The deadline for next weeks *Clarendon News* will be Friday, May 28th. The Clarendon News will be closed for Memorial Day, Monday, May 31st.

Walker Honored

Cathryn Wright, President of The Opportunity Plan, Inc., Canyon, Texas, announced today that the Amarillo law firm of Perdue, Brandon, Fielder, Collins & Mott has made a contribution to honor Jeff L. Walker, Jr., retiring Superintendent of Clarendon ISD, for his many years of dedicated service in the field of education. The money will be used to provide two scholarships for students pursuing a degree in the field of education at West Texas State University.

The Opportunity Plan joins in congratulations to Jeff Walker for his retirement and for the impact he has played in providing quality education for students in the Panhandle area.

LOCAL MAN WINS RACE - J. R. Pierce won 1st place at the Elk City Speedway, May 15th, with his '76 Buick Regal, car #44. Pierce had this comment, "Car racing is not an expensive hobby and is a legal solution to hot rodding!" If you like to drive fast, keep it legal by putting a car on the race track.

Test Offered

The test registration form must be completed and returned in the pre-addressed envelope and must be received in Iowa City, Iowa, no later than 5:00 p.m., June 11th, 1993. Test cities are listed in the registration packet.

EXIT Level Summer Test Administration for out of school testers will be held on the following dates:

TAAS: Writing, Tuesday, July 13, 1993; Reading, Wednesday, July 14, 1993; Mathematics, Thursday, July 15, 1993

TEAMS: English Language Arts, Wednesday, July 14, 1993; Mathematics, Thursday, July 15, 1993

Poll Results Announced

The public opinion poll conducted last week produced a sizable response. There were 107 people who favored adding Jeff Walker's name to the stadium. And 244 people opposed naming the field for the controversial superintendent. Only 15 people did not care.

That is a total of 366 responses.

Some comments are printed below:

"It is demeaning for me to complete this crappy poll, your a jerk, Bob Williams leave town Thanks,"

"This man [Walker] has done more harm than good to our schools. The **only** way his name should ever be considered is if they change the team name to **The Donkeys**."

"I like the current name: 'Bronco Stadium.' **Go Broncos!**"

"There have been several teachers over the years that have done 10 times more than Jeff."

"The football field is Bronco Stadium to commemorate the kids and teams, not a single individual. There is no 'I' in 'Team'."

"There are a lot of teachers, superintendents and community leaders who are just as important (if not more so) than Mr. Walker."

"No! But Hell NO! He did Clarendon NO favors. Parents have paid for everything thru the years."

"This is the most ridiculous Thing I ever heard of!"

"**Mr. Walker should be honored.** He has served our school system for 29 years, **and he has served it well.**

"The football field should be named Pete Bromley Field. He was raised here, played pro-football and treated everybody the same whether or not they played football."

"I am not necessarily in favor of 'changing' the name but I am in favor of honoring Mr. Walker with some type of honor, whether it be Walker Field or Walker Band Hall or Whatever, the man deserves more from this community then what this paper of editor suggested. If this paper is dedicated to fair & impartial reporting then please let it be so."

"I do not feel that a town should name the field for a man who has done nothing for the town. The stadium is for the kids. The **kids** are what make the Broncos."

"I do not know one thing that Mr. Walker did that would warrant the football field being named for Jeff Walker."

"We have had many patrons worthy of this honor in the past. The School Board should not make this decision."

"I can think of many others that are more deserving of this honor: Pete Bromley, for instance."

"He is a disgrace to the school--If we must rename the field, there must be others that have a better reputation."

AMANDA DAWN WARD

STEPHEN BRYANT CARSON

Hedley Names Top Graduates

The administration, staff, and faculty of Hedley High School are proud to announce the top two students of their 1993 graduating class.

Amanda Dawn Ward has been designated as class Valedictorian with a high school grade average of 94.21. Amanda is the daughter of Mr. and Mrs. Leon Ward of Hedley and the granddaughter of Mr. and Mrs. Boots Ward and Mr. and Mrs. John Hill, Jr., all of Hedley. Stephen Bryant Carson, with a high school grade average of 93.30, represents the HHS Class of 1993 as their Salutatorian. Stephen is the son of Mr. Ben and Paula Carson of Quail, Texas, and the grandson of Mr. and Mrs. Johnny Carson, also of Quail, and Mr. and Mrs. Lloyd Langley of Wellington, Texas.

Amanda and Stephen, along with the other members of the Senior Class, invite everyone to their Commencement on Friday, May 28, 1993, at 8:00 pm in the HHS Gymnasium. Bright Newhouse, minister of the Hedley Church of Christ, will be delivering the baccalaureate address and Barbara Collins will be singing a couple of very special and inspirational songs.

The Class of 1993 would also like to express their appreciation for those who helped them in their fund-raising efforts for their Senior Cruise to Mexico. A senior trip of this type would not have possible without the generosity of their friends and family.

Holiday Safety Reminders

As memorial Day approaches, motorist are planning for summer vacations and their first long weekend at the lakes. Once again, motorist will face the hazard of traffic deaths and injuries on our state's highways.

Trooper Jerry Burgtorf, Safety Education Officer with the Department of Public safety, reminds us that summer time will mean an increase in the volume of traffic on our streets and highways. With more travelers sharing the road, the potential for traffic accidents also increases.

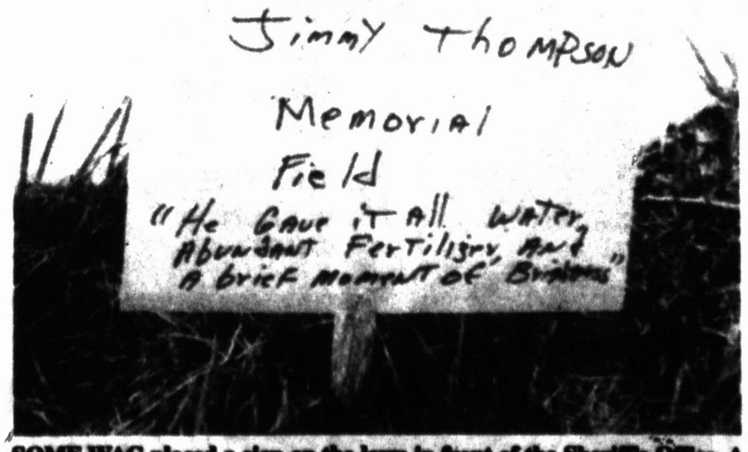

Each driver holds the key to their own safety. By ensuring that our vehicle is in good working order, pre-planning our travels to allow plenty of time to arrive at our destination and concentrating on the driving task at hand, this allows us to have the extra edge we may need to avoid a collision.

Drivers should be extremely cautious in and around the recreational areas. During this season, traffic is heavier and roads leading in and out are often congested. The roads are narrow and often have curves and no shoulders. The use of alcohol and other drugs increase with the volume of traffic, so be alert for other drivers mistakes, fasten your safety belt. Remember, if you are going to drink, please don't drive.

Absentee Voting Set

June 1st is the last day for absentee voting for the upcoming run off election for U.S. Senator between K. Bailey Hutchison and Bob Kruger. You may vote absentee at the Clerk's office in the Court House.

Voting day is June 5th - Locations of voting places are: Precinct 1 - College Bairfield; Precinct 2 - Old Courthouse; Precinct 3 - Hedley Lions Club; Precinct 4 - First Bank & Trust.

SOME WAG placed a sign on the lawn in front of the Sheriff's Office. A search is underway for the guilty party. Sources close to the investigation have revealed that they suspect an Aggie.

Honors Given

Southwestern Oklahoma State University at Weatherford has announced both the President's and Dean's Honor Rolls for the 1993 spring semester.

An undergraduate student who earns all A's in 15 or more hours during a semester qualifies for the President's Honor Roll. There were 110 students named to the spring President's Honor Roll.

There are 615 students on the Dean's list after completing 15 semester hours of undergraduate work with a grade point average of 3.0 ("B") or higher, with no grade lower than a ("C").

Named to the President's List for the Spring Semester was Kayla Dee Hunt Lindley from Lakeview. Kayla is the daughter of Gary and Nena Hunt of Clarendon.

Alpha Chi Chapter Inducts Members

Sixty members of West Texas State University's junior and senior classes were inducted into the Texas Zeta Chapter of Alpha Chi, a national honor scholarship society, during a special ceremony on Thursday, March 25.

Membership n Alpha Chi is by invitation only and is limited to students who have a grade point average of 3.50 or higher on a 4.0 scale and rank in the top 10 percent of their respective class.

Jay Gage, of Clarendon, senior all-level kinesiology/English major, was among those inductees of the WTSU Class of Spring 1993.

Register Now

Registration is starting now for this Fall's pre-kindergarten classes at the First Baptist Church. Classes will be held 5 days a week from 9 a.m. until 12. Ages 4 years old will go on Monday, Wednesday, and Friday; Ages 3 years old will go on Tuesday and Thursday.

You may call the church at 874-3833 or Aileen Leathers for more information.

Dear Editor,

The Clarendon School Board met May 13, for their regular meeting. A proposal was brought up as a nice jester to **add to** the Bronco Stadium **not rename**, for Jeff Walker. All members were present and the floor was open for discussion. There was no discussion. There was no discussion of opposition from anyone, however, there was when called for a vote one nay. Still no one offered any opposition at the time or during open forum!

This adding "J. Walker" to the football field will be no cost to the school system or tax payers.

Mr. Walker has been an active supt. and in education for twenty nine years at CCISD. He has ran a tight operation and stood by it. His strict financial management has inabled this district a secure past as well as future. It is ever so easy to sit and criticize and point fingers and belly ache about our school system and those involved. It takes a open minded person to go in and sit down and talk and work out problems that occur in the course of events and give and take. I feel before we condemn a teacher or administrator or anyone else get all the facts. What you read in the paper or hear on the street or from your child is not always the whole story. There is two sides to every story and sometimes more.

I personally like to move in a positive and constructive manner. Move forward and leave the past in the past.

I moved into this community 25 years ago and began to hear what an awful person and administrator Mr. Walker was. Therefore, my judgement was sketical and confused about this man I did not know. Years went by and my children started to school. Problems arose as with all children and teachers. I started spending time around the school asking questions, talking and trying to understand what was going on. More time when by and I started participating in school organizations and functions that involved dealing with adminastration. This person, that I was told to be the devil himself, always had time to talk to me, offered solutions to problems, or explained why things had to be done as they were. We all can not agree 100% of the time. Their are different ways of getting a job done. Mistakes have been made in the past and more will be made in the future. I have made mine and if you're human you have made yours. Move on, be positive, and treat your neighbor as you would want to be treated.

Derlene Graham

Dear Editor,

Can you tell me why it is necessary to have a poll, when the issue in question was voted on. Also why do you have to sign your name? Are you expected to buy a paper to vote in the poll? Is that the only way you can vote? Is there something I don't understand? Why is there always an issue in the paper concerning our schools? Why is so much in our paper negative? Is there only one opinion? Didn't we as a community elect our school board to do best for our school and community. I stand behind our school board. I feel we have a good school system and I think it is time we quit tearing down people. with the kind of write-ups we get in the paper, we do not need enemies. By the way, I am in favor of naming our field "Jeff Walker Field"!

Bobbie Floyd

Editor's Note: Several citizens suggested a poll. That is a fairly common technique used by many newspapers to get a rough estimate of public opinion on an issue. Judging by the enthusiastic response by the community, it would probably be a good idea to have polls more often.

As was explained in the article, the [confidential] signature was required so that no unethical person (on either side of the issue) could "stuff the ballot box".

Ballots were available for anyone who wanted one. There was no charge. Many folks photocopied a blank one and brought it in.

The question as to why there is always controversy about the schools is a valid one, but one which the editor is not wise enough to answer. It seems as though schools are a controversial subject in Clarendon, in Texas and throughout the United States. About the only consensus seems to be that improvement is needed.

Frankly, the editor does not care what the field or stadium are named.

However, the community was very upset by the board's actions. The paper's job is to report what is happening in the community. It is irrelevant whether the editor feels the issue is vital or trivial. In this particular case, a poll seemed to be the only unbiased way to determine the community's sentiments.

Special interests are forever suggesting that a given journalist, paper or network is biased against their position. And occasionally that may be true. Most of the time it is **not** true. However, the public does not want newspeople covering up politicians' actions. However convenient such covering up would be, it would be irresponsible journalism.

Perhaps if the Board had listened to the community, it could have avoided an embarrassing incident.

This issue touched the community in a highly emotional place. But is it really that significant?

On the same page that carried the poll blank also carried the minutes, including the results of the TAAS Test. That test indicated that 100 per cent of the students passed the Writing section and 97 per cent passed the Reading section. That suggest that some of our faculty is doing a *spectacular* job. However, only 73 per cent of the students passed the Math section. To the editor, at least, this is a far more critical problem than the name on the ball field.

The minutes of the last board meeting state that Johnny Floyd, the new Board President, made a speech urging everyone to leave the past behind and move forward to solve the problems that face the school today and will face it tomorrow. Surely everyone should agree with that.

The local school district has just paid one set of damages and is left with the prospect of at least one more serious suit. Funding for all the schools in the State of Texas for next year is in danger. The legislature has played with the problem for 12 years, and at last report had not worked out a solution. The latest issue of *Time* magazine questions the moral values that our students are being taught (*or not being taught*) nationwide.

Everyone in Clarendon has a vital interest in education. *The Clarendon News* will continue to cover the subject as well as it possibly can.

Editor's note: *In order to avoid inadvertantly changing the intent of any comment, the above are copied verbatim, with no alterations in spelling, punctuation or grammar.*

POLL --from p.1.

"I think you have gone to far this time. Your newspaper business will surely suffer after this. I will not buy another newspaper as long as you own it."

Did you ever notice that the loudest and most vocal critics of our teachers and school system are the parents who are doing the worst job of raising their kids?

"What kind of [illegible] wienie-head would try to embarrass both the board and Jeff Walker with invalid stupid after the fact unscientific poll. Sour grapes from a vienna sausage for brains editor reveal shabby journalistic ethics and no common sense. Get A Life!"

"Each age group or generation of students passing through the Clarendon School system has a favorite coach or sports person. These are names I have personally heard the past two weeks: H.T. Burton, Ray Moore, Clyde Noonkester, Pete Brumley, Kenny King, Jeff Walker. Anyone of these chosen over the others would be unfair, unpopular, and inappropriate. Mr. Walker was influential in building our new Band Hall and New Tennis Courts. Wouldn't one of these be more meaningful and appropriate for his memory."

Dear Editor,

Re: Renaming Bronco Stadium

During my lifetime I have learned two things.

1. Don't hit anybody with a dead cat.

2. Don't name an institution after a person.

Through the years I have witnessed turbulent political fallout, fistfights, name calling, and near eye gouging over the renaming of buildings, lakes or parks.

To rename Bronco Stadium should require the full vote and acceptance of all of us who spent the many tough hours playing football for Clarendon High School in Bronco Stadium.

Leave the name as history has placed it in our memories.

Anything else constitutes piracy.

Dear Editor,

Re: Public Opinion Poll

I have just finished reading the article regarding the above captioned on the renaming of Broncho Stadium.

It has always been my understanding that we elected a school board to handle all matters pertaining to the operation of the public school, which should include the employment of teachers and other personnel, the setting of policy and naming the facilities whatever they deem appropriate.

Just because the wife of the paper's owner was the only dissenting vote on the board when this was brought up, I do not feel that a public opinion poll is necessary to attempt to override the board's decision.

There was no public opinion poll conducted when the stadium was originally named, nor did the Clarendon Junior College conduct a poll to name any of their buildings.

Why can't we let the majority vote of the Clarendon School Board rule, and let them conduct the business that we elected them to do? Thanks you so much

Yours very truly,
Walt Knorpp

Dear Mr. Williams

I have recently been informed the Clarendon School Board voted to name the football field at Bronco Stadium "Walker Field", in honor of retiring school superintendent Jeff Walker. I understand the vote by the School Board was 5 in favor and 1 opposed. The decision was reached in a very timely manner with very little if any opposing discussion.

It now appears that you have chosen to create a controversy over what I and many other citizens and former students consider to be a very "non-controversial" issue.

Jeff Walker has dedicated 29 years of his life to the Clarendon School System, in several capacities, and is absolutely one of the finest men I have ever known. I can not think of any other individual who deserves this honor more than he does.

I am sure Mr. Walker has, with the school board's approval, made many tough decisions over the past several years. Like all public officials, he could not possibly make everyone happy all of the time; however, he has left the school district in excellent financial condition during very trying and uncertain times. The School Board, with Mr. Walker's guidance, has constructed a new high school, band hall, and recently installed a new IBM computer system. In essence, the school is virtually debt free and the facilities/quality of education will favorably compare with any in the area.

Sincerely
Scotty W. Lindley
Former Student

Dear Editor:

In Re: Renaming BroncoStadium.

Since the School Board took it upon themselves to rename Bronco Stadium without consulting anyone else, I should think that asking for a public opinion poll now is a little after the fact. We elected a group of competent persons to make judicial decisions to govern financial matters, make school policy, hire and fire faculty, make disciplinary guidelines, etc. However, we did not elect them to make monumental decisions that affects the whole community such as changing the name of the football field. I can understand that they want to honor Jeff Walker for being a football coach for the Clarendon Broncos, but there have been some outstanding coaches such as Coach Nooncaster, Coach Bromley, and our current coach, Coach Smith, and outstanding Bronco Football Players as well, such as Jim Moore and Kenny King, who have graced Bronco Stadium. A long, long time ago both of my big brothers, Bill and Keith Pittman, played outstanding football in Bronco Stadium under outstanding coaches named Ray Moore and Tom Jinks, and I know that it is easy to develop "Hero Worship" for your football coach. In my opinion, rather than changing the name of the stadium in one coach's honor, it would be more fitting to honor all past, present and future coaches and Bronco Players by letting the name remain Bronco Stadium.

Senior Citizens News

By Nova Neuhaus

My heartfelt Thanks to all the Senior Citizens, volunteers, Staff and Board of Directors for keeping the Center running so smoothly while I was out last week. Though the loss is great, with God's love and care along with the never ending friendship and support from this great community all makes the burden lighter.

Carmen Wright was kind to come in on Wednesday, May 19th, to do the Blood Pressure checks for us since the Center was closed on Tuesday. She will be back on June 1st, Tuesday, along with the Blood Sugar Clinic.

The Center is still gladly accepting items for the 1st annual auction to be held on Saturday, June 12th. We need furniture, tools, jewelry, pictures, appliances, craft items and etc. No clothes please. Just call the Center at 874-2665 and we can have someone pick-up items on Saturday afternoon and evenings.

If you would like to get your name on the list for another trip to the Big Texan Opry in Amarillo on Tuesday night, June 8th, we will leave at 5:30 p.m. from the Center.

Reminder: The Center will be open and serving the Noon meal on Memorial Day, May 31st. Hope to see you then.

Nurses Celebrate

Recently the nurses at the Medical Center Nursing Home celebrated National Nurses Week (May 6 - May 12). Charlotte Ritchie and Cindy Hewett worked very hard to make this a very wonderful week in which every nurse would realize that they are someone special and have qualities that the nursing home needs to stay as wonderful as it has always been. During this week each nurse had a "mail box" in which they received a little token of appreciation everyday. These ranged from candy to poems about nurses to fingernail clippers (a must in every nurses pocket). To conclude the week there was a banquet in honor of the nurses. Each nurse was pinned with a corsage from the activity department (thanks Tina, Etta, and all of the residents). The banquet was a big surprise with all of the nurses only knowing when and where to be. The dining room was turned into a festive place with streamers and balloons of every color. The nurses began their night by receiving a nurses mug compliments of Medline (our supplier) to fill with their choice of drinks. The meal was prepared by the kitchen staff. It consisted of brisket, bar-BQ sauce, red beans, a baked potato (beautifully wrapped in gold foil) and a hot roll. Following the meal there was a build your own Sundae Ice cream dish. During the night, door prizes were randomly drawn, which were donated by local merchants. All of the nurses were presented a certificate of appreciation and a nursing pin. The retired nurses received praying hands pin. The night was concluded by drawing for the "grand" prizes which were $50.00 Savings Bonds donated by local merchants. This night was a big success. Perhaps a tradition was started that will continue in the future. Nurses are appreciated everyday but sometimes you forget to show it, so the center plans to dedicate one week a year to the nurses.

The Medical Center would like to extend a big thank you to the following businesses: Mr. Burger, Donley County State Bank, First Bank & Trust, The Donut Stop, Wanda's Hair Design, Dairy Queen, Mike's Pharmacy, Carmicheal Exxon, Prairie Cottage Candy, Greenbelt Cleaners, Thriftway, Henson's, Eads Furniture, The Nook, Bivens Pharmacy, Stavenhagen Video, Pat Walkers Figure Salon, The Print Shoppe, Floyd's Automotive, White's Feed & Seed, Alexander's, The Coyote Den, Petty's Texaco, JAMZ, Kidd's Texaco, Amiga's, Bar-H-Dude Ranch, The Hair Connection, Ruby's Restaurant, Guys & Dolls, Mary's Country Kitchen, Sayes, Wood 'N Stuff, and Harlans Flowers. The Medical Center would also like to send a very special thank you to Nina Hunt who very graciously gave her time, energy, and talent to calligraphy the names on the certificates. She added a very beautiful touch to them.

Cancer Screening Scheduled

On Saturday, June 12, from 10:00 a.m. to 3:00 p.m., The Don And Sybil Harrington Cancer Center and High Plains Baptist Hospital Mobile Mammography Unit will be in Clarendon at Clarendon Medical Center Clinic, HWY 70 North. Exams are done by appointment only. For information or to schedule an appointment call 1-800-377-HOPE (4673) or (806) 359-4673.

The total cost of the screening is $70.00. This includes the x-ray, physical breast exam, and the radiology fee for reading the mammogram. Funding has been provided by the Texas Department of Health to allow for free breast screenings for women who qualify.

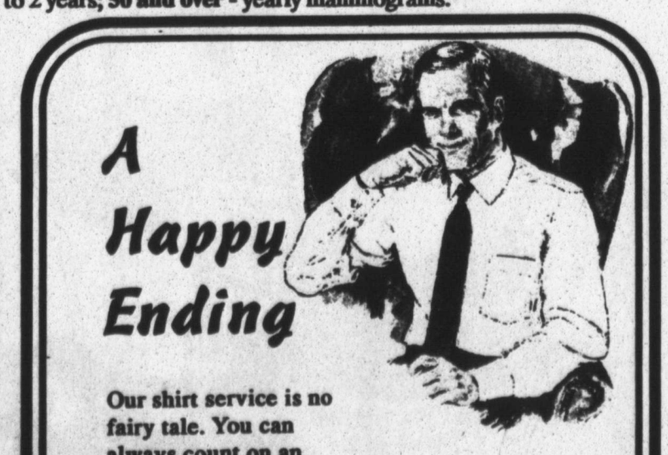

The major goal of the clinic is the early detection of breast cancer. The clinic provides low cost screening which includes a breast exam by a Registered Nurse trained in breast cancer detection, teaching of breast self examination, and a mammogram. Currently, the most effective method known to win the battle against breast cancer is early detection. Early detection is best done by following the guidelines recommended by the American Cancer Society for breast cancer screening for women who have no signs or symptoms of breast cancer. The guidelines are: 1. Learn and perform breast self examination every month. 2. Have a physical examination every year. 3. Have a mammogram according to the recommendations by age: **35 to 39** - one baseline mammogram; **40 to 49** - a mammogram every 1 to 2 years; **50 and over** - yearly mammograms.

Defensive Driving Class Set

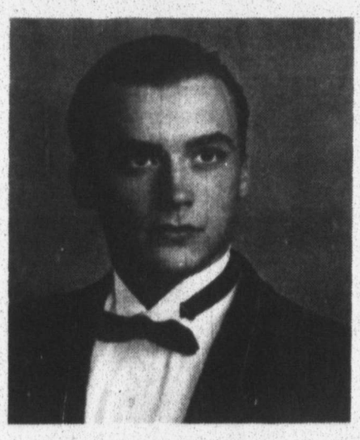

The Office of Continuing Education at West Texas A&M University is offering an eight (8) hour course on the techniques of defensive driving, with emphasis on driver attitude. This course will be offered on June 7 and 8, from 6:00 p.m. until 10:00 p.m. Both nights will need to be attended.

This course may be used to void the fine associated with traffic citations if approved by the Justice of the Peace. It may also be used to reduce the premium for automobile liability. This course is approved both by the Texas Department of Public Safety and the Texas Education Agency.

Students should register by Thursday, June 3 at 5:00 p.m. For further information and registration, contact the office of Continuing Education, at (806) 656-2037.

BOBBIE HAVENS recieved the Best Girl Athletic Award

SPENCER SMITH recieved the Fighting Heart Award

Honor Awards Given

Bobbie Havens, daughter of Bob and Connie Havens, of Clarendon, received the **Best Girl Athlete** award and Spencer Smith, son of Coach Smith, received the **Fighting Heart Award**. These awards were presented at the Clarendon High School graduation, Friday, May 21, 1993.

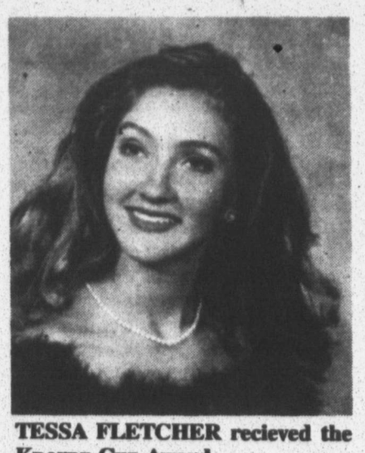

The Clarendon High School coaching staff selects the girl and boy which exemplifies these awards. These athletes were selected according to the following characteristics: self-discipline, self-sacrifice, team work, leadership, dependability, and achievement. The recipient's name is engraved on the trophy which will remain at the school as a standard of achievement that all athletes at Clarendon High School strive for. A medal is presented to each athlete for this honor.

The **Knorpp Cup Award** was given to Tessa Fletcher, daughter of Mr. and Mrs. Phil Fletcher, of Clarendon.

The faculty of Clarendon High School selects the Knorpp Cup recipient based upon scholarship (an average of 85 is required), citizenship, achievement, leadership, and participation in activities. The best girl athlete, the fighting heart award, and the Knorpp Cup awards originated 33 years ago with Walter B. Knorpp, in memory of his father. The recipients name is engraved on this trophy which will remain with the school. A medal was given to the student chosen for 1993.

Other graduating seniors receiving awards were: Krista Percival, Walter B. Knorpp Valedictorian Scholarship and Tuition Scholarship to Texas A. & M. University in Galveston. Chan Bilbrey, Walter B. Knorpp Salutatorian Scholarship & Masonic Lodge Scholarship.

Brent Graham received the Eddie Floyd Memorial Scholarship; **West Texas State Univ.:** Bobbie Havens received the Don & Sybil Harrington Scholarship. **West Texas State University:** Stacey James received the Don & Sybil Harrington Scholarship, Residence Hall Scholarship, at WTSU; Clarendon PTA Scholarship, and the Clarendon Band Booster Club; Steven Davis received the Alamo Rent-A-Car Scholarship; Tracy Shadle received the Association for Texas Professional Educators Scholarship, Homer Estlack Memorial Scholarship, and The Homer Estlack Memorial Scholarship; Jeff Hatley received the James Scott Edwards Scholarship and Texas State Teachers Association Scholarship.

Plan On Summer Safety

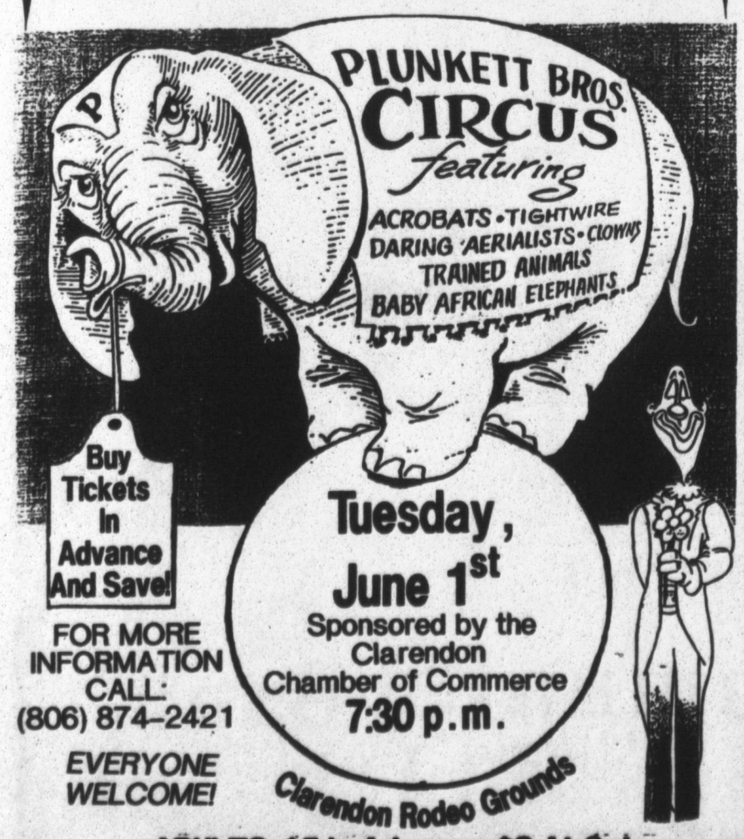

School is out! This signals a lot of outdoor fun for kids, and for drivers it should necessitate a change in our driving habits. "With warmer weather and longer days, children play outside from early morning to late at night. Since there will be many more children outside during the summer, drivers must remain alert and ready for almost anything," advised Jerry Burgtorf Public information Officer for the Texas Department of Public Safety.

Most people understand that children are not just small adults. Kids do not think like adults, and usually they do not reason as adults. They lack experience with traffic and also have limited perceptual skills; consequently, they are unable to accurately judge the speed and distance of vehicles. Drivers, therefore, have the responsibility to watch out for children at play.

"The key to avoid hitting a pedestrian is leaving yourself plenty of time and space for proper reaction. Scanning from curb to curb, well ahead of your vehicle, will afford a driver the necessary time and space," Burgtorf added.

Everyone who enters a roadway is vulnerable to injury, but children are a greater risk. As the number of kids outdoors increases this summer, we, as drivers are obligated to keep them safe.

Minutes

May 11, 1993 7:00 P. M.

The Board of Aldermen of the City of Clarendon met in regular session on May 11, 1993, at 7:00 p.m. in the Board Room, City Hall.

Members present: Mayor Steve Smith, Aldermen Mac Stavenhagen, Delmar Wiggs, David Pitts, McKinley Smith, and Bobbie Kidd.

Members absent: None.

Others present: City Secretary Sue Howard, Librarian Mary Linn Bills, Bobbie Floyd, Terri Floyd, Walt Knorpp.

The Oath of Office was administered by City Secretary Sue Howard to Mayor Steve Smith. Mayor Steve Smith administered the Oath of Office to Aldermen David Pitts and Delmar Wiggs.

Minutes of the April 27, 1993, and the May 3, 1993, meeting were read, and upon a motion by Alderman Mac Stavenhagen, seconded by Alderman Delmar Wiggs, said minutes were approved.

Discussion followed concerning the Drug Free Workplace Policy. The Aldermen agreed to rewording the last paragraph to read, "Being under the influence of an unauthorized controlled substance or illegal drug or alcohol on Company premises or Company business, in Company supplied vehicles, or during working hours. "Being under the influence" of unauthorized controlled substance or illegal drug or alcohol is defined as testing positive."

Discussion followed concerning research done on diesel mowers. The Board would like to have some demonstrations on the mowers that we received quotes on.

The Board of Aldermen asked the City Secretary to write a letter to the School Board concerning the condition of the basketball goals at the tennis courts.

Bobbie Floyd, Terri Floyd, and Walt Knorpp from the Chamber of Commerce met with the Board of Aldermen to discuss implementing a beautification program at the City Park. The Board of Aldermen encouraged the Chamber in their efforts to beautify the City Park. Tentative work day has been set for June 5.

Bills for the month of April 1993 were presented, and upon a motion by Alderman Mac Stavenhagen, seconded by Alderman David Pitts, said bills were ordered paid. Motion carried.

Fire Department Receipts and Disbursements for the month of April 1993, were presented, and upon a motion by Alderman Mac Stavenhagen, seconded by Alderman David Pitts, said report was approved. Motion carried.

There being no further business at this time, motion was made by Alderman Mac Stavenhagen, seconded by McKinley Smith, to adjourn. Motion carried.

Howardwick Lions Club

by Jaunita Meador

Howardwick Lions Club met Saturday, May 22, 1993, at 6:00 p.m. After the Pledge of Allegiance led by Lion Trudy Davis and prayer by Lion Lee Jackson, twelve members and one guest enjoyed a delicious meal prepared by the members.

Lion Trudy Davis called the meeting to order. She thanked everyone for the good food and welcome guest, Lena Mitchell.

Lion Trudy Davis thanked Lion Bill Meador for repairing the podium.

Lion Trudy Davis reported on Texas Lions camp and no program tonight because Boss Lion Cherry and Joe Don Cummings were attending the convention in Lubbock. Joe Don Cummings will be presenting the program at our next meeting if the two applicants and families can attend.

Motion made by Lion Nita Meador to reimburse the two applicants gas expense to camp. Seconded by Lion Lela Norton. Motion carried.

Lion Freland Davis gave a bingo report.

Lion Trudy Davis thanked Lion D.W. and Lucille Swain for volunteering to set up for June; Lion Gennie Cherry for July; Lions Bill and Nita Meador for August; Lion John and Willie McCauley for September; and Lion Tuffy Reynolds and Lion Lela Norton for October 1993. What would we do without our volunteers? You are all great. Meeting adjourned.

Diploma Received

More than 500 Amarillo College students received diplomas during recent commencement exercises at the Amarillo Civic Center.

Diplomas were present to fall 1992 and spring 1993 graduates. Summer 1993 candidates for graduation were also recognized.

Spring graduates include Jo Mincey, Associate Degree Nursing, of Clarendon. Fall 1992 graduates include Vicki Tamplen, Associate Degree Nursing, of Clarendon.

Check It Out

By Mary Beth Nelson

In my last article, I promised to continue acquainting interested young readers with the Youth section of Burton Memorial Library.

Biographies are often a favorite which offer entertaining true stories. Bobbs-Merril Company has published almost a hundred paperbacks about sports figures, musicians, scientists, inventors, nurses, pioneers, and people from many other walks of life.

Another popular biography collection is the **Value Tales** by Spencer Johnson. Each book focuses on a certain value noted in different people's lives. Jackie Robinson's life deals with honesty; Charles Dickens, giving; Winston Churchill, sharing; Beethoven, courage. Kindness, charity, leadership, [illegible] trust, along with other characteristics, are included in this collection. The cartoon illustrations help make these briefly written books appeal to children with various reading levels.

New Enchantment Of America by Allan Carpenter is a beautiful series of fifty books about each individual state.

Even though the brand new book, **Brother Eagle, Sister Sky,** is in the Youth section, it possibly holds interest for adults. It is a message from Indian Chief Seattle who lived approximately 1790-1866 in the Pacific Northwest region. He took part in treaty negotiations with white settlers in the 1850's, and the book is taken from one of his speeches at one of the negotiations. Through her illustrations, Susan Jeffers, internationally acclaimed artist, brilliantly portrays nature's environment and captures the Indian belief that earth and its creatures are sacred.

The library's shelves are full of good fiction. **The Baby Sitters Club** by Ann Martin and **Sweet Valley High** created by Francine Pascal and written by Kate Williams are two series from this group. The **Monster Series** containing six books is not as frightening as it may sound. These relate histories of "so-called" monsters, Dracula, Wolf Men, Godzilla, and three others. Facts about how the movies were made are also included. **Old Yeller, Alice in Wonderland,** and **Tom Sawyer** are only three of the many children's classics waiting to be enjoyed by young minds.

Books are not the only publications available to your children. "Highlights for Children," "Kids Discover", and "National Geographic World" are four of the magazines that may be checked out.

Some of the videos which will delight your children are **Robinson Crusoe, Peter and the Wolf, Paul Bunyan, Hiawatha, Wind In The Willows, and Reluctant Dragon.** You'll discover others when you are in the library. Why not check it out?

Reminder: Summer Reading Club, June 1, is quickly approaching. Be ready for some extra fun!

Computer Classes Offered

Clarendon College will be offering three adult vocational computer courses during the first summer session. The first class, in a series of three two-week courses, will be Word Perfect which is scheduled for June 1-15. Lotus 1-2-3 will begin June 15-29. Completing the offerings will be Disk Operating Systems starting June 29 and running thru July 13.

These courses will be offered for vocational or academic credit beginning at 6:00 p.m. to 9:00 p.m. each Tuesday during the time frame outlined. Registration will be held the first night of each new class. If you have questions, please call the Registrar's office at 874-3571 or Business Department Chairperson Pam Denney 874-2389.

FFA Accomplishments Announced

The Clarendon FFA Chapter recently held its annual banquet. Due to financial difficulties the barbecue chicken dinner was not possible; however, ice cream and cake were served. The opening ceremony was conducted by the 1992-1993 Officer Team: President- Jermey Powell; Vice-President-Brendan Moffett; Secretary-Bobbie Havens; Treasurer-Donnie Howard; Acting Reporter-Russell Estlack; Acting Sentinel-Christel Green; and Advisor-Brent Graham.

Jermey Powell gave the introduction and welcomed special guests. Christel Green gave the invocation and ice cream and cake were served.

Leadership teams were recognized. Through active participation in the FFA leadership programs, members learn by taking part in chapter conduction, farm skills, public speaking, and radio broadcasting. This year the Clarendon FFA Chapter participated in Radio Broadcasting. Members of the team were Brice Fletcher, Bobbie Havens, and Lisa Hill.

Each year the Clarendon FFA Chapter participates in several judging contests. Preparation for these contests helps make classes more interesting, encourages the development of technical knowledge, and assists in the ability to make sound judgments. Team members include: Meat-Jeff Hatley, Doshia Chaison, David Green, and Donnie Howard; Cotton-Brent Graham, Brendan Moffett, Jeff Hatley, and David Green; Dairy Products-Ashley Knorpp, Jancie Melton, and B.J. Lindsey; Livestock-Jennifer Jackson, Lana Moffett, Ty Lewis, Kevin McAnear, and Clint Green; Land-Casey Alexander, Stacey Alexander, and Phillip Williams. This year the Clarendon FFA Chapter qualified three teams for the state judging contest: Horse-Brendan Moffett, Jeremy Powell, Zack Robinson, and Cody Lewis; Poultry-Russell Estlack, Lisa Hill, Krista Percival, and Tessa Fletcher; Crops-Stacey Thomas, Mona Woodard, Amy Koontz, and Jason Lee.

Proficiency awards are given to those who specialize in a specific area of agriculture. There are twenty nine areas in which members may compete in the development of specialized skills and abilities. Although the Clarendon FFA Chapter does not have an entry in each of the twenty nine areas, they do have quite a few applicants from the chapter. Members receiving a proficiency award are: Diversified crop Production-Brent Graham; Turf and Landscape-Donnie Howard; Swine Production-Jennifer Jackson; Fiber Crop Production-Bobbie Havens, and Ag Mechanics- Brent Graham. Two have advanced to state: Fruit and Vegetable Production-Christel Green and Specialty Animal Production-Russell Estlack.

The Greenhand Degree is the first degree of membership in the FFA. A member must meet seven qualifications to obtain this degree. These members received their Greenhand Degrees: Ty Lewis, Jerry Green, Jason Christopher, Amy Koontz, Jancie Melton, Logan Mays, Evan Williams, Doshia Chaison, Clint Green, Jeremy Annis, Stacey Thomas, Jennifer Jackson, Jennifer Hatley, Lana Moffett, Ashley Knorpp, Krista Percival, Amanda Thompson, Elizabeth McAnear, Jason Lee, and Felicia Robinson. Each year the Star Greenhand Award is given to the outstanding first year FFA member for his or her accomplishments through out the year. This year the Star Greenhand was Jennifer Jackson.

The degree of Chapter Farmer is the highest degree that a local chapter can award to its members. There hare several qualifications one must meet to obtain this degree. The following members have met the qualifications as set forth in the National FFA Constitution: Jeremy Powell, Tommy Thompson, Casey Alexander, Stacey Alexander, Kevin McAnear, Donnie Howard, Ernie Lee, Cody Lewis, Zack Robinson, Todd Lindley, Tessa Fletcher, Chad Campbell, and Susy Williams. Each year the degree recipient who is outstanding at the chapter level is selected as the Star Chapter Farmer. The Star Chapter Farmer is chosen by his or her involvement in production agriculture. The Star Chapter Farmer medal is presented to the member who is most involved in all phases of the chapter's activities. Additionally, this member has an outstanding project program in production agriculture. This year's Star Chapter Farmer was Donnie Howard.

Livestock Exhibition provides the chance to expand an individuals character. Many times a member must fine a way to finance the animal, he or she then must take care of the animal, finally they must prepare the animal for showing and selling. The member gains a great deal of responsibility. This year the Clarendon FFA Chapter has three show teams. Steers: Christel Green and Jerry Green. Swine: Brent Graham, David Green, Bobbie Havens, Donnie Howard, David Lane, Cody Lewis, Ty Lewis, Brendan Moffett, Phillip Williams, Suzy Williams, Tommy Thompson, Amanda Thompson, Lana Moffett, and Elizabeth McAnear. Poultry: Russell Estlack, David Green, Phillip Williams, and Brendan Moffett.

At the end of the meeting the 1993-1994 Officer Team was announced: President-Donnie Howard, Vice-President-Kevin McAnear, Secretary-Lisa Hill, Treasure-Jason Lee, Reporter-Christel Green, Sentinel-Ty Lewis, Advisor-Clint Green.

The Clarendon FFA Chapter accomplished many things this year. The 1993-1994 Officer Team is working toward new goals. The officers plan to have many fund raisers and participate in many events. They dare you to support them.

Dear Editor

In an effort to save money the City of Clarendon has limited access to the city dump, charged a fee for more than one trip per week to the dump and whacked constructor an extra fee for disposing of their construction debris. These people, smarting over the extra fees, sometimes bring their trash to the county dump, where I, reluctantly, must tell them to take it back to the city from whence it came.

You cannot price trash out if existence, the people trying to dispose of their trash will just get more imaginative in their methods of dumping same, probably in a ditch along a county road.

Come on City Hall, be responsible. Don't make your trash a county problem.

Social Security News

by Jim Talbot

The importance of Social Security as a retirement program is well-known but few people know about the benefits Social Security pays to children. Last year almost 3.4 million children of retired, disabled or decreased workers received Social Security benefits totaling more than one billion dollars a month. In addition to the children already receiving benefits, over 98 percent of all children nationwide are protected by Social Security in the event a parent retires, becomes disabled, or dies.

Children receive Social Security protection when their parents work and pay Social Security taxes. The number of years of work needed for Social Security coverage depends on the worker's age at the time of death or disability or on the worker's date of birth in case of retirement. For example, a worker who is age 28 or younger at the time of death needs to have worked only 1 1/2 years in jobs covered by Social Security to pay survivors benefits.

Children qualify for benefits if they are: Under age 18, or 18-19 years old and a full time high school students, or 18 or older and disabled. The disability must have started before age 22. Some people continue to receive "children's" benefits into their adult years, as long as they remain disabled.

Social Security children's benefits can be paid to a retired, disabled, or decreased worker's natural child, adopted child, or stepchild. If the worker and the child's other parent were divorced, the child is still eligible for benefits regardless of with whom the child lives and whether or not the parents remarry.

Children whose parents are unmarried also are eligible for benefits under certain circumstances.

Recent changes in the law relaxed the rules that allow adopted children to get Social Security. One of the changes allows payment to a child adopted after a worker started receiving Social Security benefits. The other change liberalizes the rules that allow payment to a child adopted by a worker's surviving spouse.

The amount of a child's benefit depends on the worker's average lifetime earning. That means the higher the earnings, the higher the benefits will be.

Each child will receive up to one-half of the worker's full retirement or disability benefit. In survivor's claims, the rate is as high as or 75 percent of the worker's Social Security payment. But there is a limit to the amount of money that can be paid to a family. If the total benefits due exceed this limit, each person's benefit will be reduced proportionately.

To apply for benefits for a child, you will need the child's birth certificate and the retired, disabled, or deceased worker's Social Security number. Other documents may be required, depending on the type of benefit.

To find out how much your children could receive in Social Security benefits, send for a free personal Earning and benefit Estimate Statement. Besides showing estimates of the retirement and disability benefits you can receive, the statements also show the amount of benefits payable to your spouse and children in the event of your retirement, disability, or death.

To request a benefit estimate or to get more information about children's benefits, contact Social Security. Call 1-800-772-1213 toll free business days between 7 a.m. and 7 p.m. or stop by any Social Security office.

by Jim Talbot

"Any student looking for a summer job needs to have a Social Security Card to show his or her new employer," said Jim Talbot, manager of the Amarillo Social Security office. "You will need to have a card with you so the new employer will have the correct name and number to credit your earnings and taxes."

If you've lost or misplaced your card, contact Social Security for a replacement. "You'll need to show some identification, "Talbot said, "but the process is really very simple." You can contact your local Social Security office to obtain the form or call Social Security's toll-free number, 1-800-772-1213, business days between 7:00 a.m. and 7:00 p.m.

"Remember," stresses Talbot, "your future Social Security benefits will be based on the earnings posted to your Social Security record, so be sure you use the proper number."

The Lions Tale

By Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday, May 25, 1993, at the Lions Hall with seventeen members and three guests in attendance. A delicious fried chicken dinner was enjoyed by all. The meeting was called to order by Boss Lion Tamplen. He led the Pledge of Allegiance. A moment of silent prayer was observed for the Henson family and Lion Tamplen closed the prayer. Guests today were Roger and Russell Estlack who were the guest of Lion Allen Estlack and Greg Collins who was the guest of Lion Delbert Robertson. A bingo report was given, and the meeting was adjourned.

Smoking Gun on Maternal Smoking

A study published by the American Lung Association[5] found that children with asthma were 57 percent more likely to have a mother or maternal care giver who smoked. After analyzing the data, researchers determined that mothers who smoke are doubling the risk their children will develop this common lung disease.
