By Carolyn Glover

Mr. and Mrs. Dan Johnston of this city have recently returned from a trip to Alaska. Mrs. Johnston brought the following to the Review. It was printed on a place mat at the Star of the North Bakery and Luncheonette in Fairbanks, Alaska.

I Do Not Choose

To Be A Common Man

It is my right to be uncommon . . . if I can. I seek opportunity . . . not security. I do not wish to be a kept citizen, humbled and dulled by having the state look after me. I want to take the calculated risk; to dream and to build, to fail and to succeed. I refuse to barter incentive for a dole. I prefer the challenges of life to the guaranteed existence; the thrill of fulfillment to the stale calm of utopia. I will not trade freedom for beneficence nor my dignity

for a handout. I will never cower before any master nor bend to any threat. It is my heritage to stand erect, proud and unafraid; to think and act for myself; to enjoy the benefits of my creations and to face the world boldly and say, this I have done. All this is what it means to be an American.

"Government," said George Washington, "is not reason; it is not eloquence; it is force! It is a dangerous servant and a fearful master."

In 1984 there were 2,247 confirmed incidents of child abuse and neglect in Region 04, with 57 in Callahan County, according to Barbara Evans, Public Information Officer of the Texas Department of Human Resources. Next week will begin a series of topics on how and who to report suspected child abuse and other articles.

Doctor Is Leaving For Abilene Post

Dr. Sampao and Mrs. Simpao have operated the local clinic for the past several months, filling a void of having no physician in the city.

Stone of San Antonio \$10, Mr. and Mrs. Joe Lane of Sonora \$25, Mr. and Mrs. W.C. Arledge of Cross Plains \$15 and D.B. Gunn \$20.

Another \$20 gift was made in memory of Toad and Hattie Baucom by Emma Baucom of Brownwood.

Byrd expresses his appreciation of the generous gifts, and invited additional donations. Gifts may be sent to Mr. Byrd at Route 2, Cross Plains, Texas 76443.

Cross Plains Junior High

MIGHTY MITE TWIRLERS—Shown here are the three twirlers for the Cross Plains Junior High School Band as they were June 10-14 when involved in twirling camp at Hardin-Simmons University at Abilene. They are, left to right, Carie Renfro, daughter of Mrs. Eddie Wyatt and Rod Renfro; Pam Glover, daughter of Mr. and

Mrs. Benny Glover; and Denise Newman, daughter of Raymond and Jewell Newman. The twirlers will lead the junior high band in marching and will perform at Mighty Mite football games this year. Miss Renfro won an excellent ribbon in fundamentals during the training camp.

CHEERLEADERS FOR MIGHTY MITES—Cheerleaders from Cross Plains Junior High School were among approximately 300 participants in the 1985 Big Country Cheerleader Camp held on the campus of Hardin-Simmons University in Abilene June 10-14. The five-day camp was conducted by Southwest Camps of Cisco, with Eris Ritchie as camp director. Instructional staff and program were supplied by the National Cheerleaders Association. The cheerleaders were taught new cheers, chants, stunts, and spirit ideas from a seven-member NCA staff headed by Joni Miller, a professional cheerleading instructor from the NCA's national headquarters in Dallas. Pictured in the photograph are, left to right: Shana Strickland, daughter of Mr. and Mrs. Randy Strickland; Pam Helms, daughter of Mr. and Mrs. Bobby Helms; Stephanie Walker, daughter of Mr. and Mrs. Randy Walker; middle of pyramid, Sharon Walker, daughter of Mr. and Mrs. Mark Walker, and top, Kristi Pointer, daughter of Margaret Pointer. They will lead cheers for the Mighty Mite football team this fall. (Photos by Cotton's Studio, Cisco).

A Message From County Judge Mack Kniffen About History

Dear Fellow Residents And All Former Residents of Callahan County:

I want to take this opportunity to encourage all of you to consider becoming involved in our new county history book. The Callahan County Historical Commission, of which I am a member, is sponsoring this book, and we are all enthusiastic about it. Former residents from California to Virginia have submitted family histories - one family submitted their history and ordered eight books. Hicks Turner, our editor, is receiving as many as twenty family histories a day, but the deadline for submitting the histories is rapidly approaching; once it is reached, Hick's staff will

have no choice but to reject those sent in late. If you want to be included in our book, please take time to write your history, get it typed, and send it to Hicks.

Some people have commented, "I don't have anything interesting to write," or "I haven't lived here but five years." Others say, "I'm not interested in history." To those of you who feel this way, let me say this: We don't want to force this undertaking on anyone, or attempt to make someone feel bad about not getting involved - our purpose is to "capture," so to speak, the people of Callahan County, now and past, for future generations to have available for their study.

Your history might not be particularly interesting to you or your friends - but what about a great-grandchild in the 21st Century? He or she might find fascinating what you consider unimportant.

Another point to remember about our book is that it will be printed on a one time basis only, and it is available solely on a pre-sale basis. I bring this up because I've heard some people plan to wait until the book is published, so they can inspect it and decide if they want to buy one. Please understand that this will not be possible, because no "extra" books will be published. The Historical

Commission does not have the funds to order extra copies. So if you want a book, or think you might, you must order it prior to publication. The cost of the book is \$45.00, and if you want it mailed directly to you, add \$3.00 for postage and handling. You may send your family histories and book orders to Callahan Co. History Book, Route 2, Box 236, Clyde, Texas 79510.

Again, I hope you will consider joining the large number of us already included in this project, and help make this book something we - and our descendants - can be proud of.

Mack Kniffen

Village Market Grand Opening Ceremony Today

Bill Heller, District Manager of the Village Market Supermarkets, headquartered in San Angelo, has announced the grand opening of the Cross Plains Village Market, Wednesday, June 26.

The local store, located on West Highway 36, is the fifth Village Market, and the first with a bakery. Another Village Market will be opening at Tuscola in July.

The ribbon cutting ceremony will be at 10 a.m. with local dignitaries and Village Market executives in attendance.

The facility of approximately 14,000 square feet houses a meat market, produce department, modern bakery, and a large selection of non-food items usually available only in large cities.

Manager Dick Thompson and wife, Shirley, are from El Paso. Dick has been in the grocery business for 26 years. Shirley also works for Village Market as bookkeeper.

Eris Heller, assistant manager, is a graduate of Angelo State University, and now resides in Cross Plains on a management training

program with Village Market.

Roger Cooper, market manager, has 21 years experience in meat marketing. He and his wife, Linda, live at Baird.

Brenda Traylor, bakery manager, is a graduate of Cross Plains High School. She and her husband, Pete, reside at Lake Brownwood.

Teresa Koenig, produce manager, has lived in Cross Plains all her life. She has five years experience in produce.

Dick Thompson states, "We stress the concept of over-all low prices. We don't play games nor give savings stamps which keeps our costs down enabling us to pass the savings on to our customers. We do have a 5 per cent senior citizens discount on Monday and double coupon premiums on Wednesday and Saturday".

Special grand opening prizes are being offered and will be given after a drawing to be held Tuesday, July 9, at 6 p.m. Prizes are a color television, beef hindquarter and \$100 worth of groceries. There will also be free prizes given daily for 14 days at 6 p.m. each day.

L.C. Cash Expires Funeral Held Monday

Funeral services were held at 10:30 a.m. Monday for Lawson Clay Cash of Baird, 88-year old longtime Callahan County School Superintendent and former Pioneer and Cross Plains teacher and coach, at the First Baptist Church in Baird.

Mr. Cash died at 5:10 a.m. Saturday at Hendrick Medical Center in Abilene after a brief illness.

The Rev. Dan Wooldridge, minister, officiated, assisted by the Rev. K. Lane Day of Houston. Burial was in Elmwood Memorial Park in Abilene, directed by Parker Funeral Home of Baird.

He was born Sept. 1, 1896, in Brown County. An educator for 52 years, he was Callahan County School Superintendent for the last

28 of those years. He was a member of First Methodist Church, where he sang in the choir and taught School school.

He married Myrtle Foster Nov. 6, 1916, in Cisco. He had lived in Baird 39 years.

Survivors include his wife; one daughter, Mrs. William B. David of Fort Worth; one son, William Emery Cash of Houston; two sisters, Tennie Reese and Lydia McGahey; one brother, Thadde M. Cash; a sister-in-law, Mrs. J.H. Day of Abilene; four grandchildren; and four great-grandchildren.

Pallbearers were M.L. Hughes, Ken Koetter, Thomas J. Bruttell, William B. David, Dr. W. Kenneth Day, Kenneth Lawson Day and John Bizilo.

Lakewood Guys And Dolls Golf Meet June 29-30

A "Guys and Dolls" golf tournament will be held Saturday and Sunday, June 29 and 30, at Lakewood Recreation Center on State Highway 36, midway between Cross Plains and Rising Star.

Entry fee will be \$50 per team and a catered dinner will be served contestants in the clubhouse Saturday night beginning at 7 o'clock.

Players who desire to post first round qualifying scores before Saturday will be permitted to do so. All scores must be turned in, though, by 6 p.m. Saturday.

Flighting will begin immediately thereafter and pairings for Sunday's play will be posted and announced at the dinner. A calcutta pool is planned.

O.B. Edmondson, Lakewood president, predicts there will be three or four full flights with players participating from Cisco, Baird, Clyde, Brownwood, Coleman and Abilene, as well as Cross Plains and Rising Star.

Further information may be obtained by calling the Lakewood number (817)643-7792.

By Mrs. N. V. Gibbs

Let's not forget that Saturday, June 29th, is the community supper and visitation with neighbors and friends. The meal will be served at 7:30 p.m. We welcome visitors.

Last Sunday Vergil and Thelma Smedley of the Clyde area brought dinner and shared with Warren Price. On Thursday, Bill Coots took Warren for a drive to his place that he hadn't seen in a month from surgery. He is doing better. N.V. Gibbs visited with him Monday.

Ivon Odom was rained out on his combining tour last week and came up to do some plowing for his dad, Sterling Odom. Brittany and Dustin came out with him. Brittany had a set of rattlesnake rattlers, 18 in all that she played with. Ivon had found them in the Gene Finley field when he combined grain there recently. They wanted Joyce and Sterling to see them.

Decendants of Dock and Cora Tabor met for a family reunion in Clyde, Saturday, June 22nd. Those present were, children of Bert and Maude Tabor, Claribel and Voneille Gibbs, and Joyce and Sterling Odom, all of Rowden, and the Odom's daughter, Nancy, her husband and son, Charles and Michael Palmer, of Clyde.

Tabor and wife, Betty, and their two sons of Clyde. Also Anna Bell Tabor of Clyde, and Jewel Swanzy of Clyde and her daughter, Gwen, and her husband, Dr. Marshall Jolly of Midland.

This was the third meeting of this family and the day was spent getting reacquainted, taking pictures and enjoying a delicious meal. Each one on leaving, was looking forward to the next reunion.

Granvel Gibbs returned to his home Tuesday after undergoing lung surgery in the Veterans Hospital in San Antonio. Their company has been her son, Wesley Ash, of Big Lake, Sam and Lois Henderson of Cross Plains, James and Dorothy Reynolds and Voneille and Claribel Gibbs.

Bob and Cathy Dye and their daughter, Julie, are spending the weekend in San Antonio.

Dorothy Reynolds sang for the residents of the Baird rest home Thursday and while there visited Mrs. Leila Gibbs and Ruby Russell.

This writer also visited these two on Tuesday afternoon.

On Thursday, the Carl Bray family of Cisco visited in the Robert Watson home. Later in the week Robert and Dorothy visited in the Phillip Morris home in Potosi.

Mrs. Bill Gray and her mother-in-law, Susie Gray, visited in the Watson home.

Maryana Harrell is visiting one of her school chums, Terry Campbell, in New York City, this week, while her daughter, Leigh, was staying with the Griff Andrews family in Austin. When this writer contacted Don, he reported he was ready for them to come home.

The regular third Saturday community supper was well attended and everyone enjoyed the good food and music. The tables were decorated with sunflowers in green glass vases. The hostesses for the occasion were Liz and Low Golsen, Bill and Addie Walker and Andrew and Doris Walker.

Mrs. Lula Burton passed away a week ago last Monday and burial was in the Burkett Cemetery on Wednesday. Our sympathy goes to the Burton family.

Kenneth Roach of Abilene, Rick and Linda Brinson and Melinda of Coleman were luncheon guests with the D.R. Goulds Sunday.

Montie Jennings and Mr. and Mrs. Bigham were luncheon guests with Ester Johnson in Cross Plains Sunday. And Glenda Hutchins of Bangs visited her mother, Montie Jennings Sunday afternoon.

Jack and Zora De Busk are so glad to be back home, and Jack received a good report. They want to thank all their relatives and friends for the cards and phone calls.

Jack and Zora are happy about their son, Pat DeBusk who is out of the hospital and feeling better.

We are so sorry that Mrs. Nora Jennings was not recognized at the homecoming as one of the lunch room workers and the oldest one there.

Mildred and Dick Klarfield of Houston visited her brother, Wayne Newton and aunt, Kathryn Cravens recently and attended the school homecoming.

Grace Green went to Weatherford with Ed and

Juanita Edmondson after the homecoming last Sunday, and they brought her back to Burkett last Wednesday and visited the D.R. Goulds and other friends.

Sabanno

By Shirley Snodgrass

I have been wondering if you all have taken time to enjoy all of the beauty of our countryside? The Lord has really blessed us. I see all the things He created and I thank Him for them. I see the flowers and trees which have really been pretty. I smell the fresh cut hay and the livestock as well as the wildlife are in good shape. The birds sing day and night. At night the crickets and katydids lull you to sleep. I guess you can tell I love where I live. Everyone should spend a few nights and days in the country and see what God made. Our daughter, Paula Smith, went home Friday after spending a week with us. Her husband, Roy came Wednesday

and spent the night. Our other visitors were L.J. Coker and Idella and Bill Hollis.

Last Saturday Lura Covington of Brownwood had a birthday dinner for J.R. Rector Sr. They also celebrated Father's Day on Saturday, too. All the kids and grandchildren were there. They had a real nice time.

J.R. and Sabrena Townsend of Abilene spent the week with Mr. and Mrs. Bill Hollis. Frank Snodgrass, Wayne and Lena Gage were visitors one day last week.

Mr. and Mrs. Truett Dawkins went to Abilene Wednesday. Oddie got a good report from her doctor. They had made a trip to Eastland on Tuesday. Joe

Brawley of the community and Nunn Brooks and Mr. and Mrs. Charles Cox, all of Cisco, visited them one day during the week. Truett and Oddie went fishing at Brownwood Thursday and came home Friday. They didn't have much luck.

Bobbie Casey of Sabanno visited Mr. and Mrs. Troy Watson last Sunday. Barbara Kanady of Rising Star visited them one day last week.

Dennis and Becky Purvis and girls, Jenny, Laura and Kari, of Sonora are spending the week with Mr. and Mrs. Richard Purvis. Ruth Joy joined all of the family Friday, and they attended the Fandangle at Albany. Sunday they are all going to Six Flags.

Mary and Don Bateson and Darla Clark of Fayetteville, Ark., are spending the week with Mr. and Mrs. Delmer Fitzgerald. Louell and Carlton Winkers of

Abilene visited on Thursday night.

Mr. and Mrs. S.C. Tucker of Rising Star visited Mr. and Mrs. W.R. Erwin during the week. Lt. Col. and Mrs. Rick Terrell of Carlisle, Penn., visited them over the weekend.

Mr. and Mrs. Holcomb have really been busy. Susie Gann and Jamie Holcomb of Ekiah, Calif., visited them for a week. Then Wes and Daisy went to Longview to visit from Thursday to Saturday with Allen Holcomb and family. They attended their great grandson's birthday party and his first baseball game while they were there. They visited Mr. and Mrs. Steve Bailey in Albany on Wednesday. They visited their oldest son and Mr. and Mrs. Eron McCorkle on Monday at Stamford. They went to the LaRehta Ranch on Friday to visit Mr. and Mrs. Threse Martin and to see their new

baby. Sheila Clark of Clyde spent a week with them. Gerald and Shirley Holcomb and Mr. and Mrs. Steve Bailey visited them Wednesday night.

Mae and Ted Green of Cisco visited Mr. and Mrs. Arza Green last Friday. Jim, Becky and baby Jim of Clyde ate lunch with them on Saturday. Nora Lee and Hatasha of Cisco visited them Saturday and Sunday. Their grandson, Larry, Brett and Shane Rogers of McAlister, Okla., spent the week with them and helped them dig their potatoes.

I am sorry if I missed you when I called. It would really help if you would please call me.

Baseball Titles, All Stars Told

Angels and Blue Jays captured championships of the Pee Wee and Little League divisions of the Cross Plains summer baseball program last week.

A 15-player roster of all-stars was selected by coaches and announced between the games at the season wrap-up last Thursday. That unit is expected to play in post-season tournament action, the first of which is believed to be scheduled for Tuesday, July 2, at Gorman.

Angels won two games in the final week of play, both shutouts, 1-0 over the Braves on Tuesday of last week and

4-0 over the Giants on Thursday. Braves clipped the Cubs 6-3 on the final day to insure second place. Giants settled for third although they had gained a share of the runner-up spot on Tuesday with a 5-2 decision of the Cubs.

Little League champion Blue Jays recorded a pair one-run victories in the final week for seventh and eighth wins of the season. In the Nightcap Tuesday of last week the victors came from three runs behind in the last of the fourth for the 8-7 decision over the Buffs, and the Jays staved off a Kilowatt rally at five runs with bases loaded in the last of the

fourth for an 11-10 win on Thursday's opener.

Cats logged wins four and five in their late-season drive in the final week. In Tuesday's curtain raiser the runners-up short-circuited the Kilos 15-10, and in the season finale on Thursday the Cats bombed the Buffs 23-10.

The Cross Plains All-Stars were announced with six Blue Jays dominating selections. Four Cats made the elite squad. Three Kilowatts and a pair of Buffs rounded out the team.

The all-star roster was released as Terri Abernathy, Scott Aurtey, Dusty Bates, Jody Brown, Jason Collier,

Michael Cowan, Kyle Foster, Kenny Horan, Shawn McKeehan, David McKenzie, Justin Melson, Brad Morgan, Chuck Morgan, Brian Sibley and Colby Walker.

The Way We Live Makes Our Electric Meters Run *Faster!*

IN TODAY'S BUSY LIFESTYLES, IT'S OFTEN EASY TO FORGET THE SIMPLE THINGS THAT HELP MAKE OUR ELECTRIC METERS RUN FASTER — AND MAKE OUR ELECTRIC BILLS HIGHER! PRACTICE THE FOLLOWING CONSERVATION TIPS TO HELP SLOW YOUR ELECTRIC METER DOWN AND TO HELP YOU SAVE MONEY THIS SUMMER.

- Set your thermostat on 78° or higher.
- Keep all outside doors tightly closed when your air conditioning system is on.
- Don't leave unnecessary lights on — they add heat to the room and consume unnecessary energy.
- Use fans with air conditioning, to increase comfort at thermostat settings over 78°. Remember to turn fans off when you leave the room.
- Don't leave your refrigerator door open for an extended amount of time.
- Remember to close draperies, blinds, or shades to block the sunlight on hot summer days.
- Use exhaust fans in the bathroom, kitchen, or laundry to help move heat and humidity outside, but remember to turn them off when their job is done.
- Use major heat-producing appliances, like ranges and dryers, during the cooler part of the day.

WEEKLY HEALTH TIP NITROSAMINES

If your diet contains bologna, frankfurters, salami, and other cold-cut type meats containing nitrite preservatives, vitamin C can prevent the nitrite additives from forming cancer-causing nitrosamines in your stomach, reports Dr. S. Mirvish of U. of Nebraska. Some meat processors are adding vitamin C to nitrite-containing meats, however you may protect yourself by taking vitamin C supplements along with any meals that contain nitrite.
