EIGHTY-FIVE SNYDER SENIORS GET DIPLOMAS AT FRIDAY RITES

Graduates Present National Defense Program Preceding Awarding of Sheepskins Friday Eve

Eighty-five Snyder seniors were awarded high school diplomas in local commencement exercises Friday evening in the school auditorium by Superintendent E. L. Farr. Awarding of the diplomas climaxed a program on National Defense presented by the graduating class before a large crowd of school patrons.

Following the processional by Polly Harpole, teacher in the school, greetings were extended those present by Jeanne Taylor, salutatorian of the graduating class. Superintendent Farr, Principal W. W. Hill and members of the school board were seated on the flower-decorated stage, and the speakers came from their special section to the stage to perform.

Outstanding talk for the evening was that of Truman Barrett, valedictorian, who spoke on "Intellectual and Moral Preparedness," with the ease and charm of a seasoned speaker.

Others with speaking parts on the program were: Leslie Stewart, who talked on "Democracy's Challenge to the High School;" Leonard V. Gill, whose topic was "Democratic Education for National Emergency;" and Buena Bentley, who discussed "Physical and Health Education Essential to National Defense."

Vocal numbers were presented by a group of seniors including Billy Alexander, Donald Ray Scott, Rex Todd, Cogswell Spikes, LaVerne Hardin, Ornetha Inman and Edna Mae Gatlin, accompanied by Cornelia Wilson. They sang "Drink to Me Only with Thine Eyes" and "I Am an American." Miss Wilson played a piano solo, "In Springtime" by Grunn, to complete the program.

Truman Barrett took valedictorian honors in this year's senior class with a two-year average grade of 95¼. Following close behind was Jeanne Taylor, whose 95 average made her salutatorian of the class. Both were given several college and university scholarships. Jeanne also was awarded a medal for making all A's during her four years in high school and another for her outstanding work in mathematics this year.

Another student in the class, whose average was noticeably high, was Leonard V. Gill. He has made no grade below A during the past two years.

Medals presented by Principal Hill went to the following other seniors: Forrest Crowder, outstanding work as editor of the Tiger's Tale, student publication; LaVerne Hardin, dramatics; Cornelia Wilson, commercial subjects; and Donald Ray Scott, citizenship. Scott was commended by the principal as being "a gentleman at all times."

Two awards went to lower classmen, who did credible work in two fields—Florene Fisher, president of the home economics club, for work in homemaking, and Bobby Vann, sophomore, was announced winner of the medal in the English department.

Perfect attendance during the entire year brought the following high school students into the special mention group Friday evening: Forrest Crowder, James Neal, Billy Pierce, Bobby Vann, Opal Kite, Louise Eatzon and Elsie Bynum.

The class was presented to Superintendent Farr by the principal, and the school chief awarded the diplomas.

LeMoine G. Lewis Is Speaker at Ira School

LeMoine G. Lewis, Snyder Church of Christ minister, gave the principal address Sunday evening in Ira School baccalaureate services held at Ira School gymnasium.

Music for the baccalaureate services was furnished by adult choirs of the community. Full details of commencement exercises, which will be held this (Thursday) evening at Ira School, will be found elsewhere in this issue of The Times.

Who's New In Scurry County

An eight and a half pound boy, Mr. and Mrs. Grady Sulter of Ira Monday at the local hospital.

Mr. and Mrs. Floyd Maudlin of Abilene, a daughter, Virginia Ann, born May 22 at Hendrick Memorial Hospital. Mrs. Maudlin is the former Terrisee Merritt, daughter of the W. H. Merritts of Scurry County.

The Bolivar Brownings of Fluvanna, a daughter, born Monday.

Frankie Jane, second daughter of Mr. and Mrs. Frankie Hall of Odessa, arrived at the Headlee Hospital there Friday afternoon, weighing six pounds four ounces. Grandparents are the E. L. Darbys and the Lando Halls of Snyder.

Glasscock To Be Speaker Sunday At Homecoming

First Christian Church members are extending the public a cordial invitation to attend home-coming services that will be held at the First Christian Church, corner of Avenue S and 27th Street, Sunday.

Bible school, the first event on the program, will begin Sunday morning at 9:45 o'clock. The Lord's Supper will be observed Sunday morning at 11:00 o'clock.

Beginning at 11:15 o'clock, Rev. Rodney Glasscock, a native Scurry Countian, will bring the principal address of the morning. Reared in Snyder, Rev. Glasscock is a graduate of Snyder High School and Phillips University, Enid, Oklahoma, and at present is pastor of the First Christian Church at Lamesa.

Lunch will be served at the local church Sunday at 12:30 p.m., followed by an hour's period of visitation.

Clifton Perkins, Sweetwater attorney who was formerly located here, will speak Sunday afternoon at 3:00 o'clock. Many out-of-town visitors are expected to be present for both the morning and afternoon observances.

Home-coming observances will be brought to a conclusion Sunday afternoon with round-table talks by attendants. Those who desire will be given the floor to express their opinions on how best to expand kingdom work.

Commencement Exercises at Ira Slated Tonight

"Citienship" will be the theme for Ira School's commencement exercises, which will be held this (Thursday) evening, 8:00 o'clock, in the Ira School gymnasium.

Music for this evening's exercises will be furnished by the school choir, Margaret Dell Prim, senior class sponsor, states.

Total of 15 Ira School seniors will receive their diplomas at the conclusion of the program, which will be put on by senior class members—in trend with other high school graduation exercises.

Senior class members are: Wylna Clark, Eugenia Faye Carlile, Ona Mae Weir, Edith Eades, Eula Bell Jordan, Curtis Sterling, J. B. Price, Wm. West Addison, Francis Fambro, Duain Herring, Lonnie Thompson, Joe Thompson, Jack Webb, Leonard Childress and J. R. Erwin.

Eugenia Faye Carlile is valedictorian and Curtis Stefling salutatorian. The duet of class honor students, Wylna Clark and Eugenia Faye Carlile, will appear as speakers on the informal program.

R. E. Adams Home In Canyon Section To Be Open Sunday

Mr. and Mrs. R. E. Adams, longtime residents of the Canyon community, this week extended the public an invitation to attend open house Sunday afternoon, 1:00 to 5:00 o'clock, at the new rock-veneer home completed early this week.

The Adams residence, located one mile east of Canyon School and four miles north of Ira, is a modern, five-room structure with bath, venetian blinds and the latest in conveniences. Floors are hardwood, with all linoleum of the inlaid variety.

Rocks from all parts of West Texas went into the walls of the new home, which is a show place of the county. One rock came from the Holy Land, and has some interesting historical facts woven around bringing it to West Texas.

The Adams home is equipped with butane gas, and will be serviced in the near future by an REA high line. Materials for the edifice were furnished by Burton-Lingo Lumber Company.

Donald Ray Scott Places at Goldsmith

Donald Ray Scott, local schoolboy golfer, emerged from the Goldsmith Invitation Golf Tournament early this week winner of $20 in merchandise. He won an all-leather golf bag in a Sweetwater tournament last week.

Scott lost his final match at Goldsmith to Bill Jessie of the host town, 1-up, and the match was a hot one. Eighty players entered the tournament, and matches were played two days in the rain.

Young Scott received his high school diploma and an all-high school citizenship medal in graduation exercises here Friday night. He left early Saturday for Goldsmith, returning Wednesday afternoon. He was the guest of his sister, Mrs. Max Brownfield, and family during the five-day stay in Goldsmith.

Auto Burns

The 1941 model Ford de luxe tudor sedan of Jim Gallagher, Rotan, was destroyed early Monday morning by a fire of undetermined origin. Gallagher was seven miles east of Snyder on Highway 15 when the fire broke out.

Both back tires were burned off the rims, but the engine of the Ford, as well as the two front tires, were virtually unharmed by the flames. Interior of the automobile and all side glasses were destroyed. The vehicle bore license number 441-677.

According to the sheriff's department of Fisher County, Gallagher was indicted some two months ago at Roby for the slaying of a Rotan negro.

County 4-H Boys Given Eight Pigs In Essay Writing

Led by X. B. Cox Jr., county agent, nine county 4-H Club boys, their parents and other interested people were in Sweetwater last Thursday, where the boys took delivery of eight registered gilts and a registered boar awarded in the Sears, Roebuck & Company 4-H Club essay contest.

Cox, the county club boys and essay winners from Fisher, Mitchell, Nolan, Kent and Stonewall Counties and the boys' parents were Thursday noon guests of the Sweetwater Sears, Roebuck store at a banquet given in the Bankhead Cafe.

The following Scurry County 4-H Club members were awarded registered gilts by J. C. Rowland, store manager, for their winning essays on the "Cow-Hog-Hen Plan of Farming."

Jack Flippin, W. J. Corbell, James Perry Echols, Leonard Gill, Austin Casey, Henry Gafford Jr., Walter Ellerd and Truman Wemken. Hal Clarkson was awarded a registered boar pig.

Immediately following the noon banquet, the Scurry County club boys, their parents and the county agent returned to place the pigs at the respective club boys' homes.

Cox reports that a total of 21 essays were entered by Scurry County 4-H Club members on the "Cow-Hog-Hen Plan of Farming." All entries were reported good, as a whole, and were judged by impartial judges who did not know a single county 4-H Club member.

County 4-H Club boys awarded pigs in the Sears, Roebuck essay contest will feed their awards out as part of their 1941 club projects, and will show them in a six-county show at Sweetwater in the fall.

Luke Ballard Visits Snyder in New Soil Job Capacity

Luke Ballard, former county agent of Scurry County and field representative for the State Soil Conservation Board, Temple, visited Saturday with the newly-elected supervisors of the Scurry-Borden Soil Conservation District.

While here, Ballard swore in the new soil district supervisors of the Scurry-Borden district — properly known as the Upper Colorado Soil Conservation District.

Supervisors sworn in were: A. Johnston, chairman; Hoyt Murphy, vice-chairman; and C. N. von Roeder, secretary-treasurer. Giles Bowers and C. E. Long are the remaining members of the recently created soil conservation district.

While here Ballard discussed work in soil conservation districts and outlined preliminary plans of procedure to the newly sworn in supervisors.

Johnston, Murphy and von Roeder reported this week that the next meeting of Upper Colorado Soil Conservation District officers will be held Wednesday, June 18. At this time officers will take up a full work program for the ensuing year.

First Baptists Call Floydada Pastor to Take Snyder Pulpit

Rev. Vernon F. Shaw, pastor of the First Baptist Church at Floydada for the past four years, accepted an invitation Wednesday evening to pastor the local First Baptist Church.

Rev. Shaw, who comes here recommended as an evangelist and soul winner, was completing his fifth year as pastor at Floydada when invited to Snyder.

The Floydada minister, who has held several pastorates in West Texas, attended school at Wayland College, Plainview.

Rev. and Mrs. Shaw and their 10-year-old son, Kenneth, will move to the local parsonage in about two weeks. His first services in the new pastorate will be Sunday, June 15.

Members of the local Baptist congregation had a sample of Rev. Shaw's preaching Sunday, when he occupied the pulpit for both morning and evening services.

C. OF C. ADDS NEW MEMBERS IN WEEK DRIVE

Expanded Program of Civic Group Seen as Result of Increases in Support by Citizenship

Directors of the Scurry County Chamber of Commerce reported Wednesday afternoon that the organization's recently launched membership drive is meeting with a hearty response throughout Snyder's business district.

The membership drive, inaugurated this week to take care of the CC's expanded program, had resulted in 26 new members being signed up to the time "your home county paper" went to press. Ten Chamber of Commerce members have voted to increase their monthly dues to support the civic organization.

"Due to the fact," Chamber of Commerce directors state, "our job is getting bigger all the time, and due to the fact Scurry County people expect more of their central civic organization, the new membership campaign is being launched. We are meeting with a fine response from those contacted."

New Chamber of Commerce members obtained up to the press deadline follow: E. L. Farr, Hugh H. Birdwell, Ida J. Crosby, J. V. Robinson, Walton's Cafe, Claud D. Cotten, Allene Curry, P. E. Davenport, John Lynch, Leon Guinn, D. V. Merritt, Melvis Neal Pollard's Service Station;

Clyde South, Frank Stevenson, E. F. Sears, Strawn's Cafe, Nolan von Roeder, Scurry County Rodeo Association, Claude McCormick, Jim Cloud, D & D Auto Supply, C. A. Wade, Homer Robinson, Hubert Robinson and Dr. C. E. Helms.

Old Chamber of Commerce members who voted to increase their dues are: X. B. Cox Jr., Ely, Arnold & Ely Gin, J. P. Billingsley, Graham & Martin, Sterlin Williams, Times Publishing Company, E & H Cafe, J. C. Penney Company, Ralph Mathison and Perry Brothers.

Chicken Green Given Six Months In Liquor Trial

County court constituted considerable "drawing card" attraction Monday, when two cases that had been in the mill for several days were disposed of.

First in line of interest was the case of C. W. (Chicken) Green, perennial liquor law violator, who was tried on a charge of possessing intoxicants in dry territory for the purpose of sale.

The Green case, aftermath of a raid staged recently by J. G. (Pop) Galyean, Earl Strawn and Texas Liquor Control Board members, resulted in assessment of a six-month jail sentence against Green.

Green has been convicted in county court on previous liquor charges, court officials point out, and is considered past the stage where he can get out with a fine.

In the case of Gay McGlaun vs. J. H. Miles, judgment was rendered in favor of McGlaun.

County court is expected to reconvene Friday morning for the consideration of several other cases.

Reelect Faculty at Gail School

Members of the school board state the Gail School in Borden County ended last Friday after a successful term. Superintendent Warren Berzett, known to a number of Scurry County folks, was renamed for the 1941-42 term, as was Juanita Parker, primary teacher.

High Water

Turned back en route at several points by high water, W. F. Newsome, local attorney, and Mrs. Newsome returned last Thursday morning from a six-day business trip that took them to Las Vegas, Santa Fe and Albuquerque, New Mexico.

Forced to detour at several points in eastern New Mexico by high waters, "Judge" and Mrs. Newsome came back by Ruidoso, New Mexico, and were forced to make several detours near Hot Springs, in the same state.

The local attorney and his wife, who left last Saturday, reported that flood waters — sweeping down from the South Plains—were swirling across the state highways near Tahoka and Post early Thursday morning. They got back in Snyder just in time to miss the final deluge that swept across the South Plains and counties in this immediate vicinity.

WHEAT PARITY CHECKS COME FOR GROWERS

New Provision Allow 85 Per Cent Loans and Amend Quotas for Producers in County

Attaches at the county Triple A office announced Tuesday afternoon the arrival of 48 wheat parity checks totaling $1,127.69.

In a telegram received Tuesday by the county AAA office from B. F. Vance of the state Triple A office, College Station, county grain producers are advised of these important provisions in regard to wheat marketing quotas:

"Information just received advises the state AAA office that amendments to the Agricultural Adjustment Act, providing 85 per cent parity loans and amending wheat marketing quota provisions, became law this week.

"This action now makes it all the more important that each and every grain producer in Scurry and other West Texas counties be informed as to the urgency of Saturday's marketing quota referendum.

"Producers who have 15 acres or less of wheat will not be affected and will not be eligible to vote Saturday. Wheat loans will be available if marketing quotas carry Saturday.

"Scurry County grain producers are advised that penalty wheat will be excess acreage times normal, or actual, yield—whichever is smaller. Penalty will be one-half of the loan rate on wheat.

"Producers of excess wheat may obtain a loan at 60 per cent of the current loan rate on excess production. County grain producers who are cooperating with the AAA program may obtain a wheat loan on their entire production," Vance concluded.

Town Cleanup Will Begin Next Friday

June, the traditional month of brides, is also a good month for clean-up activities, reminds S. E. Keller, city sanitation officer, who reminds city residents he will start a cleanup haul on the west side Friday, June 6.

Trash and rubbish will be picked up by Keller if placed in boxes and sacks, and at convenient locations. Only one trip will be made after refuse.

East siders are requested to have all trash in boxes by Friday, June 13, when a "haul" will be made on the east side.

WHEAT GROWERS WILL VOTE ON QUOTA PLAN

Officials of the county Triple A office were joined Tuesday by members of the county committee in urging each and every eligible Scurry County grain producer to cast his ballot Saturday in the nation-wide wheat marketing quota referendum.

"While Scurry County is not listed as one of the most important wheat counties in the state," Claud D. Cotten, county administrative officer for Triple A states, "Washington AAA officials are anxious that grain growers in every wheat-growing county express their sentiments Saturday."

Pre-crop estimates on Scurry County's 1941 wheat crop reveal that the county will probably harvest 74,500 bushels of wheat—unless some unforeseen calamity occurs before harvesting time.

If wheat marketing quotas are rejected in Saturday's referendum, there will be no wheat loan. Congress recently passed a bill which established the loan value of wheat at 85 per cent of parity. This means Scurry County grain producers would receive, under a wheat loan, approximately 93 cents per bushel on wheat.

If marketing quotas are rejected, the price of wheat is expected by grain brokers to drop to 30 cents per bushel. Wheat farmers cannot afford to refuse quotas and lose the wheat loan, when world prices of wheat are approximately 40 cents per bushel.

County grain producers are advised that two voting boxes will be open Saturday. One voting box will be at Snyder in the county court room, and the other at Hermleigh School. The polls will open at 8:30 a.m. and close at 7:00 p.m.

Vote of each and every eligible grain producer in the county will be important Saturday for the reason that at least two-thirds of those voting must vote in favor of wheat marketing quotas if they are to be in effect.

In the eastern part of the United States there will be many small farmers who will vote against quotas, since they do not raise enough grain to sell, but in Scurry and all other West Texas counties the vote is expected to carry quota approval by a hefty majority.

C. & G. BURNEY GOOD FOR NICE OIL PRODUCER

Test in Section 144 Flowing 600 Barrels Following Big Nitro Shot Late Wednesday

Coffield & Guthrie's No. 1 W. F. Burney test, located 330 feet from the north and east lines of the northeast one-fourth of Section 144-97-H & TC Survey, was shot late Wednesday night with 888 quarts from 2,250 to 2,460 feet.

The new producer made several heads following the shot, and was estimated early this (Thursday) morning good for 600 barrels initial production. Coffield & Guthrie's No. 1 Burney is one of the Sharon field's best wells for 1941 to date.

One-half mile northwest, and in the southeast corner of the northwest one-fourth of Section 145-97-H & TC Survey, Lookabaugh & Schroeder have started their No. 1 Ella Richter test, Paul Teas having the drilling contract.

It is understood that L & S will drill four wells on the 80-acre lease. This new test will cause several offsets to be drilled ultimately by Humble (southwest one-fourth of Section 145) and R-Y, southeast quarter of Section 145. Also Ordovician in the northeast quarter of Section 145.

R-Y Oil Company has completed the firm's No. 2 Andy Trevey well, located in the northwest part of the northeast quarter, southeast one-fourth of Section 143, as a strong producer.

D. & R. Oil Company's No. 4 W. F. Burney test is located in the southeast part of the southwest quarter of the northeast one-fourth Section 143, was drilling at 850 feet.

Pearson-Sibert Oil Company is starting two new wells in Sections 145 and 146. Pearson-Sibert is moving rigs in from recent completions—the firm's No. 3 Bishop and No. 3 O. L. (Jack) Burney.

Paul C. Teas is reported moving in two additional rigs (one on Lookbaugh & Schroeder location) to take care of development in the Sharon pool's northwest area.

Ordovician Oil Company has purchased the west one-half of the northwest one-fourth, Section 145, and the west 128.5 acres of Section 102.

Summer Classes to Open Monday for Students in Snyder

All Snyder students planning to take summer school work here are expected to be at the high school building Monday morning at 9:00 o'clock, announces Principal W. W. Hill. More than a dozen students have already signed for the courses, and others are expected to participate.

Courses will be arranged for morning teaching, Hill advises, for the eight-week summer term. Coach Otho Barbee will assist with the teaching, and an elementary teacher will be added if the number of students justifies.

Cost of the courses will range as follows: One subject, $8; two courses, $15; and three courses, which is the maximum number allowed for summer credit, $22.

All-Girl Orchestra Will Play for Dance Staged by Jaycees

Sponsored by Snyder's Junior Chamber of Commerce, Hetrick's All-Girl Orchestra of Amarillo will furnish music Monday evening, June 2, for a dance that will be given at the local skating rink.

Jaycee officials state the June 2 engagement will mark the first time an all-girls' orchestra has furnished music for a dance in Snyder. Members of the Hetrick orchestra have a reputation as the "Queens of Swing."

The evening of festivities will be conducted on the up and up basis. No rough stuff will be tolerated on the floor. Jaycee officers report, and those who cannot behave will not be allowed admittance.

Admission will be $1.10 per couple, which amount will include amusement taxes.

County Boys Enroll For Training in Air

Burt Davis of Colorado City, registrar for the Southwest Aeronautical Institute, reported Tuesday that Otis Jenkins, an institute enrollee of Snyder, has completed his preliminary training at Dallas and has been transferred to Los Angeles, California, to undergo advanced instruction.

Hudson Boss of Dassett, who recently enrolled in the Southwest Aeronautical Institute, was also transferred this week from Dallas to Los Angeles.

Other county registrants in the S. A. I. include Leo (Buck) Ellis and LaVerne Cotten of Dunn, Alto Groves and E. J. Vernon Jr. of Hermleigh. This quartet is receiving primary instruction at Dallas.

County Takes Bad Weather on Chin

Camp Springs to Be Represented at Rodeo by Whiskers

Tuesday afternoon's Abilene Reporter-News carried the following story:

Ellsworth (Smokey) Simpson, 20-year-old Camp Springs youth, is growing a beard for the Snyder rodeo, August 8 and 9.

Smoky and a friend, Thomas Lee Butler, made a bet in January to go without haircut or shave until Snyder rodeo time.

Thomas Lee was called by the army draft in March, and is now in service at Fort Bliss, in El Paso, but Smoky carries on.

The results are good. He'd qualify for full membership on the House of David baseball nine, and is quite the talk of his home community—with more than two months to go.

June 14 Deadline For Signing 1941 Lint Stamp Plan

Claud D. Cotten, county administrative officer for the AAA, announced Tuesday that June 14 will be the deadline for signing applications to participate in the 1941 Cotton Stamp program.

County farmers are advised they will not be eligible to participate in the current cotton stamp program if they do not sign, by June 14, the proper form, which is SCP-I. Any applications signed after June 14 will not be considered, although farmers may have properly reduced their acreage.

To receive stamps under the special cotton program for 1941, cotton acreage must be reduced from the 1941 cotton allotment or the 1940 planted acres, whichever is the smaller.

The cotton stamps earned will be, Cotten points out, the normal yield per acre times 10 cents per pound for the acres reduced. Total amount earned, however, cannot exceed $25 to any one person on one farm. Producers interested in two or more farms, or who have two or more tenants, may receive up to $50.

County producers who want to participate in the 1941 Cotton Stamp program and who haven't yet signed Form SCP-I, are urged by county AAA committee members to do so as soon as possible.

Heinzelmann Is Resting After Car Crash Wednesday

Word received Wednesday night from a Fort Worth hospital indicates G. M. Heinzelmann, Snyder oil man, was resting easy. He sustained grave injuries last Thursday afternoon near Springtown when the automobile in which he and L. E. Brock, 59, prominent Sharon Ridge field operator, collided with another vehicle.

Brock died a few minutes after the accident occurred. Accounts received from crash witnesses indicate Brock and Heinzelmann were traveling on a state highway, amid a sudden shower, when a car came in from a side road at a rapid rate of speed.

The vehicle that came in from a side road pulled in front of the car Brock and Heinzelmann were in. Brakes were applied, but the Brock car skidded on wet pavement and into the other vehicle.

Clyde Murrys Leave This Week for New Mineral Wells Place

Clyde Murray, manager of the local Perry Brothers Store, north side of the square, for the past three years, tendered his resignation as store manager early this week.

Murray, prominent in civic affairs of the community, Mrs. Murry and their year-old daughter, Joyce Ann, will leave for Mineral Wells Friday, where Murray will be a business associate with his father and two brothers.

In Snyder Tuesday afternoon, the district manager of Perry Brothers stated he was not yet sure who would replace Murray, but that a new manager will be secured in the next few days.

"We have certainly enjoyed our stay in Snyder," Murray said Tuesday night, "and we will always call Snyder our home. We invite Snyder folks, when in Mineral Wells, to visit us." Murray formerly lived at the famous health resort, and is literally going back to his "old stomping grounds."

HIGH WATERS HIT AREA BUT MISS SNYDER

Insurance Salesman Reported Lost But Comes Home When Polar Flood Subsides Friday

Beginning last Wednesday night, when two inches of rainfall were received in one installment, Snyder and Scurry County got caught in the tail end of a deluge that swept across the South Plains and disrupted highway and rail communications until Saturday.

Most exciting chapter to the precipitation received in Scurry County was woven around the trapping, by flood waters, of a Snyder insurance salesman in the Polar community.

The salesman, Erma Hall, 42, who represented North American Life Insurance Company, started out last Thursday to visit John Cargile, prominent stockman-farmer of the Polar community.

Hall, who recently moved here from Brente, became the first victim of the flash flood when he became trapped last Thursday afternoon between two creeks. Since he was not near a residence, or telephone, he stayed in his automobile until flood waters subsided.

Hall returned to Snyder late Friday afternoon safe but hungry, and during his period of marooning had gleaned a valuable lesson about the capers the weatherman can pull in West Texas.

Mrs. Bob Cargile, long-time Polar community resident, reported by telephone Friday that the Thursday-Friday deluge in the Polar community amounted to almost five inches.

Fed by creeks from Southern Garza and Eastern Borden County, Bull Creek—which comes out of Eastern Borden and crosses the southwest part of Scurry County—went on a rampage Friday night and early Saturday morning.

Saturday morning Bull Creek was said by old-timers to have been at its highest stage in 32 years. The creek was two miles wide in places, and threatened to engulf the lowland part of the Sharon Ridge oil field. Some of the wells on the Ordovician Oil Company and Pearson-Sibert Oil Company leases were covered by the swirling, muddy waters.

Highway 15 from Snyder west to Gail, and from Lamesa east to Snyder, was blocked by highway officials Friday morning, with many culverts on the East-West route under water.

Traffic which was routed by Post on Highway 7, was resumed Monday on Highway 15.

Heavy rains were reported last Thursday and Friday in several Scurry County communities. Ennis Creek reported three inches of precipitation, 1.25 inches southwest of Fluvanna, and 1.12 inches at Camp Springs in the eastern part of the county.

A 40-minute fall of hail in the Murphy and Knapp communities Monday afternoon proved disastrous to the famed Von Roeder Seed Farms orchards.

Noah and Sybil Von Roeder reported after the hail that approximately 40 per cent of the fruit was destroyed in the hail storm. Both report that 3,000 bushels of fruit, peaches, plums, apricots and pears, are left, however.

Many of the hail stones that fell at Knapp were as large as dove eggs. Much of the cotton on the test blocks of the Von Roeder Farms must be replanted, it is reported.

Sunshine over the week-end brought relief to county farmers and ranchers alike. Much of the early cotton in the county will have to be replanted, but veteran crop observers point out that plenty of time yet remains to get cottonseed in the ground.

A considerable amount of sudan and early feedstuff in the county escaped total destruction, and is growing rapidly.

According to Mrs. B. G. Johnson, government weather reporter, May rainfall to date amounts to 7.05 inches—highest total for the month since May of 1921, when exactly the same amount, 7.05 inches, was marked up.

May rainfall by days follows: May 1, .32 inches; May 2, 1.84; May 3, .34; May 9, .72; May 10, .13; May 20, .09; May 21, 2.00; May 22, 1.26; May 23, .19; and May 25, .16 of an inch.

BUILDING BEING REPAIRED

Workmen began this week remodeling operations at the former Hollywood Shop location, south side of the square. This location, recently gutted by fire of undetermined origin, will be occupied by Snyder Insurance Agency.

The WOMAN'S Page

New Appeals Issued This Week for Assistance in War Relief Projects

New appeal is being made this week from the Scurry County work center of the American Red Cross War Relief Production program. Further assistance of women and girls of the county in sewing and knitting projects is being asked. More materials for men's pajamas, women's cotton dresses and sweaters are on hand, waiting to be called for by civic minded women of the county.

The work center is being moved this week, announces Jeannette Lollar, Scurry County chairman of the production program. New location of our headquarters is the A. C. Martin building on the corner of the square, just east of the Manhattan Hotel, where it will be even more convenient for the workers, the chairman states.

"We appeal to Scurry County women this week Miss Lollar says, "We appreciate the cooperation already offered by some women of the county, but with the present materials we are forced to call for more assistance. Other counties of this section are doing their part in the war relief program, and we know that Scurry County will not fall short of what is expected of us.

"We are appealing to every county woman for help. The 125 pounds of knitting yarns, 35 pairs of men's outing pajamas and 35 women's cotton dresses will call for further aid from those already connected with the program and others.

"Won't you call at the work center, take home a garment to make or thread to knit into a sweater—thus adding your name to the list of county women who have already given aid to the American Red Cross?"

First shipment of Scurry County's share of the War Relief aid was sent to the export depot at Jersey City, New Jersey last week. The local leaders hope to enlist every woman in the county in the Red Cross production drive for refugees in the war-torn areas of the world.

In the first shipment were: 22 boys' outing flannel shirts, 21 pairs outing flannel men's pajamas, 44 girls' woolen dresses, 17 cotton women's dresses and 11 complete layettes for babies.

Assistants in the work center, announced by Miss Lollar, are the following: Mmes. Aubrey Stokes, Fay Joyce, Sam Joyce and Misses Johnnie Mathison and Estella Rabel.

Special appreciation goes to these five assistants from Miss Lollar, and the entire group offers special thanks to these individuals and firms:

G. B. Clark Sr. for furnishing the first work center building; R. O. Dillard, manager, and the Chamber of Commerce, who donated a portion of the work center equipment; A. C. Kincaid of Bryant-Link Company for preparing the completed garments for shipment; Jim Lockhart for sharpening work center scissors; The Times for use of a stapler; A. E. Harvey, who painted the window signs, and four local tailoring concerns that pressed garments for shipment — Moffett & Rogers, Snyder Tailoring Company, Graham & Martin and Jack Colwell.

People who have worked with sewed garments, since the program opened in Scurry County, Miss Lollar names as follows:

Mmes. Marcel Josephson, E. E. Wallace, W. B. Lee, P. W. Cloud, T. L. Lollar, W. D. Beggs, Weldon Johnson, E. M. Deakins, Mason Cosper, Pearle Shannon, L. C. Thornhill, John F. Blum, H. G. Towle, Joe Stinson, J. D. Scott, J. R. Huckabee, D. P. Strayhorn, H. L. Wren, E. F. Sears, W. A. Morton, A. P. Morris, A. C. Alexander, Garrett Harrell, John Billy Beggs, J. A. Woodfin;

At Prescott Home

Members of the China Grove Home Demonstration Club answered roll call last week at the home of Mrs. W. H. Prescott with health hints. A good health program followed, featuring discussions by Mmes. Joe Hairston and Hoyt Murphy.

Mrs. Hairston, among other helpful notes, told members that a well-equipped first aid kit, however inexpensive, is a necessary part of every home. Mrs. Murphy's timely suggestions on "What to Do in an Emergency" were interesting and worthwhile.

Next meeting of the China Grove group will be with Mrs. Frank Wilson.

Mrs. Ruth Saunders, teacher in the local junior high school the past two years, left early this week to spend the summer traveling and at her lake home at Ballinger.

Roy Burnett Weds California Girl

Another April marriage of interest is announced in the marriage of Roy Burnett, a Scurry County native son, to a California girl. The Times learns of the marriage from the bridegroom's mother, Mrs. C. B. Whatley of Dublin, who is a daughter of the late Mr. and Mrs. J. V. Riley, prominent county ranch people of pioneer days.

Lucy Sybil Chase of Atrascadero, California, became the bride of Roy Clayton Burnett of the Bar CH Ranch, near Soledad, California, Saturday afternoon, April 26, in a wedding held at the Atrascadero Community Church. Rev. Lowell A. Young officiated for an impressive candlelight service.

The wedding party included Mrs. Robert Indorf of Los Angeles, matron of honor, and Ray Burnett of Monterrey, California, the bridegroom's brother, who was best man; three bridesmaids, three ushers and a flower girl.

The bride, given in marriage by her brother, Phillip A. Chase, was dressed in a floor length frock of pale blue lace and net. Her fingertip veil of pale blue tulle was held to her head with orange blossoms, and her bouquet was of pink and white roses. She changed to a blue tailored suit with matching accessories for traveling.

Mr. and Mrs. Burnett left immediately after a reception in their honor, held in parlors of the church for a trip to Yosemite. The are now living at the Bar CH Ranch at Soledad. Burnett was formerly connected with the Santa Margarita Ranch.

Frances E. Jones To Work in Liberty

Frances E. Jones, who is scheduled to graduate from Texas State College for Women, Denton, early next week, will go immediately to Liberty, where she will be employed by the Trinity Publishing Company, of which J. C. Smyth, former Snyder publisher, is business manager.

In graduation exercises at Denton, the Fluvanna High School graduate will receive both B. A. and B. S. degrees. Majoring in journalism at the Denton girls' school, Frances E. served the school as business manager of the Lass-O, college weekly newspaper, and did feature writing for the editions.

Home late last week to accompany the family, the C. F. Landrums of Fluvanna, to Eagle Pass for the marriage of her brother, Cy Landrum, to Araminta Heffman, the college senior returned to Denton Wednesday to complete examinations and work for her degree. She will report to the Liberty newspaper plant probably next week-end.

Fred Boren Gets Advance

Fred Boren, son of the Clyde M. Borens of Snyder, was recently given an appointment as provisional servant for the school year at John Tarleton Agricultural College, Stephenville. The commission was awarded upon recommendation of Lieutenant-Colonel James D. Brender, professor of military science and tactics at the school, and Dean J. Thomas Davis. Promotions are based on outstanding work in the R. O. T. C. unit at Tarleton.

MUSIC COTERIE IN CLUB'S LAST MEET OF YEAR

Holding their final meeting for the current club year, Musical Coterie members were guests in the D. P. Yoder home last Thursday. Hostesses for the afternoon were Mmes. Yoder, Lucie Strayhorn, Dougherty and Ted Mosier. The house was lovely in its decorations of garden flowers—roses and cornflowers—and blooming geraniums.

During the business session, presided over by Mrs. John R. Sheehan, president, plans were formed to combine the music programs with a luncheon club next year. Meetings for the 1941-42 club year will be held each fourth Wednesday at 11:00 o'clock in the morning, the group remaining for luncheon after the program. Mrs. Sheehan will continue leadership of the music group next year.

In answer to roll call Mrs. Lida M. Hardy gave a report from a Sixth District, Texas Federation of Music Clubs, board meeting in Brownwood recently. The local woman attended the gathering as a member of the executive committee for Sixth District.

Mrs. Preuitt, program leader, introduced Mrs. Harry Ward, vocalist, who sang Brahms' "Lullaby," accompanied by Mrs. L. A. Chapman. Mrs. Chapman also played "Waltz in C Minor" by Morkjey and played accompaniment as the club sang "God Bless America" by Irving Berlin. Mrs. Hardy, violinist, played "Cozonnetta" by Carl Venth, a Texas composer, accompanied by Mrs. Chapman.

The hostesses passed a delicious ice course at the tea hour to Mrs. P. C. Chenault, guest; and the following members: Mmes. Sheehan, Ward Armor McFarland, Hugh Boren, F. L. Pierce, Hardy, Chapman, Preuitt, Willard Jones and Melvin Blackard.

Mrs. Mary B. Shell is visiting in Houston with her son, C. B. Shell, and family. She returned home with the C. B. Shells after they had visited in Snyder and Fluvanna for several days.

Ethel Lynn Hays is home after teaching at Kalgary, near Ralls, the past school year. Eleanor Hays, who also taught the past year near Ralls, is home for the summer.

Frances Boren Is Duce Club Hostess

Thursday evening at the home of her parents, Mr. and Mrs. Tom A. Boren, to the Duce Bridge Club and guests. The house was decorated with iris and double-larkspur in tones of pink, white and lavender from the yard of Mrs. H. C. Miller Jr.

Margaret Deakins won the high score award, and Rube Lee was awarded the low score prize. The following others attended the evening party: Helen Cauble and Edith Grantham, guests; Johnnie Mathison, Jeannette Lollar, Allene Curry, Mmes. Miller, Sam Joyce, Buck Williams, Loy Logan and R. M. Phillips, club members.

The hostess was assisted by her mother in serving a salad course with wafers, pickles, individual strawberry tarts and mint julep. Margaret Deakins will be hostess to the club at its next meeting, Thursday night, June 5, at 7:00 o'clock in the Manhattan Hotel dining room for a dinner party.

Evelyn Heard of Pecos arrived last week for a two-week visit here with her grandmother, Mrs. G. C. Buchanan, and aunt, Mrs. Mattie B. Trimble.

The F. M. Brownfields of Idalou, former local couple, were here for the week-end, guests of their son, Maurice Brownfield, and family.

Crusaders Hold Fish Fry Monday

Is Church gathered Monday evening in the church basement for an enjoyable fish fry. The meeting was the group's monthly business and social for May.

The following attended; Mrs. R. H. Odom, teacher; Frances Billingsley, guest; Hattie and Gertrude Herm and Oleta Mitchell, Mmes. Lyle Deffebach, Harold Clement, Harry S. Lee, Guy Glenn, I. A. Smith, Cliff Birdwell, C. R. Burk, Allene Shoopman, A. E. Harvey, W. W. Headstream, Lucile Strayhorn Dougherty, F. L. Pierce, Sterling Williams, Hattie Belk, Howell McClinton, Arlie Biggs, J. P. Billingsley, A. E. Schmidt, J. O. Littlepage and H. T. Sefton.

Mr. and Mrs. W. E. Holcomb left Tuesday for a week's vacation in Sulphur, Oklahoma, with Mrs. Holcomb's sister, Mrs. Henry George, and Mr. George. Mr. and Mrs. George have visited the Holcombs here and are well known to local people.

Juanita Sentell, teacher of fourth grade work and departmental English in Dalhart Schools the past year, arrived home for the summer Monday afternoon. The teacher, graduate of Snyder High School and Texas Technological College, Lubbock, has been reelected to her work at Dalhart for next year.

Meeting Held at Herms' Monday

Guild of the Methodist Church was held Monday evening at the home of Hattie and Gertrude Herm. Mrs. Joe Caton led the devotional, and Gertrude Herm read the scripture. Mrs. M. W. Clark was leader for the evening.

Chapters from the reference book, "Daily Grace That We May Eat," were given by Mrs. W. F. Newsome, and other members telling what the church is doing for the migrants included Mmes. I. A. Smith, W. P. King and Caton.

Other members attending the meeting were: Mmes. F. L. Pierce, J. P. Billingsley, C. I. Hill, T. J. DeShazo, R. H. Odom, H. T. Sefton, Misses Nellon Minix and Frances Billingsley, a visitor. Mmes. Newsome and Lyle Deffebach will be next hostesses to the society.

Dorothy Pinkerton Head

Dorothy Pinkerton, daughter of Mrs. Mollie Pinkerton, was recently reelected president of the W. Club, Abilene Christian College women's honor organization, for the second year. Miss Pinkerton, junior student in ACC, was presented at the group's 21st anniversary dinner Friday night in the roof room of the Wooten Hotel. The local girl will be home for the summer next week.

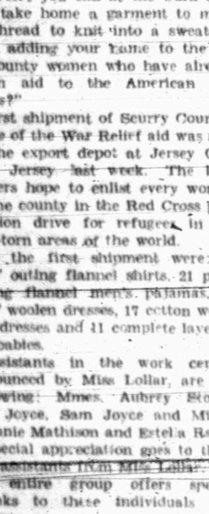

L. H. V. Cook of Dallas was a week-end guest of the R. W. Webb family here.

Mr. and Mrs. E. C. Scrivner of Crane are here visiting with their daughter, Mrs. Herman Sloan, and Mr. Elkins. The Crane couple are the Dermott section.

First Lieutenant Homer M. Spence, Mrs. Spence and their two sons, Bobby Frank and Mitchell, were visiting local relatives the past week-end. Spence is stationed at Camp Bowie, Brownwood, and his family is living in Brownwood.

Mr. and Mrs. E. L. Darby and Mr. and Mrs. J. P. Strayhorn and son, Eddie Joe, were in Odessa Sunday to visit with Mr. and Mrs. Frankie Hall and their two daughters. Second daughter of the Halls, former Snyder couple, was born Friday at the Headlee Hospital, Odessa, and has been named Frankis Jean. Ann, older daughter of the Qdessa couple, came home with the local people to spend [illegible]

Help Your Eyes to Function . . .

They Help You to Enjoy Life!
Did you know that over 80 per cent of all human knowledge is obtained through seeing, although there are four other senses? That's why it pays to keep your eyes in perfect condition.
Have your eyes examined now, and get glasses if you need them. Come in today!

Here are three proven ways of making your home cool and pleasant in hot weather:
AIR CONDITIONING—Can be installed to cool a single room or an entire house. It gives full control of temperature, humidity and air movement. This is the type of equipment most often used in theatres, large office buildings and cafes.
EVAPORATIVE COOLING—Utilizes the principle of evaporating water to lower the temperature in one room or an entire home. Evaporative coolers have proved very successful in dry climates for homes, business houses and small cafes.
ATTIC VENTILATION—Cools by bringing in outside air to evaporate moisture on the skin and clothing, producing a marked effect. At night, cool, outside air is pulled in through the windows and hot air in the rooms and attic is blown out.
Ask a Dealer who sells electric cooling equipment to explain the advantages of each.
• More and more home owners are making their homes an "all-year" home. No longer do they endure hot, stuffy rooms or stay out of doors on summer evenings until the house cools off. They have made their homes livable in hot weather by letting their cheap electric service provide summer comfort.
Making your home cool in hot weather is now as simple and as inexpensive as making it warm in the winter time. A small investment in electric cooling equipment of the type best suited to your needs will bring you relief from hot weather indoors at the flip of a switch. Electricity is so cheap that the cost of keeping cool for a whole day is measured in pennies!
Plan now to avoid the discomforts of hot weather by having your home equipped with electric cooling equipment. Then you can look forward to pleasant days and cool, restful nights during all of the four summer months.

COUNTY-WIDE 7TH GRADERS GET DIPLOMAS

Commencement Exercises Conducted Wednesday Morning at Snyder Auditorium for Graduates

Following completion given Saturday by rural schools, county-wide seventh grade commencement exercises were held Wednesday morning, 10:00 o'clock, at the local high school auditorium.

Program processional was given by Mrs. J. M. Glass, with invocation by Myrl Gary. Group singing of "God Bless America," preceded the principal address of the morning, brought by Bro. LeMoine G. Lewis, local Church of Christ minister.

On behalf of the county superintendent's office, Mrs. Roy O. Irvin presented graduating seventh graders with diplomas. Benediction was pronounced by E. L. Fart, superintendent of Snyder Schools.

Virginia Robertson of Ennis Creek was announced Wednesday morning as high score student in the county-wide seventh grade tests. Dorothy Riley of Martin ranked second.

Graduates at the Wednesday morning exercises follow:

Ennis Creek—Virginia Robertson and Mary Rogers.

Canyon — Wayne Pherigo, Alta Faye Martin and Anna Bell Layne.

Dermott—Roy Browning.

Independence—Roy Bailey, Octavia Moore, Cecil Lankford, Norma Jean Lankford and Margie Heath.

Lloyd Mountain—Annie B. Simpson, Joe Reynolds, Betty June Morrow, Don Harless, Juanita Nicks, Darcus Thompson and Bill Thompson.

Turner—Hal Clarkson, Garland Morrow, Dorothy Lockhart, Harold Bates, Lois Martin, Ruth Lockhart, Russell Griffin, Mildred Stephens, Gene Flippin and Leonard Stephens.

Bison—Weldon Key and Lucille Sorrells.

Arah — Marjorie Chapman and Carl Stokes.

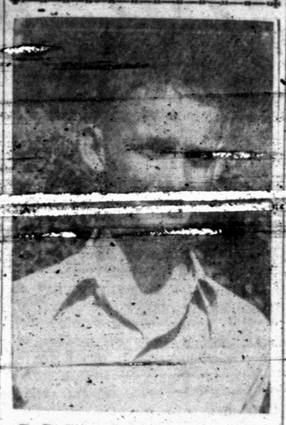

Martin—Dorothy Riley.

Plainview—Letha Woodard, Rena Pylant and Guy Allen.

Total of 21 Ira School seventh graders, accompanied by Earl Horton, class sponsor, also participated in the commencement exercises.

Newcomer to Snyder is John A Odom, young business man of Hattiesburg, Mississippi, who moved here this week to make his home. A brother of Mrs. W. F. Newsome, young Odom has already made the acquaintance of many local people.

New Employee

D. P. Connally, former carrier boy for The Sweetwater Reporter, assumed duties this week at The Times office as utility man and printer's "devil." Young Connally is the son of Mr. and Mrs. B. H. Connally, newcomers to Snyder.

D. P. has saved about $50 during the school year just ended from his earnings, $25 on his carrier savings bond and $25 of his own. In addition, he has bought a new suit of clothes and has finished paying for a new bicycle.

Seniors at Fluvanna Give Final Program

People from Fluvanna and a number of surrounding communities were attracted to Fluvanna High School auditorium Friday evening for the school's 1941 commencement exercises.

The evening's informal program was given entirely by senior class members and included a one-act play, "The Dictator Visits His Mother," based on the authentic life story of Adolf Hitler. Faye Mathis and Gaylan Collier, two senior class members, directed the presentation.

In "The Dictator Visits His Mother" Leslie Squyres was starred in the role of Herr Hitler. Weldon Squyres, Ruby Lee Odom and Dean Ball had supporting roles.

SNYDER YOUTH GRADUATES

Among the 150 graduating seniors at John Tarleton Agricultural College, Stephenville, this year will be a Snyder youth, Edwin Terry, son of Mr. and Mrs. S. L. Terry. Edwin, who has majored in a pre-law course, will receive his diploma Sunday evening, May 25.

Young Fluvanna Mother Succumbs After Operation

Death claimed Mrs. Jim Sullenger, 36? long-time resident of the Fluvanna community, Tuesday afternoon in a local hospital following an operation. Mrs. Sullenger was operated upon three days previously, [illegible] reclaiming [illegible] complications set in.

Born July 22, 1904, in Borden County, Mrs. Sullenger married when 18 years of age, and had resided three miles southwest of Fluvanna for the past 18 years.

Surviving are the husband, Jim Sullenger; two sons, Jim Sullenger, Jr. and Billy Mack Sullenger; her mother, Mrs. W. A. Reeder of Fluvanna; five brothers, Clay, Loy, Ray, and Rue of Fluvanna, Homer Reeder of Dallas, and two sisters, Mrs. C. T. Perry of Fluvanna and Mrs. Tommy Hutcherson of Clifton.

Funeral services for Mrs. Sullenger were held Wednesday afternoon, 3:00 o'clock, at the Fluvanna Baptist Church.

Rev. T. L. Nipp, Baptist pastor, assisted by Rev. J. N. Tinkle, Methodist minister, officiated.

Pallbearers were Tom Squyres, B. O. McDow, Charley Miller, John Truss, Sam Wooten, Truman Ellis and Welch Scrivner.

Doris Glen Wills, Jeanne Miller and Mmes. Corene Jones, Tom Squyres, Ila May Wills, Welch Scrivner, John Truss and Truman Ellis were in charge of floral offerings.

Maples Funeral Home was in charge of funeral arrangements, with interment in Fluvanna Cemetery.

Legion Auxiliary Will Sell Poppies In Snyder May 31

Saturday, May 31, will be Poppy Day in Snyder.

Sponsored by the local American Legion Auxiliary, the replica of the flowers that are being stained a deep red on Europe's battlefields today, will go on sale at convenient places around the square.

Poppy Day always touches a tender spot in the hearts of those who had relatives and friends in World War service. For the poppies that go on sale are made by disabled ex-service men—men whose only source of income is the making of the paper flowers.

Mrs. J. E. Shipp Legion Auxiliary president, this week issues an appeal to people of Scurry County to purchase as many poppies on Poppy Day as possible.

"If one could make an inspection tour of our veterans' hospitals," Mrs. Shipp states, "and see first hand, the making of flower replicas by our disabled veterans—men who have missing limbs and are physically unable to do hard work—we would all feel the need of buying more poppies this year than ever before."

Mrs. Shipp states that Poppy Day, just before Memorial Day observance, will prove a most opportune time to purchase flowers so that the living, but disabled, World War veterans may carry on.

Hilton Lambert Aids Car Accident Victims

Assisting in extracting three accident victims from an almost new Buick was the experience last Thursday of Hilton Lambert, local mail carrier, while in Sweetwater.

Lambert went out to Sweetwater Lake with a wrecker service operator when the Buick in which George Peters of Sweetwater and three guests were riding, was washed over a concrete dip and about 50 feet down a sluice of the lake.

The Buick, which overturned three times, was completely demolished, but the occupants of the vehicle were only slightly shaken and bruised.

Graduates from Tarleton

Zonell Burnett, graduate of Snyder High School, is now a graduate of John Tarleton Junior College in Stephenville. The former local girl, daughter of Mrs. C. B. Whatley of Dublin, received her junior college diploma this week. After a two-week stay in Dublin, she will spend the remainder of the summer with her brothers and wives—Mr. and Mrs. Ray Burnett at Monterrey, California, and Mr. and Mrs. Roy Burnett at Soledad, California. Miss Burnett was on the staff of the J-TAC, Tarleton weekly newspaper, this year.

Out-of-town graduation guests of Glynn Curry Snyder, senior in the local high school, Friday evening were his uncle, Sykes Curry, and wife of Hobbs, New Mexico. Young Snyder left Saturday morning with Sykes and Mrs. Curry for Hobbs, where he will be working this summer.

Pays in Advance

J. E. Davis, who resides just south of the local First Presbyterian Church, is another firm believer in Times advertising for results, as evidenced by this incident:

Last Wednesday afternoon Davis came by The Times office with a classified ad advertising a three-room furnished apart[illegible] the necessary change for the ad and said he figured it would get results.

One hour after he placed the classified, Davis came by and ordered the ad killed. Evidently, the thought of home county paper advertising had brought about the desired results. Davis' money was refunded, since he had only one apartment for rent.

L. D. Sturgeon, 60, Plainview Citizen, Succumbs Friday

L. D. Sturgeon, 60, long-time farmer of the Plainview community, succumbed at 9:00 o'clock Friday morning at the family residence seven miles northeast of Snyder following a sudden heart attack.

Born October 7, 1880, at New Boston, Sturgeon had resided in Scurry County 35 years, and had taken a prominent part in community affairs through the years. He was an active member of the Church of Christ.

Funeral services for Sturgeon were conducted Saturday afternoon, 3:00 o'clock, at the Snyder Church of Christ. Bro. LeMoine G. Lewis, local minister, conducted final rites.

Surviving are three daughters, Mmes. Irene Hassell, Annie Jones and Media Belle Smith, and a son A. C. Sturgeon, all of Snyder; three sisters, Mrs. Carrie Russell of Snyder, Mrs. J. D. King of Coleman and Mrs. Bettie Ballard of Floydada; and four brothers, Warren Sturgeon and I. F. Sturgeon of Snyder, A. A. Sturgeon of Lubbock and W. J. Sturgeon of Hobbs, New Mexico.

Pallbearers were John Woodard, D. M. Pogue, Edgar von Roeder, Steve Murphy, Oscar Ward and Forest Jones.

Flossie Mae Wall, Emma Woodard, Netty Rea Nichols and Mrs. Frances Russell were in charge of floral offerings.

Odom Funeral Home was in charge of funeral arrangements, with interment in Snyder Cemetery.

AAA Officials Go To Big Spring for Compliance Session

Led by Claud D. Cotten, county administrative officer for Triple A, a group of Scurry County agricultural officials left early this (Thursday) morning for Big Spring to attend a two-day district AAA meeting.

The Thursday-Friday meeting, to be held in the Settles Hotel, will be one of the most important Triple A gatherings held in this area in recent months.

Farm and ranch compliance work for 1941 will be taken up and discussed by AAA representatives from both the state and Washington offices. Wheat marketing quotas will be taken up and discussed both days of the confab.

In addition to Cotten, other county representatives at the Big Spring meeting include: Frank A. Wilson of the county committee; Ross Williams, wheat insurance inspector, Dwight Monroe and Harrie Winston, range inspectors; Ruth Davis, planimeter supervisor; Rube Lee, marketing quota clerk; and W. W. (Red) Hill, county performance supervisor.

The group of county AAA representatives are slated to return Friday evening.

Goodwillers for Post Rodeo Take Snyder by Storm

Announcing their arrival in Snyder with the fire, Post Rodeo and Stampede goodwillers pulled into Snyder early Tuesday morning in two chartered, 35-passenger buses.

Tom Slaughter, [illegible] County Rodeo Association, met the caravan at the Scurry County limits on the square's west side, after the duet of chartered buses dropped anchor in front of Irwin Drug and the local Ben Franklin store.

In the Post delegation were Eddie Warren of The Post Dispatch, Giles Connell, Post rancher-banker [illegible] Inc., Emil S. Bouchier, manager of this year's show who is known locally, and other officials of the rodeo association.

A short, spicy musical program was given by Post entertainers, and preceded announcements concerning the forthcoming boots and saddle roundup.

Connell announced that a number of Scurry County rodeo contestants have already registered for the June 6-7 rodeo at Post, and that purses for the two-day events will total more than $1,500.

Rhubarb is classed among foods as a "fairly good" source of vitamin C and also contains some iron and calcium.

Roundup at Spur to Celebrate County's Golden Anniversary

Theme of Spur's annual Rodeo and Roundup, which will be staged at the Dickens County town June 20 and 21, will be the celebration of Dickens County's golden anniversary. A number of Scurry County people who formerly resided in Dickens County plan to attend the festive events.

[illegible] in Dickens County recall that it assumed such official duties in April of 1891. The county's first officers perfected a system of county government that is today the pride of Dickens County.

Several old-time cowhands in Scurry County indicate they will enter the old cowboy's roping contest. Cowboys under 55 years of age will compete. Spur Rodeo and Roundup officials have already received application blanks from several Scurry County rodeo contestants.

Butter Production of County Reaches High

The dairy industry in Scurry, Fisher, Borden, Mitchell, Nolan and Garza Counties went on a boom during April, figures just released by the county agent's office reveal.

April production of butter in the above named counties climbed above 4,000 pounds—more than any April in the last 10 years. This total compares favorably with an April output of 32 per cent more butter in Texas than in April, 1940. The Loraine Cooperative Cheese Plant at Loraine also helped boost the cheese production of the state 8 per cent over April a year ago.

Kids to Take Part in Double Heart Rodeo

Youthful Scurry County rodeo contestants indicated this week, in letters to Ollie Cox of the Double Heart Ranch, south of Sweetwater, that they will enter the Double Heart Ranch all-kid rodeo July 3 and 4.

Included in the forthcoming rodeo for contestants not over 16 years old will be calf roping, bronc riding, buffalo riding, brahma riding and a girl sponsor contest.

For the best average in roping, riding and the girl sponsor contest, prizes will include three $100 saddles, three $30 pairs of boots and a trip of Stetson hats.

A New York commercial journal recently attributed gains in cotton futures to expectancy of high loans in Washington and to acceptance of bids for 80,000 bales of cotton and 5,270,000 yards of ticking by the Surplus Marketing Administration. The cotton and ticking will be used in the federal cotton mattress demonstration.

Dancers to Be Presented In Revue Tuesday Evening

Pictured above are five advanced dancers in the Elaine Lambert School of Dance scheduled to be presented in the school's annual spring dance revue in the local high school auditorium Tuesday night of next week. These youthful dancers have traveled 6,500 miles the past school year to appear in programs at Amarillo, Waco, Wichita Falls, Abilene, San Angelo, Dallas, Big Spring, Lubbock, Plainview and other Texas cities. In their repertoire the five dancers have 25 complete group numbers including rumba, hula, ballet, toe, acrobatic, soft shoe and professional tap. From left to right, in the picture, the dancers are: Wanda Moffett, Doris Reed, Wanda Brack, Marcia Dever and Frances Stavely.

Pointers Offered By Agent to Curb Chicken Losses

A number of calls have been received the past few days by the county home demonstration agent's office for information on the control of coccidiosis, a disease that appears among small chickens before they reach six weeks old.

Damp weather is a contributing factor in starting and spreading the disease, Estela Rabel, home demonstration agent, warns, and for this reason all Scurry County poultry raisers need to take adequate precautions against it.

The following information is helpful in combatting the widespread disease among young chickens.

"First symptoms of coccidiosis are birds crowding together with the appearance of being cold, wings droop and comb and wattles, beak and shanks appear very pale. Chickens refuse to eat and droppings usually are bloody or brownish-colored.

"To prevent coccidiosis 2½ per cent sulphur (325 mesh) or dusting sulphur, may be included in the mash feed. Sulphur should be included in the mash feed. Sulphur should not be fed to chicks under two weeks old and any birds receiving sulphur in the mash should have access to several hours of direct sunlight each week.

"If birds come down with coccidiosis, sulphur in the mash at the rate of 10 per cent for six days is a good control and usually stops mortality.

"This should be followed by 5 per cent sulphur in the mash for another five or six days, after which it may be reduced to 2½ per cent. Birds may be kept on a mash containing 2½ per cent sulphur until they are five or six months old if desired. When sulphur is included in the mash, 2½ per cent of charcoal should be added. Where coccidiosis occurs in flocks, sour milk or semi-solid buttermilk may be used successfully as a 'milk flush,' Miss Rabel concluded.

Ches. J. Lewis Jr. En Route to New Camp

Chas. J. Lewis Jr., son of Mr. and Mrs. Chas. J. Lewis, arrived here Monday morning, en route from Fort Monmouth, New Jersey, to Fort Sam Houston, San Antonio.

Young Lewis, who has been in the army almost nine months, recently completed a special course of training in teletype maintenance. He is a private, first class, and will probably receive a promotion in the near future at his new post.

Lewis will be stationed at Fort Sam Houston as a communications attache until some of Uncle Sam's new communication instruments are received.

Longhorns Decorate Sheriff Lynch Office

Sheriff John Lynch's office is decorated this week with two sets of mounted longhorns this week that will make the veteran rancher and stockman-farmer sit up and take notice.

The two sets of horns, dressed to a fineness rarely seen this day and time, were mounted by Sam L. Marders of Dallas and were loaned the sheriff by W. S. Trevey, who is moving this week from Dallas to the Sharon community.

The long set of steer horns measure almost seven feet from tip to tip. They were brought to Dallas from Old Mexico, as was the shorter set, which measures only six feet and two inches.

New Almanac for Texas Received by Locals This Week

Copy of the Texas Almanac and [illegible] Guidester 1941-42 was received this week by The Times. The 578-page book of facts [illegible] will be of interest to Scurry County people interested in governmental and civic affairs.

Copies of the Texas Almanac were received early this week by a number of Scurry County folks who [illegible] and commissioner's court [illegible] and by high schools that carry the almanac as a reference book.

Of interest to many county citizens is the Texas Almanac account of the Texas Rangers, origin of the state seal a story on surface waters here, metallic minerals in this immediate territory and hundreds of other facts vital to the well-informed person.

An innovation in the way of descriptive material on counties and cities in the state is a small county map that accompanies the description of Scurry and the other 253 counties in Texas.

The map of Scurry County, for example, shows the principal highways, railroads, towns and carries an accurate outline of hills and creeks in the county.

The 1940 production of wool in the United States, both shorn and pulled, totaled 449,763,000 pounds and was the largest on record, the Agricultural Marketing Service reports.

The Agricultural Marketing Service, USDA, reports the number of turkeys on hand February 1 for breeding in the United States was 14 per cent lower than on the corresponding date a year ago.

"Now You're Cooking With Gas"

has been publicized often on a nation-wide basis by comic strips and many top-flight radio comedians. But few who have heard the slogan know where it originated.

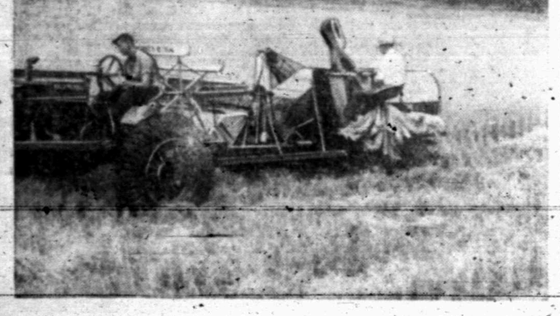

The expression is an old one used by vaudeville and theatrical people to indicate when they had "arrived" or when they had become established as leaders in their profession. In other words, "Now You're Cooking With Gas" meant the performer was appearing in communities where gas, instead of coal or wood, was used for cooking.

Elaine Lambert To Present Dance Pupils in Recital

Elaine Lambert, local dancing teacher, will present her pupils in their annual dance revue in the Snyder School auditorium Tuesday evening of next week, 8:00 o'clock. Admission will be 10 cents, the teacher announces.

Featured in the revue will be special lighting effects that have never before been seen in this section—produced with the aid of a new material called strobilite. Other outstanding lighting and special costuming will be seen throughout the performances.

The talented group of children will include [illegible] character, exhibition waltz and precision line numbers that are entirely new in the performance next week, the instructor announces. The singers and dancers range in age from the wee Clanice Reed, age 22 months, who is the youngest of the Reed Sister team, to mellow-voiced Frances Stavely, assistant to Elaine in her school this year.

Accompanists for the revue are Mmes. Cecil Reynolds and Willard Jones.

The Lambert pupils have been presented in entertainment programs in all parts of Texas the past year, some of them traveling 6,500 miles to perform before audiences.

Dry Bill Author

Shown in this picture is Dallas Blankenship, a member of the Texas Legislature, whose recently introduced bill will protect the right of counties to be dry when the citizens so vote. The Blankenship measure was signed last week by Governor O'Daniel, and prohibits drug stores from violating by sale of prescription whiskey territories that have been voted dry.

Mrs. Thad Murray Dies Tuesday at Her Snyder Home

Death claimed Mrs. Thad Murray, 72, long-time Scurry County resident, early Tuesday night at her residence in East Snyder following a brief illness.

Born November 6, 1868, Mrs. Murray had lived in Scurry County almost continuously since 1908. Mrs. Murray and her late husband operated the Murray Store at Camp Springs for a number of years.

Funeral services for the pioneer resident are scheduled to be held this (Thursday) afternoon, 3:00 o'clock, at the graveside in Camp Springs Cemetery. The officiating minister had not been named when The Times started to press.

Survivors include two daughters, Mrs. E. D. DeShazo of Sundown, Mrs. L. S. Trevey of Ira; a sister, Mrs. C. W. Graham of Menard; a brother, A. B. Thomerson of Christoval; five grandchildren and five great-grandchildren.

Odom Funeral Home will have charge of arrangements.

New Registration Day Is Set July 1 For 21-Year-Olds

Members of Scurry County's Selective Service Draft Board were advised Wednesday that young men in the county who have become 21 years of age since last October 16 or who will reach this age in the [illegible] register July 1 for possible military training.

The forthcoming registration will be conducted by local boards of the Selective Service system. The new men who will be signed up in Scurry and other counties for example, are expected to be put at the bottom of their local board lists selves to be determined by a new national lottery.

In a proclamation fixing the registration date, President Roosevelt stated Tuesday that the action was "required in the interests of the national defense."

July 1 was selected as the registration date in order that young men registering would have time to find out before fall or winter whether or not they might be called for duty. This would permit them to plan ahead for their fall or winter work and educational schedules.

Expectation of local board members is that dozens of young men so registered in Scurry County July 1 will be called for service within a few months, even though they may be placed at the end of their local draft lists.

Local draft board members are expected to shortly go through their older registrants in order to reach men who have neither dependents nor essential employment, and who are at an age the army wants.

Seniors Lead on Final Honor Roll For High School

Age Limit Lowered for U. S. Marines

Sergeant H. C. Lindsey of the United States Marine Corps recruiting station at Abilene reported Tuesday that the minimum age requirement for enlistment in the U. S. Marine Corps has been reduced to 17 years. This statement, Sergeant Lindsey declared, is in reply to queries received recently from youths in Scurry and nearby counties.

FSA Clients Attend Called Meeting In Spite of Bad Roads

Despite muddy roads that kept many rural folks at home, a number of county FSA clients braved wind and weather Friday evening to attend a called meeting of county Farm Security Administration clients.

Presided over by Hugh Birdwell, acting FSA supervisor for the county, [illegible] of a Marketing and Purchasing Cooperative Association for Scurry County.

Brief talks were given by Robert Fisher of Eastland, district rural supervisor for FSA, and Gus Hill representing the regional Farm Security Administration office at Dallas.

Due to the bad roads kept many FSA clients away, Birdwell states that another meeting will be held in the near future, at which time the proposed cooperative will be organized. Exact date of the next gathering will be given in The Times.

Mr. and Mrs. W. H. Cauble are back from a 10-day fishing trip to Eagle Nest Lake, New Mexico, and they brought home proof of their luck. Their oldest son, Charles, came from Santa Fe New Mexico, to join them at Eagle Nest last week-end.

Mrs. C. W. Taylor, Borden Resident 40 Years, Passes

Mrs. C. W. Taylor, 80-year-old Borden County resident, passed away Tuesday afternoon at her home in Gail following a several-year period of failing health.

Mrs. Taylor had resided in Borden County 40 years and was a member of the Methodist church.

Funeral services for Mrs. Taylor were conducted Wednesday afternoon, 1:00 o'clock, at the Gail church. Bro. Rodney Glasscock, First Christian Church minister of Lamesa, officiated.

Pallbearers were Dave Dorward, Olin Keen, Sam Keen, Alvin Jackson, N. W. Minnick and Aubrey Rogers.

Mmes. Ruby Covey, W. M. Jackson, H. T. Dodson and L. A. Pierce were in charge of floral offerings.

Odom Funeral Home was in charge of funeral arrangements, with burial in Gail Cemetery.

Survivors include two sons, Marvin Taylor of Gail and J. L. Taylor of Midlothian; two daughters, Mrs. George Gaffney of Gail and Mrs. T. [illegible] children.

Tabernacle Baptist Church

A large crowd from the Tabernacle Missionary Baptist Church went with their pastor to an all-day Sunday School rally held in the First Baptist Church of Hermleigh last Sunday. A fine day was enjoyed by all.

There were two additions to the church this [illegible] almost every Sunday.

Next Sunday morning the pastor will speak on the Holy Spirit in the life of the [illegible] Sunday evening the subject will be "When the Chickens Come Home to Roost."

There is a saying that a man may become the under dog, but if he has grace and grit, he won't stay down. This can be said of a church as well.—Clymer C. Evans.

Camp Springs Slates Cemetery Working

Marion Hamilton, a member of the arrangements committee, reminds people of the Camp Springs and surrounding communities that an all-day working of the Camp Springs Cemetery will be held Friday.

Lunch for the occasion will be spread at the Camp Springs Methodist Church. Women of the Camp Springs and adjacent communities are requested to bring basket lunches.

Meeting Continues at Presbyterian Church

Good attendance features the revival meeting of the First Presbyterian Church, started Sunday morning by Rev. Frank D. Travis of Childress.

"We feel the Lord is already blessing in the meeting," the visiting minister stated Tuesday night. "We extend a cordial invitation to the public to attend our services and worship with us."

Leading song services for the revival is Rev. Paul Stevens of Slaton, who has visited in Scurry County several times the past few years.

Rev. Jubert Travis, local pastor, states plenty of seats are available for visitors and that every courtesy possible will be extended older people of the community who wish to [illegible]

LaVerne Moffett had as her graduation guests Friday night her mother, Mrs. Ben Pippen of Brownwood, her sister, Mrs. Arthur Middleton, Mr. Middleton, and their baby son of Dallas. The local high school graduate accompanied the Middletons back to Dallas for a several-week visit.

Good Grain

Walker Huddleston, prominent farmer of the Knapp community, brought in a sizeable sample of wheat and oats in the dough last Thursday afternoon that looked might good to a Times reporter.

Huddleston, who has 16 acres in wheat, reports the grain is waist high on an average. A 12 acre patch of oats, also in the dough stage, is slightly above knee height, and a good stand.

Observers who have inspected Huddleston's wheat and oats report a complete lack of black rust and other plan diseases. If no hail or "gully-washing" rain is received before harvesting, the Knapp farmer stands a good chance to obtain 12 bushels of wheat per acre and 15 bushels of oats.

Our Unemployed

Figures obtained this week from the Bureau of the Census, Department of Commerce, reveals that we have some 687 unemployed persons in Scurry County at present, and approximately 338,465 in Texas. Just what steps will be necessary to find work for these people is a problem that is worrying city, county and state officials.

Seasonal employment in a county like Scurry, of course, is governed more or less by what we refer to as the "busy seasons." The casual observer feels that employment here will pick up sharply within the next few weeks but this will still not put bacon on the shelf and flour in the bin now.

There are several projects in the mill this week that will probably result in some 80 to 85 unemployed finding work within the next 30 days.

One of our chief troubles, once we get a public work project underway, is woven around the fact that many out-of-county and out-of-state people flock to Snyder to obtain work. This always results in many local people being shoved over into the "also applied" column.

We probably need out-of-county skilled workers to handle the details of some public jobs, but we do not need to let the word get too far around—once we prepare to start on a new project—that we need laborers in Scurry County until our local supply is exhausted.

Whether we want to face the fact or not, we will sooner or later get around to the basic viewpoint that working men are happy men; they are spending men whose dollars provide the very life-blood of business that local merchants need so badly. Unemployed men, besides having no purchasing power, get to be highly contentious after a while, and get into the rut of cursing everything and everybody. There's still lots of work to be done in Snyder and Scurry County, so let's put our shoulders to the wheel and see if we can't take care of our own unemployed. Then, if necessary, we can issue an appeal for out-of-county workers to move in and fill up the gaps—if we can find any gaps.

Editorial of the Week

AU REVOIR, FRANCE!

Farewell, France, until in some happier day we may see you again!

Painful the words, after a year's waiting and hoping that somehow out of the wreck of France something might have been salvaged for freedom. Painful the words to those who have felt and who still feel that the French people are good, and clean, and wholesome.

Nearly a year ago, France suffered the humiliation of military defeat. With more than a million of her sons in German prison camps, virtual hostages, to have expected her to continue the war in Africa, or in the Near East, would have been to expect much. There were some who had learned to expect much of France, however. Hope died slowly.

France chose. No vote was possible in the confusion of surrender. Whether the French people ever were, or are now, back of Petain, or Darlan, or Laval, no one knows. There is room for the graves. doubt.

Nevertheless the Petains, and Daulans and the Lavals are in charge of France. They have personally elected (no one compelled them personally) to play ball with Hitler. Aside from actions, which might have been forced on them by circumstances, they have given lip service to Fascism, which was not. They have opened the gates of Tunisa and Syria to the German invader; they have chosen to ride a surfboard on the "wave of the future," on which one may expect the remainder of the Premier Vote to be launched at any moment.

For the moment, the Frenchmen of Fascist mold of mind are in the saddle. For the moment, they are France. Resolutely we must push into the background for the moment the memory of Frenchmen who fought so gallantly for freedom, our own as well as theirs. We must forget, for the moment, that "Liberty, Fraternity and Equality" were born in France. We must not speculate, for the moment that perhaps 90 per cent of Frenchmen still love freedom. For the moment, such force as France has is at the disposal of the Totalitarian Revolution.—The San Angelo Standard-Times.

In the week's best story on drunken drivers, it seems a certain Joe Snooks of Detroit, Michigan, had a nice, long sentence meted out to him for driving while highly intoxicated. . . . The judge said Joe wouldn't have been arrested for going through the revolving door of an office building had he used presence of mind to have gotten out of his car first. . . . Snooks explained, in a teary confession, that he'd been sick and had just washed down some medicine with two glasses of beer. . . . The medicine happened to be a half-pint of bottled-in-bond whisky.

A lot of people will strongly disagree with the writer of a magazine article recently published which epitomizes the average "Mrs." as a woman who marries at 24, quarrels with friend husband twice a month, threatens seven or eight times yearly to go home to mama, ruins three car fenders and frequently opines she should have found a better man. . . . Evidently the writer of such a silly article had only very shallow knowledge of the average woman, judging at the brick bats reported hurled at the author, who now desires to remain anonymous.

Current Comment

By LEON GUINN

Editor's Note—Expressions or opinions contained in this column are those of the writer and do not necessarily reflect the opinions or policies of The Times. Current Comment is merely carried as a feature column.

Scurry County, interested in temperance and in keeping their community, county and state as dry as possible, can watch the next two or three weeks for broadsides that will be issued by Repeal Associates, Incorporated a high-pressure organization headed by the liquor-loving Pierre S. du Pont. . . . Purposes of this organization will be—if possible—to clean up or close liquor stores and honky-tonk joints which become menaces to the community in which they are located, counteract the growing prohibition movement and fight pending bills that would deny soldiers, sailors and defense workers access to bars of any kind.

★

People do not have to be crusading temperance workers to realize that the liquor crowd is becoming worried when the leaders of the repeal gang find it necessary to form a new and closely organized body to fight the growing trend toward prohibition . . . Into Repeal Associates, Incorporated, will go millions of dollars that are calculated to "soft pedal" the evils of liquor and sundry other beverages. . . . Into the wet organization will also go the best brains the liquor crowd can muster to sidetrack the main issues at stake.

★

It is a discouraging fact to prohibitionists and those who believe in sobriety to face the fact that today all 48 states in the Union are wet, compared to only 23 states that were wet when our soldier boys began to be drafted for the war of yesteryear. . . . There are ample indications, however, the repeal machine is about ready to break down along many fronts. . . . Those in the wet gang cannot get around the fact that the effect of alcoholic beverages cannot be changed merely by changing the name of the label on a bottle of booze, and the wet boys can't quite get away with the excuse that repeal is resulting in tolerance—as one glance at city court records on weekend drunks will reveal.

★

People, in whatever walk of life they may be, are acutely aware of the fact that the chickens always come home to roost. . . . If we condone this business of repeal many more years, we will soon be faced with some 10,000,000 alcoholics and disease-eaten "sots" whom we will have to support via the "state institution" route . . . If we condone the liquor traffic in any way, we can prepare to fight social diseases in all their hideous forms throughout the years ahead; and prepare to see erected, in every cemetery, markers over the graves of departed drunkards of whom the only good thing that might be said would be, "Well so-and-so at least didn't rob a bank."

★

Congressional approval of the bill to grant the Reconstruction Finance Corporation increased lending power and permission to make loans to foreign countries was taken this week by Washington observers to mean that Jesse Jones, Department of Commerce secretary, will begin, in earnest, his economic warfare against the Axis powers in South America. . . . One of the first moves Jones is expected to make will be the purchase of Axis airlines, which have become too unprofitable for private enterprise . . . The RFC will probably step in now and extend to South American countries the necessary capital to purchase South American airlines, take over vital other means of communication and try to break the backbone of Axis-governed concerns in general.

★

Straws in the wind indicate that Congress, in cooperation with the Labor and Justice Departments, will start a crackdown before June 15 on the numerous shady employment agencies that are dishing out to workers, at a good price, promises of jobs in defense industries. . . . Some of the agencies, scattered all the way from Texas to the Northern states, use high-sounding names to make job-seekers believe they have the blessings of Roosevelt Administration officials, and to create an illusion that such agencies are connected with the federal unemployment service. . . . All agencies lined up for prosecution collect fees for promised aid in securing jobs.

★

Scurry County people interested, directly or indirectly, in the production of petroleum, are scanning maps closely these days, since an acute shortage of oil tankers is making it necessary for major oil companies to rely on pipelines to carry crude oil to refineries in the North and East. . . . We have two pipelines in Scurry County that mean thousands of dollars each year to county land and lease-holders. . . . First in importance is the Shell Petroleum Company pipepline which crosses the county, going northeast to Oklahoma, and the other is the famous Coffield & Guthrie pipeline, which carries crude from the Sharon Ridge and Ira fields to the Col-Tex Refining Company tank farm in Mitchell County. . . . Both pipelines will be of vital importance in the national defense program.

★

To meet the acute shortage of tankers for carrying oil—all available ships will be pressed into service for the army, navy and Great Britain—major companies of the petroleum industry are talking of a 2,000-mile pipeline from West Texas to the large consuming centers of the Atlantic Coast. . . . Such a pipeline, handling more than 25 per cent of the present tanker cargo, would cost approximately $65,000,000, and would give employment to several thousand men for the next 12 months.

Alabama became the first state with every acre of farm land in soil conservation districts—legally authorized farmer cooperatives for conservation.

Final Meet of Dunn P-TA Slated Today

Officials announced this week that Thursday afternoon, June 5, has been set as the date for the final meeting of the Dunn Parent-Teacher Association for the 1940-41 school year.

The gathering, to be held in the [illegible] School, will begin at 2:30 o'clock. All parents, teachers and persons interested in P.-T. A. work are urged to attend the final meeting.

At the June 5 gathering, [illegible] next fall will be given ample opportunity to ask any questions they may choose. Officers for the following year in Dunn P.-T. A. work were elected at the organization's May confab.

Egg Shipments from County Near Double

In a dispatch released Tuesday, the University of Texas Bureau of Business Research reports that egg shipments from Scurry and other Texas counties during April almost doubled shipments of April, 1940.

A survey conducted by the university's business research bureau show that April income of Scurry County farmers, for example, from poultry and cream totaled $6,571—a figure well above totals for many other Texas counties.

Land Use Planning Board Will Meet in Session Next Friday

X. B. Cox Jr., county agent, announced this week that a meeting of the Scurry County Land Use Planning Board will be held Friday afternoon, June 6, in the county court room. At this time problems of vital interest to county people interested in land use planning will be discussed.

All Scurry County merchants who sell cotton goods of any kind are [illegible] be at the [illegible] with [illegible] given for handling cotton goods under the current cotton stamp program.

Representatives of the Surplus Marketing Administration will be present at the land use planning meet, and will discuss any questions that may arise over the Cotton Stamp program.
