Klein Guest
Rotary Speaker

Stuart Klein, general man-
ager of KLRB-TV, was guest
speaker for the regular weekly
luncheon meeting of Slaton
Rotary Club last Thursday.

Klein outlined the general
operations and policies of tele-
vision stations and also dis-
cussed the rating systems used
on programming.

He pointed out that VHF tele-
vision allows only limited num-
ber of stations -- from channels
2 to 13, but many UHF (ultra
high frequency) channels are
now available. Lubbock, he said,
will soon be a five - station
area, with two VHF stations,
two UHF stations, and the Texas
Tech educational channel.

Klein said ratings are ob-
tained on just a one-tenth of
1 percent sampling across the
nation. The ratings are very
important, however, in deter-
mining programs and in selling
commercials. He said the Lub-
bock area had one of the highest
saturation of color tv sets in
the nation.

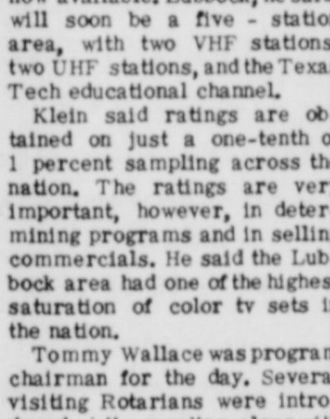

Tommy Wallace was program
chairman for the day. Several
visiting Rotarians were intro-
duced at the meeting, along with
several local guests.

President Claude Cravens
reminded members that the
district governor would make
his official visit next week.
Wives of Rotarians are invited
to the luncheon meeting.

Wilson For Christ Crusade Held

A large group of youngsters from Wilson were in Slaton Saturday afternoon protesting. But this group proved that all protesting is not "bad". They were protesting against spiritual indifference and asking that we get involved for Christ.

With the group was the Rev. Benny Hagan, pastor of the Wilson Baptist Church. They not only were protesting but were in Slaton to advertise a "Wilson For Christ Crusade" which began in Wilson Sunday and continues through Saturday, Aug. 10th.

The meetings are being held each night at 8 p.m. "under the tent" in the Little League Park at Wilson, according to Rev. Hagan.

Evangelist for the crusade is Rudy Sanchez, pastor of the First Mexican Baptist Church in Dallas. Vance Zinn is leading the singing.

Rev. Hagan said the crusade is for all denominations and everyone is welcome.

"Glorieta is a great experience for the youth of today", says many who have been. Miles Beard, who had the opportunity of going before this year expressed his feeling about Glorieta in the following poem. He is the son of Mr. and Mrs. Lindol Beard.

GLORIETA
Beautiful mountains, flowers, and trees,
Are some of God's handiwork you should see
In Glorieta, New Mexico,
Where God's love warms you from head to toe,
While walking and breathing in the cold thin air,
Friendly smiles greet you everywhere.
The most beautiful church building
I have ever seen, in Glorieta,
As if it were a dream.
Our leaders, really great men of God,
Lead us in Bible study, recreation, and song,
Through Glorieta, this year, I did see
That God is so good to you and me.

Teenagers on the trip are Cindy Kenney, Cynthia Hendrix, Steve Nieman, Terry Cartwright, Tony Privett, Brad Winchester, Don Kendrick, Glenn Jones, Nita Latham, Nedra Moseley, Vicki Hill, Dru Ann Beard, Debra Robison, Tyra Martin, Betty Belote, Sharla Johnston, and Mary Leslie Cole.

Quilts Being Made For World Relief

Psalm 107 entitled "God Speaks To Me in the Psalms About Deliverance from Trouble" was studied by the Posey American Lutheran Church Women at their regular monthly meeting last Thursday.

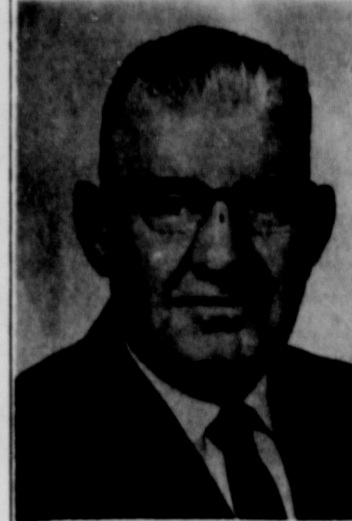

Pastor Jimmy Leuders led the opening prayer and gave the Bible study. This Psalm shows us how we should give thanks to our Lord for the many ways he delivers us from our troubles.

The offering meditation and prayer was given by Mrs. Alvin Neugebauer.

Mrs. Edwin Meyer displayed a quilt she had pieced together using khaki pants cut into squares for the back and old drapes as the top of the quilt. She said if anyone had worn out twin pants or old drapes they would like to donate for these quilts, she would like to have them. She said she could also use some help making them. The quilts will be sent to Lutheran World Relief. Old blankets are also needed, she said.

During the social hour, "Happy Birthday" was sung for all having birthdays in August.

The Joy of Work

"Whatever your task, work heartily, as serving the Lord and not men."
— Colossians 3:23

There is, don't doubt it, joy in performing a task that needs doing.

Whatever your personal task, be assured that your spirits will rise or fall upon the basis of your performance.

It need not be a big thing. You will never have the opportunity to die upon the cross for the forgiveness of man, but every day, in countless ways, you will be presented the opportunity to serve in some small way.

You may not be able to build a house, but you can promote the cause of brotherhood. You may not be able to grow a rose, but you can live a good and fruitful life. You may not earn a place in history, yet you can, in so many small ways, make and leave your mark upon the world in which you live.

So, whatever it is that you can do, always try to do it well.

Youngsters Prepare For Little Britches Rodeo

A junior rodeo slated August 16 and 17th in Slaton is just one of several known as the Little Britches rodeo circuit. More than 200 area youngsters are expected to participate. The events attract spectators and proud parents like Little League baseball, even the grandparents come.

The circuit will conduct the rodeo with Brannon Busby serving as rodeo director. Several Slaton men will assist with the work involved.

A large portion of the proceeds from the rodeo will be used to improve the rodeo arena here. Busby, who holds the lease on the grounds is donating the use of the grounds and says it will be open to the public at no charge when various citizens want to use it in the future.

Brannon said the grounds are being improved for the event and they are hoping for a good turnout of contestants as well as spectators.

Boys and girls 17 years and under are eligible. There will be three age groups, judging boys and girls separately. The age groups are 11 years and under; 12 years through 14; and 15 years through 17 years. Trophies and rosettes will be awarded.

Winners at various rodeos earn points toward championships at the end of the season just like the big rodeo performers receive.

No money is awarded. Trophies or belt buckles will be awarded to first - place winners.

ners in each group and at each rodeo.

Rosettes will be awarded to second and third place winners. Also, trophies go to high-point boy and girl in each age group at each competition.

The events are pony bronc riding, steer riding, breakaway roping, barrel racing, pole bending, goat tying and flag race (one barrel).

These junior - sized arena competitors work with all the determination, and a lot of the skill, of older rodeo performers. They come from all walks of ranch life, from sons and daughters of ranchers and

stockmen to little brothers and sisters of some of the real cowpunchers, with a few "city cousins" thrown in.

The chutes swing open on the Slaton rodeo at 8 p.m. Friday and Saturday, August 16 and 17th. Admission will be \$1.00 for adults and 50 cents for children 12 and under.

Parents must sign a notarized statement of their consent for boys and girls to compete.

The director of the circuit is Troy Mounce of Levelland. For further information on the Slaton rodeo, call the Busbys at 828-6144.

Annual Tourney at Golf Course Slated Aug. 10

The second annual Slaton Invitational Golf Tournament is scheduled Aug. 10-11, and pro Bill Wilson is expecting about 96 entries in the field.

Robert McKinney of Lubbock is defending champion and is expected to be here to defend his title. Championship flight golfers will play 27 holes each day, and the lower flights will go 18 each day. The tourney is medal play.

Flights are to be scheduled according to teatested handicaps, Wilson said. The field will be limited to the first 96 paid entrants.

Entry fee is \$15 and deadline for entering will be 6 p.m. on Aug. 9. Gift certificates valued at \$100, \$75 and \$40 will be awarded the top three golfers in each flight.

Wilson said the course is in "excellent condition" for the tournament.

BILL SMITH
Re-appointed TADA Director

AUSTIN (Sp) -- Bill H. Smith of Smith Ford, Inc. in Slaton has been re-appointed to the key post of Area Director of the Texas Automobile Dealers Association.

"Mr. Smith will report to the TADA Board of Directors on all phases of activity relating to the motor vehicle buying public in the Slaton area," commented TADA President Boyd Mullen, Pasadena.

"He will work closely with legislative and other governmental officials for better auto safety standards, safer highways, and effective driver education," added Mullen.

"The job of Area Director is one of the most important in our giant statewide association," said Mullen, "and we are confident Mr. Smith will continue to serve with distinction."

TADA represents the franchised new car and truck dealers in Texas.

Gum Troubles
Troubled with bleeding gums? Check between-teeth spaces for foreign matter which the toothbrush often can't reach. When such particles accumulate, they irritate and break down gum tissues, making gums more susceptible to bleeding.

SOUTHLAND NEWS

Hello, it is a beautiful day here in Southland. The only way it could be any more beautiful is that we would get a good rain this afternoon. Edmund was asked by a man from Taboka on Sunday how the crops were around Southland, and Edmund told him that they look real good but that the feed sure was needing some rain and the man said, "My goodness, I was through there several weeks ago and it looked like, at that time, that you never would need any more water!" It is amazing how fast the moisture can get away!

GRANDSON CELEBRITY
Mrs. Aubrey McNeely came "a sailing" into the Post Office one day last week, just beaming! She had received word that her grandson, Forrest, son of S/Sgt. and Mrs. Charles White, had been chosen by a photographer over in Japan to appear on billboards here in the United States promoting a child's toy that is being manufactured in Japan. It is to be a Christmas Promotion item so it will probably be appearing in the States sometime in October or November. Mrs. McNeely said that the billboards will only be in California and New York, so we probably won't be seeing them here in Texas. Wish we could get one here in Southland, wouldn't that be just great?

The Whites live 28 miles from Tokyo, where Charles is stationed with Uncle Sam's Army.

Mr. and Mrs. G. D. Ellis spent several days in Oklahoma where they visited with Mrs. Ellis's daughter who is ill.

It is grand when these kids graduate from high school and then go right on to college and make good grades and are on the honor roll, but when a Mother starts to college after having been out of school for many years and she makes the honor roll, well, then, I think that it is just wonderful. That is exactly what Mrs. Jim Mason has done. She is going to Texas Tech and this past semester she was on the honor roll, for one, would like to say "Congratulations", Pauline. Wow! I think that is just great! I bet I would have a hard time making honor roll if I were going to Kindergarten!

Congratulations to Dayneen Dunn on winning first alternate in the recent 4-H Dress Revue.

Mrs. Aslee Hollis from Southland and Mr. and Mrs. Griffin from New Home will leave Tuesday morning to go to Bryan where they will visit with friends and relatives for the next two weeks.

Mr. and Mrs. D. D. Pennell and Mr. and Mrs. Kenneth Callaway went to White River Lake on Saturday and they reported that everything was real fine.

On Friday afternoon, the Pennells went to Plainview to help their son and family, Mr. and Mrs. Harvey Louis Pennell move into a larger house.

Harvey Louis Pennell attended the Coaches School at Ft. Worth last week. He will again be employed by the Plainview School this year.

Company in the Edmund Wilke home on Sunday included Mr. and Mrs. Alvin Becker, Mr. and Mrs. James Riney and Cathy, and Mr. and Mrs. Leroy Zieschang all from Slaton, and

Larry and Martha Wilke from Lubbock. The occasion was "Yours Truly's" birthday.

Wallace Saage from Slaton and our number 2 son, Darrell Wayne, left on Saturday for a trip to Six Flags, Waco, Austin, San Marcos, HemisFair and Padre Island. They will return home next Sunday.

Mr. and Mrs. Dean Stokes and two daughters have moved to Durant, Okla. They had been living down on the Lazy K Ranch for about a year. Mr. and Mrs. Wendell Freeman and 3 children have moved down there to work. Welcome to this community, Mr. and Mrs. Freeman.

Saturday, August 3rd, was Stacy Callaway's 5th birthday and she was quite thrilled about the whole affair.

Mr. and Mrs. Paul Winterrowd, Dablonna, Breonne and Jerry spent the week - end in Amarillo attending a Winterrowd reunion. Paul's parents, Mr. and Mrs. Bill Winterrowd had all their children there except one son and family, Mr. and Mrs. Bob Halliburton from Kingman, Ariz. Those attending were Mr. and Mrs. Bill Winterrowd of Amarillo; Mr. and Mrs. Billy Ray Winterrowd and family from Aliquippa, Pa.; Mr. and Mrs. Paul Winterrowd and family from Southland; Mr. and Mrs. H. A. Chilcutt and Dannie from Lubbock, and Mr. and Mrs. B. C. Johnston and family from Slaton.

The Paul Winterrowds will be going to Lake Whitney soon to visit Mrs. Winterrowd's family, the J. B. Greshams.

I am so sorry to report that Aubrey McNeely was taken to Mercy Hospital on Sunday morning very sick, and today (Monday) he has been transferred to Methodist Hospital in Lubbock. May God strengthen this family in their hours of worry.

Dayneen Dunn returned home on Sunday after visiting the HemisFair, Dallas, Austin, Blytheville, Ark., Memphis and Cautersville, Mo. She enjoyed her plane flight very much.

PVT. JOHNNY LAKEY
Lakey Named OCS Candidate

Johnny Lakey, a May graduate of Slaton High School and former standout Tiger griddier, has applied for officer training at Ft. Bliss, Tex.

He is scheduled to undergo the same eight - week basic combat training as any other soldier, with final acceptance for Officer Candidate School depending partly upon his performance there.

Lakey was qualified to apply for OCS because of his educational level and high scores attained on tests at the reception station. Following basic training, he will attend eight weeks of Advanced Individual Training.

Upon successful completion of the challenging 23-week Officer Candidate School, Lakey will be commissioned a second lieutenant in the U. S. Army. He is the son of Mrs. Barbara Lakey, who now resides in Lubbock.

Prospects Good For Extension Of Farm Program, No Limits

Prospects are good in September for enactment of a one year extension of current farm programs, without payment limitations or other substantial changes -- thanks to some very astute maneuvering by the Texas delegation in Congress and other proponents of the program. Without such political finesse, sometimes mislabeled political pettifoggery, farm legislation for this session of Congress would have been dead.

At least this was the opinion of Congressman George Mahon, expressed in a review of the situation with Plains Cotton Growers, Inc.

The Senate on July 30 passed a four year extension of present programs for wheat, feed grains and cotton with relatively minor changes. In the process a heavy vote was registered in opposition to payment limitations.

The going was more sticky in the House on Wednesday, July 31.

The House Agriculture Committee proposed a simple one year extension. The Department of Agriculture sponsored an amendment to make it four years, an action strongly opposed and more than a little feared by House Republicans.

Several amendments to limit individual farmer payments were offered. One would have set the ceiling at \$10,000. Another favored a graduated scale of limits and finally came one prohibiting payments of over \$20,000 to any one farmer.

All were soundly defeated until a roll call vote was called for and the amendment limiting payments to \$20,000 was adopted, 230 to 160, with two distinct elements voting "yea" and with resounding "nays" from Congressman Mahon and the entire Texas delegation.

Some who voted for limitations did so in an earnest effort to get either a dollar limit placed on farm payments or kill the bill entirely. Others, notably republicans, voted for the limiting measure as a means to prevent passage of an extension for more than a year. They felt a limitation feature on the House Bill would be the only trading point with the Senate to prevent ultimate passage of a bill for more than one year.

Then came the final vote on passage of the bill, a one year extension with individual payments limited to \$20,000, and the voting became even more confusing.

Some who had voted for limitations voted against the bill. Some who had voted against the limitations amendment voted for the bill with the same amendment attached.

In this latter category came the Texas delegation and virtually all other cotton belt Congressmen, and their action has been badly misunderstood in some quarters.

In the words of George Mahon, "Confusing as it may sound, we voted for the bill, WITH limitations, because this was absolutely the only way during this session of Congress that we could get a bill WITHOUT limitations."

Now it is up to Senate and House conferees to meet to work out the differences between the bills passed by the two bodies, and in September both Senate and House will be called upon to accept or reject the conference report.

Congressman Bob Poage, Chairman of the House Agriculture Committee and a staunch opponent of payment limitations, will select House conferees.

Senator Allen Ellender,

Chairman of the Senate Agriculture Committee and also a steadfast opponent of limitations, will select Senate conferees.

"So there are really two almost ironclad guarantees against us getting payment limitations," Mahon explained. First it is understood that Congressman Poage will not permit a bill to be returned to the House with limitations intact, and second, "even if such a bill should be returned to the House, we are confident we have the strength to defeat it, just as we could have defeated it last Wednesday," Mahon stated.

Mahon pointed out that the key to this strategy rested in the Senate's prior passage of a four year extension of the Act with a strong vote against limitations.

"With this Senate Bill," he said, "there is no way that farm legislation can go to the President for his signature without first coming before the House again. And there is no

doubt in my mind that it is unlikely even the Senate Committee should consider a bill with a payment limitation, which we have been on Wednesday night against the measure."

"But by our terms on Wednesday we are on ourselves and not the country another and a very good get a one year extension of current farm programs this session of Congress we think farmers will serve that chance."

In answer to a final Mahon said, "The Congress will extend the program, without limiting farmers the plan operations and the new Congress to consider farm legislation without the extreme of a December, 1969 date."
