Santa To Make Early Visit To Olton

"NOW, IF I JUST HAD ME THAT SIX-GUN"

Kids now-a-days may admire and handle all the new rockets, airplanes and mechanized toys, but ultimately, they turn to pistols and rifles. And that was the case of Danny and Darrell Ogletree, 6 and 4 year old sons of Mr. and Mrs. Malcom Ogletree of Springlake. The young pair ventured into Whites Auto early this week with their grandmother.

Mrs. J. C. Ogletree, also of Springlake. They looked over all the new toys they had never seen—and then turned to the toy gun department. There they stayed until Grandmother Ogletree was ready to leave. Christmas shopping in Olton is expected to hit its peak this weekend, according to local merchants.

Will Lead A Big Parade On Saturday Afternoon

He's coming, kiddies. He'll be here Saturday afternoon.

Santa Claus will ride in Olton's Christmas parade and then pass out Christmas packages on the east side of the square.

The parade will start forming about 2 o'clock south of Traylor's Shamrock Service Station. It then will move a block east to Main Street and then south down the town's main thoroughfare.

It will circle the square and Santa's float will drop out on the east side of the square.

Parade marshal will be V. L.

Smith. In the forefront is scheduled to be the American Legion color guard.

Olton's cadet band will march. One of the highlights will be the appearance of the Hale County Sheriff's Posse.

Floats will include one sponsored by the Chamber of Commerce, Cub Scouts, Boy Scouts, Girl Scouts and the Mexican Mission.

The fire truck will be in the parade and possibly there will be other floats, according to Wayne Cooper, of Olton Chamber of Commerce and Agriculture.

Following the parade there will be a short program on the east side of the square. Rev. Russell McAnally will give the opening prayer. Rev. John Lewis will present a story on the birth of Christ.

Members of the Mexican Mission will sing Christmas carols. Santa Claus will distribute some 1500 Christmas packages.

Prizes of \$25, \$15 and \$10 will be given for the best floats in the parade.

Extra prizes will be given away Saturday in the trades day drawing in addition to the prizes normally offered. Three additional prizes of \$50 each will be given. Last week's winners of the trades day drawing were Mrs. Bobby Daugherty, \$5; Mrs. A. E. Hudgens, \$10; Roswitha Lanning, \$15; Mrs. O. B. LaFrance, \$23; Janice Campbell, \$25; and Peggy Lively, \$50.

Judging in the home lighting contest will be held December 19. Mrs. G. H. Bley is chairman of the committee in charge of this phase of OCCA's Christmas program undertaking.

Judging will be done by a secret panel. Those wishing to have homes judged should turn in name and address at the Chamber of Commerce office.

Contestants have been asked to leave their Christmas scenes lighted until 10:30 o'clock that night during the judging.

Prizes will be \$25; \$15; and \$10. In other Christmas activity, Major James and Bill Kelley are arranging for a loud speaker downtown for playing Christmas carols.

V. L. Smith is raising funds for grocery baskets for needy families. At last report funds were still needed for about 20 baskets.

He said those who would like to help may leave a note at their grocery store or contact Mr. Smith. His telephone number is 5231.

He said merchants who have broken toys should deliver them to Bill Dickenson's workshop.

Men with pickup trucks are needed to help deliver the toys. Anyone who may be able to help should contact Mr. Dickenson.

Harper Returns From Conference

Olton School Superintendent Joe Harper returned shortly after noon from a two-day conference on school facilities of area school officials in Lubbock.

Highlight of the meeting, according to Harper, was viewing the preliminary plans for Andrews new \$7 million school plant.

Harper said John Reed, one of the best-known school architects in the nation, was present to display the plans.

The San Francisco architect told the group, Andrews new school is supposed to be the most modern in the United States when it is constructed.

Key speaker at the meeting was Walter Cocking, editor of the periodical publication School Executive.

WILL GROSS MORE THAN \$5 MILLION

Olton Cotton Harvest In Mopping-Up Stage

Mopping-up operations began with warmer weather this week, as gins reported 1,396 bales harvested since last Thursday.

Olton area bale count now stands at 41,645. This figure is believed an all-time high for Olton.

Olton Co-Op Gin broke its unofficial world record for a two-battery gin. The record, set in 1956, was 20,647 bales. This total was exceeded Dec. 2. The gin's total now stands at 21,933.

Attempting to arrive at an estimated total bales when the harvest is actually in, gin operators were asked today how many bales they figured yet to be received. Adding their estimates with the present total, Olton Area will yield approximately 42,190 bales of cotton for 1958.

Figuring the average bale of cotton will gross \$140, the local cotton crop is worth \$5,906,600.

Lamb County Agent Bill Kimbrough said this week he estimated the county would produce 175,000 bales of cotton for a gross \$29,050,000.

ACCORDING TO METHODS

KILLING OF POLECATS CAN BE DANGEROUS

Exterminating polecats almost brought about even more drastic results to a local middle-aged couple Wednesday.

Mr. and Mrs. Clifford Curry were having trouble with polecats living underneath their home, 10 miles northwest of Olton.

They had heard of a smoke bomb which was supposed to be the answer to their problem, so they went to Plainview in search for the bombs. No one there had heard of them.

One of the merchants suggested gassing the varmints by carbon monoxide, the lethal fumes of a motor.

So yesterday about 5 PM, Mr. Curry parked a small tractor beside the house, and piped the exhaust from the engine underneath the house.

Felt Effects

"After a while," Mrs. Curry explained, "I began to feel like I couldn't move my legs, and complained to my husband. But he said it couldn't be from the fumes because the man in Plainview assured us there was no danger, since the gas was all under the house and exposed to open air."

"But after awhile he began to feel like his legs were going dead on him, and we decided to go to the doctor to see what was wrong."

In Olton the couple were administered oxygen, and recovery was fast. Dr. Lynn Fite said neither was at a dangerous point, but added that Mrs. Curry was almost to a point of fainting.

Mrs. Curry said she still had a headache this morning.

She also said "It scares me to think what would have happened if we had sat down to watch television like we usually do about that time of day."

She didn't know if the polecats had been killed or not when asked this morning.

Young Expectant Mother Dies Here

Mrs. Alvin Doyle Downs, 17 years old, died here at 12:15 Tuesday afternoon.

The attending physician said Mrs. Downs was afflicted with a congenital heart condition. He said she died of heart failure.

She was pregnant.

Mrs. Downs was admitted to the hospital as a heart case. Doctors failed in an effort to save the baby after Mrs. Downs' death.

Mrs. Downs had lived here about four months. Mr. Downs is employed at Olton Co-Op Gin.

Funeral services tentatively were set for Thursday afternoon at Aransas Pass. Parsons Funeral Home was in charge of arrangements here.

Mrs. Downs is survived by her husband; her father, Joe F. Baker of Aransas Pass; her mother, Mrs. V. J. Kenney; the maternal grandmother, Mrs. Maudie Harper of Pleasanton; a sister, Mrs. Allen McCormick of Aransas Pass; three brothers, Joe Baker, Jr., Richard Lewis Baker and Clyde William Kenney, all of Aransas Pass.

About Eighty Attend Teacher Christmas Party

Approximately 80 teachers, their husbands and wives, and members of the school board were feted with a Christmas banquet Monday night in the school lunchroom.

The banquet was sponsored by the Olton Classroom Teachers. Dinner music was furnished by Joanna Lewis and Judy Price. Traditional green and red Christmas colors made up the table decor.

Olton High School Chorus Club entertained the group after the dinner, then the group had a sing song. Afterwards, Santa Claus distributed gifts.

Olton, Hart Enter Tourney Today

The Mustangs and Longhorns enter tournament play for the first time this season today.

Olton's crew was dropped this morning, 62-55, by the powerful Canyon Eagles in the opening round of Hereford's Invitational tourney.

The Hart hustlers will take on Hartley at 12:15 today in the Happy tournament. Hart's girls will play Hartley's female group at 11 AM.

Hart teams will play either Texline or Panhandle clubs Saturday. If they are in the winning bracket, they will meet at 11:45 AM (girls) and 10:30 AM (boys). If in the losing bracket, the girls will play at 8 AM and boys at 9:15 AM.

The Mustangs led in the first three quarters of play over Canyon's highly-ranked 2-A team. But rebounds played the big difference in the final stanza.

Olton led 17-6 at the end of the first period and 28-24 at halftime. After the third quarter, they were still ahead, 47-42.

A full-court defensive press by the Eagles, plus taking command of rebounds, led to the ultimate victory for Canyon.

Davis was leading scorer for Canyon, with seven field goals and two free shots for 16 markers. He was followed by Purcell and Richardson, each with 12.

L. H. McAdams grabbed high-point honors for the game, with 19 tallies on nine goals from the floor and one from the charity line. Jimmy Robbins followed with 16.

None of the players fouled out of the game from either team.

Olton will play the loser of the Levelland-Hereford game, which is slated to be played at 10:30 AM Friday. They will play the losers at 4 PM. A win in their second game would put them against Littlefield, or the loser of the Palo Duro-Tulia game.

Dumas defeated Littlefield in the first game of the tournament this morning.

Mustangs By Springlake
Olton boys' team coasted to a 61-38 victory over Springlake Tuesday night in OHS gymnasium. The girls were defeated, 36-22.

Sewer Line To Be Replaced Beneath New School Gym

The sewer line along the proposed site for Olton High's new gymnasium will be dug up, replaced and covered.

Decision by the board was automatic when the school architect made his decision. The board had voted earlier to go along with the architect's decision, which was to come after a compaction test was made of the ground above the sewer line.

The line, about 150 feet, will be dug up and replaced with cast iron pipe. When covering the pipe, the dirt will be tamped with a pneumatic tamper.

The job is expected to take three or four days, according to Superintendent of Schools Joe Harper. He said the cost will be in the neighborhood of \$3,000.

"There was no way of getting around it, when we look into the future," Harper said.

No work delay is expected.

Olton Exes To Be Feted With Annual Banquet

All Olton Ex-Students are invited to the annual ex-students banquet to be held this year in the school lunchroom, December 27.

Jack Chitwood of Plainview, 1944 OHS graduate, will be the speaker for the affair. In charge of arrangements are Bob Fisher, Mrs. A. J. Givens and Mrs. Melvin Hines.

Registration will begin at 6:30 PM in the school gymnasium. The meal will be served in the school lunchroom. Tickets are \$1.75 per plate.

The program will center around local talent and the theme is "Memories"—which will take the exes from the 1920's through 1958.

Fall Into Boiling Water Burns Girl

Angelica Gonzales, about four years old, was seriously burned Wednesday when she fell into a tub of boiling water.

Angelica, according to a relative, Joe Alcorta, fell into the water after her mother had set the tub down and had gone outside to get more water for the little girl's bath.

The daughter of Mr. and Mrs. Francisco Gonzales, Angelica was burned severely on her right hand and arm and her back. Alcorta said attending physicians will graft skin. He said the fingernails from her right hand were destroyed from the intense burns.

The child will need blood transfusions, also, Alcorta declared.

UF Drive Goal Still \$900 Away

Olton still lacks over \$900 in reaching their goal for the United Fund Drive.

According to Owen Norfleet, chairman of the advance contributions, said Thursday morning

Olton Boy Found Suffering Leukemia

A little four-year-old Olton boy has leukemia. He is Glen Mills, son of Mr. and Mrs. Harold Mills.

Glen is in Fort Worth today (Thursday) taking treatments. According to a friend of the family, he has to take treatments once a week in Fort Worth. The family plans to stay there until his treatment next week, the friend said.

Glen has a little sister, Mr. Mills is engaged in farming about three miles south of Olton.

WILL ATTEND BANQUET IN AMARILLO TOMORROW

Four local men representing Olton schools will attend the area I Vocational Agriculture Mid-Winter Banquet in Amarillo tomorrow evening.

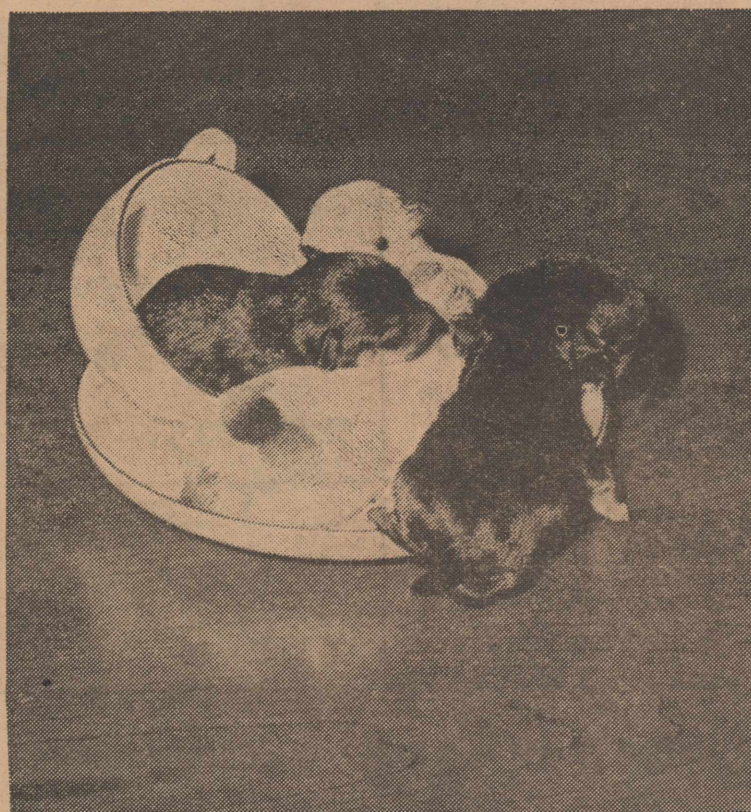

Attending the meeting will be Instructors Max Malone and Calvin Horn, Principal Don Waldrup and Superintendent Joe Harper.

The banquet will be held in the Tascosa Ballroom of the Herring Hotel.

that Olton has raised over \$3600. The goal is \$4,574.

Clovis Poteet, Olton chairman of the drive, says he plans to hold another drive in the near future.

ME FOR A CUP

Here's a real tempest in a tea cup. These five puppies belong to Frisky, the Ed Thompsons' Chihuahua. The white puppies are hard to make out here because their color blends in with that of the coffee cup and saucer upon which they were posed. The puppies were about 2½ inches long at birth.

GLOVERS DISTINTIVE WHITE FRAME HOUSE IS A VERY COMFORTABLE FAMILY HIDEAWAY

For all-round comfort, the Glover living room is ideal. The pinkish beige carpet blends in beautifully with the sandalwood walls and woodwork. The living room suit is almost the same color as the carpet.
(STAFF PHOTO)

BY—Sue May

Amy and Ralph Glover have decorated their attractive home on West 9th Street with a homey atmosphere, completely staying within the "classic furnishings category."

Amy and Ralph (he's manager for Southwestern Public Service Company) don't live in their 3-bedroom home by themselves... they have a young son, Darrell. Amy's mother, Mrs. J. F. Nettles, who was 74 last month, also lives with the Glovers.

The living room walls and the adjoining kitchen are textured in sandalwood. The carpeting in the living room is beige-rose and the rosy-beige living room suite complement each other.

Several pictures accent the walls in the living room and Amy has used blonde and dark mahogany furniture in extremely good taste. The high, wide landscape window is draped in curtains of rose, aqua and brown against a cream-colored background.

A French door entrance connects the kitchen and living room. The big, roomy kitchen-dining room is a compliment to the house. Perhaps the corner sink, under two corner windows, facing the east and the south, is the most convenient and pretty spot in the kitchen. The windows, plus the huge window by the dining table, are left sunny and bright with cheery cottage curtains of white with yellow flowers.

The kitchen multi-colored linoleum with the beige background is practical in that it is easy-to-

care-for. The cabinets, which are full of lots of storage, are of sandalwood that matches the walls in the kitchen and living room. All the woodwork, cabinets, ceiling, walls are the same color.

Mrs. Nettles' room has green walls, hardwood floors, and a tan bedroom suite. Pictures of her grandchildren cover the dresser and chest.

Green and brown are the dominant colors in the Glover's bathroom. The linoleum is tan, brown and cream; the ceiling and half-way down wall is green; the tile is brown, flecked with white, trimmed with pale green tile; the woodwork and dressing table are green; the fixtures are white; and the cottage curtains are brown and tan.

Since Amy is fond of green, the master bedroom also has green walls. The bedroom suite is beige and their spread is white. Pink flowers decorate the white draperies.

An interesting picture in the master bedroom is a cross-patch stitched picture of ballet girls. "I am proud of it, because I won it at our sewing club at Silverton and it represents so much work," Amy declared.

Closets in the master bedroom are walk-in. Two sets of linen closets, plus other storage space, are located in the hall.

Darrell's room is a nice place for having fellows in, since he has a combination television-radio-phonograph in his room. Evidence that he is a Elvis Presley fan is seen in his records.

The gray bookcase headboard bed and dresser of gray are accented with white bedspread and a white throw rug against green walls. The curtains are mostly brown with Autumn leaves on them.

For winter and summer indoor comfort, the Glovers have a furnace and central air-conditioning.

Amy and Ralph Glover have taken much pride in landscaping their yard to favor the white wood-frame, trimmed in green, with a white roof. Giving the added touch to the house is the two-car carport.

And they did just that! Last summer, Amy's "millions and millions" of flower blossoms actually made the home a show-place during the summer. The

Amy Glover is shown preparing dinner in her roomy, sandalwood-colored kitchen. To the left, you see a very small portion of the corner sink and the corner windows.

AN OLD STORY WITH A NEW TWIST

Part II. And so Little Red Riding Hood said to the Wolf, "But Grandmother, what big eyes you have."

And the Wolf replied, "The better to read all the good books you brought me from Ogletree's Bookshop, my dear."

Whereupon the wolf got so interested in reading BAA, BAA BLACK SHEEP by Pappy Boyington that he "plumb fergot" to eat up Little Red Riding Hood . . .

He didn't even notice the woodcutters when they brought the Christmas tree. Nor did he hear Grandmother when she came in loaded (with Christmas gifts from Ogletree's Bookshop).

And so they all read happily ever after.

Golfing Rules Are Listed

RULE 28
Ball Unfit For Play
If, during the play of a hole, the ball become so damaged as to be unfit for play, the player may replace it with another ball under the following conditions:

If there be a referee, he shall decide whether the ball is unfit for play. If there be no referee, the player shall inform his opponent or fellow-competitor of his intention to replace it.

Penalty For Breach Of Rule:
Match play—Loss of hole; Stroke play—Two strokes. (Ball unplayable—Rule 29-2.)

Note 1: Mud or loose impediments adhering to the ball do not make it unfit for play.

Note 2: Where the existence of

mud could become an encumbrance to play, the Committee should frame a Local Rule providing for the removal of mud.

RULE 29
Ball Lost
Out Of Bounds
Or Unplayable

1. Lost or Out of Bounds
a. PROCEDURE

If a ball be lost or out of bounds, the player shall play his next stroke as nearly as possible at the spot from which the original ball was played or moved by the player, adding a penalty stroke to his score for the hole.

If the original stroke was played from the teeing ground, a ball may be teed anywhere within the teeing ground; if from through the green or a hazard, it shall be dropped; if on the putting green, it shall be placed.

(Ball in casual water, etc.—Rule 32.)

(Ball in a water hazard—Rule 33-2, 3.)

b. ASCERTAINING LOCATION:
A player has the right at any time of ascertaining whether his opponent's ball is out of bounds or not.

A player outside the match may point out the location of a ball for which search is being made.

c. STANDING OUT OF BOUNDS
A player may stand out of bounds to play a ball lying within bounds.

2. Unplayable
In both match and stroke play, if a player deem his ball to be unplayable, he shall either:—

a. Play a ball as provided for in Clause 1 above, or b. Drop and play a ball under penalty of two strokes, keeping the point from which the ball was lifted between himself and the hole, if this be impossible, he shall drop and play a ball under penalty of two strokes as near as possible to the spot from which the ball was lifted but not nearer the hole.

The player is the sole judge as to when his ball is unplayable. It

may be declared unplayable at any place on the course.

(Ball unfit for play—Rule 28.)

3. Provisional Ball
A provisional ball for a ball lost, out of bounds or unplayable may be played as provided for in Rule 30.

Penalty For Breach Of Rule:
Match play—Loss of hole; Stroke play—Two strokes.

Note 1: A serious breach of this Rule should be dealt with by the Committee under Rule 1.

Note 2: The penalty stroke provided for in Rule 29-1 may not be remitted by Local Rule.

BETTY CROCKER TESTS GIVEN TO OLTON HIGH SENIOR HOMEMAKERS

Ten Olton High School Senior girls took the knowledge and aptitude tests in the fifth annual Betty Crocker search for the American Homemaker of Tomorrow, December 2, under the direction of the homemaker teachers, Mrs. H. B. Maxey, Jr., and Mrs. Archie Sorley.

The girls taking the tests were: Beverly Eby, Gayland Graham, Barbara Jo Roberts, Ellen Jones, Judy Moore, Linda Kemp, Peggy Sluder, Linda Clark, Maenette Dennis, and Nell Smith.

Each girl who participated received a Betty Crocker Homemaker profile and guide to home-making. The "Homemaker" in

each school will be given a distinctive "Betty Crocker Homemaker of Tomorrow Award" pin. Each state and second ranking state girl will be given a \$1,500 and \$500 scholarship respectively, with the state girl and her faculty adviser receiving an expense-paid tour, including such points as Washington, D.C., Colonial Williamsburg, Va., and New York City.

The Betty Crocker All-American Homemaker of Tomorrow will be given a \$5,000 scholarship, and second, third and fourth ranking girls will receive \$4,000, \$3,000, and \$2,000 awards.

Golden Agers Meeting Slated

Golden Age Social Hour members will be feted with a meeting Thursday, December 18, in the American Legion Hall.

Refreshments and entertainment will be provided by the Olton Eastern Star members.

HOUSEWARMING HONORS MISS THEO HACKLER

Miss Theo Hackler was honored with a surprise housewarming Friday afternoon in her home. About 53 women were present.

Miss Hackler's new home is located on West 11th Street.

Gifts and guests were registered by Mrs. Barton Prestridge and Mrs. J. F. Miller presided over the tea service.

The hostess gift was a coffee table and a white Queen Elizabeth bedspread.

Sharing hostess duties were Mesdames H. A. Cavett, H. A. Hy-singer, Barton Prestridge, W. E. Miller, Roy Hooper, Joe Miller, C. C. Curry, Clary Phillips, Glen Gibson, Walter Schreier, R. G. DeBerry, John Campbell, Vance Estes, Anell Miller, C. E. Bley, H. B. Carson, Tom Smith, J. L. Carson, Jr., Duane Eby, Lee Poteet, John Lambright, Bob Hipp, Robert Edwards and Don Franks.

BRIDE-ELECT

Rev. and Mrs. W. A. Gray are announcing the engagement and forthcoming marriage of their daughter, Margie, to Neal Hicks of Cotton Center. His parents are Mr. and Mrs. Charlie Hicks of Cotton Center. The service will be read on December 24 in the Church of God at 6:30 P.M. A reception will follow at the church. The public is invited.

Norma Jean Wills Is Complimented

Norma Jean Wills, bride-elect of Bill Walden, was complimented with a surprise lingerie shower in her home recently.

The serving table was laid with a lace cloth and centered with an arrangement of poinsettias. Mrs. Joe Hall poured the tea and coffee. Cake was also served.

Approximately 15 gifts were registered.

Junior High 4-H Club Sees Demonstration

Olton Junior High 4-H Club had a meeting December 4 and were given a demonstration on making candy.

The meeting was held in Mrs. B. C. Cooner's homeroom at OJHS. Mrs. Phillips, county home demonstration agent, gave recipes to the 25 members that were present.

CHRISTMAS PARTY SLATED

The Future Teachers of America club will have a Christmas party December 18. Hazel Smith, Jean Williams, Sydney Hair and Joanna Lewis will be in charge of the program.

As the December theme for the club is Mexico, the club plans to have a penatya instead of drawing names.

Mexican food will be served and if possible, students from Wayland College, Plainview, will speak to the group on Mexico.

Nuptial Vows Are Solemnized In Pretty Home Ceremony For S. Copleland-L. Smith

Mr. and Mrs. Landon Smith

Take Wedding Trip

For traveling to points in Texas, the bride wore a black wool tweed suit with pale blue and black accessories. Her corsage was of white gardenias from her bridal bouquet. The couple will live 6 miles east and 1 mile south of Olton after January 1.

Mrs. Smith is a 1958 Olton High School graduate, where she was a member of the pep squad.

Rev. Martin Landers, Plainview, read the double-ring ceremony Sunday, December 7, which united in marriage Miss Sharon Sue Copleland and Landon Leland Smith.

The bride is the daughter of Mr. and Mrs. Ray R. Copleland of Olton and Mr. and Mrs. W. C. Smith of Olton are the bridegroom's parents.

The vows were solemnized in the home of the bride's parents' before a background of palm leaves and tall candelabra, holding white tapers and white satin bows. Baskets of pink gladioli and jade green palm completed the wedding decor.

Traditional wedding marches and "I Love You Truly" were played from recordings.

Wears Traditional White

Given in marriage by her father, the bride wore a picture in a traditional white floor-length gown of hand-clipped lace panels set into a skirt of narrowly pleated nylon tulle. The bodice was fashioned with a mandarin collar complimented with pearl embroidery and imported spangles, and long sleeves that came to points over the hands. She wore a fingertip veil of illusion which was attached to a crown of pearls and spangles. The veil belonged to Mrs. Deryl Machen of Lubbock. The bride carried a cascade bouquet of gardenias and white sweetheart roses on a white pearlized Bible with pearl hearts tied in the love-knots of the bouquet ribbon.

The bride's twin sister, Mrs. Sammy Thomas, served as matron-of-honor. She was attired in a frock of white lace over cotton satin, styled ballerina-length. The fitted bodice featured a portrait neckline and cap sleeves accented by a pink chiffon sash. She wore a white velvet bandeau with seed pearls and carried a colonial bouquet of pink sweetheart roses in pink net and showered with pink ribbon.

Brother Serves

Waymond Smith, Olton, the bridegroom's brother, was best man. Candelights were Sammy Thomas and Billy McAllister.

For her daughter's wedding, Mrs. Copleland wore a light brown suit with small brown beads decorating the neckline and brown accessories. The bridegroom's mother, Mrs. Smith, chose a brown Shantung suit with brown accessories. Both wore pink carnation corsages.

Following the wedding, a reception was held. The entertaining room was decorated with fall arrangements. Laid with a white tulle cloth over white satin, the bride's table was centered by crystal candelabra holding four pink frosted candles and the bride's bouquet. A white gardenia memory candle which was burned at the bride's sister's and brother's weddings also decorated the table.

The bride's cousin, Miss Margie Beth Copleland cut the wedding cake and Miss Martha Hyman ladled the punch. Guests' names were secured for the bride's book by Miss Margie Henderson.

Wills-Walden Wedding Plans Are Announced

The forthcoming marriage of Norma Jean Wills to Bill Walden is being announced.

Norma is the daughter of Mr. and Mrs. Truitt Sides and the bridegroom-elect is the son of Mr. and Mrs. E. W. Walden.

Vows will be exchanged in the First Methodist Church, January 4 at 11:45 A.M.

Program Given On "Germany"

"Germany" was the program topic at the meeting of the Olton Study Club recently. The club met in the home of Mrs. Bill Yates.

Mrs. Truitt Sides presented a part on "The Heartland of Europe, Germany and Its People"; Mrs. Basil Sherman talked on "Berlin in Eclipse, Where the Iron Curtain is Visible"; and "Germany's Contributions in Art, Music and Science", Mrs. Frank Cornelius.

The members planned a Christmas dinner for December 15 in the Fellowship Hall of the First Methodist Church. Mrs. Bill Thomas and Mrs. Carl Hooper will be co-hostesses. Husbands of the members will be special guests. Mrs. Sherman will give a devotional.

At the meeting last week, the club brought gifts for the Wichita Falls State Mental Hospital.

Present were Mesdames Roy Aikman, Jack Allcorn, G. H. Bley, Cornelius, Raiford, Daniel, Sr., Jim Fuller, D. M. Granbery, Sherman, Sides, Marshall Stone, Jack Straw, Bill Thomas, Jim Williams and Yates.

FHA, annual staff, and National Honor Society. She was also selected Annual Queen her senior year and was highest ranking senior girl and salutatorian of her class. The bridegroom is a 1957 graduate of OHS, where he played football one year and was a member of the FFA. He is engaged in farming.

Attending the wedding from out-of-town were Anthony Smith, Childress, Mr. and Mrs. Herman Bell and Mrs. Martin Landers of Plainview.

Mrs. Allcorn Reviews Book Tuesday Night

Mrs. R. V. Allcorn reviewed the book, "Complete Book of Absolutely Perfect Housekeeping", by Eleanor Smith, at the meeting of the 1956 Bykota Study Club Tuesday night.

The club met in the home of Mrs. Edd Lynn Burrus. Mrs. Doug Owen was co-hostess. Members wore "slim jims".

Club members exchanged Christmas gifts and played the game, "Keep Talking".

Attending were Mesdames Allcorn, Jerry Anderson, Jim Brown, Burrus, Bobby Copleland, Jackson Dodd, Bill Griffith, Bill Lunsford, Max Malone, James Martin, Owen, Dan Quigley, Billy Smith, Jr., Fred Stockdale, Andy Stroebel, Jerry Dennis, and Don Waldrip.

CLUB CHRISTMAS DINNER SCHEDULED

Members of the Olton Garden Club and their husbands will be feted with a Christmas dinner and party in the American Legion Hall tonight (Thursday).

The dinner will begin at 7:30 P.M.

Honored With Laying Courtesy

Mrs. Ralph Reid was honored with a pink and blue coffee Friday morning in the home of Mrs. G. H. Bley.

Coffee and Cokes were served to the guests.

The Reids have twin babies—a boy and a girl.

Henderson Home Is Party Scene

Mr. and Mrs. Wayne Henderson will be host and hostess for a Christmas party for the Young Adults Sunday School Class of the Cumberland Presbyterian Church. The party will be held tonight (Thursday), beginning at 7:30 P.M. Each person is asked to bring a toy for the church nursery.

PLAINVIEW

MUSTANG TALE

By Gayle McAnally

Glenda Sherry, junior, now has a sparkler on that all-important finger. Glenda's ring is from Barney Wallace of Sulphur, Okla. He's in the navy and is stationed at San Diego. They plan to be married sometime after her graduation from high school. They were together Friday and Saturday nights, and all day Saturday.

Juanelle Andrew was with Freddie Riney Sunday evening and Sunday night.

Noticed recently that Gayle Clark has, on a chain around her neck, Randall Small's senior ring. Guess this means that these two are going steady.

And now, I pause for a question. To Gerry George: Who is Diane Bowser? And—is she from Plainview? Guess what, Gerry . . . Could be wrong, but isn't this the girl that you were with Saturday night?

Saturday night found these people in and about, or out and around, or whatever: Harvey McClanahan, Kay Howard; Jimmy Robbins, Gayle McAnally; Wendell Scribner, Becky Hall; Harlan Carson, Sue Witten; Dewey Hukill, Pat LaFrance;

Elmer Houston, Maenette Dennis; James Simmons, Juanelle Andrew; Coy Carlisle, Glenda Hall; Phil Neinst, Jean Williams; Bobby Brown, Myra Wells; Beverly Crowder, Harold Feathermigh;

Freddie Gordon, Judith Chester; Elza Miller, Marilyn Young; I. A. Webb, Janice Campbell; Jerry Edmonson, Judy Lacewell; Jerry Moore, Nancy Critchfield;

Ronnie Kidd, Sylvia Nicholas; Ronald Fancher, Phyllis Hair.

Weren't many daters (That I could find out about anyway) Friday night. Just these three couples: Marion Green, Jean Williams; Coy Carlisle, Glenda Hall; and Jesse Joe Riney, Frances Presley.

Elmer Houston, Maenette Dennis; Lennon Young, Deeda Kemp; Doyle Eubanks, Barbara Gray; and Bobby Carver (Earth), Darlene Mandrell, dated Friday and Saturday night, Sunday evening and Sunday night.

Elaine Jones and Skipper Purcell of Plainview were together Saturday night, Sunday evening and night.

Oletha Stewart of Fort Worth was here during the Thanksgiving holidays. She visited with Juanelle Andrew, her cousin.

Mary Austin and Robert Priest dated Saturday and Sunday nights.

Nelda Green received an engagement ring from Elton O'Neal this week. They're planning to be married the 18th of January.

Another junior student, Margie Gray, is planning to be married the 24th of December. She will become Mrs. Neal Hicks. Neal is from Cotton Center.

Daters Sunday afternoon were Dewey Hukill, Pat LaFrance; Harlan Carson, Sue Witten; Jerry Edmonson, Judy Lacewell; Jack Royce Straw, Linda Clark; Kenneth Prestidge, Lana Hair; J. D. Myrick, Donna May.

These "pepples" were together Sunday night: James Ray Hyatt, Janet Oak; Houston Hamby, Sharon Dennis; Butch Hulse, Joyce Curtis; J. D. Myrick, Donna May; Bob Bowden, Bobbie Campbell; T. J. Smith, Joyce Gray; Tommie Wilson, Wanda Nixon; Marion Green, Jean Williams; Sonny Bryant, Charlotte Gibson.

Janet Oak went with Wayne Exstein of Archer City Saturday night. Wayne is a freshman at Texas Tech in Lubbock and was visiting with his cousin, Jimmy Robbins.

Congrats to the band for their fine performance in Plainview Saturday. Just wish that they had brought home the 1st Division plaque that we all know they deserved!

Don Hardy Named F.H.A. Prince Charming

Don Hardy was named F.H.A. Prince Charming in a meeting of the club Wednesday.

The Prince Charming will be invited to the Best Beau banquet that the club will give April 10.

Sydney Hair is chairman in charge of the banquet which will be informal.

Marilyn Young, sophomore, and Nancy Bryant, freshman, were elected assistant stock show chairmen. Sue Witten is the other assistant and Ellen Jones is superintendent of the show.

Kenneth Ellis Writes Home About USS Greenwich Bay's World Travels

(Editor's note: Below is an account of the USS GREENWICH BAY's travels during the summer. Kenneth Ellis sent this letter to his parents, Mr. and Mrs. Richard V. Ellis, Olton. It is as interesting as the recent "round the world" tour we printed by

Miss Delane Adams. It will be continued.)

USS GREENWICH BAY
Enroute Aden to Norfolk
5 November, 1958

Dear Mother and Daddy,

Occasionally, in our ship's official Plan of the Day there is noted how many days and how many miles are left of this cruise before we again reach the good old United States of America. Here in Aden today, near the entrance of the Red Sea, we are 7,109 miles and 33 days from Norfolk. I only mention this since it makes us all think of how much has happened, and to how many distant lands we have been in the last six months. We are on our way home now and every man aboard is thinking of Christmas and the holidays and of the wonderful promise that being home again holds for each of us. Just a month to go now but while we're still bouncing around out here and breathing salt air, I thought you might be interested in some of the highlights of this cruise.

Plenty Hot
It has certainly been hard work in many respects, especially at times in the Persian Gulf this past summer. At least I can say that I've been there, where the highest known temperatures in the world are recorded. I don't think I will complain ever again about heat in the States . . . not after seeing the thermometer reading 127 degrees in the shade there in the Gulf!

Anyway, the Navy is a place where everybody is automatically a man as soon as he puts on a uniform. You have to be, for the life of a sailor is tough and hard by the very nature of his work. Out here at sea, we learn to pull together as a team for often the lives of our shipmates depend on how well you do your job. The main thing is that we each must do our part for the good of everybody. I'm glad that I can say I certainly did my share.

It is something just to say such names as Lisbon, Gibraltar, Barcelona, Cannes, Genoa, Athens, Rhodes, Port Said, the Suez, Bahrain, Massawa, Karachi, Bombay, Colombo, Cochin, Aden, Naples, Palma and others. We saw them all, and had the opportunity to sight-see and purchase the wonderful things in all the bazaars and shops wherever we went. Along with this opportunity to see and learn, we carried a vast responsibility of being unofficial Ambassadors of the United States in one of the most critical times in modern history. Almost everywhere we went we found that the local people were particularly friendly and hospitable to Americans, and desirous of helping us in any way that they could.

C. Loveless, James Maltby Best Citizens

OHS seniors Charlotte Loveless and James Maltby have been elected by the faculty as the outstanding students for November.

Charlotte, the daughter of Mr. and Mrs. Everett Loveless, has been in the National Honor Society for two years and is currently the club reporter. She has been an FHA member for four years and is club historian.

Talented musically, Charlotte has been in the high school band for four years and the Stage Band for two years. Charlotte has twice been secretary of her class and last year was a member of the Science Club. She was on the basketball team for two years. This outstanding senior plans to enter Abilene Christian College next fall.

James, who lives with his grandparents, Mr. and Mrs. C. W. Maltby, entered Olton High in February of his junior year. He had previously attended school in Ulysses, Kansas, where he was a member of the National Library Society and the KAYS, an organization for Kansas youth. James plans to attend college, although he is not yet sure where, and will major in chemistry.

Krueger Johnson Wins Cash Award

Krueger Johnson of G. H. Bley 66 Service Station received a \$50 award from Phillips Petroleum Company for giving perfect driveway service to a Phillips "Mystery Motorist."

The award was made when the "Mystery Motorist" paid an unheralded visit to this Phillips 66 service station recently.

To win the award, he gave the "Mystery Motorist" the six steps of "Golden Approach" service, which included a friendly approach; checking under the hood of the car; cleaning all the car windows; whisk-brooming the floor mats; checking the tires; and thanking the customer for his purchases. At the conclusion of these services, the customer identified himself as a Phillips "Mystery Motorist" and left a \$50 certificate at the service station.

Captain Honors Olton Sailor

(Editor's note: Below is a letter from the US Navy Captain, R. E. Riera, to Mr. and Mrs. Richard V. Ellis of Olton. This week, we will begin a continued story, sent to the Ellises from their son, Kenneth, telling of the places his ship has been during the summer. Look for the story elsewhere in this issue.)

25 November, 1958
Dear Mr. and Mrs. Ellis,

On this occasion I take great pleasure in informing you that at the last Commanding Officer's Commendatory Mast, your son was awarded a "Letter of Commendation" for his outstanding performance of duty aboard the USS GREENWICH BAY.

This well-deserved citation was bestowed upon Kenneth for his hard work during the period of 4 July to 6 November, 1958, while his ship served as Flagship for the Commander, Middle East Force, in waters of the Persian Gulf, Arabian Sea and Indian Ocean. During the period as Flagship, the USS GREENWICH BAY was rated as "outstanding" for three of the months so employed and attained the highest ratings ever accorded a Flagship of COMDEASTFOR.

Because of his distinguished

Catholic Church Dedication Sun.

Dedication of Olton's St. Peter's Catholic Church will be held at 5 o'clock next Sunday afternoon at the church which is located in the 200 block of Eleventh Street.

Presiding will be the Most Reverend John L. Morkovsky, Bishop of Amarillo.

ARE YOU BEING ROBBED BY A PROFIT STEALER?

It's an old story . . . but proof-positive—year-old tractors, in some cases, are robbing their owners blind.

Authoritative tests, conducted by impartial engineers at the University of Nebraska, proved every tractor loses power during a year's work on the farm. Furthermore, some tractors lose as much as 20 per cent in power. And in most cases, their farmer-owners were not aware of this power loss. Such loss means more hours to do the same job . . . not to mention extra gallons of fuel wasted.

The skilled mechanics in our shop can rejuvenate your tractor quickly . . . efficiently; they'll do only the work that's necessary; do it quickly . . . with a minimum of delay . . . at the lowest possible cost. Why throw away those profits? Come in this week and let's talk over your service needs!

OPTOMETRY: The Art and Science of Visual Care

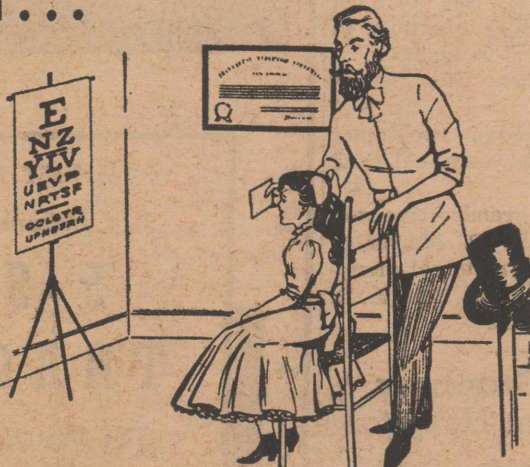

20/20 WAS good enough . . .

for Mr. Snellen, who invented that vision test in 1863. But not for today's needs, for much more is involved.

Children in school today do not learn at 20 feet but at near distances, 10 to 18 inches away. That's why testing for skillful vision at "near" is so important. Evidence shows that most children who fail the 20-foot test usually are in the UPPER fourth of their class.

Seeing-problems increase as the grade advances. In grade school 9 per cent, in high school 24 per cent, and in college 40 per cent of the students have deficient vision.

Be sure YOUR child is examined for NEAR vision. That's important!

Residents Attend State Convention For Farmers Union. In Mineral Wells

Castro County Farmers Union president Ralph Futrell and Mr. and Mrs. Joe Newman attended the Texas Farmers Union Convention in Mineral Wells last week.

They arrived Thursday night for the annual banquet for the insurance agents and their wives and the state directors and their wives.

Mr. Futrell is on the state board of directors. "A major portion of the entertainment for the convention was from our area", said Mr. New-

man, "with the very talented and charming Misses Cheryl Poteet and Tommie Witten from Olton doing their novelty song and dance routines. Also in the entertainment portion was the Hi-Hatters, a string band made up of Junior members of the Earth local, and the Queen-Teens, a trio of young ladies from the Paducah local."

West Texas was well represented at the convention, there being a large delegation from both Lamb and Parmer counties, as well as other surrounding counties.

DISTRICT LION GOVERNOR TO VISIT IN HART

The Hart Lions Club will welcome to Hart, W. F. (Bill) Hunter, District Governor of District 2T-1 Lions International which includes 93 clubs in this section of the state.

Lion Hunter is in the insurance business with offices in Amarillo. He is a member of the Amarillo Downtown Lions Club, having served in all offices with the exception of Secretary-Treasurer. He has also served as President of the Broadway-Florence Lions Club in Los Angeles, Calif. and Zone Chairman of District 4A in California. THE HART BEAT

"MARTIN LUTHER" TO BE SHOWN IN BAPTIST CHURCH

"Martin Luther", the widely acclaimed feature-length motion picture which is based on the 16th Century Reformation leader, will be shown at the First Baptist Church, Hart, December 14, beginning at 7 P.M.

Rev. Jack Johnston said that this initial showing of this church-sponsored feature-length film will be open to the public. He urged that everyone attend, so that "all of us can better understand the issues and the history of the Protestant Reformation."

"The authenticity of this period in human history has not been sacrificed for the film's artistic excellence. Writings of both Catholic and Protestant scholars of the Reformation were researched to insure historical accuracy," Rev. Johnston said.

Mrs. Claude Ray was hostess for the meeting of the Hart Zephyr Club meeting last week.

Mrs. Howard Davenport and Mrs. Shirley Nelson were co-hostesses.

A finance report was given by Mrs. Glenn Reed. During the business meeting, the club decided to leave the menu for the Christmas Dinner to the entertainment committee; pay for the husbands' plates for the Christmas dinner; get club pins; and bring a gift to the next club meeting.

Mrs. Mildred Loftan of Tulsa gave the program. She demonstrated how to make beautiful bows and how to make a paper Christmas tree.

Refreshments were served to 17 members and one guest.

Busy Bees Hear "Money Management"

Mrs. Stringer, County Home Demonstration Agent, gave a talk on Money Management at the meeting of the Hart Busy Bees recently.

Rose Mary Lee acted as president at the meeting in the Home Ec. building. Roll call was answered by each girl telling how many times she had made the fudge since the last meeting.

Mrs. Pickrell served refreshments to Rose Mary Lee, Sherry Davis, Linda Armstrong, Rene Brooks, Mary Taack, Nina Shelby, and Pamela Huston, and Mesdames Lee, Taack, Pickrell and Stringer.

Skating Party Staged By Hart Intermediates

The Intermediate Sunday School classes of the Hart Baptist Church had a skating party in Plainview Thursday night.

Approximately 26 attended. The sponsors were D. Myrick and Mesdames Bill Mason and Lloyd Davis.

HART BB BOYS WIN 3RD IN KRESS TOURNNEY

The Hart basketball boys lost their first game in the Kress tournament by two points. Price College gained their winning points in the last quarter ending the game with a score of 37-35.

The boys won the rest of their games by a comfortable margin, however. Hart scored a 12 point lead over Nazareth Friday night with a score of 54-42. Saturday, in the final game, the boys chalked up a 57-29 score over Friona "B" team for the Kress tournament consolation place. This makes a 6-1 record for the Hart BB boys.

Ronnie Farris was the high scoring man for Hart with 52 points during the three games. Another honor bestowed upon Ronnie was that he and J. D. Myrick were selected for the All-tournament team.

Prior to the Kress tournament the Hart boys chalked up a six-point lead over Cotton Center at the Cotton Center gym.

Ronnie Farris was again high scoring man with 16 points of the 40-34 score.

If you have any suggestions for the betterment of our paper will you pass it along. Pretty hard sometimes to get news when there just seems to be none. Will you not please call 2372 and give me your news. It is YOU who makes the HART BEAT.

Let's all pull together for a better town. WE can make our town just what we want it to be—with a little effort.

Here's a startling item from a recent issue of Automotive News:

"Law enforcement officials are studying results of a survey by Willis G. Nelson, principal of the Madison High School, Rexburg, Idaho. Over a four-year period, Nelson maintained a scholarship record of students who owned cars and those who didn't."

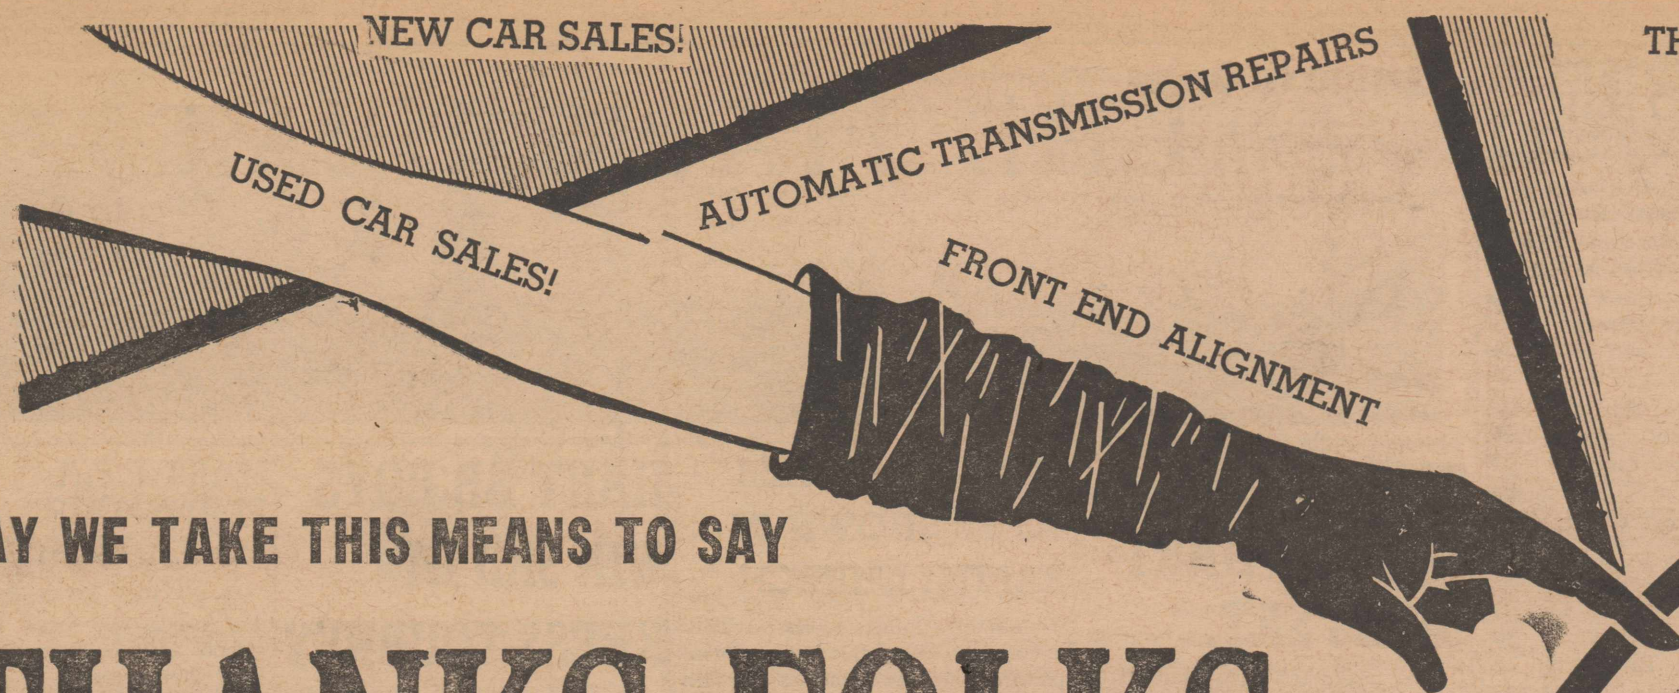

"Results showed that no student who maintained an A average over the period had the use of cars during school hours. Of those with B averages, 15 percent had the use of cars during school hours; 41 percent of
