

AROUND TOWN

SIGHTS, FACES SEEN

The Texas Panhandle must have the world's most generous people and that goes double for Hereford. The response to the call for assistance in the tornado zone last week was something wonderful to behold. Any attempt to describe it would be sheer understatement.

The Brand would like to publish the names of every person in the Hereford area who helped in the relief drive. Its impossible it would mean publishing the names of practically everyone in the area. Take the telephone directory, the poll tax list, and every church and organization roster and toss 'em together and you'll still miss many. Lots of people were in too much of a rush to get about the job at hand to leave their names on any register. Other were too modest. But everyone did a great job. Our hat's off to you.

Hereford's Camp Fire Girls, wanting to do something as an organization for the storm sufferers, are sponsoring a "work day" Saturday. The kids will clean your house, keep your children, or do any odd jobs you have to offer. All the money they earn Saturday will be sent to Camp Fire Girls in Woodward and Higgins. If you have a job for the youngsters, call Miss Phyllis Radovich at 574-W.

Jim Lipscomb, R. C. McGilvary, and Bob Wilson are the wisest of fishermen—or maybe they know their reputations too well. Anyway they brought back the 46-pound channel cat which they pulled out of Devil's River on last week's fishing trip as indisputable proof of the year's biggest fish story. The head of the monster has been on display in the window at Henslee Hardware, and still is if the small hasn't got too bad. The remaining four feet of fish are on ice at the Cold Storage Locker.

The Wyche Home Demonstration club announces that it has postponed the tea which was scheduled to be held at the home (Continued on Page 8)

Last Rites for Mrs. Anthony Are Held Monday

Funeral rites for Mrs. W. B. Anthony, 81, pioneer resident of Deaf Smith County, were held Monday afternoon at 2:30 o'clock at the First Methodist Church in Hereford.

Rev. Uel D. Crosby, local pastor, was in charge of the service. Interment was in West Park Cemetery under the direction of E. B. Black Funeral Home.

Mrs. Anthony died at 7 o'clock Saturday morning, April 12. She was born on January 31, 1866, in Alabama, and came to Texas in 1878. She had lived in Deaf Smith County since 1907. She was a member of the First Methodist Church of Hereford.

Surviving her are her husband, W. B. Anthony, Sr., of Hereford; three sons, W. B. Anthony, Jr., of Tulsa, J. M. Anthony, of Dimmitt; and C. W. Anthony, of Dimmitt; and six daughters, Mrs. E. L. Davidson of Fort Worth, Mrs. C. C. Cox of Lubbock, Mrs. G. H. Gasser and Mrs. J. G. Stegall, both of Clovis, N. M.; and Mrs. Janie Duncan and Mrs. Lemis Shane, both of Amarillo.

Also surviving her are fourteen grandchildren and fourteen great grandchildren.

Forrest to Attend Nat'l REA Meeting

Leo Forrest, manager of the Deaf Smith County Rural Electric Cooperative, will leave Saturday for the National Convention of Rural Electric Cooperatives at Spokane, Washington.

A special train will carry 280 Texas REA board members and managers to the convention, which will be held in Spokane April 22 to 28. Forrest will represent the local cooperative. No board members from Hereford are planning to attend.

The special train will leave Amarillo on Saturday morning.

City Clean-Up Slated Tuesday; Mayor Asks Half Holiday

Hereford Aids Generously in Storm Rescue Work Through Deaf Smith Red Cross Chapter

Pictured above are scenes at Red Cross collection headquarters in Hereford last Thursday as local people responded to the Red Cross plea for aid for tornado victims. At top, workers sort clothing and food as trucks are loaded for the tornado area. Left to right are Mrs. W. A. Dobbins, Mrs. Doyle Rose, Mrs. Homer Henslee, T. J. Clay, Bill Phillips, Mrs. Bob Wilson, Fred Pierce, an unidentified worker, T. E. Seigler, and Arch Dobbins. In the lower photo, a truck is loaded by (left to right) Bill Phillips, T. E. Seigler, Earl Stagner, Ben Tackel, and (on the truck) Orpha Clark. The Red Cross flag flies above them. (Photos by Alex Thompson).

Texas City Blast Toll High; Local Relatives Safe

Close on the heels of the Panhandle's tornado disaster, word came yesterday morning (Wednesday) of terrific blasts which virtually destroyed Texas City, with a death toll mounting this morning to an estimate 1200 persons, with more than 1,000 injured.

The blast, set off by the explosion of a nitrate-laden French ship in the harbor, spread to the huge Monsanto Chemical Corporation plant, virtually leveling the city of 15,000 population.

Mrs. Tom Boyd called The Brand office Wednesday afternoon to report that she had received a telegram from her brother in Texas City stating that his family was safe. Mrs. Boyd had not heard of the disaster before receiving the telegram, and called The Brand for further information. Her mother had recently gone to Texas City for a visit with the (Continued on Page 8)

Many Relatives, Friends of Local People Lived in Tornado Area

As news of the tornado disaster reached Hereford last Thursday morning, dozens of local people began frantic efforts to get news of close relatives, families and friends in the hard-hit towns of Higgins, Glazier, and Woodward. The following reports have reached The Brand through the local Red Cross chapter and individuals:

Mr. and Mrs. O. G. Hill, who had a daughter in Higgins and a son living near there, rushed to the area last Thursday and found both families safe.

Jack Dean flew to Woodward in Gus Fry's plane Thursday morning to discover that Mr. and Mrs. W. E. Clark, parents of Mrs. Dean and Mrs. Owen Stagner, and Willard Clark, their brother, were all uninjured in the tornado. The Clark home was undamaged, although Mr. Clark's place of business was partially destroyed. Two of Mrs. Dean's relatives by marriage, however, Mrs. S. D. Fiskin and an 18-month old granddaughter, were killed.

Reed W. Bingham, who appeared to the Red Cross for news of his brother, George Bingham, at Woodward, has received word that he is O. K.

Mr. and Mrs. Felix Urbanek left last Thursday morning for White Deer after receiving information that barns outbuildings, fences and steel tanks on their farm near there had been destroyed. No loss of life was reported in that area.

Ellis Coombs, who had a sister and brother living at Woodward, has received word that none of the family was killed, although his brother was injured in the storm.

Mr. and Mrs. W. A. Teter left early Thursday for Woodward, where a sister of Mrs. Teter and Bill Blood, lived. The sister, Mrs. J. E. Shellheart, was uninjured and had (Continued on Page 8)

Response to Plea By Red Cross Is Overwhelming

As disaster victims in the tornado-wrecked Panhandle towns of Glazier and Higgins and at Woodward, Oklahoma, began the dreary task of reconstruction this week, aid in the form of food, clothing, supplies and cash is still being funneled into the area, principally through the Red Cross, from scores of Texas and Oklahoma towns.

TORNADO FUND GROWS

Cash donations turned over to the Hereford Red Cross Chapter and earmarked for tornado victims in Higgins, Glazier and Woodward totaled \$1638.50 late yesterday. Contributions are still being received, and all funds turned over to the Red Cross are earmarked for the tornado zone.

At Red Cross Headquarters in Hereford, Mrs. Dyalitha Brady, executive secretary of the local chapter, announces that cash donations are still pouring in, while volunteer workers are still busy sorting clothing and supplies which fill the store-rooms in the county courthouse.

The Deaf Smith County Red Cross chapter was among the first in the Panhandle to rush to the aid of the tornado victims last Thursday morning, when news of the disaster was (Continued on Page 8)

Phone Service In Emergency Receives Praise

Despite the Telephone workers strike which had crippled communications throughout the United States on the eve of the tornado disaster last week, management and non-union employees of telephone exchanges in most Panhandle towns worked overtime to offer emergency service.

According to Mrs. Dyalitha Brady, who directed Red Cross operations from Hereford during the emergency, the Hereford telephone exchange offered excellent service, both locally and in handling long-distance emergency calls.

Manning the local board during that period were Mrs. Marie Sears, chief operator; Mrs. Ruby Daub, Mrs. Janie Tackitt, and Miss Juanita Warnock. Line-man Joe Kramer and a Mr. Easley, construction foreman for the telephone company, whose address was not given, were both on duty here during the emergency to service lines. Kramer is remaining on duty here during the strike.

Striking union operators did not return to duty.

A large volume of local calls was handled for the Red Cross on Thursday, when emergency collections of food and clothing were being made for relief of the tornado victims, and Mrs. Brady expressed appreciation and gratitude on the part of the local Red Cross Chapter to Mrs. Sears and her assistants for the service given by the local telephone exchange.

Need Furniture, Household Goods

Red Cross Headquarters in Hereford wants a list of all furniture and household equipment which local people can and will spare for tornado victims at Higgins, Glazier, and Woodward.

"Don't bring anything in to headquarters," Mrs. Dyalitha Brady requested. "We have no storage space. Just notify Red Cross in Hereford as to what items you will have available and where they are located."

Household equipment will not be collected until the local chapter is notified of what can be used and where it is needed.

PROCLAMATION

WHEREAS, cleanliness is a known preventative against disease and a safeguard for safety, health and life; and, WHEREAS, the lives and property of our people are endangered by fire caused by rubbish accumulations in homes, offices, stores, alleys and on other property; and,

WHEREAS, a city is judged by its general appearance, cleanliness and beauty; and,

WHEREAS, our city, in order to protect health, prevent fires and promote civic advancement is in great need of a city wide clean up; and,

WHEREAS, it is good for a community for all to unite on a common purpose for the general welfare; and,

WHEREAS, best results can be obtained by the united efforts of all centered on a particular day;

NOW, THEREFORE I, W. E. Dameron, Mayor of the City of Hereford, by virtue of the authority vested in me do hereby designate Tuesday, April 22nd, 1947, as clean up day for Hereford, and declare the afternoon of that day a legal holiday from all usual work; that all public and private offices, stores, shops, filling stations, and all other places of business be closed on the afternoon of that day in order that EVERY ONE MAY BE FREE TO ASSIST in a city wide clean up essential to the general welfare of our people.

WITNESS MY HAND this 15th day of April A. D. 1947.

W. E. DAMERON, Mayor
of the City of Hereford.

County Grand Jury Returns 11 Indictments; No-Bills Pair

Deaf Smith County Grand Jury, in session Monday, returned eleven criminal indictments and recessed Monday afternoon until further call.

Robert Sevier was indicted on a charge of assault with intent to murder with malice, and bail was set at \$4,000. Sevier was charged in connection with an alleged attack on F. E. Gray, milling foreman at Fraser Mills, on April 4.

Joe McCreary was indicted on charges of forgery and passing a forged instrument. Indictments were returned on two counts, and bail was set at \$1,000. McCreary is being returned from California by Amarillo officers, and is slated to be turned over to the Sheriff's office here, according to Sheriff J. C. Reese.

Robert Jones, Billy Dendy, and James Richardson, all of Amarillo, were each indicted on three separate charges of burglary, and bail was set at \$2,000 on each charge.

The trio are charged with burglarizing three Hereford business houses last January.

Two teen-age New Mexico youngsters, Alan McIntyre and Alan Uxor, were no-billed on forgery charges. Families of the two boys had made good all checks passed in Hereford, and the Grand Jury, taking into consideration their youth and lack of previous record, returned no bills against each, according to Sheriff Reese.

City Gets Low Interest Rate On Bond Issues

The Columbian Corporation of Texas and the First of Texas Corporation, both San Antonio firms, last week signed contracts to purchase all of the \$391,000 in City of Hereford bonds, subject to approval of the proposed bond issue in a special election on April 29.

An exceptionally low rate of interest, which will average slightly more than two and a half percent on the entire amount of bonds, was secured by the city.

Bids were opened for the sale of the proposed bond issue last Wednesday afternoon, and the two San Antonio firms, bidding jointly on the issues, were the lowest bidders by a wide margin, Mayor W. E. Dameron announced.

Interest on the proposed bonds ranges from two to two and three-quarters percent. On the \$208,000 in revenue bonds, the average rate of interest will be 2.58 percent. On the \$50,000 Parks Improvement bonds, the average interest rate is 2.44 percent. On the \$133,000 street improvement bonds, interest will be 2.5 percent. (Continued on Page 8)

CAA Authorizes Flight School For Hereford's Clover Field

Civil Aeronautics Authority has granted approval of Clover Field for pilot training, Ray Berry, instructor at the field, announced yesterday.

CAA inspectors were at the field Tuesday, and placed their stamp of approval on the proposed training program.

"We expect to start our first class under the GI Flight Training program by the middle of next week," Berry said.

Berry and Carl Kropp, manager of the field, plan to fly to Austin this week-end to complete state accreditation of the local school, and will return by way of Lubbock to complete contracts with the Veterans Administration for the GI Training.

About 90 prospective students have indicated readiness to begin flight training here, Berry reports.

No more than nine students will be accepted in a single class, the instructor said. Although a greater number may be authorized for one instructor, Berry said that he would not undertake to train more than nine students in one class. "I prefer to teach people to fly," he said, "and I don't feel that I can offer adequate instruction to a greater number than that at one time."

All persons interested in flight training should contact the instructors at Clover Field to check on necessary requirements. Training will be offered on a first-come first-serve basis.

Section and Block Leaders for City Clean-Up Drive Tuesday Are Named

Mrs. Lyle Blanton announced yesterday afternoon the names of Section Leaders and Block Chairmen for the Clean-Up Drive in the residential section of the town next Tuesday afternoon.

Mrs. Howard Gault is in charge of Section 2, with the following Block Chairmen: Mesdames E. A. Fullwood, Cliff Potter, Willard Witherspoon, Tom Robinson, Neah Ewing, Royd Knox, and Gene Loerwald.

Mrs. R. J. Richardson is section leader for Section 3, with Mesdames C. C. Acker, Frank Terrell, George Robertson, J. C. McCracken, and R. J. Richardson, and E. L. Mathis as Block Chairmen.

Mrs. John Robinson is Section Leader for Section 4, and block chairmen have not been announced.

Mrs. J. T. Gilbreath, Jr., is Section Leader for Section 5, with the following Block Chairmen: Mesdames Frank Marrs, (Continued on Page 8)

Stores Will Close During Afternoon

Next Tuesday, April 22, is Clean-Up Day in Hereford. In a proclamation issued today, Mayor W. E. Dameron set aside Tuesday afternoon as an official half-holiday, and has asked all local business houses to close their doors at noon and, with their employees, to take part in the city-wide clean-up.

The city has been divided into nineteen sections, with leaders appointed in each section, and block chairmen serving under them in each block in both residential and business districts.

The City needs trucks for Clean-Up Day next Tuesday, Mayor Dameron announced today. Deward Roberson has been placed in charge of securing trucks for the clean-up hauling. Any truck owner who can release a vehicle for use Tuesday afternoon should contact Roberson at 440.

Organization of the business district is under the direction of Dub Reeves. His appointments for block leaders in the business and industrial district were announced in The Brand last week.

Organization of the residential district has been turned over as it was last year, to the Civic Improvement Committee, under the direction of Mrs. Lyle Blanton and Mrs. Homer Baumley. Section and block leaders have been appointed throughout the city.

An organized pick-up service will be started at noon Tuesday, with trucks manned by volunteer workers patrolling the city and picking up all trash and refuse gathered and placed in proper position for collection. (Continued on Page 8)

New Air Field To Be Opened in South Hereford

Plans for a new airfield to be opened in Hereford were announced this week by Jesse Wofford, manager of Hereford Flying Service.

The new field will be located a quarter of a mile south of the city limits on the Dimmitt Highway. Construction on the field will be started immediately, Wofford announced.

Private, commercial and instructor courses are to be offered when the field is in operation, Wofford said, and facilities will include repair shops, hangar storage, and airplane sales offices.

Crop dusting services will be offered this summer.

Plans include a G. I. Flight training school when the field is ready for use.

Land for the new airport has already been purchased. It will occupy a quarter section along the west side of the Dimmitt Highway and immediately south of Tierra Blanca Creek.

Posey, Elliston Form Partnership Business Here

Announcement was made this week of the association of J. B. Elliston and E. B. Posey in the real estate business. The offices previously occupied by Mr. Elliston have been remodeled and will be used by the new partnership.

In making their announcement, each of the partners pointed out that they have been in business in this community for more than 40 years. Elliston has spent most of his time in the real estate business. Posey, who recently left the Hereford Chamber of Commerce as secretary-manager, was previously associated with the First National Bank here.

"We are planning a huge program and we feel that we have the experience and ability to carry it out," they said. "We will be glad to have our friends visit us and will appreciate your suggestions in the creation of a reliable energetic real estate business."

Round-Up Staff
Sponsors Play
Thursday Night

"Good Gracious, Grandma," a three-act comedy sponsored by the staff of The Round-up, Hereford high school annual, will be presented next Thursday night, April 24, at the high school auditorium.

Curtain time will be 8 o'clock. The play will be presented one night only.

Members of the high school

If you don't need it... sell it with a Brand Want Ad!

faculty will make up the cast for the comedy.

Henry and George Breckenridge, cousins, are played by Douglas Groom and Pat Sullivan. Miss Cassandra and Miss Mary Ellen Halsey play the parts of Helen and Cecilia, two strange girls.

Sam, the colored house boy, is played by Don Martin, high school principal; with Miss Ruby West taking the role of Della, his opposite number.

Miss Phyllis Radovich, as Mrs. Lennox, is a hard-boiled landlady who has her problems collecting rent from the broke cousins. Supt. George Graham and Coach Dalton Criswell undertake the role of two "hick" detectives, out to unravel the plot.

Wall of Ice Crushes Bathhouse

Gale-velocity winds during the recent midwest blizzard pushed a 40-foot wall of ice up the Saginaw Valley at Bay City, Mich., and crushed this bathhouse.

Jumbo
BY MRS. GLEN MAY

Relatives of T. E. Brock visited them Wednesday night and Thursday.

A large crowd attended the night. Organization has been completed and the charter was signed last week. The next meeting will be on the first Friday night in May.

Mrs. M. T. Sparkman and Jimmy were Amarillo visitors Monday.

Mr. and Mrs. F. J. Axe returned home last week from Hot Springs, where they have been taking the treatments.

Mr. and Mrs. C. E. Leasure vacationed several days last week in Hot Springs.

Mr. and Mrs. L. A. Matthews went to Clovis Thursday where they both received medical attention. They spent the night with the Lawrence Matthews.

Whitely Harrington, husband of Wilder Bales Harrington, is here on a 30-day furlough. He is stationed in Manila, Philippine Islands.

Mr. and Mrs. Howard Bishop and Tommie Lynn returned Wednesday from Temple where they have been visiting relatives.

Texico Council
Meeting Stirred
By Fist Fight

FARWELL, April 15—A Texico City Council meeting was almost broken up here by a fist fight between Texico Fire Chief A. C. Green and Port-of-Entry Chief O. S. Allred which threw the meeting into a turmoil for a few minutes Monday night.

The fight broke out when Green hurled a lie charge at Allred, Climaxing an argument between the two over handling of certain funds belonging to the Texico Fire Department.

Allred had repeated certain allegation concerning Green's handling of the Fire Boys' fund.

Following the fight, which was broken up by City Marshal J. J. Spurlin, Green offered his resignation as fire chief, but the council adjourned without taking action.

About 30 citizens of Texico and Farwell were present at the meeting.

Westway

BY MRS. MERLIN KAUL

The Westway Home Demonstration Club met last Wednesday at the home of Mrs. M. S. Roe. Former members of the club were guests. The next meeting will be held at the home of Mrs. J. C. Morrison on Wednesday, April 23.

Larry Kaul celebrated his tenth birthday with a party Sunday at the home of his parents, Mr. and Mrs. Merlin Kaul. Games were played and paraffin guns and pipes were distributed to the guests as favors. Mrs. Kaul served cake, punch, and chocolate bars to Norman Bartlett, Raymond, Ralph and Mary Lynn Morrison, Ross Joe Landers, Robert, Albert and Anne Mae Schroeder, Eugene and Billy Don Coombs, Lloyd, Don and Nancy Parsons of North Hereford, and Walter Lynn Kaul, and the honor guest, Larry Kaul. Adults present included Mr. and Mrs. T. J. Parsons and baby daughter, Doris Jean, of North Hereford, Clarence Morrison, Mrs. Carl Schroeder, Mrs. Joe Landers, Mrs. N. D. Bartlett, Rev. and Mrs. Carlton Thomson of Canyon, and Mr. and Mrs. Kaul.

Mr. Vina Edmonson is the proud grandmother of a new grand-daughter, born Tuesday, April 8, to Mr. and Mrs. James Edmonson at the hospital in Hereford. The little miss weighed a little more than four pounds.

Snow fell here all day Saturday, melting as it fell and then the all-day rain on Monday brought an estimated inch of moisture. Roads were bad and buses had much trouble getting the children home from school Monday night. There was no school Tuesday on account of the bad roads.

Mrs. O. G. Hill To Head Garden Club

Mrs. O. G. Hill will head the Garden Club for the coming year. Others who were elected to serve the club as officers, at the meeting held Friday afternoon in the home of Mrs. W. S. Fluit, include: Mrs. W. L. Fluit, vice-president; Mrs. John Robinson, 2nd vice-president; Mrs. Chas. Dones, 3rd vice-president; Mrs. John Jacobson, Jr., recording secretary; Mrs. Harry Seed, corresponding secretary; Mrs. J. P. Slaton, parliamentarian; Mrs. O. D. Kelton, Council member and Mrs. Homer Brumley, reporter.

The Friday meeting was presided over by Mrs. Homer Brumley. Mrs. J. P. Slaton gave a parliamentary discussion using Roberts Rules or Order to outline procedure for nominating and electing officers.

Mrs. Fred Axe quoted from memory Mary Dagget Lake's poem "Around the Year With Annals" followed by a discussion of rules and suggestions on practice for a successful flower show, both indoors and out-of-doors. She stressed planning and arrangement and

the growing all the year for a show, mentioning the necessity committees and duties of committees for a show.

Members attending the meeting were Mesdames: Dennis Barnard, Fred Axe, Lyle Blanton, E. T. Brooks, Homes Brumley, C. D. Carnahan, Roy Crutchfield, Chas Dones, E. E. Fridley, E. W. Harrison, A. M. Jones, C. D. Kelton, F. M. Kesten, F. H. Oberthier, E. Ramsey, John Robinson, Harry Seed, Lan Shore, J. P. Slaton, Lison Wilson, Tom Draper, Jim Black, Durward Robinson, and the hostess.

Bela Eta Group Holds Meeting

Beta Eta chapter of Epsilon Sigma Alpha Sorority met in the home of Virginia Adams Monday evening with all members present.

Lillie London, president, presided and presented each member with a photostatic copy of the charter. The national convention which will be held soon in Oklahoma City was discussed and plans were made for a social affair to be given in the near future.

Under the direction of Frances Young the closing ritual and by-laws were reviewed and announcement was made that for the next six months an extensive study will be made of rituals, rules and regulations in order that pledges may pass the final test for full membership.

The next meeting will be held with Jane Harris on April 28. Refreshments were served to: Lillie London, Marcia Koelzer, Jane Harris, Ella Mae Martin, Gwendolyn Springer, Frances Young, Bess Hagar, Juanita Kelly, Adeline Koelzer, Ruth Pickens and the hostess.

Mr. and Mrs. W. J. Smith have returned from Roswell where they attended birthday celebrations for their granddaughter, Patti Turner. Their daughter Mrs. Howard Turner, and Patti returned to Hereford with them for a visit here.

Win One Class Is Entertained

The regular monthly business and social session of the Win One Class of the Methodist Church was held at the home of Mrs. J. F. Ward Tuesday afternoon with Mrs. A. C. Thompson and Mrs. W. B. Green as assisting hostesses.

After the opening prayer and devotional lesson given by Mrs. D. H. Bryant, Mrs. Wm. McGehee conducted a business meeting. Members voted to contribute to a fund being raised for a sound projector for the church and Mesdames C. B. Williams, J. B. Jones, A. C. Thompson, D. H. Bryant and J. E. Beyer were named on a program committee for the class.

Refreshments were served to Mesdames: M. M. Beavers, J. E. Beyer, H. M. Benefield, Uel D. Crosby, T. H. Coursey, A. L. Thomas, E. J. Hudson, I. H. Spratt, J. I. Funderburg, Wm. McGehee, D. H. Bryant, Fannie Craddock, J. B. Jones, E. W. Har-

Gift Party Given

Gifts were presented to Mrs. Clay Hughes Thursday afternoon at a party given at the home of Mrs. John Walker. Hostesses were Mesdames: Walker, J. D. Woodell, Vern Witherspoon, Ed Cox, A. L. Thomas, and Travis Caraway.

Games were played and Mrs. Merlin Kaul gave a skit to introduce the gift feature.

Those present were Mesdames: H. H. Millard, Edith Hughes, J. I. Funderburg, Buck Richardson, Carlos Vaughn, Harry Whitchurch, Earl Scott, Merlin Kaul, Paul Rudd, M. S. Roe, Fred Millard, Jim Bookout, P. H. Luck, M. O. Sowell, Luther Peevely, Alder, Miss Jessie Mattison, the honoree and the hostesses

rlson, Rettman, J. B. Hammer, M. L. Steele, Luther Peevely, Fred Millard, Miss Lula Botsford, and the hostesses.

A REAL OPPORTUNITY IN THE PURCHASE OF A FARM

This farm contains 1450 acres of land located Southwest of Hereford in our best irrigation and farming district. Some \$20,000 worth of improvements. Price \$60.00 per acre. Terms \$45.00 per acre payable in 25 years; equal annual payments.

A good buy in 640 acre farm 9 miles of Hereford; shallow irrigation water. Nice 4 room modern home; 100 acres in cultivation, all in wheat; balance in good pasture land. All wheat crop goes and immediate possession. Price \$45.00 per acre. Farm will carry a good loan at 4% interest.

640 acres all perfect land with exception of about 50 acres. 470 acres all in wheat which will make anywhere from 30 to 40 bushels at harvest. There is a set of substantial farm improvements on said land. This land is located 4 miles off pavement in Castro County. Good irrigation water. Purchaser to receive all growing wheat crop. This is a real opportunity for anyone who purchases the land to pay for it with the 1947 wheat crop. Price \$65.00 per acre, will carry a \$50.00 per acre loan at 4% if the purchaser will put down an irrigation well.

A good 160 acre farm all in cultivation in the irrigation district of Castro County. Price \$60.00 per acre. \$1600 to be paid in cash, terms on balance can be carried in 20 equal annual installments.

MUTUAL ASSESSMENT SUITS

A recent court order has authorized Marvin Duell, Insurance Commissioner of Wisconsin, to proceed with suits against 239 policyholders of the defunct Wisconsin Mutual Insurance Company to collect assessments totaling over \$22,000. This mutual was declared insolvent in 1944, and taken over by the Wisconsin insurance department, following which a 100% assessment was made against 8,700 policyholders. Assessments totaling \$358,000 have already been paid by over 6000 of the policyholders.

ANNUAL CLEAN UP MESSAGE TO ALL OUR PEOPLE . . .

It is clean up time again. Last year you did a wonderful job. I was proud of Hereford. I am happy to live in a community where such a large per cent of people respond in such fine spirit. A united front on a progressive program will build a city of which we can all be proud.

Last year the clean up drive really changed the appearance of Hereford, especially in the residential districts. But really Hereford has just been run through the first water. When you were a barefooted kid did your mother ever make you wash your feet in the second water to get them clean? Hereford needs to be run through the second water. Our city needs a good scrubbing behind the ears. We need to dig out the corners. Alleys back yards and vacant lots need special consideration. Some spots in the business district look like a part of the city dump ground. Shame on these places. Mr. OWNER or Operator where is your civic pride? Take a good look at your premises, others are looking at them and looking plenty hard at some of these down town unsightly places. It is not enough just to clean our own premises. All good citizens do that anyway. We must lend a hand to all neglected spots of the indifferent citizens and to the property of the non-resident. These places will not be cleaned unless you help in doing it. There is no place to stop so long as there is an unsightly spot in Hereford.

Miss Barnett Is Honor Guest At Bridal Shower

Miss Marian Barrett, daughter of Mr. and Mrs. Fred Barrett, was honored with a bridal shower given at the home of Mrs. J. O. Newell Tuesday afternoon. Other hostesses were Mesdames Virginia Griffith, W. H. Russell, Allen Powelson, Frank Brinkman, Stan Barrett, Mary Bodkin and W. A. Romines.

Miss Barrett will become the bride of Charles Owens of Fort Worth on Monday morning in the home of her parents.

The entertaining rooms were bright with spring flowers and the refreshment table, laid with a madras cloth, was centered with an attractive arrangement of pastel shaded blossoms. Mrs. W. H. Russell served punch assisted by Mrs. J. O. Newell. Mrs. W. A. Romines presided at the register.

A toast to the bride-to-be was given by Mrs. Stan Barrett, Miss Jacqueline Newell and Miss Betty Catherine Hodges sang "April Showers" "Sentimental Reasons" and "The Anniversary Song" to carry out the party theme. Lovely gifts were displayed.

Those attending were Mesdames Mollie Stafford, A. B. Christian, M. T. Rutter, Walter

Easter, Charles Newell, Howard Gault, Paul Mathers, D. H. Alexander, E. E. Barrett, Lee Conklin, Fred Saltzman, Ida Ricketts, John Patton, Fred Barrett, Miss Ruby West and Arlie Conklin, the honoree and the hostesses.

Mr. and Mrs. Rufus Alexander of Clovis, were guests of Mr. and Mrs. Glenn P. Boardman Monday. Mrs. Alexander is a cousin of Mrs. Boardman.

John D. Foss, agent for Montgomery's Wild Animal Circus, was in town last Thursday making arrangements for the show which will come here May 8.

Connecticut Visitor Is Honored

Mrs. Frank Bonasio of Avon, Connecticut, who is visiting her daughter-in-law, Mrs. Elizabeth Bonasio, was named honoree at a luncheon for twelve guests given by Mrs. Pete Cowart at her home yesterday at noon.

Rich shades of the flowering peach and reddish were combined for table decorations against gay linen cloths in lovely spring colors.

Invited to greet the out-of-town visitor were Mesdames Merlin Kaul, Ben Ezzell, Beth E. Holman, Herbert Boardman, Millard Nobels, Henry Benson, E. S. Ireland, Donald Henslee, Bruce Woodell, Will Graham, and Elizabeth Bonasio.

Mrs. Bonasio plans to return to her home sometime next week.

SENIOR SCOUTS AID IN RESCUE WORK AT HIGGINS
Post Advisor Dave Beavers and Assistant Ben Plummer of Hereford's Senior Scout Explorer Post 50 led their entire troop to Higgins last Thursday afternoon to set up one of the first canyons in the devastated city.

Coffee was served all night to rescue workers, with breakfast and lunch Friday at the emergency canteen. Scouts taking part in the work were Oliver Streu, Jack Ramey, Sam Hedsey, Glenn Russell, and Delbert Conklin.

Weekend guests in the home of Mrs. E. W. Harrison were her son and his family, Mrs. and Mrs. David Harrison and three children of Quannah, and a daughter, Mrs. J. M. Simpson, and her husband and two sons.

Mrs. Frank Bonasio of Avon, Connecticut is a guest of her daughter-in-law, Mrs. Elizabeth Bonasio.

Farm-to-Market Road Bill Is Okayed by House Committee

The House Committee on Roads and Highways last week reported favorably House Bill 650, the bill written and sponsored by the Texas County Judges and Commissioners Association to provide funds for building farm-to-market roads throughout the state.

County Judge Leonard Foster and three members of the Commissioners Court from Deaf Smith County, Jeff Roberson, J. T. Guinn, and John I. Morris, attended a public hearing on the bill in Austin Wednesday of last week. Hundreds of county officials from all sections of the state converged on Austin last week to urge passage of the bill.

The proposed measure would levy a two-cent tax on all gasoline sold in Texas. One fourth of the tax would go to the state school fund, with the remainder being used to set up a fund for building farm-to-market roads.

Sponsors of the bill estimate that it would produce an additional \$32,000,000 in revenue annually. Under the constitution, one-fourth of this amount or \$8,000,000 would go to the available school fund, with the remaining \$24,000,000 being distributed among Texas counties according to formula which is based on population, automobile registrations, area, and miles of unpaved rural roads.

The bill provides that any county participating in the fund must furnish qualified engineering, and the funds must be spent under engineering supervision to be prescribed by the "Board of County and District Road Indebtedness and Highways" which is set up under the bill. The bill also provides that any county can designate the State Highway Department as its agent to build roads.

The formula set up for distribution of the funds to counties provides that one-twentieth of the funds be allocated on the basis of motor vehicle registrations; two-twentieths of the basis on area determined by ratio of area of the county to the total area of the state; three-twentieths on the basis of rural population; and fourteen-twentieths on the basis of unsurfaced roads in the state.

A five member board of County and District Road Indebtedness and Highways is set up under provisions of the bill, to include the State Comptroller, State Treasurer, State Highway Engineer, and two members to be appointed by the Governor. This board would administer the funds.

Rev. and Mrs. Lester Taylor and boys of Tialia, Texas, spent last week visiting her parents, Mr. and Mrs. D. H. Bryant.

DAUGHTER IS BORN

Mr. and Mrs. Joe H. Pitts have announced the birth of a daughter on April 4. She has been named Vinita Joyce.

Dycus Case Slated for Jury In District Court Late Today

The trial of Connel Dycus, charged with the theft of a trailer, is scheduled to go to the jury in District Court here sometime today.

The trial opened in District Court Tuesday afternoon. Final testimony was introduced late yesterday afternoon, and the judge's charge to the jury and closing arguments by counsel are scheduled this afternoon.

Dycus was indicted by the Grand Jury on charges of theft of an auto trailer, taken from the Earl Pouch residence in Hereford in January.

The trailer was found two weeks later by Pouch himself in Amarillo, and Dycus was placed under arrest and charged with the theft.

Pouch took the witness stand for the state Tuesday afternoon, and told how he had spotted a tire from the missing trailer on a Model A Ford car in Amarillo. Following the car, he discovered the trailer, and notified officers who later arrested Dycus.

Dycus was formerly a taxi cab operator in Hereford, but had lived in Amarillo for the past year.

Attorneys for the defendant are James Witherspoon of Hereford and Billie Culwell of Amarillo.

Witnesses for the defense, including the operator of an Amarillo hotel where Dycus maintained residence, testified yesterday afternoon that Dycus was ill during the week-end on which the trailer was stolen, and had not left the hotel.

The operator of a welding shop in Amarillo testified that Dycus had brought the trailer in question to his place of business a few days after the date when it disappeared in Hereford, and ordered the sides and end cut off.

Mrs. W. G. Meengs of Pendleton, Oregon is visiting her sister, Mrs. J. D. Bourn, and niece, Mrs. Essie Cardwell. She is enroute to her home after visiting relatives in Chicago.

Streu's Diary

DEAR DIARY:

Now is the time for all good men to come to the aid of their City (women, too). Mayor Dameron has again proclaimed a city wide clean-up campaign for next Tuesday afternoon. Those of us who can remember the appearance of our town before the clean up last year appreciate the difference made by a half day of concentrated effort. Of course we, along with almost every business in town will close Tuesday afternoon and give with the rake and shovel. We realize that we may lose a few dollars of business that afternoon, but believe it to be worth while anyway.

We have the tools for cleaning up your yard, and the items needed for spring housecleaning as well.

New items—Wagner cast iron skillets in three sizes, chicken fryers with the pyrex lid and dutch ovens with pyrex lid—step-on garbage cans—new assortment of Priscilla aluminum ware—all sizes and colors waste baskets and stove top protectors.

In stock — natural gas water heaters, 20 and 30 gallon, butane water heaters in 20 gallon heavy duty — table model radios, both table and console radio-record player combinations from \$99.95 to \$225.00—

Just received: One burner oil stove ovens — cocoa door mats in three sizes — 15 ft. Coolerator deep freeze unit — a few albums of classical and popular records.

It is time to think of repairing farm machinery — we have a fine selection of necessary wrenches, crescent type wrenches, pliers, screw drivers, hammers, drill bits, chain drills, tool boxes and files.

Our stocks are daily becoming more complete — for instance, our file stock includes thirteen different varieties of files — each designed for a different purpose — all in all we have 58 kinds and sizes of files. You will find hundreds of kinds and sizes of bolts, cap screws, lag bolts, plow bolts, wood screws, machine screws, nuts and washers in the most complete bolt section in the Panhandle. Our rivet section is also very complete.

We feel bouquets in order as regards the City Commission — whether or not the voters of Hereford approve any or all of the projects outlined, we think that the men responsible for the work involved in evolving these projects are due a lot of credit. Every voter should carefully weigh the pros and cons of these projects and VOTE.

Birthday Is Celebrated

Mrs. Glenn Witherspoon entertained Saturday afternoon honoring her daughter, Donna Jean, on her seventh birthday.

After the little guests arrived games were played and whislers were given as favors. A birthday cake with candles was featured and refreshments were served to; Linda Sue Phillips, Carla Sue Crosthwait, Gayle Blythe, Carlynn Williams, Kay Barnard, Denise Barnard, Joan Fowlkes, Jerry Brooks, Wilma Witherspoon, Ginger Witherspoon, Shirley Pierce, the honoree and Mrs. A. S. Brooks and Mrs. W. O. Witherspoon.

O. E. S. Honors Official

Mrs. Olga Phillips of Canyon, district deputy grand matron of the Order of Eastern Star was honor guest at a dinner which preceded the regular meeting of the local chapter at the Masonic Hall Tuesday night, April 8. Mrs. O. H. Culpepper and Mrs. Jack Brown arranged the dinner.

The regular meeting was under the inspection and direction of the district officer and the chapter officers presented the annual memorial program. Eight out-of-town guests were present.

Engagement Is Announced

Mr. and Mrs. P. H. Luck of Hot Springs, N. M. and formerly of Hereford, have announced the engagement of their daughter, Jean Luck of 208 Walnut street, Huntington Beach, Calif., to Jerome Martinson, also of Huntington. A tentative wedding date has been set for June.

The bride-elect attended Hereford schools but graduated from Roswell, N. M. High School. Mr. Martinson served in the Navy during the war.

Frio

BY MARGUERITE MOBLEY

Miss Alma Andrews was honored on her birthday with a dinner and handkerchief shower at the schoolhouse. A large crowd attended.

Mr. and Mrs. T. L. Sparkman, Sr., are spending a few days at San Angelo with relatives.

Mr. and Mrs. R. L. Simpson and Nellie Jo went to Higgins Thursday to visit Mrs. Simpson's brother and family. Mrs. and Mrs. Archie Roberts and baby. Mr. Roberts was injured in the tornado Wednesday night.

Mr. and Mrs. H. E. Lindley and Christine spent the week-end in Wellington.

Mr. and Mrs. Roscoe Burris and Orville France, all of Clovis, visited in the Andrews and Littrell homes Sunday.

Mesdames Lamarlas Berryman and Betty Robins went to Clovis with the Hereford Glee Club. Mrs. Elmer Jones and girls, and Miss Alma Andrews, were Amarillo visitors Thursday.

Mrs. W. S. Littrell and Mrs. R. E. Cole went to Clovis Friday.

Archie Mobley of Portales, N. M., spent Monday night with Mrs. H. M. Mobley and family.

Mr. and Mrs. C. E. Roberts and Wayne of Wellington and Mr. and Mrs. R. L. Simpson and Nellie Jo were Sunday dinner guests of Mr. and Mrs. Roy Campbell at Rance.

Rev. Truett Allen and Bobbie and Billy were supper guests in the R. E. Cole home Sunday.

Mr. and Mrs. Lee Renfro and family went to Glasier Thursday to visit Mrs. Renfro's cousin.

WAGES AND THE TELEPHONE STRIKE

Because wages are at issue in the telephone strike, let's take a look at what operators and plant craftsmen here are now getting. Almost all telephone people are in these groups.

The basic work period is a five-day, 40-hour week. Scheduled employees are paid overtime for time worked over eight hours a day, premium time for Sunday and holiday work, and added money for evening and night work.

OPERATORS

A girl just out of high school, with no previous experience, starts at the beginner's rate of \$26 a week. But if she works after 9 p.m., she gets \$27.50 a week, and if that week includes Sunday work, she gets \$30.10.

The beginning operator gets a raise in pay every six months for the first year. An operator with 12 month's experience, for example, gets \$28 for a normal 40-hour week. If it includes evenings and Sunday, she earns \$32.30.

Periodic increases bring the operator to the top rate of \$34 a week. If she works evenings and Sundays, her weekly earnings are \$38.90.

But the union wants to increase the beginner's rate of pay from \$26 to \$41—up \$15 a week. Also, they would increase the top wages from \$34 to \$51. That is an increase of \$17 a week.

PLANT CRAFTSMEN

Linemen and installers, starting in right out of school with no experience, begin at \$28 for a basic five-day week. In two years they are earning \$35.50 a week.

Periodic increases raise this basic rate to a top of \$56 a week. Exchange repairmen—the men who take care of repairing the equipment in your office or home—reach a top rate of \$58. Overtime and other extra pay during the past year increased the wages of most linemen, installers, and exchange repairmen by about 10 per cent.

The union asks that the beginning wage rates of these Plant workers be raised from \$28 to \$43—up \$15 a week. The union would also increase the \$56 top wage to \$78, and the \$58 top to \$78. Those would be increases of \$20 and \$22 a week.

We believe most people will agree that present wages are good. The company believes that no increases are justified at this time.

The way to resolve these differences of opinion and settle the strike is to arbitrate the wage issue. That would be fair to our employees, to telephone users, and to the company.

Nearly three weeks ago the company proposed that Governor Jester and the governors of the other four states in which we operate appoint a panel of five impartial citizens—men with a knowledge of conditions in this area—to arbitrate the wage issue. The company enlarged its offer to include not only basic wages but such other demands as length of time for employees to reach top wage rates and wage differentials between different communities.

The company urges union officials to reconsider the offer of arbitration. It is the fair way to settle the strike, restore full telephone service to the public, and get the telephone wage issue decided equitably.

Extension Service Adds Two New Texas Districts

COLLEGE STATION, Apr. 14.—The Texas Extension Service is now operating its system for field supervision of county agricultural and home demonstration agents on a 14-district basis. At the same time field headquarters have been established in seven districts.

Prior to April 1, there were 12 Extension Service districts. The new plan will mean the addition of two men and two women district agents and will also cut down the number of counties served by each district

agent. "We believe the system will bring greater efficiency to the organization and in turn, enable us to render a better service to the farm and ranch people of Texas," Director Ide P. Trotter said in announcing the change.

The revision of district areas and establishment of field headquarters is in accordance with a directive issue by the Texas A. & M. College Board of Directors on September 27, 1946. Assignments to districts and headquarters are: 1, Knox Parr and Doris Leggett, Amarillo; 2, Lubbock area, W. N. Williamson and Kate Adel Hill, with headquarters at College Station pending location of office space in the district; 3, J. A. Scofield and Mrs. Myrtle D. Negy Vern-

on; 4, W. I. Glass and Lida Cooper, Denton. District 5 (Northeast Texas), J. H. Surovik and Edith Lois Wilson, College Station; 6 (extreme West Texas), G. W. Johnson and Mrs. Grace M. Martin, College Station until further notice; 7, W. I. Marshall and Thelma Casey, Court House, San Angelo; 8, R. G. Burwell and Bess Edward John Tarleton Agricultural College, Stephenville; 9 (East Texas), W. H. Jones and Mrs. Rosella R. Cook, College Station.

District 10 (Central Texas), S. L. Neal and Tina Stewart, College Station; 11, R. S. Miller and Mae Belle Smith, Uvalde; 12 (Gonzales area), Fannie Brown Eaton, College Station; 13 (Houston area), Silver Whitsett and Let's Bennett, College Station; and 14 (extreme Southwest Texas, including Laredo, Corpus Christi and the Lower Rio Grande Valley), Floyd Lynch and Beulah Blackwell, College Station until further notice.

Assignment of the second district agent for District 12 has not yet been announced. Other announcements include the promotion of J. H. Surovik from assistant district agent to district agent and the transfer of M. T. Payne from the position of district agent to district agent at large with headquarters at College Station.

Mrs. G. Millard Injured in Auto Accident Sunday

Mrs. George Millard is in the hospital with a broken collar bone following a car accident near Panhandle Sunday evening.

On Saturday Mr. and Mrs. Harold Balze, Mr. and Mrs. Syd Barclay and Mrs. Bertha Henderson went to Woodward, Okla., to see about relatives in the storm area with Mrs. Millard accompanying them as far as Canadian for a visit with relatives.

It was on the return trip just east of Panhandle that Mrs. Balze, who was driving, failed to make a curve and the car overturned twice. Mrs. Millard was the most seriously injured but the other occupants of the car received bruises, minor cuts and shock.

Mrs. Millard was taken to a Panhandle hospital and later that night brought to Hereford in an ambulance. Mrs. Balze was treated for shock. No hospitalization was needed for the rest of the group who returned to Hereford Monday. The car was badly damaged.

Entire Area Joins Hereford In Sending Aid to Storm Area

(Continued from Page 1)

broadcast to the world.

The instant response and generosity of Hereford people in the storm area is beyond description," Mrs. Brady said.

First news of the tornado struck Hereford was received by radio at 7:30 Thursday morning.

Under the direction of Mrs. Brady and Disaster Chairman A. J. Schroeder, the local chapter swung into immediate action.

An emergency crew, made up of Henry Sears, Herman Ford, H. G. Owen, and Jim Kirby, equipped with emergency supplies of coffee, aspirin, and baby food, left Hereford immediately after Friday morning.

In the meantime, the local Red Cross chapter designated the Hereford Implement Company building as a collection point, and issued an appeal for donations of food and clothing. The response was immediate and overwhelming. Mrs. Brady reported.

Initially bound for Glazier, the crew found the town completely destroyed and deserted, and moved on to Higgins where rescue work was being done.

The unit was maintained in Higgins until Friday morning.

In the meantime, the local Red Cross chapter designated the Hereford Implement Company building as a collection point, and issued an appeal for donations of food and clothing. The response was immediate and overwhelming. Mrs. Brady reported.

Section And...

(Continued from Page 1)

A clean-up crew of 32 American Legion and VFW members, in charge of Ralph Smith, and accompanied by Boy Scout leaders and crew, left Hereford Thursday afternoon to help clear the wreckage in Higgins. Five other men had left Hereford earlier in the day, and joined the crew at Higgins. Smith reported that his crew succeeded in clearing about three blocks in the downtown area, including the locker plant and public utility, helping to expedite the use of these facilities.

Many Relatives...

(Continued from Page 1)

opened her home to the families.

Mrs. Davis has been notified that his sister and husband and four children, all living at Woodward, were all injured but are out of danger. One of the children, a little girl, lost a leg. A 14-year-old son was the only member of the family uninjured. He was attending a picture show at the time the storm struck.

A brother of Mrs. R. L. Simpson of Frio, was among the injured at Glazier.

Mrs. and Mr. Clyde Cate left for Higgins last Wednesday night immediately after learning of the storm, picking up Mr. Cate's brother, Rev. R. B. Gilbreath, at Plover, Bay, Oklahoma. They had been in many years, and had built the Methodist Church there. They found many old friends among the storm victims. The church was destroyed.

Mrs. and Mr. E. D. Doekert of Woodward, parents of Mrs. Bill Wolfe of Hereford, escaped injury when the four made street, although their home was badly damaged. Mr. and Mrs. Doekert, along with several hundred other residents of Woodward, escaped possible injury because they were attending the Wednesday evening church service. Mr. and Mrs. Wolfe went to Woodward late Thursday, returning to Hereford Monday.

Ida M. Ferrell, veteran newspaper correspondent, and columnist, and her brother, Henry Ferrell, were among the dead at Glazier. Both had many friends in this section. Mrs. Ferrell had announced her retirement from writing only two weeks ago.

The local Red Cross office is still trying to check on Edward M. Stikel and wife and three children at Higgins. He is a son of Mr. and Mrs. James E. Stikel of Hereford.

Mrs. Shirley mother of Mrs. J. T. Quinn, escaped serious injury when her home was destroyed at Higgins. She is now at home here with the Quinns.

Mrs. Bertha Henderson went to Woodward Saturday finding a niece there uninjured in the storm, although her home was destroyed.

Mr. and Mrs. Harry Shorrel, who formerly lived in Hereford (he was employed here by the Santa Fe) are reported safe and unharmed at Higgins. Mrs. Shorrel is postmaster at Higgins, and Mr. Shorrel is working for the Santa Fe there.

Forrest Retained As President Of School Board

The newly elected Board of Trustees of the Hereford Rural High School District met Tuesday night to canvass the ballots in last week's election, elect officers and complete organization.

Leo Forrest was re-elected president of the board. W. T. Kelly of Wythe was elected vice president, succeeding Mayor Schroeder, and Schroeder was named secretary, replacing Lyle Woodward.

Other members of the board are H. E. Miller of Dawn, Robert H. Miller of Ford, Joe Waggoner of Westway, and Lyle Woodward of Hereford.

The board approved a petition of residents in the northwest part of District 1 to withdraw from the Rural High School District and form a new common school district.

The petition was turned over to the County School Board of Tarrant for final action.

A hearing of representatives from the summertime school district has been set for the next regular meeting of the board on May 1. At that time the board will consider the petition to withdraw from the Rural High School District and form a new common school district.

The Rural High School Board in regard to their proposed consolidation with the Rural High School District.

Chamber of Commerce Week Is Observed In Texas; Hereford Launches Membership Drive

This week, throughout the United States, cities and towns are being asked to observe "Chamber of Commerce Week."

Governor Beauford Jester has made it official in Texas by proclamation, setting the week of April 13 to April 19 as Chamber of Commerce Week.

In Hereford, the local Chamber of Commerce is observing the week by inaugurating its annual Membership Campaign.

According to Secretary-Manager Pete Cowart, the present membership of the Hereford Chamber of Commerce, Inc., is 176. The goal for the current membership drive is to increase membership to the 300 mark, or more, taking in every business man in the Hereford area.

The membership drive was started Monday, and will continue through the week.

Past presidents of the Hereford Chamber of Commerce were entertained as guests of honor at the Hereford Lions Club yesterday noon.

The Hereford Chamber of Commerce, which has launched an ambitious program of sup-

2

OLD TIMERS HAVE JOINED IN THE FORMATION OF A NEW BUSINESS IN HERE-FORD... And we ask your cooperation upon the basis of...

Integrity, Experience, New Ideas --- and our Ability to Do a Job for You!

Maybe it's old age... or maybe it's too much civic work—too long, but we see a vision of new things to come in this area... and it is our purpose to offer a new service to the community.

Real Estate Counselors! That sounds "Ritzzy", it is one of those \$5 words—but that's how we feel about ourselves.

We think a real estate counselor is a man who has the intestinal fortitude (plain guts) to tell you the truth! We think he tells you if your property is out of line... if it is too high or if it is too low.

We think he is a man who is interested in his community; a man who is also interested in WHO LIVES IN THAT COMMUNITY long after his sale is made. He is a man who operates on a commission: NO MORE than anyone else... and certainly NO LESS. However, if he does not have what the prospective customer needs and wants, he tells him so—and sends him to a rival concern which may have.

We have lots of prospects, some of them large concerns. WE NEED LISTINGS... lots of them. Naturally, we appreciate exclusive listings, but we do not demand them—and we do not expect them on the start... and we promise you that we will work on all listings to the best of our ability, applying the Integrity and Experience of more than 40 years, which each of us has served as business men in this community.

Upon this basis, and this basis alone, we ask you to give us a trial!

Softball League To Be Organized

All organizations interested in entering softball teams in the league here this summer should send representatives to an organization meeting to be held in the City Hall Friday evening at 7 o'clock, according to Debbs Knox. Interested individuals were also invited to attend.

"Between 8 and 10 teams are expected in the league this summer and schedules will be announced as soon as the league can be organized," Knox said.

Voice Student To Give Recital

Miss Mattie Mae Swisher will present Dwaine Walker, son of Mrs. and Mrs. V. P. Walker, in a voice recital at the First Methodist Church chapel Sunday afternoon (April 20) at 4 o'clock. The program will include one group of sacred songs, some of the classics, folk songs and modern American songs. He is a Junior High School student.

Mary Helen McGilvary will be the accompanying pianist and friends and relatives are invited to attend the recital.

Snow And Rain Aid All Crops

More than an inch of moisture soaked hundred of thousands of acres of wheat land during the past week-end, and boomed prospects for a bumper crop to a new high.

Beginning with a light snow-fall Saturday, the precipitation continued through Sunday and Monday, developing into a steady drizzling rain which continued falling here through most of the day Monday.

Total snowfall in Hereford Saturday was light, but was reported heavier in the northwest portion of the county, where farmers estimated precipitation from the snow at nearly half an inch.

Four to five inches of snow were reported on the North Plains, where highways were blocked by drifts for a time Saturday afternoon.

In Hereford Saturday, the total precipitation was measured at only .05 inch with an additional .11 inch of rain falling on Sunday.

The steady rainfall Monday totaled .55 inch here.

Temperatures throughout the period remained relatively high, hovering around the freezing mark Saturday and Saturday night, and rising slightly Monday.

No damage to fruit has been reported from the late cold spell. Farmers throughout the section were jubilant this week over 1947 prospects for all crops. This county, with a record wheat acreage planted, is now looking forward to a record-breaking

(Continued on Page 8)

LEAD SINGING SCHOOL

Elvin Bost To Conduct Singing School Here

Elvin Bost (above) Abilene, minister and singer, will conduct a singing school at the Hereford Church of Christ beginning Monday, April 21, according to Bob Wear, minister of the local church.

Mr. Bost will conduct services at the Church of Christ next Sunday, preaching at both morning and evening services.

Beginning Monday, he will conduct the singing school, with classes twice daily at the Church of Christ. There will be sessions at 4:15 in the afternoon and at 8 o'clock each evening.

Everyone interested in learning more about singing will be welcomed at these sessions, Wear said.

Highest Acreage in County's History Planted to Wheat

A record breaking wheat crop for Deaf Smith County appears to be in the making this year, most local observers believe. Prospects are excellent that the 1947 wheat yield in the county may surpass even the all-time record of more than six million bushels harvested here in 1942.

Wheat estimates boomed this week as snow and slow soaking rains added to the already abundant ground moisture to provide one of the best seasons in history.

A record-breaking acreage has been seeded to wheat. Local ACA office estimates place the wheat acreage at an all-time high of 400,000 acres, nearly 150,000 acres greater than the acreage which produced the 1942 bumper crop.

The average yield in 1942 in this county was more than 21 bushels to the acre. Triple-A office records indicate. A 20 bushel average this year, which on the basis of present prospects does not seem unlikely, would mean more than eight million bushels of wheat this summer.

With two-dollar wheat still apparently in the cards, that's big money—an estimated \$16,000,000 from wheat alone.

Other crops are faring equally well. The Deaf Smith County potato acreage, 4,235 acres in 1947, is expected to bring in close to two and a half million dollars in farm revenue. Although the acreage is smaller than last year, a bumper crop of potatoes is predicted.

With an average yield from some 1200 acres of sugar beets, the county's newest farm crop, Deaf Smith county farmers are expected to ring up another quarter of a million dollars on the cash registers.

Between 5,000 and 6,000 acres have been planted in alfalfa

in this county this year.

The biggest loss in acreage so far has been in grain sorghums, with estimated acreage for the 1947 season dropping to 10,000 acres, in comparison with 20,000 acres last year.

Fall and winter rain and snow has given this area excellent sub-soil moisture. The snow and rain during the past week-end has added the necessary boost, many farmers predict, to turn this year's crop into bumper yields.

Although green bugs are reported to be prevalent in some sections, and are causing some damage to wheat, most growers have not yet been seriously threatened. And many local observers predict that a few weeks of warm dry weather will lessen the damage from this source.

Jimmie Cassels Breaks Leg

Jimmie Cassels, 11-year-old son of Mr. and Mrs. Malcolm Cassels, is reported to be doing fine today after an accident Thursday while playing on the school ground.

Three years ago Jimmie had a bad encounter with a truck which ended in a broken leg just above the knee. In Thursday's accident the same leg was broken in the same manner when he stepped on a base ball which caused him to slip and fall.

Naval Reserve Unit Organized in Amarillo Thursday Night; Local Reservists Attend

AMARILLO, April 14 — Texas dry land navy turned out in force last night to get the local Organized Naval Reserve Unit underway at the first paid drill in the county court room in Amarillo. Sixty enlisted men and seventeen officers shipped into the new surface division, maintaining the Panhandle's standing as a leader in Naval activities.

Ratings and ranks ranging from apprentice seaman to commander were activated in formation of the new division. Amarillo sailors predominated the meeting but Pampa and Hereford were also represented. Lt. Comdr. John J. Van Dale, assistant director of the Naval

Reserve, introduced Captain A. J. Jackson, USN of New Orleans, who launched the program with a brief outline of the purpose of the organization and the appointment of Lt. Comdr. W. N. McMillen as commanding officer of the unit. Comdr. McMillen expressed his pleasure at the outstanding response to the first meeting and pledged himself to the program. Lieut. B. L. McCoy, appointed executive officer, accepted his position with the division.

Immediately after the christening ceremony the men were offered the opportunity of shipping into the Naval Reserve and Surface Division 8-67, which is the designation given the Amarillo unit. Five veterans were sworn into the inactive reserve and transferred to Class O-1, and several non-veterans filed their initial papers with recruiters.

Monday night was designated as the regular paid drill night but is subject to change if it becomes inconvenient for the majority of active members. Until such time as the armory is completed at 9th and Rusk streets, the drills will be held in the Potter county court room. Members, and eligible prospects attending Mondays paid drill will be shown official Navy film made in actual combat. The film entitled "Silent Service" pertains to submarine warfare.

Dr. Milton C. Adams and R. P. Conaway, Jr. represented Hereford at the meeting.

Lt. Paetzold Is With Hospital in Tokyo, Japan

WITH THE 49TH GENERAL HOSPITAL OF EIGHTH ARMY, TOKYO, JAPAN, April 1—First Lieutenant Alma Paetzold of Hereford has arrived for duty with the 49th General Hospital in Tokyo.

Since entering the Army Nurse's Corps in May of 1941, Lt. Paetzold has seen extensive duty overseas. She sailed for the Pacific Theatre in 1944, with the 49th General Hospital. After an assignment at Milne Bay in New Guinea, she moved to Black Island with the 132nd General Hospital.

Through 1946 she was attached to the 132nd General Hospital in Leyte, Philippine Islands; and the 54th Evacuation Hospital and the 80th General Hospital in Manila.

Lt. Paetzold returned to the United States in November, 1945, and was reassigned in March, 1947, to rejoin the 49th General Hospital, which had since replaced the 42nd General in Tokyo.

She is the daughter of Mr. Joseph Paetzold of Hereford.

Summer Cottages Are Banned By Housing Program

Persons who are contemplating the erection of summer cottages on other seasonal dwellings this year, were reminded today by Wm. G. Williams, Hereford representative of the Office of the Housing Expediter, that such construction is not permitted under the Veterans' Housing Program.

"An acute housing shortage continues to exist," Williams said. "It is estimated that at the beginning of 1947, more than 2,500,000 families were in the market for homes, and that about 1,000,000 additional families will be in the market during this year. This is in addition to dwellings needed to replace those destroyed by fire, conversion to business uses, demolition for business structures and deterioration."

Williams pointed out that until there are enough building materials on the market to build the year-around houses needed by veterans and others, it will not be fair to permit a drain in scarce supplies to erect recreational and other luxury-type housing.

heritance from her mother and through the will of her father, and thereafter the said Maymie Lee Oliver conveyed said tract of land to plaintiff, on the date hereinabove mentioned; that said Maymie Lee Oliver frequently signs her name Mamie L. Oliver.

Plaintiff alleges that notwithstanding his exclusive ownership of titles to said lands, a cloud has been cast upon his title to said lands by reason of the following facts, to-wit: that the said G. T. Oliver and wife had a son whose name was Gustavus Oliver, who, when about 15 years of age and during the year 1900, left the home of his parents, while living in Fort Worth, Texas, and never returned, nor did the said parents or sister ever have any commun-

cation, either by word, letter or otherwise, from said Gustavus Oliver; that a report came to said parents from a gentleman who purported to have known said Gustavus Oliver in the State of California, which report was that said Gustavus Oliver lost his life in the San Francisco earthquake in the year 1906 and that he left neither wife nor descendants surviving him; that due to the fact that the parents of said Gustavus Oliver and his sister have never at any time seen or heard directly from him, or from anyone who claimed to be his wife or a descendant, many years ago they concluded that said Gustavus Oliver was dead, and that he left neither wife nor descendants, and they have acted upon such belief for a number

of years. Plaintiff says that an objection has been raised to the title to said tract of land by examining attorneys on account of the mysterious departure of said Gustavus Oliver, and that no definite proof has been afforded as to his death and that the facts concerning said Gustavus Oliver have interfered with the sale of said lands, and that such facts have created and constitute a cloud upon plaintiff's title to said lands, which plaintiff is entitled to have removed.

Plaintiff further alleges that he has acquired an matured limitation title to said tract of land under the five-year statute of limitation, as provided by Article 5509, Title 91, Vernon's Revised Civil Statutes of the State of Texas, in addition to his record title thereto, as hereinabove

alleged.

Plaintiff prays for citation by publication and for judgment removing cloud from title, and quieting title to said lands in plaintiff.

Issued this the 21st day of March, 1947.

Given under my hand and seal of said Court, at office in Hereford, Texas, this the 21st day of March, A. D., 1947.

R. L. THOMPSON, Clerk, Dist. Court, Deaf Smith County, Texas.

Dr. Milton C. Adams and R. P. Conaway, Jr. represented Hereford at the meeting.

Cotton and feed prices lost ground again last week, and spots of lower values appeared among cattle, sheep, and vegetables, according to the Production and Marketing Administration, U. S. Department of Agriculture. Other southwest farm products sold mostly firm to stronger.

Gains reversed their recent downward trend and started climbing again. Wheat registered a net gain of 15 cents per bushel and sorghums 11 to 14 cents per hundred pounds. Other gains advanced by lesser amounts. Friday's price was \$2.88 on wheat at Fort Worth and Galveston, and \$3.20 on No. 2 yellow milo.

Urgent Cuban and domestic demand for rice held prices firm last week. Wheat millfeeds dropped as much as \$10 per ton, and oilseed meals weakened. Hay demand held strong, but buying centered on immediate needs. Peanut markets found few offerings and light demand. Wool dealers, top makers, and manufacturers began to consider the advantages of buying 1947 wool direct from the grower. Mohair activity fell off.

Texas green beans moved quickly at \$5 per bushel hamper at Denver last week, but sold weaker at \$300 in Fort Worth, where first Louisiana strawberries brought \$7.25 to \$7.50 per 24 pint crate. Southern Louisiana sweet potatoes held about steady at shipping points at \$2.35 to \$2.40 for 50 pounds. Most vegetables moved slowly in dull to weaker markets in the Lower Rio Grande Valley. In straight cars of 50 pound sacks, cabbage loaded at 60 to 75 cents; yellow onions \$1.75; and potatoes \$2.50 to \$2.25.

Spot cotton prices declined about \$3.75 per bale last week. Higher grades sold readily, but other classes found fewer inquir-

ies, and trade remained on reduced scale.

Eggs and poultry met mostly firm to slightly stronger prices last week. Eggs sold for 39 to 40 cents per dozen at Dallas and Fort Worth, and 38 to 39 at Denver. Corpus Christi averaged 35 cents for the week; Amarillo, San Antonio and Oklahoma City 38; New Orleans 38½; El Paso 40; and Houston 41 cents.

Cattle ruled steadily to strong at most southwest markets last week, but some classes closed lower at San Antonio and Oklahoma City. Medium to good yearlings brought \$18 to \$20 at Houston, and \$19 to \$21.25 at San Antonio. Medium to good steers and yearlings turned, at \$18 to \$23 at Fort Worth; while medium and good steers cashed at \$18.50 to \$22 at Oklahoma City; and \$18.50 to \$23.35 at Denver.

Hogs scored substantial gains at most terminals, but lost some at Oklahoma City and Wichita. Closing bulk prices on good and choice medium weight butchers hogs averaged \$25.50 at Fort Worth; \$25.75 to \$26.10 at Wichita; and \$27 to \$27.25 at Denver. At San Antonio the closing top was \$25.50; and at Oklahoma City \$26.25.

Sheep and lambs held their own at San Antonio and Oklahoma City, but weakened sharply at other southwest points. Bulk of goods and choice spring lambs brought \$22 to \$22.90 at San Antonio; and \$20 to \$22 at Fort Worth. Oklahoma City paid a top of \$24 on spring lambs; while Wichita quoted up to \$23. Denver saw few sales last week.

Through 1946 she was attached to the 132nd General Hospital in Leyte, Philippine Islands; and the 54th Evacuation Hospital and the 80th General Hospital in Manila.

LEGAL NOTICE

THE STATE OF TEXAS
TO: The unknown heirs of Mamie J. Oliver, deceased, their heirs and legal representatives; Gustavus Oliver, if living, and if dead, to his unknown heirs, their heirs and legal representatives, GREETINGS:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 5th day of May, A. D., 1947, at or before 10 o'clock A. M., before the Honorable District Court of Deaf Smith County, at the Court House in Hereford, Texas.

Said Plaintiff's petition was filed on the 21st day of March, 1947. The file number of said suit being 2957. The names of the parties in said suit are:

Fred H. Miller as Plaintiff, and the unknown heirs of Mamie J. Oliver, their heirs and legal representatives; Gustavus Oliver, if living, and if dead, the unknown heirs of said Gustavus Oliver, their heirs and legal representatives, as Defendants.

The nature of said suit being substantially as follows, to-wit: Plaintiff sues to remove cloud from title to a 1735 acre tract of land out of Capitol Syndicate Leagues 407 and 408, Deaf Smith County, Texas, said tract of land being located about 22 miles northwest of the City of Hereford, Deaf Smith County, Texas, and being commonly known as the Wilkinson, Woodall and Landers tract, and being the same land described in the Deed from C. L. Edgar and wife to G. T. Oliver dated January 1, 1932, of record in Volume 68, Page 500 of the Deed Records of Deaf Smith County, Texas, to which reference is here made.

Plaintiff alleges that the above tract of land was formerly owned by G. T. Oliver and wife, Mamie J. Oliver, the same being their community property; that the said Mamie J. Oliver departed this life during the year 1938, leaving no will, and leaving as her only surviving child and legal heir the Maymie Lee Oliver; that the said G. T. Oliver departed this life in the year 1942, leaving a last will and testament in which he devised all of his property, including his undivided interest in the above described tract of land, to his daughter, the said Maymie Lee Oliver; that thereupon the said Maymie Lee Oliver became the exclusive owner of said tract of land, through in-

heritance from her mother and through the will of her father, and thereafter the said Maymie Lee Oliver conveyed said tract of land to plaintiff, on the date hereinabove mentioned; that said Maymie Lee Oliver frequently signs her name Mamie L. Oliver.

Plaintiff alleges that notwithstanding his exclusive ownership of titles to said lands, a cloud has been cast upon his title to said lands by reason of the following facts, to-wit: that the said G. T. Oliver and wife had a son whose name was Gustavus Oliver, who, when about 15 years of age and during the year 1900, left the home of his parents, while living in Fort Worth, Texas, and never returned, nor did the said parents or sister ever have any commun-

ication, either by word, letter or otherwise, from said Gustavus Oliver; that a report came to said parents from a gentleman who purported to have known said Gustavus Oliver in the State of California, which report was that said Gustavus Oliver lost his life in the San Francisco earthquake in the year 1906 and that he left neither wife nor descendants surviving him; that due to the fact that the parents of said Gustavus Oliver and his sister have never at any time seen or heard directly from him, or from anyone who claimed to be his wife or a descendant, many years ago they concluded that said Gustavus Oliver was dead, and that he left neither wife nor descendants, and they have acted upon such belief for a number

of years. Plaintiff says that an objection has been raised to the title to said tract of land by examining attorneys on account of the mysterious departure of said Gustavus Oliver, and that no definite proof has been afforded as to his death and that the facts concerning said Gustavus Oliver have interfered with the sale of said lands, and that such facts have created and constitute a cloud upon plaintiff's title to said lands, which plaintiff is entitled to have removed.

Plaintiff further alleges that he has acquired an matured limitation title to said tract of land under the five-year statute of limitation, as provided by Article 5509, Title 91, Vernon's Revised Civil Statutes of the State of Texas, in addition to his record title thereto, as hereinabove

alleged.

Plaintiff prays for citation by publication and for judgment removing cloud from title, and quieting title to said lands in plaintiff.

Issued this the 21st day of March, 1947.

Given under my hand and seal of said Court, at office in Hereford, Texas, this the 21st day of March, A. D., 1947.

R. L. THOMPSON, Clerk, Dist. Court, Deaf Smith County, Texas.

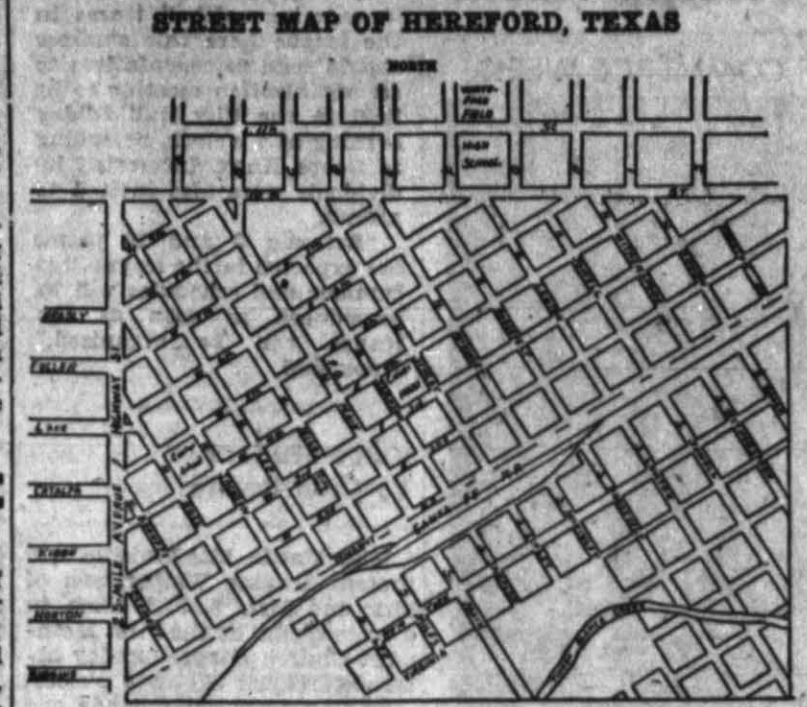

Through 1946 she was attached to the 132nd General Hospital in Leyte, Philippine Islands; and the 54th Evacuation Hospital and the 80th General Hospital in Manila.

Lt. Paetzold returned to the United States in November, 1945, and was reassigned in March, 1947, to rejoin the 49th General Hospital, which had since replaced the 42nd General in Tokyo.

She is the daughter of Mr. Joseph Paetzold of Hereford.

Successful Silver Tea Is Given Sunday By Rainbow Assembly

The Hereford Assembly (Order of Rainbow for Girls) was pleased with the response to its invitation to attend a silver tea Sunday afternoon in the home of Miss Cecelia Guseman. Approximately one hundred and fifty guests called during the entertaining hours. The silver donation will go to help build a chapel at the Masonic-Eastern Star Orphanage at Arlington.

Arrangements for the tea were made by members of the Order of Eastern Star with Mrs. S. B. McAllen as chairman. Miss Guseman and Cherry Ann Forrest, worthy advisor, met the guests at the door and elective officers assisted in receiving the guests. They included Patsy Slagle, associate worthy advisor, Marian Longbottom, Charity, Linnea French, Hope, Virginia Lyons, Faith, Mary Jo Mathies, treasurer and Barbara Burney, recorder.

The entertaining rooms were decorated with spring flowers and colors of "The Rainbow" were featured in the dining room. The long tea table, laid with a drawn-work linen cloth, was spanned with a beautiful rainbow rising from a base of artificial clouds dotted with tiny colorful flowers, suggestive of the blossoming of girlhood. Punch was served at the other end of the table by Mrs. Pearl Kinsley, worthy matron of the Order of Eastern Star. Mrs. L. C. Thomas, chairman of the advisory board, and Mrs. A. L.

"Spring Music" Is Topic For Music Club

"The Music of Spring" as portrayed in poetry and verse, was the theme of study for the Music Study Club Monday afternoon.

The meeting was held with Mrs. Sam Allen with Mrs. W. J. Stanford as leader.

The chiling rain outside was forgotten as Mrs. Stanford gave an interesting description of the music of spring flowers and budding trees through the eyes of well-known poets. Among selections read were: "The Voice of Spring," "Extravagant Spring," "Permanence," "The Month of May," "Four O'Clocks," "The Soul's Housecleaning," "The Gentle Rain of Spring" and "Rhapsody of Spring."

Members attending were Mesdames: J. R. Allison, W. T. Carmichael, H. A. Close, Jeff Gilbreath, Norman Harris, J. G. McCracken, T. W. Roberson, A. J. Schroeder, Glenn Snyder, W. J. Stanford, A. O. Thompson, Miss Mattie Mae Swisher and the hostess.

Manjeet, mother advisor. Appointments were in crystal and silver.

Members of the Assembly entertained with an informal ensemble program of music and readings.

Miss Swisher Receives Honor

Miss Mattie Mae Swisher, teacher of voice in Hereford, was honored last week at the state convention of the Texas Federation of Music Clubs in Beaumont, when the Seventh District presented her with a life membership, the second in the district to be presented.

The life membership carries with it a one hundred dollar donation to the student loan which will assist some worthy student of the Seventh District to obtain a musical education.

Miss Swisher was unable to attend the state convention and was informed of the honor by telegram which read: "for splendid service throughout the district."

Easter Luncheon Given For Club

Farm and Ranch Club held its Easter luncheon meeting in the home of Mrs. Frank Rickels. Pink and white carnations with graduating candles in pastel Easter shades formed the attractive table centerpiece. Place cards were tiny "ole chie's" to be used later as kitchen accessories.

An Easter program was presented after the luncheon. Mrs. A. J. Walker sang "He Lives on High" and Mrs. Henry Melton told of "The Crusade of Prayer." Mrs. Roy Pruitt sang "The Dogology by a poem 'It Isn't the World, It's You' given by Mrs. Phillip Miller. Easter gifts were exchanged and the club prize went to Mrs. Rickels.

Those present were Mesdames: Roy Pruitt and daughters, A. J. Walker, Dick Gosnell, Henry Melton, Charlie Burk, Frank Rickels, and Phillip Miller.

Dorcas Circle Meets

Dorcas Circle of the Methodist Church met Wednesday afternoon April 9, at the church. During the business session Mrs. Richard Barnard gave a report on the nursery program and members voted to buy toys and other equipment for the nursery. Mrs. Don Martin, Mrs. Richard

Martin and Mrs. Lee Kent were named to a committee to purchase the equipment.

Mrs. Homer Brumley gave an information talk on rules and regulations for receiving credit on study courses. Mrs. W. L. Davis, Jr., outlined the new study course on "India" and reported on the annual North Texas conference held recently in Sweetwater.

Mrs. W. M. Goettach gave the devotional lesson followed by the lesson from the study book given by Mrs. Lee Kent. Mrs. Norman Gray gave the concluding prayer.

Young Musician To Present Concert

Raymond Wells, talented young son of Mr. and Mrs. R. A. Wells, will be presented in a concert at the First Methodist Church chapel Friday evening at 8:30 o'clock.

Raymond who is ten years old, is a voice student of Miss Mattie Mae Swisher and will present church music, Negro spirituals, Art and Cowboy songs. Mary Helen McGilvary will be the accompanist.

He is also a piano student of Mrs. G. A. F. Parker and under her direction will play a group of piano selections.

Return of Overseas Dead Is Explained In New Pamphlet

A pamphlet containing information about the government program for the return and final burial of World War II armed forces personnel who died overseas, has been prepared by the War Department, and now is available for distribution.

Designed to answer the questions which most frequently are asked by next of kin and relatives of personnel killed outside the continental limits of the United States, the pamphlet contains information on burial options, how next of kin are determined, the care with which remains are identified, and escorts.

This pamphlet is available in either English or Spanish. Residents of this area may obtain one of the pamphlets by writing to American Graves Registration Service, San Antonio General Depot, San Antonio 6, Texas.

The concert is being given on this date to honor the young student grandparents who are visitors from the West coast. The general public is invited to attend.

Time to Plant Gardens on Plains Says Extensioner

It's time to plant the garden on the High Plains of Texas. Horticulturists of the Texas A. & M. College Extension Service list the vegetables that are ordinarily planted on the plains during early spring. Here they

are: beets, spinach, onions, potatoes, mustard, English peas, lettuce, radishes, cabbage, carrots, Swiss chard and a few other hardy plants.

The horticulturists say that experienced plains gardeners hold off on planting the not-so-hardy vegetables, such as tomatoes, peppers, sweet potatoes, cucumbers, squash and pumpkin, until danger of frost is past.

The battle against garden insects will begin as soon as the first green shoot breaks through

the horticulturists say, so a smart move now for gardeners will be to check up on the latest information and materials for controlling insect pests. Agents in county Extension offices will give gardeners—city or rural—information on controlling insects.

Fertilizing fruit trees is an early spring orchard job. Recommended application is one pound of 5-10-5 or 4-12-4 fertilizer for each inch of the tree trunk diameter.

Hicks-Miller Wedding Announced

Announcement has been made here of the marriage of Miss Helen Hicks of Oklahoma City, and R. B. Miller of this city.

The couple was married Saturday April 5, at Oklahoma City in the First Methodist Church parson with the pastor, Rev. William Alexander, reading the service in the presence of close friends and relatives.

Candelabra, palms, greenery and baskets of flowers banked the fireplace and mantel to form a background for the ceremony. Duvert Dennis, organist, gave the wedding music.

Miss Julia Hillhouse was maid of honor. She wore a dove-gray suit with white carnation corsage. June B. Miller of Vega, was his brother's best man.

The bride was attired in a pastel green woolen suit, worn with black accessories and small white hat. Her flowers were white gardenias.

Mrs. Miller, a teacher in the Oklahoma City public schools, received her education at Oklahoma State Teachers College at Edmond. She studied music in Oklahoma City where she is a member of the First Christian Church choir.

Mr. Miller, manager of the Hereford Auto Company, has farming interests in the Northwest part of Deaf Smith County. For the present the couple will reside on the farm when Mrs. Miller joins him here at the close of her school term, June 1.

Calliopians Hear Book Review

Calliopean Club was entertained in the home of Mrs. Milburn Nobles Thursday evening, with Mrs. N. E. Milburn in charge of the program.

Mrs. Milburn reviewed the book "The Walls of Jerico" by Paul I. Wellman. The scene is laid in Jerico, Kansas, a fictitious place, and deals with the political parties of the state as brought out in a feud between two leaders of the community.

During the business session it was announced that the next meeting will be held in the country home of Mrs. Carl Ferrin. Members of the club will meet at 8:30 at the home of Mrs. B. F. Cain and will go in a group from there.

Preceding the program, Pete Cowart, secretary of the Chamber of Commerce, talked briefly on the plan for city improvement as outlined recently by Mayor W. E. Dameron.

Members present were Mesdames; L. B. Barnett, B. F. Cain, Pete Cowart, Paul Conaway, Wayne Evans, Alton Fraser, J. T. Gilbreath, Jr., Jack Gilliland, Norman Harris, J. E. Kirby, N. E. Milburn, Carl Ferrin, W. C. Pitman, Elizabeth Womble and the hostess.

Catholic Women Convene Today

Amarillo District Council of Catholic Women opened the annual spring meeting 1 number at 10:30 o'clock.

Theme of the meeting is Leadership Intellectual and Moral Guidance through Catholic Action. His Excellency the Most Reverend Bishop Fitz Simon of Amarillo will be the principal speaker.

Mrs. Wm. Betzen, parliamentarian of the District Council and president of St. Anthony's Parish Council, will take part in a panel discussion of the program theme. Mrs. Gene Loewald, district chairman of the committee cooperating with the confraternity of Christian Doctrine, will give her report. Mrs. Felix Urbanczyk is delegate for the confraternity of Christian mothers of the Hereford parish. Mrs. Frank Wilhelm is alternate. Frank Brinkman is the delegate representing St. Anthony's Guild with Mrs. Ed Dzulic as alternate. Others attending the meeting are Mesdames; John Albracht, Henry Hoffman, S. T. Loewald, Joe Loewald, and G. W. Hund.

Birthday Celebrated

A birthday celebration was combined with a bon-voyage affair when Lloyd Manjoet was complimented with a dinner-party at the home of his parents, Mr. and Mrs. A. L. Manjoet on Wednesday April 9. On the following Friday Lloyd left to join a group in New Orleans for a Navy Cruise.

Sharing in the celebrations were C. W. Reeves, Doyle French, both students at West Texas State College, Mr. and Mrs. Dalton Criswell, Mrs. Reber Howton, the honoree and the hosts.

St. Anthony's Guild

St. Anthony's Guild of the Catholic Church met with Mrs. Anton Redder Wednesday afternoon April 9, with Mrs. Alton Robinson presiding.

Roll call featured names of saints. Games and "Bingo" were enjoyed with Mrs. A. G. Schlab winning the galling bingo. Gifts and cards were presented to the hostess who celebrated her 87th birthday on April 1.

Refreshments were served to Mesdames; Jerry Albracht, Willie Feely, Henry Hoffman, Henry Brorman, John Albracht, Joe Loewald, A. G. Schlab, Gene Loewald, L. J. Kuper, G. W. Hund, Frank Brinkman, Ed Dzulic, Alton Robinson, M. H. Koelzer, Ed Loewald, Frank Wilhelm, Felix Urbanczyk, Joe Ruckert and the hostess.

Harrison Highway Tops List

Paving of Harrison Highway, west from Hereford to the New Mexico line, is the No. 1 project for the Panhandle areas under the 1948 Farm-to-Market road program, D. C. Greer, state highway engineer, told T. E. Seigler and Lyle Blanton in Austin recently.

Seigler and Blanton, representing the Hereford Chamber of Commerce, were in Austin on other business, and gained an interview with Greer while there in an attempt to get further information on the Harrison Highway project.

Greer assured the local delegation, Seigler reported, that the Harrison project is far from forgotten by the State Highway Department.

However, he cautioned that the state's 1948 Farm-to-Market program will depend on whether or not the Federal Government appropriates funds to continue their share of these projects; and also reported, that there are bills now before the Legislature to transfer Farm-to-Market road building from the jurisdiction of the State Highway Department to a new bureau.

The Harrison project, he said, is No. 1 on the list for this area, referring, presumably, to the Texas Panhandle.

Dozens of applications are being filed daily for other farm-to-market road projects over the state, he added.

3500 Attend Air Show at Clover Field Sunday

A crowd estimated at more than 3500 attended the Easter captured first place in spot landing and balloon bursting contests. H. L. Hare of Amarillo was the winner in the bomb dropping contest, with Ralph Stovers of Hereford taking second place.

The ribbon cutting contest was won by Ray Berry, flight instructor at Clover Field, with W. J. Wilson placing second.

As the featured stunt of the afternoon, Berry took his Aeronca to 2500 feet about a mile north of the field, cut the switch, did a loop and a spin and made a dead-stick landing on the field, rolling to a stop less than 100 yards from the gas pump.

Contestants were Gilbreath, Lyle Blanton, John A. Morris, Wendal Roberson, Jim Worrell, Lydia Harlan of Shawnee, Oklahoma, W. J. Wilson, Ralph Stivers, Ray Berry, H. L. Hare and E. Jennings.

Sunday Air Show at Clover Field. Local fliers and several visiting pilots competed in contest and stunts.

The show was marred for the spectators by failure of the management to provide public address facilities, as promised, with the result that most of the large crowd of on-lookers could not tell just what was happening on and over the field.

LEGAL NOTICE

CITATION BY PUBLICATION

THE STATE OF TEXAS TO: George Lopez and if ever married Mrs. George Lopez, and if either or both of the above named parties are deceased, the heirs, the unknown heirs and legal representatives of each of the above named parties; William Lara and if ever married Mrs. William Lara, and if either or both of said parties are deceased, the heirs, the unknown heirs and legal representatives of each of said parties; Vera Fields and if ever married the husband of Vera Fields, and if either or both of said parties are deceased, the heirs, the unknown heirs and legal representatives of each of said parties; Rubby Tores, deceased, and their husbands and or wives if any of the unknown heirs of Rubby Tores, deceased, be married, and if any of the unknown heirs of Rubby Tores, deceased, be deceased, the surviving husbands and or wives of such unknown heirs, the heirs, the unknown heirs and legal representatives of each of said unknown heirs of Rubby Tores, deceased.

GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 26th day of May, A. D. 1947, at or before 10 o'clock A. M., before the Honorable District Court of Deaf Smith County, at the Court House in Hereford, Texas.

Said plaintiff's petition was filed on the 11th day of April, 1947. The file number of said suit being No. 2961. The names of the parties in said suit are: GUS PEDDE as Plaintiff, and all of the above named parties as defendants.

The nature of said suit being substantially as follows, to-wit: Trespass to try title to Lots Nos. 5 and 6 in Block No. 68 of the Town of Hereford, Addition to Hereford, Deaf Smith County, Texas, and to remove cloud cast upon the title to said property by defendants and to quiet title in plaintiff.

Issued this the 11th day of April, 1947.

Given under my hand and seal of said Court, at office in Hereford, Texas, this the 11th day of April, A. D. 1947.

R. L. Thompson, Clerk District Court, Deaf Smith County, Texas.

By Margaret Johnson, Deputy. No. 18-4-0

LEGAL NOTICE

THE STATE OF TEXAS: COUNTY OF DEAF SMITH:

TO: L. W. Ricketts, A. A. Ricketts, Annie Ricketts, and the unknown heirs and legal representatives of L. W. Ricketts, deceased; the unknown heirs and legal representatives of A. A. Ricketts, deceased; the unknown heirs and legal representatives of Annie Ricketts Defendant, Greetings:

You are hereby commanded to appear before the Honorable District Court of Deaf Smith County at the Court House thereof, in Hereford, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 5th day of May A. D. 1947, then and there to answer Plaintiff's Petition filed in said Court, on the 22nd day of March A. D. 1947, in this cause, numbered 2958 on the docket of said court and styled J. M. Hamby Plaintiff, vs. L. W. Ricketts, A. A. Ricketts, Annie Ricketts, and the unknown heirs and legal representatives of L. W. Ricketts, deceased; the unknown heirs and legal representatives of A. A. Ricketts, deceased; the unknown heirs and legal representatives of Annie Ricketts Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

"For the title to and possession of the following described land located in Deaf Smith County, Texas, to-wit:

All of Block No. 29 and the South 580.4 feet of Block No. 30 of Ricketts Addition to the Town of Hereford, Based upon the Five and Ten Year Statutes of Adverse Possession and Limita-

We've Built a Home For HAPPY LIVING

... with Adequate Electric Wiring

We've built our home for happiness. Planned it right for bright living, electrically.

We're going to spend the best part of our lives in this home, and so we've planned it just the way WE want it.

We've placed outlets conveniently in every room so we can move lamps and appliances around at will. We've made sure the wire installed is large enough to carry all the current needed for the lights and appliances in every room, and we've had large enough circuits installed to handle all the low cost electricity we'll need for years to come.

WHAT ADEQUATE WIRING MEANS

ENOUGH CIRCUITS for serving efficiently and safely all the appliances you have.

ENOUGH OUTLETS and switches for convenient living.

LARGE ENOUGH WIRE for serving your present and future needs.

Graham, Fullwood Win Camera Club Monthly Photo Awards

Dr. W. F. Graham and Ed Fullwood were named winners of the April photo contest of the Hereford Camera Club at a buffet supper served at the basement of the First Methodist Church last Thursday night.

Graham was awarded first place in the month's assigned print display of pictures of doorways. His winning photo graph was of the entrance to Hereford High School.

Fullwood captured first place in the "print of the month" contest with a modernistic shot of the local water storage tank framed in a mass of steel girders.

Others placing in the print competition were Henry Stahl, Elmer Patterson, Howard Hume and R. S. Scott.

Prizes were judged by Henry Horkney of the Amarillo Camera Club, who was guest speaker at the dinner.

Following a buffet supper served by wives of club members,

Horkney showed motion pictures and discussed camera equipment and technique.

Members of the club and their guests for the evening included M. and Mrs. Horkney of Amarillo, Mr. and Mrs. Frank Williams, Mr. and Mrs. Elmer Patterson, Mr. and Mrs. Henry Stahl, Mr. and Mrs. O. B. Russell, Dr. and Mrs. Will F. Graham, Mr. and Mrs. R. S. Scott, Mr. and Mrs. A. O. Thompson, Mr. and Mrs. Ed F. Fullwood, Mr. and Mrs. Howard Hume, Jap Dickerson, Miss Dorris Campbell, M. L. Simpson, Jr., and Orval Pierce.

Mr. and Mrs. Bob Saunders and little daughter, Bunny, who have been visiting on the West Coast, are here this week to visit her aunt and uncle, Mr. and Mrs. Glenn Weir. They are enroute to their home in San Antonio.

Chamber of ...

(Continued from Page 1)

porting and encouraging civic improvements in Hereford during the current year is under the leadership of President Homer Brunley.

Members of the Board of directors include Lyle Blanton, Francis Hardwick, Bob Wilson, Genn Snyder, Dr. L. B. Barnett, Jim French, and George G. Heard.

In reference to the Chamber of Commerce Week observance, Colvin Brown of the U. S. Chamber of Commerce said, "So long as there is a margin in any American city between what it is as a place to work and what it may become, there is work for the modern Chamber of Commerce. There is no dark mystery about the successful organization of such a chamber. There must be simple machinery, frequent consultations, a short, definite and practical program, officers who inspire confidence, efficient staff, and adequate provision for revenue. A Chamber of Commerce is not debating society nor a training school for orators. It is a project organization. Its committees must be workers instead of talkers."

Secretary Cowart also recalled William Allen White's famous brief essay on the Chamber of Commerce: "The Chamber of Commerce modifies the innate cussedness of the average selfish, hard-boiled, playboyish, penny-pinching, narrow-gauged human porker, and lifts up his snout; makes him see further than his home, his business, and his personal interest, and sets him rooting for his community. The town Chamber of Commerce is giving the first lesson in practical Christianity to millions of savages in America. It is not a full baptism, but it helps. A man, no matter how greedy and squint-eyed he may be, cannot work a year upon any moderately important committee of his town's Chamber of Commerce without being a better father, a better husband, a better citizen, a better brother."

New Automobile Paint You Just Wipe On

Anyone can apply DAB, the new wonder paint for automobiles, by just wiping it on with applicator, or new powder puff. Leaves no streaks on lap marks. Guaranteed for two years and insured by Lloyds of London not to chip, crack, blister, peel or fade. Colors: Black, 2 blues, 3 tans, 2 greens, 3 maroons, gray and beige. Sells for only \$5.95 a quart (enough to paint your car). Buy it from your dealer.

DEALERS are wanted all over the Panhandle (57 counties). Get lined up with DAB, the original.

If your dealer can't furnish DAB order from us direct by mail. We'll ship C. O. D. prepaid, \$5.95 quart. Payment with order will save your the 30c C. O. D. charge. Lubbock Cove Co., 1911-N, Lubbock, Texas.

Santa Fe Aids Tornado Relief In Stricken Panhandle Area

Officials and employees of the Santa Fe Railway earned widespread commendation from organization officials in charge of relief in the Texas Panhandle Oklahoma tornado, torn areas.

A special train carrying medical supplies from Waynoka to Woodward was one of the first relief trains on the scene. It carried 27 of the more seriously injured to Waynoka for hospitalization. Courier nurses from the Scout worked throughout the night in an emergency hospital set up in the First Baptist Church at Woodward.

Scores of employees of the railway at Woodward, Glazier, Higgins and Coburn were injured while a cook employed by the Hanlin Supply Company serving a construction crew was killed at Coburn when the tornado swept work cars off the siding.

About fifteen work cars housing a signal gang at Codman were blown off the tracks but the inhabitants were saved in injury by wrapping mattresses around them for protection.

First evidence of the tornado occurred at White Deer last Wednesday evening when the rear of a double-header freight train traveling 30 miles per hour was struck by a twister and twenty empty cars were hurled off the track. Members of the crew escaped with minor injuries.

President Fred G. Gurley sent word to operating officials of the Western Lines to extend all aid possible. Fresh fruit and vegetables and other supplies were contributed to the Red Cross and Salvation Army.

Work gangs and communications crews from many divisions of the territory to aid in repair of the railway were rushed to the area. Facilities which had been demolished by the tornado. Considerable assistance was also extended to townfolks and relief groups in clearing debris.

Railway officials were hopeful of having signal communications systems completely restored this week. More than 2,000 breaks in company telephone wires were reported.

Another gesture of Santa Fe Railway employees in Amarillo was the contribution of more than \$1,000 to the Globe-News newspaper relief fund for needy in the devastated area.

— (Continued from Page 1) —

Crops were just beginning to suffer lack of moisture in some parts of the county, and farmers in the irrigated section had been busy mowing the pumps during the past two weeks.

The heavier snow-fall in the non-irrigated dry land sections in the northwest portion of the county was hailed by farmers in that area as a great boon when.

Farmers are now preparing to begin planting of potatoes and sugar beets as soon as land becomes dry enough to plow.

Arthur Thompson Takes Over Gulf Service Station

Arthur Thompson this week took over active management of the Gulf Service Station, across north from the City Hall, following purchase of the business by Ireland Motor Company from D. R. Vandever.

Mr. Thompson is well known as a service station operator in this area, having operated a station across from the courthouse in the early days and later the Magnolia station on Highway 60. In addition to a complete line of oils, greases, washing and greasing, the station will also feature repair service, being located east of the new home of Ireland Motor Company on Third Street.

Lloyd Manjeot On Navy Cruise

Are you on a party line?

If you have a party-line telephone, here's a suggestion...

Party-line service is best when everyone on the line is thoughtful and courteous. You can get the most value from your party line by doing these simple things:

1. Keep your calls short and space them as much as possible. That will give the other fellow a chance to call, or be called.
2. Hang up quietly if the line is in use when you try to call. Wait awhile before calling again.
3. See that everyone in the family does his or her part at observing party-line telephone courtesy.

SOUTHWESTERN BELL TELEPHONE CO.

INDIVIDUAL LINES

for all who want them will be available after we have served all the people waiting for telephones. That's our first job now—and it's a big job! When it's finished, we can begin to install the equipment needed to give people the kind of service they want and need.

PLENTY OF ELECTRICITY with the 1947 WINCHARGER MODEL 3227

Plenty of electricity to run a long list of appliances, including refrigerator, washer, radio, iron, vacuum cleaner, toaster, cream separator, milk water pump.

Actually MORE ELECTRICITY than the average R.E.A. customer uses, based on the most recent available "R. E. A. Annual Statistical Report."

32-volt appliances are becoming more and more plentiful. Your Wincharger distributor can put you in touch with dealers in almost every line of 32-volt appliances. So—why wait for electricity? You can have it now by consulting your Wincharger distributor.
