Pro-Family Forum Schedules Speaker To Aid Voters

A Pro-Family meeting has been scheduled for Thursday, Oct. 9 at 8 p.m. in Community Room of Farmers State Bank, according to Mrs. Eddie Hooper.

Speaker for the evening will be Mrs. Don (Skeet) Workman of Lubbock. A very able speaker, Mrs. Workman is

president of the Eagle Forum.

She will be discussing amendments to be determined in the up-coming election. The public is cordially invited to be present for the session. The program is designed to help voters understand some of the issues to be decided soon at the ballot box.

Warning!

Motorists are once again reminded of traffic regulations regarding Hart schools and school buses. Violators are to be issued citations.

The street between elementary and high school is closed to northbound traffic during school hours, 8 a.m. to 4:15 p.m. All traffic must move from north to south.

Some motorists have been passing stopped school buses, ignoring a state law. Persons approaching, from either direction, a bus displaying alternately flashing lights are required to stop. The bus may be passed when it has resumed motion, when signaled by the driver to proceed or when red lights are no longer flashing.

Friday

Homecoming

Preparations were in "high gear" at press time for a gala homecoming event which got underway Wednesday with the observance of "Stripes, Polka Dots and Lollipops Day."

Kevin Belt, Isaias Ponce or Derek Rich was to be crowned Wednesday night at Bonfire King ceremonies at the homecoming bonfire.

Thursday (today) had been ordained Western Day with students wearing the appropriate dress. Friday was declared Dress Up Day and Maroon and White Day.

A Pep Squad King will be crowned during the 10:51 a.m. assembly. Candidates are Santos Valenzuela, Danny Rodriguez, Andy Sarabia and Agustin Perez.

The victory cake is also to be presented during assembly.

All Longhorn supporters are invited to attend the giant pep rally at 3 p.m. in the high school gym.

Friday night, the Horns will play hosts to the Patriots of Valley High School. Coronation ceremonies for the Homecoming Queen will be held at half-time. Candidates are B.J. Brantley, Emma Castillo, Teresa Mapp and Pennie Pierce.

Stop Lights, Signs

Going Up On 194

State Highway Department workmen this week were busily installing new lights and markings which will convert the intersections of highways 194 and 168 into a four-way stop.

Works began Friday when amber flashing lights of the advance warning were installed on Texas 194. These lights will be turned on when the bouncing beacon lights at the intersection are in place.

Two Tie For Week's Win, Rusty Ammons Leads Season

Pigskin predicting proved little trouble last weekend for three contestants in the Hart Beat guessing game. The trio missed just two games each.

J.B. Allensworth and David Hernandez also turned in identical predictions for the tie-breaker game between the Green Bay Packers and Dallas Cowboys. Each predicted the score at 17-27 to miss by 11 points. They will equally divide first and second place monies and receive \$4 each.

James Kennedy was off 17 points with 13-17 to claim third place winnings.

Every contestant was assured one automatic point in last week's contest for the cancelled game between Cotton Center and Higgins. The game was cancelled because of the death of a former Higgins player.

By similar happenstance, all contestants will receive four automatic points in the upcoming contest. A "royal goof" by the contest editor led to the incorrect listing of the college and pro games, thus everyone will be given points for these four games.

Rusty Ammons inched ahead in the season standings, holding sole possession this week. He has 44 correct predictions for the season. Contestants with 34 or more points are listed elsewhere in this issue.

Contestants are urged not to give up seeking the grand prize of \$50, even though they may trail by several points. Standings are subject to change each week. A "bad week" usually means the same for all other contestants.

And remember, too, anyone can be a winner for the week, even one entering

the contest for the very first time.

Anyone may enter the contest. It's fun and it's frustrating. Enter this week and each week remaining. The contest will continue as long as the Horns are in competition.

Adult Education

Registration Set

Registration for Adult Education will be held from 8 to 10 p.m. Monday, Oct. 6 in Hart High School.

A survey made in the community indicates sufficient interest in classes for 1. English speaking classes; 2. GED and Basic Adult Education and 3. bookkeeping or typing or shorthand.

The number of adults registering for bookkeeping or typing or shorthand will determine which of these three courses will be offered.

Additional information may be obtained by contacting Shirley Barnes, 938-2142.

Oltonites Send

"We put the heat pump in our home based on the recommendation from a builder. He said, 'by having a heat pump, you will save money over a long period of time on heating and cooling costs.' And, he was right! We are saving money with a heat pump. The heat pump really does do an efficient job of heating and cooling the home. If we were doing it all over, we would put a heat pump in again based on the results we've seen with lower electric bills. We are extremely pleased with the way the heat pump has performed."

Oil painting is at the top of Mrs. Wade Mills' list of favorite pastimes. Walls of her attractive farm home bear witness to the talent she has for that art.

Tina is eager to have more lessons and to starting some new work. She even plans to re-do some of her earlier paintings.

Moving here with her parents from Amarillo, Tina is the daughter of Mrs. Hattie Reed and the late Bill Reed. Wade was born and grew up on the farm about four miles from where he and Tina live today. His parents, the late Walter and Stella Mills, came to Castro County in 1902.

Tina and Wade are parents of two daughters. Jean, Mrs. Ted Robb, lives

in Dimmitt and is the mother of two sons and two daughters. Beverly, Mrs. Seiple, lives in Medina, Ohio and has two daughters.

Cooking is a homemaker's task that Tina enjoys - "when I've got someone to cook for. It isn't as much fun to cook for two," she says. She shares recipes which have won compliments from her family. The apple dessert is a real favorite of her grandsons.

Junior High Footballers Split Wins With Nazareth 8th, 7th

Hart's 8th grade lost a close battle against Nazareth last Thursday. The score 18-14.

Nazareth scored all 18 of their points before Hart could get started. Nazareth's first score came in the first quarter on a sweep. The second touchdown for Nazareth was a pass over our right cornerback and free safety. Nazareth's third and final score came in the third quarter on another sweep around the right end.

Hart's eighth grade finally got started about half way through the third quarter. We started a drive on our own 30 yard line and pushed the ball right down the middle of the field using Bruce Finch and Mark Castillo on inside dive plays.

QB Kerry Newsom and TB Freddie Washington also contributed with quick hitting plays to the outside. Our first touchdown came when Freddie Washington scored from about 10 yards out on a sweep play.

Finch added the extra point. We then tried an on-side kick but the attempt failed. We held Nazareth and forced them to punt. The offense again started to drive the ball down the middle and Mark Castillo scored on a dive play. The extra point failed. When time ran out the eighth grade was

trying to score to take the lead.

Hart's eighth grade's record is now 0-2.

Outstanding eighth grade player of the week is Bruce Finch.

The Hart 7th Grade Horns upped their record to 1-0-1 Thursday as they downed the Nazareth Swifts by a score of 14-0. On the first play from scrimmage, Abel Martinez raced 60 yards for a touchdown. The try for two points was good as Martinez again raced around the right end.

The second score came in the second quarter as again Martinez went for 30 yards for the score. The try for two was no good.

The second half was a defensive ballgame as neither team could score.

Player of the Week honors go to Abel Martinez.

Some 44 different agencies will be represented and 59 booths will be in operation. Eleven of them will provide actual screenings for health problems, states Mrs. Wynon Mayes, County Extension Agent. There will also be an opportunity to donate blood during the day.

The tests include those for diabetes, vision, hearing, glaucoma, PPD, blood pressure, height, weight, dental, rectal cancer, blood typing and hematocrit.

Persons attending the one day session may take advantage of any one, or all, of these free tests.

This is a great opportunity to avail yourself of up-to-date health information and free diagnostic tests.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.
