No Interest On Postal Savings In Post Office

"United States Postal Savings Certificates which are on deposit at post offices will cease earning interest for depositors on April 27, 1967," Postmaster Maynard Rowan said today.

Although all postal savings accounts of the Rockport post office have been liquidated, nationwide the Post Office Department is holding more than \$90 million in the now obsolete program which was discontinued by the Congress on March 28, 1966.

Holders of Postal Savings Certificates, or their heirs, can arrange to redeem them by mail simply by applying to the post office where the certificates were issued.

War Veterans Accent May 1 Loyalty Day

A patriotic Loyalty Day theme is to be given strong emphasis in Rockport on May 1 by VFW Post 3904, Veterans of Foreign Wars and its Ladies Auxiliary, working in cooperation with schools, churches, clubs and many other organizations.

Robert Hewes, commander of Post 3904, today announced plans to provide colorful public reaffirmation of loyalty to flag and to country.

Loyalty Day has been designated by an act of Congress and proclaimed by President Johnson, Governor Connally and by Mayor Delmar Hiller.

Commander Hewes explained that the 1,300,000 VFW members created Loyalty Day primarily to counteract Communist May Day demonstrations which belittled American ideals and even advocated overthrow of the U. S. government.

"Anti-American tactics by the Communists and by some of our own supposedly patriotic citizens, still threaten national unity and security today," Hewes declared. "For those reasons we are giving every loyal citizen an opportunity to demonstrate his and her faith in our American freedom heritage."

Loyalty Day demonstrations throughout the country are to include pro-American parades, also prominent display of the Stars and Stripes flag and other ceremonies, Commander Hewes said that the public response to Loyalty Day is enthusiastic everywhere, with youths and adults, political, educational, religious leaders and citizens in all walks of life volunteering their participation.

Board Changes Library Rules

At the suggestion of tourists and newcomers who report enjoying Aransas County Public Library, the registration fee for non-residents and temporary residents has been raised to \$1 a year, according to Mrs. C. R. Gibson, Library Board chairman. Use of the library by Aransas County residents is free.

Fines for overdue juvenile books have been set at 2c a day with a maximum of 25c a month. For adult books, fines are 2c a day with a maximum of \$1 a month, and 5c a day for overdue 7-day books. Lost books are to be paid for at replacement cost.

The library, located on the northwest corner of the Court-house square, is open from 2 to 5 Tuesday through Friday afternoons and 9 to 12 Saturday morning.

Corpus Christi Motorists Jailed

Louis Baldarramos of Corpus Christi, charged with speeding and running a stop sign, was jailed Monday when he was unable to pay the fine.

He had been involved in a collision with a car driven by Mrs. Dan M. Rasco at the intersection of Magnolia and Main. Chief of Police Bob Hewes said total damage to both cars was approximately \$300.

City Passes New Drilling Ordinance

The City Council this week passed a new drilling ordinance providing for control and adequate safety in connection with drilling within the land area of the city.

The new ordinance does not apply to submerged areas within the city limits. Since drilling in submerged areas will be regulated in a different way from the land areas, the Council is working on an amendment to the new ordinance which will apply to the submerged areas. The amendment is expected to be passed within a month.

Other actions at the Council meeting were:

—The Council considered copies of a legal opinion written by Attorney General Waggoner Carr and a summary opinion of City Attorney Dick Hatch pointing out that cities the size of Rockport have jurisdiction only one-half mile outside the city limits. Consequently, the city's control over subdivisions is limited to the half-mile territorial jurisdiction.

Hatch said that a bill is now before the State Legislature which would increase the area control for cities the size of Rockport to five miles outside the city limits.

—The need for an additional well site was discussed in view of the fact that the city had to close well No. 17 because of the high chloride content. It was pointed out that there will be need for an additional well in the near future for peak periods. The well will be drilled in the northwest part of Rockport, Mayor Delmar R. Hiller said.

—It was announced that the Council is considering raising garbage collection rates for large grocery stores and other business establishments that require daily pick-up. (continued on page 8)

Corpus Christi Doctor To Speak at Meeting Of Cancer Society

Dr. Richard R. Woods of Corpus Christi, a member of the Texas State Board of Directors of the American Cancer Society, will be the guest speaker at the annual membership meeting of the Aransas County Unit of the Cancer Society.

This meeting is a Dutch treat luncheon and will be held Friday, May 5 at noon at the Islander Club, Key Allegro. All those interested in the American Cancer Society are invited to attend.

At this meeting the membership will elect the Board of Directors for the 1967-68 year. Officers of the unit, five delegates and five alternates to the District 6 North Annual Meeting, and a delegate and alternate to the state annual meeting will also be elected.

Rev. Benjamin Bohmfalk is president of the unit, and the standing committee chairmen are Mrs. Vic Stuart, service; Mrs. Jones Christian, public education; Mrs. Ben Bloomer, publicity; Mrs. Alfred Wofford, campaign; Mrs. Stuart, Aransas County Crusade; and Mrs. Walter Heldenfels, memorials. They will make annual reports.

Those on the nominating committee are Mrs. Matt Scott, chairman; Mrs. E. T. Busch and Mrs. Virginia Shivers. Those on the planning committee are Mrs. Alice Hilyard, chairman, and Mrs. Vic Stuart.

Those who plan to attend should notify Mrs. Hilyard at SO 4-6835 or Rev. Bohmfalk at SO 4-6303.

DANCE FRIDAY AT YOUTH CENTER

There will be a dance Friday night, April 28 at the Youth Center starting at 8 p.m. The band will be "Complex 5." Admission will be 50 cents. The dance is open to both Junior and High School students. There will be drawings for prizes throughout the evening.

DAYLIGHT SAVING STARTS ON SUNDAY

Daylight Saving Time goes into effect at 2 a.m. Sunday, April 30 which means that to keep on schedule for going to church at the right time and keeping other appointments, all of us should set our clock and watches ahead one hour before we go to bed Saturday night.

We will gain an extra hour of daylight—for fishing, golfing, working in gardens, etc.—until 2 a.m., Oct. 29 when we'll turn back the hands of time once again.

The schools will have no back-breaking job to turn their clocks ahead for Daylight Saving Time. The High School, Junior High, Rockport Elementary and Fulton Elementary each has a master clock. The hands of each master clock will be turned ahead an hour and this will take care of every clock in each building.

In the Courthouse, someone, in each office will have to climb up and move the clock hands ahead since there is no master clock system in the building.

Baptists Adopt Long-Range Plan

First Baptist Church has adopted a long-range plan of growth presented by the Planning Survey Committee.

The plan calls for expansion of facilities in four steps during the next few years:

1. Utilize existing rent house for educational space.
2. Utilize parsonage for educational space, making other provision for pastor and family.
3. Purchase neighboring funeral home property.
4. Build new educational building.

A companion recommendation calls for the adding of new seats in the auditorium as the need arises.

After adopting the long-range plan, the church voted to take step one immediately. As soon as the house is vacated, it will be used for educational space. The specific use to which it will be put was left to the discretion of the Sunday School leadership, and the necessary remodeling was put into the hands of the existing building committee.

As the church finds itself able, it will vote to enter the next step, until all steps have been accomplished.

"I am very glad to see the church adopt this plan," Rev. Charles Fake said. "I think it is a good one, considering the fact that we already have a large debt. If no debt existed already, we probably would take a different approach, but this seems to be the best way of providing the needed room within our financial capabilities."

Explorer Post Wins Awards

Last Saturday, Explorer Post 49 of Rockport and their advisors, L. E. Nelson, won first place in Explorer-Olympics at the Corpus Christi Naval Air Station.

First place medals were won as follows: Volley ball, Joe Valdez, Alan Edmonson, Ted Deason, Mike Holt, Johnny Jackson, George Rinche; Swim relay, Joe Valdez, Shelton Parker, George Thornton;

Archery, George Thornton; 100-yard dash, Alan Edmonson;

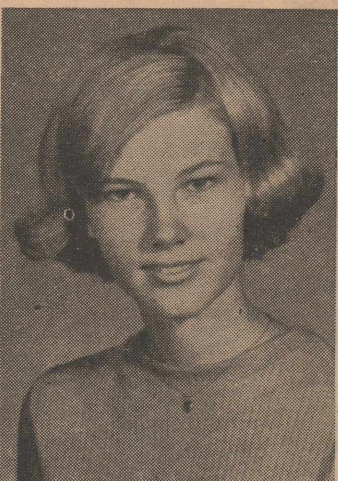

Cross country, Felix Garcia; Diving, Joe Valdez;

Second place medals: Basketball free throws, George Thornton; tennis, George Thornton, Shelton Parker; Shot put, Ted Deason; diving, Ted Deason; bowling, George Thornton, Shelton Parker, Glyn Harris; 100-yard free style swim, Joe Valdez;

Third place medals: Road-e-o, Johnny Jackson. Also scoring points were Andrew Huffmeyer, Andy Valdez, and Bobby Jackson.

The Explorers will hold a dance Saturday, May 13 at the VFW Hall, from 8 to 12. Price will be \$1.25 and no one under freshman in high school or 14 will be allowed. The Grass Roots will play.

Gay Lee Mayfield Is Valedictorian; Diane Shults Named Salutatorian

GAY LEE MAYFIELD

Gay Lee Mayfield, daughter of Eugene D. Mayfield, has been named valedictorian of the 1967 graduating class of Aransas County High School. Her average was 96.55.

Diane Kay Shults, daughter of Mr. and Mrs. Gene Shults, was named salutatorian, with an average of 95.28.

LEWIS BREAKS SHOT RECORD

Tom Lewis, the strong man from ACHS, broke two records in the Region 42-A track championship at Kingsville last Saturday.

His shot put toss of 56 feet 5 inches broke the old record of 55-11 1/4. The only double winner in the meet, Lewis also won the discus with a record throw of 157-9, compared to the old mark of 156-4.

Other ACHS winners were John Warden, 6th in the 100-yard dash; and Domingo Pulido, 5th in the mile run.

ACHS finished sixth in the meet with 23 points.

Mayor's Proclamation On 1967 Loyalty Day

Whereas, Our city thrives upon the united interests and efforts of all its citizens working wholeheartedly for the fullest expression of vigorous Americanism, and

Whereas, All of us should periodically emphasize and demonstrate our determination to counteract and influence which threatens to disturb the American way of life, and

Whereas, There is in our nation today evidence of some elements endeavoring to subvert and to destroy American unity, now

Therefore, I, Delmar Hiller, Mayor of the City of Rockport, Texas, do hereby concur with our national and state leaders in praising the concept of "Loyalty Day," celebrated on the first day of May in each year; and in active implementation of that special patriotic occasion I do hereby urge every citizen, school, church, organization, business establishment and home within my official jurisdiction to display the flag of the United States and to participate in public patriotic activities sponsored by the Veterans of Foreign Wars of the United States, in cooperation with others, on Loyalty Day, in this year of nineteen hundred and sixty-seven.

(Signed) Delmar R. Hiller, Mayor.

Local Artists To Meet May 4

All artists in this area are invited to attend a meeting in the Colony Room at the Sandollar Motel at 7:30 p.m. Thursday, May 4 that will be of special interest to them.

Several local artists are arranging this meeting for the purpose of promoting and encouraging local art and artists in Rockport and the immediate area.

Another purpose, one artist explained, is "to promote our talents, making the works of all artists easily accessible to everyone."

Ed Harper, president of the Chamber of Commerce, said the Chamber "is anxious and willing to sponsor a movement that will bring about the objectives of these artists for the benefit of the entire Rockport area."

Texas Shrimp Haul Lowest Since 1961

Landings of headless shrimp at Texas ports in March 1967 amounted to 1.4 million pounds. This was the lowest March shrimp landings since 1963 and the lowest first quarter (January through March) landings since 1961. The current decline reflected poor catches of all species of shrimp from waters off Louisiana and southward to the Gulf of Campeche. The following figures represent landings of headless shrimp for specified areas and periods:

Port Arthur - Sabine area: Mar. 1967, 45,400; Jan.-Mar., 1967, 155,200; Jan.-Mar., 1966, 319,100.

Galveston - Seabrook area: Mar. 1967, 104,700; Jan.-Mar., 1967, 157,900; Jan.-Mar. 1966, 251,400.

Freeport area: Mar. 1967, 120,400; Jan.-Mar. 1967, 322,800; Jan.-Mar. 1966, 342,500.

Matagorda - Palacios area: Mar. 1967, 23,400; Jan.-Mar. 1967, 33,900; Jan.-Mar. 1966, 43,000.

Port Lavaca-Port O'Connor-Seadrift area: Mar. 1967, 29,800; Jan.-Mar. 1967, 100,100; Jan.-Mar. 1966, 129,900.

Aransas Pass - Rockport area: Mar. 1967, 309,100; Jan.-Mar. 1967, 855,300; Jan.-Mar. 1966, 958,800.

Brownsville - Port Isabel area: Mar. 1967, 810,800; Jan.-Mar. 1967, 2,408,000; Jan.-Mar. 1966, 2,504,300.

Trawl vessels working brown shrimp in waters beyond 30 fathoms made unusually poor catches and encountered moderate to heavy loss of gear, especially in the area south of Ship Shoals off Louisiana. Vessels working white shrimp in Texas waters made poor to fair catches with trip averages of about 125 pounds per 12 hours. White shrimp were smaller than expected throughout March and with the poor brown and pink fishery, tremendous fishing pressure resulted in areas of white shrimp concentration.

Oyster landings amounted to about 30 thousand Texas barrels in March compared with 37 thousand barrels in (continued on page 8)

Attempt Is Made To Reestablish Green Sea Turtles

Small green sea turtles have been released on Texas Gulf beaches in an attempt to reestablish this highly desirable species as a Texas resident.

On April 3 biologists of the Parks and Wildlife Department hauled 48 young turtles from the Rockport Laboratory to Matagorda Island. On the Gulf beach about one mile north of Cedar Bayou they were released at the water's edge. It is hoped that these youngsters will grow and mature for about four years, then return to the release site to lay their eggs.

About six months ago, the Rockport Sportsmen Conservation Association negotiated with federal authorities for a shipment of the baby green sea turtles. They were captured on an island in the Caribbean and flown to Florida. Parks and Wildlife Department personnel met the shipment there and flew to Rockport. They were about the size of silver dollars at that time.

They were fed and cared for in the Rockport Laboratory until, at the time of their release, they were 4" to 6" across. It is believed that this size will have a much greater survival rate in the open sea than the smaller size.

At one time, a thriving turtle canning industry operated in the Rockport area, but the species became depleted until they no longer use Texas beaches for their egg laying. This is another example of cooperation between the sportsmen of Texas and the Parks and Wildlife Department for the conservation, or in this case, reestablishment of our renewable natural resources.

Water Project Loans Okeyed

Action Clears Way for Reclamation District to Apply for \$1,220,000 Loan to Supply Treated Water

Two projects for use of water in the Rockport area from Lake Corpus Christi have been declared eligible for Texas Water Development Board loans.

The Aransas County Conservation and Reclamation District was found eligible to apply for a \$1,220,000 loan. An \$841,800 federal grant is part of the project.

NATIONAL BANK CHARTER DENIED

An application for a national bank charter here was disapproved in March by the U.S. comptroller of the Treasury, it was announced Friday.

Agent for the group applying for the charter was David Bland, Jr.

No reasons are ever given for approval or disapproval of national bank charter applications. The comptroller merely announces the action taken in each case.

O.E.C. Approves Head Start Program

The Office of Economic Opportunity in Washington announced this week the approval of funds of a summer Head Start Program to be conducted by the Aransas County Schools.

Project Head Start will be an eight-week program beginning June 6 through Aug. 2 with classes held at the Rockport Elementary School. The program is designed to help culturally deprived children who will be starting to school this fall. These children in most cases have limited experiences and may also have a language handicap which will prevent them from being very successful in their first year in school.

Head Start gives these children at least an opportunity to have an "even start" with other children.

The program will be held Monday through Friday with classes beginning at 8 a.m. until 1:30 p.m. The children will be served hot lunches in the school cafeteria.

To be eligible to take part in this a child must be six years of age before Sept. 1, 1967 and never have been enrolled in the first grade. It is anticipated that 60 children will be in the summer program.

Registration for these classes will be held at the Rockport Elementary and Fulton Elementary Schools on April 27. Parents of eligible children are urged to register on this date or as soon thereafter as possible.

Volunteer workers are desperately needed to assist in this program. Persons working as volunteers are asked to work from two to four hours a day on one or more days per week during the eight weeks that the program is in operation.

Anyone interested in working as a volunteer is asked to contact A. R. Griffith, Jr., at the Rockport Elementary School.

Cars Collide Friday on Hwy. 35

A two-car crash occurred last Friday on Highway 35 North, in front of Marine-land.

State highway patrolmen said a Mustang driven by Don Loureson of Galveston crashed into an auto driven by Mrs. Dora Horn of Dallas when she attempted to make a left turn into the Sandollar as both cars were proceeding south.

Considerable damage resulted to both cars, but neither driver was injured. A state patrolman said Loureson was given a ticket for failure to control speed to avoid an accident.

The Aransas District proposes to buy water from the San Patricio Municipal Water District to furnish treated water to Rockport, Fulton and the Copano Bay area.

The San Patricio district was found eligible for a \$750,000 loan to expand its system for a treatment plant near the Reynolds Metals Co. to provide the treated water to the Aransas County district. This would also expand the supply of treated water for Portland, Odem, Taft, Gregory, Ingleside, Aransas Pass and Port Aransas.

The state agency, noting that it has long been committed to help advance water supplies for the Coastal Bend region, told the two agencies to apply formally for loans. Harold Picton, president of the Aransas County district pointed out that the people (continued on page 8)

VFW Open House Huge Success

The Stewart-Wendell Veterans of Foreign Wars and Auxiliary open house on Sunday was termed a huge success by both Auxiliary president Mrs. J. W. Hunt and Post commander, Bob Hewes.

Approximately 150 persons attended. Official visitors of the VFW were the Department of Texas Surgeon from Waco, Clifford Teer and his wife and also Sixth Senior Vice Commander Robert Lyon from Kingsville, District Six Auxiliary president Mrs. Margaret Wilkinson, Corpus Christi, and Sixth District senior vice president Mrs. Rusty Dunlevy of Ingleside.

Coffee, cake and punch were served to the visitors by members of the Ladies Auxiliary. The center table was adorned by a beautiful red, white and blue centerpiece floral arrangement by Flowers by Gayna and a large red, white and blue cake was at its side.

The cake was also the base for an American flag. The cake was presented by the H.E.B. Food Store of Rockport. At the guest registration table was an arrangement of flowers sent to the Post and its Auxiliary by Rep. LeRoy Wieting. Greenery was placed in the hall by the First National Bank and United Savings Association.

Man 'Pinched' Between Cars

Trinidad Torres sustained fractures to several ribs and possible internal injuries Tuesday when he was "pinched" between two cars.

The accident happened at the home of Charles Smith when Smith backed out of his driveway and pinned Torres between the rear of Smith's car and the front of Torres' vehicle, according to Police Chief Bob Hewes.

Hewes said Torres was standing in front of his own car and was not seen by Smith. Torres is receiving treatment in a Corpus Christi hospital.

NOTICE

The Aransas County Riding Association will hold its regular meeting Monday, May 1 at 7:30 p.m. in the Colony Room at the Sandollar Restaurant.

The film which was planned to be shown at the last meeting will be shown at this time. All members are urged to be present.

CALALLEN GETS VICTORY

Calallen defeated Aransas County High School, 6-1, behind the pitching of John Bickham in a District 28-2A baseball game here Tuesday. Bickham allowed only four hits, walking two and striking out 10, six in a row during one stretch. The loser was Sherwood Parker.

Wade Bode, Allen Thomas, and Art McGuire collected two singles each for Calallen.

Calallen now has a 3-1 record in district play.

Two Trawlers Are Christened

T. N. Smith, Jr., John P. Mitchell, Jr., A. B. Silchenstedt and Tom Jesse, officials of Rockport Yacht and Supply Co., last weekend attended the christening of two of RYSCO-built 76-foot trawlers at the Brownsville yards. Also attending were Mrs. Smith, Mrs. Mitchell and Mrs. Silchenstedt. More than 500 persons attended.

One trawler, "The Chief Paul Pit," was christened by Mrs. Pit. Paul Pit is chief of the Osage Indian Nation.

The second trawler, "The Chief Lookout," was christened by Mrs. James L. Sewell of Dallas.

The two modern, high-powered steel trawlers were built by RYSCO for Coastal Trawlers, Inc., of Brownsville. These were the fourth and fifth boats built for the firm by RYSCO. James I. George, Jr., is president of Coastal Trawlers, Inc.

ROCKPORT FIREMAN'S LADIES AUXILIARY

The Rockport Fireman's Ladies Auxiliary held its monthly social on April 25 at the fire station.

A short business meeting was held. Mrs. Velma Malchar resigned as vice president due to new working hours. Mrs. Gene Howland was elected to replace her. The treasure chest furnished by Mrs. H. J. Gurley was won by Miss Sarah Belle Smith.

This being the last week to turn in recipes for the cook book, everyone is urged to get them in immediately.

After the meeting, games of cards and pool were enjoyed by all.

Refreshments were served to Mrs. Bill Gray, Mrs. J. C. Gurley, Mrs. H. J. Gurley, Mrs. Gilbert Hill, Sr., Mrs. Gilbert Hill, Jr., Mrs. Gene Howland, Mrs. Elva Mullinax, Mrs. Velma Malchar, Mrs. Edward Truelove, Mrs. Coy Truelove, Mrs. Jimmie Lukehart, Jr., and Miss Sarah Belle Smith.

MOON VIEW shown by Lunar Orbiter III's wide-angle lens is close enough to show its pocked surface in detail, yet far enough away to reveal the moon's curvature. The prominent crater near the center, incidentally, is about 20 miles across, and more than a mile deep.

W.S.C.S. MEETS

The Woman's Society of Christian Service of First Methodist Church will hold its general meeting at 9:30 a.m., Tuesday, May 2 in the Fellowship Hall.

The Faith Circle members will be in charge of the program with Mrs. Okla Miley as the leader. Program topic is "The Church and People with Special Needs."

'PHONY' EYES they named them, or is it just a way for young ladies on the beach to tell a gentleman of their choice to come calling sometime.

BOBBY R. EDWARDS COMPLETES TRAINING

SP/4 Bobby R. Edwards, 19, a paratrooper with the 101st Airborne Division at Ft. Campbell, Kentucky has just completed a 10-week course in medical training at Fort Sam Houston, San Antonio. After completing the training he returned to Fort Campbell. Bobby is the son of Mr. and Mrs. W. D. Edwards.

NOTICE

To all interested persons, there will be a meeting to form an association for the proper care of the Fulton Cemetery. The meeting will be held at 7:30 p.m., Tuesday, May 9 at the Fulton Fire Station. All interested persons are urged to attend.

RESOLUTION OF RESPECT

Whereas: It has been the will of our Heavenly Father to call from his earthly home to his eternal abode, Ben McCullough Brown, and

Whereas: By the passing of our friend and valued member, our hearts have been greatly saddened, and

Whereas: Tho we shall miss him from our organization, we bow in submission to the will of God.

Therefore: Be it resolved that the High School Alumni Association of Aransas County express to the wife, sons, sisters and other relatives of our deceased member, our sincere sympathy in their hour of sorrow.

Be It Further Resolved: That a copy of these resolutions be sent to the family, a copy furnished the Rockport Pilot for publication and another entered on the minutes of our organization.

First Baptist Night Circle

The Night Circle of First Baptist Church met in the home of Miss Evelyn Townsend for mission study. The meeting opened with prayer by Mrs. Tom Shults.

Mrs. Nellie Edmison read the names of missionaries whose names appear on the calendar of prayer, after which Mrs. Alice Ballou led in prayer.

Miss Ruth Lipscomb had charge of the mission study from the book, "Forest Trails in Urban Jungles."

Nine members and one visitor attended: Miss Townsend, Mrs. Shults, Miss Lipscomb, Mrs. Tiney Gayle, Mrs. Sallie Townsend, Mrs. Georgia Haynes, Mrs. Summerville Ballou, Mrs. Edmison, Mrs. Olga McLester and the visitor, Mrs. Alice Ballou.

WHAT TO WEAR ON A CRUISE, PAL?

We always thought a vacation cruise was a place where a fellow could go to relax and take it easy and not have to worry about how to dress, when and so on.

But gone are the dreams of getting on a boat for a couple or three weeks with only a pair of wash-and-wear slacks, two shirts, (one to wear while the other is drying), a couple of pairs of hose, no tie, one pair of shoes, and a couple or three hankies. A flight bag ought to be enough to hold all that stuff!

But it isn't so, says American Express. This organization handed out some advice to men travelers just so they wouldn't be caught short on a cruise. It's discouraging.

A man should take along a skeleton wardrobe of one dark suit, one summer-tone suit, two pairs of slacks, three sport and three white shirts, two pairs of walking shorts, two pairs of swimming trunks, undershorts, and plenty of cotton "T" shirts, ties, handkerchiefs and belts. This batch, mind you, is for day-time wear.

For evening there should be two white dinner jackets, one pair of dinner trousers, two dinner shirts, one or more dinner ties and cummerbund, suspenders, cuff links, black socks and studs. For shoes, the cruise should have two pairs of loafers, one pair of evening type, and there should be included, perhaps, a lighter sweater.

After all of that clothes-changing, a fellow needs to come home for a rest before going back to work. We've decided not to go anyway.

SAY IT ISN'T TRUE!

For many a year most of us who toil from morning until dark have often looked, dreamily, to South America where the siesta has been a custom. Everyone takes an afternoon nap and business more or less stops for a couple of hours.

Now Chile has gone and done it. It has established an eight-hour work day straight through. No siesta.

Oh, well back to the salt mines. It was a good dream while it lasted.

It's alright for cake mixes to come in boxes but when they start pampering for cake mixes, sopping molasses is really getting streamlined.

This is the time of the year when some folks are in favor of removing all road-side signs including the ones that say "no fishing."

A coast guardsman, making coffee, poured gasoline instead of water into the pot, causing a fire. He evidently wanted instant coffee.

It's just as well that we don't have truly portable air conditioners. Some woman would try to carry it in her purse.

OUT-OF-STATE EDITORS FETED

The city, through its Chamber of Commerce, rolled out the red carpet for a score of out-of-state editors and told them of Rockport's many attractions as a place to live in, work in or visit. The guests were members of the National Editorial Association.

Mr. and Mrs. Stanley E. Green, Jr., took a group of six young people to Corpus Christi to attend a district meeting of the National Youth Conference of the Methodist Youth Fellowship.

STRANGE BEDFELLOWS are not unusual at the animal nursery on Coney Island, New York, under the direction of Murray Zaret. This hog, chick and kitten share the same quarters there.

HOSPITALITY

"You must come and see us sometime," they said. The "sometime" was left deliberately vague, but this is the week he decided to spend under their roof.

The visitor had a real desire to help. He unobtrusively washed a couple of cups and saucers, but bashfulness kept him from tackling the sticky pots. It shouldn't have. His hostess, her protests to the contrary notwithstanding, would have loved him to join her in the dishwasher.

While the cold gravy worked under the enamel of the roasting pan in the kitchen, and the hour approached midnight, guest and host eyed one another uncomfortably in the next room, none having the courage to signify it was time to retire.

The guest room was on the second floor, the only bathroom on the first, and in his hurry to get out of their way, he forgot to brush his teeth. With difficulty he stifled a scream when in the middle of the night he stepped with bare feet into a dish of chicken bones left by the cat at the bottom of the stairs.

Morning came, and the guest crouched, fully dressed, for an hour and a half at the head of the stairs waiting for signs of life below. Meanwhile his host and hostess were glaring at one another over the dining table.

Finally, she dropped a stack of TV trays on his stairway and he rushed down, unshaven and unbrushed, for a cold breakfast.—Ottawa Journal.

CHIEF NEGOTIATOR for the United States in Geneva disarmament talks is William C. Foster. Foster's job is to help seek a U.S.-Soviet proposal to prevent the spread of nuclear weapons, a job made difficult by the desire of several nonnuclear nations to possess such weaponry, including U.S. allies. Long arduous talks are expected in the coming months, and it is doubtful that a settlement will be reached by the time the United Nations reconvenes its General Assembly in September.

Cemetery Association Holds Meeting

The quarterly meeting of the Rockport Cemetery Association was held Monday afternoon at the Chamber of Commerce building.

Reports of standing committees were given and accepted.

The president, Mrs. W. B. Allen, stated that a little later in the spring, the palms would be trimmed and the trunks of the trees white washed.

A lengthy discussion was held concerning the advisability of spraying the oak trees to kill the caterpillars, but no definite action was taken and the matter was tabled until the January meeting as the caterpillars are practically gone for this season.

Mrs. Georgia Haynes was

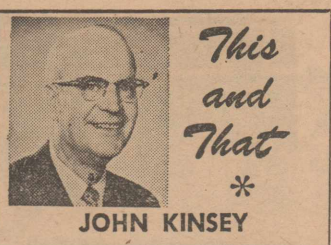

welcomed as a new member of the organization and Miss Evelyn Townsend as an active member.

Engagement Announced

Mr. and Mrs. Ralph Logan of Hummels Town, Pa., announce the engagement of their daughter, Miss Ellen Jane Logan to Stephen Weber, son of Mr. and Mrs. Clyde Weber of Rockport. The couple plan to be married the last part of May.

Mrs. Albert B. Morris of Dallas and Mrs. Jerry Stovall visited with Mrs. Velma Cleveland and Mr. and Mrs. E. Z. McKinney last week. Mrs. Morris is the sister of Mrs. Cleveland.

This and That
*
JOHN KINSEY

Last week was a bad week for me.

First, the nice, friendly folks across the street caught a lot of big gafftops and asked if we would like to have some.

"Come on over and clean as many as you'd like to have," the lady said.

My wife, without consulting me, dug out a big pan and two knives, handed them to me and said, "Sure, we'd like to have some. Go ahead, John, help the folks and bring home a nice panful."

My dear wife was well aware of something our neighbors didn't know: I have never cleaned a fish in my life, nor has my sweet wife.

Not wanting to admit this, I said, "Let's both go over."

Wife said, "No, if I go along you'll want me to do all the work."

So, partly shoved, I walked across the street with the pan and the two knives.

Our friends have a regular place in their backyard to clean fish, appearing to me to resemble a wooden operating table. The man and his wife work as a team of skilled surgeons, the man doing the initial "scalpel" and "interior removal" procedures, and his wife doing what I believe is called "the skinning."

Holding my pan and knives, I said I'd watch for a while until I got onto things. As they continued cleaning one fish after another, their daughter kept saying, "Daddy save some for Mr. Kinsey."

"Don't bother your father," I said, having reached the decision that I still had no desire to learn how to clean fish.

About this time I felt guilty for standing around and getting in their way, and so I said I would be going home and thanked the folks for their generosity.

Naturally, they insisted that I take some cleaned fish. I resisted, but not too hard. The second thing that went wrong last week occurred on the first green at the Country Club during the Stellman Classic tournament.

Three other golfers and I had reached the green and it was my turn to putt. As I reached over to pick up my ball to clean it, I heard a "r-r-rip" and sure enough it was the seat of my trousers.

During the remaining 17 holes I was the only contestant wearing "ventilated" slacks.

May Fellowship Luncheon Set

Church Women United will observe May Fellowship Day on May 5 with a luncheon in the Colony Room of the Sandollar Motel at noon. The price will be \$2.25 a plate.

Those wishing to attend are requested to make registration with Mrs. J. D. Donaldson, Mrs. L. V. Clark or Mrs. J. B. Gleeson by Friday, April 28.

Following the luncheon a short business meeting will be held, at which time a president and a secretary of the organization will be elected and installed.

Two thirds of the May Fellowship offering will remain in the local treasury.

The speaker for the occasion is Mrs. Christian Kehl of San Antonio who will speak on the theme "How Can All Share?" Mrs. Kehl, in addition to a college degree, has professional training in social work and for the past five years has been on the staff at Good Samaritan Center in San Antonio. This community center has won recognition throughout the western hemisphere for its creative leadership in the study and solution of the problems of the poor in urban society.

She has served as president of Episcopal Church Women, Diocese of West Texas and as representative from the Diocese of West Texas to the Council of Churches of Texas. All women in the community are invited to attend this luncheon and participate in this program.

BOY SCOUT NEWS

HIGH SCHOOL HONOR ROLL

The names of 50 students from Aransas County High School were placed on the honor roll for the fifth six-week period. This number comprises 13 per cent of the student body.

A student's name is placed on the Honor Roll when an average of 90.0 or above is made in all courses without any failing grades in any one subject.

Twenty-two per cent of the senior class have their names on the honor roll. They are:

Phyllis Ayers, Janice Benningfield, Jerry Brundrett, Rosanne Cabaniss, Charlie Cady, Barbara Davis, Jo Lee Gove, Mary Lou Little, Richard McMakin, Janie Martinez, Irma Morales, David Roaten, Darlene Rouquette, Diane Shults, Ann Silchenstedt, Judy Torres, Butch Warden and Gay Lee Mayfield.

Thirteen per cent of the junior class have their names on the honor roll. They are:

Beverly Agler, Brenda Clark, Diane Gonzales, Stephen Harry, Andrew Huffmeyer, Joe James, Cathy Olds, Anne

Smith, Beth Bohmfalk, Jeanette Snyder and Kay Sparks.

Thirteen per cent of the sophomore class attained honor roll status. They are:

Katherine Allgood, Susan Ballard, Kitty Davenport, Rose Ann Elliot, Paula Heselstine, Freddy Jackson, Johnny Jackson, Mark Lang, Junie Ledbetter, Debbie Lowery, Mary McCready, Joan Mixon, Yolanda Sanchez and Jeff Teague.

Seven percent of the freshman class have their names on the honor roll. They are:

Eileen Casterline, Debra Cruser, Roque Garcia, Jerral Hawes, Steve Milum, Michael Snyder, Brenda Trimyer and Bryant Williams.

an insight into this fast moving field which promises to increase man's welfare in the future.

5. To help accelerate the scholarly development of those participating through enrichment and not through preparation for advanced standing.

6. To enable the participants to adapt themselves more readily to rigorous demands of college life on matriculating in college or university.

The Instructional Plan will extend from 7:30 a.m. to 12 noon, Monday through Friday. Courses will be offered in chemistry at a college or university level—however, no credit will be given. But a brief insight into the whole spectrum of knowledge by chemists who are more exciting than any formalized course on the first year college level.

Some of the fundamentals of chemistry that will be introduced are: Radiochemistry, Analytical Chemistry, Organic Chemistry, Biochemistry and Physical Chemistry.

Each morning three hours will be devoted to laboratory work. Students will become familiar with modern instrumentation techniques.

Besides the introductory fundamentals in chemistry—there will be special lectures, demonstrations, and participation in use of the slide rule,

electron microscope theory and use, and computer training.

Of special interest will be field trips taken to points of scientific interest: The Wadley Blood Center, Texas Instruments, Texas Research Foundation, Dallas Health Museum, Dallas County Criminology Laboratory, Southwestern Medical School, Carter Blood Center, and an electrical power plant.

The participants will be housed in ultra modern dormitories on the TWU Campus, the Mary Gibbs Jones dormitory which is available for counseling, individual instruction, and companionship.

The University offers the finest recreational plant: Indoor and outdoor swimming pools, tennis, golf course, picnic areas, recreational rooms with movies will be shown twice weekly. Dr. Robert W. Higgins to the TWU Director of this Chemistry Program.

Since Miss Agler's entry into high school she has earned a high 90 average, being a member of the National Honor Society. She is a member of the Methodist Church and sings in the choir.

Some of her activities: Freshman—a 1st in the University Scholastic League Choir Contest, participated in tennis and was basketball manager.

Sophomore: Future Teachers of America, Basketball Manager, and tennis participation.

Currently a junior: Participates in tennis, volleyball, and is basketball manager, Junior Class vice president, and a 1st in UIL Solo Contest.

Beverly states that she is definitely interested in becoming a math. and/or chemistry teacher. Her hobbies are tennis, sewing, volleyball and basketball. Her favorite color is blue, and flower the red rose—the Herman's Hermits is her favorite pop music and she likes classical music.

Lunchroom Menus

The following lunchroom menus will be offered in the public schools next week:

Monday, May 1: Barbecued beef on bun, potato salad, buttered peas and carrots, oatmeal cake, milk.

Tuesday, May 2: Chicken pot pie, buttered whole kernel corn, green salad, bread, butter, fruit jello, cookies, milk.

Wednesday, May 3: Salisbury steak, gravy, mashed potatoes, cole slaw, bread butter, peach cobbler, milk.

Thursday, May 4: Roast beef, gravy, buttered steamed rice, fruit salad, hot rolls, butter, ice cream, milk.

Friday, May 5: Cold cuts, French fried potatoes, catsup, seasoned green beans, lettuce, tomatoes, pickles, bread, butter, brownies, milk.

Note: These menus are subject to change without notice, depending upon availability and delivery of foods.

TEXAS SHRIMP—

(continued from page 1)

March 1966. The sharp decline in current landings was from the Galveston Bay system where landings were almost 10 thousand barrels under the corresponding 1966 period and only 43 percent of the March 1965 catch. Drought conditions have existed along the upper Texas coast since early fall of 1966, accounting for the poorer yield of meats throughout the spring season. The statutory season for taking oysters from public reefs in Galveston Bay was extended to April 30 by the Texas Parks and Wildlife Department. The season was scheduled to close March 31. Coastal Bend bays and private reefs in Galveston Bay were not affected by the ruling.

Blue crab landings amounted to about 140 thousand pounds in March—almost unchanged in volume from landings in March 1966. Galveston Bay and Sabine Lake accounted for 60 percent of the current landings.

Water and air pollution problems were again the topic of concern for both committee and convention-size delegations in March. Industrial air pollution and water pollution from all sources remains at an alarming level compared with the considered ideal—none. The rapid pace of both industrial and residential expansion adjacent to estuarine areas is moving the target date for clean air and water into the next decade as far as Texas fisheries are concerned.

up service. The Council also is studying stricter control measures for use of the city dump.

—Council received a request from William Block that the city remove the condition of 190 feet of curb, gutter and paving on Enterprise Street from the city's acceptance for maintenance of water and sewer lines of a portion of subdivision Peninsula Park so that Block could receive FHA approval. The Council authorized the mayor to remove this condition upon receipt of a \$1,500 surety bond which would cover the cost of 190 feet of curb, gutter and paving, should it not be installed by the subdivider within the next six months.

—Announcement was made that construction work on the new sewage treatment plant is expected to begin by May 1. —Representatives of the Aransas County Youth Association appeared before the Council and reported that the Youth Center, where dances have been held, is to become the Junior High shop building. The Association asked for the city's help in locating a building to continue the dances and other youth activities.

The Council regretfully informed the Association that city has no building available for this purpose, but suggested several possible locations, and invited the delegation to come back if any further assistance were needed.

—The city sold a used air compressor to Hugh Highfill for \$125.

NOTICE

Notice is hereby given that a Public Hearing will be held by the Board of Adjustment of the City of Rockport, Texas on the 16th day of May, 1967 at 7:30 o'clock p.m. in the City Hall Building in Rockport on the following matters:

1. Appeal from Mr. Gilbert Hill from a decision of the Planning and Zoning Administrative Officer that a solid wooden fence constructed on the Northeast portion of property described as the North 12.53 feet of Lot 3, All of Lot 4, Block 207, Rooke, Smith and Wood is in violation of the City of Rockport's Zoning Ordinance.
2. Appeal from Mr. H. L. Shirey from a decision of the Planning and Zoning Administrative Officer that the garage constructed within two feet of the North property line of property described at Lot 20, Block 4, Peninsula Park Addition is in violation of the City of Rockport's Zoning Ordinance.

All interested parties may appear in person or by agent. All parties will have the opportunity to be heard.

JOE R. BUSH, Chairman, Board of Adjustment, City of Rockport, Texas.

WATER PROJECT—

(continued from page 1)

of the county voted a \$70,000 tax bond issue to finance a survey by Lockwood, Andrews and Newnam of Corpus Christi to find the best way to supply the county with good water.

He and James Curlee, financial adviser to the district urged the state board to give preliminary approval to the project so the federal grant could be approved before the fiscal year ends June 30.

Wallace Payne of San Antonio, financial adviser to the San Patricio district, said the City of Corpus Christi has approved the sale of water to the Aransas district. They hope to begin construction of the treatment plant in 1968.

Mayor Delmar R. Hiller said this week that the Rockport City Council has accepted a proposal of the Aransas county district that the First Southwest Company of San Antonio advance \$2,500 for a water study in the local area, with money to be repaid by the district when they get their water system in operation.

If they don't get the necessary financing to get into operation, Hiller added, the city will repay First Southwest Company.

Hiller also said that the water study will give the city the necessary information to enable the city to begin contract negotiations with the district.

Tigers Defeat Woodsboro 5-1

The Rockport Tigers used the three-hit pitching of John Hinojosa and a 11-hit attack to win the fourth game of the season, beating Woodsboro 5 to 1.

Polo Flores had three hits and John Chupe smashed a home run. John Garcia, John Mendez and Polo Morales drove in a run apiece for the Tigers.

The other Tiger who played a good offensive game was Joe Corpus as he got two for three and scored two runs.

The next game will be in Rockport with the Tigers taking on the Victoria Bobcats. Time of game will be 2:30 p.m.

ARANSAS PASS COMMUNITY THEATRE TO PRESENT PLAY

Miss Rodriguez, Ovido Flores Exchange Vows

Miss Rosa E. Rodriguez and Ovido Flores exchanged vows at Sacred Heart Catholic Church on April 10.

Father Paschal Bergen performed the ceremony. Father Eugene E. Erdelt celebrated the nuptial mass and gave the nuptial blessing. Msgr. J. William Hennel preached the homily.

The bride is the daughter of Mr. and Mrs. Joe Rodriguez of Corpus Christi. The groom is the son of Mr. and Mrs. Ramon Flores of Corpus Christi.

Miss Lupita Flores, sister of the bridegroom, was maid of honor. Jorge Villarreal, uncle of the groom, was best man.

A reception was held at Sacred Heart Parish Hall. After a wedding trip to New Orleans, the couple established their home in Shreveport, La., where the groom is stationed with the U.S. Air Force.

Lamar Woman's Club End-of-Year Party

The Woman's Club met in the Emerald Room of the Sea Gun Sports Inn April 19, marking the end of their first year. The chef of Sea Gun, Ed Layshock, presented the club with a beautiful white birthday cake bearing one candle.

The meeting was called to order by the president, Mrs. Robert Fleming, and opened with a prayer by Mrs. H. W. Batsell. The president greeted the four guests, Mrs. Don Williams, Port Lavaca, Mrs. Dan Hall, Garland, Mrs. Flowers, Lockhart and Mrs. Malcolm Bocquet, Rockport.

Under new business came the drawing of the name of the hostesses for the coming year and the month they will serve. Also the motion was made and carried that the club would purchase a plaque.

"Members of Lamar Woman's Club—founded—May 1966" to be displayed in the lobby of the Sea Gun Restaurant.

The nominating committee, Mrs. H. W. Batsell and Mrs. Albert Wofford, presented their choice of officers for the coming year. All officers were unanimously accepted and will take office next meeting.

After all business had been attended to a delightful exchanging of gifts followed, with the president presenting each of her officers with a beautiful lapel pin that matched the dresses they were wearing.

The outgoing historian, Mrs. John Luker, in behalf of the club members, presented the president with a golden charm for her bracelet bearing the inscription "President Lamar Woman's Club—1966-1967."

Then the surprise part of the entertainment was a stork party honoring Mrs. Dailey Heldenfels, Jr. The table bearing the gifts was decorated with a large stork carrying a diaper full of baby storks, pink and blue streamers from table to light fixture, forming a cage over the stork.

The luncheon table was decorated with pink and rose colored oleanders with place cards of pink and blue tiny diapers with paper dolls. As a fun game each person was asked to tear a stork free hand from a piece of paper. Mrs. Lonnie Goodman won the prize which she in turn presented to Mrs. Heldenfels. The opening of the presents followed.

A delicious steak dinner was served to 22 members and four guests. Hostesses for the occasion were Mrs. Robert Fleming, Mrs. Edward Hall, Mrs. C. F. Hedrick and Mrs. John Luker, the outgoing officers.

Canada will export 500 million bushels of wheat this year, going mostly to Russia, China and Britain.

Rebekah News

Noble Grand Mrs. Betty Fausey was in the chair at the regular meeting of the Rockport Rebekah Lodge at 8 p.m. Thursday, April 20.

Mrs. Jo Suttle is in a Corpus Christi hospital, George Langley has a broken foot, and John Ray Bennett is in the Aransas Pass hospital.

Mrs. Zoe Heath was too ill to come to lodge.

Rockport Rebekah Lodge plans to attend lodge in Aransas Pass on Tuesday, April 25.

All Rockport Rebekahs are busy getting ready for the food sale and bazaar on May 5 and 6, Friday and Saturday.

Committee chairman, Mrs. Louise Smith asks each member to bring a "white elephant" to lodge next week. She and Mrs. George Haynes served refreshments during social hour.

After lodge, Walter Boze showed exceptionally pretty slides he made in Florida and Texas.

On Thursday, April 27 the Rebekahs will have its monthly covered dish supper for members, families and friends.

S. L. McMILLAN DIES

Funeral services for Samuel Lee McMillan, 78, who died Saturday in an Aransas Pass hospital, were held Monday in Cage-Marshall Funeral Chapel, with burial in Evergreen Cemetery at Ballinger.

Prior to moving to Rockport in 1960 he had lived in Iraan, Texas 14 years, in Bronte five years and had been a longtime resident of Ballinger.

He was a retired employee of Helmet and Payne Oil Co.

Survivors include his wife, Annie; one son, Glen McMillan of Kermit; one daughter, Mrs. Patsy Ransleben of Tripoli, Libya; one sister, Mrs. Laura York of San Angelo, and four grandchildren.
