Eagles Eliminate Eden

Chris Meador is pictured above receiving a hand-off from quarterback, Cy Griffin in Friday nights game against Eden.

The Eldorado Eagles defeated the Eden Bulldogs, 12-6, in the first game of regular season play. The game was held in Eldorado.

On initial possession, both teams had to kick, but after that things started looking up for the Eagles. There were several penalties called on both sides. Jason Whitten sparked things by making a 50 yard run. Michael Gamez made a 15 yard run right after that play. Cy Griffin connected with Reyes Lozano for the first score of the evening. The PAT failed with 4:27 left on the clock for the first quarter. Eldorado kicked off to Eden but Eldorado's defense held the Bulldogs back. With 30 seconds left in the 1st quarter, Jorge Arispe made a 20 yard run for a 1st and 10. Into the 2nd quarter with 4th and 3, Eldorado made a big gain for a 1st and 10. Eldorado held Eden on their next possession. Half-time began with the score 6-0, Eldorado's favor.

In the 3rd quarter, both teams were ready to play ball. Eldorado kicked to Eden and Eden moved the ball downfield to the 32 yard line. On a pitch out there was a fumble and Eldorado recovered. The next play, a freshman, Reagan Bownds, moved the ball some 20 yards to put the Eagles at mid-field. Chris Meador made a substantial gain as did Jason Whitten on the net drive to set up the Eagles score. Quarterback Cy Griffin, on a keeper, scored to make the score 12-0, Eagles. The PAT again failed with 3:3 left in the 3rd Quarter. Jorge Arispe kicked to

Eden. Jeff Brandenburger moved the ball back to mid-field with 2:00 left in the 3rd Quarter. Brandenburger connected with and Eden went in for the Touchdown. The PAT was no good, leaving the score at 12-6.

The 4th Quarter was scoreless for both teams, although there were exceptional plays by both.

This was an exciting first week of football for Eldorado. The J.V. beat Junction 24-0, and Varsity beat Eden 12-6. Next week the Junior High and J.V. play Menard here beginning at 4:00 p.m. The Varsity travels to Menard Friday night. Kick-off is at 8:00 p.m.

Statistics for Friday's Game

Eldorado		Eden
17	First Downs	10
46	Carries	44
286	Yardage	120
2/6	Passing	4/8
0	Interception	1

Leading Tackler - (tie)
Reagan Bownds and Rudy Saldivar.

Fumble Recovery/Interception - Michael Gamez.

Special Teams

Cy Griffin, Michael Gamez, Reagan Bownds, Jorge Arispe, Josh Blair.

Offensive Bests

13 yard touchdown reception - Michael Gamez.
2 for 3 passing 13 yards and touchdown - Cy Griffin.

Dr. Brame Elected To TMF

The Texas Medical Foundation (TMF) is pleased to announce the election of Jim Bob Brame, MD to its board of trustees. TMF's new slate of officers was selected at the board of trustees meeting held July 14, 1991, in Austin.

A family physician in Eldorado for more than 23 years, Dr. Brame is actively involved in health policy development at the local, state, and national levels. He has been instrumental in the improvement of rural health care, evident in his service as chairman of the Governor's Task Force on Rural Health Care delivery in Texas, on the American Hospital Association Governing Council on Small and Rural Hospitals, and rural physician representative to the Congressional Physician Payment Review Commission. He is also past president of the 31,000 member Texas Medical Association and during that year

served on the TMF Board of Trustees. He is a former member of the Board of Directors of the Texas Academy of Family Physicians and has developed a family practice residency program for the Texas Tech University Health Sciences Center.

Dr. Brame is a former member of TMF's regional quality assurance committee for the West Texas area. Pursuant to his election, he will now begin a three-year term on the TMF board of trustees.

The Texas Medical Foundation is the state's medical peer review organization. It is a private, nonprofit corporation, whose membership consists of licensed, practicing Texas physicians. Under a federal government contract, TMF's primary responsibilities are to review the quality and medical necessity of health care administered to Medicare and CHAMPUS beneficiaries.

Cross Country Teams Sweep Meet

The Eldorado Cross Country teams had an outstanding weekend as the Junior High Girls, Junior High Boys, and the High School Girls won 1st place, and the High School Boys won 2nd place. There must be 5 individual runners to compete as a team. The top 5 individuals scores are added together by the place they took. The team with the lowest score wins the meet.

Special recognition should go to Amy Massey and Louis Massey who each ran

almost one minute ahead of the 2nd place finishers in their divisions. Congratulations!

There were 92 contestants, representing 12 towns in the Varsity Girls race.

A total of 51 boys ran the Varsity Boys race. The boys race is one mile further in their race than the Junior High teams and the Varsity Girls.

The Cross Country teams will travel to Abilene this Saturday to run at 9:00 a.m.

The placings for the Eldorado Cross Country meet are listed on page 6.

Eldorado Lions Club To Host Broom And Mop Sale

The Eldorado Lions Club will conduct an all-out drive on Wednesday, October 2 to sell quality Blind Made Merchandise to residents and local businesses. All of these items are manufactured by blind and visually-impaired workers in the Lighthouses for the Blind. In addition, the Lions Club's earnings from this sale will be used for local Eldorado Lions activities such as Academic Excellence, free glass for the vision-impaired, and other worthwhile activities.

The entire membership of the Lions Club has been organized to supply friends and neighbors with these quality items. The Broom and Mop sale

will be located across from the bank where citizens may purchase directly from the Caravan truck, or contact any local Lion to have your order delivered.

Sales of Blind Made Merchandise in previous years have been very successful and Lion President, Tom Giovannitti, expressed his confidence in reaching a new all-time goal this year. "Every home and business can use some of these cleaning aids, and every item purchased helps to provide dignity and the security of regular employment for our Blind citizens." Thank you for your support.

Freshman Parent Orientation

A Freshman Parent Orientation will be held on Tuesday, September 24th at 6:00 p.m. This will be a covered-dish dinner and will be held in the school cafeteria.

The agenda will consist of information about: Discipline

Management, Attendance, Campus Improvement Committee, T.A.A.S. Testing Dates, and Graduation Plans.

Some teachers may give information about elective classes offered in High School.

All parents of freshmen students are invited.

El 16 de September Celebration

The Los Amigos Club of Eldorado will celebrate El 16 de September on September 14th, 1991 with an Open Goat Roping. Events begin at 2:00 p.m. Live music will be played from 3:00 p.m.-6:00 p.m. by Chispa Tropical.

A dance will be held

from 9:00 p.m.-1:00 a.m. at the slab (if it rains, it will be held in the Memorial Building).

A concession stand will be open at the rodeo arena on 277 south.

For more information, call B.J. Pina at 853-3072 or Manuel Torres at 853-2761.

J.V. Soars Over Junction

The Junior Varsity hosted Junction on Thursday, September 5th. According to Coach Paul Michalewicz, the offensive backs ran really well. "The J.V. has made drastic improvements since our scrimmage with Brady. The offensive line did a super job providing holes to run through." He went on to say, "The defense held the Junction Eagles scoreless and did a terrific job, also."

Quarterback Farley Dakan had 2 touchdowns

running, one interception, and connected with Eric McGinnes. Eric went in for the score. Eric and Sammy Prater recovered a fumble simultaneously. Sammy also had an interception on a fake punt. Mada Gower made a touchdown running. Cody McCravy blocked a punt that was recovered by the Eldorado Eagles.

The J.V. will play Menard on Thursday, September 12th in Eldorado after the 7th and 8th grade games.

SCMC Annual Barbecue Set

Schleicher County Medical Center will be having their annual Barbecue on Saturday, September 14th at 6:00 p.m. This event is held each year to thank all the Ambulance attendants, beauticians, church volunteers, and other volunteers who willingly donate of their time and money to Schleicher County Medical Center. This is our way of saying, "Thanks!"

The brisket will be

cooked by Steve Nelson and Felipe Pina, as they did a fine job of cooking last year.

Joella Parker and Charlie Bradley will be the entertainment for the evening. If you have participated in helping with our facility, please feel free to come by. Bring a large dish. The residents are looking forward to seeing you.

Remember to wear the patriot red, white and blue colors!

City To Turn Off Water

The City of Eldorado will be turning off the water in the South Heighth addition Monday morning, September 16th to change a fireplug.

Editor's Journal

TOP OF THE DIVIDE

by Thomas Giovannitti

I don't know how you feel about what is happening in Russia and Yugoslavia, but I am both exhilarated and frightened. I have grown up knowing only the Soviet Union, that other great power. Having grown up with a few families of Lithuanian decent I knew, even before World history class, that the Baltic countries had at one time been independent.

But two years before I was born, Russia had taken over these three and simply absorbed them into the Union. These take overs probably had more to do with the Soviet's desire to have

more access to the sea than politics.

I always wondered how many of the communists really believed the stuff about the great proletarian revolution and the final existence of a classless society or were they merely opportunists who seized upon a decaying monarchy and merely supplanted an old autocracy with a new one.

In fact, it appears to me that the people who most vehemently espouse certain economic doctrine seem to be the same people who immediately set out to do

exactly the opposite. The Russian communists spouted equality and as soon as they got in power they set about making themselves the privileged class. The party hacks got the best apartments, the best cars, the best paying jobs, and the best treatment, of course, so long as they spouted the party line. These builders of a classless society set up a class system. Capitalist are different, right? For one thing, capitalists don't believe in equality or everyone having the same things. But capitalists figured that if you mass produce marketable products they could sell more of

them and make lots more money. It did not matter about quality or craftsmanship. What matters is profit for them by getting everyone else to be the same. They also spout platitudes about competition but as soon as they can, they either buy out or drive out the competition, thus creating a monopoly so they can sell more of the same things to all of the people at even higher prices increasing their profits.

But it appears that capitalism has won out. People would much rather have all the same consumer goods rather than all the same ideology.

"E" DAY

"Eldorado Needs You!" Don't forget to keep September 28th open on your calendar so you can join in the 2nd Annual "E" Day when volunteers will be sprucing up the town.

Be Prepared! Get your own place in shape before that date and then bring your tools and Help Keep Eldorado Beautiful!

HUNTER SAFETY COURSE

A Hunter Safety Course will be offered September 14th and 15th from 1:00 p.m. to 6:00 p.m. in the Sonora Junior High Cafeteria.

The first bale of cotton for 1991 was brought in for Schleicher County on Monday, September 9th by Rooster Jackson. The cotton wasn't ginned because the Gin wasn't ready for it.

FELLOWSHIP BIBLE STUDY

Please note a change of time for the Fellowship Bible Study. The group will meet at 9:45 a.m. instead of 9:30 a.m. each Thursday in the Fellowship Hall of the First Baptist Church for the study of Exodus.

"CELEBRATION 90"

Come and join the First Baptist Church of Eldorado as they celebrate 90 years as a Church community!

Things kick off Saturday evening, September 14th, with a sandwich supper on the Parsonage lawn. Sandwiches be provided, but please bring lawn chairs.

Sunday morning, come join us for coffee and rolls at the chuckwagon for more fellowship. Services will follow at 9:45. They will have a variety of messages, memories, skits, and music to celebrate these 90 years we have enjoyed as a church fellowship. A noon meal will be enjoyed in the new fellowship hall. (Guests need not bring anything for the meal.) Everyone is invited to attend this "Celebration 90."

FOOTBALL

Tonight the Eldorado Eagles play Menard, here. 7th grade plays at 5:00 p.m. 8th grade plays at 6:30 p.m. J.V. plays at 8:00 p.m.

The Eldorado Varsity will be in Menard on Friday night. Kick-off will be at 8:00 p.m. If the first week of sports is any indication as to what will follow, we are in store for an exciting season.

Go, Eagles!!!

TSTA TENNIS TOURNAMENT Mark your calendar for the Annual TSTA Tennis Tournament, scheduled for

October 19th and 20th. More information will be provided closer to time for this event.

Cross Country The Cross Country Teams will travel to Abilene this Saturday to run at 9:00 a.m.

Good Luck, Cross Country!!!

FRESHMAN PARENT ORIENTATION

A Freshman Parent Orientation will be held on Tuesday, September 24th at 6:00 p.m. This will be a covered-dish dinner and will be held in the school cafeteria.

The agenda will consist of information about: Discipline

Management, Attendance, Campus Improvement Committee, T.A.A.S. Testing Dates, and Graduation Plans.

Some teachers may give information about elective classes offered in High School.

All parents of freshmen students are invited.

PUNT, PASS AND KICK

The Annual Punt, Pass, and Kick contest has been scheduled for October 4th. All Elementary school children will be competing during the week, with the help of the Elementary P.E. Coaches. Those who wish to participate, but don't get a chance to during school, may go

to the football field Friday, October 4th at 4:00 p.m.

For more information, please contact Bill Hodges, or Coach Randy Mitchel.

Health News

by Dr. Rico J. Forlano

Many research studies have concluded that there is definitely a relationship between food and stress. A clear connection between food and mood is evident when people go on a severely restricted diet or abstain from food altogether. The effects are nearly all bad, causing people to suffer from fatigue, depression, anxiety, impaired judgement, difficulty in concentration, expressions of anger, and in extreme cases, death.

A series of studies connecting the "junk food" industry to behavioral problems and physical and emotional disturbances have been conducted. In one report, covering a 2-year period, adolescent subjects who had been apprehended for various crimes, were divided into 2

groups. One group was placed on a special diet involving the replacement of soft drinks (cokes) and "junk foods" with fruit juices and nutritious snacks, while the other group remained on their prior diet. There was a reported decrease in "antisocial behavior" in the group who was switched to the nutritious diet.

In another study of elementary school children, a group of students were placed on a modified diet where refined carbohydrate foods were eliminated and fresh fruits and juices, whole wheat flour, honey, and unprocessed foods were substituted for other foods. The teachers reported that, after a 6 month period on the improved diet, significant improvements in both behavior and learning patterns were achieved.

In still another study,

people were asked to complete a questionnaire survey that asked people to choose foods that they preferred when they were in different moods. In general, people selected "healthy" foods when they felt relaxed and self-confident; they indicated a preference for "junk" or "fast" foods when they felt anxious, nervous, guilty, or frustrated.

From these and similar studies, it would appear that modern, preprocessed foods contribute to stress and other psychological problems. Because stress can be at the root of musculoskeletal problems, chiropractic physicians are interested in the total package of attitudes and habits which lead to stress and consider dietary advice as a legitimate component in their approach to therapy.

Laugh and Live

Sow an act and you reap a habit.
Sow a habit and you reap a character.
Sow a character and you reap a destiny.

Charles Reade

Our children have begun a new year of school. With it come the usual athletics. I remember how in the past, not only did the sports excite our children, but us as well.

As I was thinking about some of the events that I have been to in the past, I thought about a story that I recently read. I pass it on to you without further comment...

The Little League coach called little Billy in from center field.

"Now look here," said the coach, "You know that we try to adhere to the principles of good sportsmanship. You know that we don't allow temper tantrums, yelling at the umpire and abusive language. Do you understand me?"

"Yes, sir," said Billy.

"Well, then", sighed the coach, "would you please try and explain it to your mother?"

Till The Next Time...

MAY GOD BLESS!

S.C. Senior Citizen's Advisory Committee Minutes

The Schleicher County Senior Citizen's Advisory Committee met Tuesday afternoon, September 3, 1991 at the Senior Citizen's Center at 2:30 p.m.

The meeting was called to order by Mary McGinnes, in the absence of President and Vice-president.

The roll call was answered by Josie Knight, Elida Valez, Maria Torres, Ann Griffin, Peggy Grelle, Bill Maness and Mary McGinnes.

The minutes of previous meeting were read and approved.

Bill Mannes was presented a plaque for the Southwest Texas Electric Co-op in appreciation of the barbecue they gave the meals for the

elderly. Elida Valez reported that there will be a Garage Sale on Saturday, September 7th at 8:00 a.m.

Josie Knight reported on changes to transportation van schedule regarding San Angelo trips.

The Senior Citizen Senior has two new employees - Paul Pena and Rachel Martinez.

The Tom Green Community Action Council will be at the Senior Citizen's Center on Tuesdays to help families of low income and senior citizens with utilities and other aid.

The next meeting for the Schleicher County Senior Citizen's Advisory Committee will be December 2, 1991 at 7:00 p.m.

S.C. Library Update

The library had a total of 440 people visit the library during the month August. 784 books were read, and 86 cassettes were checked out.

The new books the library received during August are as follows: Sky Master by Brown Dale; Paradise by Judith McNaught; Pastime by Robert Parker; All She Can Be by Fern Michaels; Maximum Bob by Elmore Leonard; Lizzie Borden by Arnold R. Brown; The Firm

by John Grisham; Texas Sage by Sandra Brown; Joy and Anger by Jennifer Blake; Mamista by Len Deighton; Triumph in the Desert by Peter David; Sum of all Fears by Tom Clancy; See Jane Run by Joy Fielding; First Man in Rome by Colleen McCullough; Texas Monthly Field Guide to Stone Artifacts of Texas Indians by Ellen Sue Turner; The Conquest by Jude Deveraux, and the School Annual (Talon).

Edington To Preach At Presbyterian Church

This Sunday, September 15, guest preacher, Dr. Andy Edington, will preach at the 11:00 a.m. service at the Presbyterian Church. Dr. Edington, former president of Schreiner College in Kerrville, Texas, is the author of many works, including *The Word Made Flesh*.

After church there will be a pot luck luncheon in the fellowship hall where Dr. Edington will describe his new prison ministry in the notorious "Walls" unit at Huntsville Penitentiary.

All are welcome to attend.

Tri-cities Shrine Club Needs Sponsors

The Tri-cities Shrine Club of Suez Shrine Temple, Ozona, Sonora, and Eldorado Texas is again sponsoring the Shrine Circus in Ozona.

This, our 8th edition, will be September 17, 1991. We intend, as in the past, to furnish tickets to those less fortunate than us, like nursing home residents, institutions, needy families, as well as to all of the school children of Ozona and the surrounding area.

Your generosity shall touch the lives of those you sponsor. The tickets are available in packets as follows:

Five tickets...\$17.50
Ten tickets...\$35.00
Twenty tickets...\$70.00

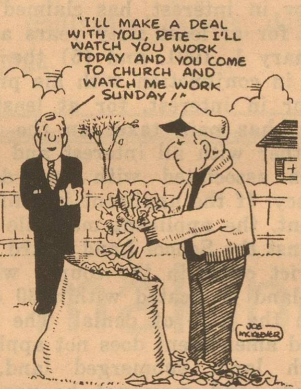

We have relied on the support of people like you in the past, and since the census of patients from this area has increased at a very fast rate, we again felt it necessary to continue our fund raising efforts while providing a fun filled circus for everyone. These funds go to the Tri-Cities Shrine Club for operational expenses, the main expense being

transportation of children to Shriner's Hospitals. We also provide all of their accommodations, meals, shoes and prostheses.

All of these services are provided to the children and their family at no cost to them at all.

The kids thank you and we thank you for your support. If you have any questions please contact the circus office at 392-2142.

Thanking you,
Larry Hensley, Chairman
1991 Shrine Circus

Sudduth Attends Boys State

Editor's Note: This article is being reprinted by request from the Llano News.

Todd Sudduth, a 17-year-old Llano High School senior, reported to American Legion Post 370 recently about his experiences as their representative to the 51st Annual Boy's State in Austin June 1-7.

Boy's State is an annual event held on the University of Texas campus in which boys from all over Texas meet to learn more about the process of government. They participate in mock elections for all government offices, visit legislators and witness first hand the state government in operation.

Sudduth was in the Boy's State Band, which played for flag ceremonies and led a march to the state capitol during the conference. He was one of a

record number of participants who took and passed the "bar exam," which gives participants an idea of questions that might be asked on the real thing.

After running for Supreme Court and trying for an appointment to the Court of Criminal Appeals, Sudduth was appointed finally to the Texas Alcoholic Beverage Commission in the mock government.

Sudduth told Post 370 that he had enjoyed the experience.

"I met a lot of nice people, made a lot of friends," he said.

Sudduth plays the tuba in the award-winning Llano High School Yellowjacket Band and will serve on the student council next year.

Todd is the son of Ollie and Jean Sudduth of Llano, and the grandson of W.W. and Jewel Sudduth of Eldorado.

SCISD Board Of Trustees Meet

August 27, 1991

A special meeting of the Board of Trustees of Schleicher County Independent School District was held on August 27, 1991, at 6:00 p.m. in the Administration Building.

After a budget hearing was held, the board adopted the

proposed 1991-92 budget which included a property purchase and salaries as amended. The board also adopted a tax rate of \$1.14 and adopted the Great West employee health insurance plan as recommended.

The meeting was adjourned at 9:00 P.M.

A Touch Of History

Pictured above is the first First Baptist Church that was built in 1905.

by Rene Calcote

October 19, 1901 - The San Angelo Standard Times carried the following news by "Coyote."

"The Rev. Ben Wilson, a very able bodied minister of the Missionary Baptist Church (later named the First Baptist Church) began a meeting last Saturday night, and will preach most or all of this week. His sermons are instructive to all that will hear him. I will be the first to say that I do not think the devil will be heard to howl in Eldorado before next May for the reason that he cannot find a place to stay, and it is too cold to stay in the streets. Eldorado is the only town in America where every man, woman and child goes to church and Sunday school. May God speed the good work and may the interest in church work never grow less in Eldorado."

This Saturday, September 14, 1991 and Sunday the 15th, the First Baptist Church

will celebrate 90 years as a church community. Plans are made for a Saturday evening sandwich supper on the parsonage lawn at 7:00 p.m. Sunday morning come join us at 9:00 a.m. for coffee and rolls at the chuckwagon. We will not have our regularly scheduled Sunday School classes, instead we will meet in the auditorium at 9:45 a.m. for a variety of messages, memories, skits, and music to celebrate the past 90 years. A noon meal is planned in the fellowship hall, following the morning services.

Back in 1901, Rev. Ben Wilson helped organize the church, and many fine pastors followed him. Some of the past pastors will be attending the "Celebration 90," such as Rev. Douglas DuBose, Rev. Kenneth Vaughn, and Rev. Don Willoford.

Come join us in celebrating our 90th year as a church, and greet old friends and guests.

School Lunch Menu

LUNCH

All lunches served with Bread, Milk and Butter.
MONDAY, SEPTEMBER 16TH
Pepperoni Pizza, Whole Kernel Corn, Lettuce & Tomato Salad, Almond Butter Cookies.

Tuesday, September 17th
Barbecued Sausage, Pinto Beans, Dill Pickle Slices, Orange Cake/Icing.

WEDNESDAY, SEPTEMBER 18TH
Sombbrero Salad, Pineapple Slices, Iced Cupcakes.

THURSDAY, SEPTEMBER 19TH
Steak Nuggets & Gravy, Creamed Potatoes, Mixed Vegetables, Peach Cobbler.

FRIDAY, SEPTEMBER 20TH
Sandwiches - Tuna, Chicken Salad, Ham Salad, Pimento Cheese, and Peanut Butter, French Fries, Apple Wedges, Chocolate-Peanut Clusters

BREAKFAST

1/2 pint of milk is offered with each breakfast.

MONDAY, SEPTEMBER 16TH
Mixed Fruit, Blueberry Muffins (2), Orange Wedges, Egg and Sausage Burrito.

WEDNESDAY, SEPTEMBER 18TH
Peach Halves, French Toast Syrup, Peanut Butter

THURSDAY, SEPTEMBER 19TH
Orange Juice, Hot Biscuits Bacon Jelly, Peanuts.

Friday, September 20th
Apple Juice, Cinnamon Toast, Hash Browns.

PLUG IT SAFE

Not even the most efficient protective device in an electrical system will do its job unless it is allowed to function as intended. Know the functions and limitations of appliances and supply equipment, never operate beyond those limitations.

GROUNDING

Many appliances and power tools are supplied with three-wire cords and plugs; the third wire is used to ground exposed metal parts. In the event of an electrical fault in the appliance, the fault current is drained away into the grounding systems rather than exposing the user to shock. It is necessary to make sure that the ground circuit is completed at the receptacle for this safeguard to be effective.

Never cut the ground pin from the plug in order to operate the device from a two-wire receptacle. The two-wire system provides no protective ground circuit and may expose the user to dangerous current. When in doubt, consult an electrician to secure access to ground.

The Value Of Girl Scouting To Girls

In Girl Scouting, we believe that our program is a positive experience for girls, providing them with many things that are important in their lives. This perception was recently confirmed through a noteworthy study conducted by Louis Harris and Associates. The Girl Scouts: Who We Are, What We Think shows that girls place a high value on their Girl Scout experiences and believe that Girl Scouting really makes a difference in their lives.

The study reveals that today's Girl Scouts are ethnically, racially and economically diverse. They enjoy participating in fun activities and making friends in the "girls only" setting of the Girl Scouts. And they welcome opportunities to take on responsibility and to make their own decisions.

The girls surveyed said that Girl Scouting offers them more leadership opportunities than does school. Nearly 72 percent of the teenage Girl Scouts surveyed report that they have leadership opportunities in their Girl Scout troops, while less than half said they experience similar opportunities in the classroom.

In addition, nearly 66 percent said they often make decisions about what goes on in their Girl Scout troops. Only 25 percent of the same girls said they make decisions in the classroom.

Since its inception, Girl Scouting has been a values-based organization. A majority of the girls surveyed report that the ethics expressed in the Girl Scout Promise and Law are useful in making moral decisions. Many say the Promise and Law help them to be honest and fair and to overcome peer pressure. Furthermore, the survey reveals that in a hypothetical situation, girl Scouts are more likely than non-Girl Scouts to make good moral decisions.

The results of The Girl Scouts: Who We Are, What We Think support our beliefs that Girl Scouting really makes a difference in the lives of girls. Beyond that, girls consider Girl Scouting a valuable part of growing up. That is why we can all take pride in the work we do.

with girls, helping them grow into competent, resourceful women. Their responses to the fun, friendship, leadership experiences and enduring values that they find in Girl Scouting are the rewards we receive for a job well done.

15th Annual Miles Cotton Festival

The 15th annual Miles Cotton Festival will be held on September 14th in the Miles City Park. Festivities throughout the day will include arts and crafts booths, a brisket cook-off, a parade through downtown Miles, games for children and adults, and entertainment by area musicians.

A noon meal will be served at the historic Miles Opera House and fast food booths will be located in the City

For more information about becoming an adult volunteer with your local Girl Scouting Program or for information on signing a girl up as a Girl Scout, please call El Camino Girl Scout Council in San Angelo at 915-655-8961.

Park.

A BBQ supper will be served from 5 to 7 p.m. followed by the Miles Cotton Queen Contest. Shadowfax will provide music for a street dance from 9 p.m. to 1 a.m.

Miles is located on Highway 67 between San Angelo and Ballinger. For more information contact the Miles Opera House at (915) 468-3001 or the Miles Messenger at (915) 468-3611.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 5, 1991

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 114 proposes a constitutional amendment that would authorize home rule cities having a population of 5,000 or fewer inhabitants to amend their city charters by a majority vote of a city's qualified voters at an election held for that purpose. The amendment makes clear that home rule cities that have declined in population below the population required to initially adopt a charter may nevertheless continue to amend their charters.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment allowing home-rule cities with a population of 5,000 or less to amend their charters by popular vote."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 10 proposes a constitutional amendment that would allow the legislature to authorize the Texas Department of Transportation to expend money, from any source available, for the costs of the turnpikes, toll roads, or toll bridges of the Texas Turnpike Authority, provided that any monies expended from the state highway fund shall be repaid to the fund from tolls or other turnpike revenue.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment mandating the repayment to the Department of Transportation of monies expended to assist the Texas Turnpike Authority in the construction, maintenance, and operation of turnpikes, toll roads and toll bridges."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 26 proposes a constitutional amendment that would authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Land Fund which are not immediately committed to the payment of principal and interest on bonds issued by the Veterans' Land Board, the purchase of lands, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment would also authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Housing Assistance Fund which are not immediately committed to the payment of principal and interest on general obligation bonds issued by the Veterans' Land Board for the benefit of the Veterans' Housing Assistance Fund, the making of home mortgage loans, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment gives the legislature power to implement the amendment and to delegate such duties and authority to the Veterans' Land Board as it deems necessary.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment to authorize the legislature to further implement and enhance the administration of the veterans' housing assistance and land programs and to expand the investment authority of the Veterans' Land Board."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would allow the legislature to authorize the issuance of a maximum of \$1.1 billion in general obligation bonds. The proceeds of the bonds are to be used to acquire, construct, or equip new prisons and substance abuse felony punishment facilities, mental health and mental retardation

institutions, and youth corrections institutions, to repair and renovate existing facilities of those institutions and to acquire, repair, or renovate other facilities for use as state prisons or substance abuse felony punishment facilities. The \$1.1 billion is in addition to the \$900 million currently authorized by the constitution to be expended on bond issues for facilities of correctional and mental health and mental retardation institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the state treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the issuance of up to \$1.1 billion in general obligation bonds for acquiring, constructing, or equipping new prisons or other punishment facilities to confine criminals, mental health and mental retardation institutions, and youth corrections institutions, for major repair or renovation of existing facilities of those institutions, and for the acquisition of, major repair to, or renovation of other facilities for use as state prisons or other punishment facilities."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 39 proposes a constitutional amendment that would allow a county, junior college district, or municipality to exempt tangible personal property from ad valorem taxation if: (1) the property is acquired or brought into the state in an enterprise zone to be forwarded outside the state, (2) the property is assembled, stored, repaired, maintained, manufactured, processed, or fabricated in the enterprise zone, (3) the property is transported outside the state not later than 175 days after being acquired or brought into an enterprise zone, and (4) the person who acquired or brought the property into an enterprise zone is a qualified business. A county, junior college district, or municipality may exempt such property by entering into a written agreement with a qualified business that states the duration of the exemption and the terms on which the exemption is granted. Any action to exempt property must be taken before April 1 of the first year in which the property would otherwise be taxed. The term "enterprise zone" means an area that (1) has been designated as such by a state agency responsible for economic development, and (2) has pervasive poverty, unemployment, and economic distress. The term "qualified business" means a business that meets the qualification established by general law and requires that the qualified business is actively engaged in a new business in the enterprise zone or is expanding a business that is already active in the enterprise zone. An enterprise zone is created to foster economic development in an area of pervasive poverty and unemployment.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the exemption for ad valorem taxes of certain property in an enterprise zone."

PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would establish a Texas Ethics Commission with the powers and duties provided by law. The commission would consist of eight appointed members selected as follows: two members of different political parties appointed by the governor from a list of at least ten names submitted by the members of the house of representatives from each major political party; two

members of different political parties appointed by the governor from a list of at least ten names submitted by the members of the senate from each major political party; two members of different political parties appointed by the speaker of the house of representatives from a list of at least ten names submitted by the members of the house from each major political party; and two members of different political parties appointed by the lieutenant governor from a list of at least ten names submitted by the members of the senate from each major political party. A major political party is a political party required by law to hold a primary. With the exception of the initial appointees, commission members would serve for four-year terms. A member who has served for one term and any part of a second term would not be eligible for reappointment. The commission would be authorized to recommend the salary of the members of the legislature and may recommend that the salary of the speaker of the house of representatives and the lieutenant governor be set at an amount higher than that of other members. If the commission recommends a change in salary, the voters would be authorized to accept or reject the salary change at the next general election for state and county officers. If the voters approve the recommended salary, that salary would take effect January 1 of the next odd-numbered year; if the voters reject the recommended salary, no change in salary would occur. The commission would set the per diem of the members of the legislature and of the lieutenant governor. The per diem could be raised or lowered biennially as necessary to pay members' costs, but could not exceed the amount allowed as of January 1 that year as a federal income tax deduction for living expenses incurred in a legislative day in connection with a member's business as a legislator, disregarding any federal income tax exception for legislators residing near the Capitol. The commission would have other powers and duties provided by the commission's enabling act (Senate Bill 1, 72nd Legislature, Regular Session). The amendment would also provide that an increase in the emoluments of the office of Lieutenant Governor would not make a legislator ineligible to serve in the office of Lieutenant Governor.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment creating the Texas Ethics Commission and authorizing the commission to recommend the salary for members of the legislature and the lieutenant governor, subject to voter approval, and to set the per diem for those officials, subject to a limit."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would allow the board of trustees of each statewide public retirement system to invest the funds of the system in such manner as the board considers prudent. The board would no longer be limited to investing the funds of the system in securities.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment to allow the board of trustees of a statewide public retirement system to invest the funds of the system in a manner that the board considers prudent."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 21 proposes a constitutional amendment that would permit the legislature to create debt by or on behalf of the state if the legislature submitted the debt question to the voters of the state in the form of a proposition and a majority of those voting approved the proposition. The legislature may call the election, by joint resolution approved by at least two-thirds of the members of each house, during any regular session or during any special session if the subject of the proposition is included in the Governor's proclamation for that special session. A proposition must clearly describe the amount and purpose for which debt is to be created and must describe the source of payment for the debt. The amount of debt stated in the proposition may

Jim Bowie Days Scheduled

The Menard County Chamber of Commerce has set Friday and Saturday, September 27th and 28th for their annual Jim Bowie Days Celebration. The weekend will include arts and crafts booths, Fire Department supper and Homecoming football game Friday, September 27th.

On Saturday, September 28th, there will be a pancake breakfast. All during the day there will be gun fights and children's games. Beginning at

1:00 P.M. there will be a fiddlers contest. Arts and crafts booths will be open all day along with a county fair. Food and drinks will be available.

Saturday night the outdoor theater production of "Song of Silver" will retell Jim Bowie's story. Then at 9:00 P.M. there will be a dance with the music by Southern Image. At the first intermission of the dance a 1991 Chevrolet Extended cab Pick-Up will be given away.

not be exceeded and may not be renewed unless the right to exceed or renew is stated in the proposition. The legislature may enact laws necessary to implement the authority granted by a proposition. A law enacted in anticipation of the election on a proposition is valid if, by its terms, it is enacted subject to approval of the related proposition. State debt that is created following voter approval of a proposition and that is approved by the Attorney General is incontestable for any reason.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing the voters of this state to consider state debt questions in the form of ballot propositions that must clearly describe the amounts, purposes, and sources of payment of the debt only after approval of the propositions by a two-thirds vote of each house of the legislature."

PROPOSITION NO. 9 ON THE BALLOT

Senate Joint Resolution 11 proposes a constitutional amendment that would authorize the commissioner of the General Land Office to issue patents for certain public free school fund land for which there is not a valid transfer of title from either the State or the Republic of Texas to a private party. A patent is a document of title issued by the state. On application to the School Land Board, a person is entitled to receive a patent if: (1) the land is surveyed public free school fund land, (2) the land was not patentable under the law before the adoption of this proposed amendment, (3) the person acquired the land without knowledge of the title defect out of the State of Texas or the Republic of Texas and held the land under color of title, the chain of which dates from at least January 1, 1941, (4) the person has a recorded deed on file in the county courthouse and, in conjunction with his predecessor in interest, has claimed the land for at least fifty years as of January 1, 1991, and (5) the person, in conjunction with his predecessor in interest, for at least 50 years has paid taxes on the land together with all interest and penalties associated with any delinquency. If the applicant is denied a patent, the applicant may file suit against the School Land Board in a district court in the county where the land is located within 60 days from the date of denial. The proposed amendment does not apply to beach land, submerged land, or islands, and may not be used to resolve a boundary dispute. The proposed amendment also does not apply to land found by a court to be state-owned or to land on which the state has given a mineral lease that is in effect when a patent is sought. A patent under this proposed amendment for land within five miles of mineral production shall reserve minerals to the state in the manner provided by law for reservations of minerals in sales to claimants of unsurveyed school land within five miles of production. An application for a patent under this proposed amendment must be filed with the School Land Board before January 1, 1993.

This proposed constitutional amendment is similar to the version of article VII, section 4A, that was in effect between 1981 and 1990. The main difference is that under the earlier version the applicant for a patent to land had to have a chain of title that dated back to at least as early as January 1, 1932.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 15 proposes a constitutional amendment that would allow the legislature to pass general laws to exempt property owned by a nonprofit corporation organized to supply water or provide wastewater service from ad valorem taxation. A nonprofit corporation would be eligible for the exemption if its bylaws provide that

on dissolution, the assets remaining after the discharge of the corporation's indebtedness will be transferred to an entity providing water supply or wastewater service, or both, which is exempt from ad valorem taxation. The transferred assets must be property that is reasonably necessary for and used for water supply and wastewater services.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the legislature to exempt from ad valorem taxes certain property of a nonprofit corporation that supplies water or provides wastewater service."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 8 proposes a constitutional amendment that would allow the legislature to pass laws to authorize the State of Texas to operate lotteries and to enter into a contract with one or more legal entities that will operate lotteries on behalf of the State of Texas.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing a state lottery."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment that would increase the total amount of bonds that may be issued by the Texas Water Development Board to provide wholesale and retail water and wastewater facilities to economically distressed areas of the state. The proposed amendment increases the maximum principal amount of the bonds from 20 percent to 50 percent of the \$500 million amount authorized by article III, section 49-d-7, of the Texas Constitution. The proposed amendment would increase the maximum aggregate dollar amount of bonds that the Texas Water Development Board could issue from \$100 million to \$250 million.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment to increase from 20 percent to 50 percent the percentage of Texas water development bonds previously authorized by Texas voters that may be issued for economically distressed areas."

PROPOSITION NO. 13 ON THE BALLOT

Senate Joint Resolution 2 proposes a constitutional amendment that would allow the legislature to pass general laws authorizing Texas Higher Education Coordinating Board or its successor to issue and sell up to \$300 million of general obligation bonds to finance education loans to students. The maximum net effective interest rate to be borne by the bonds would be set by law. The amendment would also authorize the legislature to provide for the investment of bond proceeds and to establish an interest and sinking fund to pay the bonds and provide for the investment of such fund. Bonds authorized under this amendment would be paid from the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in an interest and sinking fund established at the end of the preceding year that is pledged to the payment of the bonds or interests.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment providing for the issuance of general obligation bonds not to exceed \$300,000,000 to continue existing programs to provide educational loans to students, with repayments of student loans applied toward retirement of the bonds."

Secretary of State of Texas

School Lunch Specials Sandwiched Among September Food Sales

Texas consumers will find special sales on foods for school lunches sandwiched among an array of September supermarket promotions.

Dr. Dick Edwards of College Station, a food marketing expert with the Texas Agricultural Extension Service, said food retailers will discount a number of foods suitable for school lunches, football season snacks and other fall activities.

"Advances in food technologies are changing the look and taste of school lunches," Edwards said. "Shelf-stable, microwavable foods that require no refrigeration are ideal for lunches. Increased production has resulted in lower prices and a greater variety."

Created especially for school lunches have been spaghetti, beef stew and chili food products. These will be

featured as specials at less than \$1 per unit, Edwards continued.

"Juices, packed in boxes, will be a companion school lunch sale item," he said. All ingredients will be on sale for the traditional school lunch of sandwiches, chips, cookies and fruit.

Besides sales on school lunch items, prices also will be slashed after mid-September on any remaining school supplies.

"Since children always need pencils, pens, papers and folders through the year, these items should be bought while on sale and doled out as they are needed," he recommended.

Produce will be in a transitional stage in September, with apples topping the list of newly harvested fruit arriving in large supply. Prices, Edwards said, will be lower than they have been for quite some time.

"Best buys will be on bags of apples weighing 3 and 5 pounds," Edwards said. "Although a bit small, these apples are excellent for school lunches."

Other items that will increase in supply during the month as harvests gain momentum are grapes, white potatoes and sweet potatoes. Also on special will be artichokes, avocados, broccoli, cantaloupes, cauliflower, plums and honey melons.

Edwards said a shift in merchandising patterns for red meat and poultry will occur in September.

"Beef prices, in general, will remain higher for consumers despite declining prices at the feedlot," he predicted. "But discounted items will shift from cuts of steaks to roasts and items used in stews and casseroles. Shoulder roasts, chuck roasts, stew meat and ground chuck will be on sale."

Edwards said pork products to be merchandised heavily are bacon, sausage and pork roasts.

"At the poultry counter, sales will continue to follow the advertisements seen all summer,

with more frequent sales of whole birds," he said. "Consumption patterns show that households tend to prepare more fried and baked chicken in the fall."

An intense marketing effort using discounted prices will be made to increase purchases of turkey bacon, Edwards said.

As the weather gets cooler, people tend to eat more seafood. "Look for sales on fresh shrimp as the shrimping season advances," he said. "Prices will be best on shrimp of medium size. Retailers also will use canned tuna as an adver-

item, and prices can be expected in the 49-cent range."

Prices on catfish fillets and whole fish will decline as catfish producers intensify efforts to increase their business, Edwards predicted.

For football enthusiasts, foods that can be consumed while watching games will be on special. Sales will focus on soft drinks, chips and dips, cheeses, pizza and popcorn.

For celebrations of Rosh Hashanah, or Jewish New Year, food items to be discounted include poultry, sausages and wieners.

Irion County Playday Set

Saturday, September 28, 1991 has been set for the Irion County Playday. This event will take place in the Irion County 4-H Arena. Books open at 9:00 a.m. with the show beginning at 10:00 a.m.

Entry fees are \$3.00 per class plus a \$5.00 office charge.

The classes are: Barrels, Poles, Flags, Stake Race, Keyhole Race and Goat Tying and Hair Pulling. The age groups are: 8 & Under, 9-12, 13-17, and 18 & Over. Tack for 1st place. Hi point awards.

For more information, call (915) 835-2711.

Golden City Festival Successful

The Golden City Festival committee wishes to thank the community for their support and all the people who worked very hard to make it a successful event. We especially wish to thank Super S, Meyer Grocery, Star Stop, Foxworth-Galbraith, the Mort Mertz Family, S&T Roustabouts,

Felipe Pina, Steve Nelson, Oscar Martinez, and Thomas Martinez.

The raffle winners were: 1st-Shelly Phillips, 2nd-Javier Iglecias, 3rd-Mattie Ferguson.

The winners of the washer pitching tournament were Charlie Bradley and Tim McAngus.

County Agents Report

Jerry Swift - Schleicher County Extension Agent

Garden Checklist for September

Dr. William C. Welch, Landscape Horticulturist

✓ Rejuvenate heat-stressed geraniums and begonias for the fall season by lightly pruning, fertilizing and watering.

✓ Caladiums require plenty of water this time of year if they are to remain lush and attractive until fall. Fertilize with ammonium sulfate at the rate of 1/3 to 1/2 pound per 100 square feet of bed area, and water thoroughly.

✓ Don't allow plants with green fruit or berries to suffer from lack of moisture. Hollies will frequently drop their fruit under drought conditions.

✓ Remove weak, unproductive growth from crape myrtles and roses to stimulate new growth for fall beauty.

✓ Prune out dead or diseased wood from trees and shrubs. Hold off on major pruning until mid-winter. Pruning now may stimulate tender new growth prior to frost.

✓ Sow seeds of snapdragons, pinks, pansies and other winter flowers in flats for planting outside during mid-to-late fall.

✓ Prepare the beds for spring-flowering bulbs as soon as possible. It's important to cultivate the soil and add generous amounts of organic matter to improve water drainage. Bulbs will rot without proper drainage.

✓ Continue a disease spray schedule on roses as blackspot and mildew can be extremely damaging in September and October. Funginex, used every 7 to 14 days, will usually give excellent control.

✓ Christmas cactus can be made to flower by supplying 12 hours of uninterrupted darkness and cool nights (55° F) for a month starting in mid-October. Keep plants on the dry side for a month prior to the treatment.

✓ Plan to plant wildflowers in early September and October. Check supplies now and order seed for planting in open sunny areas. Consider bluebonnet, Indian paintbrush, coneflower, fire-wheel, black-eyed Susan, evening primrose and many others. Soils should be lightly cultivated prior to planting.

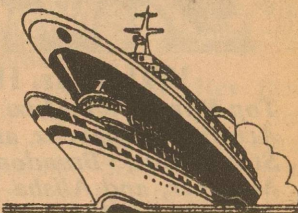

✓ Divide spring flowering perennials such as iris, Shasta daisy, gaillardia, cannas, daylilies, violets, liriop and ajuga.

Eldorado Spotlight

JIM HOLLEY

This week our spotlight shines a light on Jim Holley. Jim is married to the beautiful and talented, Jerre Holley.

Jerre is a co-owner of Holley House Mfg. Inc. of Eldorado.. She is devoted to her grand-children, children and husband, Jim. She enjoys sewing, baking and baby-sitting her grand-children.

Jerre has three children, June, James Mack and Jay Ray. She has one wonderful son-in-law, Buff and two beautiful daughters-in-law, Karen and Julie. She has seven grand-children.

We at the Success think that Jerre is a great asset to our community.
