

ANNOUNCING

ECT 'Portrait' Opens Thursday -- Seats Available

This evening at 8 p.m. the curtain at Bell Hurst Theater will rise on ECT's production of "Family Portrait". If you hurry you can still get reservations for opening night.

If, however, you call 629-1141 for reservations and find tonight is already sold out - you may pick among three other performances - Friday, March 15 at 8 p.m., Saturday, March

16, at 8 p.m., and Sunday matinee, March 17, at 2 p.m. All tickets are \$1.50.

Seating without reservations is not guaranteed. ECT has a history of selling out every performance through reservations alone, so call 629-1141 as soon as possible and reserve your place.

Seats are still available for all performances at this time.

TIDBITS

By HVO

SEE YOU at the annual Eastland County Livestock Show this weekend ... and at the Eastland Civic Theatre production of "Family Portrait" at Bellhurst Playhouse also ... Isn't Eastland an interesting, busy place to be?

CONGRATULATIONS TO Mr. Edgar Altom who was honored Monday evening at a Baptist Associational Meeting here for having served the longest term as a deacon in his church - just over 50 years. That's quite a record and Edgar's quite a man, we'd join others in agreeing.

FLEA MARKET continues at the old Majestic Cafe Building on the South Side of the Square. You'll find a little of everything on sale and it's a lot of fun to browse.

AW SO, say many - we said last week that the mesquite weren't out yet! That was a mistake. Mr. Ed Sargeant brought in a tree branch to prove in fact that the mesquite are budding. So does that mean we're home free without another freeze? One other old sign to watch. It thundered here on the 20th of February - and some hold that there'll be frost on the same day in April. We'll see... Cutest response come from a local citizen who wondered if we might ought to come out and examine her mesquite tree, 'cause it's budding she said, and we'd said they weren't so she was afraid, and she wondered if she might have an unusual tree, that didn't know better!

Omar Burleson Day

Tickets for the Omar Burleson Day Celebration to be held on the Courthouse Square in Anson on Saturday, April 20, beginning at 5 p.m., are available in Eastland County. Eastland County Farm Bureau Official Ray Norris, in

charge of local tickets, reports that tickets are available from him, at the Farm Bureau Office on East Main in Eastland, at the Southwestern Peanut Growers Association Offices in Gorman, at the Chambers of Commerce in Gorman, Cisco, Eastland and Ranger, at Eastland National Bank, Cisco First National Bank, First Federal S Savings and Loan of Ranger and First State Bank in Ranger.

Other locations for tickets are to be announced soon, he said.

The event will feature a barbecue dinner catered by the Texas Trails Chuckwagon Co. The bust unveiling will be at 7 p.m.

The steering committee of the "Friends of Omar Burleson" Day celebration met at noon Thursday in Jamaica Inn in Abilene. General Chairman B.J. Gist announced that the work on the bronze of Congressman Burleson had been completed.

New Officers Elected At Rotary Club

Election of new officers and a pitch for "theatre parties" were highlights of the weekly Rotary Club meeting held Monday noon at the Ramada Inn.

Mrs. Virginia Russell, director of the Eastland Community Theatre production "Family Portrait" opening Thursday at Bellhurst Playhouse, was the speaker, and she explained the play, its theme and about this production.

Reservations are now being taken for the play which runs Thursday, Friday, Saturday evenings and Sunday afternoon matinee.

Rotary officers elected who will take office in June are Jerry Matthews, president; J.

T. (Buddy) Carter, vice president; and Larry Kirk, secretary-treasurer.

Club president Charles Marshall presided and Program Chairman Grover Hallmark introduced Mrs. Russell and Mrs. Downs

Funeral Services For Mrs. Leanna Seay Held Wednesday

Mrs. Leanna Rebecca Seay, 82, of Eastland died at 12:45 p.m. Tuesday at a local nursing home after a long illness. Funeral was at 3 p.m. Wednesday at Arrington Funeral Chapel.

The Rev. A.J. Thomas, pastor of the Mangum Baptist Church, assisted by the Rev. Herb Casey, officiated. Burial was in Eastland Cemetery.

Born Dec. 20, 1891, in Eastland County, she married H.W. Seay, Nov. 21, 1909, in Eastland County.

Survivors include her husband of the home; two sons, Roscoe of Odessa and John V. of Eastland; four daughters, Mrs. Lerena Dennis of DeLeon, Mrs. Irene Trotman of Newberry Park, Calif., Mrs. Nellie Carter of Carson, Calif., and Mrs. Willie Fay Simmons of Lubbock; one sister, Mrs. B.H. Jones of Rochester; one brother, Virge Williams of Cisco; 19 grandchildren and 22 great-grandchildren.

Seaberry, play crew member.

Organized in 1966 the Ect Group has had outstanding success, Mrs. Russell told the Rotarians as she urged one and all to come out, and particularly emphasized the importance of theatre parties, in which couples would invite others to attend as a group, making reservations in advance, which are necessary.

Theatre seating is limited - with 76 permanent seats, and the space for 20 chairs, so that the house has a seating capacity of 96. This is why reservations are necessary, and persons are urged to make their early. Seats are available for either performance.

Rotary guests were Charles Wilson and Skeel Fambro, both of Breckenridge.

It was announced the Artist! Jan Herring, in Eastland for a two-week painting workshop, will be guest speaker for the Rotary Club at the meeting next Monday, and guests are welcome. It would be good to advise club members in advance so that seating arrangements may be made.

SPECIAL

OLD - TIMERS NIGHT SET - Plans are being made for a meeting of past, present and hopefully future Jaycees of Eastland. This meeting will be in the Jaycee Hall, located on the south side of square on Monday night the 25th of March. Coffee and cokes will be served. Anyone 18 years and older who is interested in learning how they can be a part of helping to better our Eastland Community is invited to attend. The Jaycees play an important roll in the development of the community. The Eastland Jaycees feel that we have not been able to perform our duty as we should because of the lack of participation from the young men of Jaycee age in our community. Therefore we would urge you to take a few minutes of your time and attend this informal coffee break. We are not asking you to join our organization but simply find out what Jayceesism is and how you might be able to keep it alive and help build a better community for our children.

Livestock Show Opens For Week End

School Out Friday

It's Stock Show time again. The annual Eastland County Stock Show begins today (Thursday) at the show grounds north of Eastland. The junior show has been held at the present location since 1959. However, improvements have been made on the facilities each year.

There is one major change in the show schedule in 1974. The market lambs will be judged at 7:30 Friday night instead of Saturday mornings in previous years. The steers will be judged at 9:00 a.m. Saturday which is earlier than in past years. Other parts of the show remain about the same.

The Eastland County Livestock Raisers Association sponsors the annual stock show. Finances are provided by individuals and business people who purchase ads in the stock show catalogue. Membership cards are also sold for \$1.00 each to help pay expenses.

Over 300 animals have been entered in the 1974 stock show by 4 - H and FFA members reports Bill Claborn, Superintendent of the show. 4 - H and FFA members must have fed, fitted and cared for the animals under the supervision of a vocational agriculture teacher or county agent.

Entries are limited to two animals of any one kind per exhibitor in both breeding and marketing divisions.

THURSDAY, March 14, 1974

10:00 p.m. - All livestock to be on the show grounds and properly entered in their respective places. Hogs will be weighed upon arrival.

FRIDAY, MARCH 15, 1974

8:00 a.m. - Classifying and Sifting

10:00 a.m. - Weigh Steers

10:00 a.m. - Judging Dairy Animals

1:30 p.m. - Judging Breeding Swine

3:30 p.m. - Judging Market Hogs

5:30 p.m. - Judging Angora Goats

6:00 p.m. - Judging Breeding Sheep

7:00 p.m. - Rabbit Judging

7:30 p.m. - Judging Market Lambs

SATURDAY, MARCH 16, 1974

9:00 a.m. - Judging Market Steers

11:00 a.m. - Judging Breeding Beef Cattle

2:00 p.m. - Load market animals to be taken to sale barn for auction.

4:00 p.m. - Start removal of all other livestock.

8:00 p.m. - Auction and presentation of special awards.

FFA NEWS

The Eastland Future Farmers of America held their Chapter Stock Show Saturday before an audience of about 150. The stock show is held each year for the benefit of training new members to the FFA techniques of showing their animals.

Results of the show are as follows:

Lightweight Barrows - 1st Atkinson, 2nd Culpepper, 3rd Mercer, 4th Blizzard, 5th Pinkerton, 6th Pennington, 7th Ables, and 8th Sancillo.

Heavyweight Barrows - Grand Champion - 1st Miller; 2nd Mahaney; 3rd Cannon; 4th Atkinson and 5th Brown.

Gilts - 1st Miller; 2nd Walker; 3rd Brown; and 4th Pinkerton.

Market Lambs - 1st Morgan; 2nd R. Morgan; 3rd Arnold; 4th Sharp; 5th Elliott; 6th Elliott; 7th Williams and 8th Williams.

Southdown Ewes - 1st Simmons; 2nd Simmons.

Calves - 1st Courtney; 2nd McFarland; and 3rd Brown. Judge for the show was Bo C Caraway from Gorman who was also the judge for all classes in the show.

From The Living Bible
There are three things that make the earth tremble: no, four it cannot stand: A slave who becomes a king. A rebel who prospers. A bitter woman when she finally marries. A servant girl who marries her mistress' husband. There are four things that are small but unusually wise: Ants: they aren't strong, but store up food for the winter. Cliff badgers: delicate little animals who protect themselves by living among the rocks. The locusts: though they have no leader, they stay together in swarms. The lizards: they are easy to catch and kill, yet are found in palaces!

Mrs. Kimmey Submits Resignation

I have submitted with regret, my resignation as Eastland County Republican Chairman to the County and State Executive Committees. This resignation, by necessity, is to become effective immediately.

In submitting my resignation I have expressed my gratitude to County, District and State Committees for their dedicated work. Their guidance, loyalty and faith on my behalf as their County Chairman for twenty one months has been most rewarding.

Whenever possible, I will continue to support the Republican Party and hopefully achieve a strong two party system in Texas.

Mr., Mrs. John T. Roberson Honored On 50th Anniversary

A most beautifully planned and entertaining dinner party was given recently honoring Mr. and Mrs. John T. Roberson on the 50th anniversary of their marriage.

Hosts and Hostesses were their daughters: Mrs. Colleen Barker of Copperas Cove, Mrs. Marilyn Crownover of Snyder and granddaughter, Robbye and her husband, Mr. and Mrs. James Fullen of Eastland. Also aiding in greeting the guests were Carlton Crownover, a grandson and Cassie Crownover, a granddaughter, who presided at the guest book. Two great grandchildren: Kellye Fullen and Tracy Fullen completed the family group.

Forty three guests enjoyed the event which brought them to the banquet room of the Ramada Inn in Eastland. The tables were decorated in arrangements of yellow roses and white stock with an assortment of lovely gold pot plants throughout the room. mixed with banks of beautiful greenery.

Iced pink champagne served from a large gold container preceded a delicious meal of stuffed cornish hens, broccoli spears with cheese sauce, baked apples, salad and hot rolls. Dessert was ice cream with hot brandy sauce accompanied by slices of a beautifully decorated three tiered wedding cake served from a side table.

Mr. and Mrs. Roberson met in Breckenridge while attending public schools there. They were married February

EFFICIENCY
IS IMPORTANT TOO!**

Efficiency is a very important part of our conservation program. It's defined as getting maximum results for minimum cost. For example: using natural gas for those jobs it does best. Like heating your home, cooking, clothes drying and water heating. You not only use energy more efficiently, but also cut the cost of your utility bills and contribute to energy conservation.

Some other examples of saving energy and cutting costs are: turning down your thermostat to 68 degrees, cutting your shower time down to 5 minutes and fixing a leaky faucet. (A leaky hot water faucet wastes as much as 700 gallons of water a year plus the energy needed to heat it.)

The Thursday Club Today....

Thursday Afternoon Club Met Thursday

The Thursday Afternoon Club met in the conference room of the Eastland Centennial Library at 3 p.m. on Thursday, March 7, for a regular planned meeting. Mrs. Dan Childress, president, presided during the business session when reports were given and plans discussed for the Annual District Convention of Texas Federated Women's Clubs to be held in Eastland March 22 and 23. The Thursday Afternoon Club will be hosts assisted by the other federated clubs in Eastland, Cisco, Gorman and Ranger.

Group pictures were made of the club members present.

Mrs. E.G. Rice, leader for a Texas Day Program, introduced the speakers Mrs. Marene Johnson - Johnson and Mrs. W.L. Bourdeau.

In discussing her subject, Texas Treasures, Mrs. Johnson told of Marion Sittin, a Longview artist who uses a medium that most people know as a child's coloring book tool, Crayolas. He produces outstanding art works of diffused color and texture contrast in bold simple treatment. Sittin feels one cannot have fun any cheaper. Crayolas work well on the least expensive paper and they are the cheapest medium with which to work.

The five story Texas Archives and State Library was described as a historical treasure chest housing millions of valuable Texas documents on Texas history.

Padre Island, a very interesting subject, proved to hold mystery and adventure from the past by hunting Treasure, Trinkets and Trash with a modern metal detector one such Texas, Bill Mahan, of Garland, is said to be the first to explore the island with this type instrument as early as in the 1930's. His book, "Padre Island, Treasure Kingdom of the World", is considered by many serious treasure hunters to be one of the best on legendary Padre Island. A display of Grimshaw carvings, deep sea shells and coral along with a synopsis of a true story of adventure on Johnson land in Stephens County made for interesting Texas lore.

"Footlights on the Permian Basin" as discussed by Mrs. Bourdeau begins at the Monte Carlo Opera House with Prince Rainer and Princess Grace of Monaco among the elegant

guests when countries from all over the world gathered to participate in a theatrical festival. It was unexpected and a surprise to most that the United States was represented by the Community Theater of Midland, Texas, presenting Edward Able's "The American Dream". It was received with great acclaim as a huge success. The genius behind Midland's Community Theatre was Arthur S. Cole, its director. The membership went from 200

COLLEGE STATION - Without Mother Nature's cleansing rainfall, indoor plants need help to keep leaf surfaces dust-free, one authority points out.

"To keep house plants looking their best, carefully clean them once or twice a month", advises Dr. William C. Welch.

The landscape horticulturist, Texas Agricultural Extension Service, the Texas A&M University System, noted that a wet sponge or soft cloth - rinsed frequently in clean water - offers a dependable method for cleaning smooth-leaved plants.

"If leaves are extremely soiled, use a solution of mild soap and water."

"Those with many small leaves may require a gentle water spray outdoors - with plenty of water."

Refreshments of frosted lime punch, nuts and white cake squares topped with a sugar yellow rose were served by the hostesses: Mrs. Guy Patterson and Mrs. E.G. Rice to the 21 members in attendance.

Two Arrested For Stolen Car

Eastland police officers arrested two white males Sunday afternoon. Billy Dean McLemore, 15, of Dallas, and Walter Dennis Jost, 26, of Denton, stopped in Eastland about 5:20 p.m. Sunday afternoon enroute to Arizona claiming they were broke and needed gasoline. While officers Richard Trail and Jerry Rich were putting gas in the car, a 1028 - 29 record was sent out. It came back that the car was stolen from Arlington. The two subjects were then arrested and the car was impounded. Chief Johnny Morren was called. He took the statements and notified the Dallas Police Department. Juvenile authorities picked up Billy Dean McLemore. The Dallas Sheriff's Department picked up Walter Dennis Jost.

For And About Teenagers

THIS WEEK'S LETTER: I've got a problem and I hope you can help me. There are these three really good looking boys and they all like me - we're all good friends. Almost every night they come to my back door and ask me if I want to walk around with them and the group (7 boys and 4 other girls). They are really good people and they never get into trouble, but I don't feel I would be comfortable walking around at night with this group. I don't really want to go walking around with them, but I don't want to hurt their feelings. Should I give them a light brush off or just keep saying "no"? This group just walks around the block every night. I've asked my mother what

she thinks I should do and she says I should try it. She doesn't see anything wrong with it and she knows that all the kids in the group are good kids. What should I do?

OUR REPLY: It sounds to us as if you are just shy about being in this group. If your mother approves (which she does), we think you should at least give it a try. You might just end up enjoying that nightly walk around the block with the group. And if you don't enjoy it, then you can simply tell them "no" the next time.

If you have a teenage problem you want to discuss or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, COMMUNITY AND SUBURBAN PRESS SERVICE, FRANKFORT, KY. 40601.

The Lord does not command us to comprehend His mysteries. He calls us to consider His mastery. He does not insist that we apprehend His miracles. He invites us to accept His mercies.

Sometimes the way is blocked with our miseries and meanness. So one prayed in Psalm 119:41, "Let Thy mercies come also unto me, O Lord, even Thy salvation, according to Thy Word."

He was a professional diver, but he was as bad as he was bold. One day he was diving on the coast and he saw a piece of paper in the mouth of an oyster.

There, at the bottom of the sea, he detached that leaflet and through his goggles saw that it was a message from the Master. So impressed was he in finding the word of the Lord in such an unexpected place that he cried, "O Lord, I can no longer hold out against Thy mercy since it pursues me here. Save me, or I perish!"

"Mercy," said Jeremy Taylor, "is like the rainbow which God has set in the clouds: it never shines after it is night. If we refuse mercy here, we shall have justice in eternity."

Letters to the Editor

(Note: The following letter is written as a Doctor would write his sick patient.)

Dear Paycheck,

I hope you are getting adjusted after taking another beating the first of the year with the new Social Security increase. It has really been a tough year since your last examination in January 1973. Due to government regulations your last year's immunization was decreased with hopes somehow you would resist all the viruses that would come along. We regretted having to do this but we just couldn't know in advance how bad things were going to be.

Latest tests show you have suffered a 12 percent increase in the Bureau of Labor statistics Consumer Price Index (Jan. 1973 - 127.7, 1974 - 139.7). For a family of four, Uncle Sam tells us this is about 100 per month increase. This added to the increase in cost of living not completely cured from last year means you have really had a slap on the nose.

Internal viruses and economy moves, especially in the transportation field, have wiped out all of last year's dosage for some. Now the predictions for this year promises to be at least as bad as 1973.

We may have to develop some new formula to guard against this cost of living Virus so your condition can at least hold its own from year to year. We are hopeful we can catch up and get you in good shape soon. Now that regulations have expired (April 30).

We have the facts and the experts are working on it and we are hopeful the results will be satisfactory.

Dr. Concerned
P.S. - Thank goodness you are still around some didn't make it.

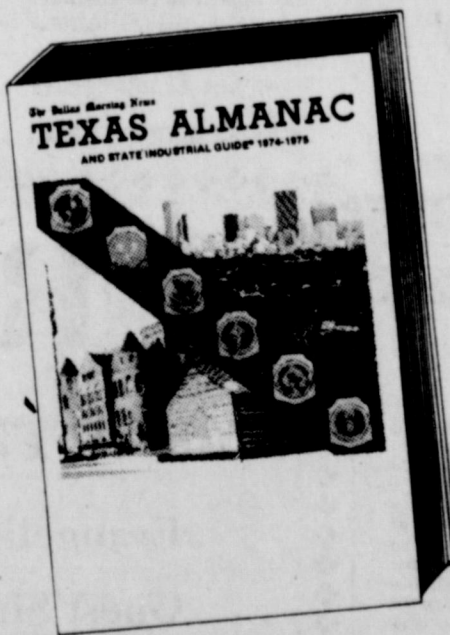

COMMENTS FROM AUSTIN
Rep. Joe Hanna

After days of debate on the House floor, the Education section of the new Constitution was passed. Also considered and passed was the section on Rights and Suffrage. The Executive section was begun on the 8th and will be continued until passed or rejected. It is assumed that it will have several days of debate before it is completed.

Much has been written about the Convention being behind in the proposed 90 days for the consideration. The said 90 days was never voted on and was proposed by the President of the Convention, Price Daniel Jr. While it is perhaps desirable to have a schedule or a time table, there is nothing magic in setting 90 days for the period to work on it. The Education section is very important and concerns everyone in the State. We spend 55 percent of the State Budget on Education, so there will not be anything considered that should be more closely scrutinized. The point is that the important issue is not the quickness with which the Constitution is written, but how good the product is when completed.

With the election on May 4th, some eight weeks away, the members are concerned about not being able to get back in their districts and visit with their constituents. The gas shortage is creating problems of driving late at night or on Sundays, which makes it almost impossible to get back home and do any campaigning. The revision of the Constitution was voted by the people and this is the job for which the legislator was elected and it is very important the he be here to vote and with the hope that the people will understand the reason that he has not been by to visit.

Dear friends,
There are so many negative influences on our children in the magazines, movies, TV, and music of this dollar-conscious era.
More than ever, we should honor and support our teachers, clergymen, scouting, 4-H leaders, and many others who work against heavy odds to teach and inspire our youth in creative living.

Sincerely,

Dale C. Bakker

I Remember

By DICK O'BRIEN

Today I had an experience that caused me to remember the dear old preachers of my childhood days. You know, the kind that preached on the land that flowed with milk and honey until you would have settled for going home to beans and cornbread. The message I heard this morning was so well arranged that I was never at a loss to know what should come next. For instance I once invited a dear old preacher to preach, and he accepted. He announced a text and a subject.

Miss Carla Burrows of Ranger spent the weekend with her sister, Miss Bonnie Rodgers of Eastland.

Marville Hobbs, Donna and Bill of Eastland visited over the weekend with Mr. and Mrs. Russell Stephenson, Tony and Chad of Odell, Texas.

Mr. and Mrs. Pete Tucker and Melanie of Eastland visited Sunday in San Antonio with their son, AB Jerry Tucker of Lackland Air Force Base. They also visited with AB Robert Lewis, son of Mr. and Mrs. R.V. Lewis of Eastland, and AB Ronnie Taylor also of Eastland.

Visiting Sunday with AB Ronnie Taylor at Lackland Air Force Base were his father and sister, Jackie of Cisco and a friend Margie Duncan of Eastland.

John Shelby Carr of Waco has been admitted to the Baylor Law School as a beginning student for the summer quarter of 1974. M Carr is the son of Mr. and Mrs. R.A. Carr of Carbon.

Mrs. James Schlueter of Denver, Colorado, has been visiting in the home of her aunt, Mrs. Zelma Lusk. Also visiting was Mrs. Lusk's daughter, Mrs. Jackie LeFan of Temple. Mrs. Lusk took Mrs. Schlueter to Abilene to catch a plane to Denver and then spent the weekend with her sister, Mrs. Kate Gipson.

He started off fine and I felt sure we were in for a treat. But soon a new thought entered his mind and he took off after it, that one lead to another and on and on it went for an hour and a half. When he was through he was so far from his text there was absolutely no connection.

I learned that day who some preachers preached so long. Since they didn't know exactly where they were going they didn't recognize the place when they got there.

When I bought my first car I told the salesman I wanted to know how to stop it, and then he taught how to start it. I sometimes feel that young preachers should be taught the same principal in presenting a sermon. Too often the congregation gets through before the preacher does. I like that story: where the preacher was preaching on great Bible characters. After more than an hour he said: "now that brings me to Jeremiah the great weeping prophet, where shall I place him?" One tired listener said: "He can have my place I'm going home."

Mr. and Mrs. J.O. Jackson Jr. of Gorman visited Mr. and Mrs. G.L. Whitley Sunday morning.

Mr. and Mrs. E.J. Kinard of Odessa visited Mr. and Mrs. Parks Poe during the weekend.

Mr. and Mrs. Roy Stokes visited relatives in San Angelo during the weekend.

Mr. and Mrs. H.D. Jeffins, Mr. and Mrs. Mikki Austin of San Antonio spent the weekend with Mr. and Mrs. W.L. Wright.

Mr. and Mrs. Curtis White of Ackerley spent the weekend with their nephew and family Mr. and Mrs. J.W. Boling.

Pork Referendum and Producer Board Election

Being certified by the Commissioner of Agriculture of the State of Texas for this purpose, the Texas Pork Producers Association, 2422 Taho, Sherman, Texas 75090, proposes a referendum election on May 14, 1974 under provision of Article 55c, Vernon's Civil Statutes, on the proposition of whether or not the pork producers in the State of Texas shall assess themselves a maximum amount of 10 cents per head on all slaughter animals to be collected at the point of first processing or sale and to elect members of a 15 member commodity producers board to administer proceeds of such assessment to be used for research, predator control, disease and insect control, education, and promotion designed to encourage the production, marketing, and use of pork.

The referendum and election will be held by mail ballot which will be provided to all eligible voters not later than 15 days prior to the election. Ballots

must be mailed to the polling place at Sherman, Texas before midnight on the date of the election.

Any person within this state engaged in the business of producing, or causing to be produced slaughter hogs for commercial purposes is eligible to vote, including owners of farms and their tenants and sharecroppers, if such person would be required to pay the assessment proposed.

Any person qualified to vote at the referendum may place his name in nomination for membership on the proposed commodity producers board by application to the above organization signed by himself and at least ten other persons eligible to vote in the referendum. Such applications must be filed at least 30 days prior to the election date.

Any person qualified to vote who does not receive a ballot prior to April 30, 1974 may obtain one at his local County Agent's Office.

County Voters Urged To Get Registration Certificates

Mrs. Nancy Trout, Tax Assessor - Collector of Eastland County, has stated that only a very few of the voters of Eastland County have contacted her office regarding their current Voter Registration Certificates. Mrs. Trout stated that the Commissioners' Court of Eastland County, recently realigned the voting precincts; accordingly,

each voter in the County should check with her office in order to insure that his or her Voter Registration Certificate shows the correct voting precinct, thereby insuring that the voter's name will be on the correct list of voters furnished to the election judge of each voting precinct.

With the primary elections being held on May 4, 1974, Mrs.

Trout stated that it is important that the voters contact her office as soon as possible in order for the corrections to be made. Mrs. Trout said that any change of a person's Voter Registration Certificate should be done at least 15 days before the May 4 primary, in order that the Voter Registration List can be corrected, and she added that if a person's name is not on the corrected Voter Registration List, they may not be able to vote. Also, Mrs. Trout stated that each voter should bring the Voter

Registration Certificate to her office in order that the change can be made on the Voter Registration Certificate, as well as on her records. She also said that a husband and wife could bring their respective spouse's Voter Registration Certificate, and also, the same privilege, to bring in another person's Voter Registration Certificate, applies to parent and child. Mrs. Trout further said that anyone whose residence is changed to Eastland County must transfer his or her voter registration to

Eastland County on or before April 3, 1974, in order to be eligible to vote in the May 4 primary.

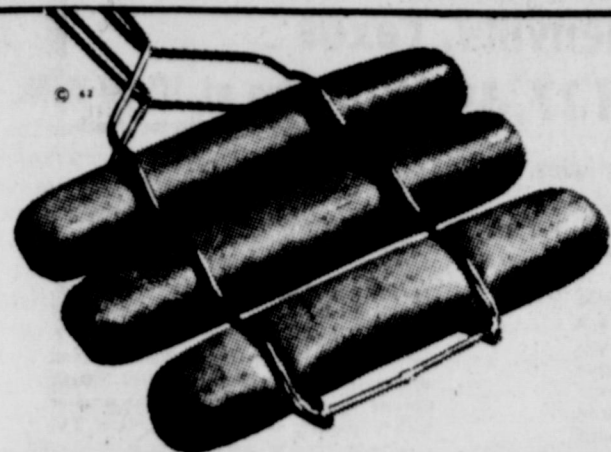

Anyone having any questions about this should come to the office of the Tax Assessor - Collector on the first floor of the Eastland County Courthouse during any weekday, or they can secure any further information by calling Mrs. Trout at 629 - 2211 in Eastland.

Mr. and Mrs. J. T. Belknap of Irving were recent guests of Mr. and Mrs. L. M. Pounds.

Texans Take Pride Of Highways

- Others Are Litterbugs

A well-developed system of safe, convenient highways take the people of Texas to business and pleasure across the state. Most Texans take pride in their highways - but not all. Some Texans are litterbugs.

According to Highway Department Resident Engineer Ralston P. Haun, Jr., the Texas Highway Department has found that most litter is tossed by local people.

"Thoughtless citizens, not tourists or visitors from elsewhere, are mainly to blame for marring the beauty and cleanliness of our highways," Haun said today.

The task of picking up after litterbugs falls to Highway Department maintenance crews. Maintenance foreman for State highways in Eastland County is Owen D. Finley.

"By taking men and equipment away from their job of keeping our highways in good repair," Finley added, "litter pickup costs the taxpayers of Texas nearly \$3.3 million a year."

Haun noted that the nine county Brownwood District,

which includes Eastland County, spends about \$60,000 annually to pick up trash along the highways and roadside parks.

"Litter costs in other ways, too," Haun continued. "Sharp or broken objects tossed on the roadway can rip tires or cause a driver to swerve unthinkingly out of his lane, perhaps causing a tragic accident."

Additionally, litter is unsanitary. Rubbish along highways provides a handy place for vermin to flourish, and pests thrive on carelessly discarded food scraps.

Haun pointed out that no place on Texas highways is far from a litter receptacle. Litter barrels and containers are installed in each roadside park and scenic turnout maintained by the Texas Highway Department. And additional litter barrels have been placed at convenient special turnouts.

"The final solution rests with

each individual," Haun concluded. "When each citizen realizes that littering is not good citizenship - and does something about it - then roadside littering will cease to be a costly problem."

To Drill For Oil

Chaparral Minerals Inc. of Abilene will drill No. 1 C.C. pippet as a proposed 4,100 foot wildcat in Eastland County.

Location is five miles east of Putnam on an 80 acre lease.

It spots 677 feet from the north and 1,050 feet from the east lines of Section 3167, TE&L Survey.

Holds Meet At Merriman

The Christ Ambassador Youth Fellowship held its monthly meeting at Merriman Baptist Church, Ranger, on March 8.

Special singing was provided by several of the churches represented. Rev. T. Gerald Cates, pastor of Highland Park Baptist Church in Abilene, was special speaker for the evening.

The churches represented at the fellowship were Merriman Baptist of Ranger, First Bible Baptist of Mineral Wells, Trinity Baptist of Strawn, Calvary Baptist of Eastland, Oak Street Baptist of Abilene, and Highland Park Baptist of Abilene.

The next Christ Ambassador Youth Fellowship will be held April 12 at Trinity Baptist Church in Strawn.

Shakespeare Workshop

To Be Held March 18th

The next Shakespeare Workshop will be held Monday, March 18th, at 7:30 p.m. at the Bell Hurst Theatre. It will be a study program on the "Merchant of Venice". This play will be televised March 16th. Be

sure to check your local listings for time and station. Gay Hart will head the study program. She said that characterization, character development and plot structure will be covered. All members of the theatre, teachers, students and friends are urged to attend. Refreshments will be served afterwards.

PUNCH LINE OF THE WEEK

4H CLUB

GRAND CHAMPION MAINE ANJOU STEER - JR. SHOW - - Teresa Scott, Eastland Co. 4 - H.

GRAND CHAMPION SIMMENTAL STEER - JR. SHOW - - Neil Scott, Jani Castlberry, Eastland Co. 4 - H.

4-H'ers Bring Home \$75,000 From 10 Shows

Most folks think of the 4-H Club as simply that - a club. However, it's well to note that it's a club that brought some \$75,000 to Eastland County this year.

That makes it a fairly important industry as well as an excellent training program for young people.

That's the report from Assistant County Extension Agent Milton Kelser who spoke to members of the Eastland Lions Club at their Tuesday luncheon meeting at the

Ramada Inn.

Mr. Kelser gave a complete, comprehensive report on the 4-H Club entries and results in the various stock shows this season.

Beginning last September, club members have entered 10 shows through the San Angelo show last weekend - and the results is the \$75,000 total money.

The 4-Hers began last September in Abilene at the West Texas Fair, then moved to Waco where they took seven steers and five heifers, and brought back a champion.

At the big State Fair in Dallas in October counties took six steers and four heifers, placing a first, and brought back \$2,500 in prize money.

At Odessa, the club took four steers, and at the Abilene Fat Stock Show, they had six steers and two heifers.

The club's big show is at Fort Worth to the grand-daddy show where they took 13 steers and 10 heifers. Winnings were big and members sold five of 13 entered, bringing back some \$4,000.

All the way out to El Paso the local 4-H entered four steers and brought home a total of \$5,500.

The San Antonio show was good too with 11 steers and 9 heifers entered and some nice placements.

Of course as everybody in Eastland County knows Houston was the big show with the big win. Teresa Scott of Rising Star had the champion animal and sold for \$40,000. Another animal got \$4,800 and two other steers got \$700 each for a grand total of \$50,000 to Eastland County exhibitors.

Also at the Houston show two counties got calves in the scramble. They were Ken Hansel of Rising Star and Revis Laminac of Gorman.

The clubs took four steers to the San Angelo show and will close out the current season at the local Eastland County Show this weekend.

Then they start getting ready for next year.

Mr. Kelser also showed slides of some of the more exotic heavy-weight breeds now gaining interests in this part of the country.

President Darwin Miller presided.

Commissioners Accepts Bids

Eastland County Commissioners accepted bids Monday on the sale of the county's permanent public school fund bonds.

Eastland County Judge Scott Bailey said the discount bid of \$66,461.45 was submitted on behalf of three Dallas firms through Hamilton Securities of Dallas, resident agent for C.N. Burt and Co., also of Dallas, fiscal agents for Eastland County.

Judge Bailey said the money from the sales of the bonds is expected to be received by the end of this week and would be placed in an escrow account for later distribution to the six independent school districts destined to receive the money.

School districts sharing in the funds will be Eastland, Ranger, Cisco, Gorman, Carbon and Rising Star. The amount each will receive will be based on a formula to be derived by the school's average daily attendance record.

"It will take at least 30 days to determine this and distribute the money", Judge Bailey said.

In other matters the commissioners also accepted a low bid of \$12,000 submitted by Burton Enterprises of Clyde on a used motor grader to replace two used graders now in service in Precinct 3, Rising Star.

WTCC Recommends Amendments

The West Texas Chamber of Commerce has recommended to the West Texas Congressional Delegation that they work for necessary amendments to the Occupational Safety and Health Act (OSHA) of 1970 that would produce changes to make the provisions of the act workable and make it possible for the average business to comply with the provisions.

WTCC believes that changes should be made in some of the provisions to produce changes in standard - settings, compliance inspections, citations, review and appeal procedures, and on - site consultation that will result in a fair and workable act for all concerned.

Joe Collins of San Angelo, Chairman of WTCC's National Affairs Committee, says that "the administering agencies in their zealotness have often overstepped the bounds of reasonableness in prescribing standards, or implementing inspection and other procedures. The very real technical problems faced by employers in complying with this huge and highly complex law are being largely ignored by the agencies responsible for the administration of OSHA. There is a very critical need to find practical and reasonable corrective measures without sacrificing job safety."

75,000 Texas Baptists Sign Petitions

DALLAS - More than 75,000 Texas Baptists have signed petitions urging inclusion of a strong prohibition of parimutuel gambling and lotteries in the new state Constitution.

The petition campaign was instigated by Dr. James H. Landes, executive secretary - top administrative officer - of the 2 - million member Baptist General Convention of Texas.

In less than two weeks, more than 75,000 persons signed the petitions, which will be presented to the convention in Austin.

"The 75,000 signatures are only the initial response by Texas Baptists", said Dr. Landes. "Many other Texans also are strongly opposed to

gambling in this state."

Texas' four United Methodist Church bishops also have recently issued a statement urging inclusion of a strong anti - gambling section in the new Constitution.

Dr. John J. Hurt, editor of the Baptist Standard, the statewide Baptist newspaper, has editorialized he will seek to kill the whole constitution if it does not contain adequate safeguards for the people in the form of strong anti - gambling provisions.

The petitions note: "Gambling made legal by the state is an invitation to crime and a threat to legitimate business. Gambling robs the poor and corrupts government."

They add the signers are appealing "to the delegates to

the Constitutional Convention to include in the new Texas Constitution a provision which rules out parimutuel gambling and lotteries by either the state or private interests.

Phil Strickland, associate in the Texas Baptist Christian Life Commission, said the General Provisions Committee of the Constitutional Convention has proposed a "provision on gambling that is extremely weak and that would essentially open up the state to gambling."
