Answer line...

Q. We keep hearing about the plight of the rural hospitals. Has any legislation been introduced in Austin that will help them?

A. A comprehensive health care bill, sponsored in the Senate by Chet Edwards and Steve Carriker, has won approval from the Senate.

Included in the bill is a provision permitting physicians and hospitals to obtain enhanced Medicare and Medicaid reimbursement by taking advantage of the Federal Rural Health Clinic Services Act passed by U.S. Sen. Lloyd Bentsen. It's been estimated that at least $4 million per year in additional Medicare funds could flow into Texas once this act is implemented. HB 18, which is supported by a number of medical groups, now goes to the governor for his signature.

Briefly

Ribbon cutting

The Ambassadors of the Colorado City Area Chamber of Commerce will host a ribbon cutting ceremony Friday at 9 a.m. at Mac-Michael's Restaurant, 1233 East 17th Street, in honor of the new managers, Mr. and Mrs. B.J. Adams.

Bible school

First United Methodist Church, 333 Chestnut, will sponsor Vacation Bible School June 12-15 from 9-11:30 a.m. for ages three years to fifth grade.

Pre-register by June 6 by calling 728-5296 or 728-3728.

PACK meeting

A Wolf PACK meeting will be held at Hutchinson Elementary School cafeteria Monday at 6 p.m.

All members are urged to attend.

Zoning board

Colorado City's Zoning Board of Adjustment will meet Monday, June 5, at 5 p.m. at 12th and Hickory streets to consider a building line variation for Jerry Putman.

Around town

Ask JANIE CASTRO how it feels to go through a window...BOB REILY vacuuming Eddie's Pharmacy...DR. H.J STEAKLEY missing a three-foot putt...ESTELLE RIVERA selling poppies...

YES, IT'S A REAL EGG - Colorado High School physics teacher Bo Merket, left, cracks an egg to prove that it is, indeed, a real egg after the container he designed and built with the egg inside was dropped 25 feet from the top of the school auditorium in an physics experiment Wednesday. At right is Sandi Smith, the only student who successfully completed the project. Students are given an egg and the same materials consisting of a can, paper, string and cloth and are challenged to design a container which will prevent the egg from breaking after being dropped 25 feet.

Survey finds 1,640 dwellings in town

In its study into the creation of single-member voting districts, the City of Colorado City has compiled data concerning the number of dwellings in the city and the ethnic race of the occupants.

The information was prepared for use by the school district which has been sued by the League of United Latin American Citizens which is demanding single-member voting districts rather than the present at-large method of electing school board members.

City Manager Brenda Hammond said that the city's utility workers compiled the information which shows that there are 1,640 dwellings in the city of which 1,110, or 67.68 percent, are occupied by whites; 407 dwellings, or 24.82 percent, are occupied by Hispanics; and 123 dwellings, or 7.5 percent, are occupied by blacks.

"We made a map with a legend code and it's interesting to see how the population is distributed," said Mrs. Hammond. She said the map has been turned over to school district attorney Tom Rees for the school district's use in responding to the lawsuit.

Mrs. Hammond said a council committee has been studying the possibility of converting to single member voting districts for city elections and that the committee should have a report by the next council meeting.

Memorial Day ceremonies set

VFW Post 9178 and its Ladies Auxiliary will host a flag raising ceremony Monday at 7 a.m. at the post home in honor of Memorial Day.

Following the ceremony, coffee and donuts will be served before going to the Mitchell County Courthouse to lay wreaths and to conduct a short prayer ceremony.

The groups will then place flags in cemeteries. Persons who wish to place flags in cemeteries outside Colorado City may pick up flags at the post home, 1264 College Ave.

The public is invited to attend all or any of the ceremonies.

Youth program for summer set

Plans are now underway for a summer youth program at the Wallace Center for Community Education.

Sessions will begin Monday, June 5, and will continue for eight weeks until July 27 for four days a week, 8 a.m.-noon, Mondays through Thursdays.

The program is for Mitchell County children who have been in kindergarten though fifth grades during the 1988-89 school year.

The program will be limited to the first 50 children to enroll. A fee of $25 per month will be charged to cover costs of field trips, swimming and refreshments. The fee is $20 for each additional child in the family, and the fee is $45 for two months if paid at registration (a savings of 5 for two months paid).

Drop-ins will be accepted with a fee of $2 for each day, with one day's notice, said Susan Farrar Hall, director of the program.

Activities will include reading, skating, exercise, crafts, recreation, refreshments, field trips, swimming, cooking, safety, movies, typing for grades four and five and the Wallace Summer Olympics.

Because of limited enrollment, registration deadline is Thursday, June 1. For more information contact the Wallace Center at 728-2392.

County jobless at 10.3 percent

The unemployment rate in Mitchell County reversed itself last month and climbed to 10.3 percent in April, the same as in February, according to the Texas Employment Commission.

In April, there were 420 Mitchell County residents unemployed out of a civilian labor force of 4,078.

In March, the jobless rate had dropped to 9.4 percent with 382 unemployed. January saw the highest unemployment rate with 11.6 percent or 471 out of work.

Statewide, the jobless rate stood at 7.0 percent in April compared to 6.3 percent in March.

'Big Tree' contest draws 15 entries

Twelve Mitchell County residents have entered 15 trees in the county "Big Tree" contest sponsored locally by the Mitchell County Historical Commission.

All five types of trees - cottonwood, pecan, mesquite, fruitless mulberry and magnolia - have been entered.

The most frequently submitted trees are mesquites with six entries. In addition, there are three magnolias, two cottonwoods, one American elm and one fruitless mulberry.

Those persons entering are Frank Brownfield, cottonwood; Woodrow Pratt, pecan; Gladys Geiger, magnolia; Henry Hoyle, mesquite and pecan; Nelma Ritchey, fruitless mulberry; Billy Carter, cottonwood; Peggy Ratliff, mesquite; Mamie Lou New, magnolia; A.K. Sheffield, mesquite; Elroy Boedecker, mesquite; Mrs. J.E. Boyd, American elm; and Loyd Richard, magnolia and mesquite.

Entry forms to enter the "Big Tree" contest are available at the *Colorado City Record*. The county winner in each species will be notified by Aug. 1. A certificate will be presented at a ceremony to be held during the summer or early fall.

Local winners will be sent to the state tree awareness committee which will check them against present state champions.

Project Second Chance, an adult education project of the Wallace Community Education Center, continues with summer classes. It is for persons 17 and over who are interested in basic education, English as a second language, GED studies, and for those who would like to learn to read.

Many persons in Mitchell County dropped out of school and later discovered they are shut out of better jobs and make less money than high school graduates. Some have later discovered that they are interested in attending college but cannot enroll without a high school diploma.

The GED can be a stepping stone to a better job, a better education, and the feeling of accomplishment that comes from a diploma.

The most recent census revealed that 1,600 people over 25 had completed only one through eight years of school and that only 1,500 had completed four years of high school. High school graduates make 30% more salary during peak earning years. The less schooling a person has, the more likely it is that person will be unemployed. In competition for jobs, better educated persons are hired first.

It makes sense to "Drop Back In School." Encourage someone you know to attend adult classes. Employers are urged to assist employees in signing up for GED and other education classes.

Registration can be made now throughout the summer at the Wallace Center. Classes are held during the day-time on Monday and Wednesday 8:30-noon, with Brenda Turnbow as instructor.

Evening classes meet on Thursdays each week from 6-10 p.m. with Bob Reily and Orphie Conner as instructors. All classes are free to anyone 17 and over.

For more information call 278-2392.

Advisory council meets

The Advisory Council of Community Education held its last meeting for the school year Wednesday, May 24, at noon at Wallace Center.

Guests attending were Joan Merket and Margie Oliver, a senior Home Economics major at Texas Tech, who is from Loraine and who is to participate in the 4-H International Youth Exchange by going to Sweden. The Council gave her a donation/collection to help defray expenses.

In the report on the Summer Youth Program, it was noted that flyers had been sent to the schools in Colorado City, Westbrook and Loraine showing fees, contributors, and including a registration form.

Also on the agenda was the presentation of the 1989-1990 slate of officers by Shirley Delaney, chairperson of the nominating committee.

The following were elected by acclamation by the Council: president, Jessie Nelson; vice president, Ben Lancaster; and secretary, Anita Biggers.

In addition to the guests, members attending the meeting were Libbi Garnett, Auta Doss, Travis Monday, Mildred Free, Irma Melendez, Jessie Nelson, Lee Woods, Joan Beach, Mark Waldrip, Tandy Curlee, Shirley Delaney, Anita Biggers, Ethelyn and Ben Lancaster and Barbara Gray.

Listening skills stressed

The Looney Extension Homemakers Club met in Lone Wolf Medallion Room Wednesday, May 24, at 2:30 p.m. with Mrs. T.L. Holman as hostess.

Mrs. Madge Shepherd presided during the business session.

D'Dee Morris presented the program on communication. Her advise was to be a good listener. There are different kinds of listening - listening of criticism, of resentment, of superiority and of indifference. "the only listening that is worthwhile is "listening which listens and learns," she said.

Margie Oliver spoke to club members, also. She will be an exchange student to Sweden. Miss Oliver is a senior at Texas Tech University. She will be gone six months.

Minutes of the previous meeting were approved as read by secretary-treasurer Etta Lee Gibson.

Club members plan to go to Maryneal EH club for a craft day June 14.

Looney Club will host at Mitchell County recreation workshop on June 27. Each member will bring a salad. Meeting starts at 10 a.m.

The hostess served cake, salad plate, sandwiches, snacks and punch to 10 members - Eddie Barclay, Lonie Pruitt, Madge Shepherd, Linnie Williams, Etta Lee Gibson, Iva Prescott, Lena Bullard, Pearl Wood and Correne Barnett - and three visitors - D'Dee Morris, Margie Oliver and Extension Agent Libbi Garnett.

Lou Ella Hall was elected as a prospective delegate to the state convention to be held Sept. 12-14 in Corpus Christi.

Library sets reading club

Creative Features is the theme this summer for the Texas Reading Club sponsored by the Mitchell County Public Library.

Registration for the club will begin June 1 and is open to preschool age children through eighth graders.

Storytime will be held each Wednesday morning at 10:30 beginning on June 7. Also, beginning the same day at 2 p.m., movies will be shown. Participants will receive a take-home puzzle or game each week. All activities at the library are free and all children are encouraged to participate.

For more information, call the library at 728-3968.

Scouts prepare for camps

Mitchell County's own Boy Scout Troop 100 is "gearing up" for summer camps to be attended this summer. The Boy Scouts want to "be prepared" by brushing up on outdoor skills and building up endurance for the physical and mental strength demanded to achieve the most possible fun at summer camp.

Last Monday, many residents of Colorado City were afforded the opportunity of viewing a troop of scouts hiking throughout the city amidst the temperatures passing the hundred-degree mark.

A group of 19, trained in hot weather hiking, had an enjoyable time of an organized eight kilometer (5-mile) hike throughout the city following a trail that led them to almost all of Colorado City's historical markers. Troop 100 began their hike at the Colorado City Standpipe and viewed the gravesite of Texas Ranger R. S. Ware before resting at Ruddick Park where Scouts read of the infamous Indian skirmish.

Singing as they advanced along the trail, the Scouts reached Chestnut Street to read the markers at the Heritage House and the many historical churches located in the area. The diligent Scouts proceeded on to the Opera House and the County Courthouse before cutting over to First Street to read the history of the Texas & Pacific Railway.

The Scouts took a second rest at All Saints Episcopal Church before completing the last leg of their journey that brought them back to their meeting place at Wallace Center.

Boy Scout Troop 100 meets year-round on Mondays from 6-7:30 p.m. Interested adults and boys from 11-18 are invited to participate. This coming Monday, Scouts will be participating in the "Parade of Tents." They will be practicing how to pitch over 15 different types of tents. The public is invited to view the fun in the field behind the Wallace Center baseball park. Scouts are continuing to promote safety awareness by offering first aid kits for sale at $5 a kit. Funds raised will help a scout be responsible in earning his own way to summer camp.

Boy Scout Troop 100 plans to attend three different summer camps with professional scout staffs and facilities. The troop will attend Camp Post located in the canyonlands of the Caprock, with aquatic activities, rifle-archery ranges and may other fun programs, during the week of June 25-July 1. Scouts will also be afforded the opportunity of attending the Hughes Aquatic Base at Lake Colorado City, where they can receive training in lifesaving techniques, boating and water-skiing and other aquatic activities.

During the last week in July, scouts will be challenged with Camp Tres Ritos in the high mountains of New Mexico, where they will be led on extensive backpacking treks, taught wilderness survival skills, and explore the natural sciences and participate in conservation projects with the US Forest Service.

The curious are invited to contact Frank Costabile, Scoutmaster or Jon Farris, Assistant Scoutmaster.

JUNIOR HONOR SOCIETY - On hand to initiate new members into the National Junior Honor Society at Colorado Middle School were these members. Front row, from left, are Shawne Ortiz, Angela Ornelas, Jesse Espinoza, Justin Dockrey, Krisha Lamb, Michelle Molina, Priscilla Molina and Jessica Espinoza. Back row, from left, are Tammy Ceballos, Lauren Perkins, Heidi Smith, Caasi Smith, Jaime Rivera, Tommy Magdalena, Jody Dockrey and Sarah Wike.

HONOR SOCIETY INITIATES - Newly initiated members of the National Junior Honor Society at Colorado Middle School are, front row, from left, Leah Watson, Robin Walls, Maggie Espinoza, Sylvia Flores, Cole Latimer, Scott Payne and Holly Turner, all seventh graders. Back row, from left, are Billy Joe Robinette, Jennifer Parker, Cindy Newman, Amie Jones, Michael Humphrey, Courtney Hammond and Carrie Blair, all eighth graders.

SUMMER THOUGHTS

Jesus left the city and went out into the wonder of God's created world.

He met a few friends at the lakeside. They stepped into the little fishing boat and went out to the deep water.

They fished for a while and talked of common things. Peter mentioned how good it was to be here, away from the crowds. It almost seemed they were alone before God, taking in the wonder of what he had created. They pulled in quite a string of fish during the afternoon.

When they reached the shore, Jesus built a fire and cooked the meal. He taught them how to pray.

Then as the last coals burned out among the ashes and the meal was ended, they talked of eternal things; and Jesus gave to his friends power to live the life of love and forgiveness not only before their friends, but even before their enemies.

And they all went home refreshed and eager to take up the tasks that were set before them for the next day.

A man left the city and went out into the wonder of God's created world.

He met a few freinds at the lakeside. They stepped into the little fishing boat and went out to the deep water.

They fished for a while, and got to telling smutty jokes. Some of them were real corkers! One of the guys thought a little bottled spirits would liven up the party, and another of the guys joined in to empty the bottle. They pulled in quite a sting of bass, inspite of the dad-blamed musquitoes and horseflies.

When they reached the shore, they built a fire and cooked the meal. Nobody bothered to say prayer before they ate; it didn't seem to fit ethier mood.

Then as thelast coals burned out among the ashes and the meal was ended, they got to talking about different people. One guy mentioned what a fool he had made of his competitor. Another fellow started telling family secrets about one of his clients. They could hardly wait to tell the girls back home home the scuttle-butt they picked up!

They were pretty well bushed by then so they loaded up the wagon and went home, dreading the thought of getting back into the old grind the next day.

Friends, attend the church of your choice and come away refreshed and ready to take up the tasks of the next day! **MAY GOD BLESS EACH OF YOU.**

Now's the time to spray for pecan casebearer

Pecan growers and homeowners in Mitchell County should begin spraying for the pecan nut casebearer May 29-June 7, according to Mitchell County Extension Agent Mike Mauldin.

The casebearer can completely destroy a pecan crop if it is not controlled. Casebearer eggs are found on the tips of nutlets. The eggs are white when first laid, then turn red over a 3-5 day period before turning white again after hatching.

Insecticides should be applied the third day after the first eggs hatch to kill the larvae before they enter the nutlets. Since the larvae will hatch over a week-long period or more, a second spraying may be necessary.

Insecticides recommended for casebearer control include Diazinon, Pydrin, Cymbush, Malathion and Zolone. Zinc sulfate or NZN should be applied at the same time. Pecans require zinc for normal stem and leaf growth.

With erratic night-time temperatures this spring, commercial producers should continue checking for eggs to determine an even more accurate spray date for their particular orchard. If large numbers of eggs are found after spraying on the anticipated spray date, a second application 7-10 days later may be warranted, said Mauldin.

Early Childhood screening set

Early Childhood screening tests for 3, 4 and 5-year-old children will be conducted the first two weeks in June.

Early Childhood screening includes developmental pre-school tests, vision, speech, and hearing tests to be given by the supportive staff and speech pathologists of West Central Texas Education Cooperative. They will be looking for children with possible difficulties in the areas of speech, language development, hearing, vision, delayed learning or learning disabilities, physical and/or mental development.

Parents may make an appointment by calling the secretary at 728-3330 in Colorado City. For those children living in Westbrook, Ira, Loraine or Hermleigh, parents may make an appointment by calling their respective schools.

Michelle Lee Burrus & Terry Michael Fuller
...June 17 wedding planned

Engagement announced

Dr. and Mrs. Jack Sanford Burrus of McKinney announce the engagement of their daughter, Michelle Lee, to Terry Michael Fuller of Allen.

The bride-elect is a 1985 graduate of McKinney High School and a 1989 graduate of Texas Woman's University. She graduated magna cum laude with a bachelor of science degree in nursing. She will be employed at Presbyterian Hospital in Dallas as a graduate nurse with a specialty in neuro surgery.

The prospective groom, son of Mr. and Mrs. Joe F. Fuller of Allen, is a 1984 graduate of Allen High School. He attended North Texas State University and is employed at Fuller and Associates in Plano.

The wedding is planned for Saturday, June 17, at 7:30 p.m. at First Christian Church in McKinney.

The bride-elect is the daughter of the former Rayvel Moseley and granddaughter of Mrs. Velma Moseley and the late Tommy Moseley.

AD WINNERS - Gretchen Ramsey, center, of Landmark Cable, presents savings bonds to CHS students whose entries were judged best in an art contest sponsored by the cable company. From left are Cornelius Santana, second place, $75; Bryne Smith, third, $50; and Charlotte Grimes, first, $100. At right is their art teacher Mrs. Nancy Walker. The students designed ads with the theme "School's Out" which will be run in the *Record* starting today. Grimes' ad appears on this page.

Auxiliary officers installed

Officers of the Ladies Auxiliary to VFW Post 9178 were installed during Thursday night's meeting.

They are Estelle Rivera, president; Audrey Wilson, senior vice president; JoAnn Huff, junior vice president; Veda Padgett, treasurer; Nellie Bunch, captain; Lou Williams, conductress;; Bonnie Storey, guard; Alene Hill, historian; Bonnie Storey, secretary; Audrey Wilson, patriotic instructor; Nellie Bunch, reporter; Mary Way, one-year trustee; Peggy Faulkenberry, two-year trustee; and Alene Hill, three-year trustee.

There were three visitors present - Jeanie Bell of Abilene, District 8 chaplain; Rose Gurra of Abilene, District 8 senior vice president; and Maidie Keith of San Angelo, District 22 past president.

Members present were Bonnie Storey, Alene Hill, Veda Padgett, Audrey Wilson, Lou Williams, JoAnn Huff, Mary Way and Nellie Bunch.

Mrs. Rivera noted said the bake sale was success and and that money will be used for community projects. "We appreciate all who were so generous," she said.

Mrs. Rivera reported that she took 100 pledge of allegiance cards to Kelley Elementary School this past week. Pies and cakes were taken to the McDonald VA home over the weekend.

It was also noted that some county veterans books that were printed a while back have been found and that they are on sale for $3 each at the post home. They will be sold on a first-come, first-served basis.

Summer gymnastics program set

The Summer Gymnastics program starts June 6 and 7 through Wallace Center.

Joyce Cole will be the instructor. Her teaching experience includes: physical education and gymnastics instructor at Hardin-Simmons and owner and director of the J&J Fitness Center in Sweetwater.

She has been a coach for gymnastics and volleyball at Cooper High and Hardin-Simmons, with a bachelor's and master's degree from Hardin-Simmons.

TumbleBear gym classes will be held for children ages three to five years. Beginning through intermediate classes will be for ages 6-18.

The fee will be $23 ($17.25 for each additional child) each month. Basic instruction in tumbling, balance beam, vaulting and uneven bars will be offered. Other classes in competitive gymnastics, and cheerleader workshops will be offered during the year.

Classes for TumbleBears (pre-school) will be on Wednesday 10-11 a.m. and 11 a.m.-noon and gymnastics instruction will be on Tuesday or Wednesday, 10-11 a.m. and 11 a.m.-noon.

For registration call the Wallace Center, 728-2392 or enroll in person at the Community Education Office.

FOCUS

by LIBBI GARNETT
County Extension Agent

Have you ever been or known a 4-H'er? 4-H is the youth development organization of the Texas Agricultural Extension Service. You may have wondered what the 4-H's stand for. The 4-H pledge best defines it: "I pledge my HEAD to clearer thinking, my HEART to greater loyality, my HANDS to larger service, and my HEALTH to better living, for my club, my community, my country, and my world."

Recently 4-H'ers used their HEADS in Round-Up competition in which they presented demonstrations or judged animals or consumer items. Even more recently 4-H'ers have participated in events that involve the other H's.

At the May Lone Wolf 4-H meeting, officers for the 1989-90 year were elected. There is a senior slate of officers, ages 14-19, and a junior slate, comprised of members 9-13. They are as follows:

President: Jeremy Strain, senior/Bethany Bridgford, junior.

Vice-President: Caasi Smith, senior/Betsy Myers, junior.

Secretary: Andrea Helm, senior/Lori Dockrey, junior.

Treasurer: Coty Strain, senior/Angela Turner, junior.

Reporter: Bridgett Bridgford, senior/Hayley Smith, junior.

Council Delegates: Justin Dockrey, senior/Mica Merrell, junior.

Recreation Leaders: Lance Dockrey and Bettina Bridgford.

These officers will be using all four of the H's in providing leadership for Colorado City 4-H'ers.

Lone Wolf 4-H'ers are completing a community service project in fund-raising for cystic fibrosis. The group had a spaghetti supper and viewed the movie "Alex" about the life and death of a child stricken with the disease. For the following to weeks, the 4-H'ers collected donations and pledges, then on a sunny Sunday afternoon participated in a bike-a-thon. Caasi Smith earned the hard luck award for a messy bike on the rocks accident, but came up smiling and was a true sport. Sharon Myers, 4-H leader, coordinated the events.

In other news, if you've never been part of a 4-H club or program before, but would like to know more about it, call 728-3111 and ask to speak with Mike or Libbi. You do not have to have a livestock project or big animal to be in 4-H. But if you are planning to show next year, Mike will need to know that right away. The 4-H fashion project will kick-off Friday, June 2 at 9 a.m. in the Colorado High School Homemaking Department. If you want to participate, call Libbi at 728-3111.

There are several 4-H camping opportunities on a first-come first-served basis, so please call today if you want to go to 4-H camp.!

Congratulations to all Mitchell County 4-H members and leaders for a continuing job very well done.

UGSA Dynamites, Knights win

The Colorado City Dynamites and Sweetwater Knights of Columbus were winners during United Girls Softball Association games at Ruddick Park Thursday. The Dynamites took a 20-6 victory over the division II Hot Stuff while the Knights downed the Colorado City Dominators 12-1 in a division III contest.

Misty Hall was winning pitcher for the Dynamites while Jennifer Mendoza took the loss for Hot Stuff.

The Dynamites led from wire to wire. Hall hit a three run, inside-the-park homerun in the top of the first inning. Another round tripper on a second inning error gave the Dynamites another three runs for a 6-0 lead.

The Dynamites scored three more in the third for a 9-0 lead before Hot Stuff got on the board with two runs in the bottom of the third.

Hall knocked in two more Dynamites runs in the fourth inning in which the team took a 16-2 lead. Second baseman Freda McKnight batted in two runs for the Dynamites in the fifth and Betsy Myers batted in two for Hot Stuff in the bottom half of the inning.

The Sweetwater Knights immediately took control of their game against the Mitchell County Dominators. The Knights opened the game with 7 runs in the top of the first inning. Shortstop Shannon Hensil and winning pitcher Amie Parson made two-run hits in the inning.

Also hitting in the inning were third baseman Amanda Hanshew and catcher Sonya Kit.

Hensil made it 8-0 for the Knights in the third with a home plate steal on an error. Centerfielder and hard-throwing relief pitcher Cassandra Mendez batted in Parsons with a fourth inning single to make it 9-0.

The visiting Knights made it 12-0 in the top of the fifth on run-scoring singles by Kit, Hensil and first baseman Sam Gonzalez.

The Dominators scored a run in their last at-bat when first baseman and relief pitcher Jennifer Ornelas grounded out to first to score Lisa Davila. Losing pitcher was Christi Hulme.

HEATING HUMIDIFICATION ELECTRONIC CLEANING AIR CONDITIONING

We Don't Have A One Man Band! Our Air Conditioning Installations Provide A Symphony Of Comfort, Because Every Man Is An "Artist."

Call Don McMillon
The Man Who Reccomends The Brand That's Best For You, And Stands Behind It.

By DONALD C. McMILLON

In this "you get what you pay for" world, it's impossible to hire a symphony orchestra for the price you'd pay for a single "musician" who plays a trumpet with one hand, a zither with the other, drums with his feet and sweeps the floor when not otherwise occupied. This fellow has singular talent, but it doesn't make for comfortable listening.

For beautiful music, you need a complete orchestra, perfectly tuned, professionally trained, and staffed with musicians who have been blessed with a little touch of genius!

The same thing is true when it comes to air conditioning, It takes trained technicians, several of them, working in harmony to design, install and service central air conditioning so that it performs properly and economically. For instance let's say we install LENNOX central air conditioning in your home. Three department heads, the Design Manager, the Installation Manager and the Service Manager "harmonize" their technical skills and supervise their technicians in making your LENNOX central air conditioning system perform properly economically. Each technician is an expert in his field.

The product itself makes up but 20% of your air conditioning "buy." The balance is represented by the dealer's reputation, expert design, expert installation and expert service. Snyder Heating & Air Conditioning offers all these elements at the lowest possible price.

Even LENNOX must be designed specifically for your home. Even LENNOX must be expertly installed. Even LENNOX must be serviced expertly. And even LENNOX must be backed by a reputable dealer.

For cool comfort, economical performance provided by a LENNOX central air conditioning system in your home--depend on Snyder Heating & Air Conditioning's expert technicians and Snyder Heating & Air Conditioning's enviable reputation.

LENNOX air conditioning properly designed and installed by Snyder Heating & Air Conditioning technicians, gives you more accurate temperature control...a more consistant degree of temperature...and constand dehumidification. That's why, all ;summer long, whether it's mild or down-right sizzling, you enjoy cool comfort at less operating cost when LENNOX is on the job.

Call Don McMillon, 573-1753 now. Learn how reasonably Snyder Heating & Air Conditioning's experts can install LENNOX fabulous "two speed" air conditioning is your particular home. Learn how you can enjoy years and years of comfort with LENNOX "two speed" air conditioning, perfectly installed by Snyder Heating & Air Conditioning experts. There's absolutely no obligation.

Snyder Heating & Air Conditioning, serving Snyder and the Rolling Plains for 38 years - your LENNOX dealer with 100% financing and Mastercard and Visa. TACLA009135.

Thanks For Caring

Words seem to fail us when we think of all the nice people in Loraine and the surrounding area who helped make our auction sale such a success. To all those who donated cash or sale items we really are thankful. To the Co-op Gin Association for allowing us to use your yard, to the fellows who did the cooking, to Coca-Cola Company, Mrs. Baird's Bread and many, many others we say thanks. Without all your help and donations, we could not have succeeded to the degree that we did. It was great. Thanks to you people who helped with the sale in any way, and the many of you who worked hard that day and a week before. We had donations from people who grew up here and had moved away. We really love you for remembering us in such a nice way. All this made us once again thankful for our community and what each of you mean to us. We think you are the "cream of the crop!" Call us anytime, we are always at your service. We love you all.

Parents: Jose and Lorena Condarco
Attended Loraine Schools: 2 years
Activities, Honors: When I moved from Hobbs and came to school in Loraine, I was really interested in music. I have been taking band and guitar/music theory for two years in Loraine. I have been in Who's Who in music for two years in a row.
Ambitions, Future Plans: My future ambitions is to go to college and continue my interest in music. I find that music is the most rewarding thing that anyone can do. It gives you the feeling of accomplishment when I play music. It takes me away from everyday life and gives me the sense of peace within myself. And also making up my own music gives me the sense of accomplishment, which makes me feel proud of myself. I think that if everyone can find something that gives them the feeling of peace and accomplishment should go for it. It is a reward inside it's self.
