Two separate accidents claim fatalities

Two wrecks last week in Mitchell County ended in fatalities, and one claimed the life of a 39-year-old mother that lived at Lake Colorado City. An elderly California man was killed in a head-on collision the next day.

According to Department of Public Safety Trooper Frank Casares, a call came in on Wednesday, May 28th, about 6 a.m. Oilfield workers reported finding a one-vehicle accident on County Road 204, off Enderly Road.

Tracie Dulin, age 39, died in the rollover accident when her 1999 Toyota 4-Runner left the road and flipped. Dulin was not

wearing her seatbelt and was ejected from the vehicle during the accident.

The Colorado City woman lived at Lake Colorado City with her 20-year-old daughter, Autumn, and first grade twins, Karmandy and Kennedy. She also had a granddaughter, Zoe. She is survived by her parents, Tommy and Connie Dulin who also live at the lake. She worked at Buck's Café in Westbrook.

Within 24 hours of the first accident, emergency workers were called to the scene of another accident, this one on I-20. A 79-year-old California man was killed Thursday in an accident that happened

about five miles west of Westbrook.

Robert Beaufort Case of Homeland, California was traveling east in the west-bound lane of I-20 in his 2000 Mercury and crashed head-on into a 2006 Freightliner 18-wheeler driven by Eliseo Quintanilla, age 30, of Houston. Case was killed in the crash, and Quintanilla was transported to Mitchell County Hospital where he was treated for minor injuries and released.

Case was pronounced dead at the scene by Justice of the Peace James Williams at 1:40 a.m. on Thursday. His body was taken to Kiker-Seale Funeral Home in Colorado City.

Tracie Dulin

Commissioners lift burn ban

Members of the Mitchell County Commissioners' Court convened Monday morning to rescind the burn ban thanks to recent rains in the area. The ban has been lifted until July 7th, as requested by Colorado City Fire Chief Rufino Martinez.

Commissioners have set a meeting for July 7th to revisit the prospect of reinstating the ban, depending on weather conditions between now and then. The ban can be reinstated at any time if conditions in the county worsen, according to County Judge Ray Mayo.

"Now is a good time to do this," volunteer fire chief Rick Goodney said Tuesday. "We know people need to burn, and now is good while everything is still green."

For now, residents in the county can perform controlled burns, but the fire department should be notified by calling 325-728-5252 before doing so. If there's no answer at the fire station, call the Colorado City Police Department or Mitchell County Sheriff's Office before burning to prevent unnecessary fire calls.

Chaney's take over ownership of local pharmacies

Mitchell County natives John and Jody Chaney have purchased two existing businesses in Colorado City, and the pair are excited about being business owners in the community they already love. The Chaney's recently bought City Discount Drug and Perkin's Apothecary & Mercantile from Rick and Patty Perkin.

"We're very excited about all this," Jody said Monday. "It's been a dream of ours for a long time."

John and Jody both grew up in Mitchell County, and except for going away for college, the two have always lived here. Their dream began 14 years ago when Jody graduated from pharmacy school. After working as a pharmacist at Perkin's and Mitchell County Hospital District, she is now able to realize her dream which became official at the end of May.

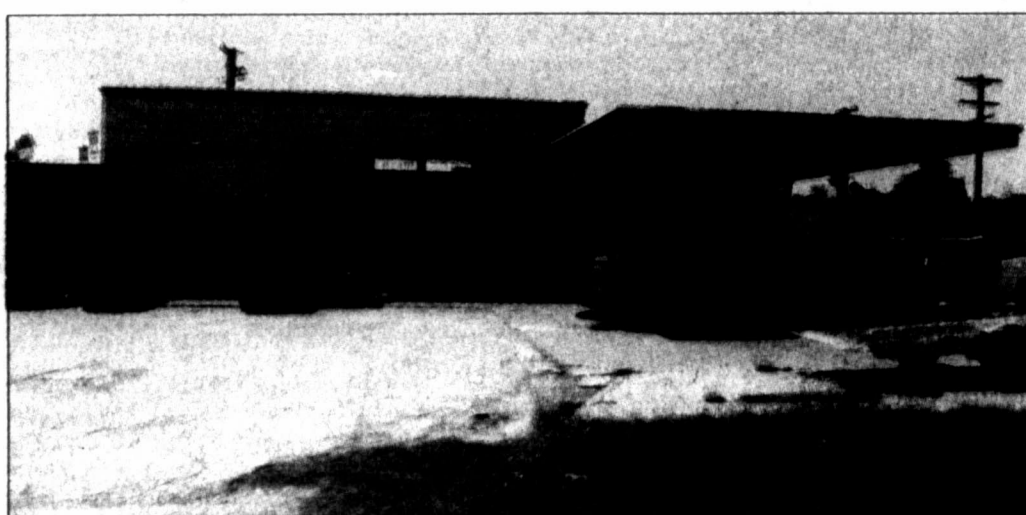

Not only did the couple purchase the two pharmacies, the acquisition includes the gift shop already in operation at Perkin's on Walnut. Jody said they plan to keep the same personnel and same services that residents have come to count on at the two businesses. Shannon Richburg will still

NEW OWNER - Pharmacist Jody Chaney and her husband, John, have purchased City Discount Pharmacy and Perkin's Apothecary & Mercantile. For now, operations and personnel will remain the same, and customers can expect the same great hometown service and products.

be overseeing the gift shop side of Perkin's. The store will still accept and help customers with registries, and Chaney said she is planning to go to market soon to shop for new merchandise.

END OF AN ERA? Shorty's Place, once a full-service gas station on Walnut, is no longer selling fuel. Concerned citizens can contact McCormick Marketing in Snyder to voice their concern about the recent change.

The end of the era

Full service gas station will be missed

As many may know, there has been a change at the only full-service gas station in Colorado City. It is no longer a gas station. Shorty Brown still leases the station and performs oil changes, small engine repairs and tire work, but the station no longer sells gasoline.

The facility between 5th and 6th Streets on Walnut is owned by McCormick Marketing, a company headquartered in Snyder. McCormick Marketing, at one time, owned at least 28 stations like Shorty's Place but has been selling them off. The Colorado City station is one of the last facilities of its kind still owned by the

company.

Mike Dennis, owner/operator of McCormick, has made the decision to stop supplying fuel to the station, saying the place was not selling enough gas to be cost effective. Fuel distribution companies pay many costs above and beyond the cost of the fuel itself, including permits, taxes and governmental requirements.

While the cost effectiveness is important, Brown says he is concerned about the citizens who can't pump their own gas due to health issues and others living on a fixed income. He has

"Scarce workforce" is one hold up on the power plant construction

Sue Young, Board of Economic Development Director, presented the program to the Lions Club at the weekly Friday noon meeting in the Civic Center. Young gave attending Lions and their guests an update on the projects ongoing in the county.

Young addressed the hopes and expectations of the Cline Shale oil play. She encouraged Lions to keep their eyes on the future. She said that increased oil drilling had been slower to move into the area than in other shale plays, something she sees as better than a sudden boom.

"Slower growth may be better," she said. The fact that Mitchell County has had extra time to prepare for the expansion should be seen as a positive. The city has been able to secure \$1.2 million in grant funding to extend infrastructure, allowing for development along the I-20 corridor.

Young then gave an update

on the FGE Power, LLC, power plant planned for construction near Westbrook. She said that the company now has permits in hand which allows for application for the final phase of funding.

She said she is unsure of a date on the groundbreaking but hopes it will take place before July 4th. One of the obstacles of construction has been a scarce workforce. Lavilan, the company that will construct the plant, has had to secure a workforce from other areas. About 85% of the construction workers will relocate from other areas when construction begins.

"There's good and bad to that (the influx of workers)," Young said, adding that new people and new money is a welcome change but may be a drain on area resources such as groceries, gas, etc. Up to 500 people will be relocating to the area to work on

the plant's construction.

Young said that many types of workers will move into the area, such as welders, dirt workers, cement workers, and skilled craftsmen of various types. However, she also said that the intention of FGE is to hire locals as much as possible and especially veterans. "This company is so green and so patriotic," she said.

She explained that several companies associated with the power plant's construction will be bringing and constructing temporary, semi-permanent and permanent housing for workers. "I think they will be structures we can be proud of," Young said.

After construction is complete, 25 permanent employees will remain for the first phase of the plant and 20 for the second. "It will be good for our community, our schools and our hospitals," Young said.

A NEW CHOICE — Lantana Apartment Homes is open, and manager Judy Bartels (holding dog) is ready to lease the modernized, updated apartments. The Chamber of Commerce hosted a ribbon-cutting to mark the opening of the complex. Pictured are (l-r) Susan Anderson, Shirley Pena, Martina Luna, Tresa McMillan, Amanda Jo Ritchey, Jennifer Mendoza, Bartels, Janna Ratliff, owner Susan Gill, Beth McDaniels, Tarye Nell Herm and Brigada Hiser.

Swimming lessons to be offered

The city public swimming pool in Riddick Park opened Saturday, May 31, to the delight of kids who were released for summer vacation last week. Dates have been set for two sessions of swimming lessons, according to pool manager Kristi Salazar.

The first session is planned to be held June 24-27 and July 1-4. A second session will be held July 15-18 and July 22-25. Cost is \$30 per swimmer and lessons will be held at 9 a.m. and 10 a.m. each day.

The pool is open Tuesday through Sunday each week from noon to 5 p.m. Lifeguards are on duty for the safety of swimmers. Cost is \$2, a cheap price for some cool fun on a hot west Texas afternoon.

Salazar said the pool is available to rent for swimming parties for \$50 per hour with a two-hour minimum. Call 325-728-8845 to make reservations now.

Elizabeth Cox Mathison 1919-2014

FLORIDA — Elizabeth Cox Mathison went to the welcoming arms of Jesus, her Savior, on May 14, 2014, in Winter Park, Florida. Although her later years were spent enjoying life in Florida, she was still a Texan at heart and held many fond memories of her life in Colorado City, which was her home for so many years. And now she is coming back home to be laid to rest.

Born March 28, 1919, in Sweetwater to father Myrt Taylor and mother Mayme (Baldwin) Taylor Dozier, Elizabeth lived in Colorado City for most of her life. She had an older brother, Donald M. Taylor, who was born in 1915. When Elizabeth was only four years old, tragedy struck the family when their father died during the flu epidemic of 1923. As a result of their mother's fierce determination and drive to provide for her children as well as to make a nurturing home for them, they were both able to attend college and become successful adults.

Elizabeth met her future husband, William Howard Cox, while she was attending Texas State College for Women in Denton. After they married, they moved to Colorado City where he was in business in the 1940's as a dirt contractor, building terraces and tanks over two counties. In the 1950's, they started the W. H. Cox Insurance Agency. After several years, she left the agency to join her mother at Colorado City Abstract Company which she eventually bought and operated until her retirement at the age of 72.

Howard and Elizabeth had two daughters, Carol Ann and Mary Louise. They were active at the First Baptist Church which became the center of many life activities. Howard and Elizabeth enjoyed a Friday night canasta club with some special friends (Doyle and Frances Kiker, Henry and Aura Doss, Luke and Lucy Thomas, Kelly and Margie Treadaway). Elizabeth was also active in her bridge club.

After the death of her husband, Howard, in 1988, Elizabeth moved to Winter Park, Florida, where she enjoyed her retirement years at Winter Park Towers, a Presbyterian retirement center. With no particular thought of re-marriage, she fell in love with R. P. Mathison, a widower who also lived at the towers. They had five happy years of marriage before he passed away. She was loved by many friends and staff at Winter Park Towers during her 23 years there.

She is survived by daughters Carol (Adair) Ratliff of Maitland, Florida and Mary Louise (Allan) Neale of Denton; six grandchildren, Rebecca (Brad) Podhajsky of Parker, Colorado; Christy (Don) Scanlon of Orlando, Florida; David (Jen) Ratliff of Chicago, Illinois; Susan (Kevin) Wass of Lubbock, Paul (Cassandra) Neale of Denton, and Rob (Sarah) Neale of McKinney; and 10 great-grandchildren.

A graveside service will be held in her honor at 3:00 p.m. on Saturday, June 7, 2014, at Colorado City Cemetery.

Laura Belle Hock 1928-2014

OKLAHOMA — Laura Belle Courtney Hock died Saturday, May 31, 2014 in Davis, Oklahoma. She was born February 13, 1928. She died at the age of 86 years old.

She is survived by two daughters, Connie Duvall and husband Jack of Grand Prairie, Billie Kay Morgan and husband Leon of Arkansas; and one daughter-in-law, Gail

Trout of Loraine; 11 grandchildren; and 16 great-great grandchildren; one brother, Billie Dean Courtney and his wife, Martha; two other sisters-in-law; and numerous nieces and nephews.

A graveside burial was held on Tuesday, June 3 at 2 p.m. at Green Hill Cemetery in Davis, Oklahoma. Funeral arrangements are under the direction of Hale's Funeral Home of Davis, Oklahoma.

Tracie Lea Dulin 1978-2014

COLORADO CITY — Tracie Lea Dulin passed away May 28, 2014 in Colorado City. She was born August 30, 1978 to Tommy and Connie Dulin.

Tracie was a ray of sunshine, she brought joy to everyone she met. She had a personality that could only be described as fabulous. She was also very funny and could easily make you laugh. Tracie always said, "You never know what a person is going through, so be nice to everyone." She was an advocate for human rights and often reminded others about what is going on in this world. She was the type of person that stood up for what she believed in and would give you her last dime if you needed it. Tracie also loved to write and she was very good at it. She has been published for her poetry, wrote a book and she was a freelance writer for magazines. Another thing that is much known about Tracie is that she loved coffee and has probably visited every coffee shop around. She also liked going to the farmers markets and would encourage everyone to buy from local businesses because they needed it. She also loved meeting with family and friends for lunch. She was the type that would get to know you and would listen to what you had to say. But what Tracie loved the most in this world were her three daughters Autumn, Karmandy and Kennedy as well as being a grandmother or "Bugsy" to her granddaughter Zoe. She was a great person and will be forever missed.

Tracie is preceded in death by her grandparents, Joe and Ozelia Dulin, Lloyd and Maria Shattuck; uncles, Harold and Fred Dulin; and aunts Carolyn Shattuck and Virginia Reynolds.

Tracie is survived by her three daughters, Autumn, Karmandy, and Kennedy Dulin; granddaughter, Zoe Blyss Dulin of Colorado City; her parents, Tommy and Connie Dulin of Colorado City; sisters Lisa and brother-in-law Brian Murphree of Midland; Robin and brother-in-law Billy Massie of Grapevine; brother, Tommy and sister-in-law Memory Dulin of Midland. She is also survived by her great aunt Margie Bolton of Sulfur Springs, Louisiana; uncle Bill and aunt Diane of Abilene; aunt Pam of Abilene; nieces Brianna Frick and husband Tyler and their children Gavin and Isaac, Kaede and Jocelyn Massie and Brooklyn Dulin; her nephews, Taylor and Jonathan Murphree and Tommy Alexander Dulin and soon to be Tiberius Dulin.

A funeral service was held at 11 a.m. on Saturday, May 31, 2014 at Crestview Baptist Church. Dr. John Gerlach will be officiating.

In lieu of flowers a memorial fund has been made in her honor. Please visit <http://funny.com/TracieDulin-pass-away?fbshare>. Donations may also be made towards the Baptist Crisis Center 806 S. Baird Midland, Texas 79701 or a charity of your choice.

Online condolences may be offered at www.ellisfunerals.com.

POLICE REPORT

On May 24th at 2:26 p.m., an officer was dispatched to the 700 block of E. 14th in reference to a damaged vehicle. An unknown person or persons had damaged a city work pickup by shooting a BB or pellet through the rear window.

On May 24th at 10:54 p.m., an officer responded to the 700 block of E. 6th Street in reference to a burglary. An unknown person or persons had broken the back door to gain entry to the residence and removed items from inside without the owner's consent.

On May 25th at 12:06 a.m., an officer was dispatched to the 300 block of E. 15th in reference to a burglary. An unknown person or persons had forced open a door to gain entry to the residence and removed several items from inside without the owner's consent.

On May 25th at 2:53 p.m., an officer was met at the police department by a complainant. An unknown person or persons removed a bicycle from his property between the hours of 6 p.m. the day before and 2 p.m. the

following day.

On May 27th at 8:47 a.m., an officer observed a vehicle traveling south in the 2300 block of N. Hwy 208 in excess of the posted speed limit. A driver's license check revealed that the female driver possessed an outstanding warrant in Scurry County. The warrant was confirmed through police dispatch. The 34 year old female was arrested and taken to the Mitchell County Jail where she was booked accordingly. She was also issued citations for speeding, no insurance and an expired driver's license.

On May 27th at 12:37 p.m., an officer observed a vehicle in the 100 block of E. 8th Street fail to signal within 100 feet of a turn. A traffic stop was initiated. Upon making contact with the driver he stated he did not have a driver's license and gave the officer a false name. After positive identification of the 37-year-old male, he was found to possess an outstanding warrant in Dallas County. He was arrested and taken to the Mitchell County Jail where he was booked accordingly.

LETTER TO THE EDITOR

Letter to the Editor:

Why does astronomy not upset fundamentalists?

The "theory" of evolution has been alive and well since Aristotle. It gained infamy when Darwin published "The Descent of Man". This challenged the biblical account of the origin and godliness of man. A sweeping blow to man's conceit and everlasting life.

Creationism is a misrep-

resentation and a misunderstanding of geology. Its purpose is to discredit evolution because it is perceived to debunk the biblical account.

There is no "missing link" in evolution as seen by professional geologists. Man is an intelligent animal. His intelligence is his glory. His awareness troubles him. He just needs to grow up.

been doing business at the location for about 10 years.

"I used to see a lot of folks who drive in here to get gas because they can't get out and pump their own," Brown said. "I also saw a lot of people who are on a fixed income. I could charge the gas to them, and they could pay monthly. It would really help them out."

Brown said that Dennis is interested in selling the station, but potential owners should understand that they would have to apply and secure fuel permits before selling gasoline or diesel. "There's a lot of red tape," he said.

The Record has heard many residents say that they want Shorty's Place to sell gas, and many have asked to contact the company in order to make that request. Anyone interested in voicing their concern to Dennis can reach him by calling 800-725-6365.

For now, Brown will continue to change oil, fix flats and work on small engines such as lawnmowers, weed eaters and chainsaws. Shorty's Place is open Monday through Friday from 7:30 a.m. to 5:30 p.m. and from 7:30 a.m. to noon on Saturdays.

CHANEYS

FROM PAGE 1

"Our ultimate goal is to continue to serve with a hometown atmosphere, local feel to the stores," she said. She also said they are looking for feedback from the community, and she welcomes people to stop by with their ideas and suggestions.

"We want to make them (the businesses) a part of Mitchell County, as much as we are," Jody said.

Pharmacists Jerry Muñoz and Larry Smith will continue to help Chaney run the two businesses. She will be floating between the two as needed.

City Discount employees Laura Garcia and Tiffany Casares will still be helping customers who visit the pharmacy inside Fuller Foods. Perkin's employee Maggie Espinoza will also remain to help customers there.

"I count on them. They know the job, and that knowledge is indispensable," Jody said. She said that she had a boss once that called day-to-day experience "tribal knowledge", and that kind of knowledge is very valuable to employers.

Chaney said she plans to keep accepting insurances the pharmacies already take and may even expand the service in the future.

The Chaney's have been married since 1994 and are the proud parents of triplets, Ethan, Sadie and Seth.

NEW RIDE — The Colorado City Police Department replaced an aging Dodge Charger with this new Ford Explorer Police Interceptor last week. The new vehicle was delivered last Wednesday.

CCPD sporting new vehicle

A new tool to aid in the protection of Colorado City's citizens has arrived at the police station. A 2014 Ford Explorer Police Interceptor has been added to the force's vehicles to replace one of the aging Dodge Chargers. The vehicle is at the disposal of the department, but Sgt. Traven Berrie will be driving the new SUV while on patrol.

The four-wheel drive vehicle is specifically built for law enforcement, and there are several features added to outfit the SUV

for patrol. Chief Luis Aguilar said that window barriers have been added to the backseat to help prevent injuries and window damage from offenders banging or kicking them.

Also, red and blue LED lights were added to the back of the vehicle which will add extra illumination in the dark. The lights will also help distinguish the CCPD's vehicle from other law enforcement and emergency vehicles.

The SUV came to the station

upfitted with all the items necessary for use by police, but local officers got to test one out before it was purchased just to make sure it would do the job. The Explorer has been designed to shift power between the wheels which helps prevent sliding while driving around curves on loose pavement. "There's a lot more room in it too," Berrie said last week, making for a more comfortable ride for the officers who will spend many hours in it keeping Colorado City's streets safer.

C-City Public Works Dept. begins mosquito spraying

Recent rains have been just what the doctor ordered, but wet conditions and standing water bring out the mosquitoes. According to Public Works Supervisor Jason Free, the City of Colorado City began spraying for mosquitoes this week, and he urges citizens to do their part to aid in the reduction of the mosquito population.

Optimum spraying conditions can make planning tricky, as the spray can only be applied when wind is under 10 mph. Night time is usually when spraying occurs, as winds have died down and evaporation is lessened. Free said the city typically sprays areas with plentiful water sources first, like Rud-dick Park. If Free is able to spray for three hours each night, he can cover the entire city in a week.

Spraying will continue as needed to help control the mosquito population, which is important as the pesky biters can

carry serious diseases such as encephalitis, yellow fever, dengue, and malaria, among others.

Residents are urged to check their homes and gardens for places holding water, as all mosquitoes need water to pass through early life stages. Adult flying mosquitoes frequently rest in grass, shrubbery and other foliage, but their lives don't end there.

Some mosquitoes lay eggs in standing water where they hatch in a day or two. Other mosquitoes lay eggs in old tires, tin cans or other water-holding containers in which they may remain unhatched for weeks or months until they are covered with water.

With both types of mosquitoes, the larvae, or wigglers, grow quickly and turn into pupae, or tumblers. Soon the skin of the tumbler splits open and out climbs a mosquito.

Citizens should get rid of old tires, tin cans, bottles, jars, buck-

ets, drums and other containers or keep them empty. Wading pools should be emptied and stored when not in use.

Leaky pipes and outside faucets are also a favorite of the blood-thirsty pests. Repairs should be made to fix leaks, and air conditioner drain hoses should be moved frequently. Screens on rain barrels and water receptacles help prevent mosquito development, as does cleaning clogged roof gutters.

FGE

FROM PAGE 1

She said that in working with FGE Power, LLC, the BOED has been introduced to other industries that may be interested in coming to the county. Though no details can be released at this time, Young said the board is talking to officials about a factory and new crop production.

"We may just have the chance to use the things we have in west Texas — sun, wind, mesquites," she said.

She informed Lions that a new restaurant is coming to the Westbrook area in anticipation of the power plant; just one business of many who will fill a need in this area.

Mitchell County is the subject of an updated retail analysis, according to Young. A lot of things have changed since

the last analysis was conducted, and she expects the results to be much different than before.

Progress is also being made on the desalination plant which is under construction also near Westbrook, according to Young. She said that the foundations have been poured, and preparations have been made for the installation of the wind turbine. Since construction supplies have already been delivered, Young said citizens can expect to see buildings going up in the near future.

A target date of August 31st has been set for desalination operations to begin, but Young said the date may not be feasible. When the plant is in operation, it will produce 250,000 gallons of fresh water per day.

LOCAL NEWS

CCPD reports on various activities

Burglary arrest made, motorcycle accident investigated

Colorado City Police Chief Luis Aguilar released information on a burglary arrest and motorcycle crash, both of which occurred recently. A felony arrest warrant was served in connection with the burglary, and both drivers in the motorcycle accident sustained only minor injuries. The full media release follows.

On May 31 at approximately 4 p.m., the Colorado City Police Department, along with the Mitchell County Sheriff's Office, served a felony arrest warrant at a residence in the 800 block of East 8th street on 36-year-old Joe John Martinez in connection

with the May 23rd burglary at Gas 'n' Grub convenience store.

Aguilar said the investigation is continuing and more details will be made available as it progresses.

Also on May 31 at 5:28 p.m., officers from the CCPD responded to a two-vehicle crash at the intersection of Hickory and East 10th Street. The crash involved a 2002 Harley Davidson motorcycle operated by James Lyle and a 2014 Toyota Camry driven by a 16-year-old licensed driver.

According to the investigation, the Camry failed to yield the right of way and proceeded

to drive across the intersection. The operator of the motorcycle laid the bike over to avoid the crash. However, the motorcycle was struck by the Camry.

The rider sustained minor injuries, and the driver of the Camry

was issued a citation for failure to yield the right of way.

As always, Chief Aguilar encourages the citizens to contact the CCPD at 325-728-5294, if anyone has information relating to crime in the community.

Beef Checkoff referendum voting goes through June 6th

Texas beef producers can vote in the Texas Beef Checkoff Referendum through June 6th.

Voting is ongoing at all Texas A&M AgriLife Extension Service offices during regular business hours, said Dr. Susan Ballabina, AgriLife Extension associate director for program development at College Station. Ballabina said the statewide election is being conducted by the Texas Department of Agriculture in accordance with provisions of the Texas Agriculture Code.

"If passed, the producer managed program would be financed through a refundable \$1 per head assessment at each point of sale," Ballabina said.

"The money would be used for promotion, marketing, research and educational efforts of beef and beef products in Texas, the U.S. and/or internationally. Funding decisions would be made by the Beef Promotion and Research Council of Texas whose members would be appointed by the Texas Commissioner of Agriculture from nominees submitted by the Texas Beef Council."

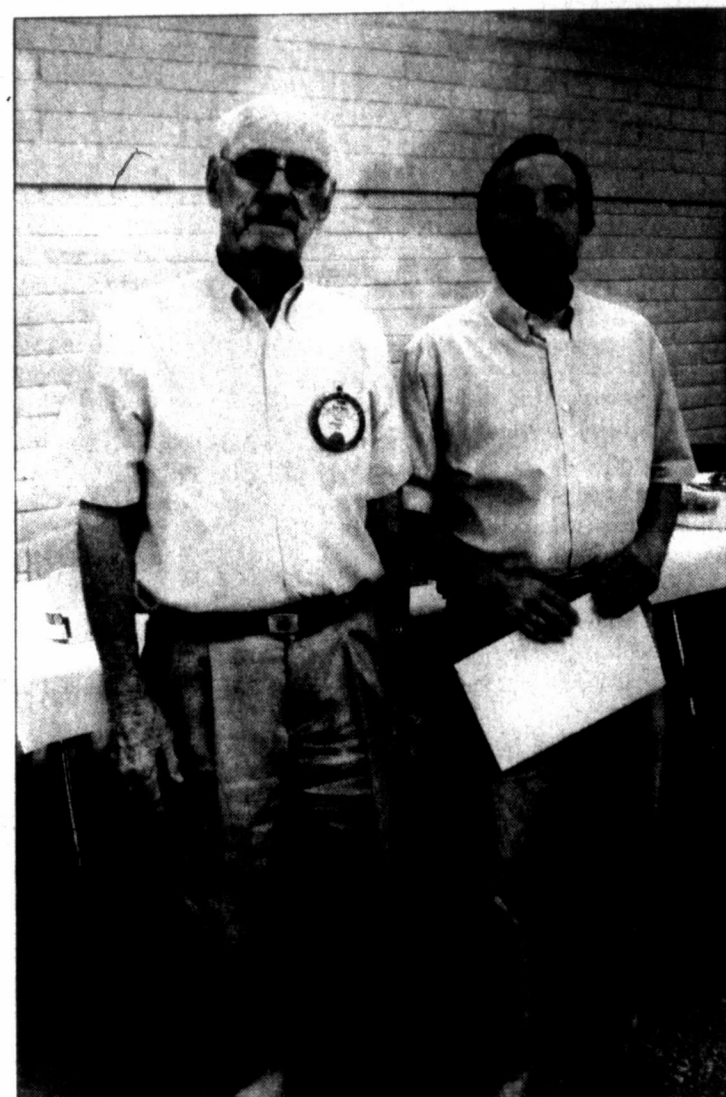

Ballabina said eligible producers can vote at any AgriLife Extension office regardless of where they live or where their cattle are located. Producers may vote as individual or as a legal business entity. Youth younger than 16 years old must have a parent or guardian co-sign their ballot. Persons unable to access an AgriLife Extension office during the voting period can request a mail-in ballot from the Texas Department of Agriculture between May 19 and June 2.

If passed, Ballabina made the following points concerning the checkoff:

- Assessment collection would begin Oct. 1.
- A producer who has paid an assessment to the Texas Beef Checkoff may obtain a refund of the amount paid by filing an application for refund with the Beef Promotion and Research Council of Texas within 60 days after the date of payment.
- The Texas Beef Checkoff program differs from the current U.S. Beef Checkoff in two ways, though the Texas program may complement and extend the U.S. Beef Checkoff efforts. First, the U.S. program requires half the revenue be paid to the Cattleman's Beef Promotion and Research Board, but all the Texas Beef Checkoff assessment would be managed by the Beef Promotion and Research Council of Texas. The second difference is the Texas Beef Checkoff assessment is refundable.

Individuals are considered "non-producers" and are exempt from the proposed assessment if they own cattle for less than 10 days or serve as a dealer or order buyer in the sales transaction. Non-producers are also ineligible to vote in the referendum.

For additional information on the Texas Beef Checkoff and the referendum, contact Lance Williams, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711 or call 512-465-5285 or visit <http://texasagriculture.gov>.

NEW LION – Shane Stevenson (right) was welcomed into the Colorado City Lions Club by longtime Lion Bob Reilly during the club's meeting on Friday.

Region Ready 2014 meeting to be held in C-City June 17th

The Cline Shale Alliance will hold the Region Ready 2014 meeting at the Copper Press in Colorado City, and everyone is welcome to attend. The one-day workshop will be held Tuesday, June 17th from 9:30 a.m. to 5 p.m. at the new meeting room located at 401 Oak Street.

The intensive workshop is for cities, counties, school districts, hospitals, industry leaders, business owners, economic development personnel and chambers of commerce. The goal of the meeting is to share information in order to work cooperatively to maximize benefits of the Cline Shale oil expansion.

Those attending the meeting will have the opportunities to hear options, strategies, concepts, best practices and take part in open discussion to make the most of the coming oil and gas play. Many subjects will be addressed, including water, workforce, public safety, economic

development, budget planning, community project funding, supplemental staffing, state initiatives, road safety and more.

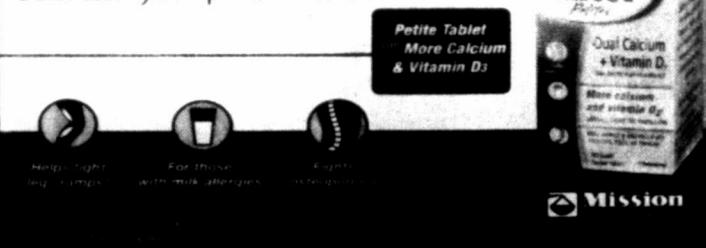

"Region Ready presents global perspectives on the role of local and regional leaders in addressing challenges and opportunities in intense economic zones around the world," Greg Wortham, Sweetwater mayor and alliance founder, said.

Cost to attend the workshop is \$100 for alliance members and \$125 for non-members. For more information visit www.clineshalealliance.com.

I have taken the stripes for your healing and it is enough. I shall not do it again. (1 Peter 2:24) I took your guilt (Romans 3:19-28), I took your shame (Romans 10:11), I took your poverty (2 Corinthians 8:9). Receive what I have done for you (Mark 11:24). My grace abounds (Romans 5:15), freely I give (John 3:16), freely you should receive (Romans 5:17).

As a man thinks in his heart so he is (Proverbs 23:7) Change your thinking (Romans 12:2). My Word says I will not endure man forever, but you my sons and daughters (Numbers 6:27) are not seen by Me as men and women but as a new creation (2 Corinthians 5:17).

I have spoken over you, calling that be not as though they are (Romans 4:17). Because by faith I see you as I have spoken over you. **SAVED** (John 3:17), **HEALED** (1 Peter 2:24), **PROSPEROUS** (3 John 2), **STRONG** (Isaiah 40:10) **AND ABOVE ALL RIGHTEOUS** (2 Corinthians 5:21). **WALK IT OUT!** Soar as an eagle (Isaiah 40:31)! You are MY body (Romans 12:5), the light for a lost world (Ephesians 5:8). Take what I have given and share freely (Matthew 10:8, Revelations 22:17)! **AMEN, SO BE IT!**

LIPITOR®

and Crestor® are statins, drugs prescribed to help lower cholesterol. Recent studies suggest these drugs may lead to an **increased risk of Type 2 diabetes** in all patients, but especially in post-menopausal women. Statins are already known to damage muscle tissue and the liver. If you have been taking a statin like Lipitor® or Crestor®, and have developed Type 2 diabetes or rhabdomyolysis, contact us immediately for professional insight.

SCHOOL NEWS

CHS Class of 2014 graduates 41 seniors

The Colorado High School senior class of 2014 walked across the field to receive their diplomas Friday night in a graduation ceremony at Wolf Stadium. Family and friends of the graduates filled the stands as 41 seniors became CHS alumni.

Cason Smith addressed his fellow graduates, as he earned the honor of giving the salutatorian speech. He told his classmates that the future is upon them, but there is no need to fear. He quoted Abraham Lincoln saying, "The best thing about the future is, it happens one day at a time."

He inspired the graduates to work as hard in the future as they have while in school. He touched on the importance of goal setting, and challenged them to set their goals high, work hard, do their best and be content with what comes of it.

Valedictorian Taylor Griffith's address took students, and probably teachers and parents, on a

stroll down memory lane. She recalled memories from kindergarten in Mrs. Crockett's class, Rankin Bullard's burp during a 2nd grad musical and Coach A's wonderful P.E. classes in Hutchinson.

Griffith shared recollections from her time in Colorado Middle School and high school, as well. She proudly announced that the class of 2014 had been dubbed, "The Best Class" by principals Mark Merrell and Dalton West.

She told her classmates that the next steps will separate them in distance, but it is their job to turn the page. Griffith quoted Joshua 1:9 in closing her address, "Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go."

School officials and members of the CISD Board of Trustees presented diplomas on the stu-

dents to cheers from the audience. Students graduating were: Preston Adams, Graciela Aguilar, Scotty Bailey, Rankin Bullard, Allison Burrola, John Campos, Claudia DeLoera, Mackenzie Douglas, Emelia Franco, Douglas Garcia, David Garza, Robert Gonzales, Taylor Griffith, Caleb Hayes, Rene Hernandez, Courtney Huff, Ashlyn Kildow, Mackenzie Kimball, Osvaldo Lopez, Joshua Ludwig, Sarena Lujan, Joseph Maberry, Jonathan Martinez, Haley Maxwell, Heather Merket, Marissa Molina, Michael Molina Jr., Brandon Nava, Jessica Nichols, Alicia Orozco, Justin Ortiz, Aron Perez, Nickolas Perez, Ana Ramirez, Ricardo Roman, Heather Ruth, Isabel Salazar, Mark Sanchez, Cason Smith, Joshua Sutton, Cody Tolle and Draven Valverde.

CELEBRATION TIME! Forty-one ecstatic Colorado High School graduates celebrate after receiving their diplomas during commencement exercises last Friday night at Wolf Stadium. For a list of scholarship recipients, see page 3.

Wallace High School graduates 21

A crowd gathered at the amphitheater in Ruddick Park last Thursday evening to cheer on the 21 students graduating from Wallace High School. Students from Colorado City, Sweetwater and Roscoe received their diplomas and turned their tassels to officially bring high school to a close and move on to the next step in their futures.

Wallace Principal Steven

Reese and CISD Superintendent Reggy Spencer accepted the graduates and presented diplomas to the graduates. Students Taylor Ramsey, Jason Vidal, and Justin Gholson spoke briefly to their fellow graduates, congratulating them and expressing hope for the future. Terry Pittman and Cathy Smart from Sweetwater ISD were also present to help with the commencement.

Students graduating were: Armando Xavier Aragoz of

Sweetwater, Sabrina Gabriela Arispe of Colorado City, Tori Danielle Barrera of Colorado City, Chelsey Megan Beights of Colorado City, Rylan Paul Gardner of Colorado City, Justin Ray Gholson of Sweetwater, Trista Nicole Gonzales of Sweetwater, Jeremy Shelton Kame of Sweetwater, Timothy Joseph Karr of Colorado City, Angelica Josie Lara of Roscoe, Benjamin John Martinez of Sweetwater, John Morrison McFarland of Sweetwater, Wyatt Ray Moor-

head of Sweetwater, Felix Luis Muñoz of Colorado City, Jill Athena Nelsen of Sweetwater, Taylor Rene Ramsey of Roscoe, Vanessa Galindo Rodriguez of Sweetwater, Rick Salazar of Colorado City, Cody Thomas of Colorado City, Devan Jade Vasquez of Colorado City and Jason Alexander Vidal of Colorado City.

All who cross the stage were awarded diplomas to the cheers and shouts of congratulations from the audience.

READY FOR THE NEXT STEP - Seniors of Wallace High School officially became graduates as they were awarded diplomas in a commencement ceremony last Thursday in Ruddick Park. Those graduating were: Armando Aragoz, Sabrina Arispe, Tori Barrera, Chelsey Beights, Rylan Gardner, Justin Gholson, Trista Gonzales, Jeremy Kame, Timothy Karr, Angelica Lara, Benjamin Martinez, John McFarland, Wyatt Moorhead, Felix Muñoz, Jill Nelsen, Taylor Ramsey, Vanessa Rodriguez, Rick Salazar, Cody Thomas, Devan Vasquez and Jason Vidal.

SCHOOL NEWS

KELLEY ELEMENTARY SCHOOL – Principal Melinda Alexander (right) presented Kelli Lancaster with the Teacher of the Year award at the appreciation luncheon at middle school last week.

HUTCHINSON ELEMENTARY SCHOOL – Hutchinson Principal Julian Castillo (right) presented the Teacher of the Year award to 4th grade teacher Emma Godina during the appreciation luncheon at middle school last week.

COLORADO MIDDLE SCHOOL – 7th grade math teacher Anita Graham (left) was presented the Teacher of the Year award by Principal Mark Merrell during the CISD appreciation luncheon Friday.

COLORADO HIGH SCHOOL – CHS Principal Dalton West (left) recognized geometry and calculus teacher Cheryl Warren as Teacher of the Year during the staff appreciation luncheon Friday.

WALLACE HIGH SCHOOL – Principal Steven Reese presented special education teacher Peggy Rivera with the Teacher of the Year award during CISD's staff appreciation luncheon.

CISD appreciation lunch held

Staff members of Colorado ISD were recognized and honored with an appreciation luncheon in the middle school cafeteria Friday. The annual event recognizes employees' years of service to the district, and other special awards are presented.

On Friday, May 30th at 1 p.m., the cafeteria filled with educators and staff excited over the last day of the school year. Those attending filled their plates and took a seat to hear CISD Superintendent Reggy Spencer express his gratitude for their service to the district and, mostly, to the students of the district.

Principals announced the Teacher of the Year recipients for each campus. Peggy Rivera was selected from Wallace, Kelli Lancaster received the award from Kelley Elementary, Emma

Godina from Hutchinson, Anita Graham from Colorado Middle School and Cheryl Warren received the award for Colorado High School.

Faculty members receiving pins for five years of service were: Bradley Graham, Brantlee Lemons, Meredith Lemons, Patty McBride and Margaret Blassingame.

Ten year pins were presented to Allison Alvarez, Lisa Flores, Darin Johns, Jerri Kimball, Lorrie Lindsey, Nanette Mata, Maria Muñoz, Darla Turner, Keira Brem, Jeremiah Hardman, Barry Kimball, Bubba Limones, Patty Martinez, Jan Minkina and Gloria Rivera.

Denise Farmer, Eva Martinez and Dan Galey were honored with 15-year pins, and 20-year pins were given to Larry Chaney, Kaci Griffith, Nancy Shrode,

Kim Fuller, Eva Salinas and Pat White.

Paula Duncan was awarded a pin for 30 years of service to the district, and Jessie Alvarez and Maria Rodriguez received 40-year pins.

Six CISD employees enjoyed their last appreciation luncheon, as they have retired and will not be returning next school year. Retirees Janey Burke, Mona Crockett, Dan Galey, Dalton West, Anita Graham, Ann Gregory and Linda Mathis received glass engraved clocks for their many years of service.

Before dismissing the large group for summer, Spencer congratulated them for another successful year and said he was proud of the job they have done, especially in light of the large number of students per class.

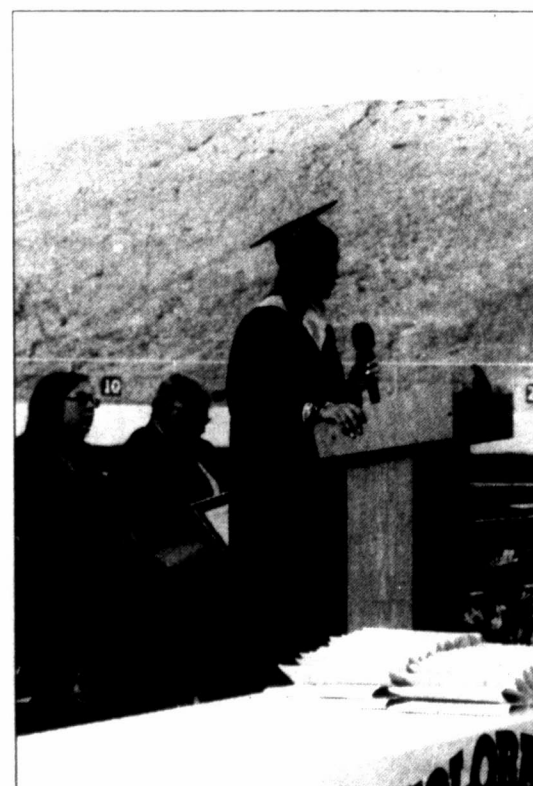

BITTERSWEET CELEBRATION – Colorado ISD retirees (l-r) Dalton West, Mona Crockett, Anita Graham and Linda Mathis were presented glass clocks for outstanding dedication and service to the school district. The awards were presented during the annual appreciation banquet held on the last of school at CMS. Janey Burke, Dan Galey and Ann Gregory are not pictured.

CARDS OF THANKS

Card of Thanks
We would like to take this opportunity to thank everyone who has helped us since our house burned.
Special thanks to Dot at the mission, FBC Joy Class, Fuller Foods, Peggy Gale and Higginbotham, all the staff at Kelley and CISD and the Ramiro Reyes family, Jan Lemons and Tommy Sparks. Thank you to those we missed. It is so nice to live in a community that cares!
The Sanchez and Medrano Families

Card of Thanks
Thank you to all my friends at the Colorado City Fire Department for your quick response, Bill Ellis and CC Tank crew and to all my friends and family who helped with the recent storm damage to Myers Auto.
*Sincerely,
James Myers
Owner of Myers Auto Parts*

LEGAL NOTICES

NOTICE OF INTENTION TO CONDUCT WEATHER MODIFICATION OPERATIONS IN THE STATE OF TEXAS
1. Notice is hereby given that the Seeding Operations and Atmospheric Research (SOAR) Program, 1012 Ave. F, Plains, Texas, 79355, has filed an application with the Texas Department of Licensing and Regulation (TDLR) for a State permit to conduct weather modification operations to change, or attempt to change, the natural development of clouds for the purpose, objective, period, and by the method summarized herein below.
2. The Seeding Operations and Atmospheric Research (SOAR) Program holds a valid Texas weather-modification license, issued by the State of Texas on September 1, 2013, for Fiscal Year 2014, which began on September 1, 2013.
3. The purpose of the proposed weather-modification operation is to enhance precipitation within the target area of Scurry County, Nolan County, and

LEGAL NOTICES

Mitchell County. The requested period of the permit is four (4) years from the date of issuance of the permit.
4. The proposed weather-modification operation is to be carried out in both an operational area and a target area, to cause the intended effect(s) to occur only in the target area. The operational area is composed of the target area and that area within the following boundaries:
Mitchell County
Nolan County
Scurry County
5. The area to be affected by the proposed weather-modification operation is the target area. The target area is that area contained within the following boundaries:
Mitchell County
Nolan County
Scurry County
6. The methods and materials to be used in conducting this operation are summarized herein. A meteorologist licensed by the TDLR to conduct weather-modification operations will select suitable clouds for seeding using a weather-radar system, as well as standard analytical and weather-forecasting procedures, to guide aircraft to release cloud-condensation nuclei either at cloud base or at cloud top to promote the growth and development of the precipitation process within those clouds. The aircraft will be equipped with flare racks or generators to dispense appropriate materials, either glaciogenic or hygroscopic or a combination of the two, into those clouds deemed suitable for seeding.
7. Persons interested in knowing more about the technical aspects of the proposed weather-modification operation should contact George Bomar, Texas Department of Licensing and Regulation (TDLR), P. O. Box 12157, Austin, Texas 78711 (512/936-4313); george.bomar@tdlr.texas.gov.

8. A public meeting on this application may be called by mailing letters, or petitions, that specifically request a meeting to the Executive Director, TDLR, P. O. Box 12157, Austin, Texas 78711. The letter or petition must contain (1) the signature, full name, phone number, and mailing address, including physical address and name of county, of each person requesting the meeting; (2) a statement that each person is at least 18 years of age and that he/she resides or owns property in either the operational or target areas, and (3) a description of each person's interest and how that interest would be adversely impacted by the proposed seeding operation. Requests for a meeting must be mailed and postmarked to the TDLR within 30 days after the date of first publication of the Notice of Intention, which is required by State rules to be published in newspapers of general circulation in the affected counties once a week for three consecutive weeks. If at least 25 eligible persons make appropriate written requests for a meeting, the TDLR will schedule a public meeting within the area where the operation is to be conducted. Public notice stating the time, place, subject, and legal authority of the public meeting shall

HELP WANTED

The West Central Texas Law Enforcement Academy is conducting a needs assessment regarding a Basic Peace Officer Course to be held in Snyder, Texas. Tentative scheduling for this course to begin in November 2014, or early December 2014. This course, if scheduled, will meet from 6 p.m. - 10 p.m. Monday - Friday and on Saturdays from 8 a.m. - 5 p.m. This course runs approximately for 32 weeks. In order to conduct this course, a minimum of 20 qualified individuals must be accepted and enrolled by the first scheduled day of class. This is a tuition based course and there are avenues for tuition assistance. This course currently qualifies for GI Bill benefits. All interested persons in applying for this course should contact our office immediately at (325) 672-1197, or wctlea@wctcog.org in order to obtain qualifications and pre-enrollment information.
Help wanted at B&B One Stop. See Maria.

BID NOTICES

TX.
Specifications can be obtained from the School Business Office, 1132 Hickory Street, Colorado City, Texas, or by calling (325) 728-5312.
The District reserves the right to reject any and all RFPs and to waive any irregularities or informalities; and to be the sole judge of the merit and qualifications of products and services offered; and to award the RFP considered most advantageous to the District.
Shelia Redwine
Business Manager
Colorado Independent School District

REQUEST FOR PROPOSAL Fuel - Gasoline & Diesel 2014-2015 School Year RFP #15-1074

Address request for proposal (RFP) to: Colorado Independent School District, Board of Trustees, Attention Shelia Redwine, Business Manager, RFP will be received at the Business Office, 1132 Hickory Street, P.O. Box 1268, Colorado City, Texas 79512 until: 10 a.m. June 26, 2014.
For more information, contact the business office at 325-728-5312.
Request for proposal will be publicly opened and read aloud immediately following the deadline. You will be notified of the results within seven to ten days after the July board meeting.
Mark envelopes containing request for proposal as follows: Sealed Request for Proposal: Fuel - Gasoline & Diesel. Do not open until: June 26, 2014. Any RFO received later than the specified time, whether delivered in person or mailed, shall be disqualified.
The district reserves the right to reject any or all requests for proposal and to accept any RFP deemed most advantageous to the Colorado ISD and to waive any informalities in bidding.

T-ball tournament to begin here starting this weekend

The Mitchell County Sports Complex will be the site of a t-ball tournament, beginning this weekend and carrying through to next week. Games will be played on the Colorado High School softball field at the complex.

Brackets are still being drawn up, but there will be two games on Saturday, June 7th at 10 and 11 a.m. Sunday will be a day off, but play resumes Monday evening. Two games, one at 6 p.m. and one at 7, will be played each night through Thursday.

On Friday, one final game will decide who plays for the championship title on Saturday. T-ball players are selling tickets for a custom-built barbecue pit, and a drawing for the winner of the pit will be held on Saturday as well.

Anyone interested in purchasing a ticket for the drawing can contact Mindy Hale at 242-2127. Closing ceremonies for youth baseball are planned for Saturday, June 14th at 11 a.m.
