Dr. Sheppard's Mother Found Shot To Death In Son's Home

CLEVELAND (AP)—Mrs. Edythe Sheppard, 62, mother of Dr. Samuel H. Sheppard who was convicted last month in his wife's murder, was found shot to death today in the home of another son, Dr. Stephen Sheppard.

Police of Suburban Rocky River were called to the home by Mrs. Betty Sheppard, wife of Dr. Steve. She told them she found her mother-in-law lying in bed with a revolver at her side. She was shot in the right side of the face.

The weapon was a .38 calibre revolver, police said.

Police said a note found nearby read: "This is too much, I can't take it any longer."

In ill health for several years, Mrs. Sheppard was the only member of the family unable to visit Dr. Sam at county jail where he has been since July 30—26 days after his wife, Marilyn, 31, was found bludgeoned to death in the bedroom of her Bay Village home.

Samuel Sheppard, 31, is under a life sentence on conviction Dec. 21 of a charge of second degree murder. His lawyers are appealing for a new trial, claiming "newly discovered evidence." A hearing is scheduled tomorrow.

In addition to her sons, Samuel and Stephen, Mrs. Sheppard is the mother of a third son, Dr. Richard Sheppard, oldest of the three. All three are osteopaths, along with their father, Dr. Richard Sheppard. They practice together at Bay View Hospital which the father helped to found.

The elder Sheppards' home is next to the hospital.

Mrs. Sheppard had suffered from a heart ailment. At one time during her son's 13-week trial, both she and her husband were patients in the hospital. The husband was suffering from a respiratory ailment.

Judge Edward Blythin rejected Monday a motion by Dr. Samuel Sheppard's counsel for a new trial on the grounds that there were 41 errors in the trial.

Battle Lines Taking Shape In Congress

By JACK BELL

WASHINGTON (AP) — Democrats pondered today how to cope politically with what their leaders called a "New Dealish" domestic program laid before Congress yesterday by President Eisenhower.

The President appeared to have put the opposition party on the defensive with a 53-minute State of the Union message in which he either asked action or laid the groundwork for future requests on 33 foreign and domestic problems.

The first reaction to the President's call for "unhesitating cooperation" between the Democratic-controlled Congress and the Republican executive branch was one of outwardly warm acceptance.

But while there was ready agreement among lawmakers of both parties with Eisenhower's plea to "let the general good be our yardstick on every great issue of our time," signs of disagreement were not long in appearing.

Key Democrats criticized the President's plea for continuance of flexible farm price supports, called his report on economic conditions "too optimistic," attacked his local-federal "partnership" program of national resource development, turned thumbs down informally on proposed revision of the Taft-Hartley Labor Act, urged a larger boost in the statutory minimum wage than he suggested and disagreed with his indication that he does not believe Alaska is ready for statehood.

There was enthusiastic bipartisan backing for Eisenhower's foreign policy objective of attaining a "durable peace," but what was perhaps an ominous silence from Democratic ranks greeted his explanation of how he hopes to achieve military manpower reduction while maintaining the armed forces in balance.

The first of the Democrats' probing operations evidently would begin with this military program, when it is laid down in detail. Sen. Russell (D-Ga), incomng chairman of the Senate Armed Services Committee, said he was "seriously considering" setting up a preparedness subcommittee to help with the job.

In what amounted to a chorus of agreement, Democratic leaders said Eisennower was stealing past Democratic thunder in his proposals for extending health services, adjusting the formula for old age pensions, a promised new school aid program, extension of the Small Business Act and a proposed huge highway building program.

Sen. Lyndon B. Johnson of Texas, the Democratic leader, said the President used a "Democratic premise" in his message, adding that Congress will consider his program "in that spirit."

Rep. John W. McCormack of Massachusetts, House Democratic leader, said that on domestic matters the President's message "might well be termed New Dealish."

Sen. Clements (D-Ky), assistant leader, was "glad to see the President joining the Democrats on so many fronts." He said proposals for reciprocal trade extension with tariff-cutting powers, the school construction program and the higher minimum wage all were part of "Democratic programs."

Echoing the same note, Chairman Paul Butler of the Democratic National Committee found Eisenhower "going over to the Democratic program."

On the Republican side, Sen. Knowland (R-Calif) edged nearer agreement with Eisenhower on foreign policy by observing that the message carried "no appeasement or policy of waiting for the dust to settle." He said the administration advocates a "peace with honor based on strength to meet any further Communist adventures or aggressions." In the past, Knowland has advocated more vigorous moves against the communists than Eisenhower has been willing to undertake.

Sen. Morse (Ind-Ore), who was highly critical of some of Eisenhower's domestic proposals, tacked a "statesmanlike" label to the President's proposals in the foreign and military fields.

Sen. McCarthy (R-Wis) said he was "extremely disappointed" that Eisenhower proposed no "positive action" toward freeing Americans held behind the Iron Curtain. But McCarthy was apparently alone in his criticism on that point.

NEW LEGS

Constance DeStasi, two and a half years old, believed to be the youngest triple amputee in the nation ever fitted with artificial limbs, looks at herself in a mirror at the Liberty Mutual Rehabilitation Center in Boston, Mass. A victim of a rare blood circulation disease at eight months of age, Connie had to have her left leg, right foot and right hand amputated to save her life. Joseph Aveni of the center designed legs which will be changed as she grows and in time she will be fitted with an artificial hand.

Church Council Deplores Desegregation 'Evasion'

FORT WORTH (AP)—The Texas Council of Churches urged today against "attempted evasion" of the Supreme Court decision to desegregate public schools.

Representing 1,250,000 protestants in Texas, the council in a "message to the churches of Texas," called "upon Christians to face the implications of this issue with all honesty and integrity rather than with attempted evasion."

The council ended its three-day session, adopting the "message" drawn up by a committee of 17 headed by Dr. M. E. Sadler, president of TCU.

The "message" concerned international relations and world peace, inter-church cooperation, human relations, the Christian home and areas of concern in our state.

"With the Supreme Court decision to abolish segregation in public schools," the message said, "We are challenged with the new interpretation and pattern of brotherhood.

"These changes are in keeping with our Christian convictions and challenge us to apply them. They are also consistent with our beliefs in democracy and equality guaranteed by our Constitution.

"We recognize the role of the church to apply Christian foresight, patience and forebearing understanding as these new adjustments are made.

"It is hoped that the churches will see their best methods and channels through which this understanding can be brought about."

Under "areas of concern in our state," the council said "the church should have an increasing concern" in mental health, supporting legislation for adequate care of the mentally ill.

The council also urged abolition of common law marriage.

"Another deep concern of the churches is the care, treatment and rehabilitation of the juvenile delinquency," the report said. "We commend the work of the State Youth Development Council but deplore the handicapping of its work by the failure of the Legislature to make adequate financial appropriations."

The council commended President Eisenhower's foreign relations program.

"It is our convention and our hope that our national defense can be secured by means which will not involve any type of dangerous regimentation or militarization of our youth," the message said.

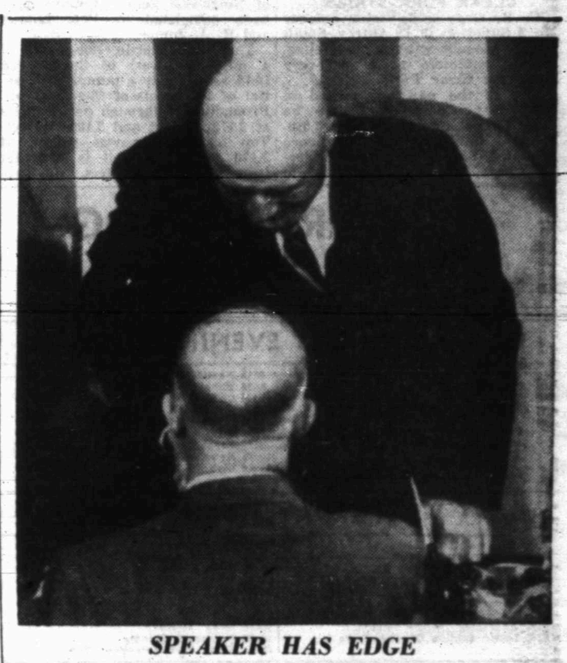

The council said there was evidence of "a new spirit of unity and of inclusive Christian fellowship" among churches.

Dr. R. F. Curl, San Antonio Methodist, was elected president; and Mrs. Charles Edison, Waco Presbyterian, a vice president.

Directors at large include Bishop Joseph Gomez, African Methodist Episcopal, Waco; the Rev. Robert Tupper, Evangelical United Brethern, Wichita Falls; and the Rev. John Mueller, Evangelical and Reformed, Waco.

Charles Taft, brother of the late Ohio senator, Robert Taft, told the group last night the World Council of Churches was not formed to bring various Christian communions into an organic unity.

SPEAKER HAS EDGE

In the matter of bald pates, Speaker of the House Rayburn, Texas Democrat, reveals that he has the edge over President Eisenhower. The chief executive turned for the handshake on completing his address before Congress in Washington. At the start, he congratulated Rayburn on his 73rd birthday.

Hammarskjold, Chou, Schedule Third Session

TOKYO (AP)—Dag Hammarskjold held a second meeting today with Premier Chou En-lai of Red China, and scheduled a third for tomorrow.

Today's session lasted 3 hours 45 minutes, and brought to more than seven hours the time consumed by conferences between Peiping's Premier and foreign minister and the U.N. secretary general, seeking the release of 11 U.S. airmen imprisoned as spies and other personnel held in Red China. Their first session had run 3½ hours.

The reports of the meetings in Peiping come from Peiping radio, and in dispatches from the Hammarskjold party to U.N. headquarters in New York.

These reports listed the advisers present for each side, but gave no details of the talks.

The propaganda mouthpiece of Communist China has not yet told its listeners that Hammarskjold flew halfway around the world in an effort to win freedom for U.N. personnel held by the Reds.

The U.N. official met with Chou hesterday for 3½ hours. There was no hint fo either progress or stalemate.

To Discuss Loan Methods

Texas congressmen have secured a promise from the Farmers Home Administration that the FHA will discuss its 1955 loan methods with Texas ranchers who are protesting those methods.

Complaints had been made in parts of West Texas, especially in the San Angelo area, that the FHA is requiring repayment of 1955 loans ahead of repayments on 1954 loans. The reference was to emergency livestock loans.

After receiving complaints, Rep. Clark Fisher of San Angelo talked with R. B. McLeaish, FHA administrator, who agreed to meet with spokesmen for livestock men, if the spokesmen want to go to Washington.

The Texas Sheep and Goat Raisers Association sent word to Fisher and Rep. W. R. Page of Waco that the group was "greatly concerned over an apparent change in policy" and feels the FHA has gone back on its agreement with livestock men.

Joseph Box, local FHA administrator, said the problem has not arisen here. No emergency livestock loans have been made here, he said, adding that big cattle and sheep ranchers secured that type of loan in many areas.

Stevens Feels Fine, Doesn't Plan To Quit

WASHINGTON (AP)—Secretary of the Army Stevens said today "I have never felt better in my life and I am not resigning."

With this one line statement, Stevens took recognition of published reports that he was leaving office.

The statement was issued through the Army information chief, Maj. Gen. Gilman Mudgett, who quoted Stevens as telling him this morning that "he had not discussed resigning with anyone."

There have been recurring rumors in the last week that Stevens' departure from the government was imminent.

Yesterday, Sen. Potter (R-Mich) told a reporter he had "informed the administration" that he still believed Stevens and Army counselor John G. Adams should resign or be fired.

Potter was a member of the Senate subcommittee which held hearings last summer on the row between Sen. McCarthy (R-Wis) and the Army officials. At the conclusion of the hearings, Potter said he felt some resignations were in order.

Adams told a reporter this morning that "I have not resigned, do not expect to resign, and have not been asked to resign."

At the White House, reporters asked whether Stevens was leaving the administration.

Murray Snyder, assistant press secretary, replied that he had no information that Stevens was about to resign.

Fields Disappear Again In Hungary

By WARREN ROGERS JR.

WASHINGTON (AP)—U.S. officials disclosed today that Noel and Herta Field have again vanished from American sight inside Communist Hungary.

The Fields, freed last Nov. 17 after five years in a Hungarian jail, were reported by the Hungarian press last month to have sought asylum in Budapest. Official efforts to affirm or deny these reports have been unavailing.

In fact, officials said, the U.S. legation at Budapest no longer knows the whereabouts of the mysterious American couple.

Officials here said U.S. Minister Christian M. Ravndal has been pressing the Hungarian Foreign Office for information. They said Ravndal was told two days ago that the Fields were at the same Budapest address at which he had visited them last Nov. 18, the day after the Hungarian government officially announced they had been freed and spy charges against them dropped.

When Ravndal sent aides to the address Wednesday, officials said, they were told the Fields had checked out around Dec. 15.

It was one more bizarre chapter in the case of the disappearing Field family. Noel's brother Hermann, 44, was freed by Communist Poland last October after five years' imprisonment. Rejoined by his wife in November, he dropped out of the public eye somewhere in Switzerland. The State Department has issued him a passport, but is not saying where he is.

Another member of the family who disappeared behind the Iron Curtain is Erika Glaser Wallach, 31-year-old foster daughter of the Noel Fields. She was last reported in a Soviet prison camp.

Ravndal reported last Nov. 18 he found Noel and Herta "well off," and happy to be free again. He said both were ailing and wanted to enter a Budapest hospital for treatment.

Body Of Man Hunted Near Neches Bridge

PORT ARTHUR (AP)— His hat, coat and glasses found by a bridge railing were the only trace today of Ed Tyer, Port Arthur lumberyard operator believed to have jumped 184 feet into the Neches River.

Ten Coast Guard and private boats went out at dawn again today to drag the river. Late in the morning they had found no sign of the body.

Tyer had been ill.

Quick Action Asked On 'Fair Play' Rules

By JOHN CHADWICK

WASHINGTON (AP)—Early Senate action on proposed "fair play" rules for Senate investigating committees was urged today by Sen. Watkins (R-Utah).

He said in an interview that reforms in committee procedures stand "a much better chance" of adoption if the Senate considers them before other legislation begins to pile up.

A Rules subcommittee headed by Sen. Jenner (R-Ind) submitted yesterday a report recommending 12 changes in Senate rules to govern investigating committees.

A short time later Watkins introduced four changes which had been proposed by the special bipartisan committee that recommended censure of Sen. McCarthy (R-Wis), and described the proposals as the minimum required to reform committee procedures.

The Senate condemned McCarthy's conduct 67-22 on two counts at a special session last month, but it took no action on the rules changes urged by the Watkins committee.

Sen. Green (D-RI), in line to succeed Jenner as Rules Committee chairman, said he hadn't seen the Rules subcommittee proposals and didn't know how quickly any action might be taken.

The Rules subcommittee, composed of Senators Carlson (R-Kan) and Hayden (D-Ariz) in addition to Jenner, said its report was based on the belief that "effectiveness in fact finding is wedded to fairness in procedure."

It called the investigative process ""essential to the preservation of our free institutions," but it said it had tried to strike a balance between preserving this function and fair treatment of witnesses.

Under the rules change it proposed, any person who felt his reputation had been adversely affected at a public hearing could request to testify in his own behalf or could file a sworn statement. The committee would decide what to do with such requests of statements.

Another change would require that witnesses be notified in advance of their appearance of the subject matter of the investigation, although this would not limit the scope of the interrogation at the hearing.

Committee chairmen would be required by another proposal to report to the Senate the general nature of investigations they intended to undertake. And under another proposed rule, conflicts in jurisdiction between investigating committees would be settled in the Senate.

Daily Maximum Drops

The gradual decline in daily maximum temperatures continued here yesterday with a high of 43 degrees reported. That compared to 59 degrees and 65 degrees on the previous days. The overnight low of 30 degrees was four above that for the previous period, however, and by 7:30 a.m. today the temperature had risen to 33 degrees.

Ike's Talk Draws Praise By Texans

WASHINGTON (AP)—Speaker Rayburn (D-Tex) called President Eisenhower's State of the Union message "very good," particularly the recommendations for "a strong national defense, reciprocal trade and matters of that kind."

Senate Democratic Leader Lyndon Johnson (Tex) said, "The President correctly stated a Democratic premise when he said that the general good should be our yardstick on every great issue of our time."

Comment of other Texas congressmen:

Sen. Daniel: "It was aimed at giving and receiving cooperation. I believe he has outlined a program on which he will receive cooperation from the Democratic majority. I think he will get as much cooperation from the Democrats as he would have from a Republican majority."

Rep. Alger, the lone Republican from Texas: "It was a fine speech, one I want to study thoroughly and consider in view of his philosophy that the government should do for the people only what they can't do for themselves and then with safeguards for freedoms."

Rep. Burleson: "It was a good Democratic speech. However, it was vague on the farm problems."

Rep. Dowdy: "I had understood he was going to adopt the fair deal philosophy and that's what it looks like he did."

Rep. Wright: "I think it generally was a good statement of policy with which Democrats can find little objection. However, regarding the farm situation the President has had some bad advice if he thinks conditions are good. He underestimates the effect of the drought in Texas."

Rep. Fisher: "The President's message impressed me as being a statesmanlike report on the state of the union. It was in general terms and I think will be generally favorably accepted."

Rep. Rutherford: "The big print in his speech seemed to give a lot, but the little print took it away. He was for much defense and for help to the farmers and other noble causes provided the cost was not too great. He was for state's rights, but would throw in federal regulation and controls."

Rep. Kilgore: "I like the bipartisan features of the speech. It was very comprehensive, but lacked details. I wonder about its 1956 political implications."

Rep. John Bell: "It was very impressive, broad and comprehensive."

Rep. Poage: "He was sadly mistaken in his estimate of the farmer's situation when he said they were in good condition. They now have more federal controls than they ever had and are getting lower prices."

New Air Force Academy Maps Full Course Of Instruction

By HERMAN R. ALLEN

NEW YORK (AP)—The Air Force let the public in today on its plans for a "West Point of the Air"—which soon will join the U.S. Military Academy, Annapolis and the Coast Guard Academy in training officers for the armed forces.

The catalogue for the projected Air Force Academy outlines the program of instruction.

In its description of the course labeled "geography 101-102," to be given in the freshman year, the catalogue states, "Particular emphasis is placed on the comparative potentials of the United States and the U.S.S.R."

In describing work to be undertaken in a course in "airmanship," it says, "Upon completion the cadet will be qualified to plan and act as navigator on a polar flight."

Lt. Gen. H.R. Harmon, superintendent of the academy, due to open in temporary quarters at Lowry Air Force Base, Denver, next July, invited newsmen to a seminary at Columbia University today to discuss plans for the school.

Set up under the same law that governs operation of West Point, the Air Force Academy is expected to go into permanent quarters near Colorado Springs, Colo., in 1957.

Only a freshman class will be enrolled this year, with new classes entering each year. Not until 1958, when there will be a full four-year student body, will the academy engage in varsity level athletic events.

The academy will not be a flying school, although some graduates will go on to become pilots and all cadets will be taken aloft for training in navigation, etc. Its primary job will be to give a young man the foundation in social sciences, the humanities and science necessary for "a lifetime of service to his country, leading to readiness for responsibilities as a future air commander."

Entrance to the academy, ultimately will be on the same basis as entrance to West Point, but the first class will be limited to 300 men because of limited space at Lowry.

Admission will be through competition among men nominated by members of Congress and from other sources such as the regular Air Force and sons of Medal of Honor winners. Congressional nominations for the first class must be received by the Air Force by 5 p.m. Feb. 18. Applicants must be at least 17 years of age and must not have reached 22 by July 1. They must be citizens of the United States and never have been married. They must pass qualifying examinations.

Graduates of the academy will be commissioned second lieutenants and will be rated as aircraft observers.

Two Girls, Father Die As Fire Destroys Home

APOPKA, Fla. (AP)—Two girls and their father who tried to save them died in a fire which consumed their home two miles southeast of here today.

Dead are Egon M. Thollander, 53, and his daughters, Connie, 4, and Linda Sue, 3.

The mother, Mrs. Ruth Thollander, and another daughter, Marian, 5, were treated at a hospital for minor cuts and burns.

Firemen said the fire apparently started from a lighted cigarette.

Two other daughters, Edna, 12, and Mitzi, 16, were visiting elsewhere for the night.

The Thollanders had operated a fruit stand at the site for 25 years.

Thollander re-entered the blazing home after he and his wife saved their 5-year-old daughter. His body was found beneath a crumbled wall. The bodies of the two girls were found in their joint crib.

Survey Indicates Male Sicklier Sex

By ROBERT GOLDENSTEIN

CHICAGO (AP)—Women not only have a six-year longer life span than men but apparently live more hale and hardy lives.

A nationwide survey released today showed men patients outnumbered women patients by 77,720 late in 1953—642,156 men to 564,436 women.

This was despite the fact that an average of onesixth of all persons admitted to hospitals are pregnant women.

The women outclassed the men healthwise in every age bracket. Even in the childbearing ages of 15 to 44 years there was an excess of 13,233 males in the 6,539 registered hospitals covered in the survey.

Results of the survey, made by the Bureau of Medical Economic Research of the American Medical Assn., came as a big surprise. Voluntary health insurance plans show more females than males utilize this service.

Frank G. Dickinson, Ph. D., bureau director, said it was believed when the survey started that no more than 40 to 45 per cent of the patients would be males.

"The evidence of higher hospital incidence or morbidity rates of males strongly implies that they are the sicklier and more hospitalized sex," he said.

The breakdown in other age brackets showed there was an excess of 11,353 males in the age group of 14 and under, an excess of 51,185 males in the 45-64 year age group and an excess of 1,949 males in the 65 and over group.

Females made up slightly more than half the nation's population—50.3 per cent. However, the survey showed that males made up 53.2 of the hospital patients.

There were 98,605 more males than females in Veterans Administration hospitals. However, in nongovernmental hospitals women exceeded men by 64,631.

The AMA Journal commented editorially:

"If this survey has demonstrated that males rather than females are the weaker sex, part of the explanation must be found in federal hospital practices. Another speculation is that the factor of childbearing is more than offset in the sex ratio of hospital patients by male veterans. Accidents and occupational hazards may play a role, but they hardly explain the excess of 11,400 boys among patients under 15 years of age. This survey has established that males are the more hospitalized sex."

WEATHER

WEST TEXAS: Partly cloudy to cloudy through Saturday with occasional rain mostly in South Plains and east of Pecos Valley. Slightly warmer tonight.

Varel's Scurry prospector will be the No. 1 C. J. Smith. Location is to be 330 feet from the north and west lines of the southwest quarter of section 488-97-H&TC. That is about four miles east of Fluvanna and seven miles west of the Kelley-Snyder field. The nearest production is four and a half miles northwest in the Fluvanna multipay field.

The No. 1 Smith is slated to drill to 3,200 feet to test the Clear Fork.

Six miles northwest of Big Spring on Howard County, Varel will drill the No. 1 Guitar Trust as a 3,000-foot wildcat. Location is 330 feet from north and east lines of the southwest quarter of section 22-A-Bauer & Cockrell survey.

CLEAR FORK STRIKE

C. B. Gray and Victor Salazar No. 1 Superior- B. L. Autrey, South Scurry County wildcat, is preparing to complete as a discovery from the Clear Fork.

Top of the pay was picked at 3,080 feet. Completion is to be from the open hole section at 3,080-106 feet, total depth. A 22-foot core revealed a highly saturated section here. The project flowed to pits with no gauges after being fractured with 5,000 gallons.

The new well is said to be 75 feet high structurally to J. K. Wadley No. 1 C. A. Hardee, a recently completed long extension to Clear Fork production in the North Coleman Ranch field of Mitchell County. The No. 1 Hardee, one and three-quarter miles southeast of the No. 1 Superior-Autrey, made a potential of 167.75 barrels of oil from the section at 3,065-086 feet. The nearest Clear Fork production in Scurry County is about five miles to the north. Cliff Thomas of Big Spring and I. Weiner of Big Spring hold acreage on the north and east.

The No. 1 Superior-Autrey, about one and one-eighth miles southwest of the Sharon Ridge 1700 field, is in section 96-97-H&TC.

SCURRY FIELD WELLS

The third and fourth producers in the Corazon-San Andres field of Northwest Scurry County have been completed by Pete Lomax and R. J. Zonne.

The No. 1 Martin, one-fourth of a mile northwest of the proven field area, made a pumping potential of 76 barrels of 36-gravity oil. Production is through perforations at 2,172-182 feet and 2,199-204 feet. Top of the pay was picked at 2,170 feet. The well is 990 feet from south and 330 feet from east lines of the southeast quarter of section 575-97-H&TC.

The No. 3 Martin, drilled 1,320 feet from south and 933 feet from east lines of the southeast quarter of the same section, was finaled for a pumping potential of 72 barrels of 36-gravity oil. Production is through perforations at 2,203-250 feet which had been fractured with 10,500 gallons. Top of the pay was at 2,203 feet.

Both the wells are about three miles northeast of Fluvanna.

COKE WILDCATS

Two new 5,100-foot wildcats have been staked for drilling in Coke County in the vicinity of a recent Canyon sand discovery.

Union Oil of California will drill the No. 1 S. E. Adams one and five-eighths miles southeast of the discovery, J. B. Randle No. 1 F. C. Wojtek. The drillsite, two miles north of Robert Lee, is 2,310 feet from south and 330 feet from east lines of section 415-1A-H&TC.

Hall & Steward Drilling Co. and Robert S. Brennand, Jr., of Midland will drill the No. 1 Mrs. J. B. McCutchen six miles southsoutheast of the No. 1 Wojtek and about 14 miles from Robert Lee. Location is 660 feet from the south and west lines of section 421-1A-H&TC, two miles northeast of the McCutcheon field.

Fine Assessed On Guilty Plea

Frankie L. Bean, 20, Sweetwater, pleaded guilty this morning to a county court charge here of swindling by worthless check and was assessed a fine of $15 plus court cost of $23.50.

Bean is in the county jail pending payment of the assessment. He completed a sentence in the county jail here last September on conviction of theft and was in jail at Sweetwater at the time he was given yesterday to the custody of Homer Whisnand, sheriff from here.

Whisnand said Bean completed yesterday a bootlegging sentence at Sweetwater. His conviction here this morning was on a charge concerning two worthless checks on which complaints have been made against Bean. One check is for $5, the other for $2.50.

The theft charge on which Bean was convicted last July 20 involved him and another youth from Sweetwater who stopped a Negro motorist on the Big Spring highway and took cash from him as "a fine" they said they were assessing him because they were liquor control board officers.

In July, Bean was sentenced to three months in jail and assessed a fine of $123.50, including cost, all of which he served jail time in lieu of payment.

More Charges Filed After Man Pays Fines

Robert Wallace, former temporary resident of Snyder and now a resident of Post, was charged this morning with swindling by worthless check, the charge being filed only a few hours after he paid fines for himself and his wife on similar charges.

Wallace pleaded guilty to a swindling charge here Wednesday afternoon and paid a fine, then was released to obtain money to pay a fine for his wife, who remained in jail here yesterday, and to redeem checks totaling $49.70. Wallace's fine was $28.50, including cost.

Wallace paid his wife's fine yesterday, totaling $33.50, and she was released. He also redeemed the checks. Today several other checks were brought to the county attorney's office, one of which is alleged in the new charge against him. It is for $6. Four others bearing his name were brought in, and one for $11, bearing Mrs. Wallace's name was also brought in.

When the Wallaces appeared before the court on the former charges, they had their four-year-old daughter with them.

By noon today, Wallace had not been arrested on today's charge.

Fruit kuchen is one of those cosmopolitan desserts which appears in the culinary lore of numerous European countries. Most experts credit its origin to Germany and, made with apples, it closely resembles a Dutch apple cake. Today's Apple Kuchen is still another version that's a variation of an old Danish recipe and it's a delicious dessert that's easier to prepare than you might think.

APPLE KUCHEN

1 egg
½ cup sugar
½ cup milk
2 tablespoons melted shortening or salad oil
1 cup flour
½ teaspoon salt
2 teaspoons baking powder
2 cups chopped apples
¾ cup flour
½ cup sugar
3 tablespoons butter or margarine

Beat egg lightly and stir in the ½ cup sugar, milk and shortening. Sift flour, measure and sift again with salt and baking powder. Stir into egg mixture. Spoon into a well-greased 8-inch square pan. Sprinkle chopped apples over batter. Combine remaining flour and sugar and cut in butter until mixture is crumbly. Sprinkle over cake. Bake in a moderately hot oven (375 degrees) for 25 minutes. Serve warm or cold. Serves six.

Caron Wants To Grow Up In Her Roles

By BOB THOMAS

HOLLYWOOD (AP)—No more the waif for Leslie Caron.

At least she hopes she can escape from the pixyish gamin she has become noted for in movies. "That kind of role has been good for me," she reasons, "but I would be too limited if I stuck to it. I've got to grow up sometime."

The little French doll is getting her wish in her next two assignments. She now is appearing opposite Fred Astaire in the musical reworking of "Daddy Long Legs," the pleasant piece of sentiment that once starred Mary Pickford (1919) and Janet Gaynor (1931). She ages from a girlish 18 to a mature 22. Though the early portions show her as a French orphan in typical Caron style, she gets more glamorous as the story progresses. She even has a sultry dream sequence in which she displays her legs Dietrich-style.

Her next role will be even more grown-up.

"Jean Renoir wrote a play for me," she said. "He said that he got the inspiration after he saw me in 'Lili.' I read a few pages of it when he first started working, but I didn't think I would ever be able to get away from MGM to do a play.

"Later he finished it, and I found it very exciting. The studio had nothing for me to do, so I pleaded with them to give me some time off. I think it is stupid to keep actors under contract and not let them keep working. Especially when it costs the studio nothing.

"They decided to give me the time off, just as they did last year when I danced with the Ballet de Paris. They are very nice about it. But I admit that I have to fight like a devil to convince them."

The Renoir play is called "Orvet," which Leslie once explained is "like your underwear snake" (she meant garter snake). She plays a poacher on a landed estate who is discovered by a playwright. He writes a play about her, makes her into a lady, then scorns her love. She kills herself. The play is being produced by Robert Petit, with whom she has been linked romantically.

HD Council Has Meeting

Mrs. Howard Hogue, who has recently taken the office of chairman of the County Home Demonstration Council presided at a meeting of the council yesterday afternoon. Fourteen council members represented the six clubs in the county.

Following roll call, the duties of each office were explained. The council accepted the standing rules of 1955 after hearing them read by the secretary. The chairmen of civil defense, citizenship, 4-H work, recreation, yearbook, Triple E and finance read their recommendations for this year's work and they were accepted. Ruby Butts, home demonstration agent, reported that home demonstration clubs here now have 100 members. She also announced that there will be a Texas Home Demonstration Association meeting in Lubbock on February 14.

Mrs. Guy Stoker was invited to attend the February council meeting to discuss her trip to the National Home Demonstration meeting Washington, D. C.

Length Is Still Tops In Jewelry Fashion

Jewelry by the yard — that's the way smart girls are wearing it this year — the longer the better. For 1955, this rule will apply not only to necklaces but also to earrings, which may dangle to the shoulder for after-five wear. Both necklaces and earrings come in all kinds of fake jewels, gay, dramatic and not nearly as expensive as they look. The 60-inch necklace of pearls (simulated, of course) has been a top favorite for the last year, and will continue among the winners in 1955, according to advance reports. The long necklaces may be worn straight or in many other ways, tied in a knot, looped around and around the throat, worn matinee length — making the necklace just half as long, and so on. Some women like to wear half a dozen of the long strands of beads in different colors, mixing up fake pearls, emeralds, rubies and rhinestones.

Tate-Lynch Rites Read At Hermleigh

Mary Elizabeth Tate became the bride of Kenneth Ray Lynch in a double-ring ceremony read December 31 in the Hermleigh Church of Christ with Joe Marshall, officiating.

The bride, daughter of Mr. and Mrs. J. B. Tate, route 2, was given in marriage by her father. Mr. Lynch is the son of Mr. and Mrs. J. T. Rogers, 2109 Avenue S.

The bride wore a street length dress of dusty rose faille trimmed with rhinestones and a black velvet hat trimmed with sequins. She also wore a rhinestone bracelet with matching earrings, gifts of the bridegroom. For the traditional something old, she wore her grandmother's wedding ring. She carried a white Bible topped with a colonial bouquet of white carnations with satin streamers.

Martha Jean Hungerford, the maid of honor, wore a tailored suit of dustry rose. Her corsage was of blue split carnations.

George T. Hatley served as best man.

The church decorations were arrangements of pink gladioli in wrought-iron vases that flanked either side of the pulpit. Mrs. Alfred Lieb and Elois Davis sang, "Ah, Sweet Mystery of Life," "Because," and "The Wedding March."

Following the ceremony, a reception was held in the home of the bride's parents. The floral decoration at the church was also used at the reception. Mrs. Glenn Foster presided at the two-tiered wedding cake, decorated with blue wedding bells and miniature bluebirds. Mrs. Glenn Tate presided at the bride's book.

When the couple left for a short wedding trip, the bride was wearing a black velveteen jumper dress with a ruffle-trimmed white blouse and black accessories.

The couple will live at 414½ Thirtieth Street in Snyder where both are employed by the Snyder Daily News.

Mrs. Lynch graduated from Hermleigh High School in May, 1954. She was active in FHA Club and was a majorette with the pep squad for two years. Mr. Lynch attended Snyder schools.

Tigers To Try Big Springers

The Snyder Tigers, surprised by Lamesa early this week in their first district game, will be trying for their first loop win tonight when they go to Big Spring.

Play in the varsity game will start at 8 o'clock. The B teams will clash at 6:30.

District 3A-1 cage activity will get into full swing tonight. The Lamesa-Snyder game is the only loop contest already played. Tonight, Breckenridge will be at Plainview, Vernon at Levelland, and Sweetwater at Lamesa.

Most reports show that Snyder and Big Spring varsity teams are evenly matched. Snyder has a 4-7 record for the season, while that for Big Spring is 4-6.

Common opponents of the two teams so far have been Midland, which downed Big Spring once 52-45 and lost to the Steers once 49-45 and which beat Snyder once 50-43 and lost to Snyder once 55-49; and Odessa, which beat the Steers twice, 57-39 and a close 57-55 and which took Snyder twice, 65-53 and 76-68.

In other games, Big Spring beat Levelland once 63-59 and lost to that team once 57-55, beat Brownwood 61-56, beat Andrews 75-51, and lost to Birdville 54-52.

The Tigers, in other games, beat Fort Worth Tech 56-53, Travis of Austin 73-55, Iraan 55-44, and lost to Abilene 70-56, Alpine 67-45, and Kermit 59-57.

Charles Clark paces the Steers with 192 points, followed by Al Kloven with 94, Kenneth Harmon with 84, Bobby Phillips with 68, and Wayne Tollett with 67. Top Tiger scorers are Jack Spikes with 134, Alan Snead with 108, Jerry Taylor with 106, and Milton Ham with 95.

Jimmy Bennett, Tiger ace who had been on the court only a short time after almost recovering from a shoulder injury, is out again with another injury to the same shoulder. Bennett said this week that the injury will not keep him out long. He expects to be getting back to regular workouts next week.

The Snyder B team will enter tonight's game with a season record of 5-3 and district mark of 1-0.

Top scorers on that team include Dwayne Prince with 91, Powell Berry with 75, Ronnie Smith with 40, and Pat Fowler with 31.

While the Tigers will not be playing tomorrow night, most district teams will have games then. Those games will be Vernon at Plainview, Breckenridge at Levelland, and Sweetwater at Big Spring.

ABOVE THE BLEACHERS

By DALE WALTON

The rumor mills never cease to grind in the sports world. Now there's one out to the effect that the University of Houston offered Frank Leahy $100,000 to become head football coach there.

Like most rumors, this one was a little vague. There was no indication as to whether the $100,000 was to be a "bonus" for taking the job, a year's salary, or wages for a period of years.

* * *

Also on the same general subject: somebody whispered that Murray Evans, the Hardin-Simmons coach, was an applicant for that coaching job at Midwestern University in Wichita Falls. The "shake-up" season for college coaches threatens to become longer than the playing season itself.

* * *

Plans are still underway for Hermleigh High School's annual banquet to honor football players.

Ray Isaacs, coach of the team, said the banquet will be held Monday night. The main speaker for the banquet had not been definitely announced at last report.

The Hermleigh Cardinals being honored are the first team members from that school, or from its district for that matter, who can sport "regional champion" patches on their brand-new jackets.

Isaacs was given all sorts of awards by overjoyed Hermleigh grid fans at the end of the successful season. They included a wrist watch, whole suit of clothing, and a box of cigars.

The coach and his school are still thanking Snyder, especially its Chamber of Commerce, for handling arrangements for the Hermleigh - Rochester regional game played here.

* * *

The Snyder Tigers probably rank at the top, or at least next to that, on free throw percentages in the district.

The cagers now have a season team average of 62.6 per cent on free throws. And look at these individual figures: Jerry Taylor 69.6 per cent, Don McNew 69.2, Jimmy Bennett 68.4, Jack Spikes 67.9, Joe Tankersley 66.6, Alan Snead 62.2, Hubert O'Neal 61.1.

Field goal percentages are still down. Figures of those who have played extensively this season include 39.8 per cent for Snead, 39.3 for Ham, 39 for Spikes, 32.2 for Tankersley, 31.3 for Taylor, 29.4 for Steve Blair, 28.5 for Bennett, and 26.5 for O'Neal.

Determine, High Gun Tops For Hialeah

MIAMI, Fla. (AP)—The two leading money winners of 1954—Determine and High Gun—each drew 128 pounds for Hialeah's $100,000 mile and a quarter Widener to be run Feb. 19.

Determine won the Kentucky Derby and High Gun was the choise in nationwide polls for the 3-year-old championship last year.

2 Baseball Clubs Asking For Support

By The Associated Press

Owners of one of the largest and one of the smallest baseball teams in Texas asked their cities to help them stay in business Thursday night.

Backers of the Beaumont and Gainesville teams heard presidents of the two clubs announce at special open meetings that they would be unable to operate in 1955 without community help.

At Beaumont, Exporter President Allen Russell and Texas League President Dick Butler were among the speakers for a proposal to sell the baseball park to the city for $165,000.

The Shippers would then lease the park under a 15-year pact. A bond issue was suggested as the means for raising the city funds.

The election to consider such an issue would require the signatures of 1,735 voters. Russell asked that petitions begin circulating immediately.

Gainesville President E. L. Bradshaw told fans in the North Texas town he would need the support of at least 20 businessmen to keep the Owl franchise in the Class D Sooner State League.

The Gainesville oilman said he lost $6,521 after taking over the team in mid-season last year and was not prepared to accept another such loss. He offered to put up the $3,400 in fees to keep the franchise active, provided the 20 businessmen pledge their support by Saturday noon.

Both teams are locally-owned. Gainesville maintains a working agreement with the Chicago Cubs.

8th Grade In 1st Loss

The eighth grade cage team of the Snyder junior high suffered its first defeat of the season last night.

The team fell to the Sweetwater eighth 28-26 after a close game all the way. Sweetwater led 6-4 at the end of the first quarter and 9-8 at halftime. Led by Jimmy Allen, the Snyder team got slightly ahead during the last quarter, but Sweetwater edged out again.

The Snyder seventh won its game over a Sweetwater opponent 25-18.

That game had a slow start, with Snyder ending the first period ahead 1-0. At halftime, the Snyder team was still ahead 7-2, and it led 20-5 at the end of the third. Dick Hayes led scoring with 10 points, while Barry Walker had seven.

Each of the teams now has a record of 4-1 for the season. Their next games will be in Snyder next Tuesday afternoon against Lamesa squads.

Six Colleges Win In Last 60 Seconds

By ED WILKS
The Associated Press

Spine-tingling finishes occurred in many college basketball games last night.

St. Louis, Pennsylvania, Memphis State, Montana, Sewanee and Mercer all won in the final 60 seconds over Houston, Harvard, Arkansas Tech, Wyoming, Georgia Tech and Wofford, respectively.

The Billikens snatched victory from Houston by an 85-84 count on the clutch performance of Dick Boushka—a cool gent who first hit a jump shot with seven seconds remaining, to send the game into an extra period and then end it all on a layup in the final 12 seconds.

Memphis State also had its star, Elmore Fortner, while outlasting Arkansas Tech 105-102 for the Senior Bowl Tournament title at Mobile, Ala. Fortner, who totaled only 10 points, counted three of them on foul shots in the final minute of overtime for the winning margin.

In the other hair raisers, Penn dropped Harvard 54-52 on Bart Leach's 10-foot jump shot with seven seconds left; Montana's Rudolph (Zip) Rhodes sank two free shots with five seconds remaining to defeat Wyoming 44-42; Sewanee, trailing throughout, upset Georgia Tech 67-66 as Joe Alligood hit a field goal with 10 seconds to play; and John Hughes' field goal with 12 seconds left made it Mercer 72, Wofford 71.

The Skyline Conference Race opened with favored Utah thrashing Denver 82-58; Utah State knocking off defending champ Colorado A&M 85-65 on a 41-point surge in the final seven minutes, and Brigham Young beating New Mexico 92-62, in addition to the Montana-Wyoming thriller.

In the Atlantic Coast Conference, Maryland won its sixth straight and built its league record to 5-2 with a 78-65 triumph despite a 48-point Virginia outburst in the second half.

West Virginia settled its Southern Conference leadership argument with Virginia Tech 98-82. The two teams entered the game with 2-0 records.

South Is One-Score Favorite Tomorrow

MOBILE, Ala. (AP) — A massive but mobile line studded with All-Americas and backed up by some of the fiercest tacklers in the nation make the South a touchdown favorite in Saturday's Senior Bowl game.

With both squads loaded with sharp-shooting passers and explosive runners, the defenses thrown up by North coach Paul Brown and his opponent Steve Owen could very likely spell the difference in the 25-man clubs.

Owen, who has yet to win from Brown in the classic, has All-Americas Bud Brooks, Arkansas guard; Rex Boggan, Mississippi tackle; Kurt Burris, Oklahoma center, and Frank McDonald, Miami (Fla.) end, in his line.

As linebackers on defense he can call on five of the best in collegiate ball: Burris, centers Hal Easterwood of Mississippi State and Jack Locklear of Auburn, and fullbacks Dick Bielski of Maryland.

Brown can also muster a stout defense in addition to his strong running attack led by Wisconsin fullback Alan Ameche, picked as the country's outstanding player during the past season.

His defense line will have Richie Gaskell, George Washington, and Andy Nacrelli, Fordham, at ends; Dick Chorovich, Miami (Ohio), and Frank Morze, Boston College, at tackles; Tom Bettis, Purdue, and Jan Smid, Illinois, at guards, and center John Damore, Northwestern. Fullback Max Burkett, Iowa State, will back up.

The award, named for a former Cleburne High School player who later starred with the Baylor Bears and New York Yankees, was presented by the Cleburne Optimist Club.

Leahy, who entered the hospital Wednesday night, said he had "some little old pains."

A year ago he resigned as Irish coach because of his health.

Dick Todd Hired To Coach Midwestern

WICHITA FALLS (AP)—Dick Todd, a square-shouldered young rancher who dabbles successfully in football, is the new head football coach at Midwestern University.

Todd signed a 3-year contract at an undisclosed salary yesterday, ending a year of semi-retirement in which he served as a scout for Southern Methodist University after resigning as Mustang backfield coach following the 1953 season.

He fills a post vacant since the resignation of Joe Saitta last Dec. 18. Saitta served two years, during which the Indians won 6, lost 13 and tied 2. They had a 4-5-1 record last year finishing second in the Gulf Coast Conference.

At Midwestern, Todd will continue a football career that began in 1930 with Crowell High School in West Texas and continued through Texas A&M, the Washington Redskins, U. S. Navy teams during World War II and coaching jobs with Washington, A&M, and SMU.

Todd scored 664 points in four seasons at Crowell—a record that stood until Kenneth Hall topped 700 points at Sugar Land in 1953.

At A&M, he played on also-ran teams but earned the respect of the conference as a top-flight halfback, graduating in 1939.

Todd joined Washington's Redskins in the fall of 1939 and remained with the team until 1948 except for a 3-year period spent in the Navy. He was an assistant coach at Texas A&M in 1949 and 1950, returning to Washington as assistant and later head coach in 1951.

He retired from coaching in 1952 to run his ranch near Crowell, but came back in 1953 as backfield coach at SMU. Last year he retired again to operate the ranch.

P. S. Richardson, chairman of the Midwestern Athletic Committee, said Todd would have "a free hand" in naming his assistants.

Todd's first activty with the Indians will be to attend the Gulf Coast Conference meeting Monday in Dallas. He gave no indication yesterday as to possible assistant coaches he planned to name.

Babe, Furgol Are Golfers To Beat On National Golf Day

CHICAGO (AP)— The country's women golfers will get a chance to match cards with Babe Zaharias while the men will shoot against Ed Furgol in the third National Golf Day June 4.

Mrs. Zaharias, 1954 Women's Open champion, is the first feminine star to compete in the event to raise money for the USO and the National Golf Fund sponsored by Life Magazine and the PGA.

She and U. S. Open champion Furgol will play at the Olympic Club, San Francisco, scene of the 1955 National Open. Golfers throughout the country will play the same day on courses of their choosing in an attempt to outscore the two champions and win one of two medals reading: "I beat Ed Furgol," or "I beat Babe Zaharias."

Last year Ben Hogan shot against a field of 147,000 players and his 64 at Baltusrol was bettered by 1,900 of them. Entry fees paid on the 1954 National Golf Day totaled $131,747 and Thursday this sum was presented to the USO and the National Golf Fund at a luncheon.

Hermleigh, Fluvanna Cagers Meet Tonight

Hermleigh basketballers will open their Class B district schedule tonight when they take on Fluvanna at home.

This will be the first of eight district games for Hermleigh. Teams in that district play through their regular schedule and then send their top two teams into a two-out-of-three playoff for championship.

Hermleigh's boys, coached by Ray Isaacs, have a season record of 5-3. They recently won the consolation title in the Trent tournament. The girls team, coached by Orville Paty has a 1-4 mark.

Sugar Ray To Meet Tiger

CHICAGO (AP)—Sugar Ray Robinson, in a comeback he hopes will lead to a middleweight title fight with champion Bobo Olson in June, has been booked to meet rugged Ralph (Tiger) Jones in Chicago Stadium Jan. 19.

The bout will give a national television audience its first look at the slick 34-year-old former welterweight and middleweight champion since he retired 30 months ago to become a song-and-dance man.

Robinson, who announced he was through with the ring after exhausting himself in the heat against Joey Maxim in a light heavyweight title scrap, started back up the ladder Wednesday with a six-round TKO knockout of Joe Rindone in a nontelevised Detroit fight.

Truman Gibson, International Boxing Club secretary, said yesterday that Robinson's new manager Joe Glaser has objected to Jones as "a little too tough for Robinson at this point."

However, Gibson was emphatic, saying that "if Robinson wants to box in Chicago, it'll have to be Jan. 19 with Jones or nobody."

The players become pros in the game, with each member of the winning team receiving $500 and expenses and the losing team members $400. About 15 pro scouts are here to view the pickings, although several players have already been spoken for.

The North offensive backfield has Dave Leggett of Ohio State, Rose Bowl star, calling signals; Bob McNamara, Minnesota, and Ron Drzewiecki, Marquette, at halfbacks, and All-America Ameche at fullback.

For the South it will be Bobby Freeman of Auburn at quarterback; L. G. Dupre of Baylor and Corky Tharp of Alabama at halfbacks, and Bielski at fullback.

The highest score in the 30-year history of the East-West Shrine game is the 40-9 beating given the West by the East in 1948.

Joey Jay, young bonus pitcher for the Milwaukee Braves, has won two games and lost none in two years with the club.

Freshmen Enter San Angelo Tournament

Snyder High School's freshman basketball team was scheduled to play this afternoon in the second round of the San Angelo Junior High Basketball Tournament.

The Snyder team, which drew a bye in the first round, was to meet the winner of the Ballinger-Edison (San Angelo) game.

This is the first regular game for the frosh team, coached by Hal Battle, since the holidays. The squad holds a 3-1 record for the season, with wins over Colorado City twice and Sweetwater and a loss to Big Spring.

Top scorer for the team is Bud Morgan with 45 points, followed by Israel Hinojos with 33. Others are Bill Jennings with 10, John Ward with seven, Maxey Carey with three, Jackie Tucker and Dickie Martin with two each. Others who were to make the trip were Dwaine Merritt, Bill Crowell, James Patterson, and Jimmy Cloud.

Win or lose, the team will play Saturday morning in the double elimination tourney, Battle said.

Last year the frosh team was downed in the finals of the San Angelo tourney by Lee of San Angelo. That was the team's only loss out of 15 games during the year. In the same tournament, the Snyder team downed Edison, North Side of Abilene, and one Odessa school.

CHURCH NEWS

Rev. Strickland To California Church

Two Snyder preachers whose lives have run a coincidental parallel in recent years are planning to begin new pastorates in California.

The men are the Rev. Floyd Strickland, pastor of the Avenue D Baptist Church, and the Rev. Jack O'Neal, pastor of the Green Hill Baptist Church. Mr. Strickland has submitted his resignation effective January 23, and will move to Campbell, Calif., to become pastor of the First Baptist Church. Mr. O'Neal is to become pastor of the Bethel Baptist Church in Sunnyvale, Calif., which is about 10 miles from Campbell.

Mr. O'Neal and Mr. Strickland attended high school together in Rotan, and both their wives were originally from Rotan. The two ministers were separated for some time after their graduation, but began preaching at about the same time and were ordained in the same service. They attended Hardin-Simmons University in Abilene at the same time, and then pastored Fisher County churches concurrently. Both also served as pastor of the Highland Home Baptist Church in Rotan.

Mr. O'Neal came here as pastor of the Union Baptist Church. When Mr. Strickland moved here, they drove back and forth from Fort Worth together, attending classes at the seminary there during the week and working with the churches on Sundays.

A short time ago, the two men made a preaching tour through California. There they renewed acquaintances with the Rev. Roy Young, general missionary in the area to which they are to move. Mr. Young had been pastor of the Highland Home church in Rotan while each of the men attended the church at different times.

Both the families plan to move from Snyder at the end of this month. Mr. and Mrs. Strickland have two daughters, Reva and Gay Lynne, and a son, Joe Wendell. Mr. and Mrs. O'Neal have two sons, Leon and Charles, and a daughter, Deborah.

REV. FLOYD STRICKLAND
. . . resigns pastorate

Mr. Strickland has served the Avenue D Baptist Church since December, 1951, during which time the church has expanded its membership and facilities.

Circle To Operate Snack Bar Thursday

Plans to raise funds through the operation of a "coffee break" snack bar next Thursday were made by the Mary-Martha circle Wednesday morning.

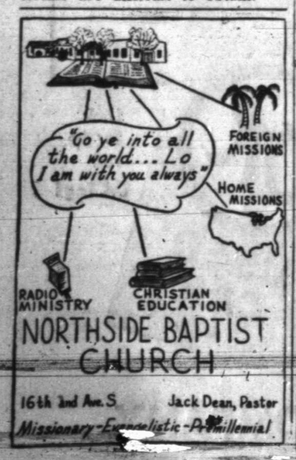

The snack bar will be set up in the fellowship hall of the First Methodist Church, and the public is invited to patronize it. Coffee, cake and pie will be served between 9:30 and 11 a.m. and 2 and 4 p.m. Coffee will be 10 cents per cup, with the food 15 cents per serving.

The circle began a study on "Man and God in the City" at the Wednesday meeting. Mrs. W. W. Park is study leader. Mrs. H. Hoefer was hostess to the 21 persons present. Guests were Mrs. Joan Deffebach, Mrs. Bill Bunch, Mrs. Leroy Sims, Mrs. Lida Hardy and Mrs. Mac Allen.

Christmas Cards For Formosans To Be Sent

Members of the Calvary Baptist Church are asked to bring surplus Christmas cards to the church Sunday.

The Christmas cards will be packed and shipped to the Rev. Bill Logan, a missionary in Formosa, the Rev. T. Gerald Cates, pastor, said. In Formosa the pictures are cut from the Cards and stamped in gold with a Bible verse. The pictures are then distributed to Formosan children to help in teaching. Many churches throughout the nation supply cards for this and similiar uses in countries where teaching materials are difficult to obtain.

Rev. Kelley Takes Church At Lubbock

The Rev. Leslie Kelley, a native of Scurry County, has recently been named pastor of the Parkdale Baptist Church at 420 Fourth Street in Lubbock. He will preach his first sermons as pastor there Sunday.

Mr. Kelley is the son of Mrs. Dock Kelley, 1000 Twenty-sixth Street, and the late Mr. Kelley, a long-time farmer in this vicinity. For the last three and a half years, Leslie Kelley has been pastor of the Prairie View Baptist Church in Big Spring. During that time the church has doubled its Sunday school attendance, built a new educational building and received 76 additions to the church.

Both Mr. and Mrs. Kelley are graduates of Hardin-Simmons University, and Mr. Kelley attended Southwestern Baptist Theological Seminary in Fort Worth for two years. His pastorates in Scurry County before he went to Big Spring were at Dermott, Midway and Fluvanna. In Big Spring, he has been a member of the Big Spring Pastor's Association, chairman of the Radio Committee on Evangelism, secretary of the Baptist Executive Board of district eight, and a teacher of Bible at Howard County Junior College. He served in the Air Force during World War II, and was stationed in North Africa, Italy and France for more than three years.

Mrs. Kelley, a native of Anson, taught in the local school system in 1948-1949 and has taught in the North Ward Elementary School in Big Spring for the last three years.

The couple will move to Lubbock about January 20, and will make their home in the church parsonage at 318 Avenue F.

Week's Slate Listed By First Methodist

The First Methodist Church commission on membership and evangelism is scheduled to meet at 7 p.m. Tuesday in the church.

Other meetings scheduled at the church during the week include a WSCS executive meeting at 9:30 a.m. Monday. The Crusaders' Sunday school class social is to start at 7 o'clock Monday night, and the Victory Bible class social will be held at 10 a.m. Wednesday. The Wedding Band social is slated for 7 p.m. Thursday. The Mary-Martha circle will sell coffee, cake and pie from 9:30-11 a.m. and 2-4 p.m. Thursday in fellowship hall to raise funds for circle projects.

Local Group Attends Meet At Big Spring

About 50 young people and nine adult leaders from the First Methodist Church attended a Big Spring district meeting in Big Spring Wednesday night.

The Rev. Irvin Smith, pastor of the University Methodist Church in Tulsa, Okla., was the principal speaker. His topic was the meaning of the church to youth.

WORTH INVESTIGATING

TEN REASONS WHY THE CHURCH OF CHRIST IS WORTH INVESTIGATING:

1. You may read about it in the Bible (Matt. 16:18; Rom. 16:16).
2. It has no creed but Christ (John 20:30,31).
3. It speaks where the Bible speaks, and is silent where the Bible is silent (1 Pet. 4:11).
4. It exalts Christ as the ONLY head of the church (Col. 1:18).
5. Its acts of worship are patterned after the New Testament (John 4:24).
6. It teaches that scriptural unity can be attained on all disputed, doctrinal questions (1 Cor. 1:10).
7. It pleads for unity of all believers in Christ (John 17:20,21).

Ted Norton

8. It is not a denomination—nor a group of denominations; but the New Testament says it is the body of Christ (Eph. 1:22,23; Col. 1:18). Christ, Himself, is the founder of it (Matt. 15:18; Acts 20:28).
9. Its aim: To save souls by preaching the gospel (Eph. 3:10; Mk. 16:15,16; 1 Cor. 15:1-4); to live godly (Rom. 12:1,2); to edify the saints (Matt. 28:20; Eph. 4:29); to help the destitute (1 Tim. 6:3-16; James 1:27) and, to glorify God (1 Cor. 6:19,20; Eph. 3:21).
10. Its future: Eternal glory with Christ (1 Thess. 4:17; 2 Pet. 3:8-13).

NINETEEN HUNDRED YEARS AGO THE CHURCH OF CHRIST WAS ESTABLISHED! Today, she has the same name, worship, organization, doctrine and life. "The churches of Christ salute you." (Rom. 16:16). The gospel only makes Christians only.

New Firm Is Opened Here

Opening of a new furniture store, plumbing company, and bowling alley has been announced by W. Bernson, former co-owner and operator of another furniture store here.

Bernson Furniture & Plumbing Co. is located in the old junior high school building at Avenue O and Twenty-eighth Street.

The bowling alley is located in the east end of the building and will be operated by Leroy Weber, an insurance agent here since 1950. Weber leased the four-lane bowling alley from Bernson.

Bernson said that his firm offers a complete furniture sales service and features high quality merchandise to be sold at the lowest possible prices.

Bernson said that low overhead makes it possible for him to sell quality furniture at lower prices. He purchased the building from the Snyder Independent School District last year for $10,000.

The bowling alley is of regulation length, with the bowling lanes being 60 feet long, and the approaches 15½ feet long. Those specifications, and all other aspects of the bowling alley make it comply with the regulations of the American Bowling Congress, he said.

Since the alley does comply with the ABC regulations, bowling records of persons who use this alley will be recognized anywhere in the country making it possible for the local bowlers to qualify for organized competition and tournaments anywhere in the country, he added.

Spectator seats as well as player seating accommodations, coffee, cigarette, and cold drink vending machines are provided.

Bernson formerly was co-owner and operator of the Town & Country Furniture store located on the Lamesa highway in west Snyder.

Search Ends With Success

BEAUFORT, N.C. (AP)—A seven-hour sea and air search for the crews of five Marine amphibious craft in trouble in rough water off the coast here ended this morning with all hands safe.

The navy reported at 2 a.m. that a head count showed all men accounted for and unharmed.

Nine ducks—small craft which travel on land and water—set out from the Morehead City terminal for the LSD San Marcos, one of some 15 transports anchored about three miles offshore to carry Marines from nearby Camp Lejeune and elsewhere to Puerto Rico maneuvers.

Four ducks got off safely through turbulent Beaufort Inlet. One capsized and its four-man crew was quickly rescued from the fairly warm water.

Mechanical trouble sent two more plunging onto a sandbar. The Coast Guard found them and took four men off at 8:30 p.m. They rescued six more at 11:20.

The other two ducks and their 10 men still missing. Wind, rain and darkness plagued searchers. Planes dropped flares to light a wide area. There was talk of calling off the hunt until morning. But about 1:30 a.m., the last two men were sighted on a sandbar. By 2 a.m., all were safe.

The 24 Marines were brought ashore, fed hot soup and sent to bed.

As We Forgive-

A fine specimen of young manhood... maybe my neighbor or maybe yours. He is not a bad boy, just one without training. His parents don't like the church and actually boast of never attending. What a tragedy.

How unfair to the children of such homes... to put "Other Gods first." This lad needs love, direction, guidance. He needs forgiveness, for only "as we forgive can we be forgiven." Police officers, "Big Brothers" and good church people help but it also requires being acquainted with God.

Have you asked the court to parole a boy to you instead of allowing him to go to jail? Maybe he needs just one more chance. *The manifold mercies of Heaven are available,* if a man, woman or child will turn in good purpose to Him. The church on the corner can help any boy, or girl, or man, or woman. Won't you see for yourself?

You In The Church... The Church In You—
Form a combination for good. Every man, woman and child needs the influence of the CHURCH. Be a faithful worker. Attend every service.

Rail Strike Is Called Off

LONDON (AP)—Union leaders suspended a call last night for a nationwide railroad strike which could have crippled the nation's booming economy. But Union Secretary "Big Jim" Campbell warned a new strike call would go out if further wage talks are not satisfactory.

The suspension of the walkout followed a long government-called conference between officials of the 400,000-strong National Union of Railwaymen (NUR) and the British Transport Commission, which runs the state-owned lines. The walkout had been scheduled for Sunday midnight.

A union statement said assurances by the commission "create a satisfactory basis for negotiation and speedy settlement."

Union officials said the transport chiefs agreed that "wage rates would be adjusted" and that "there would be no haggling."

The Transport Commission, which previously argued it was unable to grant pay hikes, had no comment.

Escapes Cornpicker

CENTREVILLE, Md. (AP)—J. Alvin Holland's clothing caught in the mechanism of a corn picker yesterday as he was climbing from his tractor. The 44-year-old farmer was pulled into the whirling machine, but his clothing fouled the gears and stalled the motor just in time. He escaped with cuts on his legs and a gash on his back.
