Mustang Squad Opens Drill; Over 30 Report To Gridiron

Some 35 boys reported to practice Monday morning and began the long grind that adds up to a football season.

Coach Joe Turner appeared more optimistic than is usual for him at the beginning of a football season. He said the boys are in fair shape and their spirits are high.

His team will run a multiple attack operating from the T upon occasion and then switching to the power formations. A lot of aerial activity can be expected from this year's team.

Back in the quarterback slot again this year will be James Ray Hyatt, Hyatt—a letterman from last season—is no mean field general.

He is a deceptive ball handler

and has demonstrated his ability to use his head when the chips are down.

Down in the line is another outstanding lad who turned in a fine performance. He is Letterman Jack Hysinger and you can bet that Coach Turner will be leaning heavily on the broad shoulders of Mr. Hysinger this season.

A story about 1957 Mustang football could not be written without special mention of Jack Royce Straw. Straw is a cool lad who not only is a fine football player but he also has the high esteem of his teammates who elected him as one of the team captains.

One of the darkest aspects of the 1957 team is its lack of depth.

Olton is scheduled to scrimmage Springlake at Springlake Friday night. The Mustangs will meet Abernathy in the first game of the season the night of Sept. 6 at Abernathy.

Melon Feed Scheduled Monday Nite

Olton Quarterback Club will stage a watermelon feast at the football stadium at 8:30 o'clock next Monday night.

Club officials said the watermelon feed is open to the public. The 1957 Mustang football

Hart School Faculty Is Listed

According to John LeMay, Superintendent, Hart Schools will open September 2. A record enrollment is expected this year. Four new teachers homes have been completed this summer, and improvements have been made in the science and home economics departments.

Two new courses are being offered for the first time in Hart High School. They are chemistry and speech.

All first graders must bring their birth certificates and all students must have been vaccinated for small pox.

Six new teachers have been added to the faculty. They are Mrs. Alice B. Hale, first grade; Mrs. Lewis Wakefield, 3rd grade; Bill Shelby, coach; Mrs. Bill Shelby, 4th grade; Mr. and Mrs. James Stevenson, junior high teachers; and Bob Moore, agriculture.

Other faculty members are John D. LeMay, Superintendent; J. V. Westcott, high school Principal and math; Mrs. J. V. Westcott, Home Economics; A. L. Goodin, girls coach and business; Mrs. Lena Manning, english; Tommy Keener, science.

A. B. Bostick, Elementary principal and math; B. C. Beard, 5th grade; Mrs. B. C. Beard, 4th grade; Miss Opal Ray, 3rd grade; Mrs. Carrie Futrell, 2nd grade; Miss Lillian Dalrymple, 2nd grade; Mrs. Jean Durrrough, 1st grade; and Mrs. Mary Dell Osborne, colored.

Club Plans Restraining Barrier

Olton Lions Club has voted to build a restraining fence between the school yard and the street along the bus loading zone in front of the elementary school.

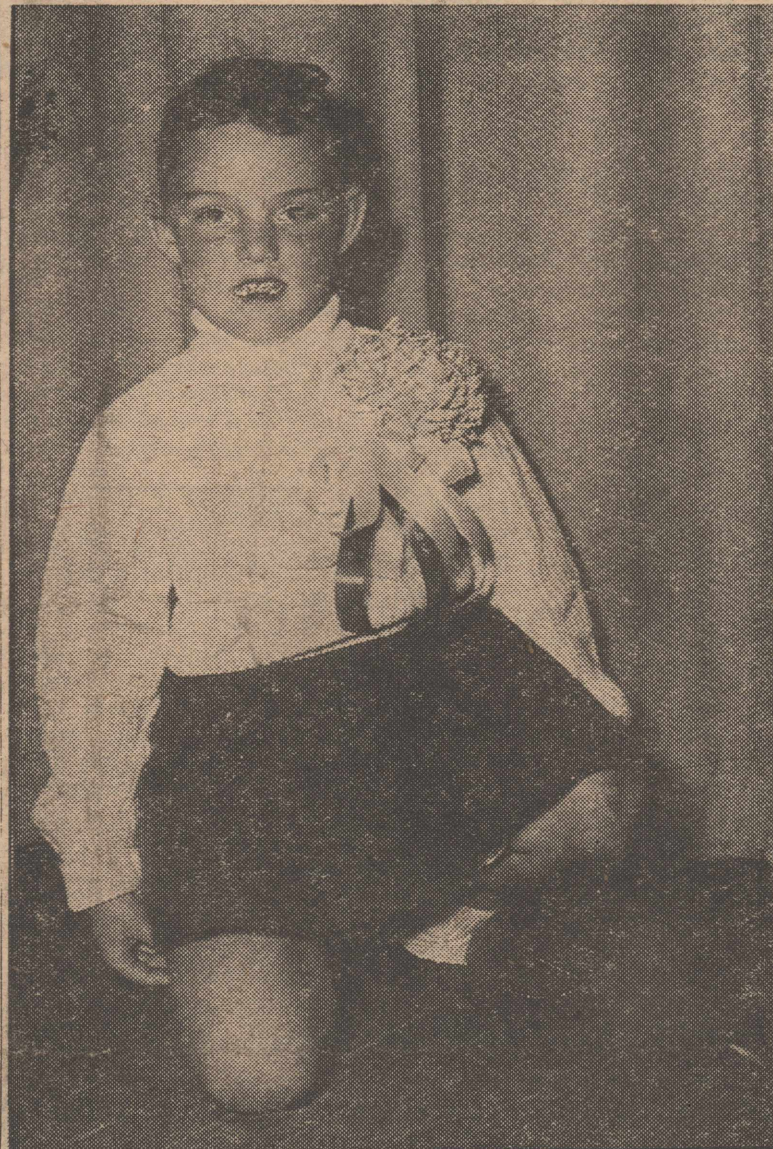

The 300-foot fence will run north and south along Avenue G. It is designed to keep school children from crossing the street except at duly designated intersections where traffic will be controlled by three-way traffic lights.

squad will be present.

Everyone has been urged to participate in the Quarterback Club this year. The club is solvent with some \$1,200 in the bank. There will be no membership dues this season, club authorities reported.

Outlook Good For Organizing Active Chamber Of Commerce

FALSE CHINCH BUGS HIT MILO; LEAFWORM INFESTATION FEARED

Heavy infestation of late insects has been reported in the area.

County Agricultural Agent Bill Kimbrough said leaf worm infestation is serious at Sudan and could break out here in a short time.

In the meantime, false chinch bugs are damaging grain sorghum in the vicinity of Olton. Infestation runs from light to heavy.

The bug hits crops in the late milk stage. It can be found most of the time near dwellings or out buildings and will migrate through the remainder of the field.

Infestation is not definite and every field should be checked for these harmful insects. The edge of the field may look as if it had been damaged by birds. Careful checking should be done each day.

BOARD STRENGTHENED BY APPOINTMENT OF NEW MEN

Olton's Chamber of Commerce appeared poised to roll this week.

The Chamber—well attended for this time of year—strengthened its board of directors and then gave the 13-man temporary body the green light to go ahead with organizational ground work.

Two merchants and three farmers were added to the board. They include Sim Hayes, Leo Smith, Bill Bearden,

Clovis Poteet and Marshall Stone.

Members of the board gave detailed reports on facts gathered by visiting neighboring towns and observing how their Chambers of Commerce operate.

Probably one of the most candid of all the reports made was by Temporary Chamber President Don Williams. Williams reported on the functioning of the Littlefield Chamber of Commerce.

He stressed the importance of attracting small business as a means of building a pay roll. He pointed out that any Chamber must operate with long range goals in mind.

The Chamber of Commerce president was empowered to appoint a nominating committee to nominate candidates for permanent office when the Chamber is formally organized.

Members of the board met Wednesday morning and discussed organizational problems.

Appointed to the constitution and by laws committee were Russell Grimes, Herman Meyer and Tom Carlisle.

Appointed to the dues committee were Leo Smith, Bill Bearden, Clovis Poteet, Bill Kelley and Fred Thompson.

The directors will meet again next Wednesday. Next meeting of the Chamber of Commerce body will be held Sept. 12.

Bohner School Registration Is 76 Students

Bohner School for Negro children opened Monday.

Principal B. T. Graves said enrollment there was 76 students. He said about 20 percent of the prospective enrollment still has not started to school.

SCHOOL STARTS NEXT MONDAY COMPLETE FACULTY SAYS SUPT.

School starts Monday. Children of grades one through three should report to the pri-

mary building and grades four through seven to the elementary building at 8:45 o'clock.

Buses will pick the students up in the morning and then school will dismiss and buses will run at 2 o'clock in the afternoon.

School Supt. Noel Johnson said Radio Station KGNC at 710 in Amarillo has consented to be Olton school's official radio station, to make announcements concerning such things as inclement weather and to make other emergency announcements.

"We feel that it will greatly simplify any situation to use the one station," Mr. Johnson declared. "Of course, if there is no announcement from Olton during bad weather, it will be assumed that school buses will run as usual. Any announcements contrary to regular schedule will be made over KGNC."

Mr. Johnson said the school is getting underway with a full faculty.

WORKMAN INJURED IN RODEO

Don Workman suffered a broken leg a week ago last Saturday night in the steer bulldogging even in a rodeo at Sayre, Okla.

Don has been an outstanding rodeo performer in the rodeo circuit for some time.

IT'S THAT TIME AGAIN

Olton High School football boys are shown here in the first workouts of the season. Coach Turner has some old hands back this year but he will sorely miss such stalwarts as Teddy Estes who graced the roster of the Turnermen last fall. The Mustangs are looking fine in early practice says Coach Turner. (Staff Photos)

SPRINGLAKE BOYS

Two Springlake boys will be on the Big State baseball Camp All Stars when they participate in the Junior World Series in Mexico City September 28. The boys are Claude Davis, 17, son of Mr. and Mrs. Ashley Davis and Max Goforth, 18, son of Mr. and Mrs. Ernest Goforth, both of Springlake.

The All Stars were picked from about 150 senior boys under the age of 20 who attended the Big State Camp in Meridian, Texas. The camp was attended by boys from all the United States, Mexico, Canada, and the West Indies.

Claude, a pitcher, played pee-wee, pony and American Legion ball. Max, catcher, played with the American Legion team of Olton.

The boys will meet the rest of the team in Fort Worth September 26th and fly to Mexico City for two weeks.

GROUND OBSERVERS MEET

Members of the local Ground Observer Corp have had two meetings in August. On August 8 the group went to Lubbock where they had lunch and then visited the Reese Air Force Base.

Making the trip were Doniece Silcott, Charla Granbery, Ellen Jones, Oneeta Yates, Joyce Gray, Janice Campbell, Gayle Machen, Maenette Dennis, and Gayland Graham. Sponsors were Mrs. H. H. Shanks and Mrs. Paul Burrus.

August 26 the GOC met at their post in Olton. Mrs. H. H. Shanks gave a report on the banquet she attended recently in Littlefield.

The girls were awarded their identification cards which represent ten or more hours work.

Attending the meeting were Janice Campbell, Joyce Gray, Ellen Jones, Charla Granbery, Koenia Schenck, Gayland Graham, Mrs. H. H. Shanks, and Mrs. Paul Burrus.

Bernice tells me that she works until five at Thomas Furniture, then works until 11 of 12 p.m. on her house with her husband Angus.

Mmm — that barbershop quartet sung at the style show Thursday night by Don Williams, J. B. Stanley, Douglas Owen and Devin McAnally certainly made me lonesome for the "good old days."

"Good old days" in this case means those high school and college singing days.

But more important, it reminded me that we don't have enough musical manifestations around here in Olton—at least so it seems to me as an amateur music-lover. I know it isn't because we lack the talent. There's

loads of that walking around.

But for some reason, just seldom ever go to a program of any kind anymore (other than a church affair), and hear any type of special music.

Wonder why?

I for one would love to spend an evening listening to innumerable musical ensembles and solos—NOT including the noisy rock 'n roll and the stereotyped calypso. Just some plain old-fashioned barbershop harmony, some melodious by-gone popular tunes, some spirituals (done up right), some religious arrangements (like "My God and I," "Battle Hymn of the Republic," "The Lord's Prayer") and especially some semi-classical songs such as "Stardust," "Deep Purple," "The World Is Waiting for the Sunrise," and some Ger-shwin.

Would love it just as much to be a part of such a performance.

if worse came to worst.

Mind, I'm wishing for GOOD music—not just hopped up numbers without any practice or arrangement or even MELODY. I guess as long as I'm wishing I might as well wish for the best, hadn't I?

Of course, I know of no fairy god-mother who could make my wish come true, but I DO believe in fairies of a sort.

And they say wishing will make it so.

i-t-o

Thinking of the good old singing days reminds me of my high school choir director—a fabulous woman with an artist's temperament to boot. She could explode at us with the force of an A-Bomb, and in the next five minutes have us singing Mal-lotte's "The Lord's Prayer" as if we were in the presence of God. Anyhow, she lived in a pent-house on the 14th floor of the Herring Hotel in Amarillo, and for most of us it was quite exciting to visit her there. A pent-house!

Actually, it was only a rather crowded apartment with high rent. Something about it strikes me as quite funny now, and at the time I hardly noticed it. She had had the management install a kitchenette for her where a bathroom first was. And as an afterthought, she suggested they leave the commode in place and she'd use it for a garbage can, with shelving built over it as a disguise.

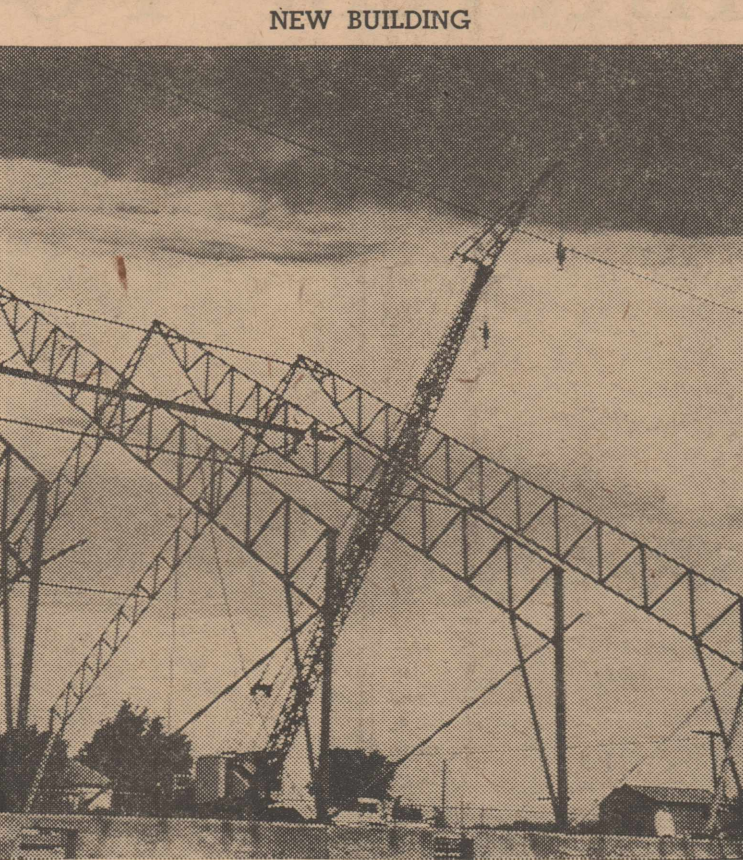

That was at least 13 years ago. And it worked. Nowadays we call such a unit in the kitchen a "disposal."

Bro. F. E. Graham brought a copy of his favorite Bible riddle the other day. If you like riddles, this one's a humdinger. He told me the answer before I read it, else I doubt I would have guessed. Try your Bible know-how.

"God made Adam out of dust, But thought it best to make me first;

So I was made before the man, According to God's most holy plan, My whole body God made

completely,

Without arms or hands or feet.

My ways and acts did God control.

But in my body he placed no soul.

A living being I became,

And Adam gave to me a name.

Then from his presence I withdrew,

For this man Adam I never knew.

"All my Maker's laws I do obey,

And from these laws I never stray.

Thousands of me go in great fear,

But I seldom on the earth appear.

Later, for a purpose, God did see,

So he placed a living soul in me.

But that soul of mine God had to claim,

And from me took it back again.

And when this soul from me had fled

I was the same as when first made.

Without arms, legs, feet or soul,

I travel on, from pole to pole.

"My labors are from day to night,

And to men I once furnished light.

Thousands of people, both young and old,

Did by my death bright lights behold.

No right or wrong can I conceive;

The Bible and its teachings I can't believe.

The fear of death doesn't trouble me;

Pure happiness I will never see.

And up to heaven I can never go.

Nor in the grave or hell below.

So get your Bible and read with care;

You'll find my name recorded there."

SMART SEASON SPORTSWEAR STEALS "STAIRWAY TO STARS" SPOTLIGHT

Soft lights, beautiful decor, piano music, and fall fashions were combined to make the New Century Study Club's style show a delightful event to an audience of more than 200.

Sport and casual clothes dominated fashions at the "Stairway to the Stars" style show in the high school auditorium last week.

Approximately \$240.00 which was taken in from the sale of tickets, will go toward the purchase of school play-ground equipment.

Mrs. Major James was narrator for the fashions shown from Olton and Littlefield stores.

Mrs. C. D. Kirkpatrick won the door prize, a three-way portable radio.

Background music was provided on the piano by Harold Dean Carson, Mr. Carson played "Twinkle, Twinkle Little Star", "School Days", and "Over the Rainbow" while children's clothes were modeled; "Oh Butter-milk Sky" and the various college school songs, during the casual and sportswear review; "Stardust", as the dressy frocks were shown; and "A pretty Girl Is Like a Melody", for the hair-style parade.

While Don Franks did a novelty number, Mr. Carson played, "Come To The Enterprise For Office Supplies".

**Exec. Council
Hears Reports**

P-TA officers met in regular executive session recently to hear

reports and discuss plans for immediate events. Mrs. Jack Edwards, program chairman, presented plans for the teacher reception to be held

Thursday, September 5. Superintendent Noel Johnson reported to the group on playground improvements in the grammar school area and parking improvements for students and for football games.

The group discussed plans for announcing emergency information during bad weather on school days over Amarillo's KGNC. Fifteen persons were present, with Mrs. Wayne Hair presiding.

Children

**From Church
Home In Olton**

About 50 children from the Portales Home for Children will be in Olton Sunday. They will attend the morning services at the Main Street Church of Christ.

Basket lunches will be spread at the American Legion building at the noon hour and every one who would like to share in the affair is invited to bring their lunch.

The visit of the children is to show appreciation for the help given them by the local church.

Herman Wilson of the Lubbock Christian College will speak at the morning and evening service at the Main Street Church of Christ in the absence of Minister G. B. Stanley, who will be conducting a revival meeting in Sweetwater, Okla.

**Fantasy Trip
At Church**

"A Trip to Mission Lands" was the climax of Sunbeam Focus Week at the First Baptist Church. The boys and girls arrived at the church Friday evening with the tickets for their "plane trip" and were off.

At each stop, games of the country were played and refreshments were served. The itinerary included Japan where they had tea and cookies; Mexico, candy; Hawaii, bananas; Alaska, ice cream sticks; and an Indian Reservation, candy corn. In Hawaii they also received leis. About 25 were present.

Folks Anticipate Cool Weather

Cool, cool weather is the favorite feature of fall, according to a question-answer poll taken here Tuesday.

Several Olton persons responded with the following answers when asked the question, "What do you like best about fall?"

Mrs. Raymon Andrew: We get away from the summer heat, I guess—and get a little money too. We farm, you know.

Mrs. T. G. Butler: The weather being cooler.

Mrs. H. R. Curtis: In farmng—unless you've been hailed out—we're expecting the results of our year's labor. This is the time of the year when the kids are getting ready for school and we're gathering our crop.

Mrs. L. G. Elkins: Ask a farmer that, you know what he'd say: harvest. It means more profitable living. The farmer looks forward to fall because that's his pay-check.

Mrs. E. E. Givens: Oh, the cool, soothing breeze—when it comes.

Mrs. Elbert Hyman: Well, it's harvest time.

Mrs. J. R. Jennings: It's the cooler weather, I guess. Fall's a nice time of year, I think.

Mrs. Leslie Kennedy: The harvest, if we make any crop. And I guess really it's the weather.

I'm about to get tired of all this hot weather, myself.

Mrs. Roy Long: It's getting cooler weather, I guess.

"MUSTANG TALE"

BY GAYLE McANALLY

Kay LeFevre of Coleman visited with her cousin, Jean Williams the first part of this week. Jean brought Kay to band practice Monday night . . . Kay is cheerleader at Coleman, and she

must have done some yelling for I heard someone remark that she surely was a good yell leader.

Torchie Cure entered the Farm Bureau Queen Contest at

Springlake Friday . . . Linda Latimer of Littlefield won the contest.

Joyce Curtis' cousin was here over the weekend. Her name is Carolyn Smith in case you saw her and was wondering who it could be . . .

Bill Boverie, Rande Buchanan, and Bill Austin spent last week in Colorado . . . Did you

have a good time, boys??

Butch Hulsey was injured in a car wreck in Oregon recently . . . Two other boys were in the car besides Butch . . . The driver of the car was killed and the other boy is in serious condition . . . Butch came out very lucky with a split open arm . . . Butch will arrive in Olton some time this weekend.

Well, the time to return to the "salt mines" has come . . . I guess that all of you know what I am talking about . . . Well, school of course . . . Perk up, everybody . . . Just think about the holidays during school and they aren't very far apart . . . Let's see, Thanksgiving, Christmas, Easter, and then school is out . . . See, that wasn't a very long school year, was it??? Seriously, let's all study and try to enjoy school this year. We have some new teachers and a new superintendent, and also some new students . . . This is the last year for some of our OHS students so let's help them make the most of their year rooting for the dear ole Mustang.

The annuals are to be presented to the school Saturday night. I can hardly wait for mine . . . This will be just about the last time that we see the ex-seniors for a while because they are going to start college soon. (I don't guess any of them want their annuals, so I don't guess they will come!)

Here and there Sunday afternoon and night were Bill Boverie and Johnnie Crawford, Darryl, and Sharron Dennis, John Paul Jones and Janet Oak; Freddie Gordon and Roger Dale Stephens; John Wayne Hair, John Lynn Burrow and Gerry George; Terry Meyer and Syd Hair; Gayland Graham; Judy Lacwell; Deeda Kemp; Janet Oak and Elmer Houston; and Ronnie Dennis and myself.

Harland Carson and Houston Hamby were on horses Sunday.

Mary Lou Limbocker just returned from a week's visit in Oklahoma.

Maenette Dennis and Lonnie King were together Thursday night. Also around were Darryl and Ronnie Dennis, Jerry Mathis, and John Paul Jones.

Understatement of the week: From nearly all of the football boys, especially freshman and sophomores—OHHHHHH . . .

Football and training starting means different things to various people. For instance, Terry Gail Hooper says that she can drink soft drinks—all she wants and boy, is it fun to stick them

under Kenneth's nose . . . (Kenneth is her brother and is a freshman football player.) Of course, to several of the boys, this is the time that they have dreaded all summer but they wouldn't miss it for the world. (Why is this??) To the girl friends of the players, there are the dead weeks because not too much dating will occur during football season . . . I wonder what the coaches—and their wives think?

Together Saturday night were Kent Wozencraft and Judy Moore, Janet Oak and Elmer Houston, Judy Hendrick and Dewey Hukill, Judith Chester and Freddie Gordon, Bill Boverie and Johnny Crawford, Houston Hamby and Sharron Dennis, and Maenette Dennis and Lonnie King . . .

I hope everyone realizes that any time I have names for people being at the show or anywhere else, there were more people there . . . I just can't get them all . . . Maybe, after school starts, we will have more complete coverage . . .

Here I go again!! BEAT ABER-NATHY, MUSTANGS!

Joyce Curtis and Jerry Collins, Dewey Hukill and Judy Hendrick were together Friday night.

Bettie Lois Daniel and Betty Jane Bryant have been in New Mexico with Bettie Lois' parents on a vacation recently.

Here is the address of David Price . . . Why doesn't someone or everyone drop him a line and let him know that Olton is still on the map . . .

MORE POWER...

Greater Fuel Economy

Than Any Other Row-Crop Tractor
Ever Tested at Nebraska!

**The New JOHN DEERE "720" DIESEL**

WITH more than 58 h.p.* under its sleek hood, the new John Deere "720" Diesel is today's most powerful row-crop tractor. And talk about fuel economy! In official Nebraska Tests, this tractor developed more horsepower hours per gallon on the drawbar than any other tractor ever tested on any fuel.

Here's a combination of power and economy coupled with general-purpose versatility and adaptability

that spells out greater profits for you. With a new "720" Diesel, daily work output goes 'way up; operating costs are greatly reduced. You can use the "720" with drawn, integral, power-driven, or 3-point equipment. An unmatched combination of modern features (right) brings you comfort, convenience, and an ease of handling such as you've never known. Stop in soon and let us give you all the facts on this newest John Deere Value Leader.

New Custom Power-Trol with up to three independent hydraulic circuits.

Advanced Power Steering saves your muscle every minute you're at the wheel.

New Independent Power Take-Off eliminates the cost of auxiliary engines.

New Universal 3-Point Hitch features exclusive Load-and-Depth Control.

Exclusive Roll-O-Matic "knee-action" front wheels cut front-end bounce in half.

New Flat-Ride Seat provides gentle floating ride in roughest ground.

Owning a Chevy's the only way

to have all these fine things

You'll find that Chevy's the only low-priced car with any of them . . . the only car at any price with all of them!

BODY BY FISHER. Here you see the solid construction and close fittings, the fine craftsmanship that the other low-priced cars can't quite seem to match.

SHORTEST STROKE V8. This one turns raw horsepower into pure pleasure with a super-efficient design that's years ahead of other V8's in Chevrolet's field.

BALL-RACE STEERING, STANDARD. As smooth-working as steel balls bathed in oil! Extra-easy handling begins here!

TRIPLE-TURBINE TURBOGLIDE.* There's not even a hint of hesitation as triple turbines take you smoothly from a standstill to cruising speeds.

A BIG ASSORTMENT OF SPECIAL FEATURES. Like Safety Plate glass all around; crank-operated vent windows; extra-long outrigger rear springs; the easier loading advantage of a low-level trunk ledge! Your Chevrolet dealer's the man to see.

*Optional at extra cost.
