## Red Cross Drive Opens Thursday

### Cold Blast Sends Mercury Below Freezing Point Over Entire Area

#### Dawson County Suffers Severe 20-Degree Snap

Howling Northeast Wind Sends Mercury Tumbling In Season's First Wave

The cold wave which has gripped the nation most of the week, descended on Dawson County and the South Plains Sunday, with a showing of ice Sunday and Monday nights.

On Tuesday afternoon a biting northeast wind sent the mercury tumbling to a low of twenty degrees, registered at the offices of the West Texas Gas Company. The intensity of the wind made the cold much more severe than it would have been otherwise.

The temperature throughout Wednesday hovered around freezing point, with indications that the cold would continue.

Several deaths and a tremendous amount of property damage was reported by the Associated Press over the eastern half of the United States, with the temperature well below zero in several points over the nation.

### Many Injured As Bleachers Collapse

The section of temporary bleachers that collapsed during the Texas A. & M.-S. M. U. game at Dallas last Saturday, injuring a number of spectators, is shown above as victims were still being pulled from the timbers. No serious injuries were received, but many bruises and broken bones were received by the fans.

### Noret Dry Goods Has Damage From Water Wednesday

A freak accident caused several hundred dollars worth of damage to the stock of Noret's Dry Goods Company on Wednesday night, when a faucet was left running in a bath tub in the rooming house over their store.

The water ran down through the ceiling for quite some time before it was noticed. Mr. and Mrs. Noret were notified of the trouble about 1 a. m. and spent the balance of the night cleaning and mopping up the water.

"Although this merchandise is not damaged, insofar as the wear and service is concerned, it could not be sold as new merchandise," Ed Noret, owner said today. "We have reached a settlement of the damage, and are going to sell this merchandise at greatly reduced prices to move it out of the store. You will find many of these items are only slightly damaged, while others are thoroughly water soaked." Your attention is called to their ad in this issue of the Courier, wherein they are quoting some of the prices which will be found at their store when the Water Damage Sale opens Friday afternoon at 2 p. m.

### Classifieds Still Getting Big Results

Courier Classified ads are continuing to gain in popularity, as indicated by the large number of users this department of the paper enjoys.

Hundreds of people in this section have found that at the cost of a few cents per issue, they can reach more people than through any other medium.

If you have something to sell, something to rent, or countless other reasons why you would like to get your message to the most people, you will find that an investment in a Courier Classified will be the best investment you ever made.

The cost seldom exceeds the minimum charge of 25c and for the present year classified runs in both the Monday and the Thursday issue of the paper for the price of one. Thus it is now a double bargain.

For profits—read and use the Courier Classified Ads.

### To Settle 6-Man Football Championship For This County Next Thursday

#### Sparenberg And Klondike Will Play In Lamesa

Game Is Sponsored Here By C. O. C. To Observe Thanksgiving Holiday

Have you ever witnessed a six-man football game? This unique and interesting new sport, four years old in Texas, will make its initial appearance in Lamesa on McCollum field at 2:30 o'clock the afternoon of Thursday, Nov. 21, when the two top-ranking teams of Dawson county's district 9, representing Klondike and Sparenberg, will compete for championship honors of the district. Lamesa public schools, the two schools represented by the six-man pigskinners, and perhaps other schools of the county will dismiss classes that day in observance of Thanksgiving.

Lamesa Chamber of Commerce will sponsor the game between the two teams, with the hope of selling this comparatively recently organized sport, the salvation for the rural, small schools of our county insofar as the National sport of football is concerned to the general public. Many Lamesa citizens have been quizzed about the game and it is believed safe to say that less than one percent of these more than 6,000 inhabitants has witnessed this new sport.

No other game is scheduled here for November 21, and going on the theory that there likely would be little entertainment in the vicinity for those who wish to celebrate that Thursday as Thanksgiving, it is believed and hoped that the general public will support these.

### Only Few Weeks Remain In Courier's Big Two For One Sub Campaign

Many People Over Area Are Taking Advantage Of The Half Price Rate To Get The Courier A Year For \$1.00

There are only five weeks remaining before the Courier's Big Two-For-One Bargain Days. This special price will absolutely come to a close Christmas Eve.

Last week end saw the largest number of new and renewal subscribers for any two days since the bargain rate was announced. Every day has seen others taking the paper, either for the first time or renewing their subscriptions.

Just think of getting two papers per week at a price you would ordinarily pay for one. This is what you get when you subscribe for the twice-a-week Courier during these Bargain Days. The regular price of the paper, which

is \$2.00 per year, has been cut in exactly half for these Bargain Days.

In other words, you get one hundred and four issues of the paper for only one dollar, or less than one penny per copy. This is perhaps the biggest newspaper value in all West Texas.

With the addition of Associated Press dispatches and features which are carried exclusively in the Courier in this territory, the carrying of County, city and community news. The Courier brings you a news service which is unequalled. Then, there is the feature of extra values which are offered in each issue by the merchants of

## Draft Order Numbers Are Given

The Dawson County Draft Board has completed the allotting of order numbers to the more than two thousand Registrants in Dawson County and the numbers are being run in this issue of the Courier. A part of these were carried in Monday's issue of the paper, and the balance are being printed in this issue.

For the convenience of the registrant, most of whom already know their serial number, the names are being run serially, with the order number listed ahead of the serial number. All you have to do is run down the list until you find your serial number, which is the second number given, and your order number will be found immediately in front of the serial number.

These order numbers are the order in which registrants of the County will be classified. Already more

than one hundred questionnaires have been mailed out in the county, and these will continue to go out at the rate of about twenty-five per day, until every man in the county is classified.

Although every care possible has been taken to assure the accuracy of the order numbers given in this paper, Registrants are asked not to take these figures as absolutely accurate. There may be discrepancies, as there is wide room for error in the copying of this many numbers. To be sure of your number, you are advised to go to the local draft office where all numbers are posted and check your number.

### Goodfellows To Open Drive In Lamesa Soon

At a special meeting Wednesday afternoon in the County Court Room, the steering committee of the 1940 Goodfellows was named.

The committee is composed of G. M. Roberts, chairman, Rev. David Murray, Leslie Pratt, Mrs. A. G. Bearden and Mrs. J. M. Medlin.

This organization, which was organized in Lamesa a few years ago, has been instrumental each Christmas in seeing that many underprivileged children were visited by Santa Clause.

It is not the purpose of the organization to usurp the privilege of any church or other benevolent organization in caring for unfortunate but rather as a supplementary service with the churches to see that all are visited.

A drive for funds will get under way within the next few days, it was stated. The amount necessary had not been released Thursday morning.

More complete details will be given as the campaign progresses.

Mexico has 22 ocean ports.

MRS. PHIL MCKEE

An announcement is carried in this issue of the Courier of the informal opening of the New Vogue, ladies ready-to-wear shop on the northeast corner of the square, Friday evening at 7:30.

**"THE HOWARDS OF VIRGINIA"**  
... As being one of the "Blue Ribbon Pictures of 1940" BECAUSE . . .

All advance reviews predict that "THE HOWARDS OF VIRGINIA" will rate among the finest pictures of the year.

"THE HOWARDS OF VIRGINIA" was taken from one of the favorite current novels, "THE TREE OF LIBERTY" by Elizabeth Page, and its popularity places it among the best sellers.

The producer and director, FRANK LLOYD, has been a three-time Academy Award Winner, but in his long career has never filmed a story as thrilling as this stirring picture of those twenty-five American years that changed the world.

**Drama...**  
Frank Lloyd gives you a memorable picture of Elizabeth Page's great novel, "The Tree of Liberty!"

During the past year, a great deal has been printed and said in automobile circles about new kinds of "drives" for the 1941 model cars. As a result, many people have come to Oldsmobile with natural and pertinent questions: "Are the 'drives' that other manufacturers offer similar to Oldsmobile's Hydra-Matic Drive?" "If not, how does Hydra-Matic Drive differ from the others?"

In order to clear up any confusion or misunderstanding that may prevail in the public mind, Oldsmobile takes this opportunity to publish the statements of fact at the right!

**WHY OLDS' HYDRA-MATIC DRIVE IS SO DIFFERENT AND IN A CLASS BY ITSELF!**

Ordinary "new drives" are based on the principle of fluid coupling. Oldsmobile's exclusive Hydra-Matic Drive is a combination of fluid coupling and completely automatic transmission. It eliminates clutch and clutch pedal. It does away with the gear shifter. It provides a special fourth speed for cruising. It gives you a special pick-up gear for passing other cars and climbing steep hills. The "no clutch, no shift" Hydra-Matic Drive is optional at extra cost on all Olds models for 1941. Try it . . . there's nothing else like it in the world!

## One Out Of Six Found To Be In Class One When First Tabulations Made

This Ratio Is Not Expected To Continue Throughout Entire List, As National Estimate Is Much Higher

If the present ratio in the classifications of registrants in this county continues, there would be approximately one man out of six placed in Class I, according to information released by the local Draft Board Wednesday.

At that time a total of forty-seven men has been classified and eight of these had been placed in Class I. It is pointed out that this does not mean that these eight are necessarily acceptable for military service, as they must stand the physical examination and the chances are very good that some of them would be rejected by the medical board.

"We do not believe this ratio will continue," a member of the draft board stated, "as the National estimates places the figure higher, but of course it will be impossible to tell until we have classified all the men to how many we will have in the higher class."

Up until Wednesday morning there have been nine volunteers received through the local board. Some of these were colored, and it is understood that quarters for colored soldiers have not yet been provided, so they cannot be accepted in lieu of the draftees. Others will be placed ahead of the draftees to fill the quota as far as they go, it was stated. The County's quota is the first call was placed at seven, and it is felt that there will be sufficient volunteers to fill this call. There is a possibility that some of the volunteers may be turned down on account of physical disabilities.

Questionnaires are being returned to the board at a rapid rate, but a few are overdue, it was stated, and all who have questionnaires are urged to comply with the time limit and return them to the office. Most of them are being returned in person although quite a large number are being received through the mails.

## Armistice Day Is Observed Quietly In City

Armistice Day in Lamesa last Monday was very quietly observed with the American Legion Program as the highlight of the day's activity.

The parade, led by the Lamesa High School Band, formed at 10 o'clock at the Lamesa Post office building, included were ex-service men of the World War and the Spanish-American War, Dawson County Registrants, Boy Scouts, and members of the seventh grade in the Lamesa Elementary School. The procession moved down North First Street to the northeast corner of the square, and then around the square, finishing on the west side, where the band entered the band shell for a short concert.

The musical program was concluded with the playing of the National anthem.

Fred Sanders, member of the Dawson County Draft Board addressed the crowd, directing most of his address to the Registrants of the County.

He was followed by an address by District Judge Louis B. Reed, who is also District Chairman of the Advisory Board.

The Hon. Carl Rounree delivered a very interesting patriotic address to the citizenship as a whole.

The talks were very interesting and thoroughly enjoyed by the several hundred listeners who had gathered for the program.

Immediately following the program in the band shell members of the American Legion, Gold Star Mothers, Ex-Service men and their families gathered at the American Legion Hall for a noon banquet. It was the largest crowd ever to attend an Armistice Day Program at the Hall, it is reported.

## J. A. Debenham Is Guest Speaker At Woman's Study Club Friday Evening

Central America was the topic of discussion for the Woman's Study Club Friday, November 8. Roll Call brought out many interesting facts about this part of North America. Mrs. Loo Randall was leader and introduced the speakers.

J. A. Debenham who spent some time in Nicaragua was guest speaker. He gave a most interesting talk on this country, discussing especially its history. He traced the early peoples and civilization from the time of Maya, Inca and Aztecs to the coming of the Spaniards.

A paper on Salvador, Costa Rica and Nicaragua prepared by Mrs. Cecil Bryant, was read by Mrs. W. K. Crawley. From it we learned

of the religious customs, health conditions, transportation facilities and governments of these countries.

Mrs. A. E. Jacobs part on the program was a discussion of Panama and the Panama Canal in particular. She spoke of the attempt of the French in 1819 in digging this canal and why it was a failure. Later the rights were sold to the United States and the present canal was begun in 1904, and completed ten years later. Quite clearly Mrs. Jacobs explained the operation of the lock system used in transporting ships through the canal.

Four new members were elected by the club. Mrs. Lee Barron, Mrs. Wayne Rideout, Mrs. Roy Smith and Mrs. Calvin Bell.

## MRS. CHARLES STAGGS IS HOSTESS TO WEDNESDAY 42 CLUB

Mrs. Charles Stagg was hostess to members and guests of the Wednesday 42 Club, Wednesday afternoon at her home on North Second Street.

Games of 42 were enjoyed throughout the afternoon with a delicious refreshment plate consisting of creamed chicken sandwiches, Smacks, Pecan Pie topped with whipped cream and coffee was served.

The guests list included Mesdames Barney McKenney, McKee, Joe Whitlow, Nelson Williams, Durwin Echols, Joe English, Jap Baldwin, Blaine Wiggins, Olen York, Elmer Cope, Oliver Cates, Carl Peterson, and the hostess, Mrs. Stagg.

Mrs. S. J. Smith and mother, Mrs. Virginia Woodward of Farmerville, Texas were week end guests of Mr. and Mrs. Matt McCall.

## FORMER McCARTY GIRL HONORED MONDAY AFTERNOON

On Monday afternoon a miscellaneous gift shower was given at the Methodist church in Whitarral, Texas, in honor of the former Miss Eva May Slover, who became the bride of Orvis Wossom November 3. Mrs. Gardner Sanderson Miss Grace Wheeler and Mrs. C. L. Sharp were hostesses for the occasion.

The church was beautifully decorated with potted plants, and bouquet of cut flowers suggestive of the autumn season.

The program consisted of musical numbers and the song "I Love You Truly" which was beautifully sung by a little miss of Whitarral "Wedding Ceremony" A game "Three Wishes for A Bride" a reading by Jeanette Sharp.

"The Wedding of Eva May and Orvis" a story-game "The Life Story of Eva May" told by Mrs. C. L. Sharp.

A commotion at the door caused all eyes to turn in that direction to see a small boy and a cunning little girl dressed as bride and groom marching up the aisle together, pulling an express wagon draped in pink and white crepe paper upon which rested a big white box decorated in pink and filled with gifts which the tiny couple presented to the honoree.

Delicious refreshments of punch and frosted cakes were served to sixty-two guests.

Many beautiful and useful gifts were received by the honoree, a number who were unable to attend sent gifts. The Young People's Class, which Eva May teaches and which was formerly taught by Orvis presented the couple with a handsome pair of woolen blankets Sunday night at Epworth League.

The pastor of the Whitarral Methodist church, the Rev. J. E. Peters, and Mrs. Peters, who live at Shallowater, were among the cut-of-town guests.

From Lamesa, Eva May's aunt, Mrs. J. M. Peterson, her sister, Margaret Slover, brothers, Tommie, James and Gene Slover and parents, Mr. and Mrs. H. L. Slover, attended the shower, carrying several gifts to the honoree from the McCarty community.

### Entire Tornado Squad To Be Guests Of McCollum At TCU Game Saturday

Squad Will Leave Abilene Friday Afternoon After Game With Abilene Eagles Earlier In The Day

The Lamesa Golden Tornadoes are in the best condition physically than they have been in for several weeks, according to word this week from Coach F. T. McCollum.

They will finish the season Friday afternoon with the Abilene Eagles in that city.

Hampered by injuries for practically the entire season, the Tornadoes will come nearer presenting their full strength against the Eagles than at any time since the season got under way. Kent Morgan, co-captain, and a power in the Tornado line, will likely be ready for Friday's tilt for the first time in several encounters. Morgan's absence has been sorely felt in the Tornado forward wall, and his return is heralded by Lamesa fans as a likely deciding factor in Friday's contest.

Two Dawson County groups of boys in their race for district honors that day. Price of admission will be straight 25 cents and the money will go for purchasing awards for squads of both teams.

Superintendents H. S. Carder and H. T. Copeland of Klondike and Sparenberg schools respectively have both admitted praise for their respective coaches in their efforts to produce winning teams this season.

Kirk McKinnon, well known Lamesa boy, ex-player for the Golden Tornadoes, graduate of Hardin

Simmons has guided the destiny of the Klondike team while Cason Smith, graduate of Daniel Baker

has trained the strong Sparenberg team. Each of the teams has this season, defeated the other, thus the present tie for district championship.

Sparenberg has piled up 239 points during the season and Klondike has added up 234. In their first game together, Sparenberg was the winner by a score of 20-12, while in the last game Klondike was the victor 27-14. Both times the games have been played in the mud.

Groom, winner of the Amarillo District 15, has challenged the winner of the District 9 to a game to be played either here or there possibly Thursday, Nov. 23.

It is hoped that the general public will become interested in the Thursday game, and officials of the Chamber of Commerce urge everyone to go to McCollum field Nov. 21 at 2:30 p. m.

Word from Abilene is that Gus White the galloping back of the Tornadoes, Morgan and Oswalt, a guard, are all in line for all-district honors, and from this city there has been a great cry for the powers that be to recognize the ability of these three lads, and unless they do rate district honors, there will be a protest from local fans that will be heard for miles around, for the fans here are very definite in their belief that in White, Morgan and Oswalt, the Tornadoes have three outstanding stars.

Following the game in Abilene Friday afternoon, the entire Tornado squad, including all reserves, will be special guests of Coach McCollum at the T. C. U. game in Ft. Worth Saturday afternoon. This trip will bring to a fitting climax the best season the locals have had in Class AA, regardless of whether they win from Abilene or not.

It was freedom and democracy that "The Howards of Virginia" fought for, Matt Howard, the stalwart, earnest man of the soil portrayed by Cary Grant; Jene Peyton, Howard, the gracious, beautiful Virginia belle portrayed by lovely Martha Scott.

Built Home in Wilderness The two stars appear to perfection in their best roles. Together they build a home and a family in the wilderness, far from the society into which Jane Peyton was born, far from the governing class whom Matt Howard detests.

But with the passage of time there comes a change in the temper of the people. Jane Peyton's aristocratic family and friends join forces with Matt Howard's untamed frontier neighbors to drive the British out of America, to set up their own government.

And therein, in that struggle for democracy and freedom, maybe found another struggle, the struggle for power. The Peyton's argue that they were to the manor born; the Howards insist that majority henceforth shall rule.

### New Supervisor For NYA Moves To This City

Jack D. Wester, who has recently been transferred to this territory as Area Director for the NYA, is a man of sound training and successful experience in dealing with youth. He will have twelve counties under his observation, namely, Yoakum, Gaines, Terry, Lynn, Dawson, Borden, Garza, Scurry, Kent, Fisher, Stonewall, and Jones counties.

Projects now actively underway include a non-resident wood working project for boys and a home-making project for girls at Lamesa, a woodworking shop at Snyder, a similar shop in connection with the school at Brownfield, and a resident project for girls at Anson. These projects will accommodate some 90 boys and approximately 60 girls. Other projects have just been completed at Hamlin, Old Glory, Leuders. Additional projects will be sponsored by other towns in the area, when the need of a project becomes apparent and the supply of available youth becomes sufficient.

Mr. Wester states that any boy or girl is eligible for this NYA work if between 17 and 25 years of age, unemployed and unmarried, and not in school. The job offers 80 hours of work experience under competent supervision, with a payment of 20 cents an hour or \$16.00 for the month.

Eligible youths who are interested should write Jack D. Wester, Area Director, NYA, Box 198, Lamesa, Texas. He will be glad to call on you and give you more complete explanation of the work and its possibilities for you. Mr. Wester may be contacted at either of the Lamesa projects on Thursday, Friday and Saturday of any week.

The boys' project is located at 309 North Houston street, and the girls residence is 711 South Second Street. X. R. Banks is shop supervisor for the boys, while Mrs. Luey H. Adams is supervisor of the project for girls. Both are well trained and capable directors.

Miss Julia E. Hatchett, long time resident of Lamesa, but lately a resident of Stephenville, was found dead Wednesday afternoon at the home of her sister, Mrs. Charles Pauncelot at Stephenville.

Miss Hatchett was 79 years of age. She will be recalled as having lived in Lamesa for a number of years. She was sister of the late Rev. W. P. Hatchett, pioneer Baptist Minister. She was very active in the Baptist Church throughout her life.

Miss Lou Ida Hatchett, a niece, Earl Hatchett, a nephew of Lamesa and Mrs. James Phillips, another niece of San Angelo, attended the funeral services at Stephenville Baptist church Thursday afternoon. Interment was in the Selden Cemetery near that city.

## Battle Of Greece Opens Mediterranean Struggle

### What The Attack On Greece Means

By MORGAN BEATTY  
AP Feature Service Writer

WASHINGTON—The Italian attack on Greece has the double purpose of (1) opening the battle of the Mediterranean and (2) walloping off Russia from the war, once again. That's the opinion of experts here.

Greece was chosen as the curtain raiser for the battle of the Mediterranean for four reasons:

1. Direct Italian thrusts at Egypt thus far have failed to loosen the British grip on the Suez gateway. Hitler was at Mussolini's side when the newest plan was launched.

2. The struggle for Greece diverts British strength from both Gibraltar and Suez making easier a German sally at Gibraltar and a continuing Italian drive at Egypt and the Suez. That's an adaption of the familiar German plan, to dart at the enemy's center then envelop him.

3. If the Greeks are worsted, the Germans and Italians can button up the last button on the Balkans—the Salonika gate way. That's the only gap left open for a future British effort to rescue the Balkans from the Axis.

4. A victorious Italy might acquire hundreds of Aegean islands which, up to now, have been ideal bases of operations for the British East Mediterranean fleet. These islands would be stepping stones to Suez for the Italian fleet. (And so

would be Syria, by the way, if France agrees to let the Axis use her colonies as bases.)

Possibly more significant, however, than all these purely strategic reasons for the attack on Greece, is what appears to be the Axis plan to keep Russia out of the war.

Before the war, Germany offered Russia better trade arrangements than the British, in return for non-aggression. Russia broke off with Britain, signed with Germany.

Germany attacked and subdued Poland, after first guaranteeing Russia a generous slice of the spoils.

Germany occupied or dominated Norway, Denmark, Belgium, the Netherlands, France and Spain. Russia kept hands off. The Germans kept hands off while Russia dominated or occupied Finland, Estonia, Latvia, Lithuania, Bessarabia, Bukovina. Germany won 400,000 square miles, 75,000,000 people. Russia got 165,000 square miles, 22,000,000 people.

Then came Rumania. All Russia got out of German occupation there was an agreement to share control of the strategic mouth of the Danube.

Now Greece. Hos Germany placated Russia again, by agreeing to let her continue to dominate the Dardanelles? If the Germans and Italians win the Mediterranean, it'll be a poor trade for Russia. The ocean outside the Dardanelles window will be under Axis control.

Will the Germans and Italians succeed in the end? The best informed expert I know tells me the answer lies in Russia's reaction to the Axis thrust into Greece. If Russia thinks the Axis

can wrest control of the Mediterranean away from the British, expect a signal from Moscow to Turkey to go to the aid of the Greeks.

If Russia thinks the British are strong enough to parry the blow, expect Russia to hold Turkey back and watch the battle of the Mediterranean from a grandstand seat.

### The Greeks Are No Sissies Altho They Wear Frills

The Greeks dress their soldiers differently on different occasions. For ceremony, certain Greek army units are decked out in showy shirted costumes. The Greeks like to dance, too.

When there's real military business to be taken care of, Greece can outfit members of its small standing army in serviceable uniform and equip them with modern rifles. (Greece probably would run out of equipment if she called all of her reserve forces, but her standing army is well equipped.)

The real trouble in Greece is lack of numbers. Despite some good equipment, the Greek army is so small as to compare with the forces of Italy and Germany about as the skinned soldiers compare with Italian or German infantrymen equipped for the field.

John Metaxes, premier of Greece since 1936, was trained as a soldier and is a military authority.

## Interest In Draft Of 1918 Is Vividly Recalled

AP FEATURE SERVICE

First of two articles in which Mr. Stinnett recalls the American scene at the time when the draft for World War service was of primary interest to men between the ages of 21 and 31.

WASHINGTON—If you don't think a lot of water has run under the culverts since the last draftees went off to camp, just listen to what the boys in those days (the summer of and fall of 1917) were talking about when they mustered in for their first introduction to squads-right, squads-left, huu-umph!

The Chicago White Sox, behind the pitching of such chaps as Cicotte and the fielding and batting of Eddie Collins and Shoeless Joe Jackson, took the World Series from the over-confident New York Giants, winning the first, second, fifth and sixth games.

Stocks and bonds were doing a nose dive to new lows and the Wall Streeters were screaming. There were investigations being started of war profiteers. Lenin and Trotsky were the big shots of the Russian revolution and Bolshevik was a new word.

Maj-Gen Charles P. Treat, returned from France and predicted that the World War would end in the fall of 1918.

Glenn Warner (nobody called him "Pop") then stirred up a pig skin hornet's nest by announcing

that football was not as rough as it used to be. . . . Fuel to the football flame was added when Army called off its annual classic with the Navy.

No G-Men Then

The "federal men (whoever heard of G-men then) rounded up a slew of I. W. W.s. . . . Dresses were down to the ankle and the "modern maiden's" shoes laced as high as the hem of her skirt or she was out of style. . . . The waltz and the naughty "Bunny Hug" were all the ballroom fashion. . . . The Castles set the pace on the hardwood. . . . Jazz was a brand-new word and "flapper" was just beginning to have a new meaning.

Wheat was selling for \$1.18 cents on the Chicago Board of Trade and farmers in the dust bowl (of the 1930's) were planting every foot of ground they could find. . . . John McCormack was a sell-out at Carnegie Hall and spending all his spare time selling Liberty Bonds.

Theda Bara was knocking them into the aisles in "Cleopatra" . . . Mary Pickford was America's sweetheart in "Rebecca of Sunnybrook Farm" . . . Douglas Fairbanks was sending the boys in khaki home happy with "The Man from Painted Post" . . . Pauline Frederick, Marguerite Clark and Sessue Hawakawa were packing them in almost as thick as William S. Hart. . . . Especially if they had with them on the bill a two reeler with that funny little fellow, Charlie Chaplin.

Another Tyron Power

Tyron Power (Sr.) and Florence Reed had them by their heels with the tuneless "Chu Chin Chow." . . . Raymond Hitchcock, Leon Errol and Irene Bordoni were doing just as well with "Hitchy-Koo" . . .

Peggy Wood was breaking hearts in "Maytime" . . . John and Lionel Barrymore and Constance Collier were making Broadway history with "Peter Ibbetson" . . . Every night at Yaphank a bunch of the boys would gather around a piano-played named Irving Berlin and sing themselves hoarse. . . . And soldiers and sailors in uniform were admitted half price to see the Rialto hit, "The Man Who Came Back" . . .

Jess Willard was the heavy-weight champ and announced he'd defend his title against anybody, but the proceeds of the bout must go to the Red Cross. . . . Francis Quinnet got a furlough to play a 36-hole golf match against "Chick" Evans and won.

The big scandals in the army

were that shoes didn't fit; there weren't uniforms, blankets or rifles enough to go around; and there was a shortage of machine guns and ammunition. . . . War atrocity stories had the boys (and girls) gasping.

(To be continued)

KLONDIKE Louise Foster

Sunday school at the South Side Church was attended by a large crowd Sunday. Our new Sunday School rooms are going up nicely and we hope to soon be using them.

We had a frost Sunday night which killed most of the cotton leaves and some late feed. . . . Pearl Ansley, Louise Foster and Bonnie Pittman of Tech, Lubbock, spent the Armistice holidays at home with relatives and friends.

Mr. and Mrs. Dee Hull of Lamesa visited their daughter and son-in-law, Mr. and Mrs. Kirk McKinnon Sunday.

Several from here attended the

Workers Conference at Wilson last Thursday. The next meeting will be with the Klondike Church in December.

Mr. and Mrs. Byno Warren and R. S. Spraberry visited in the G. W. Hyatt home Sunday afternoon. Mr. and Mrs. Donald Williams of Seagraves, Mr. and Mrs. Conley Esmond and daughter of Mt. Olive visited in the home of Mr. and Mrs. R. S. Spraberry Sunday.

Misses Hazel and Ruth Self, who are teaching school, spent the week end visiting their parents, Mr. and Mrs. John N. Self.

Tom Wilkes spent the week end at Austin visiting with friends.
