CJD Grants Additional \$77,500 For New Collingsworth-Hall Jail

The Criminal Justice Division of the Governor's Office has notified County Judge Bob Watson that its finance committee has earmarked an additional \$77,594 for the Collingsworth-Hall County Jail Project.

"This gives us a total grant money of \$237,500," Watson said.

The jail's financial problems were taken up in a meeting of the commissioners court

Monday, April 9.

Due to the tremendous amount of money Collingsworth is investing in the jail project, members felt that Hall County should be asked to share maintenance of the new jail on a 50-50 cost basis instead of the 60-40 basis that has been considered all along.

Collingsworth's investment would be around \$435,000, including the present maximum security jail and the

ground on which it sits, plus this county's part of the grant. Hall county would put in approximately \$99,000 plus its part of the grant, according to Watson.

"The commissioners felt this is a little one-sided, especially with the 60-40 split.

The request for the 50-50 split has been made to Hall county commissioners and the Collingsworth court is waiting for an answer.

Hall County did agree to issue certificates of obligations in the amount of \$77,500 so that the project can begin immediately and not wait for finalization of the additional CJD grant.

This second grant would be approved in the June meeting of the Criminal Justice Division in Austin.

Collingsworth Commissioners will go with the low bid of \$485,550 on construction of the jail, Judge Watson said. This was submitted by S&T Construction Co., Inc., of Altus, Okla. This was approximately \$120,000 more than either Collingsworth or Hall counties expected it to be.

"He (S&T) agreed to hold the bid to the end of April," according to the judge. "We went through and pared off some of the expensive items, but with two months of inflation we may not have done anything but break even."

Louis White, district engineer, Texas Department of Highways and Public Transportation met with the commissioners Monday in what was called a get-acquainted visit. It was his first meeting since Commissioners Joe F. Knoll and Raymond Neeley went on the court.

A representative of Lone Star Gas Co. who was scheduled to meet with the commissioners concerning a \$16,000 bill assessed for repair to a gas line damaged by county equipment, an a pending law suit stemming from it, had notified Judge Watson that he could not be present.

Lindley, Oldham, Carter to Board At Samnorwood

Samnorwood School district voters named one new member to the board for a regular three-year term, re-elected another for a similar term and returned a member to complete an unexpired term.

Tommy Lindley, who was a candidate for the first time, received the high vote, 66, to go on the school board.

Gary Oldham, running for re-election, received 57 votes. The third candidate Doug Darrow, was unseated with a vote of 44.

Ronald Carter, who was appointed to the board in

Dodson Ex-Students Meet For Annual Reunion Sat.

Former students of Dodson school will meet for a banquet and to spend an evening reminiscing at their annual reunion Saturday, April 14.

The banquet will begin at 7:00 p.m. at the Dodson cafe, according to Mrs. Howard Hunt, (Jo McKinney) secretary.

Afterwards, the ex-students and their guests will go to the American Legion Hall, across the street for visiting and a short business meeting and program. New officers will be elected. Mrs. Bundy Moore (Jeanette Swift) is president and Mrs. Lonnie Roberson (Barbara Lennon) vice president and program chairman.

The 1939 class has scheduled its 40th anniversary reunion, and that of 1954 may also meet for its 25th reunion.

Absent from the 1939 reunion because of serious illness is Paul Douglas Scott, president of the graduating class, who was in charge of reunion arrangements.

This graduating class was the largest that Dodson ever had, 22 members.

Members, with present addresses and married names of the girls includes:

Scott, president, now of Lubbock but in a Dallas hospital; Ima Jo McKinney Hunt, vice-president, Dodson; Dorothy Mae Stephens Scott, wife of Paul Scott, Lubbock, secretary; Howard Hunt of Dodson, class poet; Jeanette Bowling Teutsch, Lubbock, reporter;

Laura Helen Ford Vandivere, Phillips; Lillian Ruth O'Brien, deceased; Erna Faye Ford Rollins, Hollis; Leroy Scott, California; J.D. Roberts, Lewisville; Moneta Stewart Odum, Greenville; Sammie Alice Wilks Moore, Carthage;

Floyd Teutsch, Lubbock; Bernice Louise Young Killian, Wellington; Dennis Holland, Dodson; Lucy Mae Kessler Roy, Tulsa, Okla.; Leona Cornelius Dickerson, Wellington; Dale C. Stokes, Louisiana; Athan Mayhugh, Newcastle; Elmo Harwell, deceased; Truman Lewis, killed in World War II, and Derwood Jackson, deceased.

Reunion invitations were not sent to ex-students living in Collingsworth County, and all of these are to consider the announcement as their invitation to attend.

150 Quail Ex-Students Expected for Reunion

Plans are complete for 150 Quail ex-students and their guests at the annual reunion banquet Saturday, April 14.

Visiting will begin at 6:30 and the banquet will be served at 7:30 in the school cafeteria.

County Judge Bob Watson will be the banquet speaker. Banquet reservations are still being taken, according to Pam Langley Neeley a reunion officer. While these are desired if possible, they are not necessary, she said. Tickets are \$3.75 each.

In addition to the general reunion and period of visiting and reminiscing, there will be three class reunions: 1949, 1954, and 1969.

Observing its 30-year reunion, the class of 1949 will meet at 5:00 p.m. in the school home economics department, according to Avyrilla Clay White, who is in charge of plans. A large number from this class plan to be here.

All members of this class still living in the area are urged to attend.

Two who live on the west coast plan to be here, June

Howell Tolte of Oregon and Marilyn Watkins Price of Tempe, Arizona, said Mrs. White.

The 1954 class will meet Saturday afternoon at the Heritage Room in Wellington. Mrs. Robert Lacy is making arrangements for this reunion for her son, Wayne Lacy of Overton.

The class of 1969, and their guests, the class of 1968, will meet in the home of Mr. and Mrs. Cary Don Neeley south of Quail.

This reunion will start at 3:00 p.m. and continue until time for the banquet. Those wishing to visit longer will return to the Neeley home after the banquet.

During the business session after the banquet, the ex-student coming farthest to attend the 1979 reunion will be recognized and new officers will be elected.

Carroll of Shamrock will cater the dinner.

Rockets Win a Big One--Amarillo Relays

It came down to the wire at the Amarillo Relays Saturday. The mile relay, the last event of the track meet, would decide the championship. Idolou held a three-point lead before the final race.

Kevin Hall, Chris Lynch, Marty Warrick and Robert Chambers brought the stick around the track four times in 3:27.2 to win the race and give Wellington High School its first-ever Amarillo Relays championship.

The team scored 67 points to edge out Class AA Idolou with 66 points and Class AA Dimmitt with 65 points. Twenty-two Class AA, A and B Schools competed.

It wasn't all downhill for the Rockets Saturday. The sprint relay team, which was running in first place, dropped the baton on the final handoff.

Kevin Hall won first in the 120 high hurdles with 15.0 seconds.

Robert Chambers won first in the 440-yard dash with a time of 50.2 and first in the long jump with a leap of 20 feet, 8 inches.

Tim Anderson finished third in the 100 yard dash with 10.2, and second in the 220-yard dash with a time of 22.9 seconds.

Juan Granados took fifth place in the mile run with 5:02.8.

Chris Lynch finished sixth in the 440 yard dash with a time of 53.1.

"We were happy to win the Amarillo Relays," Coach Phil Bailey said, "but the important one (the District 2-A meet) is coming up April 17 at Shamrock."

Both varsity and junior varsity teams will compete at Shamrock next Tuesday, Bailey said.

"It's going to be a closer district meet than many people expect," Bailey said. "Clarendon and Shamrock both have good teams and White Deer has a good sprinter. Clarendon and Shamrock both have 10.1 sprinters."

Three Class A state champions will be competing at the district 2-A meet. Yayo Salinas of Memphis won the Class A 800 meter run last year, and Pruitt of Panhandle won the Class AA 800 meter run last year. And Wellington's Robert Chambers won the 440-yard dash last year in

Austin. Field events at the district meet will begin at 11:00 a.m. Running preliminaries will begin at 2:25 p.m., and running finals are scheduled from 6:00 p.m. through 7:40 p.m.

Competing for the Rockets in the sprint relay team will be James Thomas, Chris Lynch, Tim Anderson and Robert Chambers.

Other events and team members are 800 meter run: Marty Warrick, Lennie Archie, Calvin Culpepper;

110 meter high hurdles: Kevin Hall, Jon Sessions and Jody Coleman;

100 yard dash: Tim Anderson, James Thomas and Darrell Thomas;

400 meter dash: Robert Chambers, Chris Lynch and Kenneth Warren;

300 meter intermediate hurdles: Robert Powell, Jon Sessions and Jody Coleman;

200 meter dash: Tim Anderson, Ricky Jones and Richard Garcia;

mile run: Juan Granados;

mile relay: Kevin Hall, Chris Lynch, Marty Warrick and Robert Chambers;

long jump: Robert Chambers, Kevin Hall and James Thomas;

shot put: Terry Manuel, Richard Garcia and Carl Taylor;

high jump: Jon Sessions, James Thomas and Kevin Hall;

Quail Incumbents Re-elected But Write-in Voting Heavy

A write-in campaign that developed almost unnoticed until the day before the Saturday, April 7 election polled a strong vote, but failed to place anyone from the slate on the Quail School Board.

One of the largest turn-outs in recent years, approximately 150 voters, returned all incumbents by approximately 90 votes each. The write-in candidates polled from 50 to 56 vote each.

There was a write-in candidate for every slot, three for regular three-year terms and one for the one-year unexpired term.

Returning to the board for regular terms were John Farris with 90 votes; Jim Kennedy 91 and Donald Langley 91.

On the write-in slate, Earl Patterson received 56 votes, Allen Havens 56 and Jimmy Coleman 56.

W.R. Ward had 8 write-in votes and Andy Bell one.

Don Hall, appointed recently to fill an unexpired term, was elected with 87 votes to complete the one year remaining. W.R. Ward received 50 votes as a write-in candidate, Coleman three and

Patterson three and Havens one.

These are the unofficial returns announced by Wilford Arthur, superintendent, after the votes were counted.

The official returns will be available after the election is canvassed.

Farris and Kennedy live in Donley County and represent the old Bray-McKnight school districts. It has been customary since their consolidation with Quail many years ago for the two communities to be represented on the school board.

MISS WELLINGTON, 1979

Freshman Debbie Bergvall, a blue-eyed blonde, was selected as Miss Wellington for 1979 at the annual beauty contest Saturday, April 7. Debbie makes her home with her aunt, Mr. and Mrs. Eddie Maxwell.

Kiddie's Easter Egg Hunt Sunday

Children from throughout the Wellington trade area--those who live here and those who will be visiting--will attend the annual Kiwanis Club Easter Egg Hunt Sunday, April 15, in Ellison Park. It will start at 3:00 p.m. Everyone from toddlers to boys and girls through 11 years is invited, according to Jake Leach, chairman.

Two thousand brightly colored candy easter eggs will be scattered through the park, and sections will be roped off for each age group, to insure

that every child has an opportunity to find a share.

Kiwanis Club members will be present to direct the hunt and families of the youngsters are invited to be at the park to watch the fun.

The Wellington Kiwanis Club is 50 years old this year, and the children's Easter Egg Hunt has been an annual project from the beginning.

Members believe there may have been a year or two during World War II that the hunt was not held, but the project was not abandoned.

Bowen, Coleman, Feemster Named to Hospital Board

County voters Saturday named Mrs. H.H. Bowen, Dee Coleman and Elmer Feemster to the Collingsworth General Hospital Board, replacing three directors who did not seek re-election.

Unofficial election returns gave Mrs. Bowen a high vote of 534; Coleman 480; and Feemster 431.

The other candidates were Mrs. Ernest Harwell, 421; Paul Spillman, 283; and Granvel Harrison, 236.

The election will be canvassed at the regular meeting of the hospital board Monday, April 23, and the

new directors will be installed, said Morris Barcroft, hospital administrator.

Retiring directors are Clyde Drake, Truett Holland and J.C. Howell of Dodson.

Holdover directors are Otis Emmert of Quail, chairman of the board, Lyman Daniel, Bill Janes, and Tom Cunningham of Samnorwood.

The vote by boxes over the county gave this unofficial count:

Mrs. Bowen: Wellington - 411; Dodson-29; Quail-70; and Norwood-24; total 534.

Coleman: W-324; D-35; Q-58; and N-63; total 480.

Feemster: W-276; D-26; Q-63; and N-66; total 431.

Harwell: W-279; D-31; Q-69 and N-42; total 421.

Spillman: W-192; D-16; Q-28; and N-47; total 283.

Harrison: W-139; D-55; Q-30; N-12; total 236.

Of the new directors, Mrs. Bowen is owner-operator of a frame shop and is coordinator of Collingsworth Volunteer Ambulance Service. Coleman is a rancher in the northwest part of the county and Feemster has farming interests at Quail.

Mrs. Sherman Heads Willow Creek Golfers

Wednesday ladies day at Wellington Country Club and the newly organized Willow Creek Women's Golf Association took advantage of a fine spring day to get in an afternoon of golf.

Before playing the members had a salad luncheon and short business meeting was conducted by Mrs. John Sherman, president.

The slate of officers elected included Mrs. Sherman, president; Mrs. Jack Sanford, vice-president; Mrs. L.B. Bratten, secretary-treasurer.

Committees for the coming year were appointed.

Members pointed out that women interested in golf that ladies day is each Wednesday, with play starting at 1:00 p.m. and on the first Wednesday of each month, a luncheon is held at 12:30. "Come on out and join in the fun," they said.

Boys Doubles Win 2-A Tournament

Wellington High School's boys doubles tennis team won first place in district 2-A at the district tennis tournament held at Ellison Park Wednesday and Thursday, April 4 and 5.

The boys doubles team (Carl Taylor and Stacy Urban) will be the only WHS contender at the regional tennis meet in Odessa.

Taylor and Urban defeated Clarendon 6-1, 6-1 to win district 2-A here last week.

In boys singles, Micheal Roden of Memphis beat Lynn Behannon of White Deer 6-3, 6-3 for first place.

In girls doubles, Phillips and Farris of Memphis beat Fowler and Montgomery of Memphis 6-2, 6-2 for first place.

Two-time state Class A champion Sonya Hutcherson of Memphis defeated Anna Cooper of White Deer 6-0, 6-0 to win girls singles. Jannon Thomason of Wellington won first round of play before being beaten by Hutcherson. Carol Ann Daves of Wellington was defeated by Cooper in the first round.

In boys singles, Wellington's Scottie Ingram went down in the first round, and Brent Long made it to the semifinals.

No More Chewin' or Dippin' on Rocket Express

Wellington School Board, at regular meeting Monday, April 9, ruled out chewing tobacco and dipping snuff on the Rocket Express bus and put into force new rules for keeping the bus clean.

The board placed John Birkey in charge of cleaning and maintenance and put into effect a policy whereby the sponsors of each group using the bus are responsible for cleaning trash and food from the bus immediately after each trip. The board also prohibited the wearing of spiked shoes on the bus.

The board also said that groups which do not comply with the new rules will be prohibited from using the bus until the board gives them approval to use it again.

The action came after citizen reports to the board that the bus, which was bought in 1977 by the Booster Club through donations from the community, was filthy. The bus has been out of

commission for several weeks because of engine trouble.

The board previously had no written policy on use or maintenance of the bus.

The board also asked Birkey to report quarterly directly to the board on the status of the bus.

And board approved a fund of \$25 to be used to wash the bus for the remainder of the 78-79 school year.

In other action, the board canvassed Saturday's election and swore in the three incumbents who were re-elected: Jerol Morris, Carroll Nunnelley and Benson Long.

In the following officer election, last year's officers were re-elected to their posts: V.K. Orr, Jr., president; Frank Coleman, Jr., vice president; and Carroll Nunnelley, secretary.

The board hired Pat Ford as an aide in the business office, and hired as custodians J.B. King, Charles Mathis, C.W. Ledbetter, Lea Ledbetter and

Maria Granados for the '79-80 school year.

Cafeteria personnel hired for the '79-80 year were Juanita Hopper, manager, Freida Moody, assistant manager, and Joyce Harris, Betty Campbell, Lorraine Moody and Barbara Reynolds.

Bus drivers hired for the '79-80 school year are John Birkey, Rodney Bailey, Loyd Hayes and Ted Cantu.

The board also voted to purchase a 16 mm. sound film projector from Ruth Norman for \$450. The school has been using the projector for the past two years, Supt. E.W. Clement said.

All votes were unanimous. Present were V.K. Orr, Jr., Benson Long, Harold Wayne Moore, Jerol Morris, Kirby Campbell, and Carroll Nunnelley. Frank Coleman, Jr. was absent.

Pocketsize Booklet Offers Texas Facts

AUSTIN--A new pocketsize booklet from the Bureau of Business Research at The University of Texas distills into 92 pages many of the pertinent facts about Texas.

"Texas Fact Book 1978," through maps and figures, gives a quick reference to many aspects of Texas including its geography, population, income, employment, manufacturing, trade, agriculture and dozens of others.

Among nuggets of data contained in the volume are: The median age of Texas males in 26.6 years; the Killeen-Temple area had the greatest population increase of any other Texas region

Surplus Wild Turkeys to Other Areas

CLARENDON -- recent trapping operations by the Texas Parks and Wildlife Department netted the biologist 50 wild turkeys which were transported to southeast Texas and released in areas with little or no turkey populations.

"The weather has hampered our attempts to catch the Rio Grande turkeys but, we finally made a good drop on ranch near Clarendon and removed 17 gobblers and 37 hens from the large flock of birds," said David rideout, wildlife biologist.

Boxes were at Wellington and Dodson.

VFW-Auxiliary Set Work Night Tuesday

The regular Veterans of Foreign Wars-Auxiliary covered dish social will not be held Tuesday, April 17, Commander Tony Stephens announced.

Instead there will be a "clean up" party in preparation for the District 13 VFW convention scheduled for Saturday and Sunday, April 28 and 29.

"We don't lack much being ready but we do need help because only a few members have been working. This will be the second district convention Wellington has held in the past 25 years and we want to have a really nice one. There will be a dance Saturday night open to the public featuring the Country Edition from Childress."

WHS Girls Qualify for Region 1 Track Meet

Wellington Rockette track team placed third in the District 2-A competition and will participate in the Region I meet at Odessa Friday and Saturday, April 20 and 21.

The team had a total of 123 points in the Shamrock event Tuesday, April 3.

Wellington girls came in first in the four of the 12 events they entered. Suzy Chandler took shot put honors, while Valerie Van Pelt was first in the 400 meter dash and Vanessa Ingram repeated in the 1600 meter run. The 1600 meter (mile) relay team also finished in first place.

Participating at Odessa will be Class A teams from the Panhandle and all of West Texas.

Individual 2-A winners were:

Long jump: 3. Laura Gragson, 15.3-3/4.

Shot put: 1. Suzy Chandler, 33'9".

400 meter relay: 3. Wellington, Pam Ingram, Kathleen Reeves, Mary Sue Thompson, Laura Gragson, 51.4.

Norwood Pet Vaccination Slated After Skunk Killed

A rabid skunk was killed at 21 as vaccination day for all Samnorwood School Thursday, April 5, and plans are being made for a pet vaccination day at Samnorwood next week.

The head of the skunk that Samnorwood Lions Club has tentatively set Saturday, April 21 as vaccination day for all community pets. The program will be held at the school, Tommy Lindley said this Thursday tested positive for rabies, and that skunk was known to bite two dogs, Lindley said.

Lindley said that Dr. John Galbreth, Region I State Department of Health veterinarian in Canyon, has said that Collingsworth County has the highest reported number of rabies cases of any county in the panhandle.

"Skunks are normally shv. nocturnal creatures," Lindley said. "If you see an aggressive skunk during the day chances are that it's rabid."

Heads of all skunks that are killed here should be turned over to Mark Fires, D.V.M. in Wellington, Lindley said, or Lindley will come get the skunk and send it off for rabies testing free of charge.

A computer has been developed that is able to store 250,000 to 500,000 units of information.

Thank You!

I appreciate everybody who voted for me, and those who got out and worked for me during the School Board campaign.

If any taxpayers have questions, complaints or suggestions to improve operations of the school, please let me know.

Congratulations to the FFA team that went this week to the state contest at Stephenville.

LAND JUDGERS

Wellington High School won third place in land judging in Greenbelt District FFA contest held here last week. Among the ten team members were, from left, Delmar Turner, Jackie Fowler, Jimmy Morgan and Derrick Warren.

Norwood Team to State

Samnorwood FFA range and pasture team will compete in the State judging contest in Stephenville Thursday, April 12, after winning the Area I contest in Canyon Saturday.

Team members are Lowry Schaub, Randy Breeding, Jody Knoll and Mike Bentley. Going with them to the state contest will be their instructor, Jimmy Brown.

The Norwood boys won the area event over approximately 12 other teams. Altogether, an estimated 1,300 students participating in all events. This was part of the West Texas State University invitational, which also serves as the Area I contest.

Samnorwood land team, made up of sophomores, placed seventh in the overall competition and 5th in area. Members were Lynn Tate,

Russell Schaub, J.D. Ray and Dwayne Myers.

The plant identification team came in third in the area contest. Rex Paschall was second high individual and Mark Wischkaemper fifth. Other members were David Tarver and Albert Alfaro.

The land and plant identification teams will compete in the Texas Tech invitational Saturday, April 21, Brown said.

Range and pasture judging is a new contest this year and in some ways is similar to the land judging.

During the on-site judging, the boys determined the surface, texture and slope of the land. Next, they determined the type of vegetation

being sought, seed preparations, and soil amendments (what must be added to it.)

Using on-the-range condition sites, they determined the degree of utilization, condition of land class, and determined if the plant to be used was a decreaser (one that decreases with grazing) or an increaser (one that increases with grazing.) An example of the former is little blue stem grass, an increaser is side oats or buffalo grass. Still a third group is the invader, such as mesquite.

Ten range practices were checked and 20 plants were identified in the field.

Olive trees sometimes live more than 1,000 years.

Mayor, Two Council Members Returned

Wellington voters returned an unopposed mayor to office, along with two city council members who drew opponents, in the city election Saturday, April 7.

Billy Hatch was elected to a fourth term as mayor with 404 votes.

Ralph Owens, who was serving an unexpired term, was returned for a full term with 349 votes and Tom Wilkins was returned for a fourth term with a 253 vote.

Other candidates were Carroll Daves, who polled 238 votes, and 80-year-old A.C. Shipley, who received 145 votes.

These are unofficial returns, and the election will be canvassed at the next meeting of the city council Monday, April 16, Mayor Hatch said.

Henry Sullivan a former member of the city council, received four write-in votes for

mayor and John Givins received one.

Mrs. Louis Allred received two write-in votes for city council.

Suspect any "secret remedy" that is available from only one source, advises Carla Shearer, health education specialist with the Texas Agricultural Extension Service.

Such "cures" or treatments are probably useless, and they might be dangerous, the specialist warns.

Certified Seed Pays

In side-by-side field tests, cotton researchers have proven that certified seed produces higher yields than farmer-saved or select seed of the same varieties. And the extra production — as high as 18% more lint — is more than enough to pay for the cost of planting the certified varieties.†

Before you plant another row of non-certified seed, consider the advantages you get from Pioneer, brand certified cotton planting seed:

- Certified cotton planting seed from Pioneer has not undergone genetic deterioration in the field. Volunteer plants and undesirable cross-pollinations have been eliminated.
- Certified cotton planting seed from Pioneer is free from pests and weeds which often accompany non-certified varieties. You can be sure of the purity and uniformity in the seed and the crop it produces.
- Certified cotton planting seed from Pioneer is carefully handled and stored to avoid contamination by other varieties. Then, if it doesn't meet high standards for germination and purity, it's not used.

Certified LX571* Your hedge against drought. Produces top yields of high quality cotton even under tough, dry conditions.

Certified Lankart 57 Long-time favorite on dryland. Consistently good yielder with excellent fiber qualities.

Certified Lankart 611 Early-maturity favorite. Vigorous plants produce large bolls of high quality lint. Good stripper.

CHERRY BLOSSOM PRINCESS

Congressman and Mrs. Jack Hightower with their daughter, Alison, the 1979 Cherry Blossom Princess for Texas at a Congressional Reception for princesses held Tuesday night in Washington.

Alison Hightower Takes Part in Cherry Blossom Festival Events

(Washington, D.C. Texas' Cherry Blossom Princess Alison Hightower, daughter of Congressman and Mrs. Jack Hightower of Vernon, joined her parents in Washington for the week long Cherry Blossom Festival activities which began with the lighting of the ancient Japanese Lantern at the Tidal Basin Monday evening and ended Saturday night with the 1979 National Cherry Blossom Ball.

The Japanese cherry trees, 3,000 of them donated to this country in 1912, were in full bloom providing a fragile and fragrant setting of pastel pink for the opening ceremony and the presentation of Princesses, representing the 50 State

Societies which have organizations in the nation's Capitol. The first night ceremonies were followed by a reception for Princesses and their families at the Japanese Embassy. During other mid-week activities the princesses were presented at a Congressional reception and Luncheon Fashion Show at the Shoreham Americana Hotel. They enjoyed a private tour of the White House where President and Mrs. Carter greeted them, a tour of the Washington National Cathedral, the Smithsonian, the State Department, and other points of interest in Washington.

Each Cherry Blossom Princess exchanged gifts repre-

sentative of their state. Miss Hightower's gifts to the other princesses were a miniature bale of cotton and a Texas-manufactured game.

Miss Hightower, a Baylor University freshman, was honored Thursday night at a reception on Capitol Hill, hosted by her parents, Congressman and Mrs. Jack Hightower.

About 125 Washington area friends were served Cherry Blossom Cheese Cakes, pecan tarts, cheese ball, assorted finger sandwiches, fresh vegetables and dip, and pineapple boats filled with pineapple chunks and strawberries, coffee and punch.

Cherry Blossom Cheese Cakes

1 lb. pkg. Vanilla Wafers
2-8 oz. pkgs. cream cheese
¾ cup granulated sugar
2 beaten eggs
1 teaspoon vanilla
1 can prepared cherry pie filling

Mix cream cheese, sugar and eggs until smooth and add vanilla. Crumble vanilla wafers and spoon some into each cupcake paper. Fill ¾ full with cheese mixture. Bake at 375 for about 15-18 minutes or until some of the cakes begin to crack on top. They should still look white-not brown. Cool. (They can be frozen.) When serving spoon on a cherry or two and a small amount of filling on each cheese cake. Makes 55 miniature or 25 muffin size.

Members of Top of Texas District, Texas Federation of Women's Clubs, convened for spring convention in Dumas at the Dumas Inn on April 6-7.

Collingsworth County clubs and members were represented in several special ways.

An invitation to host the 1979 fall board meeting and workshop was extended by Mrs. Bill Beall on behalf of 1954 Study Club, 1924 Study Club, Dodson Civic Club.

Mr. and Mrs. Raymond Tabor Honored on 50th Anniversary

A 50th anniversary reception honored Mr. and Mrs. Raymond W. (Boley) Tabor of Dodson Sunday, April 1, in Nellie's Cafe dining room.

Reception hosts, who also received the guests along with Mr. and Mrs. Tabor, were their daughter and son-in-law, Mr. and Mrs. William Horton of Shawnee, Okla., a daughter-in-law, Mrs. Sammy Tabor of Borger, and grandchildren, Lelia Horton of Shawnee, Mrs. Dannie Bell and Robert Tabor of Borger.

The reception table was laid with a gold satin cloth trimmed with lace and centered with a large arrangement of yellow roses. Crystal and gold appointments were used.

Mrs. Don Proffitt of Estelline poured and Mrs. Dean Crenshaw of Hollis cut the cake. Both are nieces.

Guests were registered by Mrs. Robert Tabor.

Displaying gifts from the lace covered table were Dede Hudspeth and Mrs. Howard Elbert, who also tended the white money tree, trimmed with gold ribbons.

Seventy-eight friends and relatives registered during the afternoon, coming from Dodson, California, Wheeler, Midland, Borger, Amarillo, Memphis, Childress, Wellington, and Hollis, Oklahoma.

During the day, the couple also received phone calls from Washington, Arkansas, Missouri, New Mexico, Oklahoma, California, Florida and points in Texas.

Mr. Tabor and the former Veona Crownover, both of Dodson, were married March 29, 1929 in the Wellington courthouse by the late Judge P.W. Myers, Justice of the peace. Their attendants were Claudie Seymour and Irene Wallraven, who also lived in Dodson at that time.

Mr. Tabor is a retired farmer and for a number of

years also worked at the Dodson Farmers Co-op Gin.

He was born at Decatur, son of the late Mr. and Mrs. John Wesley Tabor. The family arrived at Dodson Sept. 14, 1914, after making the trip in a covered wagon. He attended Dodson schools.

Mrs. Tabor, whose parents were the late Mr. and Mrs. William Robert Crownover, was born at Sidney, Ark., and attended school there. They moved to Dodson in August, 1927.

Their children were Billie (Mrs. Horton) and Sammy Tabor, who died May 31, 1977.

Mr. and Mrs. Tabor are Baptists.

Mr. and Mrs. Bud Griffin of Amarillo visited with her mother, Mrs. S.L. Lindsey, Sunday.

Mr. and Mrs. Alvin Horton were in Jacksonville Sunday to visit her niece, Mr. and Mrs. Glen Stevens, who is seriously ill.

Mrs. P.E. Lowrie and Mr. and Mrs. Stewart Knight, Jay, Stephanie and Jeffrey of Quanah were weekend visitors in the home of Mr. and Mrs. A.V. Lowrie of Dodson.

Guests in Starr Home

Here recently to visit Mr. and Mrs. P.E. Starr were her son, Mr. and Mrs. Tom C. Davis of Laramie, Wyoming. They were en route home after spending the winter in Tucson, Arizona. Within a short time they will move to Colorado Springs, where they lived a number of years ago.

Other visitors were a granddaughter and family, Mr. and Mrs. Hugh Lee Simmons, Sarah and Gregg of Canyon, and Mrs. Starr's sister, Mr. and Mrs. Norman W. Morton of Oklahoma City.

Mr. and Mrs. Bud Griffin of Amarillo visited with her mother, Mrs. S.L. Lindsey, Sunday.

Variety Marks Program Series for 1924 Study Club

The members of 1924 Study Club have been having much variety and diversity in programming this season.

On April 5 with Mrs. Truett Holland as hostess there was a food safety program. Miss Jean Chandler, Collingsworth County Extension Agent, presented "Foodborne Illness" with posters as visual aids.

Pamphlets telling of causative agents and preventive measures outlined the usual and unusual causes or

organisms of foodborne illness. Miss Chandler emphasized preparation and storage of foods for home meals, picnics and for canning and freezing.

There was also audience participation on this vital subject.

At an earlier meeting with Miss Hattie D. Wells as hostess, the members were tested on a segment of the Texas Federation's training seminar on free enterprise, sponsored by the Institute on

Excelsior Has Meeting

Miss Hattie D. Wells and Mrs. Russell Yates were hostesses when Excelsior Club met Thursday evening, April 5, in the directors room of Greenbelt Electric Co-operative building.

The program was a round table discussion by members when each named her favorite artist and paintings.

A dessert plate was served

to Miss Bonnie Willis, Mrs. Robert Barjenbruch, Miss Dorothy Robertson, Mrs. Lowell Wells, Miss Rose Shadid, Miss Marie Shadid, Mrs. E.F. Bartlett, Miss Hattie D. Wells and Mrs. Yates.

Other Editors Say . . .

Inflation

The balloon in a cartoon over two figures sitting on a park bench read: "Inflation is the neutron bomb of economics. It destroys everything in your bank account while leaving the figures intact."

A cleaner, more simple and concise explanation would be difficult to find. On the other hand, it isn't entirely literal, especially when money in the bank is in a savings account. A \$1,000 in a savings account for not too many years can double itself. The rub comes at the end of the period of savings. What will it then buy? Will accrued interest make up for the increased cost of land, housing, cars, whatever? Unfortunately, no. The result then is that it has come to pass that we live in a time when it seems that it doesn't pay to save.

And that we think is a very sad commentary upon the world in which we live.

Letters from the People

Dear Editor:

Let's change our subject just a little from government to our local people.

In 1969 my husband, being ill, brought us back to Collingsworth County for the second time to live. Having two sons, their families: a daughter and son-in-law and family here. In 1973 we lost our loved one from cancer and after eleven years of the disease, all of our life savings, or most of it, was gone, this by the way had been from farming, I can say was hard; however, we used all resources and income for our family and making the next year's crop!

We were a family of three sons and three daughters, one passing on at birth, eighteen grandchildren, three families with eleven of those grandchildren in Wellington and to my delight as this was April 1, National Library week even though my name was not mentioned once, I am your "acting" Librarian, worked hard to have a good week. But happiest and proudest of all when I read this Thursday, April 5, Wellington Leader one to remember that is pages two, nine, and thirteen, and had the pleasure of seeing the honorable mention of four of those grandchildren in this one paper. Our youngsters are truly the "Treasurers of

Texas" which will be our Summer Reading Club theme.

From a grandmother who is bursting with pride, names in paper are Kathy, a college student; Roy her brother; Karon and Ronnie, elementary students; and Eddie Paul was not in the paper but was on the register at Library Open House Day for Children. Thank God for all young people who will surely be our leaders of tomorrow. As a Grandmother who has gone to night school, studies every book on Library work and is trying so hard to make a good public servant at this late day in life. We never get too old to learn.

Let us please pray and give a helping hand to our elected officials, they need it, and you and I help put them in office. The saying "those who are perfect throw the first stone," There will not be a stone thrown and words can hurt worse than stones, remember, and can be made so much larger as they pass along the way.

Please visit your Library, if not to read, just to visit. Give suggestion on ways of improvements.

Thanks, Mother, Grandmother, Great-grandmother, Neighbor and Public Servant.

STATE CAPITAL HIGHLIGHTS

TEXAS PRESS ASSOCIATION

AUSTIN—What consumers pay for a gallon of gasoline will be going up again. Soon.

In the near future, what it costs to fill up your car or truck will definitely jump four cents a gallon. But don't blame the politicians. That price increase is the work of major world petroleum producers, such as Iran and Saudi Arabia, that announced this week an 18 percent jump in what they charge for a barrel of oil.

Down the road even further, another five cents will probably be added to the price we pay for a gallon of gas. This time you can blame the politicians.

That extra nickel we'll be paying at the gas pump will come as the direct result of lifting price controls on what domestic producers of oil get for their product. President Carter appears to be on the verge of making such a move. After June, he will have the power, given to him by the 1978 federal decontrol act, to do so.

Most oil industry executives in Texas and elsewhere have called long and hard for abolishing regulation of domestic oil prices. Gov. Bill Clements wants "immediate decontrol."

The Texas Energy Advisory Council, the state's main source of official advice when it comes to energy, passed a resolution almost two months ago calling on the federal government to lift price controls. Lt. Gov. Bill Hobby and Speaker of the House Bill Clayton are members of the council.

The hope is that doing away with price controls would mean a surge in domestic oil production. Everyone agrees that prices will go up, but maybe, just maybe, it will put a dent in this country's reliance on foreign oil.

Windfall Profits?

With the announcement this week that foreign oil would be costing more in the future, the cry for decontrol was renewed. The only thing that appears to stand between Carter and the gradual lifting of price controls is the decision on whether a tax on predicted windfall profits should accompany deregulation.

Dr. Milton Holloway, executive director of the Texas Energy Advisory Council, encouraged the president to move ahead with plans to deregulate oil production.

As it stands now, almost half the oil produced in this country is subject to federal price controls. That oil—which makes up one-fourth of U.S. consumption—sells now for less than half of what it would bring on the world market. That price today, after the most recent increases, is just over \$15 a barrel. The controlled-price in the U.S. is \$5.25 a barrel.

Oddly enough, what politicians and energy experts alike hope will happen when price controls are abolished, appears to be underway, at least, in part.

Last month, the U.S. trade

deficit was the lowest it has been in 21 months. The drop in money pouring overseas appeared to be effected heavily by the sharp decline in U.S. oil imports.

The 21-month low deficit almost meant the dollar would be getting back some of the punch it has lost in the last two years while this country grew more and more dependent on foreign oil.

In The House

With the 66th session more than half over, the House of Representatives appeared to be trying to make up for lost time this week as members tentatively approved a wide variety of bills that would aid an even wider variety of people.

Quickly, the House approved a measure requiring health insurance plans to cover chiropractors' costs, gave its okay to a "cancer registry" so that trends of the disease can be studied, said yes to a bill that would give the state the authority to guarantee loans for family farmers and ranchers and voted to restore the voting rights of convicted felons not on probation or parole.

The House also took on the sticky issue of initiative and referendum and came out doing about what the Senate had done up to that point—nothing.

In the House, debate on a bill giving voters limited initiative and referendum rights (restricted to rolling back excessive property tax increases) was postponed until late April.

In short, the House simply told the Senate: "The ball's in your court."

What the Senate did was attach an amendment to a property tax reform bill that would give voters the right to strike down the same kind of taxes addressed in the House bill. "This could give the governor an escape hatch," said Sen. John Traeger of Seguin.

Gov. Clements had warned the Legislature he would call a special session if lawmakers didn't pass some kind of initiative and referendum bill. Some doubt that even the rollback provision can pass the Senate. The amendment is attached to the Senate version of Orange Rep. Wayne Peveto's tax reform bill that has had problems in the past getting through the Legislature.

Short Shorts

The Senate also moved this week to solve some of the problems pointed out by Chief Justice Joe R. Greenhill in the first-ever "State of the Judiciary" address that came in the opening weeks of the session.

Senators passed legislation that would allow intermediate courts of civil appeal to handle criminal cases as well. During his address to the Legislature, Greenhill suggested such a move in an attempt to deal with the backlog of cases facing the criminal appellate courts.

NEWS FROM THE CAPITOL
By Foster Whaley
State Representative

Last weekend about 65 Legislators were invited by the South Texas and Valley Chamber of Commerce to visit the coastal and valley area.

We saw many contrasts. We viewed some of the most depressed sections in the state, where Mexican Americans are living in near primitive conditions, and we visited McAllen in Hidalgo County, where the agricultural income is over \$400 million, the highest agricultural income of any county in the state. By way of comparison, the entire agricultural income of the 10 counties in Legislative District 66 is \$250 million.

I had opportunity to visit with quite a few farmers about labor problems and proposed labor legislation coming before the House.

We conferred with representatives of a sugar company

about their plans to build a \$15 million dollar gasohol plant, using only the by-products of the sugar mill. Company spokesman estimated that the plant could produce gasohol for as little as 75 cents a gallon.

Another interesting visit was to Pan American University in Edinburg, where I saw Wylie McIntire, Jr., of Pampa, who is a student there. Pan American is one of our newest state universities and the Edinburg and Brownsville campuses have a total enrollment of 9,061, with a high percentage of Mexican-Americans. Most of these students walk into good jobs after graduation and remain in the area.

This was an interesting, educational and enjoyable trip for me, since it gave me firsthand information about conditions in the valley. To my knowledge, the West Texas area has never sponsored such an event for members of the Legislature.

There are a number of urban and rural Legislators representing other parts of the state who have no understanding of the problems of West Texas. They need to be made aware of the great cultural and economic contributions our area makes to the great State of Texas.

During the interim I'd like nothing better than to see our area host a tour of the state colleges and universities and representatives industries in West Texas. A fitting climax to the tour would be a visit to

Palo Duro Canyon to see the musical drama, "Texas!"

If you think this idea has any merit, I'd like to hear from you: in Austin—Representative Foster Whaley, Box 2910.

Dodson Parade Set Saturday Afternoon

Dodson Easter Alumni Parade will be held Saturday, April 14, at 3:00 p.m. in Dodson.

Floats will line up at the Dodson Christian Center Church and anyone interested may enter until the parade begins.

Floats from several area towns will be entered, plus the Dodson entries. The Texas National Guard, Wellington Fire Department and the Sayre Racing Team from Sayre, Oklahoma will be there. A highlight of the parade will be the children and their decorated bicycles.

Three large special entry trophies donated by the Dodson Christian Center will be awarded the winners. Presentation of these trophies will be at the Alumni program Saturday evening in the American Legion Building.

Judges will be the Civic Club of Dodson.

Free Cokes donated by the Shamrock Coca Cola Bottling Company will be available at the city park where the parade will end.

Additional information may be had from Linda Swearingen at 493-2951.

Lloyd Graham Honored At Olton Man of Year

A former Wellington man, Lloyd Graham, was named Olton's Man of the Year at the recent Chamber of Commerce banquet. He is one of three Olton residents honored.

Graham, who spent around 45 years in the ginning industry, is the son of Mrs. G.C. Graham of Thomas Nursing Center and the late Mr. Graham. He is a brother of Grover Graham.

Born in Hunt County, he came here as a child with other members of the family and attended Wellington schools.

His first gin job was with the Farmers Co-op Gin in Wellington. In 1942, he went to Paris to manage a gin for Walter Watson, who had been with the Co-op.

In 1953, he was hired to manage the Olton Co-op Gin, which he built and managed for 24 years. He retired in July 1977, but for the last two seasons he has bought cotton.

In 1958, he was named Texas Cooperative Ginner of

the Year.

At Olton he has served on the Chamber of Commerce board of directors, board of education of Olton schools and has assisted with numerous fund drives for the Boy Scouts and Salvation Army.

Olton High School future Farmers of America honored him with an Honorary Chapter Farmer degree.

He has been a deacon of First Baptist Church since moving to Olton and served several years as church treasurer, a number of years as a trustee and on many committees through the years. Graham was married to Pauline Elliott of Wellington, who died in the 1960s.

He married Mildred Littlefield in August 1970.

He has one daughter, Gayland, the wife of Mac

Waterway To Carry Surplus Rainwater

Through a joint city-county effort, a waterway has been cleared to carry surplus rainwater from southeast Wellington, across several fields, into the old Louis Allred Lake site.

Part of this was along existing waterways that needed only to be cleaned out. Both county and city equipment was used on the two-day project, said city manager Glen Taylor.

The waterway originates at East Avenue and a paved strip that serves both as 19th Street and a waterway, to the Ft.

McGill. They are the parents of two children.

Through the years since leaving Wellington, Graham has returned frequently to visit his mother and brother.

Worth and Denver Railroad. Here part of the water goes through a culvert to the east side of the track, and all water flows south along the railroad to a culvert at the county road on the south boundary of South Side Salvage. It

continues a short distance east on the dirt road, then enters an old waterway across the Johnny Mote farm.

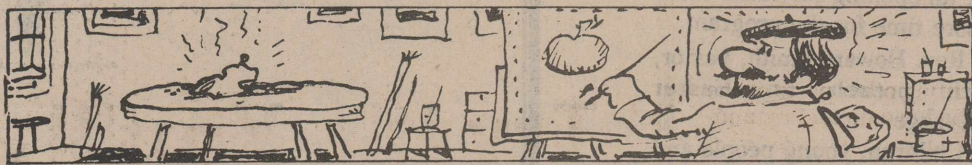

The surplus water flows into Sand Creek and on to the Allred Lake on Highway FM 338 five miles southeast of Wellington.

This should eliminate water collecting in an area of new homes in southeast Wellington after heavy rains, Taylor said.

GRASS TEAM

The Samnorwood FFA grass identification team placed third at the West Texas State University invitational judging contest Saturday, April 7. Three days earlier they won first at the Greenbelt District Contest. From left, team members are Mark Wischkaemper, David Tarver, Rex Paschall and Alberto Alfaro.

Comptroller Representative Here April 18

AUSTIN—State Comptroller Bob Bullock announced he is sending a representative from his Amarillo Field office to Wellington on Wednesday, April 18, 1979 to assist local taxpayers and answer questions about State Taxes.

Bullock said Enforcement Officer Mort Watson will meet with local taxpayers at the County Courthouse in Collingsworth County from 10:00 a.m. until 12:00 p.m.

"If Wellington area merchants, or anyone else for that matter, have any questions about State Taxes or need help in preparing tax forms, Mr. Watson will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office and we believe these face-to-face sessions with taxpayers help do just that," Bullock added.

October was the eighth month in the old Roman calendar, which began in March.

Don't tell your age by your eating habits—you may be aging, but you can eat young.

"Calorie requirement are the only difference between what young and old people should eat—nutritional needs are generally the same. The body doesn't need any one particular food—it needs components of food: protein, fats, carbohydrates, vitamins and minerals, called nutrients.

"Daily caloric needs decline with each decade over 50, so calorie intake must usually be reduced. Requirement for most other nutrients remain fairly constant during older life," she explained.

Foods furnishing nutrients are grouped into four basic groups.

"Major sources of protein in the American diet are red meat, poultry, fish and eggs. This group also contributes iron and some thiamine (Vitamin B1). The excellent protein contribution of milk and milk products is often overlooked. Dried peas, beans and peanut butter, especially when combined with meat protein, combined in a frozen entree, provide useful protein at mealtime."

Calcium is the nutrient most likely to be consumed in amounts below recommended levels in the diets of the elderly. Milk and milk products furnish most of this important mineral. Those who do not drink milk may enjoy cheese, yogurt or milk desserts. Also, small amounts of calcium are found in vegetables, especially the dark leafy varieties. The milk group also supplies riboflavin and, if fortified, Vitamin D. Two cups of milk or equivalent calcium in dairy products is needed daily.

"The fruit and vegetable group furnished Vitamins A, C, some calcium and iron. In the American diet, orange juice has become the major source of Vitamin C. But other sources are grapefruit, cabbage, broccoli, vine-ripened tomatoes, green peppers, and such fruits as strawberries and cantaloupe. A serving of a Vitamin C rich food each day is recommended.

"Think 'green' and 'orange' for food sources to furnish Vitamin A. Deep green leafy vegetables, winter squash, carrots and cantaloupe are all excellent sources of carotenes, which are converted to Vitamin A by the body. Liver is a rich source of Vitamin A. Vitamin A is stored by the body and one serving is needed every other day."

Four servings of the bread-cereal group are needed daily. Cereal products contain the B vitamins: thiamin, riboflavin, and niacin. These three vitamins are mentioned

together because they normally appear in the same foods. Along with iron, they are the three vitamins added when cereal products are enriched. Whole-grain cereals are the most common source of these V vitamins. In addition, riboflavin is found in dairy products, while pork is a good source of thiamine or Vitamin B1.

"No single food has a high iron content. The dietary intake must come from small amounts of iron found in many foods. Meats, eggs, cereals, whole-grained or enriched, dark leafy green vegetables, dried apricots and raisins all add to the daily iron intake.

"Dietary fiber provides bulk necessary for the efficient function of the gastrointestinal tract. Food sources of fiber are fresh fruits and vegetables, whole grain cereals, dried fruits and nuts," she said.

Water is an important component of all body cells. It functions in the regulation of body temperature and the removal of waste products from the body.

This means liquid intake is important. Much of the water consumed is in the form of food, beverages and soup. The amount needed varies with the individual and the food eaten, but everyone needs the equivalent of several glasses of water each day.

"Sodium and potassium play a major role in maintaining the fluid balance in the body. Many people retain liquids because of excess salt intake or failure of the kidneys to function efficiently. Persons with this problem should be under the care of a physician who may prescribe medication. Sometimes doctors restrict salt intake and suggest the use of salt substitute products. Most elderly persons can continue to enjoy moderate amounts of salt used for seasoning food. Do not use salt substitutes unless suggested by a physician."

Just as 5 p.m. once was "quitting time", 7 a.m., 12 noon and 6 p.m. signify it is time to eat. How many times a day should a person eat? There is nothing magic about three meals. Five small meals a day are fine, as long as the appropriate number of servings from each food group are consumed daily and the caloric intake maintains reasonable body weight, the specialist said.

If efficiently used, a small refrigerator-freezing unit is large enough to allow for variety in meals. Family size recipes can be prepared and leftovers can be stored in the freezer in small casseroles or boil-in-the-bag pouches for later use.

Fundamental Baptists to Hold Revival

Revival services will open at Fundamental Baptist Church, 9th and Floydada Streets, Easter Sunday, April 15, and continue through Friday, April 20.

Services will be at 6:30 p.m. Sunday and 7:30 on the other evenings.

The evangelist will be the Rev. Sherman Raines, pastor of a church in Elkhart, Kansas. Long-time members will remember an earlier appearance at the Wellington church.

The Rev. E.A. Childs, pastor, will preach the Easter sermon Sunday morning, with Rev. Raines beginning the revival services Sunday night.

Alfred Saldana, song leader, will be in charge of the music.

Youths Win Cycle Races

Two Wellington youths won in their classes at the Paducah Motorcycle races Sunday, April 8.

Jay Jones was winner in the 80cc senior class, while Tony Maxwell took the 100 class.

Jake Maxwell took the boys to Paducah.

Dodson Church Plans Easter Program

Dodson Church of the Nazarene will present a short Easter Program Sunday morning, April 15.

Sunday School will begin at 10:00 a.m. but there will not be an opening service to allow more time for the program.

Rev. Howard Smith, pastor, will preach an Easter message.

Children, young people and adults will take part in the program.

Jerry Paul Allen On UT Honor Roll

Jerry Paul Allen of Canyon was among 147 students named to the 1978 fall semester honor roll for the College of Fine Arts at the University of Texas in Austin.

Students qualifying for the fine arts honor roll accumulated a total of 52 or more grade points for the semester, passing all courses.

Allen, who lived here as a child, is the grandson of Mr. and Mrs. P.E. Starr. His parents are Mr. and Mrs. Charles Allen, of Canyon.

Norwood Wins FFA Land, Plant Judging

Samnorwood judging teams won both the plant and land categories in the annual Greenbelt District FFA judging contest Wednesday, April 4.

This qualified them for the Area I contest held Saturday in Canyon.

The plant team had 1134 points out of a possible 1212. Second place went to the Lakeview team with 846 points and third to Clarendon with 805.

Three Samnorwood boys were the three high individuals. Of a possible 404 points, Rex Paschall was high with 383; Alberto Alfaro second with 381; and David Tarver, third with 370.

The Land team scored 694 points of a possible 840 to win first place. Second place went to Clarendon with 639 and third to Wellington with 569.

A Clarendon Future Farmer, Keenan Shields, was high individual with 253 points of a possible 280. Lynn Tate of Samnorwood was second with 251 and J.D. Ray, third with 226. Both are from Samnorwood.

This contest has been sponsored for many years by Salt Fork Soil and Water Conservation District. Tommy Lewis provided the site for this year's land judging.

Approximately 80 students from 6 schools participated: Samnorwood, Clarendon, Wellington, Lakeview, Memphis and Paducah.

After the contests, SCD directors served a hamburger feast to contestants at Ellison Park.

Card of Thanks

We wish to express our sincere appreciation and thanks for the many kindnesses shown us and for the beautiful flowers, the food, cards of sympathy and phone calls from our many friends and relatives at the of the death of our loved one. May God bless each of you.
The Family of Odus Offutt

Our hearts are saddend today with the departure of a very special Loved One, who has gone on to help prepare a place for all his loved ones. During his departure there were Many friends and neighbors who stood with us, his family, to see him off.

So we, his family, want to say, "Thnak you" even though we feel that it is not enough for all the love and kindness shown during our loss. A special thanks to Dr. C.B. Jones for all the years of his love and kindness, to the hospital staff, Dr. Carter Holcomb, Guy and Juanita Owens, Glen Richerson, when we needed them the most, and Lela and Annie and all our friends and neighbors for the food, flowers, cards, and telephone calls that were an expression of friendship, which will always be remembered. May God bless each and everyone of you.
The family of

Farmers Co-op Sets Stockholder Meet

Stockholders of Farmers Co-op Society will receive \$259,444.52 in rebates from their 1978 cotton crop Saturday, April 14, during the gin's 52nd annual meeting.

This will be held in Bura Handley Community Center beginning at 2:00 p.m. Plans for the meeting were to be completed in a meeting of the board of directors Thursday night.

A representative from Plains Cotton Cooperative, Lubbock, has been invited to give a program on Telcot, the computerized sale and purchase of cotton, according to J.N. Glasgow.

"We have some 40 buyers on the network and we feel that our growers got the best price possible for their cotton on the particular day they offered it," Glasgow said. This year's rebate figure amounts to \$13.35 per bale on the average, he pointed out.

of the board will be in charge of the meeting. Other officers are Louis Allred, vice president; Carthel Lewis, secretary-treasurer; Glasgow, assistant treasurer. Other board members are Jerol Morris, Carl Wischkaemper, Carroll Nunnelley, and Billy Colson.

RUNNERS UP

First through fourth runners-up were named at the Miss Wellington contest, the traditional WHS senior class project, Saturday, April 7. From left are sophomore Elizabeth Brewer, third runner-up, the daughter of Mrs. Yvonne Brewer; junior Kaylo Johnson, first runner-up, the daughter of Mr. and Mrs. Mo Kinnon; freshman Renee Owens, fourth runner-up, the daughter of Mr. and Mrs. Ralph Owens; and sophomore Stacy Weatherly, second runner-up, the daughter of Mr. and Mrs. Bob Weatherly.

Wellington Leader Wins PPA News Photo Contest

The Wellington Leader won first place in the Texas Panhandle Press Association news photo contest at the association's annual convention in Amarillo Saturday, April 7.

First place in these contest" editor Henry Wells said, "because in some ways this is the toughest contest we enter. In the Panhandle Press Association contests, we compete against dailies such as Hereford, Plainview and Borger."

The Wellington Leader also won first place in the contests last year.

The contest specified that three separate 1978 editions be entered, and all photos in those issues were taken into account.

The Wellington Leader entries included front page photographs of firemen fighting a gasoline truck fire in December, peanut harvest scenes in October, and in July, a photograph of the interior of a new church and one of three young children sitting under a flag at a Fourth of July concert in the park.

Judges comments included the following: "Real impact in the picture of the gasoline truck fire...it is simple, graphic and caught the mood of the moment. The 'people pictures' have good, active facial expressions. The kids and the flag on the Fourth of July captured something special. The picture of the new church is well done. The pictures in the special Christmas section and the peanut harvest scenes both say that the newspaper is doing a good job with pictures."
