Registration Dates Set For Beef Referendum

All area cattle producers are reminded of the special sign up for voting on the upcoming beef referendum.

Registration dates are from June 6-17 with actual voting dates set July 5-15. However, you MUST be registered in order to vote.

Two area meetings were held for the purpose of explaining the issues on the referendum to area cattlemen.

Charlie Koontz, local feedyard manager, said that the program is a program by cattle producers and for cattle producers.

Koontz also stated that at least 50 per cent of cattle owners who register MUST ALSO VOTE - and two-thirds must vote affirmatively -- in order for the referendum to be valid.

Those eligible to register and vote include 4-H youths, FFA members, men and women who own livestock.

There is no age limit or minimum requirement of numbers of cattle owned in order to qualify to vote. Any questions about bonafide ownership can be resolved by tax records, sales slips, registration papers or any other valid papers showing ownership of livestock.

The Beef Market Devlopment Program hopes to raise $30 to $40 million through voluntary contribution each year to invest in consumer education, research and foreign market development.

K's Share Hobbies

Kelly, Kristie and Kimberly McNeeley share the same monogram but, unlike many sisters, they also share a love of the same hobbies.

Daughters of Mrs. Marilyn McNeeley, each is an avid fan of basketball. The trio participated in Little Dribblers' basketball in this first year the program has been held in Olton. All three were chosen to All Star teams but a knee injury is preventing Kelly from tournament play.

Each girl also likes tennis and swimming. Kelly and Kristi are also water skiing enthusiasts.

The girls like to cook and do quite a bit of baking. Kristie particularly likes cookie making. On the days their mother works, the girls are "Chief Cooks" in the McNeeley household.

Their Grandmother McNeeley confirms they are "good pea shellers" and Kristie admits that she enjoys that summertime task.

If they had their "druthers," all would pick dishwashing over drying but Kim doesn't mind the wiping chore.

Kelly will be a freshman when school starts again. Her favorite subject is math.

Going into the eighth grade this fall, Kristie says she has no favorite subject but likes all her studies.

Reading is the first pick of Kimberly, the fourth grader who prefers the shortened form of her name. She also likes math.

The McNeeley girls moved to Olton in the fall of 1973 when their dad, the late Lewis McNeeley, bought a partnership in Farmers Pump Company. Their mother works part time at Leon's Grocery.

Mr. Sullivan, Miss Dickenson Exchange Twin Ring Vows

In a candlelight ceremony Saturday, May 21, Miss Chesna Rhea Dickenson and Bryan Edward Sullivan were united in marriage. The Rev. John Lewis, pastor, directed the double ring vows exchanged in First Baptist Church.

Parents of the couple are Mr. and Mrs. W.B. Dickenson Jr., and Mr. and Mrs. Charles Sullivan.

An arched candelabra to the rear and above the altar area of the church was fitted with white cathedral tapers.

An arched candelabra to the rear and above the altar area of the church was fitted with white cathedral tapers. An archway of tropical greenery interwoven with gypsophila centered the area and was flanked with spiral candelabra, also fitted with white cathedral tapers, and baskets of white gladoli and white cathedral tapers, and baskets of white gladoli and chrysanthemums. A white wrought iron prie dieu to the rear and white memory candle to the front completed the altar setting.

Tropical greenery and gypsophila, tied with white satin bows marked the bridal aisle. White tapers burned in each of the sanctuary windows. Baskets of white gladoli and mums stood in the foyer where Mrs. Jimmy Jones, Lubbock, friend of the bride, registered guests.

Gary Dickenson, brother of the bride, presented appropriate nuptial selections at piano. He was later joined by Harold Dean Carson, organist, for a continuation of the musical program, which included "How Great Thou Art" and "One Life", a composition of the organist.

Congregational singing of "Sweet, Sweet Spirit" was directed by Carson, who also accompanied Miss Lisa Taylor, Friona, friend of the bride, as she sang in benediction "Make Me An Instrument of Thy Peace."

Presented in marriage by her father and mother, the bride was escorted to the altar by her father. She wore a Baroque style gown of white English net and organza appliqued in Venetian Point lace.

The moulded bodice featured a high oval yoked neckline appliqued in Gothic points and a wedding band collar. Long candlestick sleeves repeated the Baroque motif. The Princess silhouette was completely etched in clusters of Gothic lace forming an apron effect. Fullness of the silk organza skirt swept to the back forming a train, striped in vertical tendrils of lace beading with lace flower motifs sprinkled throughout.

The entire hemline and train was encircled in the heavy Gothic points. Her matching lace mantilla was secured by a Juliet style capulet.

The bride carried a white Bible carried by her mother at her own wedding. Redecorated by Mrs. J.E. Carson, it was covered in white lace adorned with seed pearls. She also carried one long-stemmed satinized white rose.

She wore a bracelet "borrowed" from a friend, Miss Janice Johnston of Brussels, Ont. Canada; for something "old" she carried a handkerchief having belonged to her maternal great grandmother, and she wore the traditional "blue".

The exchange of wedding vows closed with a reading of the poem "Forever" by Mrs. Marilyn Miller, friend of both bride and groom.

Miss Connie Thomas, friend of the bride, served as maid of honor. Bridal attendants were Miss Robin Criswell and Mmes. Christine Dickenson, sister-in-law of the bride, Martha Gray and Cynthia Gunter. Candles were lighted by Miss Alita Garrett, Abilene.

Feminine attendants complemented the wedding theme, wearing all-white gowns of French cotton voile. Trim Princess silhouettes were designed with scoop necklines framed in fluted Bertha collars. The A-line skirts were encircled in deep ruffled flounces. Carrying nosegays of white roses and baby's breath, each wore a clip of fresh flowers in her hair.

Gale Long served as best man. Groomsmen were Nicky Green, Darrell Ogletree, David Smyth and Don DeBerry, friends of the groom. Guests were seated by Russell Evans, Plainview, nephew of the bride, and Rex Boyles, friend of the groom.

Junior ushers Ron Raffan, nephew of the bride, and Jason Huff, cousin of the groom, distributed programs.

For her daughter's wedding Mrs. Dickenson chose a carpet length gown of white sheer with floral design. The mother of the groom was gowned in light blue crepe. Both added white orchid corsages, and matching accessories.

Immediately following the ceremony the young couple was honored with a reception in Fellowship Hall of the church, Mis Cynthia Norfleet presiding as hostess.

The bride's table, covered with a fitted cloth, was overlaid with silk organza. The table top was bordered with pink satin ribbon in lace insertion. Hemline of the cloth was edged with Peau-de-Ange lace. Rising from a scalloped base layer, the three tiered wedding cake was frosted in white confection and topped with fresh pink flowers. Fresh pink flowers were placed at intervals encircling the base.

And Grandchildren

With the misfortune of two surgeries within a short time, we are most unfortunate in having such wonderful friends. We want to say a big thank you to those who made their concern known through prayers, cards, visits, flowers and foods.

Gratefully,
Bert and Lorene Stewart

We would like to say thanks so much to everyone for cards, flowers, visits, calls, while I was in the hospital. Thanks for the food you brought when I came home. We appreciate your kindnesses.

Pearl McAlister

Words can never convey my thanks and appreciation to each of you who have, in so many, many ways shown your love and concern for me while I was in the hospital and since I have been home. You, my friends, are my richest assets and I love you with all my heart.

Helen Bohner

I want to express our sincere thanks to everyone who was so thoughtful and kind to me while I was in Houston.

Words cannot express my thanks to everyone who sent cards, letters, flowers and most of all the prayers that were for me.

We will always have a special place in our hearts for all the nice people here at home.

My God bless you and keep you.

Zimmatic Corner Pivot adds dollars to quarters

One hundred and fifty acres over 93% of a quarter-section. That's how many acres you can reach with Lindsay's new Corner Pivot. The Zimmatic Corner Pivot rounds out the four corners of your field ... adds them to your profit picture.

The Zimmatic Corner Pivot is self-contained ... no wires are buried in the field to complicate your maintenance or trouble shooting. Ideal water break-up and the right droplet size are assured from both the mainline sprinklers and the Corner Pivot sprinklers ... accomplished during corner watering by directing full water pressure to the Corner Pivot while the mainline sprinklers are shut down. Adequate water pressure means top sprinkler performance which provides efficient absorption and even water distribution across the entire field.

The same engineering and design concepts found on standard Zimmatics are used on the Corner Pivot. Lindsay's external collector ring transfers a sure flow of power to the Corner Pivot and standard, heavy-duty Zimmatic gearboxes provide years of reliable service. Most of the structural parts are identical to those on standard Zimmatics. Time-proven dependability, simplified maintenance and automatic operation make the Corner Pivot all Zimmatic.

Lindsay also offers a semi-automatic Corner Gun™ watering system. It irrigates fewer additional acres than the Corner Pivot but costs less initially. The Zimmatic Corner Gun may be the system you need.

Round out your corners and fill in your profits with a Zimmatic corner watering system. We'll be glad to give you all the details. Call or stop in today.
