Absentee Voting Is Underway

Absentee voting for November's general election opened Wednesday of last week in the County Clerk's office at Benjamin, and Knox County and District Clerk Gloria L. West has asked the *News* office to remind readers of the election law rules in regard to absentee ballots.

Qualified voters who will be 65 years of age or older on the day of the election, or who because of sickness or physical disability, or because of religious beliefs, cannot appear at the polling place on the day of the election, should make application for an absentee ballot to the clerk. It must be mailed to the clerk, and the clerk shall preserve the envelope in which it is received. If the application is delivered to the clerk by any method other than by mailing it, the ballot shall be void and shall not be counted. The voter shall state in his application the address to which the ballot is to be mailed, which must be either his permanent address or the address at which he is temporarily living. If the ballot is furnished to the voter by any method other than by mailing it to him, or if it is mailed to any address other than one of the foregoing, it shall be void and shall not be counted. The marked ballot must be mailed to the clerk, and if returned in any other manner it shall be void and shall not be counted.

Qualified voters, after the beginning of the period for absentee voting, may apply for an absentee ballot on the ground of expected absence from the county and who are absent from such county at the time of applying for an absentee ballot and expect to be absent from such county during the clerk's regular office hours for the remainder of the period for absentee voting. The voter must state in his application that he is absent from the county at the time of making the application and expects to be absent on election day and during the clerk's regular office hours for the remainder of the period for absentee voting. The clerk shall not mail a ballot to any such voter unless the envelope in which the application is received is postmarked from a point outside the county, and the ballot must be mailed to the voter at an address outside the county. The ballot shall not be counted unless the envelope in which the application is received and the carrier envelope in which the ballot is returned to the clerk are each postmarked from a point outside the county.

Those who wish to vote absentee in person should go to the clerk's office in Benjamin any week day from 8:00 a.m. to 12:00 noon or from 1:00 p.m. to 5:00 p.m. through November 2, and absentee ballots may be received by mail until the day of the election, Mrs. West said.

In a report from Gladene Green in the clerk's office, eleven persons had cast absentee ballots as of Monday afternoon and about 30 ballots had been mailed out.

PROUDLY SHOWING OFF prizes for the Miss Chili Powder contest to be held in connection with the Second Annual Fall Festival and Chili Cookoff Saturday are Michael Bartley, and Birdie Helton of P-B-H Oilfield Supply who are providing the prizes including the satin monogrammed jacket shown for the winner. Second Annual Event

Chili Cookoff Set Saturday

With plans and preparations in full swing, the Knox City Chamber of Commerce is eagerly awaiting the arrival of hundreds of out of town visitors this weekend for the second annual Fall Festival and Chili Cookoff. Among the many visitors will be Congressman Jack Hightower, the representative to the United States Congress from Amarillo, and the Congressman for this district. Rebounding from last year's huge success, the directors of the Chamber of Commerce are confident that this year's event will be bigger and better for those who enter the chili cooking contest and those who come out to join in the fun and festivities!

Starting with a Friday night hospitality supper for members of the cooking teams, the cookoff and related events will be the biggest event of the year for the Knox City Chamber of Commerce. The Friday night supper is only open to the teams, but the general public is welcome and cordially invited to all of Saturday's events.

Located at the David Albus farm two and a half miles northwest of Knox City, the day long event will feature a full day of activities for both cooking teams, visitors and hungry spectators! Starting off early Saturday morning, chili cooking teams from throughout Texas and Oklahoma will start cooking their chili from scratch and add their own secret ingredients in the hope of producing a winning entry. Other events taking place on Saturday to attract and hold the interest of the public are a horseshoe pitching contest held by the Knox City Jaycees as a fundraiser and a Miss Chili Powder Contest

that is sponsored by PBH Oilfield Supply Company of Knox City. Other assorted games and activities will also take place throughout the day. One of the main attractions of the event will be the food that is offered for sale to everyone present. The Chamber of Commerce will have a food booth open and will offer fresh cooked brisket and homemade German sausage in both sandwiches and plate lunches. Other delicious food will be available for purchase and the women of the Knox County Hospital Auxiliary will be at the site with the trailer from Coca Cola of Stamford as a fundraiser for their organization.

Another booth manned by Chamber directors will offer for sale cookoff T-shirts, baseball caps and buttons. With these items being collected by the different cookoff teams, local residents who wish to obtain their own should make arrangements to purchase them early at the Chamber office or plan to be at the cookoff site Saturday. As of press time, eight en-

trants had turned in their forms to be participants in the Miss Chili Powder contest. PBH Oilfield Supply Company has furnished nice prizes for the contest and the beauty pageant is scheduled for 11:00 a.m. Saturday. The new Miss Chili Powder will reign over the day long event and will participate in the trophy presentation with Congressman Jack Hightower to award the winning chili cooking teams.

Chili cooking teams that have turned in entry forms to the Chamber of Commerce office are from Knox City, Munday, Amarillo, Cartwright, O'Brien, Wichita Falls, Vernon, Argyle, Aubrey, and Mesquite, Texas, and Altus, Oklahoma. Many of the towns mentioned have several teams coming to the cookoff. Some of the team and chili names are colorful as well as descriptive as some of the names already turned in are Feed Um Gold Fish, Gofer Chili, Red River #1, Red River #2, El Rancho Grande, Andy Capp, Armadillo Chili Company, Moose Juice, Six Oaks, Crimson Tide, Knox City Fire Brigade, Aggie Chilly (Note the spelling!), Cow Chip Chili, Sgt. Pepper's Lonely Heart Club Chili, Concrete Chili, Shinola, Two Rivers Chili, Regal Red Chili, North Texas Red Chili, Lone Branch Saloon, No Harm Chili, and Six Pac Chili. Chamber manager Doris Crownover stated that as of press time, she was still receiving many phone calls and entry forms from other groups around the state that plan on attending the cookoff.

Drawings will be held during the day to give away many door prizes that have been donated by merchants

Valley Comes Back To Defeat Hounds

By LYNDOL CYPERT

The Knox City Greyhounds started strong Friday night by scoring two first quarter touchdowns, but the Valley Patriots proved to be too strong as they came back and won the game, 34-15. The Hounds played much better this week and still continue to improve and gain experience.

The Hounds kicked off and held Valley forcing a punt. On the first play from scrimmage, Willie Robinson broke through the line and ran 48 yards for the Hound touchdown. Shane Lewis kicked the extra point and Knox City led 7 to 0. The Hounds again kicked off and Valley took possession at their own 29 yard line. George Rocha recovered a Valley fumble and the Hounds were in business at the Patriots' 29 yard line. However, the Hounds had two penalties on this series and had to punt. Valley blocked the punt and had the ball at the mid-field stripe. Mark Walaski recovered a Patriot fumble on their first play and it was the Hounds' ball at mid-field. The Greyhounds put together a nine play, 50 yard drive, with Robinson getting the last eight yards and the touchdown. During the drive, Robinson ran for 41 yards and Oudems ran for eight yards.

Tracy Carter passed to Brian Correll for the two point conversion and the Hounds led 15 to 0.

After the kickoff, the Patriots moved 65 yards in 11 plays for their initial touchdown. The try for two points was good and the Greyhound lead was cut to 15-8. The Hound defense was led by Walaski, Agraz, Oudems, Daniels, Robinson and Garcia.

The Hounds were unable to move the ball on their possession and punted. Valley drove down to the Knox City nine yard line but the Hound defense stiffened and stopped the Patriots. Rocha, Thompson, Driver, Lewis, Logsdon, Rauch and Robinson did a good defensive job on this series. The Hounds took over and moved the ball out to the 20 yard line where a Greyhound fumble set up a Valley touchdown run of 19 yards. The extra point was no good and Valley had closed the gap to 15-14 with 1:35 left to play in the first half. Following the kickoff, the Hounds had good field position at their own 43 yard line. Three plays later, the fumble bug struck again and Valley had the ball at the Hound 49 yard line with 1:08 left to play in the first half. On the second play of this series, the Patriots had a pass and run play for 43 yards and the go ahead touchdown. Halftime score was Valley 21, Knox City 15.

The second half got underway with the Hounds' receiving the kickoff. The

Hounds behind the running of Oudems and Robinson and a 31 yard pass from Correll to Rocha moved the ball down to the Patriots' 24 yard line. An interception stopped the Hound drive. Valley took just five plays capped by a 41 yard run for Valley to score again. The extra point was not good and the Patriots led 27 to 15.

Following the kickoff, Knox City and Valley exchanged punts; however, the Patriots

got the ball on a short punt by the Hounds at the Hounds' 24 yard line. It took only two plays for Valley to score and the lead was increased 34 to 15 in favor of Valley.

The fourth quarter was played without either team's threatening and the final score was 34 to 15.

Friday night, the Hounds travel to Crowell. Game time will be 7:30 p.m. See you there.

CARD OF THANKS

Words seem so inadequate when it comes to expressing our heartfelt thanks to so many people. A special thanks to the ambulance crew for their efficiency and concern on the field and in taking Mark to the hospital. They did a great job. To Brother John Gillispie for his support and prayers, to the coaches who were so encouraging, and to the hospital staff and Dr. Neufeld for their care. We especially appreciate all the people who came by the hospital Friday night. To look up and see so many friends and to feel their concern and support was overwhelming.

Thanks to all who have called to ask about Mark and to those who have visited him in the hospital.

We appreciate all these things so much.

Ed, Cheryl, Mark
Karen & Richard Daniel

Wooley Rites Are Held Here Friday

Funeral services for Knox City resident Luther R. Wooley were held Friday morning, October 19, at ten-thirty in the Foursquare Gospel Church. The Rev. Floyd Bailey, district superintendent, officiated. Burial was in the Knox City Cemetery with Smith Funeral Home in charge of arrangements.

Mr. Wooley, 88, died Wednesday, October 17, at 9:22 a.m. in the Knox County Hospital after a lengthy illness.

Born January 27, 1896, in Falls County, Texas, he married Ila L. Mashburn in 1924 in Benjamin. Mr. Wooley was a retired rancher and a member of the Foursquare Gospel Church in Knox City.

Survivors include his wife, Ila of Knox City; three sons, Marshall L. of Colorado Springs, Colorado, Bill of Leonard, and Leroy of Springer, Oklahoma; three

sisters, Mrs. Peggy Sander-son of Knox City, Mrs. Sally McKeen and Evie Palmer, both of Marysville, California; and ten grandchildren.

Pallbearers were Vernon Bridges, Lee Smith, Kenneth Myers, Joe Clonts, Brownie Tackitt, and Doyle Graham.

Fire Poster Winners Are Announced

By KEN LAWSON

During Fire Prevention Week, Fire Chief Craig Williams spoke to the senior citizens about fire prevention and fire hazards. Chief Williams and Fire Marshall Roland Marion also visited the Knox City Grade Schools and O'Brien Schools and conducted fire drills in observance of fire prevention week. Fire prevention posters were judged at last week's meeting that were turned in by the first through fifth grades. Judges said that they were extremely hard to judge since there were so many that were good, but the

winners were:

First Grade: first, Clint Hacker; second, Joe Montoya; third, JoAnn Stone;
Second Grade: first, Elizabeth Lomeli; second, Penny Brady; third, Melissa Harrison;
Third Grade: first, Dawn Walker, second, Gilbert Casillas; third, Kindra McKinney;

Fourth Grade: first, Randy Roberts; second, Estella Rocha; third, Melanie Chaney;

Fifth Grade: first, Aimee Ford; second, Amy Logsdon; third, Paul Casillas.

Firemen started classes last Thursday night on fire training that will be held for the next four Thursday nights. Billy Marquis, fire training officer from Texas A&M University, is instructor

for the 15 hour course. The course will go toward certification of local firemen that are working for certificates and also a good refresher for the others. Mr. Marquis held similar classes here in 1978, but the fire service is changing so rapidly that some of the firemen go to classes in the area and state every time we have a chance.

SMITH VISITORS

Spending several days last week in the home of Mr. and Mrs. John A. Smith was her niece, Peggy Noonkester of Proctor.

Visiting Sunday with the Smiths were their daughter and grandsons, Mrs. Bert Leaverton, Bill and Lee of Whiteface. They were here to help Mrs. Smith celebrate her birthday.

COOPERATION KEEPS AMERICA STRONG AND FREE

"The Capitol is the cornerstone of our government. It has been my pleasure to serve with three presidents there during the time I have been your congressman. Two were Republicans, one a Democrat. I have helped each of them when I could, consistent with my own responsibility to represent the people of this district, not hesitating to be a part of the loyal opposition when I thought they were wrong. Regardless of who is president in the future, I will continue to serve with, and help him, whatever his name or his party, in order that America may remain strong and free."

Letters From Our Readers

To Whom It May Concern:

I remember a saying my Mother used to say while she was preaching, "If I start stepping on somebody's toes, I know I'm doing some good." First of all, I'd like to thank Dave Thompson for his article on malicious gossip. It hit the nail on the head and stepped on somebody's sore toe. Every word of it was true, because evil gossip can hurt and destroy so many people.

As everyone knows, there is a lot of gossip going over town about our doctors. There are backstabbing and childish tattling circulating over town. We have 3 good doctors and we should feel grateful to have them, instead some have decided to "run them out of town." They have a tendency to forget about our situation a few years back when the Hospital was closed. The town was in a bad downfall and everybody was affected. Then everyone joined together and worked together to bring a doctor to our town.

Just remember what Dr. Thompson has done for our town and be thankful that we have him. Later, he brought Dr. Neufeld, who has also been an asset to our community, then, he brought Dr. Morton, who can't be accepted yet, because of bad rumors. What is wrong when people can't get along together in peace and harmony? What's wrong when Hospital board members won't use our doctors or our Hospital? Who are we supporting? There is so much

fussing and bickering over little picky details. This child's game can cause a lot of heartache. If this continues the Hospital will close and where will we be? Think of the employees and their families, the merchants in town will suffer and our economy will drop. The retirees will not move here with no Hospital available and others will move away. What about the inconvenience of going out of town to a Dr. or Hospital and it's especially hard on the older people.

It's a serious situation and unless people join together and resolve this bitterness, we are all going to suffer. I can only say, I wish people would do more praying instead of gossiping.

This is some nice weather. I say it wouldn't rain until we paid our preacher. I guess we're paid up.

St. Paul held Sunday school. A regular attendance, the teacher brought a helpful lesson and reviewed by the pastor. For morning service the pastor preached a powerful sermon. In the afternoon St. Paul host their 3rd Sunday musical with every choir in place.

Whoever stole the mop from St. Paul please return it.

A kindergarten teacher had some pictures of animals on the wall and ask each child what was the picture she were pointing at. Each child name it correct, but one little boy when the teacher ask him what it was he said I don't so the teacher said what does your mother call your daddy. The little boy said no teacher that not a jackass.

No segment of the economy has ever been challenged to change so fast and so completely as has the new agriculture.

Never in American history have so many innovations been adopted in such a short time.

When these changes have required capital, your Federal Land Bank Association has been a primary source of funds. We recognize the inevitability of change — except in the importance of the man and the land. We also believe that a free agriculture — based on the family farm — will continue to flourish in any new environment.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"O Lord, God of my Master Abraham, grant me success today, I pray thee, and show steadfast love to my master, Abraham. Behold, I am standing by the spring of water, and the daughters of the men of the city are coming out to draw water. Let the maiden to whom I say, "pray let down your jar that I may drink," and who shall say, "And I will water your camels let her be the one whom thou hath appointed for thy servant Isaac. By this I shall know that thou hath shown steadfast love to my master." (Gen. 24:12; 13 & 14).

Notice that the words "steadfast love" was used twice in the servant's prayer. Stead, meaning, firm, stable, loyal, firmly. And fast, a fixed idea of quickness. Only the Holy Spirit could make this prayer come to pass and the servant believed God would answer his prayer. The very words he prayed to God was said by the maiden. Truly that is the way God answers prayer that is prayed with faith. He still answers His children today for you as you pray to God in faith.

These words, "Steadfast Love" are used hundreds of times in the scriptures. Seek them out as you read and study your Bible and find how great and faithful your Lord God is. The Psalms are full of these same words as well as many of the scriptures. That is the reason God commanded us to read the Scriptures. They are the greatest Blessing you can find anywhere, in this world.

SENIOR CLASS NEWS

By Linda Mayes

Well, the seniors will be getting ready to order their invitations which sounds like a lot of fun, until it comes time to write up all the thank you notes. When we think about invitations another thought enters our minds and that thought is how does it feel to be a senior. The feeling that the class of '85 gets is a feeling of happiness and sadness. We get a happy feeling because we know now that we will meet greater things in life and some of them will be good and some bad, but it's a chance we are all willing to take. We get a sad feeling because we know we will miss all the fun we had at school, marching contest, and all the basketball we will never get to play again. Overall we have had fun during our feelings of happiness and sadness and now we are getting ready to face the future, no matter what it may be because we're the class of '85 and life must go on.

Let's go support our Hounds Friday night!!!
