

New school year to start Monday

Iowa Park schools will open their doors for an elongated 180 days of classes starting Monday.

As has been the district's practice in the past, all classes Monday will be

dismissed one hour earlier than usual, Supt. Glen Mitchell said.

They will not have to wait long for their first holiday, however. No classes will be held the following Monday,

Sept. 2, which is Labor Day.

This will be the first time in several years that students are required to attend 180 days of classes. Lengthening of the school year was one of the re-

forms in public education made during the recent legislative session.

Local teachers will have only one inservice work day, because of the lengthened year. And that will be Friday.

A luncheon for all school personnel will be held at noon Friday in the high school cafeteria.

Because of the shortened inservice period for the high school faculty, the school is unable to distribute individual schedules and locker assignments in advance of the first day, Principal Richard Davis said.

Instead, all high school students are to report initially to the auditorium Monday morning. From there, they will go to their homerooms for schedules.

Principals of all four Iowa Park campuses have emphasized the need for new students who did not attend school

here last year, and have not yet registered, to do so before the first day of classes.

All kindergarten through second grade classes are held at Kidwell Elementary; third through fifth at Bradford Elementary; sixth through eighth at junior high and ninth through 12th at high school.

New students who depend on school buses for transportation, and have not registered, will also need to obtain bus passes. Those are available at the school tax office, which is located on the west side of Kidwell Elementary campus.

Parents of kindergarten students are being encouraged by Kidwell Elementary principal Ron Woods, to attend a seminar and social at 7 this evening.

It will be held at the high school, not the elementary campus, so the comfort of the high school's auditorium can be utilized.

Topics for discussion will include grading, hours, buses, discipline, dress code and absenteeism.

Class lists will be posted, and parents will be able to meet their child's teacher. Refreshments also will be served.

A high percentage of all this year's sixth grade students, and their parents, turned out for a tour of that building Tuesday, according to Randy Lovelady, principal.

Besides acquainting themselves with the building, Lovelady also said homeroom assignments were posted for students' information.

IOWA PARK LEADER 50 Cents

Vol. 22, No. 49

IOWA PARK, WICHITA COUNTY, TEXAS 76367

Thursday, August 22, 1991

Trustees slate budget hearing next Thursday

Iowa Park school trustees met Tuesday evening in a called session, primarily to study and set a date to adopt the 1991-92 budget.

They did some discussion of possible capital outlay cuts, but actually spent the majority of time attempting to understand explanations of funding changes brought about by the County Education District (CED).

The board decided to hold a meeting at 7 p.m. Thursday, Aug. 29, to adopt the budget.

However, no date was decided for a meeting for setting the tax rate.

The rate cannot be set until the CED board sets the rate, which will serve as the foundation for all five district members, which includes Iowa

Park, Burkburnett, Electra, City View and Wichita Falls.

The minimum rate allowable this year, set by the legislature, will be 72 cents per \$100 valuation. The same legislation also increases the minimum by 10 cents the next four years.

Information coming from some of the CED members indicates the county rate will be above 72 cents, however.

Supt. Glen Mitchell explained two schools, Burkburnett and Wichita Falls, both lost considerable values during the past year, and that possibly will affect the CED rate.

The superintendent told the board that 24 cents in local taxes, that includes 15 cents for local enrichment and nine cents for bond retirement, is necessary above the 72 cent floor in order to fund

the basics for the coming year.

That would be a 96-cent rate, which is the same as the past year's rate.

"However," he said, "if the CED sets a rate above 72 cents, I do not believe the local school district will benefit fully from the amount above 72 cents."

He said part of the amount above the minimum will go to help offset loss of values at Wichita Falls and Burkburnett.

"State funds are divided into two areas: 'Tier I' money guarantees that every school district in the state receives \$2,200 per average daily attendance from the combined state and CED collections.

"Tier II" money is based on the local tax rate. Every penny locally generates \$26,255. The state will then add \$17,587 to every penny a school district sets above the CED rate.

"Our school district is going to be penalized because the CED must generate the same amount of money as the five county school districts generated last year," said Mitchell.

Continuing, he said, "Burkburnett and Wichita Falls were the big losers in assessed values last year. Our tax dollars may help make up part of their losses.

"Whatever amount the CED sets above the 72 cents will probably be the increase our taxpayers will pay in taxes for the new year," Mitchell said.

Should the minimum rate be set by the CED, and the 24 cents be added locally, Mitchell anticipates local revenue would be \$3,391,033. When the anticipated state and federal monies are added, total receipts would be \$6,773,035, trustees were told.

The local tax rate likely will not be set until mid to late September. That is because of the public notice time required by law, which can only begin after the CED board sets its rate.

A brief reception for new teachers and staff will be held prior to the Aug. 29 budget hearing. That meeting will be held in the junior high library.

REAR-ENDED - Iowa Park High student Kelly Jean Grider, 17, was eastbound and attempting to turn into Scobee's Monday evening when her vehicle was struck by another driven by Kerry Lane Wise, 23, of Holliday. Grider was assisted by Iowa Park EMTs and transported to a Wichita Falls hospital by ambulance where she was treated for whiplash and released.

City's budget ready for hearing Monday

Iowa Park residents will not have a city tax increase again this year, if the council adopts the balanced budget that will be presented during Monday night's meeting.

The meeting is to begin at 7 p.m. in council chambers.

The city's \$3-million budget is based on no increases in its 80-cent per \$100 valuation rate, the same as the 1990-91 rate.

A public hearing on the budget of \$2,999,181 is on the meeting's agenda. That is followed by a resolution which,

if adopted, would approve both the budget and the tax rate.

Another resolution on the agenda is to sell property at 610 East Bank to the highest bidder.

One of two contracts also listed on the meeting agenda is a tax agreement with Cryovac. The industrial plant, though not inside the city, has had an en lieu of annexation agreement with the city several years.

The other agreement is with area municipalities, for assistance in case of a disaster or emergency situation.

Homeowner gets paid for destroyed fencing

Restitution for damages has been made to a resident in the 1300 block of Bluejay, after the owner's yard fence was heavily damaged about midnight Aug. 8.

Police were notified by a neighbor after hearing a loud crash, which was determined to be a vehicle that missed completing a corner turn.

The vehicle, a Suburban, was traced by the investigating officer, who followed a trail of leaking oil. It has been abandoned in the 700 block of Park Plaza.

The officer later found one man walking on another street, and a second, who was a passenger of the vehicle, asleep in his front yard.

Arrested on charges of public intoxication were Roy Dean Berend, 29, and Jim Pulley, 32.

Because the police could not vouch

to which man was driving, no charge of DWI was filed.

However, money for repairs to the fence was turned into the city and, in turn, to the property owner, police said.

A rash of criminal mischief complaints were received from home and property owners, primarily north and east of the downtown business area, Tuesday morning.

Someone had used catsup and raw vegetables to vandalize vehicles and homes, according to the police blotter.

Elmer Eugene Featherston, 37, was arrested Wednesday night in the 200 block of Hope on a charge of public intoxication. He was later released on public recognizance bond.

Arrested Monday afternoon in the 1000 block of East Pasadena was Richard Allen Wright, 24, on a local warrant for failure to display drivers

license. He was released on personal recognizance bond after promising to appear in municipal court.

A resident in the 1000 block of Mary told police her checkbook had been stolen, and some checks had been issued in Wichita Falls. It also was noted on the report that the owner's bank account had been closed in May.

Two incidents occurring at Iowa Park lakes were included on the past week's police blotter.

While police did not investigate the case, the local department was notified by a Wichita Falls hospital that a man was seeking treatment for gunshot.

The man, believed to be an Electra resident, told authorities he had shot himself in the foot with his own pistol.

Because the incident took place at Lake Buffalo, which is not inside the city limits, the case was referred to the county sheriff's office.

Police were alerted at 5:12 p.m. Monday that a man was being pulled from the waters of Gordon Lake, and was not breathing.

However, when officers arrived, the man reportedly went on a rampage, waving a knife.

Chief Wayne Parsons was able to calm the man down, and later said the man was apparently undergoing a Vietnam flashback, possibly caused by drinking, heat, water and water weeds.

The man was allowed to return to his Wichita Falls residence with his family, who were with him at the time, and no charges were filed.

A license plate was reported as having been stolen from an automobile in the 900 block of East Cash.

A resident in the 400 block of West Jefferson told police someone had thrown a rock through a bedroom window Monday afternoon.

News Briefs

Testing may lower water pressure

City water department crews will be flushing fire hydrants starting at noon today and all day Friday, Mike Price, public works director announced.

Because of the work, citizens may experience low water pressure for about 20 or 30 minutes at their homes or businesses.

Sunday last for pool this season

The Iowa Park Bicentennial Swimming Pool will close for the season at the end of business Sunday.

Management of the pool has always observed the policy of closing the facility prior to the start of school.

Early-morning showers drop .37

Iowa Park received .37 of an inch precipitation from two early-morning showers this week, according to Virgil Woodfin.

Woodfin said he measured .22 Saturday morning, and an additional .15 was measured Wednesday.

Homecoming parade plans told

It may still be summer, when checking the calendar, but it's time to start preparing for Iowa Park High's annual homecoming parade.

Homecoming this year will be on Friday, Sept. 27.

Organizations and individuals desiring to have entries in this year's parade are asked to contact Carole Venhaus, Student Council sponsor, at 592-2144 or 592-4715.

WHOOOP-T-DO

Chamber reserving booth spaces

Booth spaces for the 1991 edition of the Whoop-T-Do can now be reserved at the Iowa Park Chamber of Commerce.

The event is scheduled this year on Saturday, Sept. 28.

Susan Dillard, secretary of the organization made the announcement during Monday's monthly meeting of the Chamber's board of directors.

Nonprofit organizations making reservations must make a \$25 deposit for the space. The deposit will be used toward a 10-percent fee of gross re-

ceipts for that day.

Persons reserving arts and crafts booth spaces will pay a \$15 fee. No percentage of gross sales is charged.

Nonprofit organization booths will be placed along Cash Street, between Wall and the post office driveway. The arts and crafts booths will, as in the past, be located along the East side of Wall and along the 100 block of West Cash.

All persons reserving booth spaces will be required to sign an agreement acknowledging rules. Copies of rules will be provided before signing.

Deadline for reserving booth spaces will be 4 p.m. on Thursday, Sept. 26.

OTHER BUSINESS

In other business Monday, directors voted to make the Chamber building "smoke free," gave the go-ahead to landscape an area by the building, and heard corrected ticket prices for the anniversary celebration at Sheppard AFB, and also field comments on the recent community wide garage sale.

Though 19 members attended the

Continued on page 4

Hambright, Duensing wedding vows exchanged Aug. 3 in Harrold

Jason Scott Duensing and his bride, the former Theresa Marie Hambright, are making their home in Electra following their recent marriage and a wedding trip to Arlington.

The couple exchanged nuptial vows Aug. 3 at 5:30 o'clock at Immanuel Lutheran Church in Harrold. Rev. Rusty Leavitt, pastor of St. Paul Lutheran Church in Vernon was the officiating clergyman.

Parents of the couple are Mr. and Mrs. Fred Hambright, Sr., of Iowa Park and Mr. and Mrs. Robert Duensing of Electra and the late Deanna Duensing of Blackburn, Mo.

The altar area was decorated with twin arrangements of off-white snapdragons, pink rubium lilies, off-white azalias and deep mauve balloon flowers.

For the recitation of double ring vows, the couple stood under a brass archway enhanced with ivy and deep mauve balloon flowers. Two Chinese evergreen plants marked the base of the archway.

On either side of the central arrangement were heart-shaped candelabra decorated with clear votive candles and a crescent shaped floral arrangement composed of off-white stock, pink rubium lily, pink roses and ivy.

Pews were marked with off-white roses, pink rubium lilies, ivy and stock. All of the wedding decorations were done by the groom's aunt, Geneva Harris of Higginsville, Mo.

Prelude music included "O Per-

Mrs. Jason Scott Duensing
(Theresa Marie Hambright)

fect Love," "Bless This House," "Let It Be Me," and "The Lord's Prayer." "The Wedding March," "Rockin' Years," "Amazing Grace," and "The Wedding Song," completed the musical program.

Given in marriage by her father, the bride was attired in an exquisite satin gown styled with sweetheart neckline. A lace overlay enhanced the short puff sleeves and alternating layers of satin and lace created the elegant peplum above a cathedral train. Miniature beaded and sequined bows accented the sleeves, train and skirt of the gown.

The bride chose a fingertip veil of ivory sheer illusion. A silk floral wreath that held the veil was decorated with pearls and a pouf of illusion.

She carried a cascade of off-white lilies, roses and alstromeria orchids, interspersed with ivy and pearls.

For something borrowed, the bride wore strand of pearls. She added the traditional blue garter and a sixpence in her shoe.

Maid of honor was Kristy Conrady of Windthorst. Bridesmaids were Brandy Harris of Higginsville, Mo., cousin of the groom, and Laurie Schenk of Scotland.

Their gowns of dusty rose and ivory lace were fashioned with a fitted taffeta bodice and a tea length double pouf taffeta skirt caught up with bows over lace.

The feminine attendants carried a small cascade of off-white camelias, deep mauve peach blossoms and off-white mini amaryllis.

Train carrier and candlelighter was Andrew Hambright II, of Iowa Park, nephew of the bride.

The groom wore an ivory full dress tuxedo with notch satin lapels, self-faced top collar and pleated trousers, with matching cummerbund and bow tie.

Male attendants wore Midnight Blue Dynasty tuxedos with ivory wing collar shirt and cummerbund and bow tie to match.

The groomsmen wore boutonnieres of deep mauve peach blossoms with an off-white mini amaryllis, the ushers and candlelighter wore mauve peach blossoms and the ringbearer's boutonniere was a miniature off-white rose and deep mauve sweet williams.

The bride is a graduate of Windthorst High School. The groom graduated Electra High School, attended Cisco Junior College and now is enrolled at Midwestern State University.

A cake and punch reception was hosted in Fellowship Hall of the church following the ceremony.

Guests were registered at a table covered with a dusty rose cloth under ivory lace. Melissa Dierking of Alma, Mo., cousin of the groom, presided at the ivory covered wedding book that featured dusty rose flowers.

The cake table was covered with ivory lace over a navy blue cloth. The bride's cake was four-tiered with two stair cases on each side that led to two chocolate satellite cakes. The cake was decorated with ivory icing. Ivory lace connected dusty rose bows. Under the bows were navy blue hearts. Topping the cake was a traditional bride and groom figurine standing under an ivory lace arch.

Presiding were Ila Petit of Electra, sister of the bride, and Patti Hambright, Iowa Park, sister-in-law of the bride.

Rice bags were distributed by Amber Duensing of Mineral Wells,

niece of the groom, and David Petit Jr., of Electra, nephew of the bride.

Other members of the houseparty were Dawn Kinchoff of Blackburn, Mo., sister of the groom, Ada Duensing of Mineral Wells, sister-in-law of the groom, Alice Davy of Wichita Falls, sister-in-law of the groom, and Geneva Harris, Higginsville, Mo., aunt of the groom.

Pre-nuptial parties honoring the bride was a wedding shower July 27 given by family friends; a bachelorette party July 28, beginning at Chelsea's and progressing to Cheyenne to join the bachelor party given by Kristy Canrady.

Special guests for the wedding were the bride's grandparents, Tony Martin of Wichita Falls, Mr. and Mrs. Estillene Hambright of Jacksboro, and grandparents of the groom, Mr. and Mrs. Hary Davy, Burkburnett, Mrs. Opal Duensing, Higginsville, Mo., Mr. and Mrs. Karl Klussman, Sweet Springs, Mo., and Mr. and Mrs. Gerald Green of Electra.

Other out-of-town guests included Dale Shelley of Dallas; Mr. and Mrs. Dave Evans and family, Moore, Ok., uncle and aunt of the

bride; Mr. and Mrs. James Gresham and family of Fort Worth, aunt and uncle of the bride; Mr. and Mrs. Jeffery Duensing and family, Mineral Wells, brother of the groom, Mr. and Mrs. Ron Harris and family of Higginsville, Mo., uncle and aunt of the groom; Mr. and Mrs. Craig Dierking and family of Alma, Mo., and Mr. and Mrs. Brett Kinchoff and family of Blackburn, Mo., brother-in-law and sister of the groom.

Weight Loss Surprises Researchers

WASHINGTON --A nutrition organization was hopeful that a nutritionally complete "hi-tech" food tablet would help erase world hunger problems, until a study revealed that one of the ingredients could cause significant weight loss.

Although other studies and scientists may not agree, researchers in Europe found that the ingredient, a natural plant colloid, actually caused people to lose weight, even though specifically instructed not to alter normal eating patterns, according to one study published in the prestigious *British Journal of Nutrition*. Researchers in an earlier study had speculated that the weight loss was due to a decrease in the intestinal absorption of calories.

While the development of the product called Food Source One, a project of National Dietary Research, would not be used to successfully fulfill its original goal, the formula which has since been improved with other natural colloids has been a windfall for some overweight people. A Daytona Beach, Florida woman fighting a weight battle for 12 years used the product on the recommendation of her physician and lost 30 pounds. She stated, "Not only have I lost 30 pounds but my cholesterol has dropped from 232 to 143. I have two closets full of clothes which have not fit me in two years that I can now wear." In a separate report, a telephone interview revealed that a Wilmington, North Carolina pharmacist lost 14 pounds in 3 weeks on the product and was never hungry.

Food Source One tablets are part of National Dietary Research's comprehensive plan to bring a rapid end to obesity in this country. A variety of nutritionally sound diet plans, specially prepared by NDR, accompany each bottle and provide a natural, drug free alternative for confronting the problem of obesity.

Stiffy bow demonstration given at art assoc. meeting

Billie Railsback gave the demonstration program on making Stiffy Bows at the Iowa Park Arts and Crafts Association regular meeting.

Kathy Hicks, vice president, presided during the business session when committee reports were given.

Announcement of the Whoop-Do Arts and Crafts Show was made. It will be held Sept. 28 and Association members wish to invite the public to enter projects for prizes at that time.

The show is sponsored by the Iowa Park Chamber of Commerce. Entry cost will be \$5 for one to three items and \$1 for each additional item.

A \$25 People's Choice Award, and first, second and third place ribbons will be given in each category.

The categories include acrylic, ceramics, dolls and toys, needlework, oils, wearable art, pastels, porcelain, watercolor, various art media, Christmas, youth 12 and under, and teen 13 to 19 years of age.

The Arts and Crafts Association will have a booth at the Walmart Arts and Craft Fair scheduled Oct. 19.

Mr. and Mrs. Philip Eric Dale
(Amy Jo Anna Peevey)

Peevey, Dale vows read in double-ring ceremony

Amy Jo Anna Peevey and Philip Eric Dale exchanged double-ring wedding vows in a ceremony Aug. 3, at Pacific Avenue Baptist Church. Rev. Larry Washburn, pastor, officiated.

She is the daughter of Mr. and Mrs. Arthur Peevey of Iowa Park, and his parents are Mr. and Mrs. Homer Dale of Kamay.

The bride was escorted to the altar by her father, Jacqueline Cole was the maid of honor and David Wayne Dale, of Omaha, Neb., served as best man. Julie Ann and Mike Anthony Fairchild, children of the bride, were flower girl and ring bearer, respectively.

Following the ceremony, a reception was held at the church with Karen Sullivan and Jeri Smith presiding at the refreshment table. Amanda Dale, niece of the groom, presided at the registry table.

The bride is a graduate of Iowa Park High School and Vernon Regional Junior College's School of Vocational Nursing. The groom is also a graduate of Iowa Park High School. They plan to live in Iowa Park.

A special out-of-town guest was Loney Boyd, grandfather of the groom.

'76 class members sought

One of several class reunions being planned for this year's Iowa Park High School homecoming is that of the Class of 1976.

The 15-year reunion will be held Saturday, Sept. 28.

A family get-together is planned from 1 to 4 that afternoon, followed at 6 p.m. by a dinner and dance at the Knights of Columbus Hall.

Addresses of several class members is needed, in order to let them know of the event.

They include Butch Alsup, Sherri Clines, Ardine Copeland, Vicki Deatherage, Mike Fisher, Mary Jo Gilmore, Jon Hale, David Harmon, Danny Hecker, Jerry Johnson, Jeff Martini, Larry Miller, Tracy Norris, and Paul Oakley.

Also, Dawn O'Donnell, Cliff Pitcock, Jon Smallwood, Deborah Tillery, Tami White, Darrell Beck, Richard Greenwood, John Smith, Gail Thompson, Mona Broyles, David Lovell and Randy Lovell.

ATPE meeting held

Officers and building representatives of the Iowa Park chapter of Association of Texas Professional Educators (ATPE) held a brunch Tuesday, to prepare for the opening of school activities.

This year's officers include Diana Collins, president; Debra Brandt, vice president, and Ruby Black, treasurer.

Campus representatives are: Dorothy Palmer, Kidwell; Tanya Williams, Bradford; Tandra Daume, junior high, and Alice Dyer, high school.

Membership in the ATPE is not limited to classroom teachers, but open to all paraprofessionals, staff, administrators, board members and citizens.

Mrs. Smith gives program for Baptist Women

Eleven members of the Thelma Smith Baptist Women of First Baptist Church attended the bi-monthly meeting held Monday evening at the church. The hostesses were Mrs. J.T. Parker and Mrs. Homer Blalock.

Mrs. Roy Smith continued the review of "Empowered," an interesting study of missions, written by Esther Burroughs, who works for the Home Mission Board as a consultant for women. The topic of the review was "Relying on the Holy Spirit as the Source of Power."

Mrs. Smith reminded her listeners how Jesus told His disciples that He would send the Holy Spirit who would do greater things for them than He could do. She emphasized that the Holy Spirit is the third person in the Godhead, the comforter and helper that empowers, and a seal of Christian ownership on people's lives who have been redeemed by accepting Christ as Savior.

She used the experiences of a young married couple who learned how they needed total dependence, total acceptance and total surrender to the Holy Spirit who is the source of total power. The review was highlighted with scripture references that

show how the Holy Spirit is a seal of Christian ownership on people's lives who accept Christ as their Savior and is God's way of growing, nurturing

and equipping them for service.

Preceding the review, Mrs. V.I. Woodfin conducted a brief business meeting and Mrs. E.T. Patterson was

in charge of the missionary birthday calendar.

A song bird theme was noted in refreshment table decorations.

Whoop-T-Do King & Queen Contest

EPSILON ETA Chapter of Epsilon Sigma Alpha International invites all boys and girls in age groups of 0-3 and 4-7; to compete for WHOOP-T-DO KING AND QUEEN. A King and Queen winner will be named in each age group. Votes are cast by a penny vote. The winners will be determined by the child who has collected the most money for votes. The winner will be crowned at the Whoop-T-Do on SATURDAY, SEPTEMBER 28, 1991.

Tips On
Dental Health

RICHARD CARVER, D.D.S.

THE PORCELAIN VENEER CROWN

If you were to ask the dentist what combination of materials would bring the patient the most functional, beauty and satisfying results...he would probably say the porcelain veneer crown.

Dental porcelain is an extremely hard, high reflective and color stable material which gives the restoration the desired beauty and strength.

The desire of the dentist is to restore the tooth to a normal form, looks, and function. We all know that attractive teeth are a definite asset to any personality. No matter what your vocation, we all know that when we talk to people we look at their face and mouth.

Porcelain veneer crowns are used to restore teeth that have been disfigured as a result of extensive decay, breakage, abrasion (wearing), imperfect development, or discoloration. They sometimes can be used to correct poor alignment.

If you have one of these problems, why don't you ask your dentist about the possibility of porcelain veneer crowns to help give you a smile of beauty. Prepared in the interest of Better Dental Health. Dr. Richard Carver; Phone 592-5141

We Accept Visa and MasterCard!

As I See It

By Bob Hamilton

Oh Boy! Here we go again!
I guess it's just the kid in me, but I always get excited about the starting of a new school year.

I'm sure there are a lot of school-age youngsters out there who would disagree with me, but deep down, I suspect they really feel the same.

School means a lot of different activities, especially in a community the size of Iowa Park. It's different from summer, when activities are at a slower pace.

Oh, I'll have my fill by spring. The routine gets me down, somewhat. But after a summer season, I kinda welcome

getting back into routine again.

This town is abuzz on weekdays, starting just before 8 in the mornings, and then from 3 and later in the afternoons.

And I can assure you, the business people certainly can tell when classes start in the mornings and get out in the afternoons.

But, talking about activities, my worst fear has come to pass: the work widening West Highway is still incomplete.

Folks, be aware. There are a lot of heavy equipment pieces moving out there, and the sometime-in-the-future

widened roadway is especially more narrow right now.

And on the subject of driving, be extra cautious about students walking to and from schools; be aware of the 20 MPH speed limit in all school zones, and don't even try to go around a school bus that is slowing or stopped and has those red blinking lights working.

I feel a good year coming on. One laden with activities and accomplishments.

And, lest I forget, welcome back to the classrooms all you teachers and aides. You, and the students, are what it's all about.

Worth Quoting

I understand that postal officials are now planning to raise the price of postage on first class mail again.

You'll have to give them credit, though. They haven't raised rates but once this year.

I guess they feel like they need more money because they're getting better.

We only had a few pieces of mail put in our box by mistake in the last six or seven weeks.

We got a letter addressed to Allied Texcan from an agency in Longview, and an auction brochure to Enserch Exploration, Inc.; a newspaper addressed to Leo Selz, a letter to Mike Bailey from Lewisville, and one to Bill Clary from First National Bank; a letter to Lois H. Norton from Hartford, Connecticut; and one to Lyra Subasavage from Las Vegas. It had a handwritten note on it that said "Please Forward," so I guess they decided to forward it to us.

Another one was addressed to a Mr. Dennis from Bridgeport Clinic. It was rubber-stamped "Return to Sender;" another one from the clinic to Mr. Mitchum that also said "Return to Sender;" a letter to the Bridgeport Clinic from Blue Cross-Blue Shield.

I received a magazine on July 20 that was very interesting. The name of it was "The Journal of Musculoskeletal Medicine." But when I checked, I discovered it was supposed to go to Dr. Huddleston.

On July 29, I got some more mail that was supposed to go to Dr. Huddleston. One letter from the Association Members Retirement Program in Syracuse, New York, and one from the office of the Texas Attorney General, State Workers Compensation Division.

A few days later I got two letters addressed to Allied Texcan from Daytimers, Inc., in Allentown, Pennsylvania. And last week I got a letter to Dr. David Bryant from Harris Methodist Health Plan, and another from the same place to Dr. W.E. Huddleston; and I got a copy of the Medical Tribune last week addressed to W.E. Huddleston, and another one addressed to Marian Charlotte Allen, MD.

On Monday I got the Ryan (Oklahoma) Leader addressed to Pat Sonneveld on Route 4, Bridgeport.

And I haven't been to the post office today.

But you'll have to admit it. They are getting better. Just a few months ago we got twenty-two pieces of mail in one day that were addressed to other people.

I guess the increased rate they're after is to compensate for all this improved service.

It has reached the point now where overnight mail generally gets to where it's going in less than a week -- if they don't get it in the wrong box.

HARLAN BRIDWELL
Bridgeport Index

I cover courtroom trials, and I often wonder why persons have committed the crimes they are accused of committing. I would like to find out what path they traveled to land them in front of the judge being tried for attempted murder, murder or capital murder.

I'm not sure what I would find, but each time I go to court and listen to defense lawyers argue that the defendant did not know what he was doing at the time of the offense because he was on drugs or drunk, I wonder what kind

of society would buy that excuse and let the person off with slight punishment or even probation. Our juries sometimes do.

I get a hint where it all started when I go to a school board meeting and hear a parent request corporal punishment records from the school board. The parent says she wants them because she has read studies where the number of corporal punishment measures are in line with low test scores.

I wonder if the low test scores couldn't be attributed to family problems, lack of attention or interest by the child or inferior teaching methods.

The corporal punishment measures for individual children were not requested, she just wanted the numbers.

If a serious study is going to be conducted, the problem must be personalized. Are certain children getting in trouble constantly? Or are many children getting in trouble only once? Just a tally of corporal punishment measures will not tell you.

People who want to prove that corporal punishment equals low test scores also do not bother with the details of making sure the numbers reflect the true problem. It's too much trouble.

If pure numbers reflect their case, a request to end corporal punishment from the schools usually is made. Texas ranks 38th in test score results, but is corporal punishment the reason? I doubt it.

In school, corporal punishment is correction. If the child has not learned to

obey rules at home, the child will learn in school if you do something against the rules, you are punished.

True, I have no children, so parents can say I don't have room to talk. But anyone can look at society and see appropriate punishment measures are needed to reinforce right and wrong to deter the future action of that person.

Who gets punished after a murder is committed? Usually the victim. So many have screamed about civil rights violations that now our laws favor the criminal rather than the victim.

The criminal is given a fair trial and sentenced, yet sometimes he does not even have to serve the sentence because an appeal is filed. Where is the punishment for the crime? Where does he learn not to commit the same crime or a more serious crime?

Furthermore, punishment is biblical. In Proverbs 23:12 it says, "Withhold not correction from the child: for if thou beatest him with the rod, he shall not die."

Everything has a spectrum -- good, bad; up, down; right, wrong; rewards, punishments. If there are reward/incentive programs in schools, there also must be punishment measures.

Chamber

Continued from page 1

meeting, the motion making the office building "smoke free" was approved by a 6-3 margin, with the balance abstaining.

Smoking will not be permitted in the building in the future, by either members or visitors.

Volunteered donations have been solicited to finance the landscaping of the southeast corner of the building's grounds.

The area's subsurface is of concrete and asphalt, having served many years as a service station.

A plan to landscape, using pilings and fill dirt, was approved several months ago, but was delayed until a member volunteered to underwrite the remaining \$150 necessary for completion.

The corrected ticket prices for two of the major events at Sheppard AFB's 50th anniversary celebration include:

* \$7 per person for the Lee Greenwood Concert, to be held Monday, Oct. 14. Should weather not permit an outside performance, it will be moved inside one of the huge aircraft hangers.

* \$15 per person for the dinner at the Wichita Falls Activities Center at which broadcaster Paul Harvey will be guest speaker, and entertainment provided by the Air Force's Strolling Strings.

Earlier announced prices had been incorrectly reported in the *Leader* as \$15 and \$25, respectively.

Reserved table tickets are available at the Chamber office.

"Very successful, especially for the first year," was one of the comments made about the community-wide garage sale project held two weeks ago.

At least 50 sales were listed on an advertisement published by the Chamber.

It was suggested more publicity outside the city be achieved, in order to draw more non-residents to next year's project.

THE BROWN CHIROPRACTIC REPORT

HEADACHES

Chiropractic Management of Headaches

DR. DANIEL R. BROOM

Headaches are the most frequent reason people seek medical care. Pain from headaches ranges from mild to severe to the daily activities of many patients. Causes of headaches are genetics psychological, neurological, vascular, biomechanical, environmental, etc...One of the most commonly over-looked causes of headache is cervicogenic headache or headache related to the neck. Many headaches are caused by irritation to the nerves that exit the spine in the upper neck. These nerves provide most of the sensation to the back and sides of the head and to the forehead over the eyes. When these upper nerves are irritated, headache radiating from the back of the skull to the temple or over the eyes may result. Irritation of these nerves often caused by whiplash injuries, jobs that require one to hold their neck in a fixed posture for long intervals such as a secretary, assembly worker, telephone operator, dentist and factory workers.

The most appropriate treatment for this type of headache is chiropractic manipulation. There have been many studies done on manipulation as a treatment for cervicogenic headaches with the latest being done on manipulation as a treatment for cervicogenic headaches with the latest being done by researchers at Maribor General Hospital. A group of 100 patients with these headaches were treated with spinal manipulation. Within three weeks of treatment, 75% had a good reduction in the headaches. When questioned after one year, 25% had had no headaches, and 65% had maintained a good improvement in the number and severity of the headaches. These were exceptional results when it is considered that most of these patients had had their headaches on and off for years.

The more that is learned about headaches, the more apparent to facts become. The first is that many headaches are caused by nerve irritation in the upper neck, and the second is that chiropractic manipulation is an effective treatment for this common problem.

Mrs. Ronnie Hatcher

Activities that involve animals or being outdoors have always appealed to Sue (Mrs. Ronnie) Hatcher, this week's featured cook.

She was born in New Mexico, and spent her early years on her grandparents farm. She was responsible for a lot of the outdoor chores, which developed in her a love for nature, animals, and down-to-earth values.

Sue attended junior high and high school in Iowa Park.

Her husband, Ronnie, is an electrician, and Sue, who has her journeyman's card, worked with him until she started to work for the city.

Sue has been employed by the City of Iowa Park four years in January. She is Animal Control Officer and works in Code Enforcement. She said that she really enjoys her work because she has always loved animals.

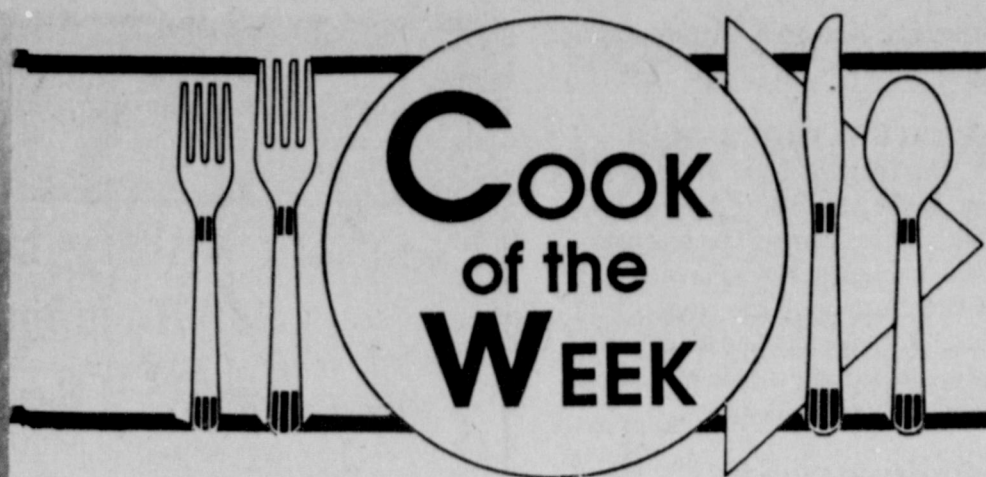

The Hatchers live on a farm east of Iowa Park and have a large assortment of animals. Sue has two adult daughters, Michelle and Jamie, and two grandchildren.

Sue said that besides being with her grandchildren, her main enjoyment is working with her horses.

Other hobbies include welding (she built her own barn), leather work, and painting and drawing.

Helpful Facts

Any dog or cat in the city is required to have a current rabies shot.

Rice Stuffing

- 2 Tbsp. olive oil
- 1 cup chopped onions
- 1/2 cup bell peppers, chopped
- 1/2 cup celery, chopped
- 1/2 cup parsley, chopped
- 1 Tbsp. garlic
- 2 lbs. hamburger meat
- 1 lb. ground pork
- 3 cups chicken broth
- 1/2 tsp. Worcestershire sauce
- 6 cups cooked rice
- 1 Tbsp. cayenne pepper

Mix well over heat and then bake at 350 degrees until done.

Beef, Bean & Noodle Skillet

- 1/2 lb. ground beef
- 1 med. onion, chopped
- 1/2 med. green pepper, chopped
- 1 cup diced celery
- 1 tsp. salt
- 1/4 tsp. black pepper
- 1 Tbsp. Worcestershire sauce
- 1/2 tsp. dried basil leaves, crumbled
- 2 cups uncooked med. noodles
- 1 can (8 1/4 oz.) stewed tomatoes
- 1 can (16 oz.) kidney beans, undrained
- 1/2 to 3/4 cup water
- 1 beef bouillon cube

In 10-in. skillet, saute beef 5 minutes, until meat loses red color; add

onion, green pepper and celery and cook 5 minutes longer. Add salt, pepper, Worcestershire, and basil. Stir in noodles, tomatoes, kidney beans and water. Add bouillon cube. Bring to boil and reduce heat. Cover and simmer, stirring occasionally, for about 20 minutes or until liquid is absorbed. Serve with salad or cole slaw.

Fruit Cocktail Cake

- 1 1/2 cup sugar
- 2 cups flour
- 2 eggs
- 1 tsp. vanilla
- 2 Tbsp. lemon juice
- 2 tsp. baking soda
- 3/4 tsp. salt
- 1 can (16 oz.) fruit cocktail, with syrup

Topping:

- 1/2 cup packed brown sugar
- 1/2 cup flaked coconut

Sauce:

- 1/4 cup evaporated milk
- 3/4 cup sugar
- 1 tsp. vanilla
- 1/2 cup butter
- 1/2 cup flaked coconut
- 1/2 cup chopped pecans

Combine cake ingredients and mix well. Pour into 13"x9"x2" pan and

sprinkle with topping ingredients. Bake at 350 degrees 35-40 minutes.

Combine all sauce ingredients in medium saucepan and bring to boil. When cake is done and still warm, pour sauce over cake. Cool to room temperature.

**Rice Pudding
(Cajun)**

- 1 cup honey
- 2 cups dry white wine
- 2 cups raisins
- 1 tsp. vanilla
- 1 tsp. cinnamon

Mix over heat.

Beat 4 eggs and pour into 8 cups cooked brown rice. Stir all ingredients together, pour in greased pan and bake at 350 degrees.

**9 Iowa Parkans
among graduates**

Among the LVN graduates who will graduate Vernon Regional Junior College in commencement exercises Saturday night will be nine Iowa Park residents, including a mother and her daughter.

The students were "pinned" Friday evening. Commencement is to begin at 7:30 p.m.

Graduating will be Lura Peevey and Amy Dale, mother and daughter, respectively, as well as Nancy Miller, Pam Rotz, Kathy Lipe, Natalie Morton, Cathy Pennycuff, Ellen Fullerton and Laura Featherston.

Kennedy new RAC Director

Sheri (Mrs. Pat) Kennedy has been named to succeed Pat (Mrs. Mark) Raby as director of the Iowa Park Recreational Activities Center.

She was selected from a field of five applicants during a called meeting of the RAC board of directors Tuesday night, and is to assume her responsibilities Monday.

"I'm just real excited about it," she said Wednesday, "and I look forward to it."

Mrs. Kennedy was elected last spring to a second term as a trustee of the Iowa Park school district.

A resident of Iowa Park since 1972, she is the mother of three children. She was graduated from Iowa Park High School in 1974.

She has operated a child care business in her home the past six years, after two years in various positions at State National Bank.

A life member of the Texas Parent-Teachers Association, she has served in several positions in the local P-TA organizations, including president of the junior high group.

She attends Christ the King Catholic Church, where she has served as a Sunday school teacher and is currently president of the Ladies Auxiliary.

Sheri Kennedy

She also serves on the board of directors of the Iowa Park Chamber of Commerce.

Mrs. Raby recently resigned her position as RAC director to accept a position as elementary library aide for the local school district.

THE TEN COMMANDMENTS

The Soviet society is in a free-fall. After 70 years of sowing the seeds of atheism, now nothing will grow except the weeds of corruption and decadence. Does the Soviet government blame their problems on someone else? No, but at least they understand part of the solution to their terrible social problems. It is incredible that the Soviet government has incited the West to build Christian universities in their country. More incredible is the Soviet government has stated it wants to rebuild it's society based on the ten commandments of the Bible.

It must be a cruel irony of history that as the Soviet government advocates a return to the Bible, the U.S. government does the opposite. In the 1980 Stove V. Gramm case, a public school was forced by the court to remove a copy of the ten commandments from the school walls. The court stated, "If the posted copies of the ten commandments are to have any effect at all...it will be to induce the school children to read, meditate upon...perhaps to venerate and obey the commandments; this is not a permissible objective." The court has the same opinion about the New Testament. In the June 17, 1963 Abington V. Schempp case, the Supreme Court stated, "If portions of the New Testament were read without explanation, they could be and had been, psychologically harmful to the child."

The founding fathers would have called the court's ruling unconstitutional. Listen to James Madison. "We have stated the whole future of American civilization...not on the power of government, far from it. We have stated the future...of all of our political institutions upon the capacity of each and all of us...to govern ourselves according to the Ten Commandments of God."

When Benjamin Franklin was an ambassador to France, he tried to influence the French government to incorporate Christian principals into their society and their government with these words. "Whoever will introduce into public affairs the principals of Christianity...will change the face of the world."

We need to pray that it is not too late for the Soviet Union or for our nation.

Toni Michelle Cardenas and Robert Carl Halady Jr.

Engagement announced

The engagement of Toni Michelle Cardenas and Robert (Bobby) Carl Halady Jr. is being announced by her parents, Mr. and Mrs. David R. Evans of Burkburnett.

The prospective groom is the son of Mr. and Mrs. Robert Carl Halady Sr. of Iowa Park.

The wedding is planned for Oct.

5, at First Assembly of God Church in Wichita Falls.

Miss Cardenas is a graduate of Burkburnett High School and Vernon Regional Junior College. She is employed as a hair stylist at Escada Salon in Wichita Falls.

Halady is a graduate of Iowa Park High School and Midwestern State University. He is employed at United Parcel Service in Wichita Falls.

Motor vehicle registration to become more difficult

In September, the simple matter of registering a motor vehicle in Texas will become more complicated.

The change is a result of insurance reform enacted by the 72nd Legislature.

Beginning Sept. 1, the owner of a motor vehicle must submit current proof of financial responsibility with an application for initial registration, renewal of registration or transfer of registration.

Also for the first time, Texans will have to show proof of insurance to receive or renew their driver's licenses and vehicle inspection stickers.

"Many states have found that tying these responsibilities to proof of insurance increases compliance with mandatory liability law," said Arnold Oliver, engineer-director of the highway department. "But the Legislature was really responding to public pressure. Insured drivers -- that's about 75 percent of us -- wanted to tighten enforcement on the other 25 percent."

The most common evidence of financial responsibility is a liability insurance card issued to the policyholder by the insurance company.

Examples of other types of acceptable proof include insurance policies and binders, pool coverage documents, certificates of self-insurance, and certificates of bond.

The new law applies to registration handled in person or by mail. The original or a photocopy of the evidence will satisfy the requirement of proof of financial responsibility. All original documentation will be returned.

Questions about proper evidence of financial responsibility for vehicle registration may be directed to the automobile owner's insurance company,

county tax assessor-collector, or the local Division of Motor Vehicles regional office.

For information about driver's licenses and vehicle inspection stickers, contact the Department of Public Safety.

IOWA PARK SCHOOL MENU

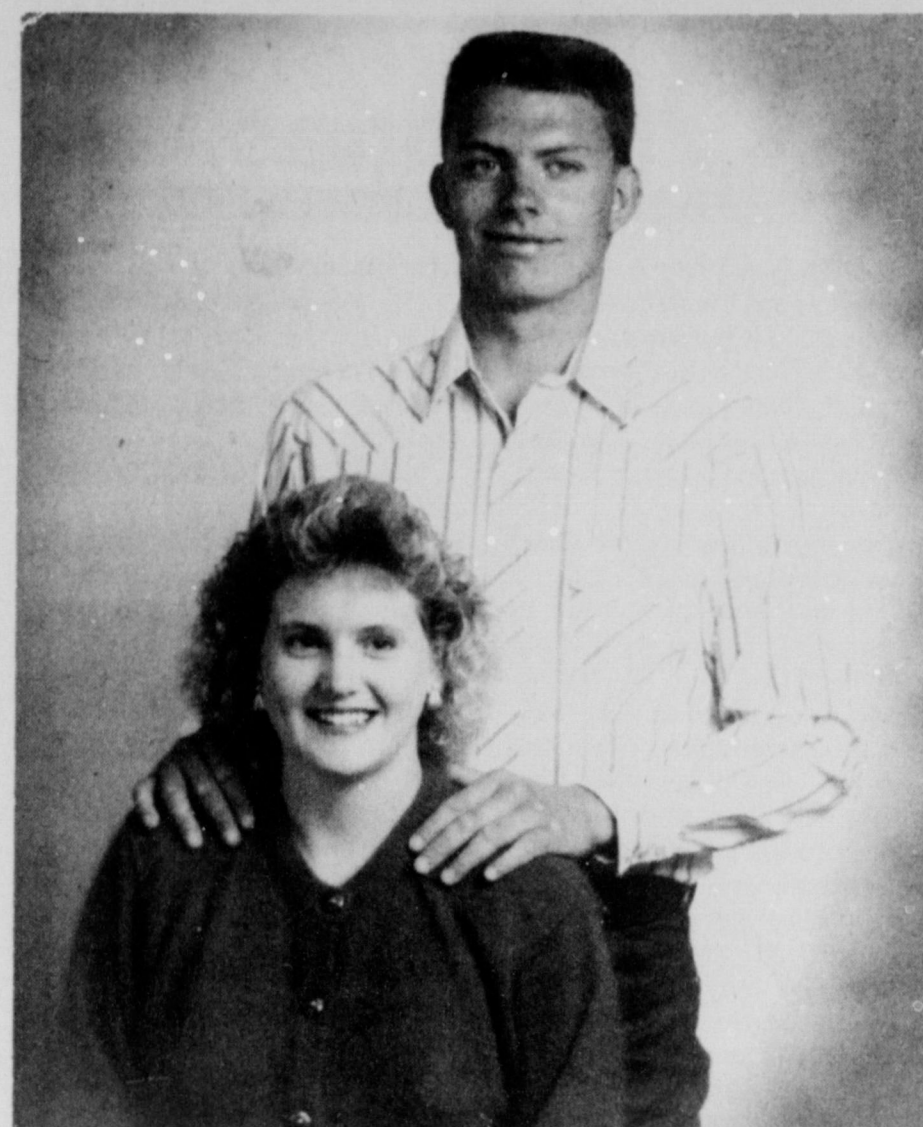

Monday, August 26--Breakfast: Cereal, toast, jelly, juice, milk.

Kelley Ann Lehman and Jimmy David Beavers

October wedding planned

Mr. and Mrs. Garland Lehman of Iowa Park are announcing the engagement of their daughter, Kellye Ann, to Jimmy David Beavers, son of Mr. and Mrs. Jimmy Beavers of Iowa Park.

Both are 1989 graduates of Iowa Park High School. Miss Lehman attended Richland Junior College in Richardson, and is presently employed at Presbyterian Hospital in Dallas.

Beavers is an employee of Delta Air Lines at DFW International Airport.

The wedding is planned for Oct. 19 at First Baptist Church in Iowa Park.

VOTER REGISTRATION

DO YOU KNOW?

from your Voter Registrar

1. What is the waiting period to be eligible to vote?
2. Why didn't I get my new certificate before the election?
3. Why didn't my almost 18 year old get his certificate yet?

ANSWERS

1. You are eligible to vote 30 days after we receive your completed application. If you are eligible to vote in an upcoming election (you've registered at least 30 days before an election), you can vote early even if the 30 days have not passed when you vote.
2. In most cases, we did not receive your new application or change of address before the cut-off date for registering to vote in the election. The cut-off date is 30 days prior to an election. A transaction that is postmarked on or before the cut-off date but is received after the cut-off date will count as having been received in time.
3. This person applied under the age rule of 17 years and 10 months. If this person is not 18 years of age on the upcoming election date, we will not send out their certificate until after the election -- just as we do for any new applications or address changes.

*If you haven't received your new certificate within ten (10) days, you should call us to find out why.

Until next week,
Office of the Voter Registrar
766-8174

Home from
gallbladder
surgery in
just one day?

Traditionally, gallbladder surgery meant several days in the hospital and weeks of recovery at home before you were back on your feet.

Thanks to a procedure at Wichita General Hospital called Laparoscopic Cholecystectomy, many gallbladder patients can have their gallbladders removed one day and be home the next. This means

you can be back to your daily routine in just a week or so...instead of the six weeks it takes to recover from traditional gallbladder surgery.

This innovative procedure is less painful and, because you're in the hospital for a shorter period of time, you and your insurance company won't have to pay for those extra days of recuperation.

Hawks to scrimmage at Holliday tomorrow

Iowa Park's Hawks will have their first contact with players other than themselves Friday evening.

And they're hoping similar contact will continue right on into December.

All three teams, varsity, junior varsity and freshmen, will travel to Holliday for the first of two pre-season scrimmages.

The freshmen will begin at 6 p.m., and other teams following afterward.

Head Hawk Lucky Gamble said the varsity and JV will travel to Olney the following Friday, but since Olney does not field a freshman squad, Holliday will be here next Thursday for a second meeting of those two squads.

Gamble says the players have been working out so hard since two-a-day

practices began last week, that he limited workouts to once a day Wednesday and again today.

"They're beginning to get 'leg tired' and that can lead to injuries like muscle pulls," he said.

As to players' attitudes, Gamble said they reported in good condition, have a good attitude and are learning quickly.

The players worked out the first four days in shorts, but put on their pads Friday.

The Hawks will open their season here against Burk Burnett's Bulldogs on Sept. 6.

Season reserved seats are now on sale at the high school principal's office: \$25 for five home games.

The other home games will be Decatur, Clyde (homecoming), Bridgeport and Breckenridge.

Freshmen and JV teams will open their seasons at Burk Burnett Sept. 5.

NON-RELAXING WARMUP EXERCISE, HAWK STYLE
... Greg Steger supports Charles Jolly.

SPORTS

Shorts

Former IPHS student Buck Cargal has published his first edition of *JBC Pigskin Prep*, a high school football ratings. He lists Vernon sixth highest among AAA schools with a power rating of 160.88, which was highest in Region One. Other district teams and their ratings were Graham 143.24; Breckenridge 141.76; Iowa Park 131.65; Bowie 128.69, and Bridgeport 115.06.

ss ss ss ss ss

Graham's Toby Dollar, who was the starting quarterback for the Steers last year as a sophomore, missed at least four days of football practice last week. He reportedly was chosen by the Dallas Mustangs Connie Mack baseball team to play in the national tournament at Farmington, N.M. He reported to the field Friday, according to the *Graham Leader*.

Junior high footballers to get equipment Saturday

Iowa Park Junior High School football players are to receive their equipment Saturday, according to Ray Sefcik Jr., new head coach at the campus.

Eighth Grade players are to report to the gymnasium at 1 p.m., followed at 3 p.m. by the Seventh Grade.

Players must have records of their physical examinations before they can begin practice.

Sefcik suggested students can get physicals at the Wichita Falls Clinic, for \$15. No appointment is necessary and the clinic is open 8-11 in the mornings and 1-3 in the afternoons.

In the past, junior high players were not allowed to receive equipment prior to the start of school. However, Sefcik said he had received confirmation from an official of the University Interscholastic League that there is no problem, as long as no workouts are held prior to the first day of school.

Seventh Grade players will be reporting at 7:45 a.m. for practice, which will last through first period. They also will work out in the afternoons.

Afternoon sessions, where Eighth Grade players also will work out, are from 3:30 to 5:30, Sefcik said.

Boosters set Tuesday meeting

Iowa Park Athletic Booster Club will meet at 7 p.m. Tuesday in the fieldhouse.

Parents of players and Hawk fans are encouraged to attend.

This is a departure from the organization's regular meets that are held on Mondays, and Sherry Rose said it is the only Boosters' meeting that will be held on a Tuesday.

IOWA PARK CONSOLIDATED INDEPENDENT SCHOOL DISTRICT BUDGET HEARING

A public hearing on the proposed 1991-92 budget for the Iowa Park Consolidated Independent School District has been set for Thursday, August 29, 1991, beginning at 7:00 P.M. in the Iowa Park Junior High School Library, 412 East Cash, Iowa Park, Texas. All interested tax payers are invited to attend the public hearing. Iowa Park Consolidated Independent School District Board of Trustees, Jerry Reed, President. 8-22-1tc

PUBLIC NOTIFICATION OF NONDISCRIMINATION IN VOCATIONAL EDUCATIONAL PROGRAMS

The Iowa Park Consolidated Independent School District offers vocational programs in Agriculture Science & Technology, Comprehensive Home Economics, Cosmetology, Auto Mechanics and CVAE Farm & Ranch Mechanical Repair. Admission to these programs is based on individual needs, ability, and interest.

It is the policy of the Iowa Park Consolidated Independent School District not to discriminate on the basis of race, color, national origin, sex, or handicap in its vocational programs, services, or activities as required by Title VI of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973, as amended.

It is the policy of Iowa Park Consolidated Independent School District not to discriminate on the basis of race, color, national origin, sex, handicap, or age in its employment practices as required by Title VI of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, the Age Discrimination Act of 1975, as amended, and Section 504 of the Rehabilitation Act of 1973, as amended.

Iowa Park Consolidated Independent School District will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For information about your rights or grievance procedures, contact the Title IX Coordinator, Robert Palmer, at P.O. Box 898, Iowa Park, Texas, 76367, (817) 592-4193, and/or the Section 504 Coordinator, Robert Palmer, P.O. Box 898, Iowa Park, Texas (817) 592-4193. 8-22-1tc

LEGAL NOTICE

SHERIFF'S SALE

THE STATE OF TEXAS
County of Wichita

NOTICE IS HEREBY GIVEN That by virtue of a certain Order of Sale issued out of the Honorable 30th District Court of Wichita County, on the 17th day of June 1991 by Dorsey Trapp, Clerk of said District Court for the sum of Two thousand eight hundred seventy seven and 65/100 DOLLARS Plus 10% interest from date of judgment and costs of suit, under a certain judgment, in favor of Iowa Park Consolidated Independent School District, Et Al in a certain cause in said Court, No. 36, 101-A and styled Iowa Park Independent School District, Wichita County, Electra Hospital District, Wichita County Water Improvement District No. 2 vs. R.J. Davis, Helen Davis and placed in my hands for service, I Thomas J. Callahan as Sheriff of Wichita County, Texas, did, on the 25th day of June 1991 levy on certain Real Estate, situated in Wichita County, Texas, described as follows, to-wit:

Tract 1: Two parcels of land out of Block 22, J.A. Kemp's subdivision of Wichita Valley Farm Lands, Wichita County, Texas, described as follows:

First Parcel: All that certain tract of land in Wichita County, Texas described in a deed from H.W. Johnson and wife, Luivimey Johnson to T.L. Shook dated March 21, 1945, and recorded in Volume 406, Page 209 of the Deed Records of Wichita County, Texas, SAVE & EXCEPT a tract described as follows:

BEGINNING at a point 100 feet West & 210 feet South of the Northeast corner of Block 22 Kemp's Wichita Valley Farm Lands; THENCE South 90 feet; THENCE West 135 feet; THENCE North 90 feet; THENCE East 135 feet to the place of beginning, and also described as the "First tract" in a deed recorded in Volume 788 at Page 163 of the Deed Records of Wichita County, Texas.

Second Parcel: BEGINNING at a point 475 feet South of the Northeast corner of Block No. 22 Kemp's Wichita Valley Farm Lands THENCE South 125 feet; THENCE West 100 feet; THENCE North 125 feet; THENCE East 100 feet to the place of beginning and also described as the "Second Tract" in a deed recorded in Volume 788 at Page 163 of the Deed Records of Wichita County, Texas;

And it is further Ordered, Adjudged, and Decreed that the owner of such property, or anyone having an interest therein, or their heirs, assigns, or legal representatives, may, within two (2) years from the date of the filing for record of the purchaser's deed and not thereafter, have the right to redeem said property as provided by law.

and levied upon as the property of R.J. Davis and that on the first Tuesday in September 1991, the same being the 3rd day of said month, at the Court House door, of Wichita County, in the City of Wichita Falls, Texas, at 10 A.M. by virtue of said levy and said Order of Sale I will sell said above described Real Estate at public venue, for cash, to the highest bidder, as the property of said R.J. Davis

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Iowa Park Leader a newspaper published in Wichita County.

Witness my hand, this 26th day of June 1991

Thomas J. Callahan
Sheriff, Wichita County, Texas
