Barn Doors Swing Open On Mitchell County Fair

Beautiful handcrafts, luscious cakes, cookies and canned goods, enormous agricultural products and happy laughing children could be seen at the Mitchell County Fair held this weekend.

Brightly decorated booths, beautiful paintings and a harvest of beautiful garden crops, bearing blue, red and white ribbons were on display throughout the county barn for the enjoyment of the hundreds of spectators who gathered for the three day affair.

A special attraction was the "Grandparents' Brag."

Three rosettes were awarded for pictures in this event; one to Mrs. Murrell for her grandsons, George and Gerald Martin; one to Mr. and Mrs. Eldon Grisham for her granddaughter, Nicole Reeves and one to Mr. and Mrs. Loyd Murrell for their grandson, Josh Murrell.

Mr. and Mrs. Waddell Strain and Mr. and Mrs. Cliff Graves won a blue ribbon for their grandsons, Jerry and Cody Strain.

Mr. and Mrs. C.W. Hartsfield won a blue ribbon for their grandchildren, Jason and Summer Lynch.

Mr. and Mrs. Wayne Webber won a blue ribbon for their grandson, Zackery Wall.

In the Art Department Junior Division, Melissa Blackstock won the rosette. Scott Walker won blue, red and white ribbons; Mark Walker won a blue and red ribbon and Brandon Fuller won a white ribbon.

In the Art Youth Division, Wade Brown won the rosette and a blue ribbon. Kerry Wright won red and white ribbons.

In the Adult Art Division, Catherine Walls was awarded the rosette for her entry in other media.

Other winners and their categories and ribbons include:

Watercolor Landscapes: Nina Garner, blue; Homer Bodine, blue; Catherine Wall, blue; Margaret Costin, blue; Fannie Fay Feaster, red; Juanice Miller, red and Rhea Webb, white.

Oil Still Life: Elnora Barber, blue; Fannie Fay Feaster, blue; Jeanette Lemons, red and Thelma Howell, white.

Other Media: Catherine Walls, rosette; Ethel Gist, blue; Sue Keen, blue; J. Miller, red and Jeanette Lemons, white.

Watercolor Still Life: Rhea Webb, blue; Bernice Hilliard, red; Homer Bodine, white and Juanice Miller, white.

This year's agriculture entries were fewer than those of last year due to the weather conditions, however, there were many fine quality entries in all categories.

Bobby Cawthron won the rosette in the Junior Agriculture Division for his watermelon entry.

The following persons entered items and were awarded many ribbons:

Banana Peppers - Jeremy Strain, blue; Coty Strain, blue; Pecans-Blaine Lemons, blue; Pecan Clusters-Blaine Lemons, red; Daphne Fowler, blue and red; Walnuts-Stacey Smith, blue; Chili Peppers-Jeremy Strain, red; Coty Strain, red; Cherry Peppers-Coty Strain, blue; Jeremy Strain, red; Okra-Jeremy Strain, blue; Coty Strain, blue; Pumpkin-Jeremy Strain, blue; Coty Strain, red; Green Beans - Coty Strain, blue; Jeremy Strain, blue; Peas-Jeremy Strain, red; Coty Strain, blue; Eggplant-Coty Strain, red; Jeremy Strain, blue; Tomatoes-Jeremy Strain, blue, white and Coty Strain, red, red.

THESE BUSY HANDS and buzzing machines will soon be idle as Colorado City Dress Manufacturing Company closes its doors for the last time on Wednesday. The plant employs 66 persons.

Dress Company Quits Business

The Colorado City sewing factory, formerly known as Jerell and Colorado City Manufacturing, will be closed here this next week, Colorado City Industrial Team officials were told Wednesday.

It is located in the old Armory Building and former Civic Center at 1st and Elm Streets.

The reason for the closing is the economy, plant officials said.

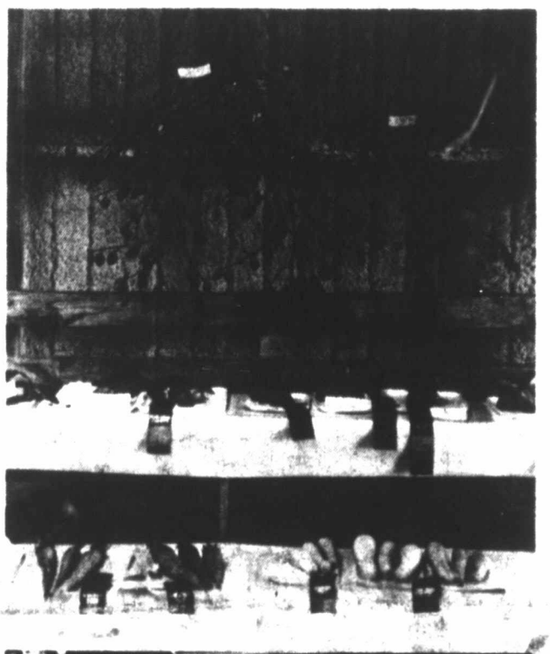

Wednesday will be the final production day of Colorado City Dress Company as its doors swing closed for the last time at the end of the day.

The dress manufacturing company, which opened its doors for the first time in August 1969 and was taken over by Jerell Company in November 1975, is one of more than 20 Jerell plants across the country.

The company employs 66 persons full-time and has a weekly payroll of over $9,000. At one time, the plant employed as many as about 120 people.

Earlier this year, the cutting department of the local plant was shutdown because a faster,

New Trust Officer Is Hired By City National

City National Bank of Colorado City announced Wednesday a new addition to the bank's staff, G.W. Lookadoo, Jr.

Due to the growth in the trust department, Lookadoo began his duties Wednesday as trust officer.

In order for City National Bank to offer a complete line of banking services, Lookadoo will set up and operate a completely new trust department.

He will deal with living trusts, wills, trusts created by wills, agents, profit sharing, retirement plans, guardianships and any other matter concerning trusts.

Lookadoo and his wife, Joan, moved here from Austin where he was an investments consultant.

Lookadoo has two children, Cynthia Kaye, 16, and David Alan, 12, who reside in Arkansas.

He has previously served as Manager of the Trust Department at the Farmers' State Bank in Ft. Morgan, Colo., and Vice President of the Trust Department at the First National Bank in Stuttgart, Ark.

A graduate of Henderson University, with a bachelor of science degree in education, Lookadoo continued his education at the University of Arkansas where he obtained a Juris Doctorate Degree.

A native of Arkadelphia, Ark., Lookadoo enjoys bridge, sports and reading.

He and his wife attend the Methodist Church.

She holds a degree in drama.

Cowboy Contest Begins Saturday

Mitchell County cowboys have until Tuesday to sign up for the Best All-Around Competition to be held Saturday and Sunday (Oct. 11-12) in the rodeo arena on Highway 80.

Competition will begin at 7:30 p.m. Saturday and continue at 2 p.m. Sunday.

Five events will be offered; calf roping, double mugging, steer wrestling, team roping and bull riding.

The cowboy winning the most money in two or more events will be named Best All-Around Mitchell County Cowboy and will be awarded a $700 saddle as his prize.

Buckles will be awarded to winners in each event.

Cowboys wishing to enter the competition must register in the Sheriff's Office prior to 5 p.m. Tuesday.

Entry fees must accompany registration.

Fees for all but the bull riding event are $40. Fee for the bull riding event is $30.

Competition is open only to Mitchell County residents. Flagmen and barriers will be used in timed events.

Renowned rodeo announcer Tommy Marricle of Snyder will officiate and concessions will be handled by Liz Anderson.

Last year's winner and defending champion, Bobby Northcutt, will not be eligible to win the saddle this year.

Mary Ann Fincher, Betty Wilson and Judy Dobbs will serve officials and timers.

A steak supper and cowboy auction will be held in conjunction with the competition on Oct. 9 at the Colorado Country Club.

It will be served at 6 p.m. and the auction is scheduled to begin at 9 p.m.

Town Talk

by MAC McKINNON

There have been a lot of exciting things happening around Mitchell County here recently, the most exciting of which was the rains.

Of course the fair has just ended and this next weekend is homecoming week. In addition, the Best All-Around Mitchell County Cowboy competition will take place Oct. 11-12.

The rains caused some problems including the flooding of some homes in town and at Lake Colorado City. However, we are grateful that no lives were lost and as far as I know, there were no serious injuries.

A lot of people, including law enforcement people, city and county officials, volunteer firemen and highway department workers, worked long and hard hours to help prevent any disaster and to help those in need.

We certainly appreciate their efforts.

The rains provided many positive aspects including providing moisture for crops and pastures as well as water supplies. Although the rains came too late to help this year's cotton crop, it will provide for next year the moisture base which we so desperately needed for this year's crop.

Also, both county lakes are now high enough to provide extensive recreational possibilities for several years. This will attract a large number of people to the county and will be a significant aide to the economy.

One of the negative aspects revealed by the rains was the cumulative effect of littering. There was a tremendous amount of trash revealed by flowing rivers.

Hopefully, this will impress on everyone the ugliness of being careless with trash and litter. We need to keep our earth clean and attractive. A time worn expression seems appropriate in line with this and that is to stay that we need to take care of this

Record Features All New Tabloid

A new feature entitled "Texas Opportunities" is enclosed in today's edition of the Colorado City Record.

The tabloid will be a twice-monthly feature and will showcase agricultural market reports, ag-related features and statewide classified advertising.

"We are excited to be able to join other newspapers across the state in bringing such a tabloid to our readers," Record Publisher Mac McKinnon said.

"We think our readers will enjoy finding 'Texas Opportunities' in the Record. It is unique," McKinnon said.

Other newspapers carrying "Texas Opportunities" includes the Ballinger Ledger, Ft. Stockton Pioneer, Menard News, Atlanta Citizens Journal, Cass County Sun, Panola Watchman, Fairfield Recorder, Post Dispatch, Austin Citizen, Gilmer Mirror, Van Horn Advocate, Stanton Reporter, Citizens Tribune and Wood County Democrat.

TESCO Rates To Increase

Texas Electric Service Company filed new proposed rates with the Public Utility Commission in Austin Friday. The rates are designed to recover the $69.4 million overall revenue increase approved by the PUC earlier this week.

The proposed rates are expected to be approved by the PUC in mid-October.

Under the proposed new rates, a customer using 1000 kilowatt

Elmer Martin Makes Request For Aid For Woodland Activity Center Work

Elmer Martin, president of the Woodland Activity Center board of directors, said the center needs our community support as this is a community based program.

He said, "We, the Woodland Activity Center, are seeking work in our own community because we are now in a very slow period with our other contracts and need to compensate the other work that our clients are involved in at this time."

"Our clients are able to count and sort by shape, size and color. These things are helpful in work such as stuffing envelopes, sorting cards and envelopes for printers, matching colors and sizes of objects, such as stems of wire and plastic flowers used in flower arrangements. They can sort screws, nuts and bolts into sizes.

"Most of our clients are mobile and do work that involves standing. They are able to read and write, to some degree. We do have limitations we have to set for the work that we seek for them: 1. Quanity; Needs to be sufficient to justify the training involved; 2. Materials; Should not be toxic; 3. Machinery; None and 4. Location should be transferable to work center.

"Our staff will help local people who have work for our clients to establish contracts, set billing procedures, set up production procedures and set pay for our clients.

"And these, our people, need all the help we can given them," Martin concluded.

THE PROBLEM OF EVIL

Rev. M. Ronald Hamby
Pastor
First United Methodist Church
Colorado

Atheism's strongest case against God can be summarized in the assertion that if there were a God, infinite in power and love, He would have created a perfect world with all happiness and no evil or suffering.

Since evil, pain, and trouble are abundant in our world, the atheist concludes that certainly it cannot be the product of an all-wise, all-powerful, all-perfect Creator.

This argument may sound plausible, and to some it seems unanswered, but it isn't quite as formidable as it seems. It assumes that the only purpose a loving God could have is to place his human creatures in a pleasure-filled paradise where all they have to do is enjoy themselves. That is to think of the world on the model of a human being building a cage for a pet animal that he wants to be as comfortable and healthful as possible. But we are not God's pets in cages, for whom He is to make life as agreeable as possible. Rather we are more like human children who are to grow to adulthood in an environment whose primary and overriding purpose is not immediate pleasure but the realizing of the most valuable potentialities of human personality. Thus, the world was not intended to be a pet's cage, but rather a place of soul-making.

In addition, God has created his human children in His own immage, which means, at least in part, that they have freedom of choice, even to the point of choosing against Him. Many of the problems, much of the difficulty of our life is brought on ourselves simply by sinful human choice or frailty of the human creature.

Thus, we do not suppose that every ill which befalls an individual or a nation is necessarily "sent" by God as punishment. God's created universe is governed by natural laws, and rain falls on the just and the unjust, just as cancer can attack the body of a saint as easily as the body of a sinner.

Finally, the problem of evil is dealt with only in Christian Hope, the Hope which is demonstrated in Christ that God's love finally overcomes everything – even sin, the cross, and the grave. Therein lies the Christian's ultimate answer!

District Zone Officers To Be Elected Oct. 9

An election of a director to serve in Zone 2 on the Mitchell Soil and Water Conservation District Board is scheduled for Oct. 9 at the SCS office in Mitchell County, board chairman Jimmy Harrison said. The election will be at 1:30 p.m.

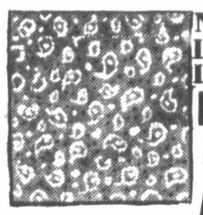

State law decrees that to be eligible to vote in a soil and water conservation district director's election, a person must own agricultural land within the sub-division where the election is being held. The person must also live in a county all or any part of which is in the district and the voters must be 21 or older. A landowner's spouse may also vote. Legal qualifications state that a candidate must own land in the zone he represents, be 21 or older and actively engaged in farming or ranching. He must also live in a county all or part of which is in the district.

Zone 2 of the district includes all of the land east of the Colorado River to the Valley View road which runs from Bernards north to the Scurry County line. The north boundry is the Scurry County line and the south boundry is I-20.

Current board members are Harrison, D. M. Smith, Travis Turner, Warren Anderson and George Martin. The purpose of the Mitchell SWCD, with headquarters in Colorado City is to promote sound soil and water conservation programs on farm and ranch land within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property right of landowners.

Johnson Begins Treatment At M.D. Anderson Hospital

Terry Johnson has been transferred from the Methodist Hospital in Lubbock to Houston where he began treatment Wednesday at M.D. Anderson Hospital.

Terry, son of Harold Johnson of Loraine and Mrs. John Hamblen of Lubbock, was in school at Texas A&M University in College Station, only a few months away from getting his Master's Degree when he became ill. He received tests in Lubbock and was diagnosed as having Hodgkins disease. They found a large tumor which doctors hope will shrink with the treatment at Houston, where he will receive cobalt treatment.

Dr. and Mrs. Hamblen flew with him to Lubbock Thursday night. Mrs. Hamblen returned to Houston Tuesday to be with him for his first treatment starting Wednesday.

Grandparents are Mr. and Mrs. Luther Anders and Mrs. Pearl Johnson of Loraine. The Anders visited with him several times while he was in the Lubbock Hospital.

Student Council Report

From Colorado High School

Sidney Stewart gave the following report for the Colorado High School student council activities.

She said pictures can be made of children with Sluefoot at the Colorado High School Auditorium each Friday at the pep rally for $1 and spirit pom poms are on sale for $1. The council encourages everyone to purchase one and back the Wolves.

She said homecoming week plans are "Spirit Days," in which the student body of CHS will participate in as follows:

Tuesday will be "Sock it to the Bluecats Day," everyone will wear their craziest socks.

Wednesday is "Flood the Bearcats" and everyone will wear "high-waters" better known as short or rolled up pants.

Thursday is "Top the Week with a Victory Day" with everyone wearing hats.

The traditional bonfire is set for Thursday night at 8 p.m. at the Mitchell County Fair Grounds and everyone is invited to attend.

To conclude, Friday is "Color Us Number One Day" and everyone will wear school colors of red and black.

The Homecoming Parade is set for 4:30 p.m. Friday with prizes of $35 for first place, $25 for second place and $15 for third place winners.

One male and one female will be selected each day as the best symbolized persons of the day and they will be able to attend the Homecoming dance free of charge.

The homecoming dance is set for Friday night from 10 p.m. until 1 a.m. in the Middle School gym for CHS students and their dates.

C.C. Sound will act as master of ceremonies for the dance.

Miss Stewart said the student council will also conduct a talk show on Friday evenings at 5 p.m. and Saturday mornings at 9:30 a.m. on Channel 6 television station.

Commercial spots on their shows will cost $10 for each business and they will be aired twice a month.

Books Available At County Library

The Mitchell County Library has recently added a few new books on different subjects to its collection. One particular book which has been advertised on TV might interest some people by Hal Lindsey is "The 1980's Countdown to Armagedon." This title was purchased in the form of a book, also an album.

Two other books by Lindsey are "The Late Great Planet Earth" and "Satan Is Alive and Well on Planet Earth." They can also be found at the library.

Other new books at the library are "Grow Your Own Vegetables," "Let's Go Dancing," "The Technique of Stained Glass," "Making Space Grow," "Dollar Savings Decorating Book," "A More Beautiful You in 21 Days," "Beauty Makeover Guide," "Discovering Oil Painting," "The Complete Drawing Book" and "Acrylic Watercolor Painting."

Wolves Tie 13-13 With Coahoma

The Colorado City-Coahoma football clash Friday night was rated as a toss-up.

That toss-up ended up on its edge with a 13-13 tie in a game played in Coahoma.

The only consolation for Colorado City fans was that the Wolves won the game statistically as they outplayed the Bulldogs. The Wolves had to earn everything they got while the Bulldogs got their scores via gifts from the Wolves.

The Wolves tied the game with only 35 seconds to go and had a chance to win it on the extra point but the kick for the point after touchdown went wide.

The final score for the Wolves showed a lot of character for the Colorado City team as they drove the ball from their own 25 yardline and consumed almost seven minutes on the clock.

Earlier in the third quarter, the Wolves got to the Coahoma two yardline but were stopped.

The game was not a ho-hummer as the score might indicate to some fans who didn't see the game. There was a lot of spectacular plays by both teams, particularly by the Wolves. It was a hard hitting contest by the arch rivals.

Colorado City offered Coahoma a number of opportunities to score via giving up the ball deep in Wolf territory but the Wolves' defense rose to the occasion.

The Wolves kicked-off to the Bulldogs and then got the ball on their own 29. Two crucial pass plays from Quarterback Mark Carter to Kirk Evans got the Wolves deep into Bulldog territory and then Carter passed to Victor Jackson for 12 yards and a score. Kirk Evans added the extra point with 5:31 to go in the first period.

The Wolves got the ball back on their own 26 and on the next play, Coahoma got a fumble at the Wolves 29. On their first play after that, a Wolf hit late and Coahoma got a 15-yard gift. Several plays later on a fourth down and two from the five, Coahoma's Manuel Martinez scampered around his right end for the score and Robert Walker added the extra point to tie up the game with 39 seconds to go in the first quarter.

On the Bulldogs next possession they were stopped and their punt was blocked. But the Wolves were called for having 12 men on the field and Coahoma got new life.

A number of plays later, the Wolves' Victor Jackson intercepted an errant Bulldog pass at the Wolves 22. Four plays later, the Bulldogs were given another opportunity when the center to the Wolves punter was fumbled and he was tackled at the Wolves 20. However, Kirk Evans got a fumble for the Wolves at the Wolves 11.

Colorado City couldn't get out of the hole they had dug for themselves and a penalty backed them up even further. The resulting punt was short, giving the Bulldogs the ball at the Wolves 17.

Coahoma went on in to score from there with the Quarterback Phillip Ritchey going the last yard to score with 1:12 left in the first half. However, the kick for extra point was low and went into the line, leaving the score at halftime of 13 for Coahoma and 7 for the Wolves.

The second half started just as badly as the first half ended for the Wolves as a pass on Colorado City's first possession of the third period was tipped by the intend d receiver into the hands of a Coahoma defensive back at the Wolves 23.

Strong defensive play backed the Bulldogs up and the Wolves got the ball back on their own 43 and drove down to Coahoma's two and there the Wolves were stopped.

The Wolves got the ball back at the Bulldog 44 but couldn't capitalize on the good field position.

Two possessions later with some seven minutes left on the clock, Colorado City got the ball back on their own 25 and drove downfield with Carter going the last yard to score and tie the game.

The Wolves apparently came out of the game without any serious injuries. They face Coleman Friday which will be Colorado City's homecoming.

Merchants Meeting Scheduled

The Merchants' Committee of the Colorado City Area Chamber of Commerce met Friday at 3 p.m. in the Chamber board room.

The main item on the agenda was a meeting time for merchants. The date set for the meeting was the first Tuesday in each month at 10 a.m.

Another item discussed was the Christmas promotion. No definite decisions were made. Decisions for the topic will be made at Tuesday morning's meeting. All members of the Chamber of Commerce are urged to attend the meeting.

All other business has been tabled for the Tuesday meeting.

Loraine Defeated 38-7, By Gorman

Loraine football team lost 38-7 in their game with Gorman Friday.

Combined yardage for Loraine was 154. Total rushing came to 122 yards and total passing was 32 yards.

Two of Loraine's passes were intercepted. Loraine made seven fumbles and recovered only four of them.

Bulldogs came out of the game with only two first downs.

Loraine's only score came when Tony Williams scored on a 50 yard run.

"Tony Williams had a good game considering the score," said Coach Ted Wiley.

Williams had a total of 71 yards out of 11 carries and Jerry Rose had 34 yards with 13 carries.

"District begins for us next week. We play Sterling City. We will be doing good if we can play the first half of the game like we've been playing the second half of each game," said Wiley.

Value and Economy
For Your Tire Dollar

Every Michelin 'X' tire is backed by a 40,000 mile warranty for tread wear on domestic cars. That's just about twice the mileage you'd expect from a conventional tire under the same driving conditions. Also, because of its radial design the Michelin 'X' rolls with less road resistance than conventional tires, and that means you can save up to 10% on your present gas consumption (pretty good considering today's fuel crisis.) Plus, every Michelin 'X' tire gives you all the distinctive radial tire advantages over conventional bias-ply tires; smoother ride, easier handling, better traction and firmer road holding. And, they add up to a lot of comfort and safety. Invest in better driving. Stop in and have a set of Michelin 'X' radials installed today.

Locals Attend Meet

Circuit Riders Mmes. Minnie Howell, Della Fox and Dona Reed attended the Volunteer Council State Convention at Lufkin State School Sept. 24-27 for the Big Spring State Hospital.

The first day of activities began with a tour through the East Texas Lufkin State School and a tour to Deep East Texas MHMR sheltered workshop, Outpatient Clinic and the Half-way House for mentally retarded females.

The next day of events revolved around regional meetings in the morning and film slides of Leander, a 756 area camp for retarded citizens, was shown in the afternoon.

Along with the film presentation, workshops were also presented.

The highlight of the convention was the Sundown Shindig Bar-b-q with Bob Murphy of Nacogdoches as the guest speaker.

The final session was the installation of officers and recognition of the "Top Twenty." These are certified volunteers with the most hours. They are Mmes. Roxie Witten, Jewell Richter, Howell and Reed.

The Big Spring Hospital group was first runner-up in the David Wade Plaque with the most people attending and Kerrville was first.

Mrs. Reed said, "Won't you be a Circuit Rider to the Big Spring State Hospital each Wednesday and help these people in the hospital. "We really do need you." To find out how to become a Circuit Rider, contact me at 723 Locust St. or phone 728-2535.

Dawn Lemons To Be Honored

Dawn Lemons, a Mitchell County 4-H member, was recognized at the State Fair of Texas Honor Awards Dinner on Oct. 3 in Dallas.

She is the daughter of Mr. and Mrs. Bobby Lemons of Colorado City.

Ms. Lemons, who serves on the Texas 4-H Council, was recognized for her outstanding achievements during her 4-H career and received a special State Fair of Texas Honor Award Medal.

The event was sponsored by the Youth Activities Committee of the State Fair of Texas honoring outstanding 4-H, FHA and FFA members, said Bob Benson, county 4-H program coordinator with the Texas Agricultural Extension Service, Texas A&M University System. The Extension Service is the parent members are responsible for planning and conducting the annual event as well as overseeing some of the other state-wide events and activities.

Dudleys Perform Today

The congregations of First Christian Church, First Presbyterian and First United Methodist have joined together to welcome George and Judy Dudley to the First Christian Church Sunday at 6 p.m., when they will come to Colorado City to give a musical presentation.

They are professional musicians that travel, presenting their ministry through music. They have been married for 20 years and have raised three children and say they are now able to do their own thing, which is music, their kind of ministry.

Delaney Hosts Luau

A luau was held by the Business and Professional Women's Club of Colorado City Thursday evening in the home of Shirley Delaney.

To complete the setting, the members dressed in Hawaiian attire and they were served from a Hawaiian style buffet.

Members present were Velma Smith, Lona Pritchett, Sallie Rogers, Annie Dixon, Juanita Schafer, Mildred Boyd, Ida Kirschbaum, Erdine Morgan, Louise Johnston, Fay Spivey and the hostess.

Guests attending were Ruby Cawthron, Cora Delaney and Bebe Colaw.

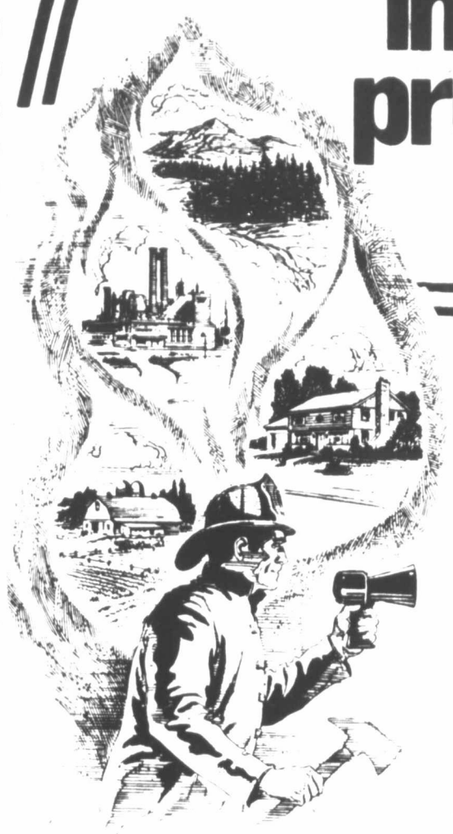

SEVERAL CHILDREN from Mitchell County Day Care toured downtown Colorado City last week during a field day trip.

Junior Varsity Takes 8-6 Win

Wolves junior varsity football team took a 8-6 victory over Coahoma in their game Thursday played in Wolf Stadium.

The only score for the Wolves came in the first quarter as James Blackwell broke from the 50 yard line to the 25 yard line. Richard Ligon then took the option off the right side and ran in for 25 yards.

The snap was high, so Jaime Bailey got the ball and threw to Willie Martinez for two points, leaving the score 8-0.

Late in the third quarter, Wolves fumbled on a punt reception and Coahoma took the ball on the 30 yard line.

Wolves held them out of the end zone and took possession of the ball. But Coahoma held the Wolves, causing Colorado City to punt. Coahoma ran it back for a touchdown.

Coahoma went for the two point conversion but the pass was incomplete.

Bulldogs then tried an on-side kick but the Wolves recovered the ball and kept it for the remainder of the game.

"Defense did a great job. We held them until they punted and never let them get much yardage," said Coach Mike Hart.

David Luera and Tom Rees each made one reception for 15 yards.

Wolves junior varsity is scheduled to play Stanton at 7:30 p.m. in Stanton.

Loraine Junior High Defeated 15-0 By Roby

Loraine Junior High football team lost 15-0 in their game against Roby Thursday in Roby.

Roby scored on the first play with a 40 yard reverse as the tight end ran the ball in. The extra point was good.

They scored again in the second quarter with a 50 yard sweep and passed the ball in for the two point conversion.

This left the score 15-0 at halftime. There was no more scoring done by either team.

Loraine was inside Roby's 20 yard line twice, but to no avail.

Tony Morris, Loraine's quarterback, was named Offensive Player of the Week by Coach Ted Wiley. John McAdams and Lupe Rodriquez were named Defensive Players of the Week. Jeff Butler was named Lineman of the Week.

"The whole defense played as a unit and I was pleased with the game," said Coach Ted Wiley.

Loraine Junior High is scheduled to play Forsan Junior High in Forsan at 6 p.m. Thursday.

Four-Man Scramble To Be Held Sunday

A Four-Man Scramble will be held at the Colorado Country Club Sunday. Tee off time will be 1 p.m.

The tournament is open to Country Club members only.

For more information, phone Carl Guelker at 728-3763.

Both Middle School Teams Take Losses

Both Middle School football teams took losses in their games with Coahoma Thursday.

Wolves seventh grade football team lost 12-0.

Coahoma scored in the second and third quarters with long runs of 30 or more yards.

"We played a good game," said Coach Ronnie Gainey. "We just had one or two mistakes, that had they been eliminated we might have won the game."

"We moved the ball real well. We had some outstanding offensive and defensive plays in the game," said Gainey.

Colorado City is scheduled to play Stanton in Santon at 4:30 p.m. Thursday.

"The Stanton game should be a very close one. We've looked at their record and the game could go either way, hopefully ours," said Gainey.

Wolves eighth grade football team lost their game 28-6.

Wolves only score came late in the fourth quarter as a pass from Doug Chitsey to Mike Davila was completed for a touchdown. The extra point conversion attempt failed.

"We played a good game. We were just outmanned," said Coach Raymond Zamarippa. "They ran on the outside of us. Our defense held them in the middle."

Injuries for the night were many. The only one that is sure to be out of the game next week is Freddie Pineda with a broken thumb.

"Our defense held together and our offense stayed in there until the last minute," said Zamarippa.

Wolves eighth grade will play Stanton at 6 p.m. in Stanton Thursday.

Freshmen Win 14-12 Over Coahoma In Thursday's Game

Wolves ninth grade football team won their game 14-12 over Coahoma Thursday in Wolf Stadium.

Wolves' first touchdown came as Coahoma fumbled the opening kick-off return. Wolves drove 60 yards to the eight yard line from where Ben Gonzales scored.

The two point conversion attempt failed leaving the score 6-0 Wolves favor.

Coahoma scored in the fourth quarter. Wolves were backed deep in their own territory and were forced to punt. The punt was blocked, Coahoma recovered the fumble and scored.

Coahoma tried for the two point conversion and failed, leaving the score in a 6-6 tie.

With four minutes left on the clock, Coahoma got the ball at midfield. They scored with 34 seconds left in the game.

Their extra point conversion attempt failed, making the score 12-6 in Coahoma's favor.

Coahoma then kicked off deep. Larry Hamilton caught the ball on the 20 yard line and returned for an 80 yard touchdown. Wolves ran the sweep to Larry Hamilton for the two point conversion, which was successful for the final score of 14-12.

"I was real pleased. They showed a lot of character," said Coach Bill Barnard.

"I was especially proud of the special team. They set up our two touchdowns," said Barnard.

Wolves ninth grade football team has an open date next week and will not play a game.

Wolves Volleyball Defeats Breckenridge 15-10 & 15-13

Wolves varsity volleyball team won their district 7-AAA match played in Breckenridge Thursday night, 15-10 and 15-13.

Scoring for the first game were Kim Hardegree with one, Sidney Stewart with two, Karla Herm with two, Stacy Hamrick with five and Della Ausbie with five.

Second game scorers were Kim Hardegree with two, Sidney Stewart with three, Karla Herm with one, Stacy Hamrick with four and Della Ausbie with five.

Serves for the games were Kim Hardegree, seven successful of eight tries; Sidney Stewart, seven of eight; Rachael Lujan, none of one; Karla Herm, seven of seven; Stacy Hamrick, 11 of 12; Diana Castillo, three of four and Della Ausbie, 12 of 13.

Karla Herm had 10 set-ups and Della Ausbie had five.

The three girls with spikes were Kim Hardegree with six, Stacy Hamrick with three and Sidney Stewart with two.

Sidney Stewart and Diana Castillo each had one block.

Girls with dinks are Sidney Stewart with one, Della Ausbie with one, Karla Herm with one and Kim Hardegree with five. Dinks are returned balls that would have ordinarily been a spike, but was instead sent over the blocker's head into an open area.

Good saves for the game were Kim Hardegree with four, Karla Herm with four, Sidney Stewart with two and Diana Castillo with two, said Coach George Martin.

"It was a tough match for the girls. They were behind 9-0 in the second game and came back to win 15-13. This shows that they are consistent," said Martin. "The girls were totally exhausted after the two games."

Wolves junior varsity did not do quite as well as the varsity. Scores for the games were 15-7 and 15-13 in Breckenridge's favor.

Scoring for the first game was Loretta Morris with two and Kerry Spivey with four and Tomika Randle with one.

Second game scores were Kerry Spivey with three, Mona Molina with five, Tomika Randle with four and Lisa Rivera with one.

Wolves ninth grade also lost both of their games, 15-11 and 15-9.

Scoring for the first game were Delia Rivera with six, Linda Scott with one, Robin Turner with one and Becky Albin with one.

Second game scorers were Patricia Martinez with six, Pam Ehret with two, Sonja Mercer with two and Ronda Clary with one.

"Both teams did a good job," said Coach Laura Wiley.

Government Class Attends Rally

The government class of Westbrook High School attended the Republican Party luncheon and rally at Dorothy Garrett Coliseum in Big Spring Sept. 23.

PICTURED ARE WESTBROOK Government Class students along with Governor Bill Clements as they attended a Republican Party luncheon and rally recently. They are (left to right) Debbie King, Sandy Harris, Larry Dawson, Gov. Clements, Beth Geiger, Trey Smith and Greg Colbert.

Governor Bill Clements gave an outline on the Republican Party's plan to attract Texas Democrats and Independents to back Gov. Reagan for President.

Former Texas Gov. John Connally, known for his oratorical ability, delivered a campaign speech in support of Gov. Reagan.

The Westbrook Class had an opportunity to meet and talk with Gov. Clements. This election year has offered students many opportunities to relate directly to politics in our country, stated Gov. Clements.

The class has studied the history and role of political parties; discussed current newspaper articles relating to national campaigns; studied the platforms of each party; gathered paraphernalia from each party and some students have reached age 18 and registered in time to vote for the first time in the November election.

Mrs. Hortas Hines is the government teacher at Westbrook. The senior government students are Greg Colbert, Larry Dawson, Grace Ellett, Vance Ellett, Beth Geiger, Sandy Harris, Debbie King, Alan Moody, Sharla Rollins and Trey Smith.

Letter To The Editor

Dear Editor:

I would like to ask several questions. First, who has given the people of the community the right to fire a person or ask for their resignation because of her extra curricular activities with the excuse of neglect of duties?

Why are the he's of these activities not fired or run out of town? Why do we condemn what a she does and condone what a he does? I gather that women hold guns to men's heads and force them to do things they don't want to do. Therefore, they are without blame. Why is it that when a woman divorces, she is immediately labeled; but when a man divorces, he only doubles his activities and every thing is fine.

There are numerous businessmen, officials, etc., in this community that are married and single and keep other women on the side. Why are these men not fired or asked for their resignations? Who is able to be the one to draw the line and to say who is to be condemned and who isn't? Why condemn one and not all? Does no one remember? St. John 8:7 "He that is without sin among you, let him first cast a stone."

Society has two sets of standards and rules. One for the men and one for the women. Where is the justice?

Sincerely,
Rogene Spruell

Council Applies For Grant

The Wallace Community Education Council is now applying for a council incentive grant program through the Levi Strauss Foundation.

It was decided on during the September meeting of the council to apply for the grant.

If received, the grant will help finance an innovative community project. Several projects are being considered to apply for but a definite decision has not yet been reached.

Those selected to receive the grant will not be announced until late next year.

In other action, the board also heard reports on enrollment in classes at Wallace.

Board members also contributed $44 to go toward a memorial for Olson Sweat who was very active in Wallace Center activities.

The exact nature of the memorial will be announced in the near future.

There is always some humor to help brighten our days. Two comments I heard about the rain included one local sage commenting Tuesday that "this is the first day of the drought."

Don Henderson noted in talking about how much it rained that he went to the mailbox during the rainy weather and sitting on top of it was a bullfrog–wearing a life jacket.

This seems to be the year of the injury at Colorado High School. Everyone has probably heard about the extensive injuries plaguing the football team.

But this problem has also hit the band and the cheerleaders. The many people on crutches at the High School have made walking in the halls perilous. To use a line used by all coaches, maybe they'll all be ready by the time district competition comes around.

Did you watch the presidential debate? I guess you could call it that, although President Carter did not participate. These debates, I guess they should really be called discussions, are interesting.

However, if they are going to have these debates, it would also be interesting to have the vice presidential candidates debate as they could very well turn out to be president.

I'd also like to see the wives of the presidential candidates debate. They have a tremendous influence on the thoughts and beliefs of a president and it would be interesting to see if they share the beliefs of their husbands and the platform they represent.

portray bad guy, Carlino.

Susie's husband, Sam, will be played by Rev. Monte Jones.

A nosey little 12-year-old girl who is Susie's upstairs neighbor will be characterized by Daneshu Lusk.

Two policemen's rolls will be filled by Tommy Baker and Tom Kelly.

The entire play takes place in the blind woman's apartment and covers two harrowing days and an evening as the young woman fends off the three mysterious scoundrels.

This masterfully constructed thriller includes some frightening moments and builds to a shocking climax.

A must for all theatre goers, this production promises to be one of the best this season, Richardson said.

Kelley Cafeteria Reopens

Kelley Elementary School lunchroom will reopen Tuesday.

Noon meal will be served Tuesday and breakfast beginning Wednesday morning.

The cafeteria has been closed since the beginning of school to allow a new air conditioning system to be installed.

Additional inside repairs will be made at a later date.

ing will be discussed during the meeting including the Clarence Taylor fund, the October Playday and a calf roping.

Reports from the Mitchell County Fair will be given along wtih reports from the merchants' committee.

A Chamber audit will be discussed and a nominating committee will be appointed.

The upcoming Ambassadors' noon luncheon to be held Tuesday will be discussed.

computerized cutting system was installed in a Dallas plant.

Cloth was then cut in Dallas and shipped to this plant to be sewn into dresses and jumpsuits.

Plant workers were notified Wednesday that the plants located here and in Big Spring would be closing Wednesday.

Workers were offered the opportunity to transfer to other locations throughout the country, however, most of the workers have families and husbands in this area and are unable to transfer, Plant Supervisor Leona Cupp said.

hours would see an increase of about $7 per month on his electric bill.

"This rate increase naturally means that the cost of electricity will go up, but customers can help hold down their electric bills by conserving and using electricity wisely," Texas Electric Manager B.B. Hardee said.

Liquid Feed Tanker Wrecks At Westbrook

The air around Westbrook got pretty thick in the early hours Wednesday morning when a liquid feed tanker turned over, rupturing the tank.

The truck, driven by Richard Turner, 37, of Clovis N.M., was headed west on Interstate 20 in the construction area at Westbrook at about 4:20 a.m. when the truck left the paved surface and drove onto the median.

The driver attempted to drive back up onto the pavement and the truck and semi-trailer jackknifed.

The truck turned over on its side, rupturing the tank which contained about 50,000 gallons of liquid feed.

Texas Highway Patrolman Tom Johnson, assisted by Frank Constabile, investigated the accident and contacted the Texas Highway Department to assist with traffic diversion.

Both east and westbound traffic was rerouted onto the access roads for about four hours.

An estimated 40,000 gallons of liquid feed spilled into the median. The highway department covered the area with sand.

The wreckage was cleared by "87" Wrecker Service of Big Spring.

Lions Name Murphy To Be Chairman

Joe Murphy has been named to coordinate location and handle problems with gum ball machines for the Colorado City Noon Lions Club.

Anyone having problems with the gum ball machines or wishing to have one in their business should contact Murphy at Farm Bureau Insurance.

Thanks

We want to express our sincere appreciation to everyone who was with us during our time of sorrow. We thank you for the many flowers, food and the precious words of comfort. Most of all, we thank you for your friendship and love in our hour of need. God bless each and everyone of you.

Card Of Thanks

In loving memory of our wife and mother, Bertha Crownover, who passed away Sept. 27, 1980.

Dear God forgive the many tears, the silent wishes that she was here. Others are taken, yes we know, but she was ours and we loved her so.

They say time heals all sorrow and helps to forget, but time so far has only proven how much we miss her so.

It breaks our hearts to lose her, but she did not go alone, for part of us went with her, the day you called her home.

Our thanks go out to our many friends, nurses and her doctor who helped us through this troubled time.

Sadly missed by her husband, Jack, daughters, Evonne, Delpha and Winona, son, J.L., and their families.

Amen
