

SANTA COMES TO WELLINGTON

Never did Santa Claus make so grand an entry as he did Wednesday, Dec. 6, when Wellington offered him special transportation in this stage coach, pulled by two Shetland ponies. Here he prepares to greet the hundreds of children who flocked downtown to see him Wednesday afternoon. His pack of goodies, which were distributed, are on top of the coach. Driving Santa were the owners of the stagecoach and ponies, Ernest

Harwell in front and Jake Leach. This was their special treat for the children of Wellington, for they received the stage coach only last week and it was kept well hidden until it joined the Santa Clause parade to come onto the court house square Wednesday. Accompanying Santa to town was the Wellington High School Band, wearing his own colors of red and white.

Cotton Quota Referendum Set for Dec. 12

Dec. 12 has been set by the Secretary of Agriculture as the date for holding the national cotton marketing quota referendum for the 1962 cotton crop, according to Willard Brown of the county ASC office.

Farmers eligible to vote in the referendum will be those who were engaged in the producing of cotton in 1961. At least two-thirds of those voting must approve the quotas if they are to continue in effect.

If marketing quotas are approved in the Dec. 12 referendum, marketing quota penalties will apply to "excess" cotton, and price support will

Insect Control Meeting Set for Dec. 12

Speakers at the meeting on insects and disease control of plants, shrubbery and field crops will be Bill Cannedy, of Altus, district salesman, and Jim Simmonds of Plainview, sales representative of a chemical company.

This meeting will be held Tuesday, Dec. 12, at 1:30 p. m. in the community building, Miss Kathryn Potter, county home demonstration agent, announced. It is sponsored as a part of the county Extension Service program building committee recommendations.

The program will be in the form of films, lectures and discussions. The last half of the program will be devoted to field crops.

The public is invited to attend, Miss Potter said.

County Men Take Physicals

One Wellington man was forwarded for induction in the Armed Forces last week and eight men registered with the Draft Board from this county went for pre-induction physical examinations at Amarillo.

Going for induction was Jack Eldridge Thompson.

Reporting for physicals were Bill D. Wheeler, Ray Thomas, Dennis Ray Harris, Danny Miles Garven, Joe Dean Sasser and Dr. Jasper D. Peoples, registered from Wellington; Jimmy Carroll Howell of Dodson; and William Henry Riley of Samnorwood.

Dr. Peoples is a dentist in Borger. His parents are Mr. and Mrs. Denzil Peoples of Dallas, and the family formerly lived here.

John Dwyer, vocational agriculture teacher, is the team coach. Placing first in this contest was the Garland chapter conducting team. Bynum placed third and Winters fourth.

Police Chief Troy Marsh arrested two 14-year-old youths from Westview Boys Home about 4 a. m. Friday, Dec. 1, as they drove around the northwest part of town in a 1951 Chevrolet they had taken from Glen Elliott, farmer living in the edge of Oklahoma.

Chief Marsh said the youngsters told him they ran away from Westview about 10 p. m. Thursday night and pedaled their bicycle 15 miles. They abandoned it and pushed the Elliott car out of the garage and onto the road.

Harmon County Sheriff Pe'e Cunningham was notified and picked the boys up Friday, after they had spent several hours in city jail. Elliott's car was recovered before he was aware it was stolen, officers were told.

Early this week, local officers were notified the two boys had run away from Westview again, accompanied by a third youth.

Wednesday night, Police Chief Marsh spotted a stolen 1961 Chevrolet half-ton pickup near the FW&D depot within a few minutes after it was re-

Christmas Cantata Will Be Presented Sunday

The choir of First Methodist Church will present its traditional Christmas cantata Sunday evening, Dec. 10, usher-

ing in the season in which the churches of the city stress the religious meaning of Christmas.

This year's Cantata is "Love Transcending" by John W. Peterson. It will be presented at 7:30 p. m. in the sanctuary of First Methodist Church.

Preceding the cantata and beginning at 7 p. m. will be an organ and piano prelude of Christmas music. Miss Elaine Crawley will be the organist and Miss Andrea Carter the pianist, according to John Lanman, cantata director.

Paul Spillman will be the narrator for the cantata, telling from the four Gospels the story of the First Christmas. Miss Vicki Glenn will be the organist and Mrs. Jack Davis the pianist.

Members of the choir will enter the church in a candle light procession, singing "Silent Night," followed by "O Come All Ye Faithful."

The Rev. Davis Edens will give the invocation.

In addition to the numbers by the choir, special numbers will be presented by Gene Nelson, singing "In the Beginning"; Mrs. Orville Vaughan, and L. B. Bratten, "He Shall Be Great"; Mrs. Jack Kopp, "The Birthday of the King"; Mrs. Davis Edens, "Fear Not, for Behold I Bring You Good Tidings"; Morris Sullivan, "O Holy Night"; and Mr. Lanman, "Seek Ye the Lord."

The entire public is invited to attend.

Choir members include Mmes. Edens, S. B. Owen, Raymond Ford, E. F. Bartlett, Hiram Cudd, Gorman Owens, John Lanman, Ruth Aaron, Robert Lewis, Cliff Campbell, Lawrence Warrick, Sam Thompson, John Holton, Orville Vaughan, James Sullivan, J. F. Michael, Lynn Carter, Kopp, Patsy Bowden, Wayne Cudd,

Misses Sue Saunders, Karen Richardson, Joyce Holton, Susan Sullivan, Frances Hill, Jan Lindsey, Beverly Singley, Barbara Dobbs, Andrea Carter, Mary Graham, and Aleta Owens, and

Messrs. J. B. Stevenson, Walter Franks, R. R. Crawley, Bratten, Jack Kopp, Nelson, Orville Vaughan, and Sullivan.

Gus Burris, respected member of Wellington's Negro community, died suddenly at his home Wednesday, Nov. 29. He had been in ill health two years.

Burris was 58 and had lived here 17 years, coming from Idabel, Okla., where he was born. He was employed for a number of years at the Tradex Compress here.

Burris made his home with a brother and sister-in-law, Mr. and Mrs. Nathan Burris. His mother and several other brothers and sisters survive.

Cheri Caldwell Breaks Leg

Cheri Caldwell, 11-year-old daughter of Mr. and Mrs. Charles Caldwell of Hollis, formerly of Wellington, received a broken right leg Friday, Dec. 1, when she fell while playing on the school ground, striking the curb.

She is the granddaughter of Mr. and Mrs. Charley Caldwell.

Both bones of her leg were broken about half way between her knee and ankle, her grandfather said. She was hospitalized at Hollis until Monday.

Shetland Breeders to Give Christmas Pony

A beautiful silver dapple Shetland pony will be the Christmas gift of some Collingsworth county child.

Jake Leach and Ernest Harwell, breeders of Shetland ponies, announced this week they are giving away this 6-months old pony at the final trades day Christmas drawing Friday December 22.

This is a gracious gesture on the part of these two Wellington men who have been friends of so many of the county's children through the years.

The pony will be given away in a drawing that will be separate from the regular trades day drawing, but held at the same time.

Children will register their names at The Wellington Leader office, or the Chamber of Commerce office, for the pony drawing, and they may come by at any time Monday through Friday or Saturday morning until the time of the drawing.

Leach and Harwell set up these eligibility regulations:

1. Children registering must be between the ages of 3 and 11 years.
2. They must be permanent residents of Collingsworth county or the Loco or Arlie areas.
3. In registering, each child is to give his name, age and address.
4. The winner must be present at the drawing in order to receive the pony.
5. Each child may register only one time.

A. J. Fike, 66, Retired City Employee, Dies

A. J. Fike, retired farmer and city employee, died in St. Joseph's Hospital at 7:30 p. m. Friday, Dec. 1, following an illness of about two weeks. He had entered the hospital only that day, however.

Mr. Fike was 66 years of age.

He came here with his family 43 years ago and farmed for many years in the Lillie and Salt Fork communities. Later he was employed for a long period by the City of Wellington.

Funeral services were conducted at the Assembly of God Sunday at 2:30 p. m. by the Rev. Alvin Stewart, pastor, and the Rev. C. V. Davis of Amarillo. Burial was in the Quail cemetery under the direction of Kelson Funeral Home.

Pall bearers were Raymond Terry, Bura Handley, Thomas Jesse, Muri Phipps, C. O. Wilkerson and Bill Fincher.

21 Teams Entered

Norwood Basketball Tourney Slated for December 14-16

Samnorwood schools will be host to the annual basketball tournament Thursday through Saturday, Dec. 14, 15 and 16, Orville Cunningham, superintendent, has announced.

Preliminary plans for the event were laid at a breakfast given by the Samnorwood board and high schools for superintendents and coaches of the 21 participating teams.

Eleven boys teams and ten girls teams will be entered, Cunningham said. Handsome trophies will be given first and second place and consolation winners in both boys and girls divisions. There will be a sportsmanship trophy in each division also.

Playing will start at 8:30 a. m. Thursday, when the McLean and Samnorwood girls meet. The first bracket play will be completed that day, with these games scheduled:

9:45 a. m.—Clarendon vs Dod-

son boys.

11 a. m.—Wellington vs Mo-beetie girls.

12:45 p. m.—Samnorwood vs. Kelton boys.

2 p. m.—Shamrock vs Hed-

ley girls.

3:15 p. m.—Quail vs. Hedley

boys.

4:30 p. m.—Wellington vs. Mo-beetie boys.

7 p. m.—Quail vs. Arnett girls.

8:15 p. m.—Kelton vs. Clarendon girls.

During Week

Car Thefts Other Crime Hits County

A series of felony crimes, headed by car theft, kept all local law enforcement officers on around-the-clock active duty during the past week—the second week of a crime outbreak they feared would follow a relatively quiet cotton harvest.

During the week they handled four stolen car cases, two burglaries, a theft and other less serious crimes.

In the most daring car theft to occur here in recent years, the 1960 Ford Fordor belonging to R. T. Savage was taken from the Post Office parking lot at noon Thursday, Nov. 20 while Savage, Rural Route No. 1 carrier, had stepped inside to change mail pouches.

The car was abandoned on an Oklahoma City residential street and Sunday night, Mrs.

Sylvia Bayless, in front of whose home it was left, telephoned Mr. and Mrs. Savage. She reported the car had been there two days and when it was not picked up she looked inside, found papers bearing their name and made the call.

The driver has not been found.

An all-points report was broadcast by Sheriff John Rainey within minutes after the car was missing.

A description of the youthful driver was furnished by Robert Owens and Carl Daves of Steve's Truck Stop at Lucky Corner, after he bought one gallon of gas there.

He was refused gasoline at the Francis Station north of Hollis when he tried to pay for it with a check and his next stop was in Hollis, where he bought a tank of gas and drove off without paying for it. He left that town without being apprehended.

Other Cars

Police Chief Troy Marsh arrested two 14-year-old youths from Westview Boys Home about 4 a. m. Friday, Dec. 1, as they drove around the northwest part of town in a 1951 Chevrolet they had taken from Glen Elliott, farmer living in the edge of Oklahoma.

Chief Marsh said the youngsters told him they ran away from Westview about 10 p. m. Thursday night and pedaled their bicycle 15 miles. They abandoned it and pushed the Elliott car out of the garage and onto the road.

Harmon County Sheriff Pe'e Cunningham was notified and picked the boys up Friday, after they had spent several hours in city jail. Elliott's car was recovered before he was aware it was stolen, officers were told.

Early this week, local officers were notified the two boys had run away from Westview again, accompanied by a third youth.

Concert Saturday

Two Chosen for HS All Region Band

Two members of the Wellington high school band won places on the All-Region Band which will be presented in a concert at Borger high school auditorium Saturday, Dec. 9 at 8 p. m.

Harold Pigg won the third chair in the cornet section, competing with 47 boys and girls from over the Panhandle, Tubal Cain, band director, said.

Jennifer Singley, who plays the French horn, won eighth chair of that section, out of 16 trying out.

These two will go to Borger Friday and Saturday to practice with other Panhandle students in preparation for the Saturday concert.

The All-Region Band is sponsored by Borger to give recognition to outstanding

Fireworks Burglary Solved

Burglaries, Thefts Keep Officers Busy

Two Latin American youths were apprehended by officers Wednesday, Nov. 29, and admitted the burglary of James Holley's fireworks store on the preceding night, Sheriff John Rainey reported.

The Dixie Maid, operated by Mr. and Mrs. Doc Turner at Lucky Corner was burglarized the following night, Rainey said.

The Mexican youths, one 16 and the other 13, admitted breaking into Holley's store and taking fireworks valued at about \$77 and \$9.13 in cash.

The merchandise, which included such fireworks as flying discs, missiles, twisters, black cats and others were recovered from the attic of a vacant house on the Jerry Nix farm northeast of Wellington, Sheriff Rainey said.

The two boys appeared in Juvenile Court and received sentences to the Boys Training

School at Gatesville, the sheriff added.

The burglary of the Dixie Maid was discovered by Alton Wilkins, who saw the back door open and notified the owners, Rainey said.

Approximately \$50 to \$60 in cash and an undetermined amount of cigarettes and candy was taken, he added.

The burglars knocked the lock off the back door, officers reported.

Three Negroes were returned from Idabel, Okla., by Deputy Sheriff Kenneth Hodge to face charges of theft. The men allegedly took a .22 rifle, tire, wheel and clothing from the pickup of a friend, Green Johnson, according to Sheriff Rainey. The men were pulling cotton near Quail when the theft allegedly took place.

The three were identified by the sheriff's department as Luther Scott, James Otis Scott

Soviet Pressure Manuever Against Scandinavian Nations Is Failure

The reasons for Soviet Premier Nikita Khrushchev's sudden decision to relax pressure on Finland are as obscure as his reasons for turning on the pressure in the first place.

Being a complex man, Khrushchev probably had a number of reasons and motives for both actions. Some of them could have been related to the internal politics of Finland. Certainly one effect of the announced decision to respect Finland's neutrality, after dramatically summoning President Kekkonen to Siberia for a conference, will be to make Kekkonen, with whom Khrushchev long has had good personal relations, something of a hero to the Finnish people. Efforts to give Kekkonen a new six-year term undoubtedly will be strengthened.

From the beginning, the episode had all the earmarks of a "put-up" job. The reason given for demanding military consultations—a fear that West Germany was going to start a war and that Scandinavia would become a battlefield—was so far-fetched that no one could take it seriously. Khrushchev's professed concern about this side-door entrance to Russia made sense only if he planned to push the Berlin crisis to the very brink of war. The demands on Finland may have been timed with the idea of creating exactly that impression. Similarly, his decision not to press demands on Finland could be interpreted as evidence that he wants to ease the Berlin crisis to facilitate negotiations with the West.

The manuever fitted nicely with Khrushchev's campaign of terror and intimidation, of which the Soviet nuclear bomb tests in the nearby Arctic were a part. The Soviet threat clearly was directed not only at Finland but at all the other Scandinavian countries, including neutral Sweden and the two members of the North Atlantic Treaty Organization, Norway and Denmark. To whatever extent they could be intimidated, the Western alliance would be weakened. The intimidation effect, which actually could have been a probing operation in search of a weak spot in the armor of the West, fizzled completely. The Scandinavian countries not only refused to be frightened but dared to talk back. No weak spot was discovered.

This much is clear: Khrushchev has failed to achieve anything he may have hoped to accomplish internationally; although he may have had somewhat more success in influencing internal Finnish politics. It would be foolish to assume, however, that Khrushchev has abandoned for a moment his hope of one day making the Baltic a Russian lake.

CROSSROADS REPORT

Dear Editor:

I see where we are experimenting in the Dominican area to see if warships and Marines can incite peace faster and cheaper than free money and forbearance.

My licking-sick neighbor says if it works pretty good on the right-wing type of fever, maybe the same medicine would be useful on some of our Communist sore spots.

Says, though, he reckons it is shrewd government to get real tough only with Trujillos, taxpayers, and other elements not having many friends in Washington.

My expert worrier neighbor says during a coffee conference here the other day that he is beginning to think government is plumb rancid with conflict of interest.

Says it looks like nearly every play the Potomac quarterbacks call is aimed at producing maximum worry fallout over the country.

Says the law of averages rules out this happening merely by accident of ineptfulness, so it must be that most of our officials own stock in aspirin factories.

I see where Army brass wouldn't rent a National Guard armory to the citizens of a community wishing to hold a barbecue.

Seems this was on the grounds that somebody might mention politics at this shindig and the Army is very skittish of letting any of its property, such as generals or armories, get exposed to politics.

My yellow-striped neighbor says he don't blame them, on account of to hold their own in politics, soldiers would need a lot of extra training in dirty fighting.

I note here lately many public officials and their pep squads are busy criticizing people who are so uncooperative as to criticize said public officials.

And my fault-flushing neighbor says things get real complicated when somebody commences to criticize the critics who criticize the critics.

Says in his long and gumpitious life he has been criticized by some experts himself, but it never got under his hide much unless the critic was right.

I see where the U.S. is reported as aiming to sell Yugoslavia some more wheat, most likely on our regular Extra Special Easy Terms to Enemies.

This is a deal which, when they pay for the wheat, we

turn around and give the money back to them, as a bonus for being smarter than we are; which intellectual act is called a "grant."

My grant-sick neighbor says this strongly supports the argument that our country's future depends on a crash program to treat the mentally retarded.

Financial report shows that numerous members of the United Nations are away behind in their dues, but they are still voting and talking big.

My gall-expert neighbor says chambers of commerce and other organizations often have the same trouble, but they haven't found out how to collect from free-loading members either.

Says organizations with this problem might get some pointers from the Internal Revenue, as these boys can find ability-to-pay in a man that he didn't know he had.

Rockets-Rockettes

Cage Teams Work to Improve Weak Points

An appraisal of the boys and girls who make up this year's Rocket and Rockette basketball teams came this week from Coach James Stavenhagen, as he outlined their experience, strong and weak points.

Right now, the Rockets are working on their fouling, along with efforts to improve their aim at the basket.

"The boys haven't been able to overcome the foulball that is still in them," Coach Stavenhagen summed it up. If the Rockets take care of these two problems, they should have one of the better ball clubs of the district.

This year's Rockettes show fair speed and considerable experience, plus a reserve of strength in some outstanding sophomore players.

Here are the boys and girls who will write Wellington's basketball record in its last year of District 5-AA play:

Rockettes

Elaine Yarbrough, Senior, 5' 9½" tall. Elaine is a two year letterman and we are counting on her to provide a good deal of leadership for this year's ball club. She has fair speed and is a good shooter.

Janice Woods, Senior, 5' 7" tall. Janice is a two year letterman on the Wellington team and is the most consistent player on the team. She rebounds well, hustles all the time and I think that she will improve as the year goes along. She is real quick and is the best all around guard that I have seen this year.

Donna Curry, Senior, 5' 8" tall. Donna is the most improved girl on the ball team. She doesn't have much speed but she makes up for this in desire and hustle. She is a real good thinker. She rebounds fairly well and I think she will be a well rounded ball player before the season is over. She is a two-year letterman.

Vicki Glenn, Junior, 5' 7" tall. Vicki is a converted forward this season. She has always played guard before but

we needed a girl that could hit from out and also be a driving threat. We feel that she is playing real good ball and will be a good forward before the season is over. Vicki is a one year letterman.

Gayla Courtney, Junior, 5' 10½" tall. Gayla hasn't lettered before but she is the most versatile player on the team. She has made real good progress and is able to swing or hook to either right or left. Her jump shot is still a little weak. She is aggressive and hustles real well.

Linda Millsap, Junior, 5' 4" tall. Linda is a one year letterman. She is a good ball handler. She needs improvement in the shooting and the speed departments. She works hard and should help the team before the year is over.

Barbara Dobbs, Junior, 5' 4" tall. Barbara is doing a real good job for us. Fundamentally Barbara is a little weak but I think this is caused by the fact that she didn't play last year. She has good speed and reactions and will play lots of ball this year.

Carol Blain, Sophomore guard, 5' 8" tall. Carol is starting for us and she is really improving. She has good speed, balance, and can jump and rebound. She is real strong for a Sophomore and handles the ball well. She improves and gets more aggressive each ball game. She will be a real asset to the team before the season ends.

Jane Orr, Sophomore, 5' 7" tall. We are alternating Jane on both the forward and guard ends and she does a good job either place. She is a better guard at the present time. Jane makes the first team girls hustle to keep their starting roles.

Ann Orr, Sophomore, 5' 6" tall. Ann is a real aggressive guard. She is still a little weak physically but really hustles and may be starting some before the season ends if she gains some strength.

Nancy Gibbs, Sophomore forward, 5' 5½" tall. Nancy has good speed but she is still

weak on ball handling and shooting. I feel that she could become a real good forward if she overcomes her weak points and I think that a little experience will help her a lot.

Francis Warrick, Sophomore forward, 5' 7" tall. Francis has shown real rustle and desire. She needs experience and to develop a little more speed to turn into a real good ball player. Her strong points are poise and shooting ability.

Donna Isaacs, Sophomore, 6" tall. Donna has a real good attitude and works hard. She isn't too aggressive but I think that a little experience will help her develop quickly.

Joyce Hannah, Sophomore guard, 5' 5" tall. Joyce has good speed and is real aggressive. She handles the ball good and hustles. She may help the ball club before the season is finished.

Skyrockets

Jackie Daves, 5' 8" Senior, guard. Jackie is a two year letterman and is the best all around boy on the team. Some of the other boys are better on some things, but overall he is the strongest. Jackie has real quick action and plenty of basketball sense. His best shot is the one handed set shot. He can drive and also shoot the short jump shot. He is the team's leading scorer.

John Barton, 5' 9", Senior guard. John is up from last year's B team and I understand he did a good job there. He has good speed and can hit the basket well. His best shot is the short jump shot. John hustles good but is still weak on defense. We hope to improve this before the season is over.

Delmer Duckworth, 5' 10", Senior forward. Delmer is a good hustler but he is handicapped by lack of speed and quickness. He is real aggressive and hits the jump shot well. He will be starting for us at times this year if he continues to improve.

Oliver Bishop, 5' 11", Senior forward. Oliver lettered on last year's ball club. He has a good shot and hits a good percentage. He does a fair job of rebounding. He lacks speed and aggressiveness. We hope that he will improve in these departments and play a lot for us this year.

Dan Henard, 6' 2", Senior center. Dan is still a little awkward but he does a real good job working on the backboards. His defense is rapidly improving. He has fairly good speed but his reflexes are slow. We are looking forward to a good year from Dan.

Jerry Rainey, 6' 1" Senior center. Jerry is co-captain of the 61-62 team. He is a real good ball handler but he has been having difficulty hitting the basket. Jerry is real strong

THE WELLINGTON (TEXAS) LEADER

and does a fair job of rebounding. He doesn't have much speed but hustles good. We are depending on him for leadership and teamwork. He will be a good boy before the season is over.

John Roark, 5' 10" Senior guard. John has good speed and hustle. He has the misfortune of playing behind a couple of real strong boys. He is weak on ball handling but other than that he does a good job on offense. His defense needs to improve and I feel that it will before the season gets much older.

Craig Bergvall, 5' 11" Junior forward. Craig is a starter most of the time and does a good job for us. He has good speed and quick reaction. He plays good defense. He needs to improve his shooting and ball handling.

Raymond Sanders, 5' 11" Junior center. Raymond is real tough on the backboards. He does a good job of getting rebounds and getting out with it. He plays good defense but fouls more than necessary. He needs to improve his shooting. I think he will be one of the more improved players before the end of the season.

Lynn McLain, 5' 10" Junior forward. Lynn is a real aggressive hustler. He plays better defense than offense. He is a real team boy. He has a good shot and needs to shoot

more. He needs to improve on ball handling and rebounding. Lynn will play a lot of ball for us this year.

Herbie Duncan, 5' 9" Junior. Herby is light but hustles good. Plays a real smart defense. He can hit the short left handed jump shot. He needs to improve his ball handling and rebounding.

Johnny Ford, 5' 9" Junior. Johnny has good shot and a good touch on the ball. He is physically weak but he hustles and is aggressive. He has shown a great deal of improvement.

Don Roark, 5' 7" Junior. Don is quick and has fairly good speed. He needs to develop his shot. He handles the ball real well.

Danny Martin, 5' 8" Sophomore. Danny is quick and fast. He handles the ball real well and plays smart defense. He needs to improve his shot.

Joe Henard, 6' 1" Sophomore center. Joe is real tough on the backboards, however he has trouble getting the ball out. He needs to work on his shot and ball handling. He plays good defense and could be a real good ball player.

Little Boy: I named my dog Fido because it is easy to spell.

Neighbor: How do you spell it, L. B.: Phydeaux.

FTA Hears Betty Moseley

The Wellington Future Teachers of America Club met on Nov. 27 in the high school library with the president, Andrea Carter in charge. Bobby Sanford led the group in the pledge of allegiance to the Flag.

Betty Moseley, a senior of Quail, who was sent to Girls State last summer by the American Legion Auxiliary spoke to the group, telling her wonderful experience. She said "I wish it was possible for every girl to go to Girls State. It gives you such a wonderful feeling and knowledge about our country and government."

Bobby Sanford gave his story about Boys State. He said: "I am so happy that the American Legion chose me to go to Boys State. This is an experience I wish every boy could have."

Sylvia McQueary and Cheryl Wilson led the group in "America, the Beautiful" and "America."

Refreshments were served by Rose Montgomery, Bonnie Farrar, Patsy McDanel and Patricia Bouchelle to the following: Judi Bailey, Judy Crawford, Ann Coleman, Herman Childress, Barbara Dobbs, Vicki Glenn, Linda Holton, Stanley Harrison, Frances Hill, LaQuinta Hollingsworth, Mary Graham, Vicki Killian, Richard Mauldin, Sylvia McQueary, Ann Orr, Peggy Shanks, Ellen Stall, Bobby Sanford, Alvina Roberts, Cheryl Wilson, Randall Scott, Frances Warrick, Jerry Thompson, Elaine Crawley and Don Roark, and the sponsors, C. A. Crawford and Mrs. John Justice.

Quail YF Hears P. T. Marion

Quail Young Farmers in a meeting Monday, Nov. 27, heard P. T. Marion, superintendent of the Spur Experiment Station, discuss ensilage feeding of livestock.

Marion stressed the use of home-grown grain in a feeding program, and told the men that this area has a definite advantage in that it can grow both the grain and raise the livestock.

The Young Farmer program for the coming year was reviewed. High points will be helping the Future Farmers with their annual project show, work on the ag building extension, and a visit to the Spur Experiment Station for a field day.

Scout Troop 31 Committee Formed

Organization of a Boy Scout troop committee to work with Troop 31 was announced this week by the Rev. Verrell Leeper, chairman.

Serving with the Rev. Mr. Leeper are Bill Bradley, secretary-treasurer; Vernon Rudy, property committeeman, and Jimmy Milner, outdoors committeeman.

The committee held its first meeting Tuesday, Nov. 28.

The group will work with the Scoutmaster, Glenn McLain, the American Legion, which is the sponsoring organization, and with the public to keep the parents and others informed and interested in the Scouting program.

Honor Society Sees Films of Hawaii

The Wellington Junior Honor Society met Nov. 17 at the home of Larry Henard.

Don Sweat, president, was in charge, and new members said the Greek alphabet as their initiation.

Dan Henard gave the program, showing films of Hawaii made when he, his mother and brothers visited here last summer.

Mrs. Henard provided refreshments for the group.

Singers to Meet on December 10

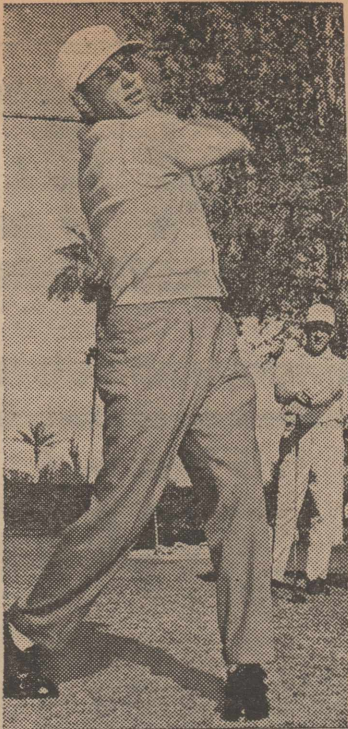

Regular Second Sunday singing will be held at the Trinity Methodist Church on Sunday, Dec. 10 according to Mrs. George Brewer, reporter.

A good crowd is expected with a number of out of town singers, Mrs. Brewer said, and everyone who enjoys good singing is invited to attend.

Mrs. Karl Hall of Dallas visited last week and part of this week with her aunt, Mrs. Velma Neese, who was ill.

Mr. and Mrs. J. R. Yell of Dumas visited the latter part of the week in the homes of her sister and brother, Mr. and Mrs. M. L. James and Mr. and Mrs. Frank Fourmentin.

Club Hears of Middle East

Domestic Science Club met Thursday, Nov. 30 in the home of Mrs. Clyde Drake for regular meeting.

During the business meeting the group discussed sending a box of appropriate Christmas gifts to the State Hospital at Wichita Falls.

Mrs. W. R. Orr had charge of the program and told them of the group of archeologists who recently explored the bottom of the sea at Caesarea, a small town on the Mediterranean coast near Jerusalem.

This is one of the older towns, being founded by Herod the Great about 10 B.C., and many valuable historical things have been recovered from the sea near the town, Mrs. Orr said.

The exploration group was headed by Edward Link and is the second such group to explore the bottom of the sea near this point.

Refreshments were served to Mmes. W. R. Orr, Deskins Wells, Kenneth Grunewald, Johnny Crawford, Ted Raines, Jerry Nix, Fred Said, Bob Chance and the hostess, Mrs. Drake.

Week end guests in the home of Mr. and Mrs. Jimmie Walker were her mother, Mrs. C. N. Strawbridge, her son, Charlie Strawbridge, and Mrs. W. W. Strawbridge, all of Briscoe, and a sister, Mr. and Mrs. D. D. Lawrence of Mobeetie. They all returned home Sunday except Mrs. C. N. Strawbridge who remained here for a longer visit with her daughter.

Who's New in the Wellington Area

Mr. and Mrs. D. R. Holliman are the parents of a girl, Niki Ann, born Nov. 27 in St. Joseph's Hospital. She weighed 6 pounds and 13 ounces.

Alfred K. is the name Mr. and Mrs. Earl Patterson chose for their new son, born Nov. 28 in St. Joseph's Hospital. He weighed 7 pounds and 10 ounces.

Mr. and Mrs. E. H. Kirkland, Shamrock are the parents of a son, E. H. Jr., born Nov. 28 in St. Joseph's Hospital. He weighed 7 pounds and 14 ounces.

Mr. and Mrs. Robert Powell have a new son, Robert, Jr. born Dec. 4 in St. Joseph's Hospital. He weighed 9 pounds and 2 ounces.

Mr. and Mrs. Edward L. Hill of Amarillo are the parents of a son, Gregory Harold, born November 30 in that city. He weighed seven pounds and eleven ounces. The maternal grandparents are Mr. and Mrs. Harold Watkins, and the maternal great grandparents are Mrs. Fred Watkins and Gene Lewis.

Love-Fain Rites Said at Pampa

A wedding of interest here was that of Miss Linda Gail Fain and Lynn A. Love, which was solemnized at the First Baptist Church in Pampa Saturday, Nov. 25 at seven thirty in the evening.

The bride is the daughter of Mr. and Mrs. Leon Fain of Pampa, while the bridegroom's parents are Mr. and Mrs. Arthur Love of Pampa, formerly of Wellington. He is the grandson of Mrs. Ray Love of Wellington.

Dr. E. Douglas Carver performed the single ring ceremony.

Given in marriage by her father, the bride wore a floor-length gown of imported peau de soie, fashioned with a rounded neckline and long sleeves which tapered to points over her wrists. The full skirt was accented with tucks, and back interest was formed with a chapel train sweeping from the yoke of the dress. Her elbow-length veil fell from an Empress pearl tiara and she carried a bouquet of an orchid and stephanotis.

Miss Martha Marsh was maid of honor, and the bridesmaids were Mrs. Richard Pitts, Mrs. Sandra Blackwell, and Mrs. David Dillon. They wore blue chiffon dresses over taffeta and carried bouquets of white carnations.

Gene Green was best man and groomsmen were Allen Self, Lynn Don Garner and David Marlar. Donovan Bounds and Michael Breedlove of Wellington were ushers.

Flower girls were Candy and Margaret Hinkle, while candles were lighted by Debbie Allen and Ronnie Love, brother of the bridegroom.

A reception followed the ceremony. Mrs. Love, who was graduated from Pampa high school, and attended North Texas State College, is employed by the Cabot Company. Mr. Love, also graduated from Pampa high school, attended Frank Phillips College at Borger and is associated with Buddy's Super Market in Pampa, where the couple will live.

OCW Group Has Reunion

VINSON. — A reunion was enjoyed recently by former classmates of Oklahoma College for Women, Chickasha.

Meeting in Hollis for luncheon were Nell Vaughan Davenport of Oklahoma City; Peggy Burt Curb of Amarillo; Jan Myers Brown of McAllen; Jo Ann Machen Dickens and Gaye Kromer Seddon of Hollis.

Visiting recently in the home of Mr. and Mrs. J. B. Clark were their two daughters and families, Dr. and Mrs. John Coy and children of Las Cruces, N.M., and Mr. and Mrs. Charles E. King and six children of Lubbock.

Here during the week end for the quail hunting and to visit their parents were Mr. and Mrs. Leroy Brown and family, and Mr. and Mrs. Dale Johnson and family. They were guests of Mrs. Geneva Brown of Lillie and Mr. and Mrs. Robert Johnson of Quail.

Mrs. Warrick Club Hostess

Mrs. Velma Warrick was hostess to members of the 1924 Study Club on Thursday afternoon, Nov. 30.

The president, Mrs. Mack Bush, opened the meeting and Mrs. Henry Vaughan read the minutes and gave the treasurer's report. The members voted to send Christmas gifts to the Wichita Falls State Hospital and to the Veterans Hospital in Amarillo.

Mrs. L. E. Gribble and Mrs. R. C. Patrick were taken into the club. Mrs. Eddie Slay was chosen as a substitute member.

The program was "A-O-K, America." Roll call was answered by one of the following subjects, "A phase of U. S. Foreign Policy," SEATO, CENTO, NATO, Savings Bond Anniversary or Human Rights Day.

Mrs. R. R. Crawley introduced the guest speaker, Mrs. John Coleman, 18th District president of the Veterans Auxiliary, who spoke on "Dimensions of Democracy."

Mrs. Coleman introduced Miss Betty Moseley of Quail, who gave a report on her trip to Austin to Girls State meeting.

Members sang "The Star Spangled Banner," and Mrs. A. L. Elliott closed the meeting by reading the club collect.

The next meeting will be the Christmas party. There will be a display of unusual Bibles and a Christmas roll call.

A dessert course was served to Mmes. J. L. Burt, R. R. Crawley, A. L. Elliott, Chester Fires, Eddie Slay, Verrell Leeper, Gene Nelson, B. M. Sims, John Coleman, Henry Vaughan, Misses Sara Jones, and Hattie D. Wells.

Quail WMU has Week of Prayer

The Quail Baptist WMU observed the Week of Prayer for Foreign Missions with services each day from Monday, Nov. 27 through Friday, Dec. 1.

The theme for the week was "Good Tidings—to All People." Climaxing the week were the services Sunday, when the guest speaker was Nora Howe, a native of Hong Kong, China, who is attending Wayland College, Plainview.

The meeting Monday, Nov. 27, was in the home of Mrs. Roy Pegram, when the topic was "Tidings of Great Joy."

Tuesday, Mrs. E. T. Vaughan was hostess, and the study topic was "Tidings of Peace." "Tidings to All People" was the topic Wednesday when Mrs. Grover Pettitt was hostess.

Thursday the group met in the home of Mrs. Lloyd Jones for the study, "Tidings of Redemption."

Mrs. Robinson was hostess Friday, when the study was "They That Publish the Tidings."

Shower Honors Mrs. Patterson

A pink and blue shower on Friday, Nov. 24 honored Mrs. Earl Patterson, with Mrs. L. M. Bartlett as hostess.

Gifts were presented to the honoree and refreshments served to Mmes. Raymond Ward, C. L. Watts, Jessie Hernandez, John H. Ward, A. C. Patterson, P. J. White, J. C. Hartman, Sr., J. C. Hartman, Jr., Donald L. Nunneley, Richard Fourmontin, Roy Canada, Virgil Patterson, also Miss Rita Patterson, and Pat White and Pam Patterson.

Missionary Council Has Holiday Party

The Women's Missionary Council of the Assembly of God Church held their annual Christmas party Tuesday evening, Nov. 21 in the home of Mrs. J. G. Gardner, president of the group.

The entertaining room was decorated with a manger scene, colored lights and tree, and seasonal flowers.

Mrs. Stewart gave the opening prayer, Mrs. Roberson gave a reading, followed by group singing of Christmas carols. Mrs. C. E. Escoe read the Christmas story from the Bible. Closing prayer was by Mrs. Gardner.

Names of secret pals were revealed and gifts were distributed from the tree, after which names were drawn for the coming year.

Refreshments were served to Mmes. C. O. Wilkerson, T. L. Jesse, Frank Moore, G. W. Crossland, P. A. Crone, A. D. Stewart, C. E. Escoe, Ethel Atkinson, Rosalie Roberson, Ruby Havron, Claudie Tye, Ina Tatum, Lewis Tingle, S. E. Branch, J. W. Forehand and Gene Hedger.

Baptist WMU Has Mission Studies

The Elizabeth Ziegler Circle of WMU of First Baptist Church met in the home of Mrs. Leonard Karnes for mission study taught by Mrs. Silas Crawford.

Calendar of prayer was given by Mrs. Milburn Derryberry, and prayers were by Mrs. Earl Clark and Mrs. Derryberry. Eight members and one visitor were present.

Mrs. Chester Hunter was hostess to members of the Everly Hays Circle. The study was presented by Mrs. Dee Burba to ten members present. Prayer calendar was given by Mrs. P. E. Lowrie, and dismissal prayer was by Mrs. M. L. Lynn.

Mrs. Eddie Slay entertained members of the Betty Tenison Circle. Mrs. Fred Squyres was in charge of the mission study and each member present participated in the program. Mrs. Tubal Cain gave the prayer calendar. Following the meeting, gifts were presented to Mrs. Slay. Nine members were present.

Alberta Taylor Circle met in the home of Mrs. J. K. Porter for the study taught by Mrs. Claude Groves. Mrs. W. F. Harbin opened the meeting with the reading of Scripture. Prayer calendar was by Mrs. Raymond Terry. Dismissal prayer was by Mrs. J. L. Burt. Eight members were present.

DKG Meets in Clarendon

The December meeting of Gama Kappa Chapter of Delta Kappa Gamma was held in the home of Mrs. Bill Todd of Clarendon on Saturday, Dec. 2. This was the annual Christmas party and the home was decorated in keeping, with a large silver tree as the focal point.

Meeting was opened with the initiation of Miss Virginia Sue Denny of Clarendon, Miss Margaret McElreath of Memphis and Mrs. Lola White of Childress. During the ceremony, soft background music was provided by Mrs. J. N. Weaver.

In the absence of the president, the business meeting was conducted by the vice president, Mrs. C. D. Morris. Miss Tops Gilreath gave a report on Legislation, urging teachers to pay their poll tax, become informed and vote.

The program, "Talents for Useful Living," was under the direction of Mrs. Marguerite Goodner of Amarillo.

Beth and Lynn Bourland of Quail sang "Silver Bells" and "May There Be Peace on Earth." Esta McElreath sang "Sing at Christmas Time."

Reports on "What's New" were given by Mrs. C. D. Morris, manufacturing; Mrs. Dora Diggs, helping the retarded; Miss Esta McElreath, bionics and Mrs. Bernice Welch art.

Following the program, gifts were exchanged from the tree. Refreshments were served to the following Collingsworth county members: Mrs. Selba Rainey, Mrs. Charlie Hill, Mrs. Barney Walker, Mrs. Rufus Sweat, Mrs. Vernon Peters, Miss Maudie Coffee, Miss Sara Jones, Miss Bonnie Willis and Mrs. Welch.

Miss Louise Fulcher, county treasurer, and her mother, Mrs. Roy Fulcher, have returned from Roswell, where they visited a son and brother, Curtis Fulcher, and family, and Mrs. Fulcher's brothers and sisters, Mr. and Mrs. Ira Meredith, Mr. and Mrs. H. L. (Skeet) Burden, and Deb Fuller. In Bovina they were guests of Mr. and Mrs. Troy Fuller. All of these formerly lived here.

Visiting here recently with Mr. and Mrs. J. B. Wade were her parents, Mr. and Mrs. Joe Simpson of Rogers, Ark., and her sister, Mr. and Mrs. W. F. Harrison and daughter, Denise, of Muleshoe. The Simpson family formerly lived here, leaving about 1939.

Mr. and Mrs. Joe Shields of Amarillo were here over the week end visiting with her father, E. N. Lewis, his mother, Mrs. Pat Shields, and other relatives.

INFANT'S DEPARTMENT AT HARRELL'S

A department that is the pride of the owners of Harrell's Variety Store, Mr. and Mrs. Charlie Harrell, is the infants section, shown above.

This department was enlarged and displayed in a new manner when the store underwent its complete remodeling.

Vibratos Have Song Meeting

Miss Elaine Yarbrough was hostess to The Vibratos in their meeting Thursday evening, Nov. 30. Cheryl Wilson, president, conducted the business meeting. It was voted to have a bake sale on Thursday, Dec. 21.

Program director was Linda Karnes with a Sing-a-Long. Karen Childress led the group in singing American folk songs, accompanied by Vicky Allen.

The Hymn of the Month, "Let Us with a Gladsome Mind," was sung by the Melody Maids.

Refreshments were served to Vicki Glenn, Sylvia McQuay, Cheryl Wilson, LaVelle Harper, Carol Blain, Karen Richardson, Karen Childress, Beverly Singley, Connie Null, Joyce Holton, Susan Sullivan, Linda Karnes, Anna Kay Kelso, Aleta Owens, Mrs. Tubal Cain, sponsor, Vicky Allen, guest, and the hostess.

Card of Thanks

SO THE PEOPLE MAY KNOW

Far too often we hear criticism of our local peace officers when they are doing their best to fulfill their duties. Too seldom do we hear praise when they have worked through the day and night far beyond the call of duty to apprehend criminals and restore property to their rightful owners.

So at this time I would like to publicly thank Sheriff John Rainey, Deputy Kenneth Hodge and Police Chief Troy Marsh for the work they did in their efforts to find my stolen automobile.

I think that their diligent, efficient work should be called to the attention of all the people they serve and I would like for each one of these officers to know that I am deeply grateful.

R. T. Savage.

May we pass on to others an expression of our sincere thanks for the many deeds of kindness shown us during the illness and death of our beloved husband and father, Joe C. Hart.

The family of Joe C. Hart.

With deepest gratitude we extend this word of thanks to all those who were so thoughtful and kind to us at the passing of our loved one.

For the beautiful floral offerings, cards, and many expressions of sympathy, we are truly grateful. Your kindness has meant much to us.

The family of Mrs. Donnie Ammons

Mr. and Mrs. Raymond Darow of Shamrock were in Wellington Wednesday, Nov. 29, attending to business and shopping.

Junior High Teams Under Way for Season

Wellington junior high basketball teams have won four of their seven games so far, Coach Harvey Millsap announced as he reviewed the playing up to this week end.

The Firecrackers and the Crackerettes have played both Quail and Samnorwood. The A team Crackerettes have won two games and lost one; the B team girls won two and have lost none, while the Firecrackers won one and lost one.

Coach Millsap started the basketball season with more than 50 boys reporting. The group was divided with the better players forming the basketball squad and the remainder going into boys physical education class playing basketball. Those boys of the latter group who improve in their playing will be given an opportunity to go up on the team.

Millsap divided the girls into A and B teams. With 7th grade players far outnumbering the 8th graders, the coach will rely heavily on the younger girls this season.

"It looks like we'll be playing next year's team this year," he remarked.

Girls at present members of the team are Sherri Barker, Jackie Barton, Laverne Bennett, Sharon Blackshear, Marilyn Byers, Sandra Carter, Leslie Covey, Joyce Curry, Cathy Davis, Neva Fields, Carol Hanna, Pauline Holman, Donnell McKinney, Gail Morrison and

Virginia Patterson, Nancy Sanford, Charlotte Allen, Patsey Belew, Vicki Bergvall, Cora Brown, Becky Brewer, Peggy Crawford, Sharon Daves, Ann Duncan, Regina Ferguson, Evelyn Fields, Davela Edens, Charlotte Gibbs,

Mitzie Hartman, Nancy Holton, Glynda Ivy, Anna Maria Macias, Judy Millsap, Linda

Moore, LaJuanda Peters, Rosario Saldana, Bunny Sherman, Nell Tarver, Patricia Wilson, Linda Winton and Rebecca Holliman.

Members of the Firecracker team are Jackie Needham, Stanley Bratten, Danny White, Larry Henard, Johnny Maxwell, Don Sweat, Wesley Ward, Gary Judd, Worland Robinson, Scooter Cason, Randy West, Joe Wood, Steve Trapp, Tommy Yarbrough, Andy Bell, Gary Killian, Lewis Watkins, Neal Roberts, Mike Smith, Henry Wells and Gary Patrick.

Results of the games played so far:

Nov. 13: Wellington B girls 27, Quail 15; Wellington A girls 14, Quail 10.

Nov. 20: Wellington A girls 15, Quail 14; Wellington B girls 20, Quail 9; Wellington boys 11, Quail 24.

Nov. 27: Wellington girls 11, Samnorwood girls 25; Wellington boys 15, Samnorwood boys 18.

Mosquitoes Have Their Preferences

COLLEGE STATION.— Do you often wonder why mosquitoes seem to prefer you over someone else. If you do, you are not alone. Research entomologists in more than one country are trying to find the answer to why mosquitoes and other insects are attracted to man and animals.

If scientists can find precise causes of insect attraction, more effective repellents that would mask the attraction might be developed.

Attraction retarding materials might be combined with insecticides. This would result in fewer insects bothering the treated individuals, and the more persistent pests would be killed by the insecticides.

Experiments by entomologists at USDA's insect laboratory at Orlando, Fla., illustrate the complexity of such research, however. They dressed a man in a light weight diving suit that kept water vapor, carbon dioxide and other gases from escaping to the surrounding environment. He was placed in a small observation room with three man-

size dummies and 300 mosquitoes. The subject's breath was drawn outside the room through a hose.

Mosquitoes showed no preference between the man and the dummies. When carbon dioxide was discharged above the man's head, however, he attracted more mosquitoes. The pests also were attracted when a cloth suit was put over the man's diving suit—regardless of the presence or absence of carbon dioxide.

Researchers exposed the man's face—an increased attraction. But when his hands were uncovered, the mosquitoes were attracted. These mosquitoes prefer the body, but another species showed a marked preference for the face.

This shows that different types of mosquitoes are not necessarily attracted to man and animals for the same reasons. Other insects don't respond alike, either. For instance, one study showed that horse flies preferred red cattle to white ones.

Perhaps scientists will find the answer some day, but until they do, the hum of the

4-H Leaders Meet Friday

Four-H Club adult leaders will meet Friday, Dec. 8 at 2 p.m. in the office of Miss Kathryn Potter, home demonstration agent.

Plans for the 1962 4-H Club program will be worked out and leaders will get acquainted with materials to be used.

"Every interested adult who wants to work with 4-H clubs is invited to attend this meeting," Miss Potter said.

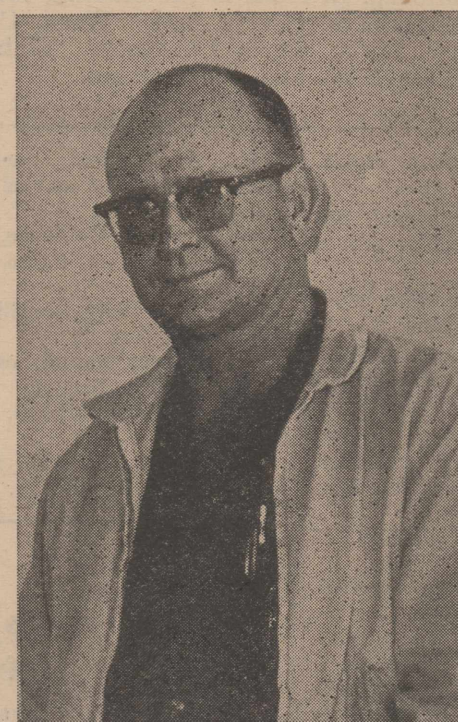

Visiting in the home of Mr. and Mrs. French Self during the Thanksgiving holidays were Mr. and Mrs. Tom Cherry, Brenda, Jane and Jeanne. Mrs. Lucille Wade, Gailan and Billy, from Amarillo, and Mr. and Mrs. Ira Self of Clarendon.

Camp Fire Girls

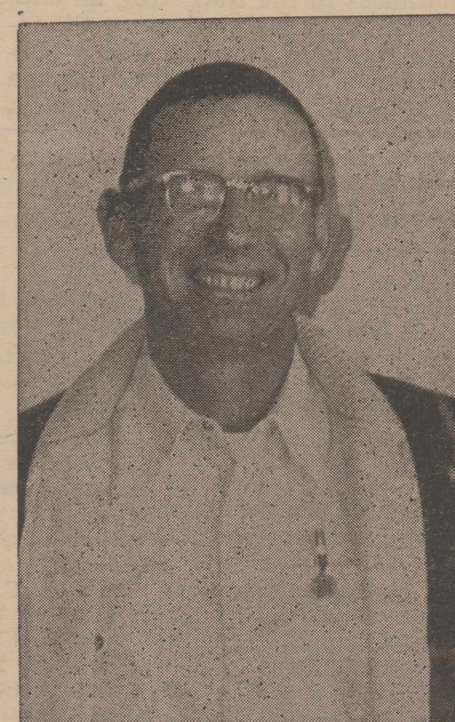

The Cardinal Bluebirds met for their regular meeting in the home of Mrs. J. B. King on Thursday afternoon, Nov. 30. The group enjoyed a film entitled "Camp Fire Girls of America," after which they made colored Christmas trees.

Mary Saied furnished the refreshments for the afternoon and served cold drinks and cookies to the following members: Jane Campbell, Carol Cochran, Mickie Conway, Mary Nell Edens, Debra Jones, Karen Moxwell, Marcia King, Mary Saied, Ann Smith, Nancy Squyres, Rose Mary Popwell, Doris Tingle, Mrs. J. B. King, and Mrs. Keith Smith, assistant leader.

Week end guests in the home of Mr. and Mrs. J. T. Baldwin were her two daughters, Mrs. Gladys Meek of Pampa, and Mr. and Mrs. Julius Van Bebbler of Dumas.

IS ENTERPRISE DYING?

Commerce Secretary Luther Hodges a few weeks ago lectured a meeting of industrialists thus: "I believe that, generally speaking, America is not showing the same degree of business initiative and business drive which characterized earlier periods of our history." He went on to say that he did not find "the same daring, the same pioneering characteristics of the years when I started in business."

A more realistic diagnosis of the nation's economic ills could hardly have been presented.

The key question, however, must remain. WHY do we not see initiative, daring, and pioneering in the measure in which it was once evident?

Mr. Hodges's statement leaves much to the imagination as to the causes of this present condition. It is evident that he was observing effects, not causes.

Nation of Individuals

Using statistics right and left in dealing with economic problems, we are likely to lose sight of the important fact that such a symbol as GNP (Gross National Product) is merely the aggregate of what a great many individuals do toward creating the wealth of the nation. The concept of the GNP emphasizes national goals but we must point out that our economic society is hardly collectivized to the extent

that we may ignore what each individual American is doing. (Certain economists in the Kennedy stable are also making the error of counting government spending as part of GNP.)

One reason that private enterprise lacks initiative and daring (if indeed it does) may be that it finds great difficulty in competing with the government that it supports. The strength of America has been that it has permitted as many as care and dare to have at it. We are not a nation of collectivists; the general welfare is served best only because all are free to explore private pursuits and individual goals. Whatever we as a nation are, GNP or what have you, we are that because no conflict exists between private interest and national welfare.

Place of Government

Unfortunately many persons believe that the government creates wealth. True, it collects it and often reapportions it, even if mishandled. But Washington cannot create any wealth, any more than a bloated monarch of centuries ago could do it. People who work produce wealth, by the use of capital and tools and raw materials and time. This whole idea needs to be understood for many of our national leaders are daily confusing politics with economics, if not to say infusing the two.

How can a spirit of daring

and venture be returned to industry? First of all, let government leave off political motivations in its duties of passing legislation and administering laws. Let the administrative branch limit itself to the job of refereeing impartially rather than building machinery and prestige for the next election. Let us all give up the notion that government can do everything better than can individuals.

Profit Is Key

Then, let us develop an atmosphere in which the profit motive is understood and appreciated as the key to our

productivity. On the whole, profits of corporations have changed little in the present decade. Actually, they have not been permitted to increase enough to bring forth the new plants and new products and new jobs that an expanding economy requires. If we are to forge ahead, as the politicians are so fond of predicting, a more attractive level of profits must be permitted to our enterprisers.

Increasing productivity is the best non-inflationary method that we can use to move ahead. It is my conviction that any Washington administration wishing to lead

Hedley Takes Double Header

Hedley junior high boys and girls basketball teams won a double header over the Wellington Firecrackers and Crackerettes Monday, Dec. 4. The game was played at Hedley.

The 23 to 9 score in the girls game fails to show the excellent playing of Coach Harvey Millsap's team, made up largely of seventh graders. The Crackerettes held Hedley during the first half, when the score was only 6 to 5 in Hedley's favor. Their lack of experience began to show late in the game as their opponents began to add points. High scorer was Sue Alexander of Hedley with 9, while Rebecca Holliman, a recent transfer from Quail, was the Crackerette top scorer with 6.

Starters for Wellington were Charlotte Allen, Becky Brewer, Rebecca Holliman, Nancy Sanford, Donell McKinney and Linda Moore. Substitutes were Nell Tarver, Nancy Holton, Charlotte Gibbs, Judy Millsap, Laverne Bennett, Regina Ferguson, Rosario Saldana and Carol Hanna.

Hedley starters were Janice Evans, Marsha Snelson, Sue Alexander, Cathy Spar, Lana

this nation to yet unrealized levels of prosperity will have to recognize these basic principles. The free enterprise idea when allowed to spark our economic growth, can lead us to heights far above those attainable by any collectivized system, whether socialist or communist. But we shall have to permit it to function by providing the proper climate.

Altman and Nita Bailey.

The Firecrackers led during the entire game, only to lose by a 34-32 score in the last 20 seconds. Behind only one point, Hedley sneaked a basket, then as the Wellington boys started down the court with the ball, they were fouled and Hedley got a free shot. "The boys are playing some good ball and smoothing out every day. Before the season is over they'll do a mighty good job," Millsap said.

Tracy Sanders of Hedley was high scorer with 15 points, while Jackie Needham was high for Wellington with 12.

Wellington starters were Jackie Needham, Stanley Bratten, Danny White, Larry Hendard and Johnny Maxwell. Wesley Ward was the only substitute.

"TEXAS FOR TOURISTS" MEETING

AUSTIN. — More than 600 "Texans for Tourists" attended Gov. Price Daniel's Conference on Tourism.

They took a long look at sources and resources that can be used to promote national advertising of the state's visitable virtues.

While here, they decided to set up a non-profit organization called the Texas Tourist Council. Tentatively scheduled for Jan. 10, "or during the next session of the Legislature."

Texas Tourist Council will seek the reverse effect of another group who tried to exploit the state—the carpetbaggers. It was the influence of the latter that caused the

Legislature to prohibit the use of state funds for advertising Texas' attractions 86 years ago.

Governor Daniel said "Now the march of time has come full circle . . . we find ourselves engaged in a vigorous economic competition which might be called, in a friendly way, another 'war between the states'."

He referred to the battle for tourists—third largest industry in the nation; the 13th in Texas.

Texas Tourist Council will seek \$300,000 a year from the Legislature, for advertising tourist attractions. Texas law now requires that state funds be matched by business and industry. So some system of financial subscription will have to be devised.

HOTTEST NOVEMBER IN FORD HISTORY!

And here's what started the heat wave!

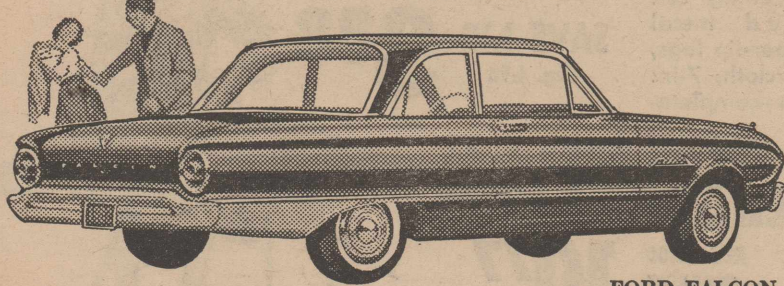

Last month more Americans bought Fords than in any November in history. The blazing success of the long Ford line was end-to-end, all across the country and up and down it, too. ■ Everywhere the people flocked into their Ford Dealers and bought smart new Falcons, and the new Falcon Squire, the glittering swift Galaxies, the famous Ford Station Wagons and the hot Thunderbirds. And they poured in to see and buy up the brand-new Fairlanes just introduced. ■ There are four magic reasons why behind the smashing success of the long Ford line for 1962. First of all is utterly modern styling, the fresh crisp lines that are now being so widely copied by other car-makers, the smart look that dominates the industry. Second is absolute power in eleven kinds of engines, giving you anything you could want in engine

options. Third is total economy—every Ford model is priced directly at your pocketbook, and every Ford, large, medium or small, gives you gasoline mileage outstanding in its class. Fourth is the service-saving concept—every Ford car is built to cut down maintenance worries and problems, with service-saving features other cars may have some day. ■ Ford leadership from Falcons to Thunderbirds is founded on trend-setting innovations . . . The hot ideas come from Ford. And at the heart of Ford success is an almost revolutionary new concept of quality . . . most serious and direct concern with the actual part-by-part quality. For the hot trends in the hot cars, for a new experience in quality, and for the best buys on the American Road, see your Ford Dealer.

PRODUCTS OF MOTOR COMPANY

NOW THERE ARE FOUR CLASSES OF CARS ...AND ONLY FORD HAS ALL FOUR!

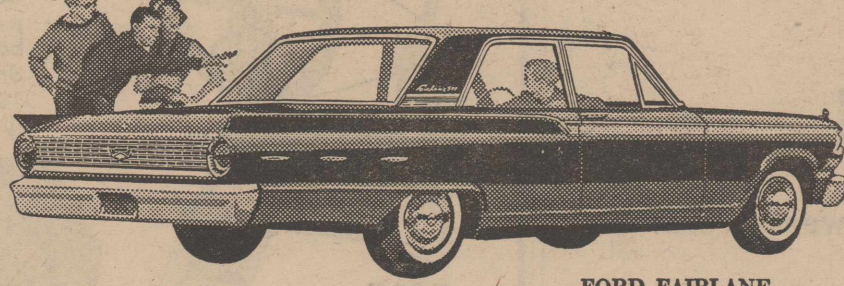

COMPACT CLASS:

FORD FALCON

This class includes cars with 106- to 114-inch wheelbase. Most popular by far (a million happy owners!) is the Ford Falcon. Falcon is America's lowest-priced* 6-passenger car, set a 25-year record for Sixes or Eights in last spring's Mobilgas Economy Run, gives you a choice of 13 models, including the Futura and new Falcon Squire wagon.

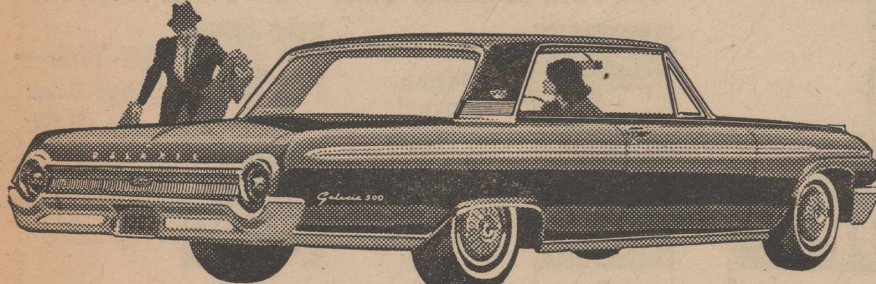

FAIRLANE CLASS:

FORD FAIRLANE

The Ford Fairlane is the first member of a new class which combines the advantages of both compacts and big cars . . . you get big car room, ride and performance . . . compact savings and maneuverability. Priced below many compacts, Fairlane even rivals some in gas economy. Has twice-a-year maintenance introduced by the Galaxie.

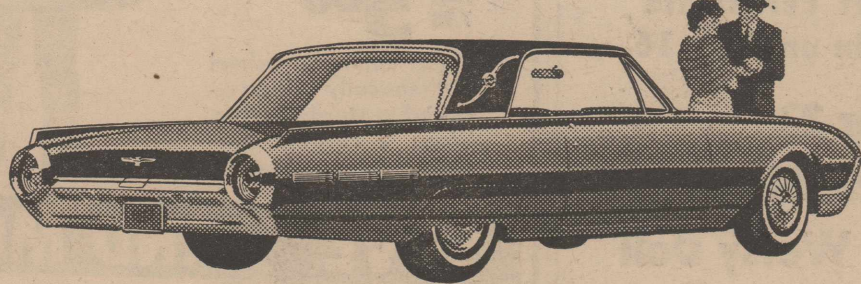

FULL-SIZE CLASS:

GALAXIE BY FORD

The class for families who want big car comfort, performance and prestige. Value leader is the Ford Galaxie—which has every essential feature of far costlier fine cars. With the optional Thunderbird 390 V-8 engine, a Galaxie will outperform America's most expensive luxury cars. Requires servicing only twice a year, or every 6,000 miles.

LUXURY CLASS:

FORD THUNDERBIRD

The top class—cars for people who want the very finest. First of the trim-size luxury cars, the 4-passenger Thunderbird is the most distinctive car in this class. Its styling set the trend for an entire generation of cars and now finds a new elegance in the Landau. And Thunderbird's performance is just this side of flight.

Rockets, Quail Split Double Header Nov. 28

Wellington Skyrockets and Rockettes split a double header with the Quail Quails and Bobwhites Tuesday, Nov. 28, with the boys losing 41 to 35 and the girls winning 34 to 23.

"The girls game was close all the way through until the fourth quarter, when we were able to build up a lead and hold onto it," Coach James Stavenhagen said. "Quail has a good hustling ball club, but they had difficulty in hitting the basket."

Rockettes-Bobwhites

High scorer for the game was Elaine Yarbrough with 16 points, just one ahead of the Bobwhites' Rita Patterson who hit 15. Vicki Glenn made 10 points for Wellington and Gayla Courtney 8. Sherry McGuire scored 6 points for the Quail team and Sue Ward 2.

Wellington starters were Elaine Yarbrough, Vicki Glenn, and Gayla Courtney, forwards, and Carol Blain, Janice Wood and Donna Curry, guards. All members of the squad got to see action in this game.

Bobwhite starters were Rita Patterson, Sherry McGuire, and Sue Ward, forwards, and Betty Moseley, Linda Jenkins and Almeda Tidwell, guards.

Rockets-Quails

The Rockets and the Quails battled it out defensively with neither team able to hit a very good percentage of their shots.

The first quarter ended with Quail leading 9 to 4, and at the half they were still ahead 15 to 10. The three-quarter score was 29 to 22, again for Quail, but during the last period, the Rockets pulled to within three points of their opponents with only two minutes to go. The Quails' last minute accuracy with the basket made the victory definite.

Rudell White of Quail was the game high scorer with 14, while Quail's Bill Wilson and the Rockets' Jackie Daves got 13 each. Dan Henard made 10.

Starting for Wellington were Duckworth, Jerry Rainey, Henard, Daves and John Barton.

Quail starters were Dean Johnson, White, Wilson, J. C. Saunders and James Boen.

Mr. and Mrs. John W. Sherman and daughters were in Fort Worth over the week end where they visited in the home of his parents, Mr. and Mrs. Lee Sherman, and attended the SMU-TCU football game. They also visited with their daughter, Donna, a student at TCU.

TEXTBOOK STUDY GROUP APPOINTED

AUSTIN.—Five representatives have been appointed to an interim committee to study contents of textbooks used in public schools. Particular attention will be paid to those relating to American heritage, traditions, philosophy and history.

Representatives W. T. Dunagan of McKinney, Bob Bass of DeKalb, John C. Alaniz of San Antonio, Nelson Cowles of Hallsville and Ronald E. Roberts of Hillsboro are to report their findings to the 58th Legislature.

Mr. and Mrs. Farris Wood were in Lubbock over the week end to attend the football game between Texas Tech and WTSC.

HEALTH AND WELFARE COORDINATION

AUSTIN.—Speaker James A. Turman announced appointment of an advisory committee, composed of Representatives George Richardson of Fort Worth, Obie Jones of Austin, and Jim Markgraf of Scurry, to help the Texas legislative council study coordination of state health and welfare agencies.

Study was requested by the 57th Legislature in view of the fact that 90% of every state dollar expended is for highways, education, public health and welfare.

All but the health and welfare agencies are centrally coordinated.

BRIGHT IDEA

With kids in school you always have homework... and homework needs good lighting. Experts say that most people read by inadequate lighting. They also say that best lighting is provided by a bulb of at least 150 watts, properly shaded.

Better check on the kids' study lighting to be sure they have good lighting. Do this today!

WELLINGTON, TEXAS

Deck's DIDACTICS

—By Deskins Wells

A few months ago most of us got a gleeful charge when the irate owner of a small inn ordered Interior Secretary Stewart Udall, Justice William O. Douglas and others of their ilk to get their muddy boots out of her clean tavern. This was particularly true of those of us who do not regard President Kennedy as the second coming of Woodrow Wilson. I believe the lady was quoted as saying that she would not stand for such "tramps" dirtying her floors.

Thus it was that I picked up the Tuesday copy of The Dallas Morning News and noted a headline which said: "Rancher Chases Udall from Hill." Since I am on the side of landowners by instinct most of the time, I started to read the UP story with cheerful anticipation. My grin gradually faded as my eyes traveled down the column, for I discovered that Secretary Udall was out working on a project that I have advocated for years. This is a Prairie National Park in the heart of the Great Plains that stretch from Canada to Mexico.

This is nothing new. It has been a dream of the National Park Service for decades and the idea has been kicked around in Congress at various times for something like thirty or forty years.

We have National Parks in the mountains and on the seashore, in deserts and swamps, in caves and in ancient forests and they are preserved almost intact to show the present generations something of the original wonders of our great land. But we do not have a single plot of ground set aside for the people as a whole to remind us and future generations of the incredible and awesome sight that greeted our forefathers when they first beheld the boundless sweep of prairies and rolling plains.

Such a park would not only have grass and a few streams and hills and some trees, but it would contain all manner of wildlife once native to this region. There would be buffalo and antelope, deer, prairie dogs, badgers, skunks, coyotes and far too many other four legged creatures to mention. The bird population could be expected to take care of itself once a habitat and haven were provided.

I can sense the feeling of the ranchers whose land will be purchased for much more than money is involved when people are forced to give up land they love; but the same thing is happening every day when the right of eminent domain is used to take land for airfields, highways, lakes and other things.

In other weeks I have noted the remarkable improvement in the looks of so many of our business firms in recent weeks and years. The latest are Owens & Scott Super Market and Harrell's Ben Franklin Store. I have not been to Mangum in two or three years, but I can say that there is no such movement to be detected in Childress, Memphis, Clarendon, Shamrock or Hollis. It is remarkable, to say the least.

By the time you read this, you will know that Santa Claus came to town driving a couple of Shetland ponies. It is going to be very difficult for some Mexican parents to convince their youngsters that Santa Claus lives at the North Pole and not at the barn where Ernest Harwell and Jake Leach keep their Shetlands. In order to get a picture for this paper Louise and Virginia Robey along with Judge Horton went out to snap it in advance. They thought there were no children within blocks. When the ponies pulled the carriage out with Santa inside, there stood three Mexican children with their eyes nearly bulging from their sockets. Don't try to tell them that St. Nicholas does not live on the Mangum road just outside the city limits of Wellington. They saw him with their own eyes.

A lot of firms are giving away something free this season. Just to add to the fun, Ernest Harwell and Jake Leach are giving away a Shetland pony. You register for it at the office of The Wellington Leader or Chamber of Commerce. Only children 3 through 11 years old can register. I guess that will be like the boy who was 7

IN REMODELED OWENS & SCOTT STORE

Shown here is one aisle of the recently remodeled Owens and Scott Grocery, owned by Steve Owens and George Scott. Shelves of canned items are on the left, and on the right are the produce and frozen food areas, while on shelves above are a wide variety of home furnishing accessories. George Scott, manager of the store, began work for

Steve Owens in 1935 and remained until he entered the Army in 1944. Returning two years later, he was employed at Buddy's Super Market until 1949 when he bought a half interest in the business and became its manager. Owens established the business as a small grocery store and filling station in the 1920's.

Seek to Raise Boxing Club Interest Here

A move to interest Wellington athletes in boxing and in the organization of a Tri-City Boxing Club was announced this week by Donald Settle.

Towns which would make up the proposed club are Wellington, Shamrock and Pampa. Boxing matches are already being held at the National Guard armory in Shamrock each Saturday night, with the Amarillo Boxing Club meeting the Shamrock and Pampa boxers Dec. 9 at 8 p.m.

There will be 15 to 20 fights. The National Guardsmen are taking the initiative in organization of the club, Settle said.

Duggie Jameson, who represented Wellington in the National Golden Gloves competition twice only a few years ago, will coach the Wellington boxers, assisted by Settle, a former high school boxer.

There will be Pee-wee, high school and open divisions, and small boys as well as those who are older are eligible to participate, Settle explained.

Anyone wishing information may contact him at his office at the National Guard Armory in Wellington after 4 p.m. each day.

Rev. Edens to Speak at PTA

Regular meeting of the Elementary PTA will be held at the elementary school Wednesday afternoon, Dec. 13, at 2:45 p.m. Mrs. Tubal Cain announced this week.

Mrs. Jimmy Milner will have charge of the program and the Rev. Davis Edens, pastor of the First Methodist Church will be speaker for the meeting.

Any member who has not picked up their yearbook may get it at this meeting, Mrs. Cain said.

Friday's playing will begin at 8:30 a.m. and games will be scheduled as on the opening day. Games Saturday also will begin at 8:30 a.m. and the finals will be played Saturday night.

School officials attending the planning breakfast were Darrel Davis, Lloyd Hunt and Supt. Walsh of McLean; Coach J. R. Williams, of Clarendon; Herman Moseley and Purl Tipple of Quail; J. L. Harper and James Stavenhagen of Wellington; Bob Garton and Bill McGaffney of Arnett; J. C. McCleskey and Jack Stephens of Shamrock; Cunningham, R. E. Dwight, Don Van Pelt, Doyle Chambers, Jim Ray, Donald Davis, J. C. Breeding, Marvin Knoll, Billy Waters and Bill Janes of Samnorwood.

Tournament officials attending were Jake Barnes and R. T. Freeman of Altus, and Doug Coleman of Samnorwood.

Police Chief Rotary Speaker

Police Chief Troy Marsh was speaker at the Wellington Rotary Club Friday, Dec. 1, and discussed for members the rising crime rate in the United States and Texas, especially juvenile crime.

For every dollar spent for church, \$12 is spent for crime, he pointed out. While there has been a population gain of 24 per cent, there has been an increase in the crime rate of 76 per cent.

Chief Marsh reminded the group that 28 police officers were killed in line of duty last year. Thirty-four persons were charged in connection with the deaths and, among them, the 34 had a record of more than 500 arrests.

◆ Cotton Quota (Continued from page one)

be available to growers who comply with their 1962 farm allotments at the full effective level (within the range of 65 to 90% of parity). If the quotas are not approved, there will be no quotas or penalties, but the allotment program will remain in effect and price support will be available at co-operators at 50% of parity.

Notices of farm acreage allotments will be mailed to operators of cotton farms prior to the Dec. 12 referendum.

All eligible farmers and their wives are urged to take time out from their farm work and go to the polls and vote in this important election, regardless of whether they vote for or against the quotas. Due to the extremely small vote cast in the referendums during the past few years, the officials in Washington have become quite concerned about the lack of interest farmers are showing in this phase of the farm program.

Following is a list of the polling places in the county and respective referendum committees:

A and C Communities: Farmers Co-op Gin, Wellington; W. M. Willis, chairman, Ray Null, William O'Rear, and E. B. Seale, alternates.

B Community: Farmers Co-op Gin, Dodson; Walter Camp, chairman; Louis Patterson, Garland Hightower, and Fred Covey, alternates.

D Community: Quail Gin office; Woodrow Wilson, chairman; Fred Bourland, H. L. Jenkins, and Z. J. Neeley, alternates.

E Community: Dozier Gin office and Shields Cafe; W. A. Bentley, chairman; Albert Oldham, E. E. Darrow, and O. L. Tate, alternates.

F Community: Lutie Gin office; A. E. Whitson, chairman; John L. Sherman, Bill Janes, and J. L. Alexander, alternates.

County Teams to Tourney at Shamrock

Teams from Wellington, Dodson and Samnorwood will participate in the Shamrock invitational basketball tournament from Thursday, through Saturday, Dec. 7 to 9.

Wellington girls will play the first game of the tournament, meeting Kelton at 9:30 a.m. Thursday, Coach James Stavenhagen said.

The winner of that game will play White Deer, who drew a bye, Thursday at 8 p.m.

Samnorwood girls drew a bye and will play Wheeler in the second round Thursday at 6:45 p.m.

In the boys bracket, Samnorwood drew a bye and will not play until Friday at 8:15 a.m. Dodson boys meet Kelton Thursday at 8:15 a.m. and the Wellington and Shamrock boys play Thursday at 9:15 a.m.

Finals will be played Saturday night.

Harris to NCO School

Cpl. Richard Harris, member of Company E, National Guard, is attending a two-weeks non-commissioned officers' school at Fort Hood, M/Sgt. Donald Settle has announced.

This is a leadership training school.

Harris lives on the Hamilton-Deaver Ranch in the southwest part of the county.

◆ A. J. Fike (Continued from page one)

Aubrey Jefferson Fike was born August 6, 1895, in Comanche county, the son of the late Mr. and Mrs. O. A. Fike. He was married Nov. 28, 1915 to Miss Katie Dabbs at Eastland, and they made their home in the Comanche area until moving here.

She preceded him in death in 1957.

Mr. Fike is survived by four daughters and three sons: Mrs. George Thomason, Mrs. Sam Thomason, and Howard Fike of Amarillo; Mrs. NNE. Watts and Raymond Fike of Wellington; Mrs. Edward Cleveland of Copperas Cove, and Robert Fike of Canon City, Colo.

Other survivors are a brother, Orris Fike of Skellytown, and four sisters, Mrs. Euell Coldiron, Mrs. J. D. Hall and Mrs. Les Morgan of Guymon, and Mrs. Clell Hall of White Deer. There are 17 grandchildren and five great grandchildren.

Seven Schools Play

Annual Washington Ball Tourney Dec. 9

Booker T. Washington school will hold its annual basketball tournament Saturday, Dec. 9, in the Wellington high school gymnasium, W. E. Franks, principal, announced.

Playing will begin early in the morning and continue through the day.

Boys and girls teams are expected from Quanah, Chil-

dress, Memphis, Paducah, Pampa and Shamrock.

"There will be three sessions, and this promises to be one of the best tournaments yet, because the boys and girls teams of the district are playing faster and better basketball. Booker T. Washington will be fighting to keep one of the cups here," Franks said. The public is invited.

Norwood Lions Honor District Officials

Samnorwood Lions will be hosts Thursday, Dec. 14 at 6 p.m. to a group of district and state Lions officers, Donald Coleman, president, has announced.

Honor guests will be Bill Didlake of Borger, the district governor of Lions in the 22

Panhandle counties; Joe Tool-ey, deputy district governor; J. C. McCleskey of Shamrock, zone chairman; and W. R. Breeding of Samnorwood, deputy district governor.

Didlake will bring a program on the progress of Lionism in the world and information on the Lions International convention coming up this summer in Nice, France.

He will also report on a tour of Europe that will be made by Lions in connection with the convention.

A highlight of the program will be the presentation of pens to all former Lions queens and the present queen. These are Karon Breeding Tate of Lubbock; Kay Schaub Thomason of Wellington; Janice Rountree and Darlene Rainey of Samnorwood.

It's a Fact!

IT IS NOT TRUE THAT IT NEVER RAINS IN THE SAHARA DESERT

There is no place where rain does not fall at some time or another. Even in deserts it rains occasionally, although the showers may be brief. 1. Report of meteorologists. 2. Popular Science Monthly, October, 1928, P. 72.

Youth Home From Hospital

Five-year-old Dennis Pendergraft can walk again, just one year after the accident in which he was badly burned over his left side and left leg. The little boy came home last week from St. Joseph's Hospital, Fort Worth, where he underwent skin grafting on areas of his body and leg which have not healed, his mother, Mrs. J. L. Pendergraft reported.

His left leg, which was drawn following the accident, was placed in a cast to straighten it during the time he was in Fort Worth.

"Dennis is doing real good and he can walk some by himself," his mother said.

The youngster's pajamas caught fire from a bathroom heater at the family home a mile south of town on Nov. 9, 1960. He was hospitalized at St. Joseph's Hospital here for about three months.

Mr. and Mrs. Ham Holton were in Garden City, Kansas over the week end pheasant hunting.

Dr. Holcomb Student Speaker

Dr. Carter Holcomb spoke to members of the Junior High Science Club when that group met Wednesday, Nov. 2, in the science room of the school.

On the program planning committee were Jackie Needham and Patricia Wilson. Linda Richardson, chairman of the Civil Service committee, told of the work of that committee in making the posters which were placed over town announcing the speaking date of Dr. Leon Hirzel, Jr., former Havana surgeon, now living in Lubbock.

Next meeting of the club will be on Wednesday, Dec. 13.
