Fifty-four boys received awards and certificates at the award's night at the South Plains Lion's Branch Boys' Club last week. Mr. Theodore Phea, Jr., is the director of the branch.

Thirty of these boys received silver basketballs for winning their respective leagues, and the remaining received awards and certificates earned in the Boys' Club annual national contests.

Aside from these awards, three other awards were presented to deserving young men. These awards, trophies for the boys exemplifying better sportsmanship, were presented to Bobby Glenn Adams, mid-

get department, (8-10); John Rickey Evans, intermediate department, (10-13); and Don Neil Phillips, junior department, (14-16).

Presentations were made by Dr. Heenan Johnson, a local dentist in the city.

four hundred and eighty-seven students.

The students have boycotted the college since the first week of April in protest to the dismissal of a dean, Dr. H.I. Fontellie-Nanton, by the school president, Dr. H.C. Savage.

Ed Reed of Houston, student spokesman, said the students wanted Savage to resign, for there to be no reprisals against the students and for the board of trustees to meet with student leaders.

Reed said Savage "has done nothing" to keep the college from losing its accreditation. He said students fear certain standards the Texas Education Agency has said Texas College must meet by 1966-67 "are not being met."

Savage said, "the normal procedures of the college operation are continuing." Reed said none of the students are attending classes.

PYTHIAN-CALANTHEAN CONVENTION NEWS

The Knights of Pythian of Lubbock along with their two courts of Calantheans, Evening Joy and Running Rose, are busy as may be expected to prepare for the State Convention to convene here the first week of June.

The Pythians and Calanthean, who meet weekly to prepare for the not so far-away fete, are sponsoring a fish fry tonight, Thursday from 5 until the fish run out in the auditorium of the Mary and Mac Private School, 902 East 28th St. This is one of the many weekly activities that will be held until convention time. Anyone who would like to attend this affair is cordially invited to do so.

The chancellor commander and grand worthy counselors would like to invite any male or female who would like to become a member of the organizations to please feel free to inquire about it.

Cecille Joyce Graves, daughter of Mr. and Mrs. Caesar J. Graves, II, 1836 Manhattan Drive, was selected by the Lubbock district as the sole representative to appear in the Princess Revue. It has not been confirmed as yet, but there is the possibility Cecille may attend a similar event in the state capitol, Austin, on April 30th.

STUDENTS SURPRISE PRINCIPAL

Mrs. Lucille S. Graves, principal of Mary and Mac Private School, was surprised by the entire student body of the school last Friday, with a birthday party held in the auditorium of the school.

Mrs. Graves, the founder of Mary & Mac in 1955, was elated

over the idea of the students thinking of her on her birthday.

The Girl and Boy Scouts of the school and others presented Mrs. Graves with several lovely gifts which included, as Mrs. Graves put it, "gifts she will always cherish."

Pictured above is Mrs. Graves with her gifts, and incidentally, the lovely cake was presented to her by the Girl Scouts.

Aside from the gifts, the students presented her with a well-put together program, consisting of music and speeches. Peggy Mc Lin, a sophomore, acted as mistress of ceremonies. Music was presented by the "Maryettes, Jolettes", and Julius and Cecille Graves, her son and daughter. Mr. Caesar Graves, II, and Mr. T.J. Patterson gave a short talk about

Child Health at the Texas Department of Health, Austin, will be the speaker.

Officers will be installed. They are Grantland Groves, president; Judge Pat Moore, first vice-president; Mrs. Mae Simmons, second vice-president; Mrs. H.E. Hamilton, secretary; and Mrs. Robert Green, treasurer.

The dinner will climax a membership drive and is open to all who wish to attend. Reservations may be made by calling Mrs. Leslie Ansley, SW 9-7939 or Mrs. O.L. Fredericks, SW 5-6907.

the program and the personality for whom it was designed.

The elementary, junior, and senior high departments gave their impressions of Mrs. Graves by presentation of two representatives from each level.

A special treat was enjoyed by the entire group when sandwiches and punch was served to everyone.

TAX RENDERING DEADLINE NEAR

Lubbock County property owners have until April 30th to render their property at the county tax assessor-collectors' office for state, water district and county tax purposes and apply for a homestead exemption from state and valorem property taxes.

The exemption, which applies to \$3,000 of the value for tax purposes of a residence homestead, can mean a saving of up to \$12.60 in state property taxes at the present state rate of 42 cents per \$100 of valuation. The exemption does not apply to county or water district taxes.

The rendering for taxation and the application for the homestead exemption must be made each year by the property owner himself. This applies to persons who pay their taxes as part of their

Students Picket Texas College

Tyler, Texas--A 'boycott of classes entered the tenth day last week at Texas College, affiliated with the Christian Methodist Episcopal Church, while some forty students rode to Dallas to picket the speech of a CME bishop.

The Dallas speech by Bishop Betram W. Doyle of Nashville, Tennessee, was at a testimonial dinner for the Texas College board of trustees at the Statler Hilton Hotel. The four-year old Negro College has an enrollment of some

'Around the Hub City'

Around the Hub City would like for all young people, especially those who are interested in bettering their conditions, to seek employment in Federal Agencies. Of course, there are specific qualifications one must possess, but the future is great. I know, and you do too, that there are many young ladies who would qualify for anybody's office as a stenographer... but you are too lazy to try and better your conditions. What about it? Why not try to prepare yourself for the future, after all, the future belongs to you.

Mrs. M. Henderson, a school teacher from New York, has been visiting in the "Hub City". She didn't know all of this existed in Texas, especially in West Texas.

Earl Day and the music men entertained about three hundred people at a Saturday night social at the American Legion Hall. This affair was sponsored by an up and coming organization, Caprock Lodge #1540. Day's combo is getting better everytime we hear them. I wonder what they will be like the next time?

The members of Caprock Lodge will be journeying to Fort Worth in order to attend a Past Exalted Ruler's Council on April 30th. The group of Elk and Does are expected to charter a bus for the trip.

The man on Avenue A says that the world is round, and the place which may seem like the end of the world may only be the beginning.

Don't forget the Fish Fry tonight, April 21st, at the Mary & Mac School, beginning at 5:00 p.m. This affair is sponsored by the Knights of Pythian and Courts of Calanthean.

Mrs. L.S. Graves, principal of Mary & Mac Private School, was awarded a "Ten Year Service Pin" for her contribution in the field of Girl Scouting here in the Hub City.

Mr. Joe B. Murphy, 2310 Date Avenue, was involved in an accident last weekend when his automobile crashed head on into another vehicle 1 1/2 miles south of 82nd Street.

Pictured above is a scene in last year's parade of the Knights of Pythians and the Court of Cal-

anthean of Lubbock enroute to their annual Thanksgiving service which was held at the Mount Gilead Baptist Church on Fir Avenue here in Lubbock.

Attorney General Carr Addresses Group

The Attorney General of Texas, Waggoner Carr, addressed a group of citizens last Wednesday evening at the Co-op Oil Mill. Over two hundred people, predominately a Negro audience, were present to hear Carr elaborate on the important factors which will be on hand during the election.

Carr, once a resident of Lubbock, told the group of his record as an attorney general and his boyhood days in Lubbock.

Ernest Butler, shown second

from right above, is primarily responsible for the promotion of the program. Waggoner Carr, at left, for whom the appreciation dinner was given is standing next to Dr. J.A. Chatman, local physician and Representative Delwin Jones.

Carr was introduced by George Woods, a long-time political associate. Master of Ceremonies was the Reverend Jim Loud; the invocation was given by Judge James Ellis, and the benediction was given by the Reverend Kado Lang.

IT WENT LIKE THIS LAST WEEK... MAN ROLLED

A man who is employed at the Texaco Station at 19th and Avenue A, told police that he received a call to come to 18th and Avenue C to fix a flat tire. He said that when he arrived at the address with the intentions of changing a tire a young man wearing a red short-sleeve shirt and dark trousers approached him and knocked him down and then began to kick him. The robber then took \$12.00 in cash from his pocket

plus a white gold Gruen wrist watch that he valued at \$55.00.

The unidentified robber weighed about 190 pounds and was driving a 1956 or 57 Buick or Olds. He was accompanied by a young lady.

ATTEMPTED BREAK IN
Police received a call to come to a residence at 3313 East 15th Place where they were informed of a breakin. Upon arrival, they found Ruth Robinson, occupant of the house, had been away at a neighbor's house. She told them that a 50 year old man had come to her house and threatened to breakin. The police were told by Ruth that while the man was on her premises he did take a light from the front porch. At that time,

she ran to the neighbor's house to call the police.

The man was arrested, since Ruth did not wish him to continue to trespass on her property.

Billy Daniels Returns To Night Club Circuit

Los Angeles---NPI---Veteran Singer Billy Daniels returned to the West Coast after a four-year absence to delight the audience at the Slate Brothers Club with a freshness of presentation which has long characterized him.

His appearance at the local bistro marked his return to the night club scene from an 18 month stint on Broadway with Sammy Davis Jr. in "Golden Boy."

Wichita Falls--Reginald Robinson, a Junior at Washington High School, with his fast as lightening speed, left the onlookers wondering where the blue and white went. Before their very own eyes, and some may have not seen it, Robinson ran the 100 in 9.25, rounded off by officials as 9.3. In round numbers it means that Robbie is ranked tops in Texas School Boy Sprinter circles.

Others participating in Saturday's events were Bruce Christain in the 120 yard high hurdles winning with a 14.3 time and James Colber in the high jump event.

MOTHER OF FOUR WINS 'DOERS' AWARD

Mrs. Passmore was chosen for her work with Project Head Start in South Miami, where she is director of the community kindergarten at Mt. Olive Baptist Church.

Publisher Balm Leavell Shot By Bogus 'Cops'

Chicago--NPI--Police are conducting a search for two men who invaded the offices of the New Crusader weekly newspaper last week, poisoning as policemen, and shot Balm Leavell, editor-publisher, in the right hand.

Leavell, in Billings hospital, where doctors say his condition is satisfactory, told of the harrowing incident. He said one of the men drew a .45 calibre pistol and threatened him. When he grappled with the man, the gunman shot him in the hand, and then struck him on the head several times with the weapon.

Other members of the staff rushed into Leavell's office upon hearing the shots and were told by one of the gunman that he was a policeman and Leavell had "jumped him." Both men then fled.

Washington Elementary School PTA Sponsor Is Honored

Wichita Falls--The Washington Elementary PTA had its regular monthly meeting with Mrs. Catherine Cotton, program chairman in charge. The program consisted

of group songs, violin, piano and voice solos by musically talented students of the school. Mrs. Eva Neal and Mrs. Metra Wells accompanied the vocal groups. Mrs. Oma L. Cleaver, third grade teacher was guest speaker. She spoke on "The Child Who's Afraid to Leave His Mother." Mrs. Cleaver said many things contribute to the reasons a child hates to leave home. Such as fear of the outside world among strangers and fear of new experiences. To help the child adjust she suggested that parents remember fear is a normal

reaction. Help the child to understand his problems and learn to cope with them, and teach him the importance of school.

IT WENT LIKE THIS LAST WEEK.. MAN ROLLED

A man who is employed at the Texaco Station at 19th and Avenue A, told police that he received a call to come to 18th and Avenue C to fix a flat tire. He said that when he arrived at the address with the intentions of changing a tire a young man wearing a red short-sleeve shirt and dark trousers approached him and knocked him down and then began to kick him. The robber then took \$12.00 in cash from his pocket

plus a white gold Gruen wrist watch that he valued at \$55.00.

The unidentified robber weighed about 190 pounds and was driving a 1956 or 57 Buick or Olds. He was accompanied by a young lady.

ATTEMPTED BREAK IN

Police received a call to come to a residence at 3313 East 15th Place where they were informed of a breakin. Upon arrival, they found Ruth Robinson, occupant of the house, had been away at a neighbor's house. She told them that a 50 year old man had come to her house and threatened to breakin. The police were told by Ruth that while the man was on her premises he did take a light from the front porch. At that time,

she ran to the neighbor's house to call the police.

The man was arrested, since Ruth did not wish him to continue to trespass on her property.
