Tragedy hits local families

Vasquez killed in accident

Obituary, page 10

A two-vehicle collision on the intersection of Highway 80 and Highway 208 claimed the life of a Loraine man Wednesday afternoon.

Manuel Vasquez, 42, was driving a 1969 Chevrolet pickup when his vehicle collided with another pickup and trailer driven by James Thomas Sherrill of Sweetwater. The truck he was driving belonged to Key Brothers Implement Company of Colorado City.

Alvarez youth dies in Abilene

Dion Alvarez, son of Mr. and Mrs. Ruben Alvarez of Colorado City, died Thursday night at Hendrick Medical Center from an apparent football injury that put him into a coma on September 22.

Alvarez, 15, was injured while playing in a junior varsity football game against Abilene Wylie. The injury occurred during the third quarter of the game while he was playing at

his defensive position.

Alvarez was taken to Root Memorial Hospital by ambulance and was later transferred to Abilene's Hendrick Medical Center at approximately 11:23 p.m.

Dion was clinically dead during his one-week stay at Hendrick, Mr. Alvarez said. But with the machines and technology, he was kept alive, he added.

Hallmark appointed treasurer

The Mitchell County Commissioners Court Thursday appointed (Sandra) Ann Hallmark as the new County Treasurer spot left vacant by Mildred Boyd.

Mrs. Hallmark, 37, will become the official treasurer effective October 1 and serve until 1984. At that time she will have to file to get her name on the Demo-

cratic ballot for the General election.

"I'm really happy about being appointed," Mrs. Hallmark said. "There were many (people) over there that were well qualified. I want to thank the commissioners and the county. I appreciate their support."

The County Commissioners, who met for a called meeting last

Wednesday, went into executive session to interview the nine candidates who filed for the position. The court did not make the final decision until early Thursday morning.

Mrs. Hallmark is presently employed by Custom Ag in Loraine.

"They were all well-qualified," County Judge Bill Carter said. See HALLMARK Page 2

Large crowd attends fair

The Annual Mitchell County Fair, got off to a fast start Thursday night, co-chairperson Ray Ritchey said.

"The first day was exceptionally well," Ritchey said. "There was a larger crowd than usual. We had a big night Thursday and expect a bigger night Friday. Saturday night is the biggest night of all."

Fair results, page 6B

The RECORD Bake-Off attracts a large crowd, Ritchey said.

"We have more food booths than ever," he

added. "Nobody can go hungry. We thought the entries would be down due to the dry weather, we have had. But we had as many entries as in previous years."

The judging on all the entries was done Thursday from 1 p.m. until 6 p.m. Some of the top winners included: Junior Department, art, Sherry Putman, Pas and LS, first place and best of show; Art Department, water division, Fanny Faye Feaster, first place and best of show; Agriculture Department, Junior division, Robyn Turner, first Grand Champion;

Roundup to feature many exhibitors

Cheryl Kincaid, whose designs have been carried in Neiman-Marcus Christmas catalogues, will be featured at the Railroad Arts and Crafts Roundup October 8-9.

Kincaid, who is from Abilene, is a demonstrating woodwork artist.

The Roundup will be at the County Ag Barn on West Highway 80 in Colorado City. There is no admission charge. The Ag barn will be

open from 10 a.m. until 8 p.m. on Saturday and 1 p.m. until six p.m. Sunday.

The show this year sports a wealth of wood artists. There's Jimmy Heath from Crane and Linda Harding from Wink, as well as Bea and Arlice Brooks from San Angelo, who were with us last year. Others from Abilene are the Rockin M Craft Studio and Martha Herold.

to county library

The Mitchell County Public library will be entering the age of computers sometime between October and January 1984.

Head librarian Nancy Mayo said Colorado City along with three other West Texas towns will be receiving micro-computers for library and public use as well. Donating the computer will be the Big Country Library System.

"I think it will be a great asset to the library," Mayo said. "I'm really excited about it."

"I've talked to a few of our patrons. Some said they would be interested and excited about it."

Eleven cities signed up to get the use of the computers, Mayo said. But only Colorado City, Brady, Reagan County and San Angelo were drawn. Four names were drawn and the na-

med cities were selected to receive the computers. Initially, the computers were to be loaned out to the various towns on a 6-month or yearly basis. However, the Big Country Library System saw it more feasible to let the libraries have the computers.

The remaining seven towns will receive computers but at a later date.

Big Country Library System director Ada Howard said the BCLS would submit bids to the city of Abilene to purchase the computers. However, she said she was hoping to get a model like the Apple 2-E or one similar to it.

"The Apple 2-E makes a good use of software," Howard said. "The TRS-80 Model 4 is also compatible with a lot of software."

"It was an unfortunate thing that happened," said Colorado City High school principal Jerry Reynolds. "It is the worst thing that can happen."

Mr. Alvarez said that Dr. John O'Loughlin, the doctor attending Dion in Abilene, said that the injury came as a direct result of two blows to the head during the football game.

Dr. O'Loughlin was unavailable for comment, according to his secretary in Abilene. The doctor was not expected in his office until Monday.

Services for Dion were conducted Saturday at St. Ann's Catholic Church with the Reverend Father John Busch officiating. Burial was at the Colorado City Cemetery under the direction of Kiker-Seale Funeral Home.

Justice of the Peace Charles Ray Watlington pronounced Vasquez dead at the scene at 4:22 p.m. The fatality was the second one within a year that has occurred on West point road, said Sgt. Steve Collier.

Sherrill was uninjured in the mishap. Officer Bill Grimes, who was at the scene of the accident, said measurements of the skid marks had not been taken as of Friday afternoon.

He also said the Police Department did not know who was at fault. However, Highway 208 had a stop sign at the intersection with Highway 80.

Over-40 Gang triumphant in "battle of the sexes"

Strike one up for male chauvinists of the world, and a fatal blow to all you women libbers out there.

The Over 40 Gang won the "battle of the sexes" softball game Monday night as they downed the Bombers 17-11, ending all questions that a woman can do anything just as well as a man, according to one member of the winning team.

But from this reporter's point of view there is still a few doubts whether the outcome of the game might have been the same if the Bombers had left their starting team in against the old men.

Due to a very hectic schedule, this reporter arrived at the long awaited tilt during the top of the third inning. To my surprise the ladies were batting and it resembled a track meet as the Bombers circled the bases like milers running their final lap.

When I got out of my car, the Bombers' Kathy Marshall, Linda Mathis and Brenda Jorasz were just crossing the finish line, I mean home plate. Next Sandy Sullivan hit into a double play and the Over 40's were out of the inning.

But not before the Bombers had built up a commanding 9-0 lead. One important note—the old guys actually had only four men in the outfield. Hearsay has it that they tried to put seven out there, but the ladies would not go for it.

In the bottom of the third inning, the Bombers made some substitutions and the Over 40's capitalized on the opportunity. This reporter knew something was about to happen when J. O. Dockrey led off with a single. Rev. Glenn Ronefeldt tripled, bringing across the first run of

the contest for the old guys.

The Over 40 Gang would go on to score nine more tallies as Walter Bingham and Jim Baum doubled and David Marion hit an inside homer which scored three runs. The inning was finally over after the old guys had batted around.

The top of the fourth inning was one, two, three for the Bombers and worried looks spread on the faces of coaches Woody Anderson, Glenn Sullivan and Wayne Boyd. Once you have an old man down, you are supposed to keep him down where he belongs.

But the Bombers let them get up and the Over 40's would not be denied.

In the fourth inning, Ronnie Conner and Bob Reilly singled. The "Rev." hit his second triple of the night bringing in two more runs.

Lemons singled, and Baum hit a long drive to left field to score two more runs much to the delight of his teammates who gave him the high five hand slap.

When the inning ended the score read 16-8, and things looked bad for women's lib.

The Bombers finally scored again as Sandra Miller singled, moved around on a single by Mathis and scored on a hit by Maureen Morris.

The rest of the contest was about as exciting as watching Danny Butler attempt to play right field for the old guys. Each team added a run and that was it.

The old guys had proven their point, or had they? One Bomber player firmly stated, "If we had kept our starters in we would have stomped them."

The Over 40 Gang just shrugged their shoulders and laughed, "Never in a million years," one player quipped.

Could there be a rematch in the future?

Ex-CHS players shine at HPU

Two ex-Colorado High School football players continue to make their presence known in the Lone Star Conference as the season progresses.

Victor Jackson and Randy Useton are members of the Howard Payne Yellowjacket football team in Brownwood.

Useton, a freshman linebacker, is the son of Mr. and Mrs. Charlie Useton. The 6-1, 215 pounder is currently playing second string middle linebacker and seeing special team duty.

Through three games, Useton has made two unassisted and two assisted tackles. He received a broken bone in his hand the first game of the season, and it has limited his playing time.

Wolves junior varsity wallop Clyde Bulldogs

Thirteen strong, the Wolves junior varsity introduced the Clyde Bulldogs to some hard-

nosed football as they walloped the Bulldogs 39-8.

The Wolves had three of the members quit, so the squad has only 13 players, including the place-kicker.

But the Bulldogs might have thought they were seeing triple vision as Wolves swarmed them all over the field.

The Wolf Pack played the contest with strips of tape on the back of their helmets with Dion printed on it, in tribute to their teammate Dion Alvarez who died Thursday night.

The Wolves backfield of quarterback Mike Ligon and backs Sammy Rivera and Junior Coronado gave the Bulldogs a lesson in how to operate the Veer offense as they ran almost at will against their opponents.

Ligon and Rivera scored three touchdowns each, and guards Albert Rivera and Jeff Butler handcuffed two Bulldogs tackles that averaged about 245 pounds.

Ironically Clyde scored first in the contest, with 6:46 remaining in the first quarter, but then the Pack's barrage began.

Ligon capped off a 40 yard drive with a 2 yard scoring run. The try for two failed. Just before

half the Wolves marched 75 yards with Rivera getting the final 23. Again the try for two failed.

On the Bulldogs next possession, Ligon intercepted a pass and returned it to the Clyde 25. He then took the option and raced to the one. Rivera bulled for the TD and Troy Williams' point after touchdown was good. The Wolves led 19-8 at the half.

On their first possession of the second half, Clyde drove to the Wolves 30. But fine defensive plays by Rivera and Coronado stopped the drive.

Two plays later, Rivera sprinted 65 yards for another TD. Williams' PAT upped the lead to 26-8.

Late in the third quarter, Ligon again worked his magic on the visitors and he returned a punt 20 yards to the Clyde 30.

On the first play from scrimmage he kept the pigskin for a 30 yard touchdown run. The PAT failed.

In the fourth quarter, the Pack launched another scoring drive after A. Rivera recovered a fumble at midfield. Ligon carried for 20 yards and S. Rivera scored on the final 30. The PAT was good and the scoring was over for the night.

The win ups the Pack's record to 3-1 for the season.

Clyde edges Freshman 14-6

The Clyde Bulldogs freshmen scored the last two times they touched the ball, and it was just enough as they downed the Wolves 14-6 Thursday at Wolf Stadium.

The Wolves defense

led by Reggie Gardner, Larry Mayes, Marty Cleckler, Terry Jackson, Danny Salazar, Scott Dennis and Joe Cantu held the Bulldog offense in check for most of the contest.

The visitors engineered scoring drives of 83 and 71 yards to "snatch" victory from the Pack.

The Wolves struck first early in the second quarter as Gardner and Jackson churned out most of the 60 yards on the ground. Jackson scored from the 10, and the Wolves took a 6-0 lead.

The margin stayed like that until early in the last stanza on a six minute drive. On the ensuing kick off Mayes carried the ball to the Clyde 47, but the drive was halted at the 26.

On Clyde's next possession they scored in eight plays. The winning score coming on a six yard run.

The Wolves got the

ball back one more time but a pass attempt was intercepted.

The loss drops the Pack's record to 2-3 for the season.

CMS Wolf Pack conquers Clyde

The Wolves seventh and eighth grade football teams traveled to Clyde Thursday and came away with a victory and a tie.

It was the battle of the unbeaten in the seventh grade contest as both teams came into the contest with a spotless record.

Both teams left the field that way as the battle ended in a 0-0 tie.

The Wolves had a few scoring chances, but each time penalties stalled the drives. Defensively, Jerry Hulme made a game saving tackle late in the contest. George Lara was credited with having a good game defensively.

The Pack's record is 2-0-1.

The eighth grade Wolves faced an undefeated Clyde Bulldog football team and ended their chance for a perfect season with a convincing 42-0 win.

The Pack tandem rushing attack of Ken Norman and Israel Davilla was too much as Norman rushed for 221 yards and Davilla 98

yards.

Norman started things off in the first quarter with a 70 yard scoring run. Davilla scored next on a 55 yard run.

Norman followed with a 30 yard scoring jaunt, and ended the half with a 50 yard run. The Wolves led 24-0 at the half.

In the second half, Norman scored his fourth touchdown of the night with a 40 yard run. Then Ismel Silva shocked the Bulldogs with a 60 yard punt return.

The score came after Clyde defenders touched the ball, thinking it was down. The alert Silva scooped up the ball and ran to an easy touchdown.

The Pack's final touchdown came on an 80 yard interception return by Davilla. Silva and Eduardo Melendez also intercepted a pass.

Coaches credited Donny Hearn, Dereck Ramsey, Cory Flanagan and Saul Pineda for a good job blocking, and Bill Dossey as having a good defensive game.

The win ups the eighth grade's record to 2-1.

Wolf Pack stutters in Clyde, lose 38-14

CLYDE-The Clyde Bulldogs chewed up and spat out the Colorado City Wolves Friday night.

The impressive Clyde team simply country-whipped the Wolves, 38-14. The Bulldogs scored 38 unanswered points as they overpowered the smaller C-City team.

Sophomore sensation Ismael Carrion introduced the Pack defense to big country football, ripping them for 150 yards rushing.

The elusive and powerful scatback broke the Wolves back with 10 and 15 yard scampers around the ends all night long.

But the talk of the tape, in this case the

game, came in the trenches. The Clyde offensive line blew out the Wolves defenders.

The two Bulldog guards and fullback Rob Moore added a new meaning to a kick-out block. They simply did not just hold their blocks, they blocked the Wolves into the ground and into submission.

C-City head coach, Tom Ramsey, agreed that his Wolf Pack was dominated from the second quarter on.

"We played a nearly perfect first quarter of offensive football," Ramsey said. "In the second half, they just whipped us; no ands, ifs, or buts about it."

"We got physically whipped, offensively and defensively—especially in the second half. They have a tremendous offensive line. I can understand why they are 5-0."

Clyde head coach Ron Taylor said that before the game he told his players that a Tom Ramsey team always came to play.

"We just lined up and ran at them," Taylor said. "In three years of our off season program, we feel we are stronger than anyone we play. We wear them down as the game goes on."

"We played basic toss and block football, where we base block and bump seal on the corner."

The Wolves came out early gunning for their fourth victory of the season after losing to Abilene Wylie 28-18.

Ironically, the Wolves jumped out to an early 18-0 lead last week before losing. This week, they could only manage 14 points before allowing the Bulldogs to run roughshod over them.

The Pack looked impressive as it scored two touchdowns to take a quick 14-0 lead in the first quarter.

On the opening drive of the game, the Wolves went 84 yards on six plays.

Junior quarterback Doug Chitsey lead the attack, passing twice to split end Dennis Rivera for 31 yards. With a first and 10 on the Bulldog 37,

Chitsey rolled to the right and made a mad dash into the endzone to score. The extra point by Rivera was good.

The Wolves defense held Clyde on three plays for one of the few times in the game.

This time the Pack churned out a 17 plays, sixty-two yard scoring drive.

Running back Larry Hamilton rushed three times for 35 yards in the drive. With first and ten from the Bulldogs one yard line, Chitsey scored on the quarterback sneak. Rivera added the PAT and the

Wolves scoring spree was cut short for the night.

Chitsey, the second leading quarterback in West Texas, completed only four passes all night. He was intercepted three times and finished the night 12-4-3.

The blonde haired quarterback had 73 yards rushing in the first half but managed a horrendous 21 yards in the second half.

Hamilton rushed for 52 yards and running back Kevin Norman had 43 yards on 10 carries.

Clyde's Moore scored once in the first quarter

on an 11 yard run. He later added his second touchdown on a one yard plunge at the start of the second half.

Ironically, Carrion, the game's leading rusher, scored only once on a third quarter, five yard run.

Defensive back Jackie Thomasson stunned the Pack with a 50 yard interception return in the fourth quarter. On the Wolves next possession, he picked off another errant Chitsey pass again at midfield.

The Wolves Joey Ritchey had the only Pack's interception.

Comments after the game

Coach Rick Robinson, defensive line coach, "They've had the best linemen we've faced. They are comparable to Breckenridge, the team we played two years ago for the district championship."

"They were big, strong kids. We came out ready to play. They moved the ball on us in the first half but we recovered with big plays."

"They wore us down and we couldn't get off their blocks. Coahoma is a similar team to Clyde."

Quarterback, line-backer Doug Chitsey—"I would turn around to pass and they were already through the line. They are the best defensive team we have played. They are quick and strong and they hit

hard, but we still should have scored more. On defense, they were trying to kick out on me on the counter option. In the second half I did a better job of staying low and tackling the quarterback. We have to bounce back and be ready for next week."

Center, defensive end Raymond Bassinger—"Clyde was quick and strong, the best linemen we've faced all year. On the sweeps, the lead back would just out and hit us and in the first quarter I thought we

were going to whip them, but we weren't ready to play the second half. Mentally and physically they wore us down, but we have to come back strong next week."

Wylie Stice, offensive

and defensive lineman—"I started for Fred Dakan on defense so we could keep him fresh. Their linemen were quick, tall and strong. They did a lot of fold and double team blocks. On defense they ran quite a few stunts. We will pick

it up for next week. What we will go through on Monday, Tuesday and Wednesday, will get our intensity level back up."

Kevin Norman, running back—"I am gaining experience, but I need to work on my mistakes such as helping out the linemen on pass blocking. They wore us down the second half, but I think we had a tougher game against Slaton. We have to get our minds right for next week."

Loraine clinches first victory

The Loraine Bulldogs claimed their first victory of the season Friday night with a 22-12 victory over Abilene Christian High School.

The Bulldogs victory

puts their season record at 1-4 as they prepare for district play next

week against the state runner-up Roscoe Plowboys.

For more details of the Bulldogs victory, see Thursday's RECORD.

Wolves spikers slam Water Valley 15-6, 15-6

The Wolves varsity volleyballers captured two victories Tuesday night as they defeated Water Valley.

In the first game, the Wolves won in two straight matches 15-6, 15-6. The story of the first match was the serving of setter Traci Blackwell as she scored 11 of the Pack's points.

After the Pack took a 1-0 lead in the second match, they stretched it to 10-5 on three points each by Laura Baum, Blackwell and Sherry Fite.

Sheri Morris and Denise Jackson scored the remaining points and the Pack had captured their ninth win of the season.

Blackwell led the squad in points with 13. She also had 12 sets. Morris led the team in sets with 17. Spikers Baum, Jackson, Fite and Lynn Scott combined

for seven kills, three blocks and 21 dinks. In the second game, the Wolves disposed of the home team again 15-5, 15-13.

In the first match, the Pack took a 6-0 lead after the first service round. Scott padded the lead to 12-0 before the host team ever got on the scoreboard. Baum and Carla Calaway finished the contest off with scores.

In the second match, the Wolves vaulted to a 5-0 lead behind Blackwell's service.

Scott and Morris added points 6-8, and Water Valley made its only surge of the game. With the score standing 8-4, the Wildcats rallied back with nine unanswered points and the Wolves trailed.

But the Pack fought back as Jackson's serves netted two points, and Baum finished off the Wildcats with five consecutive points to end the contest.

Blackwell led the setters with 12, Calaway and Chris Castillo added six each.

Baum led the team in scoring with 10 points, Scott added seven and Blackwell scored five points.

Baum also added four kills and one dink, while Julie Waid had one kill shot.

The two victories put the Wolves record at 10-4 for the year.

In JV action, Water Valley defeated the Wolves 15-10, 15-6.

Marian's Memos

By Marian Morris

It will be coat weather before long. If you haven't purchased a coat...and intend to do so...the following information may be helpful. There are basically five types of coats and each style has certain features and details.

Straight Classic Overcoat—This is a very versatile coat that can be worn easily over trousers as well as dresses and skirts.

Make sure coat lapels are not extreme. Two and a half inches is a good median.

The hang of this shape is crucial. It is a straight shape; it must fall straight and even from shoulder to hem and not pitch forward or backward.

Think classic tones and simple classic fab-

rics: cashmere, soft wool and tweed are excellent selections.

This is a great coat for city work and country. Wrap Bathrobe Coat—This shape requires wrapping and belting, so it accents hips and derriere and weight problems. This is probably the most versatile shape of all basic coats. It works over skirts and dresses as well as pants, can easily move from day to evening. A soft wool in a dark color is the almost perfect coat.

Make sure the fabric is supple, as everything depends on how softly this coat wraps and ties. Good fabric choices are soft wool, cashmere, jersey, gabardine, corduroy twill, and thin weights of tweed.

Collar variations: sh-

awl collars and notched collars are both good choices.

Shoulder variations: set-in sleeves or raglan sleeves.

Excellent for furs.

Fitted Redingote (princess) Coat—fits at the bust and waist and has a flared skirt.

Watch out for skirts that are too full. You do not want a skating skirt look.

This shape is usually designed to button up to the neck. You will look choked if you have a short neck or large bosom.

Look for the fewest and simplest details possible.

The best fabrics are those that tailor easily: thin tweeds, gabardine, and soft wools.

Definitely a skirt-dr-

ess shape.

A feminine shape. Raglan Balmaean Coat—This is a sport shape.

Makes the perfect country or suburban coat in a seven-eighths or three-quarters length.

Fabrics: classic fabrics are suitable—tweed, camel's hair, gabardine, cotton poplin and leather. Works great as a poplin raincoat. This is also a great fur-coat shape. It is a real treasure if you can find one with a button out lining of wool, alpaca, or fake fur.

This shape is perfect to wear over jackets and heavy sweaters.

This is a handy city day and country shape. It works well over skirts and pants.

Trench Coat—Best kn-

own as a classic raincoat shape.

Fabrics: Trench coat versions are found in all fabrics, but the traditional poplin or gabardine will stay in your wardrobe forever and never look dated.

Watch out for details. Pass on the fashion details! If you buy a trench coat, buy a real one. Otherwise you are not buying a trench coat!

Phone cost buried in "basic monthly service"

By JIM MATTOX
Attorney General

Many consumers do not know how much they are paying to rent their phone. That cost is buried in the charge for "basic monthly service."

Can you really save by owning your own phone? Let's figure it out.

First, find out exactly what you are paying to rent each phone in your home. List each phone, by type and location in your home, on a sheet of paper. Call your local phone company service representative to detail the charges for you.

Here is where you monthly charge is broken down and you can see the rental charge for the phone. Next, ask the service representative what other savings or charges you will incur in making the conversion from renting to owning (for instance, the credit they give you for returning a phone to their phone center retail store).

Now consider the cost of buying your replacement phone. Add any costs you'll incur in converting your phone out-let to accept the standard modular jack that now comes on any new phone you buy. (Remember to deduct the credit for returning a rental phone.)

The total cost of the

new phone plus the cost of converting any outlets, divided by your present monthly rental, will tell you how long it will be before you've paid off your investment.

Every month thereafter, you'll save the total monthly rental.

This calculation assumes you are replacing your rental phones with an exact duplicate. If you change the type of equipment you will change the calculation.

A standard tabletop phone can last for 15 to 20 years and needs a repair only seven years, on the average. The savings can mount up over

time.

When you turn to the alternatives, there are other considerations. For example, if you replace a rental pushbutton tone phone (called Touch-Tone) with a similar phone you've bought you will still have to pay a monthly fee for the Touch-Tone line. If you give up your pushbutton tone and switch to a rotary dial, add in as an extra saving the cost of using a Touch-Tone line. A disadvantage here is that you need a tone phone to use alternative long distance dialing services such as MCI and Southern Pacific Sprint.

HOUSING AUTHORITY OF THE CITY OF COLORADO CITY, TEXAS.
D.M. Merritt, Chairman

THE STATE OF TEXAS
TO: Ellen Irene Piercy; a/k/a, Ellen Irene Munn; a/k/a, Ellen Irene Smith.

GREETING:
You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 7th day of November, A.D., 1983, at or before 10 o'clock A.M., before the Honorable District Court of Mitchell County, at the Court House in Colorado City, Texas. Said plaintiff's petition was filed on the 8th day of September, 1983.

The file number of said suit being No. 10,501

The names of the parties in said suit are:

Abraxas Petroleum Corporation as Plaintiff, and Ellen Irene Piercy; a/k/a, Ellen Irene Munn; a/k/a, Ellen Irene Smith as Defendant.

The nature of said suit being substantially as follows, to wit: A petition for appointment of receiver by Abraxas Petroleum Corporation of San Antonio, Texas pursuant to Art. 2320 (b), Tex. Civ. St. for the mineral interest of Ellen Irene Piercy; a/k/a Ellen Irene Munn; a/k/a Ellen Irene Smith, her heirs, successors, assigns and/or legal representatives.

Plaintiff's verified petition with affidavit attached request the court to appoint a receiver under its order to have the power and authority to execute and deliver to plaintiff a mineral lease on the outstanding mineral interest of defendant upon terms and conditions as may be subscribed by the court.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 20th day of September A.D., 1983.

Given under my hand and seal of said Court, at office in Colorado City Texas, this 20th day of September A.D., 1983.

Calligraphy class is offered

A course in calligraphy, the art of beautiful writing, will start Tuesday, October 4 at 6:30 p.m. at the Wallace Community Education Center.

Instructor for the class will be Donna Cook. The class will meet each Tuesday night for four weeks.

Tuition for the class is \$20 plus supplies.

Calligraphy is a form of handwriting using special pens and ink. It can not only improve your handwriting, but also can be used in writing certificates, invitations, poetry, or any other special writing projects.

Pre-registration, in person, should be made at the Wallace Center. For more information you may call 728-2392.

Bridge lessons available

The Wallace Center is offering new classes in beginning and "play of the Hand" bridge lessons.

Coleen Palmer is the instructor for the classes. The beginning class will meet on Tuesdays starting October 4 from 7-9 provided enough persons have pre-registered.

This class is for the person who has never played bridge before. Tuition for the class is \$10 plus book.

The "Play of the Hand" class will meet on Wednesday afternoon from 1-3 p.m. starting Wednesday, October 5.

Registration must be made before the class starts by coming by the Wallace Center. For more information you may call 728-2392.

Gale named to honor roll

Betty S. Gale of Colorado City has been named to the Vice-president's Honor roll for the Summer Quarter at Texas State Technical Institute in Sweetwater. A minimum of 12 hours must be taken before the student is eligible for the honor roll.

A student in the Electronic Servicing Technology program, Gale maintained a 3.5 or higher grade point average in all classes for the quarter.
