Runaway

Gary Harkins, Lone Wolf Electric employee, parked this car in the driveway of the Col-Tex Station, intersection of Hickory and Highway 80, last Friday morning. The car jumped from park to reverse and backed around the pole at the corner of Fuller Foods and across the street into the front of Day and Nite Grocery. No one was injured.

Have You Noticed?

If you noticed that the headlines and advertisements in the Record have looked different in the last few issues, the reason is a Compugraphic 7200 headliner which arrived at the Record last week. Pictured working at the machine are Patricia Denson (standing) and Linda Stewart. The new machine will increase the production capabilities of the Record as well as giving the paper an improved appearance. The new machine sets type in sizes 14 point to 72 point.

Candidates

The candidates for Homecoming Queen at Loraine have been selected by classes and are shown, left to right, Freshman Class, Olga Barrera; Sophomore Class, Rossmary Vallejo; Junior Class, Sharon Scarber and Senior Class, Dianne Graham. The Homecoming Queen will be presented and crowned during half time ceremonies of the Loraine-Bronte game Saturday night in Loraine.

Local Residents Oppose Proposed Rock Festival

A vast majority of Mitchell County residents seem to be opposed to a music festival which a Houston man proposed to Mitchell County business leaders in a meeting Saturday.

The proposal came as a total suprise to the persons who attended the meeting. Each of those attending had been contacted by Mrs. Louise Geisenberger, whose son made the proposal.

In contacting local business leaders and inviting them to attend the meeting, Mrs. Geisenberger would not disclose the nature of the meeting, saying she had rather her son, Sam Geisenberger, make the proposal.

It was known by many of those who attended the meeting that Geisenberger was a housing contractor and it had been hoped that he would propose developing a housing addition in Colorado City.

The lack of housing has long been considered by local civic leaders to be a major problem in Colorado City and Mitchell County.

There has been a great amount of reaction to the story in Sunday's Record on Geisenberger's proposal to hold a music festival which would attract some 300,000 persons next Easter weekend to the Geisenberger ranch 13 miles south of Colorado City.

Response received by the Record and by other individuals who attended the meeting has clearly indicated that Mitchell County residents are not in favor of the music festival being held in Mitchell County.

"We simply could not handle that many people," said City Manager J. A. Sadler Jr.

Some readers indicated that they thought those attending the meeting were supporting or promoting the music festival. This is far from true. Those attending the meeting attended because they were invited by Mrs. Geisenberger. They had no idea what the meeting was to be about and not one of those attending are connected with the proposed music festival in any way.

The only promoters of the music festival are Mrs. Geisenberger in cooperation with her son who is the main promoter along with a business associate from Houston who also attended the meeting. Mrs. Geisenberger's only connection is that she is furnishing the land and has helped her son with a number of details.

Geisenberger requested that his mother get together the local business leaders so that he might make the proposal. The purpose of his proposal was to see if he could get public support. He indicated he does not want to hold the festival unless he has public support.

Also, according to state law, county commissioners in the county where such a music festival is planned must approve a permit before such a music festival can be held.

Annual Range Tour Will Be Held Today

The annual Beef and Range tour will start from the Lone Wolf Co-opatorium at 9:30 a.m. this (Thursday) morning.

Anyone interested in attending this tour is asked to come to the co-opatorium, where coffee will be served, and loaded onto buses provided by the Colorado Independent Schools for the tour.

The tour is sponsored each year by the Mitchell Soil and Conservation District; the Mitchell County Rural Development Committee, composed of Don Stewart, executive director of the ASCS; Don Hodges, district director of the SCS; George Dorman, supervisor of the FHA and Bob Benson, county extension agent; the Livestock and Range Management Sub-Committee of the County Program Building Committee, composed of L. S. Girvin Jr., Dink Rees, Bobby Northcutt, Curtis Latiner, Travis Brand, Lee Roy Cornutt and Jack Bowen.

The buses will go south to a livestock operation by the Gale Brothers, two and one half miles south of Colorado City.

Next will be a Klein grass seeding demonstration at the C. N. Stubblefield place.

W. H. Redwine has done some brush control and built a new livestock water tank.

W. H. Narrell has a Bermuda grass and cattle grazing operation.

The Spade Ranch also has done some aerial spraying of mesquite.

Maddox Brothers plan a livestock innoculation demonstration.

A barbeque lunch catered by Al's of Big Spring will be served at the last stop on the tour, Joe Maddox's TUF Ranch.

The lunch will be served free of charge and is sponsored by Jay Adams Chevrolet, Hudson and Sparks, Colorado Feed and Seed, Colorado City and Big Spring Auction, Sweetwater Production Credit Association, City National Bank and Custom Ag.

Wolves In 6-AA

1974 Schedule Set

The Colorado City Wolves will compete in District 6AA next year according to an announcement made this week by the University Interscholastic League.

Other teams in the district will be Coahoma, Stamford, Anson, Winters, Ballinger and Hamlin.

Snyder will take the place of Colorado City in District 3-AAA. Snyder for the past two years has been in AAAA competition.

The UIL realigns school district along the lines based on number of students in a high school with AA schools to have 235 to 519 students.

In previous years, any school with more than 500 students in high school was put in class AAA. Colorado High this year has an average of 494 but will have about 500 next year.

UFOs Spotted In The County

Mrs. Eddie Alberts woke her husband for work early Monday morning and told him there was a strange light to the south of their house on West Hill.

She described the light as "a bright light with red and green blinking lights".

After Alberts had looked at it through a rifle scope, he called the police dispatcher at 5:52 a.m. and Patrolman Joe Stockton investigated.

Stockton said that when he got there, he and Alberts looked at the light through the rifle scope and through bino-

City Discusses Civic Center

The City Council of Colorado City met in special session Tuesday night for some 2 1/2 hours discussing financing for the proposed new civic center.

The council voted to hire Joe W. Smith of First Southwest Company Investment Bankers of Abilene to handle what ever type of financing is decided upon.

The council also got into a discussion on other type plans for the civic center and were told by City Manager J. A. Sadler Jr. that the city will soon have a clear title to land at Second & Oak for the construction of the Civic Center.

In other business, the council authorized Sadler to advertise for bids for a rubber-tire vehicle for use at the city's

Loraine Homecoming Activities Planned

Candidates for Homecoming Queen have been selected at Loraine High School.

Each class nominates a candidate and the entire student body, 9-12, votes. The girl receiving the majority of the votes will be crowned Homecoming Queen during half-time activities of the Loraine-Bronte game Saturday night. Kick-off will be at 7:30 p.m.

The girls who were nominated by their classes are Dianne Graham, Sharon Scarber, Rosemary Vallejo and Olga Barrera.

Dianne Graham, the Senior Class nominee, is the daughter of Mr. and Mrs. Bobbie R. Graham. She is the head cheerleader for the Loraine Bulldogs. She is also annual editor this year. Dianne has been a member of the FHA during her high school years. She has been a student at Loraine High School for two years and she says, "This year has really been fulfilling and exciting!"

The Junior Class nominee is Sharon Scarber, the daughter of Mr. and Mrs. Bill Scarber. She plays on the basketball team and plans to play on the tennis team later in the year. Sharon is a member of the Bulldog Band and the FHA. Her hobbies are dancing and listening to all types of music.

The Sophomore Class nominee is Rose Mary Vallejo, daughter of Mr. and Mrs. Jesse Vallejo. She is a member of the FHA. Rose Mary's hobbies are sewing, playing basketball and other sports and listening to music.

Olga Barrera, the daughter of Mr. and Mrs. Jesse Barrera, is the nominee for the Freshman Class. She plays basketball and is a member of the FHA. Olga's hobbies are cooking and playing basketball.

Besides the crowning of the Homecoming Queen at half-time on Saturday, there will be other homecoming activities.

A Powder Puff ballgame will be held at Johnson Field on Friday night, followed by a bonfire and "Beat Bronte" pep rally.

Registration will start at 10 a.m. Saturday in the school cafeteria, followed by lunch at noon. Tommy Linam, president of the Loraine Ex-Students' Association, will call the meeting to order at 1 p.m.

Loraine Faces Bronte Saturday

Loraine Bulldogs play Bronte Saturday at 7:30 p.m. in Loraine in a homecoming game.

Coach Hal Porter says that it will be a tough game for the Bulldogs, as Bronte is undefeated in district play, winning over Roby 38-20 last week.

If the Bulldogs can win this one, they will be in a three-way tie in district competition with Roby and Bronte.

Bronte's team is well-organized, with Allan Barbee, the halfback, the key to their offense.

Coach Porter said that he is confident that Loraine can win if they play their type of ball game and don't make any mistakes.

Tennis Team Wins Forsan Tournament

The Colorado City team of Leslie Greenlee and Jackie Palmer, Craig Carter and Joe Vincent won first place in the Forsan Tournament, played in Big Spring last Saturday.

Colorado City won first, Coahoma won second and Forsan won third in competition that also included teams from Stanton, Lamesa and Big Spring Figure 7 Tennis Center.

Colorado City brought home the first place trophy and four individual place trophies.

In girl's doubles, Leslie Greenlee and Jackie Palmer advanced to the finals and won over Forsan 6-3, 6-2.

Craig Carter and Joe Vincent, in boy's doubles, defeated Forsan 6-3, 6-2.

Others playing doubles were Cheryl Sayger and Sharon Prince, David Brownfield and Alan Marcom. Both teams were defeated in the first round.

Playing singles were Ellen Sayger and Brenda Barker, Tony Love and Terry Culbertson. Each was defeated by the opponent in the first round of the tournament.

This will conclude the fall tennis season, said Coach Ken Burnam. The spring season will begin in January and finish in April.

Most of the tournament was played at the Figure 7 Tennis Center. The newly opened tennis club is open for membership and has a teaching pro, Novice Kniffen, available for lessons.

The tennis center is next to the city and state parks and the municipal golf course.

sanitary landfill which will cost some $20,000 out of revenue sharing funds.

The city has been using a bulldozer on tracks which has not been satisfactory because the bulldozer is costly to maintain because of the sandy nature of the soil at the landfill.

In other business the city paid $2,200 to a firm for cleaning out part of the city's sewer system and authorized the firm to experiment on cleaning out a water line on Watson between 12th and 13th Streets.

The council also authorized payment of a bill from Price Construction for paving around Hutchinson Elementary.

Loraine Homecoming

Saturday is homecoming in Loraine with the Bulldogs playing Bronte in a District game.

This should be an exciting game with Loraine being contenders for the district title, plus the added fact that the stadium will be filled with exes home for the homecoming.

At halftime, a homecoming queen will be crowned. Candidates for homecoming queen are Dianne Graham, Sharon Scarber, Rosemary Vallejo and Olga Barrera.

Let's join the crowd and back the Bulldogs Saturday night.

The Junior High pep rally last week wasn't really the best we've had. At least, it was not as good as week before last; however, we had enough spirit to win the game against Coahoma 15-14. It really made us happy to win especially since the 18th was Coahoma's Junior High Homecoming, when they honor the homecoming Queen and Football King.

We've now won three games and lost two, but we've still got spirit, and it's really growing. We hope to come out with a winning season.

* * *

Last Thursday we traveled to Coahoma to play the Bulldogs. The Bulldogs were certain of a victory because it was their homecoming. We kicked off. We held them so they had to punt.

We scored on the first drive. Kevin Geiger going over for the score. Frank Sanchez kicked the extra point. Then Coahoma scored on the next drive. When they next kicked off to us, they held us on the 40. We punted; somehow they ran it back. Then they tried their point conversion.

The score at the half was 14-7 in their favor. The coach then really pepped the team up. In the third quarter neither team scored. In the fourth quarter we scored on a pass from Kevin Geiger to Bill Jordan. Signals were messed up, and the center centered on the wrong count. So, place holder Kevin Geiger then passed to Bill Jordan for 2 points. So the final score was 15-14 in our favor.

Adult Basic Education Classes Resume Again For Fall Term

The Adult Basic Education Classes have resumed again for its Fall Term.

The Purpose of Adult Education is to help prepare students for their GED Certificates which is the same as a High School Diploma, it also helps Parents learn "New Concepts" in Learning, that will enable them to help their children with school work.

The classes meet two nights a week, Mondays and Tuesdays from 7 to 9 p.m., and the classes are coordinated through the Sweetwater Independent School District.

Teaching the class is Linda Stewart, while Consuela Rodriquez, serves as aide. Jamie Torres is the local supervisor.

Due to the enormous success of the ABE Program in Nolan County, the Texas Education Agency decided to make the Sweetwater Independent School District, the Coordinator in a five county cooperative. The counties are Nolan, Scurry, Fisher, Jones and Mitchell.

Each county will have its own program but will be coordinated through the Sweetwater Independent School District.

Those attending the classes are Second grade, Benita Davila, Mary Rodriquez and Margarito Rodriquez; Fourth and Fifth grade, Esperanza Rosas, Elida Barrera, San Juana Martinez, Lupe Rodriquez and Carlos Diaz.

Also, Seventh and Eighth grade, Manuela Pantoja, Jovita Diaz, Juanita Garcia, Mary Helen Santana and Susie Lara. Preparing for Ged are Mildred Rose, Madge Shepherd, Anastacio Alvarez and Verna Mae Atkins.

Methodist Women Begin New Study

Methodist Women met at the church Wednesday morning, Oct. 10 for regular meeting and to discuss the new study book, "The New Being".

Mrs. James Bennett read Matt. 5 in giving the devotional.

Mrs. Alva Bennett, study leader gave the introduction to the new study which was started Wednesday, October 17.

Mrs. Bennett told of a home missionary, Betty Thompson and her work in Georgia, and of her writings and Mrs. Marshall Bruce talked on the subject; "Faith is Personal", which told about Mother Teresa in India and her work among the poor in that country.

Mrs. Harkey led the closing prayer.

At the meeting October 17, Mrs. Jim Johnson brought the devotional from "The Sermon on the Mount," reading from Matt. 5-6 on the subject, The Key to the Kingdom." She held a fresh rose as she gave her original poem, "A Rose".

Mrs. Alva Bennett gave the four goals for this study, and Mrs. James Bennett discussed a chapter from the new study telling how we as christians should help those who have strayed and help him return to the faith.

Twelve members were present.

Historical Scences, Topic For Study Club

The Atheneum Study Club met in the home of Mrs. B. H. Johnson Tuesday. Mrs. Lily Bennett conducted the business session and the club collect was given by the group.

Mrs. Bennett announced the County Federation meeting which was held Tuesday when gifts were brought for the state hospital in Big Spring. A display of old time quilts will be featured at the first meeting in November.

The topic of the day's study was Dixie, and to open the program, the group sang "Dixie."

Mrs. Johnson gave a film show and lecture on "A Song of the South." She had followed the Southern trail from Texas to Montgomery, Alabama; North Carolina, Tennessee and other points of historical scenes.

Many old plantation homes and public buildings of early days of the Southland and many scenes of natural beauty along the route was shown.

Among these were, the home and grounds of Jefferson Davis, and Longfellow's home. The State House in Alabama has been restored by patriotic citizens and any number of historical markers have been erected at various points along the route to inform the tourists of important events in the early days of our beloved Southland.

The year's theme of Atheneum Club's study is "This Land is Our Land." Refreshments were served to fourteen members and one visitor, Mrs. Floyd Coffee.

Mrs. Amanda Alice Walker, 93, of Loraine, died at 7:30 p.m. Monday at Root Memorial Hospital. Funeral was held at 2 p.m. Wednesday in Loraine Methodist Church.

The Rev. Wilton Linn, pastor officiated. Burial was in Roscoe Cemetery under direction of Mc Coy Funeral Home.

Mrs. Walker was born Jan. 7, 1880, in Gillespie County and married Steve Alexander Walker. She had lived in Loraine for several years.

Survivors are two step-daughters, Mary Donaldson of Breckenridge and Kathleen Thielepate of Austin; a stepson, W. D. Walker of Roscoe; several stepgrandchildren and great-grandchildren.

A daughter, Minerva Viola Owens, preceded her in death.

Pallbearers were Bernard Hackfield, R. B. Bruce, Rodney Walker, B. B. Bennett, Leonard Coldewey and Jim Templeton.

CAP Sets Series Of Cooking Classes

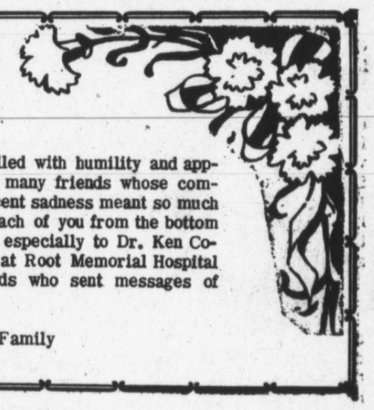

The CAP (Community Action Program) will offer a series of free "penny-wise" cooking classes beginning Thursday, Oct. 25 (today) at the Wallace Center starting at 9 a.m. and ending at noon.

The prime objective of the series is not to teach persons how to cook but rather how to cook better and more nutritious meals for less money.

The menus each week will include a meat dish, a vegetable dish, a salad, bread and dessert. At the conclusion of the twelve class meetings, each participant will have a set of recipes that will enable them to stretch their food dollar, as well as helpful ideas for using left-overs, meal-planning and time-saver hints.

Some of the receipes we will be cooking include "Sour-dough Starter" for bread, pancakes and biscuits, holiday cakes and candies and some really good casseroles, said Mrs. Jon Shamburger, head of the CAP in Colorado City.

CARD OF THANKS

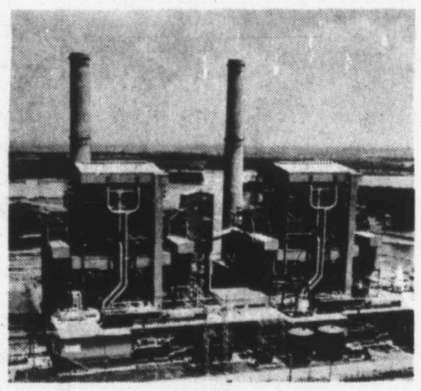

Our hearts are filled with humility and appreciation for our many friends whose comfort during our recent sadness meant so much to us. We thank each of you from the bottom of our hearts and especially to Dr. Ken Cowan and the staff at Root Memorial Hospital and all our friends who sent messages of sympathy.

How long do you think it takes to plan and build a power plant like this?

☐ 2 years ☐ 4 years ☐ 8 years

Give yourself an A if you said eight years.

The planning and construction of a lignite-fueled power plant like the one pictured here takes just about that long.

That's at least eight years to locate and purchase the right site, order equipment, plan and build the plant, obtain approvals from all regulatory agencies, and then test the plant's operation carefully.

The point is, we can't wait until the day you and your neighbors need more electricity. If we did, you simply wouldn't have it.

That's why we're always looking ahead. We have to. For instance, we've known for some time that the primary fuels we use to generate electricity — natural gas and oil — would be in short supply and thus more expensive.

Anticipating this, we and two other electric utility companies now have in operation a power plant near Fairfield which uses lignite coal for fuel. And two other lignite plants are currently under construction.

We know that by the early 1980's, we will need still another dependable fuel source — nuclear energy. Plans are under way to have a nuclear-fueled power plant near Glen Rose operational by 1980.

Diversifying to these new fuel sources will help decrease our dependence on natural gas and oil.

Unfortunately, plants designed to use lignite cost about two times as much as gas-fired plants. Nuclear plants cost more than three times as much. But we must make commitments now to be ready for the future.

We're working to supply the electricity you need, but it's costing more to make it all the time.

culars. He described it as "a bright constant light with a red flashing light and a constant green light". The lights were moving to the south, so Stockton, Alberts and his little boy got into the patrol car and went south on the Sterling City highway for a distance of about 15 miles. Stockton said that the light appeared to be over Sterling City when they turned back for town.

Other people spotted the same or similar light Monday night and Tuesday morning. Joe Stockton said that he and Jerry Evermon, Boy's Club director and Mike Walla, saw similar lights Monday night about 9:15 to 10 p.m.

They saw three of the lights in the south distinctly and three lights to the east through binoculars.

Then again Tuesday morning about 6:30 a.m., Stockton and Mike Mikle saw a similar light in the south.

Plans were being made for Mike Walla, high school teacher, to try to take pictures of the lights with a telephoto camera.

The same sort of lights have been spotted in other parts of our West Texas area, around Brownwood and Abilene.

Many people have seen the lights in Mitchell County and have called in, said Police Dispatcher Juanita Schaefer.
