Longhorns Off To State

Longhorn trackmen finished in third place in the Regional 1-A track meet last weekend in Lubbock. The maroon and white cindermen finished with 46 points, bested only by Sunray with 66½ and Knox City, 58.

Plagued by injuries which knocked out one "favorite" event, HHS will be represented at the State Meet this weekend in Austin by Stephen Finch in the 220 and the mile relay team composed of Donald Robinson, Stephen Finch, Kenneth Smith and Randy Finch.

Stephen was runner-up in the regional 220 event with 22.5 performance back of Clarendon's Kenneth King who posted a 22.4.

The mile relay clocked a breath-taking 3:24.7 win over Sunray's 3:24.8 and won a "protested potest" with the victory. Meet curve judges disqualified the Hart runners, stating that the second runner "Cut in seven to eight steps too soon for the pole."

Coach Lonnie Phillips checked with meet officials and was told that the runner who had cut in too soon wore "67" on his jersey and wore a split hairstyle. That described third man on the team so Phillips protested the disqualification.

After a half hour's consideration, the Games Committee upheld Coach Phillips' appeal which promoted Sunray and Stanton coaches to protest that decision.

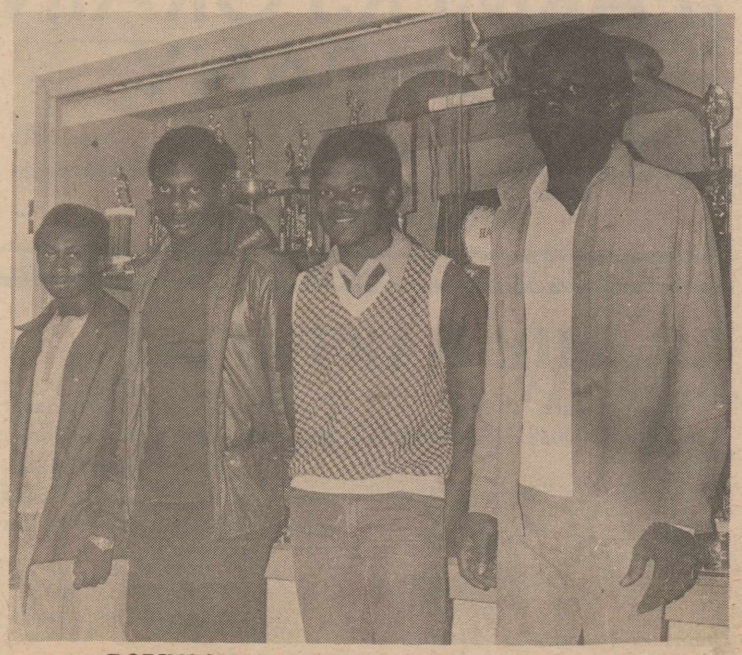

Further deliberation brought the annoucement that the race would stand as it was actually finished. With that decision,

CVAE Girls Fry Chickens

Lion's Are Guests

Hart Lions were entertained Monday with a fried chicken dinner by members of CVAE classes of Mrs. Nancy Wescott. The meeting was held in the CVAE lab cottage.

Tables were laid with white cloths and decorated with red bandana runners. napkin rings and a centerpiece designed of fabric flowers made from bandana print. CVAE girls also were matching aprons.

Dinner, prepared by the girls in the lab's commercial kitchen, included fried chicken, green beans, baked potato with sour cream dressing, tossed salad, hot rolls, coffee, tea and cake topped with homemade ice cream.

Lions Boss Wamon Foster read a letter from the people of Lefors expressing gratitude for the donation sent by the club to aid tornado stricken persons.

Announcements included a Hart Day planning committee for Monday, May 5; Cancer Crusade Drive being conducted this week and the Lions Convention this weekend.

Guest speaker for the meeting was Thomas Grimshaw of the Texas State Department of Health, who discussed the city's need for solid waste disposal facilities.

Grimshaw spoke briefly of the requirements set forth for waste disposal operations and stated that the type tree for communities of 1500 or less in counties of 50,000 or less population would meet local needs.

Grimshaw noted that an application must be submitted and approved by eight other state agencies before it is referred to the State Health Department.

A fence enclosure, he said, is not required but serious problems can be solved if the area is fenced.

"There will be some expense," he said. "People don't want to talk about garbage and if it calls for money, they sure don't."

Grimshaw also pointed out that the amount of waste is determined by affluence. Statistics show an average of five pounds per person waste each day. That total, in an affluent area, is 10 to 12 pounds per persons per day.

Irrigation Fuel Supply Hearings To Be Held

Hearings to determine the future of natural gas for irrigation fuel will soon be held in three southwestern U.S. cities, although most observers predict the issue will ultimately be decided by the supreme court.

The sessions will be held in Lubbock, Albuquerque, N.M. and Phoenix, Ariz. Dates have not been announced.

A spokesman for the office of Senator John Tower of Texas pointed out that no curtailment of natural gas for irrigation will be made until the hearings are concluded and an initial decision is made by an administrative law judge.

The future of natural gas as a farm fuel has been in question since the Federal Power Commission issued a ruling last December which lowered the use of natural gas for agriculture from second to third priority.

Most observers believe that action will eventually result in curtailment of natural gas as a farm fuel throughout the U.S.

Grain Sorghum Producers Association has worked full-time since the December ruling to block the curtailment because of its potentially devastating effect on food and fiber production.

The Lubbock-based organization has pointed out the techincal and economic impossibility of converting from natural gas to another fuel source. Surveys indicate the annual cost of a 3,000 hour irrigation season on a 150 h.p. engine would jump from $3,570 for natural gas to $15,000 for gasoline and $13,650 for propane.

Tennis Fund Started By Sorority's Check

A check for $500 was presented this week to Hart schools to initiate a fund drive for tennis courts to be built at the local school.

Chi Psi chapter of Beta Sigma Phi made the contribution with funds earned from a style show and vollevball tournament. They challenge other organizations and civic groups to participate in the campaign to provide tennis courts for the use of local youth.

Goals set are for two lighted, completely fenced tennis courts to be built on school property and used under school supervision.

"Young people at Nazareth go to State in tennis and our youth don't even have a court to play on," said one Chi Psi member this week in urging the cooperation of the community in providing this need.

"If everyone will work together, make this a community project, we can get the courts and our youth can enjoy them and participate in interscholastic league tennis," says Mrs. Ted Averitt, Chi Psi president.

FUN GETS $500 BEGINNING - Tom Ed Benton, business manager, accepts a check for $500 from Mrs. Ted Averitt, president of Chi Psi Sorority, as the initial sum for a tennis courts fund. Sorority members Mmes. Max Marble and Albert Key look on as Mrs. Averitt expresses the sorority's hope that the community will join in the efforts to build tennis courts so that students of Hart may participate in tennis.

Nine Attend FCA Retreat

Christian athletes from area colleges sponsored and were guest speakers at the Fellowship of Christian Athletes Retreat last weekend at the Baptist Assembly near Floydada.

Local youth attending were Larry Davis, Jesse Beterro, Kelly King, Johnny Newsom, Doug Holley and Larry Marble. Sponsors attending are Coaches Wes Poarch and Kenny Barnes and Monty Upton.

Hart Day Preparations Begin

By Mrs. L.C. McLain

Representatives from all clubs, organizations and businesses and interested citizens are urged to be present at the first meeting to plan this year's Hart Day Activities. The meeting is Monday night, May 5, at 8 p.m. in the school cafeteria.

Mrs. L.C. McLain, 1974 program coordinator, invites everyone to come prepared to submit a parade theme and take an active part in planning and promoting this year's activities so that this will be the "biggest and best" ever. A new coordinator and officers will be elected and a film of last year's program will be shown.

The film is hilarious as you see yourself or your neighbor "swing your partner and do-si-do; see Festus fall mortally wounded as he tries to save bank president Jim Werner from being kidnapped after the bank is robbed in a daring daylight escapade perpetrated by those desperados who ride in from the hills just north of town; or parade down Main Street, U.S.A. on one of the beautiful and colorful floats or dressed as a clown; or fiddling your way to fame and fortune; helping with the Good Neighbor Bazaar in a benefit which provided $500 for the cemetery Association, or charring those good ole' Lion's Club hamburgers; or participating in the lovely Queen's contest emceed by Jerry Jansa.

Newlon Rowland did an excellent job catching these candid shots even though he was almost unseated from his vantage point atop the Post Office by some practical jokers with a handful of firecrackers, who were his "friends."

The film is enjoyable to view and offers some insight on improving future programs. The cooperation a program coordinator is given is fantastic and without it, the Hart Day Affai would be a dismal failure. With it, each successive year brings memories which cheer the hearts of young and old alike.

Come be a participant in 1975.
