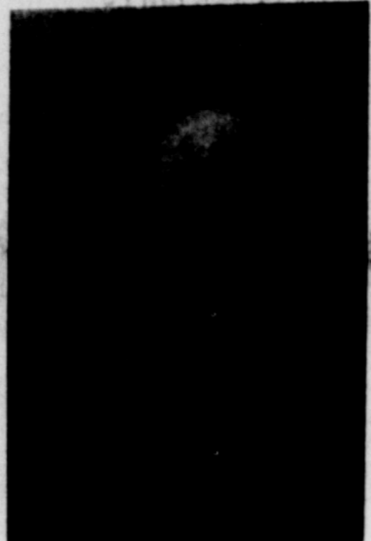

The treasurer's report shows expenses for an art exhibit, a rope for the pound man, a hotel bill for a health nurse for the schools, \$10 to help the basketball boys with their expenses and curtains for the stage in the high school.

New members were: Mrs. S. E. Couch, Mrs. Joe Davidson, and Mrs. W. B. Granis. Mrs. J. B. Smith was elected as an honorary member, and Mrs. Mauldin was the delegate to the Sixth District Convention. She served as Art Chairman of 6th District.

Mrs. Joe Oberkampf was chairman of the needlework department.

Minnie Royce Mauldin was the daughter of James Ford Smith and his wife Nellie Blain Smith, and was born in O'Neil, Nebraska. She attended North Texas State College in Denton, and also the School of Expression at Columbia.

When she first came to Ozona, she taught school in the building that was the first county court house. Soon after coming here she was married to Blake I. Mauldin, a local ranchman. After her marriage she taught expression to

Mrs. B. I. Mauldin  
1922-1923

private pupils.

After the early death of Mr. Mauldin, she returned to her love of teaching. She took a B. E. degree from Chicago, and became a dramatic reader and lecturer about the years 1924 and 25. She later attended Washburn College in Topeka, Kansas, and received a B. A. degree. She received wide acclaim for her monologues and poetry reading, as Dr. George L. Schergure of Armour Institute, Chicago, said, "Mrs. Mauldin brings to her audience a striking personality, a scholarly grasp of her subject, and real talent in the interpretation of her characters." And from the Columbia Clarion of Chicago, "An unusually clever and original and humorous lecture — recital."

While living in Topeka she was married to Maurice Oliver Volentine, and they settled in Newport, Arkansas. She has a step-son, Wyatt Volentine, of McCook, Neb., and two step daughters, Mrs. A. H. Green, of Birmingham, Ala., and Mrs. C. B. Ratchford of Aiken, South Carolina.

She is a member of the Methodist Church, and her special interests are Public Speaking, keeping scrap-books, and writing — how ever people are her keenest in-

terest.

Mrs. Volentine was the commentator on the Golden Anniversary Tea Program, of the Ozona Club recounting the early history and achievements of the Club, along with many humorous incidents. She told the interesting story of the first Lyceum. The Club heard that the Ben Great Shakespearean Players were engaged in Brownwood on a Wednesday evening and to give a performance in San Angelo on Saturday evening, so they were engaged to appear in Ozona on Thursday evening, on the basis of a \$500 guarantee, plus transportation from and to Barnhart. Now Mr. Roger Dudley, a local garage owner, who had two trucks, and with the aid of several local men — met them in Barnhart, and transported the players, tents, equipment and workmen to Ozona. The show was to have been in the City Park, but the weatherman interfered and "The Taming of the Shrew" was presented in the court room of the county court house. The club women sold 500 tickets at \$1 each to finance the play. The players remained in town over the night and the next morning presented "All's Well That Ends Well" to the school children, thus the club was given two performances for the price of one. This was so well received that for several years the club sponsored Lyceums and Chautauqs.

Though Mrs. Mauldin has lived away from Ozona many years — she states it is one of the happiest occasions to return to Ozona and her friends.

## HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Texas — When the Legislature faces a difficult problem on which there are sharp differences of opinion, the final legislation is usually a sort of Irish stew of compromises.

Ingredients for this session's main dish, state financing, are fast pouring into the pot. Simultaneously, Gov. Price Daniel and the Legislative Budget Board presented plans for state spending in 1962-63.

Governor Daniel recommended general revenue spending of \$479,964,734. Budget Board recommended \$356,183,172 — a difference of \$123,781,562.

New spending recommended by the governor would include a medical care program for the aged, \$600 a year salary hikes for public school teachers and other improvements in education.

As a primary source of new money, the governor endorsed the payroll tax proposal recommended last fall by the State Finance, Advisory Committee. He also approved raising state college tuition by \$50 a semester.

Daniel urged lawmakers to handle separately the deficit that's expected to be about \$65,000,000 by the end of the fiscal year. For this he tabbed a temporary 3 per cent natural gas tax, a franchise tax, each bill and transfer of the farm to market road program from the general revenue to the highway fund.

Auto Insurance Change — Sen. Grady Hazlewood of Amarillo, long time critic of present auto insurance regulations, has outlined a liberalized plan he will ask the Legislature to approve.

Changes recommended by the senator:

1. Use of only that part of a driver's record which was made since January, 1960, date the new merit system went into effect. As set up, insurance rates are based on driver's record for the past three years.

2. Eliminate from the list of violations causing insurance rate penalties (a) speeding less than

15 miles per hour over the limit (b) stop light violations involving amber, rather than red lights and (c) "creeping" at stop signs.

3. Eliminate from accidents that result in a penalty those where less than \$100 damage is caused. Present limit is \$25.

Wealth From The Past—There's money to be made in museums, mansions and missions — If they're kept up and made attractive to tourists.

An improved and increased array of historic spots could increase tourism 10 per cent and thereby state tax revenue \$1,750,000 a year, the State Historical Survey Committee reported to the Legislature.

Committee did not ask for state funds to renovate historic buildings. Instead, it suggested an \$82,775 appropriation for leadership and guidance of local groups who want to preserve or improve something in their locale.

Also recommended was a \$50,000 a year appropriation for the Civil War Commission to be used in setting up Texas' part in the centennial observance. Other states in the South, many of whom already have combined scenery and Civil War mementoes to make big drawing cards for tourists, have the jump on centennial planning.

Petticoat War — Women's rights advocates have come to Austin every session, as far back as most legislative observers can remember, to try to get rid of one or more of the Texas laws that treat women differently from men.

Every session, the women are treated with courtesy, viewed with amusement, and their bills are good naturedly buried.

This year the irked women, mostly members of the Federated Business and Professional Women's Clubs, are going all out. Instead of trying to get one or two individual statutes repealed, they are trying for a constitutional amendment guaranteeing equal rights for women and abolishing — at a stroke — all laws to the contrary.

Rep. Ben Atwell of Hutchins (Dallas County) will introduce the measure in the House.

New GOP Chief — Spokesman for the Texas Republican party's "new generation" of leadership is Tad Smith of El Paso.

Smith, a 32-year old attorney, succeeds Tad Hutcheson of Hous-

ton who resigned. Republicans are setting sights on: (1) Getting rid of the election code which they fear for their loss of Texas in the general election. (2) Running in the April 4 special election to name a new U. S. senator. Building up momentum for a serious effort to challenge U. S. Rep. Ralph Yarborough when he runs up for re-election in 1964.

**From The Agent's Office**

Pete W. Jacoby

Estimated 1961 meat production will provide consumers with the largest supply in history, both in total amount and per person. If the estimates are correct, Lloyd Bergsma, executive vice president of the livestock marketing specialists, says that per capita consumption of red meat will exceed 100 pounds per person for the first time in history.

Lloyd Bergsma says livestock producers are faced with a generally trending market during the first half of the year. The year will not feel the increasing supplies as those for the last half. The slaughter of cattle to average 1960 levels during the first half of 1961, but in the second half, the competition from hog production are expected to have their effect by late August. The greatest price drops are expected in the lower grades of beef.

Specialist expects a continuation of the herd build-up which began in 1958. But, he adds, weather conditions can play a mighty role. Cattlemen can be expected to react quickly to changes in pasture and feed conditions. The number of head in the nation is at all time high.

The brighter side, Bergsma says, is that the herd numbers have, partially at least, been held in check by the increased consumption of beef. This trend should result in a downward pressure on the price of beef. The increased demand for beef will continue to level of cattle and beef prices.

Cattle prices do not mean that profits will be at a minimum. It suggests to producers planning their operations.

Accurate and Complete

**RANCH RECORD**

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.
