Texas Leads to Fight For Next Democratic Convention

WASHINGTON, Dec. 8.—Dallas will win the Democratic national convention if St. Louis, which at the present time has not great strength, gets out of the race.

Texas in Washington are appealing to all Texans to wire their St. Louis friends and business connections to wire the St. Louis committee now in Washington to support Dallas as first choice. They argue that St. Louis is the great jobbing center of the Southwest and it cannot afford to fight a city in its trade territory.

Texas are more hopeful than ever before over the landing of the big Democratic convention. The special train bearing sixty arrived on time at 1 o'clock this afternoon. All went immediately to the Willard hotel, where Governor Ferguson had opened headquarters for the Texas delegation.

Dallas and Ft. Worth are working shoulder to shoulder in the fight. Mayor H. D. Lindsay and Louis J. Wortham the leaders in the steering committee.

Ex-Senator Bailey and Senator Morris Sheppard are fighting side by side for Texas.

National Committeeman Cato Sell has been on the ground for some time and he is helping lead the attack. Next to Dallas, Chicago is the strongest contender.

The Texas delegation is three times as large as that of any other city and it is the only one armed with a certified check for \$100,000. Scores of Texas in Washington are rallying to the cause and the Lone Star state delegation is thoroughly organized for the fight, which will be decided Tuesday.

W. O. W. Elect Officers.

At the regular meeting of Mountain Camp No. 484, W. O. W. held at the hall last Tuesday evening the following officers were elected: G. W. Bergmann, Jr., C. C. Conrad, Holekamp, A. L. K. G. Durst, Banker; Jas. Massie, Escort; Lee Lowery, Watchman; Verlie Richardson, Secretary; G. R. Ragland, R. O. Newby, Jno. Braley, Mgrs.

I. O. O. F. Elect Officers.

The following officers were elected by the I. O. O. F. here last Saturday evening: Frank Patterson, Nobel Grand; Joe H. Ramsey, Vice Grand; C. W. Bergmann, Jr. Secretary; J. S. Durst, Treasurer; A. G. Farmer, Representative; Frank Bissett, Alternate.

The Citizen is \$1.00 per year—and worth it.

Bishop Capers' Visit

Bishop Capers spent Sunday and preached two most thoughtful sermons at the Episcopal Church. Besides confirming a class of five presented by the Rev. Mr. Mercer.

His illustrations were most original and striking. It is rare that our town has the pleasure of hearing such a talented man.

Before the sermon he spoke of what the Episcopalians were doing in the way of schools in West Texas and directed the congregation's attention to the fact that the winning of the colors bestowed upon the student who possesses the highest sense of honor and diligence in their studies and exerts a personal influence for good in the student body had been awarded and deserved by Miss Dorothy Mudge, by St. Mary's Hall. Mr. Mercer received quite a few compliments from the fact that he has been called the discoverer of Bishop Capers.

\$275,000 Land and Cattle Deal

One of the largest deals consummated in the San Angelo country in many months was closed last Tuesday afternoon, when Sam H. Henderson of this city through Clay Mann land and livestock commission dealer, leased his Kickapoo ranch for a period of five and one-half years and sold all livestock on the property to G. R. White of Brady. The consideration was approximately \$275,000.

Delivery is to begin Thursday and it is to be completed within ten days from the date on which the deal was closed. Mr. Henderson is actively retiring from the ranching business, although he still retains large holdings in Schleicher county. He makes his home in this city.

G. R. White and brother, Charles White of Brady, were here when the property was secured yesterday. Negotiations were begun some time ago and were practically completed Monday night, but Clay Mann did not announce the lease and sale until Tuesday evening.

The Henderson ranch is located in Tom Green and Concho counties and consists of about 50,000 acres. Included in the property are four farms, with an aggregate of 2000 acres in cultivation. The ranch property is well improved, having a fine headquarters ranch house, barns, fences etc. The farms are tenanted and have produced crops this season.

Four thousand three hundred head of livestock were sold in the deal. There were 2000 cows, 12,000 calves, 600 yearling heifers and steers and 500 head of work stock and saddle horses. The prices on each not announced. —San Angelo Standard

Eden vs. Junction.

The football boys and basket ball girls of Eden high school(?) motored over to the Kimble Capitol Saturday and played interesting match games with our local high school teams. Some little car troubles delayed the arrival of the visitors, but when the games did start there was "something doing" every minute. The basketball game came first, and proved to be well matched teams. The playing on each side was good. Each seemed to realize that the winner had to work for the honors. The warm contest finally resulted 9 to 11 in favor of Eden.

The Junction girls are just pinning for another chance at supremacy. It was nearing sundown when the football game was begun—but the game had to be! When our boys caught glimpse of the Eden "big huskies," the general comment was "Wonder how big men grow to be in the Eden country." It was plain the visitors had us outclassed in weight. But when the game started the "big huskies" proved to be not near as bad as they looked. The locals jumped in with a vengeance and demonstrated our confident visiting heavyweights that bulky avoidpoids isn't all there is to football. Urged on by the enthusiastic rooters, the locals just as politely as possible dishd up a nice, well flavored defeat, served with "rah! rah!" dressing, with the sauce of general good humor over the whole—and served hot. It was interesting, then it was exciting. Then it was amusing. When with the shades of darkness the battle ended the "Garden of Eden" was blighted with the shadow of disappointment. Game stood 13 to 0 in favor of Junction.

The Junction basketball girls extend their sympathies to the Eden football boys, and, with them, hope for brighter days.

A Surprise Dinner.

A surprise dinner was given at the ranch home of J. R. Hull for his father and mother's 38th wedding anniversary, Mr. and Mrs. J. T. Hull. Among those present was the host and hostess Mr. and Mrs. J. R. Hull and baby; Mr. and Mrs. M. C. Hull and children; Mr. and Mrs. J. T. N. Hull and baby; Mr. and Mrs. F. M. Hull and children of Leskey Tex. Mr. and Mrs. A. Hull of Hot Springs Ark.; Mrs. Apelt and daughter; Mr. and Mrs. Cobb and children.

At eleven thirty Mr. and Mrs. Hull and all their children were seated at the table where they partook of a bounteous dinner which was enjoyed by all. After dinner all returned home wishing Mr. and Mrs. J. T. Hull many more years of happiness and declaring Mr. and Mrs. Hull the best of host and hostess.

CRYING FOR HELP

Lots Of It In Junction But Daily Growing Less.

The Kidneys often cry for help.
Not another organ in the whole
body more delicately construct-
ed. Not one more important to
health.

The kidneys are the filters of the
blood.

When they fail the blood be-
comes foul and poisonous.

There can be no health where
there is poisoned blood.

Backache is one of the frequent
indications of kidney trouble.

It is often the kidneys' cry for
help. Heed it.

Read what Doan's Kidney
Pills have done for overworked
kidneys.

Proof of merit in the following
statement:

M. N. nailor, prop. of tinning
& plumbing shop, Main St.,
Kerrville, Texas, says: "My
trouble was due mostly to disor-
dered kidneys. The kidney se-
cretions were unnatural. When
I overworked my back pained
severely, and often I could hardly
straighten up after stooping.
Doan's Kidney Pills quickly re-
lieved these symptoms of kidney
trouble. On several occasions
since then when I have needed
a kidney medicine, I have taken
Doan's Kidney Pills with just as
good results."

Price 50c. at all dealers. Don't

WAR UPON PAIN!

Pain is a visitor to every home
and usually it comes quite unex-
pectedly. But you are prepared
for every emergency if you
keep a small bottle of Sloan's
Liniment handy. It is the great-
est pain killer ever discovered.
Simply laid on the skin no rub-
bing required—it drives the
pain away. It is really wonder-
ful.

Mervin H. Satter, Berkeley,
Cal. writes: "Last Saturday, af-
ter tramping around the Pana-
ma Exposition with wet feet, I
came home with my neck so stiff
that I couldn't turn. I applied
Sloan's Liniment freely and
went to bed. To my surprise,
next morning the stiffness had
almost disappeared, four hours
after the second application I
was as good as new."
