Russell Threatens Filibuster In Fight Against Rights Bill

KENNETH GOFORTH

HOMER MORRIS

WASHINGTON (AP)—Sen. Russell (D-Ga) said today Southern senators will use "every weapon in our arsenal" to defeat the civil rights bill unless a jury trial amendment is adopted.

His unmistakable notice of a filibuster—although he didn't use the word—was sounded after President Eisenhower sent word to Republican senators he opposes this or any other major change in the bill's section on voting rights.

The administration measure already has been stripped by a 52-38 Senate vote of a section to empower the attorney general to seek federal court injunctions to enforce civil rights other than voting privileges.

The big issue now, as the Senate nears the end of a third week of debate on the House-passed bill, is whether to require jury trials in some contempt of court cases arising from the enforcement of voting rights under another section of the legislation.

Russell, leader of the Dixie forces fighting the bill, said after a conference in his office that the Southerners would support a jury trial amendment more limited in scope than they would like.

He said the Southerners believe jury trials should be provided in all contempt cases arising under the legislation. But he added that, as "practical men," they realize that an amendment limiting jury trials to cases involving criminal penalties has "wider support."

For that reason, Russell said, the Southerners would support an amendment offered by Sen. O'Mahoney (D-Wyo) even though "it doesn't go nearly as far" as they would like.

But Russell said that if the Senate should refuse to write in a jury trial amendment, "we would resort to every means at our command to every weapon in our arsenal to try to defeat the bill."

He told reporters after the closed meeting attended by 16 Southern senators that he thought their stand in that respect was "pretty generally understood."

After a separate conference of all Republican senators, Sen. Saltonstall (R-Mass) said Eisenhower sent word he wants the bill without major change.

Sen. Knowland of California, the Senate GOP leader, brought this word to the conference after a White House breakfast with Eisenhower.

Saltonstall, chairman of the Republican conference, said he expected the Senate to reach a vote on the jury trial issue by Tuesday. Russell said he thought a vote was likely by Tuesday or Wednesday.

Saltonstall said he expects most Republicans to oppose a jury trial amendment although he added that "no effort was made to bind anyone. No effort was made to tell anyone how to vote."

Sen. Aiken (R-Vt), who helped sponsor the move to limit the bill largely to voting rights, said he thinks the decision on a jury trial amendment will be close.

"It is very close," Aiken said. "It will be decided by a margin of not more than five votes, and maybe only two votes."

IN SNYDER SCHOOLS

2 Department Heads Resign

Two department heads in Snyder High School have resigned to accept other positions, Dr. Cecil Yarbrough, superintendent of schools, announced today.

They are Kenneth Goforth, head of the agriculture department, and Homer Morris, coordinator of the distributive education program.

Goforth, 2402 Forty-second Street, will reman in Snyder and will become a district supervisor for the Stewart Co., which handles the sale of Ford tractors in Texas.

Morris will become an economics instructor at Baylor University and will work on his doctor's degree.

Goforth has been in the Snyder school system as an agriculture teacher for seven years and has been head of the agriculture department five years. He is a graduate of Texas Tech College, Lubbock.

During Goforth's time as head of the department, he has headed many active student projects, along with Billy Bob McMullan, agriculture instructor who will remain in the department. Students have been in competition in judging contests and stock shows throughout the state during that time. Some pioneer projects have been conducted by students under Goforth's guidance, including a special lamb program.

Goforth is chairman of the Chamber of Commerce agriculture committee. During the past two years, Goforth and McMullan have conducted studies in connection with a proposed school farm, including the feasibility of having such a program.

Morris has been here one year as distributive education coordinator. He came here after having taught for six years in the Palestine school system.

In the DE program, Morris worked with students who attended regular classes at school and worked half a day in Snyder businesses in the distributive field for practical training. Morris is a member of the Snyder Rotary Club.

Morris holds bachelor and master degrees from Baylor in business administration.

SPOT MUSE

THE WORK ORDER has not yet been sent back here by the Civil Aeronautics Administration on the new east-west runway for Winston Field, the county airport, according to Frank Darby of W. W. Greif & Associates, engineers for the county. Contractors are awaiting the CAA work order before starting. It shouldn't take the general contractor, Brown & Root, long, since firm already has much equipment here working on the city paving projects.

WHO DISPUTES the theory that nearly everything has some good points? Now, we are informed rock 'n roll may help prevent back trouble. Doctors, it is said, believe that many bad backs result from twisting too little, instead of too much. It seems that when a person who is unaccustomed to twisting is suddenly confronted with a twisting situation, he runs a chance of twisting a spinal disc out of place. Looks as if the medical profession has untangled another one.

Woman Electrocuted While Digging Worms

SILSBEE, Tex. (AP)—Mrs. Frances Marie Allen, 27, was electrocuted today while using a device to dig worms in preparation for a weekend fishing trip.

Her husband, Herman, was at work at the Bethlehem Steel plant at Beaumont. Neighbors heard Mrs. Allen scream and saw her fall in her back yard. Survivors include two small girls.

Their Love Finds A Way

GALVESTON (AP)—Love found a way through a proxy marriage yesterday.

Miss Lillian Cernosek of Galveston wanted to join her fiance, James Feliz, to be married. Feliz, of Salinas, Calif., is an engineer under contract to remain in east Pakistan until 1960.

Miss Cernosek couldn't make the trip unless she was married to Feliz.

So they were married yesterday in the Galveston courthouse with Feliz' brother-in-law, Clifford Allen, standing in for the missing bridegroom.

WEATHER

SNYDER TEMPERATURES: High Thursday, 96 degrees; low 66 degrees; reading at 7:30 a.m. today, 69 degrees.

All Texas — Partly cloudy through Saturday with widely scattered afternoon and evening thundershowers. Not much change in temperatures.

253 Persons Die In Japanese Rain Storm

TOKYO (AP) — A violent storm which in 24 hours dumped 29 inches of rain on low-lying, thickly populated areas of Japan's southernmost major island left at least 253 persons dead today and more than 800 missing or unaccounted for.

There were 106 known injured.

Tokyo newspaper correspondents radioed from the flood area on Kyushu Island that at least 1,000 persons died in the city of Isahaya, 15 miles northeast of Nagasaki, and that scores may have perished in Omura, a port a few miles away.

A reporter who flew over the area said Isahaya, a mountain-ringed city of 57,000, looked "like a new sea" with only a few high points and roofs visible above the water.

"It seemed like someone had dumped the contents of a lake on us from a giant barrel," said one Isahaya survivor who was dragged to safety from the debris-choked river that flooded and poured over the city.

Railroads were washed out or blocked by landslides. Highways were closed. Thousands of homes were washed away or flooded.

The 29-inch rainfall was one of the worst rainstorms in Japan's recorded weather. The rain and accompanying violent lightning disrupted communications, leaving many areas isolated except for intermittent radio contact.

The storm began Thursday morning, let up for a few hours late in the day, and then—in the words of one survivor at Isahaya: "Suddenly an angry bolt of lightning cut the sky. Pounding thunder followed. Then the rains came. Not just by buckets full. It seemed like someone had dumped the contents of a lake on us from a giant barrel."

As the rain increased, flood-waters began pouring through Isahaya. Yasujiro Tachikawa said he watched "the dim outlines of broken houses and buses drifting by like a procession of ghosts."

Chikara Imasato, 25, the first evacuee brought to Nagasaki, said "I lived through hell. The flood reached the ceilings of my house in a few moments. Cascading rain mingled with deafening thunder and the screams of the dying. I don't know how I managed to swim in the swirling waters."

A fisherman picked up Yoko Komori, 20, clinging to a piece of lumber at sea 15 miles from shore.

"I don't remember anything except that the water snatched me away all of a sudden," she told rescuers.

The Japanese navy and coast guard sent 19 fast patrol boats and landing vessels to the area to speed rescue work.

The U.S. Navy sent a helicopter to Kyushu and the U.S. Air Force ordered two more to the flood area.

Mayor Of Michigan Shot In City Hall

DETROIT (AP) — Blazing gunfire cut down the mayor of suburban Garden City in his city hall last night. Critically wounded, he was given only a 50-50 chance to live today.

Police held a wealthy Garden City contractor who had been feuding with the mayor since they opposed each other in a 1946 election.

Shot six times while some 50 city officials and spectators stood by too horrified to act was Mayor James Tierney, 52. City Atty. Russell L. Swarthout gashed his hand on sights of the assailant's pistol while fighting off the gunman.

NOTE TO HARRY

It's Okay To Write On Money

WASHINGTON (AP) — Former President Harry S. Truman can go right on autographing $1 bills as far as the Treasury is concerned.

A visitor to Truman Memorial Library at Independence, Mo., asked him yesterday to autograph a bill.

"I hadn't better," Truman said. "Why?" an old friend asked.

"You can't deface currency," he said. "That's the law. The attorney general would just love to put me in jail."

Asked if he had been cautioned officially, Truman said, "Oh, no."

In Washington, a spokesman said today the U.S. Treasury "never has held that autographs or minor writing on currency, such as banks often do, is a violation of the law."

In fact, outgoing Secretary of the Treasury Humphrey often has given autographed $1 bills to visitors. The bills already carry his engraved signature, as well as that of Ivy Baker Priest, the treasurer of the United States.

"The secretary and Mrs. Priest have a perfect right to autograph bills," the Treasury spokesman said. "Their signatures are authorized by law."

Expansion Predicted

SPRINGFIELD, Mo. (AP) — Warren Jackson, Fort Worth engineer with the Federal Power Commission, said yesterday the Arkansas, White and Red River basins in 1980 will need about four times the electrical energy they now consume. He spoke at a rivers' interagency committee meeting.

Award For Safety Won By Snyder

Snyder is among 25 Texas cities which have won traffic safety certificates from the Texas Safety Assn.

Each of the Texas cities was rated on the basis of police traffic supervision, school traffic safety education, traffic courts, improvement in traffic death records, maintenance of accident reports, and traffic engineering.

Dallas led in total awards in those categories.

Winning in the 500,000 to 750,000 population bracket were Dallas and Houston, while San Antonio was winner in the 350,000 to 500,000. In the 200,000 to 250,000 bracket, Fort Worth was winner.

Amarillo, Austin, Corpus Christi, and Lubbock won firsts in the 100,000 to 200,000 class. In the 50,000 to 100,000 bracket, winners were Abilene, San Angelo, and Wichita Falls. Those in the 25,000 to 50,000 group were Odessa and Tyler.

Those other than Snyder in the 10,000 to 25,000 class were Big Spring, Borger, Corsicana, Mercedes, Paris, Plainview, and Sherman.

Winners in the 5,000 to 10,000 population group were Levelland, Breckenridge, Andress, and Weslaco.

Nickerson To Get Routine Panama Job

WASHINGTON (AP) — The Army today ordered Col. John C. Nickerson, convicted of divulging missile secrets, to a routine job in the Panama Canal Zone. He will be deprived of his privileges of rank and command.

The Army said Nickerson will be an "engineers facility inspector" with the job of inspecting engineer works in progress and that "he will not be associated with guided missiles or research and development in any way."

An Army court-martial at the Redstone Arsenal, Huntsville, Ala. found Nickerson guilty. He was forbidden to exercise command for one year and was reprimanded.

Nickerson, a top guided missile engineer at the Army's Ballistic Missiles Agency, will be given 30 days to report to the Office of the Engineer at the headquarters of the U. S. Caribbean Command in the Canal Zone.

An Army spokesman, in announcing the action, said Nickerson's duties "will fall within the restrictions imposed by his court-martial sentence," which was imposed June 29.

The court-martial convicted Nickerson of "violating security regulations by failing to safeguard secret information and divulging it to unauthorized per."

He was sentenced to suspension from rank for one year, forfeiture of $100 monthly in pay for 15 months and received a reprimand.

Large Vote Is Mystery

WAKE FOREST, N.C. (AP)—The Wake County Board of Elections didn't solve the mystery of the extreme vote in Tuesday's annexation election.

Eighty-five persons in the area which would have been annexed registered to vote. One died; one was ill and didn't vote, and three persons were out of town.

That left 80 voters, and the registrar checked off 80 persons who received ballots.

The final tally was 41 votes against annexation and 40 for it, a total of 81.

The election board at a meeting yesterday couldn't account for the extra vote, but decided the annexation proposal didn't carry.

Houston Mother And Baby Die In Crash

HOUSTON (AP)—A Houston mother and her 6-month-old baby were killed in a 3-car crash on U.S. 75 near the Galveston Causeway early today. Four persons were injured.

The dead were Mrs. Billie Ferguson, 28, and Bobbie, her infant son.

The bodies were taken to Galveston.

Airman Is Convicted

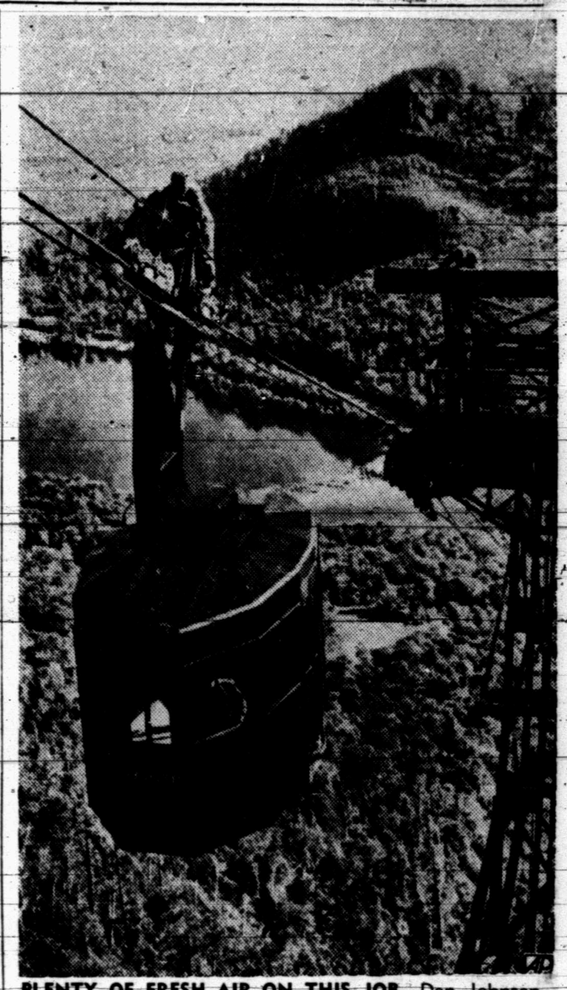

COLEMAN, Tex. (AP)—A jury last night convicted Walter Roy Brouillette, Air Force enlisted man, of murdering his father-in-law, O. C. Otte, 55, and set his sentence at 45 years. Otte was shot as he slept at his home at Fife, Feb. 11.

Flight From Houston

WASHINGTON (AP)—KLM Royal Dutch Airlines urged the Civil Aeronautics Board yesterday to approve soon its plea to start service between Houston and Amsterdam.

Oral Arguments

WASHINGTON (AP)— Oral arguments commence here Monday on what may be the largest claim ever made against the government—the suit of Indians of California for the value of all of the land in the state.

Ike Disappointed Over Failure To Pass School Bill

WASHINGTON (AP) — The White House said today President Eisenhower is greatly disappointed that the House failed to pass a school aid bill.

The President's views were given to newsmen by associate press secretary Anne Wheaton less than 24 hours after the House killed a 1½ billion dollar school aid bill about which Eisenhower himself had expressed some misgivings.

When a reporter told Mrs. Wheaton that Eisenhower has been sharply criticized on the ground he failed to give strong support to the legislation she said:

"The President has expressed great disappointment that the House did not see its way clear to pass a measure to meet this critical shortage of schools."

Asked in what way the President expressed his disappointment, Mrs. Wheaton replied:

"I am expressing it for him."

Mrs. Wheaton did not say whether Eisenhowr had expressed his displeasure to Republican leaders of Congress, but she said, "I assume that perhaps there was discussion along that line" in the President's breakfast conversation today with Sen. Knowland, the Senate Republican Leader.

Eisenhower had said before yesterday's vote that he was not fully satisfied with the compromise school aid bill, but would accept it. The measure, defeated by a five-vote margin, differed in several major respects from an administration bill that would have provided $1,200,000,000 in school construction aid to the states.

Earlier, Rep. Kelley (D-Pa), author of the school aid bill, had blamed the President for its defeat.

Men Are Fined For 'Speed Trap' Signs

KALAMAZOO, Mich. (AP)—Two Kalamazoo men have been fined $25 for posting signs reading "speed trap" before a radar speed check point outside Kalamazoo.

John Carter, 36, and Dwayne A. Woodruff, 24, were accused of posting an illegal obstacle to orderly law enforcement.

State police said yesterday they investigated after noticing traffic slowing before reaching a speed check point on U. S. 12, half a mile east of Kalamazoo.

Request Is Rejected

TOKYO (AP) — Communist China announced today it had rejected a request by the Japanese government to locate some 35,767 Japanese missing on the Red mainland.

Killer Of 3, With Nothing To Lose, May Strike Again

HOBBS, N. M. (AP) — A New Mexico lawman described today the killer of three persons as a man with nothing to lose who might kill again if the chance arose.

Lea County Sheriff Jewell McAdoo, asked about the chance of the slayer committing another crime, said:

"There's a good chance he would. He wouldn't have much to lose now."

Police began the tedious search for clues that might lead to the killer of two Hobbs divorcees and a young truck driver early Tuesday.

"We're checking everybody and every angle. It may take us weeks to get to it all but we will."

The search for the killer of J. D. Cantrell, 27, of Carlsbad; Mrs. Barbara Lemmons, 23, and Mrs. Dorothy Gibson, also 23, was spurred by reward offers of $1,800.

McAdoo said leads were slim.

Cantrell, a driver for Ferguson-Steere Trucking Co., was shot to death at the side of U.S. 180, about 36 miles west of Hobbs. The two young women were killed by an isolated oil field road 29 miles northeast of where Cantrell's body was found.

Cantrell was believed to have stopped his truck after seeing the women fighting off an assailant, and was slain. The killer is then thought to have forced the women to accompany him to the spot where they were killed.

A motive for the deaths has not been established.

Robbery was discounted after the women's purses were found in Mrs. Gibson's car, parked with a flat tire by the trucker's body. Cantrell had about $5 on his body.

McAdoo said an examination showed neither woman was raped.

The sheriff appealed for public help and asked that anyone with what might be considered information to get in touch with him.

Three Die, Seven Injured By Blast

PITTSBURGH (AP) — An explosives expert blasted himself and his estranged wife to death in their parked auto last night. The explosion also claimed the life of an 8-year-old girl happily licking an ice cream bar.

Seven other passers-by were injured in the blast, which rocked the North Side business section about one mile from midtown.

The dead are Arthur DePew, 29, his wife Elaine, 18, and Linda Kraus.

Linda's 11-year-old sister Joan was hurled through a store window and sufferd multiple cuts.

The children's grandfather Frank Panza, 55, suffered a hip laceration. He and Joan were the only persons admitted to a hospital and officials said both are expected to recover.

The blast knocked pedestrians over and broke windows in a wide area.

DePew, a blaster for a construction firm on a sewage tunnel project here, parked his car just a few minutes before he met his wife in a prearranged reconciliation attempt. The couple talked a few minutes, entered the car and then came the blast.

Asst. Police Supt. Lawrence Maloney said, "There's no question about it — it's a clear case of murder and suicide."

The DePews were married only about six months ago. Police said DePew formerly had lived in Norwich, N.Y.

A week ago, Constable Louis Braunstein said, Mrs. DePew filed a surety of the peace charge against her husband after he allegedly threatened to kill her.

"He was in my office last night," Braunstein said. "He was very nervous and asked to see about getting an attorney."

The constable quoted DePew as saying: "I'll get a divorce if that's the way she wants it — but this will not be the end of it."

UNION EXPENSES CITED

What! No Kitchen Sink . . .

WASHINGTON (AP) —Senate investigators testified today that $128,045 of United Textile Workers funds was "misused" by top union officials. They cited expenditures for lavish theater parties and costly gifts, including a $25.20 corkscrew.

Staff investigators for the Senate Rackets Committee said their audits showed Secretary-Treasurer Lloyd Klenert charged $11,411 worth of New York theater tickets to his union. These included tickets for 24 $100-a-night theater parties to see the Broadway hit, "My Fair Lady."

Klenert blushed heavily and bowed his head as he heard investigators Alphonse Calabrese and Morton E. Henig give the testimony.

Placed in evidence was a chart captioned "Summary of improper use of United Textile Workers of America funds by Lloyd Klenert and Anthony Valente."

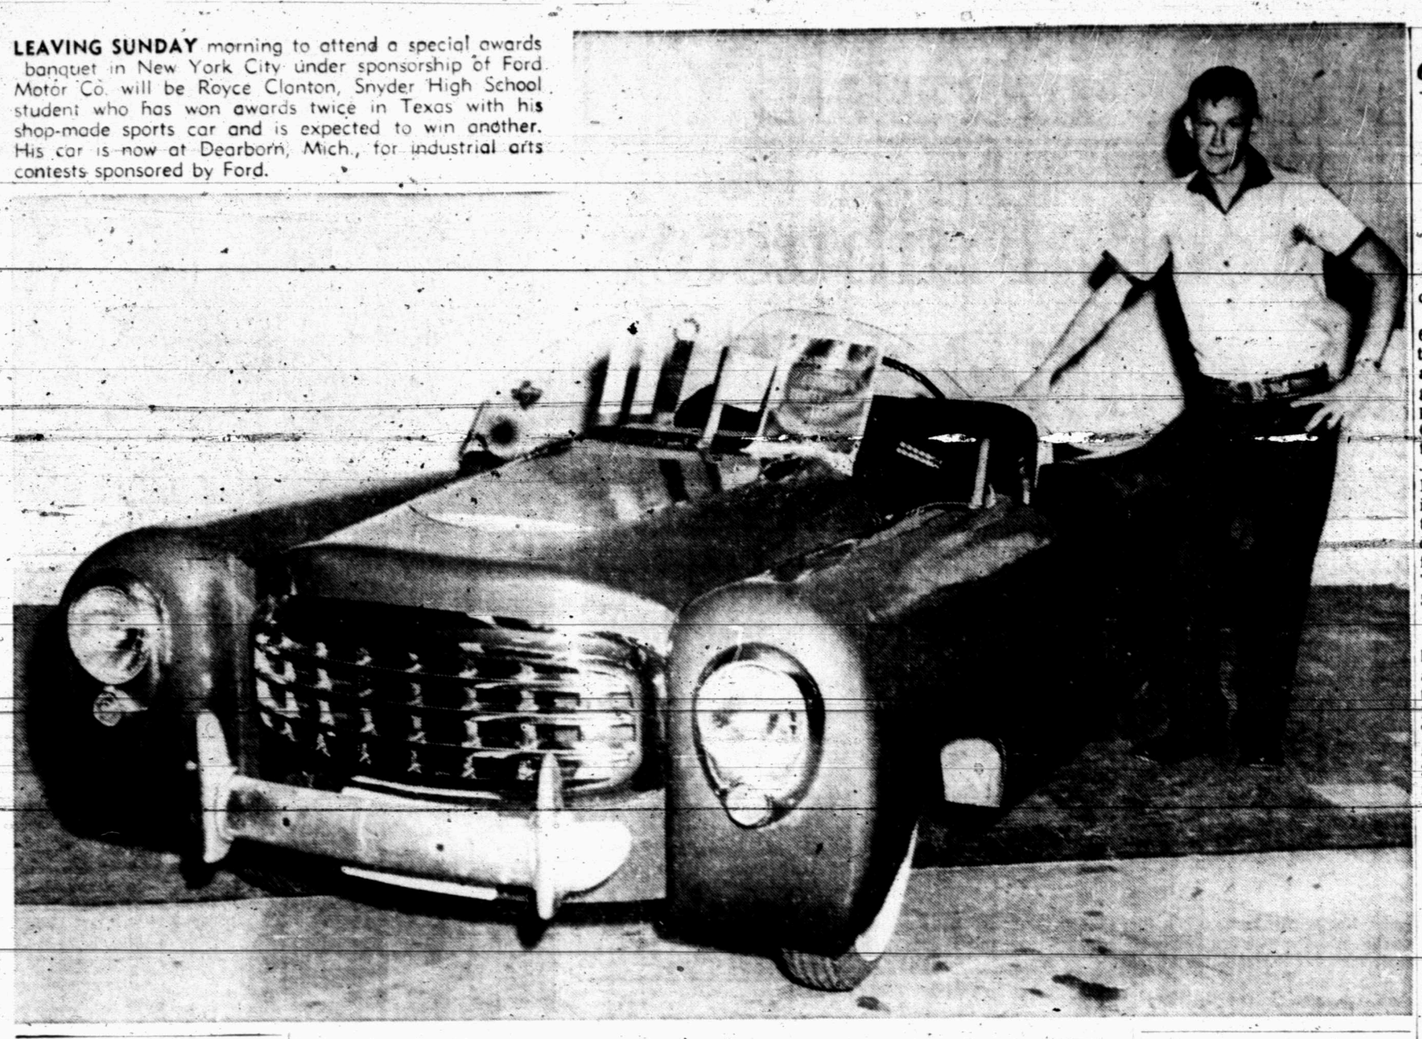

Valente, the union's president, had testified yesterday.

The chart listed the corkscrew as having been bought by Klenert. Among his other allegedly union-paid purchases were such items as girdles, brassieres and petty-coats at $18.44; sports cane $15; golfer's lamp $49.50; milk stool $5.50; Magnavox TV set $277.59; RCA Victor color TV set $566.50; men's suits, for both evening and street wear ranging from $142.40 to $149.43 in cost, and children's dresses and games.

This particular list was not totaled.

The over-all summary, however, struck a total of $101,963 of expenditures by Klenert listed as "improper use" of UTW funds, and $26,442 of "improper use" of UTW money by Valente to produce the $128,405 total.

Klenert and Valente swore yesterday the only union money they used for themselves was $57,000 to help buy plush homes in a Washington suburb. They described that transaction as being, in a sense, a favor to their unions.

LEAVING SUNDAY morning to attend a special awards banquet in New York City under sponsorship of Ford Motor Co. will be Royce Clanton, Snyder High School student who has won awards twice in Texas with his shop-made sports car and is expected to win another. His car is now at Dearborn, Mich., for industrial arts contests sponsored by Ford.

Snyder Student Wins Trip To New York Awards Banquet

A Snyder High School industrial arts student has won an expense-paid trip to New York City and will leave here Sunday.

He is Royce Clanton, 17, son of Mr. and Mrs. S. V. Clanton, 3011 Avenue Y, who will be a senior in high school this fall.

Clanton will leave here by plane at 6:55 a.m. Sunday. He will arrive in New York in time to spend some time sightseeing, and on Tuesday night he will attend an awards banquet sponsored by Ford Motor Co.

Clanton's free trip came as a result of his entry in the Ford Industrial Arts Awards and Student Craftsman's Fair. Entered is a shop made sports car which Clanton designed and made alone. He used the motor of an English Ford and a few parts from other automobiles, but the body was manufactured by Clanton.

The student entered the car in an industrial arts show at Abilene Christian College, taking a top award there. The car was then entered in a statewide show in Dallas, the Students Crafts Fair, and he took that show's grand award.

A number of other Snyder High School and junior high students took first place awards in both the Abilene and Dallas shows. Clanton's car and other students' projects went from Dallas to Dearborn, Mich., for the Ford-sponsored show. The projects have been in Dearborn since May.

Ford Motor Co. has not yet announced winners of its Dearborn contests, so Clanton does not know just what award he has won. Ford will make, however, some 15,000 individual awards as a result of the show, with $50,000 in cash and trips to go to students. Snyder students have taken various awards at the Dearborn show in previous years, but none have yet been guests of Ford at the awards banquet. It is anticipated that all the places in the contests will be announced at that banquet.

Included in top prizes of the Dearborn show annually are 64 expense-paid trips to Dearborn for winning students and their teachers. This usually occurs in early September.

While in New York for the awards banquet, Clanton will stay at a hotel in the Central Park area. All expenses will be paid. He will return home Wednesday after one full day and two nights in New York.

Clanton built the sports car while taking a wood course in the high school last year. He has taken three years of wood shop in the industrial arts department and plans to take a metal shop course this school year.

Clanton has plans to become an industrial arts teacher.

Clanton is a student of Frank Miller. Other students of Miller whose projects are entered in the Dearborn contests are Jimmy Hardy, dining table; Ray Eaton, ball-peen hammer and punch; Tommy Cronk, model oil rig; Kelton Pinkerton, electric lawn mower; Richard Miller, bridle bits and spurs; Ronny Price, bridle bits, spurs, and "C" clamp; Johnny Powell, aluminum casting.

High school crafts students of Ed Raborn whose projects are entered at Dearborn are Ismael Gonzales, carved plastic salt and pepper; Helen Ivison, painted and engraved aluminum tray; Barbara Neal, hammered and engraved aluminum tray; Douglas Green, hammered and engraved aluminum tray, and Janis Thompson, tooled copper pictures.

Junior high crafts students of Jack Crawford with entried are Jan Moore, tooled and painted aluminum foil pictures; David Kee, belt buckle; Bill Weaver, plastic desk set; James McCormack, plastic yo-yo; John Greene, plastic desk set; and Spencer Dyer, plastic desk set.

General shop students of Joe Harwell in the junior high with entries are Milton Sturdivant, three-neck electric steel guitar and mahogony desk and chair; Jerry Maxwell, single neck electric steel guitar; John Weaver, candle holders and centerpiece turned from aluminum; Stanley Martin, electric cutaway guitar; Doyle Sharp, hand carved violin; and George Holder, three-tube code oscillator.

Services Set On Saturday

Funeral services will be held here Saturday afternoon for Mrs. Stella Burney Smith, former resident of Snyder, who died at 3:20 p.m. Wednesday at the home of a daughter in Lovington, N.M.

Mrs. Smith is survived by the daughter, Mrs. Doyle Blakely of Lovington; one son, M-Sgt. Burney Carter who is serving in Korea; her mother, Mrs. W. F. Burney of Snyder; five brothers, W. T. Burney of Lubbock, Joe Burney of Portales, N.M., Bill Burney of Odessa, R. W. Burney of Phoenix, Ariz., and Jack Burney of Ira; two sisters, Mrs. Pearl Warren of Fluvanna and Mrs. Ruby Winfrey of Sweet Springs, Mo.

Services will be held at 3 p.m. Saturday in the Twenty-fifth Street Church of Christ, with O. D. Dial, minister from Roby, officiating. Burial will be in the Ira Cemetery, under direction of Bell Funeral Home. Nephews of Mrs. Smith will be pallbearers.

Aubrey T. Thornhill Enlists In Navy

Aubrey T. Thornhill, son of Mr. and Mrs. Bailey Thornhill of Ira, has gone to San Diego Naval Training Station, according to a telegram received by his parents here Tuesday.

He will be at San Diego for nine weeks of recruit training. After that he will attend a Navy school in the field of his choice which he qualified for under the high school graduate trainning program.

OIL ROUNDUP

Scurry Gets Two New Producers

Two new producers have been completed in Scurry County fields.

Humble Oil and Refining Co. No. 6-B Shannon is a new producer in the Revilo (Glorieta) Field. It made a potential of 73.20 barrels of 36 gravity oil and 69 per cent water, pumping from perforations at 2,662-716 feet. The well is in Section 345, Block 97, H&TC Survey.

W. M. and A. P. Fuller, No. 2 M. A. Fuller has been completed in the Corozon Field. Daily potential was 8.34 barrels of 37 gravity oil and 87 per cent water, pumping from perforations at 2,035-43 feet. The location is in Section 87, Block 5, GH&H Survey.

FISHER COUNTY

Sinclair Oil and Gas Company has staked its No. 1 J. C. Stribling as an outpost to production in the two-well Hargorve (Noodle Creek) Field of North Fisher County. The drillsite is 660 from the south and west lines of Section 193, Block 2, H&TC Survey, or two miles northwest of Rotan.

Dugger and Herring Drilling Co. and Jake L. Hamon have plugged their No. 1 Harry Sherwood at 5,000 feet. It is in Section 6, Block 19, T&P Survey, nine and a half miles northwest of Sylvester.

BORDEN COUNTY

Oil, gas cut mud and salt water have been recovered on a test at Lario Oil and Gas Co. No. 1-C Collins, wildcat project in South Borden County. Operator tested the Pennsylvanian from 7,852-98 feet. Tool was open an hour and 45 minutes, and gas surfaced in 25 minutes. Recovery was 180 feet of oil and gas cut mud, plus 90 feet of gas cut salt water and 180 feet of salt water.

The location is 662 feet from the south and 1,971 feet from the east lines of Section 32, Block 31, T3N, T&P Survey, or six miles northeast of Luther.

NOLAN COUNTY

Roy Guffey Production Co. of Abilene No. 1 Z. D. Hetring is a new wildcat test in Nolan County. The drillsite is 600 feet from the south and east lines of Section 189, Block 1-A, H&TC Survey, or three miles east of Maryneal. It is projected to 4,700 feet by rotary.

C. L. McMahon, Inc., of Tyler No. 6 Lance Sears has been completed in the Nena Lucia (Strawn Reef) Field. Daily potential was 171.60 barrels of 43.8 gravity oil produced from 80 perforations at 6,932-40 and 6,956-68 feet. Gas-oil ratio was 1,896-1. The well is located in Section 178, Block 1-A, H&TC Survey, four and a half miles west of Maryneal.

Possible Aid To Victims Of Hurricane Discussed

Disaster victims of Hurricane Audrey were discussed Tuesday night at the regular meeting of the Snyder Junior Women's Club.

Discussing possible aid to disaster victims in Louisiana, the club said it must await appeals from Louisiana residents before sending clothing.

The club is planning a box supper for members and their families next Friday. Members not at the meeting were to contact Mrs. Don Kile for information.

Mrs. Jimmy Lane and Mrs. Corky Houston were in charge of delivering canned goods and milk to a needy family chosen by the club.

The club voted to begin a scrapbook.

Hostesses for the meeting were Mrs. Houston and Mrs. Kile.

The next business meeting will be Aug. 5 with Mrs. Jimmy Lane and Mrs. S. J. Nobles as hostesses.

PLAY BALL! Dr. Haycock is a member of the National Girls Softball League, plays with the Linden, N. J. Arians.

Woman Surgeon Stars At Bat Or When Using Fencing Foil

NEWARK, N.J. (AP)—A tall, green-eyd brunette, senior resident surgeon at St. Barnabas' Hospital Center here, has invaded a variety of fields marked "for men only."

No matter whether she wears rubber gloves for surggery, baseball gloves or even fencing gloves, many men will make a bow before Dr. Christine Haycock.

With her rubber gloves she performs surgery and she hopes to become the first woman certified by the Board of the American College of Surgeons in New Jersey.

After work, just to relax, she puts on her leather baseball glove and off she goes to play softball in the National Girls Softball League, with the Linden, N.J., Arinans.

With the fencing glove and foil she's equally at home and in 1949-50, while studying medicine, she became New Jersey's woman fencing champion.

She's also a captain in the reserves and was the first woman interne at the Army's Walter Reed Hospital.

But don't think that the pretty young woman surgeon is interested only in fields reserved for men.

She finds enough time for social life, and is an award-winning photographer and an accomplished painter.

Dr. Haycock says she became interested first in baseball, later in softball, by necessity; she was the only girl in an all-boy neighborhood.

"It was either play ball or be lonesome," she explains.

In 1939 she went out for her high school baseball team but the coach wouldn't let her play. So, at the age of 15, she joined the Essex County Semi-Pro League and became the first girl to play on the team.

She played both baseball and softball until she entered the University of Chicago on a partial scholarship and then she began fencing with the university team. She came to New Jersey and won the women's championship.

After graduation from high school she worked in a factory as a solderer and while she studied pre-med she did private duty nursing at night to ease the tuition load on her parents, Mr. and Mrs. John B. Haycock now of Chicago.

Why didn't she get married?

Dr. Hancock says she hasn't found the right man yet, adding:

"I want a man who can dominate me, and who makes his own decisions.

Anyway, until she finds the right man, she is planning to have another year of post-graduate training and then she will qualify for certification by the Board of the American College of Surgeons.

DATE DATA

By BEVERLY BRANDOW

"Hum-m-m." Susan studied the menu grimly.

"The fried chicken looks wonderful," her date volunteered as he sniffed the aroma from the next booth.

"Oh-h-h" Susan moaned! It does, doesn't it — but just think of the calories!"

The turkey was to fattening and so was the fried trout. She settled on a fruit plate and after totaling her caloric intake whined that she was still starved.

Betty made a fuss over her hair! It "never looked right," she would complain to her date. Though he obligingly assured her it "looked great," she would go into detail about how fine it was and how one puff of wind would completely disarrange it. She would discuss the futility of permanents and how tiresome was the task of setting it each night.

Is it any wonder both dates were bored and uncomfortable and finally dropped Susan and Betty from their lists of elibible girls?

If you have faults, and who doesn't, ignore them in hopes that your friends will, too. Never point out your shortcomings or make an issue of them. Who knows, were it not for your stressing them they might not otherwise be noticed.

Many a fat girl is popular because she wears flattering clothes and has such a bubbly personality that attention is drawn to her expressive face so that the rest of her body is virtually overlooked.

Boys like their dates neat, but if you have a pleasant line of chatter and are fun to be with, most boys won't mind if you are a little windblown.

Comb your hair the best you can and forget it. Chances are your date will, too.

Nobody likes a complainer. Don't be one. No matter how terrible you think you look or how awful you are in playing certain games, keep quiet about it. Mums the word.

PLANS ARE CURRENTLY being made to run a special train to Borger for the Tiger's 1957 football opener, Sept. 16.

Dan Cotton, president of the Snyder Quarterback Club, is checking on the possibility of running the special to the Panhandle city for the opener.

Some concrete information on the special will be announced as soon as it is available.

The QB Club, too, may run a special to the Dumas game which follows the Borger game. The Dumas game will be played there, Sept. 20.

You may not realize it but football season is just "around the corner." The grid fever is already catching hold here.

All-Star Game Nears

The high school all-star game in Dallas is only two weeks from tonight.

We have had some inquiries on ticket sales for the all-star game but there's no need to get worried over being able to get tickets. The game will be played in the Cotton Bowl.

While the game could conceivably draw the biggest crowd in history of the classic, there will be plenty of good seats for all. The record crowd for the all-star game is 19,657.

Even if the crowd reaches the 25,000 mark, all in attendance will have good seats since the Cotton Bowl, as you well know, can accommodate 75,000 fans.

Snyder, for the second straight year will have special interest in the all-star game since one of our boys, end Milton Ham, will participate in the game.

"Tiger" Name Popular In Texas

Ray Franks, publisher of the "Texas Sports Guide" now off the presses, comes up with some interesting tabulations on "nicknames" for Texas high school and colleges.

Snyder High School is one of 72 schools in the state called "Tigers." The Tiger nickname ranks as the third most popular in the state.

Leading the list is "Bulldogs," a name used by 85 Texas schools. Next comes "Eagles" (76), Tigers, and "Wildcats" (42).

In case you would like to obtain a copy of the Texas Sports Guide, you can write Ray Franks at P. O. Box 8016, Amarillo. Price per copy is $2.75 plus 20 cents handling charge.

The book includes all-time records in all sports, state football and basketball results, district assignments, and many other interesting data.

Curfew Keeps Cards Off Top

By ED WILKS
The Associated Press

Curfews are okay for keepin' the kids off the streets, but the the Sunday baseball one in Pennsylvania is keeping the St. Louis Cardinals out of first place in that National League scramble.

As is, the Cards are second, three percentage points and half a game behind Milwaukee. They slipped past Brooklyn's Dodgers 3-2 last night after the Braves were beaten 5-3 by Philadelphia.

But if the Redbirds, finally fattening up at home, could count Sunday's second game at Pittsburgh—which they led 11-2 in the ninth inning when the 6 p.m. curfew sounded—they'd be out front by two percentage points. (They complete that game Aug. 27.)

After taking two of three from the Dodgers, the Cards are a game ahead of both Milwaukee and Brooklyn on the "lost" side. The Brooks, now third, are just one point ahead of Cincinnati's Redlegs, who whipped Pittsburgh 9-1 last night. The Phils are 2½ back in fifth.

Sixth-place New York defeated Chicago's Cubs 5-2 in the other NL game, with Mike McCormick, the $65,000 bonus kid, winning his first in the majors.

In the American League, Dick Donovan four-hit New York for a 6-2 victory as the Chicago White Sox again moved within 3½ games of the first-place Yankees. Boston swept the three-game set with Kansas City, 5-3. Washington nipped Cleveland 3-2 in 10 innings, and Baltimore spilled Detroit 3-0.

The Cardinals laid the wood to Don Newcombe again to break a 2-2 tie in the eighth on singles by Al Dark and Stan Musial and a sacrifice fly by Wally Moon.

Right-hander Herm Wehmeier also ended a jinx while limiting the Dodgers to six hits, striking out six and walking three for a 4-4 record.

The Phillies, winning only three of the last 10, took two of three at Milwaukee as Robin Roberts shook off his worst slump ever—a string of seven losses since June 6. Hank Aaron belted his 30th home run, on Robin's 29th gopher ball of the year, and Red Schoendienst extended his hit streak to 22 games with an RBI single for the Braves, who had a run home and two on with two out when Dick Farrell relieved Roberts in the ninth. Ed Bouchee drove in three runs to help beat Warren Spahn, now 10-8.

Art Fowler gained a 2-0 record with a seven-hitter for the Redlegs. The veteran right-hander also singled for two runs in the second against loser Ron Kline. Ed Bailey and Gus Bell homered in Cincinnati's 11-hit total.

The White Sox took the rubber game in the big set at Yankee Stadium with eight hits, two by Jim Landis, who singled to lead off a two-run sixth that beat Bobby Shantz.

Donovan hit his first home run of the season to cap his 10th victory. He had a one-hit shutout until the seventh.

Bob Porterfield won his second with a six-hitter against the A's and Tom Gorman in his first complete game since July 17, 1956 —when he beat the A's and Gorman 1-0. The Sox scored four in the second to nail it.

Braves Look To Minors

MILWAUKEE (AP)—The Milwaukee Braves hope to acquire a pitcher and an outfielder by tonight to help plug holes through which the National League pennant could flitter away.

General Manager John Quinn, after consulting with Field Manager Fred Haney late yesterday, said, "There is a strong possibility of our getting a pitcher and an outfielder from the minors within the next 24 hours."

Quinn had been trying to land an additional outfielder, but was forced to add a pitcher to his shopping list yesterday when it was learned that ace reliefer Ernie Johnson would be unavailable for at least a week.

Johnson reinjured his right or throwing elbow last weekend when he received credit for two victories over the Giants in relief. The tall palm ball specialist, who has won six and lost only one, is undergoing diathermy and whirlpool treatments.

With Johnson out, Haney has only eight injury-free pitchers, about two below the number he would like for the rugged stretch drive.

Prior to Johnson's incapacitation, veteran Andy Pafko, who missed five games because of a sprained side, returned to the outfield, freeing catcher Del Crandall for duty back behind the plate. Crandall did as well as could be expected filling in for Pafko, but by a stretch of the imagination is he an outfielder.

Local Pony Stars Nip C-City, 11-10

Snyder's Pony League All-Stars won an uphill battle from the Colorado City All-Stars in an exhibition game at Towle Park last night, edging the Colorodans 11-10 in an 8-inning thriller.

The locals spotted C-City an 8-2 lead before they battled back for the victory. Snyder still trailed three runs, 9-6, when they came to bat in the seventh, their final turn at bat in the regulation time.

Snyder proceeded to tie the score with a three-run uprising in the bottom of the seventh. C-City once again forged ahead when they scored once in top of the eighth for a 10-9 lead.

But the Snyder lads were not to be denied as they came right back with two runs in bottom of the eighth to win the game.

Jimmy Don Robinson, who didn't start the game, got the locals back in the game with a three-run homer in the sixth that reduced the C-City lead to 8-6.

Robinson then came back in the eighth to lead off with a walk and eventually score the tieing run. Robinso moved around to third on two passed balls and scored on Butch Niedecken's groundout.

Steve Free, who walked in between Robinson and Niedecken, scored the winning run on a single by Larry Patterson. It was Patterson's third hit in the game. He had doubled previously in each the first and seventh innings.

Tommy Minton with a triple and double and Niedecken with a pair of singles followed Patterson in the hit department for Snyder.

Charles Gladson, third Snyder pitcher, was credited with the win. Gladson came on to snuff out a C-City rally in the seventh and finished up. Two errors in the eighth got Gladson in trouble but he worked out of it with only one run scoring.

C-City outhit Snyder, 10-9, but the extra base power of the locals paid off. Six of Snyder's 9 hits went for extra bases while only one of C-City's 10 hits was an extra baser.

The Snyder Pony Leaguers will wind up their pre-tournament schedule tonight when they host the Abilene Rebels at Towle Park, starting at 8.

The game will pit the two teams that met in the district finals last year, Abilene winning the title in an extra inning affair.

John Weaver will open on the mound for Snyder tonight

WITH TOP AVERAGE IN KID RANKS

Robinson Tops NLL Batsmen

William Robinson of the Lions Club Cubs won the National Little League batting title and in so doing he posted the highest batting average in the kid baseball ranks the past season with a .583 mark.

Robinson hit safely 28 times in 48 trips for his tremendous mark. He was the only NL player to top the .500 mark.

Seven other National Leaguers hit .400 or better with Robert Sterling of the Rotary Cardinals capturing runnerup honors with .458. Pat McCright of the Kiwanis Braves was third with .440.

Others hitting in the .400 circle were Benny Minor of the Braves, .436; Rob Hall of the Cardinals, .432; Stuart Long of the Cubs, and Kenny Welborn of the Cardinals, each with .431; and Ed Carl Foree of the Braves with .405.

Minor scored the most runs with 23 while Robinson had the most hits at 28.

Aldridge Wins American Title

Darrell Aldridge of the American Legion Yankees captured the American Little League batting title for the 1957 season with a .452 average, according to the News statistical figures.

Aldridge collected 19 hits in 42 trips and scored 13 runs.

Only one other American Leaguer topped the .400 mark. Dean Howard of the West Texas State Bank Athletics garnered 20 safeties in 48 trips for .417.

Just missing the .400 circle was Pete Greene of the Trinity Methodist White Sox who hit .395 on 17-for-43.

Thirteen other American League batsmen hit in the .300 bracket. Topping .350 were Durwood Brunson of the Yankees, .375; Robert Parker of the Holder Construction Indians, .368; Ygnacio Benitez of the White Sox, .366; Jimmy Wilson of the White Sox, .364; Eddie Kirby of the Yankees, .362; and James Crossen of the White Sox, .355.

Brunson scored the most runs with 20 while Howard had the most hits with 20.

Lions Get Tobin Rote From Packers

DETROIT (AP)—The Detroit Lions and the Green Bay Packers have completed a six-player trade that brings quarterback Tobin Rote and defensive halfback Val Joe Walker to the Detroit club.

The Packers in turn receive linemen Jim Salsbury, Oliver Spencer and Norm Masters, along with sophomore halfback Don McIlhenny.

Word of the deal leaked out late last night when Detroit Coach Buddy Parker called Rote's home in Bellaire, Tex., to inform Rote of the trade. But Rote, a seven-year veteran who led the National Football League in nearly every passing department last season, was already on his way to the Packer training camp in Stevens Point, Wis.

The two clubs planned a joint announcement of the deal today but the excitement generated in the Rote household caused the word to get out early, said a Lion spokesman.

Although the Packers, who finished fourth in the Western Conference last season, needed help in the line, it was a startling transaction from the Detroit viewpoint. Rote, 29-year - old former Rice star who threw 18 touchdown passes in 1956, will join another Texan, Bobby Layne, and second-year man Jerry Reichow in the Detroit quarterback spot.

Layne, 30, has been in the pro ranks nine years and a Lion mainstay seven seasons. Over the past three years he has been troubled by a shoulder ailment but last season he was one of the league's top passers, and led the NFL in scoring with 99 points.

The Packers were knee-deep in quarterbacks, with Bart Starr, Babe Parilli, and rookie Paul Hornung on hand in addition to Rote.

Walker is a 27-year-old former Southern Methodist player. The Lions said he has announced his retirement. If he can't be talked out of it, they said, the Detroit club will get a 1958 draft choice. Rote, too, had indicated last year was his last but agreed to stay on at least one more season.

McIlhenny is another former Southern Methodist back. He scored five touchdowns and averaged 4.3 yards in 87 carries last season, but was injured midway through the season and never regained his early-season effectiveness.

Walker Plans To Quit

DALLAS (AP)—Val Joe Walker, former SMU back traded to Detroit by Green Bay, said today he is not planning to play this year.

BLACK SOX, FIREBALLS WIN OPENERS

2nd Round Set In Girls Tournament

Second round games in the City Girls softball tournament will be unreeled tonight at Little League Park.

Clashing in the first game tonight at 7 will be the Fire Department Fireballs and Kiwanis Blue Jays. The American Legion Legionettes and the V.F.W. Cardinals will meet in the second game.

Winning opening round games last night were the Fireballs over the Legionettes and the Black Sox over the Cardinals, the latter by forfeit.

The Black Sox, Fireballs and the Blue Jays, thus, are unbeaten in the double-elimination tournament. The Blue Jays' win came via a first round bye. The Black Sox drew tonight's bye in the five-team tournament.

Loser of the Legionette-Cardinal game tonight will be eliminated from the tournament.

The tournament will wind up tomorrow night.

All-star teams of the Snyder and Hermleigh teams will be announced at tomorrow night's games. The two all-star teams will compete in the Snyder Invitational Tournament to be held here Aug. 7-10.

3-Way Tie For Odessa Lead

ODESSA (AP)—Three teams, one headed by former National Open Champion Cary Middlecoff of Memphis, were tied for first as the $10,000 Odessa Pro-Amateur Golf Tournament entered its second round today.

The three combinations had 8 under par 64's in the opening 18 holes yesterday.

Bobby Cupit and Frank Wharton of Dallas, runner-ups last year, and Wendy Green and Marcelino Moreno of Midland, Tex., were tied with Middlecoff and his amateur partner, Billy Joe Denton of Wilson, Ark.

A field of 101 teams moved out in the opening round. They will be cut to the low 60 teams and ties today and will be cut to the low 40 and ties tomorrow.

A stroke back of the leaders were teams of Bud Ecton and A. B. Justice of Oklahoma City and Benny Adams and James Adams of McCamey, Tex.

Thirteen teams were tied at 66, among them the defending champions, Ernie Vossler of Midland and Rex Baxter of Amarillo, Walker Cupper and national collegiate champion.

San Benito Gridder Out Of All-Star Tilt

DALLAS (AP)—Donald George of San Benito High School has withdrawn from the annual all-star game here Aug. 9 of the Texas High School Coaches' Assn. because of an appendectomy.

The South basketball squad has had one replacement. Homer Inlow of Edinburg replaced Steve Jordan of McAllen, who was hurt in an auto accident.

Roger, The Giraffe, Undergoes Operation

OKLAHOMA CITY (AP) — Attendants at Lincoln Park Zoo are keeping a constant vigil over Roger, a 14-foot giraffe who underwent surgery yesterday for a mysterious illness.

A five-man team of veterinarians from Oklahoma State University at Stillwater performed the exploratory operation on Roger's stomach. They straightened out an intestinal twist which may have caused his trouble.

Freida, Roger's 2½-year-old mate, paced the adjoining pen like an anxious relative at a hospital.

Roger is 5 and weighs a ton.

Body Is Recovered

TEXARKANA (AP)—The body of Raymond Nix, 15, missing since Tuesday when he fell into the Red River, was recovered yesterday.

Two new cotton storage warehouses are now under construction in east Snyder and will bring the number of cotton warehouses here to six.

Storage capacity of all the warehouses will be some 22,000 bales, which will be more than double the former storage capacity here.

The new warehouses are being built by a newly-formed company, Poe & Wasson Warehouse Co., owned by George Poe of Hamlin and Ray Wasson of Rotan.

The same two men own Fisher County Bonded Warehouse in Rotan.

Recently, R. L. (Bob) Terry of Snyder, longtime warehouseman here, constructed a new warehouse 60 by 166 feet on the Roscoe, Snyder & Pacific Railway near Twenty-ninth Street here, bringing the total number of warehouses owned by Terry to four.

Terry, who has been public weigher here several years, has an estimated storage capacity of 10,000 bales in the four warehouses. His other three warehouses are located on the RS&P near Thirteenth Street.

Poe said this week that the two new warehouses, which will be located at Avenue A and Twenty-fifth Street near the Santa Fe Railway, will have a storage capacity of 6,000 bales each.

Each of the new buildings will be 120 by 240 feet. Poe said there is room on the tract to build a total of seven warehouses, although there is no sign of need for that many. "We plan to build one or two more if the crop justifies it," he said. Poe said the company will possibly build a railroad siding.

Poe said the company will have weighing facilities at the warehouses much of the time.

The local warehouses will store government loan cotton principally.

Expressway Confusing To Traffic Patrolmen

LITTLE ROCK, Ark. (AP)—In an impressive ceremony, city officials yesterday opened a new expressway designed to cut down traffic problems during the afternoon rush hour.

Minutes later, police said, the worst traffic jam in Little Rock's history had developed.

Traffic officers were as confused as the hundreds of motorists groping through a maze of unfamiliar traffic signs and lights along the 16-block expressway.

"I had to ride around on my motorcycle for 10 minutes before I could even figure out how to direct traffic," said Patrolman Gene Adcock.

Woman Not Satisfied With Deputy's Answer

TUCSON, Ariz. (AP) — A woman telephoned the sheriff's office this week asking about visiting hours for prisoners in the county jail. Deputy Marion Goree told her when they were.

"Does that apply to Las Vegas also?" asked the caller.

"We couldn't tell you about that," the deputy replied.

"Huh. Some brushoff," said the woman as she slammed down the receiver.

Lamp Finally Put Out

ROYERSFORD, Pa. (AP)—Russell Thomas arrived home with his family this week and remembered he had forgotten to blow out the kerosene lamp in the family vacation cabin 150 miles away. He jumped back in his car, drove the 150 miles, blew out the lamp and drove back again, his vacation finally over.

SNYDER AREA CHURCH NOTES

Meetings Continuing At Many Churches In Area

Revival services are continuing through this weekend in many Snyder area churches.

One is at the Central Baptist Church in Hermleigh, where the Rev. A. J. Martin, pastor of the Avenue D Baptist Church in Snyder, is evangelist. The meeting will last through Sunday, and services are scheduled tonight and tomorrow night at 7:30. Leading music is the Rev. Kenneth Andress of the Buford Baptist Church.

• • •

Also at Hermleigh, C. Brooks, minister at the Thirty-seventh Street Church of Christ in Snyder, is conducting a meeting at the Hermleigh Church of Christ, with services scheduled at 8 o'clock the next two nights and the meeting to last through Sunday.

• • •

The youth-led revival meeting will continue at the Colonial Hill Baptist Church through Sunday. Services are at 6:15 a.m., 10 a.m. and 8 p.m. daily, with services set for regular times Sunday. Leading the meeting are Lanny Curry of Hardin-Simmons University and Logan Cummings and James Barber, both of Texas Tech.

• • •

At the Fluvanna Church of Christ, a meeting is to continue through Wednesday, with W. T. Hamilton of Lamesa as speaker. Services are at 10 a.m. and 8:15 p.m. daily.

• • •

The Rev. Donald Hungerford, vicar at St. John's Episcopal Church will speak on "A Question of Emphasis" at the Sunday 11 a.m. service, which will include baptism.

• • •

"Misspent Energy" will be the subject of the Rev. G. M. Cole, pastor of the First Baptist Church, at the Sunday 11 a.m. service, and the choir will sing "To God Be the Glory." Guest soloist will be Mrs. J. F. Collins. At the 7:30 p.m. service, the pastor will speak on "When Jesus Comes Back," and the choir will sing "It's a Wonderful Life."

• • •

At the First Presbyterian Church, the Rev. R. Charles Spivey, pastor, will speak on "The Faith of the Christian" at the 11 a.m. service Sunday. At 7 p.m., there will be an informal discussion on "What Presbyterians Believe about Jesus Christ." On Wednesday night, family night, there will be a covered dish supper at 6:30, followed by a program entitled, "The Meaning of Church Membership."

• • •

Speaker at the Sunday 11 a.m. service at the Avenue D Baptist Church will be G. C. Coleman, member of the Colonial Hill Baptist Church. The Rev. A. C. Martin, pastor, who is leading a revival meeting at Hermleigh, will be back for the evening service and will speak on "Blinded By Sin." On the 7:45 a.m. Good News broadcast on KSNY, his subject will be "A Journey to the Cross."

Baptist Men Hold District Roundup

Men of Southern Baptist Churches in this area will attend a District 8 Brotherhood Roundup at the district camp at Big Spring Monday.

The program at the roundup will begin at 3 p.m. and last until about 9 p.m. Monday.

It will open with a song service led by Owen Taylor of Lamesa, district song leaders, followed by a testimony by H. L. Wren of Snyder and open forum, with a discussion on Brotherhood work led by A. C. Wimpee of Fort Worth, state Brotherhood leader.

After special music, there will be a message by Dr. L. L. Morris, pastor of the First Baptist Church of Midland, "Men and Missions." There will then be a refreshment break, followed by a message by Dr. Forrest Feezer, executive secretary of the Baptist General Convention.

An association officer conference will be led by Wimpee, and supper will be at 6:15 p.m. Another song service will follow, and at 7:25 Dr. A. Hope Owen, president of Wayland Baptist College, Plainview, will speak on "Brotherhood Hall and Wayland College."

Other messages to follow will be "Brotherhood and Royal Ambassadors" by J. I. Cartlidge, association missionary in the Permian Basin association, and "Men in the Homeland" by Dr. Fred A. McCaulley, field worker for the home mission board. Special music will end the program.

Rotary Club Talk Given On Cement

A film and discussion on prestressed concrete was given yesterday at the weekly luncheon of the Rotary Club here by Tilmon Smithey of the Portland Cement Assn.

The film concerned the Lake Ponchartrain Causeway in Louisiana, which was built of prestreesed concrete. The bridge, 24 miles long, was the first ever long enough for the curvature of the earth to be taken into consideration in plans.

Prestressed conrete, coming more into use now, is being used in construction of overpasses on the improvement of U. S. Highway 80 near here. Cage Bros. Construction Co., which is doing a part of the work along that highway, has built a plant 16 miles south of Snyder on State Highway 208 which will make piling and beams of concrete for Cage contracts.

The first major prestressed concrete structure using linear prestressing was built in the U. S. in 1949.

Prestressed concrete is that which compressed prior to application of the working load. As it is compressed, internal stresses are set up within the material, these counteracting the tinsile stresses which are later induced by the working load.

Water For Sherman

WASHINGTON (AP)—The Senate Public Works Committee yesterday approved a bill to authorize the secretary of the Army to contract with Sherman to use 41,000 acre feet of storage at Lake Texoma as regulated water supply source.

Patrolmen To Graduate

AUSTIN (AP) — Graduation exercises were set today for 32 new Texas highway patrolmen.

Attendance Picks Up For Crusade

NEW YORK (AP)—Attendance at evangelist Billy Graham's New York crusade, which slumped in the first two meetings after last weekend's big rally in Yankee Stadium, picked up again last night.

Graham drew a record 100,000 persons to Yankee Stadium Saturday night and an estimated 20,000 were turned away. After a two-day recess, only 15,000 attended a regular Madison Square Garden meeting—well below the Garden averages for the preceding week.

The following night—Wednesday — 14,500 persons showed up, but last night 16,800 were on hand to hear the evangelist from North Carolina. Capacity is 19,200.

Graham, taking Galatians 5:22-23 as his text, discussed what that biblical passage calls the "fruits of the spirit."

A total of 442 persons came forward at the end of Graham's sermon to make "decisions for Christ."

Graham went to the Bronx County Courthouse yesterday to have a talk with a man accused of stealing $500 in offerings at the Yankee Stadium rally by posing as an usher.

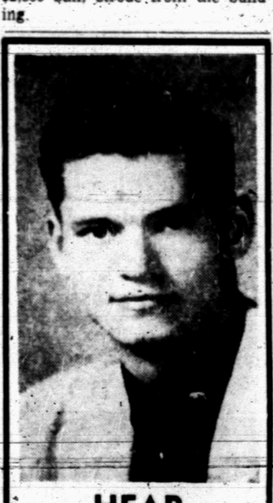

The evangelist told the accused, Louis Silver, 46, a former Los Angeles liquor salesman, that he forgave him and that he wanted him to come to another rally. He got only negative replies, however, and finally Silver, who is out on $2,500 bail, strode from the building.

Careers Are Given Up For Missionary Field

MEADVILLE, PA. (AP)—More than 135 young men and women have given up established careers this year to attend Allegheny College here to become missionaries.

They took the step, they all agreed, when they realized something was lacking in their lives which only foreign mission service could supply.

The training course which lasts six weeks, is sponsored annually by the Committee on Missionary Personnel, Division of Foreign Missions of the National Council of Churches and 15 denominational foreign mission boards.

Centers Do Big Business

NEW YORK (AP) — Church-supported hospitality centers for U.S. servicemen and officers on leave in the Far East, are doing booming business these days.

The Rev. Mr. Norman E. Koehler, back from three years in Japan where he set up seven centers, said the centers are filled to capacity almost every day. They're the result of cooperation between the Christian churches in Japan and American churches, through the General Commission on Chaplains.

The centers are unique, the Rev. Koehler said, because they were set up at the request of th Japanese churches to provide Christian fellowship for Protestant Japanese and American young men and women.

In addition to Japan, centers are operating in Hong Kong and Taipei.

Postmen Get Tired Of Bicycle Riding

MEMPHIS, Tenn. (AP) — Making their appointed round through sleet and dark of night is okay, postmen say, but on a bicycle — well, that's something else.

After a week of experimenting, most of the postman volunteers have given up mechanization.

"Makes my legs too tired," is the general complaint.

Tentative Date For Convention Is Set

NORTHFIELD, MINN. (AP)—The tentative date for the organizing convention of the new American Lutheran Church has been set for April 24-26, 1960.

The civic auditorium in Minneapolis has been engaged for those dates.

The uniting groups comprise the Evangelical Lutheran Church, the United Evangelical Lutheran Church, the American Lutheran Church and perhaps the Lutheran Free Church.

Actual functioning of the new organization is to begin Jan. 1, 1961. Before that time each uniting church will have certified and transferred all its assets to The American Lutheran Church.

Methodist Church In Cuba Growing Fast

NASHVILLE (AP)—The Methodist Board of Evangelism has announced that membership in the Methodist Church in Cuba has more than doubled in the last seven years.

From 4,000 in 1950, it is now more than 9,000.

And the number of preaching places has grown too—more than tripled, in fact: from 64 in 1950 to more than 200 today.

Hippocrates, the famed physician among the early Greeks, blamed many eye ailments upon changes in the weather.

Laymen's Retreat Set By Methodists

Beginning with the evening meal Friday, Aug. 2 and continuing through the noon meal Sunday, Aug. 4, the annual Laymen's Retreat under the auspicies of the board of lay activities, Northwest Texas Conference of The Methodist Church, will be held at Gets Canyon, near Happy.

Emphasis at the retreat this year will be on the "Stewardship of the Christian Witness." Speakers especially qualified for the task have been secured. They are Fay N. Johnson, conference evangelist, and long-recognized as an outstanding preacher, an Eugene F. Jud, Lay Leader of the Central Texas Conference.

Ray Johnson has held important pastorates in the conferences, served as Army Chaplin in World War II and is now engaged in full-time evangelistic work.

Jud is an outstanding layman in his home town, the Central Texas Conference and World Methodism. He has been Central Texas Conference Lay Leader since 1950 and member of the 1952 and 1956 General Conferences, member of the official board of Trinity Church, Waco, president of Trinity Methodist Men's Club and teacher of a couple's Sunday school class of 150 members.

No reservations are necessary and there will be no registration fees. A charge of $1 for each meal will be made. All who attend are asked to bring their own bedding and personal articles such as towels and soap.

For further information call First Methodist Church, 3-3901.

University Changes

AUSTIN (AP)—Dr. John Burdine will become dean of the University of Texas College of Arts and Sciences Sept. 1 and Dr. William Whaley will take over as dean of the graduate school.

Peurto Rico Has Airport Ministry

NEW YORK (AP)—An airport ministry helping families leaving for the Unites States has been set up at Puerto Rico's International Airport.

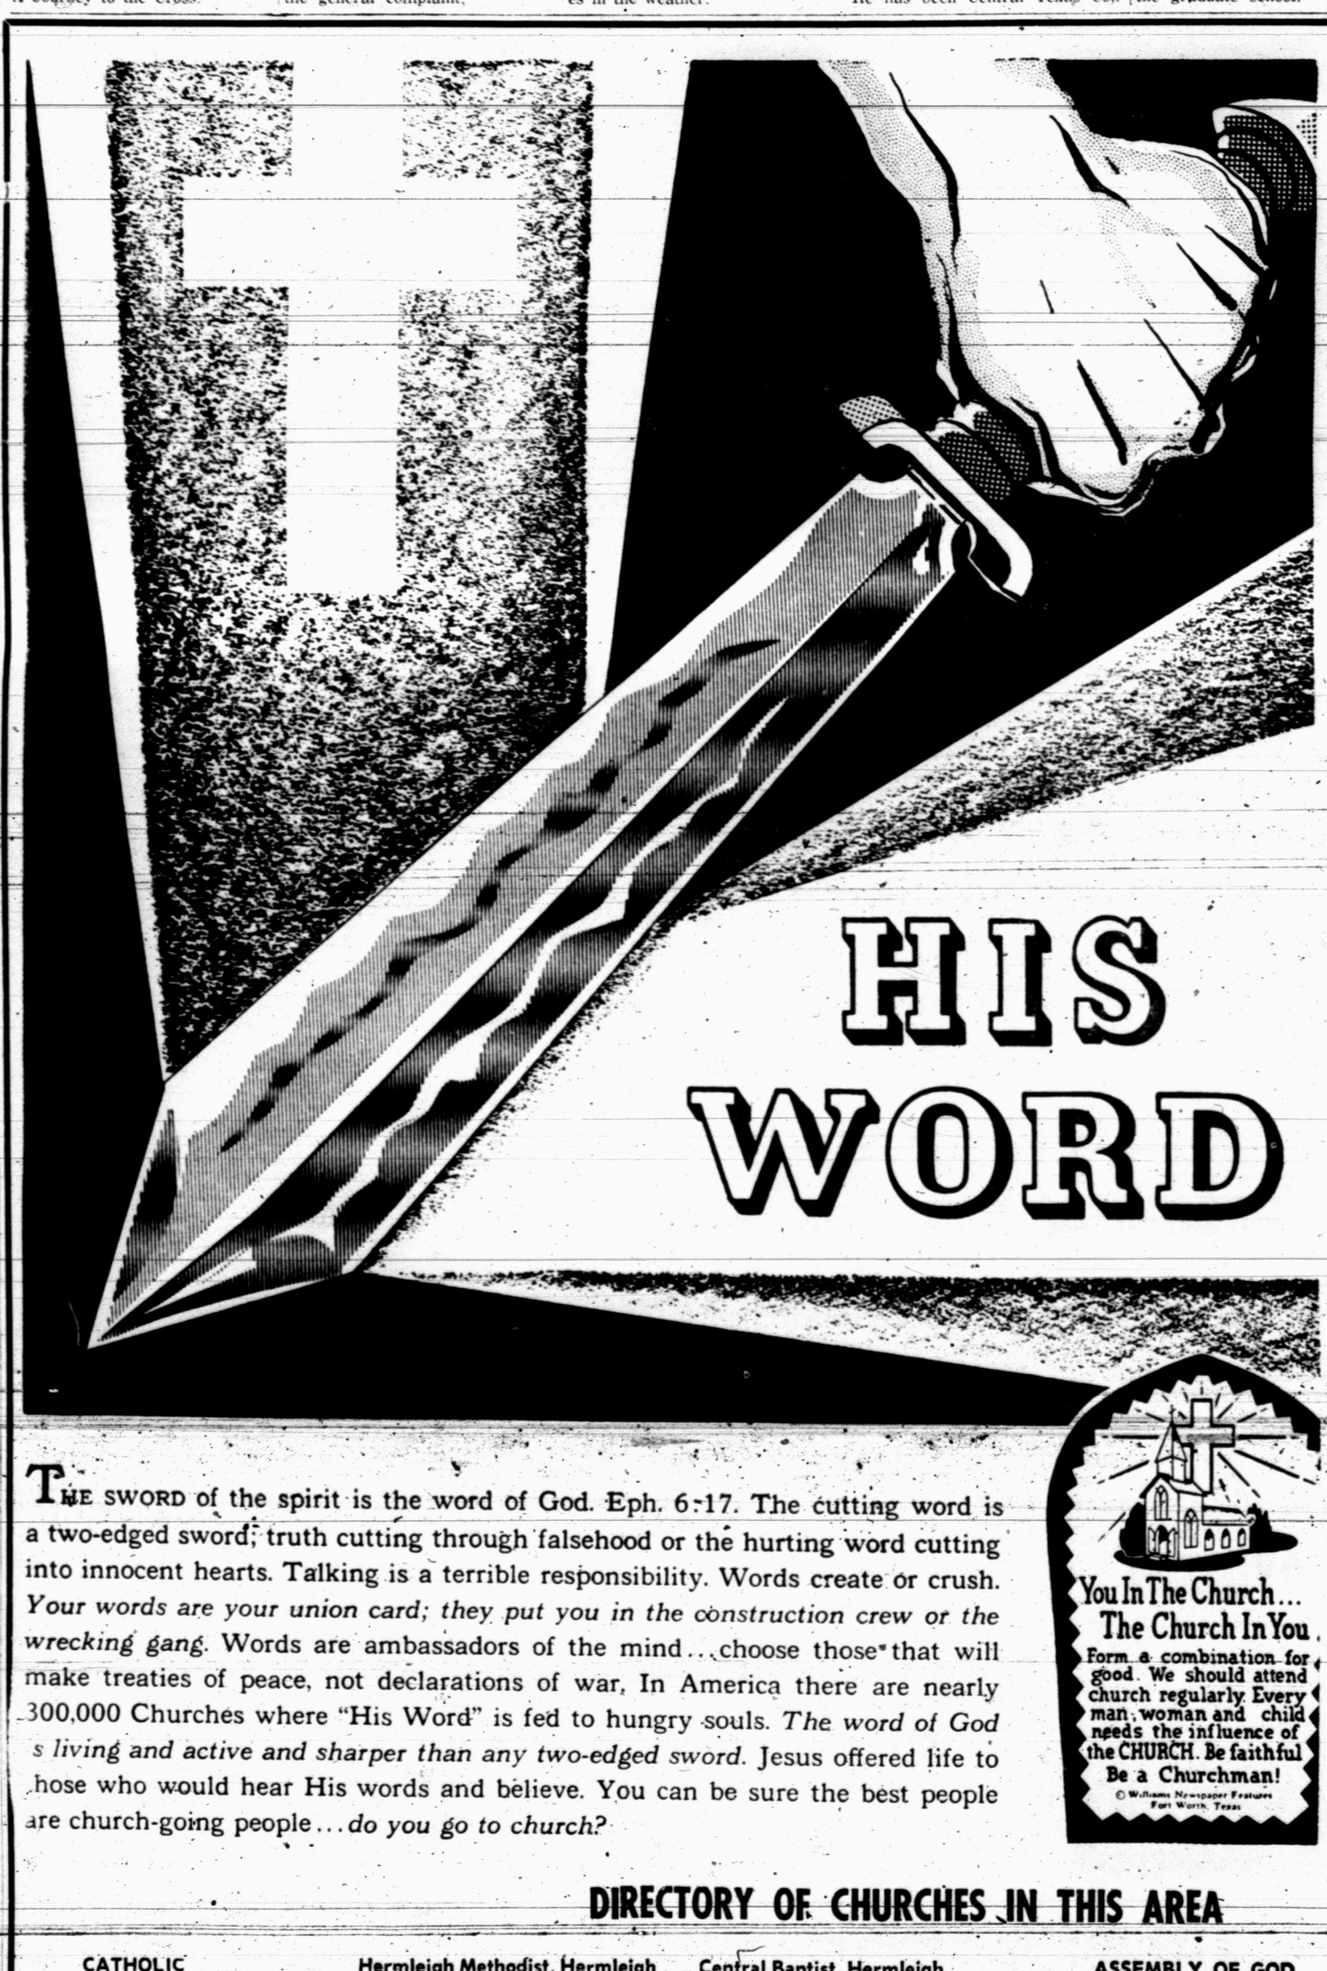

From behind a glass booth, Osvaldo Carlo explains U.S. currency and gives the departing Puerto Ricans a folder telling them what churches in many U.S. cities are ready to welcome them.

Carlo is employed by the Evangelical Council of Churches of Peurto Rico.

THE SWORD of the spirit is the word of God. Eph. 6:17. The cutting word is a two-edged sword; truth cutting through falsehood or the hurting word cutting into innocent hearts. Talking is a terrible responsibility. Words create or crush. *Your words are your union card; they put you in the construction crew or the wrecking gang.* Words are ambassadors of the mind... choose those that will make treaties of peace, not declarations of war. In America there are nearly 300,000 Churches where "His Word" is fed to hungry souls. *The word of God is living and active and sharper than any two-edged sword.* Jesus offered life to those who would hear His words and believe. You can be sure the best people are church-going people... *do you go to church?*

You In The Church... The Church In You
Form a combination for good. We should attend church regularly. Every man, woman and child needs the influence of the CHURCH. Be faithful. Be a Churchman!
