TS&GRA Meets In Kerrville Saturday

The fight against scrapie, proper procedure in making application for wool incentive payments, and the need for a new feed bill were the principle subjects discussed by the directors of the Texas Sheep and Goat Raisers Association at their regular quarterly meeting held in Kerrville June 4.

The directors passed a resolution offering practical assistance to the livestock sanitary commission in their drive to eradicate scabies in Texas within the next two years. Funds for this purpose have been made by the Texas legislature. The directors also asked for the state to provide \$14,000 to match Federal funds for slaughtering infected sheep. Killing infected animals is the only means of controlling scrapie.

Members and warehousemen received instruction in proper application for wool incentive payments from Jack Bradshaw and L. L. Womack of the state agricultural stabilization and conservation office of College Station.

Directors were told by State Representative Joe Burkett that no feed control bill will be forthcoming this year. Burkett advised directors to formulate a new bill and work on its passage.

The next quarterly meeting was set for August 31 to September 3 in San Angelo, the meeting to coincide with the Wool Festival.

MENARD 4-H CLUB BUYS DAVIS RAM

The Menard 4-H Club has purchased a stud ram from W. L. Davis. The fleece from this ram won the championship in the Wool Show here four years ago for the 4-H Club.

Davis also sold one yearling ram and 17 registered ewes to Col. Peach of Fredericksburg. Col. Peach took delivery on the sheep in Sonora and was accompanied by Gillespie County Agent Stone.

Interest High For Wool Show

Entries for the Lions Club Wool and Mohair Show are running ahead of the number for this time last year as the June 22 entry deadline approaches.

Twenty-five counties will be represented in the show, the largest fine wool show in the world, with about 125 participants in the Junior Judging contest. Judging will take place June 22, and awards will be made June 23 at a Lions Club banquet to be held at the Elementary School Cafeteria. Some 250 attended last year's banquet.

FOOD SALE

The Women's Auxiliary of the Sonora Volunteer Fire Department will hold a food sale Saturday, June 18, at the Sonora Appliance Store.

Lets Develope The Little League Habit Today

Gun Club Shoot And Barbecue Sunday Noon

The Sonora Gun Club will hold skeet and trap shooting contests Sunday at the shooting range on the Stanley Mayfield ranch nine miles east of town. The public is cordially invited to attend a barbecue, beginning at 12:45 and to remain and take part in the shoot which will follow. Prizes will be awarded in the novelty and lucky shooting contests.

Trap and skeet teams from San Angelo have been invited to participate.

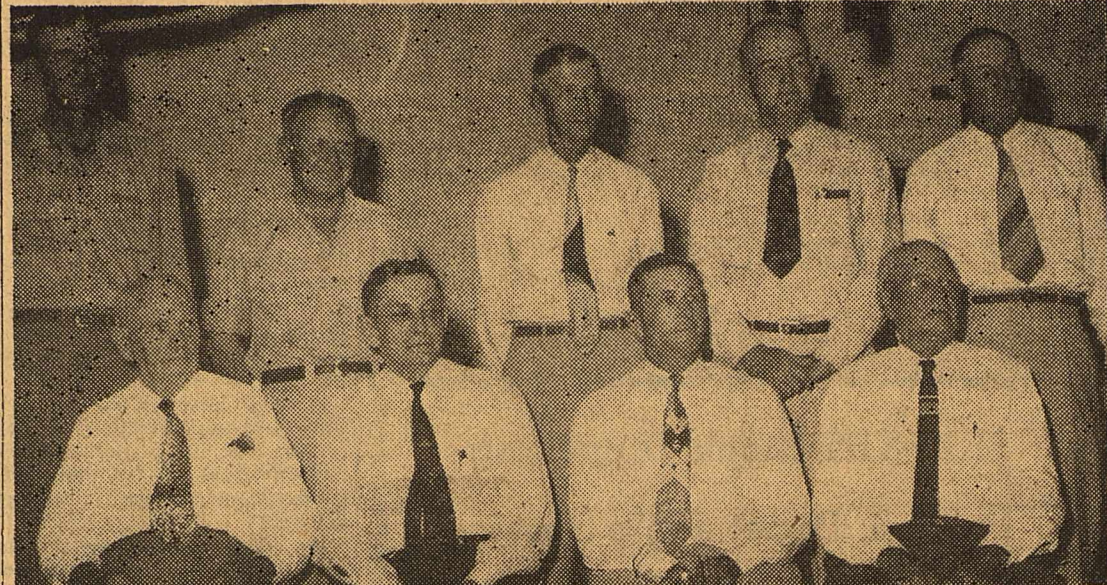

At the club's meeting Sunday, May 29, a .22 automatic rifle was won by Wess Hill in the lucky shoot.

Judging Team To San Angelo

County Agent D. C. Langford will accompany a 4-H Club wool and mohair judging team to San Angelo Tuesday, June 14. The team, composed of Turney Friess, Joe Friess, Tommy Love and Rodney Davis will take part in the state wool and mohair judging contest to be held at San Angelo College.

Langford will take eight boys to Junction June 18 for the district Sears-Roebuck wool, mohair, and plant judging meet.

Lawrence Nichols and Jim Perry went to the Rio Grande fishing over the weekend.

Mrs. R. B. Kelley spent the weekend in Mason visiting friends and relatives.

Mrs. Ford Allen underwent surgery at Nix Memorial Hospital in San Antonio last week. She is resting at home this week.

No man ever stands in a more dangerous place than when his loyalty to a friend is pitted against his loyalty to his conscience.

Maybe you don't see any good in the other fellow, but remember the Bible says, "Judge not that you be not judged." Certainly it is, that when we see no good in others, there is but little, or no good left in us.

Cynicism has never been a builder. You cannot set cynicism to music.

Our most dangerous day is the one on which we believe we cannot be mistaken.

When in doubt, take the time you need to get the facts.

If you want to know the worth of a man, don't listen to what is said about him, but find out what he is doing.

You can get a good opinion about a man by the friends he has.

County Gets General Rains Saturday P.M.

General rains fell in Sutton County Saturday afternoon with gauges catching between .50 of an inch and an inch in all directions of Sonora. Wind, blowing dust and light hail were also reported but skies were clearing by seven o'clock Saturday.

A small twister hit parts of the Vestal Askew, Joseph Vander Stucken and W. B. McMillan ranches.

Wind damaged the roof of Jim Perry's welding shop and garage during the blow Saturday afternoon.

Rain reports included Ben Cusenbary .50; Jim Cauthorn .75; Bill Wade .80; George Breckman .71; Edgar Shurley .61; W. L. Davis .78; Collier Shurley .40; Hilton Turney .70; J. P. Rieck .60; Edgar Glascock .40 to 1.10; Preston Love .70; Sam Logan .50; Fred Earwood .60; Frank Bond .50 to 1.10; Dan Cauthorn .60; and Mrs. R. M. McCarver .58.

A light shower early Tuesday morning dropped only .03 inch at the official weather observatory.

VACATION SCHOOL FOR YOUNG CHILDREN TO BEGIN MONDAY JUNE 13

The Vacation Bible School sessions for the children who are eligible for first grade in September will begin Monday, June 13, at 9 o'clock at the Episcopal Parish House with Mrs. Tom Driskell as superintendent. Her assistants will be Mrs. P. T. Maxwell and Misses Lennie Mayhew and Flora Dell Davis.

The 4 and 5 year olds will have their school on Thursday and Friday at the Baptist Sunday School annex from 9:30 to 11 o'clock. Their superintendent is Mrs. R. L. Lee assisted by Mrs. James Wilson, Mrs. Edwin Sawyer, Mrs. Sidney Awalt and Misses Vicki Archer, Armelda Odom and Nancy Anthony.

On Friday, June 17, at 8:45 o'clock on the school lawn there will be a closing program for all departments. All members of the community are urged to attend.

On Friday morning from 10 to 11 o'clock parents and friends are invited to visit the various departments to see the handwork which has been made during the school.

Gene McCarver is visiting his brother and sister-in-law Mr. and Mrs. Bob McCarver in San Angelo this week.

J. D. LOWREY HONORED

Among those honored at Tuesday's Lions Club meeting was J. D. Lowrey, charter member of the organization, and it's second president. Mr. Lowrey, who will observe his 88th birthday on July 22, came to Sonora around 1900.

He lived on the old Mayer Brothers ranch until 1904 when he moved into Sonora to serve as Deputy County Clerk, continuing in this capacity until his retirement January 1, 1945. He still retains interests in the Sonora Abstract Co. and in Pecos County ranch property.

Mr. Lowrey is a member of the Methodist Church, a Mason and a Schreiner.

He and Mrs. Lowrey observed their 58th wedding anniversary June 6.

EXCELLENT FISHING and perfect weather in Guaymas, Mexico, resulted in the above picture. Mr. and Mrs. George H. Neill and Mr. and Mrs. Gay Copeland flew to Guaymas Tuesday, May 30, and returned to Sonora, June 7.

The group caught 14 sailfish weighed 93, 97, 108 and 121 pounds. Mr. Neill won the Guaymas jackpot for biggest fish caught two days in a row.

Our WASHINGTON Letter

WITHIN A SHORT TIME the Salk polio vaccine will be just as safe as other vaccines, according to Dr. Leonard A. Scheele, Surgeon General of the U.S. Public Health Service.

This well-known authority spoke to the Texas delegation at the weekly luncheon at the Capitol last week and described in some detail the laboratory processes now taking place by

scientists to perfect the new discovery, at least as nearly as it is possible to do.

Dr. Scheele pointed out that the post-vaccination cases have totaled 125 out of nearly six million vaccinations administered. He blamed the vaccine-caused cases on inadequate mixing of the material or on other unknown factors which, he thinks, can be eliminated or reduced to a minimum.

The Doctor emphasized that those who have received one shot of the vaccine will have strong resistance to the disease for some time even though the second and third shots may be delayed for a while.

DEPARTMENT OF AGRICULTURE has announced that mohair production is making a come-back after declining 45% between 1945 and 1952. Last year growers clipped 13.7 million pounds, which was 1.1 million over 1953 or a 9% increase. Total goat population: 2.5 million, from which 96% of the mohair is produced in Texas.

Biggest thing in Low-Priced cars

*-actually costs less than
some models of the
well-known smaller cars!
(Come in and check)*

THIS is a Buick—a 2-door, 6-passenger SPECIAL Sedan.

It packs a wallop—188-hp V8 engine under the hood—is carried on a strapping 122-inch wheelbase—rides with the luxury cushioning of all-coil springing, the solid steadiness of a full-length torque-tube drive, the extra safety and silence of tubeless tires.

It's big and brawny and road-steady and roomy—each seat cushion measures over five feet in width.

Yet this beauty—as the price we'll show you proves—delivers locally for just about the price of the well-known smaller cars—even below some models of those same cars.

Buick Sales Are Soaring To New Best-Seller Highs

That, for sure, is one reason why Buick sales go higher and higher and higher. More and more people are finding that you can buy a

Buick for the price of a smaller car, so more and more people are getting this bigger buy for their money.

They want the bigger package of sheer automobile for the money that they get in Buick—bigger in power thrill, in roomy comfort, in riding steadiness, in structural solidity.

They want the added prestige and pleasure of owning Buick styling and size—and the added safety and sureness of Buick roadability and handling ease.

They want, too, the spectacular performance and better gas mileage of Variable Pitch Dynaflo—yours at modest extra cost.

And they certainly want the choice Buick offers of a car in every price range, with each one the buy in its field—the low-price SPECIAL, the supremely-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

Why don't you come in for a visit and see how much real automobile your money can buy here?

†Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

QUESTIONS AND ANSWERS FROM VETERANS ADMINISTRATION

Q -- I am required to take a physical examination to reinstate my lapsed GI insurance policy. Would VA accept an examination made by an osteopath?

A -- Yes, provided the osteopathic physician is a graduate of a recognized college of osteopathy, and is listed in the current directory of the American Osteopathic Association.

Q -- I bought a house with a GI loan. Occasionally I earn a few extra dollars on the side, and I'd like to use this money to pay off the loan in advance. Is there any minimum set for these prepayments, or may they be for any amount?

A -- Your pre-payment may be for either one monthly payment or \$100, whichever is less, or in multiples of either one of those payments.

Q -- I have been taking on-the-job training under the Korean GI Bill. I intend to change my course to on-the-job training in a different field. I already have had three reductions in my GI training allowance. After I change, will I receive the full rate of allowance, or my current reduced rate?

A -- Since you are changing your job training course, you will receive the full rate of allowance at the beginning of your new course. This rate will be reduced at four-month intervals.

Q -- How much money can I borrow on my permanent National Service Life Insurance policy?

A -- You may borrow up to 94 percent of the cash value of your policy. Your VA District Office, where you mail your premiums, can give you the amount of your current cash value.

IT'S THE LAW in Texas

"IF I SHOULD DIE"

What will happen if you should die without executing a legal and proper will? Who will inherit your property? Your husband, wife, mother, father, children, your wife's relatives? The best way you can say who will have it is to provide a will which will protect your rightful beneficiaries and dispose of your property in accordance with your wishes.

When a deceased has no will, or dies "intestate" as the law calls it, the property of that person is distributed according to a detailed formula fixed by law. In some cases this may be the way you yourself would divide it—but in many cases it is not.

The provisions of the law concerning the distribution of the property of a person who dies without a will are rather complicated, and all of the possibilities cannot be covered by a general statement.

There are different rules for real estate and for personal property, for community property and for all of the many possible combinations of surviving relatives. Each situation must be carefully studied to determine the correct distribution of the property.

For example, here is a general idea of how the community property which you and your spouse have accumulated will be divided if you do not make a will prior to your death.

If your husband or wife survives and there are no children, the surviving spouse receives all of the property.

If, in addition, there are surviving children or descendants of deceased children, they would divide one-half of the property, while the surviving spouse would receive the other one-half.

Of course, grandchildren do not share in the estate unless their parent who would inherit is deceased. And when descendants of previously deceased children do inherit, they receive only the portion that the child would have received, regardless of the number of such descendants.

An odd note, perhaps, is that the surviving spouse already owns one-half of the community estate prior to your death, and the law adds nothing to this share where there are children surviving.

When there are only children and their descendants surviving, they divide the entire community estate between them.

A free pamphlet containing useful information on wills and related matters has been prepared by Texas lawyers. To obtain a copy, merely print name and address on a postcard and mail to State Bar of Texas, Colorado at Fifteenth, Austin 1, Texas.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts because the facts may change the application of the law.)

HIGH EGG PRICES expected by fall

For 5 years, a year of low egg prices has always been followed by a year of high egg prices. Why? Because many folks get discouraged after a low-price year and don't start chicks.

The graph tells the story. Average prices are higher in some areas, lower in others, but the down-one-year up-the-next picture is the same everywhere.

SAFER DRIVING ASKED DURING VACATION TIME

Vacation motor travel is big business in the United States. Each year more and more vacationers take to the road, with the majority in private cars and the average car is driven 1,200 miles during the vacation. As motor travel booms, traffic accidents, especially in rural areas, also boom.

The Texas Farm and Ranch Safety Committee offers a few suggestions which they feel, if followed, will take some of the boom out of accidents. Give the family car a thorough check-up before starting and watch for signs of trouble along the way. Don't block vision, say the experts, by improperly loading the car. Good vision is a must for safe driving.

Be prepared for emergencies. A first aid kit, maps, permits, identification, a flashlight and a tool kit and maybe a few spare parts should be carried along.

With the driver rests much of the responsibility for a safe trip. His efficiency is greatly affected by fatigue. Plan the trip, urges the committee, to allow rest stops during the day and a good night's sleep each night. And don't try to drive and see the sights at the same time.

Ignorance of the law is only an excuse. Most states use standard traffic sign shapes. They are a constant guide to safe driving; know and obey them.

Traffic will be a problem during the vacation season in all parts of the country. Just don't get in a hurry and don't drive faster than conditions justify, says the committee. Be adaptable and fit your driving to the peculiarities and conditions that exist in the areas through which you may travel.

Finally, says the committee, take safety with you. It will bring you home in good shape and you can look forward to next year's trip.

KOREAN 4-H CLUBBERS THANK TEXAS MEMBERS

Korean 4-H Club members have already voiced their thankfulness for the assistance they soon will be receiving from fellow members in Texas. Latest word from the Texas Friendship for Korea drive indicates that materials, equipment, seeds and livestock in sufficient quantity to load the ship are in sight.

"The response has been overwhelming. Each day the list gets larger," reports the Texas Christian Rural Overseas Program Committee. Col. C. A. Anderson, who spent some 10 weeks in Texas this spring telling 4-H members, their leaders, supervisors and others what was needed in Korea, writes from that country that all newspapers, both English and Korean, have carried stories about what was happening in Texas. "This program," he said, "is not only aiding Korea economically and educationally but is also a great morale build, er."

Plans are going forward for the loading ceremonies scheduled for June 20 at the Port of Houston. Texas 4-H members along with farmers, ranchmen, organized labor groups, church leaders and churches and many, many individuals have had a part in loading the Texas Friendship for Korea.

The contributions made by 4-H members, their friends and supporters, will go to Korean 4-H members for use in their demonstration and project activities. In his last letter Col. Anderson said that he was in need of light transportation as well as something for carrying freight. He specifically requested that efforts be made to include in the 4-H contributions a pick-up to handle this need.

The CROP committee reports that cash donations are needed to meet the expenses of getting the great array of materials, equipment and livestock to port; for crating and other incidental expenses and for feeding the livestock while aboard ship.

Mrs. C. E. Taylor, Mrs. Eula Regeon and Betty Ann Patrick spent several days in Austin last week, in the home of Mr. and Mrs. Royce Regeon.

Mr. and Mrs. Ted Letsinger and children spent the weekend in Kennedy, the guests of his brother and family, Mr. and Mrs. Ralph Letsinger.

Soil Conservation District News

Prepared by Local SCS Personnel
News of Edwards Plateau Soil Conservation District

Yaaqnov Orev, a soil conservationist from Israel, met with supervisors of the Edwards Plateau Soil Conservation District at their regular monthly meeting June 1, Orev, who works with the Israel government, is studying conservation methods in the United States.

"The rainfall in my area of Israel varies from 1 to 10 inches annually," Orev said. Practically all of it comes during the winter months from November to March, when evaporation is low. Crops of barley and hay can be successfully produced where as much as eight inches is received.

The district supervisors reviewed and approved conservation plans on ranches operated by Sam Allison, George S. Schweining and Robert Pfluger. Supervisors

present included Joe B. Ross, Fred T. Earwood, W. B. McMillan and Frank Bond. The fifth supervisor, Edwin Sawyer, was not present.

Following the business meeting, the supervisors inspected pitting and seeding work on their fields trial area. They were accompanied by J. L. Richmond and E. B. Keng of the Soil Conservation Service.

The group found a good stand of grass on the pitted area, on both hand broadcast and drilled seedings. Moisture was plentiful under the pits to a depth of 12 to 14 inches, but no moisture was evident between pits or on untreated areas.

Orev plans to spend several days in the Sonora area this week studying conservation problems

and treatment. He plans to return to Israel in July.

Dudley Woodward, Dallas, former member of the University of Texas Board of Regents, was very enthusiastic about range pitting and seeding results observed Thursday on the Fields ranch. He spent Wednesday studying conservation work on the Ed Willoughby ranch near Eldorado. Woodward was deeply impressed with the fine work Willoughby has done in maintaining a good grass cover during the drought.

Woodward, a part owner of the Thomson Estate north of Sonora, is also concerned with the mesquite eradication problem on the Thomson ranch.

Rip Ward has pitted 25 acres and seeded Uvalde Sideoats grama. A fair stand of grass is up, even though the area has received only two light showers since the pitting was completed. Grass near the pits is making more growth and remaining greener longer than on nearby unpitted areas.

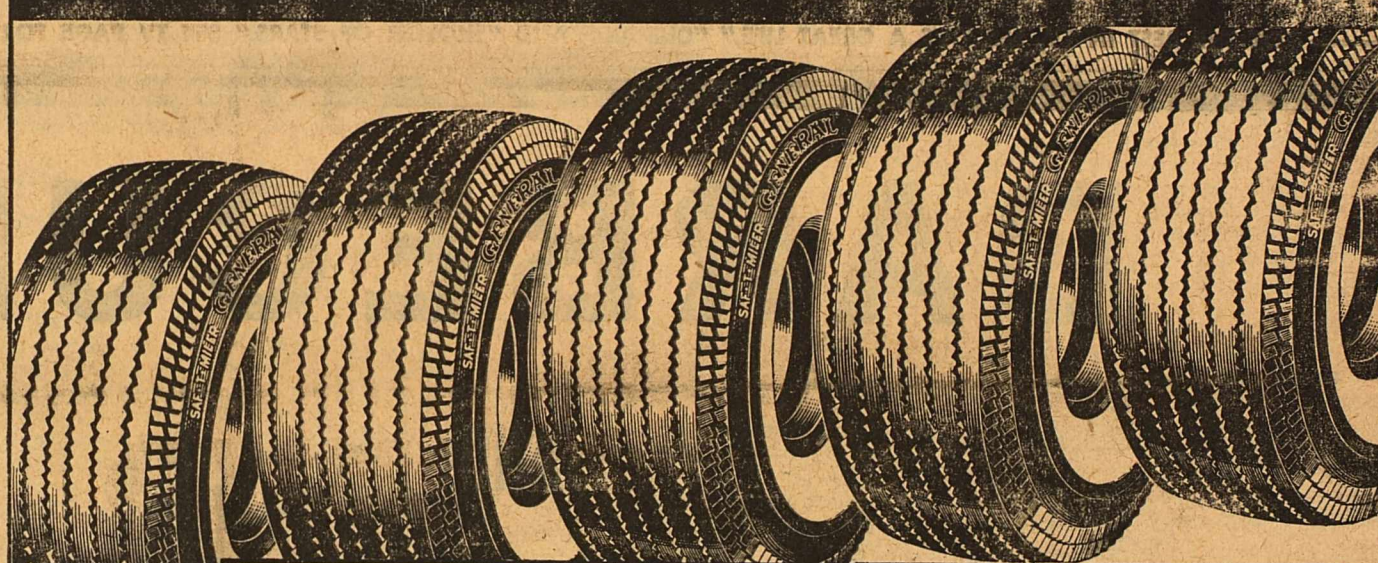

1954 TEXAS TRAFFIC SCORE
AUSTIN—There were 1,539 fatal traffic accidents on Texas rural highways in 1954. In 61% of these fatal accidents only one driver was involved. In 34% of these accidents the single driver did not even hit anything. He simply lost control of his vehicle and turned over in the roadway or ran off the roadway.

PEDESTRIAN FATALITIES
AUSTIN—Pedestrian fatalities in Texas traffic dropped from 380 in 1953 to 345 in 1954, a 9.2% reduction. 153 pedestrians were killed on rural roads and 192 were killed on city streets. In 1953 there were 179 rural pedestrian deaths and 201 pedestrian deaths in cities.

"OTHER FELLOW"
AUSTIN—The "other fellow" always causes traffic accidents. However, the records show that 1,402 traffic accident victims, 58% of all the people killed in Texas traffic in 1954, died in accidents involving only one driver.

NEW YORKER DELUXE NEWPORT

"Where are you going with my Chrysler?"

He's like any normal husband with a new Chrysler in the family. He's learning why more wives "borrow" it than any other car!

It seems that once a wife or husband gets to know the ease and control of Chrysler's Full-time Power steering, any semi-power steering feels clumsy and heavy-handed. They both prefer Chrysler's smoother-acting Power Brakes . . . and the alive feeling of unlimited power in Chrysler's great new V8 engines! They like the utter smoothness and silence of

PowerFlite Automatic Drive . . . and most of all they enjoy being seen and admired in America's most smartly different car!

Now two Chryslers would really keep a family like this happy. Nevertheless, they'd be the first to tell you that one is a thousand times better than none at all. That's why we urge you to come in for a personal look-see, and a drive.

It's a truly wonderful experience. And . . . Sir or Madam . . . we suggest you bring your spouse!

Miss Smith, Mr. Howell Wed In Big Spring Rites Tuesday

Miss Jo Ann Smith of Big Spring became the bride of John Franklin Howell, Jr., of Sonora Tuesday evening at the First Christian Church in Big Spring.

The Rev. Clyde E. Nichols, pastor, read the double ring ceremony before a bank of candles illuminating a large brass cross.

The bride is the daughter of Mr. and Mrs. Henry W. Smith and the bridegroom is the son of Dr. and Mrs. J. F. Howell.

Mrs. Bob Simpson, organist played the pre-nuptial music and accompanied Miss Susan Houser, soloist, who sang "How Do I

Love Thee", "Through The Years", and the concluding "Wedding Prayer".

The bride, given in marriage by her father, wore an original wedding gown of ivory satin and lace with elbow-length satin mitts. The satin bodice was fashioned with a scalloped V-neck of lace and short satin sleeves. A panel of satin extended down the front of the lace skirt which fell into a chapel train. Her elbow-length tulle veil was attached to a crown of pearls with a tear drop pearl hanging from each point of the crown. Her only jewelry was a strand of pearls, a gift of the bridegroom.

She carried a cascade bouquet of white rosebuds and English ivy.

Mrs. Jeff A. Hanna, Jr., of Memphis, Tenn., attended the bride as matron of honor. She wore a full-length gown of lavender lace and carried a cascade bouquet of blue flowers.

Identical dresses of cornflower blue lace were worn by the maid of honor, Miss Nancy Lee Smith of Big Spring, sister of the bride, and the bridesmaids, Miss Karen Paul of Garland, Mrs. Ernest Potter of Houston, and Mrs. Ray Adams and Miss Sandra Swartz of Big Spring. They carried bouquets identical to that of the matron of honor.

James Carl Morrow of Sonora served as best man, and groomsmen were G. H. Wood, Jr., of Big Spring, Jeff A. Hanna, Jr., of Memphis, Tenn., Woody Neal York of New Orleans, La., John Stanley Hamby and William Ratliff of Sonora.

Ushers were Clem A. Dahse, brother of the bride, Big Spring; Jack M. Allen, brother-in-law of the groom, Perryton; and Charlie Howell, brother of the groom, Sonora.

A reception was held immediately after the wedding at the Big Spring Country Club. The serving table, laid with a white organdy cloth, was centered with bridesmaids bouquets and illuminated by ivory candles. The three-tiered white wedding cake topped with white roses was served by Mrs. Lewis Price, Mrs. Hayes Stripling and Mrs. Coy Nalley. Punch was ladled from a silver bowl by Mrs. R. T. Piner assisted by Mrs. Charles Adams and Mrs. Byron Lillie. Mrs. Jack M. Allen, sister of the groom, was at the bride's book.

For the wedding trip to New Mexico and Colorado, the bride chose a navy blue silk linen suit with yellow and navy accessories. After July 1 the couple will be at home in New Orleans, La., where Howell will continue his studies at Tulane School of Medicine.

Mrs. Howell is a graduate of Big Spring High school and will be an August graduate of North Texas State College where she was a member of Chi Omega Sorority.

Howell is a graduate of Sonora High School and Tulane University where he is a member of Sigma Chi social fraternity and Phi Chi medical fraternity.

Out-of-town guests attending the wedding were Mr. and Mrs. Johnnie Hamby, Mrs. Violet Morrow, Dr. and Mrs. W. T. Hardy and Mr. and Mrs. J. T. Ratliff and Shannon, Mr. and Mrs. G. H. Davis, Miss Flora Dell Davis and Mr. and Mrs. J. W. Pepper, Jr., all of Sonora.

Mr. and Mrs. Henry Greenhill, Sue and Mary Lena are vacationing in the foothills of Arkansas.

KILLEBREW - LOMAX VOWS READ IN ABILENE

Miss Lois Lu Lomax, daughter of Mr. and Mrs. Earl B. Lomax of Evans, formerly of Sonora, became the bride of Sam Randle Killebrew, son of Mr. and Mrs. Thomas Killebrew of Tipton, Oklahoma, in a double ring ceremony at the College Church of Christ in Abilene Friday evening, June 3.

For her wedding, the bride chose a waltz-length dress of white chantilly lace and tulle over satin. The dress featured a fitted bodice with scooped neckline appliqued with lace and a bouffant skirt of tulle with lace appliques. Her veil of triple illusion was attached to a crown of lace studded with seed pearls. She carried a white Bible topped with gardenias and pink carnations.

After a wedding trip to Lake Murray, Oklahoma, the couple will be at home in Abilene.

The bride is graduate of Sonora High School and attended Abilene Christian College. Killebrew is a graduate of Tipton High School, Tipton, Oklahoma, Oklahoma Junior College, and Abilene Christian College.

MRS. TRAINER HOSTESS TO TUESDAY CLUB

Mrs. Louis Trainer entertained members of the Tuesday Night Bridge Club at her home this week.

Mrs. Earl Duncan won the high score, Mrs. Belle Steen won the slam prize and Mrs. Henry Decker won the bingo prize.

Refreshments of ice cream and cake were served to the following guests: Mesdames R. G. Nance, Ernest McClelland, George Barrow, L. E. Johnson, Sr., P. J. Taylor, Duncan, Steen and Decker.

MISS DAMERON FETED AT BREAKFAST FRIDAY

Honoring Miss Marjorie Dameron, bride-elect of John Murray, Mmes. W. T. Hardy, Ben Cusenbary, Joe Brown Ross and Ella Wallace were hostesses at a breakfast Friday morning, June 3.

Breakfast was served at quartet tables centered with arrangements of white gladioli and a miniature bride.

Each guest presented Miss Dameron with a favorite recipe. She also received a gift from the hostesses.

Those attending were Mesdames E. D. Shurley, Frank Bond, O. L. Carpenter, E. A. Brodhead, Cleve Jones, Jr., W. A. Dameron, Bryan Hunt, Leo Merrill, Cliff Epps, W. R. Cusenbary, Thomas Morris, Fred Earwood, Joseph Vander Stucken, E. F. Vander Stucken, E. B. Keng, Rip Ward, Miers Savell, Edwin Sawyer, J. T. Ratliff, Norman S. Davis, Miss Robby Morris, Mrs. Guy Hargrave of Mertzon, and Miss Dameron.

Coffee Honors Miss Dameron

Mrs. E. D. Shurley, Mrs. P. J. Taylor and Mrs. A. E. Prugel were hostesses at a coffee honoring Miss Marjorie Dameron at the E. D. Shurley ranch home Saturday morning.

Miss Nancy Hunt sang vocal selections accompanied by her mother, Mrs. Bryan Hunt. Piano selections were rendered by Mrs. James Wilson and Miss Flora Dell Davis.

Mrs. Frank Bond and Mrs. W. R. Cusenbary alternated at the serving table and Mrs. Guy Hargrave of Mertzon registered guests. Others in the house party were Mrs. Rip Ward and Mrs. G. H. Davis.

Miss Dameron's chosen colors, blue and white, were used in the flowers and decorations throughout the party rooms. The centerpiece was an arrangement of white stock and blue gladioli in a silver bowl.

Out-of-town guests included Mrs. D. C. Royster of Eldorado. Approximately 50 guests were registered.

MRS. REES HOSTESS TO THURSDAY BRIDGE CLUB

Mrs. Robert Rees was hostess to the Thursday Bridge Club at her home last week.

The party rooms were decorated with potted plants. A salad and desert plate were served at the tea hour.

Mrs. Joe Berger won the high club score, Mrs. Nellie Allen won the high guest score and Mrs. O. G. Babcock won the bingo prize.

Those who attended included Mesdames Karen Peterson, G. G. Bennett, Lee Labenske, Auther Simmons, C. E. Stites, Rose Thorp, R. B. Kelley, Tom Sandherr, Berger, Allen and Babcock.

KITCHEN SHOWER HELD FOR MARJORIE DAMERON

Miss Marjorie Dameron was honored with a luncheon and kitchen shower Wednesday at the Sonora Woman's Club. Mrs. Bryan Hunt, Mrs. W. R. Cusenbary, Mrs. Frank Bond, Mrs. Thomas Morris and Mrs. Miers Savell were hostesses.

A blue and white color scheme was carried out in the decorations. The table was laid with a blue damask cloth and centered with an arrangement of white gladioli and white stock. Blue baskets of white stock were placed about the room.

Out-of-town guests were her aunts, Mrs. Guy Hargrave of Mertzon and Mrs. R. S. Merritt of Gonzales, her cousin, Miss Alice Marie Merritt of Gonzales and Mrs. Jack Allen of Perryton. Approximately 45 guests attended.

NOTAS DE LA COLONIA
LATIN AMERICANA

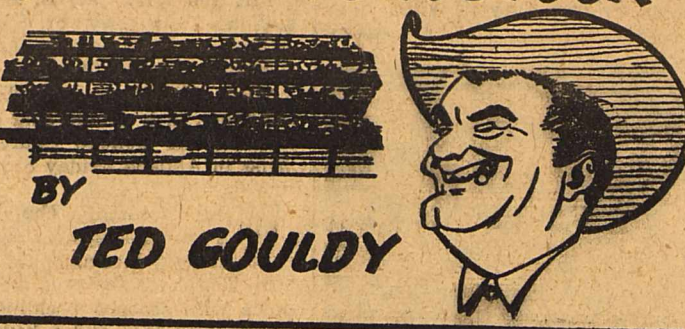

Por Elpidio Torres

Ligas Infantiles: Las ligas infantiles de pequeños beisbolistas estan practicando con mucho entusiasmo bajo la atinada direccion de los Senores James D. Trainer, Clayton Hamilton, John Bell, and Leon Neely, cuentan con un magnifico parque con alumbrado perfecto para hacer juegos nocturnos, se abre para el dia 15 del presente tendran su primer juego en dicho parque. Cabe felicitar a todas estas personas que tan desinteresadamente estan trabajando para el desenvolvimiento deportista del pueblo, y con ello haciendo una labor de acercamiento colectivo entre todos los ninos deportistas de nuestra colonia, cooperar en todo lo que nos sea posible con este grupo de personas que dirigen estas ligas infantiles para con nuestra ayuda ya pecuniaria o personal servirles con estimulo y gratitud para que sigan adelante con su proyecto deportista que es de tanto provecho para nuestro pueblo. Vaya nuestra felicitacion en nombre de toda nuestra colonia a todos los comisionados de la ciudad asi como a organizaciones y personas que hayan cooperado para este fin.

Cumpleaños: El Domingo 5 del presente a las siete y media de la tarde La Senora Francisca Guajardo festejo en su residencia su cumpleaños. Todas sus amistades cumplieron su invitacion y estuvo su fiesta muy alegre obsequiando a sus invitados con una merienda y algunos juegos en que la concurrencia paso muy buen tiempo, terminando su fiesta con ver el contenido de sus regalos, anotado a todas las personas que le dieron presente y que es como sigue: Senoras Alicia Virgen, Consuelo Trevino, LaLa Morales, Rosa Galindo, Feliz Guajardo, Rosa Elena Gonzales, Lidia Galindo, Otilia Maldonado, Luz Perez, Josefina Gonzales, Gere Sanchez, Maria Flores, Lorenza Garcia, Vita Galindo, Mague Sanchez, Felipa Berlanga, Aurora Gomez, Amelia Torres, y Rodolfo Guajardo. Nuestras felicitaciones en su cumpleaños.

Notas Fronterizas: Tomando impresiones con algunos amigos mios representantes de la camara de comercio de la vecina Cd. Fronteriza de Acuna, Coah. Mex. Es un hecho que las gran Presa Internacional que se tiene en proyecto entre el gobierno de los Estados Unidos y el de Mexico, cinco millas rio arriba de la Cd. de Del Rio, Texas. Se construya en un periodo de tiempo no muy lejano segun ellos ya se comenzaron los estudios tecnicos preliminares por parte del gobierno Mexicano de lo que se deduce, que ambos gobiernos estan de acuerdo y interesados en construir una obra que beneficiara a todas las poblaciones que geograficamente se encuentran sobre las margenes del Rio Bravo y salvarlos asi de una nueva tragedia como la que ultimamente han sufrido a causa de las grandes inundaciones que de tiempo en tiempo descargan las aguas del Rio Bravo sobre toda esa region. Aparte de esto la carretera que parte desde Saltillo, Coah. capital del estado y que terminara en Cd. Acuna para entroncar con Del Rio, Texas. Se viene trabajando con mucho empeño y como es natural los ciudadanos Acunenses se sienten muy satisfechos ya que carretera es la unica via de comunicacion que une a Cd. Acuna con el resto del pais. Tengo entendido que los trabajos de levantamiento y terraceria se encuentran. En el Rio San Rodrigo, 60 millas al sur de

Your Health

The summer season always brings an increase in the incidence of dysentery, diarrhea and enteritis, all of which are major menaces to the lives of small children, annually causing the death or illness of hundreds of Texas youngsters.

Dr. Henry Holle, Commissioner of Health, declares that the chief cause of these intestinal diseases are contaminated milk, water or food; allowing the child to get over heated or exhausted; excessive sugar in the infant's formula and foods that have been improperly refrigerated.

All foods should be clean and fresh and all leftovers should be refrigerated so as to avoid spoilage. The utmost care should be used in preparing the infant's formula which should, of course, be prescribed by a physician and his recommendations as to sanitations and correct refrigeration should be implicitly followed.

The Commissioner of Health warned parents especially of the disease transmission by flies. Children in any home that is not free from flies are in danger of contracting dysentery or other intestinal diseases which may be fatal.

If dysentery or diarrhea symptoms appear in your child, call your doctor immediately. Dr. Holle advises. His treatment of the disease is your best insurance against fatal results, since such diseases are really a very serious threat to the child's life. Do not depend on home remedies for diarrhea or dysentery; consult a competent physician and let him start the safest and best treatment which medical science has available for combatting these diseases.

Cd. Acuna, ya era tiempo que se hiciera justicia para esa Cd. que por su posicion geografica esta destinada hacer uno de los puertos mas importantes del pais ya que para todo el turismo que viene del norte de Los Estados Unidos, es la via mas directa para visitar la Capital Mexicana en cuanto a nosotros los Sonorenses; (de la Presa) nos quedara un lugar mas para pasarnos, a muy corta distancia de esta ciudad, en cuanto a la carretera uno via de comunicaciones mas segura para cuando muchos de nosotros vayamos a paseo o a visitar nuestros parientes. because packers have been so eager for them.

Many half-fat lambs selling in the \$19 to \$21 bracket at Fort Worth Monday look a full two grades below the choice \$22 and \$23 kinds. Shorn old crop lambs Monday sold up to \$18, the highest since around Easter for the class.

Monday Spring lambs were 50 cents to \$1 higher and old crops were 50 cents to \$1.50 higher. Other sheep steady, breeding ewes in very active demand in view of the improved pasture outlook.

Cattle prices at Fort Worth Monday were almost identical with those in effect a year ago at this time. Fed steers and yearlings are about \$2 per hundred lower than a year ago, but cows, bulls, slaughter calves and stockers are all selling just about like last year at the same time.

Prices Monday: Good and choice grainfed steers and yearlings \$19 to \$22.50; common and medium grassers \$12 to \$18. Stocker steer yearlings \$21 down. Fat cows \$11 to \$14; canners and cutters \$7 to \$11. Stocker cows \$7 to \$12.50. Bulls \$10 to \$14.50. Good and choice fat calves \$16 to \$20.50, few higher. Lower grades calves \$10 to \$15. Stocker calves \$23 down.

Here's where all that wonderful
performance begins!

They're all true—all the wonderful things you hear about Pontiac's great performance.

The way it sweeps uphill or down with the same effortless ease. The tremendous burst of passing power that answers the nudge of your toe. The thought-quick response in stop-and-go traffic that makes the car seem part of you. The smooth, quiet way it goes about its business however hard or far you drive.

Lift the hood of a Pontiac and you'll be face to face with the reason. That compact power plant nestled there may look much like other V-8's—but that's where your eyes deceive you!

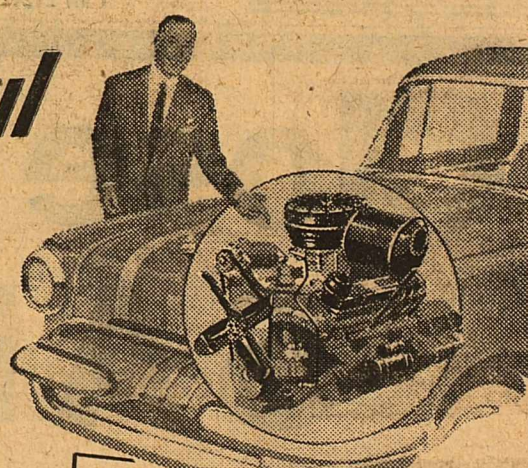

The Strato-Streak V-8 is in a class all by itself—filled with engineering "firsts" that make it the mightiest engine ever to appear

in Pontiac's price field. And it's one of the many Pontiac advantages you can't get anywhere else. Pontiac alone gives you the terrific drive of Strato-Streak performance.

This sensational performance, remember, comes in a distinguished, future-fashioned beauty that is tagged with a price any new-car buyer can readily afford.

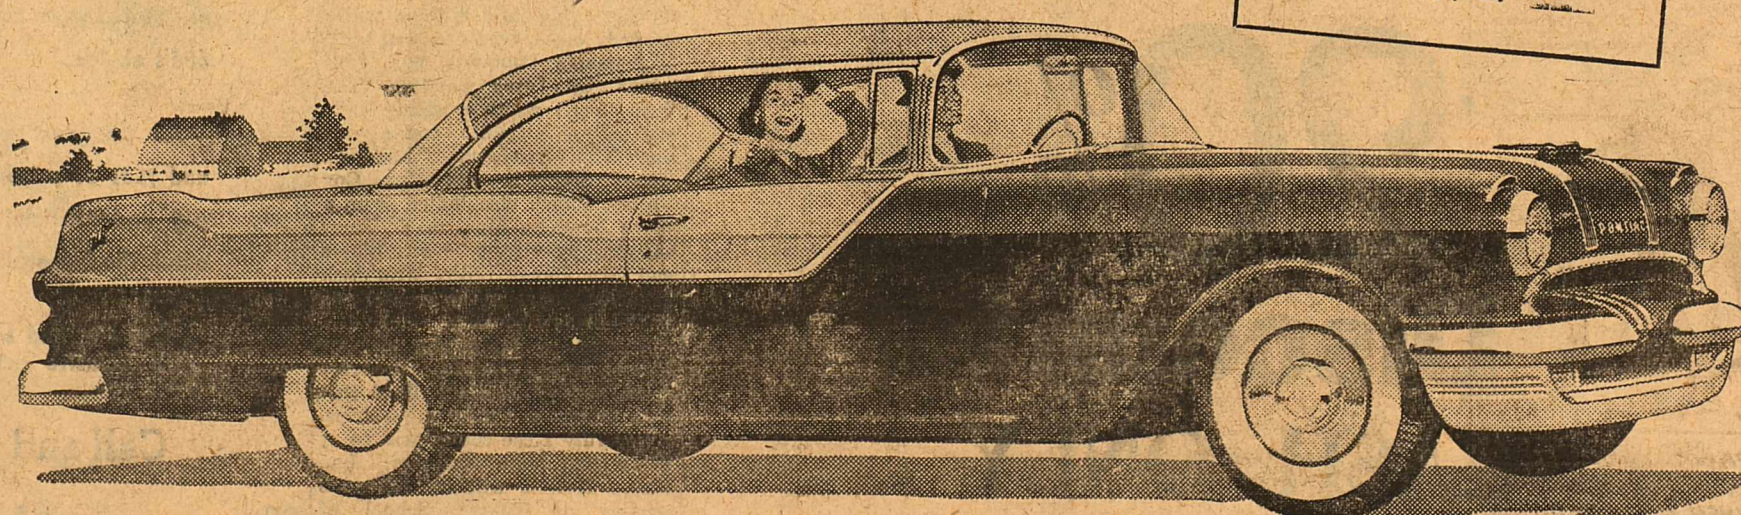

Here's your wide-open invitation to come in and try the result—the fastest-selling Pontiac of all time. The car is ready whenever you are! Make it soon.

Pontiac

Most Modern Engine
in Any Car
THE STRATO-STREAK V-8

The Strato-Streak V-8 is one of the great landmarks of automotive progress—the newest and most advanced engine you can buy. Standard with all three lines of Pontiac, it develops 180 H.P. and reaches a blazing 200 M.P.H. with the four-barrel carburetor, optional at extra cost. Either way you get the most power per dollar delivered by any car at any price.

Sad Note
From The Bugle

All of us on the Clarion were alarmed to learn that our principal rival in the newspaper field—the Balesville Bugle—might have to shut down.

Crops were bad in Balesville last year and one of their factories moved out of town. Just temporary hard times, of course—but the Bugle needs help now if it's to survive.

So, this paper is going to scrape up a little money to help tide them over, and we hope other local concerns will do the same. We've seldom agreed with them editorially over the years—but

we want their competition to keep us on our toes.

From where I sit, this country needs papers with different points of view—just as it needs people with different ideas and tastes. You may prefer iced tea as a hot-weather cooler... I generally choose a cold glass of beer. But if either of us couldn't express his opinion, and act on it, that would be "bad news" for the whole community.

**Chevrolet's
special
hill-flatteners!**

162 H.P. V8

180 H.P. V8

See that fine fat mountain yonder?
You can iron it out, flat as a flounder . . . and easy as
whistling!

Just point one of Chevrolet's special hill-flatteners at it
(either the 162-h.p. "Turbo-Fire V8" or the 180-h.p.
"Super Turbo-Fire"*) . . . and pull the trigger!

Barr-r-r-o-o-o-o-o-o-o-o!

Mister, you got you a flat mountain!

... At least it *feels* flat. For these Chevrolet V8's gobble
up the toughest grades you can ladle out. They love to
climb, because that's just about the only time the throttle
ever comes near the floorboard.

And that's a pity. For here are engines that sing as
sweetly as a dynamo . . . built to pour out a torrent of pure,
vibrationless power. Big-bore V8's with the shortest stroke
in the industry, designed to gulp huge breaths of fresh air
and transmute it into blazing acceleration.

So most of the time they loaf. Even at the speed limit
they just dream along, light and easy as a zephyr, purring
out an effortless fraction of their strength.

... Until an emergency screams "NOW!" . . . until your
foot bangs down and that V8 explodes into action!

An engineer can run his eye over the specifications of
these V8's and instantly understand why they are so hyper-
efficient . . . how friction is held so low they need just *four*
quarts of oil instead of the usual five or more . . . how big
valves and short manifolds let them "breathe" deeply
for maximum power . . . how the 12-volt electrical systems
(exclusive in Chevrolet's field) provide *twice* the punch for
cold-weather starts and faultless high-speed firing.

But you don't have to be an engineer to know that these
are the sweetest running V8's you ever piloted. Just come
in, slip behind the wheel, point the nose at the nearest
hill, and feather the throttle open. *These* V8's can do their
own talking . . . and nobody argues with them!

*Optional at extra cost.
