Truman Tells Why He Fired Mac For Peace

WASHINGTON, April 12—President Truman has pinned high hopes for peace—and vindication for firing Gen. Douglas MacArthur—on the crushing of a threatened Communist spring offensive in Korea.

Mr. Truman told the nation in a radio and television talk Wednesday night that he relieved MacArthur of his Pacific commands because the five-star general disagrees with his policy aimed at preventing the Korean fighting from spreading into a world war. Less than 22 hours had elapsed since the announcement of the picturesque general's dismissal stirred this nation and the rest of the free world.

"We do not want to see the conflict in Korea extended," the President said solemnly and firmly.

"We are trying to prevent a world war—not to start one."

Mr. Truman said that the bombing of Red bases in Manchuria and the use of Chinese Nationalist troops from Formosa—both advocated by MacArthur—would involve "a grave risk of starting a general war."

"TURNING POINT"

Then he made it clear he believes that if a threatened new mass offensive by the Communists in Korea is crushed, the Reds may decide that further aggression there or elsewhere is "folly." Then, he said, the door would be open to a peaceful settlement "which will not compromise the principle and purposes of the United Nations."

"Defeat of aggression in Korea may be the turning point in the world's search for a practical way of achieving peace and security," the President predicted.

Any such outcome, of course, would be pointed to by the President's friends as justifying his drastic action in removing MacArthur, a move that split Congress and the country into two camps.

In Tokyo an adviser said MacArthur is preparing to return speedily to the United States and to make a stout defense of his views. Lt. Gen. Matthew B. Ridgway arrived in Tokyo from Korea today and flew back quickly.

AIDE BACKS MAC

His adviser, Maj. Gen. Courtney Whitney, said MacArthur feels that his March 24 statement offering to meet the Communist commander in the field for peace talks and a letter to Rep. Joseph Martin, House Republican leader, "complied meticulously with all directives he has received."

Whitney said MacArthur interpreted both as "dealing exclusively with the military situation and within the area of his uncontested authority to speak."

Mr. Truman's outline of his policy of containment brought sharp counter attacks from Republicans in Congress. Democrats, who had been somewhat reluctant to join in the controversy earlier, rallied to

No New Peace Offer in Wait On China Reds

UNITED NATIONS, N. Y., April 12. (AP) — New Korean peace overtures by thea U. N. three-man Good Offices Committee were delayed today to give Communist China time to react to the ouster of General Douglas MacArthur as commander of U. S. Forces.

The committee gathered late Wednesday in a hastily-called two-hour session, only 15 hours after President Truman fired MacArthur.

At the end, U.N. Assembly President Nasrollah Entezam, committee chairman, said only that the committee had discussed the new situation.

"We will have to wait to give the Chinese (Communists) time to consider the change," Entezam said. "We have not received an answer from them in more than two months that we have served but we always hope there will be one."

Entezam said the committee did not discuss a new peace proposal at this time.

Sven Grafstrom, Swedish representative on the committee, said Sweden's minister is always ready in Peiping to transmit an answer to the U. N. on the committee's original appeal for cease-fire talks, set up under an assembly resolution which branded the Peiping regime as aggressors in Korea. With MacArthur out of the picture, some delegates hoped that the Chinese might be willing to deal with the U.N.

Appeals Court Defers Action Over Sawyer

WASHINGTON, April 12. (AP) — The U. S. Court of Appeals today postponed proceedings in its contempt of court charges against Secretary of Commerce Sawyer and other government officials.

It granted the delay on representations from government attorneys that Chief Justice Vinson (Supreme Court) needed more time to study applications made to him in the legal battle between the government and private individuals over control of a big steamship line. The contempt charges stemmed from that litigation.

Judge Bernett Champ Clark of the Appeals Court did not immediately set a new date for Sawyer and the others to answer the charges.

Sawyer and eight other persons accused by the court of "contemptuous and contumacious" conduct were in court. Only Maj. Gen. Philip B. Fleming, undersecretary of commerce, was missing. He is ill.

The controversy goes back to 1938 when the Maritime Commission acquired 92 per cent of the voting stock of the world - wide Dollar Steamship interests. Subsequently the American President Lines was organized as a Delaware corporation to take over operation. The government, with stock control, ran its affairs.

In 1945, R. Stanley Dollar and his associates sued to get the stock back. They claimed they put it up as a pledge for debts since paid out of profits. The government denied this, contending the stock was turned over outright in exchange for financial help.

Fisher Wildcat Completed For 211.44 Barrels

Stanolind Oil & Gas Co. No. 1 Glass, Ellenburger discovery in Southwest Fisher County, has been completed for a daily potential of 211.44 barrels of [illegible] and 24.6 barrels of basic sediment and water.

The flow is coming from open hole a 7,328-7,347 feet. Pay was topped at 7,328 feet.

No. 1 Glass was completed naturally through a 10-64th inch tubing choke the first [illegible] hours and a 12-64th in ch choke the first 17 1-2 hours.

Fliwing tubing pressure was 335 pounds and flowing casing pressure was 225 pounds. Gas - oil ratio was 370-1.

The new field opener is 1,980 feet from north and east lines of section 246, block 3 H&TC survey. That makes it about 10 miles south of Hermleigh in Southeast Scurry County.

MITCHELL TEST

Stanolind Oil & Gas Co. No. 1 Langley, possible Clear Fork discovery in Central - West Mitchell County, is at total depth of 4,451

See OIL NEWS, Page 2

Succeeds Ridgway

Lt. Gen. James van Fleet, above, has been appointed by President Truman to succeed Lt. Gen. Matthew B. Ridgway as commander of the U. S. 8th Army in Korea. Gen. Ridgway has been named to succeed General MacArthur, Who President Truman relieved of all commands in the Far East.

Scientists Go On Trial Over A-Spy Charges

WASHINGTON, April 12. (AP) — The first of several scientists indicted for refusing to answer questions during an investigation into atomic spying went on trial today.

The scientist, Dr. Clarence Hiskey, suspended professor at Polytechnic Institute, Brooklyn, is charged with contempt of Congress.

Hiskey's name figured in an investigation of atomic spying by the House Un-American Activities Committee.

One of the counts in the indictment is based on Hiskey's refusal to tell the committee last May 24 whether he knew Paul Crouch.

Crouch, who testified the same day, said Hiskey was a one-time member of the Communist party in Knoxville, Tenn. Crouch also said Hiskey collaborated with Marcel Scherer, described by Crouch as the national head of Communist work among scientists in 1941.

View Site For New Hospital

The commissioners Tuesday inspected a possible site for the combination county hospital and health unit and talked with the owner about offering the site free to the county.

The commissioners, however, held no official meeting for transacting any business on the matter. The site was offered several weeks ago but not immediately accepted because of indefinite conditions imposed by the owner.

It is believed that the county may accept either this 15-acre site or one of two others offered by Joe York and M. L. Andress.

Officials of the state health board a few days ago requested the county to obtain a site tentatively so that state officials could inspect it regarding federal aid promised for the construction of the hospital and health unit buildings through the state board.

The commissioners were to meet again this afternoon to discuss the state highway department's offer on road maintenance, at which time action may also be taken on the hospital site.

House Tackles State Tax Bill

AUSTIN, April 12. (AP) — The House went to work today on an administration - favored omnibus tax bill that would add some $16 million a year in higher taxes.

It agreed to take up another big order of business — congressional redistricting — next Tuesday.

It also passed another Anti-Communist measure. By Rep. Bill Daniel of Liberty, it would require lawyers to take yearly oath that they are not a Communist or knowingly members of a Communist Front organization. The bill goes to the Senate.

The Senate passed 67 local and uncontested bills in a short time.

Rep. H. A. (Salty) Hull of Fort Worth voluntarily withdrew his amendment to the omnibus bill levying additional tax on natural gas.

Hull said that a natural gas tax already had passed the House this week. It was designed to pay for construction of rural roads.

The block of rural road backers temporarily side - tracked the omnibus bill this morning by demanding to take up other bills on the calendar. These were disposed of and the omnibus measure came up again.

This same block stalled the measure Monday.

'I Wish President Would Relieve Me'

PARIS, Tex., April 12. (AP)—The Paris News, seeking public reaction to President Truman's dismissal of General MacArthur, got this reaction from a 49th Division National Guard sergeant.

"I wish the President would relieve me."

Maximum of Only 59

The temperature finally warmed up to 59 degrees in Snyder yesterday afternoon, despite a chilly north wind. The minimum recorded before dawn today was 35 degrees. Mrs. D. P. Strayhorn, weather observer, said. The temperature at 7:30 was 40 degrees.

Snyder Banks Have $1 Million More in Loans Than on Dec. 30

While bank deposits here remained about steady with the total at the first of the year, loans in the two institutions climbed more than a million dollars in the three-month period.

Publication of condition reports as of Monday of this week shows total deposits here to be $21,945,-181.80.

This is an increase of only $26,-199.83 over the total last Dec. 30.

Loans of the two banks now total $4,414,412.82. The West Texas State bank has $2,276,764.43 out on loan and the Snyder National Bank has loans and discounts of $2,138,-404.70.

Deposits in the Snyder National Bank are $12,296,242.43, and for the West Texas State Bank $8,-152,470.31.

The Dec. 30 statements showed deposits totaling $16,455,816 at the Snyder National Bank and $5,600,-000 at the West Texas State Bank. Loans in the December report were $1,546,777 at the Snyder National Bank and $1,800,000 at the West Texas State Bank.

In the report of Oct. 6 loans in the Snyder National were $1,785,-000 and deposits $12,260,000. At the West Texas loans were $1,687,000 and deposits $4,633,784.

Condition reports published last July showed the Snyder National to have deposits of $17,438,543 and loans of $1,501,140.03, and the West Texas Bank to have deposits of $4,388,360.88 and loans of $1,187,-425.01.

MacArthur Set To Fly Back With 'Own Story'

Angry Group Of Republicans Fight for Mac

WASHINGTON, April 12. (AP)—Furiously angry Republicans vowed today they somehow will provide ousted Gen. Douglas MacArthur with a Congressional forum to outline his Far Eastern policy views to the world.

On the Democrats' side, Senator Kerr of Oklahoma declared MacArthur-fired by President Truman—won't do it the way the Republicans propose if he, Kerr, can prevent it. How much open party help the Oklahoman will get on that score remained in doubt.

Senator Wherry of Nebraska, the Senate GOP leader, told reporters he will continue to press for action on a resolution he offered Wednesday. It would invite MacArthur to return to Washington at once to tell his side of the story at a joint meeting of Congress.

ACTION BLOCKED

Senator McFarland of Arizona, the Democratic leader, blocked consideration of the Wherry measure. And Wherry acknowledged that the parliamentary situation practically rules out any action today.

An identical resolution was introduced in the House by Rep. Martin Mass, the minority floor leader. It probably will be considered by the House Rules Committee Friday.

Martin talked to MacArthur in Tokyo by telephone and said the general is willing and eager to accept a Congressional invitation.

Informed sources in Tokyo said MacArthur definitely will come to the United States as soon as possible.

Mr. Truman's firing of MacArthur touched off some of the bitterest debate in Congress in many a year.

Senator Jenner R-Ind., demanded impeachment of the President, and there was a round of applause from the packed galleries.

Senate and House Republican leaders announced they had discussed "impeachments" at a closed meeting. Some said later they had in mind both Mr. Truman and Secretary of State Acheson.

However, Senator Ferguson R-Mich., said Republicans actually are giving no serious consideration to impeachment.

Senate Brands Truman Phone 'Outrageous!'

WASHINGTON, April 12. (AP) —A recorded telephone call in which President Truman said he had "good information" that several Congress members collected improper fees drew angry demands today for a Senate investigation.

And a second recorded call in which Mr. Truman reportedly said he had no evidence to back the accusation only increased the lawmaker's wrath.

A powerful Senate group bent on beating down his proposal to reorganize the Reconstruction Finance Corporation (RFC) planned to use the story as ammunition. The proposal comes before the Senate today for debate, with a showdown vote likely early next week.

Senator Tobey (R-NH) told the Senate Wednesday he made — and has kept — recordings of the phone calls and that in one of them Mr. Truman charged that "a good many" Senate and House members got fees for helping to arrange RFC loans.

The White House denounced recording of the calls as "outrageous" and said "every word" of the conversations could be made public.

Jury Can't Agree On Any of 230 Special Issues in Law Suit

The jury in the case of Arthur Townsend vs. Midwest Electric Cooperative was dismissed yesterday afternoon at 4 o'clock when it was unable to agree on any one of the 230 special issues it was charged to consider.

The case will now automatically be called at the next session of court unless plaintiff moves for dismissal.

The jury panel for the district court was also dismissed this morning after the case of A. C. Speer vs. Fred B. Wilkerson and others was continued until the June term of district court. The motion was made for the plaintiff by Robert R. Patterson, attorney, before Judge Ben F. Thorpe.

The suit is a trespass to try title involving lots in North Snyder. Attorneys for the plaintiff are Patterson of Snyder and Blakely & Blakely of Dallas. Attorney for the defendant is J. Ray Martin of Snyder.

One General's Grim . . . While the Other Smiles

General Douglas MacArthur, left, appears grim while General Matthew B. Ridgway smiles during MacArthur's visit to the Korean front in January. Ridgway took over supreme commands in the Far East when President Truman relieved MacArthur.

Venue Change In Bruce Greer Suit Granted

A change of venue from Scurry to Nolan County was ordered in the $4,500 breech of contract suit of Bruce L. Greer against Dr. W. R. Newton, owner of the Snyder Hospital. The change was granted yesterday in 132nd district court by Judge Ben F. Thorpe.

Newton, through his attorneys, Emory B. Camp of Cameron, Tex., and H. J. Brice of Snyder, had filed a plea of privilege, asking the court to have the case tried at Cameron instead of Snyder. The plea was contested by Greer, through his attorney, George Killiam, Jr., of Snyder.

Immediately following the court's ruling, notice of taking the case to the Court of Civil Appeals at Eastland, Tex., was filed by Killam for Greer.

The case will be tried in the 20th judicial district court at Cameron unless appeals court reverses the court order here.

In this suit, Greer, former administrator of the Snyder Hospital Clinic, seeks $4,500.

Greer was employed by Newton at a salary of $1,000 a month of June 1, 1950, for a period of one year. Greer resigned Jan. 16, 1951, and is seeking payment for four and one-half months at $1,000 a month, according to his petition filed in the suit.

Early Plans Made For Dam Site Ceremonies To Be Held April 29

Chamber of Commerce committees from Snyder, Big Spring and Odessa met yesterday at the Colorado River Municipal Water District dam site in preparations for ground-breaking ceremonies which will be held the afternoon of April [illegible].

From the dam site the groups came to Snyder where they had lunch and discussed the arrangements for the ceremonies. General outlines for plans were made and details to be worked out were delegated to the committees.

From Big Spring were W. L. Thompson, H. G. Morrison, Bob Whipkey and E. V. Spence. Odessa had Jim Scott and Ray Brearley as representatives. Snyder representatives were Harold Bennett, Jake Springer, Weldon Kincaid and Houston Harte.

Lights Out! So's Gunner

BARTLESVILLE, Okla., April 12— Cordus T. Glenn was fined $25 after dousing the lights in Roy's Bar.

It wasn't what Glenn did so much as the way he did it, Judge T. H. Reeves ruled.

Glenn shot them out with a rifle.

Hard-Fought LaPrensa Near 'End of Item'

BUENOS AIRES, April 12. (AP)—La Prensa, unrelenting critic of President Juan D. Peron, neared the end today of its 82-year existence as an independent newspaper.

The Senate made up entirely of supporters of Peron, appeared certain to follow the Chamber of Deputies today in voting expropriation of the newspaper, already closed down since January by government-supported moves.

The Chamber approved expropriation Wednesday night, 103 to 16.

NEW PERON ATACK

Senate passage of the bill would send it to Peron for his signature and a decision whether to reopen the newspaper as a government organ or to liquidate it.

Peron Wednesday night renewed his attacks on La Prensa in a speech before a convention of the General Confederation of Workers (CGT).

He said world capitalistic control already had been ousted from Argentina but "La Prensa was a beachhead left here by Capitalism."

Alberto Gainza Paz, 52-year-old editor and publisher of La Prensa received the news of the Chamber's action at Montevideo, where he had gone to thank newspaper editors for their spport of his cause.

EDITOR EXILE

Gainza Paz fled Argentina last month to avoid arrest and a 15-day jail sentence for contempt of Congress. The sentence was imposed after he questioned the constitutionality of sizure of the newspaper by a Joint Congressional Committee March 21.

Truman Ready To Name New Wage Board

(By The Associated Press)

President Truman probably will have to name a new Wage Stabilization Board with only public membership. He is expected to act within the next 48 hours.

Those opinions were expressed today by both industry and labor leaders called to another White House meeting of the President's Mobilization Advisory Board.

The government is under great pressure to set up a board to handle scores of disputes piling up behind the wage freeze.

Economic Stabilizer Eric Johnston has said if labor and management cannot agree on what kind of board should supplant the one labor boycotted nearly two months ago, the President has hardly any alternative but to set up a board with only public representation.

Leaders of the United Labor Policy Committee have stood fast for weeks in favor of a board which would handle nearly all disputes as they arose.

They say that since wages are frozen and there is a stigma attached to striking during the mobilization emergency, a wage board should handle all sorts of labor-management disputes.

Management spokesmen—representing the National Association of Manufacturers, U. S. Chamber of Commerce, Business Advisory Council of the Commerce Department and the Committee for Economic Development—were equally insistent on having a board which would handle only wage problems.

Other disputes, the management leaders say, should and could be handled under the peacetime Taft-Hartley Act governing labor-management relations.

Mr. Truman and his top mobilization lieutenants content that agreement is necessary before a tripartite board can operate successfully under the Defense Production Act.

Work Begins on Fire Department Sub-Station

Construction of the fire sub-station to be built in the East Snyder was started today, members of Norcross Construction Co. said.

All steel required in the building is on the site ready to be used, L. T. Norcross said.

"It will probably take about six weeks to complete the building," he said.

Cost will be $11,700.

Violated NO Truman Edict, Adviser Says

Five-Star General Set To Speed Home with Own Tale of 'Firing'

WASHINGTON, April 12—House Republican Leader Martin of Massachusetts said today "there is a possibility" General Douglas MacArthur may fly back to the United States next week to address Congress.

TOKYO, April 12—General MacArthur made plans today for a return soon to the United States—ready, if invited, to air before Congress the views that got him fired by President Truman.

The five-star general kept his public silence but his right hand man gave the first inkling of how staunch MacArthur's defense would be.

Maj. Gen. Courtney B. Whitney, MacArthur's closest adviser, issued a statement saying his deposed boss felt he had violated no Truman directives.

AIDE WOULD RETIRE

Whitney earlier announced he has asked the Army for retirement from his post as contact man with the Japanese government in handling the Occupation, so he could leave with MacArthur.

Lt. Gen. Matthew B. Ridgway, MacArthur's successor, flew in from the Korean battlefronts, conferred with MacArthur, and went back.

Ridgway turned over his U. S. Eighth Army command temporarily to Lt. Gen. Frank W. Milburn. Milburn will serve until the arrival in Korea of Lt. Gen. James A. Van Fleet.

President Truman announced the new command changes for Generals Ridgway and Van Fleet simultaneously with the removal of MacArthur.

AUTHORITY CITED

Whitney's statement defending MacArthur followed by only a few hours President Truman's broadcast address from Washington.

Whitney did not deal with MacArthur's policy views but emphasized the general's views that nothing he had said had overstepped his limitations.

Whitney said:

"The general has interpreted both his statement of March 24 and his letter to Congressman Martin dispatched from here four days prior thereto, as dealing exclusively with the military situation and within the area of his uncontested authority to speak. The one bore no slight relationship to the other."

Bank Deposits Set New Mark

By The Associated Press

Deposits in Texas banks at the close of business Monday showed substantial gains over last year, with some cities reporting new financial records.

Midland bank deposits reported in the bank call Monday were at an all-time high with a total of $49,349,170.

Deposits in the two banks at Orange jumped $2,760,440 between Jan. 1 and April 9 to set a new peacetime record. The new total is $23,302,887. The all time record was set in 1945 when $28,535,527 was reported.

Houston's 25 banks reported total deposits of $1,223,402,789, an increase of $78,818,697 over April last year.

Mag Truman 'Hopes' They Like Her Music

DALLAS, April 12. (AP) — Margaret Truman says people may come to her concerts out of curiosity, but she hopes they stay because they like the music.

The President's daughter is here for a Community Course Concert tonight.

At a press conference Wednesday she talked freely of music and allied subjects but had no comment on her father's firing General MacArthur.

More 40th at Yokohama

TOKYO, April 12. (AP)—Additional elements of the U. S. 40th Infantry Division arrived at Yokohama today aboard transports.

Weather

WEST TEXAS — Fair and a little warmer this afternoon and tonight.

EAST TEXAS — Fair and continued cold this afternoon and tonight. Friday partly cloudy, warmer in afternoon.

Yanks Win Big Air Fight; Down 5 Red Jets, Blast 15

U. S. 5TH AIR FORCE HEADQUARTERS, Korea, April 12. (AP)—American warplanes shot down five Communist jets, probably destroyed two more and damaged 15 today in two swirling Northwest Korea attacks.

All American planes were reported safe.

In the biggest jet battle in history, 80 Russian-type MIG-15 jets swarmed across the Yalu River from Manchuria and attacked about 40 American Superforts. The big B-29s were bombing Yalu River bridges.

Seventy-two American jets flying cover for the Superforts zoomed into the battle.

REDS BEATEN OFF

The swift jets streaked through the skies, snarling and spitting bullets. Score: five MIGs shot down, two probably destroyed, 15 damaged.

In Tokyo, the Far East Air Forces said some MIGs broke through and ran into heavy fire from B-29s. Superfort gunners shot down one Red jet and damaged another, headquarters said. It added Two Superforts were damaged but landed at Korean airfields.

The second air battle flared late Thursday in the center of "MIG Alley" between Sinuiju and Sinanju when 15 Communist jets attacked 12 American Sabre jets.

Although the first dogfight was the biggest in history in numbers of planes, F-86 Sabres last Dec. 22 shot down six MIGs and destroyed another.

Capt. Lloyd C. Edwards, Jr., Waco, Tex., and Lt. Edion R. Mathis, Rule, Tex., both F-84 pilots, each reported one MIG probably destroyed and one damaged. Both pilots agreed it was the largest, wildest battle they ever had seen.

Oil News

(Continued from Page 1)

feet in lime and shale and running a drillstem test.

A test at 4,397-4,451 feet failed Another test was then run at 4,392-4,451 feet with a 5-8-inch choke. Tester was open [illegible] strong blow of sulphur gas surfaced in two hours. Recovery was 460 feet of oil and 290 feet of heavily oil and gas cut mud. No water was present on the test.

No top of the Clear Fork has been released. The wildcat is scheduled to drill to 8,500 feet.

Location of the No. 1 Langley is at the center of the southwest quarter of the [illegible] of section 25, block 29, T-1-N, T&P survey.

TEST IN BORDEN

Stanolind No. 1 Miller, wildcat in North - Central Borden County, is now waiting on [illegible] drillstem test at 8,658-89 feet failed when the choke plugged.

Tester was open two hours and five minutes, with a weak blow which died in 21 minutes. Recovery was the 540 foot water blanket and 60 feet of oil and gas cut mud. The choke [illegible] plug and was completely closed afer 31 minutes.

Drillsite of the No. 1 Miller is northeast of Gail in section 3, block 30, T-5-N, T&P.

KENT WELL

Sun Oil Co. No. 1-C Bilby Wallace, three - quarter miles southeast stepout to production from the lower Pennsylvanian in Central Kent County, is drilling below 1,915 feet in [illegible] site is about one and one-half mile south of Clairemont in [illegible] block 98, H&TC survey. Contract depth is 7,500 feet.

NEW OILER

Shell Oil Co. No. 1 [illegible] cat in Southwest Borden County, developed Pennsylvanian lime reef to indicate a [illegible] tender of the reef field in the area minus 4,368 feet.

A one-hour and 12-minute drillstem test was taken in the interval from 6,605-6,640 feet. Gas was at the surface in two minutes and mud in 10 minues. Oil started flowing in 12 minutes. The flow was to tanks for one four during which time it made 1,22.5 barrels of oil.

The flow by 15-minute periods was 27 barrels, 29 barrels, 33.5 barrels, 33 barrels.

No water was made. One - inch top and bottom chokes were used.

All fluid left in the drillpipe was reversed out and the tester is now being pulled.

Location is 660 feet from south and west lines of section 70, block 25, H&TC survey. That puts it two miles south of the Von Roeder field and two and one-half miles northwest of the Reinecke field.

NOLAN LOCATION

T. C. Billups and Taubert Drilling Co. have staked location for their No. 1 W. L. Ray, wildcat in Southeast Nolan County five and one-half miles north and slightly east of the Hylton-Moore lower Fry sand pool.

Drillsite is 990 feet from north and 330 feet from east lines of the northwest quarter of section 242, block 64, H&TC survey.

Projeced depth is 4,400 feet. Operations will [illegible]

SCURRY COUNTY

Three applications have been filed for drilling in Scurry County fields.

Sun Oil Co. No. [illegible] ledge is to be nine miles west of Snyder in the [illegible] lime field. Drillsite is 1,998 feet from south and 2,002.8 feet from east lines of section 194, block 97, H&TC survey.

In the Diamond M-Clear Fork, Sells will drill the No. 2 C. C. Marr, 990 feet from north and 330 feet from west lines of the southwest quarter of section 178, block 97, H&TC survey. Rotary operations to 3,500 feet are to start April 14.

Stanolind Oil & Gas Co. will drill the No. 1-A E. S. Carden in the Cogdell field 10 miles north of Snyder. Location is 467 feet from north and east lines of section 503, block 97, H&TC survey.

AMERADA WELL

Operator is coring in lime at 10,754 feet at Amerada Petroleum Corp. No. 1 Adcock, wildcat four miles northeast of Lamesa.

A drillstem test on the interval from 10,646-10,733 failed when the pop-out plug gave way. Tool was open one and one-quarter hours. Recovery was the 1,727 - foot water blanket plus 30 feet of mud.

The prospector is in section 166, block 34, D&SF survey.

WELL BELOW 5,015

R. Olsen Drilling Co. No. 1 Templeton is reported drilling in lime below 5,015 feet. This wildcat, slated to drill to 7,400 feet, is 10 miles east of Snyder in section 52, block 3, H&TC survey.

V. A. Brill No. 1 Harrie Winston and others is drilling [illegible] 6,373 feet. It is five miles south of the Kelley - Snyder [illegible] tion 7, block 1, J. P. Smith survey.

MITCHELL WILDCAT

Hurlbut No. 1-A Elwood estate, Central -South Mitchell County wildcat, is drilling in lime below 4,200 feet. It is 20 miles south of Colorado City in section 2, block 16, SPRR survey.

Counts In Court Here

J. N. Carson, a barber about 55 years old, was assessed fines totaling $137.50, including court costs, this morning when he pleaded guilty to misdemeanor charges in two courts.

Carson was fined $100 plus court cost of $23.50 in county court when he pleaded guilty before Robert R. Patterson, special judge, to a charge of unlawfully carrying firearms.

A fine of $13 and court cost of $1 were assessed him in justice court after he entered a plea of guilty to a charge of drunkenness.

Carson was arrested yesterday with a .38 caliber revolver in his possession. He told the judge he was a barber at a shop in the 1800 block on Twenty-fourth Street.

Procedure For New Notaries, Reappointment

All persons expecting for the first time to be appointed as public notaries must qualify before the county clerk, Pat Johnston, on June 1, the clerk announced today.

Johnston said he had just been notified by John Ben Shepperd, secretary of state, on procedures to be followed in both the appointment of new notaries and the reappointment of presently qualified notaries whose terms will expire June 1.

Applications to become notaries will not be considered nor any new appointments made before June 1 [illegible]

REAPPOINTMENTS

The reappointment of all presently qualified notaries will be made by Shepperd by May 20, and each reappointment notary must qualify with the county clerk on June 1, file oath and bond, and pay the statutory filing fee to the clerk in order to serve as a qualified notary for the new term of June 1, 1951, to June 1, 1953.

After all reappointed notaries have qualified, the clerk will forward certificates of qualification and filing fees to the secretary of state. Individual notaries are not to send money to the state office.

Terms of all presently qualified notaries expires on June 1, and a notary cannot qualify for the 1951-1953 term before that date, irrespective of reappointment or new appointment.

250 IN COUNTY

There are now approximately 250 notaries in Scurry County, Johnston said, "and we are expecting a large increase by new appointments."

Persons applying through the county clerk for notary appointments for the first time will receive appointments, effective on the date of qualification, Shepperd said.

A certificate of appointment for each person applying for the first time will be sent to the secretary of state for approval and then returned to the clerk, after which the person will be notified to appear within 10 days to qualify before the clerk.

"An applicant must be 21 years old or older and a resident of the county in which he intends to act as a notary," Shepperd's instructions said. "It is important that the exact name of the applicant be given and that his name be used on all documens signed by the person. He must also give his correct mailing address."

Error in Valuation

Due to a typographical error in the Daily News yesterday the value of property involved in a law suit against the Standard Oil Co. of Texas was listed as $15 million instead of $5 million. Plaintiff in the suit is J. C. Barnes of Midland.

Truman

(Continued from Page 1)

the President's support.

Senator Wherry of Nebraska, the Republican floor leader, said bitterly that "apparently the President is willing to gamble with the lives of our boys in Korea in the hope that the Russian-directed Communists will see the folly of their ways."

"WEAK DEFENSE"

"We have heard President Truman's weak defense of his shabby treatment of MacArthur," the Nebraska Senator said. "Now let us hear directly from General MacArthur."

Wherry and Martin have resolutions pending to invite MacArthur to address Congress. The House Rules Committee will take up Martin's proposal Friday but Wherry's resolution appears likely to be blocked in the Senate for some time.

Democrats moved to block any joint session. Senator Kerr (D-Okla) said MacArthur's appearance should be confined to testimony before a committee, where he would be subject to questioning.

Mr. Truman said "real peace" could be achieved on three basic conditions:

"One: The fighting must stop.

"Two: Concrete steps must be taken to insure that the fighting will not break out again.

"Three: There must be an end to aggression."

SETTLEMENT POSSIBLE

He added that "a settlement founded upon these elements would open the way for the unification of Korea and the withdrawal of all foreign forces."

Mr. Truman said that while the resolute stand has "slowed down the time table of conquest," the Communists in the Kremlin still have the decision on whether there shall be war or peace.

"It may well be that in spite of our best efforts, the Communists may spread the war," he warned. "But it would be wrong—tragically wrong—for us to take the initiative in extending the war."

He said it was "with the deepest personal regret," that he removed MacArthur, because he regards the general as "one of our greatest military commanders."

"But the cause of world peace is more important than any individual," the President said.

WORLD EYES AFFAIR

The controversy over the MacArthur removal exploded across the country and reverberated in the world's capitals.

Thousands of telegrams poured in to the lawmakers and the White House reported receiving "several hundred."

There was a talk of a quick reassessment of the Korean situation by the United Nations and possible revival of efforts to set forth peace aims. These might follow the lines laid down by the President in his speech.

'News to Me,' Says Ridgway

U. S. EIGHTH ARMY HEADQUARTERS, Korea, Friday, April Ridgway, back at Eighth Army Headquarters after a quick trip to Tokyo, said today he had not been forewarned of his appointment to succeed General MacArthur.

Ridgway said he and Secretary of the Army Pace, who was touring the front at the time, got the news together Wednesday while they were visiting a command post.

"Did you have any warning?" a reporter asked.

"None whatever," Ridgway replied.

D.A.V. Chapter Meet Postponed to Tuesday

The organizational meeting of a Snyder chapter of the Disabled American Veterans, which was postponed Tuesday night, will be held at 7:30 next Tuesday night, at the Village, Garland Armstrong, acting commander, announced.

Officers of the D.A.V. chapter in Sweetwater will attend the meeting to install new Snyder officers. Disabled veterans of all wars here are eligible and may contact Armstrong for further information.

Cotton Market

NEW YORK, April 12 (AP) — Cotton futures at noon were 75 cents a bale higher to 20 cents lower than the previous close. May 43.39, July 44.85 and Oct. 39.67.

Fort Worth Livestock

FORT WORTH, April 12 (AP) — Cattle 450; calves 50; steady; good fed steers and yearlings $32-36; common and medium steers and yearlings $28-32; fat beef cows $25-28; good and choice fat calves $32.50-36; stocker calves $30-45; stocker yearlings $30-40.

Sheep 600; steady; medium to choice spring lambs $32-35; good shorn slaughter yearlings with No. 2 and No. 3 pelts $27; medium and good shorn lambs $25-28.

Added Services Now At Postal Sub-Station

Registered mail, money orders and stamps are now being sold at the post office sub-station, 432 East Highway, which opened Feb. 16, it was announced today by H. D. Moreland, postmaster.

Only stamps had been sold at the station due to lack of supplies and equipment, but facilities for the handling of money orders and registered mail have been received, said Moreland.

Parcel post mail will be handled just as soon as the scales for such service are received, which is expected shortly, the postmaster said.

Only first class mail is being accepted for transmission to the main post office.

Alfred E. Vernon, who has the contract for the sub - station, is clerk in charge.

Mighty U. S. Armada Anchors Off Formosa

TAIPEH, Formosa, April 12 (AP)—A mighty U. S. Naval Armada dropped anchor off Formosa today and revived Chinese Nationalist hopes that America hasn't written off their cause with the firing of General MacArthur.

Some 20 ships, including two carriers, a cruiser and two destroyer squadrons, brought the new Seventh Fleet Commander, Vice Adm. Harold M. Martin, from Japaa for a visit.

Catholic Priest Publishes New Picture - Filled Bible Edition

CHICAGO, April 12 (AP) — A young priest has brought out one of the oldest printed books — the Bible — in colorful modern dress.

His aim was to make the volume as 1951 style newspapers and pictorial magazines.

The result is the new holy family edition of the Roman Catholic Bible.

The publishers wanted an attractive book. What they got, in their words, was "the first Catholic Bible in many decades that escapes the somber, forbidding appearance so typical of most editions of the scriptures."

The priest who bossed the thorough-going transformation task is strapping, sandy-haired Father John P. O'Connell. Samuel Cardinal Stritch, head of the Roman Catholic Archdiocese of Chicago, assigned him to the editor's job in 1948.

Father O'Connell, then only 31, was assistant pastor at the Immaculate Conception Church in suburban Highland Park and taught biblical subjects at Barat College in Lake Forest.

MUCH WORK

The youthful priest moved into an office, took off his coat (literally) and went to work. He labored, usually six days a week, for two and a half years.

"Up to 30 years ago every family had a Bible, "Father O'Connell says, "it was a fixture in the furnishings of every home. But it was somber in appearance and funereal in tone."

Father O'Connell's mission, as he saw it, was to put the good book back in its once-honored place in the parlor.

"We wanted a Bible for family reading," he says. "We wanted one every member could read and understand."

So he took the best available Catholic translations of the scriptures and set out to present them in a popular form.

There is no change in the text, but there is a radical change in format, typography and illustration.

The young editor drew inspiration from newspapers and magazines. He liked the way they handled maps and photographs. He consulted lay experts in printing and art, and church authorities in biblical fields.

LARGE-SIZE TYPE

The text is printed in large-size type. Biblical verses are grouped into paragraphs. Each paragraph has a subhead.

The over-all idea was to make the whole thing easy to read. The capsuling of subject matter in subheads makes it easy for the reader to find any particular passage.

Many of the biblical episodes — such as the stories of Moses or David or the Crucifixion — take the form of picture stories — sequences of colored paintings. They are presented in rich hues. Each has a caption explaining the action portrayed.

The paintings — 335 in all — were selected from the works of James Joseph Jacques Tissot, 19th century French artist, who made a pilgrimage to the Holy Land to obtain realistic detail. Father O'Connell and his advisors fancied his paintings because they seemed to have an "archaelogical accuracy" and a photographic quality.

The Tissot pictures were photographed in color. Full color plates were made and the captions set in type. Editor O'Connell says the cost or reporduction, added up to about $200,000.

ALSO THE TRAVELS

War-time techniques of newspapers and news magazines were used in drafting the 43 two-color pictorial maps. They not only show the geographic features — towns, countries and seas — but also the travels of the chief characters.

Beside the Old and New Testaments, the book contains a 300,000 word dictionary of biblical and general Catholic information. The ready reference material ranges from data about Adam to the church's attitude toward such down-to-date social problems as "mercy killing" sex educations and divorce.

The single, six-pound volume runs 1,732 pages. It bears the imprimatur of Cardinal Stritch. It is published by the Catholic Press, Inc., of 153 North Michigan Ave., Chicago.

Weather Little On Wintry Side

By The Associated Press

It was a little on the wintry side over wide areas of the country today from the Rockies to the Appalachians.

Temperatures dipped below freezing in Midwest areas and the Eastern Rockies. Light snow fell in the Missouri Valley as far south as St. Louis.

An intense storm in Northern Illinois caused strong winds and rain over the Great Lakes region and the Upper Mississippi Valley.

Hot weather continued in the Far Southwest and it was warm along the Atlantic Coast.

The threat of serious new flood damage eased in Minnesota. The crest of the Minnesota River moved toward downstream communities but the water level, dropped in flood-stricken North Mankato.

Mystery Battalion Communist Chinese

LAICHAU, Indochina, April 12. (AP)—The mystery battalion which has invaded 35 miles of Northwest Indochina was identified today by French Army Headquarters as Communist Chinese.

Colonel Costes, commanding French forces in Thai tribal country, said the battalion attacked on April 1, simultaneously with Communist-led Vietminh rebels in that invasion route.

The colonel added, however, that the French have no proof the invader battalion was acting under orders from Peiving.

Costes said he believed the Chinese drive of some 500 troops had only the limited objective of taking Phongtho, one of the key positions dominating the Chinese portal into the Red River Valley.

New Price Control Survey Next Week

HOUSTON, April 12. (AP)—Price control officials begin a survey next week of the 39-county Southeast Texas area to determine if businessmen are keeping proper records.

Marvin J. Quillin, district enforcement attorney, said all "base period" records should have been prepared not later than March 22 and should be kept in each firm's place of business.

The windstorm that swept northeastern states on Thanksgiving weekend, 1950, ranks third among the nation's greatest catastropes in the amount of insurance claims. It was exceeded only by the San Francisco fire in 1906 and the Chicago fire of 1871.

License Examiner Will Investigate Delays In Receiving New Permits

Anyone who has not received his renewed driver's license within 45 days from the time he mailed half of his old license to Austin for renewal is requested to see the license examiner, J. S. Wilson, who said yesterday that he would investigate delays in renewing.

Wilson said the only times he could confer with drivers about delayed renewals were 9 o'clock Tuesday, Wednesday, and Friday mornings. His office is in the commissioners courtroom in the courthouse basement.

Wilson is only in Snyder three days a week, giving written examinations in the mornings and road tests in the afternoon. "But regarding delayed renewals, I can only see drivers at 9 o'clock," the examiner said.

For the past year, licenses have been renewed by sending the top half of the old license—unless it has already expired—to Austin with a money order for the proper amount. The regular passenger car operator's license fee is 50 cents, the commercial operator's fee is $1, and the chauffeur's fee $3.

29 Wildcats Among All-Time High In West Texas Locations

The all-time high for oil tests in West Texas was established during the week April 1 to 7 when 231 tests for oil, including 29 wildcats, were staked in 32 West Texas Counties.

The previous high for oil tests in the area was reported March 23 of this year when 188 tests for oil, including 21 wildcats, were staked in 30 counties.

Totals for the first 13 weeks in 1951 became 1,424 in proven areas and 242 for wildcats, a grand total of 1,666. This is a weekly average of 128, up from 119.6 through the 12th week.

Crockett County was first in wildcat locations with eight, Pecos added four, Kimble, Lynn, and Runnels two each, Coke, Crane, Crosby, Ector, Garza, King, Loving Menard, Midland, Reagan, and Terry Counties one each.

Runnels County led infield starters with 30, Pecos gained 17, Midland 16, Ector 14, Upton 12, Loving 11, Garza Mitchell 10 each, Cochran and Crockett nine each, Hockley, Scurry, and Winkler eight each, Sutton seven, Glasscock six, Andrews five, Crane four, Borden and Kent, three each, Coke, Gaines, Sterling and Tom Green two each, Dawson, Hale, Kimble, and King one each.

U.S. ROYAL
Utmost in Tire Quality
...and Service
Today and Tomorrow....The only such tires in the world!
Who isn't looking into the future?
Who isn't looking at his car, his tires and his tubes, estimating the life left in them?
Who isn't asking about U. S. Royal AIR RIDE tires, demanding the qualities and features which they, exclusively, supply?
There is nothing new about this enormous demand. For more than two years our factories have been unable to catch up with the vast public desire to own these superb tires.
With every shipment, orders are being filled. With every order, a new and lasting friendship is established.
The great U. S. Royal Mid-Century Tires have become THE TIRES OF THE CENTURY.
Wherever you live or wherever you are—if at any time your U. S. Royal Dealer can't fill your order for new U. S. Royal tires immediately, he can render complete, responsible service on your old tires to keep you in safety and comfort till your new tires arrive.
Special Notice
Royal Master Owners!
Those great Mid-Century Masters of yours can remain fresh and new in safety when other tires are giving up their lives. Their great tread depth permits complete renewal of the Royaltex Safety Tread treatment again and again, without recapping or anything of the sort. It takes about an hour's time.

Driver-Spraberry Gets Second Producing Well

The second producer has been completed in the new Driver-Spraberry field of Southeast Midland County.

The new oiler is Ted Weiner, et al, No. 2-16 Driver, one - location east of the discovery well.

It was finaled for a daily flowing potential of 428.22 barrels of 38.7-gravity oil and no water.

Production is from open hole section at 7,105-7,174 feet in the Spraberry. Gas - oil ratio was 52-1. Tubing pressurre was 140 pounds.

Location is in section 16, block 37, T-4-S, T&P survey.

The average U. S. farm was mortgaged to about 20 per cent of its value before World War II, but averaged only eight and one-half per cent of its value in mortgage in 1950.

More than 85 per cent of the world's supply of coffee comes from Latin America—mostly from Brazil.

GIVING THE RIDER HIS HEAD—When young O. Odgers tried to put his mount over a hurdle in Sydney, Australia, Royal Easter Show, horse balked and Odgers went on.

Factors in Decline Named by Speaker At Kiwanis Club Luncheon

Four factors contributing to the downfall of the United States were outlined by the Rev. Leroy Smith in his speech before the Kiwanis Club here yesterday. Mr. Smith, president of Grand Canyon College in Arizona, is currently conducting revival services at the First Baptist Church.

The first of the four factors cited by Mr. Smith was the breakdown of the home, where parents have set the examples—which lead their children into unwise, troubled lives. The second is the increase in armaments, placing military strength above religious faith.

The increase in taxes which breed Communism was given as the third factor, with the decay of religion named as the fourth factor.

In other business before the meeting, it was voted to co-operate with the city-county health unit in the cleanup campaign which is to start soon.

U. S. residents visiting Canad. who order 10 gallons of gasoline get as much as if they bought 12 gallons in the United States, the gas being sold by the imperial gallon which is larger than the U.S. gallon.

El Capitan Sets Test In Glasscock County

In extreme Southwest Glasscock County El Capitan Oil Co. staked location for a 7,200-foot Spraberry wildcat.

It will be drilled as the concern's No. 1 Whitehouse, 660 feet from south and east lines of section 47, block 37, T-4-S, T&P survey.

That puts it 27 miles southeast of Midland and one mile east of the east line of Midland County.

It is also three miles south and a little east of James H. Snowden and Sergent & Rutter No. 1-34 W. M. Schrock, indicated Spraberry discovery in Southeast Midland County.

Five Wells Are Completed In Scurry Fields

Five completions have been reported on wells in Scurry County fields.

In the Diamond M-Canyon lime, Sun Oil Co. finaled the No. 5 W. B. Fenton for 350.80 barrels of 43.1 gravity oil and no water on a 24-hour test. Gas-oil ratio was 832-1. Top of the pay was at 6,629 feet.

Location is 660 feet from north and east lines of the lease in section 194, block 97, H&TC survey.

The Texas Co. No. 136 P. L. Fuller made 353 barrels of oil in eight hours on the potential test. Gravity of the oil was 42.8 degrees. Gas-oil ratio was 637-1. No water was made. The pay section has been treated with 500 gallons of acid.

Location is 1,986 feet from north and 2,000 feet from west lines of section 552, block 97, H&TC survey.

Texas No. 138 Fuller flowed 573 barrels of oil on a 14-hour test. No water was made. Gas - oil ratio was 570-1, and gravity of the oil was 42.4 degrees.

Drillsite was 1,988 feet from north and 2,000 feet from east lines of section 563, block 97, H&TC survey.

Texas No. 141 Fuller made 596 barrels of 42.2 gravity oil and no water on a 24-hour flow. Gas-oil ratio was 660-1. Top of the pay was at 6,818 feet. Drillsite is 662 feet from north and 2,001 feet from west lines of section 502, block 97, H&TC survey.

Texas No. 139 Fuller flowed 436 barrels of oil and no water in 12 hours. Gas - oil ratio was 603-1. Gravity of the oil was 42.2 degrees. Top of the pay was at 6,798 feet, with total depth 6,923 feet. Exact location is 1,986 feet from south and 667 feet from west lines of section 563, block 97, H&TC survey.

Amended Location In Diamond M Canyon Pool

Pure Oil Co. has filed a corrected location application for the No. 4 Nellie Williamson in the Diamond M-Canyon lime field.

It is to be 660 feet from west and 1,400 feet from south lines of the northeast quarter of section 245, block 97, H&TC survey and eight miles west of Snyder. Rotary tools will be used to drill to 7,000 feet starting April 14.

The average U. S. farm had a net income of about $350 in 1900 and this grew to $2,225 in 1950.

Potential Cogdell Well

Chapman & McFarlin have reported completion of the No. 40 Cogdell in the Cogdell field of Kent County.

The well made a daily potential of 703.40 barrels of oil and no water on a 12-hour test. Flow was natural through a three-quarter inch choke. Gravity of the oil was 42.3 degrees. Gas-oil ratio was 852-1.

Location is 4,628 feet from west and 3,547 feet from north lines of the lease in section 33, block 4, H&GN survey.

Spraberry Wildcat Set In Northwest Reagan

Paul Barnhart of Houston is to start drilling at once at his No. 1 Wimberley, which is to be a wildcat to 7,100 feet to try for production in the Spraberry sand in Northwest Reagan County.

The prospector will be at the center of the northwest quarter of the northwest quarter of section 15, block C, L&SV survey.

That makes it about three miles southeast of the Ashland Oil & Refining Co. No. 1 Sherrod, across the line in Northeast Upton County. The Ashland project is now cleaning out and trying to make an oil well from the Spraberry.

The average U.S. farmer owns about $2,200 worth of machinery, implements and motor vehicles.

Solicitors For Salvation Army Collect $1,000

Workers in the Salvation Army fund drive here Tuesday collected about $1,000, almost half of the $2,500 goal which has been set for the drive.

The drive is scheduled to continue at least through this week, C. E. McGaw, chairman, said. The committee in charge of the project has stated that $6,500 will actually be needed to carry on the work of the organization in Scurry County, and it is hoped that contributions will exceed the $2,500 quota set at this time.

Workers in the Salvation Army drive include Bill F. Brown, Dr. William E. Jones, Joseph Watson, Ross Hemphill, G. R. Rhodes, A. L. Wren, George Frazier, W. H. Scarborough, Jimmy Mixon, Jake Springer, Bob Edwards, Jack Lee, L. B. Holly, Ray Perkins, C. F. Giles, John Garrison, E. E. Harper, Willis Cox, Jr., Edward Bolger, George Stephens and Charles Blakey.

E. W. Babb, George Webb, Dr. B. J. Weaver, Garland Armstrong, Paul Keaton, H. F. McCormack, Walker Dabbs, W. H. Grant, Mrs. V. V. McGrew, Mrs. Fritz Smith, Mrs Waldo Montgomery, Mrs. A. P. Morris, Mrs. W. W Gross, Mrs E. L. McAfee, Mrs. A. P Hegenheiser, Mrs J R Davis, Mrs. Clyde Atkerson, Mrs. S. I. Surrat, Miss Neoma Strayhorn, Mrs. Sam E. Wood and Mrs. Sam Williams.

Lyle Deffebach and Phil Burns are co-chairman of the special gifts committee. Other members of this committee are Dr. Robert Hargrove, Herbert Feather, John M. Dodson, Dr. W. W. Mikeska, H. W. Cargile, Ford Caperton, Newt Morton, and Myron Fenton.

Walker Dabbs is chairman of the oil and supply division. Members of this committee are D. S. Bodie, J. E. Bucy, E. J. Sneed, John Brewer, T. H. Sandoz, R M Wemple, Paul Jones, E K. Knowslar, V. A. Knight, John Binkley, Tommy Bliss, H. R. Pool, Jim Davis, Mrs. Cecil Surratt, Mrs. V. A. Knight, and Harold Grant

Solicitation at Snyder schools was under the direction of the principals, who are T. D. Wiman, Jr., Silas Devenport, Herman Trigg, O. S. Clark and Pat Falls. Forrest Beavers was in charge of solicitation at other schools in the county.

Faculty Named At Hermleigh

All three incumbents seeking re-election to the Hermleigh school board were elected without opposition Saturday. They were James Davidson, Grady Williams and E. L. Vandiver.

O. C. Hess was elected president of the board, and Davidson was named secretary.

The board has now completed election of faculty members for the 1951-52 school year. O. B. Paty was re-elected superintendent of serve as high school principal and coach again and O. N. Smith re-elected as grade school principal.

Faculty members at the school will be Roxie Soules, high school English instructor; Modell May, home economics instructor; Christine Jackson, commercial subjects; L. R. Guest, mathematics and science; Bobby Stahl, girls' physical education; Corene Self, fifth grade; Floy Starr and Edna Maxey, fourth grade; Mildred Simmons, third grade; Bessie Cleveland, second grade; Ruth Boattenhamer and Edna Clift, first grade; Zack McFarland, band director.

Sketch County Health Plans

Lack of a quorum prevented transaction of official business at the called meeting of the county health board Tuesday night in the courthouse.

Mrs. Wraymond Sims and Mrs. V. A. Knight, were the two board members present.

Dr. James Kreimeyer, of Abilene, acting director of the city-county health unit here, was present and briefly outlined the proposed health program for Snyder and Scurry County, which had been recommended by Dr. Fred Dinkler, former unit director.

An extensive program for the control of communicable diseases, including tuberculosis and veneral cases; nursing; health of school children; general sanitation; and modern milk and food ordinances. It was brought out that the present Snyder milk ordinance was passed in 1928 and is obsolete and not in line with the present growth of the city.

"The health officials must have the co-operation of the public if it is to accomplish its objectives," said Dr. Kreimeyer.

All civic clubs and other organizations have been asked to aid the health unit in the city-wide clean-up drive that is slated to get under way shortly by Dr. Kreimeyer.

Others present at the meeting last night were James F. Craven, Jr., senior sanitarian for the health unit, and Miss Leah Davis, public health nurse.

Another meeting is slated next month, the date to be announced later.

Gaines County Wildcat Develops Oil-Cut Mud

Intex Oil Co. No. 1 P. S. Dunbar, wildcat in Southwest Gaines County, is bottomed at 4,505 feet in lime taking a drillstem test.

A drillstem test from 4,270 to 4,360 feet, with tool open three hours and five minutes, developed 1,639 feet of heavily oil-cut mud and 300 feet of water with a slight sulphur odor.

Hole was deepened to 4,505 feet. Drilling samples showed some saturation and good porosity from 4,450 to total depth.

After reaching 4,505 feet, electric log surveys were run and operator then put the project on a drillstem test from 4,430 to 4,505 feet.

The wildcat is 660 feet east of the east lines of Lea County, New Mexico, and one and one-half miles southeast of the House-San Andres field in Lee County.

Drillsite is 660 feet from south and west lines of section 25, block A-12, psl survey.

Present last night were Mrs. E. P. Ketner, Mrs. Charles Egner, Mrs. Dillard Pope, Mrs. George Killam, Jr., Mrs. Vera Miller, Miss Mae Lyons, Miss Zaida, Brown, Mrs. June Sparks, Mrs. William Haney, and Mrs. Evelyn McLean.

Beverly Sullenger Has Birthday Party

Mrs. Jim Sullenger, 1008 Twenty-eighth Street, entertained with a neighborhood party for her daughter, Beverly Kay Sullenger, on her third birthday yesterday.

Bright balloon fastooned the rooms. Surprise cand[illegible] all the guests, and a white birthday cake with fancy pink and green roses was served with ice cream.

Beverly's playmates attending were Charles Burney, Ralph Burney, Jack Keller, Van David Sumruld, Shanna Wills, Darla Moore, Linda Foy Green, Cynthia Jane Oliver, Donnie Oliver, Jean Fisher, Bruce Blow and Burke Blow.

Older guests were Mrs. Leonard Keller, Mrs. Noble Oliver, Mrs. Ralph Burney, Mrs. Grady Moore, Mr. and Mrs. Robert Warren, Beverly's grandparents, and Miss Nell Warren, her aunt, of Fluvanna.

Mrs. Miller Hostess At Bridge Wednesday

Mrs. R. C. Miller, Jr., 2608 Avenue U, was the hostess for the Wednesday Bridge Club at the Country Club.

Guests present were Mrs. Wilson Connell, Mrs. Weldon Johnson, and Mrs. Billy Long.

Members present were Mrs. P. W. Cloud, Mrs. G. B. Clark, Jr., Mrs. Ophelia Blackard, Mrs. B.L. McKinley, Jr., Mrs. Novis Rodgers, Mrs. Garrett Harrell, Mrs. Billy Boren, Mrs. J. D. Scott, and Mrs. Herman Doak.

Garden Hose Stolen

Theft of 50 feet of garden hose was reported from a Northwest Snyder address yesterday, police said.

Police were investigating the case today, but said the victim could furnish no leads as to the identity of the vandal.

Welsh Rarebit in Chafing Dish Elegant, Economical

For a thrifty, nutrition - packed supper dish, try a Welsh Rarebit made with economical nonfat dry milk. Nonfat dry milk is just milk with the fat and water removed, and so it's rich in protein, calcium, riboflavin, and lactose. You can get it at the grocer's and a pound package costs about 35 cents. To make this budget - wise Rarebit really glamorous prepare it in a chafing dish. Maybe you have one tucked away in that trunk somehwere?

Welsh Rarebit

Ingredients:

1½ cups water
4 tablespoons nonfat dry milk
5 tablespoons flour
¼ teaspoon salt
½ teaspoon dry mustard
¼ teaspoon Worchesterhire sauce
½ tablespoons butter or margarine
One ½ pound package processed American cheese food (coarsely shredded)

Method:

Pour water in top of double boiler. Mix nonfat dry milk, flour, salt, and mustard; sprinkel over top of water. Beat with rotary beater (hand or electric) until just blended. Add Worchestershire sauce and butter or margarine. Cook over boiling water, stirring constantly, until thickened. Stir in cheese slowly. Cook over simmering water, stirring often, until cheese is melted. Stir a little of the hot mixture into beaten egg; return to the remaining cheese mixture and cook over hot water, stirring constantly until thick and smooth, about 3 minutes. Serve at once on hot toast or unsalted crackers.

• • •

For other chafing dish recipes, (both economical and luxurious) you might consult two new cookbooks devoted to this branch of the culinary art. One of them is "Chafing Dish Cookery" by Florence Brobeck (M. Barrows and Co., New York) and a fine contribution to the subject. The author has been devoted to chafing dish cookery for a long time, and her book gives recipes for breakfasts, luncheons, dinners, suppers, and buffet parties.

The format of the book is excellent—one recipe to a page, plus suggestions of how to complete the menu in which the particular recipe is featured. Although most of the recipes are for main dishes (some are for family use, some for guests), a number of delicious desserts are included. It's a good looking book to put near your chafing dish because it has a shiney copper-colored binding that wipes off. If you haven't yet brought your chafing dish, the first chapter in the book will give you exceellent advicee in choosing one.

• • •

"The Chafing Dish Cookbook" by John and Marie Roberson (Prenctice - Hall, New York,) also has an interesting scheme of recipe presentation. There's a recipe and menu on each page, then specifications for "Behind the Scenes" work, and finally "Before the Guests" directions.

Gertrude Blair, well - known home economist, advised, checked and kitchen - tested for the authors. The authors, themeselves, found a chafing dish was the answer to entertaining without help, and this collection of recipes for hors d'ouerves, soups, main dish specialities, and desserts, should appeal to many other hosts and hostesses who do their own cooking, serving, and dishwashing. According to the latest statistics from Washington on household help, that's most of us!

Woman's Calendar

THURSDAY

Chez les Amies, 1 p.m., Country Club, with Mrs. Hunter Pendleton as hostess.

Central elementary PTA meets at school cafeteria 3:40 p.m., following executive meeting at 3 o'clock.

Parent - Teachers Association sponsors movie, 8 p.m., Fluvanna High School Auditorium.

FRIDAY

District 8 W.M.U. meeting, 10 a.m., at Big Spring.

Alturuian Club, 3 p.m., with Mrs. Joe Caton, 2711 Avenue R.

Fluvanna P-TA sponsors "Womanless Wedding," 8 p.m., Fluvanna High School Auditorium.

SATURDAY

County Home Demonstration Clubs sponsor Bake Sale, 10 a.m. to 2 p.m., County Home Demonstration Agent's office, basement of Courthouse.

Culture Club Hears Program

Mrs. A. C. Alexander, 2906 Avenue U, entertained Woman's Culture Club yesterday with a program of nature in the home.

Mrs. A. P. Morris, president, presided at the business session.

Mrs. A. C. Martin read a paper on different flowers in America, and Mrs. Alexander spoke on "Native Flowers of Texas." Mrs. H. L. Wren spoke of arrangements of flowers and plants.

The group answered the roll call by naming their favorite flower.

The hostess served a dish of lemon delight with wafers and iced tea. Her newly-decorated home was bright with cut spring flowers and pastel pot plants.

Others present were Mrs. J. W. Clawson, Mrs. Mabel Y. German, Mrs. W. W. Gross, Mrs Henry Kelley, Mrs. Bernard Longbotham, Mrs. Lora Miller, Mrs. Roy Stewart, Mrs. J. A. Woodfin, Mrs. Lois Wilsford, and Mrs. Joe Caton.

The group plans to join other Snyder study clubs in a Federation Day meeting at fellowship hall of the Methodist Church, April 19, meeting again in regular session with Mrs. S. L. Terry, 3604 Avenue V, April 24. Mrs. Henry Kelley will assist as hostess at this meeting.

Fluvanna P-TA Is Raising Funds

The Parent-Teachers Association of Fluvanna High School is sponsoring two projects this week, aimed at raising needed funds for various projects.

Tonight, a movie will be shown, beginning at 8 o'clock in the high school auditorium. Admission prices will be 25 and 50 cents according to Mrs. Lacy Turner, an executive of the P-TA.

A womanless wedding will be staged Friday night at the auditorium. The part of the bride will be played by Sam Hunnicutt, the bridegroom by J. R. Meadows. Others to take leading roles in the comedy are Joe Glass, Superintendent of the school; Lacy Turner, principal; Mr. Roy Phemister, pastor of the Church of Christ, and Burl Belew, farmer and rancher.

All friends and relatives of the cast in the county are invited to attend the show, according to Mrs. Turner.

Halliburton Group Holds Canasta Party

Mrs. W. F. Nidifer, 1005 Avenue L, entertained the Notrubillah Canasta Club Tuesday afternoon, with Mrs. Mike Weatherly, co-hostess.

The hostesses served a pineapple cheese salad course with iced tea, coffee, and fancy cheese sandwiches.

Mrs. Jack Lumpkin took high score prize, Mrs. B. F. Davis, low score.

Other guests preset were Mrs. Bill Hamilton, Mrs. Tex Hamilton, Mrs. Leo Jones, and Mrs. Joe Jackson.

Originally more than two-fifths of the land area of the earth, exclusive of the polar regions, was covered with primeval forest.

NEW ARRIVALS ARE HUNGRY—Because mother, Congo, has taken no interest in them since their arrival, Mar. 27, these lion cubs in Washington, D. C., Zoo are fed by hand.

Use Common Sense to Take Off That Ugly Fat

Overweight can be a menace to health, but common sense should be the watchword to get rid of the extra poundage. A rigid diet over a protracted period of time, can also do harm. It is advisable that you seek your physician's advice before trying to take off weight via the diet route.

Possibly one bulgy person in 100 has some glandular disturbance and that is truly a case for the physician. But for the other 99 per cent, judgment should be used in deciding the "plan" decided on to reduce.

Overeating is one of the main contributing causes of excess fat. You may say you do not overeat—that you only eat enough to satisfy your hunger. But your intake of food may be greater than necessary for the energy you spend. Thus, the excess food turns into fat. You can eat all you want—enough to satisfy your hunger—enough to maintain bodily requirements and still eat LESS. Sounds like double talk, but it isn't.

A recent survey among Texas druggists has shown that there is one outstanding reducing aid on the market that definitely curbs the appetite. At the same time it dehydrates and eliminates. This product contains no harmful drugs. On the other hand it does contain ingredients to make you feel better — more alive, active and peppy. Nearly four million bottles of this preparation have been sold in Texas in the past eight years.

This reducing aid is called Barcentrate. You can get a four ounce bottle of Barcentrate from your druggist. Four this into a pint bottle and add 12 ounces of canned grapefruit juice. Then just take 2 tablespoonful twice a day. If the very first bottle doesn't show you the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back.

Old Jake sure is wrapped up in fishing since he got that new tackle from Wimberly Hardware.

College Football Due To Be Televised on Selective Basis

NEW HAVEN, Conn., April 12. (AP)—College football probably will be televised on a selective basis next fall while the colleges take soundings to find out the effect on attendance.

The National Collegiate Athletic Association TV Steering Committee evolved a plan which now goes to the N. C. A. A. National Committee under which one game would be televised each Saturday in each national area.

The announcement by the committee cleared up uncertainty that developed after the N. C. A. A. called for a moratorium on football television.

The colleges made it plain they must maintain football gate receipts to keep their athletic programs going.

College games were widely televised last fall, and some people blamed TV for a decline in gate receipts.

After the N. C. A. A. called for a curb, the issue bounced into politics. Bills were proposed in Illinois and Oklahoma requiring the state universities to televise their games. The universities replied that under the N. C. A. A. mandate other colleges would refuse to play them.

Adoption of the proposal by the N. C. A. A. National Committee seems certain. Probably this arrangement will satisfy the Justice Department which raised the question of possible Anti-Trust Law violation if television were shut off completely.

Truman Firm On 'No Bombs' For Manchuria

WASHINGTON, April 12. (AP)—President Truman appears to have put a flat ban on bombing Red air bases in Manchuria, no matter what the provocation.

His radio address Wednesday night made clear that the "bomb line" must remain at the Yalu River boundary between North Korea and Manchuria.

"Why don't we bomb Manchuria and China itself," he said. "Why don't we assist the Chinese Nationalist troops to land on the mainland of China."

Generally MacArthur repeatedly suggested these moves.

"If we were to do those things we should be running a very grave risk of starting a general war," the President said. "If we were to do these things, we would become entangled in a vast conflict on the continent of Asia. . . ."

Nowhere in his prepared text did the President include any "escape clause," any provision that if a mass air attack were thrown against UN troops or South Korean targets the USAF and Naval aircraft would be freed of present restraints in their choice of bomb targets.

Browns Slap A No-Hitter On Cardinals

By RALPH RODEN
(Associated Press Staff)

Maybe it's a hint on what is in store on opening day next week in the Major Leagues.

Anyway the St. Louis Browns plastered a 1-0 no - hitter on the St. Louis Cardinals Wednesday night at Houston. Ned Garver pitched the first eight innings, was lifted for a pinchhitter, then Lou Sleater finished the no - hitter by getting Harry Lowery, Red Schoendienst and Stan Musial without trouble.

Johnny Berardino, who pinch hit for Garver, doubled home the only run of the game in the last of the eighth.

Howie Fox looked every inch the star he was in latter half of 1950 when he came up with his second route-going job of the Grapefruit League season Wednesday as Cincinnati crushed Washington, 12-3.

Jim Hearn, who hasn't approached his 1950 form, hurled as the Giants dropped a 5-4 decision to the Cleveland Indians at Atlanta.

Willard Nixon and Bill Wight pitched the Boston Red Sox to a 6-1 victory over Columbus AA.

The Philadelphia Athletics came from behind and trounced the Richmond Colts, 15-8.

The Brooklyn Dodgers whipped the Baltimore Orioles, 11-7; in a night game.

Scheduled games between Boston (N) and New York (A), Chicago (A) and Chicago (N), Detroit (A) and Birmingham - SA and Philadelphia N) and Pittsburg (N) were cancelled because of rain.

A streusel mixture is delicious sprinkled over coffee cake made with a baking powder batter. To make the topping mix a third of a cup of chopped walnuts or pecans with a quarter cup of brown sugar, a tablespoon of flour, a teaspoon of cinnamon, and a tablespoon of melted butter or margarine.

'Grandson' of Famous Bandit Cast Into Jail

JACKSONVILLE, Fla., April 12. (AP)—Jessie E. James, Jr., 51, who says he is an adopted grandson of the bandit by that name, was jailed here Wednesday night on a charge of practicing medicine unlawfully.

State Narcotics Inspector R. R. Bellinger said persons at a convalescent home where James was a male nurse reported he used

Four Women Champions Vie in Swimming Meet

HOUSTON, April 12. (AP) — The National AAU Women's Indoor Swimming Meet opens here Friday with four champions competing against each ther in the first event.

Entries in the 100 yard freestyle race include the defending champion, the national indoor champion, and two titlists from the recent Pan 3 American Games in Buenos Aires, Argentina.

Mighty Mo Due Home After 6 Months Duty

LONG BEACH, April 12. (AP) — The Mighty Mo., America's biggest battleship, is due home today after six months of combat operations in the far east.

The USS Missouri, whose guns pounded Red strongholds along the Korean coast, is scheduled to dock at Long Bach Naval Shipyard and receive a welcome from public officials headed by Gov. Earl Warren.

North Carolina has had 10 capitals Edenton, New Bern, Bath, Wilmington, Hillsboro, Halifax, Smithfield, Fayetteville, Tarboro and Raleigh.

Mantle Awaits Draft Verdict

TULSA, April 12. (AP) — Mickey Mantle, the New York Yankees' prize rookie, probably will know by the end of the week whether he's headed for Army service or a Major League baseball career.

The 19-year-old outfielder went through a pre - induction physical examination Wednesday.

But even if he's reclassified from his present 4-F status into an eligible bracket, it'll be months before he's inducted, draft board officials indicated.

Mickey originally was classified 4-F because of a leg bone ailment. The leg pains him only when wrapped tightly or when it gets considerable use, as in a double header, Mantle said.

Auction of Mark Twain Collection Concluded

HOLLYWOOD, April 12. (AP) — The auction of Mark Twain's library and furnishings ends today. More than $25,000 already has been paid for the various items.

Twain's only surviving child, Mrs. Clara Clemens Samossoud, ordered the auction because she wants to be free to travel.

NEWS FROM IRA

By MRS. MABEL WEBB

J. D. Smallwood returned Wednesday from a few days' visit with his son, J. B. Smallwood, and family in Fort Worth.

Mr. and Mrs. R. A. Prince of Union and Mr. and Mrs. E. E. Holman of Snyder visited in the H. K. Johnson home Sunday afternon.

Mrs. J. A. Williams spent Friday night with her daughter, Mrs. H. W. Harbuck, and family in Lawn. She also visited her sons in Abilene Saturday.

A shower for Mr. and Mrs. Edwin Minor was held at the home of Mrs. J. A. Thompson. Mr. and Mrs. Minor, whose house was destroyed by fire, have moved into Mrs. Marie Kruse's house.

Mrs. Minnie Falls and Mrs. M. L. Galloway and sons visited Mr. and Mrs. W. W. Eiland in Stanton Wednesday.

Mr. and Mrs. M. J. Bryant and son plan to spend the week end with their daughter, Mrs. Wiley Eubank, and Mr. Eubank in Seymour.

W. R. Ashmore was brought home from Root Memorial Hospital in Colorado City Saturday.

Melba Eubank and Jo Eubank of Snyder spent the week end with their grandparents, Mr. and Mrs. L. L. Eubank.

Mr. and Mrs. Bailey Thornhill and children, Aubrey and Sue, visited in the Howard Thornhill home at Lockney Sunday.

T. C. Devenport, accompanied by Mr. and Mrs. Layne Roddy and son, attended church services at Union Friday night and later visited in the Lloyd Devenport home.

Mr. and Mrs. Ollie Lee Ames of San Francisco visited Mrs. Ames' uncle, Charlie Bihl, and family Wednesday night.

Mr. and Mrs. Edgar Eades visited Mr. and Mrs. J. W. Eades of Sweetwater Sunday. Another guest there was Mrs. Leona Davidson, Mr. Eades sister.

Mrs. John Hensley and children spent the week end with her parents in Coleman.

Mr. and Mrs. Fred Price visited their son, J. B. Price, and his family in Big Spring Sunday.

Three Sent To Hospitals For Mentally Ill

Orders committing three men to mental institutions were completed today on complaint of the police department, Chester Bairrington, police chief, said.

One of the men was to be committed to a Veterans Administration hospital at Waco, and the other two were to be taken to a Wichita Falls hospital.

One of the men, a 29-year-old veteran of World War II, accompanied members of the police department to 16 residences in Snyder where he said he had prowled or entered within the past few months.

Police said his apprehension explains a number of the recent prowler and burglary complaints that have come in to them, but that no connection between the suspect and burglary of the R. A. Schooling home could be esablished.

Bairrington said the man was medically discharged from the Army on 100 per cent mental disability following a battle wound. He was released from a Veterans Administration hospital to the custody of his parents.

Later he was married and now has children.

No criminal complaint was lodged against any of the men.

Police said that there might have been room for criminal complaint against the wounded veteran, but that they felt hospitalization would do him and society more good than penal actions.

Stanolind Stakes Test In Southwest Gaines

Stanolind Oil & Gas Co. has staked location for its No. 1 S. O. Miller as a wildcat in Southwest Gaines County.

It is three locations northeast of Stanolind No. 1 Alley, discovery well of the Alley field which produces from the San Andres pay.

Location of No. 1 Miller is 660 feet from south and west lines of section 20, block A-27-6, survey and 18 miles southwest of Seminole.

Projected depth is 5,500 feet. Rotary tools will be moved in and drilling will begin at once.

Nearly 10,000,000 head of livestock are grazed on U. S. public lands part of each year.

Pitchers Find A New League To Shine In

(By The Associated Press)

The pitchers have found another league in which they will shine if results of the opening games of the new Class B Gulf Coast League is any indication of the full season. Three of the four openers Wednesday night were pitchers' battles.

Harlingen pushed across a run in the last of the ninth inning to edge Brownsville 3-2; Ramon Roger pitched a four-hitter as Galveston nipped Corpus Christi, 3-1, and Laredo bested Texas City 5-3.

Lake Charles outlasted Port Arthur 11-5 in the only contest to provide a run-feast.

Chilly winds and threats of rain cut opening crowds with Lake Charles' estimated 2,500 tops. Corpus Christi reported 2,328; Texas City, 2,250, and Harlingen, 1,616.

Herbie Nauert, Harlingen's third baseman, singled in the last of the ninth to send Manager Sam Harshaney across with the winning run in the Capitols' 3-2 win over Brownsville.

Roger's four-hitter against the unusually hard-hitting Aces that gave Galveston White Caps their win was the pitching master-piece of the night. He allowed no extra base hits.

Laredo chased across two runs in the second inning and two more in the third then fought off all attempts by Texas City to grab the lead.

Les Boussard, Port Arthur relief pitcher, was the whole show in the Seahawks' 11-5 win over Lake Charles. Broussard took over from Starter Earl Doud with two out in the third inning and shut the Lakers away from the plate the rest of the way. He also picked up three hits, one a double with the bases loaded.

Dr. Robert E. Goodrich Jr.

Dr. Glen Johnson

The First Methodist Church presents Dr. Robert E. Goodrich, Jr. and Dr. Glen Johnson of Dallas in a series of Evangelistic services April 8-13.

Services Twice Daily at 7 A. M. and 8 P. M.

Radio Broadcast daily 9:00 to 9:30 A. M.

A cordial welcome awaits you at all times at the First Methodist Church, on the corner of 27th street and Avenue R, Snyder, Texas.

Midland Wildcat May Be Long Extension To Sweetie Peck Multipay

Possibilities of a long two-mile north extension to the Ellenburger pool of the multipay Sweetie Peck field of Southwest Midland County were indicated Tuesday in Sinclair Oil & Gas Co. No. 7-C Sanders.

A drillstem test taken in the interval from 13,295 to 13,335 feet developed 90 feet of free oil, 1,800 feet of oil and gas-cut water blanket, 1,200 feet of gas-cut water blanket and 8,820 feet of gas-cut mud.

After the tool had been open two hours and 20 minutes, gas shoved to the surface. The packer failed after three and one-half hours.

Operator was to drill five feet deeper and take another test of the same section.

The Ellenburger was topped at 13,263 feet, elevation 2,892 feet.

The prospector already had indicated that it might produce from the Wolfcamp when that formation was drilled.

Location is 660 feet from south and east lines of the northeast quarter of section 9, block 41, T-4-S, T&P survey and 20 miles southwest of Midland.

No Shows in Drillstem Test of Midland Well

Moore Exploration Co. No. 1 A. R. Bauman, North-Central Midland County wildcat, three miles southeast of Midland, ran an eight hour drillstem test at total depth of 8,629 feet in the lower Permian—possibly the Dean sand.

No gas or fluid was reported at the surface while the tester was open. Recovery was 150 feet of drilling mud and 420 feet of slightly oil and gas cut drilling fluid. There were no signs of free oil or of water.

The prospector is to drill deeper. It is contracted to 10,500 feet to explore the Pennsylvanian lime.

Location is 467 feet from west and 660 feet from south lines of a 220-acre lease in the southeast part of section 41, block 38, T-2-S, T&P survey.

First Pennsylvanian Producer in Pegasus

Phillips Petoleum Co. and Sharples Oil Corp. have completed their No. 1-JJ TXL as the first Pennsylvanian producer in the Pegasus field of Southwest Midland County.

The well flowed 24 hours through a one-quarter inch choke to make an initial production of 503.60 barrels of oil. Gravity of the petroleum was 43.3 degrees.

Gas - oil ratio was 1,838-1.

Production is coming through perforations from 1,470 feet to 10,540 feet, which were treated with 1,000 gallons of acid.

The project failed to produce from the Ellenburger and was plugged back from 13,236 feet to 10,568 feet.

No. 1-JJ TXL is 664 feet from south and 660 feet from east lines of the northeast quarter of section 25, block 41, T-4-S, T&P survey. It is a diagonal northwest offset to Magnolia No. 3 Glass, producer from the Ellenburger in the Pegasus field.

Magnolia Petroleum Co. has scheduled a 10,600 - foot rotary test in the Pegasus field as its No. 1-A John Windham.

This project is 660 feet out of the northwest corner of section 19, block 40, T-4-S, T&P survey.

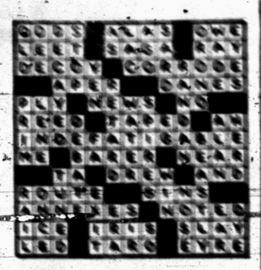

Projected depth is calculated to take it to the Pennsylvanian.

A tobacco field may recover from hurricane damage in a year by producing a new crop, but it takes a coffee plantation five to seven years.

Great Bear Lake and Great Slave Lake in Canada are each abut half the size of Lake Michigan.

The golden poppy is the California state flower.

Junior Broken-Hearted, Castor Oil On Critical Shortage List

(By The Associated Press)

"Ugh", groaned Junior as he swallowed a mouthful of castor oil, "that stuff would stall an airplane."

But it won't, Junior — in fact, Uncle Sam uses "that stuff" in the engines of his high altitude bombers, fighters and carriers.

The national emergency's effect on America's supplies — from rubber and tin cans to castor oil — has begun to create shortages.

And the nation is looking to Texas for more help.

Federally-owned synthetic rubber plants in Texas have stepped up production. The government has asked Texas farmers to participate in a guayule plant growing program to produce natural rubber latex. Now Uncle wants Texans to plant more castor beans — for lubricating oil.

NOT LARGEST

Texas, admittedly, is not the world's largest producer of castor beans. In fact, the few the state has are grown solely for shade purposes.

The state, having large areas which rarely have freezing temperatures, has been asked to plant 28,000 acres in castor beans this year. The acreage probably will be centered in Brown and Comanche Counties, with fringe counties taking some acreage. The U. S. crop last year — concentrated in Oklahoma, Kansas and Missouri and adjacent territories — was confined to about 10,000 acres.

The government now wants 90,000 to 10,000 acres more so it has asked Texas and Oklahoma to boost their plantings by some 60,000 acres.

The castor bean is a perennial in continually warm regions, but dies when struck by frost. It has large leaves which sometimes grow more than two feet in diameter. Many Texans use them as shade trees for poultry.

STALKS PRETTY

Also the castor bean stalk is pretty. It is red and green and in central U. S. sometimes gets as tall as 12 feet. In the tropics it attains a height of 30 to 40 feet.

Texans were asked during World War II to plant castor beans, but nothing ever came of the program. Like the guayule plant program, the castor plant's product never got into the war.

One region in Northeast Texas attempted to plant the castor bean and a county agent in the area said the program was "highly unsuccessful."

He moaned when he heard about the government's new program.

"We planted them but had no way to harvest and thresh the product. And we'll try it again this time.

"The things grew seven or eight feet high and had stalks as big as a man's arm. Then, after we managed to get the beans off the stalks — and remember the stalks were seven feet high — we had to dry them. It took an ax to remove the big stalks from the fields.

NO MARKET

"Then they had to be marketed, but there was no market. Scientists told us what they were for, but they never said anything about a market."

The castor seeds have long been employed in making castor oil, which is used for lubricating, making sticky fly paper and in making medicine.

Since the introduction of petroleum products, the oil has a smaller use as a lubricant than formerly, and since the importation of various palm oils its use in soap making has declined.

It is also less popular as a medicine than it used to be.

During World War II U. S. scientists discovered that castor oil, properly refined, made an excellent lubricant for high altitude planes.

The government called on farmers to raise the plants, but, from available information, the new producers never turned the beans out in great quantities.

Spawning Bass Take Hook Or Not, Depending

BY BOB BRISTER
(Associated Press Staff)

This time of the year, every year, the same old question arises among fishermen everywhere—will spawning bass strike?

It's always answered, by experience, the same way. Yes and no.

The controversy probably arose years ago when some early-spring Waltonian observed mommoth bass on their underwater beds in the shallows, giving him a cold, fishy, stare. Unable to catch any, he immediately deducted a spawning bass won't strike.

Since that time, the idea has become a legend. Each spring it is strengthened by hundreds of fishermen who dangle choice morsels before the noses of bass in shallow water—and receive not so much as a fin-wiggle in return.

But an experienced angler will tell you the spawning months are one of the best times of the year to fill a stringer, the very best season to bring home Grandpa.

Here's the gimmick:

The spawning bass you see in the shallows can be either male or female, depending on the stage of the process. The female lays her eggs and leaves. The male takes over, fertilizes them, and stands guard during the hatching period.

So, whether you get a strike or not, could depend a lot upon what he or she happens to be doing at the time.

It is doubtful that a female bass, busily giving birth to a few thousand eggs, would stop everything to grab a shiny gadget with treble hooks.

But an old he-bass, fanning the eggs afterwards and not trusting anything or anybody, is apt to knock the stuffing out of a cigar if you throw one over him.

And so it goes. The argument is settled, just as it always has been. They will and they won't, depending.

PERSONALS

Mrs. Winnie Hale, 706 Twenty-sixth Street, was taken to a Wheatland hospital Tuesday by a Bolger-Barnes ambulance.

Nickie Grant, the son of Mr. and Mrs. Harold Grant, 1715 Avenue Q, has been ill at his home with the flu.

Jack Roddy arrived Tuesday night from Las Cruces, N.M., ro a visit here with his parents, Mr. and Mrs. J. L. Roddy, 1011 Twenty-seventh Street, and other relatives in the county. Mr. Roddy, a native of Fluvanna, has been recuperating for almost a year with a badly injured hand, suffered in a hunting accident.

Mrs. Henry Kelley, 1408 Twenty-fifth Street, is improving after the flu.

The bulk of human food comes from annuals—wheat, rye, rice, corn, barley, the sorghums, millets, etc.

A RARE BIRD — This baby cahow, hitherto believed to have been extinct since 1619, was hatched from an egg found by scientists in Bermuda. It resembles a blue-gray powder puff.

PERSONALS

Mr. and Mrs. A. N. Surratt, 203 Twenty-fifth Street, had as visitors yesterday Mr. and Mrs. Buster Robison from Fluvanna. The Surratt's son, John Surratt, has just returned from a week-end trip to Bonham, Tex., where he visited friends.

Mrs. Eloise Morgan, 2709 Thirty-eighth Street, was employed this week as clerk in the offices of the County Home Demonstration Agent and the County Agriculture Agent.

Mrs. Roy Griffin of Loco, Okla., is in Snyder visiting her daughters, Mrs. Henry Koonce, Mrs. Russell Gordon, and Mrs. H. L. Owen. Mr. and Mrs. Koonce, Bootheland Addition, expect to take Mrs Griffin to her home this week end, Mr. Koonce taking his vacation from the Bell Transportation Co.
