

First Area Cotton Baled; Grain Harvest Ending

The first bale of 1975 cotton was ginned Thursday morning at Olton Co-op Gins, according to Lloyd Graham, manager.

Grown by Jimmy Lawson, the bale was unusual in that it was stripped, rather than hand pulled.

Weighing 466 pounds, it was ginned from 2080 pounds of seed cotton, and netted 840 pounds of seed.

Grown on his farm at Circle, the Paymaster 202 variety was watered only once. It registered a 'mike' reading of 3.8.

According to Graham, cotton harvest will likely get underway next week. Cool damp weather in September caused a dropping of leaves on cotton plants, but near perfect October weather had started a re-growth. Frost last Friday morning has stopped this progress and cotton now shows signs of maturity.

Thursday afternoon Circle Gin reported the second bale of the year ginned by F.W. Bearden.

The 610 pound bale yielded 950 pounds of seed and was figured at a 23.3 turnout. This bale, Paymaster 18, was also stripped mechanically. Bearden farms four miles west of Circle.

A survey of grain receiving stations indicates that milo and corn harvests are almost complete, one dealer estimated 99% complete.

Toro Grain official stated they had only one customer who was still in milo harvest and stated that all corn was out except a few scattering fields under contract.

Olton Grain Coop, speaking through Mrs. Fritz Richards, stated that grain harvest was almost complete. When asked about yields for the year, Mrs. Richards stated that "a few were complaining about

slightly lower yields, but on the whole I believe it has been an average year." She also said producers seemed quite happy about corn yields.

Mrs. Thetis Haddad at High Plains Grain also indicated that corn yields had been unusually good this year. She was of the opinion that milo production had been a little disappointing this fall because of a stalk disease that had caused some falling.

Commenting that only a few small fields of corn in the Springlake-Earth area were still being received at High Plains. Mrs. Haddad explained that soy beans had not sufficiently matured and dried and many of these fields were therefore awaiting combines.

Farmers agree that 'Bright October' weather has been advantageous, and fall harvest is possibly ahead of schedule.

FIRST BALE OF 1975 COTTON was delivered Thursday to Olton Coop Gin by Jimmy Lawson, shown here with little daughter, Natalie.

Lawyer Advises Voters To Reject New Charter

Approximately forty two people heard Attorney Jim Blair of Amarillo speak concerning the new state constitution which Texas voters will accept or reject on Nov. 4.

One of the astounding statements made by Blair was "If you voters vote for Proposition number 1 on the ballot you will vote for forty four pages in the new constitution which will include, among other things, the Bill of Rights, redistricting, allow annual sessions of the legislature, the establishment of a salary commission to set the legislators salaries, and salary increases would be no longer left to a vote of the people."

He further stated that the qualifying phrase "or as set by general law" appeared approximately 150 times in the proposed draft and would remove from the

people powers which they have always taken for granted would be theirs.

Under the new constitution if Proposition #2 passes, the criminal and civil courts of appeal would be merged.

Blair also stated that H.B. 1545 which grants the comptroller of public accounts in Austin the power to promulgate the guidelines for land evaluation for ad valorem tax purposes has already been passed, and will become law if Art. VIII of the proposed constitution passes.

Asked if he would advocate

voting against each of the eight propositions on Nov. 4, Blair emphatically replied "yes".

He added there are some good points in the document but they were heavily outweighed by the bad therefore this would not be what the voters of Texas need. He further stated that included in the eight propositions were six amendments which had heretofore been soundly defeated by the voters of this state, and yet they were incorporated in this document.

Booster Club Meeting Set For Monday Night

Olton Booster Club meeting will be held at 7 p.m. Monday night, for this week only, according to Jim Brown, president.

Future meetings will be held Tuesday nights and will begin promptly at 7 p.m. All meetings are to be held in school cafeteria.

Upsets Plague Grid Contest

Upsets plagued most contestants in the Enterprise football last week but eight persons failed to pick certain "favorites" and thus emerged from the conflict with just three incorrect picks.

W.E. Thomas claims top money with 22-6 tie-breaker prediction, missing the actual Mustangs-Indians score by just three points. Carl McClure and Mable Parker of Breckenridge were each four points off with predictions of 28-7 and 21-6, respectively. They will divide second and third place money equally, each receiving \$2.50.

Eliminated by the tie-breaker were Jim Curtsinger, five points off, 30-0; Mildred Nafzger, 8, 21-10; Pedro Rivera, 11, 30-0; Deryl Clark, 13, 32-12 and Ken Smith, 36-0.

McClure continues to hold a two-point lead for the season with 86 correct picks over the seven weeks of grid activity. Runner up spot is held by Jim Curtsinger of Lubbock. Contestants with 76 or more points are listed elsewhere.

Each year a number of contestants give up competing for the top win. None should cease trying to be the season winner, even though trailing by a number of points. Leaders can "goof" (in recent years, one high ranking contestant forgot to enter one contest late in the season). Only the quitter is assured of being the loser.

Any contestant can also be a winner for the week. Enter this week, it's fun.

District 3-AA Re-Organized

A district meeting of the Executive Committee held in Olton this week resulted in a shift and re-organization of District 3-AA, according to Joe L. Turner, superintendent of schools.

Turner stated that the district picked up one new member, Muleshoe High School. Having been assigned to AAA status, Muleshoe is returning to AA ranks.

Turner announces the following District Schedule for the 1976 football season: Oct. 15 - Dimmitt at Olton Oct. 22 - Olton at Morton Oct. 29 - Littlefield at Olton Nov. 5 - Muleshoe at Olton Nov. 12 - Olton at Friona Play in the non-conference schedule will be as follows: Sep. 3 - Tulia, here Sep. 10 - Abernathy, here Sep. 17 - Lockney, there Sep. 24 - Floydada, there Oct. 1 - Open date Oct. 8 - Idalou, there

Missionary Conference Slated By Methodists

Members of First United Methodist Church will hold their second annual Missionary Conference Oct. 31 through Nov. 2. Theme of the conference is "Our Church Reaching Out."

Special speakers for the event are the Rev. and Mrs. W.L. Armstrong Jr., missionaries to Indonesia; the Rev. Jim Palmer of Plano, missionary to South America and Dr. Richard R. Reahard, superintendent of Navajo Methodist Mission School in Farmington, N.M.

Last year's missionary conference resulted in "faith-promise" giving which resulted in almost \$12,000 to be spent in mission work. Almost \$2,500 of that amount was spent locally with \$5,250 going to foreign missions. The remaining amount was used within the conference and to supply a scholarship to Ayo Lodigbolu, speaker at last year's conference who is studying at Perkins School of Theology in Dallas.

The Armstrongs are native Texans who have served in Sumatra since 1969. His duties included assisting unordained local pastors all over North Sumatra as well as helping dig wells, build churches and solve agriculture problems.

Mrs. Armstrong worked in villages in the areas of health and hygiene along with other social work.

The Armstrongs, parents of three grown children, have been foster parents to 24 children in Indonesia and the U.S.

Dr. Reahard was named superintendent of the Mission School this year, arriving on the campus in July. He had taught and coached at the Navajo School in 1960-61.

A native of Indiana, he holds a Ph.D. in educational administration from Purdue University. He has been a teacher, missionary and lay preacher for many years. He served from 1951 to 1954 as superintendent of Yuma Methodist Indian Mission and taught college and graduate courses in education at North Dakota State University four years. He served pastorates in Indiana and Minnesota and more recently was supervisor of

staff development and training for the State of Indiana Rehabilitation Services.

Rev. Palmer was born and educated in Pennsylvania. He graduated from B.D. Garret Theological Seminary in Evanston, Ill. and served pastorates in Pennsylvania and Wisconsin.

He was pastor of LaPaz Community Church in LaPaz, Bolivia from 1959 to 1963. He also taught in the American Institute of LaPaz and served as director of publicity and public relations for the Methodist Church in Bolivia.

Palmer served as associate pastor of Highland Park United Methodist Church in Dallas from 1963 to 1966 when he was appointed to Plano.

He authored "Red Poncho and Big Boots," biography

of Murray Dickson, Methodist missionary to Bolivia for 20 years.

Friday's service will begin with a church-wide covered dish supper at 6:30 p.m. Missionary services will be held from 8 to 9:30 with Rev. Armstrong preaching and Rev. Palmer witnessing.

A men's prayer breakfast is slated for 6:30 to 7:30 Saturday with a meeting for children from 10:30 until noon. An informal luncheon meeting is planned Saturday for women. Mrs. Armstrong will be speaker.

Dr. Reahard will preach at the 8 p.m. missionary service Saturday and at the regular worship hours Sunday. He will also speak at the youth breakfast and worship time from 9 until 10:30 Sunday.

Visitors are welcome to attend any service.

TRUITT SIDES

Time Changes Sunday 2 A.M.

It's "catch up time".

Come Saturday night before going to bed, you can turn that clock back an hour and catch up on your sleep you lost last April when you ran the time piece ahead for Daylight Saving time.

Or if you want to be exact in changing your clocks, officially time reverts back to Standard Time at 2 a.m. Sunday, Oct. 26.

In any case, remember, you get that hour back!

Halloween Carnival Set

Goblins and ghosts may be lonely Halloween night when fun seekers choose to frequent the haunts of Olton High School. Slated to begin at 7 p.m. and conclude at 9 p.m., the Halloween Carnival will be held in the new wing of the high school building.

The affair is sponsored by the Student Council and different classes and organizations will conduct booths for merriment and profit. Concessions will also be manned by the Future Homemakers and others.

The evening's fun will feature such booths as the Spook House, Time Machine, Tunnel of Love, Cake Walk, Marriage Booth, Bingo, skits and movies.

The Senior Class will entertain carnival goers with a skit at 9 p.m. in the high school auditorium. Prior to that time, a comedy film will be available for the under-12. The comedy plus a feature film will be shown following the senior skit.

Truitt Sides Services Held Here Wednesday

Funeral services were conducted Wednesday morning, Oct. 22, in First United Methodist Church for George Truitt Sides, 62, longtime resident of the area.

Officiating were the Rev. Elton Wyatt, pastor, and the Rev. Bill Watson, pastor of First United Methodist Church, Earth. Interment was in Olton Cemetery under direction of Parsons Funeral Home.

Sides, who some six months ago was named to head the new Trust Department of Olton State Bank, died Monday night in Lubbock where he had gone to attend a meeting.

Born Apr. 5, 1913 in Van Zandt County, he was reared in Lubbock and was graduate of Lubbock High

School. He and the former Miss Euna Liner were married Nov. 26, 1932, in Clovis, N.M.

Upon his graduation from Texas Tech University, he moved to this city in 1938 and for five years served as Vo-ag teacher in Olton Schools.

At a later date Sides began farming and also operated the John Deere dealership in the city. In February, 1968, he was appointed to the office of Judge of Lamb County, an office he held for more than six years.

Sides, who served as member of Olton School Board and City Council, was also a member of Lions Club, Olton Recreation Center, and Parent-Teacher Association. Having served as Democratic Precinct chair-

man for many years, he has also worked closely with the American Red Cross, Cub Scouts, and Little League Baseball. He was member of First United Methodist Church and thirty-second degree Mason.

Survivors include his wife; two daughters, Mrs. Norma Walden of Hereford, and Mrs. Betty Smith of Fort Stockton; one son, Danny of Hereford; one sister, Mrs. Geraldine Cox, Lubbock; four brothers, B.H. Adolph, Roscoe and Lawrence, a of Lubbock; nine grandchildren and one great-grandchild.

Pallbearers were Eldon Franks, Louis Hair, Bailey Hair, Ken Burgess, Cal Harvey and A.J. Spain.

Former Minister To Preach At Church Of Christ Meeting

S.A. Freeman, former minister of the Main Street Church of Christ, will bring a series of messages during the gospel meeting which is slated Nov. 2 through Nov. 6.

Morning Services will begin at 7:30 each weekday, and will be dismissed by 8 o'clock so that working people can reach their jobs on time.

Sunday morning worship

will begin at 10:40 a.m. Evening services Sunday will be at 6 p.m. and weekdays at 7:30 p.m.

Topics for the services are "The Alabaster Box," Sunday morning; "Under New Management," Sunday evening; "Ambassadors of Heaven, Monday night; "Faith, Opinion and Expediency," Tuesday night; "Worthless When Detached", Wednesday night and "The Great

Invitation", Thursday night. Freeman, now engaged in mission work at Bismarck, N.M. and Lexington, Neb., makes his home in Lexington. He has been involved in this work for the past 12 years, and has been preaching full time for more than 40 years.

He recently produced a tract dealing with drug abuse and strong drink, entitled, "At the Last."

Milton Caraway, minister of the Main Street Church of Christ, offers a special invitation is extended to everyone in Olton and the surrounding area.

B.T. Dickson Jr. Buried Wednesday

Last rites for Bennett Temple Dickson Jr., 38, were held Wednesday afternoon, Oct. 22, in First Baptist Church. The Rev. John E. Lewis, pastor, was officiant.

Burial was in Olton Cemetery under direction of Parsons Funeral Home.

Resident of Olton for 16 years, Dickson was a farmer. He was found dead on his farm northwest of the city Monday morning. He and his wife, Lucy, were married Apr. 22, 1959.

Member of First Baptist Church, he had served as Royal Ambassador Counselor and Sunday School

teacher for Married Young People. He was member of Board of Directors for Springlake Farmers Cooperative Association.

Survivors include his wife; one daughter, Debra; two sons, John and Jack, all of the home; one brother, Dan of Seattle, Wash.

‘And The Winner Is ..’

BY REX BOYLES

Here it is folks . . . an in depth study on the “how” of predicting the football games of the week. This article is guaranteed to increase any persons ability, interested or not, in “picking” the winners. (I can’t really believe that, but at least it is a way to introduce an article.)

For the past few weeks we have read the reports of who won what in the weekly football contest. Several of the names have appeared several times. How do they know which team to “go with”? These successful “pickers” probably use the “basic question method”. It goes something like this: What have the teams done in these past few weeks . . . how many points have they scored . . . how many points have they given up . . . who is the coach . . . is he a winner . . . what about their speeds and sizes . . . do they have any key players injured . . . do they have a strong bench . . . are they playing at home or away?

Now that is the standard “basic question method”. It is a pretty good way to be sorta average. Now for the first time in any public presentation I will reveal my “sure fire” method of “picking” the winners. (If the truth were known, this method “picks” one game right out of about fifteen. The only reason I got that one right was because of the Mustangs. Thanks fellows). Here is my method: after I have figured out all of the angles and answer all of the standard questions I forget them then I begin to “feel out” the teams. Do I like the coach? Is he a nice dresser? Are the players nice? Do they look neat out on the field? Do they smile alot? Do I like the products they endorse? Does Howard Cosell “pick” them to win? (If he does, I’m “going with” the other team). Other questions that might help out are: Do they have pretty uniforms? Do I have any kinfolks living in that city? Do they have a nice stadium? Do they have an exciting pregame warm-up? I’m sure you can think of many more worthwhile and relevant questions to help you “pick” the right team.

Now isn’t that silly? Of course I don’t really “pick” teams that way. Nobody does! Do they?

Let’s be serious for the next few lines. I thank God, really, that our life or death decisions about religion and eternity are not made on the basis of such absurd questions like we listed above. Aren’t you glad that we don’t have to depend upon our silly “feel out” questions in choosing an eternity, a religion, a church? It is reassuring to know that God has set forth certain directives and guidelines in reference to the church and religion and life. He said in Romans 6:17-18 that there is a certain “form of teaching” . . . in 2 Timothy 1:13, a “pattern of sound words” . . . in Ephesians 4:4-5, a distinctive oneness that can be recognized and reproduced. . . in 1 Timothy 1:3, a “sound doctrine” that can be identified and defended as distinct from any other doctrine.

Seeing that God has given us such a certain plan or pattern for “picking the winner” (the “one body”, Ephesians 4:4-5, isn’t it tragic that a person would “go about with” a religion, a church, on the basis of such questions as: do I like the preacher . . . do I like the members . . . do they have a nice building . . . what about my relatives . . . is it exciting . . . do my friends like it . . . are any of them “undesirable”?)

A baby was born in a manger at Bethlehem . . . a boy grew up in a carpenter’s shop at Nazareth . . . a man died on a cross at Calvary.

He did so to purchase with his blood the Church (Acts 20:28; and to establish a Life called Christianity. His team is “the winner”, and I want to “go with” that team. I want to be confident about my “pick”. I know of only one way to be certain of my “pick” and that is to forget my answers, my feelings, my “picks”, and to “go with” God’s way, with his answers, with his “pick”. Then I’ll be a winner . . . Everything But The Kitchen Sink

BY MOZELLE TROTTER

America is about to celebrate her 200th birthday and the focus that event is bringing to our history makes NOW the best ever time for people who appreciate the history of our Nation.

Seldom a week goes by that we don’t long for the traditional “newspaper morgue” so that we might bring a bit more of our own history to light.

Most newspapers, you, have a library of past issues - the so called morgue - which provides source of priceless information about the past. We don’t. That is, we have no history beyond 1955.

In 1955, when the Enterprise moved into new quarters which are now occupied by Waynes Printing past copies of the paper were not saved. Thus the history of Olton from 1955 back to the paper’s birth in 1926 was wiped out except in the memories of some of our “early timers.”

One early day Oltonite who still holds memories of those infancy days of Olton is Charles Reynolds of Brownwood.

Mr. Reynolds celebrated his 96th birthday Friday (Oct. 24) and the man who moved from Olton in 1952 boasts a keen memory. Vivid are the recollections of early days of our city for the man who, in his young manhood, came from Iowa on the land promotion by the Soash Land Company.

Hard work and determination to succeed paid off when the land he selected became his own paid-for farm. The prairie sod was broken and worked into fine farm land in a day long before the mechanical boom which blessed the tiller of the soil! Still living alone and caring for himself, Mr. Reynolds filled a freezer again this

summer with the luscious beauty of strawberries and dew berries he gathered from his own garden. From his laden grape vines he prepared jelly “from scratch” and then gave others of the abundant crop.

Though miles away, Mr. Reynolds has remained an Oltonite throughout the years, still so keenly interested in the happenings here that he has never allowed his subscription to the Olton Enterprise to lapse. A subscriber ever since the late L.L. Kyle founded the paper in February 1926, he is most likely the sole person who can make that claim.

Happy Birthday, Mr. Reynolds. We hope to be around to wish you a happy 97th.

IN OKLAHOMA
Mrs. David Howton stayed during the weekend with her brother and sister-in-law, Mr. and Mrs. Ben McBroom of Sentinel, Okla. who had as other guests his brother and wife, Mr. and Mrs. Tom McBroom of Omaha, Neb.

FROM ANDREWS
Spending the weekend with Mr. and Mrs. Charlie Giles and Barry were her mother and grandmother, Mrs. Melvin Spear and Mrs. J.L. Jones both of Andrews.

FROM CHILDRESS
Mr. and Mrs. Lowell Dement of Childress spent the weekend with their daughter and family, Mr. and Mrs. Elza Miller, Stephanie and Nikki.

TO CRANE
Mrs. C.S. Silcott was a weekend guest in the home of her daughter and family, Mr. and Mrs. Joe Allen, Scott and Mark, in Crane where homecoming festivities were in progress.

MRS. MARK EDWARD GRIFFITH

Griffith-Crosby Vows Recited In Hart Church

In a six thirty ceremony, Oct. 18, in First Baptist Church of Hart, Miss Genice Ann Crosby became the bride of Mark Edward Griffith, of Lockney. The Rev. Joe E. Cariker directed the double ring vows.

Parents of the couple are Mr. and Mrs. Garlon Crosby of Hart and Mr. and Mrs. Elmer Griffith, of Lockney. Traditional nuptial selections were presented by Mrs. Weldon Davis, organist, who also accompanied Mr. and Mrs. Preston Upshaw as they sang "The Twelfth of Never."

The altar area of the church was set with baskets of white and pink gladioli. Multibranched candelabra forming the background were entwined with tropical greenery. The bridal aisle was marked with satin bows in rainbow hues.

When presented in marriage by her father, the bride wore a formal gown of

white bridal satin overlaid with silk organza. Fashioned with an Empire waistline, the bodice was embroidered with clusters of tatted appliques. Narrow tatted encircled the scooped neckline and the hemline of the long sleeves, which were caught in a bouffant puff at the wrists.

Cluster appliques also enhanced the sleeves and modified A-line skirt. Her detachable train, caught at the back waistline, swept to cathedral length. Lace petal edging encircled the hemline of the skirt and train.

Her bouffant veil of silk illusion fell shoulder length in three tiers and was held by a lace and satin headpiece enhanced with seed pearl droplets.

For 'something old' the bride wore a ring over fifty years old, that belonged to her paternal grandmother, Mrs. Ruby Crosby of Olton. 'Borrowed' was a necklace

belonging to her matron of honor. Her attire was 'new', and she wore the traditional 'blue.'

Mrs. Keith Calhoun of Allenreed was matron of honor. Bridesmaids were Misses Kathy Box and Paula Hankins, both of Lubbock. Feminine attendants wore formal length gowns and wide picture hats in rainbow colors. Mrs. Calhoun was gowned in yellow, Miss Box in blue and Miss Hankins in pink. Each carried a coordinating nosegay. Glen Graves of Lockney served as best man.

Groomsmen were Jimmy Crosby, Lubbock, brother of the bride, and Lanny Barnett of Lockney. Guests were seated by Greg Crosby, brother of the bride, Ronnie Griffith, brother of the groom, and Bruce Griffith, Amarillo, also brother of the groom.

For her daughter's wedding Mrs. Crosby chose a pastel pink floral gown of silk organza in formal length. She added white accessories. The mother of the groom wore a floor length gown of pink polyester with matching accessories.

Immediately following the ceremony the young couple was honored with a reception held in Fellowship Hall of the Hart church. The reception table was laid with a pink pique cloth and centered with an arrangement of pink carnations interspersed with gypsophila. The table featured a three-tiered wedding cake. Appointments of silver and crystal were used. Presiding at the table were Mrs. Greg Crosby and Mrs. Danny Godfrey.

For travel the bride selected a light grey pantsuit with charcoal trim. Following a short wedding trip the couple will be at home at 4501 Brownfield Drive, Lubbock.

The bride is graduate of Hart High Schools. Griffith is a graduate of Lockney High School, attended South Plains College and is presently employed with a Lubbock trucking firm.

TO HEREFORD

Mike Brown stayed Saturday night with his aunt and family, Mr. and Mrs. Eldon Fortenberry, David and Steve of Hereford.

Art and Crafts Fair Is Slated

BE BESWITCHED

TO ELECTRIC HEAT

Two hundred years ago, the witch hunters would have burned us at the stake for even daring to dream of a clean, practical means of heating our homes like electric heat. Fortunately, things have changed since then and today you can choose a heating system that is not only clean and efficient, but also economical and environmentally sound. You don't even have to look for a witch to give you a great deal like this one. Call the electric company... we'll show you how easy it is to BESWITCHED to real comfort home heating that's as modern tomorrow as it is today.

ASK ABOUT THE HEAT PUMP

IT'S NOT MAGIC...IT JUST ACTS THAT WAY

You'll think it's magic when you see what the heat pump does, but it's not at all. It probably will seem quite impossible that one unit can provide clean, efficient electric heating and cooling with only one unit, one thermostat setting. The important thing to remember is the heat pump is today's answer to improving your lifestyle—economically and efficiently. Sound like magic? Not at all.

ENERGY EFFICIENCY ALLOWANCE

We, at Southwestern, are interested in your getting the most for your energy dollar. That's why we're offering an Energy Efficiency insulation allowance to our customers in existing homes who install electric comfort heating. Ask us about it.

BELINDA CARAWAY

Cook Of The Week

A junior at Olton High School and employee of the Enterprise through the Home Ec Coop Program shares recipes with local readers of this column. Belinda Caraway has been working at the newspaper through the cooperative program for three weeks. She is "Girl Friday" three hours five days each week. Belinda is the daughter of Mr. and Mrs. Milton Caraway and has lived in Olton since her father became minister of Main Street Church of Christ in March, 1972. She and her family moved here from Oregon but she is a native Texan, born in Lubbock. She helps with classes on the JOY bus, working with children of all ages.

Belinda has many interests and finds it difficult to cite just what her favorite hobbies might be. She likes to sew and enjoys crocheting and embroidering. Grinning she says she "sort of" likes cooking. The recipes she shares are some which have won the Caraway family approval. She has one sister, Melissa, 13, and two brothers, Tracy, a 1975 graduate of OHS, and Troy, a fourth grader.

Party Honors

J. A. Ragle

Mr. J.A. Ragle, 91, formerly of Olton, was one of several residents of Plains Convalescent Home, Plainview, to be honored with a birthday party Monday afternoon. Mr. Ragle's daughter Mrs. Austin Ruger of Iowa was present.

Local people attending were Mr. and Mrs. Melvin Souter, and Mmes. Lillian Green, Cassie Daugherty, Lewis Ball and Inez Yates.

Smiths Attend Del Rio Meet

Mr. and Mrs. Tom C. Smith attended the State Division meeting of the International Travel Trailer Club of America which was held recently in Del Rio.

The Oltonites viewed San Felipe Springs which has produced 90,000,000 gallons of cold water daily since it was discovered during the sixteenth century. These springs supply the water for the city of Del Rio and for irrigation of crops in that area, as well as for swimming pool.

Mr. and Mrs. Smith toured the museum and winery in Del Rio and went to Ciudad Acuna, Mexico.

ENTERPRISE PRESENTS - Christie Deanne Brumfield, 20 months, daughter of Mr. and Mrs. Don Brumfield of Clovis, N.M. and granddaughter of Mr. and Mrs. Marvin Huguley of Clovis, former Olton residents.

WEEKEND GUESTS

Mr. and Mrs. J.H. Melton of Wichita Falls were guests last weekend of her sister and family, Mr. and Mrs. Kenneth Palmer and Jim.

FROM SPRINGLAKE

Orlan Bibby of Springlake visited Monday night with his brother-in-law and sister, Mr. and Mrs. Lloyd Leavelle.

Trio Honored With Dinner

Mr. and Mrs. J.L. Small and Mr. and Mrs. E.J. McCord were Sunday dinner guests of the Small's son and family, Mr. and Mrs. Randall Small, Jeri, Kelli and Toni of Dimmitt.

The dinner was observing the birth dates of Mr. McCord, Oct. 9, Mr. J.L. Small, Oct. 22, and Mrs. Randall Small, Oct. 23.

The cakes were white coconut baked by Mrs. McCord and a strawberry cake made by the hostess.

Courtesy Fetes Recent Bride

Mrs. Billy Jones of Springlake was honored with a post nuptial courtesy Thursday morning in the home of Mrs. Kent Parish.

The party table was covered with a white lace cloth over yellow and centered by a floral arrangement of Autumn hues.

Using crystal and silver appointments Mrs. David Bradley served cheese sticks, cookies, punch and coffee.

Hostesses presented Mrs. Jones with pieces of her chosen pottery.

WHEN YOU PASS THOSE LITTLE CARS, SINKING, GO AROUND THEM!

APPLY NOW . . .

. . . For Spring Semester

\$938 IS WAITING FOR YOU

AND THERE'S '938 FOR YOUR SPOUSE AND '938 FOR EACH OF YOUR CHILDREN

That's right. If you qualify, you and members of your family each can receive up to '938 a year to help pay the cost of education or vocational training at the Regional Occupational Center - Plainview. The money is yours. You don't pay it back because it's a grant under the Basic Educational Opportunity Grant program.

This unique new program is designed to help offset the cost of education while you are enrolled in any of the programs or courses being offered by the Regional Occupational Center. Because we have an open door admissions policy, nearly everyone can be a college student - not just the high school graduate. More adults are getting post-high school education today than ever before.

What's important, too, is that you no longer have to be a full time student to qualify for a Basic Educational Opportunity Grant. The Program now applies to half time students too.

WHAT YOU CAN RECEIVE

FULL TIME STUDENT (12 OR MORE SEMESTER HOURS A SEMESTER) . . . \$938 A YEAR
THREE-QUARTER TIME STUDENT (9-11 SEMESTER HOURS A SEMESTER) . . . \$704 A YEAR
HALF TIME STUDENT (6-8 SEMESTER HOURS A SEMESTER) . . . \$469 A YEAR

ARE YOU ELIGIBLE?

You are if you can show financial need, have never attended college PRIOR to April 1, 1973, and are a U.S. citizen. And with current changes in family income limits, more and more middle-income families now qualify for these grants.

This may sound like a big give away. But it's not if you really look closely. You see, if you get more education or increase your vocational skills, you'll probably get a better paying job. And the more money you earn, the more taxes you'll pay. That's one way you indirectly repay your grant.

The only cost involved in applying for the BEOG is a postage stamp. For help in filling out the form or for more information, please call or come by the Regional Occupational Center.

Proposed Constitution Proposition Five

THE TEXAS ASSOCIATION OF ASSESSING OFFICERS ON THE PROPOSED CONSTITUTION PROPOSITION 5

**Special Interest Groups
Receive Special Tax Benefits**

There are some questions as to the benefits that the average individual will receive from the proposed constitution, especially as to PROPOSITION 5, (Article 8) because of the advantageous treatment for tax purposes given to special interest groups. For instance, Article 8, Section 3 provides that the legislature "shall establish separate formulas for appraising land to promote the preservation of forest land devoted to timber production." This same provision to change the constitution has been refused by the voters of Texas several times during

recent years, and here it is again in the proposed constitution. This is just one of the many examples of a special interest group being given advantageous treatment for tax purposes under the new constitution.

**Even a manufacturing plant
Even a Manufacturing Plant
Could be Exempted from
Property Taxes**

It is possible under the proposed constitution that properties, even manufacturing plants, etc., could be exempt from taxes, including city and school taxes. PROPOSITION 5, (Article 8, Section 4-D) of the new constitution provides for the exemption of "property owned by a disabled veteran of the armed services of the United States, by surviving spouse or minor children of a disabled veteran of the armed services of the United States whose life was lost while on active duty." This provision would mean that a disabled veteran, or the surviving spouse, could even own a large manufacturing firm and still not have to pay city of school taxes. In fact, under the proposed constitution there is no limit to the

exemption a disabled veteran could receive. This means a disabled veteran could own several homes and several commercial properties and it would all be exempt.

**Banks Shift Their Tax
Burden to Other Texans**

Under PROPOSITION 5 (Article 8) of the proposed constitution, bank stock would not be taxable. This would cause other Texans to pay a greater share of city and school taxes because of this exemption. This would be true of all areas in which there is a bank.

**The People Could Lose Local
Control of Tax Values**

Under the proposed constitution, PROPOSITION 5, (Article 8) dealing with taxation, there is a question as to what taxes Texans will

be paying in the future should PROPOSITION 5, pass under the new constitution. Article 8, Section 2-B provides "the legislature by general law shall provide for the establishment and enforcement of standards and procedures for appraisal of property for ad valorem tax purposes." This means that nobody at this time can say how the legislature will provide for taxes especially as to the financing of cities and schools. During the legislative session this year the legislature proposed that these standards and procedures would be established in Austin under the direction of the State Comptroller. However, this bill was defeated as the people began to realize that all values would be established in Austin and that there would no longer be any local control of values for taxation purposes.

**Mobile Home Owners Shift
Their Tax Burden to the
Homeowners**

Under the proposed constitution PROPOSITION 5, (Article 8, Section 4) they have extended exemptions so as to even exempt mobile homes. It specifically provides that "personal effects not used for the production of income are exempt from ad valorem taxation." This means that a mobile home, regardless of value, will automatically be exempt from taxation, whereas a residence would be taxable. Also, under the new constitution the legislature may exempt from taxation property owned by a non-profit water supply organization which the voters of Texas have turned down several times in recent years, but here it is again in the proposed new constitution to satisfy a special interest group.

**Most Texans Could be
Paying Higher Taxes Be-
cause of Exemptions**

Under PROPOSITION 5, (Article 8) of the proposed constitution, there is a question as to which Texans will be paying property taxes, as it provides, "the legislature may grant relief from residential ad valorem taxes by persons determined to be in need of relief because of economical circumstances." The legislature can also grant relief of residential ad valorem taxes because of age or disability. This could mean that the legislature could limit the amount of people paying residential ad valorem taxes considerably. It could inevitably lead to very high

taxes on those residences left to pay taxes, as somebody is going to have to make up the taxes on these exempt properties.

**The Wealthy Would Benefit
Tax-Wise More Than the
Average Individual**

Under PROPOSITION 5, (Article 8, Section 4) of the proposed constitution, it states that "Personal effects not used in the production of income are exempt." This provides that Cadillacs, private aircraft and motor homes are exempt from taxation, which is contrary to the principle of ad valorem taxation that the more property you own the more tax you pay. This provision is very regressive in nature because the middle and lower income groups will not participate in this tax exemption since few of them can afford to own this type of recreational property.

**Pressure Groups Could be
Exempted From Property
Taxes**

Under PROPOSITION 5 (Article 8) of the proposed constitution, there is no limitation to exemptions as provided in our present constitution. This could mean that any lobbyist or special interest group that can prevail upon the legislature to pass a law can get their property or properties exempted, therefore shifting their tax burden to other taxpayers.

**SPECIAL ANNOUNCE-
MENT:** A very important

panel discussion will be part of the program at the Education Session of the 1975 Annual Conference, Tuesday morning, Oct. 28, in the Rose Room, Adolphus Hotel, Dallas. The subject for this discussion is "An Overview of Property Tax Administration." Members of the panel are: Senator Peyton McKnight and Representative W.S. (Bill) Healy (who will be speaking against tax legislation in the proposed State Constitution), Representative Wayne Peveto and Representative Bill Sullivan (who will be speaking in favor of the proposed Constitution), and Karen Johnson, Director of Ad Valorem and Inheritance Tax, State of Texas. TAAO President Sherwood Blair, CTA, will be the Moderator for this panel discussion. Each TAAO member is urged to attend this very important session. After each of the participants has had an opportunity to express his views, questions will be permitted from the audience.

FOOTBALL SCORES

7th Grade

Olton's seventh grade footballers, in their last two outings, came home victorious and with praise from their coach, Tom Duncan. Playing Dimmitt Oct. 9, the Colts were ahead when the last whistle blew, 12-6.

Scoring was by Kenny Smith in the first quarter on a twenty eight yard run and Tommy Cabrerra in the fourth quarter, who ran 42 yards. Extra points failed each time.

Coach Duncan said the whole team was "up" as usual and played a very enthusiastic game. "There were three or four key turnovers that really hurt," he said. "The score could have been 35-6 easily."

The next week they met Friona and played them to a 8-6 score.

Tommy Cabrerra scored on a 45 yard run and also scored the extra points.

"The defense played well and the offense came up with big plays we needed to control the ball," according to the coach. "We've had the ball at the end of the last two games, threatening to score again. Also, the seventh graders are closing in on a district championship. The important thing now is to stick together and play football like we can."

8th Grade

Eighth grade Colts were put down by Dimmitt with a score of 12-0.

In the third quarter a punt by Vance Stroebel was blocked by the opponents and they then ran the 13 yards in for a TD.

TO ILLINOIS

Mr. and Mrs. E.S. Huckabee and their son-in-law and daughter, Mr. and Mrs. George Bickly of Seymour returned this week from a brief visit with the Bickly's daughter and her husband Mr. and Mrs. Steve Dena of Murphysboro, Ill. where they are attending Carbondale College. Friday evening Mr. and Mrs. Huckabee and Mr. and Mrs. Bickly had dinner in Seneca, Mo. with Huckabee's brother and his wife, Mr. and Mrs. Robert Huckabee, former Olton residents.

LAKE OUTING

Mr. and Mrs. Joe Roberts were at Spence Lake last weekend. There they met their daughters and families, Mr. and Mrs. Don Sander-son, Debra, Donna and Brian of Odessa and Mr. and Mrs. Pete Timmons and Brad, also of Odessa.

Congratulations to Jimmy Lawson

**PLAINVIEW CO OP
COMPRESS**

"The team defense was great. They made three or four goal line stands. The whole team played outstanding. A couple of plays in that game could have turned the thing around." Coach Duncan stated.

Meeting Friona the next outing, the defense was again great. Friona got their only score in the last three minutes of the game, to win.

They took advantage of a desperation fake pass and punt which went incomplete. But the defense never let them score again.

"This eighth grade team has played good defense all year. We're working on a few changes, so maybe we can get something going. But we need the support of the fans."

We play Littlefield Oct. 28 here and go to Morton Nov. 6, so we'd like to encourage everyone to come out and back both the seventh and eighth grade teams." Duncan concluded.

News Of Our Servicemen

Letters TO THE EDITOR

It Was Wonderful

Dear Editor:

The people of Olton must be proud of your Bicentennial and Homecoming activities. It was evident that much work had gone into the whole affair.

It was wonderful to see old

friends. The new bank is elegant. We enjoyed the Arts and Crafts Show, the parade and the decorations. The evening meal and coffee along with the visiting was great.

I was honored to be chosen

as a member of Olton High School Hall of Fame. I want to express my thanks to the people responsible for this. I will treasure the plaque always.

Disappointing Note

Dear Citizens of Olton Community:

Once again it has been proven what a group of people can accomplish when they all work together. This was certainly shown at homecoming last weekend. For those that didn't come home or the locals that didn't attend won't ever

realize just what they missed.

There was only one disappointing note for me, that the local classmates didn't attend.

It was truly great to see all friends, teachers and classmates.

In five years the Class of 1940 will meet again. So

let's all be there. Remember, "If you're not interested in seeing us, we came home to see you".

I say thanks to all those that had a part of making "Homecoming 1975" such a success.

Most Sincerely,
 Katherine Nafzger Sjogren
 Kress, Tex. 79052

'Assorted Cadets'

Dear Editor:

During the Homecoming weekend we had the pleasure of having any and all of various and assorted cadets from the U.S.A.F. Academy in our home. They came from every part of our country which added to the Bicentennial atmosphere at our house. Of course, having Steve with them, Cheryl, Freddy and Kay from Texas Tech, Lizann and Mary Lee from OHS here and all the other OHS grads who dropped by made it a special time for us.

We'd just like for the town of Olton to know that she was viewed for the first time by the following most courteous of gentlemen cadets who are a real credit to their various states. If we miss anyone, then I

apologize, but after awhile I might have lost count and skipped over someone.

1st Classmen: Rick Caballero, Steve's roommate - Abilene, Texas; Kurt Klingenberg - Burlington, Texas; Joe Smith - Lake Weir, Florida; K.C. Steinbaugh - Pasadena, Calif.; Rico Racosky - Pittsburgh, Penns.; Mike Belcher - Buffalo, N.Y.; Kevin Hena-bray - Abilene, Tex.; Ky Webb - Lexington, Ky.; Dick Shroeder - Chicago, Ill.; and Charley Williams - Tex.

2nd Classmen: Dave Rein - Leonia, N.J.; Mark Cochran

- Columbus, Ohio; Curt Taylor - Pittsburgh, Penns.; Steve Grogan - Charlotte, N.C.; and Craig Platenberg - Springfield, Va.

3rd Classmen: Robin Smith - Blue Earth, Minn. At any rate, this was a real experience for us and will be one that we'll not soon forget. If they read the Olton Enterprise up in Colorado Springs, (I know one cadet who does), then we'd like to welcome any one or all of them back to Olton any time!

Sincerely,
 Jo Stockdale

CORNER CATCHER

The only center pivot in the world that hits the corners.

In a typical quarter section where a regular center pivot is irrigating 132 acres, you can now do about 150 acres. But the new Valley Corner System isn't limited to squares. Irrigate both ends of a rectangle. Irrigate odd shaped pieces of land too. It's the answer to getting valuable productive land that's been wasted, back under center pivot irrigation. For flood irrigators, it's also the answer to automatic water and labor saving center pivot, without wasting valuable acres. No monitoring, no labor problems, no night work. But you have all the advantages of precise irrigation and fertilizer application through the system, that produces higher yields than ever before. It's a simple concept, precise in operation and engineered with quality of all Valley-built Center Pivots.

Mustangs Win Opener

The Olton Mustangs completed the first step toward repeating as District 3-AA champions by soundly defeating the Morton Indians 25-6, at Morton.

The Mustang defense put on quite a show. Besides holding the Indians to just 98 total yards, (50 yds. passing and only 48 yds. rushing) twice they held Morton for no score inside Olton's 10 yard line. The offense didn't do too bad, either. They picked up 441 total yards including 348 yards on the ground.

Jimmy Parker put the Mustangs on the scoreboard first on a five yard run with 8:05 left in the first quarter. His run was set up by an earlier 20 yard run when Parker caught Morton's defense over-pursuing. On the next play, Parker found Michael Franks open at the Indian's 10. Then, facing a third and goal situation, Parker scooted in for the touchdown. The try for two failed, so the scoreboard read: Olton-6 Morton-0.

After the ensuing kickoff, the Mustangs continued to shut off Morton's offensive attack. Steve Johnson made a fine defensive play as he tipped away a Rusty Lamar pass, and the Indians were forced to punt.

Glenn Johnson fumbled on the first play after the punt and the Indians took over from Olton's 40. But, the Indians couldn't take advantage of the break, as they were stopped by the Mustang defense.

Morton again got another chance to score as they drove to the Mustang's 27. Then Robert Offield broke up a fourth down pass attempt by Morton to give the ball back to the Mustangs.

Led by the running of Parker and Johnson, the Mustangs marched to the 47

yard line and found themselves with a fourth and two inches to go for a first down. Parker then caught the Morton defense over-pursuing again, and following his blockers perfectly, ran 53 yards for his second touchdown of the night. The PAT failed and the Mustangs had a 12-0 lead, that they took into the locker room at halftime.

With 7:10 left in the third quarter, Parker (who ended the game with 290 yards rushing) again followed fine blocking into Morton's endzone. The 40 yard run was his third touchdown of the night. Glenn Johnson

tried to run in for two points but was stopped short. The score: 18-0.

The Mustang defense, helped by big plays from Leslie Gary and J.D. Caudle, shut Morton's offense off cold after the kickoff. This forced another Morton punt.

The call went for Johnson, and Glenn rambled 81 yards before being hauled down from behind by Jimmy Green at the Indian's 9 yard line. The effort went for nothing, though, as Leslie Gary fumbled the ball at the two.

As the defense continued to give Indians nothing, the offense put one more

touchdown on the scoreboard. This one coming with 29 seconds left in the third quarter on a 15 yard pass from Parker to Mark Stroebel. Kevin Workman kicked the extra-point and the Mustangs had a 25-0 lead.

Morton finally got on the scoreboard in the closing minutes on an eight yard pass from Rusty Lamar to Robbie Gattis. This happened after Ruben Saldivar intercepted a Lamar pass on Olton's goalline and fumbled the ball as he tried to lateral it to a teammate. Morton's try for two was no good and the final score in the league opener for both teams was 25-6 in favor of the Mustangs.
