Rodeo Queen Title Competition Begins

The smiling faces of three lovely young ladies will soon be seen around town, knocking on doors and visiting area businesses in an effort to promote the upcoming American Junior Rodeo Association Rodeo through ticket sales.

These young ladies are vying for the coveted title of "Rodeo Queen."

The lucky girl who rides away with the queen's title will also be awarded $100. The first runner-up in the contest will receive $50.

Criteria for winning the crown includes more emphasis on riding abilities than in years past.

Thirty percent of points scored will be derived from each girl's performance on a horse, with each girl required to demonstrate ability by riding a pattern.

During a press conference Monday, two of the three candidates were present for interviews, (the third young lady was out of town and will be interviewed at a later date.)

Jody Mann, 14, daughter of T. A. and Charla Whitesides, will vie for the crown astride "BJ," a prize roping horse owned by her brother, Todd.

Miss Mann noted she does her own training and grooming.

Miss Mann commented she has been an equestrian all of her 14 years, learning to ride before she could walk.

Sponsored by the Westbrook Golden Age Club, Miss Mann said she decided to contend for the crown because the club asked her to be their candidate.

She indicated her main objective, other than winning the title of "Rodeo Queen," is to represent the AJRA and Mitchell County in the best possible light.

Miss Mann was first runner-up in last year's queen contest.

Jana Northcutt, 13, has never before contended in any type beauty contest, but stated

Melodrama Auditions To Continue Tonight

Auditions will continue tonight, (Thursday) at 7 p.m., for the next production of the Colorado City Playhouse.

The play is "The Curse Of An Aching Heart," or Trapped in the Spider's Web.

It is a true to "old-fashion melodrama."

Directing the production will be Joan Lookadoo, a newcomer to the Playhouse and Colorado City.

Joan has been involved with theatre all over the country for quite some time and notes she is very anxious to get to work in our community.

About the auditions, Joan said, "I would like to see a big crowd there tonight. This is a really fun show and I can't wait to begin working with the people in Colorado City.

"You don't need to have prior theatre experience because melodramas are the best kind of theatre to get started with. These kinds of shows create a good time for everyone. You won't regret your experience with it."

There are roles for four men and seven women, they are: Lucius Goodenough–the hero, of manly bosom; Windermere Hightower–a scheming arch-villian of low manner; Hiram Abernathy–runs the Non Such Ranch, with a heart of gold; an unexpected male arrival–his identity is a secret; Melody Lane–the priceless heroine, innocent and lovely and Sarah Abernathy–henpecker of Hiram.

Roles also include: Aurelia Abernathy–daughter of Hiram and Sarah and true friend of Melody; Red Wing–an Indian girl of few words and many actions; Battle Axe Annie–a female sheriff who bows to no one; Nellie Blythe–an

MUSICAL ENTERTAINMENT abounded during Friday's promenade. This barber shop quartet was just one example of the fare offered on the stroll down streets of yesteryear.

Highlight Of July To Be Gala Ball

The ball of the century will take place July 18 when the Mitchell County Centenni presents the "Gilded Cage Ball."

This gala affair will be held in the Civic Center from 9 p.m. until 1 a.m., Centennial Ball Chairwoman Mrs. J. R. Fuller announced.

Reservations for the ball must be made in person at the Centennial Headquarters, located on the corner of Third and Elm Streets.

Tickets for the affair will sell for $30 per couple. This includes a buffet to be catered by Lua Allen of Sweetwater and music and entertainment by Dave Adams of Abilene.

Mitchell County residents are encouraged to make their reservations early due to limited seating space, Mrs. Fuller said.

Attire for the evening is formal and persons are encouraged to wear formal dress from any era of the last 100 years, Mrs. Fuller stated.

Included in the evening's agenda will be a grand march, a coin set auction and the presentation of Mitchell County's "First Lady."

"The 'Gilded Cage Ball' committee is working hard to make this an elegant, memorable event for everyone to enjoy by providing entertainment, delicious food and excellent music for dancing, bound together by an exquisite setting," Mrs. Fuller said.

"We do want to emphasize the need for early reservations beginning at 10 a.m., June 27," she said.

Fabulous Prizes Await 'First Lady'

All nominees for "First Lady" are cordially invited to attend a special reception planned in their honor tonight (Thursday) at 8 p.m. in the Civic Center.

Rules for the contest will be explained by the representative of Rogers Company, which is coordinating the Centennial Celebration.

Prizes donated by local merchants including large appliances, jewelry, and a trip for two to Hawaii will be demonstrated during the meeting.

The reception is only for nominees, due to limited space, Margaret Latimer, chairwoman of the nominating committee said.

Arrest Is Made After Illegal Use Of Auto

Charges of unauthorized use of a motor vehicle were brought against a Big Spring man after a 1978 Ford Thunderbird was reported missing by a Colorado City man Saturday.

The Thunderbird was reportedly parked on Second Street, across from Britton's Diesel & Automotive Service, when a man walked up, entered the vehicle in which the keys had been left, and drove away.

The automobile was apparently taken sometime between 3 p.m., and 5:40 p.m., Saturday.

Investigator Billy Ray Williamson of the Colorado City Police Department reported the theft to surrounding law enforcement agencies and Big Spring police located the vehicle Sunday.

Wilburn Leon Powell, 38, of Big Spring was arrested and arraigned before Justice of the Peace Henry Doss. Bond was set at $5,000.

MITCHELL COUNTY'S first promenade got underway Friday and city streets were filled with Keystone Cops, fierce Indians and gaily painted ladies of the evening.

Golfers Invade County For 25'ers Tournament

More than 120 persons (80 or more from out-of-town) are expected to participate in the Annual 25'ers Golf Tournament at the Colorado City Country Club this weekend.

Practice rounds will be shot on Friday and a jukebox dance is slated for the evening hours.

Saturday morning at eight o'clock, local golfers will begin an 18 hole qualifying round when the shotgun shatters the early morning silence.

Then at 1 p.m., out-of-towners will tee-off when the shotgun sounds.

Tournament co-ordinators will put pencils to the paper and flights will be set prior to an evening of bar-b-que and dancing.

Second and Third Flights will tee-off at 8 a.m., Sunday with a shotgun start and 18 more holes of golf.

First and Championship Flights can sleep just a little later and will tee-off when the shotgun sounds at 1 p.m.

Top winners in each flight will receive a set of Power Bilt Irons, while second place winners will win a set of Power Bilt Woods.

Third Place winners will receive a Ben Hogan Golf Bag, while Fourth Place winners will take home six dozen golf balls.

Medalist will be awarded a shag bag and balls.

A special drawing is set for Sunday when all non-winners will be given the opportunity to go home with token prizes of golf balls.

Close to the pin shots will compete for the fancy prize, a "Seven Wood."

Golfers have entered this tourney from all across the nation with one entrant travelling from North Carolina and another from Baton Rouge, La.

Team members have entered from Temple, Lubbock, Midland, Odessa, San Angelo, Big Spring and Sweetwater to help make this one of the major attractions of the year.

Doyle Mitchell is tournament chairman this year.

He is assisted in his efforts by Donnie Phillips, who is in charge of the golf course; Buddy Hertenberger, who is in charge of meals and Glenn Hemphill, who is in charge of entertainment.

Lovess Curlee is once again in charge of finanaces and special notice goes to Dr. Jene Steakley, club president and George Powell, president of the Men's Golf Association, which is sponsoring the tournament.

Pest Control Information To Be Given

A special "Turnrow Grasshopper" meeting is scheduled for today (Thursday) at 9 a.m., at the old Morgan Creek Truckstop.

The meeting, sponsored by the county extension office, is designed to supply information on how to best use insecticide sprays to achieve desired results, County Entomologist Bill Jany said.

Interested producers may gather at the truckstop, located on the north side of Interstate 20 and Farm-To-Market 1229, today (Thursday). The group will then move into a nearby grasshopper infested field to discuss pest management.

For more information, contact Jany at 728-5973.

MITCHELL COUNTY Tax Appraisal District held a Board of Review for mineral valuations Tuesday. About 16 persons appeared at the meeting to question these representatives from the company which appraised the mineral. Chief Appraiser Mike Burt coordinated the meeting.

"..The Lost Ark" Is Quite A Find

By CARL BEERY MOORE

Two of the film industry's most creative minds have come together and spawned an adventure film that is as exciting, suspenseful and fun-filled as any I have ever seen. George Lucas, the man who gave us the "Star Wars" films, and Steven Spielberg, who directed "Jaws" and "Close Encounters...," will surprise and entertain you far more than your money's worth. "RADIERS OF THE LOST ARK" belongs at the top of your "must see" list.

Now, you won't be "special effected" to pieces with the flashes and crashes and outer-space splashes that have made these two so famous. The effects in "Raiders of the Lost Ark" are quite unique. They're loads of fun, too! Excellent work has been done by the entire technical staff of this film. And more than you'd expect, all of these wonderful things have been creatively and cleverly photographed. Only rarely will a film be done better.

The actors seem to be having a ball playing the characters; and when the actors are having fun, it's a sure bet that the audience will. Harrison Ford (Han Solo of "Star Wars") is our invincible hero, Indiana Jones. Even a certain "masked man" would have a hard time trying to "out-Kimo Sabey" this new marvel.

Even so, Harrison Ford plays him honestly. The character is written with a few slightly blemishing qualities that allow Ford to make a person out of our hero. Sure, he's still undaunted and dashing and all that usual hero stuff; but he's also, sly, clever, glib

she is really looking forward to trying to win the title of queen.

She is the daughter of Squirly and Joyce Northcutt and was raised on horseback, although she notes, riding has been her main emphasis only for the past two years.

Miss Northcutt, sponsored by the Optimist Club, will be astride two fine animals during the competition: one, Travis, has been her trusted and true friend for two years and the other, is Buck, a newcomer on which she has been riding for only one month.

Miss Northcutt noted she also does all her own training and grooming.

"My dad persuaded me to attempt to win this contest and I am very happy that I decided to try. I will try to represent my county and the AJRA to the best of my ability and with the 3 highest of standards," she said.

Contest rules state that 40 percent of points scored by the young ladies will be derived from the number of tickets sold; 10 percent from appearance and 20 percent from personality.

Each contestant will be individually interviewed by a panel of three out-of-town judges at some point during the contest.

All contestants will ride in the July 4 and 25 parades and in the Grand Entry nightly during rodeo performancs July 1-4.

COLUMN, From Page 1

and intellectual. A professor of archeology is Dr. Indiana Jones!

Opposite Ford is Karen Allen, a relatively new face, playing the heroine, Marion Ravenwood.

We are first introduced to her in a tavern in a canyon in the Himalayas while she's engaged in a one-on-one drinking competition with so hulkingly ugly a fellow that I'm convinced that he was the Abominable Snowman...with a shave. Miss Allen is an excellent actress.

She brings out the surprising qualities of this character and makes you believe each one. As Marion, she is lithe, lovely and as gutsy a broad as you'd want to meet. Naturally she is interested in Indiana Jones; and naturally she falls into the clutches of our bad guy, Rene Belloq.

Belloq us a rival archeologist of Dr. Jones. He will stop at nothing to best him–of course! Paul Freeman plays Belloq and very handily oils this character's path through the plot with a fresh style of cunning. Along with Belloq is an entire retinue of villians of various venoms. Each one is marvelously nasty with his own special touch of dastardly charm. They are all as ruthless as you could want them to be...and more.

The story is set in 1936. Hitler is gaining power. Uncle Sam is quite naturally worried. Both sides think they know where some ancient Pharoh secreted the "Ark of the Covenant."

The Bible is full of stories telling how Moses used its terrible power. Since the powers of the Ark would be a great asset to Hitler's quest for world dominance, he hires Belloq to find it. Uncle Sam points his "I want you" finger at Jones. The race is on; and that is all of the plot you will get from me. There is mystery, thrills, suspense and a ton of laughs.

Now I don't mean to imply that this is the film of films and that it is flawless. Sure it has flaws. But they do not intrude into what the film is trying to do–simply to thoroughly entertain you. This it does; boy, oh boy, this it does!

The time will remain the same, from 7 p.m., until 9 p.m., and the admission is still $1. She added that they do have rental skates available for $1.

In conclusion, Mrs. Manning said that this arrangement will continue throughout the Summer. Everyone is invited and encouraged to come out and skate.

Little Chicago Take Win Giving Them 4-0 Record

Colorado City League play was slowed down somewhat because of rain Monday night, but the teams took to the field Tuesday rearing and ready to go.

Although the fields were a little wet, the teams gave it their all. In the first battle of the night, the Warheads fell to the C. City A's, 9-4.

The Lady Rejects in trying to keep another loss off their win-loss, played a struggling game to the finish as they took it 13-3 over the Spade Ranch Lifesavers.

In the concluding game of the night, Little Chicago beat Loraine 9-6.

Rainfall Delays Ball Park Excitement Monday Night

"Rain, rain, go away," that was what all the baseball and softball players were saying Monday night as 16 local teams were scheduled to play and had to reschedule all their games.

Noon Lion's Panthers in UGSA action Division I were to play a Sweetwater team there and Charlie's Gals were also set to play a Sweetwater team. Because of conflicting schedules, it was decided that the two Colorado City Division I teams would play each other here today (Thursday) at 5:30 p.m., and the Sweetwater teams will play each other there Saturday night.

Kiwanis Kuties were to compete with Snyder and they attempted to play, but the game was called because of rain.

According to David Marion, coach, they have not re-scheduled another make-up game as yet.

In Division III, the Stealers were to face Merkel and as of the time of publication, no new time or date for teams to re-play was set.

Teen-age League games scheduled have been re-scheduled for Friday night at 6:30 p.m., when the Braves will play the Colts and 8:30 p.m., the White Sox and Lions will face each other.

The Freshman game scheduled between the Pirates and Yankees has been re-set for Monday night at 6 p.m., and the 7:30 p.m., game will begin at 8 p.m., between Pirates and Astros.

City League Softball games have been re-scheduled as follows: Bojos vs. Calvary, Monday at 6:30 p.m.; Fuller vs. Rejects, Thursday, June 25 and Clutch vs. Little Chicago, Tuesday at 9:30 p.m.

Panthers Chalk Up Big Win

Bad News Bears had some good news to tell when they won by a forfeit because Snyder did not show Tuesday night in United Girls Softball Association action.

The VFW Royals did not display royalty as they were defeated by the Panthers, 12-9.

Lions Beat Colts 31-25

The Lions drove the Colts into their stalls, as they beat them 31-25 Saturday night in Minor League action.

The Cubs had an easy win over the Mets as they whizzed by them 25-5 in the second and concluding game of the night.

Stealers Defeated

The Dowell Stealers, in Division III United Girls Softball Association play, were defeated by a narrow margin of 8-9, when they played Snyder in Snyder.

This leaves them still on top of the Division III standings, as they have a 5-2, win-loss record.

Indians Scalped

The Dodgers chalked up another win to give them an 8-0 win-loss record as they downed the Indians 29-0 in Freshman League battles Tuesday night.

They may not be the "Houston Astros," but they are, in fact, the Colorado City Astros with that "winning spirit." They gave it all and came out on top 6-4, when they faced the Rangers in the last game Tuesday night.

Reds Fall To Snyder

Senior League baseball action began last week with the Colorado City Reds having a run of bad luck.

They were unable to break their losing streak Tuesday night as they were defeated by the Snyder Blacks 25-0.

Jack Pharis, manager, said they were working hard but they needed more players badly.

The Reds is the only Senior League team and is sponsored by the Kiwanis Club.

THIS IS A SPORT we would all like to take up, especially if we could make a catch like this. O.E. Haddock of Lake Colorado City caught this 30 lb., yellow cat right out his back door, not more than 10 feet from the bank.

Mrs. Scott Neff
...Former Miss Linda Reber

Reber & Neff United In A Double Ring Ceremony

Linda Lee Reber became the bride of Scott Neff Saturday in Calvary Baptist Church during a double ring evening ceremony.

Rev. Bob Grayson, former pastor, officiated at the 7:30 p.m. ceremony.

The bride is the daughter of Joyce Reber of Sonora and the bridegroom is the son of Mr. and Mrs. Keith Neff of Colorado City.

An eleven branch brass candelabrum, flanked with two branch candelabra and springer ferns was set between two twelve candelabrum and was centered where the couple exchanged wedding vows. The bride's chosen colors of pink and burgandy bows were used to accent the pews.

Escorted down the aisle and given in marriage by her brother, Ronald Reber, the bride wore a wedding gown of quona featuring a Victorian neckline of French lace with butterfly sleeves. French lace also accented the fitted bodice coming down to an empire waist. Wide French lace accented the bottom of the flowing skirt and chapel length train. The finger tip veil was attached to a crown of tiny white daisies of silk illusion was accented with daisies.

She carried a nosegay of small rose buds nestled in baby's breath, atop a white Bible and accented with long white satin streamers.

For the traditional something old, something new, the bride carried an old white Bible, borrowed a necklace, wore a blue garter and her wedding dress was something new.

The wedding music was performed by Kirk Williams and Jaynee Grayson. Mrs. Grayson sang "If" and "We've Only Just Begun."

Charlotte Schwenening of Sonora was the maid of honor. She was attired in a dress of rose pink quona, fashioned in a princess style featuring a flounce off the shoulders. She carried a long stemmed rose. Her hair was accented with baby's breath.

Bridesmaids were Nina Bodine of Colorado City and Belinda Schauwecker of Henderson. They were attired in the same fashion as the maid of honor.

Kyle Benson was the ring bearer.

Candlelighters were Missy Neff, sister of the bride of Colorado City and Terry Schauwecker of Henderson.

Johnny Baumann of Colorado City, Rocky Thompson of Big Lake and Steve Schauwecker of Henderson served as ushers.

A reception followed in the Family Center of the church.

A traditional white three tiered wedding cake was featured on the bride's table. Serving at her table were Pam Brontly of Midkiff and Sondra Thompson of Big Lake.

The groom's table featured a German chocolate cake with Angie Neff of Colorado City and Dona Reber of Sonora serving.

Following a honeymoon trip to Dallas, the couple will return to Sonora where they will make their home. The groom is employed with Haliburton.

Out-of-town guests attending were from Big Spring, Wyoming, Midland, Big Lake, Mexia, Corsicana, Midkiff, Henderson, Loraine, San Angelo and Lubbock.

Clovis Hale Receives Rice University Position

Clovis Hale and family have moved to Houston where he will assume the job as defensive line coach at Rice University.

A Loraine High School graduate, Hale is seeing dreams of those early school years coming to pass. He was a Bulldog player during high school, went on to McMurry College playing with the McMurry Indians. His first college coaching job was at North Texas University in Denton in 1978. He was there when offered the job as offensive line coach in the Big Ten Conference at the University of Iowa. He was completing two years there when he was offered the post at Rice.

This job offers him an opportunity to get experience in the total coaching line of football. He wil be working under head football coach Ray Alborn.

Arriving at Rice, he said he was surprised to know that he would be working with a former Loraine boy, Tim Marcum, who is also defensive line coach there. Marcum's father, D. V. Marcum, was a former superintendent of Loraine High School.

Hale and his wife, Jean and two sons are here visiting their parents, Mr. and Mrs. R. J. Hale and Mr. and Mrs. Wilson Kidd. They returned to Houston Monday and will be looking for a home to settle in. The boys remained for a longer visit.

Hale was in San Angelo Saturday attending a coaching clinic.

Sure, sunshine is free, but . . .

let's be realistic.

We Americans tend to be skeptical of cure-alls. And rightly so. They're seldom realistic.

Some people think sunshine is a free and easily available cure-all for our energy problems. Sunshine is free. Solar *power* isn't.

Equipment is now on the market that uses direct heat from the sun to help warm our houses and heat our water. In some areas these installations are economical. But collecting, concentrating, converting, storing and using solar energy to generate electricity is not economical. It's many times more costly than using coal or nuclear fuels, and much more expensive than using Middle East oil.

At your electric company, we're supporting the development of solar technology. Some day it may become a more viable source of electrical energy . . . but not today. Until it is, our job is to keep you supplied with dependable electricity, generated with the most plentiful and economical fuels we can use.

We think you'll agree: that's realistic.

Earline Sellier presented the prayer calendar and reported on the Laotian family that is sponsored by the First Baptist Church. Mrs. Sellier and Betsy Aycock are teaching English to the adult family members and reported they were doing well.

Various centennial plans were discussed by the group who voted to become the "Mission Belles" at their last meeting.

Members are Mmes. Harrison, Morris, Hardee, Sellier, Aycock, Billie Roenfeldt, Louree Upton, Margaret Bodine, Barbara Uselton, Frances Cooper and Jolene Blankenship.

The program "Listening Is Witnessing" was presented by Mmes. Aycock, Roenfeldt and Piland. Interpretation evaluation and response are three components involved they stated, adding that as a witness, awareness of hidden feelings, empathy and understanding of the listener were also important.

Insurance Scam Is Problem

Texas Veterans Service officials have issued a formal warning to veterans about a new twist to a 33-year-old fraud to get money out of them.

The scam is a non-existing "1948 Special Dividend" involving the National Service Life Insurance.

The non-existing policy has never existed, but unknown con men are selling it for $10 each. Although they do look authenic, they are a complete fraud, according to officials.

According to VA Administrator Rufus Wilson, "Someone has obviously decided that if there are that many gullible people, there must be a way to make a quick buck out of it."

He advised anyone coming across the scheme to report it to the police.

Warner Services Are Held

Myrle Warner, 67, of Colorado City, died at 7:30 p.m., Monday in Root Memorial Hospital.

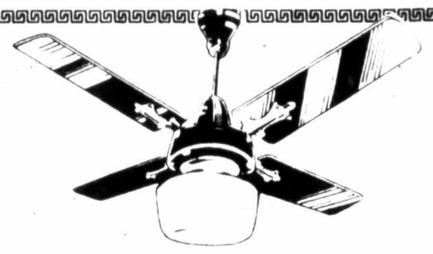

Graveside services were at 4 p.m., Wednesday in the Colorado City Cemetery with Rev. James Winfro, pastor of Payne Baptist Church, officiating and directed by Kiker-Seale Funeral Home.

Born May 28, 1914 in Sidney, Ark., she married Fred E. Warner Nov. 30, 1935 in Colorado City. He preceded her in death on Feb. 28, 1974. She was a resident of Colorado City for approximately 50 years.

She is survived by a daughter, Joann Haley of San Antonio; a brother, Pasco Vest of Colorado City and two granddaughters, Rebecca Ann Robin of San Angelo and Kristen Leigh Haley of San Antonio.

Honorary pallbearers were Jack Long, Marcus Vest, A. M. Holman, Tommy Fuller, Steve Vest and Don Vest.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective July 21, 1981, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 15.8 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Publicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de telefono en Texas con vigencia a partir del 21 de Julio de 1981, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 15.8 por ciento en los ingresos intraestatales de la compañia.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañia para negocios con el público en Texas tiene una copia para lectura pública.

Aviso a los Clientes de Otras Compañias de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de linea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio tambien afectarian a clientes de otras compañias de teléfono porque dichas compañias proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell.
