Mitchell County Briefs

Santa Claus' last visit

Santa Claus will make his last visit to Colorado City on Thursday, December 23 from 4 p.m. to 5 p.m. at the Gazebo.

Chamber of Commerce Manager Linda McCombs urges all area children to go visit Santa, as this will be their last chance to tell him what they want for Christmas.

Christmas dinner

The Mitchell County Ministerial Alliance will be sponsoring its annual Christmas Dinner in the Civic Center for those who will be alone on Christmas Day.

The traditional meal of turkey and dressing and all the trimmings, will be served at noon December 25. There is no charge for the meal, but donations will be accepted.

Holiday hours

Due to the upcoming holiday, the Christmas edition of the Colorado City RECORD will be delivered on Christmas Eve, Friday, December 24.

To make the early delivery possible, deadline for ads and news stories for that issue will be noon, Thursday.

We will appreciate your cooperation and hope you have a Merry Christmas!

SCS contest

The Mitchell Soil and Water Conservation District is sponsoring a Conservation Essay and Poster Contest open to boys and girls 12 years old and under.

Entries must be mailed to Mitchell Soil and Water Conservation District, P.O. Box 910, Colorado City, TX 79512 or delivered to the SCS office in the G-Kell building on the Snyder Highway by January 21, 1983.

For more information, contact the SCS office at 728-3473.

Library closed

The Mitchell County Public Library will be closed the entire week of Christmas, Dec. 21-25 and will resume regular hours the following week.

If you are going to have time to read during the holidays please get your books by the 18th, librarian Gladys Oden said.

Even the books checked out now will not be due until after the Christmas holidays, she added.

Class of '53 reunion

Members of the 1953 graduating class of Colorado High School are planning a class reunion next spring.

Also to be invited are those who, for whatever reason, left the class before graduating and faculty members from 1949 through 1953.

Local residents working on reunion plans are looking for information and addresses of these persons: Joyce Barber, Yvonne Hartsfield, Calvin Campbell, Gwendolyn Fuller, Rebecca Guzman, Robert Gross, Teresa Chapman, Carol Clark, Barbara Walker and Carol Jean Boatright.

Anyone having information about these or any other person in the class are asked to phone Virgie Goodlett, 728-5358, or Lena Marcom, 728-3796.

Answerline

Answerline is a regular feature of the Colorado City RECORD. Readers with questions on any subject may write or telephone the RECORD with questions they would like to have answered. Letters must bear the reader's name, address and phone number for verification, although names will not be published. Mail inquiries to: Answerline, P.O. Box 92, Colorado City, Texas 79512.

(Q) Why does the electricity go off south of Loraine whenever it rains?

(A) Kenneth Rogers, manager of Lone Wolf Electric, says that there are "any number of reasons" for the electricity to go off in that area when it rains, but the most common one they have found is bad insulators.

The most common cause for bad insulators there, he says, is hunters; insulators are often damaged by hunters shooting birds off the lines, and bad insulators allow the electricity to bleed out onto the ground. He also said that sometimes the shooting causes the wires to fray and they will unravel and get into the groundwire.

COTTON HARVESTING in Mitchell County is about 75% complete according to County Agent Bob Benson. Bale count this week totals 18,425 bales ginned at eight Mitchell County gins. This year's total falls way short of last year's harvest. These strippers were caught on the Robert Cox farm east of Colorado City.

County bale count is increasing

The number of bales of cotton in Mitchell County has increased by 3,003 bales, giving a season total of 18,425 bales as of Monday morning.

The Co-Op Gin Association showed an increase of 936 bales, bringing their total up to 5,058, the highest in the county.

The other high count is Producers Gin with a total of 4,839 bales.

At the other end of the scale, Buford Gin has turned out 234 bales for a total of 539, while the Mitchell County Gin moved up by 191, leaving a total of 885 this ginning season.

Buford	539
China Grove	2,010
Colorado Gin	1,767
Producers Gin	4,839
Westbrook Gin	2,169
Co-Op Gin Assoc.	5,058
Mitchell County Gin	885

150 fruit baskets distributed by VFD

"It's an annual thing to be sure everyone in the nursing home gets a Christmas present from someone," Rev. Monte Jones said of the fruit baskets the Colorado City Volunteer Fire Department distributes every year to both nursing homes and the Veterans home.

Approximately 150 baskets of apples, oranges, bananas and peppermint candy will be given out this Christmas season.

Rev. Jones said, "Some of them really enjoy it because it is not only the only present they get, but the only visit."

THE COLORADO CITY VOLUNTEER FIRE DEPARTMENT has assembled 150 fruit baskets to be distributed to the nursing homes and the veterans' home for Christmas. Fire department members pictured on the back row, left to right, are Tom Carlock, Mel Palmer, Jack Green, Dwain McGuire, Dan Morgan and Joey Wright. On the front row, left to right, are Robert Ramage, Pat McKinney, Monte Jones, Jerry Hammond, Kenneth Golden and Mel Strawcutter.

Multiphasic clinic planned for Dec. 30

A multiphasic clinic will be held from 9 a.m. to 2 p.m. on Thursday, December 30, announced Public Health Region IV nurses Emily Elizondo, RN, and Henrietta Gomez, LVN.

This will be a drop-in clinic, Ms. Gomez said, so no appointment is necessary.

At this clinic, there will be screening tests for anemia, blood pressure, urinalysis, Pap test, blood sugar, etc.

Abnormalities will be referred to your private physician.

Ms. Gomez also said that the immunization clinic for this month has been cancelled and the next one will be held on Wednesday, January 5 from 10 a.m. to 2 p.m.

Local citizen releases first single recording

Anne Conard

By STEVE BELVIN

There is a budding young singing star living right here in Colorado City. Her name is Anne Conard and the 19-year-old recording vocalist has just released her first single.

Miss Conard, the daughter of Frank and Billy Fay Conard has lived in Colorado City all of her life. She has two brothers, Frank II, Erick, and one sister, Brenda Feaster.

Miss Conard just recently released two cuts under the titles of "Hurt of Honesty" written by Eloise Crawford, and "Through a Child You Will Know," written by Mrs. Crawford's husband, Fred.

Conard uses her soprano voice to create a middle of the road pop gospel style of music for the songs which have a remarkable story behind the lyrics.

Anne has been interested in music most of her life. "I started getting into music in the seventh grade when I joined the choir," she said. The choir director, Betty Holder and her husband Kent, had a big influence on her. "They always encouraged me to keep going and to keep working on my voice," she explained.

The love of music runs in the Conard family. Frank Jr., plays the guitar, while wife Sharon plays the piano. Mother Billy Fay and Brenda both sing, so it's no wonder that Anne is musically inclined. "I would like to thank my parents for all the things they have done for me," she said.

While in high school Anne really got into music. She sang in the school choir, participated in musicals and was active in the Church Cantata at First Baptist Church, where she is a member.

Her junior year she won third place at a local talent show with the song "Send in the Clowns." During her senior year she received first place honors in solo and ensemble in UIL competition. She also was named Best Supporting Actress in the high school play "Antic Spring." "I love acting," commented Anne, but quickly added that acting would have to take a back seat to singing.

After graduating, Anne decided that she would go to college at Southwest Texas University in San Marcos. She went there for one year, and found out that she wanted to be a registered nurse. "While I was in San Marcos I worked at Browne School Mental Institution. I decided that I wanted to be an RN. I want to help people that can't help themselves, because they need all the love and attention they can get."

While at Southwest Texas State University, Anne kept up a 3.0 grade point average and kept active in singing. She tried out for the school concert choir; 200 people auditioned, and only 75 were chosen. Anne was one of the chosen few. "It was a very classy group, the guys wore black tuxes, while the girls wore long black formal dresses," she said.

So after leaving Southwest Texas, Anne moved back home and started going to school at Western Texas Junior Colelge in Snyder, where she is taking her pre-requisite nursing courses. After she is finished with this, she will go to RN school at Lubbock Methodist Hospital.

At Western Texas she is singing in the vocal ensemble there. The group sings at various organizations around town, one of them being the Full Gospel Businessmen's Fellowship.

Now we come to the professional career. According to Anne it happened out of the blue. It seems one day in September she walked into Donut Alley (her father's restaurant) and saw Fred Crawford and this woman talking. She didn't know Fred at the time, but she knew the lady. The lady introduced them and they started talking about recording a record. "I was interested in how the process was done, so I asked Fred to explain it to me," she said.

Later on he came to the Conard home to hear Anne sing. After hearing her voice, he explained to her and her parents that he had a song she might be interested in. The song, "Through a Child You Will Know" was written by Crawford 10 years ago, but he had not found anyone that could sing it the way he wanted it sung. It seems that Crawford got the inspiration to write the song, appearing on a show. Some people on the show had a little girl. Fred would always try to hold the girl, but the child would never come to him. So on Crawford's last appearance on the show, while saying his farewells to everyone, the little girl reached out and grabbed Fred and would not let go. As if she knew it would be the last time to see him.

This touched Fred a lot. He grabbed the child and told her parents, "Someday I'm gonna write a song about this." So Crawford went to a room, sat down and wrote the song in 20 minutes, the fastest he has ever written a song. Fred said that God gave him the music and lyrics to "Through a Child

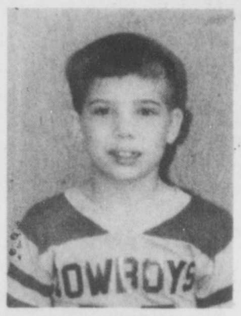
Kids Speak Out

What does Christmas mean to you?

We asked a group of second graders from Kelley Elementary what does Christmas mean to them. Here is what they said.



Justin Dockrey–"It means getting together with my cousins, giving presents, playing, and stuff like that. It's Jesus' birthday and he is the Saviour of the Lord Jesus Christ, and that is why we go to church to learn about him. That's why we have Christmas, because it's his birthday."

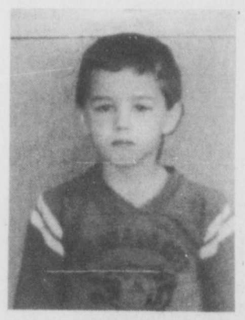
Krisha Lamb–"Wrap Christmas gifts, give Christmas gifts and decorate the Christmas tree. Christmas means a lot. I have fun. Santa brings toys. I play with them, and when they get old I throw them away."

Carrie Blair–"Getting together with my family is the best part about Christmas, I wrap Christmas gifts, give Christmas gifts. We sing Christmas carols at the Root Valley Fair Lodge to the sick people and give them out presents."

Shondilyn Ross–"At Christmas I like to make cookies, and I like to go over to my grandmothers. I like to open presents, and eat sweet potato pie and ham."

Caasi Smith–"I like putting up the Christmas tree, building a snowman and having a snowball fight. Christmas means wrapping presents."

Michael Humphrey–"I like opening the Christmas gifts, decorating the Christmas tree, going to my cousin's house, getting stuff from Santa Claus and playing in the show. I like playing with my friends, having snowball fights, reading books about Santa Claus, going to bed and waiting for him to come. Christmas means loving and giving."



Matthew Smith–"Decorating our Christmas tree, wrapping Christmas gifts, opening presents and baking cookies."

Jesse Espinoza–"Christmas means opening presents, putting up Christmas decorations on the tree. We open our presents on Christmas."

Let's talk.

Information about your changing telephone service from Jim West, Community Relations Manager.

Crackdown on fraud

Has someone ever placed a long distance call and charged it to your phone number without your permission? Placing a call and charging it to another number is a third-number call. Charging that call without the third party's permission is fraud.

More than six million dollars was lost by Southwestern Bell in suspected fraudulent third-number long distance calls in 1981. We investigate these calls and assist law enforcement agencies in bringing cases against the individuals involved. But, just as consumers pay for shoplifters through higher costs for goods, it is the honest customers who help pay for the fraudulent call losses through higher rates.

Positive Authorization Needed Before Completing Calls

The company is now taking stronger action against fraud. We are changing the way we authorize third-number calls. Under the old system, operators placed a third-number, long distance call before verifying the call with the third party.

Today, if you make such a call from a public phone, the operator will try to get authorization from the third party. Before your call is completed, the operator will call the number and ask if the charge will be accepted. This process takes about 35 seconds.

In 1983, operators may be required to get verified permission before completing long distance calls to a third number. It may take a few more seconds of inconvenience, but it means an eventual savings for customers as we tackle this multi-million dollar problem.

Industry Changes Begin Next Month

Beginning in January, the first of two major decisions affecting the telecommunications industry takes effect. (The second significant change -- the settlement of a federal court case against AT&T will be discussed in future columns.)

On January 1, 1983, a Federal Communications Commission ruling, designed to encourage competition in the telephone market place, requires the establishment of a fully separate subsidiary. That's been done. The company is American Bell, Inc. American Bell will be offering terminal products . . . mostly telephone instruments to both business and residence customers.

As a result, throughout 1983 the only new telephones we can provide are those which were in Southwestern Bell inventory as of the last day of this year. That doesn't mean we won't have any phones.

During next year, business and residence customers will be able to obtain Southwestern Bell equipment while our inventories last.

Those customers who use Bell PhoneCenters also may find a major difference after January 1, 1983. Certain locations will remain with Southwestern Bell. After January 1, they'll be called Southwestern Bell Service Centers. Customers can continue to use the Service Centers to pick up equipment available in our inventory. Other PhoneCenters, particularly in our major markets, will become part of the separate subsidiary.

Throughout 1983, the company will continue to repair Southwestern Bell sets that you lease. You can exchange your leased sets at a Service Center or contact our repair department. If you own your phone, follow the maintenance arrangements provided when the set was purchased.

Quality Services, Equipment Top Priorities Statewide

A last word on service . . . despite these industry changes, Southwestern Bell employees are committed to providing quality equipment and services. I feel confident we can adapt to our new environment and that we will be successful.

If you'd like a booklet which explains additional details of changes in the telephone industry, send your name and address to: Telecommunications in Transition, Southwestern Bell, P.O. Box 225265, Dallas, Texas 75265.

As always, if you have a question or comment you'd like to pass along, don't hesitate to let me know. Here's my address:

Domino Club meets

The "84" Domino Club met Friday, December 17 at the home of Tom and Lucille Stone.

Eighty-four was played. Everyone brought their favorite "goodies" and fun and fellowship was enjoyed by all.

Those attending the meeting were Lena and Jesse Thomas, Jewell and Lester Horn, Obie Clark, Earnest and Laveda Brooks, L. O. and Juanita Schafer and Chester Hart.

Others attending were Willie Brooks, Sadie Troutt and Mary Ellis.

Busy Believers meet

The Busy Believers Sunday School Class of Plainview Baptist Church were hostesses for a coffee given in the home of Mrs. Modell Shurtleff for Mrs. Martha Matthews.

Coffee, wassail and various Christmas goodies were served to guests.

A hostess gift was presented to the honoree who will be moving to Palestine after the new year.

Citizen

From Page 1

You Will Know."

Fred's wife, Eloise, also wrote her song, "The Hurt of Honesty" 10 years ago. It was the first time she had ever written a song, and says that God gave her the music, lyrics and talent to write the song. The song describes the trials and tribulations of life. When Mrs. Crawford heard Anne sing, she knew the time had come to have the song released.

So on October 13, Anne traveled to Lubbock to record the songs at Caldwell Music Productions. It only took her an hour and a half to record two songs, where it usually takes about five hours. "It was a great experience for me, I wish that everybody had the opportunity to do it just once," commented Anne.

What's in store for Anne Conard next? "We are already working on releasing an album, the songs are a mixture of pop and gospel." Anne says the Crawfords will write some of the songs, and brother Erick and dad Frank will write at least one each. "We plan on cutting it in March, and releasing it around the first of May," she explained. Cuts of Anne's songs can be purchased at Donut Alley or by calling 728-2334.

Now that she had made the big step of releasing her first song, does that change her plans about becoming an RN? "It's still in my mind," but a smile crept across her face and she said, "but singing is my first love."

Christmas party held at DAV home

On Sunday, December 19, the Wilson Wyatt VFW Post 9178 and its Ladies' Auxiliary hosted a Christmas party for the residents of the McDonald DAV Home, post and auxiliary member and their families.

Following the serving of refreshments of chips, dips, appetizers and punch, gifts were distributed.

The auxiliary furnished gifts for each of the residents of the DAV Home and the post provided a Christmas sack containing apples, oranges, bananas, gum and candy for each person attending the party.

Patients entertained by VFW

Patients in the Big Spring VA Hospital Nursing Home Care Unit were entertained with various selections of piano music, including Christmas carols, when the Wilson Wyatt VFW Post 9178 and its Ladies' Auxiliary visited there on Friday, December 17.

Besides treating the patients to chocolate cake and coffee, the auxiliary furnished small Frosty the Snowman cutouts for the forty bedside tables and decorated each of the seventeen doors on the sixth floor with Christmas trees and fireplaces made of felt.

Auxiliary members making the decorations, doing the decorating and entertaining the patients were Mary Bell, Ann Ingram, Virgie Mosley, Dorothy Clark, Ann Gregory and Audrey Wilson.

Prescribed burning can be effective tool

Burning of pastures and ranges can be an effective range management tool if planned and done properly.

Use of fire as a range and pasture renovation practice, called prescribed burning, is not a "cure-all" but rather an alternative that should be integrated into a ranching operation, says a range specialist with the Texas Agricultural Extension Service, Texas A&M University System.

"It's important to work out a prescription for each kind of burn," says Wayne Hanselka of Corpus Christi. "This means that clear objectives must be established. A burn to suppress brush may be entirely different from one to remove debris or to provide early spring grass growth for cattle."

Rationale for a burn should include location, purpose, timing and how to turn. These components make up the "fire plan." Preburn treatments might include deferring pastures or using herbicides or mechanical means to reduce brush canopies and encourage fuel growth.

"Finalize plans for a prescribed burn six months to a year before the burn," recommends Hanselka. "This includes arranging alternate forage sources for your livestock, lining up equipment such as dozers or graders to construct fire lanes, and arranging for fire fighting equipment. Also schedule personnel for the job, with the fire boss in charge."

The specialist also advises notifying appropriate authorities when a prescribed burn is scheduled. These include the local sheriff, fire department and Department of Public Safety as well as persons with special interests or facilities on the property, including those with oil, gas and hunting leases. The Texas Air Control Board must be notified when burning salt marshes in coastal counties.

Hanselka advises constructing fire lanes several weeks prior to the burn and making sure that these lanes do not have any flammable material which could let a fire escape.

Of course, protect all facilities within the area to be burned, such as working pens, watering devices, highline poles, feeders and fences.

Also, make sure weather conditions are suitable for a prescribed fire, including winds from one direction at stable speeds.

After burning, patrol the area to check highline poles and fence posts and to put out fire brands and smouldering brush piles.

"Postburn grazing depends on the rancher's objectives," says Hanselka. "If he wants to alter the grass species or strengthen existing stands of desirable grasses, then the pasture should be deferred for at least one growing season. If grasses are already strong or if the objective is to use normally unpalatable grasses, then a much shorter deferment period is needed.

"Most important, burning is of little value unless careful attention is given to stocking rates, grazing intervals and rest periods for the pasture or range," says Hanselka.

So prescribed burning can help provide fresh, nutritious grass for livestock, but it must be planned and used wisely.

Stones host SS Class

The Sunday School Class of First Baptist Church of Westbrook had their Christmas party and dinner December 14 at the home of Mr. and Mrs. Tom Stone.

Brother Bob Manning presented the Christmas story and Blanche Bell read a beautiful poem to the group. Gifts were exchanged, and a good time was had by all.

Those attending the party were Pauline Brown, Marvin and Ruby Claxton, Peggy and Bob Manning, Bill and Blanche Bell, Billy and Gladys Hayes and Charles and Frances Ranne.

Others attending were Clola and Forrest Whitesides, Clydene and Houston Kimbrell, Bessie Elizabeth Shaw, Rex and Wilma Jean McKenney and Doug and Ann Barber.

Letter to the Editor

Dear Editor,

We want to take this time to thank you and your family and employees for the effort you put forth every day to give us our news.

We want to wish all of you along with our dearest friends and relatives and all of our Conklin customers the merriest Christmas, and the happiest New Year ever!

May God be very close to all of you today and always is our prayer.

Harlie & Verla Owen
Mission, Texas

Golden Agers observe Christmas

The Westbrook Golden Age Club met December 7th with 119 members and guests present. A turkey dinner with all the trimmings was served.

After the dinner, the Gary and Bobby Matlocks and the David Leleks presented the musical program. Gifts were exchanged from the tree, with Santa Claus present.

Those attending were Marie Bassham, Fannie Morris, Velma Davis, Doc Alvis, Ozella Brookshire, Tim Mize, Marvin and Ruby Claxton, Arthur and Pollie Smith, Inez Oliver, Ella Oliver, Doug and Ann Barber, Herman Minor, Walton and Gertrude Stokes, Lewis and Rena Pierce, Lillian Myers, Ethel Clawson, A. G. and Dru Board, Geneva Redwine, Tom and Lucile Stone, Hoyt and Ruth Roberts, Lula Leach, Ruby Flack, Wayne Newton, Jo and John Tiller, Willie Brooks, Cody Hays, Perry Echols, Ethel Dunn and Clydene and Houston Kimbrell.

Others attending were Bessie Shaw, Lois and Loyd Howell, Rosia Hamrick, Ruth Geiher, Lizzie Lewis, Theresa Jackson, Rachel Ruffin, Jack Kitchens, Maggie Hamrick, Juanita Coker, Bertha and Edgar Andrews, Elmo and Ada Daniel, Lenora and Raymond Actkinson, Harry and Gussie Harris, Mr. and Mrs. Jim Harris, Oren and Louise Moore, Julia Warren, Frances Proctor, Eleanor Jefferies, Ellie Iglehart, Velma Hester, Muriel Thurman, Irene Jackson, Buck Phariss, Jr., Blanche and Bill Bell, Gary and Kathy Matlock, Stephanie and Homer, John and Frankie Massey, Speck and Opal Pierce and Clola, Forrest and Russel Whitesides.

Also present were Nina and Robert Garner, Jesse and Faye Cuthbertson, Garvice Craighead, Gladys Richardson, Marcelle Moody, Mr. and Mrs. Floyd Hale, Betty Hines, Bobby and Teresa Matlock, Judy and Shana Smith, David, Oma, Jeremy and Tommy Lelek, James and Oma Sprott, Jewell and Lester Horn, Sophia Oliver, Minnie and A. G. Anderson, Lela and Alvin Byrd, Della Self, Rev. Charles and Melinda Lummus, Nell Shackelford, Margaret Oyler, J. E. Salley, Nella Adams and Bertie Story.

SPECIAL LIMITED ENGAGEMENT

Starring MARK HAMILL · HARRISON FORD · CARRIE FISHER
BILLY DEE WILLIAMS · ANTHONY DANIELS

THIS NATIVITY SCENE is placed in the entry hall of the home of Mr. and Mrs. A. W. Rowe, the first home visited by the Tour of Homes chaired by the Business and Professional Women's Club.

DR. AND MRS. JENE STEAKLEY'S formal dining room was highlighted during the visit of the Christmas Tour of Homes conducted by the B&PW Club and sponsored by the Chamber of Commerce.

TEHA supports Texas Drug War

A leadership project of the 22,680-member Texas Extension Homemakers Association has resulted in a united effort in support of the Texans' War on Drugs Program.

A resolution adopted recently by the entire membership pledged the support of Extension Homemaker groups in the war on drugs at both the community and county levels, according to June Cline, organization specialist with the Texas Agricultural Extension Service, Texas A&M University System.

Extension Homemakers are concentrating their leadership efforts, Cline says, in four main areas:

1. Speaking in their communities to increase the level of awareness about the harmful effects of drugs.

2. Monitoring court cases that involve drugs to see that offenders do not get off without receiving the full measure of the penalty that fits the crime.

3. Forming parent peer groups in schools, communities and churches with parents, and getting together to develop guidelines for their children to follow to help prevent drug involvement.

4. Encouraging drug awareness programs in schools and making drug awareness part of every teacher's in-service training.

Goals of the Extension Homemakers organization are to promote wholesome family relationships and to share community responsibilities with other organizations, Cline says. The anti-drug educational effort is one more voice among many throughout the state that should bring a clear message to drug dealers and users about their being unwelcome in Texas.

The Texans' War on Drugs committee was established by Gov. Bill Clements and is charged by Dallas businessman H. Ross Perot. The committee, of which TEHA President Billie McCraw is a member, established a three-pronged approach to combat drug abuse: education and prevention; legislation; and law enforcement.

ONE OF THE AREAS featured in the tour of the home of Mr. and Mrs. Robert Hoback was the formal dining room. The annual Tour of Homes is sponsored by the Chamber of Commerce.

Safe holidays begin with vehicle driver

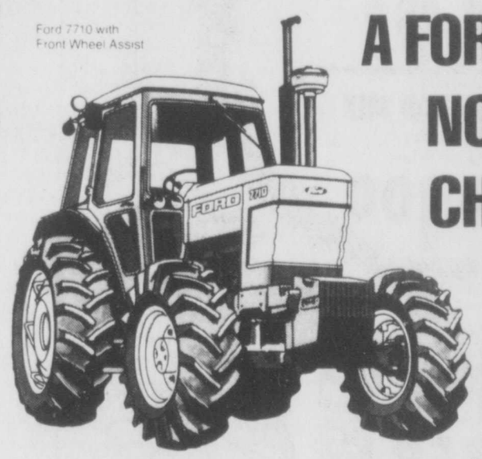
"It came upon a midnight clear..." So say Texas grade crossing accident statistics: 91 percent of 1981 grade crossing accidents occurred in dry, clear weather and a significant number occurred at night. With this reminder, the railroads of Texas, Texas Safety Association and Operation Lifesafer join in sending their best to all Texans for a safe, happy holiday season.

"But it's really up to vehicle drivers," says James P. Bearden, TSA Vice President for Railroad Safety. "Only the vehicle driver has any options. A train can't leave the tracks to avoid an auto; trains take a minimum of two-thirds of a mile to stop while a vehicle needs only yards."

Bearden reminds us that a few simple precaustions can keep the holidays safe and happy for every family in Texas. "Make a resolution to remember caution at crossings. Take a minute to look, listen and live whenever you approach a crossing, even if it's one you pass every day. Be sure you can hear and see clearly.

And especially important during this time of 'good cheer': don't mix alcohol and driving. If you drink, let someone else drive. Your safe return home is the best gift you can give your loved ones."

Ford 7710 with Front Wheel Assist



A FORD FIRST... NO FINANCE CHARGES IN 1983... NONE!

Buy NOW and save TWO ways!

The first year is on Ford!
Ford is making it even *more* affordable for eligible buyers to own a new Ford Tractor NOW! It's simple and *SUBSTANTIAL!* Buy a new Ford Series 10 World Tractor or TW Series Tractor before the end of this year and get waiver of retail finance charges for *ALL OF 1983!*

YOU COULD SAVE UP TO $2,300.00 ON A TYPICAL TRACTOR FINANCING $20,000.00

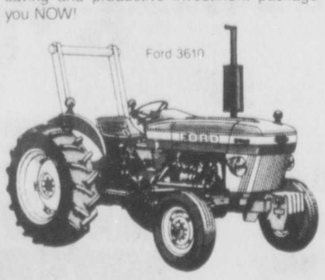
A big tax break for buying NOW!
1982 allows the *FULL* value of the Accelerated Cost Recovery System (ACRS depreciation) and Investment Tax Credit (ITC). In 1982, you can claim up to 10% ITC without reduction of the depreciable base. Not so in 1983! For acquisitions made after December 31, 1982, the tax basis of the equipment must be reduced by 50% of the ITC claimed.

Here's a comparison: $20,000 Ford Tractor

Buy in 1982	Buy LATER
ITC... $2,000	ITC... $2,000
Depreciation basis– $20,000 depreciated under ACRS over 5 years	Depreciation basis– $19,000 depreciated under ACRS over 5 years

Take advantage of lower 1983 tax rates NOW!
Individual tax brackets are also lower in 1983 compared to 1982, so it could be advantageous for the individual to capitalize and commence ACRS in 1982, instead of 1983, when the tax rates will be less.

The countdown to 1983 is underway
The waiting game can cost prospective tractor buyers money... lots of it! The "buy signal" is on NOW! And now, more than ever, time is money, so take some time... but not too much time... to check it out twice, once with your tax advisor, then with us. Between us, we can put together a cost-saving and productive investment package for you NOW!



The time to start the new year right is right now!

Program participation recommended

Farmers should give serious consideration to participating in the 1983 government farm program, says an economist with the Texas Agricultural Extension Service, Texas A&M University System.

"During tough times such as we have now, farm programs have to be a worthy option," says Dr. Carl Anderson. "Farmers must really take a hard look at their situations and must look at how farm programs might supplement their income."

While the current farm program offers "too little, too late" to reduce surplus production and raise farm prices, participation might be a wise move on the part of farmers because of the bleak market outlook for agricultural commodities, Anderson says.

He notes that grain, soybean and cotton stocks are high and that prospects for improved market prices are dim.

"The '83 farm program is mainly an income supplement program and will do little to relieve the farm surplus problem," Anderson points out. "It will probably reduce grain production only two to four percent and cotton production six to eight percent."

Anderson advises farmers to carefully consider the present farm program but cautions them to stay abreast of possible changes that could be forthcoming.

"Since the Reagan administration is interested in reducing government subsidies, there will likely be some changes," he says. "One change currently being considered is a concept called 'payment-in-kind' which involves using CCC commodities to pay producers for diverting land over and above the basic acreage reduction."

According to Anderson, there is a lot of uncertainty about the farm program right now due to the degree of farmer participation in the program next year, large carryover stocks of most commodities, a troubled world economy, a strong U.S. dollar abroad which is hurting foreign purchases of U.S. products, crop prospects for the year ahead, a buildup of livestock numbers and politics.

Basic concepts of the '83 farm program currently include a target price and loan program, a farmer-owned grain reserve and acreage reduction (20 percent for cotton, wheat, corn and grain sorghum plus an additional five percent option for cotton). As in the past, only farmers who participate in the voluntary program will qualify for the benefits.

"Non - participation keeps farmers from enjoying such benefits as the loan program and deficiency payments that go into effect when market prices drop below a certain level," says Anderson.

Agape Circle meets

The Agape Circle met Monday night Dec. 13 at 6 p.m. in the fellowship hall of the First United Methodist Church.

Nelda Garrett and Peggy Ratliff were hostesses for the salad supper accented with Christmas decorations.

Juanita Coker, president, presided at the meeting. Cathey Anderson gave the opening prayer.

Jo Bassinger, a former member, sent a Christmas card to the club.

Rochelle Smith read a story "A Gift of The Heart," and Juanita Coker read "A Plan For You."

Cathey Anderson talked of her work as a missionary and a love offering was taken by the group to give to the organization "The Helping Hand." Juanita Coker closed the meeting with prayer.

Members attending were Nelda Garrett, Peggy Ratliff, Della Fox, Ethel Hardegree, Elizabeth Elliott, Mrs. H. L. Jamison, Dimple Sue Balon, Phyllis Glover, Betsy Davis, Emory Nunn, Cathey Anderson, Rochelle Smith, Juanita Coker, Frances Godwin and Wilma Reynolds.

AARP meets

The Mitchell County AARP met Monday, December 10 at 11:45 a.m. in the C. C. Thompson Room for their Christmas meeting.

The program consisted of Nell Shackelford accompanying herself at the piano as she sang a Christmas song, after which Margaret Ann Conaway read "God's Preparation for Christmas."

During the business meeting, new officers were elected for 1983. They were: Gerald Anderson, president; Ben Costin, vice president; Eleanor Jeffries, recording secretary; Juanita Coker, treasurer.

Thirty-seven members and five guests attended.

FINE FOODS and BEST WISHES

Suddenly, it's arrived! The excitement of Christmas morning and gleeful shouts as gifts are opened. Then comes a leisurely breakfast and a festive dinner. Get ready for this special day by shopping ahead at Safeway where a remarkable variety of fine foods awaits your selection. We hope Christmas at your house is the merriest and happiest ever!

Helping Hand is organized

The Helping Hand, a newly formed organization headed by Mrs. Virginia Jones will be donating canned goods to needy families during the Christmas holidays.

The Helping Hand received the canned goods from the Kiwanis Club, when the club had their annual Kiddie Day and from the Colorado Middle School when they charged canned goods for admission to a dance.

Mrs. Jones said the purpose of Helping Hand is to help needy people here in Colorado City. The new organization will open its doors the first week in January and will be located at 278 Walnut.

DONATED FOOD--Pictured here is Helping Hand director Virginia Jones with the canned goods donated to the organization by the Colorado Middle School and the Kiwanis Club.

Fortenberry anniversary

The friends of Loyd and Rae Fortenberry are having a come and go party, Sunday, Dec. 26 from 2:30 to 5:30 in honor of their 50th wedding anniversary.

It will be at 845 E. 5th. No gifts please.

Texas Farmers Union Convention planned

Thursday, January 20, to Saturday, January 22, 1983, is an important time for agricultural and economic news. More than 500 producers from across the state will gather for the 79th Annual Convention of the Texas Farmers Union. The convention will be held at the Austin Marriott, 6121 I-35 North at US 290.

The theme of this year's convention is certainly timely, "Justice for Agriculture." Sadly, the American farmer is the downtrodden minority of the 1980's. The difference between us and the abused minorities of the '60's and '70's is that the injustices perpetrated on agriculture are financial rather than social.

The justice the American farmer seeks is economic justice: The right to make a decent living while providing the most essential of services to all Americans.

The convention press room will be located in the Lone Star 2 room of the hotel and will be available for the media. There is a wide range of topics and speakers for the convention. Included in this group are: National Farmers Union President George Stoine, Texas Farmers Union President Mike Moeller, Texas Commissioner of Agriculture Jim Hightower, Texas Land Commissioner Garry Mauro, State Treasurer Ann Richards, and Governor Mark White have been invited.

Other topics will include a seminar by a panel of experts on recreational leasing of agricultural land, and the policy adoption session of the Texas Farmers Union.

Scott scores 35-junior varsity wins

The Big Lake Owls blew a close contest wide open in the final quarter as they drubbed the Wolves varsity girls 44-27 Friday night in Wolf Gym.

The Owls held a slim 26-21 lead going into the final stanza. That's when the Pack who had been shooting poorly all night, could not find the range and had to foul the Owls. In return the visitors sunk 10 of 17 freethrows while coasting to the win.

As a team, the Wolves shot a miserable 17 percent from the floor. Laura Baum, the Wolves scoring leader with a 16 point average had a "nightmare" from the field all night long. She made one of her first 12 shots, made only three of 11 shots in the final quarter, and finished the night four of 28 from the floor for 10 points.

The Pack started off like gangbusters as they took a 6-0 lead after three minutes of play. Tomika Randle and Stacy Hamrick dominated the boards in the early going. But the Owls came back and tied the score 10-10 after the first quarter.

In the second quarter, Baum kept firing away, but it seemed that the basket had a lid on it as nothing would fall, and Big Lake took a 20-14 halftime lead.

In the third quarter, the Wolves gave a good impression of "how to keep yourself out of the ball game" as they had eight turnovers in that period. They didn't score until 2:10 remaining in the quarter when Randle hit a jumper to cut the lead to 24-16.

The Wolves made one final run at the Owls at the start of the final quarter when Baum hit a basket, sunk a couple of freethrows to narrow the lead to 26-25, but that's as close as the Pack would get as Big Lake ran away with the contest.

Randle added eight points and seven rebounds, while Hamrick hauled in 10 rebounds as the Wolves record drops to 2-10.

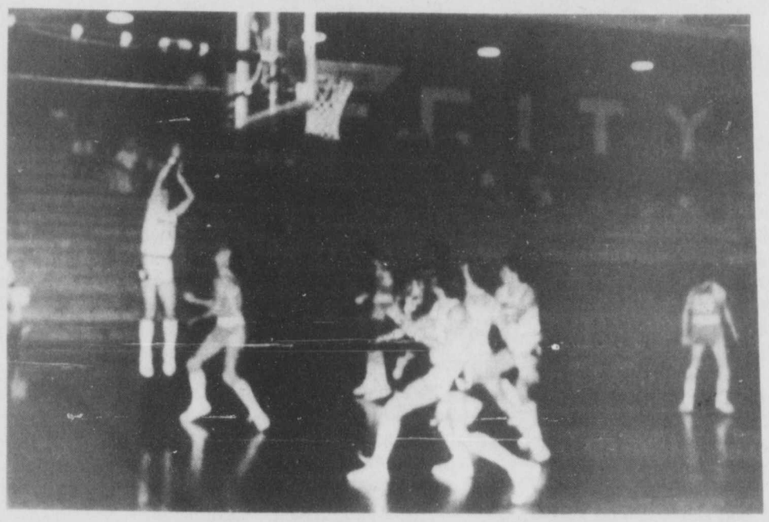
For those who missed the girls junior varsity game, the Wolves 65-36 victory could be summed up in two words "Linda Scott."

Scott, a junior who was moved from the varsity to the junior varsity put on a "dazzling" performance for the home crowd.

"All" she did was make 16 of 23 shots from the floor, three of seven from the line, seven rebounds, seven steals and four assists, to wind up as the game's leading scorer with 35 points.

Scott had help from Denise Jackson who scored 10 points, and controlled the board with 15 rebounds. Sherry Fite added 10 points, Julie Waid, eight, Jodi Mann and Staci Free made one point each.

Coach Linda Mathis was pleased with her team's performance. "It was our best performance so far this year. We are beginning to play as a team. We passed the ball well, and got most of our points off of the break. In the fourth quarter we worked on slowing the game down and running our offense, we ran it well," commented Mathis. The JV's record improves to 2-4.



TWO FROM THE CORNER–Wolves Varsity player Stacy Tarter "pops" two points from the corner in Friday's loss to Big Lake. Positioning for the rebound are Tim Beights and Tom Rees.

Owls edge Wolves 59-54

The Wolves varsity boys lost a close contest here Friday night at Wolf Gym when the Big Lake Owls edged them out 59-54.

The Pack saw a 30-25 halftime lead go down the drain at the hands of the hot-shooting Owls in the second half.

The contest opened with both teams playing tight defense. The Wolves finally took the lead with 25 seconds remaining in the first quarter when Larry Hamilton sunk two freethrows. The Pack took a 12-9 first quarter lead. In the second quarter the Pack increased their lead near the end on steals by Hamilton and Tom Rees, and a 20 foot jumper by Tim Beights right before the buzzer.

The Owls tied the game 37-37 going into the final quarter. Then the visitors went into their stall game, eating up nearly two minutes of the clock and getting a couple of baskets for a 41-37 lead. But the Wolves quickly came back on baskets by Rees and Don Randle. From there the game was nip and tuck the rest of the way, with the largest lead by either team being four points, until the end of the contest when the Pack had to foul.

Rees led the Wolves scoring with 17 points. Stacey Tarter added eight points.

In the junior varsity boys games, the Owls edged the Pack 50-42. It was a close contest all the way with the lead changing hands numerous times. The Wolves had the lead for the last time in the third quarter when a layup by Armando Rivera upped the Wolves lead to 35-32.

Rivera led all Wolves scorers with 17 ponts, Perry Conner, Jay Piland and John Gilstrap added eight points each. Joey Ritchey scored six and Steve Rosas added three points.

Seventh grade wins Jr. Lone Wolf tourney

The seventh grade boys "A" team came away the big winners in the annual Junior Lone Wolf Tournament this weekend at Wolf Gym.

Coach Mark Merrill's troops won the first game of the tournament 24-19 over the Big Spring "B's." The Wolves jumped to a 14-6 halftime lead. The lead grew to 20-8 after the third quarter.

Israel Davilla led the scoring with 12 points. Ken Norman added six and Euardo Melendez contributed four points.

In the championship game against the Big Spring "A" team the Wolves, behind Davilla's 14 points won 28-25. Norman added seven points.

The seventh "B" lost both of their games in the tournament. They were defeated 47-17 by Big Spring "A." Mark Hill scored five points for the Wolves.

In the second game they were defeated by Big Spring "B" 33-13. Hill again led the scoring with six points.

The eighth grade "A" team was defeated by the Big Spring "A" team in the championship game 51-36. The Wolves played a "fine" game against their much taller opponents. The game was close all the way until the final moments of the contest.

Wylie Dakan led the scoring with 10 points. Terry Jackson added nine points. The "A" team took the first game of the tournament with a 42-20 win over the Big Spring "B" squad. Dakan and Jackson led the scoring with 10 each. Scott Dennis cotnributed eight points while Paul Arellano added six points.

The eighth grade "B" team was defeated 51-14 in the first round by the Big Spring "A." David Davilla scored eight points to lead the Pack. Clifford Miles added four points.

They took third place when they downed the Big Spring "B" by a 28-25 tally. Davilla led the scoring with 11 points and Ralph Gonzales contributed seven points in the win.

Boxers fare well in New Mexico

The Mitchell County Boxing Club traveled to Lovington, New Mexico this past weekend to participate in a tournament which pitted the state of Texas against New Mexico.

There were five Texas teams at the tournament which included Odessa, Snyder, Big Spring and Seminole. New Mexico teams were: Roswell, Hobbs, Carlsbad, Artesia and Barsto. According to boxing coach Vince Gaona, Sr., Texas won the tournament.

First place winners from C-City were Vince Gaona, Jr., Sammy Rivera, Rudy (Chato) Arispe, Jeremy Strawcutter and Mark Alvidrez. Gaona knocked his opponent out in the first round, while Arispe TKO'ed the opposition in the second round.

Those finishing as runner-up were Oscar Martinez, Joe (Chico) Flores, Gabriel Gaona, Mark Strawcutter and Spencer Taylor. Gaona, Rivera, Arispe, and Martinez all fought in the open class.

"I am very proud of the ones who fought in the open class, they are not open class fighters," commented Gaona. An open class figher has more experience, and will fight anyone in that weight division. But Gaoan said that he was proud of the progress that all the fighters had been making.

Their next scheduled tournament is somewhere in the middle of January when the group travels to Snyder.

Huddleston elected to TFB board

Billy Huddleston, 48, of Snyder has been elected to the board of directors of Texas Farm Bureau, the largest state farm organization in the nation.

Huddleston was nominated by delegates in his district, TFB District 6, and elected by the voting delegates to the Texas Farm Bureau's 49th annual convention in Dallas recently.

The TFB Board member produces cotton, wheat and cattle in Scurry County.

He has served as president and on the board of directors of the Scurry County Farm Bureau.

He graduated from Snyder High School. He attends the Church of Christ.

Huddleston is married to the former Martha Stoker and they have three daughters and two granddaughters.

The eighteen counties comprising District 6 include: Coke-Sterling, Concho, Culberson, Dawson, El Paso, Fisher, Gaines, Howard, Hudsepth, Martin, Menard, Midland, Mitchell, Nolan, Pecos, Reeves, Scurry and Tom Green.

News From Leisure Lodge

By MARSHA RICKARD

Our residents' Christmas party was said by many to be the best one ever. Approximately 150 people, including staff, residents, family and friends, all came to celebrate Christmas with us. Everyone enjoyed eating, visiting, opening gifts and talking with Santa Claus. Tracy Womack and Bob Newman brought a unique music program. Newman, accompanied by Tracy at the piano, played Christmas music with trumpet which was beautiful in its simplicity and professional delivery. The general consensus was that age has nothing to do with enjoying Christmas.

So many community clubs and religious groups shared a part of Christmas with us, starting with the Loraine FHA who visited each resident and presented a homebaked treat, concluding their visit with enjoyable caroling. Thirty students took part, led by Mrs. Janet Moore, Loraine FHA teacher.

They were followed by the Colorado City Girl Scouts who also presented fruit and decorated Christmas cookies, ending their visit with lovely Christmas carols.

Individual Sunday School classes of the Loraine First Baptist Church presented fruit and gifts for each resident.

Rosa Benitas brought her Sunday School Calss from the Loraine Catholic Church singing carols and presenting Christmas cards for each resident.

Loraine B&PW Club selected residents who most needed family and presented the with several personally selected gifts.

Miss Debbie Wiechman, instructor for the Loraine School Band, came with the full band and played traditional Christmas music for all to enjoy.

Loraine Senior Citizens made a homebaked cookie and fruit plate for each resident. Methodist Church turned out to sing Christmas carols to everyone's delight.

Lightfoot Church of Christ in Loraine made handmade bags with a variety of fruit and candy for all residents to enjoy.

If the above list is not impressive to you as it was to me, then there is more to follow.

Irene and Doyle Hester, Mrs. Iglehart, Mrs. Duncan, Mrs. Barron, Loraine Lions Club, Fern Coon, Ruth Butler, Inez Thomas, Lorene McNeill, Atheneum Study Club, Ann Gregory, T. J. Green, and I am sure many others I simply did not know of.

When it was said by so many that this was the best Christmas ever, then I say "Thank you" to all the people who made it that way by caring and knowing we are there.

Merry Christmas, Marsha Rickard.

TEHA Club has Christmas dinner

Mrs. Mable Givens was hostess for the annual Christmas dinner party for Baumann TEHA Club members. The party was held Tuesday, December 12.

The home was beautifully decorated with holiday decor: large painted reindeers were used across the large double windows, poinsettias and candles were on the mantle and a lovely Christmas centerpiece was used on the dining table.

Clara Butler gave the blessing before the meal of baked turkey and trimmings.

After the meal, Mrs. Charlie Harris presided over the meeting. Mrs. Givens led the club prayer and roll call was answered with "Our Custom on Christmas."

Minutes were read and treasurer's report given. New year books were given out.

Mrs. Jay Thompson will be installing officer for the new officers of the club in the next meeting to be held January 4.

Mrs. Lynne Compton read Psalms 1 and Mrs. Butler and Mrs. Harris brought a Christmas story.

Secret pals were revealed and gifts exchanged from the beautifully decorated Christmas tree.

Present were Mmes. Jay Thompson, Butler, Inez Webb, Leach, Willie Cornutt, Pauline Griffin, Bernice Hallmark, Compton, Vada Preston, Harris and the hostess.

Taylors host party

Mr. and Mrs. Willie Taylor were hosts for the annual holiday dinner party for the Loraine Game Club members held at 6 p.m. Thursday, Dec. 16th.

The dinner of baked ham and trimmings was served buffet style from foursome tables which held vases of Christmas flowers.

After the meal, games of 42 were played and then gifts were exchanged from the lighted Christmas tree.

Enjoying this festive evening were Messrs. and Mmes. Doyle Hester, Floyd Coffee, Leonard Coldewey, J. M. Templeton, Clarence Matejowsky, Mrs. Syble Walker and Mrs. Ida Baird.

Loraine Personals

by Ida Baird

Mr. and Mrs. Harold Martin returned home last week after he had been a patient in the Methodist Memorial Hospital for three weeks. Their guests on Thursday were Mr. and Mrs. Merrill Martin from Abilene. Mr. and Mrs. Max Martin from San Jose, California visited with them on Saturday and Mr. and Mrs. Don Martin of Abilene were also visitors Sunday.

xxx

Mr. and Mrs. C. A. Matejowsky had as their guests for a two week visit, Mr. and Mrs. Scotty Srawford from Whitefish, Montana. The visit was great with these friends of 50 years. It was the Srawford's first trip to Texas and they enjoyed the visit with the Matejowsky's and with friends in San Angelo.

On December 14 the Matejowsky's hosted a Bon Voyage party for them on the eve of their departure.

Also here visiting the Matejowsky's are her daughter and husband, Mr. and Mrs. Carlton Deaton and daughters, Dee Ann and Cindy of Garden Grove, California. Mrs. Deaton had just received her doctorate from Clarendon Unviersity in California and is now assistant Dean of Cypress College in Cypress, California.

The Matejowsky's and their guests will be in San Angelo with relatives for their Christmas get-to-gether.

xxx

The Raymond Wheelers enjoyed an early Christmas with his daughters and their husbands on Sunday, Dec. 19th. Two great-grandchildren were also present.

Following the traditional Christmas dinner, gifts from under the tree were distributed by the grandchildren, Amy and Jeremy Cosgrove. Others present were Mr. and Mrs. Mason Richburg of Abilene, Mr. and Mrs. Robert Montgomery of Euless and Mr. and Mrs. Jack Compton of Midland.

Visitors in the Wheeler home the previous weekend were Mrs. Jimmie Jacks, Waco and Dr. Stephen and Micke Daughterty from Temple. xxx

Mrs. Al Walker of Crane visited her mother, Mrs. Harvey Leach, who returned with her Saturday and plans to spend the holdiays there with Mrs. Walker and with her sister and husband, Mr. and Mrs Fred Davidson.

xxx

Mrs. Lily Bennett left Tuesday for Corpus Christi where she is spending the Christmas holidays with a niece, Mrs. Arpie Smith.

Templetons honored on wedding anniversary

The children and grandchildren of Mr. and Mrs. J. M. Templeton of Loraine hosted a reception in honor of their 50th wedding anniversary Sunday, December 19 from 2-4 p.m. in the fellowship hall of Loraine's United Methodist Church.

Children of the couple are Charles and Mary Rose Bowen of Abernathy, Jimmy and Dixie Smith of Roscoe and W. F. and Virginia Martin of Big Spring. The couple also has 12 grandchildren and one great-grandchild.

Grandsons greeted guests as they arrived at the church and directed them to the fellowship hall. Granddaughters presided at the registration table and serving tables and performed routine hostess duties, allowing the couple's children to visit with relatives and friends. The great-grandson assisted his father with greeting of guests.

Wedding cake, punch, nuts and mints were served from the bride's table. The punch bowl was given to Ovada over 25 years ago by J. M. and has been used for Christmas punch for their children and grandchildren each year, as well as at grandchildren's wedding receptions and other festive occasions.

The oval shaped bride's table was laid in white cloth finished with a deep lace applique. The tall brass ephergne centering the table held an arrangement of flowers. Table appointments were crystal and gold.

Another table offered wassail and coffee to guests and a third table contained candies, cookies, and other treats prepared for the occasion by the couple's daughters and granddaughters.

A professional portrait of the 21 member family was made shortly before beginning the activities and the reception was preserved on color video and in candid photographs.

Mid-way through the reception, grandchildren presented musical selections, including "I Love," "Through the Years," "Devoted To You," "Why Me," "Sweet, Sweet Spirit," and "Amazing Grace."

Sara Ovada Crouch and Johnny Marshall Templeton, Jr., were married in a sunrise ceremony on December 25, 1932 at Bunyan, Texas. The couple moved to the West Texas area in1935, living in the Loraine, Conway and China Grove communities. In 1945 the couple moved to the present home near Loraine.

Mr. Templeton is a retired farmer-stockman. He is active in the Lroaine Masonic Lodge and both he and Mrs. Templeton are active in church and community affairs. Mrs. Templeton is organist at Loraine's United Methodist Church.

Approximately 250 called from Denton, Dublin, Lubbock, Abernathy, Big Spring, Sweetwater, Roscoe, Stephenville, Weatheford, Odessa, Colorado City and Loraine.

Sanchez receives realtors license

Janie G. Sanchez

Janie G. Sanchez is now one of the team at Dale Dyess Red Carpet Realty in Seguin. Janie recently completed 180 hours of instruction through the San Antonio Board of Realtors and tested for her license.

Janie was born in Bastrop and moved with her parents, Mr. and Mrs. Lupe Galvan, to Mitchell County and was reared in Loraine and attended Loraine school. She has lived in Seguin for the past 21 years and is no newcomer to the housing industry there.

Her husband is Joe D. Sanchez of Sanchez Construction in Seguin. They have three children: a daughter in California, a son in college in Beaumont and Michale, a sixth grader at St. James Catholic School in Seguin.

Janie will be working full time, helping clients with listings, selling and buying residential property. She will later branch out into commercial and farm and ranch.

Loraine Homemakers have party

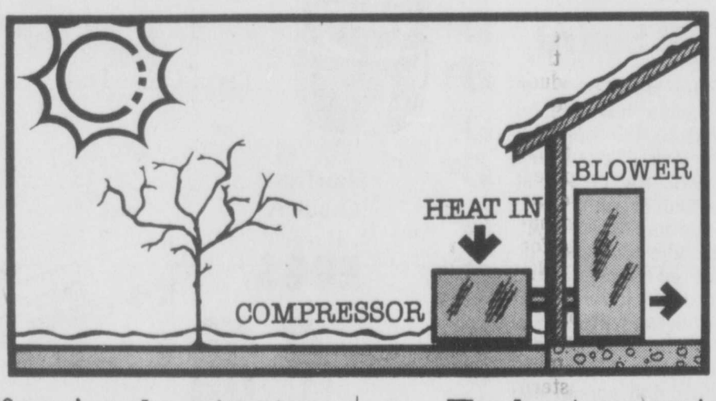
The North Loraine Homemakers met in the home of Mr. and Mrs. T. L. Holman for their annual Christmas party on Friday evening, December 17th.

The home was beautifully decorated with the Christmas decor. Following a meal of sandwiches, dips and a varied assortment of candies, etc. and wassail, punch and coffee, the group spent the evening visiting.

Those present in addition to the hosts were Messrs. and Mmes. Hubert Meadows, C. A. Matejowsky, Roy Wells, Raymond Wheeler and Mrs. Jack Linam and Mrs. Lora Taylor.

The next meeting will be January 5, in the home of Mrs. Raymond Wheeler. New Year books will be filled out at this meeting.

Save energy with a heat pump.



If you're planning to install a new heating or cooling system, consider a high-efficiency heat pump. It's an energy-saving, year-round alternative.

The heat pump provides year-round heating and cooling, using only electricity. During the winter, it extracts heat from the outside air (even very cold air contains heat) and brings that heat inside where it's needed. In the summer, the heat pump is a regular air conditioner, removing unwanted heat from the inside air.

The heat pump is the most efficient combination heating and cooling system that can be installed in your home today.

To learn more about the heat pump, call your air conditioning contractor. And when you call, ask about the year-round heat pump that qualifies for a bonus check from Texas Electric.

News from...

Loraine High

By SHELLY MARTIN, DEE ANN PULCHER & MELISSA CLIFTON

On Friday of last week school turned out for the Christmas holiday!

Monday, Dec. 13 the FHA Future Homemakers of America went to visit residents at the Loraine Nursing Home and presented each of them a gift that we had made, such as pumpkin bread or banana nut bread. We enjoyed our visit with them very much. We also had a party and revealed our pen pals and have been busy with our bake sale which ended Friday, December 17th.

Tuesday, the Loraine High School band gave a concert for residents at the Loraine Nursing Home. They seem to have enjoyed the concert very much.

Wednesday and Thursday we, the FHA, baked cakes and pies for those who had put in orders for them and we also studied for our six weeks test.

Then Friday, the Annual Staff will be showing the film "Brian's Song" and Friday was also our last day of school for two whole weeks and you can bet we intend to enjoy the vacation.

We wish everyone a Merry Christmas and Happy New Year.

Small businesses to receive funds

At least $275 million in federal research and development funds will go to small businesses each year under the Small Business Inovation Development Act, according to U.S. Small Business Administration.

The Act, signed into law by President Regan in July, requires nine federal agencies to direct to small companies a part of research and development funds. Each of the agencies–Defense, NASA, Health and Human Services, Energy, Transportation, National Science Foundation, Agriculture, Environmental Protection Agency and National Regulatory Commission–were required to create a Small Business Innovation Research Program (SBIR) beginning October 1, 1981. SBA will issue policy guidance implementing the Act and then oversee its activities.

"A basic purpose of the Act," said Philip J. O'Jibway, SBA District Director, "is to strengthen the role of small innovative companies in federally-funded research and development. The Act also provides incentives to convert the research results from small science and high-technology firms into commercial applications.

"Small businesses, of course, will benefit from the Act. But of greater significance will be the potential benefits for the government and the country.

"Small businesses have proved themselves to be more innovative than large companies; small firms, for example have been responsible for more than half of the new product and service innovations since World War II.

"As President Reagan said in signing the legislation, 'Small business is a tonic for what ails this country. By passing and signing this Act, we're showing our resolve to unleash this most innovative sector.' "

The Act requires that the eight civilian agencies set aside, for small businesses, two-tenths of one percent of their outside R&D budget in Fiscal 1983, with the set-aside total rising to 1.25 percent in Fiscal 1987. Defense must set aside one-tenth of one percent of its outside budget in 1983 and has five years in which to reach the 1.25 percent total.

SBA estimates that in Fiscal 1983, the year which began October 1, between $30 million and $50 million in R&D funds will go to small firms. In 1986, this range is estimated to be between $250 million and $400 million and in Fiscal 1987, when the Act becomes fully effective, between $275 million and $450 million.

Oil production rate set

The Railroad Commission set the Texas oil production rate for January 1983 at the market demand factor of 100 percent for the 71st month in a row and the 127th time since the Commission first went to the ceiling level in April 1972.

Chairman Jim Nugent and Commissioners Mack Wallace and Buddy Temple directed the continuance of the maximum statewide allowable after receiving and reviewing purchaser nominations for Texas oil in January totaling 2,465,739 barrels per day, a decrease of 3,232 barrels daily when compared with December 1982 buyer requests. January 1982 nominations totaled 2,458,271 barrels daily.

Next month's permissible rate of output is calculated to average 2,856,600 b-d with actual production estimated at 2.355 million b-d. The maximum allowable applies to all but 10 fields in Texas that are assigned lower legal rates of flow for conservation purposes. Actual production in January 1982 was 2,384,032 barrels daily.

Nugent reported that January 1983 nominations for the purchase of Texas gas totaled 21,834,710 Mcf-d (thousand cubic feet per day). Gas nominations for December amounted to 22,382,896 Mcf-d. January 1982 gas nominations totaled 24,895,281 Mcf-d.

The next statewide oil and gas hearing will be held Tuesday, Jan. 18, at 9 a.m. in Tyler at the Tyler Inn.

Major purchasers filed these floor nominations for Texas oil in January: Amoco Production Co., 180,000 barrels daily, down 2,000 from the previous month; Cities Service Co., 74,000, unchanged; Conoco 56,000, unchanged; Exxon, 276,300, down 1,900; Gulf, 103,000, unchanged; Marathon, 67,420, unchanged; Mobil, 187,600, down 100; Phillips, 70,000 unchanged; Shell, 169,800, up 2,500; Texaco, 93,000, down, 2,000; Union Oil, 26,000, up 1,000.

Significant changes in nominations were submitted in writing by these purchasers of Texas crude oil; Charter Crude Oil, 16,410, down 1,040; Clayco Inc., 23,058, down 2,057; Coastal Crude Trucking Inc., 2,582, up 1,317; JM Petroleum, 26,555, up 2,805; Matador Pipelines, 70,527, down 1,833; Pride Pipeline, 26,900, up 3,500; Tesoro Crude Oil, 34,5558, down 3,290; Texas City Refining, 5,731, down 1,035; and Western Crude Oil, 37,792, down 1,934.

Nugent reported that crude oil and petroleum products imported into the U.S. averaged 5,212,000 barrels daily for the four weeks ending Dec. 3, a decrease of 698,000 barrels per day for the same period last year.

Oilman supports delay in natural gas pricing

A Lubbock independent oilman has wired the Texas Congressional Delegation that two-thirds of the increased cost of natural gas to residential consumers is due to costs other than the price of natural gas, and urged their support to delay any natural gas pricing legislation effecting producers during the current "lame duck" session.

"Some congressional leaders want to freeze natural gas prices and legislatively interfere with producer sales contracts," said Rex Fuller, Lubbock, who is Chairman of the National Energy Policy Committee for the 5,400-member Texas Independent Producers and Royalty Owners Association (TIPRO). "But wellhead price freezes will have no effect on 90 percent of the factors which have caused consumer price increases, according to the government's own figures," Fuller continued.

"The most recent Department of Energy data shows that for every one dollar increase in natural gas prices, only 32 cents represented the additional cost of natural gas, and 68 cents was increased cost of transportation by the pipelines and utilities," Fuller pointed out, "and the overall problem is too complex for a "lame duck" session to address without leading to more difficulty."

wire, sent individually to all Texas Senators and Congressmen on behalf of his Committee and TIPRO, said:

"We believe efforts to initiate emergency legislation concerning natural gas regulation, such as producer price freezes and abrogation of take or pay contractual provisions, are arbitrary stop-gap measures that would aggravate rather than resolve the natural gas problem for the consumer. The overall problem is extremely complex and demands full analysis to reach sensible solution. For example, virtually two-thirds of the arising cost to consumer is due to factors other than producer wellhead pricing, such as transportation and distribution. Further, hasty and inadequately considered adjustments to contractual rights involving the producer and his purchaser would lead to serious erosion in exploration activity. This would cause another round of supply shortage that would be damaging to consumer interests."

"We urge your support in delaying to the 1983 congressional session consideration of the natural gas issue."

Fuller said that TIPRO wants a full hearing on natural gas deregulation in Congress early next year. He pointed out that while domestic producers currently receive an average of $2.35 per 1,000 cubic feet at the wellhead, the proposed freeze would have no effect on Canadian natural gas being sold for $4.94, or Algerian LNG at $7.16 per 1,000 cubic feet. "Such high-priced gas is a large component of the price midwestern and eastern consumers pay for natural gas," Fuller said, "and we believe any legislation should carefully address all factors relating to federally-regulated gas prices, which continue to rise while producers have a temporary surplus that they can't sell at reasonable prices."

Opti-Ms. make children happier

President Becky Manning said that the Opti-Ms. Club collected enough toys, fruit, candy etc. to be able to help make 28 children's Christmas a little happier.

The number of donations was larger than expected and Ms. Manning said she wanted to extend a big "Thank you" to everyone who gave to such a worthy cause.

CYO CLUB MEMBERS of the Catholic Youth Organization are pictured here at their Christmas dinner Sunday. The group served the dinner to their parents.

CYO has Christmas dinner

Members of the Catholic Youth Organization and their parents gathered together Sunday, December 19 for a Christmas dinner at the Lone Wolf Medallion Room.

During the meeting, the club officers were introduced. They are as follows: President, Dennis Rivera; Vice-President, Michael Luera; Secretary, Ben Gonzales; Treasurer, Barbara Heredia and reporter Lucy Davila.

Also at the meeting the skiing trip to Ruidosa, New Mexico was discussed. Plans are being made for the group to leave during the school spring break in late February.

Following this the traditional meal of turkey, dressing and all the trimmings was served, as each CYO member prepared a plate and took it to their parents.

The sponsors of the group are Raymond and Ginger Zamarippa, Jesse and Anita Munoz and John and Ceclia Munoz.

Congress approves salary increase

In a tricky bit of legislative maneuvering, Congress approved a 15 percent pay increase December 14. Congressman Charles W. Stenholm opposed any increase, but due to placement of amendments was forced to cast one vote that made it appear that he supported the 15 increase.

The procedure involved a three-step process:

1) If Congress had not acted, a 27.2 percent increase was due to go into effect automatically.

2) The first amendment would trim that 27.2 percent increase to 15 percent.

3) The second amendment would continue the current cap on Congressional salaries, meaning NO pay raise at all would be allowed.

Stenholm voted for the first amendment, even though he opposed any increase. A vote against this amendment would have approved of the 27 percent increase. He then voted for the second amendment to eliminate any increase. Had he opposed the first amendment, (to cut the increase from 27 percent to 15 percent) the higher increase would have gone into effect.

"As far as I am concerned, the key vote on this issue was passage of the rule that allowed this 'Catch-22' situation to develop on the House floor," Stenholm said. "I strongly opposed that rule. Those Members of Congress that supported a pay increase for themselves should have had the courage to be upfront and present the issue before the House and the American people clearly, with no legislative subterfuge.

"I have voted against any increase in Congressional pay since I have been in office and I really fail to understand the logic of those in Congress who could support such a move at this time, given the current economic conditions the people we serve are up against," Stenholm said.

Only one more vote was needed on the final amendment to stop the amendment to continue the salary freeze failing by a 208-208 tie vote.

Energy saving tips

High energy and water prices can be cut considerably by some simple conservation practices in home laundry.

The water heater should be set no higher than 140 degrees Fahrenheit, according to Becky Saunders, clothing specialist with the Texas Agricultural Extension Service, Texas A&M University System.

Normally soiled clothes will wash nicely in warm–rather than hot warm–rather than hot–water. A cold rinse is just as effective as a warm one, and can save energy.

Conserve water by setting the water level to match the load size. Wash time can be shortened–and energy saved–by using soak cycles.

When buying new appliances, consider how much hot water is used per cycle, Saunders advises. Read the operating manual that comes with the machine carefully and learn all the energy and water saving instructions.

Water and energy savings can be achieved by combining small loads. "Do not overload the machine, however, because this can result in wrinkling, lint or cleaning problems, and can cause other damage to your clothing," cautions Saunders.

Assure proper cleaning in shorter cycles by pre-treating or soaking heavily soiled clothes. Use the correct amount of laundry detergent for the load size.

Mend any tears or holes in clothing before laundering garments, because washing often worsens these problems, reminds Saunders. Pre-treat stains and spots. The heat of the dryer could make them permanent.

Don't forget that physical energy can be conserved, Saunders adds. "Locate the laundry area near the laundry source, such as the bathroom. The dryer, if not overloaded, also can save on ironing."

Sharing the work load with other family members can help, Saunders suggests. Be sure, however, that everyone who does laundry follows energy-saving procedures.

City Secretary

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT

Atlas Energy Corp., 12900 Preston Road Suite 400, Dallas, TX, 75230 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject fluid into the Upper Clearfork, Lucy M. Coleman "A," Well Numbers 7, 15, 17, 19, 21, 37, 51, 60, 65, 68, 76, 81, 83, 88, 91, 93. The proposed injection well is located 2 miles northwest of Cuthbert in the Coleman Ranch Field, in Mitchell County. Fluid will be injected into strata in the subsurface depth interval from 2,450 to 2,950 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas. Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/445-1373).

PUBLIC NOTICE

The City of Loraine, Texas is soliciting proposals from qualified individuals or firms for administrative, planning, and engineering services required by the City for implementation of a Community Development Grant (CDBG), Small Cities program should it be funded by HUD.

Proposals will be considered by the City at a meeting to be held at 7:30 o'clock p.m. on the 11th day of January, 1983. In order to be considered, proposals must be submitted prior to 5:00 o'clock p.m. on the 7th day of January, 1983. The City reserves the right to reject any or all proposals.

Upon receipt, all proposals will be thoroughly evaluated by the City. Based upon this evaluation, the City will initiate negotiations with its first choice offerer. Should negotiations with the City's first choice fail to produce a satisfactory agreement, negotiations with the first choice will be terminated and the City's second choice will be notified, and so on. These procedures will be followed until a satisfactory agreement and contract has been approved and executed.

It is the City's intention to ultimately contract with the responsible offerer whose proposal and subsequent negotiations are determined to be the most advantageous to the City, all factors considered, including but not limited to a) understanding of the project; b) qualifications of key personnel; c) services proposed; d) prior experience with projects of this type; and e) City's past experience with the offerer.

A complete Request for Proposal outlining services required by the City, submission requirements, and evaluation criteria has been prepared. Interested parties may obtain copies of this Request for Proposals by contacting:
Ms. Kay Cornutt
City Secretary

Time short for some taxpayers

Cash basis taxpayers on a calendar year have little time left to manage their 1982 income tax situations.

They need to consider changes brought about by the Economic Recovery Tax Act of 1981 and this year's Tax Equity and Fiscal Responsibility Act in their tax planning.

"Under the new tax rules, taxpayers should still complete estimates of taxable incomes for 1982 and 1983," says Dr. Ashley Lovell of Stephenville, economist with the Texas Agricultural Extension Service, Texas A&M University System.

If an income tax estimate suggests that "continuing business as usual" for the remainder of the year is unacceptable, then a tax management strategy must be selected and implemented by Dec. 31.

Recognizing that tax rules have changed, Lovell offers a word to the wise: "Immediately consult your tax advisor."

Your tax advisor will size up your situation and counsel you as to the appropriate tax strategy, says the economist. Otherwise, you may regret tax decisions based upon general recommendations which appear in the media this time of year.

Lovell gives this illustration. Assume that the general advice is that you should delay receipt of income until 1983 or later and pay expenses before 1983. This strategy reflects the expected lower income tax rates effective in July, 1983, and that taxable income in 1983 may be less than in 1982.

Business firms may decide to purchase certain depreciable business assets which qualify for investment tax credit in 1982 rather than waiting until 1983. Those assets which are purchased after 1982 must have the tax basis reduced by 50 percent of the investment and energy credits taken on the assets. Additionally, the provision for expensing up to $5,000 of qualifying property is availabe in 1982 and 1983. In the currently depressed agricultural sector, farm machinery and equipment may be a good enough buy to make 1982 purchases a sound after-tax business decision.

Taxpayers in the higher income tax brackets may wish to implement several options before the end of 1982:

–With the scheduled 10 percent reduction in personal taxes in July 1983, charitable contributions may have a higher after-tax cost after 1982.

–The maximum capital gains tax rate decreased from 28 percent to 20 percent on net capital gains resulting from sales or exchanges occuring after June 9, 1981. Taxpayers with less than a 20 percent effective tax on net capital gains may justify postponing capital gains income until 1983 to benefit from the lower individual tax rates.

–As a result of the Installment Sales Act of 1980, installment sales contracts should be considered for delaying ordinary income as well as captial gains income into 1983. Such strategy may be especially suitable for taxpayers expecting lower taxable incomes in 1983.

–Contributions to Keogh plans and IRAs can be made anytime until the date the tax return is due. With the higher dollar limits and new eligibility requirements, many taxpayers should consider using these alternatives for fine-tuning 1982 tax liabilities prior to filing in 1983.

–With the Accelerated Cost Recovery System effective beginning in 1981, end-of-year purchases of recovery property are eligible for a full year's depreciation deduction.

Whatever your income prospects for 1983 relative to 1982, you should quantify expectations through practice runs by completing the appropriate income tax returns, advises Lovell.

After comparing estimated taxable incomes for 1982 and 1983, you must decide whether to increase or decrease 1982 taxable income or to leave it unchanged. If the decision is to change 1982 taxable income, then you need to estimate the impact of various alternatives for achieving the desired results, notes the economist.

So, now is the time to review your 1982 income tax situation and to initiate any tax management strategies. After Dec. 31 will be too late.

Students are named to TSTI Honor Roll

Two Colorado City area residents were named to the Vice-President's Honor Roll for the Fall Quarter at Texas State Technical Institute in Sweetwater.

Betty S. Gale, a student in the Electronics Servicing Technology program, maintained a 3.5 or higher grade point average in all classes for the quarter. Ms. Gale is from Colorado City.

Sheila M. Hill of Loraine also maintained a 3.5 or higher grade point average in all classes for the quarter in the Dental Assitant program.
