SWPS SEEKS FRANCHISE EXTENSION

New Administrator Declines Job

Initial steps in renewing Southwestern Public Service's franchise with the city were taken Monday night at a regular meeting of the commission.

Carroll McDonald, District service company manager, told the commission that the purpose of renewing the franchise at this time would be to construct a new office building in Slaton.

McDonald said his company has given approval to build the new office which would include a community room, McDonald projected that the community room would be used as a meeting place for some 32 organizations.

The commission spent more than an hour discussing the franchise which expires in 1970. Commissioners were unable to agree on the number of years that the contract should be extended.

The commission asked McDonald to meet with them at their next session in order to finalize the terms of the franchise. SWPS has been serving Slaton since 1920.

In 1964, McDonald said his company paid to the city \$6,943.95 in franchise taxes and \$2,982 in personal property taxes. He said tentative plans for the building have been prepared.

Mayor Jonas Cain announced to the commission that Charles Norwood, recently employed as city administrator, has decided to remain in Broken Arrow, Okla. as city manager.

Norwood was approved for the appointment at the Sept. 26 meeting. Mayor Cain said Norwood contacted him by telephone Thursday to tell him of his decision.

Mayor Cain said the city (See CITY, Page 4)

CONTEST WINNERS — These six boys will represent Slaton in the Punt, Pass & Kick zone contest at Lubbock Saturday. First place winners in the local contest, sponsored by Smith Ford, were (left to right, front) Craig Nieman, J. Ray Basinger and Lance Hlavaty, 8-9-10 year old divisions; back—Robert Ethridge, Roby Hartman and Darrell Hill, 11-12-13 year old divisions.

IN 4 AA OPENER

Tigers Host Potent Denver City Team

All even at 3-3 in the won-lost column and crippled from a 42-12 thumping last week, the Slaton Tigers open District 4-AA grid action against the unbeaten Denver City Mustangs here Friday night at Tiger Stadium.

Kickoff time is 7:30 p.m.,

the starting time moving up 30 minutes for district contest. Tiger Coach Neal Chastain will be forced to change his offensive alignment once again, with halfback Bill Gass and quarterback Larry Pickens doubtful starters.

Gass broke his right hand in the Lockney game and probably won't see action at all. Pickens hurt an ankle in the game but may be used tomorrow night. Quarterback Allen Miles and halfback Doyle Ethridge are probable replacements.

Halfback Henry Johnson also worked some at fullback, with Steve Harlan filling in at the other halfback position. Several changes were being considered in the offensive line, too.

There's no doubt that Denver City will be the toughest opponent faced by Slaton this year. The Mustangs, ranked high in state AA ball, have knocked over five Class AAA foes this season along with a victory over Lovington, N.M.

The Mustangs are larger in the line this year, still boast speed to burn in the backfield, and apparently have added a strong passing attack to make their offense even more formidable. Quarterback David Mitchell, halfback Jimmy Young and fullback Jimmy Comer head up the offense. Halfback Mike

(See TIGERS, Page 4)

PP&K Winners Named In City

Slaton's annual Punt, Pass & Kick contest was held here Saturday with 18 boys in the 8 through 13 year age groups earning prizes or plaques, and six of the first-place winners getting an opportunity to seek additional fame at Lubbock next Saturday.

The contest, sponsored locally by Smith Ford, Inc., is conducted nationally by Ford Motor Co. and the National Football League.

The six top winners who will compete in a zone contest at Lubbock Saturday morning are: Craig Nieman, 8-year-old division; J. Ray Basinger (9), Lance Hlavaty (10), Robert Ethridge (11), Roby Hartman (12), and Darrell Hill (13).

Awards in the 8-9-10 divisions included a Dallas Cowboy football jacket for firsts, helmets for runners-up, and footballs for third places. Plaques were presented in the 11-12-13 age groups.

Three boys were repeat winners from last year—J. Ray Basinger moving up to win the 9-year-old contest; Lance Hlavaty advancing as the 10-year-old winner, and Roby Hartman taking first again, this time in the age 12 bracket.

Runners-up in the age groups: 8--Frank Love and Dale Schaffner; 9--Barry Joylin and Alan Lewis; 10--Paul Ray Martin and Michael Lewis; 11--Stanley Roberts and Jackey Ford; 12--Don Wayne Jackson and Steven Mosser; 13--Allen Walters and Gregory Kitten.

Steve Smith, director of the local contest, announced that 109 boys registered

Glasscock Is Contest Winner

Three familiar persons placed in the Slatonite's sixth grid guessing contest during a weekend of upset and cliffhangers.

Gary Glasscock of 325 W. Panhandle took the top spot with only three misses. Last week's winner missed only two games. Glasscock incorrectly picked the Lubbock-Palo Duro, Monterey-Tascosa and Lamesa-Levelland games.

Johnny Hennington Jr. missed three games also. However, Glasscock came closest to the total score in the tie-breaker which was 52. Glasscock guessed 32 while Hennington picked the score to be 27.

Third place winner was Barbara Bingham of 910 S. 22nd. She is a previous first place winner in the contest. First prize is \$5 while \$3 goes to the second place winner and \$2 to the third.

Other games frequently missed were Southland-Wellman, Lamesa-Levelland, Post-Seagraves, Slaton-Lockney and Seminole-Odessa Ector.

A total of 64 persons entered the contest this week. Previous winners are Dolly Brown, Mrs. Leonard Foster, Barbara Bingham, Earl Ehlen Jr. and Mrs. Kathy Jones.

C-C Directors Hold Meeting

Slaton Chamber of Commerce directors held a brief regular session Tuesday night at City Hall, discussing the recent membership drive and hearing several reports.

Several membership prospect cards which were uncalled on during the campaign were distributed to directors. President Jim Hughes reported that 117 members were signed up during the one-week drive.

A screening committee composed of Tommy Wallace, Clark Self Jr. and Speedy Nieman was appointed by Hughes to start seeking candidates for a full-time manager's post.

In response to a question by Don Kendrick, director for Christmas activities, directors agreed the chamber should sponsor a home lighting and decorations contest again this year.

Self, chairman of the retail trade committee, reported on plans for the upcoming Fabulous Friday, or "dollar day", which is to be held Oct. 15. Attending the session were Hughes, Jake Wendel, Dr. Lee Vardy, Ellis Schmidt, Jay Gray, Dick Hartman, Self, Kendrick, Nieman, and Mrs. Julia Bisbee, secretary.

Benefit Movie 'Big Success'

Boosted by a ticket-sale drive by the Slaton American Legion Post and by local Cub Scouts, a benefit movie for Don Townsend at the Caprock Drive-In was termed a "big success" Tuesday night.

Proceeds went to Don Townsend, local 10-year-old son of Mr. and Mrs. Don Townsend Sr. He is hospitalized with a rare brain disease.

Ray Dickie, post commander, reported to the Slatonite Wednesday morning that \$187.50 had been deposited in the fund at Citizens State Bank. This was the total amount of ticket sales. The hospital fund has grown to a total of \$873.87.

Dickie reported the show drew a good crowd and he expressed his thanks to the Cub Scouts and their den mothers, employees at the show, the Slatonite, KCAS, and the Rotary Club for their help.

Little Don's father returned Saturday from Galveston where he visited his wife and son at John Sealy Hospital. He reported Don's condition unchanged.

Friends report funds are still needed and contributors may deposit donations at Citizens State Bank in the Don Townsend Hospital Fund.

Cub Pack Meeting Called Here Tonight

Interested boys from age 8 to 10 along with their parents are urged to attend a Cub Scout Pack meeting tonight at 7:30 in the Junior High Cafeteria.

This meeting is for boys who are already cub scouts and for those who wish to become a scout, according to Dr. David Hughes, scout master.

DOLLAR DAY SET FRIDAY

Slaton's Fabulous Friday rolls around again tomorrow.

What is Fabulous Friday? It's an old-fashioned retail trades day; it's a monthly "dollar day" and, in case of Oct. 15, it is also "Sidewalk Sales" day.

Merchants on the chamber of commerce retail trade committee decided to try the "middle Friday" of each month for a special dollar day promotion, and the name "Fabulous Friday" was tagged to the program.

Inside today's Slatonite you'll find many money-saving values to be offered by local firms. It's one way they can express thanks each month to local and area customers, and it serves to invite new customers to visit the friendly Slaton stores and see the many bargains offered.

Shop Slaton and Save Friday... there will be specials on the sidewalks and in most all the stores.

Graves Moving, New TG&Y Man Named In Slaton

A change in management of the Slaton TG&Y store occurs this weekend with the transfer of its first manager after eight years.

Bob Graves has been promoted to store manager of the newly completed firm in Big Spring's Highlander Center. Graves opened the Slaton store in October of 1957.

Assuming duties here Monday will be Frank Pflueger of Ponca City, Okla. He was assistant manager of the store there.

The Pfluegers have two daughters—Janis, 5, and Jeanne, 4. The Pfluegers are members of the Baptist Church. He was reared in Oklahoma. He has three and one-half children.

The Graves of 1595 W. Lynn, have three children—Deniece, nine; Clifford, 7; and Bobby Jr., three and one-half.

The Graves are members of the Presbyterian Church. He is a past Lions Club member and past director of the Slaton Chamber of Commerce.

GOING DOWN--Another landmark in Slaton is disappearing from the way for a thing called progress. Pictured here is the old Shelby home, near high school in the Shelby addition. The house was built in 1920 by J. F. Shelby and sold to H. T. Shelby in 1926. (SLATONITE PHOTO)

Using Funds Approved Here

George Mahon of Lubbock.

Forty of the low-rent homes would be designed for the elderly. Average construction cost of one of the homes is estimated at \$9,785.

Ellis Schmidt is chairman of the Housing Authority of Slaton and Earl Wilson has been named executive director of the program.

Tentative sites for the houses have been selected, but final approval must come from the Public Housing Administration in Fort Worth.

The sites are expected to be in the southeast portion of town, according to Schmidt. Acquisition of the necessary land has been a problem in the program.

The housing, available to low-income families—below \$3,000 per year—is approved into two categories. Of the 40 units for the elderly (62 and over), there will be 36 one-bedroom units and four two-bedroom units.

Of the 30 units for non-elderly, 20 will be two-bedroom units and 10 will have three bedrooms. The units are expected to be constructed in duplexes of concrete blocks and brick.

Rent will be based on the number in the family and the income. The units are expected to be ready in 9-12 months.

The city will provide water and sewer mains to the project.

The Housing Authority will have a 40-year loan on the project with payment guaranteed by the federal government.

The government makes payment only if the authority is not able to do so.

FRANK PFLUEGER

AFTER SIX WEEKS OF SCHOOL, WHAT DO FIRST GRADERS LIKE?

CATHY SORRELS

"I like school because of recess."

BILLY ROGERS

"First day was the best. We got to write in our tablets."

JOYCE MAXWELL

"I learned about writing and studying. I like school and my teacher."

GARY GILBREATH

"I wrote to 100 and can read. I like the school store and bring my lunch."

LUPE LOPEZ

"I like the papers and to color pictures. My teacher is pretty hard."

JIM SWANNER

"I like the reading. Yes, I've learned a lot. I like school. There's nothing about it I don't like."

MRS. JOHN ROBERT MILLER

Recipe Of The Week

The newly elected president of the Roosevelt Young Homemakers is sharing her recipe for Cookie Sheet Chocolate Cake with us this week.

Mrs. John Robert Miller or better known as Jackie is the mother of three children. They are Ricky, 7, Ronnie, 6, and Beverly, 3. The Millers moved to the Roosevelt community three years ago from Lubbock. Mrs. Miller served as secretary-treasurer for the young homemakers last year, and is now serving as vice-president in charge of membership for

the PTA. She is also secretary of a bowling league and lists bowling as her favorite sport. She also enjoys sewing.

COOKIE SHEET CHOCOLATE CAKE

Sift together:
2 cups flour
2 cups sugar
in a mixing bowl.
Mix in a saucepan:
1 cup water
1/2 cup shortening
1 stick margarine
3 - 1/2 teaspoons cocoa
Bring to a boil and mix with flour and sugar.
Add:
2 eggs
1/2 cup buttermilk with
1 teaspoon soda dissolved in it.
Pour cake mixture into greased flat pan and bake in 400 degree oven for 25 minutes.

ICING
Bring to boil:
1/2 cup sweet milk
1 stick margarine
3 - 1/2 teaspoons cocoa
Add:
1 box sifted powdered sugar
1 teaspoon vanilla
1 can flaked coconut
1 cup chopped pecans
Mix well and pour over hot cake.

Mr. and Mrs. Oscar Neugebauer have recently returned from Big Lake where they visited their daughter and family, Mr. and Mrs. Lawrence Schwenker.

VFW Auxiliary Assumes Christmas Gift Project

At the regular meeting of the Ladies Auxiliary to the VFW #6721 Monday night, the group voted to send a contribution to the Christmas fund for children of the VFW National Home in Eaton Rapids, Mich. They also discussed plans on remembering the two Texas children there.

Mrs. Billie Clements, president, presided over the meeting at which 23 members were present. She announced two petitions for membership which the auxiliary accepted unanimously. They were Mrs. W. E. Mann of Lubbock and Mrs. G. B. Nesbitt of Slaton.

It was announced that the auxiliary and post had purchased a new bicycle from Bain Auto at his cost for the "Project Bicycle Program" and have received six repairable ones. They expressed their appreciation to members and citizens for the donations.

At the district convention to be held soon, a date for a workshop for all the posts of the district will be set and all members are asked to donate

one day toward repairing the bicycles. The district youth activity chairman, N. T. Conners of Lubbock will forward all the bicycles to the young ladies at Gristown, USA.

Among committee reports, Mrs. Travis Mann announced considerable progress by the auxiliary on its membership dues drive. Mrs. W. E. Johnston and Miss Jeannie Clements were appointed to the refreshment committee for the next meeting scheduled for Oct. 25. Mrs. R. Q. Moore and Mrs. Pete Jaycon volunteered to serve on the transportation committee for the well-child clinic to be held on Oct. 21.

The auxiliary voted to contribute to the Don Townsend

Fund and all members were urged to attend the movie for his benefit.

Mrs. Clements reminded the auxiliary of the District #7 Convention to be held in Lamesa Oct. 16-17 and announced the progress being made on plans for the Auxiliary birthday dance to be held Oct. 22.

After the business meeting, Frances Sargent, patriotic instructor, presented an instruction about the auxiliary and announced the auxiliary now has porch flags for sale, equipped with installation brackets for \$4.75 each. These are for sale to the public.

Mrs. Leona Lamb and Mrs. Dorothy Faye Harris served refreshments to the post and auxiliary members following the meetings.

Graham Movie To Be Shown Here Sunday

The new Billy Graham feature length sound-color motion picture, "LUCIA", will be shown at 6:30 p.m. Sunday at the First Baptist Church in Slaton.

This is the story of "LUCIA", coming to the motion picture screen with all of the pathos and poignancy that transcends its Latin setting, to embrace the spiritual needs that are common to every culture and clime around the world.

"LUCIA" was made in its entirety in Buenos Aires, directed by World Wide Pictures' President, Dick Ross. The fire and excitement of gaucho folk music, South America's unmatched scenic grandeur and the excitement that belongs to one of the world's largest cities, are all enriched by full color and authentic sound.

But the real impact of "LUCIA" is to be found in its intimate, utterly honest treatment of an individual's emptiness and frustration apart from the filling of the "God-shaped vacuum" with which all mankind is born. With this newest of the Billy Graham Films, "LUCIA" enters into the area of domestic discord and the romantic triangle -- and what the Bible has to say in resolving the emotional problems that are the hallmark of 20th Century living.

TO LEAD MUSIC -- Malcolm Grainger, minister of music and education for the First Baptist Church of Monahans will be leading the music during a revival at the First Baptist Church Oct. 17 - 24. Rev. J. L. Cartrite, pastor, will be doing the preaching.

Introductory Tea Held For Miss Linda Hill

Mrs. George Klattenhoff was hostess for an introductory tea Sunday afternoon from 3 - 5 p.m. honoring Miss Linda Hill, bride-elect of her son, Joe George.

Bouquets of white mums and deep pink asters, the honoree's chosen colors, were used throughout the house. The table was laid with a white cut-work cloth and decorated with pink candles. A silver tea service was used. The centerpiece was an arrangement of white gladioli, pink snapdragons and deep pink asters centered with two doves.

Receiving guests with Mrs. Klattenhoff were Miss Hill, the honoree, and her mother, Mrs. Robert Hill of Lubbock.

Assisting with hospitalities were Mmes. Bates Reasoner, J. H. Thomas, W. H. Walters, Steve Collops, Louis Melcher, L. E. Helm, Edwin Tusha and Cefernia Salazar.

The couple will marry Dec. 10 in the Wolforth Methodist Church.

Mrs. L. E. McCarver received word that her twin brother, Delma McCollum of Sherman, has been ill at his home.

BY LAVON NIEMAN

This writer had the privilege of visiting several of the first grade rooms in the schools last week, and on interviewing several of the youngsters, I made one definite decision. They love their teachers and they like school. Not a one that I talked to had rather be home instead of in the school room.

It's amazing what our teachers can teach a little six-year-old. Most of the youngsters cannot read when they start to school, and this along with learning the print opens a bright new world for them.

Many times a first grade student's teacher makes the difference whether a child will like school or will dread going for the rest of his school days.

I was having such a good time talking to these first graders, that I hated not to have time to talk to all of them. Following are some of the answers to the question, "How do you like school so far?"

Stan Ward: "Cause the food's good".
Robin Kerr: "I like school because we go outside".
Don Hughes: "I like everything and most to color".
Regina Williams: "I like to color, write and learn".
Jimmy Stephens: "I like to do arithmetic. Two plus two is four".

Diane Crow: "I like school and recess best".
Debbie Olive: "I like coloring best. I don't like recess because it is not long enough".

Glenn Daniel: "I learned writing papers and all that".
Judy Chastain: "I like school because of recess. I've learned to read".

Mark Ethridge: "I like reading best".
Regina Tomlinson: "I like everything, nothing I don't like".

Debbie Sikes: "I like reading, eating and playing, coloring, and afternoon recess".

Rita Pearl Travis: "I don't like to play out. I like reading and writing".

Anna Minshew: "I like writing best sometimes".
Tonia Rene Jordan: "I've learned to write. I'd rather go to school than stay home. I like my teacher and she gives us school work".

After taking Mike Allen Rynd's picture he said, "That gives me a picture of everything".

My sister and her family were our guests over the weekend and my little niece, Suellen Waggoner, is a first grader this year.

She said the first grade had sure made a change in her. "Instead of just being a girl now, I'm a girlfriend", she said.

The Trade Mart, sponsored each year by the American Legion Auxiliary, is again asking the cooperation of Slaton citizens. If you have any items such as used clothing, "white elephants", or anything you might care to contribute, please call Mr. Ellis Schmid, president of the auxiliary, and she will see that it is picked up.

If all the items collected do not sell at the Trade Mart, they will be donated to worthy and needy families. The Trade Mart will be Nov. 12 and 13.

Fire Chief Is PTA Speaker

Don Kendrick, fire chief, presented a program on fire prevention and handed out literature at the West Ward PTA meeting Monday night when it met at 7:30 in the West Ward Auditorium.

Mrs. James Perkins, music supervisor, presented some third grade students in a musical program entitled "Good Health Rules". Clay Mitchell was announcer for the program and Keith Bumpass was the grandpa to several children who sang.

Mrs. Lillian Russell's room won the prize for having the most parents present for the meeting.

Plans for the Halloween Carnival were given by president, Mrs. Alex Webb, who presided at the business meeting. The carnival will be Oct. 29. The cafeteria will open at 5:30 p.m. and carnival will be from 6 to 9 p.m. A door prize will be given again this year.

It was announced that West Ward PTA now has enlisted 319 members this year. The next meeting is scheduled for Nov. 8 at 7:30.

Delegates To Conclave Told

Members of the American Legion Auxiliary met Saturday at 3 p.m. in the legion home for a called meeting.

Mrs. Ellis P. Schmid, president, and Mrs. Earl P. Stahl, vice-president conducted the meeting.

Delegates to the 19th District Convention to be held Oct. 23 and 24 at the Holiday Inn East in Lubbock were elected. They include Mmes. Schmid, Ray Dickie, Bob Reynolds, T. D. Johnson, and Cora Carter. Mmes. Gil Elkins, J. A. Elliott and Miss Theresa Lane are alternates.

Legion Auxiliary Plans Annual Benefit Trade Mart Nov. 12-13

Mrs. Ellis Schmid, president of the American Legion Auxiliary, made a plea this week to citizens of Slaton to save their "junk" and donate it to the auxiliary for its annual Trade Mart to be held Nov. 12-13 at the American Legion Hall.

Clean clothing, old jewelry, any odds and ends from garages or attics are wanted, Mrs. Schmid stated that although the proceeds will primarily go for civic pride (beautification of the American Legion building), that this project also aids the Veterans Christmas box, the local clothes relief through federated churches and toys unsold go to the legion and auxiliary toy boxes for the underprivileged.

Mrs. Earl Wilson, Trade Mart advisor, may be contacted after 10 a.m. at VA8-3986. Other supervisors include members of the executive committee and Mrs. Wilson will see that one of them pick up your donations.

Anyone caring to, may leave their odds and ends at the Slatonite or at Rona's Shoppe

and the auxiliary will pick them up there. Several merchants have contributed merchandise for the Trade Mart.

The legion hall will be open each Saturday night for the convenience of donors.

The Junior Legion Auxiliary as well as many of the 75 members will be aiding in a bake sale and commissary counters.

Slaton Welcomes 19 New Families

Nineteen new families moved to Slaton during the month of September, bringing the total for the year to 183.

Mr. and Mrs. A. B. Garner, 245 So. 5th, moved here from Seagraves. He is a truck driver.

Carol J. Parker, 615 New Mexico, previous address not listed, operates a cafe in Slaton.

FLOWER ARRANGING--Students in the Homemaking I and II classes at SHS were presented program on flower arranging and ideas this week by representatives of Mildred's Flowers. They are Mrs. Pauline McCoy, Jan McCoy, and Charmaine Heinrich. (SLATONITE PHOTO)

Arrangements

Topic For HE

Student Program

The Homemaking I and II classes at SHS were privileged this week with a presentation on flower arranging. The program was presented to the groups of girls courtesy of Mildred's Flowers.

Mrs. Pauline McCoy was in charge of the program assisted by her daughter, Jan, and Charmaine Heinrich, a DE student

employed by Mildred's. The group heard and watched a demonstration of flower arranging techniques and ideas for the coming holiday seasons. The program consisted of construction of corsages, football mums, centerpieces, Hall-oween, Thanksgiving, and Christmas decorations for the home, as well as general hints for using flowers to the best advantages. Many of the new ideas were acquired at a design school recently attended by the two girls and Mrs. McCoy.

Mrs. Ruth Gregg left Sunday for Hutchinson, Kans., where she will visit her sister, Mrs. C. H. Bailey. The two plan to go to Cassville, Mo., to visit with their brother, Gilbert Brice, before Mrs. Gregg returns home later this month.

Morris' Son Dies Monday In Houston

The son of Mr. and Mrs. M. E. Morris of Slaton died Monday night after a lengthy illness. Maurice Elton Morris, 46, was a victim of cancer of the liver. He was born Feb. 23, 1919.

Mr. Morris was born and reared in Lynn County and was a graduate of Southland High School. At the time of his death he resided in Houston. A daughter, Sherry June, preceded him in death in 1946.

Funeral services will be held today at 2 p.m. in St. Paul's Methodist Church in Houston of which he was a member.

Survivors include his wife, Phyllis; his parents, Mr. and Mrs. M. E. Morris of Slaton; two brothers, Earl D. of Austin, and Jimmy of Houston; three sisters, Mrs. J. L. Gary of Lubbock, Mrs. W. A. Lyman of Dallas, and Mrs. C. A. Maerker of Richardson.

Legion Dues Needed

Ray Dickie, American Legion Commander, urges members and prospective members of the American Legion to turn in their dues before the 19th District Convention which will be held at the Holiday Inn East in Lubbock on Oct. 23.

Griffin Elected Soil Supervisor

Finas H. Griffin, a farmer in the Union community, was re-elected supervisor of soil conservation sub-division 2 at a meeting of the Lubbock County Soil Conservation district Tuesday night.

Griffin serves an area in the southeast portion of the county. He will begin to serve his second five-year term. He is a director of the Union Co-op Gin and is active in church and school work in the Woodrow community.

The district supervisor prepares the annual report for each fiscal year. The districts are political subdivisions of the State of Texas and by law are charged with the responsibility of carrying out a soil and water conservation program in their district.

Through them such items as technical service, equipment, leadership in small watershed projects and many other services are provided to cooperating landowners.

LETTERS TO THE EDITOR

TO THE NEWSPAPERS OF THE UNITED STATES: It is with both pride and pleasure that I participate in this traditional tribute to our nation's newspapers.

Too often taken for granted, America's countless daily and weekly papers have been vital guardians of her time-honored traditions and eloquent spokesmen for the cherished ideals of her freedom-loving people. Taken together, our nation's newspapers constitute the world's most responsible and effective organ of current information.

It is up to us to safeguard the freedom of our papers to inquire, to criticize, to express divergent views and to stand as sentinels for the public wherever the public's business is being transacted. Newspapers and their readers are partners in freedom, and if we fail to defend the freedom of our press, we neglect our own. I am confident that Americans everywhere wholeheartedly join me during National Newspaper Week in high recognition of the indispensable role of our free press in the everyday life of our beloved nation.

Lyndon B. Johnson
President

Special Museum Program Slated

A special "Know Your Museum" program will be presented at West Texas Museum in Lubbock for residents of Slaton and surrounding areas on Wednesday, Oct. 27.

Invitations are being mailed to members of local civic, study and culture clubs, and a blanket invitation is being extended by the Museum's Women's Council for all interested persons to attend.

The program will begin with a coffee at 10 a.m., followed by a presentation in the Museum auditorium with Mrs. Russell Bean, speaker.

Mrs. James Spears, chairman of the Membership Committee of the Museum Women's Council, said, "Since the Museum is a state-supported institution, dedicated to preserving the history of our area, our guests will be informed about the activities of their Museum and invited to lend their support to the West Texas Museum Association."

The Museum is open free to the public Monday through Saturday from 9 a.m. to 5 p.m., and Sundays from 2-5 p.m. The "Know Your Museum" coffee will give individuals an opportunity to visit and become familiar with their own area Museum, Mrs. Spears said.

Interested persons are urged to contact their friends to organize a group to attend the coffee, the chairman said.

BIKE FOR GIRLTOWN, USA — This shiny new bicycle was purchased from Bain Auto at cost to be given to Girlstown, USA at Whiteface by the VFW Auxiliary and VFW No. 6721. Conroy

Bain, right, is shown with representatives of the VFW and auxiliary Phillips, chairman of the bicycle and Mrs. Billie Clements, president the auxiliary.

CITY --

(Continued from Page 1)

would continue to take applications for the post which was vacated by Wayne Baker who resigned. Norwood was to have begun work here Saturday.

Edgar C. Hunt, retired army officer, was officially approved as city judge. Hunt has been acting in the position since Oct. 1.

Starting salary will be \$75 per month with an automatic advance to \$100 in 60 days. Hunt and his family recently moved to Slaton. He was connected with legal work in the army.

Joe Cardenas was employed as water superintendent, replacing Bobby Moore. Cardenas has been acting in that post since Oct. 1. Moore remains as an employee of the city.

Police Chief Robert Breedlove proposed that the city purchase a radar unit to be used by his department. Cost of the speed radar unit is \$1,026.

The department is currently using one here on a demonstration basis. The unit can be operated by one patrolman and is the type that fastens onto the window.

Carroll C. Smith, local attorney, was appointed to serve as assistant city attorney. He will assist George Lemon as the legal counsel for the city.

Commissioners briefly took a look into providing more adequate sewer service to the southwest section of the city. This would include a line on 9th. Commissioners said they would attempt to talk with property owners for the easement for the sewer main.

Two street lights, one at 19th and Dayton and one at 20th and Dickens were approved at the session. A total of \$5,497.03 in bills for the month of September were approved for payment.

TIGERS --

(Continued from Page 1)

Sharp, ends Jimmy Childers and Mike Mead, and tackle C. L. Faubus are other standout veterans.

The Mustangs have rolled up 142 points to only 47 for six foes. Slaton has scored 98 in six games, but yielded 75. Aside from Denver City, Slaton is the only 4-AA school with an even break in non-district games. Morton plays Post in the other 4-AA opener.

Denver City is ranked second to Alpine in the state AA ratings by The Dallas News. Slaton has only two more home games—hosting the Mustangs tomorrow night and taking on Post here Nov. 5.

Local Residents

At Design School

Mmes. Vada Chriesman and Cleo Reasoner of City Floral and Greenhouse attended the Childrens Design School held in Childress Sunday. The school was sponsored by Fairview Wholesale Florist Association. Highlight of the day was a holiday floral arrangement design panel.

Mr. and Mrs. Francis Grabber spent last week fishing at LBJ Lake near Marble Falls.

Mr. and Mrs. B. F. Adams of Houston were weekend guests in the home of the C. R. Bains.

Clinic Set Crippled

St. John's Crippled Children's Clinic will be held 1 to 5 p.m., Saturday, at St. John's Methodist Church, 15th & College Ave. Approximately 150 children have been given examinations since the clinic was set up in 1963.

Consultation and treatment at the clinic, which is a child of the South Plains Area Hospital, is free. The clinic is a joint project of the church and the hospital. It is sponsored by the church, the hospital, and the community. The clinic is a joint project of the church and the hospital. It is sponsored by the church, the hospital, and the community.

FIRE PREVENTION WEEK

Poster Winners Named

Fire Prevention Week is over for another year, and Don Kendrick, volunteer fire chief, is probably glad his volunteer work with the fire department doesn't require so much time as he spent last week.

Of course, fire prevention is an all year job, and Kendrick as well as all the firemen are ready to drop what they are doing at the sound of the fire whistle, but Kendrick spent time last week presenting programs at Evans School, Stephen F. Austin School, St. Joseph's Catholic School, Slaton Junior High School and West Ward Elementary, and again at West Ward PTA Monday night.

He spoke at each school as well as showing a film. Kendrick also spoke to civic clubs—speaking a total of 16 times during the week set aside

for fire prevention. He spoke to a total of 1650 children. Certificates were given to first, second and third place winners in the Fire Prevention Poster contest. Winning posters were selected from the first through seventh grades.

Following are winners at Stephen F. Austin school: 2nd grade, Yolanda Zopota, 1st Abel Maldonado, 2nd, and Rosa Linda Martinez, 3rd; 3rd grade, Rosie Martinez, 1st, Domingo Sanchez, 2nd, and Felipe Davila, 3rd; 4th grade, David Rodriguez, 1st, and Yolanda Jaramillo.

Evans Public School winners were: 1st grade, Edsel Clemons, 1st, and Gerry Clemons, 2nd; 2nd grade, Leann Smith, 1st, Joel Aldin Scott, 2nd, and Clarence Edward Hammons, 3rd; and 3rd grade, Leola Slay, 1st.

Winners at West Ward Elementary were: 1st grade, Michael Tumlinson 1st, Billy Rogers, 2nd, and Debbie Sikes, 3rd; 2nd grade, John T. Basinger, 1st, Debbie Montgomery, 2nd, and Tipton Culver, 3rd; 3rd grade, Tony Leake, 1st, Debra Gentry, 2nd, and Ronald Ratliff, 3rd; 4th grade,

Brandy Pugh, 1st, Kayleen Carnes, 2nd, and Norma Kincheloe, 3rd; 5th grade, Lou Ann Hogue, 1st, Julie Green, 2nd, and Dale McCook, 3rd.

Slaton Junior High School winners were: 6th grade, Jim Melton, 1st, Steven Etheridge, 2nd, and J.B. Johnston, 3rd; 7th grade, Jane Webb, 1st, Joyce Cheney, 2nd, and Jeri Mason, 3rd.

Self Earns Trip To Mexico City

Clark Self Jr. of Self Furniture learned this week that he was the winner of an expense-paid trip for two to Mexico City next month.

Self was one of 14 appliance dealers in the area to win the trip, which is sponsored by Southwestern Public Service Co. The contest was based on sales of electric dryers and ranges.

Self and his wife are looking forward to the trip, which is scheduled Nov. 6-9. They will fly from Lubbock on a Saturday and return the following Tuesday.

NEWMAN CLUB OFFICERS — From left to right are: John Albus, Pep, president; Roy Kitten, Slaton, vice-president; Cindy Langford, Levelland, secretary; and Mike Kitten, Slaton, reporter. These young people will guide the South Plains College Newman Club, Catholic organization during the 1965-66 college year.

Slaton Student Gets Scholarship

Miss Rhonda Eanes, senior home economics major at Texas Tech, has recently been awarded the Mrs. Ross R. Wolfe scholarship for the 1965-66 school year.

This scholarship is awarded annually to a student who maintains a high grade point average and who is majoring in Home and Family Life.

NEWS GAL... Jorie Lueloff former Associated Press feature writer, has joined WMAQ-TV in Chicago as a local correspondent. She'll be seen on "Chicago Report" and other news programs. A native of Milwaukee, she studied political science at Mills College, California and in Geneva, Switzerland, then worked for C.I.A. in Washington, D.C., before entering journalism.

Police Activity Decreases

A quiet week was experienced by the Slaton Police Department, according to a report released by Robert Breedlove, chief of police.

Five thefts were reported to the law enforcement agency. Donaldson Pump Service on U.S. 84 said a head from a cutting torch was taken. The head was valued at \$50.

Kendrick Pontiac at 1100 S. 9th was entered Thursday and \$30 in cash was taken. Entrance was gained through a back door.

Carroll Service Station reported 20 cartons of cigarettes, two new tires, cigars and an undetermined amount of pennies taken during a break-in Friday.

Al Schwartz of 755 S. 7th said approximately 700 pounds of brass were stolen during the week. Value was set at \$45.

About 20 fried pies were taken during a break-in at the Dairy Bar Drive-In on South 9th, A.

knife sharpener was also removed from the building.

A total of 23 persons were jailed during the week. Possession of liquor by minors headed the list of offenses at eight.

Carmona Rites Held Wednesday

Funeral services for Eutiquio Carmona, 62, were conducted yesterday at 10 a.m. at Our Lady of Guadalupe Catholic Church, Mr. Carmona died at 4 a.m. Monday in his home on 5th and Dayton Streets here.

Burial was in Englewood Cemetery under direction of Williams Funeral Home.

Pupils Eligible For SS Benefits

The social security amendments of 1965 make an important change in the law as it applies to students age 18-22, which may enable many young people to continue to receive social security benefits while finishing their education.

According to John G. Hutton, district manager of the Lubbock social security office, "The son or daughter of a deceased worker or retired or disabled worker may now receive child's benefits up to age 22 if he or she is unmarried and a full-time student."

This provision is effective January, 1965, and enables a student to receive these benefits for several months retroactively in early 1965 even if they are no longer in school or have married since January 1965.

Even though there were no children under age 18 at the time of the wage earner's death, monthly benefits may be payable to children under age 22 if in school. School can be any accredited high school, college or vocational school. "More

than 400 applications have been filed in the local office," Hutton said, "but it is believed there are still many students who are eligible for these payments."

Information about this and other changes in the social security law is available at your local Social Security office at 3428 Avenue H, Family Park Shopping Center. Telephone: PO 5-8541, extension 284.

The gin is now back in operation. In the picture, smoke is piling out of the bin while firemen are working to extinguish the fire.

(SLATONITE PHOTO)

A weekly public service feature from the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

Have you driven up a street recently and had something flash past you, speeding downhill? It can give you quite a start to glance back and see a boy or girl on a skateboard.

As one man commented recently, "I'd feel a little more secure -- even as a spectator -- if these skateboarders came equipped with crash helmets, seatbelts and brakes."

Skateboarding -- like many sports and activities -- can have its potential hazards. But, observance of safety precautions and rules can go a long way toward the protection of participants.

Here are some pointers you can pass on to any skateboarders -- alias sidewalk surfers -- you know. And, be sure to remember them if you try skateboarding yourself.

Public streets, of course, should not be used for surfing. A possible exception is where cars and other traffic is blocked off during demonstrations or contests. Driveways that slope towards the street are tempting, but hazardous.

Skateboard use is best confined to designated areas such as playgrounds, non-congested sidewalks where not prohibited, and restricted portions of parking lots and shopping centers.

As veterans of the board can testify, a paved surface free of large bumps and cracks is best.

Beginners are advised -- before boarding this steers, braked vehicle -- to consider the speed potential and fall possibilities, and confine maneuvers to their skill level. Shoes with non-slip soles appear to be some help to the skateboarder, new or experienced.

Whether you are a beginner or oldtimer, let skill and control be your aim, rather than speed. When your board is not being used, store it in an out-of-way place. Never leave it on the sidewalk, driveway, floor or stairway of your home.

It is important -- just as it is for truck, car or bike drivers -- to keep your skateboard in good shape. A cracked board or loose wheel could cause a spill.

If you, your children or anyone else plans to mount a skateboard, let the decision rest on ability, agility and knowledge of safety rules.

Services Held For Baby Girl

An infant daughter, Mary Ann, who was born at 9:45 a.m. Sunday to Mr. and Mrs. Paulino Vidaurre, Jr., died at 2:40 a.m. Monday in Mercy Hospital. The baby weighed only three pounds, 11 ounces. Graveside services were conducted Tuesday at 2 p.m. under the direction of Williams Funeral Home in Englewood Cemetery.

Building Total Low For Month

A sharp decrease in local construction was noted during September, according to the monthly report released by city officials.

A total of \$7,800 in construction occurred during the month compared to \$26,981 tabulated during August. The July total was \$8,500 while permits issued in June totaled \$30,750.

The only new construction was for \$2,500 to Jewell Jones for a flower shop.

Crespin Martinez of 550 S. 4th took out a permit for \$800 for an addition to a house. Forrest Lumber Co. took out a permit for \$4,500 for an addition at 755 S. 18th.

Helaris Abila of 1235 E. Division took out a permit for \$50 to have a house moved.

NOW! A WHOLE NEW SERIES OF ULTRA-LUXURIOUS CHEVROLETS

'66 CAPRICE BY CHEVROLET

Caprice Custom Coupe—with exclusive formal roof line that comes on no other Chevrolet.

Caprice Custom Sedan—with superb new Body by Fisher elegance inside and out.

Caprice Custom Wagon—with fine new look of hardwood paneling on sides and tailgate.

Everything it takes to create a distinguished luxury car has gone into these new Caprices.

Beneath the formal styling elegance that sets the Custom Coupe apart, for instance, you'll find thick wall-to-wall carpeting, comfort-contoured seats and the look of hand-rubbed walnut on the instrument panel, glove compartment and inside door panels. You can order a finely instrumented console, together with new Strato-bucket front seats.

In the Custom Sedan, a new Strato-back front seat is available with bucket-type contours separated by a fold-down

armrest. And in the equally opulent Custom Wagons, offered in 2- or 3-seat models, you can even order carpeting for the cargo area.

Each model rides super Jet-smooth. And for incomparably smooth power, you can specify Chevrolet's advanced Turbo-Jet V8 in either a 396- or 427-cubic-inch version.

The price of it all? Somewhat more than you're used to paying for a Chevrolet. But less, as your dealer will happily confirm—than the select class of fine cars these new Caprices invite comparison with in every detail.

See the new '66 Chevrolet, Chevelle, Chevy II, Corvair & Corvette at your Chevrolet dealer's

MRS. DORIS THOMAS

Girls To State Fair

Doggone, but this wind has been blowing just pretty strong this week, hasn't it? Of course I know it will get worse before the year is over but then we will be so glad for it to just slow down for a day or two, that it won't even be bad at all, come next summer when we have to clean out all that did blow in.

At the time you are reading this I will be at the Dallas fair with about 40 girls and eight mothers. I will be thinking about all of you and hoping that the same opportunity may come your way some day.

Members of the Wilson Home Demonstration club met Oct. 1 in the home of Mrs. David Peterson. Mrs. Billie Carr, county home demonstration agent from Tahoka, spoke on pastries and gave a demonstration on making pie crust.

Seven members and two visitors, Mrs. Albert Krause and sent. The next meeting will be Nov. 5 in the home of Mrs. F. B. Riney when the program will be on "Christmas Lighting".

The club meets the first Friday of every month in the home of one of its members.

ATTEND MEETING

Attending a recent council meeting of the Lynn County Home Demonstration association were Mrs. Rueben Sander, Mrs. Floyd Wilson, Mrs. J. H. Lambright and Mrs. Albert Krause. The meeting was held in the Lyntegar building with 13 members present.

BRIDAL SHOWER

Miss Pat Fields honored Miss Barbara Shaw, bride-elect of Harry Gene Hutchison, with a kitchen shower Monday evening in her home. The freshman class of WHS attended the shower.

LIONS CLUB MEETS

A joint meeting of Lions Clubs from surrounding areas was held Monday night in Lubbock at the Koko Palace. Wilson was represented with a number of its members attending the affair.

The local club will meet next Thursday in the school cafeteria. A meal will be served at that time to the public for \$1.25 a plate.

The club's annual broom sale will be held in Wilson Nov. 6.

Oldsmobile's Toronado Appears In '66 Lineup

Lansing-Oldsmobile is introducing for 1966 a completely restyled line of F-85's, longer and lower looking 88's and 98's, and the long-awaited Toronado with front wheel drive, the first truly unique American automobile in many years.

The Toronado, along with the rest of the 1966 Oldsmobiles, will be on display at Davis Olds, Thursday, October 14, it was announced today by C. L. Davis.

In addition to the Toronado, the public will see two other Oldsmobile models for the first time: the Cutlass Supreme, a new F-85 four-door hardtop sedan, and a convertible in the Delta 88 series.

Disclosing details of the new Oldsmobiles, Davis quoted Harry N. Metzel, Oldsmobile general manager and vice president of General Motors: "Mechanically, all 1966 Oldsmobiles, including the F-85's, Vista-Cruisers, Jetstar, Dynamic and Delta 88's and the 98's, have undergone significant mechanical changes to improve ride and handling, performance, comfort and safety. The 88's and 98's have been redesigned, giving them a longer, lower look, and styling for each series is more distinctive. In the F-85 lineup, interiors and exteriors are completely restyled, with more emphasis on Oldsmobile 'family' appearance."

In discussing the new Toronado, Metzel described it as "an American original." He said it is a car designed for those who want the unconventional, the newest, in whatever product they buy. "The Toronado will set new standards for the industry in styling, handling and roadability, and its appearance dramatically strengthens Oldsmobile's worldwide reputation for automotive engineering leadership," Metzel said.

"The Toronado displays styling like that of no other car on the road today. Its flat floor provides for extra interior room and full six passenger comfort, and with front wheel drive its driving traction and handling characteristics are outstanding."

All driving components of the Toronado are combined into an integrated unit under the hood. The specially-modified 385-hp, 425 cubic-inch Toronado V-8 engine is mounted slightly to the right of center. The transmission's torque converter is attached conventionally to the rear of the engine. But the remaining section of the Turbo Hydra-Matic is mounted along the left side of the engine, facing forward. A silent-operating link chain transfers power from the converter to the transmission gear box. A planetary differential feeds torque through two drive axle shafts to the front wheels.

Torsion bar suspension contributes to the Toronado's road-hugging ability, vibration-free

performance, and virtual freedom from the effects of cross winds on the open highway. Driving traction on snow or ice is matchless, Metzel declared.

The Toronado is built on a 119-inch wheelbase, is 211 inches in overall length, and is 52.8 inches in height. Tire size is 8.85 x 15.

It is offered in one body style, a six-passenger hardtop coupe, and is also available in a deluxe version. Special features of the Toronado include a draft-free ventilating system which eliminates the need for corner vent windows; vacuum operated headlamp retractors; optional headrest; wide doors for easier entrance and exit; and a rear-seat door opener lever on the deluxe model.

The Toronado is available in 15 exterior colors, five of which are new and exclusive to this car.

Styling of the new 88's and 98's is more distinctive for each series, and includes completely new front and rear end appearances. Rectangular headlamp housings and new grilles add to the impression of width.

The Starfire coupe has undergone even more extensive exterior changes, giving it extra flair and distinction. New "Strato" bucket seats are standard, with the full width "Strato" bench seat optional. Restyled instrument panels, interior trims, fabrics and appointments add to the beauty and comfort of all fullsize Oldsmobiles.

Basic styling of the new F-85's provides these cars with a smoother, longer, and younger look. For the first time, Oldsmobile is offering a four-door hardtop in the F-85 lineup. "The Cutlass Supreme, with its optional vinyl roof and extra - luxurious interior, may well become one of the top young-family prestige cars," Metzel said.

Changes in the high-performance 4-4-2 include a specific grille and tail lamps, recessed front fender scoop, plain hood and deck lid and specially designed rear ornamentation.

Lockney Whips Tigers By 42-12

BY SPEEDY NIEMAN
Editor

A squad of determined Lockney Longhorns struck fast and furious and, aided by Slaton miscues, rolled to a 42-12 victory over the Tigers Friday night at Lockney.

Lockney rammed the opening kickoff back down the Tigers' throats, going all the way to the Slaton 11-yard line, and the play seemed to open the door as the home team scored 14 points in each of the first three periods to build up a 42-0 lead before Slaton got on the scoreboard.

Venturing out against a Class AA foe, the Tigers found the going rough as they absorbed their third defeat in six starts. All other games had been against Class A teams.

The big and fast Longhorn backs logged 289 yards rushing against the Tigers and used three Slaton fumbles and two pass interceptions to help tally

up the points.

Slaton finally hit paydirt twice in the final period, grabbing a Lockney fumble and marching 9 yards for one score, and intercepting a pass to launch a 42-yard drive for the other. Henry Johnson plunged two yards to cap the 9-yard drive, while Billy Gass scooted a-rising left end from 6 yards out to notch the other six-pointers.

Gass was the only bright spot in Slaton's offensive attack, ripping off 110 yards in 20 trips, and it was learned Saturday that he played three quarters with a broken bone in his right hand.

Defensive standouts are scarce when the other team scores 42 points, but Doug Williams and Billy Martin were in on many tackles in the line, while Doyle Etheridge might have made the top defensive showing from his linebacker post. Gass, Larry Pickens and Larry Bownds also made a number of "saves" in the secondary.

Lockney opened the game with a bang after getting a second chance on the kickoff. The opening kickoff was returned to the Longhorn 40, but Lockney was offside and Slaton chose to kick again and try to put the home team in a hole.

The strategy backfired, however, when Dale Galloway followed a wave of blockers to the sidelines and almost went all the way. Bownds hauled him down on the Slaton 11-yard line.

The Longhorns scored in just two plays despite being pushed

back 5 yards by a penalty. Neill Mitchell got 13 in one carry, then big Eugene Mathis lugged it over from the 3. Galloway's kick made it 7-0 with just 1:28 gone in the game.

Slaton couldn't go on its first series, and Gass punted 41 yards to the Lockney 32. The Longhorns racked up two first downs and moved to the Tiger 29 before Slaton held for downs.

Just three plays later, Pickens' first passing try of the night was picked off by Lockney's Jack Mickey and returned 25 yards to the Tiger 15. Mathis promptly shook loose from a tackler at the line of scrimmage and dashed those 15 yards for Lockney's second touchdown.

On the second play following the kickoff, Gass broke off right tackle and raced into the clear, but the Longhorns' fleet Melvin Sissney caught him behind after a 23-yard pickup. The Tigers moved to the Lockney 20 before a fumble killed the drive.

Seconds later, the fleet Sissney sailed around left end and appeared headed all the way. Pickens finally pulled him down from behind after a 68-yard foot race ended at the Tiger 4-yard line. Mitchell got just one on the first try, but Mathis powered over for his third score and Lockney took a 21-0 lead with 9:59 left in the first half.

Pickens' second pass attempt of the night went astray again on the next series of downs, with Mitchell intercepting on

the 50 returning to the Slaton 38. Following a 5-yard penalty, the Longhorns covered the 43 yards in just six plays. Mathis again climaxed the drive with a 4-yard touchdown smash. It was 28-0 with 4:06 left in the second stanza.

Lockney almost lit up the scoreboard again before the half, taking a short Slaton punt on the 50 and, with the aid of a 15-yard penalty, moving to the Tiger 16 before Slaton got tough and held on downs back at the 25.

After Steve Harlan returned the second-half kickoff to the Tiger 15, Johnson almost broke for a long scoring run. The big halfback was hauled down from behind after a 26-yard scamper, and Lockney pounced on a bobbling handoff on the next play.

Starting from the Slaton 41, the Longhorns moved for fifth touchdown of the night. Etheridge recovered a fumble on the Tiger 17, but a penalty erased the play and gave Lockney a first down on the 12. Four plays later, Mitchell banged over from the 2 and Galloway added his fifth extra point for a 35-0 Lockney lead.

Gass brought the next kickoff back to his 34, but the Tigers couldn't move and had to punt. Starting from their own 20, the Longhorns moved 80 yards for the final Lockney score.

Etheridge almost stopped the drive when he grabbed a loose ball and raced 50 yards to the end zone, but the whistle had blown and off-setting penalties were called. Passes of 5 and

25 yards sparked the march, and Mitchell went 9 yards to climax the drive. Galloway's kick made it 42-0 with 12 seconds still showing in the third period.

Gass, Johnson and Pickens started moving the ball on the next series of downs. Danny Scott fumbled after smashing up the middle, however, and Lockney recovered on the Lockney 48. Three plays later, the Longhorns returned the favor, and Williams claimed the loose ball for Slaton on the Lockney 34.

Gass and Johnson combined for 7 yards, then a 15-yard penalty moved the ball to the Lockney 14. On a fourth-and-2 situation, Johnson lost a yard at right end and Lockney took over on the 6. On the second play, the Longhorns fumbled again and Martin grabbed the pigskin on the 9.

Gass got 7 yards at left end, then Johnson rammed for the final two. Pickens was nailed trying to run for two points, and Slaton trailed by 42-6 with 5:16 left on the clock.

Lockney, still trying to run up the score, tried three straight passes after the next kickoff. The third aerial was snarled by Pickens, however, and he returned it 13 yards to the Lockney 42.

With Gass leading the way and a 17-yard pass interference call aiding the drive, Slaton drove to the Lockney 6. From there, Gass dashed around left end for the tally. Johnson's running attempt for extra points failed with 3:06 left in the game.

Slaton's onside kick was covered by Lockney on its own 47, and the Longhorns drove to the Slaton 18 as the game ended.

WISH I COULD ENTER! — That seems to be the thought of the two young girls at left in this unposed photo at Saturday's Pass, Punt & Kick contest. Boys are crowded around scoreboard to see how they came out. (SLATONITE)

LETTERS TO THE EDITOR

Dear Editor:
Your help and cooperation with our publicity for National 4-H Club Week is greatly appreciated by all Lubbock county 4-H'ers.

The goal of increasing our enrollment status has been reached by the coverage that you gave us.

Again, let all Lubbock county 4-H'ers thank you for your help.

Sincerely yours,

(Mrs.) Judy Sanders, Assistant Co. Home Demonstration Agent
Kenneth D. Cook, Assistant County Agricultural Agent

Wellman Hands Southland First Conference Loss, 20-0

The Wellman Wildcats turned on the steam Friday night to hand Coach Don Dyess' Southland Eagles a 20-0 defeat in Class B 8-man conference play. The victory climaxed the homecoming activities for the Wildcats. Just the week before, Southland had put the icing on its homecoming activities with a district win over Loop. Southland is now 3-2 for the season and the Eagles are 1-1 in loop play.

The Wildcats scored first tally in the second quarter when Swift halfback Hamm raced 50 yards for six points. Quarterback Adair passed Contreras for the conversion. Hamm scored again on an eight-yard run in the third. An aerial from Contreras scored from out in the final period. Southland hosts its conference tilt scheduled for 7:30 p.m. Friday.

MOST NEW DEAL LIONS

Mustangs Display Powerful Offense

ROY MCQUEEN
Slaton Staff

Mustangs displayed a powerful offensive on Friday night, racking up 263 yards and a 26-0 victory over the Whiteface.

The Mustangs struck for paydirt on the first play of the first period, before breaking the game with 20 points after the first quarter.

Wilson, 145-pound junior, scored on a 10-yard run, while Verkamp, 160-pound senior, scored on a 10-yard run. The Mustangs did not allow the Whiteface to score.

Wilson rushed for 133 yards and three touchdowns, including a 79-yard

touchdown run in the third quarter. He was also on the receiving end of an 81-yard pass completion from quarterback Johnny Scott.

Of Wilson's 509 total yards, 299 came on the ground. Scott completed 8 of 15 passes for 210 yards. Wilson had 14 first downs and received 30 yards in penalties.

Whiteface rushed for 96 yards and attempted one aerial which fell incomplete. The Antelopes managed three first downs and had 55 yards stepped off against them.

Wilson was forced to punt twice during the tilt and both punts were blocked by Verkamp. The Lions' defense got good rolls. The kicks traveled for

129 yards for a 64-yard average.

Whiteface punted six times for 263 yards and the punter, Farrell Kitchens, managed a 43-yard average.

Coach Bobby Davis' crew scored early in the first quarter with 9:40 remaining. The play was set up on the kick-off when the kick from Wilson was fumbled by Whiteface's Kitchens on the 29.

Wilson took over and after two unsuccessful attempts, Scott hit Verkamp on the sideline for a 21-yard completion to the 10.

Verkamp moved the ball to the seven on the next play before crashing up the middle for paydirt. Wilson faked a

extra point kick and passed to Jimmy Koenig which was incomplete.

Wilson threatened to score in the second stanza when Whiteface was held on downs on the 44. After loss of yardage, Scott passed to Verkamp for 81 yards before the speedy halfback was caught on the eight by Robert Pond.

The ball was moved to the one-yard line on runs by Scott, Verkamp and Kenneth Corley before a tight Antelope defensive front held the Mustangs on downs. The Mustangs had managed to move the ball to the 4-yard line when the first half ended.

In the third quarter, Whiteface threatened when the Antelope moved the ball to the 21 yard line before being held on downs.

Verkamp was called to carry

the pigskin on the first play of the series. He sprinted up the middle for 79 yards and the touchdown with 5:30 remaining. Corley was stopped short of the PAT.

With 2:36 remaining, Scott went around end on a keeper for 50 yards and the touchdown. Scott passed to Verkamp for the extra points and Wilson led, 20-0.

Wilson struck again with 7:08 remaining in the fourth quarter when Scott plunged over from the one. A pass attempt from Scott to Verkamp for the extra points failed.

The Mustangs had moved to the seven yard line when the game ended.

Wilson plays host to the powerful New Deal Lions Friday night at 8 p.m. The Lions are considered a powerhouse on the South Plains.

NO GAIN — Freshman halfback Rick Swinney of Whiteface is stopped for no gain in an attempt to sweep the end. He is hit by end Ralph Velasquez. Coming up to assist is No. 32 Lupe Guzman and No. 82 Jimmy Koenig. (SLATONITE PHOTO)

Lions Slip By Cooper 11

Despite torrid heat, two touchdowns called back and a tough Cooper Pirate defensive 11, the New Deal Lions extended their winning streak to five games.

The Lions squeaked past Cooper, 6-6, Saturday afternoon as a climax to the Lions' homecoming celebration. Cooper is now 3-2 for the season and

ITEM: The latest gimmick from auto-land could be for you. It's a seat that automatically adjusts to the weight of whoever sits in it. If you get in the driver's seat, ladies, after friend husband has been driving, the seat will automatically adjust to a comfortable steering position — unless you weigh more than your husband but, that's another problem.

Atchinson sprinted 61 yards for the other first-half Jackrabbit tally.

Billy Bender intercepted a pass and raced 25 yards for the only Ralls touchdown in the third stanza. Stevens and Edmon Spaza went for paydirt in the finale.

take the week off Friday before opening loop play with New Home the following Friday.

The battle was played in 90-degree weather and the intermission was lengthened to give players a chance to catch their second wind.

The first quarter turned into a defensive battle. New Deal scored first in the second quarter when the Pirates fumbled on the 20-yard line.

Senior fullback Mike Heald started the long drive with eight yards in two carries. Dwayne Agnew, a junior who managed 111 yards during the tilt, sprinted around end for 57 yards to put the ball on the Pirate 15.

Sammy Dory moved the ball to the one. Senior field general Gary Winningham scored the tally with a keeper. Dory headed for the corner and the two-point conversion.

Cooper fullback Roy Peterson intercepted a Lion pass in the second stanza and zipped 37 yards for the score. An

attempt to run the extra points and knot the score fell short.

Cooper threatened again but the drive stopped as Gordon Kitten dropped a pass on the 10-yard line. The reception was short of the first down.

New Deal took over and Dory sprinted down the sideline for 91 yards. The run was called back. The ball was placed back on the five.

On the next play, Dwayne Agnew scampered 94 yards for a tally which was also called back for an infraction.

Cooper's David Kahlich, a senior halfback, was held for only 40 yards rushing, his shortest performance of the season.

Heald was the game's second leading rusher with 65 yards in 14 carries. Cooper managed five first downs while the Lions had 10. Cooper managed 49 yards rushing while the Lions came through with 229. The Pirates had 54 yards in the air while New Deal had eight.

CHEERLEADERS — These Wilson girls lead the Wilson Mustangs this season. From left to right are Vicki Lane, Linda Mueller, Marilyn Wuensche, Karen Swann and Wanda Wuensche. (SLATONITE PHOTO)

Jackrabbits Blank Roosevelt, 69-0

After an old-fashioned country licking at the hands of the Ralls Jackrabbits, the Roosevelt Eagles hope to get back on the winning trail Friday night when they host the Lorenzo Hornets.

The Eagles went down, 69-0, last weekend in a District 4-A tilt. Roosevelt is now 1-5 for the season and 0-2 in conference action.

Lorenzo and Roosevelt have played one common opponent thus far. The Hornets bowed to New Deal, 24-22, while New Deal beat Roosevelt, 30-7.

Lorenzo is a favorite in the contest with quarterback Joe Reed considered to be one of the best field generals on the South Plains.

There are three other starters from last year's team. Last year the Hornets had a 7-3 won loss record. Returning starters are guard Isidro Reyna, center Cam Lawson and halfback David Condren.

Rodney Moore, Calvin Anderson and Mike Stevens paced the Jackrabbits against the Eagles. Moore raced 46, 33, and 52 yards for three touchdowns while Stevens sprinted 62 and 50, and Anderson broke for scoring runs of 70 and 40 yards.

Moore scored all his touchdowns in the first period and Stevens came through with his 62-yard run. Anderson took over the second period scoring with two long runs and James

FOOTBALL CONTEST

CONTEST RULES

The teams that are playing in this week's contest games are listed in each of the ads on this page. Each team is numbered, 1 through 32.

Use the handy entry form at the bottom of the page and circle the numbers of the teams you predict to win. Guess the total score in the tiebreaker game in the space provided. Each week's entry must be signed by a participating merchant, then turned into The Slatonite office, or mailed by 5 p.m. Friday. Late entries will be discarded.

In case of ties, prize money will be split between place winners. Anyone may enter except employees of The Slatonite and their families.

WIN

1ST PRIZE \$5 **2ND \$3** **3RD \$2**

\$25 JACKPOT FOR PERFECT ENTRY!

At
Martindale's

At a vacation camp for
children a little girl fished
for a while, then threw down
her pole and cried,
"I quit." Asked for an
explanation, she said, "I
just can't seem to get wait-
ed on."

An elderly acquaintance
says he wouldn't mind
growing old, except that he
notices he is turning into
exactly the kind of an old
man he never could stand.

Said the kindly old gen-
tleman to a small boy carry-
ing a load of newspapers
under his arm: "Don't all
those papers make you
tired, my lad?"
"Now," replied the boy,
"I don't read 'em."

A man filling out an ap-
plication in a factory was
greatly perplexed at one
question: "Person to not-
ify in case of accident?"
His decision: "Anybody
in sight."

Card Of Thanks
To those who expressed their
sympathy in so many beautiful
and practical ways during our
recent bereavement, we extend
our heartfelt thanks,
The Family of S. M. Neill

We wish to express our love
and appreciation for every kind-
ness during the long illness
of our husband and daddy, for
the many prayers by the minis-
ters who visited us so often,
and the sisters and nurses at
Mercy Hospital. Also to Drs.
McSweeney and Payne and Bud
England for their kindnesses,
and the wonderful food, beau-
tiful flowers, and such sweet
cards of sympathy. May each of
you receive a blessing for your
goodness. May God bless you,
Mrs. Ed Milliken and family

Crawford In Army Field Exercise

Army Pvt. Donald W. Crawford, son of Mr. and Mrs. P.W. Crawford, Southland, participated in a field training exercise ending Sept. 23 at Rio Hato, Canal Zone.

Crawford and other members of the 10th Infantry, regularly stationed at Fort William D. Davis in the Canal Zone,

underwent training in all types of tactical range firing during the day and night exercises. The 10th Infantry provides defense for the Panama Canal and its vital installations.

Crawford, who is in Company A of the Infantry's 4th Battalion, entered the Army in May of this year and completed basic training at Fort Jackson, S. C.

The 22-year-old soldier graduated from Southland High School in 1961.

SOUTHLAND NEWS

MRS. EDMUND WILKE

Southlanders Visit

The best way that I know to start this column is with a great big THANK YOU to the Slatonite and its staff for the wonderful coverage of our homecoming here at Southland. The Slatonite was full of Southland news the week before and the week after our Homecoming and I know that you would like to join me in saying THANKS to Mr. & Mrs. Nieman and the whole Slatonite Staff.

Sometimes we kinda feel small and unimportant down here in our little community and then along comes something nice to perk up our moral and we feel just as big as the next community. The next time that you are in Slaton, go into the Slatonite office and thank these nice people in person!

I've done it again! Last week I made another mistake in the news. Some Mondays I'm all thumbs and last week I put an "s" on Mr. making Mrs. and that was wrong. I said that Mrs. Harley Martin was elected president of the southland ex-students and it should have read Harley Martin was elected president of the Southland ex-students. Sorry!

LEAVES FOR ARMY

Webster Crawford left last Thursday morning, Oct. 7, for the Army. He is stationed at Ft. Polk, La. The Crawfords now have two sons serving Uncle Sam. Donald Wayne

is stationed in the Panama Canal Zone.

Chris Gindorf Jr., Victor Kuykendoll and Wendell Saunders went to Lake Buchanan last week fishing and reported that they had a good time and caught a few fish. They stayed at Paradise Point and said it was a good place to stay.

Mr. & Mrs. Paul Winterrowd and children went to Slaton Sunday to visit with his parents, Mr. & Mrs. Bill Winterrowd, who live in Amarillo and were visiting in the home of a daughter, Mrs. & Mrs. B.C. Johnston. Also visiting were Mr. & Mrs. Clay Johnston.

On Thursday Mrs. J.F. Rackler and Mrs. Claud Roper visited in Lubbock with Mrs. Don Clary who is in the hospital after undergoing surgery. They also visited with the mother of Mrs. J.B. Vickery, Grandma Cox, who is a resident at the Colonial Homes. Mrs. Rackler spent the night on Thursday with Mrs. Roper at Wilson. On Friday Mrs. Rackler and Mrs. Roper visited with Mrs. Ona Raymond at Wilson, and with Mrs. E.N. Milliken and Mrs. Grover Brewster of the Gordon community.

Mr. & Mrs. J.B. Rackler and Beverly went to Lubbock Saturday afternoon where they attended a birthday party honoring Mr. G.C. Rackler who is 80 years young.

Sunday dinner guests in the home of Mrs. J.F. Rackler were Mr. & Mrs. Claud Roper and

Nelda, Mr. & Mrs. Tommy Stell and Mike from Lubbock, and Mr. & Mrs. J.B. Rackler and family. In the afternoon, Mr. & Mrs. Donald Wayne Rackler and daughter from Lubbock, visited in the Rackler home.

ATTEND FAMILY REUNION
Mr. & Mrs. Walter Stolle and Cecil, Roy Stolle, Mr. & Mrs. Leo Stolle, Mr. & Mrs. Authur Stolle and Mr. & Mrs. Jerry Melcher and Karen went to Columbus, Tex., this past weekend to attend a family reunion.

Mrs. Willie Becker and yours truly attended a tea Sunday in the home of Mrs. George Klattenhoff. Mrs. Klattenhoff was introducing Miss Linda Hill, bride-elect of Joe Klattenhoff. Joe is the son of Mrs. Klattenhoff and he and Linda have planned a December wedding.

WIN PPK CONTEST

We have two winners in the community. Darrell Hill won first place in the 13-year-old division of the Punt, Pass, and Kick competition and Ray Basinger won first place in the 9-year old group. Good going boys!

The Sunday School attendance at the Baptist church was very good Sunday. They had 54 there and I must say that is very good!

Brother and Mrs. Hill enjoyed a visit from their daughter and family last week. They were Mr. & Mrs. Robert Thibault and daughter, Starla from Pasadena, Calif. They were on their way to New York and they stopped by Southland to visit their parents.

Mr. & Mrs. C.J. Miller attended the annual K.C. barbecue at Slaton on Sunday. This is an annual affair for the wives and families of the K.C. members and I understand that they had a very good turnout.

ATTEND GOLDEN WEDDING
Mrs. C.J. Miller will take her parents, Mr. & Mrs. Fred Kahlich, to Orange Grove, Tex., next week to attend the Golden Wedding of Mrs. Kahlich's sister. While they are gone they will also visit in Cuero and Austin.

Mr. & Mrs. Jack Hargrove were in Canyon over the weekend visiting with Mr. & Mrs. Tom Buchanan. They attended the football games while there.

Mrs. & Mrs. F.W. Callaway went to Cisco last week-end to visit their son, Rod, and while they were there they attended the homecoming of the Cisco Junior College.

I know that there is a lot of interesting news going unmentioned, so why don't you share your news with your neighbors and call it to me at 996-2423. Thanks!

STRICTLY PERSONAL

Weekend guests in the home of Mr. and Mrs. Q. G. Nieman were Mrs. Nieman's sister and family, Mr. and Mrs. Jerry Waggoner, Jeri Ann, and Suelen of Hamlin. The two couples attended the Texas Tech-TCU ballgame Saturday night.

FISHING IS GOOD — Mrs. Alvin Becker, Slaton, is shown with a string of 13 crappie caught at Buchanan Lake last week. Mr. and Mrs. Becker caught 62 crappie in one day at the Paradise resort dock, the fish weighing from 1/2 to 1 1/2 pounds each. They reported good catches of bass, catfish and crappie at the lake.

POSEY ITEMS

MRS. ANNA B. GENTRY

Insects Bad A Community

About the most interesting news around here is the arrival of little Miss Kay Harper, born Sunday afternoon at Methodist Hospital. She is the daughter of Mr. and Mrs. Meredith Harper. Kay weighed 6 lbs, 15 1/2 ozs. She is the first granddaughter of Mrs. Lillie Harper and Mr. and Mrs. Turner of Lubbock. This makes Mr. and Mrs. Mert Gentry great-grandparents.

INSECTS BAD
We just don't know what to expect of the weather. One day it is warm and next day it's cool. I never did like winter-time but if it will rid us of those pesky insects, such as yellowjackets, mosquitoes, flies, and gnats, I'm ready for it. I can't remember when we have had so many pesky insects. The weather has been good for cotton. We need lots of dry weather now because the cotton is opening fast.

HOUSING PROJECT
About two miles north of my farm in the canyon, a new housing project is underway. I haven't found out the particulars but heard this would eventually be a little town.

LOCALS
Visitors in the M. P. Gentry home last week Mr. and Mrs. Gilbert Self of Slaton and the N. R. Boyces of Lubbock. They read the Slatonite while there and decided to subscribe. They said it was a better paper than it used to be.

Our cousin, Mrs. Eunice Gentry, took her first plane flight Sunday to Dallas. She is visiting her daughter, Mrs. Clay Oats and family and a son,

Dorsey, and wife of Mrs. Paul Kitchen. The Kitchens are moving from Slaton this week. When children have with colds but are better.

Mrs. Townsend
From California

Mrs. W. L. Townsend returned from a three visit with her daughter and Mrs. L. G. White of Bakersfield, Calif. there, she attended the funeral of her grandson, Gene. Mrs. Townsend also with her youngest daughter and Mrs. L. E. Pitts, Fresno, before returning. Her two daughters are residents of Slaton.

Ellis F. Schmid, 1965 Commander of the Legion, and Mrs. Schmid, district president, from Austin where they attended the Department American Legion Conference. They also Mrs. G. M. Kay, Mrs. Schmid.

GOOD LUMBER

Pho. VA8-4523

There was a time when I could feel safe until Nov. But the member-owned South Plains Electric Cooperative has changed all that. With food in so many homes, poultry processing plants, electric brooders and all that modern electric wizardry, they are processing turkeys all year long. I'm lucky I've lasted this long. In case I end up in giblet gravy, just remember this... the South Plains Electric Cooperative may be fine for rural people, but it may be helping Texas grow and it may be the example of rural people working together to brighten their lives. But it has played havoc with my life expectancy.
