BURKBURNETT

INFORMER STAR

VOLUME 63 BURKBURNETT, WICHITA COUNTY, TEXAS (76354) THURSDAY, OCTOBER 9, 1969 NUMBER 5

Editor's Viewpoint

By Lon Williams

Dear Madam:

Since you hung up the phone after saying your say and didn't allow me the privilege to answer, I take this method to do so.

First of all, your backside needs to be warmed by a brush, strap or board, for calling anyone when you obviously were not in control of your emotions.

Your opening remarks of "Mr. Williams, I KNOW WE ARE NOT A PROMINENT BURK FAMILY WITH HIGH SOCIAL STANDING and therefore I guess this is why our story was not in your paper . . ." I accepted and turned the other cheek while explaining to you that your story was not a DATED one - and therefore would be just as interesting next week. "You always have a space for the ads each week" came your reply. It was then that I realized that what you needed was a silicone shot . . . in the brain . . . and that this conversation was going to be one-sided. Then after explaining to me how you would place your items in the pages of another newspaper and could rely on them to print every word every-time - you hung up . . . saying that you would call us back when you became "rich and socially prominent enough" to make the pages of the Burkburnett Informer Star.

As much as I would like to say: Oh no you won't." I say instead this: "When you, madam, in spite of the above, have a story you would like published in our paper . . . and will let us print it without trying to dictate your will and our policy for us, we will be happy to do so. We are a newspaper for all the people even for a gal like yourself who, hopefully, regrets the conversation we had by now. If you think you can do better, call me back again.

****

The Informer Team continues to grow. We hope you will welcome John Ruback to Burkburnett. John is the new Editor of the Informer and will be in charge of news and general operation of our paper.

Allred Speaks At Chamber Meeting; Gene Wilkerson Honored

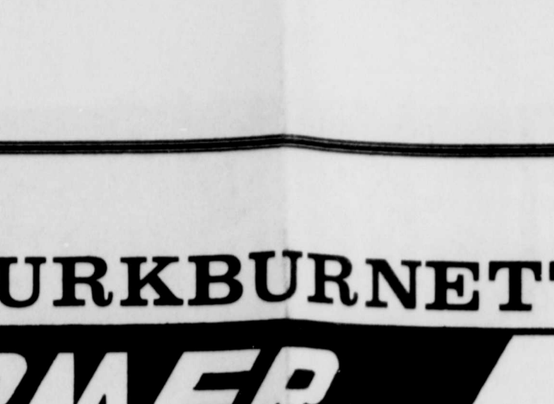

Dave Allred, State Representative, Place 2, Wichita County, spoke to the Burkburnett Chamber of Commerce at the monthly luncheon on Monday.

Mr. Allred told of the special legislative session held this summer and of the work which he and others did during the session. Speaking of the proposal to place a sales tax on food, Mr. Allred mentioned that one great factor in the defeat of the bill was the fact that so many of his constituents wrote voicing their opposition.

Introduced by Dub Zimmerman, Burk Postmaster, Mr. Allred emphasized throughout his talk that letters to legislators play a very important part in legislation. He asked that people write to him, telling him how they feel about all matters which may come before the legislature.

Attending with Mr. Allred was his wife, Patricia.

A special award was presented to Eugene Wilkinson, a city employee who was responsible for the rescue of Glen Gritts from a dirt slide on September 11. Chamber president, Bill Vincent, presented Wilkinson with a plaque and Mayor F. R. McCandless presented a copy of a resolution adopted by the City Council. Both the plaque and the resolution mentioned the importance of what Wilkinson had done, praising him highly.

Burk Homecoming Set For Oct. 17

By ROY R. HUDSON

Plans are being carried out for Burkburnett's annual Homecoming activities. This year the event will be held on October 17 with the Bulldogs going against the Knights of Notre Dame. There will be a social following the game for returning alumni and there will be a dance, featuring "The Chain Reaction", for students to attend.

Classes are busy building the floats that they hope will be the best one there, decisions are being made as to who they think should be Homecoming Queen. This selection will be made on the four girls that the Senior class picked to run. These girls are Judy Greer, Sonja Preston, Dee Rodgers, and Meredith Kelley.

The parade is being organized, the judges are being picked - our own illustrious leader, Lon Williams, who had to ask his wife to look up what a float was, is going to serve in the capacity of a judge (he's still wondering what that is), - and students are trying to get cars to drive in the parade.

The activities are hectic and studying is down to almost nothing, but the spirit is high and it looks as if this is going to be one of the best Homecomings ever.

Jordan Rites Conducted Tues.

Mrs. Lois R. Jordan, 47, a resident of Burkburnett since 1951, died Saturday in a Wichita Falls hospital. Services were held Tuesday at Grace Lutheran Church, with the Rev. Phillip Ottun, pastor, officiating. Burial was in the Burkburnett Cemetery, under the direction of Owens-Brumley Funeral Home.

Mrs. Jordan was born December 23, 1921, in Big Sandy, Texas.

Survivors include two daughters, Mrs. Julia Young of Bay City, Texas and Mrs. Karma Weller of Sherman, Texas; a son, Monty Morrison who is in the U. S. Navy, stationed in Hawaii; a brother, Otis L. Stegall of San Antonio; and two grandchildren.

Burk Fire Dept Makes Two Runs

The Burkburnett Fire Department answered two calls during the week. One a grass fire that occurred Wednesday afternoon last week at Avenue B. and the Truck Route. No damage. Unit No. 3 quickly extinguished the blaze.

Firemen were dispatched to the scene of a blaze Monday night about 1:27 a.m. to the home of Clifford A. Beavers on Linden Lane. Beavers was pulled from inside the home by a neighbor, Ernie Williams. Williams, reported that he smelled smoke in the neighborhood and began to check around to see where it was coming from. He broke in to pull Beavers from the smoke-filled house. Little damage was done however.

Units 3 and 4 plus a host of volunteer firemen were on the scene in minutes.

Beavers was not injured.

POLICE REPORT

Police investigated two minor accidents in Burkburnett over the past week.

Friday, October 3, a minor collision occurred at 11:57 a.m. in the 400 block of Park Street. A 1965 Ford driven by Phyllis D. Ward of 100 Roselawn was in collision with a parked car belonging to Kathy Smith of 410 1/2 Park Street. Officer James Porterfield estimated $25 damage to the Ward car and $35 to the Smith vehicle.

Police investigated the first accident since the introduction of parallel parking in the downtown section of Burk. A 1966 Chevrolet driven by Artis Mae Dodd of Grandfield collided with a parked car belonging to Ruth Gibson of 427 West Third, Burk causing only about $50 damage to the Gibson car, none to the Dodd vehicle. The accident occurred at 11:11 a.m. Monday, October 6th and was investigated by Patrolman James Porterfield of the Burkburnett Police Department.

POLICE SOLVE $1,000 ROBBERY

The Burkburnett Police Department arrested a suspect Friday for a night theft of approximately $1,000 in merchandise from Bill Bryant Trucking and Salvage on Berry.

Police Chief Abbott reported some thirty to forty radiators were taken in the theft along with a welding torch and assorted welding items.

Police began an immediate investigation in cooperation with the Wichita County Sheriff's office. Monday afternoon, police recovered the merchandise at Wichita Iron and Metal in Wichita Falls. Shortly thereafter, authorities arrested Tommy Burns, of 1535 Lark, Wichita Falls, who was taken into custody and is being held by Wichita County to face future charges of theft over fifty dollars.

This is the fourth consecutive time Burkburnett Police have cracked a theft case within a short time after the incident occurs.

Deputy Sheriff Dick Shelton and Officer Brumbelow were other authorities who participated in the investigation.

NATIONAL FIRE PREVENTION WEEK BEING OBSERVED HERE

Fire Chief Byron Key and Raymond Schroeder, president of the Wichita County Farm Bureau, urge Wichita County citizens to pay special heed to the observance of National Fire Prevention Week, October 5-11.

"We ask that everyone develop good fire safety habits including care with matches and smoking, good housekeeping to rid the home of rubbish and proper use of electrical fuses, appliances and extension cords," the chief said. He added "Fires killed more than 12,100 persons and cost more than $2.2 billion in the U.S. last year."

Schroeder said the fall and winter months are the most vulnerable times of the year for rural fires. "When fire occurs on farm or rural property, damage is three to six times greater than in the average city fire," the Farm Bureau president added.

Farm Bureau has two programs designed to help curtail fire losses. The county Farm Bureau, in cooperation with the Texas Farm Bureau, sponsors the attendance of local volunteer firemen to the annual Firemen's Training School each summer in College Station. More than 700 firemen have attended under Farm Bureau sponsorship during the past seven years. Attending from Wichita County this summer were Fire Chief C. E. Thompson and Jack Land.

The state and local Farm Bureaus also pay $75.00 to fire departments for fighting rural fires on Farm Bureau insured property.

In addition to these programs, county Farm Bureaus sponsor a graphic 45-minute fire prevention demonstration. More than 120 were given before schools, civic clubs and other groups by the TFB Safety Department during the past school year. Also, almost 20,000 fire extinguishers have been sold to Farm Bureau members as a continuing program of rural fire protection.

WORKDAY SET AT OIL PARK

Tomorrow is the special workday for the Boomstown, USA, Oil Park.

Chamber of Commerce Manager, Gene Allen, speaking at the monthly Chamber luncheon, emphasized that there is much work to be done on this tourist attraction. Hours set are from 9 a.m. to 4 p.m., Friday, October 10.

Plans for the day include finishing work on the Boomtown Blacksmith Shop, work on the General Store, including getting items set up for the interior, and general clean-up work on the grounds.

The Burkburnett High School Future Farmers of America are expected to aid in the work and fun of building the Oil Park on Friday. Between 25 and 30 boys are expected to be on hand.

Anyone in the community who is interested in helping this project is asked to come to the Oil Park on Friday, ready to work.

1970 Voter Registration Under Way In County

The registration period for voting in the 1970 elections runs from October 1, 1969 through January 31, 1970. Registration in each county is handled by the county tax assessor-collector.

One of the major registration problems of the assessor-collectors stems from the tendency of the voting public to put off registration until the closing days of the period.

In 1968 Texas had the highest percentage of registered voters in its history and yet only about 65 percent of the persons eligible to register were on the registration rolls and only 49 percent voted in the residential election.

Below is a memorandum setting out the essential information on voter registration:

The registration period; the voting year. The period for registering to vote in the 1970 elections begins on October 1, 1969, and ends on January 31, 1970.

The 1970 voting year begins on March 1, 1970, and ends on February 28, 1971. This is the period for which the registration is effective.

Necessity for registration. The general rule is that no one can vote without having registered. A former exemption from registration for persons over 60 years old who did not live in a city of 10,000 or more inhabitants is no longer in effect. The only major exception to the general requirement for registration is for persons who are absent from their county of residence in active military service.

Qualifications for voting. The required qualifications for voting are:

1. Citizen of the United States.
2. Over 21 years old on the day of the election.
3. Resident of the State for at least one year immediately preceding election day.
4. Resident of the county for at least six months immediately preceding election day - required for voting in local elections but not required for voting on statewide offices and issues. (Residence in the city for six months is required for voting in city elections.)

Persons convicted of a felony who have not had their right of suffrage restored and persons who are under an adjudgment of mental incompetency cannot vote.

Who is eligible to register during the October 1 - January 21 period. Any person who already fulfills the requirements stated above, or who will fulfill them before the end of the 1970 voting year on February 28, 1971, may register during the regular period. Persons registering before they meet the age or residence requirements cannot vote until the requirements are met. Their registration certificates will show the date on which they will become eligible to vote.

Who must register during the regular period. All persons already meeting the requirements for voting listed above must register by January 31, 1970. They cannot register after that date.

Persons who will become 21 years old by January 31 must register by that date and cannot register later. (Persons becoming 21 after January 31 may register during the regular period, and may also register at any time afterward but must have been registered for 30 days before they can vote on the registration.)

Persons who were residents of Texas on October 1, 1969, must register by January 31, 1970, regardless of whether they will have met the one-year residence requirement by that date and regardless of whether they will have lived in the county of present residence for six months. (Persons moving into Texas after October 1, 1969, may register during the regular period, and may also register at any time afterward but must have been registered for 30 days before they can vote on the registration.)

Where to register. A person must register as a voter of the county and precinct where he has his permanent residence (domicile). He makes his application for registration to the county tax assessor-collector of that county. The application may be made either by mail, on a voter registration application form which can be obtained from the assessor-collector's office, or by personal appearance in the assessor-collector's office or before a deputy who has been authorized to serve at some other location.

There is no charge for registration.

Application through an agent. The husband, wife, father, mother, son, or daughter of a voter may act as the voter's agent in applying for registration if the relative is a qualified voter in the same county. Except for these listed relatives, which do not include persons related by marriage (in-laws), no one may act as agent for the voter in applying for registration.

Former Burk Resident Appears on 'Dating Game' TV Program

A former Burkburnett resident, Bill Walker, son of the late Mr. and Mrs. W. W. Walker appeared on television this past Friday.

Bill, now a Broadway star using the name of Eric Sinclair, appeared on the "Dating Game Show." He was chosen as the lucky bachelor, winning for him a trip to Las Vegas.

Bill's father was in the grocery business in Burk in the boom days; his mother was secretary at the First Baptist Church. The family moved to California about 25 years ago.

NEW SOFTBALL PARK TO BE CONSTRUCTED

A work day has been scheduled Saturday, Oct. 11, beginning at 8:30 a.m. on a new Little League Soft Ball Park just south of the new Catholic Church. The new park is being built by the Burkburnett Parks and Recreation Department, with directors of the Little League Soft Ball Program in charge.

All parents of boys and girls who participate in the summer softball program and all who are interested in helping with this project are urged to be on hand this Saturday at 8:30 a.m.

INFORMER STAR NAMES NEW EDITOR

The Burkburnett Informer-Star announced today the appointment of John C. Ruback as the new editor, beginning with the issue of October 16.

Lon H. Williams, who continues as Owner-Publisher, emphasized that there will be no change in the editorial policy of the paper nor in it's announced purpose of furthering the community interests.

Mr. Ruback comes to Burkburnett after over ten years of being in the Lawton, Oklahoma area. A native of Troy, New York, he holds a Connecticut and a P. D. from the Episcopal Theological School in Cambridge, Mass.

Joining the Army in 1945, Mr. Ruback served for six years as an enlisted man, including a three year tour of duty in Germany. In 1951 he was commissioned in the Chaplains Corps and had tours of duty in South Carolina, Indiana and Fort Sill, Oklahoma. He also served in Korea during the Korean Conflict and had another three year tour in Germany, serving with the 3rd Armored Division and the 24th Infantry Division.

Mr. Ruback retired in 1965 at Fort Sill. Since that time he has been rector of the Episcopal Church in Duncan, Okla.

An avid stamp collector, Mr. Ruback is vice-president of the American Revenue Association, a society of collectors of revenue stamps. He has been editor of their monthly magazine since the first of this year.

Mr. Ruback will establish a residence in Burkburnett within the next few weeks.

Up-lift for the face
that desires to look
"Ageless"

The woman who is called "ageless" has all the advantages; no one can tell how old she is and no one cares—the "ageless" look is too exciting to evoke petty guessing. And it's not hard to achieve now that we have a way to semi-permanently smooth "catty" facial lines into insignificance. Greaseless, aqueous *2nd* Debut applied nightly does it. And as a beauty-bonus it rids your skin of all dryness as long as you use it regularly. Moreover, it "lifts" the tone of the entire complexion to give you credit for youthful freshness and vigor you should reflect even when you don't. Follow up in the morning with a second film of *2nd* Debut before make up just to keep the good work of *2nd* Debut going for you all through the day too. We have *2nd* Debut with CEF600 and with the double potency CEF1200 for the older woman whose skin is somewhat more difficult to smooth than the skin of the woman of 40. Choose according to your age, $3.00 and $5.00.

2nd Débutante WITH CEF 600

A SECOND DEBUT FOR MOTHER

2nd Debut with CEF 600
FOR THE LADY WITH EARLY WORRIES

Night and morning applications of 2nd Debut with CEF600 deep, deep moisturize the skin to help smooth your premature age lines. As lines first grow more and more shallow, your skin appears smoother and more youthful-looking. Dryness goes. 2nd Debut with CEF600, 4 oz. size is $3.00. 2nd Debut with CEF1200, double potency for the face over 40—or for the impatient lady not accustomed to waiting for anything. 4 oz. size $5.00.

2nd Debut
LIQUID CLEANSER

One quick cleansing with 2nd Debut Liquid Cleanser will astound you! You will agree you have never seen your skin so really clean. Never! It's a rich liquid you spread on your face and neck. Allow it to remain their one minute, then—dowse your skin with cool water. The 2nd Debut Liquid dissolves into the water and takes with it imbedded dirt and residue. See your skin glow with new cleanliness. The 2 oz. bottle is $3.00.

This not-too-small car is big enough for you and your friends. And your luggage.

Yet, this same not-too-large car is small enough for a budget. Even a frugal one.

You have three standard engine choices. Four. Six. Or V8. Depends on how thrifty you want to be.

Nova comes one of two ways: Coupe or Sedan.

From there, your Chevrolet dealer can help you put together any kind of Nova you want.

But plan on more friends.

And fewer fuel stops.

Putting you first, keeps us first.

SHEPPARD AIR FORCE BASE NEWS

United Fund Moves Ahead

SHEPPARD AFB, TEX. - - - Base United Fund project officers and key workers submitted their second report Monday indicating that donations for 1969 have reached 42.11 percent of target.

With the end-of-September payday activity yet to be included, the 13 reporting units and special contributors had given $21,349.08.

Unofficial analysis indicated that most Sheppardites are contributing their "fair share" or more.

Leading all reporting units, the 3630th Flying Training Wing has reached 83 percent of its target. The helicopter portion of the wing went over its assigned share as a sub-reporting unit when Lt. Col. Robert B. Hamel, deputy wing commander for helicopter operations, presented a check Friday to Lt. Col. Harold T. Welch Jr., wing project officer.

Three Sheppard Technical Training Center (STTC) organizations equaled or bettered the base average. They are 3750th Air Base Group with 46.24 percent, Medical Service School with 44.1 percent, and the Technical School with 42.15 percent.

Following closely was Headquarters STTC with 36.38 percent. Next were 3750th Maintenance and Supply Group with 27.42 percent, USAF Regional Hospital Sheppard with 19.02 percent, and 3750th Civil Engineering Group with 16.23 percent.

The Resident Auditor's office leads tenant units with 62.5 percent of target. Others reporting were Detachment, 24th Weather Squadron with 33.33 percent, 2054th Communications Squadron with 30.37 percent. Office of Special Investigation with 21.43, and Management Engineering Detachment 5 with 19.33 percent.

Jack Moses, Sheppard Red Cross field director, reported that his office had made a special donation of $85 which represents an average of $17 per person. The American Red Cross is one of the 23 local participating agencies supported by the United Fund of greater Wichita Falls.

SHEPPARD AFB, TEX. - - - COMPLETES PROJECT - - - Members of Family Services at Sheppard Air Force Base complete the project of filling "ditty bags" for servicemen in Southeast Asia for Christmas. This project was sponsored by the American Red Cross. From left to right are Mesdames Noel Deel, Donald Guthrie, Richard Hasbrouck, Vernon Cannon and Claud Brooks. Approximately 250 bags were filled by wives organizations at Sheppard AFB.

Sheppard Joins Fire Prevention Week

SHEPPARD AFB, TEX. - - - Sheppard will join the rest of the country in the annual observance of Fire Prevention Week, which runs through Oct. 11.

Highlight of the local activities will be a Fireman's Ball the night of Oct. 11 in the Officers, Noncommissioned Officers and Airmen's Open Mess plus the Service Club.

Complementing the ball will be various appropriate activities, including a base-wide organization Fire Prevention Display Contest, a slogan contest of 25 words or less, a clean up campaign, fire evacuation drills at both Wherry and Capehart Schools and a series of Fire Prevention lectures and demonstrations.

The slogan contest is open to all base personnel except members of the base Fire Department and their dependents. All entries should be submitted to the base Fire Protection Division or Fire Station 1, bldg. 944, not later than 9 a.m. Oct. 9.

Sheppard recorded one of its lowest fire losses in Fiscal Year 1969. The fire loss was $421, compared to the $2,700,000 Air Force fire deficit and command loss of more than $17,515.

Fire Prevention Week was first observed in October 1923, when the president declared the week of Oct. 9 as Fire Prevention Week. This date was the anniversary of the great Chicago fire - Oct. 9, 1871.

During this week, fire departments and other civic organizations attempt to point out to the general public what their carelessness is costing in lives and property.

One of the local reminders will be fire prevention pamphlets which will be handed out to incoming personnel at all base gates Monday.

New Chief Nurse Arrives At Sheppard

LT. COL. AGNES KELLAM

SHEPPARD AFB, TEX. - - - Lt. Col. Agnes L. Kellam assumed duties as chief nurse at the USAF Hospital at Sheppard Air Force Base Oct. 1. She succeeds Lt. Col. Flora J. Dutchfield who retired Sept. 30.

Colonel Kellam has been assistant chief nurse since she came to Sheppard in early July from Reese AFB, Tex., where she served as chief nurse for two and one-half years.

Colonel Kellam was assigned to the Sheppard hospital from July 1965 to November 1966 prior to going to Reese with the 3500th U. S. Air Force Hospital. At that time she was supervisor on pediatrics and assistant chief nurse at Sheppard.

A native of North Carolina, Colonel Kellam entered the United States Air Force Nurse Corps in 1951. Her first duty station was Keesler AFB, Miss., where she remained for one and one-half years. She then went to the 7100th U. S. Air Force Hospital at Wiesbaden, Germany for three years.

On her return to the states she went to James Connally AFB, Tex., where she served for three and one-half years; then to Ladd AFB, Alaska, for 18 months; and later to Myrtle Beach AFB, S. C., for two years. She then went overseas for an assignment to Tachikawa, Japan for almost two years.

She returned to the states early to attend the Air Command and Staff College at Montgomery AFB, Ala. From there she came to Sheppard for her first assignment.

Colonel Kellam was graduated from high school in North Carolina and became a registered nurse on her graduation from Knoxville General Hospital School of Nursing in Knoxville, Tenn. She has also attended Baylor University at Waco, Tex.

Colonel Kellam has the Air Force Commendation Medal and the new Meritorious Service Medal. She has two outstanding unit citations, one from Sheppard and one from Ladd AFB, Alaska.

Colonel Kellam resides at 4509 Lake View Drive in Wichita Falls.

CAPT. RICHARD B. ENSIGN

Capt. Richard Ensign Receives Degree

SHEPPARD AFB, TEX. - - - Capt. Richard B. Ensign, chief of computer assisted instruction in the Department of Comptroller Training, 3750th Technical School at Sheppard AFB, received a masters degree in aerospace operations management from the University of Southern California in Los Angeles, Calif.

Captain Ensign completed requirements for the degree through the Air Force education program "Operation Bootstrap."

Entering the Air Force in 1961 following graduation from Purdue University in Lafayette, Ind., Captain Ensign began work toward his masters degree in 1966 in evening classes while stationed at Torrejon AB, Spain. He began studies under "Operation Bootstrap" last spring.

The captain and his wife, the former Miss Manuela Redondo Fraquas of Madrid, Spain, have two children.

OFFICER PROMOTIONS

SHEPPARD AFB, TEX. - - - Names of officers being promoted to the temporary grades of lieutenant colonel and major have been released by Capt. John R. Bailey, chief, Military Personnel Division, Consolidated Base Personnel Office, Sheppard AFB, Tex.

Promoted to the grade of lieutenant colonel effective Oct. 1, 1969 was Wayne C. Hill, Headquarters, Sheppard Technical Training Center; Mary L. Jones, Medical Service School; Clifton E. Ward, 3638th Flying Training Squadron and Leo M. Wright, 3631st Technical School; and Sara A. Healey, Ellen C. Schmidt and Foye O. Stacey, all of the Medical Service School.

Wilson Edwards Scheduled As Guest Speaker

SHEPPARD AFB, TEX. - - - "Colonel" Wilson C. Edwards, self-taught aviator, Texas oilman and owner of his own World War II "air force" is the scheduled guest speaker at the first annual 3630th Flying Training Wing Dining-In to be held Oct. 10 at Sheppard's Officers' Open Mess.

The "colonel" is returning this week to his native Big Springs, Tex., after being shot down 118 times in the soon to be released movie, "Battle of Britain."

The only aviator in the world currently qualified in the German ME-109, the British Hurricane and the American P-51 Mustang, Edwards started his aviation hobby at the age of 13 and at 16 soloed his first flight from San Angelo, Tex., to Cuba. Since that time he has amassed more than 10,400 flying hours.

"Colonel" Edwards is an active member of the Confederate Air Force having donated many World War II aircraft for exhibition throughout the nation.

A staunch Air Force supporter, Edwards is currently president of the Big Springs Chapter of the Air Force Association.

Col. Robert W. Casey, commander of Sheppard's 3630th Flying Training Wing, is scheduled to be in a P-51 as he escorts Edwards in an ME-109 to the ramp and to festivities.

Commendations Given At SAFB

SHEPPARD AFB, TEX. - - - Maj. Wayne V. Brown and MSgt. Lloyd P. Baker received Air Force Commendation Medals during ceremonies at 3750th Air Base Group Headquarters last Wednesday afternoon.

Col. Jack W. Williams, Air Base Group commander, presented the medals Major Brown also received a retirement certificate.

In another ceremony that afternoon Technical Sergeant Bobby G. Mitchell and Jimmie B. Cline were awarded the Air Force Commendation Medal. TSgt. Stephen L. Streadwick received the Army Commendation Medal. Those decorations were presented by Col. Maynard G. Hamilton, chief of the Department of Civil Engineering Training of 3750th Technical School during ceremonies in the department office.

Major Brown, who is retiring after 20 years of military service, received his medal for meritorious service as group pilot, Transport Flight Operations Branch, Base Operations and Training Division, 3750th Air Base Group from Aug. 1, 1968, to Sept. 30, 1969.

Sergeant Baker, who will retire Nov. 30, earned his medal, the Air Force Commendation Medal (First Oak Leaf Cluster), for service as noncommissioned officer in charge of flight operations Branch of Sheppard from March 9, 1967, to Nov. 30, 1969.

Sergeant Mitchell was awarded his decoration for meritorious service as noncommissioned officer in charge of Water Plant, Cantonment Branch, 819th Civil Engineering Squadron at Phu Cat Air Base from July 6, 1968, to July 4, 1969.

Sergeant Cline received his award for service as noncommissioned officer in charge of corrosion control, 26th Field Maintenance Squadron at Ramstein AB, Germany.

Sergeant Streadwick received the Army Commendation Medal for meritorious achievement in connection with military operations against a hostile force in the Republic of Vietnam on Oct. 17, 1969.

The citation stated: "Technical Sergeant Streadwick distinguished himself on Oct. 17, 1968, while serving with the 14th Civil Engineer Squadron, 14th Combat Support Group, 7th United States Air Force. Sergeant Streadwick's composure and initiative enabled him to respond immediately and effectively to an emergency situation when, on Highway QL-1, a truck and water trailer rolled off the embankment and overturned, seriously injuring three Vietnamese soldiers. Sergeant Streakwick rushed to the scene of the accident to render vital medical assistance, and although the vehicle burst into flames, he disregarded his own personal safety to evacuate the injured men. His unhesitating bravery and sound judgement were instrumental in the successful transfer of the Vietnamese to a dispensary for further treatment."

Donald M. Bethel Retired During Ceremonies

SHEPPARD AFB, TEX. - - - Donald M. Bethel, chief of the Support Systems Section of Training Plans, 3750th Technical School, retired at Sheppard AFB during ceremonies at the technical school headquarters last week.

A civilian employee, Bethel completed 28 1/2 years of government service. He first came to Sheppard Field in September 1941, just five months after beginning his work as a citer beginning his work as a civilian with the U. S. Army Air Corps at Chanute AFB, Ill. He came as an instructor in instruments with the Aircraft and Engine School from Chanute and remained here to help close the school on its move to Amarillo in April 1943.

He went on to Amarillo with the school and then followed it to Keesler Field, Miss., and back to Sheppard in 1949.

On his return to Sheppard he was assigned to the Training Analysis and Development Division of the school, then became chief of the Curriculum Section.

A native of Monroe, Wis., Bethel was graduated from high school in North Des Moines, Iowa. He received a bachelors degree from Parsons College in Fairfield, Iowa; a masters degree from the University of Illinois at Champaign-Urbana, Ill., and did work toward a doctorate at the University of Chicago in Chicago.

He was in public school administration for 16 years prior to beginning his work with the government.

In commenting on his years of service, Bethel stated, "What I value most in my Air Force career is the opportunity for association and friendship with so many high caliber people."

"If I have any regrets," he continued, "It will be that I will not be with those people to see the wonders of the future and participate in the marvelous developments that will surpass anything we have seen to date."

He plans an active life following his retirement. He will maintain his residence at 2708 Tenth Street in Wichita Falls, with his wife, Vivian, but they plan to spend more and more time in Hardeman county at their ranch near Quanah.

Mrs. Bethel is the former Vivian Watkins of Quanah whose parents owned Watkins Department Store there.

In addition to their ranching activities, the Bethels will also work with their business enterprizes, Flair Fabric stores in Wichita Falls, Childress, Altus, Vernon and Quanah.

Mr. and Mrs. Bethel have two daughters, Mrs. Douglas Jeffrey of Quanah and Mrs. Joe Jones of Dallas.

Sheppardite Wins Contest

MRS. BARRY WINS - - - - - -

SHEPPARD AFB, TEX. - - - Mrs. Bettie F. Barry of Base Supply received a certificate as winner of the Sheppard Air Force Base Key Punch Operator's Contest during ceremonies Thursday morning at the base.

Maj. Gen. Jerry D. Page, commander of Sheppard Technical Training Center, presented the certificate. He also presented the runner-up certificate to Mrs. Georgia Bohuslav of Civilian Personnel.

The Key Punch Operator's contest was the third annual Air Training Command-wide contest, and was conducted from July 21, through Aug. 8. It was open to all 26 persons who performed key punch operator duties in the 13 functional areas of assignment of 3750th Technical School, USAF Hospital Vehicle Maintenance, Aircraft Maintenance, Civil Engineering, Serv-Air, Supply, Procurement, Data Automation, Accounting and Finance, Equipment Management Office, Consolidated Base Personnel Office and Civilian Personnel.

The contest was held to recognize key punch operators as a vital link in the automation of data systems, to stimulate "pride in the work," and to promote accuracy and efficiency in key punching.

Other Sheppardites who entered the contest were Mmes. Shirley Huckeo and June Sinks of Supply; Virginia Faugha and Janice Tobey of Maintenance Analysis', Sandra Smith, Icycle Crump and May Collier of Accounting and Finance; Mr. Thomas Kidder of the Department of Comptroller Training. Mmes. Helen Wilborn of Vehicle Maintenance; Donna Prestwood of GAF Training Group; Nancy Westmoreland of Civil Engineering; and Melba Tracygier, Wilda Scott and Jo Chester of Consolidated Base Personnel Office.

Protection

The signal light is man's guide to safer travel. However, they protect only as they are obeyed.

The Bible is God's Signal Light and guide for man's path through life.

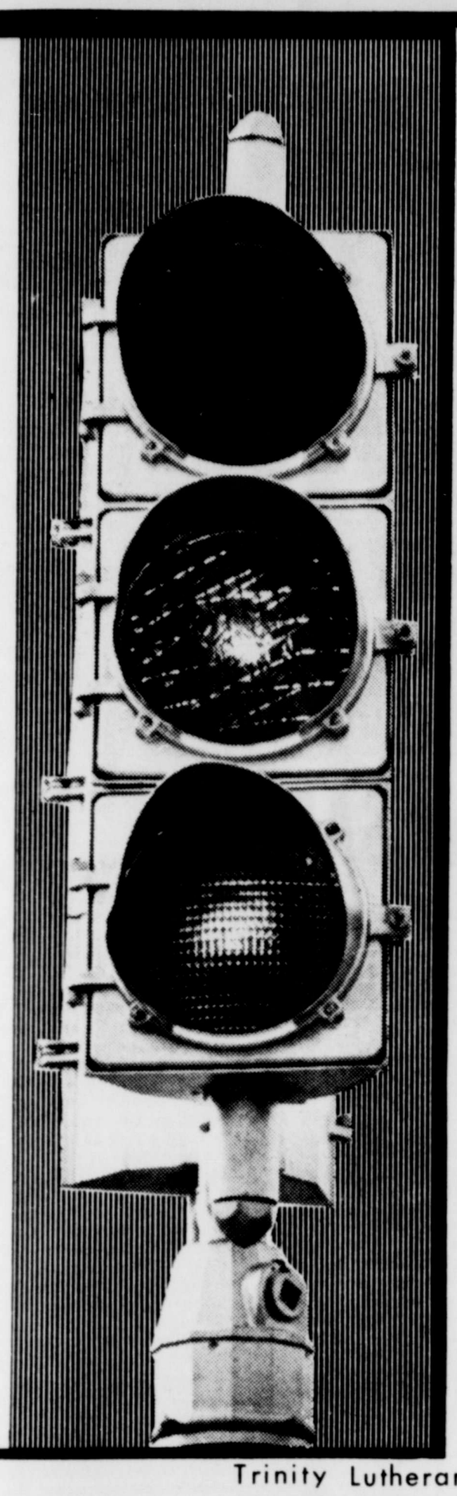

"Thy word is a lamp unto my feet, and a light unto my path."

Through study of God's word, we learn His will for our life, and He will lead in paths of righteousness.
ATTEND CHURCH

EVERYONE IN THE CHURCH ... THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Andrake's Golden Toe Nips Lawton In Thriller

The Bulldogs were on the 28 yard line, no time-outs remained, and the clock ticked toward zero. The score was tied as it had been since Ike had scored on the first play from scrimmage in the second half. The 'Dogs assembled quickly into formation and the ball was snapped. Young flipped out a quick pass which came down incomplete to stop the clock with only four seconds remaining in the game. Coach Froman sent in Andrakes to attempt a 37 yard field-goal against a powerful Oklahoma wind. The stadium grew quiet, as the fans gravely watched the Burkburnett Bulldogs get into their formation.

The fans had been keyed up for most of the fourth quarter as Lawton Ike had been driving toward the goal line. Fate returned their blow of two weeks ago, however, when one of Burk's defensive linemen forced the ball from Ike and recovered on Lawton's 23 yard line with 3:15 on the stadium clock. Joe Karstetter set up a pair of first downs for the Bulldogs, gaining a well needed 27 yards on one play. Then Robby Young called on his flankerback, Jim Sims, to drill him some quick, side-line passes to try to keep the clock from expiring. A holding penalty set the 'Dogs back, it looked as if from a victory, but then Young threw to Sims again, who caught a dazzling pass to gain 23 yards, down to the 28 yard line. Then Coach Froman decided to try the desperation field-goal, which would give the 'Dogs their first victory over Ike in five meetings if he were successful.

The ball was snapped, Ike sent in a powerful rush, the ball was quickly set up and Andarakes put his toe into it. The ball sored up and the fans could see the wind push the ball away from the corss-bar, but the officials made the first sign that the Burk fans had approved of the entire second half; the kick was good! The Bulldogs poured out onto the field, and the Pep Squad came out after them. The score was 10-7, and the 'Dogs had done the impossible. Ike's fans quietly left the stadium as they saw their team take its fourth loss of the season.

The first quarter of the ball game had been a rough defensive struggle, with no score being made by either side. The 'Dogs however, took the ball on a long drive in the second quarter and managed to record 7 points on the scoreboard to hold an edge over Ike for the time being. The first play of the second quarter, when Steve Cofer took a James Cooper pass for 76 yards into the end-zone, evened the teams out, and the defensive battle was resumed, until Andarakes' golden toe placed the 'Dogs back on top of the Lawton Eisenhower Eagles.

With this win, the Bulldogs are 2-2 for the season, and are looking toward their game Friday night, when they meet class 4A Greenville, who look as if they are going to be a real challenge to this tough high school team.

BURKBURNETT BULLDOGS DRILL FOR FRIDAY NIGHTS GAME WITH GREENVILLE HIGH SCHOOL.

Punt, Pass And Kick Registration Deadline Near

Time is running our for Burk area boys to register in the Punt, Pass and Kick Competition. This competition, now in its ninth year, is open to boys 8 through 13 and is absolutely free. They will be competing for 18 handsome all-metal trophies to be awarded during the local competitions which are sponsored by Wolfe Ford.

Contestants will be competing against boys in their own age group in three football skills - - punting, passing and kicking. Gold trophies will be awarded to the first place winners of each age group, silver to the second place winners, and bronze to the third place winners. There is no body contact and participating does not affect a boy's amateur standing.

Registration closes October 10, so all boys 8 through 13 are urged to go with their mom, dad or legal guardian to registration headquarters at Wolfe Ford, Burk.

Everything is free and each boy gets a copy of the PP&K Tips Book which contains stories and tips by Don Meredith and Mike Clark of the Dallas Cowboys and Billy Lothridge of the Atlanta Falcons, and an introduction by Don Shula the coach of the Baltimore Colts.

Local first place winners go on to Zone and then, possibly, District, Area, Division and National contests where they compete for more trophies.

Also, all District winners go with their parents to Area competitions held in NFL team stadiums. The 12 National finalists compete during half-time in the annual NFL Play-Off Game in the Orange Bowl in Miami, Florida. They and their parents also take an exclusive tour of Cape Kennedy, the history making site of the Apollo moon shots, and the Air Space Museum.

Punt, Pass & Kick is a nation wide program that is sponsored nationally by Ford Dealers and the National Football League.

The annual Punt, Pass and Kick competition will be held Saturday, October 11 beginning at 2 p.m. at the old Bulldog Stadium. Winners of the local competition will then be eligible for district and state competition.

Wolfe Ford Company sponsors this event each year.

Grandfield Nips Mangum

Grandfield scored twice in the first half to defeat Magnum, who had a problem with penalties during the evening. They were penalized 135 yards during the game, while Grandfield was penalized 65 yards. Despite the over-activity of the officials, both teams managed to build up fair yardage on the ground, although neither team could get their passing attack going.

One of Grandfields touchdowns was called back, but they were able to score again on the same drive, and then in the next quarter with a 37 yard pass.

The game was mainly a defensive battle as no one got past the 25 yard line in the second half, except for Magnum's touchdown.

Carol Washburn, a senior at Grandfield, was crowned homecoming queen during the half-time activities.

Wilson Wins Game 52-6

Wilson met Big Pasture in Randlett Friday night and didn't even stop to pick up the pieces. They completely annihilated the Ranger's defense as they romped across the field, scoring 52 points.

Salisbury and Idleman were the big scorers in the game. They each tacked on two touchdowns to the score as Taylor, Worsham, Holt, and Ferguson scored one each.

The Ranger's only bright spot came in the first quarter when Mark Turner raced 68 yards for the only score they had all night.

Burk Frosh Whip Hirschi

The Bulldog Freshman led by the running of Lawrence Washington and Mark Bulla shut out the Hirschi Freshmen 14 to 0 in their first game. Lawrence Washington and Don Armstrong each scored a touchdown for the Bulldogs. Defensive standouts for the Freshmen were Sam Hancock and Scott Smith.

In the Freshman's second game, they were upended by a strong Tomilonson team by a close score of 18 to 12.

This week the Bulldogs fine freshmen then recorded their second victory of the season over Lawton Eisenhower. Sam Hancock, the freshman quarter back scored both touchdowns for the Bulldog Freshman team. The score was 12 - 6.

NOTICE

A very important meeting of the Little Girls Softball League will be held Thursday night, October 16, 8 p.m. at the Youth Center. Purpose of the meeting is to elect new officers and to make plans for the coming softball season. Everyone interested in the summer softball program is urged to attend.

JV Defeats Huskies, 36-8

The Bulldogs Junior Varsity was defeated by a score of 36 to 8 in its first game of the season. The Hirschi Junior Varsity completely dominated play.

The Jr. Varsity performed outstandingly in the first half of their second game against the Wichita Falls Rowdies and went into the dressing room at half time tied at 6 to 6. The Rowdies came back fired up, and with a couple of breaks the final score was 32 to 6 in favor with the Rowdies. The touchdown for the Jr. Varsity was scored on a pass from Jody Sudland to Monty Patton.

The Bulldogs Jr. Varsity recorded its first victory of the season against the Bowie Jackrabbits by a score of 27 to 6. Max Ludeke led the Jr. Varsity with 3 touchdowns and Mike Howard scored one touchdown. Defensive standouts were Larry Greb, Jim Steel, Rodney Roberts and Rick Beard.

Eighth Grade Rips Lawton

Last Tuesday the Eighth grade team from the brand new Lawton MacArthur School met the Eighth grade from Burk, and soon after beaten all over the field. Burk's passing attack was fantastic as Benny Wilkinson threw pass after pass into the hands of his receivers.

Pace was the best stand-out in this game as he was able to pull in many passes and make extra yardage on each. The final score was 48-12, showing again that the Burk Eighth grade football team is one of the best in Burk's history.

The Maverick-maker strikes... again and again and again.

FORD
Ford. Take a quiet break. Move into the quieter world of the sleek new Ford with a computer-designed S-frame and a unique new suspension system. The ride is so smooth and vibration-free that you have to test-drive it to believe it.
Torino. All new clear through. Torino is the most completely changed car of the year. Longer. Wider. Smoother. And sparked by six great V-8's up to the big 429 4V Cobra Jet Ram-Air V-8.
Maverick. Still $1995*. The Simple Machine. The car that held the price line is the best-selling car of the seventies. Maverick already has more than 150,000 happy owners. Join them . . . see how simple life can be.
*Ford's suggested retail price for the car. White sidewall tires are not included; they are $32.00 extra. Since dealer preparation charges (if any), transportation charges and state and local taxes vary, they are not included, nor is extra equipment that is specially required by state laws.
Ford gives you Better Ideas. It's the Going Thing!
