Cost Of Filing For Office Is Doubled

The cost of running for an elective office just doubled with respect to filing fees on county wide offices, according to Bettie Rivers, Fisher County Clerk.

The filing fees to run for office had been \$300, but for six of the seven offices due to be elected by county voters in 1986, the fee has increased to \$600.

County voters will be voting on the office of Fisher County Judge, Clerk, Treasurer, District Clerk, Justice of the Peace and two commissioners

posts in 1986.

The jump in filing fees to \$600 was passed by the Texas Legislature. The fees collected from those running for office go to

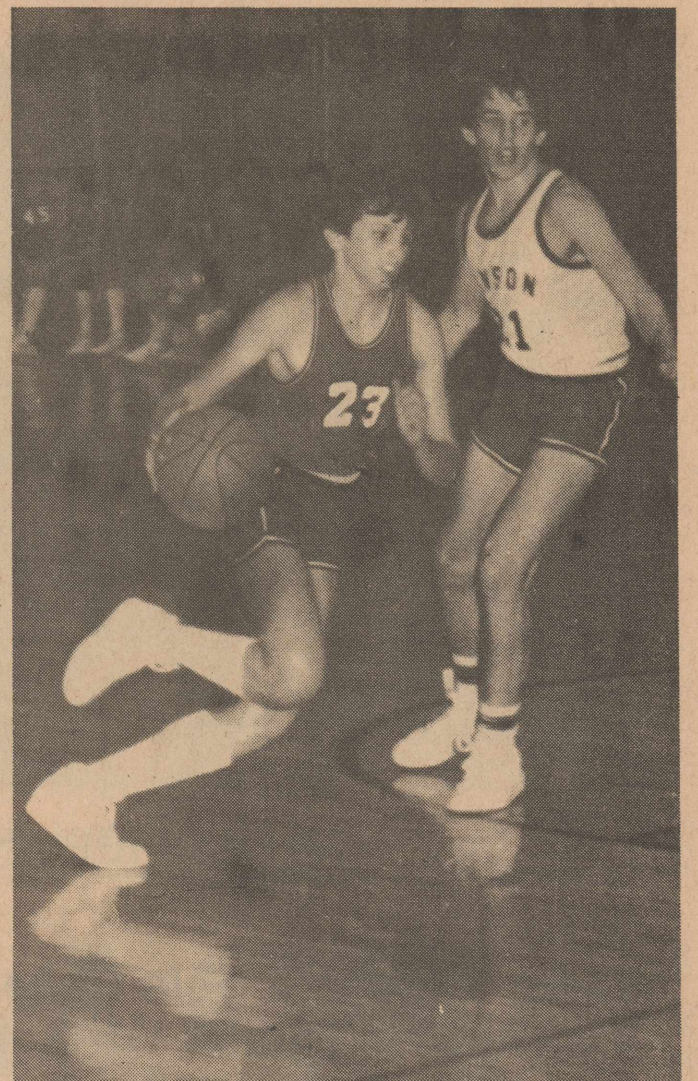

ward paying for the elec-

tion. Four of the seven office holders, if they choose to file for re-election, will be asking voters to return

them to a third term of office. They include: Marshal Bennett, Fisher County Judge; Billy Henderson, Commissioner Precinct #2; Jimmy Wright, Commissioner Precinct #4; and Geneva Chandler, Justice of the Peace, Precinct #1. Each will complete their second four year elected term in 1986.

Three will be asking voters for a second four year term of office. They are Ilene Hale, Fisher County Treasurer; Betty Hargrove, District Clerk and Bettie Rivers, Fisher County Clerk. They will have each completed one full four year term at the end of 1986.

Filing for the seven offices up for election in 1986 officially begins on Saturday, January 4 and runs through 6:00 p.m., Monday, February 3rd. The Fisher County Democratic Chairman is Foy Mitchell.

DRIVING WITH BALL: Gerry Streety, son of Mr. and Mrs. James Streety of Roby drives past an Anson player during a recent game. The Roby boys varsity will play Anson again in Roby on Dec. 3rd.

Santa Claus Making Visit To Rotan

Santa Claus will make his annual visit to Rotan on Thursday afternoon, December 5th at 5:00 p.m., according to reports received by Archie Neeley, Rotan Fire Chief.

Santa will meet with Rotan children at the Rotan Community Center.

Hargrove Will Not Seek FCHB Re-Election

Fisher County voters will be electing three members to the Fisher County Hospital Board in 1986.

The terms of three of the five members expire, however; two have indicated that they intend on re-filing and seeking an additional elected term.

The three with terms expiring include: Ralford Hargrove, Dave Williams and Frank Mitchell. Both Mitchell and Williams have said they intend to seek another term. Hargrove has said that he does not intend to run for re-election.

Rotan Man Arrested After Lengthy Investigation

A Rotan man was arrested by Fisher County Sheriff's Department officers last week and charged with "theft in excess of \$20,000", according to Fisher County Sheriff Mickey Counts.

Joe Granada of Rotan was arrested on Wednesday, November 20th at Glen's Thriftway, where he was store manager and charged with the theft. The arrest was the result of a sealed indictment returned by the Fisher County Grand Jury and resulting from a lengthy investigation by Fisher County Sheriff's Department personnel, District Attorney's Office personnel and local personnel.

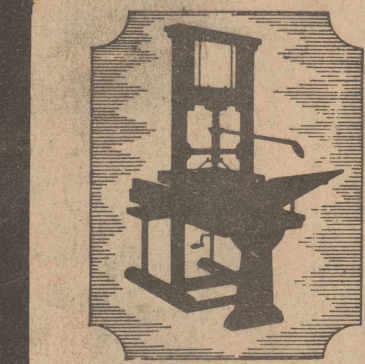

Granada was placed in the Fisher County Jail with bond set by Judge Weldon Kirk at \$25,000. The indictment alleges that during the period January 1, 1985 through the first week of May, 1985, Granada allegedly stole in excess of \$20,000 from Glen's Thriftway while employed there.

The second degree felony charge carries a potential jail term of 2 to 20 years and a possible \$20,000 fine.

Granada is currently out of jail after making bond, according to Counts.

Mr. & Mrs. Obie Gene Kelley, Jr.

Karen Treider & Obie Gene Kelley, Jr. Exchange Wedding Vows, November 3rd

Ms. Karen Rena Head Treider of Oakton Virginia became the bride of Obie Gene Kelley, Jr. of Muleshoe Sunday, November 3 at 3:00 p.m. in the Wakefield Chapel, Annadale, Virginia. Reverend Hugh W. Crowder, Jr. of the Annadale First United Methodist Church read the double ring vows.

Parents of the couple are Mr. and Mrs. Norman Head of Muleshoe and Mr. and Mrs. Obie Gene Kelley of Rotan. Grandparents include Mr. and Mrs. D.B. Head and Mr. and Mrs. George Y. Mitchell all of Muleshoe and Mrs. Nathan Kelley of Rotan and Mrs. Jimmy Browning of Snyder.

Wakefield Chapel was built in 1899 as an affiliate of the Methodist Church and functioned as a small country church until 1951. The white gothic structure was renovated in 1979. The altar of the church was decorated with pottery ivy plants and brass candleabras.

The unity candle was a large off white candle in a brass holder. Guests were registered by Diane Lambert of Alexandria, Virginia and were seated as Curtis, Julie and Vivian Choise played soft violin music.

The three violinists played the traditional wedding march as the maid of honor and the ring bearer preceded the bride to the front of the chapel. The bride wore an off white gown trimmed with antique lace. The dress was mid-calf length with a Queen Ann neckline, fitted bodice and bishop sleeves. The bride wore an off-white straw picture hat with matching ribbon and bow, and three peach carnations and greenery on the right side. Her bridal bouquet was peach carnations, greenery and baby's breath tied by peach ribbon and carried as an arm bouquet. In keeping with tradition, the bride carried her mothers lace handkerchief for something old, and her hat and off-white shoes for something new. For something borrowed, she wore an opal bracelet from Mindy Stanek of Fairfax, Virginia, and something blue was her garter.

Kathy Webb of Fairfax, Virginia served as maid of honor. She wore a light brown suit and carried peach carnations arranged in an arm bouquet.

William Cleveland, Jr. of Rotan, Texas, served as best man for the groom. In keeping with the country style wedding theme, both the groom and best man wore brown corduroy jackets, off-white western shirts, blue jeans and boots.

Rusty Treider, son of the bride, served as ring bearer and stood beside his mother during the ceremony. Rusty answered "I will" when asked if he would take Obie as his stepfather, and promised to love and obey him.

Karl Choise, accompanied by his three children playing violins, sang "The Lords Prayer" preceding the giving of the rings. The bride and groom were joined by their guests in reciting the Lords Prayer.

Following the ceremony the bride and groom received their guests in the front of the chapel and a reception was held in the fellowship hall. Serving at the brides table were Sandra Reeves of Herndon, Virginia and Mindy Stanek. Serving at the grooms table was Karen Copeland of Burke, Virginia.

The bride's table included the traditional wedding cake with peach roses, mints, peach colored punch and silver candleabras with peach candles. The groom's table included chocolate cake, nuts, coffee, a large raw vegetable platter with dip, and brass candleabras with off-white candles.

Following a wedding trip to Williamsburg, Virginia, Karen and Rusty will continue to live in Oakton, Virginia for the time being and Obie will return to Muleshoe.

The bride is a 1977 graduate of Muleshoe High School and is employed by the U.S.D.A.-A.S.C.A. in Washington, D.C.

The groom is a 1971 graduate of Rotan High School and a graduate of West Texas State University. He is employed by the Soil Conservation Ser-

vice in Muleshoe.

Other guests at the wedding included: Mrs. Carl Choise, Linda Whatley, Mr. and Mrs. Jeff Wells, June Cilton, Roberta Harris, Ida Montelita, Joy Guest, Laura Baker, and Richard DeParis.

Mrs. Joe Bethell Irene & Rabon Stuart Gladys & Paul Carlton Billy Bedwell 42:1tc

Granted, not all of our problems are quickly brought to a happy solution. Some are persistent and bring us continuing distress. But even in such circumstances, all is not lost. If the storm is not stilled, divine grace comes to enable us to ride out the storm with faith and courage. However it is manifested, God's grace is sufficient for every rolling sea.

PRAYER: Dear Lord, there have been times we thought we were really going down, but You saved us. Thank You! Now help us to face every day with gratitude and faith. Amen.

THOUGHT FOR THE DAY

God is here with us in the midst of every storm.

Read Matthew 8:23-27
[Jesus] rose and rebuked the winds and the sea; and there was a great calm.
—Matthew 8:26 (RSV)

Once heard of an old-time preacher who when visiting his sick parishioners often sang a long song in a kind of monotone. Each verse described a calamity and ended with the phrase, "This, too, shall pass."

Of course, it is not all that simple, but it is surely true that under the provident care of a loving God, many storms that threaten us are followed by a surprising calm. How many times God has dealt graciously with us! Thus a bothersome situation that caused us great anxiety suddenly worked itself out almost before we knew what was happening. Each of our lives is well marked with the incidents of high-rolling waves that were calmed before they shipwrecked our hopes.

County Agent News

By Richard Spencer

The Fisher County Jr. Livestock Show Association met last week to start plans for the 1986 County Stock Show.

The Show date was set for January 3-4. Judges confirmed at this time are Don Reeves, Collingsworth County Agent for cattle; Kenneth Dudensing, Sweetwater Vo-Ag. Tea-

cher for hogs and Albert Maberry, Fisher County rancher for broilers and rabbits. Billy Henderson is General Superintendent for the Show and Stuart Carey Assistant General Superintendent. Stan Nowlin will be cattle Superintendent, Olen Dennis Sheep Superintendent and Joe Teague Swine Superintendent.

Fall is often the time when fruit tree care is forgotten or neglected, but it's a critical time for controlling many peach and plum tree diseases to insure a good crop next year.

With the arrival of fall, there's often a tendency to forget our peach and plum trees that served us so well last summer.

Applying a copper fungicide now can stop or reduce three of the six diseases that attack peach and plum trees in Texas.

These are peach leaf curl, bacterial leaf spot and bacterial canker.

Puckered and distorted peach tree leaves that were either bright red or light green in diseased areas last spring were due to peach leaf curl fungus. The only time to effectively control this disease is in the fall with a copper-containing fungicide such as Kocide 101 or Kocide 404.

Timing of the fall spray is critical for effective control and for avoiding three damage.

Copper is a metal and may cause severe defoliation unless applied correctly.

He advises spraying when 70 percent of the leaves fall off the tree. Spraying too early will cause leaf shed or cause

the spray to be ineffective later.

Bacterial leaf spot and bacterial canker can be partially controlled by fall spraying with a copper fungicide. But again it's important to spray at the right time to prevent foliage burn.

Bacterial leaf spot affects both fruit and foliage. The infection causes fruit to crack and leaves develop angular spots which drop out. Bacterial canker will kill trees slowly. Infected trees will have gum or wax forming on the trunk and main limbs.

Fall spraying is important to the health and production of fruit trees, because there's no other time when 50 percent of peach and plum tree diseases can be controlled with one spray.

Every Day is a Day of Thanksgiving..

Even as we join family and friends in the traditional holiday feast, we should remember that this day has been set aside for us to do officially the very thing we should be doing every day of our lives: thanking God for our blessings. We have so many, regardless of our own situation, that we cannot begin to count them all; not only the tangible things we can see all around us, but also the invisible blessings, such as the misfortunes we have been spared. Go to your Church on Thanksgiving Day and every Sunday and give your thanks to God for all of them. The Pilgrims were grateful for so little; and you have so much.

Members Of First United Methodist Church Of Rotan To Present Annual Live Nativity Pageant, December 18th

The members of the First United Methodist Church will present their annual Live Nativity Pageant, as their gift to the community, on Wednesday night, December 18th at 8:00 p.m., according to Rev. Terry Lowe, Pastor.

This presentation has been an annual event for the past 9 years, beginning as a live nativity scene in the church yard when people drove by in automobiles to view the symbol of Christ's birth.

Desiring to make the gift even more special, the church members several years ago, made changes, adding narration and music and enlarging the presentation.

All casting for the 1985

version of the Live Nativity scene have been made. A larger selection of live animals will be used this year and new scenes added.

The Children's Choir will open the 1985 program. The dramatization will be staged across the street east of the Methodist Church.

The street area will be blocked and seating will be provided in the church yard.

Following the "once only performance" the members of the First Methodist Methodist Church have issued an invitation to all in attendance to join them for refreshments.

Rev. Terry Lowe and the entire congregation of the First United Methodist Church extend to you an invitation to plan to attend.

Everyone is urged to bring family members, friends and accept this holiday gift from the Methodist Church.

Every state in the union has passed laws for the safety of children riding in cars; most require seats or restraints designed especially for youngsters.

Unfortunately, many of the seats currently in use have been improperly installed: they're not doing the job they should. Some are not being used according to instructions.

Unless the instructions specify otherwise, seats for infants should be installed facing backward. Place them away from the side of the car, which may be pushed in during an accident.

Tether-type seats must be anchored properly in order to be effective. Many new cars come with a hole pre-drilled for bolting the tether to the rear package shelf.

Be sure that the child's seat is secured with the seat belt, or the restraint won't be effective. Follow manufacturer's instructions carefully.

Your auto safety is our concern. See us for all your auto insurance at:

Hustling Around Hobbs

By Joy Walker

Well, we are still not having very good cotton stripping weather, had one or two days when the sun came out and the gins began to get busy, but these past two days, its been so damp, and we sure need some sunshine to dry out the cotton. Some folks report getting a pretty good freeze Wednesday night, but the cotton out this way looks like its just been nipped a little, and its still going to have to come a hard freeze to kill all these leaves.

Bro. Bill Fee from Sylvester brought our message at church on Sunday; we were pleased to have him and his wife and three boys with us.

Don Phillips from Grand Falls spent Saturday night with his grandmother, Mrs. Opal Phillips.

Tricia and Corey Cave from Merkel, also a friend, Paula, spent the weekend before last visiting with the Dale Caves. Doshia

went to Abilene on Thursday and visited with Mr. and Mrs. Jerry Stephenson and Debbie, and she spent the night and Friday with them; they did some Christmas shopping. Wes Hardin from Sweetwater and Wayne Tankersley from Rotan came by and ate breakfast with Mrs. Bea Hardin on Friday. Mr. and Mrs. Kenneth Hardin and Kimmia all ate

lunch with Bea on Sunday. Mr. and Mrs. Tracy Knipe from Snyder, Mr. and Mrs. Jim Ratliff and Trese from Abilene, Tereasa Ratliff from Snyder and Jay Stroup from Colorado City had Thanksgiving dinner with the James Ratliff's on Sunday. Also there were Mr. and Mrs. Phillip Smith, Kathy Price and Jason and Lewis Cheek from Rotan, so they

had a big crowd and had their Thanksgiving early. Jim and I received word Monday night that Orvel Hillis, Jim's brother-in-law had passed away. He was in the V.A. Hospital, Big Spring and had been there for many, many months. His wife, Iva, lives in Sweetwater, and is Jim's youngest sister, and she isn't in the best of health either. We went to

Sweetwater and spent the day Tuesday and visited with all the families, but came home early. Watched the basketball games that night between Rotan and Weinert girls, and the Baird boys and Rotan boys. Wednesday we all were at Sweetwater again for the funeral, spending all day over there. Friday we were at Rotan again to watch the Snyder Junior

ben, to watch the Rotan J.V. girls and Varsity girls

News From South Fisher County

By Bertha Warren

Hello from down south.

We think of rattlesnakes, this time of year being denned up--no so! Eugena Rogers let her small dog out the door a few days ago and it was bitten on the nose and died. Harvie Davis killed one in his yard and we have killed two on the road, so guess they are taking advantage of the warm days.

I have had several calls on the Octoberfest story of Harvie and Cleo Davis, wanting to know more about it. You may call Harvie at 776-2771 or contact Alice Ballenger or write to, "Texas 4-H Center", Rt. 1 Box 527, Brownwood, Tx., 76801. They will have a Spring-fest in April or May.

Ollie Ogden attended the Senior Citizens Rummage, Bake and Chili Sale, Saturday, at Rotan and reported it was quite a success. The proceeds will go towards the van. Ollie has been kind of under the weather

the last few days and so has her grandson, Marty Warren, both are feeling better now and Marty has gone back to work.

Erna Lee Hartgraves hosted the quilting on Thursday. Those attending were Eugena Rogers, Helen Thornburg, May Rogers, Agnes Bunn, Wanda Justiss, Vivian Peacock, Norma Toland, Triva Neeper, Lucy Viner and Lydia Henry. The next quilting will be hosted by May Rogers.

Helen Thornburg visited her mother Sally Hobby at Roscoe on Friday. Wanda Justiss and family went fishing at the Stamford Lake and reported having a very good time.

I talked to Richard and Janice Ratliff of Monahans and their youngest little girl, Ashley, had been sick with an ear infection, but she was feeling better.

I have tasted a lot of different recipes for chow chow this week as every-

one is making it up now. They have all been good.

This week, take just few minutes to reflect and think of all the things we have to be thankful for. You will be surprised at the number of things you'll come up with.

Those going out of town, buckle up, watch your driving, and the other fellow's, and return home safely.

Call and let us know what's going on in your world.

Roby Garden Club To Hold Meeting

The Roby Garden Club will meet Thursday, December 12th at the Mid-West Electric Company.

It is the club's annual Christmas luncheon and everyone is urged to attend.

Wheat is making good growth in many fields but nitrogen deficiency continues to be a problem in some fields. The cooler temperatures will slow greenbug reproduction but it will also limit or eliminate most of the different beneficials that help control greenbugs.

Greenbugs in numbers of 1 to 50 per foot of row can be found in most fields in Fisher County. However, populations ranged up to 450 greenbugs per foot in one heavily infested field. In most of that field there were less than 200 greenbugs per foot. In the most heavily infested parts of the field the greenbugs were killing the 4 inch tall wheat. Beneficials, lady beetles and parasitic wasps were active and were reducing the population. It appeared that the beneficials were bringing the greenbugs under control but the cooler temperatures we are now experiencing will reduce beneficial activity. Control measures may be needed

in this field if greenbug numbers begin to increase.

Producers should check their fields for greenbugs. Populations of 10 to 15 greenbugs per foot are present in one field of seedling wheat. On infested plants there was a winged greenbug and up to five young. The winged females moved into the field as the wheat came up. If this populations continues to increase, control measures will be needed. On young wheat 25 greenbugs or more per row foot can cause excessive damage.

Oat bird-cherry aphids and corn leaf aphids are present in wheat fields in numbers of less than 5 per foot of row. With cooler temperatures the corn leaf aphids should disappear.

Lacewing adults were present in some fields, especially where there was older wheat that provided protection. Cold temperatures will destroy lacewing populations. No lacewing larvae were observed.

Syrphid fly larvae were found in some fields, but cold temperatures will also eliminate them.

A wheat insect newsletter will be available to those of you that are interested in receiving it. The newsletter will be written twice monthly unless we are

seeing heavy insect populations and in that case, there will be an additional newsletter.

In order to get your name on the mailing list, please call or come by the office. Paula Verdon, Fisher County Courthouse, Roby, Texas, 79543, Phone: 776-

2706.

Rotan Nursing Center News

We had a good Thanksgiving dinner Sunday. The families and staff can do a good job of fixing up good food. We also enjoy having the families and friends here to share a Thanksgiving meal in our home with the residents.

Some of the residents are planning to go out to be with their families in their homes for Thanksgiving so they will have two big Thanksgiving meals.

We would like to thank James Carter for the time he spends here each Sunday morning. The residents enjoy him coming.

We would also like to thank the Calvary Baptist for our service Sunday afternoon.

Visitors in the home last week were Dorothy Bonner and her sister to see Roy Bonner; Naomi Thompson of Abilene to see Vineta Goodman; Rosie, Claud, and Jeffrey Scifers of Abilene; Dorothy and Curtis Scifers of Hamlin visited Nancy Bagwell. Ruth and John Hamilton of Lubbock visited G.W. Finch; Cheryl Scifers of Abilene also visited Nancy Bagwell.

Center Extension Homemakers Meet

With fall in the air, and Thanksgiving next week, Center Extension Homemakers took advantage of the beautiful day to meet at the Annex in Roby for their annual Thanksgiving Luncheon and Auction Sale.

The table was centered with a fall arrangement with a fall motif being carried out in plates and napkins. The table was laden with chicken and dressing and all the trimmings, plus new and different salads and desserts. Audie Burk voiced the prayer of Thanksgiving. Three tables were arranged for members and guests as the meal was served buffet style.

At one o'clock, a short business meeting was held, then the program was turned over to Elizabeth Billingsley and Bea
