The Price They Paid

On July 4, 1776, Congress adopted the Declaration of Independence.

This coming Monday, July 4, 1966, most citizens are aware of the meaning of the day.

But have you every wondered what happened to those men who signed the Declaration of Independence?

Five signers were captured by the British as traitors and tortured before they died. Twelve had their homes ransacked and burned. Two lost their sons in the Revolutionary Army, another had two sons captured. Nine of the 56 fought and died from wounds or hardships of the Revolutionary War.

What kind of men were they?

Twenty-four were lawyers and jurists. Eleven were merchants, nine were farmers and large plantation owners, men of means, well educated.

But they signed the Declaration of Independence knowing full well that the penalty would be death if they were captured.

They signed and they pledged their lives, their fortunes and their sacred honor.

Carter Braxton of Virginia, a wealthy planter and trader, saw his ships swept from the seas by the British navy. He sold his home and properties to pay his debts and died in rags.

Thomas McKeam was so hounded by the British that he was forced to move his family almost constantly. He served in the Congress without pay and his family was kept in hiding. His possessions were taken from him and poverty was his reward. Vandals or soldiers or both looted the

properties of Ellery, Clymer, Hall, Walton, Gwinnett, Heyward, Rutledge and Middleton.

At the Battle of Yorktown, Thomas Nelson Jr. noted that the British General Cornwallis has taken over the Nelson home for his headquarters. The owner quietly urged General George Washington to open fire, which was done. The home was destroyed and Nelson died bankrupt.

Francis Lewis had his home and properties destroyed. The enemy jailed his wife and she died within a few months.

John Hart was driven from his wife's bedside as she was dying. Their 13 children fled for their lives. His fields and his grist mill were laid waste. For more than a year he lived in forests and caves, returning home after the war to find his wife dead, his children vanished. A few weeks later he died from exhaustion and a broken heart.

Norris and Livingston suffered similar fates.

Such were the stories and sacrifices of the American Revolution.

These were not wild-eyed, rabble-rousing ruffians. They were soft-spoken men of means and education. They had security, but they valued liberty more. Standing tall, straight and unwavering, they pledged:

"For the support of this declaration, with a firm reliance on the protection of the Divine Providence, we mutually pledge to each other, our lives, our fortunes and our sacred honor."

They gave us an independent America. Can we keep it?

Co-Op Checks Total \$500,000

The Olton community received its annual economic shot-in-the-arm Saturday as Olton Co-op Gin staged its annual stockholders meeting.

A half-million dollars in dividends were passed out to stockholders, the first time for the gin to reach that mark.

A total of \$500,249 went to the stockholders, according to gin officials.

This topped previous records of \$403,000 in 1965 and \$301,000 in 1964.

More than 2100 persons were on hand for the gin's annual

barbecue, staged at the company warehouse.

At a business meeting the stockholders elected Leon Griffin and Larry Witten as new members of the board of directors. They succeed Jack Snider and Forrest Latimer.

Representatives of the co-op oil mill and co-op compress were on hand to give reports at the session.

Present officers of the gin are Willie Gene Green, president; Joe Ed Carson, Vice-president; W. B. Dickinson, secretary; and Royce Collins, Glenn Phillips, Griffin and Witten, directors. Manager is Lloyd Graham.

County Families Better Off In 1965 Than Previous Year

Most Lamb County families were better off last year than in 1964 and they showed it in the way they spent their money.

Bolstered by bigger incomes and optimistic as to their future prospects, they bought a record volume of goods and services.

County retail merchants, because of this, had a banner year. Most of them were able to report solid gains over 1964.

The final tabulations, showing just how the consumer dollar was distributed locally, are contained in a new market study released by the Standard Rate and Data Service.

It reveals, for the local area and for all other sections of the country, how much was spent for cars, for food, for furniture, for clothing and for other articles.

In Lamb County, food was a major item in the budget. Out of every dollar spent in local retail stores during the year, 18 cents went for food.

As a result, grocery stores, supermarkets, bakeries, meat markets and other food emporia in the county had sales totaling \$7,869,000, topping the prior year's \$7,023,000.

This was solely for take-home food. Expenditures in restaurants, lunch rooms and the like are not included.

If this total were apportioned equally among the county's population, it would average \$1,132 per family for food.

Compared with other parts of the West South Central States, this was high. The average was \$1,032 per family. In the State of Texas, it was \$1,118.

The SRDS report indicates that consumer buying was strong, also, in most other retail lines.

Olton Escapes Major Damage

Rain and some hail was the weather story around the area with most crop reports looking good.

"Our cotton and feed are looking better", Mrs. T. C. Kennedy noted this week, adding that they "didn't look too good after the rain for a while."

The Kennedy farm is located seven miles west of Olton.

Mrs. Kennedy mentioned hail about two weeks ago but said that it was "not enough to hurt anything." Along with a number of others, she reported

"just a sprinkle" or rain Tuesday.

Mrs. L. A. Johnson, three miles east and a half north, also noted a sprinkle of rain Tuesday morning and said that the cotton and maize was looking good. She added that the cotton was beginning to square.

Mrs. H. R. Curtis reported .20 inches of rain which slowed wheat cutting somewhat.

"The cotton was looking sick but it's looking better now," she added. Their farm is located eight miles north and two west or here.

Norris Sampler, north of town, reported hail two weeks ago and said he had planted over in soybeans.

He also noted a shower Tuesday morning which "slowed up the harvest of wheat". He is now cutting for a neighbor.

North of Circle, Mrs. J. B. Williams said their wheat was already cut. She reported "just a shower" of rain.

She said that their cotton had hail and they now have young potatoes.

"Lots of weather but very little crop" was the report from Thurston Tollett.

He said that hail had hurt his cotton and "it can't seem to get started again." He had not been able to harvest his wheat because of the wet ground and the rain Tuesday morning kept them out of the field.

T. J. Smith, who farms the Norman Smith farm four and a half miles east, said the cotton "looks pretty good with no thrip and is beginning to square."

He also said his feed and corn look good and will start water in four or five days.

On Earl Copeland's place, all his wheat except a little under water is cut, reporting 62 bushels per acre. He reported rain but no hail. The farm is a half mile east and two miles south of the Smith place.

Mrs. George Redinger reported cotton and feed looking good at their farm four miles east and one north.

"The sugar beets are looking good and we are really pleased with them," she added. She said they fertilized early and have a good stand.

Mrs. Redinger also reported "plenty of rain" earlier and a sprinkle Tuesday morning "which kept them from cutting but they went to cut this afternoon (Tuesday)."

Clyde Ray reported five inches of moisture from the last two rains with very little hail. The farm is located three miles east and three south.

"Soybeans, maize and cotton are all looking real good", he noted.

"Not too good" was the cotton report from Mrs. Charles Galloway, southwest of town. This farm was in the area that had hail earlier.

She added, however, that the feed and corn are "real pretty." She said they had a sprinkle of rain Tuesday morning which didn't stop field operations.

Mrs. Amos Walden said the cotton and feed are "fine" at their place with no hail or rain. She also noted that the castor beans look "real well".

Carnival Coming To Olton July 6

It's carnival time again in Olton.

Next week, July 6-9, is the time set by the Olton Lions Club, sponsor of the annual event.

Rides and games will be open all four nights, as will one of the show's highlights, the duckin' board, in which many of the town's better known residents will be dunked in a tank of water.

Some of those scheduled to hit the drink are Ray Schultz, the school superintendent; Percy Parsons, the undertaker; Charles Polk, the Lions president; and a few other unsuspecting souls.

The carnival will be held on the south side of the square, as in the past.

B. S. Rhodes Carnival again has been contracted to supply the games and rides.

Burgess, Hyman Vows Said In First Baptist Ceremony

The First Baptist Church of Olton was the scene of the wedding of Miss Kathy Sue Burgess and Leo Hyman, solemnized Friday June 17, with the Rev. Bob Schmeltekopf officiating at the double-ring ceremony.

Vows were exchanged before an altar setting of a white accordion screen background with a garland of string of white flowers centered with a Gothic arrangement of white tapers and lemon leaves. Swirls of votive lights, candle trees and floor baskets filled with white gladioli and white mums, and tropical palms completed the setting. Pews were also marked with white felt covers and votive lights.

The bride, given in marriage by her father, R. A. Burgess, chose a white gown fashioned from silk Bombazine and hand-clipped Chantilly lace. It was styled with a close fitting bodice having a scalloped Sabrina neckline with long petal point sleeves. The full lace skirt featured an overskirt of silk Bombazine edged with identical lace, creating a redingate effect. The gown was accented in the back with a Watteau chapel train secured at the neckline with two butterfly bows. The bridal veil of imported silk illusion fell from a pearl-covered crown. The bride carried a cascade bouquet of white orchids and stephanotis, showered with white satin love knots.

For something old, the bride's mother's first wedding band was consealed in the hem of her wedding gown.

Something new was a pair of pearl ear rings. Something borrowed was a garter that Mrs. James Johnson, cousin of the bride, wore in her wedding. For something blue, there was a blue satin love knot in the bride's bouquet.

tired in floor length dresses of blue chiffon and lace, designed with an empire waist. The bodice was accented with a band of blue satin and a lace pleated Watteau panel train fastened at the shoulders with a butterfly bow. They wore matching hats of chiffon and net creating a bow and teared veils.

Each carried nosegays of white carnations and coudy tuff, trimmed with blue velvet hearts and net.

The junior bridesmaid wore a street-length dress made identical to the other attendants' dresses as did the flower girl.

BABE RUTH LEAGUE

Earth Takes Five Wins

Earth took the lead in Babe Ruth this week after five wins, two over Parsons, two over Halfway and one over Straw.

The Straw team, trailing in the league, came on strong one night, however, to down Earth 26-25.

Details of the games follow:

HALFWAY 10, PARSONS 8

The home town team picked up one run in the first inning when Jack Nelson doubled and Charles A. McClain was safe on an error. Nelson was thrown out attempting to score. Joe Schultz singled to Score McClain. Halfway was scoreless although walks to Jackie King, Roger Pinkerton and Charlie Fraga loaded the bases.

In the third, Halfway picked up two runs. In the fourth Parsons' collected a run when Jimmy Ferguson was safe on an error by the third baseman, advanced to second on a later error by the catcher and scored on an error that allowed Willie Sheffield to reach first. Winning pitcher was James Pinkerton, loser was Mike Parsons. JACK STRAW GIN 26

Earth 25

The score of the second game of Thursday night's double header seemed more like a football score as the cellar dwelling Jack Straw Gin team outlasted the top rung Earth team.

In the top of the first, Earth scored two runs on a double by Terry Bridge and single by Kelly O'Hair. Straw Gin made good use of bases on balls, errors and two hits-a single by Barry Cowart and double by Tony George.

Twelve runners got on base before the 1st out was made. At the end of the inning it was Gin 13 Earth 2.

In the second, Earth added three more on singles by Terry Houtchin and Freddie Helms. Fired up by their first inning, Gin tallied seven more. Danny Collins led off with a single, Cowart was safe when the right fielder dropped a fly ball, Eddie Hooper was hit by a pitch to load the bases. George collected his second double to drive in

two runs. Mark Chitwood singled home the third run. Pat Trotter singled to score run number four. Guy Ballard was hit by a pitch to load the bases. Danny Collins collected his second single of the inning to drive in two runs. Two successive walks brought in the seventh run.

In the third, Earth again added two runs and Straw Gin a single tally.

In the fourth, Earth narrowed the lead by adding eight runs. Gin picked up one run when Hooper walked and George doubled. Score was Gin 22, Earth 14. In the fifth Earth added five more. Straw Gin's Collins collected his third hit, a double and Cowart tripled to score run number 23. In the sixth, each team picked up one run.

For Earth, in the seventh, it seemed that victory was once more when five runs put them one ahead. Straw Gin, winless since the first week of the Season, wouldn't admit defeat. Cowart was hit by a pitch, Johnny Lewis made it to first safely when the catcher dropped a third strike and Hooper singled the tying run across the plate. George completed a perfect night, six for six, driving in the winning run. Winning pitcher was Pete Gonzales who faced only one batter. Loser was Terry Bridge.

HALFWAY 19, JACK STRAW GIN 7

Friday night Jack Straw Gin scored five runs in the top of the first inning on hits by Barry Cowart, Johnny Lewis, Eddie Hooper, and Tony George. Halfway slapped right back with 12 runs while collecting only four hits-singles by Mark Gaither, Joe Lopez, Jackie King and Joe Longoria.

Gin added two more runs in the second when Cowart and George picked up their second hits and Mark Chitwood singled.

In the third Halfway tallied three runs and added four more in the fourth to make it Halfway 19, Jack Straw Gin 7. Gin was unable to score in the top of the fifth and the game was called because of a local rule that if any team leads by 10 runs after five innings it shall be called. Winning pitcher was Randy Gaither, loser was Tony George.

Earth 25, PARSONS' 18

Earth led off the first inning, scoring seven runs off hits by Terry Houtchin, Tony Barton, Bobby Cummings and Johnny Dale McNamara. Parsons' almost tied the game in their half

of the first scoring six runs, with Mike Parsons and Jason Latimer collecting hits.

Earth added one run in the second and another in the fourth. It was then that Parsons' captured the lead, scoring seven runs, on hits by Daryl Huguely, Charles A. McClain, Mack Lancaster and Joel Nelson.

Going into the sixth it was Parsons' 14, Earth 11. Earth scored nine runs in the top of the sixth to take the lead. Parsons' added four to make it 20-18.

In the final inning Earth wrapped up the game with five more runs and held the home team scoreless to make it 25-18. Winning pitcher was Terry Houtchin.

Earth 24, STRAW 10

Make up game between Earth and Jack Straw Gin saw Gin fall to Earth 24-10. Gin scored two runs in the first, Earth slamming back with six runs. Gin added four in the second and Earth matched their first inning making it 12-6. Gin added two in the third and two in the fifth, but Earth's lucky number was six, their tally in each inning. The game was called at four and one half innings because of a 10 run lead ruling.

Earth 6, HALFWAY 5

Earth met Halfway June 20 in one of the season's tightest games, winning in the bottom of the seventh, 6-5.

Each team was scoreless for three innings with Halfway tallying the first run in the fourth. In the fifth, Earth scored twice to lead 2-1. In the sixth Halfway regained the lead on two runs and added two more in the seventh. Earth came to bat needing four runs to win. Run number four scored when the third baseman failed to stop a low pick off throw from the catcher.

the first inning for an early lead. Earth scored one run. In the third, Earth tallied two more.

In the first three innings Earth picked up seven runs on eight hits. In the top of the first, Freddie Helms slammed the first pitch of the game for a single with Tony Barton following with a walk. Roy Rivers

singled to score Helms and Terry Bridge singled to load the bases. It was then that Terry Houtchin rapped a sharp hit to the short stop who threw to first to get Houtchin, first quickly threw to the catcher to pick off the second runner attempting to score and the catcher whipped the ball to third to complete the triple play.

Other hits in the second and third innings for Earth were singles by Kelly O'Hair, Bobby Cummings, Steve Sanderson, and Houtchin with Helms tripling for his second hit.

Halfway was hitless and runless for the first three innings. In the fourth Halfway's Randy Gaither doubled and scored on a fielders choice.
