

At Annual FLA Meeting by Barbecue

More than a hundred persons, guests and guests, enjoyed the annual meeting of the Floyd County National Association held Saturday afternoon at 4 o'clock at the high school cafeteria.

The business session of the association was held in the afternoon. J. H. Lloyd, president, presided over the meeting. He was elected to succeed J. H. Lloyd, who had been a director for several years and has served as president of the association for several years.

Watson Makes Report
B. Watson, secretary-treasurer, made a report of the activities of the association for the past year and gave a financial statement.

Wiley's talk was followed by a program rendered by six representing boys' ranch in the following order: Angus, master of ceremonies, recited numbers by little red-head Dave Ash, vocal solo, "Old River" by Pete Wells, two selections by Freddie Chick, a cornet solo, "Have I Told Lately That I Love You?" by Miller. The various numbers were accompanied by pianist D. Young, also one of the boys from the ranch. Chief Youngblood, who accompanied the boys from the ranch, was also in attendance at the meeting.

Named President
The organization meeting of the board of directors Tuesday, J. H. Lloyd, of Lockney, was elected president. Menard Field, president, J. H. Watson was elected secretary-treasurer and Bennie Leibfried re-elected assistant secretary-treasurer.

Members of the board of directors are: Edell DuBois, and Edell Green of Floydada, and T. Reeves of South Plains.

Stansell Rites Held Saturday

Rites for N. B. Stansell, 39, whose death occurred shortly after midnight Thursday of last week, were held Saturday afternoon at 4 o'clock at the First Baptist church. Rev. L. A. Doyle, of Port Neches, Texas, led the funeral service. He was assisted by the pastor of the church, Rev. Allen Clements. Interment was made in the cemetery.

Stansell had a busy, active life. He had returned home from his brother-in-law, Norvil Wilcox, at Peoples hospital, when he suffered the attack and summoned to Stansell Rites, back page.

Speed to Burn Post Antelopes Friday Night Foe of Whirlwinds

Floydada Whirlwinds, after a week of training in timing, ball handling, and tackling, are preparing for the coming onslaught when they meet the Post Antelopes in a non-conference game Friday night. The game, to be played at Post, should provide many a thrill to delight the touchdown happy fan.

The Whirlwinds, a considerably heavier team, will never the less be considered the underdog in the meeting against this District 4-A south team.

The Antelopes are small, their line averaging around 150, but what they lack in size, they make up in speed and agility. This was proven last week in their opening game when they disposed of Crosbyton's Chiefs, another 3A team, by a score of 43-0. The Antelopes used razzle-dazzle wide open running combined with passing to score sev-

Flower Show Date Sept. 30

Postponement of the Fall Flower show from September 23 to September 30, has been announced by Mrs. John Kimble, flower show chairman of Our Home Garden club. Changing date of the flower show was deemed necessary due to inconvenient timing of the original show.

The club members expressed the hope that an abundance of flowers will be available by September 30, therefore providing a more interesting array of displays.

Mayo Motor building will be the setting, and the theme of "Little Mexico" will be carried out as previously announced.

Schedules and classifications will appear again in next week's issue of The Hesperian.

Registrants Born in August of 1937

Registrants born in August of 1937 registered last month in Floyd, Hale, Swisher and Briscoe counties, as well as elsewhere over the nation. Here are the registrants reported by Local Board No. 45, as having registered from Floyd and Motley counties as well as from Petersburg in Hale County.

Floydada: William Hershel Nelson, Jr., Billy Joe Ferguson, Allen Rochelle Coleman, Thomas Jackson Cantrell, Arlie Nelson Evans; South Plains: Dean Stewart Horace; Lockney: Lloyd Dale Leach; Petersburg: Kenneth Jerrell Kirkpatrick, Emmett Wamon Foster, Billy Ray Neal, Delbert Joe Holloway, Lloyd George Belflower; Hollis: Alvin Stephens, Whiteflat; Joe Lamar Spray, Matador.

Registrants Report Tuesday
Floyd county registrants who have been previously notified to report for induction into the service, following physical examination, will report in Amarillo on Tuesday of next week, September 19.

Harley Sadler Here Tonight as Speaker

Tonight when Floydada Rotary club plays host to the members of Floydada Public school faculty their husbands and wives, and the school board members, their husbands and wives, they will have the prince of west Texas showmen, Harley Sadler, of Sweetwater, as their after-dinner speaker.

Since retiring from the show business, Mr. Sadler has been named a member of the legislature from his district.

The club men will be joined by their wives in the barbecue honoring the school people of the community. The event is an annual affair with the club. Meeting hour will be 7:30, the place the high school cafeteria.

Announce Meeting to Begin on Sunday

Rev. H. E. Smith, pastor of the Assembly of God church, announced this week that a revival will be held at Grace tabernacle, 328 West Virginia street, beginning Sunday night and continuing for two weeks.

Rev. Keith Loyd will preach for the series of meetings, to be held nightly, beginning at 7:30 o'clock. The public is cordially invited to all of the services.

Earl Young Sick

Earl Young, desperately ill last week-end, was apparently recovering this week, and relations who gathered at his Lubbock home have dispersed.

Jim Young, of Corpus Christi, a brother, and Mr. and Mrs. George Pryor, of Waco, brother-in-law and sister, and Mr. and Mrs. G. T. Young of Paris, were here Sunday but all left for their homes Monday.

Earl Young has been in West Texas hospital for treatment.

X-Ray Campaign Plan Made for Early October

Mrs. Bob Gibson has been named the Floydada general chairman for the Floyd County TB x-ray drive here on October 6 and 7, and Mrs. M. W. Wylie has been named Lockney chairman, Enos T. Jones said this week. The following committee chairmen have been selected by Mrs. Gibson to assist with the x-ray drive.

Mrs. Ray Smith has been selected to head the telephone committee, whose duties it will be to invite citizens to have their x-ray made; Mrs. A. C. Carthel will be in charge of the transportation committee, and will provide transportation for those needing transportation to have their x-ray made; R. Earl Allen will head the ministerial committee.

In addition to these above named, I. T. Graves attended a general planning meeting Monday of the various committee chairmen, and assured the full cooperation of the Floydada school system in the drive.

The x-ray unit is prepared to handle 1500 persons per day, and the results of the x-rays will be kept strictly confidential. The unit will arrive in Lockney on October 4, and will operate there for one day; it will move to Floydada on October 5, and will be here two days - Friday and Saturday.

Mrs. Gibson will appoint a group of ladies to assist the technicians in the clerical part of the work, and will arrange a schedule for the work with the unit which will set up in the Chamber of Commerce office.

Disaster Loan County List

WASHINGTON—twenty-four Texas counties Friday were designated as areas where production-disaster loans may be obtained by farmers, the agriculture department announced.

The counties all are in the Panhandle or adjoining it. They were hit by prolonged drought and insect infestation.

The counties are Armstrong, Bailey, Briscoe, Carson, Castro, Crosby, Dallam, Deaf Smith, Floyd, Gray, Hale, Hansford, Hartley, Hutchinson, Lamb, Lipscomb, Moore, Ochiltree, Odham, Paragard, Potter, Randall, Sherman and Swisher.

James Robertson Is Shipping Out

Mrs. Joe Robertson had a telephone call from her eldest son, James, who has been living in Houston for two years, from San Diego, California, saying he was being shipped out. He is in the navy. Also her son Earl (Peanuts) is in San Diego ready to be sent overseas. His address is Earl G. Robertson, SR 3677943 Co. 50380, USNCT, San Diego, California.

Another son, Melvin, has passed his physical and expects to leave sometime in October.

Journey North And East by Robertsons

Mr. and Mrs. M. S. Robertson of Floydada Implement company, are on a jaunt this week that takes them far to the north and east of Floydada. Where they will visit plants of the Massey-Harris company and later journey leisurely down the east coast and homeward.

They left last Friday with Racine, Wisconsin, as their first destination. Thence they go to Detroit and to Toronto, Canada. They will travel as far east and south as Washington, D. C. before turning westward again. They left last Friday.

John H. Johns Dies After Brief Illness

John H. Johns of Lockney 74, died in the Floyd County Cooperative hospital Saturday September 9, a short time after being admitted to the hospital. He had been ill only a short time. Mr. Johns was a carpenter by trade and had lived in Lockney for a number of years. He is survived by his wife, three daughters, Miss Hazel Johns of Plainview; Mrs. G. M. Hicks of Aurora, Colorado; and Mrs. Albert Tyler of Texas City; Three sons, William, Aschel, and Johnnie all of Texas City. He is also survived by three sisters, Mrs. R. W. Wattenpaugh of Lockney, Miss Alice Johns of Lockney and Mrs. N. A. Payne of Lawrenceburg, Texas and by 11 grandchildren.

The funeral service for Mr. Johns was held Sunday at the Assembly of God church in Lockney with the pastor Rev. Olin Beauchamp, assisted by Rev. Strickland of Crosbyton. Mr. Johns was born on January 9, 1875 in Lincoln, Nebraska.

Council Will Meet In the REA Kitchen

The Floyd County Home Demonstration Council will have its regular meeting at 2:30 on Saturday afternoon, September 16. It will meet in the REA kitchen, in Floydada, according to an announcement by Mrs. C. L. King, council chairman.

Rain Continues to Slow Farming Operations in Area; Damage by Wind to Feed Also is Reported

Overcast and some continued rainfall has marked the past week in Floyd county and while farm operators are poised for the task of harvesting a feed crop and re-plowing for wheat sowing, it has been a week of waiting. Less than a day of sunshine has been vouchsafed, and two showers have fallen to wet the top soil.

Of these two showers the first totaled 34-hundredths of an inch Saturday morning. The second, Monday morning measured 54-hundredths of an inch at Floydada. The rainfall has been heavier east

and northeast, lighter to the west side of the county.

Monday night's rain came in on a storm from the north that whipped tall feed considerably and reports also have it that some damage was done in scattered areas by hail.

Applying poison, said to be needed badly in some cotton fields, has been considerably hampered by the continued damp.

Low temperature of 56 degrees was recorded Monday and Tuesday mornings successively.

Medic's Chores Doc Wraps, Stitches Wounds and Hurts In Hurry-Up Hour

The medic has his spurts of business chores like the rest of us. Dr. Guthrie of Floydada hospital had such a spurt on Thursday afternoon of last week all within an hour when:

Eugene Worsham, son of Mr. and Mrs. I. N. Worsham of the Harmony community, was in a car accident near the Andrews Ward school, when he was hit by a car being driven by Sam Phillips. He received bruises, but no broken bones.

Bruce Johnson, Jr., 14, son of Mr. and Mrs. Bruce Johnson of the Blanco community, was playing football at the high school and was injured in play. It was a broken collar bone.

J. A. Goins of 414 South Wall fell from his back porch and received cuts on the head.

Dick Atteberry, south of town, was working on the Bullock farm, driving a tractor, when he fell from the tractor and was injured, not seriously.

J. D. Woody, 12, son of Mr. and Mrs. Harold Woody, was playing football and received a cracked collar bone.

Mrs. John Stevens Funeral at Lockney

Mrs. John Stevens, 74, passed away in the Floyd County Cooperative hospital at Lockney on September 8, and was buried in Lockney on September 9. The funeral services were conducted at the Main Street Church of Christ with Elder Clyde Sloan of Lockney, minister of the church, conducting the services, assisted by Rev. Clark, of Big Springs.

Mrs. Stevens is survived by her husband, one son, Burton Stevens and a daughter, Mrs. Robert Clark of Wichita Falls, and one brother, Charlie Merrick of Lockney. Mrs. Stevens was born Willie Eunice Merrick in Greenville, Texas on September 19, 1875. Interment was in the Lockney cemetery, under the direction of Carter Funeral Home.

Kendrick Sells IHC Dealership at Ralls

RAILS.—Announcement was made last week of the purchase of Ernest Kendrick's Ralls Implement company by R. A. Abell and J. B. Prewitt. The business will be operated under the name of Abell-Prewitt Implement Company.

Abell will manage the business. Associated with him will be Houston Walde, shop foreman, and H. T. Rounsaville, parts manager.

The firm will handle International Harvester line.

The Pontiac automobile dealership was not made a part of the sale and Kendrick will retain the agency.

L. D. Britton Is Commander of Legionnaires

Lorraine Britton, a navy man of World War II, and a long-standing fixture in Floydada business circles, is the new commander of McDermott post, American Legion. He succeeds G. G. Holmes, who has served as the post commander for the past year.

Britton and a new set of officers (some re-elected) were inducted into office with appropriate ceremony Monday night. Hershel Swenson, a past commander of the post, was the installation officer.

Serving with the new commander will be Paul Snodgrass, first vice-commander, Robert Collier, second vice-commander, Wayne Collins, adjutant, J. C. Wester, finance officer, E. A. Powell, chaplain.

W. G. Collins is historian for the year, Darnell Ayres continues as service officer, Billie B. Henry is sergeant-at-arms, and the executive committee is composed of J. M. Wilson, sr., T. P. Collins, Harry Morckel and L. W. Chapman. The ceremonies were held Monday night at the Legion hall annex.

Stake Wildcat N. W. Matador

Yesterday's news that a wildcat oil test had been staked on the D. I. W. Birney ranch 13 miles north of Matador, was contained in a dispatch appearing in a Lubbock newspaper.

This report said that Ralph Phillips of Longview, district superintendent of the Amerado Petroleum corporation, was in Matador today to make arrangements to start work on the wildcat "as soon as possible."

He said the corporation planned to drill approximately 7,000 feet. Details to be worked out, Phillips said, were roads leading to the location and water.

He said the Amerado corporation has leased a large block of land in the Matador area.

The Birney land is a part of the old A. B. Echols ranch.

Thousands Calm As Big Tent Falls, Saving Many Lives

Dr. and Mrs. J. G. Pruitt spent Saturday night and Sunday in Amarillo, guests of Dr. and Mrs. R. A. Hill.

They were at the revival meeting in north Amarillo Sunday night when the tent was blown down, but were not injured. Dr. Pruitt and Mrs. Pruitt and the Hills were at the edge of the tent when the blow came and the men were all holding the tent edges to help hold it, some of the people were under the tent as long as twenty minutes, but all seemed calm and more would have been injured had they not been so calm. Mrs. Pruitt said she had a most peculiar feeling when the lights went out and the tent fell down over them.

The rain storm was accompanied by a severe hail storm and the people grabbed chairs to hold over their heads to get to their cars, keeping the hail from hitting them. Mrs. Pruitt said she did not see any other people from Floydada there that night, however scores previously had been going to the meeting from here.

Hospital Campaign Poised For Kick-Off

The Big Gifts solicitations committee of the People's hospital campaign, under W. S. Poole, chairman, is scheduled to meet tomorrow, to formulate final plans to get that phase of the campaign underway.

Word that the printer will have the 24 page campaign booklet ready for mailing the middle of next week heightened activity at headquarters and the way is now being cleared to start solicitation.

The two other divisions of activity, special gifts and general report progress in completing their respective organizations. Marvin Shurbet, chairman of Special Gifts, estimates that his 120 man organization should be completed by the end of next week; and Walter G. Collins, head of the general group, also is well on the way toward completing his organization.

Club to be Guests of SMU Exes Today

Members of Floydada Lions club and others will enjoy a feature program at their noon-day meeting today at the B & M Cafe where they will be guests of the newly formed Floydada SMU Ex-students association, to see the movie of last fall's still talked about SMU-Notre Dame football game.

EDITORIALS

After more years than you can imagine the writer has finished a job that was begun when the years were young and our world knew not of income taxes and had never so much as dreamed that a time would come when a man would not provide for his elders when their days of usefulness had begun to fade, when mortal man would weigh the difference in income between working and doing nothing. Having come a long way and having seen all of these doctrines be weighed in the balance and found to be liking of the people, it is great relief to have come through it all without scandal, with no serious loss of face. The next 40 years, for sure are not going to be that easy. We feel for the youngsters who are to take over. We mean about the chairmanship for the Democratic party. In that other day, men and measures were either black or white. Nowadays the shades merge into each other, the moderns having learned a new technique, possibly from Europe or Asia. We're rid of it and glad of the riddance. Now lay on McDuff. Bon voyage that job we took on so heartily, with a new captain and a new mate. We'll be meeting you again. When the cycles of life and events bring us face to face once more in another aura we sure do not think we'll be shame-faced!

Here's a Tip.—Hurry down to the grocery store and buy some soda. Buy half a dozen more than you have been buying. Buy yourself a case. Don't let the hoarders beat you to it. You don't need soda, they don't need soda, but somebody somewhere does. You might be out of soda sometime when you want it. Maybe you send a mile or 10 miles to the bakery and no bread. You might possibly have to whip up a few muffins or a biscuit or something. Mighty bad you'd have to put out all that effort, of course. But, anyway, even if nothing like that occurred, you'd have the soda just in case. Also, soda has gone up. It may go down, but now the signs point another direction. Don't get caught short. Buy a case of soda. Have the comforting thought you have it on hand.

Growing importance of the Quanah. Acme & Pacific service to rail transportation in the southwest is one of the interesting developments of the recent past. Announcement that a 24-hour slash has been effected in elapsed time for shipments to Amarillo, Wichita Falls, Lubbock, Pampa, Plainview, from St. Louis and Kansas City, will prove of interest. Also the fact that transcontinental service will be speeded up through the Floydada interchange is adding to the value of the service of this line. Announcement of the speeded up service was made last week by W. L. Richardson, vice-president in charge of traffic of the Quanah route. This in addition to the invaluable service of the Quanah route in getting cars for shipment of plains commodities eastward, which has been effective for the past few years.

A hopeful sign for Floydada is the fact that there is a growing pain in the waterworks department and a many a gripe about this and that in the city administration. Like, for instance "they" are permitting this to happen, that to happen, "they" don't pave the alleys like every other town in the country is doing that amounts to anything, "they" are not going out after the business, "they" are not boosting a sound road program, "they" are not putting up stop signs on the streets that run hell for leather right into the highways. Also, "they" are not trying to head off competition that takes all of our business to some far-away place. It sure is uplifting to hear all of that. It means "they" are going to do something. It means Floydada is growing and getting to be a better community day by day, more and more worthy of the great area which the town serves. But "they" will have to keep on keeping on, on so many angles you sometimes wonder how "they'll" give them all attention as they should.

The Hesperian has been somewhat perturbed, in spite of the men who know about money, about whether Floydada and Floyd county have been and are paying too much for the money they borrow in these parlous times. We note with surprise that Dallas county has sold a recent six million dollar issue at an interest rate of 1.58 per cent. Floyd county has never sold under two and one-half per cent, as we recall it, and Floydada never under three plus. The Dallas bid was one of the lowest ever submitted on a southwestern issue. Dallas is and has been bonded to the hilt for many years. Floyd county has never gone heavy on debt. It has \$300 land in great thousands of acres rendered at \$9 per acre, and no charge for irrigation wells and \$20 and \$30 homes and the like that go tax-free. What do bond buyers consider? Why couldn't Floyd county have some of that really cheap money? What kind of collateral does a bond house want?

All out for the biggest and best early row crop, and hopes for the crops that are coming on. April - planted crops this year may be better than the late ones. That is the story. Fine to see some of the boys getting theirs in and turned into money. Means that some forage feed crops have already been harvested, a few of them. More in the making for mid-September. Never can tell about nature. Maybe the late crops will be good too, most of them. Meanwhile, cotton coming on and work for the man who toils with his hands. Doesn't look too bad right now for Floyd county, with a war scarcity (of workers) coming on. A demand for food and fibre that will make the plains country be the real bread basket for the part of the world that we serve. Don't sell Floydada or any Floyd county community short.

The Scripture passages that bother me are the ones I understand. —Mark Twain.

Floyd County 14 Years Ago

(Taken from the files of The Hesperian issue dated September 17, 1925)

Floydada Whirlwinds won their opening game of the season over Crowell with a score of 7 to 0. Irvin Allen, local quarterback, was the outstanding backfield man in the game, played in Crowell. All three school buses made the trip to Crowell, one carrying the football squad, one the band and another the pep squad.

Donald Thomas, brother of Mrs. J. A. Arwine, is home after a summer spent in organized baseball. He pitched for Paragould, Arkansas in the Arkansas league, a Class B organization.

Members of the faculty of the Floydada Public schools were entertained with a reception in the reception rooms of the First Methodist church on Wednesday night of last week by members of the Parent-Teachers association. Mrs. Walton Hale, President of the P. T. A. gave the address of welcome.

Looking for a Money Saver?

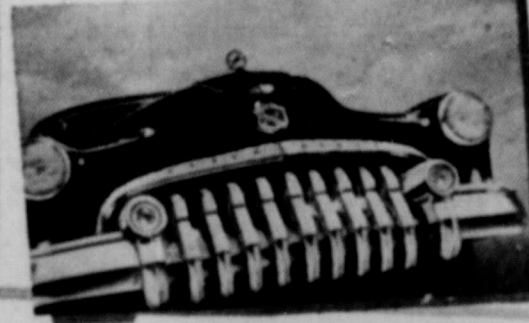

Better Buy Buick!

YOU CAN SEE here how smart it is—don't have to be told that it's the most quickly identified car on the road today.

You probably know that the engine under that broad bonnet is a Fireball straight-eight valve-in-head engine and a lively stepper in any company.

You can check the abundance of its room by the simple expedient

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

of taking the family and trying out its spaciousness at the nearest Buick dealer's—and a very few minutes on the open road will satisfy you that all-coil springing, low-pressure tires and Buick's torque-tube drive really do produce a ride that is matchless for its soft comfort.

BUT RIGHT NOW, it may be that the money angle is the thing uppermost in your mind, and on that we'd like to make two points:

All our records go to show that this is the most economical Buick ever built. It is easy on gas, on oil, on tires, on upkeep.

And if you choose it with

Dynaflow Drive,* it immediately eliminates all chance of friction-clutch repair and replacement—not to mention greatly reducing rear-axle and transmission maintenance.

Best of all, your initial outlay is a highly favorable one—whatever Buick you buy. For these brawny straight-eights—built rugged and solid for durable service—are priced at a level that makes them a standout buy in any price class.

Yes, better buy a Buick. Your dealer will be glad to demonstrate, glad to work out all the arithmetic of a deal. See him right away and get an order signed.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

AMERICANISM and CHRISTIANITY or COMMUNISM and ATHEISM... which do you want? The inescapable challenge facing the Christian world today is COMMUNISM. COMMUNISM is OFFICIALLY ATHEIST. To destroy the American principle of FREEDOM of WORSHIP is the declared intention of this ANTI-AMERICANISM.

ABOUT twenty years ago the Comintern declared: "The ultimate aim of the Communist International is to replace world capitalist economy by a world system of Communism... It will bury forever all mysticism, religion, and superstition." That anti-God declaration has never been challenged. In fact, it has strengthened its atheist principles to a point that has rarely been seen before in history. The Truth is, Communism cannot live with Christianity, because it is a religion unto itself, as much so as it is a system of politics and economics.

COMMUNISTS declare theirs is simply the "scientific" application of the teachings of history. They also say theirs is not only a "scientific" system but is the ONLY SYSTEM. Communists say Christianity is superstition. They refer to Christianity as something especially designed to capture the masses for exploitation by capitalist masters. Communists say "DOWN WITH THE CROSS WHICH IS THE SYMBOL OF FAITH FOR THE CHRISTIAN WORLD."... Therefore, Communism and Christianity become the two great rival Faiths of the Twentieth Century.

CHRISTIANITY believes one thing about the nature of man and his destiny, the nature of morality, the basis of ethics, and the nature of the Universe; COMMUNISM believes the exact opposite. CHRISTIANITY believes in the INDIVIDUAL and in the RIGHTS OF MAN. COMMUNISM believes the individual is the wholly owned SLAVE OF THE STATE.

THIS atheistic, materialistic, conspiracy threatens to engulf the whole world. Unless it is stopped our liberties, political, civil and religious rights, will go the way of the unfortunate nations which have already been crushed to earth behind the iron curtain of Moscow. If you believe in God and the Bible of the Lord God Almighty, won't you help hold high the CROSS. It is being threatened by Communist enemies. For the sake of all that is dear to you... attend your church and support her good work.

Miss Blessen, Tom Roy Snodgrass Take Vows In Church Ceremony

At 4 o'clock Sunday afternoon, September 3, Francis Faye Blessen, daughter of Mr. and Mrs. Henry Blessen, of Amarillo became the bride of Tom Roy Snodgrass, son of Mr. and Mrs. Roy L. Snodgrass, 3301 Harrison, in Amarillo. The vows were solemnized by the Rev. Carl Bates in the main auditorium of the First Baptist church.

After a wedding trip to Colorado Springs and Santa Fe, the couple will be at home in Amarillo.

The bride is a graduate of Amarillo High school, West Texas State college, Canyon, and is a member of Delta Zeta Chi sorority. She is an employee of Southwestern Public service.

Mr. Snodgrass is formerly from Floydada where he graduated from North Texas Agricultural college, Arlington, and Texas Technological college, Lubbock. He spent two years in the Marine corps. He is now attending West Texas state, Canyon. He is a grandson of Mrs. C. Snodgrass of Floydada.

Mr. and Mrs. M. V. Dalton of Oglesby, Texas, have returned to their home, after spending the past month with her brother, T. M. Noland and other relatives. Mr. and Mrs. Marion Hughes and T. M. Noland accompanied them home for a visit.

Mr. and Mrs. Wayland Hale and son of Houston, spent the week-end visiting Mr. Hale's parents, Mr. and Mrs. J. Sam Hale.

Winds Beaten Slaton In Opening Game

Floydada's Whirlwinds were defeated in their opening game of the season when Slaton's Tigers won out a 19-7 victory over the Whirlwinds. The game was played before an estimated crowd of some 3,000, under conditions. There was a good wind, and the field had a good footing to give sure footing to the players.

The game was big rugged and with more excitement than the Whirlwinds. The game was played in the second period and in the fourth stanza for the game.

Whirlwinds' lone score came in the waning minutes of the fourth quarter.

How it Happened

Floydada won the toss and elected to receive. Hubert Ring took the ball on his own 28 yard line and returned it to the Slaton 47. On the first play from scrimmage, Wilks fumbled and Slaton recovered on their own 40 yard stripe. Slaton started a drive that netted them four first downs and 45 yards before the Whirlwinds halted the Tigers on their own 5 yard stripe. A running play netted the 'Winds 2 yards, and then Guthrie kicked out from behind his own goal stripe. Slaton took over on the Floydada 40 and was unable to gain. R. A. Thompson booted to the Floydada 14, his kick for 33 yards, and the first quarter ended.

Floydada took over and on the first play from scrimmage, Guthrie attempted a jump pass that was blocked, the ball going in the air. In the scramble for the ball, Ezra Corley, Slaton end came up with it on the Floydada 18 yard stripe.

In a series of seven plays, Taylor, Butler and Thompson drove the ball to the two yard line and Taylor went over to score. Butler's attempted conversion was smothered. Slaton kicked off to the 'Winds. Daniels carried to his own 19. Three plays produced only four yards for

the 'Winds and Guthrie punted to his own 45 yard stripe, the run back good for only 3 yards. On the next play, Bobby Butler cut over his own left tackle, and although hit by several would-be tacklers he stayed on his feet, broke into the clear and went the 42 yards to score. The attempted conversion was blocked.

Slaton kicked off, and Stovall carried the ball to his own 32. Carmack carried for 2, Slaton was penalized 5 yards for off sides, and Guthrie lateraled to Don Daniels who went around his own right end for a first down. Resistance stiffened and the 'Winds attack bogged down.

After a pass and lateral netted six, a five yard penalty against the 'Winds, and an incomplete pass, Slaton took over on downs.

On the first play the Tigers were penalized 15 yards for holding. Another play netted three yards and the next play Slaton fumbled, and the 'Winds recovered on Slaton's 7 yard line. The half ended three plays later with the Whirlwinds in possession of the ball on Slaton's 15 yard line.

Slaton chose to receive after the half. Guthrie boot carried to the 25 and Bob Lambert returned to the Slaton 30. Three plays failed to click and Thompson kicked for 44 yards.

The 'Winds also found the going rough and were forced to punt, the ball ending on the Slaton 25 yard line. The Tigers failed to make the necessary yardage for a first and the 'Winds took over.

The Floydada team took on new life and made three first downs on seven running plays and one completed pass, before an off-side penalty bogged down the attack and Guthrie punted over the goal line. A fifteen-yard penalty for holding put the Tigers back on their own five, where Thompson punted to the Tiger 40 yard line, where the Whirlwinds failed to make necessary yardage in four downs and the ball went over to Slaton on downs and here the quarter ended.

Slaton operating from their own 40 started a drive that was good for five first downs, and included the only pass attempt that Slaton made during the game. The last play carried 25 yards, Bob Lambert carrying, for the score. This time the conversion attempt was good.

Slaton kicked to the 'Winds who carried the ball to the 45-yard line. The Whirlwinds made a first down with the aid of a Slaton penalty and the attack bogged down. Guthrie kicked to Slaton's 18 yard stripe. A 15-yard clipping penalty put the ball on Slaton's 3 yard line where Thompson attempted to kick out. The punt was blocked and rolled back across the Slaton goal line where John Hinsley recovered for the score. Dan Hagood made good his conversion attempt.

After the kick-off, Slaton could not gain and kicked to Floydada on Floydada's own 37. The 'Winds ran four plays and made one first down on a pass from Carmack to Dale Roberts before the game ended, the ball near mid field in possession of Floydada.

District 3-A Luck Varies

Luck of District 3-A teams varied widely in last Friday night's games, all of which were played against non-conference rivals. All were wit-sharpening, conditioners against further campaigning of the forthcoming conference season.

Speed and air attacks by the Post Antelopes beat the Crosbyton Chiefs 43-0.

The Abernathy team fought off a strong bid by Morton, 4-A for their first game win, 7-6. Abernathy had the best of the ground gains, 212 to 131 yards, and the two teams were about even in the air. It was

a slashing game that gave indication of a strong offensive team for the Antelopes.

The Paducah Dragons won going away over Chillicothe, 39 to 0, the District 3-A team gaining through the line and in the air almost at will.

Ralls lost to New Deal, a B team, 32 to 6. The Jackrabbit squad is almost as new and inexperienced as the Floydada squad and their bad loss may not mean too much in the opener.

Lockney Longhorns were smothered by the state champions, the Littlefield Wildcats, 38-6. The north Floyd county contenders battled with a re-shuffled line when Quarterback Conner was taken out with a severe neck injury.

Tulla Hornets won from the Canyon Eagles 18 to 7, and the Spur Bulldogs opened their season with a loss to Haskell, old rivals, 20-0. The Floydada Whirlwinds could

not find themselves and lost to Slaton 19-7.

Mr. and Mrs. O. G. Mayfield and Eugene and Joy Lambert arrived home Thursday morning from California. They reported a very nice time.

Doyle Welcomed In Brazil for Mission Stay

(Rev. and Mrs. L. A. Doyle, Jr., young Baptist minister and wife who left Floydada last year for South America to do missionary work, will be stationed in Brazil after October 1. A July letter giving brief views of their journey in that nation and of their prospects there has recently been sent back to the states. R. Earl Allen, pastor of the Floydada church, released the letter for publication here last week. —Ed. note.)

Rua Germania 175
Campinas, E. de Sao Paulo
Dear Friends:

"Traveling for better than five thousand miles, seeing the work of our Mission Board in North Brazil, attending mission meetings, meeting other missionaries, and choosing a field to work in is in short, what we have been doing for the past six or seven weeks. It would be impossible to tell you all that we have done and seen, but we want to try to give you just a bit of the picture that we have of the work here in Brazil.

Five Days in Rio
At the suggestion of Dr. Everett Gill, Jr., our Latin American Secretary, the man of this house took off for North Brazil on June 5, leaving Janelle and Thelma Gayle in Campinas, E. de Sao Paulo. The first leg of the trip took me to Rio de Janeiro. As this was my first and probably only chance to see Rio, the capital of Brazil, I took advantage of the five days there to see as much of that beautiful city as the time would afford. I could not add anything to the general description of that city, but perhaps just a word about our Baptist work there would be something new to talk about. In the Federal District there are more than sixty Baptist churches, having a membership of better than thirteen thousand. The most impressive thing to me was the publishing house, where all the material for our work is

printed, including the Bible, Sunday School, Training Union, and W. M. U. materials, Baptist song book, the national Baptist paper and many state Baptist papers. This incidentally is the only printing press in all of Brazil that prints the Bible. In Rio, all of the national Baptist work have their headquarters.

I got aboard a four motor constellation plane in Rio on Saturday night, and six and one half hours later I got off in Belem, Para some 1500 miles north (as the crow flies, but about 2300 miles away by boat and a two weeks trip). This was the main purpose of my trip—to go see the work in the city of Santarem, Para, five hundred miles up the Amazon river from Belem.

Kides a Wood Burner
After a few days in Belem, which included some time sailing up and down on the river with Missionary Vance Vernon, Vance and I started out for Santarem by river boat. It took us only four days and five nights to go, which is better time than you can usually count on making the trip. The boat was a wood burner, and stopped at every wood pile along the way—which were only too close together. The church at Santarem is more than forty years old. Missionary Nelson, "Apostle of the Amazon," organized the church, and the second building that Nelson built there is still in use. The story is told that when they built the first building that the rains washed it away, and the Catholic priest insisted that it was "God punishing the Devil and his work"; so Nelson said they would build a building that would stand until the Lord comes again. The only trouble is that he did not build it large enough to meet the needs until then, because now they cannot begin to take care of all their work in this building. They are raising money to build an education building which they must have. Also this church has a preaching point or mission, where they have nearly a hundred every Sunday afternoon in Sunday School and preaching service. The church has started a primary school, and now has 238 students. Their school building is just a large house that does not begin to take care of their needs. The children have to sit in desks that were made to seat four pupils, but five use them, and when the middle one wants to get out, two others have to get up to let him out. This type of desk is

used to save space. Twenty of these students are from surrounding towns where they do not have a chance to go to school, and therefore they must room and board in the same building they attend classes. At night they hang their hammocks over the desks as there is no other place for them. The teachers live in this same building too.

Crave Good Instruction
Everyone realizes this is not a proper building for a school, but this has not affected the work of the school as one might think. The priest has excommunicated all of the parents who send their children to this school, but even this has not kept the children from coming. Parents come and beg that their children be allowed to attend "Instituto Batista," because they can get better instruction here than is possible elsewhere. When the school must turn them away because there is just no place for them, the parents often promise that their children would stand all day if they would just be allowed to attend classes. The school cannot continue under these conditions because the city officials have said that the school cannot operate under these conditions for another year. There is some hope that by the middle of next year we can have a new building for this school. The foreign Mission Board has already granted \$5,000 for the school, and another \$10,000 has been promised. This will construct an up to date building, and put some of the needed equipment in it, but it cannot give all the needed room or equipment to take care of the demand made upon the school. Time did not permit our visiting the other cities around Santarem, but all the people we visited told us of the wonderful response to the gospel in these cities. We feel that this section affords a wonderful opportunity of service, and just as soon as we complete our year of language study in October, we will move to Belem and stay there until the Vernons return from their furlough in July 1951, and then we will move in to Santarem, our new "Home." Twelve American priests have recently got there. Never have Southern Baptists had a missionary to live in Santarem, only field missionaries worked there occasionally, but we feel that this is where the Lord would have us serve.

Served a Banquet
On the way back to Recife I stopped in Fortaleza, Ceara. Missionary Bob Standly took Grayson Tennison and me to see the work in the states of Ceara and Piaui. Space does not allow me to tell about this trip, but I must tell you about one town we stopped in; it was Camacim, Ceara, in which we have no Baptist work at present. Until about a year ago, the last Baptist Missionary to visit this city was Mr. Nelson, who was stoned out of the city several years ago. In the past few months Mr. Standly has been able to make some wonderful contacts for starting work. When we arrived there on our trip, the mayor of the city and the chief of police came out to the airport to meet the new Navion airplane, which Mr. Standly uses to cover two states in his work. They took us to town and served us a real Brazilian banquet. The meal was the chief of police's way of showing his friendship, and the mayor insisted that we come back soon because he wanted the honor of having us to eat at his house. As a going away present they gave us a turkey and a box of eggs. Neither of these men are Christians, but our prayer is that soon our work will be going in this city and that these and many others will come to know our Lord and Saviour. I went then to Recife, Pernambuco for Mission Meeting and to wait the arrival of Janelle and Teege from Rio where they had spent ten days visiting with the missionaries and attending Mission Meeting of the South Brazil Mission.

Needless to say we were a happy family to be together again after almost five weeks of separation. Teege wasn't quite sure of her daddy and was a bit shy, but about half way to town from the airport she reached up and kissed him.

Missionaries in Fellowship
Now let us tell you something about the North Brazil Mission Meeting in Recife. Perhaps you're wondering what this is for; some

fifty missionaries from the states in this mission met to report on progress of the past year and make plans for the coming year. Much discussion goes on as how to advance the kingdom of Christ in this section. But other than the business standpoint this is the one time in the year that the missionaries look forward to for fellowship. In fulfillment of some of the dreams of older missionaries of the extreme western section, and in full agreement with Dr. Gill and the Foreign Mission Board it was voted to divide the North Brazil Mission. This will make more unified plans and progress for both missions possible. The new mission will include the states of Ceara, Piaui, Maranhao, Para, Amazonas, and the four territories. The field where we have chosen to work is in this section, hence we are members of the Equatorial Mission of Brazil of the Southern Baptist Convention. We enjoyed traveling and meeting old and new friends, but home was a beautiful sight. Our new address after October first will be; Mr. and Mrs. Lonnie Doyle, Jr., Caixa 89, Belem, Para, Brazil. Your letters are always looked forward to and welcomed.

Sincerely your missionaries,
Lonnie and Janelle Doyle

Marihelen Lewis, Bill Wason Take Vows in Church Ceremony

Before a background of wood-
gardia fern trees, candelabra of
yellow candles and tall baskets of
yellow mums and fern, Marihelen
Lewis, daughter of Mr. and Mrs.
Lewis, and Billy L. Wason, son
of Mr. and Mrs. Bill Wason of
Matador, were betrothed in a sin-
gle ring wedding ceremony late
Sunday evening. Their vows were
repeated before the pastor, R. Earl
Jett, at the First Baptist church
in Floydada.

The chancellery rails were cover-
ed with sala leaves, and the arch
above which the couple stood was
of sala leaves and small yellow
mums. The steps to the rostrum
were marked by yellow silk cord
and yellow satin ribbon bows.

Miss Ann Deakins lighted the yel-
low candles in the six tall Cande-
labras. Miss Beth Hinson rendered
the organ prelude and played for

Miss Elwanda Martin of Matador,
as she sang, "Because" and "I Love
You Truly". Miss Hinson also play-
ed the wedding marches.

The two bridesmaids, Misses Car-
lene Irby of Rising Star and Pat
Knight of Snyder, and Marian
Boggs, maid of honor, each wore
identical dresses of velvet and hats
to match. Miss Irby, wearing green
and Miss Knight, coral and Miss
Boggs wearing bronze. Each of the
maids and the maid of honor car-
ried shower bouquets of Fujii yel-
low mums and with satin ribbon
streamers harmonizing with their
dresses.

Miss Lewis, entering on the arm
of her father, who gave her in
marriage, wore a blue grey velvet
dress with hat, made of the same
design as her attendants, with a
short grey veil, carrying a muf of
matching velvet, on which was her
corsage, a large yellow orchid sur-
rounded with tulle and yellow satin
ribbon.

The ushers were L. M. Cox and
Mutt Berryman, both of Matador.
The best man was John Briscoe of
Matador.

For her daughter's wedding, Mrs.
Lewis wore a black crepe dress
with black velvet accessories and a
red rose corsage. Mrs. Wason,
mother of the groom, wore a navy
blue ensemble with navy acces-
sories and a corsage of red roses.

After the wedding ceremony, a
reception was held at the home of
the bride's parents, where the bride
and bridegroom and their parents
formed the receiving line, with Miss
Sarah Springer of Matador at the
guest book, registering the guests.

In the dining room, serving, were
Mrs. John Hoffman, Mrs. Fred Mar-
tin, Mrs. Minnie Smartt and Mrs.
Mutt Berryman of Matador. The
table was covered with a hand made
lace cloth and held a center piece
made of large and small yellow
mums in crystal lily pond and six
yellow candles. At one end was a
crystal punch service and at the
other a two-tier wedding cake de-
corated in white with yellow roses
around the edge. On top was a
miniature bride and groom, stand-

Bridal Party Guests of Mr. and Mrs. John at Sunday Breakfast

Marihelen Lewis, bride-elect of
Bill L. Wason of Matador, was hon-
ored with a wedding breakfast at
the home of her aunt and uncle,
Mr. and Mrs. John Hoffman on the
Sand Hill road, Sunday morn-
ing, September 10.

The bride and her attendants
were seated at the dining table,
covered with an egg shell linen
cloth and centered with a hori-
zontal arrangement of yellow and
bronze dahlias. Small gold shells
of mints and toasted nuts were
used as place cards. The break-
fast served was fruit juice nested
in frozen grapes, hot rolls and ham
cheese eggs, fig preserves and crab
apples. A dessert of coffee and in-
dividual, miniature, yellow and
white, three-tier wedding cake was
enjoyed by Misses Carlene Irby,
Pat Knight, Marian Boggs, Ann
Deakins, Elwanda Martin, and
Messrs. L. M. Cox, Mutt Berry-
man, John Briscoe, and the hon-
ored couple.

EAKINS ENTERTAIN

Mr. and Mrs. Willie B. Eakin of
Petersburg entertained her brother,
Robert and Mrs. Montgomery of
Portales, New Mexico, and her par-
ents, Mr. and Mrs. W. M. Dorsey
of Floydada, with a chicken dinner
Saturday night on the terrace of
their home. A lovely evening was
spent and the Montgomerys left
Sunday afternoon for their home.

ing under an arch of maline.

For her trip to Colorado, Mrs.
Wason chose a suit of wine gabardine
with grey blouse and black
accessories. She wore a large yel-
low orchid.

After their return from their
honeymoon they will be at home in
Matador, where a new home, re-
cently finished and furnished,
awaits them.

Mrs. Wason graduated from
Floydada High school in 1946 and
from Tarleton college at Stephens-
ville in 1948. She also attended
Texas Tech.

Mr. Wason finished school in
Matador and then served two years
in the armed forces of World War
II. He has a market in Matador
now, the Wason Market.

Lewis-Wason Bridal Party Are Honored

The rehearsal dinner for the
Lewis-Wason bridal party was given
Friday night September 8, at the
home of Mrs. Jack Deakins, with
Mrs. Grady Walker as cohostess.

The entertaining room was a
garden of flowers, all the rooms
having a profusion of flowers. The
dinner was served buffet style and
small tables were used, being cover-
ed with colored cloths and ranch
style pottery was used. The din-
ing table was covered with a char-
treuse cloth and the center piece
was of orchid and yellow dahlias.

After the dinner the bridal party
proceeded to the church for the
wedding rehearsal.

Mrs. Henry Luncheon Hostess Wednesday

Mrs. R. C. Henry, jr., entertained
Wednesday with a luncheon at her
home, 120 West Kentucky, several
of her friends who at one time
worked with her in the beauty shop
in past years.

Out of town guests were Mrs.

Penhall of Amarillo, and Mrs. Lee
Cavin of Lubbock. Other guests
were Mrs. G. M. Armstrong, Mrs.
George Sherrill, Mrs. Billy Henry,
Mrs. Duncan Hollums, Mrs. Greer
Christian, Mrs. Pete Kendrick.

A lovely meal was enjoyed and
the afternoon was spent in visit-
ing and talking. The previous meet-
ing of these friends was in Ama-
rillo at the home of Mrs. Penhall,
the former Mary Francis McRob-
erts.

Baptists Plan Special Gifts To New 'Home'

The Baptist General Convention of Texas received the deed to the Texas Baptist children's home at Round Rock, Texas, last week. The home, which includes 112 acres of land adjoining the city of Round Rock, and some five Austin stone cottages, designed at the outset to take care of 60 children, was given to Texas Baptists by Mr. and Mrs. Louie Hanna of Round Rock. Mr. Hanna is a young man of 36 years, who has been blessed with opportunities, and who wishes to give others opportunity.

The home will be supported by voluntary offerings from the 3,000 convention Baptist churches in Texas and from gifts of others, who appreciate the work being done. The home will take children of any denomination and from broken homes, and will serve as a placement center for worthy homes desiring to adopt children.

The first Baptist church here will take an offering Sunday morning of voluntary gifts for the new home, that was opened September 1. The pastor, R. Earl Allen, attended the official opening at Round Rock and was a member of the board that accepted the deed.

The brotherhood of the local church, joined by other organizations of the church, will take up a piousness of canned goods, Sunday to be taken to Round Rock in a truck furnished by C. O. Hill, president of the brotherhood. All persons desiring to have a part in this worthy cause can bring the gifts to the church Sunday morning or to the Court House square Saturday. A group of the ladies from the Home-makers class of the Sunday school will attend the truck on Saturday afternoon from 2 to 6 o'clock.

Hargis Family Has Get-Together Here

Two brothers and four sisters, comprising the children of the late Mr. and Mrs. J. W. Hargis, met here for the first time since 1917 in a re-union recently, together with their children and grandchildren.

The two sons are F. L. Hargis, of Anaheim, California, and D. L. Hargis of Floydada, the sisters being Mrs. Della Carr and Mrs. Judie Hendricks, Floydada, Mrs. Thura Johnston of Alvarado, Texas, and Mrs. Sallie Carr of Oklahoma City. The F. L. Hargis came east in mid-August to visit the relatives here. They also journeyed as far east as Kentucky.

Conservation District News

At regular meeting of the board of supervisors of the Floyd County Soil Conservation District September 8 plans for the annual election were discussed. Members of the board attending were Cecil Purcell, chairman, W. H. Nelson, Bert Bobbitt and R. G. Dunlap, members, Miss Leila Petty, Home Demonstration Agent and W. Scott Amend of Soil Conservation Service.

The group made plans for the election of a board member, which will be held in the northeast corner sub-division of the district. The area includes from Silverton highway east to the county line and from the old Flomot road north to the boundary. This part of the district has been represented by Cecil Purcell for about seven years, whose term expires this year. All farmers in this area are invited to attend the election party, which will be held at South Plains, October 3 at 8 p. m.

Applications received for district assistance were approved for the following: Uva Thorn, on her farm south of Allmon and Jack Lackey on a half section of land north of Cedar Hill school.

Agreements between the district and the following operators were approved: Alvin O. Foster, north of Lone Star, Alton B. Chapman, who farms the Dan Falls land west of Dougherty, S. J. Latta, covering a farm a mile north of his home east of Floydada and John A. Lloyd on his land just south of Floydada.

Center News

CENTER, September 11—Weather is still cold and damp. We had another rain last night and haven't seen the sun all day. Lakes are over the road again and some of us are having to stay in.

Mr. and Mrs. D. I. Bolding visited in the J. E. Green home Friday evening. Mr. and Mrs. Charles Horton and children were Sunday visitors in the home of her parents, Mr. and Mrs. Walter Sims.

Mrs. Ross Green and Mrs. J. E. Green attended the W. M. U. association at Silverton Thursday.

Mrs. Claude Carpenter and Rev. Vic Johnson of Altus, Oklahoma, were week-end visitors in the home of Mr. Carpenter's sister and husband, Mr. and Mrs. Leo Prizzell.

The J. E. Greens called late Thursday in the W. A. Latta home at Mt. Blanco. Center H. D. club met Friday afternoon the 8th, with Mrs. J. L. Montgomery. After a business meeting Mrs. Frank Dunn and Mrs. W. B. Jordan had charge of the program. Mrs. Henderson conducted the recreation. Delicious refreshments were served to eleven members. The next meeting is scheduled to be with Mrs. H. B. Mankins September 22.

Marvin Boyd Will Preach Here Sunday

Rev. Marvin Boyd, superintendent Plainview district Methodist church, will preach for the Methodist congregation here Sunday morning, it was announced this week.

Sunday afternoon the superintendent will hold the first quarterly conference for the local church year. The pastor of the church, Rev. R. N. Huckleberry, will preach Sunday night, after spending a part of the week in an inspirational gathering of Methodist Sunday school workers in Oklahoma City.

Miller Sunday, September 10, a daughter, in a Plainview hospital. She weighed nine and a half pounds.

Vic Green and Miss Sue Green, Plainview, Mr. C. A. Cumble, and Mr. and Mrs. Drew Cumble visited in the J. E. Green home Sunday afternoon.

Impromptu Homecoming
After the paper was out last week it became known that some old time members of Center church now living in Oklahoma, were to visit relatives in this locality over the week-end, and that they had expressed a desire to meet all old friends possible.

So by telephone and "grapevine" arrangements were quickly made to have preaching and dinner on the grounds at the church. The idea met enthusiasm, and we are sorry if some old timers not too far away learned of it too late to come. But we want all to plan to come next time.

Since Sunday was not our regular church day, the morning sermon was preached by Brother Vic Johnson, who came with Mr. Claude Carpenter from Altus, Oklahoma. At the noon hour a bountiful dinner was spread. Pictures were made and talks by old timers.

It developed that there were five charter members present of the church when organized in 1916, only one of whom is a member of the present congregation. People continued to come in after dinner till first and last, there were around seventy people.

Officers for an annual home coming were elected as follows: C. O. Spence, president; Margaret Green, secretary; and the program committee, Mrs. Leo Prizzell, Mrs. W. B. Jordan, and R. C. Ross. The time set for the home coming is the first Sunday in September.

Among former members and families present were Claude Carpenter, Altus, Oklahoma, Mrs. A. L. Spence, Los Angeles, California; Mrs. Ava Jackson, Mr. and Mrs. Marion Car-

Mrs. Ed Holmes announced that the Farmers Union will hold its regular monthly meeting Tuesday, September 19. The meeting will take place in the Sand Hill school house at 8 o'clock p. m. New officers will be elected and the Junior reserve will give a report on camp.

Everyone is invited to attend and there will be refreshments.

Mrs. Lola Myers of Dallas, Rufe and Tobe Lambert of Itasca, Texas, have been here visiting their brother, Fred Lambert, who has been in the Peoples hospital for the past six weeks suffering from a heart ailment. Mrs. Myers returned to her home Saturday night. Mr. Lambert is reported this midweek as being improved.

Janice, Judy and Mike Cook of Amarillo, returned to their home Sunday after a week's visit with their grandparents, Mr. and Mrs. Fred Battey. They were here while their parents, Mr. and Mrs. Shelby Cook were in Austin on a business trip.

Sunday guests in the home of Mr. and Mrs. Donald Finkner were Mr. and Mrs. Roland Boenig and son of Waco, Mr. and Mrs. C. P. Fulkerson of Floydada, Miss Katherine Fulkerson of Tucumcari, New Mexico, Miss Emma Hanna, Mrs. W. A. Wall of Plainview, and Mr. and Mrs. J. W. Jackson of Dallas.

RETURN HOME DELAYED

In telephone conversation Monday night, O. G. Glassmeyer learned from Jack Deakins, in Murfreesboro, Tennessee, that he will be unable to come home for a few more days on account of his mother's condition.

Mr. Deakins is to bring his parents to his home here. His mother was injured in an automobile wreck a month ago, and has been confined to her room in a hospital in Murfreesboro since that time.

Mr. and Mrs. C. W. Denison were in Plainview Wednesday to visit the brother of Mr. Denison, Glen Denison, who is very ill in the Plainview hospital.

Miss Florene Cates is here from Dallas for several days visit with her parents, Mr. and Mrs. Buren Cates. She plans later in the month to go to Chicago, Illinois, to begin training for an air hostess for Braniff Airways.

Miss Mary Beth Russell of Lubbock spent the week-end with Joyce Womack.

Ben Walker, Jr., of Berne, Texas, has been here visiting his uncle, J. W. Walker and family.

FRYERS

Young fryers dressing 1 1/2 to 2 pounds this week. Very choice food, no better meat & a price you can afford.

FEED

New stock Stanton's fresh feed. Better arranged since we made more room.
