THE GRANDDADDY OF THEM ALL! This huge tumbleweed blew into the yard of the O'Brien Baptist Church parsonage early this week and was so large there was no way it could have gone through the opening of the Rev. Bill Trice's garage door opening. These large tumbleweeds may get to be rather common in the area, as so many acres of farm land have been put into retirement and the land has not been cultivated. Brazos Electric Granted Temporary Rate Reduction

Today, the Public Utility Commission approved an interim order granting Brazos Electric Power Cooperative a $10 million temporary rate reduction. Final approval will be considered by the Commission within 30 days.

Brazos Electric's wholesale customers will begin receiving the benefits of this reduction with bills for December usage. Consumers generally should see a reduction of about $7.00 for each 1000 kilowatt hours used during the four-month period. The decreased rates will be in effect through March 1989. In 1987-88, the Cooperative had a temporary rate reduction of the same amount. Since January 1983, Brazos Electric has reduced the average cost of its wholesale electric power by more than 15 percent.

"Passing on savings to our consumers is a major part of the mission of electric cooperatives," said Richard E. McCaskill, executive vice president and general manager of Brazos Electric. "Outsiders are beginning to ask how we do it," he said. "If they look, they will see the strong support we have from our employees and member cooperatives. The cooperative system works for its consumers.

The Cooperative requested the reduction in a petition filed November 1.

With headquarters in Waco, Brazos Electric provides wholesale electric power to 20 member distribution cooperatives and seven municipal customers. These wholesale customers serve 229,000 consumers in 66 counties in Texas.

Classing Season Is Winding Down

Unseasonably warm weather prevailed throughout the Abilene Classing area this week allowing farmers to finish harvesting in many areas. Some gins to the north are finishing up while those in Howard, Martin and Scurry counties are still running at full capacity with several trailers and modules waiting.

The classing season is now in the winding down stage at the USDA Cotton Classing Office in Abilene. With sample receipts totaling 44,820 this week the backlog has been reduced to three days. According to Area Director B.B. Manly Jr., local classers should be able to handle the remaining work load so all traveling classers were released Thursday. This week 55,000 bales were classed, bringing the years total to 440,500. Of the cotton classed this week grade 31 was predominant followed by grade 41. Average mike was 40.7 with uniformity 79.4. As might be expected of cotton harvested after a freeze, bales reduced for bark was up with slightly less than 30% being barked. Strength grams per tex average 24.5.

A recent change in the law offers some protection against misleading advertisements that prey upon the public's concern about Social Security and Medicare. The rule gives the Secretary of Health and Human Services authority to take action against firms that use the words "Social Security" or copies of the social security cards or emblems to give the impression that the government is endorsing a particular product, service or organization.

The rule covers advertisements, circulars, books, pamphlets, radio and television broadcasts, and other communications. Violators are subject to civil monetary penalties.

Benjamin News

By Gladene Green

Well, I hope everyone has had a good Christmas. I did. I spent the holiday weekend in Munday with my kiddoes, the Rick Herrings and the Gordon Taylors. And needless to say, Santa was far better to me than I deserved. And with all that good food and high caloric snacks, I will have to really "fast" for the next several days. It was all fun, though and now after the New Years holiday, it'll be time to re-settle in our old routine and look forward to 1989. Lots of visiting took place around the area during the holidays. I hope (if I didn't get your news in) you will call me before next Monday.

HERE 'N THERE

Visiting Juanita Burnett during Christmas were Betty Mancille, Jim Mancille and Tommy Latimer and son of San Antonio, Tommy is doing pretty well after his accident in the early fall. He is still having some problems and may be facing more surgery, but he feels very fortunate to be doing as well as he is.

Gloria and Leroy West spent Christmas with their daughter and family, Betty, Roger and Sabra Parker in Aspermont. Their Christmas was completed when they received a call from Gloria's son, Robert Clower who resides in Conyers, Georgia, to wish his family a Merry Christmas.

JV Houndettes Find 'Road Rough' To Victory

By Coach Linda Haragan

The junior varsity Houndettes have found the road pretty rough during their basketball season thus far. Comprised of three juniors and the rest freshman the Houndettes are facing teams with more experienced players. But the girls are working hard and improving every week. They may be short on experience but they know how to hustle and that has kept them in the ball game.

Seymour was the first opponent of the year. They defeated the Houndettes 52-18. Ymelda Gonzales and Ivy Maurer led the team in total points.

Abilene Christian was defeated in their home gym 28-9. Ymelda Gonzales was the top point girl in this game.

Olney torunament was the next game for the Houndettes. They took on host Olney and came out the winner 36-34. It took an overtime to get the win. Ymelda ripped the nets in leading her team to a victory.

Iowa Park was the opponent in the Championship game of the tournament. The Houndettes had a four point lead at half, but could not hold on. They were defeated 41-25. Beatrice McCrary and Kathy Robinson took the scoring honors in this game.

Crowell hosted the Houndettes, but were not very good host. They defeated the Knox City girls 33-22. Kathy Robinson and Ymelda Gonzales shared the scoring lead.

The Houndettes went to the Seymour J.V. tournament and took on Electra. Electra, using a varsity player, defeated the Houndettes 50-19. The girl scored 30 points and played until there was only three minutes left in the game. The Houndettes, had they played J.V. players, could have competed with this Class AA school. Ymelda Gonzales and Shea Manuel led the Houndettes in scoring.

Knox City met Crowell in game two. Crowell won 29-23, but the Houndettes played a good game. It was probably their best effort of the year. Becky Wilson and Ivy Maurer were top scorers.

The J.V. Houndettes played Olney in their last game of 1988. Olney had a good lead, but the Houndettes worked to bring it to a three point game losing 36-39. Maggie Rodriquez led the Houndettes in scoring.

IN GAINESVILLE

Wilburn Condron spent Christmas in Gainesville with his brother, R.H. Condron Jr. and family.

He returned home Monday afternoon.

Streams In Desert Places

By Ozelle Stephens

"But the fruit of the Spirit is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance; against such there is no law. First we would ask the question, are you a fruit-bearing Christian? Are these things evident in your life?

The true Christian life is characterized by the manifestations of certain virtues. Even the sinner looks for the virtues in the person who professes Christ.

The true Christian virtues are the fruit of the Spirit, not the fruit of the human effort. Only when we are filled with the fullness of the Spirit and led by the Spirit do we have the fruits of the Spirit. The list of the fruits of the Spirit is actually the Sermon on the mount in a nutshell. It is the ideal of Christian living in its most concentrated expression.

Paul emphasizes again the same principles of Christian life when writing to the Phillippians, he says, "Finally, brethern, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue and if there be any praise, think on these things. Those things which ye have both learned and received, and heard, and seen in me, do; and the God of peace be with you."

The fruit of the Spirit is the character of Christ produced by the Spirit of Christ in the follower of Christ. The greatest treasure of the believer is this golden chain composed of nine precious links on which is engraved, "the fruits of the Spirit."
