

Award For Outstanding Soil Practices To Go To Ulmer

M. H. Ulmer, cooperating with the Martin-Howard Soil Conservation District on his farm in the Vealmoor conservation group, will receive an award as an outstanding conservation farmer at a state wide meeting at Abilene, Texas, May 29, sponsored by the "Save the Soil and Save Texas" program of the Fort Worth Press. Ulmer was selected by the district supervisors as the farmer having applied the best coordinated soil conservation program during 1946, including good soil management supported by terraces and contours. Included in the soil improving measures Ulmer used crop residue management, cover crops and a soil building crop of cow peas.

An 8,000-cubic yard tank built by Ulmer last year caught and held water during recent rains and saved 40 acres of rye crop from drowning out by draining a lake.

C. V. Hewitt completed a conservation plan on his three section farm in the Elbow conservation group last week. Hewitt, who had the help of the Soil Conservation Service in making his plan, will include in his program of conservation measures trial planting of Dixie wonder peas, Abruzzi rye and hairy vetch. If successful he

will use these crops in a rotation for soil building and cover crops.

Construction of a 6,000-yard tank started Monday on the ranch of E. T. O'Daniel in the Wild Horse ranch group.

C. W. Creighton completed a 3,400-yard tank on his ranch west of Big Spring last week. To improve watering facilities on his pasture land, Lawrence Anderson, district cooperater in the County Line Ranch Group, plans to install an overhead tank and pipe water across the county road to his west pasture this summer. This will give better distribution of livestock on his range land Anderson states.

W. T. Barber, who completed a plan for a coordinated soil and water conservation program last week on his ranch in the Coahoma group, will defer 1265 acres of range land during the growing season this year. Barber says deferred grazing is the cheapest, quickest, and most successful method of improving the range grasses. This period of rest is necessary for the native grasses to gain vigor and mature a good seed crop. Barber states that a rancher can grow his grass seed much more effectively

than he can purchase and seed them.

Forty acres of Abruzzi rye planted by district cooperater Troy Gifford on his farm in the West Center Point group will be harvested for seed this year. Gifford, who planted the rye as a cover crop on a field of blow sand will sow 100 acres this fall with the seed he harvests. "Abruzzi rye is the only crop I have found that will tie down this blow sand," Gifford said.

N. H. Reed plans to build spreader dams and weep fences this year on his ranch in the Vincent group, to spread water from a large drain over native grass in a flat. Reed, who says the additional water will increase grass production, does not like to see excess water run off his land when it can be used.

Sacred Heart Church Is Awarded Chapel

Sacred Heart Catholic church has been announced as the successful bidder for the second chapel building at the bombardier school. It was learned through the War Assets Administration Tuesday.

The Sacred Heart church serves the Latin-American section and presumably will gain title to the chapel used for Catholic services at the post. Previously it was announced the Mt. Bethel Baptist church, a Negro congregation, had been designated as successful bidder for the chapel which had been used for Protestant services.

SIX-HOUR SHRINE PARADE ATLANTIC CITY, N. J., May 28. (AP)—Business along this resort's main thoroughfare virtually was at a standstill and public schools were closed yesterday as 15,000 colorfully garbed Shriners participated in a three-mile-long, six-hour parade.

Eleemosynary Bill Due To Come Out Of Conference Committee

AUSTIN, Tex., May 28. (AP)—The third of five major appropriation measures — the eleemosynary bill — was expected to come out of conference committee today. In view of Sen. James Taylor's prediction that the committee report might recommend as much as \$27,500,000 for eleemosynary institutions during the next two years, there apparently was little likelihood of opposition to the bill in either house.

The original Senate version called for appropriation of \$24,000,000, while the House recommended expenditure of \$23,171,886. Passage of this big money bill will leave the departmental and higher education appropriations to be reported out of conference committees for approval by the House and Senate.

A fight on the higher education bill was reported developing because of the extreme variation between the House and Senate recommendations. The House-passed measure called for \$58,797,101 for distribution to the state's universities and se-

nior colleges during the next biennium. The Senate slashed the figure to \$44,480,788.

Continuation of an apparent filibuster was in prospect when the Senate convened this morning. Delaying action against a House-passed bill authorizing co-operative development and operation of oil lands was initiated yesterday by Sens. T. C. Chadick of Quitman and Wardlaw Lane of Center.

A House-passed measure requiring valley citrus growers to weigh their fruit was sent to a subcommittee, and the possibility of getting the bill to the Senate floor this late in the season was considered slight.

Japanese Volcano Erupts Violently

YOKOHAMA, May 28. (AP)—Mount Aso, central Kyushu Island volcano rated the largest terrestrial volcano in the world, erupted violently Monday, belching smoke 6,000 feet in the air and hurling stones and gravel 300 feet from the mouth of the crater, the US Eighth Army reported today.

The eruption, termed the largest since 1940, distributed ash and smoke over villages two miles distant, but the army said that little material damage was expected. The crater is in the center of a large depression covering 112 square miles.

Mount Aso has been recorded as an active volcano since 553 A. D. It has been erupting sporadically since, with major belchings of smoke and lava having occurred six times this century. Since August, 1940, a smoke cloud has hung continuously over the crater.

Pennsylvanians To Save Money

HARRISBURG, Pa., May 28. (AP)—Overriding Democratic objections, the Pennsylvania Senate passed a bill permitting a husband and wife to split the family income in paying federal taxes—a move its sponsor said would save millions of dollars for Pennsylvanians.

Sen. John W. Lord, Jr., the sponsor, said the measure was patterned after "community property" acts in effect in several states through which the husband and wife divide the family income and file separate tax reports even though the husband earns all the money.

"Just how much money it will save citizens of the commonwealth is impossible to estimate but it will run into millions of dollars annually," Lord told a reporter.

After a spirited debate the Senate approved the measure late yesterday, 35-14, sending it to the House.

Maverick Loses Mayoralty Race

SAN ANTONIO, Tex., May 28. (AP)—City Tax Commissioner Alfred Callaghan today apparently was mayor of San Antonio on the basis of complete, but unofficial, returns in the city election yesterday.

Returns gave Callaghan 25,862 votes against 22,434 polled by former mayor and congressman Maury Maverick.

In the runoff race, Maverick led slightly in early returns. Returns also showed these apparent victors: C. R. Davis, tax commissioner; James V. Knight, street commissioner; Henry Hein, park commissioner; and Raymond South, police commissioner.

Until 1900 kerosene was the principal product of the oil industry and gasoline was a by-product.

Biggest Cotton Planting In County Expected

Planting of 100,000 acres of cotton in Howard county, biggest in history, is expected by AAA supervisor M. Weaver to be completed by Wednesday night.

Farmers have been working diligently since the recent rains to get the seed under ground, some of them at night as well as in the day time.

Sunshine and lots of it, more than anything else, is needed to insure the promotion of a good crop. The recent nip of weather retarded the growth of most of the crops but the temperature upswing which followed brought smiles to the farmers' faces.

The county now has nearly 20,000 acres more in cotton than ever before, Weaver said.

'Gray Market' In Steel Probed

WASHINGTON, May 28. (AP)—A senate subcommittee had hopes today that a key witness in its inquiry into "gray market" steel operations would appear to tell his story.

Committee officials said federal marshals had not, up until last night, been able to serve a nine-day-old summons on the witness, Herbert M. Karp of New York.

But Senator Cain (R-Wash.), acting chairman of the small business subcommittee, told newsmen Karp promised in a telephone call several days ago to appear either yesterday or today "without the subpoena."

He did not show up yesterday and the senators delayed re-opening of their inquiry into a \$50,000,000 steel transaction which previous witnesses have said fell through after Karp demanded a kickback of approximately \$18,000,000.

Karp's name came up during testimony by E. A. Kerschbaum, Pittsburgh steel broker, and his attorney, Charles Margiotti. Margiotti said Karp agreed to furnish Kerschbaum with 248,000 tons of steel on condition that the broker pay a bonus of \$62,500 a ton to be split up between Karp and unidentified executives of "five big steel companies."

Mansfield's Broken Leg Causes Change In Roping Schedule

Troops Mansfield's broken leg, sustained in a steer roping contest at Pecos Sunday, has brought about a reshuffling of roping matches this weekend.

Royce Sewalt, booked to meet Mansfield at Clovis, N. M., Friday, declined to participate when Mansfield had to withdraw and Jack Skipworth, Clovis, was booked against Troy Fort, Lovington, N. M.

Sonny Edwards, brother-in-law of Mansfield, will ride and rope Sunday at Levelland against Fort. Mansfield had been scheduled to meet Fort in the third "sugar" match of a series in which each holds one victory.

Paul Dunkle Dies

DENTON, Tex., May 28. (AP)—Funeral arrangements were pending yesterday for a Paul B. Dunkle, 50, superintendent at the Denton substation of the Texas Agricultural Experiment station, who died last night of a heart ailment.

Tired, "All-In"—Listless Feeling Brought To Halt

As Vibrant Energy Is Released To Every Muscle, Fibre, Cell

Do you get up in the mornings still tired? Feel downcast all day? Have you checked-up on your blood strength lately? Overwork, undue worry, cold, flu or other illness often wears down the red-blood-cells.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm, fresh, full out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

INTERNATIONAL SECURITY—

Veto At Issue Again As UN Starts Atom Control Debate

LAKE SUCCESS, May 28. (AP)—

The question of the veto became an issue again in United Nations debate today as the United States prepared to oppose a Russian resolution which would make the Security Council the seat of authority for all organs created for international control of atomic energy.

Frederick H. Osborn, deputy American delegate to the Atomic Energy Commission, planned to argue against the Soviet resolution at a closed meeting of the working committee.

American sources said he based his stand on the ground that the Soviet resolution would make decisions on atomic control subject to veto by vesting final power in the council, where Russia and the other major powers hold the power of veto.

The United States stands firm for "no veto" on atomic control, and Russia insists that the proposed atomic control agency work under the eyes of the council. This

is one of the major differences blocking the whole program in the U.N.

Osborn was represented as arguing further that the exact status of control organs still to be created must be determined by the language of the treaty setting up the whole international program. Such a treaty would be signed individually by governments.

Soviet Delegate Andrei A. Gromyko, pointing to a resolution similar to his own already passed by the general assembly, contended that all organs would have to fall "within the framework of the Security Council" as stated in his resolution. His reasoning pivoted around the contention that the United States voted for such a motion in the assembly and could not consistently reject such wording in another U.N. group.

On another U.N. front, the subcommittee on freedom of information and of the press rejected Russia's attempt to list a struggle against "remnants of fascism" and "war-mongers"

among the objectives of the press. The vote was 7 to 1, but Y. M. Lomakin, Soviet consul general in New York City and former Tass editor, termed the proceedings "irregular" and served notice he would bring it up again. The group accepted a Philippines amendment which that delegation said was intended to tone down the "warlike phraseology" of the Russian declaration.

Lieutenant McKenzie Goes To Kimpo Base

1st Lt. Vernon C. McKenzie, husband of Mrs. Florence McKenzie, 509 Nolan, Big Spring, recently departed Kimpo army air base, where he has been serving as a pilot in the Third Emergency Rescue Squadron of the Fifth Air Force, for discharge in the United States.

Formerly a student at the University of Texas, Lt. McKenzie entered the service in July of 1942 and was commissioned at Maria Army Air Field in March of 1944. He received his assignment to proceed overseas to Korea to serve with the Fifth Air Force in December of 1946, commencing his second overseas tour of duty. His father, Harry C. McKenzie, resides in Ingleside, Texas.

'MARKED FOR DEATH'

Nicaraguan Coup Blamed On Plot To Oust Chief Of National Guard

MANAGUA, Nicaragua, May 28.

(AP)—Gen. Anastasio Somoza, head of the army and former president, has promised the Nicaraguan people that a new election will be held soon to choose a successor to President Leonardo Arguello, who was forced out of office Monday in a bloodless early morning coup.

Somoza acknowledged his leadership of the stroke in an interview last night and blamed the coup de'etat on a plot to oust him from his post as jefe director (director-in-chief) of the national guard. He said he had been marked for death.

Arguello, who has been given diplomatic asylum in the Mexican embassy, was elected — with Somoza's blessing — in balloting on Feb. 2 and had held his office only 26 days. He succeeded Somoza, who had been chief of state for 10 years.

Congress, at a special session Monday night, declared Arguello "unfit" for the presidency and named the first presidential alternate, 60-year-old Benjamin Lacayo Sacasa acting president.

The new president, said Gen. Somoza, "will convolve free elections and I believe it is a magnificent opportunity to choose a candidate in harmony with the combination of all the political parties."

Lacayo Sacasa issued a statement a short time later saying that a new election would be called "in due time."

"My only ambition," Somoza said, "is the internal tranquility and the cohesion of the army to the service of the constitution and the exterior prestige of Nicaragua."

"The country is in complete calm. In the unfolding of the events there as not was single shot fired

nor a single drop of Nicaraguan blood spilled nor a single political arrest."

Somoza said a group of insurgent officers of the national guard plotted a revolt to oust him from office, one of several acts by Arguello supporters to stage their own coup d'etat against him.

RELEASED ON BOND

Luvien Flores, picked up on a charge of driving while intoxicated last Sunday, has been released from the county jail on \$500 bond.

Local Members Will Attend Rotary Meet

Several members of the Big Spring Rotary club will attend the annual convention of Rotary International in San Francisco beginning June 8.

Mr. and Mrs. A. V. Karcher and Mr. and Mrs. M. K. House plan to leave Friday for a tour through Colorado and the Grand Canyon before continuing on to the convention site. Mr. and Mrs. Dave Duncan are to leave Saturday.

Karcher has been named official delegate from the local club and Duncan is alternate delegate.

Lewis Smith, Birmingham, Ala., Rotary governor for the 164th district, stopped overnight in Big Spring while en route to the annual convention of Rotary International in San Francisco.

Accompanied by Mrs. Smith, he remained here until this morning to receive treatment from a local physician for a slight illness he suffered Tuesday.

Several local Rotarians visited the Smiths at the Settles, and they were presented with a copy of Shine Phillips' book, "Big Spring," and several other mementos of the city.

Beta Sigma Phi Has Art Study Program

A program on the study of art was presented for members of the Beta Sigma Phi sorority Tuesday evening at the Settles hotel with Mrs. Katharine Freeman program chairman, in charge.

Lee Ida Pinkston gave a talk on "Principals of Art," Mickey Boyvey spoke on "Modern Art" and Frankie Nobles gave "Origin of Art."

Mrs. Emma Mae Carlton, president, appointed committees for the new year. Marjorie Laswell was presented with a gift.

Others present were Tommie Nell Bryant, Maurine Chrane, Marie Christoffer, Francis Cooper, Charlene Dobbins, Ann Douglas, Jean Elliott, Martha Frazier, Barbara Gage, Dolores Gage, Dorothy Hall, Freda Hoover, Theresa Huestis, Clarice McCasland, Elizabeth Murdock, Louise O' Daniel, Robbie Piner, Juanita Pool, Dottie Puckett, Mary Lee Purser, Janet Robb, Tookah Reinwald, Caroline Smith, Corinne South, Lorraine Talbot, Harriet Talbot, Mattie Belle Thompson, Edna Womack and Betty Bob Buckley.

Mr. and Mrs. Roy Green have returned from a visit to San Antonio with Mrs. Green's sister, Mrs. Raleigh Davis, and her mother, Mrs. A. T. Lloyd.

The Chiropractor and You

No. 12 of a series of articles published in the public interest to explain and illustrate the practice of Chiropractic.

CASE HISTORY No. 35. A middle aged woman suffering great distress from colitis. Stomach cramps and sourness were constant. Despite professional attention the condition was continually getting worse. She was advised to visit a Chiropractor and a series of spinal adjustments brought her relief. Shortly afterwards, when venturing outdoors on a severe winter's day, she caught cold in both knees. They became swollen and arthritis developed. She returned to her Chiropractor and further spinal adjustments were given. The arthritis cleared up and has not returned since.

CASE HISTORY No. 37. A girl 16 years old who was brought to a Chiropractor suffering from "nerves" and general debility. In addition, she had a cross-eyed condition which had developed following an attack of whooping cough when she was two years old. A nerve impingement of long standing was located, and spinal adjustments were given to correct it. Within a few weeks she was a well girl again and had gained considerable weight, and, much to her delight, her eyes had returned to their normal position.

CASE HISTORY No. 16. A man in his 60's suffering from neuritis in the left shoulder and arm. He had fallen on the shoulder 11 years ago and recently had fallen

on it again. The muscles of the shoulder and neck were tense and painful, and the discomfort was so great that he had not enjoyed restful sleep in three months. Chiropractic x-ray analysis revealed that two spinal bones at the base of the neck were displaced. These were adjusted back to their normal position, whereupon the neuritis disappeared.

WHAT IS CHIROPRACTIC? Chiropractic is based on the fact that the brain is the human power house. It creates vital energy. Without brain energy no organ or part of the body can function. Brain energy is transmitted over the body's network of nerves. These nerves radiate from the spine, and it is in the spine that the nerve can be "pinched" by vertebrae and the flow of energy over them impeded or cut off. When, in this way, the connection is broken between brain and one or more parts of the body, disease is the inevitable result. By skillful analysis and precise spinal adjustments, the Chiropractor is able to locate and release impinged nerves and restore an uninterrupted flow of brain energy to the part affected. Health follows naturally.

FOR FURTHER INFORMATION concerning the modern Chiropractic and what he can do for you, Phone 419. Appointment only.

PIPELINE BLAZE—Aerial view shows an oil pipeline burning southeast of Iatan Monday, after a sudden fire in which Todd W. Needham, 31, of Colorado City, was fatally burned. Section of the line split, while a welding crew was at work. Other members of the crew escaped serious injury. The crude blazed for several hours after the mishap. (Jack M. Haynes Photo).

Fact-Finding Study Of Westex Industry, Livestock Planned

Dr. Sidney L. Miller, Pittsburgh, Pa., head of the department of transportation at the University of Pittsburgh, has been employed to direct a comprehensive fact-finding study of industrial potentials of the agriculture, livestock and other raw materials in the West Texas area along the Texas & Pacific Railway company.

The announcement was made today from the West Texas Chamber of Commerce headquarters in Abilene jointly with the T&P, which is cooperating in the study.

Frank H. Kelley, Colorado City, heads the group that will work with Dr. Miller and the T&P in the project. J. H. Greene, Big Spring, is secretary-treasurer.

Included in the survey will be contemporary studies of raw materials by the WTCC research department and the University of Texas Bureau of Business Research. Based on findings, Dr. Miller and aides are to suggest practical measures to be taken in furtherance of West Texas economic development. It will not be competitive between towns.

"It is our confident belief that Dr. Miller is in all respects qualified to aid us in setting a course for the reasonable, attainable and full development of West Texas," said W. G. Vollmer, president of the T&P. "Upon his findings we hope to devote our efforts to the

expansion of these things for which our area is best suited and not to spend money and time for courses economically unsound."

Dr. Miller, reached a tentative agreement with the WTCC

that the area has tremendous possibilities in many directions. It's agriculture and livestock have been developed only in part and there can be no doubt that there are important oil and other mineral resources as yet undeveloped.

The economist, 37 years of age, is a native of Kansas and formerly was on Wisconsin and Iowa university faculties. He has been a research consultant to the Association of American Railroads and during the war was a transportation economist on the War Production board. He joined Pittsburgh in 1946 and his plans are to commute between Pennsylvania and West Texas until his job is well underway, lengthening his stays as work progresses. His fee will be \$10,000.

SIDNEY MILLER

executive group on May 20, subject to clearance of the University of Pittsburgh, said that "my visit to W. Texas, though I've seen only a small part of it so far, has been a real eye opener. I am convinced

STANTON, May 28.—Bond of J. W. Taylor, Clovis, N. M., truck driver charged with negligent homicide in connection with the high-way death of two Lemora residents Tuesday morning, has been set at \$1,500.

Sheriff Morris Zimmerman said Taylor would appear before the grand jury for questioning at the next session.

Final rites for W. W. Willman, Sr., and W. W. Willman, Jr., victims of the early morning mishap yesterday, were to be held in Stanton at 4 p. m. today. The senior Willman was killed instantly while his son died on the way to the hospital.

Taylor had not made his bond late last night.

Special Goodwill Committee To Greet Fort Worth Businessmen

A special committee headed by Elmo Wasson, chairman of the chamber of commerce, goodwill department, will travel to Stanton Friday and board a special train bringing a group of Fort Worth business executives to Big Spring for a one-hour stop.

The Fort Worth men are making plans for greeting the visitors there.

The party will be escorted to the court house lawn, where K. H. McGibbon, president of the local chamber will be in charge of welcoming ceremonies. Mayor G. W. Dabney, Wasson and Joe Pickle, chairman of the local chamber's public relations department will make short welcoming addresses.

The local chamber has made arrangements with the Fort Worth group to make a 15-minute stop in Stanton prior to their arrival here, and the Stanton Lions club is

making plans for greeting the visitors there.

Scout Leaders Go Into Training

Second meeting of the Boy Scout Leaders training course will be conducted Friday from 6 p. m. to 8 p. m. in the First Methodist Church basement.

Charles Romine is director of the course, and six members already have enrolled. The initial session was held Monday night.

Scout officials said the course is being offered for scoutmasters, troop committees and troop counselors, and plans call for completion of the project within the next three weeks.

Already enrolled are Billy Mims, Ladd Smith, Billy Clanton, Delbert Schultz, Walter Eubanks and Wesley Dests.

Hewitty In Jail After Accident

Florencio Hewitty, who told police he was a resident of Garden City, has been confined in the county jail on a charge of driving while intoxicated and operating a motor vehicle without a license.

Hewitty was involved in an automobile accident three miles south of town Monday evening. Neither Hewitty nor C. E. Marstand of Elbow, occupant of the other car, was injured but both machines were badly damaged.

Marstand told police Hewitty's vehicle approached him weaving from one side of the road to the other and that he had no choice but to ram the Hewitty machine.

Judge Grants Two Divorces

Divorces were granted in two cases brought before Judge Cecil C. Collings in 70th District court Tuesday.

Marvin J. Tomlinson won his freedom from Mary Tomlinson. The maiden name of Montrose was restored to the defendant.

The marriage of Doyle H. McGregor and Marchie Oliver McGregor was dissolved. Custody of a minor child went to the woman and the man, plaintiff in the case agreed to pay \$25 monthly toward the child's support.

Mrs. James R. Tallafiero and Rick of Hobbs, N.M., are here visiting her mother, Mrs. Clyde Tingle and Mr. and Mrs. George Kilpatrick and George Michael.

Six Hostesses Give Bridal Shower Honoring Bettye June Thompson

A formal bridal shower honored Miss Bettye June Thompson, bride-elect of James Thornton Cocke, of Petersburg, Tuesday evening in the Bill Bonner home, 401 Washington Blvd.

Hostesses were Mrs. Bonner, Mrs. Willard Read, Mrs. James Wilcox, Mrs. Lloyd Brooks, Mrs. L. A. Eubanks and Mrs. H. L. Bohannon.

The couple is to be married at 8:30 o'clock Friday evening in the First Christian church with the bride's father, Rev. Lloyd Thompson, officiating.

Miss Thompson wore a white chiffon drop shoulder formal trimmed in gold spangles. Her corsage was of pink carnations. Other members of the house party wore formals with corsages of spring flowers.

In the receiving line were Mrs. Bonner, the honoree, and her mother, Mrs. Lloyd Thompson. At the guest book were Mrs. Brooks and Mrs. Read.

Pastel cut flowers were placed at vantage point throughout the entertaining rooms and a pink and green color scheme was carried out in the refreshments. The tea table was laid with an imported white linen cloth and centered with a crystal punch bowl surrounded by an arrangement of sweet peas. Mrs. Wilcox, Mrs. Bonhannon and Mrs. Eubanks presided at the table.

Musical selections were given by Mrs. Ed Hall, Jackie Marchant and Mrs. Alice Bronson.

Those who called and sent gifts were Mrs. Beth Lueddecke, Mrs. Pyrie Perry, Mr. and Mrs. J. F. Neel, Mrs. E. H. Russell, Mrs. J. H. Stiff, Mrs. Curtis Driver, Mrs. W. W. Inkman, Mrs. Alice Bronson, Mr. and Mrs. E. A. Grissom, Mr. and Mrs. E. R. Craven, Mrs. W. M. Gage, Mrs. D. A. Kraus, Jr., Mrs. Eugene Thomas, Mrs. C. M. Shaw, Mrs. G. W. Dabney, Miss Dolores Gage, Mr. and Mrs. T. W. Alderson, Mrs. Hubert Johnson, Mrs. Roy C. Cooker, Mrs. T. F. Earley, Mrs. L. Allen Holley, Mr. and Mrs. Guy Combs.

Mrs. T. E. Baker, Mrs. J. R. Creath, Mrs. Ray McMahan, Mrs. R. L. Trappnell, Mrs. A. M. Runyan, Georgia Bond, Mrs. M. C. Lawrence, Mrs. F. O. Allen, Mrs. Brown Rogers, Mrs. N. C. Bell, Mrs. Harvey Clay, Mrs. Nina Carter, Zales Jewelry, the Men's Bible

Senior Recital Is Set For Thursday

The senior and adult students of the Frazier Studio of Music and Voice will appear in a recital at the First Baptist church at 8 p.m. Thursday evening.

Included in the performance are vocal and instrumental solos and the Frazier Ensemble.

The senior and adult students to be presented are Barbara Lytle, Betty Ray Nall, Stella Mae Wheat, Peggy Davis, Reba Roberts, Betty Farrar, Patsy Kirk, Dorothy Satterwhite, Annell Logan, Leslie Cathey, Clarice Petty, George Worrell, Louis Lovelace.

Members of the Ensemble are Sue Nell Nall, Clarice Petty, Jane Stripling, Lillian Tamsitt, Leslie Cathey, Dorothy Satterwhite, Patsy Ann Tompkins, Betty Ray Nall, Vivien Middleton, Joyce Howard, Vevagene Apple, Barbara Lytle, Susan Houser, Wanda Lou Petty, Dolores Hall, Kitty Roberts, Mary McDowell, Donnie Roberts, Helen Montgomery, Dot Wasson, Billie Sue Leonard, Jean Cornelson, Ola Mae McDowell, Annell Logan, Stella Mae Wheat, Peggy Davis, Reba Roberts, Joyce Worrell, Mary Louise Davis, and the accompanist, Kitty Roberts.

Mamie Jean Meador Installed As Worthy Advisor By Order Of Rainbow For Girls

MAMIE JEAN MEADOR installed as Advisor

Mamie Jean Meador was installed as Worthy Advisor in an impressive formal ceremony held by the Order of Rainbow For Girls Tuesday evening at the Masonic Temple. A large crowd of visitors, Eastern Star members and Masons attended the installation service, which carried out the rainbow colors.

Other officers installed for the new term were Donnie Roberts, Worthy Associate Advisor; Frances Bigony, Charity; Joyce Worrell, Hope; Tommie Hill, Faith; Beverly Campbell, chaplain; Jean Cornelson, Drill Leader; Jean Howard, organist; Jean Conley, choir director; Jo Taylor, red; Eva Smith, orange; Jean Robinson, yellow; Peggy Jane Stringfellow, blue; Dorothy Christian, indigo; Mary Martin, violet; Vevagene Apple, green; Barbara Lytle, confidential observer; Jeanne Slaughter, outside observer.

Installing officers were Reba Roberts, installing officer; Mary Beth Morgan, chaplain; Bonnie Dempsey, marshal; Della Hicks, musician.

Following the installation service, recognition of high ranking officers was held and a pin was presented to Mary Lou Davis, outgoing Worthy Advisor. Miss Davis expressed her appreciation for the cooperation she had received from her fellow officers.

Pins were also presented to Mrs. Bernard Fisher and Mrs. H. E. Meador.

Judge Walton Morrison was guest speaker for the affair and also gave the benediction. Special music was presented by a girls

trio composed of Jean Cornelson, Billy Jean Younger and Joyce Worrell, who sang "Somewhere Over the Rainbow."

Merit badges were awarded to Ann Meador, Joyce Howard, Donnie Roberts, Mamie Jean Meador, Joyce Worrell, Reba Roberts, Linda Gross, Bonnie Dempsey, Jean Cornelson, Vevagene Apple, Frances Bigony, Joyce Beane, Marlene Burnett, Jean Beane, Mary Louise Davis, Jean Robinson and Barbara Lytle.

Refreshments were served from a table laid with a French lace cloth and other decorations carried out the rainbow colors.

WHAT GIVES 'ROUND TOWN
By Leatrice Ross

We note a marked absence of people in the usual down-town hangouts since the swimming pool opened Sunday. One is oftentimes greeted by the proprietors with a "Why aren't you out swimming?" Among those lined up for hours to gain entrance to the water Sunday afternoon: Cuin Grigsby, Jerry Houser, Helen Montgomery, James Fannin, Roy Lee Pool, Moe Madison, Delmar Turner, Jack Ewing, Jackie Barron, Tommie Kinman, Rebecca Rogers, Dot Purser, Harry Echols, Eddie Houser, Corky McDonald, R. H. Carter, Bill Montgomery, Mary Gerald Robbins, Pat Lamb, Harold Berry, and Dalton Olsen. Hear it said that Leon Leopold has a new slant on the old pastime—ducking. Seems he politely asks his victim if he is ready for ducking. If victim is not ready, Leon comes back later.

Jimmy Tolbert, Toar Bryan, and Dewey Stevenson must have arrived early. They had the only plank bench about the pool. Some were seen standing on the concrete bench waving arms in the air for no reason at all (Tip Anderson).

In our vicinity serious judging went on among Wilma Jo Taylor, John Rudesell, Mary Ann Goodson, Beans Miller and Digger Hickman. Congratulations from this department to Norma "Miss Big Spring" Ray, and runner-up Vevagene Apple and Rosalyn Beale.

Mickey Butts came in Saturday night from Jackboro where he labored on a dam project. Janice Yates and Jo Nell Sikes spent Saturday and Sunday on a ranch near Midland. Ralph Wilson, Billy Bob Fallon, Robert Hobbs and Billy Crane were on the road to Villa Acuna, Mexico, about that same time. Janet Robb, Martha Frazier and Marjorie Laswell fished in Sweetwater Sunday. Susan Steers, Dewey Kirby, LaRue Brown and Hoss Rankin spent the greater part of the day in San Angelo.

As usual, yell leaders for the next term were elected at the close of the high school year. New leaders will be Dot Wasson, Dot Cauble, Katie Lou Jones, Ernest Farmer, and Joyce Worrell. Joyce and Dot Cauble are vets in the cheering section. Honorary society students from 47 graduating class of BSHS were Rosalyn Beale, Frances Bigony, Bill Black, Bonnie Byers, Betty Cawthorn, Charles Gomez, Wanda Griffith, Gertrude Hull, Dot Hudgins, Dorothy Laudamy, Joyce Merrick, Reba Roberts, Erma Jean Slaughter, Edna Faye Stevenson, Jo Taylor, Betty Underwood, Billie Jean Younger. Science award went to Billy Ham-mack.

Wrestling fans corner: Wayne Martin, "the" guy where speed, skill and build count among us fans, is back for a few weeks now. Still telling the referee how to judge the fights Monday evening were Joy Barnaby, Tommy Hubbard, Barbara Olson, L. L. Banks, Polly Sue Griffin, Tom An-

AAUW Gives Dinner

Dinner was served at individual tables on the terrace of the K. H. McGibbon home, when the American Association of University Women held the last meeting of the year Thursday evening.

The coming year's activities were discussed at short business session which followed the dinner.

Nell Brown, delegate to the national convention which was held in Dallas in April, gave an interesting account of her attendance. Mathilde Maier spoke briefly on a tour through Mexico which followed the convention.

Helen McDowell was present as a guest and other members attending were Mrs. A. B. G. Cowper, Mrs. R. W. Thompson, Mrs. G. H. Wood, Mary Hall, Mrs. Carl Blomsheld, Mrs. Roy C. Anderson, Mrs. Bill Daves, Mrs. J. B. Mull, Dorothy Driver, Mrs. J. A. Fisher, Mrs. Eugene McNaillen, Mrs. Charles Abele, Mrs. John Ratliff, Mrs. John Walker, Mrs. Curtis Driver, Mrs. Kelly Lawrence, Mrs. Charles Watson and Mrs. W. G. Rueckart.

Lodge Has Initiation

Initiation ceremony was held for Mr. and Mrs. A. J. Allen by the Rebekah Lodge Tuesday evening in the IOOF hall. Mrs. Tracy Thomason, Noble Grand, presided.

Two others elected to receive the Rebekah degree at the next meeting are Jewel Faye Kehrer and Mrs. Jewel Ima Green.

Refreshments were served to Mrs. Rosa Lee Gilliland, T. H. Hughes, Mrs. Evelyn Rogers, Mrs. Amanda Hughes, Mrs. Katherine Allen, A. J. Allen, Mrs. Gertrude Newton, Mrs. Josie McDaniel, H. V. Crocker, Mrs. Nannie Adkins, Mrs. Gertrude Wasson, Mrs. A. C. Wilkerson, Mrs. Lois Coffey, Mrs. Lavelle Reed, Sonora Murphey, Mrs. Billie Christianson, Mrs. Ola Ruth Barbee, Mrs. Viola Robinson, Mrs. Mae Darrow, Mrs. Lou Ella Edson, Mrs. Lois Forestry, Mrs. Beatrice Bonner, F. H. Landers, Mrs. Mary Ethel Landers, Mrs. Imogene Neill, Mrs. Thelma Braune, Mrs. Eula Pond, Mrs. Zula Reeves, Gertrude Cline, Mrs. Julia Wilkerson, Mrs. Ruth Wilson, Mrs. Alma Crenshaw, Tracy Thomason, Mrs. Beatrice Viergeer and Mrs. Lucille Brown.

Baptist Circle Two Hears Benevolence Program By Mrs. Page

Circle Two of the East Fourth Baptist church, WNU met at the home of Mrs. L. B. Bond, Monday afternoon.

Mrs. A. W. Page, benevolence chairman, was in charge of the meeting.

The devotional and prayer was given by Mrs. L. M. Bond.

The afternoon was spent in sewing for Buckner's Orphans Home, with the following in attendance.

Mrs. J. B. Riddle, Mrs. Earnest Rainey, Mrs. M. C. Patton, Mrs. W. R. Puckett, Mrs. A. W. Page, Mrs. Keats Watts, Mrs. Jesse Henderson, Mrs. O. R. Smith, Mrs. Emmer Rainey and Mrs. L. M. Bond.

CLUB TO MEET
Mrs. Marvin Sewell is to be hostess of the Happy Go Lucky Sewing Club at 3 p.m. Friday in her home.

China Program Is Featured At Meet Of Baptist Women's Missionary Union

VINCENT, May 27.—The Vincent Baptist Women's Missionary Union met Monday at the home of Mrs. George Read for a program on China.

The meeting opened with a favorite hymn of the Chinese, "Jesus Loves Me," and Mrs. C. O. Watts gave the hymn in Chinese dialect.

Mrs. L. K. Osborn gave the devotional and led in prayer, and Mrs. Alfred Cates gave a review of the book, "The Chinese Mind," by Gung Hsing Wong, Chinese consul at New Orleans. Mrs. Read led the closing prayer.

Attending were Mrs. J. C. Shepard, Mrs. John McNeil, Mrs. Henry Ernst, Mrs. Watta, Mrs. Osborn, Mrs. Read, Mrs. Alfred Cates, Mrs. Eddie G. Mann and Mrs. Willis R. Winters.

The Baptist young people held an organizational meeting Friday afternoon at the church under the direction of Mrs. Willis R. Winters, young people's secretary. Following games and refreshments, in which Mrs. B. O. Brown assisted, the devotional and explanatory meeting was held in the auditorium with Mrs. Frank Whitaker telling a story about Russia and Mrs. C. O. Watt outlining objectives.

Attending the Girls Auxiliary

Former Resident Weds In Columbia

Word was received here recently of the marriage of Miss Jacquelyn H. Craig, daughter of Mr. and Mrs. John H. Craig of East Columbia, and Charles Bill Leath-erwood, son of Mr. and Mrs. Dave Leatherwood of West Columbia. The couple was married Easter Sunday at the Columbia Methodist church in a formal ceremony read by Rev. Edwin T. Summers.

Leatherwood was raised near Big Spring and graduated from Knott high school. He is the nephew of Mrs. H. G. Hill and the grandson of A. K. Merrick, both of this city.

Mary Margaret Gray Celebrates Birthday

Mrs. L. M. Gray, Jr., entertained her daughter, Mary Margaret on her second birthday Tuesday afternoon at her home.

Spring flowers decorated the rooms where games were played and pictures were taken of the children. Favors of pink and blue train engine whistles were given to the group.

Birthday cake and ice cream was served to Sharon Ann Gary, Karen Kay, Royetta Satterfield, Charlotte Nobles, Andrea Lou and Carla Gay Sledge, Betty McWhorter, Annie Laurie Douglass, Bobby and Franklin Hinkley, Freddie Blackall, Mrs. L. M. Gary, Sr., Mrs. Tom Cantrell, Mrs. Pat Blackall, Mrs. Thurman Satterfield, Mrs. Charles Kee, Mrs. J. C. Douglass, Jr., Mrs. Frankie Nobles, Mrs. Jim McWhorter and Mrs. W. R. Douglass.

Mr. and Mrs. J. P. Dodge will attend the A&M graduation exercises May 30 at which time their son-in-law, Charles Austin Burch will receive his degree. Mr. and Mrs. Dodge left today for College Station; they will later visit in Houston with a daughter, Mrs. Jeanette Schweitzer.

Lewis, Jim Tom Hodnett, Jean-ine Hodnett, Teresa Springfield, David Burris, Donnie Henry, Barbara Blacklock, Gene Adams, Jo Ann Adams, Mrs. Frank Whitaker, counselor. Guests included Mrs. J. C. Shepherd and Mrs. Hazel Blacklock and daughter.

Sixteen Positions Open In Memorial Day Race

LOOKING 'EM OVER

WIN TOMMY HART

Our Town's Pat Stasey and Joe Langston are still chuking up their respective sleeves over a couple of play-or deals they pulled this spring.

One was the acquisition of Bobby "Pepper" Martin from the Lamesa Lobos of the WT-NM league, the other the delivery of J. K. McClain into their hands after that robust youngster had obtained his release from the Ballinger Cats.

Bob is a local boy who didn't find his lot with Lamesa last year a happy one. He hit .252 with a second-division ball club. He signed with George Sturdivant and Company again this year but, when George greeted his players in spring training he discovered he had too many limited service men (players who had been in organized baseball longer than 45 days and less than three years).

Sturdivant knew Martin wanted to play in Big Spring so engineered a deal whereby his contract would go to the local club.

Martin started on a hitting rampage at the beginning of the season and hasn't stopped yet. Just when it looks as if he's about to slow down, he goes out and knocks the ears off the enemy pitchers. He's at or near the top in home runs, total bases and runs batted in, furthermore he steadies the defense in center field. He's not exceptionally fast but is a constant threat on the base paths with his daring.

McClain hasn't started hitting yet but the local brain trust is certain he will. He's a student of the game. A powerfully built boy who meets the ball well and drives out a long ball. Once Andy Viamonte attains top shape again, the two of them should emerge as one of the better double play combinations in the league.

A right handed swinger, J. K. will find the local park to his liking. He's got the power to knock the ball over the left fence consistently.

Too, he'll no doubt work to advantage with the management. Obviously he is a youngster who plays his best and bears down the hardest when he's not ridden by his superiors. Stasey gives all his hands free rein.

The Hoses need a couple of hurriers to set them up for the pennant race. Langston made a trip to Abilene Tuesday to talk trade with Stubby Greer, the Abilene skipper, may have been able to swing a deal by the time this goes to press.

To date, the Steeds have had

Briton And Rex Mays Try Luck

INDIANAPOLIS, May 28. (AP)

Sixteen positions were open today to the highest bidder — in terms of miles per hour — for the 31st running of the 500-mile Memorial Day race at the Indianapolis motor speedway, and the top offers were expected from an Englishman and two veteran American drivers.

Rex Mays of Glendale, Calif., who ran a couple of laps yesterday at 128.5 miles an hour before developing front axle trouble, was expected to shoot for the fastest qualifying time of the pre-race trials and the \$1,000 prize that went with it.

Outstanding performances also were expected from the German-built Mercedes imported by Don Lee, Inc., of Los Angeles, and the English Racing Association car that experts termed the most advanced engineering in the field.

The Mercedes driver was expected to be Duke Nalon, veteran California pilot.

H. L. Brooke of Coventry, England, the driver of the E. R. A. had been testing the speedway methodically, and at no great speed before today. He is an engineer, an inventor and a manufacturer, and races for fun.

The 16th and 17th qualifications yesterday were by Hal Robson of Berkeley, Calif., at 122.09 miles an hour in the Palmer special, and Pete Romcevecich of Gary, Ind., at 117.218 miles an hour in a Cameo motor, Ford special entered by Anthony and Joe Granatelli of Chicago.

Lamesa Defeats Pioneers, 9-4

By The Associated Press

Lubbock retained its grip on first place in the West Texas-New Mexico League today, coming from behind last night to down Albuquerque, 9-4.

The Hubbers spotted the Dukes four runs in the first half of the first inning, but came back with six their half. After the score was tied, 7 all, in the fifth, Lubbock broke loose to win going away.

Lamesa defeated Clovis, 9-4, and Borger edged Abilene 6-5. Amarillo took a 5-2 decision from Pampa.

Pat O'Dowdy, Big Spring's busy wrestling impresario, is heavily booked for the road this week.

He worked as a gladiator in San Angelo last night, pops up in Abilene tonight, moves to Amarillo Thursday, to Tucuman, N. M., on Friday and winds up in Roswell, N. M., on Saturday.

George Fullerton, the Ashland, Oregon, youth who had been expected to break the prep school mile mark (4:26.3) failed by four seconds in the state meet earlier this month.

Lamesa Wins, 15-9

MIDLAND, May 28. — Lamesa's Tornadoes turned back the Midland Bulldogs, 15-9, in a District 10AAA baseball game played here Tuesday afternoon.

The victory was the second of the season for the Tornadoes over Midland and insured their second place in conference standings.

Odessa Defeated

SAN ANGELO, May 28. — The San Angelo Bobcats hopped on Jack Thomas for 11 hits to win a 9-14 baseball decision over the Odessa Bronchos in a District 10AAA game here Tuesday.

The Felines went ahead with a four-run outburst in the third round and sewed up the decision with another four runs in the sixth.

Keys made at Johnnie Griffin's—adv.

This will be the scene at Indianapolis on Memorial Day when huge crowds again will jam the Speedway to witness the classic 500-mile auto race. Thirty-four cars are slated to start the gruelling grid, but not half of them will still be circling at the finish. George Robson won the race last year, only to be killed in a crash during a race in Atlanta a few months later.

Barron Shackles Ponies As Steer Team Wins, 6-2

By The Associated Press

Jackie Barron limited the Sweetwater Mustangs to three singles while his mates stretched three of their five hits for extra bases to stake the Big Spring Steers to a 6-2 victory here Tuesday night.

Sweetwater gained a short lead in the top half of the third, only to see the Steers gather two in their part of the frame. Sweetwater knotted the count in the first of the fifth before the Steers broke out in a three-run rash. Guelker's wildness was part of his undoing, coupled with untimely errors. Six misuses behind Barron also aided the Mustangs.

Coach Conn Isaacs takes the Steers to Abilene for a 3:30 p.m. finale today. Should the Steers edge out the 3-AAA leading Eagles, it will give Big Spring a 667 figure for the year and a record of having beaten every team at least once. While winning the seven games, the Steers dropped four, a couple by one run, the others by two runs.

Rebs Continue Their Upsurge With Twin Win

By The Associated Press

Base hits broke the jumbled Texas league wide open, with single occupants for every position today.

Dallas Rebels continued their red-hot race for the lead, walloping Oklahoma City twice, 11-4, 13-8, to take over third place and move with in just two percentage points of second place Fort Worth.

Fort Worth split a pair with Tulsa, winning the opener, 2-1, and dropping the nightcap, 10-1.

Shreveport bowed to San Antonio, 3-1, and skidded from a tie for third into fourth place. Houston had a game chopped from its comfortable margin, going down before Beaumont, 7-6.

Dallas pushed over four runs in the first inning, added four more in the second to turn the opening game into a rout. In the second tilt, Oklahoma City started the same way — scoring five runs in the first on two triples, two doubles and a single.

The score was tied 7-11 in the fourth when Dallas tallied five times. Two runs on four hits in the fifth gave Dallas a lead it enlarged through the remainder of the game.

Ned Garver's four-hit pitching sent Shreveport tumbling down the standings. The only Shreveport run came in the seventh when Jimmy Kirby parked one over the left field fence.

The Missions bunched four of their six hits in the third inning and scored all of their runs.

A five-run ninth inning rally by Beaumont, spoiled the night for 7,000 fans at Houston, trailing going into the final innings, the shippers used three hits and a run winning margin.

A Fort Worth jinx — that lasted through five games with Tulsa, went by the wayside when the Oilers found 12 base hits could hop any hex. Two-run home runs by Jim Shelling and Barney White aided considerably.

To night's schedule is the same. Dallas is at Oklahoma City; Fort Worth at Tulsa; Beaumont at Houston; and Shreveport at San Antonio.

Twelfth Train Of Gasoline Shipped

Another trainload of gasoline, bringing to 12 the total shipped under train lot rate schedules, arrived in Sweetwater Monday from Cosden's refining plant at Big Spring.

The 20-car train was the second shipped in May. Another is due to leave the refinery here Sunday evening.

Work is being rushed at two other terminal points and Doug Orme, traffic manager for Cosden Petroleum Corp., said it was hoped that the first train to Abilene could be dispatched by June 10. The Texas & Pacific Railway company, which is pioneering the train lot schedule, which covers up to 60 per cent off single car quotations, with Cosden, is starting Wednesday on installation of siding for Cosden at Abilene.

Storage at Orme (Arlington) has been delayed because of tank steel shortage, but officials hope that this will go into operation by the middle of August.

Woman Fined \$10

Mrs. W. L. Boyd, charged with defrauding by obtaining things of value by worthless check, entered a plea of guilty in county court this morning and was fined \$10 plus expenses. The complaint was filed by F. W. Greise.

Many authorities state that coal is the greatest natural resource in the world aside from soil.

Lee's Grocers Chalk Up Wins In Forsan Play

FORSAN, May 28.—Lee's out-

slugged Conoco, 15-11, in the second game of Forsan community softball league play Tuesday night after Moore's Grocery had upset Magnolia, 10-6, in the opener.

The Lees gang made the most of ten hits and four Conoco misplays. The victors put the game on ice with a five-run outburst in the sixth round.

Despite devastating hitting by Greenfield, the Magnolia shortstop, the Grocers sailed to victory in the opener and that by racking up eight runs in the third and fourth rounds.

Refiners Play Here Tonight

Visitors Six Games Behind

Odessa's offensive-minded

Oilers, boasting a won and lost record of 16-16 — six games off the pace — move into the village tonight to begin a three-game set with the Big Spring Bronchos in the State street ball orchard.

Starting time is 8:15 p. m.

Joe Embrey, who tamed the Hoses in the opening bout of a series in Odessa last Friday night, will probably toe the slab for the invaders while either Lloyd Patterson or Bertie Baez will work for Big Spring.

In two contests last week, the clubs broke even. After Embrey had paced the Refiners to a 7-4 win in the first bout, the Cayuses returned the following evening to cop one, 6-2, behind the superlative elbowing of Baez.

Howard McFarland, ham-handed skipper of the Odessans, has inserted himself in the lineup. His presence adds tremendous authority to the Oiler power, since Howard could always tattoo the stitched grape.

The guests have added a new second sacker and another pitcher or two? Outside of that, they are the same Oilers.

Pat Stasey and Joe Langston, the local straw bosses, are frantically trying to strengthen their hurling clubs. (Wherever they're fairly well set or their un-up.

Y-B

It takes quality to get to first base with a big league smoker. That's why there's a run on Y-B Cigars whenever quality Cigars are on the market. Made of fine imported Cuban and Puerto Rican filler tobacco. Try a Y-B today. BY'S AND BUY Y-B

Tigers To Play Ranger Sunday

Winners in two of three games played to date, the Big Spring baseball Tigers take on a powerful Ranger team in the high school park at 3:30 o'clock Sunday afternoon.

The Bengals, who are managed by Ynez Yanez, Sr., drubbed Abilene's Brown Eagles here last Sunday and looked good in doing it.

Yanez has uncovered a pitching find in Alfredo Chavez, who blanked the War Birds.

Louis To Quit In '48, He Says

SALT LAKE CITY, May 28. (AP) Joe Louis says that 1948 will be his last year of boxing.

The heavyweight champion made the statement yesterday during a discussion of why he has turned down some fight offers recently.

He said there isn't a competitor anywhere right now who will draw big time gate, but he believes an able fighter will develop by 1948 to challenge his title.

"But whether there is or not," he added, "I'm not going beyond 1948. That's my last year of boxing."

The champ said he thinks he'll stick to fighting exhibitions for a while until the real thing—in the way of money—comes along, since he has to spend as much as \$62,000 in training for a title bout.

Among the offers Joe has turned down recently was a proposal to stake his championship here as part of Utah's centennial sports program.

Girls To Visit Colorado City

Leon Glenn Bredemeyer's Big Spring girls' softball team invades Colorado City Saturday night for a return go with an independent team representing that city.

The locals turned back the Colorado City team here a couple of weeks ago.

The Big Springers take on San Angelo's Red Chicks here Tuesday night and will be out for revenge in that one.

Up to 1900 the oil industry in the United States produced about a billion barrels of oil — about seven months' production today.

Rigid Enforcement Of Rodent Law Set

The city commission instructed the city manager and city attorney Tuesday to prepare for rigid enforcement of the rodent control ordinance in cases where business property refuse to comply with the measure.

Only a few isolated cases of non-compliance have been listed by the typhus control director, however. The commission was told that generally, the rodent control program has made excellent progress and work is continuing under favorable conditions.

The commission also authorized the city manager to furnish custodial service at the Museum in City Park. The Business and Professional Women's club has proposed to keep the museum open during weekends provided the city will furnish personnel and will put the building and equipment in condition for opening to the public.

Charles T. Rountree and Otto E. Havins were approved for appointments to the police force. Havins will serve as parking meter repairman, while Rountree is to take a job as radio operator.

Appeal Court To Hear Third Attempt To Convict Jim Thomas For Slaying

AUSTIN, May 28. (AP)—The state's third attempt to convict 51-year-old Jim Thomas for murder in the slaying of Dr. Roy Hunt of Littlefield came before the court of criminal appeals on oral argument today.

On Oct. 19, 1946, Thomas was found guilty and given a life term on charges of murdering the Littlefield physician. Thomas appealed.

It was the third time since 1943 that he had been convicted. Two previous convictions, both assessing the death penalty, were reversed.

Thomas was originally arrested in October, 1943, a day after the bodies of Dr. and Mrs. Hunt were found mutilated and bound in bed at their Littlefield home. Thomas was tried only in the slaying of Dr. Hunt.

Sponsors, Competing Water Projects Heard

AUSTIN, May 28. (AP)—Sponsors of three projects competing for the water rights to the Texas City and Galveston area appeared before the State Board of Water Engineers for the seventh time today.

The consolidated hearing was scheduled to recess at noon and reconvene next Friday.

Yesterday H. E. Whitaker, New York engineer, completed three days of cross examination by attorneys for the Briscoe Irrigation Co., a Brazos river applicant, and the San Jacinto River Conservation and Reclamation District. Whitaker is vice president and chief engineer of a firm which made a survey in support of the American Canan company's application to bring Brazos water to Texas City.

Stage Is Set For Passage Of Zone Ordinance

The Big Spring city commission set the stage for final passage of the zoning ordinance Tuesday evening when a resolution providing for approval of the new measure with certain stipulations was adopted.

The resolution recommended passage of the ordinance under the following conditions: That owners of present business property be permitted to make improvements, enlarge to limits of property boundaries, or rebuild in case of fire provided the type of business is not lowered in class, regardless of zoning area.

Commissioners stated that this plan had been studied at length and that it was their opinion that it would solve problems of a majority of those who have registered complaints on the zoning measure. They pointed out that it would permit a man who now owns a grocery store or other neighborhood business to improve his property and even restore it in the event of destruction by fire, storm, etc. However, at the same time it would prevent the owner from rebuilding and installing any type of business less desirable to residents in the neighborhood.

The ordinance is scheduled to come up for its first reading at the next regular commission meeting on June 10.

LEGION MEET SITE

DALLAS, May 28. (AP)—Greenville will be the site of the American Legion First Division convention May 31-June 1. Sam Long, Dallas division commander, said yesterday.

Manager Of Negro Orphanage Takes Stand In Fraud Trial

BROWNSVILLE, Tex., May 28. (AP)—Mathes H. Coleman, who in the past forty years has been a printer, barber, farmer, roofing

house manager, painter, cattleman and cafe owner, today is to tell a federal court jury of his management of a little negro orphanage at Santa Rosa.

Coleman, aided by crutches, walked to the witness stand yesterday afternoon to testify in a trial in which he and his wife, Ruth, are co-defendants against a mail fraud charge.

The ten-count indictment, reduced to nine counts by Judge Allan B. Hannay on Monday, is a result of alleged misuse by the negro couple of contributions received during a nationwide financial campaign for the orphanage.

Judge Hannay's courtroom late yesterday was a hospital in appearance as the trial's eighth day drew to a close.

Coleman held his crutches in his lap and his wife listened to testimony from an ambulance stretcher.

W. F. Pohlen of San Antonio, a witness whose name has figured prominently in testimony throughout the trial, was wheeled into the room on a stretcher and for two hours in a voice barely audible to the nearby jury, told of the early days of the letter campaign.

It was Pohlen who was hired by the Colemans in 1941 to handle the campaign for two years.

Pohlen, who became ill Saturday, was the last important de-

fense witness to be called before former Governor James V. Allred, defense counsel, asked Coleman to take the stand.

In the brief 10 minutes before the trial was recessed, Coleman told the jury he was born near Palestine and had moved to Hidalgo county in 1907. He said he did not know his correct age but believed it to be in the "upper 60's."

He said he began working at an Edinburg print shop but later began operating "all at one time" a cafe, rooming house, barber shop, dairy, and meat market on the side.

His wife, Ruth, was in domestic service as a maid and cook.

Together they moved to a site near Harlingen in late 1929 or early 1930. Shortly thereafter, he said, he and his wife started thinking about organizing an orphanage.

Pohlen told of meeting the Colemans first in early 1941 when he visited their little orphanage. He said he introduced himself to the negro couple while they and children of the institution were clearing brush. He said the orphanage was in poor condition.

The Colemans, he said, told him they had attempted to seek contributions by writing letters but had been unsuccessful.

The San Antonio advertising man said he explained his campaign "set-up" and a contract was signed on his "second or third" visit. He said the campaign was successful. He criticized Allred, however, for "putting in the newspapers" reports that he had received large sums of money from the contract.
