

ROTAN CURFEW: At the last Rotan City Council meeting on July 9th, the council approved the first reading of an ordinance establishing a curfew and making it unlawful for children, under the age of 17, to be on the streets after Midnight on Friday and Saturday and after 11:00 p.m., on weekdays (Sunday night through Wednesday night). The council is attempting to give the county law enforcement a tool by which they can ask and enforce sending children under 17 home at a decent hour. In doing that, they hope to eliminate some of the vandalism that has been taking place around the city. This ordinance, if finally passed by the council, could be a sticky one. I understand the City of Dallas, in passing a similar ordinance a few months ago, is being challenged from all directions by all kinds of groups and special interests. Main gripe is that a law is limiting access and use. Will be interesting to see how much interest there is in this ordinance by the comments at the August council meeting.

CONGRATULATIONS: To Mayor Jerry Marshall. He takes on a lot of responsibility, not only at the Rotan Council as Mayor, but in uncountable other areas where he is called on to serve. Lion's Club, Housing Authority, Council of Governments, Church and much more. For all you do, this tip of the hat is for you. Thanks.

HAPPY BIRTHDAY: July 18 - 24.18th - Sunny Helms, Chris Boone, Julie Fowler, Mark McCall, Richard Gaona and Irene Smith; 19th - Sandra Pullig, Annie Bruce and Lorene Lane, 20 - Reggie Stinson; 22 - Bonnie House, Karen McKimmey, Kenneth Vann; 24th - Jan Thornton.

BAD NEWS: Far be it from me to be the bearer of bad news, but, two-a-day workouts are about three weeks away for kids in Rotan and Roby; school opens for teachers with in-service training on August 21st and school opens in Rotan for students on August 22nd. Teachers start back to school at Roby on August 19th with work-days while school begins for students at Roby on August 21st.

CONGRATULATIONS: To the eight golfers who are members of the loose-knit "577 Club Golf" at Rotan. The "577 Club", named because it is the combined age of Mr. and Mrs. Murl McKinney, Mr. and Mrs. Nelson Smith; Mr. and Mrs. Jim McCright and Mr. and Mrs. Shorty Hamlin is constantly changing names. Whenever there is a birthday - up the club number goes.

FINALLY: Ol' Whistle Britches has a hard time figuring out the Rotan City Council. They passed a no-smoking ban at City Hall, upped the green fees from \$1.00 to \$2.00, tabled action on prohibiting drinking at the City Park then approved (first reading) establishing a curfew to keep 17 year olds and under off the streets after 11:00 p.m. on weekdays. Looked to Britches like the City Council was wanting to commit suicide but just didn't know weather to use a gun, knife, poison or night stick.

***AGE:** Age has nothing to do with learning new ways to be stupid.

***CHRISTMAS:** Anyone who thinks that Christmas doesn't last all year, doesn't have a change account.

***FUTURE:** The trouble with the future is that it keeps get-

Roby School Board Votes To Name Board Replacement For Mike V. Terry

The members of the Roby School Board, in a regular session Tuesday night July 9th, spent considerable time discussing their options with respect to replacing Mike V. Terry as a member of the Roby CISD board of trustee. Terry resigned in June because of the nepotism law. He resigned in order that the board would be free to offer a contract to Michelle Terry as the high school business teacher.

Vacancy Options

Superintendent George Price presented the board with three options with respect to filling the vacancy left with Terry's resignation. (1.) The board could appoint a replacement. (2.) The board could leave the board position vacant until the next election in May and (3.) The board could call a special election to fill the vacancy. After considerable discussion, Jeff McClure made a motion that the vacancy be filled by appointment.

All Unofficial

Although nothing is official, the board may name Britt Stuart, who ran second to Terry in the last election, to fill Terry's unexpired term. The board is also faced with certain considerations with respect to the nepotism law involving Stuart. First, his mother LoVelle Stuart, is employed by the district as a 4th grade teacher; second his sister-in-law Glenna is employed by the district as the high school counselor and third, Christi Stuart, a cousin, is employed by the district as a 3rd grade/Chapter 1 teacher. If the board decided to appoint Stuart to the board, they would only be faced with waiting the required time, (six months), according to law, after the hiring of Christi Stuart. The six month period ended July 15th.

Address Issue In August

The board is expected to address the replacement issue again at the August meeting. The vote to fill the slot by appointment was not unanimous. Board members Lance McWilliams, Andy Moore, David Boyd, Bryan Justiss and Jeff McClure voted in favor while board member Marie Henry was opposed. Marie Henry's main objection was to a governing body appointing its own members. Brian Justiss pointed out that Britt Stuart ran second to Mike V. Terry in the election and Jeff McClure mentioned that, in his opinion, holding a special election would be cost prohibitive to the district.

McCaulley School Site

The board discussed with two representatives of the 32nd Judicial District, Juvenile Division, the possibility of utilizing the McCaulley school facility as a juvenile detention center. Those present were Steve Lahon and Pam Steakley. The board did not make any commitments concerning the request but did instruct Superintendent George Price to give a written description of the facility to those making the request and

Man Struck By Lightning In Cotton Field West Of Rotan

A farm laborer working in a field West of Rotan last Friday afternoon was apparently struck by lightning while hoeing cotton, according to several reports.

The injured person was identified as Frank Ray, Jr., permanent address unknown, but who is believed to be a brother of Maurice Ray of Rotan. Frank Ray's age is around 25.

The incident took place at approximately 4:00 p.m., last Friday afternoon during a period of stormy weather. Ray, according to unconfirmed witnesses, indicated that Ray was struck by lightning.

Fisher County Jail Passes Certification For 6th Straight Year

For the sixth consecutive year, the Fisher County Jail passed the annual jail inspection by the Texas Commission on Jail Standards, according to Mickey Counts Fisher County Sheriff.

Counts indicated that Terry Julian, area inspector with the Texas Commission on Jail Standards, conducted the inspection and with the exception of a few minor paper work changes gave the local jail a 100% passing grade.

"We are proud that for the sixth consecutive year we passed the test. This is an indication that we continue to be on the right track with our emphasis and shows that our personnel are concerned and professional with their jail standards ongoing program emphasis", said Counts.

asked that he attempt to get some feedback from McCaulley residents concerning the idea.

Milk, Insurance Bid

The board accepted a milk bid from Gandy's and voted to accept a proposal from Merritt Insurance Service on the school insurance for the 1991-92 school year.

The board is to move the August board meeting to August 20th and discussed several changes in the student handbook for 1991-92.

Superintendent George Price discussed the newly formed education district while the board voted to adopt

early tax payment discounts of 3%, 2% and 1% for October, November and December respectively.

Playground Equipment

The board failed to take any action on purchasing new playground equipment. Board members wanted more

specific information on metal equipment and instructed Jim Bob Haley, Elementary Principal, to get additional bids to be reviewed at a future time.

The board accepted a Scott Fuel bid on fuel. Unleaded at 89.2, supreme at 98.2, diesel at 79.3 plus freight, plus

6%.

Tanya Thiessen Hired

After a 50 minute executive session, the board moved to hire Tanya Thiessen as a gifted and talented teacher. Board members also were alerted to the possible resignation of Guy Nelson, high school principal, pending an offer from Sanford-Fritch ISD.

Board members authorized Superintendent George Price to offer a contract for a coach/science teacher and to offer a contract to a band director.

Step Increases Granted

The board granted para-professional personnel a step pay increase of 6.25%

Playground Equipment - Roby School Board members are to review bids on metal playground equipment after looking and discussing wooden equipment. They may meet in special session in order to get the new equipment installed before the opening of school.

1992 Budget Is Being Formulated

Hospital Suffers \$89,000 Loss For June, Two Staff Changes Are Made

The members of the Fisher County Hospital Board met in closed session last Monday night for an hour to discuss a personnel problem. Administrator Arla Jeffcoat briefed board members on the situation following the regular session of the board. The board closed the session to the public at 8:23 p.m. and opened it back up at 9:23 p.m., having taken no action in the closed session according to Board President William Cleveland, Jr.

Those present for the meeting were: Board members - Horace Curlee, Frank Mitchell, William Cleveland, Jr., Brenda McCall and Steve Nowlin. Others present were Wendell Offett, Colorado City Hospital Administrator, representing Methodist Hospital; Arla Jeffcoat, Fisher County Hospital Ad-

ministrator and Marilyn Turnbow, Fisher County Hospital Quality Assurance Director.

Lab., X-Ray Use Up

Administrator Arla Jeffcoat gave the board a report on June statistics. She indicated a marked increase in the number of patient visits in the laboratory and x-ray departments, which she attributed directly to the work being ordered by Dr. Maurice Callan and Dr. Ernie Atkins.

Financial Report

The board accepted the financial report which indicated a profit center and other revenue for the month of June of \$75,119.55 and profit center expense of \$84,212.15. The revenue less expense reflected a loss of \$9,092.60 for the month. The bottom line loss, after taking in depreciation, tax revenue and bad debt expense was a loss of \$89,052.23.

Quality Assurance Report

Marilyn Turnbow gave the board a quality assurance report breaking down the emergency room visits, patients

admitted and dismissed and other statistical information required to maintain proper quality assurance reporting procedures.

Administrator's Report

Arla Jeffcoat reported to the board

Tyson Terry Is First In Tourney Held In Ft. Worth

Tyson Terry placed 1st in forms and 3rd in free-sparring. Master won Park was the host at this Tae Kwon Do tournament held in Ft. Worth on June 29th.

At the National Tournament in Cincinnati, Ohio - July 4, 5, & 6th - Tyson won his first fight, but lost his second. He represented his school and the State as well. The 6-8 year old blue belt division, 54.9 pounds and under had 27 competitors from various states.

Twenty Eight On North Carolina 4-H Field Trip

A total of 22 Fisher County 4-H members and 6 adult sponsors departed Fisher County this week for a trip to North Carolina.

The 4-H members participating in the trip are: Mark Marshall, Anita Floyd, Monica Pullig, Jason Gruben, Blake Stephens, Carolyn Atkinson, Shaye Thompson, Jennifer Kincaid, Jessica Moore, Grant Kinsey, Julie Parr, Christi Parr, Karen Barrera, Christie Anderson, Chris Estes, Angela Buckner, Jake Carriker, Chad Dannheim, Coby Moore, Bryce Moore, Mike Counts and Traci Hull.

Adults on the trip are Mike Hull, Dr. Jerry Marshall, Sue Barrera, Kathy Spencer, Ann Harrell and Beth Dannheim.

The 28 Fisher County residents left on Saturday, July 13th and will return on Sunday, July 21st.

Public Meeting Thursday For Textile Project

A public meeting to explain the proposed County Textile Project will be held Thursday, July 25 at 7:30 p.m., at the Rotan Community Center.

Dr. Dick Crill with South Plains Textiles will be the principal speaker. Crill has been involved in all phases of the cotton industry and is the proposed general manager for the Fisher County project.

The meeting is being sponsored by the Fisher County Economic Development Commission and the Rotan and Roby Lions Clubs.

If you have an interest or question about the project be sure and attend. County support is very important to this endeavor.

on: (1) The status of the recently approved home health care program. She indicated that she had been in contact with the Arthur Rice Agency, who will implement the program, and will continue the search for a qualified director of the program before proceeding.

(2) A conversation she had with Ed Robinson of the Ed Robinson Physician Search Firm. He has been hired by the board to begin a 6-month search for a physician. Robinson had visited the local hospital and conducted a mini survey for his agency.

(3) A report that the recently approved new ultra sound machine had been purchased.

(4) That two staffing changes had been made since the last meeting of the board. First, Scotty Cogburn had been moved from respiratory therapy to a newly created position of Risk Management, Safety and Hazardous Waste Management Director. Second, Peggy McGinnis was now going to be splitting time between physical therapy and the ultra sound department.

(5) She outlined to the board a plan to ask for a continuation of the transition grant that had been received by the Fisher County Hospital for the past two years. The \$50,000 a year grant had been used to establish a life line system and other medically related things and this year an extension would be requested to continue offering rural services and establishing a home health agency.

(6) Finally, Jeffcoat reported to the board that she had been working with all department heads in the preparation of a budget for the 1992 year.

Loss Of Tax Valuation

Following her report, Arla Jeffcoat shared a report with the board concerning an expected loss in valuation of \$29 million in oil values, largely due to reduced production of minerals or the depreciation of industrial, utility and pipeline property. Early estimates indicate a Fisher County Hospital total valuation from real, personal, auto and mineral of \$213,207,126.00 which reflects a loss of \$29 million from last year's figures.

The \$29 million loss translates into approximately \$85,000 in spendable dollars to the district based on last year's effective rate of 43 1/2 cent tax rate.

The board discussed a liability policy for the hospital and directors and officers insurance coverage. This is scheduled to be discussed again at the August board meeting.

State Capitol Highlights

By Lyndell Williams
Texas Press Association

The state's deficit, thought possibly resolved a couple of weeks ago, appears to be on the front burner again.

Texas House Democrat budget leaders said last week the deficit, predicted to be \$4.6 billion, is actually between \$6 and \$7 billion.

House Appropriations Committee chairman Jim Rudd, D-Brownfield, said he would not be surprised if the Legislature raised the sales tax by a half-cent in the special session beginning this week, Rep. Rick Williamson, D-Weatherford, vice chairman of the committee, estimated the shortfall at \$6 billion.

Rudd also predicted lawmakers would adopt only about \$3 billion worth of the \$5.6 billion cost-saving measures proposed by Comptroller John Sharp.

Why such a sizeable disparity in the deficit forecast? Apparently the legislative leadership plans to raise the level of state services, kicking the \$4.6 billion price tag for current levels up by maybe \$2.5 billion, more than 50 percent.

GOP Challenges Deficit

Texas Republican Party leaders challenged Democrats to prove the need for a tax increase, a gauntlet which went ignored.

Meanwhile, the legislative triumvirate of Gov. Ann Richards, Lt. Gov. Bob Bullock and House Speaker Gib Lewis came out in unison on a budget plan which includes proposing a state lottery, revamping the business franchise tax and including all of Sharp's measures.

The lottery proposal immediately raised the ire of anti-gambling groups. A spokesman for the Texas Baptist Christian Life Commission, Weston Ware, said: "We regret that the speaker is supporting an activity that makes the State of Texas a bookie, a hustler and an abuser of its citizens."

Controlling Agencies

The trio also will push to expand the governor's power over state agencies, giving Richards the power to hire and fire the heads of major state agencies.

Richards said lawmakers are very frustrated working with state agencies, and might give her the powers that six governors before her wanted and failed to get.

Under one proposal, she could appoint, with Senate approval, a cabinet of directors to eight key areas of state government: education, human services, criminal justice, environment, transportation, commerce, state pur-

chasing and licensing.

Opponents say the governor would use the new authority to keep her campaign promise to appoint women and minorities to higher power positions in state government.

Ethics Funding Cut

The House Appropriations Committee last week voted to cut off state funding for a special prosecutions unit that has been investigating Lewis and other lawmakers.

Lewis faces two criminal misdemeanor ethics charges this fall as a result of that investigation.

Travis County District Attorney Ronnie Earle, who heads the probe, refused to speculate on whether it was revenge on the part of certain House members, but months ago predicted to reporters that the targets would pull the funding.

Borrowing A&M Name?

Texas A&M University System regents are wondering whether the institution's name should be "borrowed" by a private, non-profit corporation seeking to market \$40 billion in bonds.

The private firm is Texas A&M University System, Research Technologies Corp., created by former regents chairman David Eller and chaired by former House Speaker Bill Clayton.

The firm seeks to use most of the bond issue to buy assets from Houston-based Granada Bio-Sciences, chaired by Eller, and then contract to pay Texas A&M \$10 million to \$70 million over the next ten years for research services.

Even though the university would not be liable for any default on the bonds, regents are concerned with a potential bad reflection on A&M's name and its status with investors.

An Astonishing And Inspiring Melodrama

By: Tim Kelly

July 26th, 27th & 28th

Rotan High School Auditorium

Fisher County Church Directory

Beware of Sleeping Tigers!

"Dad, come see!" she beckons. "He seems OK. He's soft and he isn't growling at me, but I'm not quite sure."

This young lady may be too young to verbalize these thoughts, but it does appear that she has the need for extra assurance from someone who has more experience and wisdom than she; from someone who can protect her from the "big bad wolves" of the world, especially those who wear the proverbial "sheep's clothing."

Are there "big bad wolves" in your life? Perhaps a situation appears to be harmless and desirable... very tempting... but you are not quite sure. In the case of this young lady, her stuffed tiger is harmless enough; yet, a sleeping tiger, too, is satiny soft and does not growl. But, what if it awakes!

When you are in doubt concerning whether a deed or a thought is harmful to your spiritual integrity, call upon your Heavenly Father. Worship Him and read His Word. God loves you. He is waiting to protect you. *Beware of sleeping tigers.*

OBITUARIES

Ross W. Gruben

Ross W. Gruben, 79, died at his home in the Royston Community of Fisher County Tuesday evening, July 9, 1991. Funeral services were at 2 p.m., Thursday, at Weathersbee Funeral Chapel with Rev. Tommy Wilson, retired Methodist minister of Sylvester, officiating. Burial was in the Newman Cemetery south of Sylvester.

Mr. Gruben was born in Royston, November 29, 1911. He attended the Royston schools and had lived in Fisher County most of his life. He was the son of William M. and Cora (Cooley) Gruben. He married Wendy Rush, November 21, 1946 at Roby. Mr. Gruben was a retired farmer and was a member of the Sylvester Methodist Church.

He is preceded in death by a sister and a brother.

He is survived by: His wife: Wendy of Royston; a daughter: Geri Lawlis and a son-in-law, Jim Lawlis of Jal, New Mexico; six sisters: Ann Houghton of McCaulley, Rose Young of Beulah, Irene Shows of Rotan, Bill Sumérin of Snyder, Johnny Mae Marchek of Rotan, Tom Kelley of Scottsdale, Ariz.; five brothers: Paul Gruben of Lovington, New Mexico, Ernest Gruben of Kermit, Carl Gruben of Rotan, Troy Gruben and Dick Gruben of Roby; three grandsons: Randy Lawlis of Andrews, Kendal Lawlis of Hagerman, New Mexico, Joe Keith Lawlis of Tatum, New Mexico; six great grandchildren.

Gladys George

Services for Gladys M. George, 82, of Crane, were held at Mary Street Church of Christ with the Revs. Lynn Trapp and Dee Lancaster officiating. Burial was in the Crane County Cemetery.

Mrs. George died Sunday at her residence. She was born July 4, 1909, at Waterloo, Iowa. She married Wayland George Feb. 3, 1954, in Seguin.

Mrs. George had lived in Crane since 1961. She was a member of Mary Street Church of Christ and John J. Allen Unit 28, American Legion Auxilliary. Survivors include her husband.

Richard M. Box of Crane was in charge of arrangements.

4-H Record Book Entries

Twenty-two Fisher County 4-H'ers entered record books in District Competition in Vernon last week. Winners from the county progressing on to state are Anita Floyd, Leadership; Jennifer Kincaid, Consumer Education; Bryce Moore, Agriculture Achievement; Mike Counts, Agriculture; Jessica Moore, Food & Nutrition; Traci Hull, Recreation; and Chad Dannheim, Achievement.

Other winning records were: Coby Moore, Senior 3rd place, Santa Fe; Junior blue ribbon winners were: Matt Counts, Monroe Moore, Amanda Moore, Michael Hull, Jaycee Carey, Ty West, Justin Smith, Ashley Smith, Christy Willett, Billy Floyd, Kelly McWilliams, Lacy Callan, Kyle McWilliams, and Katrina Rains.

THANK YOU

I want to thank Dr. Callan, Dr. Atkins and the staff of Fisher County Hospital not only for the excellent professional care I received, but also for their caring and friendship. Thanks also to Betty and Bart's friends for all their visits and gifts. The loving attention helped ease my homesickness and hastened my recovery. I treasure your friendship.

TAX PLANNING

Written by
Richard E. Rodgers, CPA

TAX PLANNING
by Richard E. Rodgers, CPA
IRS NOTICE
(Know What You're Paying)

The Internal Revenue Service sends out numerous tax deficiency notices which are incorrect. Don't pay additional amounts on your income tax return unless you are satisfied that you owe it. IRS offices are staffed with ordinary people that make ordinary mistakes. Add to that a computer that can make ordinary computer mistakes and you have the ingredients for improperly mailed notices. Because these notices come from a Federal agency, the average person gives them more credibility than they may deserve.

The Internal Revenue Service is attempting to match certain documents to your Social Security number and your tax return. If you receive interest, dividends, rents, royalties, or any number of other types of income, you will probably be issued a "1099" information slip identifying the earnings. If the IRS can't readily locate that information on your tax return, they may send you a deficiency notice even though that income may be included somewhere in your tax return.

Don't assume that you owe additional taxes to the IRS just because they send you a statement. Because of the possibilities of both mechanical and human error, it's worth checking to make sure you owe the amount requested.

If you have paid someone to prepare your tax return, give them a copy of "all" correspondence you receive from the Internal Revenue Service, even those which do not request additional taxes. Your tax return preparer needs a full track record of all aspects of your tax return if he's to do an adequate job of representing you. Most IRS notices require a response within a specified number of days; therefore, all correspondence should be given to your accountant as soon as possible.

Hustling Around Hobbs

By Joy Walker

by Joy Walker.....

Friday I got a light shower, not even enough to measure, but some folks reported over 1/2 inch and some got even more than that, but it didn't rain that much here.

Mr. and Mrs. Clarence Anderson went to Lubbock on Thursday and met Mr. and Mrs. Wayne Anderson and the boys there. They are from Clovis, New Mexico. David and Steven came home with their grandparents and are going to stay until Wednesday of this week. Wayne and Becky are coming to visit Monday and will stay with the Clarence

Andersons until Wednesday.

We were pleased to have Bro. Dee and Diana Threatt back with us Sunday; they have been on vacation.

We were also pleased to have Mrs. Mark Gordon and two girls at church on Sunday.

David and Steven Anderson came to church with their grandparents; David brought our special music on the piano Sunday morning. What a wonderful talent he has and he is only 11 years old.

Visiting with Rudolph and Louise Martinez Friday night were Mr. and Mrs. Darrell (Rosemary) Gay from Fort

Worth. They had been to Big Bend National Park for several days. They left for Fort Worth on Saturday. The Rudolph Martinezs attended the 50th wedding anniversary which was held for George and Josie Maule on Saturday at the Northeast Community Center. The Martinezs reported one inch of rain at their house on Friday. The J.W. Etheredges also got a rain, they reported just over 1/2 inch.

Mr. and Mrs. Sam Etheredge went to the 50th wedding anniversary on Saturday. Sam looks real good, but he said that he has good days and bad days. They sure enjoyed seeing everyone and got to visit with lots of folks.

George and Josie sure had a big crowd at their anniversary on Saturday, 13th, and all of their children and families were able to attend. It was so good to see Linda, Charlotte and Brad again. Linda is from Virginia, Charlotte from Fort Stockton and Brad from Los Angeles. Was good to visit with them all and friends and relatives who came for the celebration.

I went to the anniversary and saw lots of old friends, including L.E. and Maxine Wood who now live in Lubbock, Woody's mother, Edna, and his sister Flossie who live in Big Spring.

The Woods lived out here at Camp Springs for a long time. Also got to visit with Blake and Nell Walker from Ennis Creek, Donna and Billy Jack Wilson from Snyder and Mr. and Mrs. Pat Patterson (Faye) also from Snyder. There were so many folks there, it was

hard to see everyone, but I did get to talk to Brad and his wife, also Linda and Charlotte. Saturday night I ate supper with Wilber and Carol Gruben, and Evette and Bill Palmer who were there from Stephenville. Sheila and Donnie Gruben also visited. Heard from Melody and she said the baby is doing just fine and is still very good. Melody is back riding and competed in a barrel race Sunday afternoon; she called and had placed 2nd, so was happy about that. She plans on entering at Comanche this coming weekend, so is getting back to riding in earnest.

Not too much news this week; everyone has been staying inside where it's cooler. We have sure had some hot days and the grass is beginning to look pretty brown, needs a good rain, and the grasshoppers are eating everything in sight at my house. Hope they don't find the cotton; so far they are just in the pasture, but have eaten my honeysuckle almost down to the roots, and now have started on the big apricot tree in the back yard. See you next Thursday.

On The Future Of American Cotton

Vote Yes ☒ for the Amendment to the Upland Cotton Research and Promotion Order

Approval of this amendment will:

1. Require cotton textile and apparel importers to pay their fair share for cotton research and promotion
2. Increase funding for cotton promotion and market development
3. Increase funding for cotton textile research and expand technical services to textile mills
4. Continue efforts to improve fiber quality and reduce bale contamination

The Boards of Directors of the Following Regional Cotton Cooperatives
Voted Overwhelmingly to Support this Amendment.
