Tahoka Loses In Bi-District Game To Levelland

Last Friday afternoon the Tahoka Bulldogs, champions of district 6-A bowed to the strong Lobos of Levelland, 5-A district champs, for the bi-district title 38 to 0.

The stubborn Bulldog defense held the Lobos to only 12 points in the first half, but could not keep the Lobo offense stopped in the second half.

The Bulldogs offense was stopped by the strong Lobo defense and the Bulldogs lost a couple or three chances to score when they lost the ball deep in Lobo territory on fumbles.

Joe Don Minor, stellar Bulldog back was also suffering from an injury received earlier in the week and was unable to perform at top form.

The Bulldogs are not making any excuses though... when a good little team meets a good big team the result is usually just what happened last Friday afternoon on Lobo Field in Levelland.

Although Bobby Hart, W. A. Wise and E. C. Selfert, all Lobo backs presented the fans with plenty of action in scoring runs and long gains, the star of the afternoon was Bill Kelley, Bulldog guard, who actually played the biggest part of the game in the Lobo backfield on defense and threw them for tremendous losses at times. Kelley was undoubtedly the most outstanding player on field when the Bulldogs and Lobos met last Friday afternoon.

The Bulldogs have had a very successful season this year and for the second, possibly the third time in Tahoka's history they have won the district championship, losing only 2 games and winning 9 for the season.

One complete team and one extra man played their last game last Friday afternoon for the Tahoka Bulldogs. They are as follows:

Don D. Cowan, end; Kenneth Reed, end; W. J. Kahl, tackle; Bill Chancey, guard; Bill Kelley, guard; Phil Barrington, guard; Gilbert Hough, quarterback; Charles Fulkerson, back; Joe Don Minor, back; Don Akin, back and guard; Van Brookshire, back; and Rev. Randall Hinkle, center. Possibly another man or two graduates this year.

Every man that graduates this year was on the first string which consisted of 14 to 16 men.

We compliment the Bulldogs and the coaches, Jim Foust and Jake Jacobs for turning in such a fine football season this year... you have all done a swell job.

The Levelland Lobos, bi-district champs will meet Merkel in Merke today on the Merkel gridiron for the Regional Championship.

Five Bulldogs On All-District Team

The Tahoka Bulldogs dominate the all-district team which was picked by the coaches of district 6-A at a meeting in Slaton last week.

The Bulldogs that placed on the first team are: Bill Kelley and Don Akin, guards; Rev. Randall Hinkle, center; Joe Don Minor and Van Brookshire, halfbacks.

Other members of the all-district team are: Sonny Rogers, O'Donnell and Hugh Ingram, Post, ends; Guy Gentry, Slaton and Duane Knox, Abernathy, tackles; George Hester, Post, quarterback; and Laron Davis, O'Donnell, fullback.

The second team are: Eugene Shuey, Abernathy and Joe Tucker, Slaton, ends; Mack McCullough, Post and Almon Crotwell, Tahoka, tackles; Kelly Everett, O'Donnell and Ed Burton, Slaton, guards; Jimmy Smith, Post, center; Lawrence Morgan, Slaton quarterback; Junior Malouf, Post, and Billy Preston, Abernathy, halfbacks; and John Schmidt, Slaton, fullback.

Honorable mention are: Ken Pearson, O'Donnell, end; W. J. Kahl, Tahoka, and Powell Wright, O'Donnell, tackles; Neil Pearson, O'Donnell, tackle; Neil Pearson, O'Donnell, tackle; Neil Pearson, O'Donnell, tackle.

The McMurry College Band, known as the Indian Band and composed of more than forty members, gave a program in the high school auditorium here Tuesday morning. The program was much enjoyed, and it had additional interest for the high school pupils here by reason of the fact that one of the members of the band is a Tahoka High graduate, Miss Nancy Wyatt, daughter of Mr. and Mrs. N. M. Wyatt.

The band was on a tour of this section of the state, giving programs in various schools. It was also booked for concerts in the Methodist Churches at Snyder, Lamars, and Big Spring.

Three Men Sought On Robbery And Kidnapping Counts

Three men staged a daring hold-up of a combination store and service station at Close City in Garza county last Friday morning and soon thereafter appeared at a farm home in the Grassland community in this county and held the family in duress for nineteen hours. They then made their getaway with the Lynn county sheriff hot on their trail. Other sheriffs and highway patrolmen in this area also took up the man hunt but up to date the robbers have not been apprehended.

Appearing at the Tom Williams store at Close City early Friday morning while Mr. Williams was away, the bandits forced Mrs. Williams into a back room, rifled the cash register taking quite a sum of money therefrom, loaded a quantity of groceries into their car, and then sped away, after cutting telephone wires into the store.

It was probably after this robbery that the three men appeared at a Grassland filling station and had transmission oil put into their car.

Shortly afterwards, at about 9 a. m., the bandits appeared at the (Continued on Back Page)

Three-Inch Snow Fell Thursday

Snow began falling sometime after midnight Wednesday and by daylight Thursday morning the fall had amounted to about three inches.

The temperature soon rose above the freezing point, however, and the snow began melting. But the skies were still overcast and there were good prospects for more snow or rain.

The moisture will help to put a winter season in the ground, which is good for next year's crops.

More Beer Captured By Sheriff's Force

One night early last week Deputy Sheriff Dee Sanders and Nightwatchman Tom Reid captured 20 cases of beer being transported through Tahoka in a 1947 Buick convertible coupe by a Negro.

The Negro, who gave his name as T. G. Sims, was placed in jail and later entered a plea of guilty before County Judge Tom Garrard to a charge of unlawfully transporting intoxicating liquor. The Judge assessed the punishment at a fine of \$150.00 and costs, the total being about \$173.00. The fine and costs have been paid.

DRUNKEN DRIVER DRAWS FINE

Another drunken driver drew a \$75.00 fine in the county court Tuesday afternoon, after having been in jail sobering up for a day or two. Costs ran the total penalty to a little more than \$99.00.

He was also fined \$15.00 for driving a car without a driver's license.

The gentleman, who hails from a neighboring town, gave his name as V. L. Skinner.

We are being compelled to leave out some live news, trim down other stories, and carry over still other important matter until next week which was sent in for publication this week. Farmers Urged To Vote Saturday

A last minute call to all farmers of Lynn county to vote in the farm program elections was issued today by Dan L. Carpenter, chairman of the county agricultural conservation committee.

Mr. Carpenter urged farmers to make certain that their vote will be counted in the election of community committeemen and delegates to the county convention where the county agricultural conservation committee will be elected.

He said that too often farmers let other jobs and interests keep them from voting in these elections. But this year, with so many vital decisions and perplexing problems regarding current production and conservation, he stressed that farmers cannot afford to forego the opportunity to vote.

The Agricultural Adjustment Act provides that the administration of the farm program on the county and community level shall be in the hands of the local farmer-elected committeemen.

Landlords, operators, sharecroppers, and their wives are eligible to vote in this election. Community elections are scheduled for Saturday December 13th from 9:00 A. M. until 5:00 P. M. in the following places: Lakeview, New Home, Wilcox, Gordon, Grassland, Draw, O'Donnell, Wells, New Moore, and the AAA office in Tahoka.

Let's wake up farmers, and show that we are interested in a farm program by voting Saturday, Mr. Carpenter states.

Baptists Employ Education Director

Shelden Russell, a student in Wayland College, was recently called as educational director for the First Baptist Church here for part time and began his services Sunday. He had been here the preceding Sunday also upon invitation of the church. He will be here each Sunday and each Wednesday night.

Mrs. Russell accompanied him to Tahoka the past Sunday.

YOUTHFUL RANDALL Hinkle preached Sunday night. He was expecting to leave in a few days for Oregon, where his parents now reside, having moved out there last year. He recently finished his work in the Tahoka high school and expects to make enough money in Oregon this summer to enable him to enter Baylor University as a Ministerial student next fall.

Randall is only 16 but he was a star performer on Tahoka's football team the past season.

Another young Minister, Rev. Boyce Evans, son of Mr. and Mrs. C. B. Evans and a Ministerial student in Hardin-Simmons University, filled the pulpit here on the preceding Sunday night. His message brought many compliments from his auditors.

PNEUMONIA CASES REPORTED HERE

The Tahoka Clinic reports that the following are or have recently been patients in that institution suffering from pneumonia but all are making satisfactory recovery:

W. E. Hagood has been a patient in the Clinic under treatment for several days.

Contracts Let For Paving Of 23 Miles Of Farm-to-Market Roads In County; Further Paving Projects In Prospect

Drunken Driving Cost Goes Up

Judge Tom Garrard elevated the price for the luxury of drunken driving just \$25.00 Monday morning when two offenders were brought into his court. Heretofore he had usually assessed the penalty for such offenses at \$50.00 and costs, but Monday morning he hiked the price up to \$75.00. Drunken driving is such a dangerous and inexcusable offense that the court will probably hike the penalty still further if many other offenders are brought into his court.

One of the offenders who drew the \$75.00 fine Monday morning was a white man who gave his name as Ivan Lee Nunley and the other was a swarthy, gentleman known by his friends as Manuel Martinez Losa.

Former Resident Dies In Lubbock

C. W. Krebs, 70, a former resident of Tahoka, who had lived in Levelland the past ten years and had removed to Lubbock just a few days ago, died of a lingering illness at his home in Lubbock at 12:30 p. m. Sunday.

Funeral services were conducted from the First Methodist Church of Levelland at 2:00 o'clock Tuesday afternoon.

Before removing to Levelland, Mr. Krebs was a resident of Tahoka and immediate vicinity for a period of eleven years. He was a highly respected and greatly beloved citizen of Lynn county, and many friends here regret his passing.

Wilson Baby Dies In Lubbock Hospital

Dorothy Jean Hall, little daughter of Mr. and Mrs. A. A. Hall, who live in the vicinity of Wilson, died at about two o'clock Sunday afternoon in the Lubbock Memorial Hospital after an illness of five days.

The body was prepared for burial in the Stanley Funeral Home here and was taken in a Stanley ambulance Monday to Ben Wheeler, Van Zandt county, former home of the parents, for burial. Funeral services were to be held there Tuesday.

Dorothy Jean was born at Knox City on December 19, 1946, and lacked only twelve days of being a year old.

Survivors include the parents, three sisters, Patsy, Linda, and Jo Ann, one grandfather at Ben Wheeler, J. W. Hall, and the maternal grand-parents at Brownsville, Caldwell county, Mr. and Mrs. Alvin Joff, nine uncles and six aunts.

The parents came to this county in 1946 but had made many friends here, who sympathize with them in their bereavement.

H. A. Young Infant Buried Tuesday

Funeral services for Judy Carolyn Young, five-months-old daughter of Mr. and Mrs. H. A. Young of the New Home community, were conducted by Rev. Leon Quillin, pastor of the Assembly of God Church here, at two o'clock Tuesday afternoon in the Stanley Funeral Chapel. Interment was in the Tahoka cemetery.

Little Judy Carolyn was born on June 26, 1947, and died on Sunday night a short time after midnight on December 8, being five months and 12 days old.

Survivors include the father and mother, two sisters and a brother, Mary, Nellie Jean, and Robert Lee. The parents had been residents of the New Home community since 1942, having come to this county from Henderson county. They have the sympathy of many friends here.

At a meeting of the commissioners court Tuesday contract was let to Kerr & Middleton of Lubbock for the building and paving of 23 miles of additional farm-to-market roads in Lynn county. The contract price is \$143,986.74.

The road improvement project includes 11 miles in the Draw precinct, 10 miles in the O'Donnell precinct, and 2 1/2 miles in the West Point-New Home precinct.

The Draw precinct mileage begins at a point in the Tahoka-Ford highway three miles east of Tahoka city limits and runs south by the T. I. Tippit farm and on into the Midway community a distance of seven miles, thence west by Midway schoolhouse to a junction with the Tahoka-O'Donnell highway, a distance of four miles.

The project in the O'Donnell-Wells precinct begins at a point one mile east of Wells and extends north ten miles to a connection with the Tahoka-Brownfield highway six miles west of the Tahoka city limits. This road connects with the north end of the Wells-O'Donnell farm-to-market road and at the connecting point it crosses the Wells-Draw state highway now under construction.

The remaining 2 1/2 miles covered by the contract extends from the gin 14 miles west of Tahoka on the Tahoka-Brownfield highway north by the old West Point school toward the Lakeview community.

Six bids were made for the construction of these roads, Kerr & Middleton's being the lowest. Other bidders and the amount of their bids were as follows:

Bryan & Hoffman of Plainview bid \$148,896.46; Harry Campbell of Fort Worth, \$150,860.72; O. B. LaFon of Lubbock, \$166,910.21; Holland Page of Austin, \$183,739.21; D. H. Buchanan of Temple, \$217,146.73.

The finished road is to be of the same quality as those heretofore built in the county, having a five-inch compact caliche base with double-asphalt topping.

The commissioners court hopes and expects that in the course of time some extensions will be made and some gaps filled in.

It is understood that the State will pave the Tahoka-Wilson-Slaton highway, and it is hoped that it will be done in 1948.

Dr. Roy Emanuel Dies In Plane Crash

Press reports from Chickasha, Oklahoma, Sunday brought news of a plane crash Saturday night near that city which resulted in the instant death of Dr. Roy Emanuel, 47, of that city, son of B. J. Emanuel, a former long-time citizen of the old Magnolia community in Lynn county. Dr. Emanuel's wife, his office nurse, Miss Charlotte Hickman, 40, and a friend, Everett Wilcox, 37, a music dealer, who were guests of the Doctor on the plane, were also instantly killed.

The plane belonged to the Doctor. The party were returning from a trip to Oklahoma City and were arriving back home when the plane crashed over a field three miles from Chickasha at just about dusk while a drizzle of rain was falling. No explanation as to the cause of the crash was given.

Dr. Emanuel had visited here several times during his 22 years residence at Chickasha and while his parents were still residing in this county.

The parents moved to Chickasha a few years ago, and A. H. Hood, who lives near Central Church and was a former neighbor of the Emanuels, reports that the father, B. J. Emanuel, suffered a severe attack of heart trouble a few weeks ago and is in very bad health.

C. C. Dwight brought his wife home from the Lubbock Memorial Hospital Sunday, much improved, but she was instructed to remain in bed another week. She had been in the hospital two weeks or more.

daughter, Mrs. W. J. Smith, and family in Hereford. She was able to return to Tahoka on Wednesday of last week, however, and is now recovering in the home of Mrs. Short. She had suffered the fracture of a rib and a severe strain of the muscles of the neck in the accident.

It all happened near Tularosa, New Mexico, while Mrs. Walters and Mr. and Mrs. Smith were returning to Hereford from El Paso, where they had been to visit other relatives there. While driving along the highway, the front bumper came loose at one end and dropped down. It was caught by the front wheel in such position as to lock the wheel, causing the car to begin circling around, but Mr. Smith, the driver, managed to steer it into an embankment and then stop it. Mrs. Walters, who was riding in the back seat, was thrown between the seats, causing the injuries described.

One of the doors was flung open and Mrs. Smith was thrown out of the car but she sustained no broken bones. She was in a hospital, however, for about two weeks for bruises and shock Mrs. Walters also required hospitalization and was in a hospital for two or three days.

POLITICAL RUMBLINGS

There are rumblings of numerous candidates for the United States Senate to succeed W. Lee O'Daniel next year. Nobody has announced yet, but everybody knows that O'Daniel, in all probability, will be a candidate for re-election in spite of his repeated declarations in the campaign five years ago that he would not be a candidate for a second term.

Everybody believes also that Coke Stevenson will be a candidate. In fact he has almost said so. And now his biography, written by a friend, has appeared in print. That can mean but one thing. He is preparing to announce soon after the first of the year.

Everybody believes too that Governor Jester has long been looking for a gap in the fence through which he can crawl and

You Can't Afford Cheap Seed Corn!

The Great Corn
WITH STRONG VITALITY

get out onto the race track. But he chances are that he will shy off.

Martin Dies is showing signs of bouncing back into the limelight. As head of the Dies committee, he was in the spot light for so long that he can not possibly be enjoying the dark corner into which he retired three years ago—or was it five years ago?

So, he has announced that he expects to make a tour of Texas soon after the first of the year to feel out the public pulse. Of course, he will find, or will think he has found, what he is hunting for.

And there is Lyndon Johnson. He virtually announced his candidacy several months ago. He will probably be one of the early entries in the race.

And there is always the possibility of Jimmy Allred trotting out onto the race track. His story has not been running very high of late years but he is a good campaigner and knows it. He may get in.

And there are others who have their ears to the ground, possibly a number of them. Some, doubtless, who are now utterly unknown. There are always some of that type. Then, there are other strong and capable men in Texas, who might decide to try for it is excited office.

Next year is not likely to be a dull year politically.

It looks as if a fight is on between Catholicism and Communism for the control of Italy and then for the control of all Europe. It further looks as if each of these forces is seeking a powerful foothold in America with a view to controlling finally this country of ours. For either of these contending forces to triumph would be an unspeakable calamity. What the world needs is not Catholicism and Totalitarianism nor Communism and Totalitarianism, but evangelical Christianity and Democracy—not the suppression of the rights of men but the enthronement of the rights of men.

THE TREATS ARE ON THE SHERIFF

The other Sunday morning while Sheriff Sam Floyd and District Attorney Calloway Huffaker were on their way out to New Moore to investigate an alleged murder, somebody telephoned the Sheriff's office that there was a Negro out there somewhere chasing other Negroes with a pistol. This incident however had no connection with the homicide that had been committed. Deputy Sheriff Dee Sanders received the message but had no means of communicating with his chief. Mr. Floyd therefore had no knowledge of the affair. When he and Calloway had ended their investigation and got into their car to come back to town, a Negro accosted them and asked for a ride to Tahoka. They obligingly accommodated him, and when they arrived back in town the Negro got out of the car and thanked them for the ride.

The eagle eyes of Deputy Dee were on the look-out, however, and noting the fact that the Negro was being permitted to run at large, he promptly arrested the sable-hued gent and took him to jail. On Monday morning, the Senegambian appeared before His Honor, Tom Garrard, and entered a plea of guilty to a charge of unlawfully carrying a pistol. The fine was \$100 and costs.

If Sam didn't set 'em up to Dee, he doubtless will do so, and possibly the Negro should have a roke himself. He knew the Sheriff and evidently figured that by boldly asking for a ride he would thereby disarm the officers of all suspicion. He could have made his get-away if Sam's deputies had not been on the lookout.

The Negro bears the somewhat imposing name of Aycock Westmoreland.

F. F. A. NEWS

The ag. boys had a special meeting called last week by V. P. Carter, the Ag. teacher, to vote on a budget set up by the chapter. The budget was composed of buying a radio for the shop, landscaping the ground in front of the building, part of the expenses to the Fort Worth Exposition and Fat Stock Show, new books and equipment for the shop and to finance the Father Son Banquet.

The budget was passed unanimously and will be carried out as close as possible. The radio was bought the next day and the landscaping will begin in a few days.

The money for the budget will come from the profits from the concessions held at the football games and from the basketball and boxing tournament to be held later in the year.

The budget amounts to about \$700.00. If this amount is not made some part of the budget will not be carried out, if more is made it will be left in the treasury for next year.—Billy Kelley, Reporter.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1—Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2—Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

Mr. and Mrs. Cabe In Car Accident

Mr. and Mrs. Garland Cabe of Brownfield, son-in-law and daughter of Mr. and Mrs. Dee Sanders of Tahoka, a meager report of whose injuries was given in this paper last week, are now said to be improving as well as could be expected, considering the seriousness of their injuries, in the West Texas Hospital in Lubbock. Mrs. Cabe is better known in this county as the former Modelle Sanders. The couple were seriously injured, two others in the same car instantly killed, and still two others injured, when the car in which the six were riding collided with another in which all six of its occupants were also injured on the Hobbs-Carlsbad highway in New Mexico about 25 miles this side of Carlsbad at about 7:00 o'clock on Wednesday night of last week.

The two death victims were Jack P. Cox, about 30, and his step-son, Larry Allen Drake, 13. His wife and another step-son, Preston Drake, were seriously injured.

The Cox and Drake family also lived at Brownfield.

Garland Cabe suffered a broken collar bone, three broken ribs, and

a broken bone in the right hand; Mrs. Cabe had the right leg and the left ankle broken and a cut on top of the head.

The Cabes, Mrs. Cox and son were all taken first to a hospital in Carlsbad but Mr. and Mrs. Cabe were brought later to the West Texas Hospital, where they are now being treated. Mrs. Cabe will be taken to Dallas this week for further surgical treatment of the leg fracture.

Immediately following the accident, Mr. and Mrs. Sanders hastened over to Carlsbad and have been with their daughter and her husband most of the time since. Funeral services were conducted for Mr. Cox and his stepson, Larry Allen Drake in Brownfield.

The six persons in the other car, all of whom were reported to have been injured, were Mr. and Mrs. Gus Winn and two children of Odessa and Mr. and Mrs. Doyle Rule of Houston.

A drizzle of rain and a heavy fog which limited visibility to only a short distance are given as explanation of the collision, which occurred after nightfall.

Funds Raised For Wayland College

As a part of the campaign to raise \$300,000 in the Plains-Panhandle area for the expansion of Wayland College, the First Baptist Church of Tahoka last week sent in a contribution amounting to \$787.82 contributed by the membership on the preceding Sunday. The campaign will continue until February 1, and Rev. Levi Price has expressed the hope that the Church will raise its contribution to at least \$2,500 by that time.

During the same week, the Tahoka Church sent its monthly contribution for missions, benevolence, and education, amounting to \$669.54, to headquarters at Dallas, and also sent a check for \$95.70 for district missions.

On next Sunday the regular annual Lottie Moon Offering for foreign missions will be taken. The pastor presented the crying need for a greatly expanded foreign mission program in his message Sunday morning.

LEGION NOT SELLING
MAGAZINES

Some veterans or alleged veterans are selling magazine subscriptions in Lynn county, and at least a few people have gotten the idea the Legion is backing them.

The News is informed by local Legion officials that this post or any other post or veterans' organization anywhere, so far as they can learn, is not backing any magazine campaign.

To be certain, when approached by such salesmen, the public should demand to see a card of approval from the Tahoka Chamber of Commerce, which is prepared to investigate such sales campaigns.

CONGRATULATIONS

Mr. and Mrs. James H. Reego Jr., of Temple, Texas, on the birth of a daughter weighing 8 lbs., 1 oz. November 24. The little girl was named Ann Claire. The mother is the former Mary Bland Wells.

The Texas Safety Association calls upon every Texan to do his part to make our streets and highways safer during the death-dealing month of December. George Clarke, managing director of the Association, said a united and determined effort by our three million Texas drivers could cut the high death toll by at least 100 persons.

It takes more than a thousand bees, working a lifetime, to make a pound of honey.

CARD OF THANKS

I wish to thank all who sent cards and the Redwine Church for the beautiful flowers sent me during my stay in the hospital. I'm at home and would like to see any of my friends who wish to come. May God bless each of you.—Mrs. C. G. Ingle and family.

CARD OF THANKS

We wish to thank Doctor Prohl, the nurses and attendants at the Tahoka Clinic, for their attentiveness and care, and the many friends for their help and sympathy and for the flowers given and every other kindness shown following the misfortune which befell us.—Mr. and Mrs. J. P. Stuart and Frankie.

Mr. and Mrs. Wade Holland have moved back to Tahoka from Mineral Wells. All but Wade arrived back in Tahoka last Saturday night. He was remaining at Mineral Wells a few days longer to wind up his affairs there.

Mr. and Mrs. Cabe In Car Accident

Mr. and Mrs. Garland Cabe of Brownfield, son-in-law and daughter of Mr. and Mrs. Dee Sanders of Tahoka, a meager report of whose injuries was given in this paper last week, are now said to be improving as well as could be expected, considering the seriousness of their injuries, in the West Texas Hospital in Lubbock. Mrs. Cabe is better known in this county as the former Modelle Sanders. The couple were seriously injured, two others in the same car instantly killed, and still two others injured, when the car in which the six were riding collided with another in which all six of its occupants were also injured on the Hobbs-Carlsbad highway in New Mexico about 25 miles this side of Carlsbad at about 7:00 o'clock on Wednesday night of last week.

a broken bone in the right hand; Mrs. Cabe had the right leg and the left ankle broken and a cut on top of the head.

The Cabe, Mrs. Cox and son were all taken first to a hospital in Carlsbad but Mr. and Mrs. Cabe were brought later to the West Texas Hospital, where they are now being treated. Mrs. Cabe will be taken to Dallas this week for further surgical treatment of the leg fracture.

Immediately following the accident, Mr. and Mrs. Sanders hastened over to Carlsbad and have been with their daughter and her husband most of the time since.

Funeral services were conducted for Mr. Cox and his stepson, Larry Allen Drake in Brownfield.

The six persons in the other car, all of whom were reported to have been injured, were Mr. and Mrs. Gus Winn and two children of Odessa and Mr. and Mrs. Doyle Rule of Houston.

A drizzle of rain and a heavy fog limited visibility.

Commissioners Court Explains Election To Provide More Road Paving Funds

To the people of Lynn county: The voters of Lynn county in 1946, voted bonds for the building of certain roads in the county, which were mapped off and designated at the time of the election, as the roads to be built. The bonds were not sufficient to complete all the roads that were mapped out. The Commissioners' Court of Lynn County feels that it is their duty and that they are honor bound to build the roads, so planned, when the bonds were voted on, if possible. It will be necessary to supplement such bonds by issuing warrants on the Road and Bridge Fund to the amount of approximately, \$120,000.00, which together with the bond and gasoline tax funds now on hand, will complete the road running from a point on the Post-Tahoka Highway, 3 miles East of Tahoka, thence, 7 miles South and 4 miles West to the Tahoka-O'Donnell Highway, just South of the big lake on this road; and to complete the road from, 1 mile East of Wells, North 10 miles to the Tahoka-Brownfield highway, 6 miles West of Tahoka; and 2 1/2 miles from the West Point Gln. North on the Lakeview road.

The Commissioners' Court has made a contract to issue 20 year Warrants to be paid out of the 15 cent Road and Bridge Fund, but they have also had substitute of

fer to issue 10 year Warrants on the Road and Bridge Fund at 2 1/4 per cent provided the Court will make a re-allocation of funds of the Constitutional tax of 80 cents. An 80 cent tax rate on \$100.00 valuation has been levied practically each year for a number of years for Jury Fund, Road and Bridge Fund, General Fund and Permanent Improvement Fund, the 80 cents being the Constitutional limit of the Commissioners' Court. Practically all Counties in the country have levied the 80 cents each year.

By a re-allocation of these funds, whereby they put 20 cents more, making a total of 35 cents, to the Road and Bridge Fund and by reducing the other funds in proportional amounts we can pay the Warrants off in 10 years at a saving of some \$22,000.00, without levying or collecting any additional taxes. The regular 15 cent Road and Bridge Fund will support \$120,000.00 of Warrants and pay them off in 20 years, and meet legal approval, but in order to make the saving and to get the Warrants paid off as soon as possible the Commissioners' Court would like to issue 10 year Warrants and re-allocate 20 cents more of the original 80 cent tax to the Road and Bridge Fund, so as to meet legal approval. As stated in the Lynn County News last week it is just more or less a question of bookkeeping and the re-allocation election is for the purpose of getting legal approval for the 10 year Warrants.

The County's portion of the 4 cent gasoline tax is increasing every year. In the year 1947 the County's portion on this gasoline tax was \$15,000.00, nearly three times the amount of the previous year, and the Court has every reason to believe that this gasoline (Continued on last page Sec. 1)

Baptist Church Sends Clothing To Europe

The First Baptist Church of Tahoka is this week sending many boxes of clothing to Europe, conservatively valued at \$1,150.00.

Only usable clothing was packed, and each piece was given a value as the packing was being done. Unusable clothing was cast aside and all articles that needed

cleaning were sent to the Terry Thompson's cleaning establishment, which cleaned them free of charge. Included in the shipment were 147 pairs of fairly good shoes, which were valued at only \$2.00 per pair. Other articles were likewise valued below their real worth.

This shipment goes from Tahoka to New Orleans and from that port it will be shipped with hundreds of other collections of clothing to Europe, where representatives of the denomination will supervise its distribution with a view to giving relief to the most needy.

Instructions Given For Proper Mailing Of Christmas Packages And Cards

With the approach of what promises to be the biggest Christmas season in history, Postmaster W. E. Smith of the local postoffice offers a few suggestions which, if followed by the patrons of the office, will greatly facilitate handling of the holiday mails.

All parcel post should be wrapped in heavy wrapping paper and securely tied with plenty of strong twine. Parcels gift-wrapped in flimsy colored paper and tied and decorated with cellophane ribbons are not acceptable for mailing unless they are enclosed in regular wrapping paper and tied with heavy string. The sealing of parcel post is forbidden either with glue, Christmas seals or scotch tape, unless the commercial type of address label is used which states that the parcel may be opened for postal inspection, etc. Such labels are not obtainable at the postoffice but may be purchased at the local drug stores and variety stores. Fragile articles must

be carefully and thoroughly packed in heavy cardboard cartons before being acceptable for mailing. Because of the limited shipping facilities available during the Christmas season, all gifts should be mailed as early as possible; otherwise their delivery might not be effected until after Christmas.

Christmas cards are still mailable at the third class rate of postage, that is, one and one-half cents each, provided they are unsealed and contain no writing other than the name of the sender. They may be sent sealed or unsealed for one cent each if intended for delivery to persons receiving mail in the local post office boxes or in general delivery. Those mailed to people on the local routes or in other cities require one and one-half cents unsealed or three cents when sealed. Christmas cards are not forwardable at the one and one-half cent rate but can be forwarded when mailed at the first (Continued last page, Sec. 2)

**"So-o-o... if you can afford a washer,

("...and I'll put a Bendix Gift Certificate in her Christmas stocking!")

No need for mistletoe at your house! Not if you present your leading lady with the one and only do-everything Bendix!

No need to torpedo the family budget either... because the Bendix is such a thrifty machine.

It costs as much as \$90 less than other fully automatic washers, and your Bendix Dealer makes it easy as pie to buy with small installments spread over many months.

What's more, it costs far less to operate than old-fashioned washers. Its savings on soap alone pay you back about \$10 a year, and it uses gallons less hot water on each load of clothes.

Give her a Bendix, and you give her the only washer which has proved... in ten whole years of trouble-free service... that it can wash, triple-rinse and damp-dry the wash, automatically... even when she's not in the house!

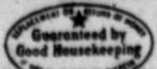

Here's all you do
Tell your Bendix Dealer you want to give a Bendix Washer for Christmas. He'll arrange the terms and fill out a Gift Certificate you can hang on the tree. That certificate will announce the news she's been longing to hear:

"...we will deliver and install in your home the magic Bendix automatic Home Laundry..."

Roads ...

(Continued from Page 1, Sec. 2) tax will still increase every year, and that the gasoline tax plus 5 cent or 6 cent of the Road and Bridge Fund will easily take care of these Warrants. In the election which is to be had, December 22, 1947, the only question is whether or not you want to give the Commissioners' Court authority to re-

allocate the regular 80 cent tax of the various funds, and pay the warrants off in 10 years, or whether you want to leave the tax for the various funds as it is, and pay the Warrants off in 20 years.

The Commissioners' Court would like to make the saving of some approximately \$22,000.00 by issuing 10 year warrants instead of 20 year Warrants, and to pay the Warrants off as quickly as pos-

sible, complete the road with as little cost as possible, without levying or collecting any additional taxes, and to handle a business proposition in a business way. If you believe this is a business way to handle a business proposition, vote for the re-allocation of the funds. If you don't believe this is a business way to handle it, vote against the re-allocation of the funds. The Court will be guided by your wishes in the matter. This re-allocation, if voted, will only be for a period of six years, but will be sufficient for the purpose, so please vote, as you think.—Commissioners' Court, Lynn County, Texas.

(Continued from Page 1, Sec. 2) class (three cent) rate; therefore, if there is any doubt as to the present address of any person to whom a greeting is to be sent, a three cent stamp should be used. If ten or more cards are being mailed at the same time, it will be appreciated if they are handed to one of the clerks at the window instead of being thrown through the letter drop one at a time.

If Christmas gifts or cards are sent to children they should in all cases be addressed in care of the children's parents; otherwise delivery probably will be delayed while the identity of such children is being established.

GRASSLAND NAZARENE CHURCH BEGINS REVIVAL

Revival services were begun at the Church of the Nazarene at Grassland Wednesday night to continue through Sunday, December 21, according to Rev. S. R. Brannon, the pastor.

Rev. Spencer Johnson, evangelist, of Bethany, Oklahoma, is doing the preaching and Mrs. Johnson is doing special work with the juniors. Mrs. Paul R. Smith is leading the song services. Special singing will be one of the features of the service.

Services will begin each evening at 7:00 o'clock and the pastor extends a hearty welcome to all.
